

# The 5G's (End Game) Trap Will Soon Be Activated!

Part 10

The facts and evidence continue to pile up that those taking the so-called vaccines will die sooner or later, but not necessarily all at the same point.

We now know that Cesium-137 (a radioactive isotope) is inserted into the hydrogel nano-particles of the “gene” therapy shots. Attorney Todd Callender and Dr. Lee Vliet shared this information on the SGT Report for 10/31/22. This is part of the ‘SynBio’ or Synthetic Biology technology to change humans from humans to cyborgs.

Cesium-137 has been found in the mRNA vaxxes and it is a direct link to the **5G** component of the genocide plan to kill humanity. Todd Callender states that Cesium-137 has been inserted in insulin and all injectable shots such as the yearly flu virus vaxx. Here is the connection: Cesium-137 binds to skin tissue and thus enabling the amplification signal of **5G** wireless energy.

For the most part, the average person only has a cursory understanding of what **5G** means, and very little on how it could transform the global balance of power. But **5G** without cesium doesn't work. The new **5G** cellular wireless tech will transfer data and the correct time faster than ever before - fast enough and accurately enough to transform industries.

In other words, 5G technology will rule the world because it can create a continuous, real-time connection for every single device that exists and every single device that will be made because of it.

Cesium is a critical element in all of this, and it could mean the difference between real-time responsiveness and 5G failure. The battleground for 5G is also a battleground for cesium, and so far, China is winning by a landslide.

Cesium-137 (US) (it has a half-life of 30.6 years) or radiocaesium, is a radioactive isotope of Caesium that is formed as one of the more common fission products by the nuclear fission of uranium-235 and other fissionable isotopes in nuclear reactors and nuclear weapons. Trace quantities also originate from spontaneous fission of uranium-238. It is among the most problematic of the short-to-medium-lifetime fission products. Caesium-137 has a relatively low boiling point of 671 °C (1,240 °F) and is volatilized easily when released suddenly at high temperature, as in the case of the Chernobyl nuclear accident and with atomic explosions, and can travel very long distances in the air. After being deposited onto the soil as radioactive fallout, it moves and spreads easily in the environment because of the high water solubility of Caesium's most common chemical compounds, which are salts.

Currently Apple© is in the launching stage of its latest 5G iPhone products (the iPhone 14 series) and there has been a highly suspicious series of reports coming out of China on Siri News over the past two weeks. For days I have been reading reports of outbreaks of Covid-19 at the huge Foxconn plants in China, into the thousands, to be more specific – 20,000 at a single plant in China. Workers were walking up to 25 miles to escape from the plant. I saw this reported on 10/31/22, 11/01/22, 11/02/22, and again this morning 11/03/22. What you need to know is that China and Cesium-137 have a big connection with the roll out of 5G technologies well before it made land in the U.S. China locked employees down inside the plants to keep them from leaving the area with their belongings. The China outbreaks of Covid-19 are unlikely a virus but rather symptoms of microwave radiation sickness from working with the latest model of iPhones.

Prices begin at \$799 for the iPhone 14 and \$899 for iPhone 14 plus. Prices for the Pro models begin at \$999 for the iPhone 14 Pro and \$1,099 for the iPhone 14 Pro Max. Apple© anticipates a slight delay in product shipping.

Cobalt-60 ( $^{60}\text{Co}$ ) and caesium-137 ( $^{137}\text{Cs}$ ) are the most widely used sources of gamma radiation.  $^{60}\text{Co}$  produces gamma rays with energies of 1.173 and 1.332 MeV and has a half-life of 30.6 years. This is a smoking gun for the sudden spike in cancer among vaxxed people.

Oncologists throughout all of 2022 and late 2021 were reporting that their patients in cancer-remission were suddenly in stage-4 cancer and dying like flies.

"5G" marketing is so skillful, that many people are under the false impression that this "product" is mainly about improving their cell phone "services." What is not mentioned in the slick advertising campaigns, is that 5G, and ALL THE "G's," are actually MICROWAVE RADIATION pollution, that is transmitted by antenna systems 24/7/365.

**MICROWAVE RADIATION is a hazardous physical agent that is harmful to human beings, our environment, and all life on Earth.** Even devout environmentalists may not have considered the consequences of contaminating our environment with MICROWAVE RADIATION and continuous exposure to this hazardous agent.

Advertising is so powerful and clever so as to emphasize certain "positive" aspects and hide any "negatives". So it is with the Internet of Things, or the IoT, made up of a combination of 5G and other antenna and satellite systems to connect EVERYTHING to the internet. Those that have been paying attention understand this is about total surveillance and potential control via biometrics, block-chain, and monitoring under the skin. Even beyond the IoT, is the Internet of Bodies or the IoB.

While the mainstream media continuously promotes distractions from matters of greatest urgency, recently the U.S. Department of Commerce "has appointed 16 experts for the new Internet of Things Advisory Board (IoTAB), to advise the Internet of Things Federal Working Group." The announcement describes the board as stakeholders outside the federal government who are experts in the IoT. Additionally, the U.S. Congress is moving forward on classified 6G wireless.

One may wonder why all the secrecy if the genuine goal is simply for everyone to have faster speeds and more services for cell phones? It turns out that the (IoT and the IoB) looks very much like Russia's new "Safe Cities" and China's surveillance state. In the USA, the 4th Amendment of our Constitution guarantees the right to be free from unwarranted surveillance and unreasonable searches and seizures. More and more towns and counties around the USA are preventing the reckless deployment of these de facto weapons systems. Around the world, there is growing opposition to MICROWAVE RADIATION and wireless pollution (5G).

5G and the IoT are not what they are being advertised to be. **The technology is nothing more than an invisible weapon's system, intended to control people or to kill them outright.** The latter is the End Game!

The telecoms, military, government, corporations, medical, academic, collectively will have approximately 450,000 5G and 6G satellites in orbit around the planet by 2025.

This past June 15, 2022 10,000 head of Kansas feedlot cattle reportedly were dead. Multiple news sources were reporting that thousands of feedlot cattle have

died in Kansas, and they are blaming it on the heat. There is much more to this story than the death of 10,000 cattle.

Many farmers have chimed in on social media, however, stating that cattle don't usually die like this simply because of heat, especially in the southern cattle producing states, such as Texas which have long, hot summers.

Because these are “feedlot” cattle living in close quarters and being fed commercial feed, rather than cattle that graze on pasture, some have speculated it could have been poisoning, while others are theorizing it could be EMF radiation such as from 5G towers, as there is some precedence of EMF radiation poisoning harming cattle in the past. Attorney Todd Callender indicated that the cattle had been fed the synthetic biology hydrogels. Taking that to its conclusion it could have been a mass culling using 5G to activate the release of the hydrogel content within! It could have just as easy to have been vaxxed humans!

The June heat wave blazing through Kansas feedlots has killed an estimated 10,000 head of fat cattle that was the media story. Final death numbers continue to come in, but that early estimate was shared with DTN by livestock experts, who put the geographical center point for those deaths at Ulysses, Kansas.

DTN calls to feedlots in the area and to ranchers whose branded animals were seen in some privately shared photos of dead cattle were not immediately returned.

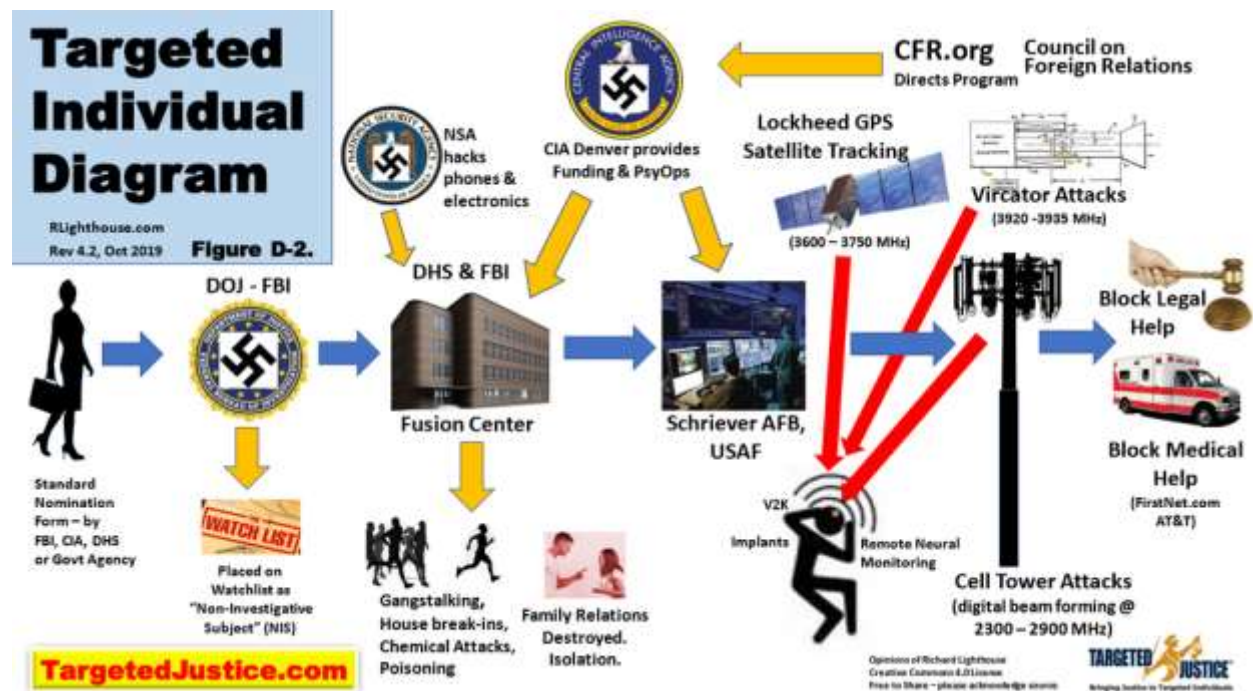

What is known is that leading up to these heartbreaking losses, temperatures in the area were over 100 degrees Fahrenheit, there was humidity, and there was

little to no wind to help cool the animals. Temperature readings reported for Ulysses began to exceed the 100-degree mark on June 11. By June 13, the high temperature was reported at 104 degrees, with humidity levels ranging from 18% to 35%. Temperature and humidity levels began to break some on June 14. Just a few days prior to the heat setting in, highs had been in the 80s.

The story quickly disappeared from the media but questions continued among cattle ranchers to this day.

The SYN BIO "Borgification" infiltration of human physiology EXPOSED by Todd Callender aired on Brighteon TV on November 1<sup>st</sup>, 2022 program list. **This interview is a must listen in the revelations of the nano-particles that have been inserted into the hydrogels of the pathogens that will be released when the powers behind this "bioweapons" program is executed upon an unsuspecting world. Go to Mike Adams Health Ranger web site Brighteon TV.**

This "synthetic biology hydrogel" is the product of the Pentagon's DARPA program. DARPA stands for Defense Advanced Research Projects Agency, where most of the super-secret research is conducted by the Department of Defense. The chart below shows how they can reach each of us!

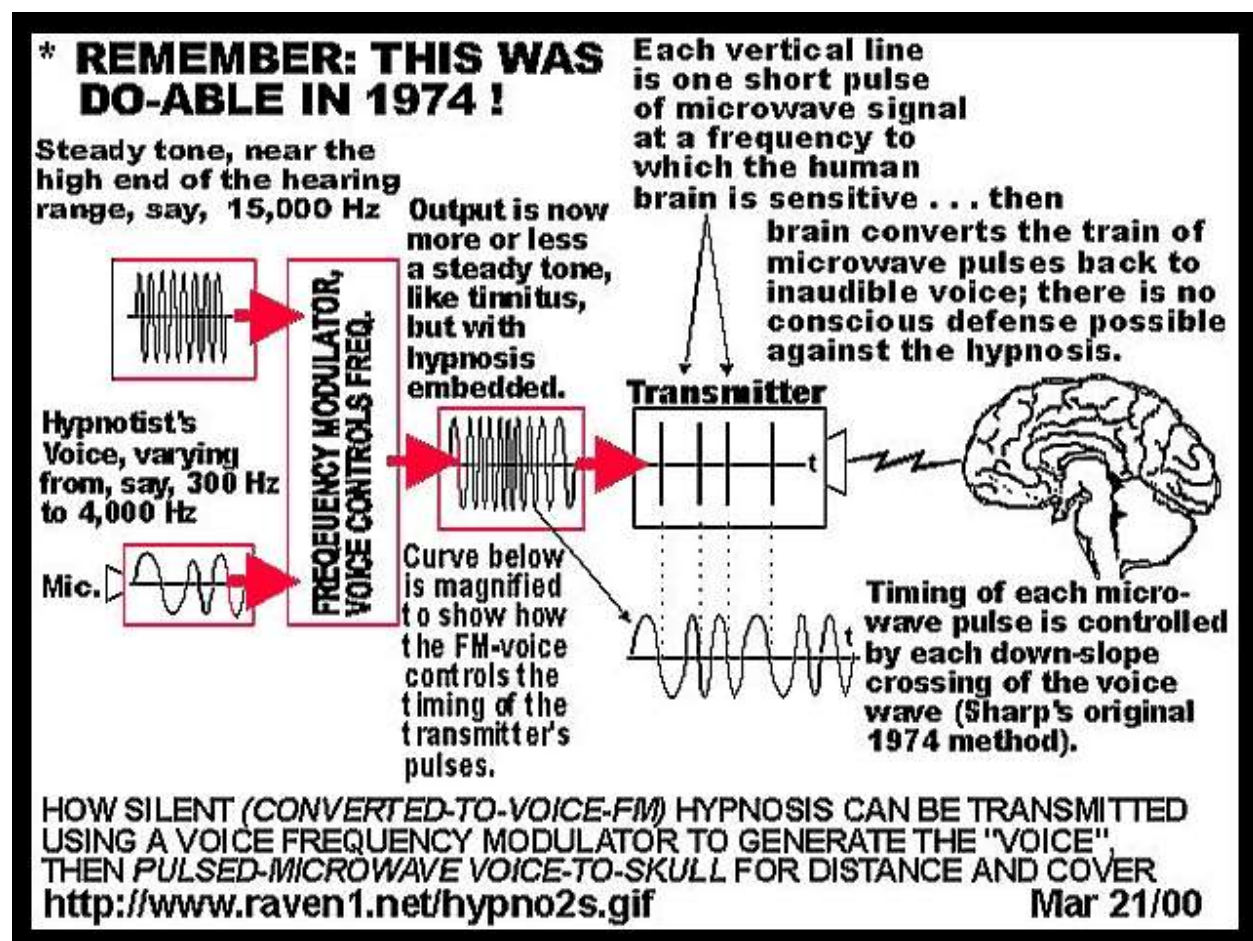

Todd Callender and Mike Adams, the Health Ranger discuss how the powers can activate the 5G 'death signal' at 18 GHz, either all at the same time or randomly, such as an entire city, or a designated geographical area. The illustration above explains how it is physically possible to "reach out and touch someone" right now, and we are being further encompassed with a network of mid and low orbit

satellites covering the entire planet. I once laughed at the old Verizon commercial that went like: "*Can you hear me now?*" No laughing matter anymore!

The German mobile operator says it now operates more than 18,000 **5G** antennas. They have stated that coverage of Germany is at the 75% level. Using Telefónica as an example, it will be a year at most before the entire world is bathed in **5G** and the **6G** coverage coming on like gangbusters.

Telefónica, which operates under the brand name O2 in Germany says it has hit this new coverage target ahead of schedule. The operator surpassed its initial 2022 coverage target of 50% in July.

The operator says it is heavily utilizing the 3.6 GHz band in its **5G** rollout, particularly in urban areas. Berlin, Munich, Hamburg and Cologne are amongst the cities with the most 3.6 GHz base stations. Telefónica's holdings in the 700 MHz band are also being used in the rollout. This band is close to what "smart" utility meters operate at throughout the country where they are installed on homes and apartments.

*“We are accelerating our 5G rollout and giving Germany a digitization boost. We are bringing the new high-speed mobile network to more and more cities and, above all, rural regions even faster,” says CEO Markus Haas.*

**DEATH BY VAX: Excess mortality up 17% among the fully vaccinated.**

Wednesday, November 02, 2022 by: Ethan Huff

(Natural News) An alleged Black Ops / SCI top secret U.S. naval intelligence officer and data expert claims that, based on data from the U.S. Centers for Disease Control and Prevention (CDC), excess deaths among the “fully vaccinated” are up 17 percent. This is huge in mathematical indices figures!

Not only that, but rates of cancer in those who took the jabs from Operation Warp Speed are “at a 9-sigma rise,” which the individual who put this all together describes as “*a hard-rudder turn for cancer [that] means something is right ahead.*”

The CDC is so concerned about the truth coming out, this person adds, that it is committing blatant fraud to cover it all up. (Related: It has been repeatedly confirmed that Chinese Virus injections are directly responsible for spikes in excess mortality all around the world.)

Various doctors who are tweeting on Twitter about the matter incognito also confirm that they are seeing a massive uptick in new cancer patients who all got jabbed for the Chinese Flu in obedience to the government.

*“Our neurosurgeons have confirmed that we are seeing a rise in brain cancer, across all age groups,” one account wrote. “Most strikingly, in young adults. Several staff physicians included. They have no idea why.”*

Insurance CEOs suggests covid jab excess deaths represent largest mass die-off of working-class folks in history.

The situation is slightly worse in Europe than it is in the United States, the data shows – at least as far as excess deaths are concerned. And there has not been so much as a peep about it from the corporate-controlled media.

In the U.S., the excess death rate among the fully jabbed is 0.7% lower than in Europe, which could just be a margin of error – or perhaps the European versions of the injections are more dangerous?

Australia is also suffering through an excess death apocalypse as fully injected residents are now dropping dead, seemingly without cause. In the year 2022 up through June 30, nearly 100,000 Aussies who fully took all the shots are now fully dead.

Insurance industry experts are really starting to notice the trend. One suggested that what we are now witnessing is the largest mass die-off of people who belong to the working class in world history.

The CEO of one insurance group claims a 10-sigma event is now occurring. Keep in mind that the likelihood of a 10-sigma event is something like once every *billion* years.

To clarify this statistical property term, I need to explain what the word means for those unfamiliar with statistical probability:

Six sigma means six standard deviations away from the mean of a probability distribution, sigma ( $\sigma$ ) being the common notation for a standard deviation. Moreover, the underlying distribution is implicitly a normal (Gaussian) distribution; people don't commonly talk about "six sigma" in the context of other distributions. Here's a table to indicate the odds against a *k*-sigma event for various *k*.

Sigma   Odds	
1	2 : 1
2	21 : 1
3	370 : 1
4	16,000 : 1
5	1,700,000 : 1
6	500,000,000 : 1

If you see something that according to your assumptions should happen twice in a billion tries, maybe you've seen something extraordinarily rare, or maybe your assumptions were wrong.

Any event that is extremely rare, beyond the sixth standard deviation in a normal distribution, is known as a 'six sigma event'.

The "*Ethical Skeptic*" account on both Twitter and Substack, which is said to be owned and operated by the aforementioned military asset and data expert, has been keeping a close eye on the CDC's data-hiding efforts concerning all this. There are 'good' sources within these corrupt government agencies.

"CDC is now (post 'system upgrade') unilaterally shifting Cancer UCoD deaths to Covid UCoD deaths (even trivial nosocomial cases of Covid)," he tweeted. "Thereby hiding the stark cancer increase from you."

**"Undeniable smoking gun proof,"** he added.

Heart-related deaths are also hidden deep within the CDC's manipulated datasets. The *"Ethical Skeptic"* says heart-related RXX Abnormal Clinical & Lab Findings Mortality was separated from IXX ICD-10 heart-related mortality (these are two separate classification methods).

When you combine these two classifications back into one, **"you find the hidden heart-related deaths,"** he says.

**"Despite Covid at a VERY low level, we are at an all-time peak in heart related deaths,"** he adds, calling it a "20-sigma" event. He is inferring a serious situation.

**"In sum: there is very little COVID in the world now, but there's plenty of unexplained deaths,"** writes Emerald Robinson on her *"Emerald Robinson's The Right Way"* Substack page.

**"Heart-related deaths. Cancer deaths. How many of those deaths were vaccinated people?"**

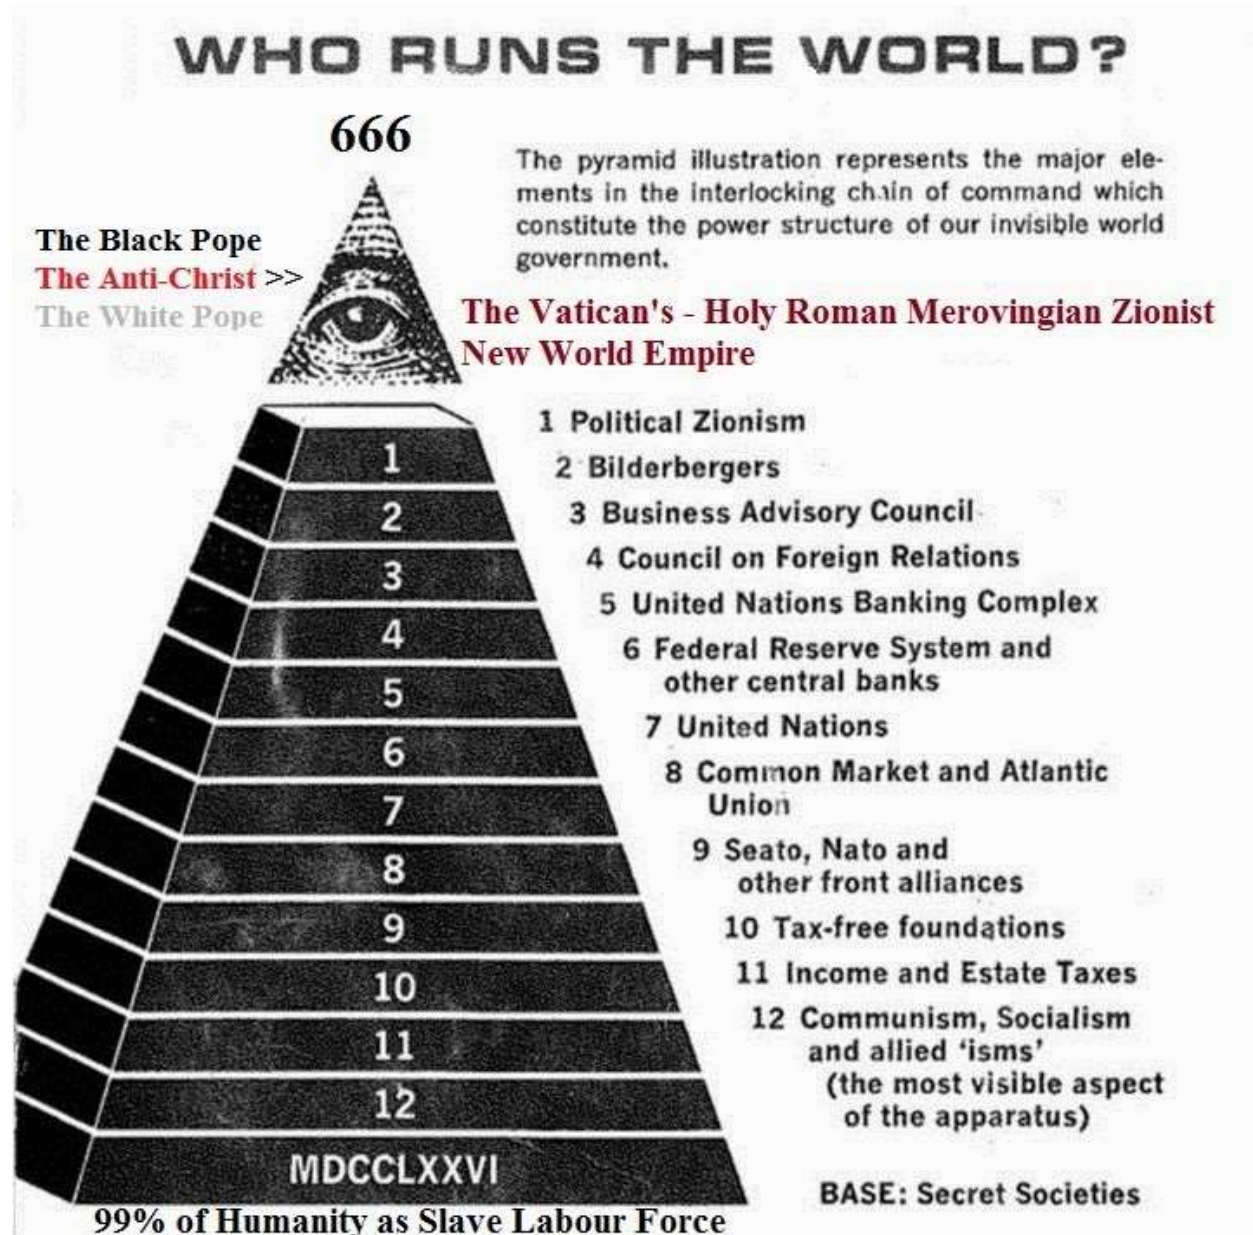

It is standing out that the CDC and other reporting public health agencies worldwide that the powers at be are definitely trying to hide the facts and the real truth!

This has been confirmed numerous times over the past two years. In the last segment of this series you read Karen Kingston's report "Covid Tests" and "Vaccines" Are Delivering a Hybrid Biological/Technological Weapon Which is Activated By 5G, Fibre Optics and Light."

Amazingly much of this country has been in the dark the past three years or so. Although the tide of ignorance has been slowly changing since the summer months of 2022 but the power structure of the world has not let up in its efforts to get people vaxxed. They know their plans have been exposed on the Internet as honest doctors, researchers, physicians, morticians, scientists, insurance companies, and others have shown great courage in presenting the evidence that convicts these demonic killers!

The Biden imposter would have you believe he had his fifth so-called “booster” shot a week ago and he is perfectly well. If a vaxx needs a fifth “booster” the vaxx is not working at all. These people lie and the public is dumb as a stone to see the fraud being hoaxed on them. The public largely “trusts” their killers.

Note below at who all were exempted from the government mandate issued in 2021!

Learning about criminal elites that control the world, can be so disturbing, that some people respond with “cognitive dissonance”, or the “Simmelweis effect”: they hide their head in the sand. What is being revealed, is simply too upsetting.

What is happening in the world today is unprecedented, and it offers hope for the future: hundreds of millions of people are beginning to understand, for the first time in their life, that most governments are puppet theaters controlled by concealed financial entities, who use them to further their own criminal goals of enriching themselves, while enslaving the public to their systems of control.

This has been happening for centuries, and for the most part, all of humanity was oblivious to it, since these criminal power structures strategically operate behind the scenes, making sure nobody is aware of their operations. That's why they are called *Deep State*, *Shadow Governments*, and *Secret Societies*.

They make sure to remain unseen by the public, operating entirely from the shadows, while fully controlling everything that happens on the visible scene.

The fact that this is being exposed on such a worldwide scale, is unique in history, and it means the tide is turning. Their greatest weapon is obscurity, and being exposed is their greatest fear, since it will mean their downfall. Everything they do, depends on the ignorance of the population. Once the people know what is going on, they will no longer play along this nefarious game, and will begin to resist.

Three doctors in the armed forces decided to blow the lid on the United States military's open deception concerning the negative outcome of Wuhan coronavirus (Covid-19) "vaccination" on American troops.

According to the three whistleblowers, medical billing code data captured by the Defense Medical Epidemiology Database (DMED), which is run by the Department of Defense (DoD), shows that rates of miscarriage, myocarditis, cancer, Bell's palsy, female infertility, and many other health conditions are up big time.

Cancer rates are particularly concerning, they say, as the normal average number of new cases per year is about **38,700**, based on the time period from 2016-2020. In 2021 after Operation Warp Speed was launched, however, the number of new cancer cases that year rose to **114,645**.

The Armed Forces Health Surveillance Branch (AFHSB) runs the DMED, which it describes as a *“web-based tool to remotely query de-identified active component personnel and medical event data contained within the Defense Medical Surveillance System (DMSS).”*

*“The database contains every International Classification of Diseases (ICD) medical billing code for all medical diagnoses submitted by the military for medical insurance billing,”* reports explain. (Related: Remember at the launch of Operation Warp Speed when Dr. Sara Beltrán Ponce, MD, suffered a horrific miscarriage right after getting jabbed for the Chinese Flu?)

### **Neurological issues up 1,000% in military following Operation Warp Speed**

The three military whistleblowers in question are Samuel Sigoloff, Peter Chambers, and Theresa Long. Attorney Thomas Renz issued sworn statements from these three to the courts as part of a major lawsuit.

During the first 10 months of 2021, Renz says, miscarriages alone rose by **300 percent** in the military. His hope is that the suit will lead to an end for covid jab mandates in the military. But much of the damage has been inflicted!

Sen. Ron Johnson (R-Wisc.) is also involved, having recently hosted “COVID-19: A Second Opinion,” a livestreamed discussion panel featuring numerous world-renowned doctors and medical experts who offered a much different take on the *scamdemic* and how the government handled it.

On February 1<sup>st</sup> of this year, Johnson wrote a letter to U.S. Secretary of Defense Lloyd Austin. In it were the findings from a roundtable on covid jab injuries and deaths, including data showing a **10-fold increase** in neurological issues post-Operation Warp Speed.

Senator Ron Johnson also revealed the following increases in other health conditions following the mandate of covid injections in the military:

- Hypertension: 2,181 percent increase
- Nervous system disorders: 1,048 percent increase
- Malignant neoplasms of esophagus: 894 percent increase
- Multiple sclerosis: 680 percent increase
- Malignant neoplasms of digestive organs: 624 percent increase
- Guillain-Barre syndrome: 551 percent increase
- Breast cancer: 487 percent increase
- Demyelinating: 487 percent increase
- Malignant neoplasms of thyroid and other endocrine glands: 474 percent increase
- Female infertility: 472 percent increase
- Pulmonary embolism: 468 percent increase
- Migraines: 452 percent increase

- Ovarian dysfunction: 437 percent increase
- Testicular cancer: 369 percent increase
- Tachycardia: 302 percent increase

Between the years of 2016 and 2020, there were **1,499** codes for miscarriage reported each year. From January through October 2021 – not even a full year – there were an astounding **4,182** miscarriages logged into the system.

During his panel, Johnson further made note that it appears myocarditis rates are being doctored by the government. Back in August 2021, it was shown in the codes that myocarditis diagnoses were up **2,800 percent**. This month, however, it is now listed as only **200 percent higher**.

*“There appears to be doctoring of the data,” Johnson stated. “Now, my staff has already sent – this morning, we sent a record preservation letter to the Department of Defense to try and protect this data.”*

*“Our soldiers are being experimented on, injured, and sometimes, possibly, killed,”* he added in a statement. Who is really responsible for this? From my knowledge and research, below are two of the Satanists behind the much larger global depopulation agenda being waged as **“Sustainable Development”** of the **UN global Agenda 21**.

In another aspect of this that seems to get lost in the discussion is that even if a person refused to get the unproven vaxxes, there is another aspect that needs to be considered. Numerous reports noted that the American Red Cross and the blood collection process does NOT test or differentiate the fact whether blood donated was from those vaxxed or not. This means that if you are hospitalized and require blood transfusion that you could get vaxxed as a result of the need to be given blood.

That fact raised a question by married couples in which only one partner was a recipient of the vaxx program. Could the unvaxxed partner be vaxxed through sex and the answer has been repeatedly in the affirmative yes! In fact, evidence early on suggested that was the intended purpose to spread it through sex. That was noted in the outbreak of Monkeypox that was being pushed in the homosexual community back in June and July of this year.

The chart below puts into perspective the phases of mortality relative to those taking the pharmaceutical jabs. Keep in mind, every person signed a consent form what amounted to a “liability release” when they were given the shots. This in turn protected the drug companies from being sued should a person get hurt or die. It was suspicious when way back the CDC said it would pay for a person’s funeral if they died from the vaxx.

# THE **THREE PHASES** OF COVID VACCINE MORTALITY

**DEATHS**

## **SHORT TERM** 0-30 Days

- Blood Clots
- Thrombosis
- Myocarditis
- Strokes
- Heart Attacks
- Spontaneous Abortions
- Pulmonary Embolism
- Anaphylactic Shock

## **MEDIUM TERM** 1-12 Months

- Vaccine-Induced Immodeficiency
- Antibody Dependent Enhancement (ADE)
- Autoimmune Reactions
- Prion-Like Neurological Destruction
- Heart Failure

## **LONG TERM** 1-10 Years

- Spike Protein-Induced Chromosomal Damage
- Cancers
- Severe Immunodeficiency
- Fatal Autoimmune Disorders
- Suppressed DNA Repair Mechanism NHEJ
- Infertility / Reproductive Disorders

**TIME**

**Covid vaccines are known to  
cause myocarditis.**

**Myocarditis alone is fatal in 56% of patients  
in less than 5 years. Giant-cell myocarditis  
causes over 80% mortality in 5 years.**

Attorney Todd Callender in his interview by Mike Adams, the Health Ranger said that the operation is one well designed and very sophisticated plan to accomplish its goal, noting that it required many years to develop and construct. Todd Callender believes that the 2016 election of Donald J. Trump was somehow, perhaps providentially, a derailment of the World Economic Forum and its agenda for bringing on the New World Order One-World-Government.

The web site TargetedJustice.com estimates 200,000 Americans are victims of existing wireless microwave radiation, and they published several drawings, two of which I have included in this segment of how it works. **This is a virtual outline of how the global 5G microwave radiation will be deployed in killing humanity!**

The drawing below offers a picture of what the likes of Bill Gates and world leaders envisioned with the launching of **5G** wireless EMF/EMR energy with all of its so-called benefits is really a prescription for mass unemployment as Klaus Schwab's technical advisor Yuval Noah Harai says, we don't need billions of people anymore.

I am old enough to know what we are witness to today did not begin on March 10/11, 2020 when the World Health Organization declared a world pandemic of the a novel rogue virus that somehow was released in a fish market in Wuhan, China.

In previous articles, I have shared photos of the actual patents issued to the major names associated with this pandemic dating back years before the so-call pandemic was hatched upon the world. **The pandemic was a scare tactic that began as part of a cover-up of the symptoms that accompany 5G wireless energy or microwave radiation.** The WHO, Johns Hopkins University, Rockefeller Institute and their own documents show this was planned years ago, perhaps at least a full decade before it was foisted upon humanity, if not longer.

**What better method can you think of to kill 7-billion people than to get them so frightened and begging for a vaccine to save them from death? Who died first in the scam?** It was the elderly, those in nursing homes, already vulnerable to health issues that come with age, that were the largest group who have died. These were the “useless” eaters Dr. Henry Kissinger once called a drain on a nation’s resources, like social security and Medicare, but there are six other major resources considered at greater risk: fresh water, oil, natural gas, phosphorus, coal, and rare earth elements.

In answering the question this series has focused on about when the 5G switch will be executed on humanity, no one seems to know the precise date and time, but if I was to guesstimate, it would be anytime in the next 24 months, but certainly by late 2025. Actually it may have already been activated, since it comes down to “modulation” and they are cooking the proverbial frog in the pot already. Since Germany’s provider for 5G indicated they are at 75% installation as of a few months ago, I think it fair to say that the United States is in the same general range. I saw a report that 296 cities in the U.S. have 5G operational as of November 1, 2022. The WEF plan was for the 5G phase to be completed between 2023 and no later than 2025.

Think about the fact that 31 million children are using Google’s Chrome Book, exposed 5-7 hours a day with that 5G tower outside of each of the 130,930 (K-12) school buildings dotting the United States landscape. As Lara Logan has stated, she was told by a Satanist that this is a war against God, and the closest thing to God were little children! That revelation and her exposure of the sex-trafficking industry got Lara Logan banned from NewsMax.com. Those 31 million children in school today are on their cell phones and devices the rest of the day connected to wireless “microwave” radiation of one form or another.

Think about when you were locked down, and worked from home, the telecoms were stringing infrastructure and cable in all those schools. The effects of 3G, 4G, 5G, and 6G are cumulative and impacted by both distance and intensity from where it originates from. I saw AT&T installer trucks traveling on my road daily, frequently during 2020 and 2021. We have a grandson who worked as an IT technician in the very school system he graduated from during this period stringing cables throughout the school classrooms in the school district.

In checking <https://www.antennasearch.com> this morning, it appears that I have gained a new cell tower in my three-mile radius of where I live. I now have 11 cell towers and 52 antennas in my danger zone. Two of the antennas are within 6/10<sup>th</sup> of a mile and I do experience adverse reactions to my skin. In many ways I consider myself blessed as my former home community outside of Pittsburgh, PA has 55 cell towers and 279 antennas.

As Attorney Todd Callender and Mike Adams pointed out, they are capable of executing the “Kill” shot with 5G in different parts of the country at different times. This might make sense in that it likely will frighten the public further and increase the uptake of those wanting a vaxx cure, which in reality is a vaxx poison shot intended to destroy the individual immune system so to make them sicker, and die sooner from the pathogens known to have been found in the so-called vaccines like Graphene oxide, PEG, Marburg, E-Coli, HIV, embedded within the Hydrogels that Todd Callender called “little bombers” that will burst and spread their poison when hit with a designated frequency and signal.

You have to turn off your mind and do some serious research about these things. Your soul depends on it.

# THE MARK OF THE BEAST 666

Will you bow to the beast system and take their operating system into yourself?

An ancient prophecy coming to pass at the hands of the corrupt elite.

**READ THE LAST BOOK OF THE BIBLE. IT'S TALKING ABOUT THIS TIME RIGHT NOW.**

The vaccine contains Nanotechnology and CRISPR gene editing technology. It is a weapon of control.

**The Vaccine contains Nanotechnology and CRISPR Gene Modification Technology. If you don't believe me, Google search it!**

This technology is so powerful that over a million people have already died after taking this vaccine. There's a big cover-up going on. **In the days of Noah, before the flood, Genetic Modification was going on. Christ said the end would be like the days of Noah.**

This picture shows how the whole world is controlled by a few royal families and the secret societies that they control.

The Freemasons control the world and they want to give everyone the COVID-19 Vaccine. Covid is a hoax created by the media. They want to create a society of docile feeble-minded programmable people that they can control by using supercomputer technology, and it is prophesied that this will happen in the bible! The vaccine contains nanotechnology and "CRISPR" gene modification technology, which will allow them to create a "new world order" of slaves.

There are six million Freemasons in the world. About 5000 of them are level 33, and they control the whole world. Freemasonry is very compartmentalized. You can only join if you are invited. The lower levels think that they are part of a good organization. The higher levels have secrets. At level 13, they are told that the true god of Freemasonry is Satan. The Freemasons of the highest level worship Satan. They receive their power from Satan in exchange for making biblical prophecies come to pass on the earth. The book of Revelation speaks about the evil things they will do. It is talking about this time right now.

These high level Freemasons like Joseph Crowley and Albert Pike claim to be able to invoke Satan. Satan literally rules this world. These monsters rule the world in his place. They treated eternal life for power and will burn in hell forever with him.

Read the book of Enoch

The "miracles" mentioned in Revelation 13:14 which they deceived the world with, is talking about technology, especially about "vaccines". The Greek word here for miracles is pharmakos, Gc and took it up! Read the attached PDF document learn more.

Only an idiot would agree to take the vaccine if he knew what he was putting in his body.

Do you want this in your body?

Don't be lazy do your research!

Google "Vaccine Nanotechnology" if you don't believe me!

Just like in the days of Noah, The real history has been hidden from you.

The descendants of the Roman royal bloodlines.

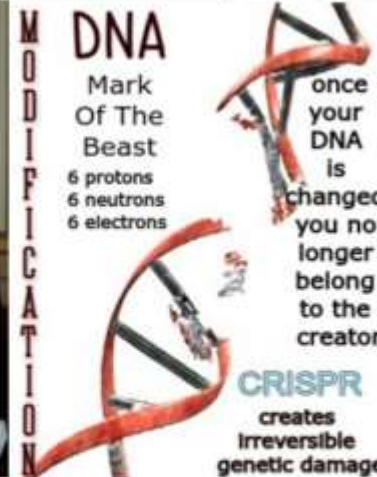

Gene modification technology is extremely dangerous.

This is irresponsible even if you believe in evolution! You are destroying your DNA!

It's like their big inside joke!

**This is the prophecy. They even called it Patent # 666. Satanic Freemasons control this world and they love to mock people.**

The world is controlled by 33rd degree Freemasons who worship Satan. They want complete control over people now.

**This is what is inside of the vaccine. It is not really a vaccine, they just call it a vaccine so that they can give it to you.**

Covid-19 is a media hoax. They needed a way to give everyone on earth what the Bible calls the mark of the beast.

**Nanotechnology and CRISPR Gene Modification, activated by 5G. It will be activated soon. Then things will change.**

The nanotechnology in the vaccine will allow them to truly control people once they activate the global 5G network.

Revelation 13:15-18

Revelation 14:9-11

Once you inject their vaccine, your body is legally theirs. Literally. And there are big implications. It's the same thing with genetically modified crops. They are patentable.

They are the descendants of the same political royal families who killed Christ for speaking out against them. They are psychopaths! **In 2022, if you do not take the vaccine they will call you a terrorist, and soon after you will be imprisoned or killed. But if you take it, you will go to hell on judgment day.**

The fact is that what we already know and what has been exposed is not going to have a great deal of impact upon the world when people live in fear and cower to their politicians. The power of fear upon those without an extremely strong religious faith system can be so powerful that they shut down to the effects of a "Mass Formation Psychosis" psy-op! Since I have been tracking and recording a chronology back to the fall of 2019, it has been easy to understand how the public has been duped. It was Dr. Robert Malone who told Joe Rogan that is what has occurred with Covid, a phenomenon that occurred in the 1920s and 30s in Germany when a highly educated population *"went barking mad"*.

**"Luciferase"

**The Gates and MIT are currently developing the "Human Implantable Quantum Dot Microneedle Vaccination Delivery System." It's a tattoo for the hand, which will include our identification Mark and vaccination records.**

**It needs an enzyme called Luciferase in order to make it work.**

Covid passes are coming to the U.S. as in Europe. People have been routinely arrested at European airports with fake covid passes because they failed to

exhibit the Luciferase that glows purple under a scanner. They were retained and forcibly vaxxed in order to resume their flights.

**Billions dying on the earth is consistent with what the Bible says will happen early in the lead-up to and with the Tribulation period.** Compass International posted today the chart below on the events within this time frame centered right about the early stages of the Great Tribulation.

If the Lord tarries, this obvious increase in worldwide death from all these unknown causes will eventually be linked to the vaxxes. The Globalists/Satanists will lie, because that's what they do best. I can tell you that Bible believing Christians figured this out early on and began to expose it for others with eyes to see! But the world will no doubt figure this out after much of the damage has accumulated to where it becomes self-evident they were deceived by the father of

lies himself. And the vaxxed will be furious for being duped! Might be connected to this verse:

*“For this reason God will send upon them a deluding influence so that they will believe what is false, in order that they all may be judged who did not believe the truth, but took pleasure in wickedness.”* -(2<sup>nd</sup> Thessalonians 2:11-12).

So apparently a large group of people will believe a lie around the time of the Rapture. The lie could be the Rapture itself, trying to explain away where all those people disappeared to. Or it certainly could be the lie that the vaxx is safe and effective. We now KNOW it's anything but safe and effective. And people pushing taking the jab sure seem deluded.

It certainly appears that the government is trying to keep the cat in the bag until after the elections. Around the world, countries are reporting the truth—that the vaxxes are killing people!

Former Wall Street analyst Edward Dowd and his colleagues have noted the spike in all-cause deaths among working health young people from 18-45 have spiked. They report increase in the funeral business, sale of caskets, including children's small caskets, funeral flower arrangement sales, along with a variety of related items such as "term life" death benefits paid out, something that stands out like a sign of doom! Such employer paid "Term Life" policies are virtual freebies to newly hired employees because this age group is unlikely to die during their employment.

"The Ethical Skeptic" is a guy who has been evaluating the CDC data with a fine-toothed comb. Based on his research, some suspect he's on the inside of the

CDC. He says he has found where the CDC has been hiding the excess deaths and when all are totaled the true number of deaths from the jab is over 385,000! And a large number of those are cancer, heart attacks and strokes.

Since we know they can't keep a lid on that many deaths much longer, it's obvious they're trying to hold it together through the elections. If the truth got out, they would have no hope of winning anything.

Daylight killers...

We know that Bill Gates and Richard Rothschild hold patents on so-called Covid-related aspects dating back to 2015, and there are, according to Dr. David L. Martin, founder of M:Cam, four thousands of related patents for work beginning around 2000 on creating biological weapons for the purpose of reducing the population. CRISPR technology was patented in 2012, enabling geneticists to create viruses at will. China unveiled its "Smart Cities" 5G technology on October 31, 2019 and the rest is history.

I have been working the past two weeks on compiling an Index of the articles that I have posted since 2019. My Index will have a quick link to each article. My web page had 80 pages of articles covering a wide range of topics, hundreds on **5G** wireless energy and microwave radiation; the Coronavirus later called Covid-19, and related articles. One will be able to quickly access many important articles, some of which I had forgot myself. It will be posted in about a week for those interested in the “Big” picture of all this chicanery and deception.

### **The New World Order In Your Pocket**

Why, even the very dollar bills that are in your pocket right now at this moment bear the signature of the Illuminati cabal that put them there back in the 1930s. Have you ever stopped to wonder what all those signs and symbols refer to?

*The bills may say “In God We Trust”, but the many arcane symbols that swirl around it let you know that it’s not the God of the Bible they are referring to.*

- 1). **Novus Ordo Seclorum:** A Latin phrase which means “a new order of the ages” is born. Literally, it is calling for a New World Order. – [Dictionary.com](http://Dictionary.com)
- 2). **Annuit Coeptis:** A Latin phrase which means “he has favored our undertakings”. – [Dictionary.com](http://Dictionary.com)
- 3). **The Egyptian Pyramid:** One of the great Illuminati symbols, the triangle, representing the ancient wisdom of Egypt. In the bible, Egypt is always a type of the unsaved world rebelling against God.
- 4). **The All-Seeing Eye Of Horus:** Horus was worshipped in the ancient world as a god of protection, and was often depicted as a falcon swooping in to catch its prey. Horus was the child of Isis and Osiris conceived through witchcraft in Egyptian mythology. The symbol of America – the swooping Bald Eagle – was patterned after falcon of Horus. The All-seeing-Eye is taken from the left eye, the “moon” or “sound” eye of Horus. Horus is a detestable pagan god, the son of Osiris and Isis. There is much pagan Egyptian mythology in the roots of Masonry and Mormonism. So why is it on our dollar bill?
- 5). **13 Levels:** The pyramid has 13 steps, or levels leading up to the capstone. In the bible, 13 is the number for rebellion. America was created when our founding fathers rebelled against King George.

## Masonic Symbols In a \$1 Bill

- 13 leaves in the olive branches
  - 13 bars and stripes in the shield
  - 13 feathers in the tail
  - 13 arrows
  - 13 letters in the "E Pluribus Unum" on the ribbon
  - 13 stars in the green crest above
  - 32 long feathers representing the 32° in Masonry
  - 13 granite stones in the Pyramid with the Masonic "All-seeing Eye" completing it.
  - 13 letters in Annuit Coeptis, "God has prospered."
- On the front of the dollar bill is the seal of the United States made up of a key, square, and the Scales of Justice, as well as a compass which, of course, is an important symbol in Masonry.

ANCIENT & ACCEPTED SCOTTISH RITE OF  
FREEMASONRY SOUTHERN JURISDICTION  
UNITED STATES OF AMERICA

1733 SIXTEENTH STREET, N. W.  
WASHINGTON, D. C.

*Published in the official magazine of Freemasonry, The New Age, we have a detailed explanation and admission from the Masons that the symbols on the dollar bill are indeed Masonic symbols. They have since changed the name of their magazine to The Scottish Rite Journal. This is something that today's Masons vehemently try to deny, but the facts are stubborn things.*

**6). MDCCLXXI:** These Roman numerals refer to founding of the Illuminati as an organization on May 1, 1776. This is not a reference to our Independence Day of July 4th, 1776.

**7). 13 Stars:** Again, the biblical number for rebellion – 13 – forms the basis of the Great Seal. The number 13 is all over the dollar bill.

**8). E Pluribus Unum:** Another Latin phrase which means “from many, one”. You will note that this phrase contains exactly 13 letters. Amazing coincidence.

**9). A Spiders Web:** When you look at the background pattern of the dollar bill, you will clearly see that it is a spider’s web. The spider and the spider web in ancient cultures represented death, treachery and conquest.

**10). Olive Leaves and Berries:** You will note that the eagle is holding 13 olive leaves with 13 olive berries. The olive leaf is a sign of peace, but the eagle’s claws are closed to represent that these things are being taken away, and not being offered.

**So ask yourself this** – Why would our founding fathers, and those who have come after, fill our money with the very symbols of the occult from the ancient world? Why do we see this constant reference to hidden and secret societies at the highest levels of our government? We will allow our most famous founding father, and the recognized leader of the new America to have the last word. George Washington warned us many centuries ago that, intertwined in the new birth of America, the seeds of an evil cabal had already been sown with the creation of the Illuminati on May 1, 1776, just two months before we would declare our independence from England.

**If you read closely page 22 above, you know that the powers of the Antichrist rule the world today and the Bible has been correct to every prophetic aspect and detail of who and what he is doing today through the once secret society of Freemasonry.**

**The head of that organization is Prince Charles of Wales because as the Head of the heraldic Order of the Garter; and ALL Masons in the world profess obedience and loyalty to his office as their senior or superior. He is not a King yet, and his**

coronation will not be until May of 2023. He is still a Prince and most people recognize old “sausage fingers” on page 15 and below left. He is a pedophile with a penchant for young boys!

**The Apostle Paul was likely referring to old “Sausage Fingers” in Ephesians 2:2: “Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience:”**

This verse further depicts the lost condition of mankind by specifying the forces working against them. First, unbelievers walk “*according to the course of this world.*” This is a way of saying that fallen creatures manifest their state of spiritual death by living lives of enslavement to the world’s standard of values, values that are human-centered, not God-centered.

Secondly, the rest of the verse informs us of the power that works behind this “*spirit*” of the age, or the ways of this world. Satan takes advantage of man’s lost condition. He is at work “*in the children of disobedience*” or he is “*operating in the sons of disobedience.*”

Here the writer of this epistle depicts the forces which war against believers as they seek to live godly lives: the world, the flesh, and the devil. The world is an external foe, its evil influences surrounding the believer. The flesh (the self-life) is an internal enemy, its weaknesses making it susceptible to temptation. Satan is an infernal foe, going about like a roaring lion, seeking whom he may devour. He uses the influences of the world to seduce believers, and he takes advantage of believers by attacking them at their weakest points. But God has not left believers at the mercy of these enemies of the soul. He is the eternal Friend and Deliverer who will bring victory.

Dr. David Reagan wrote an issue of his publication ‘*Lamplighter*’ on the Antichrist some years ago. He had a chart on the characteristics of the Antichrist.

The Bible is very specific about the character of the Antichrist, and the picture it paints is a disgusting one. The most detailed information can be found in the book of Daniel. Consider the chart below on the next page:

**Daniel indicates that he will be a sexual pervert, most likely a homosexual. As Daniel puts it, the Antichrist will show no regard “for the desire of women” - (Daniel 11:37).**

*“Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.”* Americans are not all that familiar with the Prince other than his marriage and divorce to Princess Diana Spencer. The UK tabloids, of which there are many devoted to coverage of the Royal Family. His indiscretion with small boys is well-known as the many

stories that have been squelched by the powers of Clarence House are papered over, paid off in hopes the public will soon forget. The fact is as with smoke, fire is discovered, leaks by staff, soon surface in the tabloids over the years.

Disturbing documents revealing close ties between Prince Charles and an elite pedophile network including prolific pedophile Sir Jimmy Savile have been released under the Freedom of Information Act.

The documents, obtained by British newspaper *'The Star'*, also reveal that a top-level cover-up was ordered to hide close ties between Prince Charles, child-killing pedophile Jimmy Savile, and former Prime Minister Sir Edward Heath, who was also under official investigation over allegations of child abuse.

Originally the documents contained redacted paragraphs, designed to hide the names and identities of the elite players involved with known pedophiles. However The Star on Sunday launched an appeal, insisting it was in the public interest to know the identity of the elites and what they were discussing.

The documents had been edited or redacted to hide discussions by former Prime Minister Margaret Thatcher about a close relationship between Prince Charles and notorious pedophile Jimmy Savile.

When investigations into Jimmy Savile began in 2012, a huge cover-up by the British establishment was blown wide open. Savile was revealed to be not only abusing children himself but also procuring children for elite pedophile rings.

The Star reports: The new documents show Savile claimed Prince Charles had agreed to be a patron of one of his charities – and, crucially, someone in power had decided we shouldn't know that fact, despite it being common knowledge that the Prince and weirdo Savile were close friends going back to the 1980s.

FBI files allege that the uncle of Charles, Prince of Wales, Lord Louis Mountbatten was a *“homosexual with a perversion for young boys.”* Very close to the Royal Family, “Uncle Dickie” was murdered by the IRA in a bomb attack decades ago. A longtime adviser to the Queen and mentor of Prince Charles, Lord Mountbatten was said to be close friends with Jimmy Savile. Clarence House and Buckingham Palace were kept busy over the years expunging reports, silencing witnesses, of the Prince's indiscretions and his association with other known pedophiles, one a bishop in the Church of England!

Since the Bible is replete with small prophecy “nuggets” about the Antichrist, this one from Daniel might not be far from the truth, *“nor the desire of women”*. The Bible's way of describing such “nuggets” is found in Isaiah 28:10 and 28:13, it alludes to mysterious markers not to be ignored, but rather to be aware of at the End, and we are fast approaching the end of the evil world leaders and their followers in this Cult of Death that wants to war with God!.

This is one of the major reasons that we can still believe in the Pre-Tribulation Rapture and that it is closer than we might want to believe. It is my firm belief that God will intervene on behalf of the believer's “Blessed Hope” because God does have a special love for the little ones because of what Jesus said in Matthew 19:14; Mark 10:14; and Luke 18:16. Jesus does not want anyone to be prevented from coming to Him. He always comes to the aid of the children—the weak and helpless. *“For of such”* points to the *“kingdom of heaven,”* which is for children and those like children -(cf. 18:1-5). The child, receptive and trusting in his father, is closer to God than the adult who wants to live apart from God.

English translations do not bring out how sharply Jesus rebuked the disciples nor do they emphasize how terribly displeased He was that they would even think of turning the children away. His tender heart went out to the children. Too many people suppose that the Kingdom belongs only to those who have superior wisdom and knowledge. They suppose their education, training, and attention to religious forms gives them an advantage before God. But the Kingdom belongs to all who have the same childlike eagerness to come to Jesus for His blessing.

When Jesus saw what was happening He was deeply distressed and displeased. The verb *“indignant”* is the compound of *“much”* and *“grieve, anguish.”* It includes the ideas of both grief and indignation, denoting great pain of mind. The

Lord was *"greatly pained."* The disciples had not learned the lesson of humility. With a double command, the disciples were ordered to cease their interference. The first command is in the aorist tense: *"allow, permit"*; the second is present: *"stop continually hindering them, don't be hindering them."* This hindering could have been done verbally or by action.

The disciples may have literally blocked the little children from coming to Jesus. Jesus' command now permitted the children to run to Jesus. To exclude children is to exclude those who are most suited for the Kingdom. True members of the Kingdom, like little children, have a spirit of trustfulness and dependency. *"Such"* may refer either specifically to children or to those resembling children in their childlike qualities. Jesus commanded the disciples to suffer (Greek, *aphiēmī*), or allow, the little children (Greek, *païdon*) to come to Him. Children should be allowed to come to Jesus because the kingdom of God is characterized by their simple faith. Children also exemplify innocence, dependence, openness, and complete trust. It is to the childlike that the Kingdom belongs. Cosmic justice await the likes of Dr. Anthony Fauci, Bill and Melinda Gates, Klaus Schwab, and the Antichrist Prince Charles as part of this Cult of Death!

Blessings,
