## 5G, and the Mark of the Beast, and the UPC Code

### Chapter 4

There is no number as feared as the dreaded “666”. It will forever be linked with Lucifer and other satanic entities. Although you tend to avoid the parking garage spots with the number “666” or freak out whenever your order at Hardee’s rings out at \$6.66, do you ever wonder about the meaning behind the number? In the previous segments we conclude why “666” is evil and from where “666” came from. I have discussed the Biblical references, studied the Pagan roots of “666” and the deeper reason why “666” has remained in the public consciousness for hundreds if not thousands of years. “666” has morphed from Babylon Paganism and worship of 36 gods, becoming absorbed into Roman Catholicism; even becoming the basis for the UPC tracking number system that is central today in inventory, accounting, logistics, and control of commerce. In Part 3, the reader is introduced to the imminent 5G technology in an innocuously way “666”, and yet it bodes enslavement of humanity.

For more than fifty years, since 1967, I have said that the six biblical passages of Scripture that deal with “666” (Mark of the Beast) spoken of in Revelation were the greatest proof attesting to the Bible’s prophetic reliability as the Word of God. I did not know how but I knew intuitively we would know one day soon. When the Apostle John wrote of “666”, he could not possibly have any grasped or have understanding of what its future meaning would be referring to. He may have had a vague idea that it had something to do with Rome, or worship, but certainly nothing having to do with the UPC bar codes introduced in 1974. I began ministry in June, 1965, and “666” was at best an enigma, a mystery which we could not attach or tag it to anything in the world at the time. Rebels who wanted to show their radical nature would get tattoos with “666” at the county fair. I knew a pair of biker’s who would stop at Clark’s lunch counter in Rogersville, PA for a stiff cup of coffee, but even they had no idea of what their tattoo “666” inferred or its meaning and they would always strike up conversation with me about the Bible.

It was two years earlier when I conducted my very first word search on the King James Bible by computer. My colleagues and I were Beta testing the software developed to run on the University’s brand new IBM 360 main-frame computer to search the text of the Bible electronically. I key-punched an IBM card with the number “666”. I placed it behind the header deck of “program instructions” and loaded it onto a small reel of magnetic tape on an IBM 1401 computer used as an input/output link to the larger IBM 7090 main frame computer.

The tape drive containing the complete text of the King James Bible began to spin as it began to search for the number “666” but after several hours searching the computer printer blurted out that it did not exist on the tape. That was a huge letdown for sure. I went to my tiny office where I had my borrowed church pew-Bible. I had heard it was in the last book of

the Bible, Revelation. I began reading until I came across Revelation 13:18 where the expression read: ***“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.”*** This time I key-punched several data cards with various search terms, two of which included “Mark” of the Beast; “Six hundred threescore and six”. I went back to the computer room across the hall from the office area, and I reloaded the header deck and the half-dozen search data cards as I recall, repeating the process. I loaded the small reel of magnetic tape and started the search process over again. It was several hours later, I don’t recall how long, but it was hours before the printer kicked out a printout with the precise verses in the book of **Revelation 13:18; 14:11; 15:2; 16:2; 19:20; and 20:4** for “Mark” of the Beast. ***“Six hundred threescore and six”*** came up twice: in 1<sup>st</sup> Kings 10:14 and Revelation 13:18. The reference to 1<sup>st</sup> Kings 10:14 talks about the amount of gold brought to Solomon in a year none of which meant little to me. The IBM 7090 was state-of-the-art back in 1964, but ancient compared to today’s Bible software. Today I can use any of 8 Bible software packages installed on my computer, and have in seconds what once took hours in 1964 when we first computerized the Bible. Literally, in a single generation, searching the Bible went from weeks and months to seconds!

The University of Pittsburgh lease/purchased the \$1.5-million dollar IBM 360 system, upgrading from the IBM 7090 system. The computing center on the 8<sup>th</sup> Floor of Pitt’s Cathedral of Learning became a “show” room for IBM sales and marketing staff bringing potential customers to see the newest in main frame computing equipment. We had the very first IBM 360 in the Pittsburgh region, a full year before any of the twelve corporations who called Pittsburgh their home headquarters. IBM kept on the premises a complement of IBM technicians to maintain all the University’s IBM equipment owned or leased by the University of Pittsburgh.

With all the activity that accompanied the “show” case reception atmosphere, it became necessary to run the operation as a two-shift, and in some rare cases, a three-shift operation. At the time I was involved with the computerization of the King James Bible, I did not own a Bible. I borrowed a pew-Bible from the pews of the West Side United Methodist Church in McKeesport where my fiancée and I went to church. Interestingly so, ever since one of my favorite methods of Bible study is the “Word Search” method.

As we look at the list below to find out why **“666”** is associated with the Satan or his church and discover the possible hidden meanings behind this number or its mirrored image of **“999”** inductively we conclude that **“666”** is nothing that any Christian would want to have anything to do with.

## **Sign of the Antichrist**

Almost everyone is aware that **“666”** is associated with the Devil, but not many people know much about the dense history behind it. Society gets its fear of the number from the Bible, in the book of Revelation, chapter 13, verses 16-18. It reads:

***“Also it causes all, both small and great, both rich and poor, both free and slave, to be marked on the right hand or the forehead, so that no one can buy or sell who does not have the mark, that is, the name of the beast or the number of its name. This calls for wisdom: let anyone with understanding calculate the number of the beast, for it is the number of a person. Its number is six hundred sixty-six.”***

So now you know the basis for people's fear of this otherwise innocent number. They don't know anything about “666” except in their minds it is something to steer clear of!

## **It's Connected to the Cruelty of Emperor Nero**

No Roman emperor was more evil than Nero. He ordered his mother killed, his first wife killed, and more than likely killed his second wife, while she was pregnant, with a swift kick to the stomach. He was also notoriously violent against Christians. And, finally, Nero is quite possibly the evil figure to whom the Biblical passage about **"666"** is referring.

The author of Revelations, John, used the system where letters carried numerical value called gematria, in which numbers are used to represent letters as well. If you translate Nero's name into a numerical value, you get **"666"**. Is that just a coincidence? You be the judge.

## May Have Been 666 Rome Itself

It's possible that **"666"** represents not just one man, but the entire Roman Empire. When John wrote Revelation, he may have used **"666"** to mock the oppressive power of Rome. Sure, Nero was evil, but not any more so than the Roman establishment, which claimed divine authority with no mandate. It was a hedonistic pagan empire at odds with many Christian beliefs.

In numerology of the time period, seven was considered a pure and holy number, one associated with completeness. By referring to Rome as **"666"**, Christians were saying the empire could never be complete or whole.

## The Mark and Number of the Beast Manifest as Money

One of the first references to “666” in the Bible comes in 1<sup>st</sup> Kings, where it's written, *“Now the weight of gold that came to Solomon in one year was six hundred threescore and six [666] talents of gold.”* -(1<sup>st</sup> Kings 10:14)

After associating the Number of the Beast with currency, the Bible goes on to associate gold with a number of nefarious or immoral things, such as idolatry and hubris. As per this theory, money is the physical manifestation of the Number of the Beast, and is, therefore, the Mark of the Beast in some way, form or fashion.

## How Other Religions View 666

The number “666” appears in religions and denominations other than Christianity. For Jehovah's Witnesses, a unique denomination of non-mainstream Christianity, “666” represents the world's unified governments in opposition to God. The Witnesses see the number seven as signifying perfection, so “666” represents failings in the eyes of Jehovah.

In Kabbalistic Judaism, by contrast, “666” represents the perfection of the world and its creations: the world was created in six days, there are six cardinal directions, and they see six as the numerical value of one of the letters of God's name. Virtually every number in the Bible communicates different meanings, i.e., literal and symbolic. Further down in this segment, I am including “themed” examples of common association linked to “666”. The theme grouping presents a picture of what I am referring to here.

**The Omen Created a Phenomenon and Perpetuated the Popular Association of 666**

You can't have a list about "666" and not include 'The Omen'. Released in 1976, the film tells the story of a young boy (Damien Thorn) who his adoptive parents soon discover that he is

the Antichrist! Warned by the priest that Damien has the "Mark" of Satan, "666" on his scalp, Damien becomes a threat.

*'The Omen'* was one of the most successful horror films of its time, and spawned a franchise. The film deals with "666" and the Mark of the Beast, so if you're looking for something that has kept the fear of "666" alive in popular culture, look no further than *'The Omen'*. I went to see *'The Omen'* three times before the theater changed features, and many more times over the years when it was aired on television.

In the original film, Damien was born of Satan and a jackal in Rome at 6:00 AM on June 6, 1971 - which is linked to the number "666", the traditional sign of the Devil, and the number "666" also appears on Damien's body as a birthmark.

Damien was adopted by Robert Thorn, the American Ambassador to Britain after his child died in what he assumed was a stillbirth, a fact he hid from his wife and together they raised him as their own son - things started off fine until Damien reached 5 years old, at which point the Devil arrived during his birthday celebrations in the form of a dog and hypnotizes Damien's nanny into hanging herself in front of the crowd while declaring it was all for Damien.

Soon after Robert is approached by Father Brennan, who tries to warn him of Damien's true-power but fails and Robert remains unconvinced, Father Brennan would meet a grisly end for his stand against the Antichrist however when he was impaled by a church spire that was knocked down by lightning presumably summoned by Satan himself - around this time a demonic woman by the name of Mrs. Baylock manages to obtain the position of Damien's new nanny and secretly becomes the budding Antichrist's guardian.

Damien's behavior becomes more unnatural as time progresses and his mother Katherine ultimately loses her next unborn child when Damien knocks her off a balcony using a tricycle and Robert finally begins to question the origins of his "son", with some added help from a photographer named Keith Jennings.

Together Robert and Keith seek out the hospital where Damien was born in order to find his birth-mother and get answers - only to discover the hospital burned down in a horrible accident, killing several people and all of the records - however they learn of one of the survivors, the head priest at the hospital, and locate him - finding him gravely ill but alive and he tells them where to find Damien's mother, who turned out to have been buried at an ancient and abandoned Etruscan graveyard.

Robert and Keith head to this graveyard and find the woman's grave next to the grave of Robert's true son - when they remove the cover of Damien's mother's grave they find a jackal's corpse in place of a humans, confirming Damien was not of the natural world. Keith understandably becomes alarmed and wanted to leave but Robert wanted to uncover the grave of his son in the hope it would contain a similar corpse and give him some hope that his son

could be alive - to his horror, this isn't the case and the grave holds the remains of a human child - the skull having a wound showing it was murdered at birth.

At this point the Devil is tired of the two men snooping as a pack of dogs suddenly sets upon them and drove them from the graveyard.

During these terrible events Katherine is thrown out of the hospital window by Mrs. Baylock to her death - devastating Robert when he finds out. Later he and Keith journeyed to Israel to find a man named Bugenhagen, an archaeologist who knew how to stop the Antichrist.

Robert learned that he had to stab Damien with the seven daggers of Megiddo to end the Antichrist's power but Robert was repelled by the thought of killing a child and threw the daggers away, Keith ran after them only to meet his fate as he was decapitated by a pane of glass from a run-away truck - this death prompts Robert to return to London with the daggers, intending to kill Damien and put an end to the carnage.

Returning home, Robert finds Mrs. Baylock's guard dog awaiting him but he manages to lock it in the cellar and then goes upstairs to check whether Damien has the "666" birthmark of the Antichrist, when Damien is revealed to indeed have the birthmark Robert knows what he must do.

However Mrs. Baylock attacked him on Damien's behalf but was fought off, ultimately being killed when Robert stabbed her during their violent struggle - after this he dragged Damien to a church with the intent of killing the Antichrist on the altar.

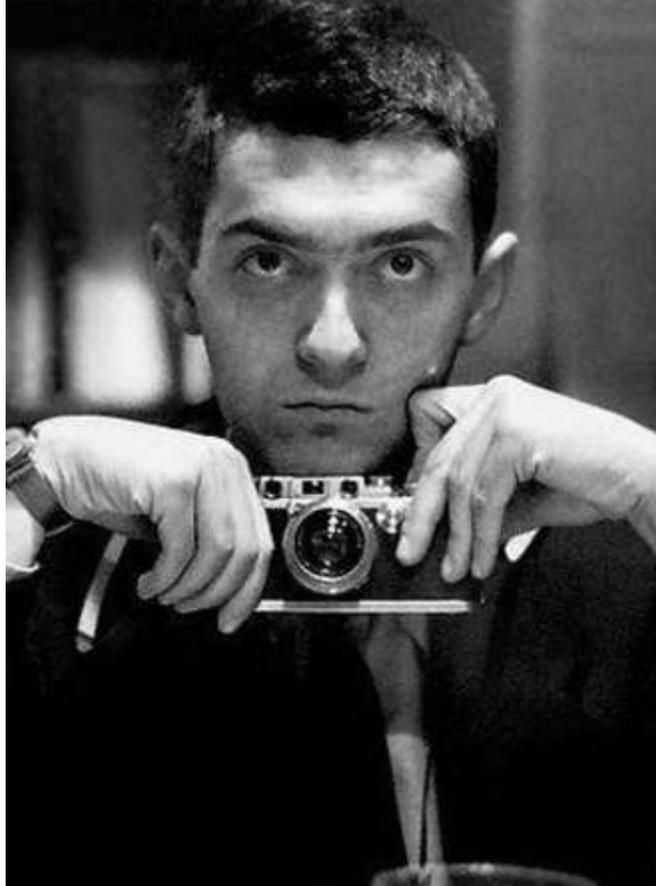

Robert arrived at the church and laid Damien on the altar, reaching for the daggers and prepared to kill Damien but is shot dead by police who arrive on the scene and thus Damien's life was spared. The movie ends with Robert's and Katherine's double funeral, where Damien is seen holding the hand of the U.S. President, their backs facing the camera. Suddenly, Damien turned completely around, and looked straight at the audience and gave a sinister smile - knowing his reign on earth had just begun.

For some unknown reason, I missed the showing of *'The Omen II'* and *'The Omen III'*. But the original *'The Omen'* did much to plant the seed in the audience' mind that "666" was the Mark of the Beast.

## **Stanley Kubrick Is Connected to 666**

One of the biggest conspiracy theories surrounding famed director Stanley Kubrick was that he was murdered by the Illuminati, who intentionally associated his death with the Number of the Beast. Why do people think this? Well, a lot of people think he used his film *'Eyes Wide Shut'* to rat out the secret society, which then had him killed on March 7, 1999.

Why is this date significant? It's exactly "666" days before January 1, 2001, which of course is a link to Kubrick's most famous film, '2001: A Space Odyssey'. Though who knows, maybe Kubrick actually was the Antichrist. Have you seen *The Shining*?

## **The Internet is Not Our Friend (and Neither Are Various Companies)**

Did you know Satan is hiding everywhere? If conspiracy theories are to be believed, the Number of the Beast appears in myriad corporate logos. Do these companies worship Satan? Are they in league with him? Disney's logo apparently has "666" hidden in it, though that company seems to have more in common with the Catholic Church than a loner start up like Satan. The Number of the Beast also appears in logos for Monster Energy Drinks, Vodaphone, and, most ominously, Google Chrome. Also Coca-Cola apparently says something really evil if you read it backwards in Arabic.

## **The Antichrist Could Be Anyone (Including Barney the Dinosaur)**

He who bears the unholy trifecta (the Mark of the Beast, the Name of the Beast, and the Number of the Beast) is prophesied to be the Antichrist, who will bring about the destruction of the world. Nobody can really predict who this person will be, but that hasn't stopped religious groups from trying. Various figures have been accused of being the Antichrist, including Emperor Nero, Napoleon, Franklin Delano Roosevelt, Hitler, Barney the Dinosaur, Bill Clinton, Bill Gates, and Barack Obama.

## Microchips Will End the World

What if the “Mark” of the Beast isn't an ancient empire or outdated currency, but something way more high-tech? That's the thought process for people who believe microchips will pave the road to the end of the world. These people believe there will be a point at which humans are embedded with microchips containing all our personal information, which will put us under extreme governmental control, and that this advancement will herald the apocalypse. These chips are already in use with pets, animals under scientific observation, and zoo animals, so this idea is less far-fetched than it may at first seem. The RFID chip was soon to appear on the scene and bore the name “Digital Angel”, of all names. Its name was changed by IBM, who purchased the company and its product when it went bankrupt.

So how would the Bible contain references to a technology that was invented some 2000 years after the book was written? There's a complex theory based around the notion that the "Mark" of the Beast relates to commerce, and is branded upon people, in the way the government might brand us with microchips and use their information to buy and sell people and the world. There's also a very detailed counter argument, which you can read here, claiming all of this is a misreading of Revelation.

And yet Sweden adopted the RFID chip for rail commuters on the government railway system in the summer of 2017. The Swedish State Railways decided to accept under-the-skin RFID tag implants for ticket purchases, arguing it enhances ticketless travel better than having your ticket in your mobile. Actually, they didn't argue that at all. They just said "we're digital"

and “it works” as if that would justify the rest. Some 3,000 commuters Sweden got the chip, Sweden is a European state which, until recently, celebrated the fact that people were able to travel between European and Nordic countries without a passport or other identification papers. Since a few years back, the governmental train company, which operates with all the efficiency of one, changed all that on its own — by requiring photo ID to take the train just to the next city. The official reason for going all “papieren, bitte” (papers please) on people just going to the next town was to “prevent the second-hand sale of attractive tickets”.

Perhaps you saw the report about the first U.S. company offering its employees the RFID chip. We're always hearing how robots are going to take our jobs, but there might be a way of preventing that grim future from happening: by becoming workplace cyborgs first.

A company in Wisconsin has become the first in the US to roll out microchip implants for all its employees, and says it's expecting over 50 of its staff members to be voluntarily 'chipped'. The initiative, which is entirely optional for employees at snack stall supplier Three Square Market (32M), will implant radio-frequency identification (RFID) chips in staff members' hands in between their thumb and forefinger.

Once tagged with the implant, which is about the size of a grain of rice, 32M says its employees will be able to perform a range of common office tasks with an effortless wave of their hand. *“We foresee the use of RFID technology to drive everything from making purchases in our office break room market, opening doors, use of copy machines, logging into our office computers, unlocking phones, sharing business cards, storing medical/health information, and used as payment at other RFID terminals,”* says 32M CEO, Todd Westby.

The chips make use of near-field communication (NFC), and are similar to ones already in use in things like contactless credit cards, mobile payment systems, and animal tag implants. The same kind of human implants made headlines when they were extended to employees at Swedish company Epicenter earlier in the year, but this is the first time they've been offered in the US across an organization as large as 32M, which has 85 employees.

According to Westby, when staff were informed of the program, they reacted with a mixture of reluctance and excitement, but ultimately more than half elected to take part. The costs of the implant amount to U.S. \$300 per chip – which the company says it will pay on the employees' behalf – and the rollout could well be a sign of things to come, meaning employees would no longer need to carry around keys, ID cards, or smartphones to operate or authenticate with other systems. Stay alert to the chip price, as once it gets below \$50 per chip, we can expect the “chipping” process will go into high gear! When first revealed by “Digital Angel” back in 1996, they were striving for “economy of scale” to make the cost acceptable. Too that I ask, cost acceptable to who? You or the source of authority?

As for security concerns and whether people ought to be worried about their employer tracking their movements, Westby says the chips don't include a GPS component and are secure against hacking. *“There's really nothing to hack in it because it is encrypted just like*

*credit cards are," he told ABC News. "The chances of hacking into it are almost non-existent because it's not connected to the internet. The only way for somebody to get connectivity to it is to basically chop off your hand."*

As if to prove the safety of the technology, the CEO says his wife and children will also receive the implants next week, coinciding with a "chip party" being held at the company's headquarters in River Falls, Wisconsin. If employees later change their minds, they'll be able to have the implant removed – but that might not be enough to alleviate Big Brother-style privacy concerns held in some quarters.

While the chips might not track workers' location by GPS, they nonetheless could give employers a huge amount of data about what employees do and when – like how often they take breaks or use the bathroom, what kind of snacks they buy, and so on.

On its own, that information might seem fairly harmless, but it's possible that handing over even that level of information to your employer could one day pose problems – not to mention how the privacy issues could swell as the technology evolves. *"Many things start off with the best of intentions but sometimes intentions turn,"* chairman and founder of data protection firm CyberScout Adam Levin told ABC News.

We've survived thousands of years as a species without being microchipped, is there any particular need to do it now? ... Everyone has a decision to make; that is, how much privacy and security are they willing to trade for convenience? Mr. Levin hit on the unknown aspect when he noted about *"the best of intentions sometimes intentions turn."*

For their part, the leaders of the company's kick-starting this workplace transition don't seem to see what all the fuss is about. *"People ask me, 'Are you chipped?' and I say, 'Yes, why not?'"* Epicenter CEO Fredric Kaijser told Associated Press back in April, *"And they all get excited about privacy issues and what that means and so forth. And for me it's just a matter of I like to try new things and just see it as more of an enabler and what that would bring into the future."*

In a recent survey posted on the internet, 67% of young people would have no issue with being microchipped!

NBC predicted that in 2017, all of America will be tagged with microchips. They will be implanted to help identify individuals immediately. According to the report, the technology is used to answer one question, *"Am I who I say I am?"*

Some worry, however, that the RFID Microchip will give the government too much power, allowing them to track every move. In some states, like Virginia, legislation is in process to stop this from happening. The report also reveals an RFID Brain Chip that has been developed and is currently being tested on several humans.

When President Obama's Health Care Reform Bill was introduced, it was reported that the use of Micro-Chips in Bill H.R. 4872 was located on Page 1014 under "National Medical Device Registry" it tells about a "Class II Device That is Implantable" and yes, they passed the bill. Read Page "1014" In The H.R. 4872 Read Class II Special Controls Guidance For FDA Staff. We can't take any comfort in the fact Obamacare is no longer required, the legislation is still the law and was never repealed or rescinded.

The writers of the regulations can simply amend it for future use. When the Obama Health Care Reform Bill was first placed into law, all medical practices had five years to invest in the electronic record keeping computer system at a price tag of \$50,000. There was no choice if a doctor, dentist, chiropractor, health practice, wanted to be able to bill Medicare, or Medicaid, or insurance for payment. As a consequence of the legislation, many physicians and practitioners chose to retire rather than to purchase the required hardware and software needed to comply with the government's regulations. The Health Care Reform Bill provided an incentive to order the equipment early, under a prorated sliding scale, whereby the government would pay 80% of the cost the first year, 60% the second year, etc.

With the RFID Microchip they can track the movement of the people that are implanted. They can also control the money and food of the people. It is also reported to be possible to even kill the people that don't obey.

The HR 3962 Bill was an exact copy of the HR 3200 bill in with the exception of just a few words removed concerning the RFID Microchip but the ability to Chip Every Citizen of the United States is still in the bill. Open Bill and read pages 1501 through 1510, read Class II Special Controls Guidance for FDA Staff. Read and do the research for yourself. Although Obamacare was never repealed or overturned, the legislation is still on the books as law today, including the "Class II Device That is Implantable".

## **There are many properties of the number 666**

**Symbolism** - Represents the perfect Imperfection and also the Impiety without measure.

According to the Bible, the number "**666**" is the name of a man and this name, indicated by this number, is the name of the Antichrist. Lucifer, the ancient serpent, the devil or Satan, the Red Dragon becomes, in these last times, the Antichrist.

Whom who wants to be above God carry the sign "**666**", since he wants to be the monkey of God and by then the double of God being representing in symbolic by 2 times 333 since 333 indicates the divinity and the mystery of God.

**Symbolic of the power or the "divinized" State.**

In "The last waltz of the tyrants", Ramtha says that this number is the one of gold. The number 6 is the one of the man who did not overcome his passions yet - the man having 6 members with the tail, 5 being the number of the perfect man with his 5 members, the tail being left. The fact that the beast is associated to the number **"666"** means that the beast will use the gold to enslave the man having again his passions.

For Creusot, **"666"** marks a threshold where it is great time to turn away from the terrestrial world and prepare to enter in the spiritual world.

Symbol of the perfected nullity and the unkindness, because it is composed of three 6 and that the 6 is the symbol of the imperfection, the evil, the iniquity and the apostasy. According to the messages received by Don Stefano Gobbi of the Priestly Movement of Mary, these three six would mean the communist atheist, the freemasonry and the ecclesiastical freemasonry attacking the Church of the Christ.

For John Phaure, the three six of **"666"** of the Beast of the Revelation "expresses, among others things, the outcome of all possibilities of the sensitive manifestation, without the possibility to reach the Seven, that is to say to reintegrate the divine Center". J.J. von Allmen goes in the same way affirming that the **"666"** means a triple repetition of the number 6, and therefore a refusal, by counting, to go until 7: the number of the man that does not want to enter in the intention of God and that glorifies himself.

### **The Bible:**

The number of the Beast of the Revelation, or Apocalypse. -(Revelation 13:18)

The **"666"** sons of Adonikam that returned to Jerusalem with Zerubbabel. -(Ezra 2:13)

Weight of the gold in talents which arrived to Solomon in only one year. -(1<sup>st</sup> Kings 10:14; 2<sup>nd</sup> Chronicles 9:13)

In the Bible, Protestant edition, the book of Job is the 18th book with 1070 verses, whereas the last, book of the Apocalypse, contains 404 verses. Verses of the book 6+6+6 subtract from those of book 66 gives **"666"**, that is to say  $1070 - 404 = \text{"666"}$ .

### **General:**

This number, in the Revelation, is mentioned to the verse 18, chapter 13. And we can see that  $6+6+6 = 18$  and 13 represents the death.

To the biblical reference of John **6:66** it is mentioned that several disciples left the Christ following his speech on the "bread of life": "From that time many of his disciples went back, and walked no more with him."

The Beast of the Revelation would appear in the year 1999 since by reversing this number we obtain **6661**, that is to say the number of the Beast opposed to the divinity. American Satanists had declared indeed that the year **1999** would be the year of the Beast. Revelation of beyond or human decision? True or false prophecy? Whatever, the year **1999** will be the last year of the time devoted to Mary. In fact, when Pope John-Paul II, and that from the beginning of its Pontificate, has announced the Jubilee of the year 2000, immediately in the different Marian groups they have wished that the 15 years preceding the year 2000, be 15 years devoted to Mary, in double memory: the age of Mary which had 15 years when she has become the Mother of Jesus, and the 15 Mysteries of the Rosary - a Mystery per year, the year 1995 being the year of the Death on the Cross, the Calvary. The Holy Father apparently did not make this calculation. On the other hand, under the inspiration the Holy Spirit, he decided that the year 87-88 would be the Year of Mary which would insert us to enter in Times of Mary. So it is a space of 13 years that separates the year 87, opening of this Time for Mary, of the year 2000. Thirteen years, it is the Sign of Fatima. Then we can think reasonably that it is the time of the last Combat when the Mystery (and the third Secret) of Fatima has to be unveil.

According to Thibaut De Langres, this number, in the Latin manner to note the numbers, can be written by changing the order of letters: DIC LVX. These letters make in fact **666**: DC LX VI. In this number, 6 designates the married peoples, 60 the continents, 100 the virgins. The disciples of the Antichrist will tell in fact that anybody, who did not offered the sixth fruit, the sixtieth or the hundredth to the Antichrist, will not be able to be saved. The weight of the offered gold brought to Solomon each year was "**666**" talents. This is what is due normally by the royal right, this great seducer will claim to require it. It misses to the number of the Antichrist to reach the number of the legion 6000.

In one of the messages of the Virgin Mary given to Don Stefano Gobbi, from the Marian Movement Priests, we can read: "**666**" indicated once, that is to say, for the first time, expresses the year "**666**", six hundred and sixty-six. In this period of history, the Antichrist is manifested through the phenomenon of Islam, which directly denies the mystery of the divine Trinity and the divinity of our Lord Jesus Christ. Islamism, with its military force, breaks loose everywhere, destroying all the ancient Christian communities and invades Europe and it is only through my extraordinary motherly intervention, begged for powerfully by the Holy Father, that it does not succeed in destroying Christianity completely. "**666**" indicated twice, that is to say, for the second time, expresses the year 1332, thirteen hundred and thirty-two.

In this period of history, the Antichrist is manifested through a radical attack on the faith in the word (Parola) of God. Through the philosophers who begin to give exclusive value to science and then to reason, there is a gradual tendency to constitute human intelligence alone as the sole criterion of truth. There come to birth the great philosophical errors which continue through the centuries down to your days. The exaggerated importance given to reason, as an

exclusive criterion of truth, necessarily leads to the destruction of the faith in the word (Parola) of God. Indeed, with the Protestant Reformation, Tradition is rejected as a source of divine revelation, and only Sacred Scripture is accepted. But even this must be interpreted by means of the reason, and the authentic Magisterium of the hierarchical Church, to which Christ has entrusted the guardianship of the deposit of faith, is obstinately rejected. Each one is free to read and to understand Sacred Scripture according to one's personal interpretation. In this way, faith in the word (Parole) of God is destroyed. The work of the Antichrist, in this period of history, is the division of the Church and the consequent formation of new and numerous Christian confessions which gradually become driven to a more and more extensive loss of the true faith in the word (Parola) of God. **"666"** indicated thrice, that is to say, for the third time, expresses the year 1998, nineteen hundred and ninety-eight. In this period of history, Freemasonry, assisted by its ecclesiastical form, will succeed in its great design: that of setting up an idol to put in the place of Christ and of his Church. A false christ and a false church. Consequently, the statue built in honor of the first beast, to be adored by all the inhabitants of the earth and which will seal with its mark all those who want to buy or sell, is that of the Antichrist. You have thus arrived at the peak of the purification, of the great tribulation and of the apostasy. The apostasy will be, as of then, generalized because almost all will follow the false christ and the false church. Then the door will be open or the appearance of the man or of the very person of the Antichrist!" It is interesting to notice also that the number **"666"** is used 3 times in the Bible if we consider that the number of the sons of Adonikam is 667 and not 666, since there is contradiction from one biblical reference to another concerning this number.

A bishop in Lyon had already recognized in **"666"** the age of Noah at the time of the deluge, image of the final catastrophe, added with the dimensions of the statue of Nebuchadnezzar, type of the Antichrist.

The prophet Nostradamus speaks at the 66th quatrain of the 6th century (giving by concatenation **"666"**) of the discovery of bones of the First Pope, Saint Peter. It is the Pope Pie XII who announced that the tomb of Saint Peter had been found after the request of his research.

The malediction word is used 66 times in the Old Testament and 6 times in the New Testament, giving **"666"** by concatenation. Malediction is term for a magical word or phrase uttered with the intention of bringing about evil or destruction; a curse.

In his "De praestigiis daemonum", appeared in Bale in 1568, John Wier estimates "apart from calculation error", the number of the demons to 7405926, divided into 111 legions of each **"666"** fiends.

At the time where the Revelation was written by the John the apostle, they believed that the Antichrist had to be one the Roman emperors since the addition of six of the seven Roman number gave **"666"**: I + V + X + L + C + D = 1 + 5 + 10 + 50 + 100 + 500 = **"666"**.

In New York City, in the quarter of Manhattan, there is a skyscraper on which we see three gigantic 6 luminous. "666", the number of the Beast of the Revelation. It is the "Tishman Building", situated on the corner of 5th Avenue and 52th West Street, neighbor of the Rockefeller Center and the main studios of television. The number "666" appears to be the frequency of radiophonic waves (666 kHz) chosen by the first radio station. Paco Rabanne sees then in Hertzian waves a means of propaganda which will be used by the Beast.

Mark Lärmer, in his book "The circle of Veckner", points out that the number of the Beast is also found in the numerical structure of the usual electronic keyboards, such as calculators, recording cases, remote controls, telephones keyboard, etc.

```

      NORTH
      1 2 3
WEST 4 5 6 EAST
      7 8 9
      0
      SOUTH
  
```

By doing the addition in each of the 4 directions (and by taking care to eliminate summations 1+4+7 and 3+6+9 of orientations NORTH-SOUTH) he obtains, by theosophical reduction:

```

      NORTH      EAST      SOUTH      WEST
9+5+1=15 => 1+5=6  7+8+9=24 => 2+4=6  1+5+9=15 => 1+5=6  3+2+1=06 => 0+6=6
8+5+2=15 => 1+5=6  4+5+6=15 => 1+5=6  2+5+8=15 => 1+5=6  6+5+4=15 => 1+5=6
7+5+3=15 => 1+5=6  1+2+3=06 => 0+6=6  3+5+7=15 => 1+5=6  9+8+7=24 => 2+4=6
  
```

By concatenation, the result gives four times the number "666" in each direction. Like observed by Mark Lärmer, this numerical structure which allows us to calculate, to program, to buy, to sell and to withdraw money (that is, the computer) is in relation with the text of the Apocalypse of John where it is written that *"And made it illegal for anyone to buy or sell anything unless he had been branded with the name of the beast or with the number of its name."* This Beast, personifying the devil or Satan himself, has always been considered as "the one who says always NO" ("NON" in French) to the achievement of the divine will. And if we dial "NON" (in French) on the telephone keyboard, we are surprise to press three times on the number 6.

The phone number connecting the president Nixon to Neil Armstrong, the first man to land on the moon, was **666 666**.

The clairvoyant nicknamed "Bush of Thorns" had received the warning from the Virgin Mary, in June 1996, to no longer carry its digital watch because the number of the Beast would be visible (on 6th day of the 6th month of the year 96). It was suggested to her to replace it by a watch with a traditional one "because all the digital watch have been specially conceived for Maitreya. Each one has been programmed to receive a special signal and a beam from special satellites,

to create a manipulators and subliminal sounds with the result that his voice could be transmitted everywhere. Also, during of the month of June of the year 1996, its number will be seen clearly and this equipment will be used in multiples manners throughout the microwaves, throughout the television and the radio. (...) This is why My sweet dear little children should not carry these digital watches, since they no longer will be safe or reliable, because they are all programmed in advance to reply at the same moment when the time will be arrived to be known publicly as the Messiah."

During his trip in Hungary, John-Paul II was in a registered car **"666"**.

During the pontifical visit in the United States it was possible to obtain information about the itinerary and the hours of ceremonies using the phone number which included the number **"666"**.

The European Parliament is the parliamentary institution of the European Union (EU) and has been described as one of the most powerful legislatures in the world. "Recommendation **666**" is an actual document of the Western European Union saying that it will be the "military muscle" of the EU. The WEU is made up of 10 full member nations (As is the anti-christ's one world government) and also establishes the senior ranking High Representative who has the power to call a council at any time, and to execute (quote) "emergency powers" "The EU's new glass parliament building is of the Space Age. The seats of its massive hemicycle are designed like the crew seats in the Star Trek space machines". There are 679 of them allocated to Members, however, only one seat remains unallocated and unoccupied: The number of that seat is **"666"**.

The bar's code of type "EAN" (SLB No10) incorporate the fateful number **"666"**, easily locatable with its three groups of two bars longer than the others in the beginning, the middle and in the end. These are three identical numbers (since a bar is associated to a number) which are added to 13 functional digits. Each one having 6 as a value, they form a kind of claw numbering **"666"** which is superimposed on each bar's code.

In Italy, there is brand mark of shoes **"666"**, whose label is decorated with a head of lamb carrying two horns, inspired directly from the Apocalypse: "Then I saw a second beast, emerging from the ground; it had two horns like a lamb, but made a noise like a dragon."

In China, a mark of shirt manufactured by Kerman Scoot Ltd, 40% polyester 60% cotton: **"666"**.

In the United States, computer LSI (Lear Siegler, Inc.) are marked **"666"**.

In France, a lemonade, bottling by Tresch-Alsacaves S.A. at 68110 Illzach: **"666"**.

Some "pink messaging" have equally a phone number ending by **"666"**.

In the Orient, the paving stones of hashish carry sometimes the mark **"666"**.

In Japan, the firm Suzuki manufactures the motor bike “666”. And the publicity shows a registration plate having this number.

In Latin, “666” is pronounced: sex, sex, sex, illustrating well the perversity of our time.

A Philippine priest has been condemned of a fine in 1993 to have refused the registration plate having this number “666”.

A priest living in Germany complained one day to the service of telecommunications that had given him a number of fax containing the number of the Beast; they changed it by another where had been inserted between two six the number 58 (giving 66586) where he recognized the year of the appearance of the Virgin Mary at Lourdes, in 1858.

There exists a section of a turnpike going from Gallup (New Mexico) to Monticello (Utah) where it shows the number I-666. The residents of Utah have even constituted an association to make change this number. It is a narrow turnpike with full of curves on 300 kilometers where it occurs, apparently, several unexplained automobile accidents and also multiple assassinations.

At the great satanic feast that has taken place during ten days in February 1994 to Zurich officiated Abraxas Belzébuth, famous demonic that does not accept to rent in the great hotels if there is no bedroom number “666”.

Raoul Auclair established that between the beginning of the famous Prophecy of Malachite, in 1143, year of establishment of the first Pontiff of the list, Celestin II, and the seizure by Napoleon on the States pontifical, until of which Pie IX was considered as captive, 1809, there is “666” years.

The pyramid of the Louvre is, apparently, covered with “666” panels of glass.

A gigantic computer is installed in Brussels on three floors of the administrative surface building of the EEC. Itself, it is able to attribute a distinct credit card number to each inhabitant in the world. In 1993, the Dr. Eldeman, analyst chief of the European Commission explained that it was realizable by using three data of six digits, "666", what confirms a very simple calculation. It is not without interest to notice that in Brussels, this computer is called "The Beast".

If we take, in the series of numbers, three successive number, for example 1, 2, 3 and that we combine them in all possible manners (three numbers can give place to six combinations) we have: 123, 132, 231, 213, 312, 321. By adding these six combinations, we obtain a sum: 1332. This sum, divided by the average number of the series (here the number 2) product "666". It would be similarly with the series: 2, 3, 4, or 3, 4, 5, or 4, 5, 6, or 5, 6, 7, etc.

R. Lafforest and J. Langlois, in their book *'Signed: God'*, speak about the flower having three six. This horticulture flower produced by the man, named rubrum, in the family of the liliaceous, having 6 petals, 6 stamens and a green star with 6 branches clearly printed on white background.

Raoul Auclair notices that the pact Germany-Soviet has lasted "666" days, of August 23, 1939 to June 20, 1941.

Guy Tarade notices in his book *'The Files of Strange'* that if we characterize the parallel of the boreal hemisphere of our Earth not by their degrees of latitude but by locating them by their distance from the equator and that we consider furthermore the distance of this equator to the North pole with a scale of 10, then the Vatican of the Roman Catholic Church would be located on the parallel 0.666... The revelations of the Virgin Mary to sister Mary-Danielle, nicknamed "Bush of Thorn", tend to confirm that the residence of the Vatican is apparent in fact to the number "666". September 13, 1994, she says that "you have to know that the Antichrist, Maitreya, is on the earth... and it resides in the number six-six-six. Take care of this number and remind you well My words..."

The book *'Satan'* of the Carmelite Studies has exactly "666" pages.

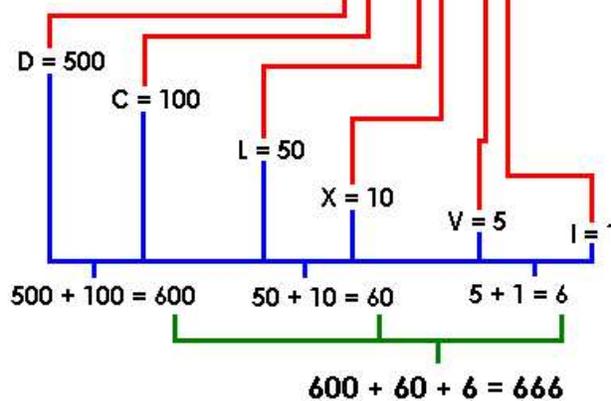

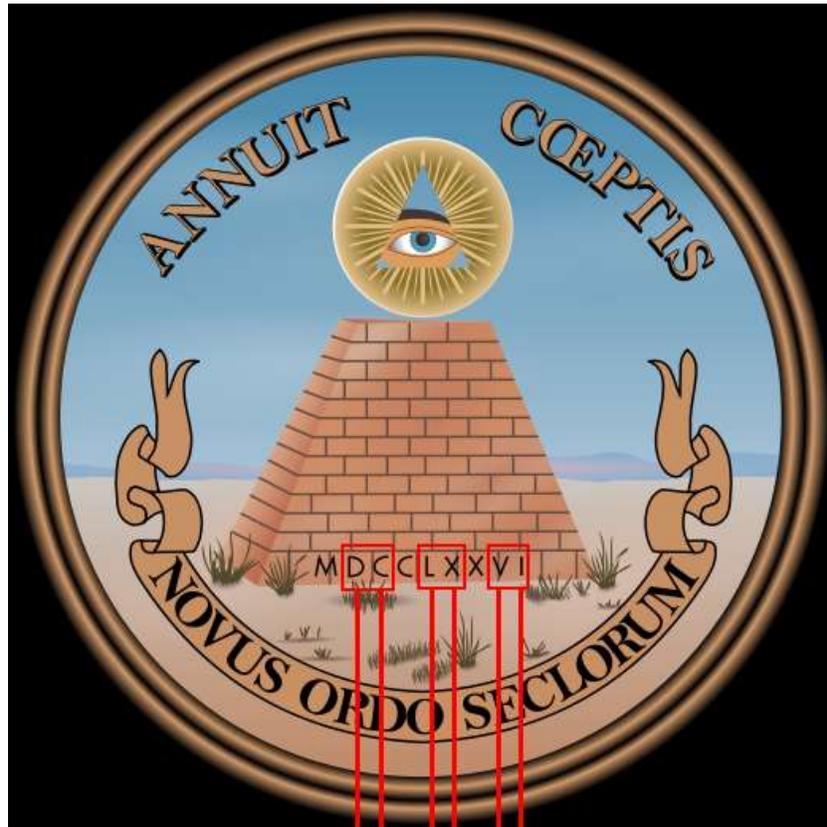

In some occult sects, numbers 1, 10 and 100 represent "the unit", or the "ordinal perfection", while the number 6 represents "the union of all the apparent dualities in the reality", or "the union of the infinite with the finite". Thus in the Bavarian order of "Illuminated", created by Adam Weishaupt in 1776 two month before the United States of America obtains their independence, July 4, 1776, they had estimated that a "circle of the best influences" had to contain only 100 members and that 6 of these circles would be enough to govern the whole world if they were each directed each by a committee constituted of 10 persons. In fact, according to Stan Deyo, in his book *'The Cosmic Conspiracy'*, the first intention of this order, that would have justified its creation, would be to establish to the planetary scale a new world wide order governed by a world-wide dictatorial government. Since their foundation, this order would have taken sufficiently extension in our days at the point to have become the center of a

"invisible government" with their various international ramifications which they would have succeeded to install. Still according to Deyo, if these modern Illuminated maintain to the original concepts of Weishaupt, the structure of this "invisible government" dispersed through the whole world would have existed around 6 circles, 60 directors and 600 members: 6+60+600 = "666".

John-Paul Regimbal, priest, declares in his book 'The Rock 'N' Roll, no 2': "Since years 1970, the pouch of the discs become increasingly explicit for the utilization of references and the esoteric, erotic and satanic symbols. So, for example, we will see the triangles reversed, the pyramids, the pentagrams, the hexagrams, the magic circles and all the plethora of the symbols of the sorcery. Furthermore, they don't hesitate to put in obviousness the nudity, the phallic and vaginal symbols, the mutant of all kinds and clearly satanic symbols such that the numbers "666" and its opposite mirrored as "999", human sacrifice scenes, black masses and infernal representations."

<p><b>M</b> 1000</p>  <p>500    100</p> <p><b>D</b> + <b>C</b></p> <p><b>=</b></p> <p><b>600</b></p>	<p><b>C</b> 100</p>  <p>50    10</p> <p><b>L</b> + <b>X</b></p> <p><b>=</b></p> <p><b>60</b></p>	<p><b>X</b> 10</p>  <p>5    1</p> <p><b>V</b> + <b>I</b></p> <p><b>=</b></p> <p><b>6</b></p>
<p><b>600 + 60 + 6</b></p> <p><b>=</b></p> <p><b>666</b></p>		
<p><b>888</b> + <b>888</b> = <b>1776</b></p>	<p><b>MDCCLXXVI</b></p>	<p><b>888</b> + <b>888</b> = <b>1776</b></p>

The number “666” relates to the carbon atom, and man. Carbon-12; one of 5 elements in the human DNA is composed of 6 protons, 6 electrons and 6 neutrons, which equates to “666”. Carbon-12 is the most abundant of the two stable isotopes of the element carbon, accounting for 98.89% of carbon. Its abundance is due to the Triple-alpha process by which it is created in stars, and as Carl Sagan had once said, “we’re made of star stuff.”

Note: the 3 sets of numbers are each under a number with a power of 10. (M=1000, C=100, X=10)

On the other hand, Stan Deyo sees also in the seal of the "one American dollar" the sign of the Beast. This seal is composed among others by a pyramid of 13 floors with an eye appearing at

the top. On the first floor of the pyramid it is registered in Roman numbers the year 1776, MDCCLXXVI, which he divides firstly in three groups, "MDC", "CLX" and "XVI", then in beneath groups, "M.DC", "C.LX" and "X.VI".

By regrouping all beneath groups together, he obtains "MCX" and "DCLXVI", what represents 1110 and "666". But if we use the sexagesimal system (base 60, used in the past by the Babylonian) instead of the decimal system (basis 10) 1110 becomes "666", that is to say 1110 multiplied by 100 and divided by 60. So DCLXVI gives "666" in the decimal base and MCX also gives "666" but in the sexagesimal base. It is another example proving the Capitol of Washington, D.C. was laid out according to the "Stars" and Astrology. It can be seen in the National Seal below. In a later chapter I address "666" in Washington, D.C. architecture.

Ozanam notices that "666" is a triangular number, formed by the sum of three other triangular numbers:  $15 + 21 + 630$ .

The atomic bomb was released on Hiroshima on August 6, 1945. The name of emperor of Japan in 1945 was Hiro-Hito. And, unfortunately, he was the "666"th emperor of Japan! The legend says that 13.320 years before Hiro-Hito, the first Japanese emperor is born from the union between a woman "coming from the sky" and a man of the earth! As a generation corresponds to average of 20 years, we can then divide 13.320 by 20, which gives "666"!

Some comparisons can be made to show the existing connection between the number of the Beast, "666" (that is the triangulation of 36), and the characteristic number of the mission of the Christ, 153 (triangulation of 17). And put aside verses 1<sup>st</sup> Samuel 17:36 and 2<sup>nd</sup> Kings 17:36, the reference chapter 17 verses 36 never occur in any other place in the Bible. These two verses of the Old Testament highlight the combat led against the Antichrist and that only the Christ must be adored. At 2<sup>nd</sup> Kings 17:36, the people are warned against the false gods and that they have to adore only the Lord: "You are to bow down and offer sacrifice only to Yahweh". At 1<sup>st</sup> Samuel 17:36, it is David that told Saul that Goliath will fall between his hands "for having challenged the armies of the living God". David, a shepherd (symbolizing the "The Good Shepherd", the Christ) faces Goliath and kills him by cutting his head (symbol of the Antichrist dethroned) with a sword (symbol of the Word of God).

A cuneiform document, named "The tablet of the Essagil", today at Louvre, gives plans numbered of the ziggurats of the ancient city of Babylon. Here are the main measures: 60 60 60 the length, 60 60 60 the width in cubit "sukum", and the height equal to the length and to the width (90 meters on each side). Therefore everywhere 60 60 60, reminding the number "666" of the Revelation.

Some criminals have already taken this number as their signature.

The length of the diagonal of the antechamber of the Great Pyramid is "666" feet.

Built in 691 A.D. after Jesus Christ by Caliph Omar, the mosque named the "Dome of the Rock of Jerusalem", located in Israel, and has in its construction several remarkable geometrical structures. For example, the plan of the soil is a double square, then an octagon, surmounted of a cupola whose diameter to the ground is 66 feet 6 inches.

The credit cards of the National Bank of Australia present the number "666".

The Office of the Compensation check for the Indian banks in Bombay shows the numerical code "666".

New American credit cards now include a number starting with "666". This is not visible but found on the magnetic strip on the bank of the credit/debit cards.

The "computer system Olivetti P 6060" uses numbers starting with "666".

The number "666" is printed on all the lottery tickets of Israel.

The overseas phone number of Israel is "666".

Rael, who created the "raelien" movement, would have received those revelations directly from Elohim. It would have given him amongst other things the real meaning of events related in the Bible. Elohim would have even forecasted that we would discover the nuclear power after that "666" generations of humans were generated and succeeded on earth since the creation. They knew hypothetically that after "666" generations of human, we would be at this precise degree of scientific development, just like we can predict that a fetus will have reached such maturation degree after weeks of pregnancy in the belly of her mother.

The six different coins used in Japan give "666" by adding them together:  $500+100+50+10+5+1 = "666"$ .

The former Prime Minister of the United States, Ronald Wilson Reagan, has 6 letters to each name, giving "666". He also bought a house whose number of the street was "666".

Some interesting mathematical properties:  $(6 \times 6 \times 6) + 6 + (6 \times 6 \times 6) + 6 + (6 \times 6 \times 6) + 6 = "666"$ ;  
 $(1 \times 1 \times 1) + (2 \times 2 \times 2) + (3 \times 3 \times 3) + (4 \times 4 \times 4) + (5 \times 5 \times 5) + (6 \times 6 \times 6) + (5 \times 5 \times 5) + (4 \times 4 \times 4) + (3 \times 3 \times 3) + (2 \times 2 \times 2) + (1 \times 1 \times 1) = "666"$ .

The sum of numbers 1 to 666 gives 222111 considered by some esoteric texts as divine or sacred since they make of it the code representation of God and the Temple.

In physics, the constant of the universal gravitation is equal to  $6.66 \times 10^{-11} \text{ N} \times \text{M}^2 / \text{kg}^2$ .

## Gematria

Numerical value of Neron Kesar, the emperor Neron, in Greek. Others authors rather refer to "Caesar N(eron) god", where the eleven Greek letters ("th" is only one) in equivalent numbers give: kaisar = 20+1+10+200+1+100 = 332; N = 50; theos = 9+5+70+200 = 284. The total: 332 + 50 + 284 = **"666"**. Neron was the sixth Caesar.

The body of Jesus on the cross was transpierced by a lance of a soldier on his side and where immediately came out blood and water -(John 20:25). It is by the merits of this wound that, according to the Fathers of the Church, was giving divine graces to the whole of the Church. The numerical value of the word "side" in Greek is **"666"**:

P L E U R A N  
80 30 5 400 100 1 50 = **"666"**

In Hebrew, the WWW, abbreviation of "World Wide Web" is written with the letter Hebraic vav, where its numerical value is 6, and is translated in Latin form by letters U, OU or by W. Then, the three letters WWW generate **"666"** in Hebrew since the Hebrew and Greek language the numbers are represented by the letters.

According to the revelations received by "Bush of Thorn" of the Virgin Mary, Maitreya would be the Antichrist, as it testifies besides the sum of the letters of his name transcribed in the Hebrew language, that is to say MAIThRIE: *mem, aleph, yod, tav, resh, yod, he*; 40 + 1 + 10 + 400 + 200 + 10 + 5 = **"666"**. Another manner to write it would be in permuting the letters *aleph* and *he*, MIThRAIE, which gives the same result.

In German Maitreya is written "Maitreyas". By using the gematria A=6, B=12,... we find that Maitreyas gives **"666"**. Similarly with the name of Himmler gives **"666"** by using the gematria Z=6, Y=12,... Himmler was the head of the Gestapo (SS) and was the great organizer of concentration camps aiming to exterminate the Jews.

Mireaux, in The Queen Berenice, 1951, worsens the case of the Roman Empire by proposing a decoding that implicates the ten first Roman emperors according to their Greek initials names. Then we have:

Kaïsar - Caesar: Kappa	= 20
Sebastos - Auguste: Sigma	= 200
Tibérios - Tibere: Tau	= 300
Gaios - Gaius: Gamma	= 3
Klaudios - Claude: Kappa	= 20
Nérôn - Neron: Nu	= 50
Galbas - Galba, Othon, Vitellius: Gamma	= 3
Ouespasianos - Vespasien: Omicron	= 70
Total: <b>666</b>	

There is a numerologic table conceived as follows: A=6; B=12; C=18, D=24,... and so on for the next letters, with each a step of 6, until: X=144, Y=150 and Z=156. With this table, we obtain some surprising results. Thus the word COMPUTER makes **"666"**:  $18 + 90 + 78 + 96 + 126 + 120 + 30 + 108 = \text{"666"}$ . Here are some others results. Deutschland = **"666"**, Diluvium (deluge) gives also **"666"**, and New York = **"666"**. We can also apply this table to the name of the software "Windows 95", conceived by the Microsoft:  $W(138) + I(54) + N(84) + D(24) + O(90) + W(138) + S(114) + 9 + 5 = 656$ . If we consider that 95 is put for 1995, it is necessary to add  $1 + 9$ , and we obtain: **"666"**. Similarly with the name of Mikhaïl Gorbatchev, or Gorbatchov, as written in the most newspapers in the world:  $G(42) + O(90) + R(108) + B(12) + A(6) + T(120) + C(18) + H(48) + O(90) + V(132) = \text{"666"}$ . Also the name of the Reverend Sun Moon:  $S(114) + U(126) + N(84) + M(78) + O(90) + O(90) + N(84) = \text{"666"}$ . They prepared in Rome the great Jubilee of the Sinai for the year 2000, whose the pope John-Paul II demonstrates a fiery desire to live until the end of the century to lead it successfully. So JUBILE-SINAI (written in French) gives  $J(60) + U(126) + B(12) + I(54) + L(72) + E(30) + S(114) + I(54) + N(84) + A(6) + I(54) = \text{"666"}$ .

By using the ASCII table, the name "christ" in lower-case letters gives 653. If we add the number of the Christ himself, that is to say 13, we obtain the number **"666"**:  $c(99) + h(104) + r(114) + i(105) + s(115) + t(116) + 13 = \text{"666"}$ . The fact of using lower-case letters instead of the capital letters to obtain this number **"666"** shows that it well concerns Jesus Christ, not glorified, but annihilated by our faults supporting the sins of the world. In the same way, the word "Messiah" written in Aramaic, meschîkhâ, gives **"666"** by adding 13:  $M(77) + E(69) + S(83) + C(67) + H(72) + I(73) + K(75) + H(72) + A(65) + 13 = \text{"666"}$ .

The real name of Bill Gates, former president of Microsoft, is William Henry Gates III. Today he is known under the name of Bill Gates (III), where "III" the third. By converting the letters of his name using ASCII value (lower-case letters), and by adding 3, we obtain:  $b(66) + i(73) + l(76) + l(76) + g(71) + a(65) + t(84) + e(69) + s(83) + 3 = \text{"666"}$ . Furthermore, someone also says that he earns \$**666**/minute.

In Greek, the word designating "the Tradition" is written *'PARADODSIS'* and has as numerical value **"666"** =  $80 + 1 + 100 + 1 + 4 + 70 + 200 + 10 + 200$ .

The version of the MS-DOS operating system 6.21, conceived by Microsoft, gives **"666"** by using the ASCII table:  $77 + 83 + 45 + 68 + 79 + 83 + 32 = \text{"666"}$ .

The number **"666"** could have been referred to Herod Agrippa, king of Judea. In the old Hebrew documents, the name of Herod could be written at least in two manners: Hôredôs and Hôrôdôs. In the second manner, there is three vaws. As the value of letter vaw is 6, the name includes then three 6. Herod is the proper name of all a dynasty of tyrants, since it is the name of Herod tells the Great; his son Herod from the second Mariam; Herod son of Cleopatra; Herod Antipas; Herod Archelaus; Herode Aggripa 1st; Herod of Chalcis; and Herod Aggripa II, the contemporary of the great war of the Judea against Rome. When the name of Herod was spelled in Hebrew Hôrôdôs that gave visually for the reader Hebrew H6R6D6S the name of the three 6's.

Irenee, Doctor of the Church of the 2nd century after Jesus Christ, observed that the numerical value of "Roman" or "Latin" in Greek (Lateinos) by using the gematria of the Greek numerical alphabet, gave **666**:

L A T E I N O S  
30 1 300 5 10 50 70 200 = "**666**"

And, according to Alexander Hyslop in his work "The Two Babylons", the Romans go back to their origin to the god-child of the Sun they called it Lateinos and this god was also identified to Saturn, that is to say "Stur" in Babylon language (the hidden god, the god of the mysteries). Considering the value of letters of the Stur, we obtain also "**666**": S=60, T=400, U=6, R=200.

Numerical value of "Sorath" (link of the Sun), a high angelic entity which had for mission to keep the glare of the Sun during the night and to give it back to God in the morning, according to a occult philosophy. This history reminds strangely to Lucifer whose name means "carrier of light".

Numerical value of the word ROTAS being written in Hebrew (*resh, vaw, taw and samekh*) giving numerically: 200 + 6 + 400 + 60 = "**666**". This word refers to the Hebraic square ROTAS that is presented as follow:

S A T O R  
A R E P O  
T E N E T  
O P E R A  
R O T A S

A lot of things have been written concerning this magical square ROTAS. Let us say simply that the Latin sentence SATOR AREPO TENET OPERA ROTAS, registered in a magic square of five, has been interpreted by the alchemists and the esoterics in many ways. Among others, some have seen in this sentence that translation "the ploughman with his plough or in his field directing the labors".

The Sephirotic Tree of the Cabal taught us that the sum of numerical values of "*Ain-Soph*" (166, absolute empty) and "*Kether*" (500, unity) gives "**666**", the Sun.

Paul-Louis Couchoud notices that this is the numerical value of the name Attis in Greek (to the accusative because to the dative we obtain 616). Attis was the companion of the Phrygian goddess Cybel whose the orgiastic cult was spread in the world Greco-Roman in 3rd century before J.-C. Attis was therefore a designated Antichrist.

Numerical value of "Vicarius Filii Dei", Vicar of the Son of God, by using some letters of the Roman numerals:

VICARIVS	: V=5, I=1, C=100, I=1, V=5	112
FILII	: I=1, L=50, I=1, I=1	53
DEI	: D=500, I=1	<u>501</u>
Total:		<b>666</b>

The sum of 112, 53 and 501 gives **"666"**. The Vicar of the Son of God refers to the Pope. This coding was advanced by the Protestants of the Reformation.

The father Petro Bongo, canon of Bergam, demonstrated that the Antichrist was Martin Luther by using the Hebrew alphabet:

M A R T I N L U T H E R A  
 30 1 80 100 1 40 20 200 100 8 5 80 1 = **"666"**

Numerical value of the words "totally without law" or "totally unjust" written in Greek, *"panathesmios"* = **"666"**.

Numerical value of the Hebrew word *"celohim"*, which means "I am similar to God" = **"666"**.

The name of Hitler gives **"666"** if we give the value 100 to the letter A in the German alphabet, others letters following the order:

H I T L E R  
 107 108 119 111 104 117 = **"666"**

Numerical value of the word Antichrist by using the following code: A=1, B=2, J=10, K=20, L=30, S=100, T=200:

A N T E C H R I S T  
 1 50 200 5 3 8 90 9 100 200 = **"666"**

The name of Charles De Gaul written in Hebraic letters gives **"666"** as numerical value: 300+200+30+60+4+6+6+30+30 = **"666"**.

Using Roman numbers, **"666"** is the value of the emperor Diocletien August who persecuted the firsts Christians:

D I o C L e s a V g V s t V s  
 500 1 100 50 5 5 5 = **"666"**

The name of Mahomet written in Greek letters, Mahometis, gives **"666"** as numerical value:

## M A O M E T I S

40 1 70 40 5 300 10 200 = "666"

The word Beast in Greek letters, "attein", has for numerical value "666":  $1 + 300 + 300 + 5 + 10 + 50 = "666"$ .

The baron Napier found that the sum of the words "empire Latin" written in Greek gave "666". The "empire Latin" refers to the Papacy.

For John H. Alexander, the number 6 represents the man, underlining his limitations and his insufficiency. In his book, "The Apocalypse verse by verse", he makes notice that in Greek language, "666" is expressed with Chi = 600, Xi = 60 and sigma = 6 (CH-X-S) and that in some manuscripts the name of the Christ (Christos) appears in the shortened form CV (CH-S) where only the first and the last letter are retained. "In the number "666", it is as if one had slipped, between the two letters expressing the name of Christ in summary, a central letter symbolizing the power of the man (the numerical value of the Xi Greek is 60, that is to say  $10 \times 6$ ). This letter Xi would appear therefore as a symbol of the beast and would signal its intention to pose for Christ, by giving the illusion that it is covered of its power".

In Hebrew characters "666" is obtained by letters "tav" for 400, "resh" for 200, "samekh" for 60 and "vaw" for 6, which forms the word "Sother" or "Sathor", that means exterminator.

The numerical value of "Your God" -(Exodus 6:7) and "The flaming sword" written in Hebrew gives each "666".

In Hebrew, the word "romiith", meaning "Roman kingdom", has 66 as numerical value:  $200 + 6 + 40 + 10 + 10 + 400 = "666"$ .

Constellations or lights -(Genesis 1:4) in Hebrew is translated by YEI, 25, MEEROTH, 641. So:  $641 + 25 = "666"$ .

Alfred Weysen notices that "666" is marked on the entry of the Temple of the Grail by the presence of the owl, bird of Athena, which in Greek is written "Strigx" or "Xestria" = "666".

The child is told in Sanskrit Baithania and according to the Hindu doctrine of Sâmkhya, the value of Baithania is "666". This number is also the symbol of the Three Fires Vedic of value 6 for each.

Irenee, author of 2nd century, notices that the name of Teitan, meaning giant in Greek, contains the number 666:  $Teitan, 300 + 5 + 10 + 300 + 1 + 50 = "666"$ . Teitan is the Chaldean form of Sheitan, name under which Satan was designated by the worshippers of the demon in Kurdistan. The history of Teitan and his brothers is narrated by two Greek writers Hesiod and Homer. This last one says that all gods of the Tartare or from the hell were called Teitans.

Hesiod says that their chief having committed a spiteful action against his father, the supreme God, with the approval of a lot others children of heaven, called them all a defamatory name, Teitans; After to have cursing them, they were precipitated into the hell and chained to the bottom of the abyss.

The numerical value of the Latin word Diclux, referring to the sentence "Dic esse lucem veram", meaning "say that I am the true light", with D = 500, I = 1, C = 100, L = 50, V = 5, X = 10, giving the sum "666". That constitutes in fact the opposite of the formula which is reproduced on the cross of Saint Benoit: "Crux sancta sit mihi lux, non draco sit mihi dux", meaning "that the Holy Cross be my light, and the Dragon will not be my chief.

H. Gunkel proposes to read "tehom qadmonijjah", the ancient chaos, with Hebraic letters, numbering: 400 + 5 + 6 + 40 plus 100 + 4 + 40 + 6 + 50 + 10 + 5 = "666".

According to the gematria of Abenesra, in the name of Jehovah, yod = 10, he = 5, vaw = 6; the sum of the two first letters is 15, and the square gives 225; the sum of the first three letters is 21, and the square gives 441; So: 225 + 441 = "666".

The word apostate - meaning to abandon his religion or leaving his religious order without authorization - written in Greek, apostaths, gives as numerical value "666". In the Greek, the double letter composed of the "Sigma" and "Tau" has 6 as value: 1 + 80 + 70 + 6 + 1 + 300 + 8 + 200 = "666".

Ubertain De Casale, commentator rebellious and heretic of the Revelation (Apocalypse) in the 14th century, signaled in his book "Arbor vitae crucifixae", Venice, 1485, that the two Beasts of the Apocalypse were the popes Boniface VIII and Benoit XI: Benediktoz, 2 + 5 + 50 + 5 + 4 + 10 + 20 + 300 + 70 + 200 = "666".

Note the proposal of David Berman (in his book Mercury of France, 1918, pg. 190) that it must incite us to skepticism: "666" means Jesus Nazarene written in Hebraic letters: Ysw Nçry.

By using the following alphanumeric code: Z = 6, Y = 12, X = 18, ... A = 156, and by applying it to the word Internet, that gives 108 + 78 + 42 + 132 + 54 + 78 + 132 + 42 = "666".

By using the following alphanumeric code: A = 6, B = 12, C = 18, ... Z = 156, and by applying it to the name of the French Cardinal Lustiger, that gives 72 + 126 + 114 + 120 + 54 + 42 + 30 + 108 = "666".

The numerical value of Pope John-Paul II, YVHNN PVLVS ShNI, gives "666" by using the gematria in 'N': 10 + 6 + 8 + 50 + 50 = 124, 80 + 6 + 30 + 6 + 60 = 182 and 300 + 50 + 10 = 360. So 124 + 182 + 360 = "666".

The first name and last name of Saddam Hussein, written in Hebrew, gives each "666". Saddam is written *Samekh, Aleph, Daleth, Aleph, Mem*: 60 + 1 + 4 + 1 + 600 = "666". Hussein is written

*He, Vaw, Shin, Shin, He, Nun.* By considering the final Nun in ordinary classification, we obtain:  $5 + 6 + 300 + 300 + 5 + 50 = \mathbf{666}$ .

By using the gematria  $Z = 6, Y = 12, X = 18, \dots$  we discover that the dates (written in French) "DEUX MARS =  $\mathbf{666}$  = TROIS MARS" (two march =  $\mathbf{666}$  = three march). And by using the gematria  $A = 6, B = 12, C = 18, \dots$  we find also that the dates (written in French) SEPT MARS =  $\mathbf{666}$  = ONZE MARS (seven march =  $\mathbf{666}$  = eleven march).

By using the ASCII table, we find a small interesting curiosity by pairing numbers 6 and 9: 69 gives 111, 6699 gives 222, and so forth until having six numbers each, 666666999999, giving  $\mathbf{666}$ .

By using as correspondence table  $A = 1, B = 2, \dots, J = 10, K = 20, L = 30, \dots, S = 100, T = 200, \dots, Z = 800$ , we find that the French word "Antechrist" (Antichrist) gives  $\mathbf{666}$  and that "Vatican" gives 664. If we add 2 for Vatican II, it gives  $\mathbf{666}$ .

By using the ASCII table, we find that "sphinx" =  $\mathbf{666}$  = "DELAI LAMA".

By using as correspondence table  $A = 1, B = 6, C = 12, \dots$ , we find that the French word "Controller" (to control) and J.D. Rockefeller give both  $\mathbf{666}$ .

By using as correspondence table  $A = 6, B = 12, C = 18, \dots$ , we find that the words "mensonges" (lie), "catholique" (catholic), "US of America", "Sanctuaire" (sanctuary), exorcisme (exorcism), "moi moi moi" ("me me me") and "John Knox" give all  $\mathbf{666}$ . John Knox is considered as the father of the Presbyterian Church.

By using as correspondence table  $Z = 6, Y = 12, X = 18, \dots$ , we find that the words "papale" (papal), "Dow Jones", Kennedy, and Batman give all  $\mathbf{666}$ .

### **Occurrences:**

The number  $\mathbf{666}$  is used 4 times in the Bible: 3 times in the Old Testament and once in the New Testament. On the other hand, there is a contradiction from one reference to another concerning the number of sons of Adonikam.

In the Old Testament, the sum of the occurrences of the numbers equal or higher to the greatest number written in its cardinal form, 480 -(1<sup>st</sup> Kings 6:1), and lower or equal to the greatest number of the Old Testament, "ten thousand times ten thousand" that is to say 100000000 -(Daniel 7:10), gives as a result of  $\mathbf{666}$ . And the sum of the occurrences of all numbers of the Bible equal or higher than 601 gives  $\mathbf{666}$  - 1.

In the NRSV, the word "water" occurs  $\mathbf{666}$  times. The water is the image of the baptism which purifies the original fault. The word "Law" occurs  $\mathbf{666}$  - 1 times in the Bible of Jerusalem.

As one reads through this list it becomes evident there is a statistical association between Biblical numbers and themes. We find this throughout the Bible. It never ceases to amaze me to see the incredible Mathematical Signature of God on every page of the Bible.

# **The Exact Location of the City of Jerusalem**

## **LATITUDE & LONGITUDE**

Latitude is shown as a horizontal line and is the angular distance, in degrees, minutes, and seconds of a point north or south of the Equator. Lines of latitude are often referred to as parallels.

Longitude is shown as a vertical line and is the angular distance, in degrees, minutes, and seconds, of a point east or west of the Prime (*Greenwich*) Meridian. Lines of longitude are often referred to as meridians.

Distance between Lines If you divide the circumference of the earth (*approximately 25,000 miles*) by 360 degrees, the distance on the earth's surface for each one degree of latitude or longitude is just over 69 miles, or 111 km.

Minutes and Seconds For precision purposes, degrees of longitude and latitude have been divided into minutes (') and seconds ("). There are 60 minutes in each degree. Each

minute is divided into 60 seconds. Seconds can be further divided into tenths, hundredths, or even thousandths.

The exact center of the city of Jerusalem (*Yerushalayim*) is 31° 47' 00 N by 35° 13' 00 E. If we add the numbers we get:

$$\begin{array}{r} 31^{\circ} 47' 00 \text{ N} \\ +35^{\circ} 13' 00 \text{ E} \\ \hline 666.00 \end{array}$$

This, of course, may simply be a coincidence, but the probability of this happening is over 99,999,999 to one. You can check to location yourself at: [MapQuest : Latitude/Longitude Map Search](#)

Religious and non-religious people have a general aversion when it comes to the number “**666**”. Some people when checking out at a cashier’s area, when finding their bill is **\$6.66** will actually refuse and buy an additional item so there bill is more than **\$6.66**.

For example, when the giant CPU manufacturer Intel introduced the **666** MHz Pentium III in 1999, they chose to market it as the Pentium III 667 on the pretext that, since the actual clock speed was 666.666 MHz, 667 was the more accurate approximation—conveniently ignoring their own usual rounding practice: as examples, consider the earlier 66.666 MHz 486-66, the 466.666 MHz Celeron 466, or the later 866.666 MHz Pentium III 866.
