Global Genocide By King of the Jews – Israel-Abraham Burla

What you are about to read is an amazing insight into the coming Antichrist world system. The researchers at American Intelligence Media and Michael McKibben's Leader Technology, the true founder of Face Book have done it again in exposing the demons behind the globalist agenda to enslave humanity. Even more important as that may be, the Rothschild's are the embodiment of Satanism and the plan to destroy the bloodline of the descendants of Abraham, Isaac, and Jacob. To do that is the quintessential act of Lucifer to call the God of the Bible a liar. Through this group, Prince Charles of Wales will be declared the Messiah for the Jews, i.e. the Antichrist.

Betsy and Thomas never cease to amaze me along with Michael in drilling down in the history record of the evil British Empire and their Pilgrim Society which resides on both side of the Atlantic Ocean. Michael McKibben is the CEO of Leader Technology, of Columbus, Ohio; and, his team invested \$10-million dollars in developing the original source code we know today as Face Book. Their project was stolen by the technical advisor to the Clinton presidency. They have a \$1-trillion dollar suit under the Miller Act

against the U.S. government for theft of proprietary technology. Their intelligence team has enabled them to do research of which even I could not imagine in digging up the truth of those behind the evil of this world.

This article comes days after Part 1 and is a gift for which we owe a great debt of gratitude to this team. It confirms and validates everything that I have written about in regards to God's remnant in the last days. The Rothschild's are Ashkenazi Jews and are the Satanic antithesis of God's Plan for the Biblical Jews. Satan's goal is to destroy all Sephardic Jews (Biblical descendants of Abraham, Isaac, and Jacob).

The Diaspora began in 597 B.C., however culminated in 70 A.D. with the destruction of the Temple in Jerusalem. The Jewish nation came to an end in 70 A.D., when the Romans begin to actively drive Jews from the home they had lived in for over a millennium. But the Jewish Diaspora ("diaspora" = "dispersion, scattering") had begun long before the Romans had even dreamed of Judaea.

Since the Jews were scattered all over the planet following the destruction of the Temple in 70 A.D., it became virtually impossible for Satan to destroy all the Jews, a remnant that continued to exist around the world since 70 A.D. The Demons of Satan have been at work to poison (vaxxs) all the people of the world to ensure they would be able to kill all descendants alive today. For now on two-thousand years, Satan has been at work to identify and kill the "remnant" to prevent the return of the true Messiah. The Bible records some 22-24 of these Demonic attempts to wipe out the Jews.

Over the past seventy years more terrorism against the Jews in all parts of the world has been perpetrated with the goal of Satan to get them to return to their homeland under the guise of safety and security. In reality, it was the exact opposite, as the Jews in Israel are taking their fourth booster shots unaware of their impending death from the toxic vaxxes. Pfizer CEO Albert Borla is at the center of the Demonic plan to vaxx the entire world. Per capita, Israel is the #1 nation victim of the "bioweapon" we know as Covid-19. The current and previous Prime Ministers mandated Pfizer vaxxes!

The implications of this report along with Part 1; and other articles on this topic are to explain that the God of the Bible is very much involved in the life of the Jewish remnant today. For the believers in Jesus Christ as the true Messiah, it becomes prophetic insight to know that we are on the threshold of the Pre-Tribulation Rapture and the beginning of Daniel's Seventieth Week or Great Tribulation.

I am here to tell you that most Christian leaders do not understand this since they long ago bought into "Replacement" theology as far back as Augustine through various heresies in the church at large. Satan worked through the institutional body of Rome when Constantine transferred his political power to what became known as Roman Catholicism. Many are deceived into thinking that Constantine became a Christian. He may have ceased to punish the faith but there is absolutely no evidence that he became a believer in Jesus Christ as the Messiah of the Jews. He worshiped the sun, or was devoted to Mithraism. At the core of Roman Catholicism, Catholics really are "SUN"

and not “SON” worshippers. During the first four centuries of Christianity, the cult of the god Mithras, which became popular among Roman soldiers of the later empire, and was the main rival to Christianity in the first three centuries? Emperor Constantine was a pagan, and adopted many pagan teachings from his conquests of empire building. Many Protestant churches will hold “Sun Rise services on Easter for all the wrong reasons unaware of its pagan meaning.

Because early Christian sources are so well documented, it cannot be suggested that Christianity developed from Mithraism. Further, all of the Mithraic manuscripts that ascribe Christian-like beliefs/practices to Mithraism are dated to long after the rapid spread of Christianity throughout the Roman Empire. It is clear that the parallel tenets of Mithraism were sourced from Christianity and not vice versa. It was well known that Jesus did exist and that He was crucified and resurrected (hundreds of people saw Him, spoke to Him, and even ate with Him after His death). Mithras, of course, is not real and has never lived. The cause of the resemblance between Christianity and Mithraism is none other than Satan, a liar and the father of lies -(John 8:44). Satan has always been a counterfeiter, and Mithraism is simply another in a long string of idolatrous deceptions by Satan, intended to draw people away from the true God of the Bible. **“And no wonder, for Satan himself masquerades as an angel of light”** -(2nd Corinthians 11:14).

IT APPEARS THAT DEMONS POSSESS THE SOUL OF PFIZER CEO ALBERT BOURLA

Pfizer CEO Albert Bourla hides a centuries-old family heritage interlocked with British Zionism and the Pilgrims Society new world order scheme

His real name is **Israel-Abraham Burla**, according to *The Times of Israel*

(Jan. 27, 2022)—The Sephardic rabbinical Burla family has been near royalty in Palestine since the 1700s. They conspired with the bankers Rothschild, Churchill's and the Board of Deputies of British Jews in the mid-1800s to make Israel a British colony masquerading as a Jewish state.

Zionism was a wholly British creation. The Burla rabbis had often written romantically about a re-formed Zion (Eretz Israel), so the British Rothschild's funded developments of all kinds in Palestine with the proviso that the British were in charge.

The Burla rabbis in Jerusalem did not hide their eagerness to say “yes, yes, yes” to the Churchill-Montefiore (Rothschild) pretext letters starting on [June 14, 1841](#).

For this cooperation, the Rothschild's owed the Burlas eternally.

For the Burla's Rothschild sycophancy the world is paying dearly through the Pfizer pharmacide of their current favorite son, Israel-Abraham Burla (aka Albert Burla).

The Pfizer pharmacide has a parallel set of interlocked relationships to the British, German and Austrian aristocracy. Indeed, Charles Pfizer (1824-1906) was born in the same Baden-Wurtemberg district of Germany as [Klaus Schwab](#) and his Escher Wyss & Co. Nazi collaborator father Eugen Schwab (Ravensburg).

Schwab and Escher Wyss were also allied with British and American nuclear traitors in the OSS (Office of Strategic Services, the precursor to the C.I.A., controlled since inception in 1946 by British MI6).

In Zurich, Switzerland, just 100 miles south of Charles Pfizer's hometown, [Anthony Fauci's](#) great great grandfather Raget Abys (1790-1861) was the Secretary of War in the new Swiss republic he helped found, along with founding the ETH (Swiss Federal Institute of Technology) (that Schwab attended), Credit Suisse and Swiss Life.

Fauci's maternal "Abys" family crest is a macabre crowned serpent eating a child. Indeed, [on Sep. 4, 1618](#), the Abys talc mine in Plurss (now Piuro) , Italy collapsed and consumed about 2,500 souls instantly. The Abys family had already moved north to Chur, Switzerland, near Davos (headquarters of Klaus Schwab's World Economic Forum) when the devastating 9-11-level avalanche was triggered by their negligence. They were selling talc as a lubricant and to be added to medicines, now known to be a carcinogen.

In Israel, the Rothschild's notoriously influence the policy of The Weizmann Institute of Science founded in 1934. [Jacob Rothschild](#) currently serves on the international board, as Rothschild's have since inception.

Founder Chaim A. Weizmann served as president of the World Zionist Organization and later as the first president of Israel.

Weizmann's biotechnology research is interlocked with The Wellcome Trust in the UK (i.e., Pirbright Institute, Merial Animal Hospital, Gates Foundation, NIH, DARPA, UKRI), the U.N. WHO, and a plentitude of British scientists serving on Weizmann's board of governors, including Nobel biochemists Sir Ernst Boris Chain and Baron Florey, microbiologist Sir Alexander Fleming.

Shockingly, in 1972, Baron Victor Rothschild, who had just presented The Rothschild Report (1971) to the UK Parliament recommending the emergence of a new biotechnology push globally, almost singlehandedly invested in 20% UK and 80% U.S. companies.

He funded Nobel biologist Sydney Brenner to start doing DNA experiments on all of Israel ("**due to the peculiar structure of the Jewish population**").

After his Report, Victor Rothschild founded his new biotechnology companies—[Biotechnology Investments Limited \(BIL\) \(UK\)](#) and International Biotechnology Trust (IBT) PLC) (now run by Rothschild Asset Management).

GENETIC EXPERIMENTATION ON ENGLISH OLD FOLKS

Dear Victor,
This is a good application, and there should be no doubt about the quality of Bodmer and Karlin. The subject of the study ~~is~~ has more than academic interest because of the possible association between resistance to viruses, especially tumour viruses, and the immune response genes. The linkage of these ~~with~~ genes

PROPOSAL TO PERFORM GENETIC ENGINEERING EXPERIMENTS ON ISRAELI CITIZENS

is likely to be true in Man as well. **Israel** is a good country to study these and other problems in human genetics because of the **peculiar structure of the Jewish population**. I also think

VICTOR ROTHSCHILD: A BIOTECHNOLOGY MONSTER

Let's repeat these monstrous facts:

In 1972, Sephardic Jew Baron Victor Rothschild recommended that Nobel chemist/biologist Sydney Brenner (1927-2019) consider conducting “**immune response genes**” experiments on the Jewish Israeli population in addition to English old folks’ homes populations.

Dear Victor,

This is a good application, and there should be no doubt about the quality of Bodmer and Kavli. The subject of the study ~~is~~ has more than academic interest because of the possible association between resistance to viruses, especially tumour viruses, and the immune response genes. The linkage of these ~~with~~ genes to the histocompatibility locus has been proven in mice and is likely to be true in Man as well. ~~Israel is a good country~~ to study these and other problems in human genetics because of the peculiar structure of the Jewish population. I also think that the collaborative style is worth supporting ~~and also~~ even ~~without~~ though there is an additional ~~travel~~ requirement for travel money. I am however worried about taking on Kichaitians for a short time and feel that you ought to have a certain average there ought to be a defined arrangement for ~~these~~ them on grant completion. Similarly no student or post doctoral fellow should be taken on at a time when his expected tenure might overrun the remuneration date.

I hope this is what you want. &

Yours

PFIZER'S BOURLA AND ISRAEL'S NETANHAYU'S PRIORITY TO PUSH ISRAELI JEWS INTO THE COVID POISONING FRONT LINE DISCOVERED!

THEIR BRITISH PILGRIMS SOCIETY HANDLERS, INCLUDING LORD ROTHSCHILD, TELL THEM TOO

Not that we need more proof of this banking-biopharma demon, the current Jacob Rothschild awarded biochemist Jennifer A. Doudna a 2017 Pilgrims Society's Academy of Achievement award.

Doudna is the co-inventor of the DNA manipulation CRISPR gene editing technology. She interlocks with globalists at Harvard, Yale, Ford Foundation, Genentech, Roche Holding AG (Switzerland), Ballie Gifford UK, Vanguard and Blackrock under the direction of Jacob Rothschild and the British Pilgrims.

JACOB ROTHSCHILD'S SHINING FAMILY MOMENT IN 2017. HE SUCCESSFULLY FUNDED THE CRISPR GENE EDITING TOOL LONG DREAMED OF BY HIS ANCESTORS

CRISPR-CAS9 has revolutionized the science of genetics and DNA. In its ethical use, CRISPR has the potential for improving humanity and treating diseases. At its evil potential it can be used to create great harm to life form. It would be fair to say that CRISPR is a "mad scientist" dream!

As example, a team of Indian scientists discovered that Covid-19 had been modified by 4 inserts into the genome. 18 fragments of HIV1 had been inserted into the genome in three different locations. A fourth insertion had the virus SARS2 inserted. The French microbiologist and Nobel Peace Prize Recipient for

the discovery of HIV1, Dr. Luc Montagnier confirmed the research of the team of Indian scientists. Covid-19 is not a virus, it is a “Bioweapon!”

Awards Council member Lord Jacob Rothschild presents the ~~Academy of Achievement's~~ Golden Plate Award to Dr. Jennifer A. Doudna, co-developer of the CRISPR gene editing technology, in a ceremony at Claridge's in London.

Associate Justice Neil Gorsuch also received the award, as did Gen. David Petraeus and Fox News turncoat Chris Wallace, predator Bill Clinton, former Israeli prime minister Ehud Barak.

We will leave this Swiss-German-Austrian-British-Israeli-American Pfizer interlocks alone for now and return to the pivotal role that Burla's and Rothschild's played in the founding of Israel and big pharma.

Here are the Rothschild's who have paid in to this current Pfizer, AstraZeneca and BioNTech global pharmacide:

1. **Nathan Mayer (N.M.) Rothschild** (1777-1836)
2. **Sir Moses H. Montefiore** (1784-1884)
3. **Lionel de Rothschild** (1808-1879)
4. **Mayer Amschel de Rothschild** (1818-1874)
5. **Hannah de Rothschild** (1851-1890)
6. **Archibald Primrose, 5th Earl of Rosebery** (1847-1929), British Prime Minister
7. **Nathan Mayer (N.M.) Rothschild, 1st Baron Rothschild** (1840-1915)
8. **Walter Rothschild**, 2nd Baron Rothschild (1868-1937)
9. **Victor Rothschild**, 3rd Baron Rothschild (1920-1990)
10. **Jacob Rothschild**, 4th Baron Rothschild (1936-present)

Indeed, Mishkenot Sha'ananim, the first Jewish settlement built outside the walls of the Old City of Jerusalem (1860), was bankrolled by Sir Moses Montefiore (1784-1885) who's Jerusalem collaborator was Rabbi Yosef Nissim Burla.

Montefiore, also a Sephardic Jew like Rothschild, was sometimes called Rothschild's "sidekick."

His wife Judith Cohen (1784-1862)'s sister, Hannah (1783-1850), was N.M. Rothschild's wife, thus making Montefiore Rothschild's brother-in-law.

Montefiore was Rothschild's broker on the London Stock Exchange (since 1806). They were partners in the Imperial Continental Gas Association and what is now Sun Alliance insurance.

Montefiore was the Rothschild representative in France who sent back the courier pigeon message that Napoleon had lost at Waterloo. The resulting stock speculation profit cemented N.M. Rothschild's and Montefiore's fortunes.

In 1814, Montefiore had brokered the Rothschild loan to the British government that funded the war against Napoleon.

Montefiore also brokered the Rothschild funding of the [War of 1812](#) against America. They pocketed \$440 million in profit on that one loan that burned down the White House.

[In 1835](#), Montefiore invested his own money and helped Rothschild and the British government fund the compensation of British slavers that created the uber corrupt [British offshore banking system in 1838](#) that so plagues world economies to this day.

PFIZER CEO ALBERT BOURLA'S "NOVEL" ABOUT HIS GREEK-ISH FAMILY

Last year, **Pfizer CEO Albert Bourla** laid down a propaganda smoke screen about his family in the Sephardic Jewish press as well as *New York Times*, *Times of Israel* and LinkedIn.

He also wrapped himself in Holocaust sympathy through various exquisitely crafted speeches at Holocaust memorials that some called a "novel." Despite that, he shared nothing about their life at Auschwitz.

Albert's real name is "**Israel-Abraham Burla**" – he has never disclosed that. He changed his name as late as 2001 when he emigrated to America from Greece, according to the *Times of Israel*.

After being silent about his parents his entire life, last year he started trumpeting certain pieces of information last year that were clues to his real identity and political handlers.

"BOURLA" IS HIS FAMILY NAME; "BOURLA" IS A DERIVATION

His parents were **Mois and Sara Burla**. He said most of his family perished in Auschwitz after the roundup of 50,000 Sephardic Jews in Thessaloniki, Greece.

INTERNATIONAL RED CROSS WAS A BRITISH ZIONIST PILGRIMS SOCIETY FRONT

He said his father Mois and uncle Abraham escaped the roundup and took refuge in Athens, bribed the local police chief for fake Christian names Manolis and Vasilis respectively, and avoided capture by working fulltime for the International Red Cross in Athens for the rest of the Axis occupation.

Tellingly, Bourla was silent on what Mois and Abraham did or how they escaped detection. Wikipedia goes out of its way to tell us that the food import facility they worked in was never bombed during the war. This is reminiscent of a similar "fact" floated about what Klaus Schwab's Escher Wyss nuclear turbine manufacturing facility escaped Allied bombs ostensibly due to International Red Cross intervention during the war.

JOINT RELIEF COMMISSION (JRC) EMERGED IN GREECE TO PRESS BRITISH ZIONISM. FOOD RELIEF WAS A SMOKE SCREEN

What is notoriously known about the International Red Cross in Athens from 1942-44 was that a subsidiary food import operation, the Joint Relief Commission (JRC), emerged as a “state within a state” and was controlled by the Red Cross, Chamber of Commerce and British Pilgrims Society.

Given the stature of the Burla family in Jerusalem—essentially rabbinical royalty—and given the British Zionist plans for Palestine whose founders include the Burla rabbinical family—it is reasonable to assume that Mois and Abraham Burla were couriers between the Athens and Zurich International Red Cross and Jerusalem’s Burla family leaders.

SCHWAB AND FAUCI (ABYS) BLOODLINE FINGERPRINTS

During this period, Martin Bodmar was vice-president of the International Red Cross (1940-71). Bodmar helped coordinate the International Chamber of Commerce that the Rockefeller family member Winthrop W. Aldrich was preparing to lead at the end of the war.

Aldrich was also CEO of Chase Bank and key organizer of the Marshall Plan and its support for the British Zionist partition of Palestine, as well as establishing the Bank for International Settlements in Basel, Switzerland. J.P. Morgan and Chase Bank were notoriously known to be underwritten by the Rothschild cartel.

WORLD ECONOMIC FORUM

Notably, Klaus Schwab, the founder of the World Economic Forum (WEF, 1971), lived at Bodmar castle while attending grade school in the Au suburb of Zurich.

Earlier, in 1917, [Vladimir Lenin](#) lived near ETH and the Esher Wyss manufacturing campus in Zurich after spending a decade being trained in Bolshevism-communism by the Pilgrims Society in London, just before being sent to Leningrad to overthrow Christian Czar Nicholas II, then slaughtering the Czar’s entire family and some servants on Jul. 19, 1918.

ESCHER WYSS & CO.

Bodmar had purchased this land from Fanny Moser-(Sulzer AG). Sulzer AG is the current name of Klaus Schwab’s Nazi-collaborating nuclear company Escher-Wyss & Co.

The Bodmar family property in Cologny, Geneva Canton, Switzerland is the current site of the WEF where Schwab resides today.

ETH (SWISS FEDERAL INSTITUTES OF TECHNOLOGY)

In 1854, Raget Abys, Antony Fauci’s maternal great great grandfather, founded ETH (Swiss Federal Institutes of Technology) in Zurich.

BRUNNER MOND & CO.

English Chemist [Henry Brunner](#) (1838-1916) graduated from ETH at this same time soon after Abys founded it.

After leaving ETH, Brunner founded Brunner Mond and Company starting as a borax manufacturer as well as the key components of gunpowder where he quickly became the sole supplier of gunpowder to the British Army.

BRITISH PILGRIMS SOCIETY FIRST IMPERIAL PRESS CONFERENCE, 1909

The Empire Press Union, Reuters, Associated Press global British news monopoly was set up in 1909. These same newspapermen established British war propaganda and also formed MI6, MI5 and GC&CS now GCHQ.

ICI, ASTRAZENECA, BIOWARFARE

Mond purchased Nobel Akza to create Imperial Chemical Industries (ICI) that split in 1994 to create AstraZeneca, another bioweapons manufacturer plaguing humanity right now.

BOURLA'S REQUISITE, UNCORROBORATED AUSCHWITZ STORY

Last year, Pfizer CEO Albert Bourla laid down a propaganda smoke screen about his family in the Sephardic Jewish press as well as *New York Times*, *Times of Israel* and LinkedIn.

Bourla also wrapped himself in Holocaust sympathy through various exquisitely-scripted speeches at Holocaust memorials that some said had the telltale signs of a larger-than-life novel. In other words, too perfect to be true.

ISRAEL-ABRAHAM BURLA

Albert's real name is "**Israel-Abraham Burla**" – he has never disclosed that. He changed his name as late as 2001 when he emigrated to America from Greece, according to the *Times of Israel*.

After being silent about his parents his entire life, he started trumpeting certain pieces of information last year that were clues to his real identity and political handlers.

"BURLA" IS HIS FAMILY NAME; "BOURLA" IS A DERIVATION

His parents were Mois and Sara Burla. He said most of his family perished in Auschwitz after the deportation of 50,000 Jews in Thessaloniki, Greece.

He said his father Mois and uncle Abraham escaped the roundup and took refuge in Athens, bribed the local police chief for the fake Christian names "Manolis" and "Vasilis" respectively, and avoided capture the rest of the occupation.

Albert is tellingly silent about his father Mois Burla's stature in Palestine and their interlocks with the Rothschild's and British Zionists.

BURLA FAMILY IS RABBINICAL ROYALTY IN PALESTINE-ISRAEL

A seminal backdrop to this story is that the Burla family may be as close to Jewish royalty as one can get in then Palestine / Israel.

Rabbi Israel Burla (d. 1798) was one of Jerusalem's leading scholars in that time.

Rabbi Yosef Nissim Burla (1828-1903) and **Rabbi Yehuda Burla (1886-1969)** were leaders of the Sephardic Jews in Jerusalem and close Zionist collaborators with Lords Rothschild, Sir Moses Montefiore, Deputies of the British Jews, [Col. Charles Henry Churchill](#) and the British government to revive a Jewish homeland controlled by the British—a British colony of Anglophile secular Jews.

Hayyim Jacob Burla (ca. 1847-1929), emissary to North Africa, Tripoli, Morocco; preacher

Jacob Hai Ben Judah Burla (d. 1892). Jerusalem cantor, founded Hemed Bahurim Society for evening and Sabbath study.

DEMONS CONTROL THE BRITISH

Wikipedia very evidently attempts to obscure (“not to be confused with”) the relationship of [Col. Charles Henry Churchill](#) to our 20th century British Pilgrims Society co-founder, prime minister Winston Churchill. Genealogist don't write like that. They are plain speaking and just say what they know. This entry was evidently meant to throw the dogs off the hunt.

Our AFI hounds persisted.

ROYAL BASTARD AT THE OUTSET OF THE HANOVERIAN GERMAN TAKEOVER

The facts strongly point to Col. Charles Henry Churchill as the great grandson and illegitimate royal child of a promiscuous King George II (the first German Hanover monarch, 1683-1760) and equally promiscuous and notoriously beautiful actress [Ann Oldfield](#) (also “Anne” and “Nance”).

This conclusion is reinforced by the fact that Ann is buried in Westminster Abbey—an honor normally limited to heads of state and notables like scientist Sir Issac Newton and Diana Princess of Wales.

King George II's “Groom of the Bedchamber” (from 1727-42) was Lt. Gen. Charles Churchill (1679-1745)—Ann's ostensible baby daddy.

However, Lt. Gen. Churchill would most assuredly never have had the influence to order Ann to be interred in Westminster Abbey.

It appears that Lt. Gen. Charles Churchill, King George II's Groom of the Bedchamber became the secret guardian and namesake to for King George II's bastard child: Col. Charles Churchill.

Indeed, history and modern Churchill propaganda may want to hide the potentially illegitimacy of our lionized modern Winston Churchill.

The illegitimate “Col. Charles Churchill” married an equally illegitimate Lady Maria Walpole. (Such a marriage of two illegitimate children would not normally be recognized in British society. *But this one was.* It had to have been because of Churchill’s royal bastard blood.

Maria Walpole was the daughter of Robert Walpole (1676-1745), the longest serving prime minister in Britain (1721-42) and the politician who supported the Hanoverian George II’s claims to the British Crown over the Scot Stuart Jacobites.

BRITISH ZIONISM WAS A DEMONIC PRETEXT FOR BRITISH RULE OF PALESTINE... THE JEWISH DIASPORA WAS NEVER THEIR CONCERN—THEY ONLY PRETENDED TO CARE

We conclude that the origins of Zionism, as evidenced by Col. Charles Henry Churchill’s [Jun. 4, 1841](#) pretext letter to Sir Moses Montefiore and the Deputies of the British Jews, is rooted in demonic ancestral Churchill family activity to dominate humanity at all cost through lies, deceit, treachery, debauchery and adultery.

Since before the 17th century, these British demons have been working to enslave all of humanity.

LT. GEN. CHARLES CHURCHILL’S (1679-1745) GRANDFATHER WAS SIR WINSTON CHURCHILL (1620-1688)

Indeed, the Churchill demons, tied to the Burlas and the demons of British Zionism, become evident in these facts.

Sir Moses H. Montefiore was an early follower of John Ruskin’s (1819-1900) socialist-communist vision called the “settlement movement” that was later embraced by British Privy Councilor warmongers Alfred Milner, Lord Pirbright, Lord Rosebery, Lords Rothschild, Cecil Rhodes, Salvation Army, YMCA, John Buchan, Vladimir Lenin, Joseph Stalin and Mao Tse-tung. The Jerusalem settlement was perhaps the first incarnation of communist principles of a two-tiered society of leaders (have autocrats) and their followers (have not slaves).

Zionist rabbis supported socialism-communism as political controls over the Rothschild funds distributed from London. **Our modern WWII prime minister Winston Churchill’s heavily propogandized family history now starts to read more like demon spawn too.**

His grandmother Consuelo Vanderbilt (1877-1964) entwined the Churchill’s inextricably to the Rothschild debt slavery scheme where Cornelius Vanderbilt and Rothschild agent J.P. Morgan (later British Pilgrims Society founder, 1902) used the Y.M.C.A. New York

(founded 1851) to recruit young men for their industries, use adultery, rape and sodomy to compromise the men and Christian pastors to forge lifelong debt slaves. His maternal grandfather, anglophile Leonard Jerome, was a stock speculator known as “The King of Wall Street.” Jerome’s daughter became Lady Randolph Churchill who married Lord Randolph Churchill (1849-1895), Winston’s father and mother—the male Churchill line all being the bastard lineage of King George II (1683-1760), according to this research.

Notably, our modern Winston Churchill was a co-founder of the British Pilgrims Society (1902, [1909](#)) and modern press propaganda.

Also notably, current prime minister Boris Johnson is the great great grandson of Sir George Williams, the founder of the Y.M.C.A., a precursor to the settlement movement and communism. His newly-minted wife Carrie is the illegitimate granddaughter former prime minister Herbert H. Asquith, who is a Pilgrims Society co-founder, founder of the British intelligence agency that dominate America: MI6, MI5 and GC&CS now GCHQ, and WWI warmonger demon.

A more obvious demon soup one cannot imagine.

BURLA’S SEPHARDIC JEWISH FAMILY IS A LONG TIME ROTHSCHILD BENEFICIARY

Two Rothschild’s figure prominently in the Burla history. Bankers Nathan Mayer (N.M.) Rothschild (and his sons) and Sir Moses Montefiore. Montefiore is N.M. Rothschild’s brother-in-law as well as grandfather to various Rothschild’s that his daughters married.

THE UNHOLY ZIONIST ALLIANCE WITH IMPERIAL BRITISH CORPORATISM

Inevitably, Burla rabbis began taking donations from their Sephardic Jewish cousins in London—the Rothschild’s. More specifically Sir Moses Montefiore—N.M. Rothschild’s brother-in-law and stockbroker on the London Exchange, sometimes called his banking “[sidekick](#).”

[Montefiore](#) was one of the original members of the London Stock Exchange (1806). At that time there were only 12 licensed Jewish brokers in London. He was one of them.

ROTHSCHILD, MONTEFIORE PAID OFF THE BRITISH SLAVE OWNERS

Montefiore partnered with N.M. Rothschild and Parliament to fund the compensation of slave owners in 1836, followed by the formation of the white, black, brown, yellow and red, debt slavery model of the British offshore banking system that oppresses the world today.

Montefiore funded [Mishkenot Sha’ananim](#), the first Jewish settlement outside of Jerusalem.

BOURLA’S AUSCHWITZ STORY

According to Bourla's freshly-minted narrative, half his Sephardic Jewish family in Thessaloniki, Greece perished in Auschwitz and the other half, including his father and uncle, were successfully hidden and employed for years by the Red Cross in Athens.

His father, Mois, and uncle, Abraham, worked for the International Red Cross in Athens throughout the war. Tellingly, Bourla was silent on what Mois and Abraham did or how they escaped detection.

What is notoriously known about the International Red Cross in Athens from 1942-44 was that a subsidiary food import organization was a "state within a state."

Given the stature of the Burla family in Jerusalem, and given the British Zionist plans for Palestine, it is reasonable to assume that Mois and Abraham were Red Cross couriers between the Athens and Zurich International Red Cross and Jerusalem's Burla leaders.

THE SWISS, BODMAR, ROCKEFELLER, RED CROSS, CHAMBER OF COMMERCE INTERLOCKS

During this period, [Martin Bodmar](#) was vice-president of the International Red Cross (1940-71).

Bodmar helped coordinate the International Chamber of Commerce that the Rockefeller family member Winthrop W. Aldrich was preparing to lead in his dual role of CEO of Chase Bank and chief influencer of the emerging Marshall Plan.

Part of that plan was the British Pilgrims Society Zionist's partition of Palestine.

Notably, Klaus Schwab, the founder of the World Economic Forum (1971), lived at Bodmar castle while attending grade school in the AU suburb of Zurich. Bodmar had purchased this land from Fanny Moser-(Sulzer AG). Sulzer AG is the current name of Klaus Schwab's Nazi-collaborating nuclear company Escher-Wyss & Co.

The Bodmar family property in Cologne, Geneva Canton, Switzerland is the current site of the WEF where Schwab also resides.

In 1854, [Raget Alys, Antony Fauci's maternal great great grandfather](#), founded ETH (Swiss Federal Institutes of Technology) in Zurich as Switzerland's first secretary of war. English Chemist [Henry Brunner](#) (1838-1916) graduated from ETH at this same time. Brunner's father John was a Swiss school master.

After leaving ETH, Brunner founded Brunner Mond and Company starting as a borax manufacturer as well as the key components of gunpowder where he quickly became the sole supplier of gunpowder to the British Army.

A co-founder of the British Pilgrims Society (1902) was **Sir Alfred Mond**. Mond also oversaw the organization of the [First Imperial Press Conference, 1909](#) when British war

propaganda took flight along with the formation of MI6, MI5 and GC&CS now GCHQ. Mond was president of Brunner Mond chemicals, later Imperial Chemical Industries (ICI) and AstraZeneca. He also did substantial business in Israel.

CONCLUSION

Albert Bourla, originally Israel-Abraham Burla is a British Pilgrims Zionist fraud who was placed at the top of Pfizer, Inc. to press bio-warfare on the world public and his own Sephardic Jewish people in Israel.

Why? Because the demon that possesses him hates humankind.

We demand that this Burla / Pfizer demon *name himself*, in public.

What is more interesting as I edited this has been a report today by Mike Adams. Mike Adams, the Health Ranger has posted today, Wednesday January 26, 2022, Israel now #1 in Covid-19 cases per capita, proving all the draconian vaccinations, lockdowns and restrictions are utterly worthless and stupid.

Mike Adams report continues, but keep in mind that Mike Adams is not a Bible expert and is unaware of this overarching story plot on how Israel is being eliminated through the eugenic genocide of the Pfizer vaxx. Benjamin Netanyahu originally signed the deal with Albert Borla. Pfizer has a monopoly on the vaxx business with the State of Israel. Can you guess why so?

(Natural News) Despite the fact that Israel has implemented some of the most draconian COVID-19 pandemic measures in the world, the country is now number one in the world in new cases, according to local reports.

According to the Times of Israel, a leading health expert in the country said that 0.6 percent of the population was testing positive daily for the virus — most likely the latest variant, omicron, which is highly contagious but also very mild.

Prof. Eran Segal of The Weizmann Institute said at that rate, Israel currently leads the world in per capita infection rates, even though the population is required to get the latest version of vaccines available and despite heavy quarantine and lockdown regimes.

However, Segal tried to excuse the high infection rate:

But Segal noted it was likely that Israel was not truly the country with the highest infection rate. Rather, he attributed the figures to Israel being a leading country in the number of tests performed each day, relative to its population size.

Israel is followed in the highest daily cases worldwide ranking by Mongolia, Peru, Canada and Georgia.

The fact is, either you're the number one country, per capita, in daily infections — or you're not. And right now, Israel is No. 1, period, no matter how you look at the data.

But instead of realizing that this novel coronavirus is not the world-ender that the world has been propagandized to believe, Israeli Prime Minister Naftali Bennett is quadrupling down on idiot policies that have not worked yet and are never going to work (because viruses virus — that's what they do and nothing humans do will stop them from spreading).

The PM *“announced Thursday that mandatory quarantine for schoolchildren who were exposed to coronavirus carriers would be scrapped entirely,”* the Times of Israel reported. *“According to the plan, starting next Thursday, children up to the age of 18 will no longer need to isolate after being exposed.”*

“Instead, all students — both vaccinated and unvaccinated — will need to conduct two antigen tests a week — on Sundays and Wednesdays — and present negative results when entering educational institutions,” the outlet continued. *“Children who test positive for COVID-19 will still need to isolate until testing negative.”*

Bennett said that the government will begin distributing “millions” of test kits so that testing can be done at home, an endeavor that is costing tens of millions of dollars to carry out.

Bennett's order comes as 146,000 school-aged children were already in quarantine due to testing positive for the virus, while another 142,000 were forced into quarantine because they had been 'exposed' to the virus (which means nothing considering the virus is literally everywhere).

"Wherever we can make it easier for the public, we will. We are taking Omicron seriously, but also looking at the bigger picture," Health Minister Nitzan Horowitz said.

Education Minister Yifat Shasha-Biton called Bennett's order *"a brave decision,"* while noting further that *"it would have been easier to close the education system, but our duty is to save every boy and girl"* from the damage of repeated quarantines — even while ordering them into repeated quarantines.

These lunatics literally have no self-awareness at all when it comes to their pandemic decisions.

But that's not all. Regarding the overall state of the pandemic, Segal predicted that the current outbreak sweeping the country will end soon. "We are very close to the height, or even at the height of the Omicron wave," he told Channel 12 news.

What about the next variant? And the next? And the ones after that?

Why haven't any of these measures ever been implemented for influenza, which sweeps the globe annually, showing up as a different strain?

Viruses...are going to virus. 'The science' has shown us this for centuries. Why civilized democracies can't seem to understand this elementary scientific principle when it comes to COVID-19 is mind-boggling.

After reading Mike Adams remarks above, I can only conclude one thing, Israel's leaders are committing crimes against humanity, and in the case of Israel, they are using every evil pathogen that the Pfizer Cabal can create to commit a holocaust by vaxx against the Sephardic descendants of Abraham, Isaac, and Jacob. You may not grasp the significance of what the American Intelligence Media have unearthed, but this is hugely indicative of God's End of Days, and our Deliverance before Judgment!

Blessings in the name of Jesus Christ,
