

Add Al-Aqsa Storm to the Long List of Khazarian False Flag Attacks

Posted on [October 14, 2023](#) by [State of the Nation](#)

By Stephen Francis, [NewsFollowUp.com](#), see updates [here](#).

The events of Oct 7, 2023 in Israel are tragically unfolding as another false flag attack orchestrated by Israel to manipulate their circumstances on the world stage. It is becoming clear that Israel not only [ignored warnings](#) but wanted the [Al-Aqsa Storm](#) to happen in order to rationalize, in their minds, the continuing ethnic cleansing of Gaza. As of mid-October, 2023, Israel is in a desperate race to force as many Palestinians possible to southern Gaza before the [Arab backlash](#) to its land grab becomes untenable.

The most important aspect at this point is the fate of over two million Palestinians who face starvation, thirst and another bout of ethnic cleansing. Of course, the fate of the hostages is important. There are already many reports [exposing](#) the fraud in this operation including [here](#), [here](#) and [here](#). It is early in the process. Like many of the false flags, [innocent civilians, including Jews](#) were murdered within this horrific context. Jewish false flag attacks have been a common occurrence for well over one hundred years. They will murder their own people for political gain. The [ADL](#) actually describes a very limited number of them, with all sorts of predictable obfuscations.

Political Label Confusion in the Context of False Flag Attacks

There is a head-spinning array of political labels that needs clarification. It is a complex and perplexing development that the Jewish-controlled International Leftist Communist (ILC) MSM in America is [defending](#) Palestinian actions and that media called for a rollback of an Israeli troop invasion of Gaza. And in this [MSNBC report](#) they actually mention the promotion of a two-state solution, a position that the Likud and the like [would never allow](#). Possible explanations for this oddity is that the American MSM is doing this just as they disingenuously virtue signal about '[woke](#)' issues, or is it that they have hired duped [Jewish Leftist](#) reporters who genuinely care about the plight of the Palestinians. Is it connected to the [Leftist decolonization](#) movement?

Globalist New World Order organizations and their MSM partners care nothing about the Palestinians. The MAGA Americans should actually be embracing the Palestinian cause, but they don't. To begin to decipher this situation, an explanation of political labels is necessary.

In an update, [MSNBC](#) is backing away from the Palestinians, but this [report](#) reinforces the opposite with the headline: 'Canadian Media Ordered to Stop Referring to Hamas As 'Terrorists'.

It is important to realize that the [Jewish Left](#) is mostly not aligned with the (ILC) world order. The Jewish Left is an impotent and nearly irrelevant political force in Israel that actually cares about the plight of the Palestinians and defends its near partnership with the Palestinians. That ILC is far more aligned with globalists, Klaus Schwab's [WEF](#), [Zionists](#), and Netanyahu's [Likud Party](#). It is the Conservative right-wing Intel organizations in Israel that are carrying out most of the false flag attacks around the world.

Joe Biden (controlled by [Barack Obama](#)), and a puppet of the ILC, is accused of freeing up \$6 Billion worth of Iranian funds that ultimately is claimed to have fueled Palestinian attacks. See the [Washington Times](#) and [Politico](#) reports on this issue. Here is an October 2023 headline relevant to subject: Biden Regime Gave Hamas Leadership in Gaza \$75 Million in Early October, 2023 Knowing a Genocidal Attack by Hamas on Israel Was in the Works ... [TheGatewayPundit](#)

The right wing parties in Israel have joined forces with the Orthodox Jews to [frighten](#) the general population in Israel into terrorizing Palestinians to the point of their contemplation of committing genocide on those peoples. In their minds, there is a demographic nightmare unfolding in Israel. Israel intelligence agencies were keenly aware of the Al-Aqsa Storm, and saw it as a solution to their problems. We shall see how that plays out for them. The Palestinians just want their stolen lands back, but now they are trapped and will either fight or die, probably both.

When news reports attempt to propagandize Americans with reports of [babies being beheaded](#) by the Palestinians, one has to realize that this is coming from the ILC and the Conservative right-wing of the Likud Party. When Joe Biden, leader of the American Leftist Democrats refers to the Gaza situation, he is assuredly aligned with Netanyahu's Conservative Right-wing of Israeli politics, which is officially named the [National Liberal Movement](#), which makes perfect sense in all this political mess.

That right-winged Likud in Israel is also aligned with the American (International) Leftist MSM who propagate the lies about Palestinian 'terrorists' murdering and decapitating children. This has occurred many times including at the beginning of the Iraq Gulf War in Kuwait in 1990. People don't seem to learn and absorb this; otherwise they wouldn't continue to use this tactic.

It is confusing but true to realize that that [Vladimir Putin is aligned with the Palestinians](#) and Arab countries in general. And in this context, the American Leftist Democratic war monger Party is aligned with Netanyahu's Zionist Likud Party. Russia is no longer considered a communist country. This explains their sympathetic stance towards the Palestinians and its desire to [de-Nazify Ukraine](#). The Zionist Jew Zelensky is in bed with Right Wing Neo-Nazis.

If your head is spinning at this point, you are not alone. It takes a while to figure it all out.

Controlled Opposition in the Context of False Flag Attacks

This recent Gaza situation is also a fascinating and informative period in order to analyze and ascertain websites for possible inclusion to a list of 'controlled opposition' candidates. The 10/7 Jew/Hamas divide is a worldwide conversation piece. Which side people and organization stake is a very important decision, but all this depends on the depth of one's knowledge of political events around the world and how much they have been propagandized by the MSM fake news.

The most egregious and important false flag ops in the last 150 years are [the Holocaust Hoax, JFK assassination, and 9/11 Truth \(HJ9\)](#). To what degree will news websites side with Israel knowing its long history of complicity in HJ9 is an important question? True believers in the veracity of HJ9's tenants could not ever support Israel. Websites, politicians, and the general public who do support Israel could all be candidates for inclusion onto a 'controlled opposition' list.

[The Gateway Pundit \(TGP\)](#) is just such a candidate. They have obviously taken Israel's side in this regard. It is also true that TGP never mentions HJ9; does this make them a controlled opposition site? TGP is an avid supporter of Donald Trump who has been far too close to Israel in the context of controlled opposition, but has recently come into fire over his pro-Palestinian comments, labeling them 'smart'. He is a savvy [politician](#).

TGP is correctly and massively important in coalescing MAGA conservative support around Donald Trump and is leading the charge against the globalists. It's a complex subject worth navigating. We cannot get reliable or accurate information from TGP about the possible genocide of the Gazan people, but just about everything else they present is invaluable. All very interesting.

Do your own research on all the incidents reported here. Some are difficult to verify. No other country besides Israel has perpetrated anywhere near the number of false flag attacks.

The [definition of a false flag](#) event in this article is any occurrence where state actors carry out egregious crimes, violent or nonviolent, under the cover of what is propagandized as benevolent actions.

Piggyback False Flag Ops

In Israel on October 7, 2023, Israeli intelligence entities knew exactly what was being orchestrated by Hamas and piggybacked onto that operation to further their diabolical plans against the Palestinians, knowing that they could manipulate world opinion in their favor. Just like what played out on 9/11/2001, where Israeli leaders and the ILC (Zio-Anglo-American-Axis) used and [layered](#) on top of the Islamic resistance movement's actions to launch a war to take control of Middle East resources, the Israeli ethnic cleansing goals were layered on top of the Al-Aqsa Storm to obfuscate and confuse. Triggering a war with [Iran](#) was also factored in.

For the elite and MSM, the two million Gazans are the modern forms of 'Osama bin Laden' who was the most important patsy since Lee Harvey Oswald. It smacks of desperation with many paths to failure. This is a completely different era.

Many articles are now being produced that align with this line of thinking, including this one by [Joachin Hagopian](#), entitled The Hamas-Israel Conflict: This Latest Zionist War Exposed and this article by [Henry Makow](#), 'Do Civilians Deserve to Die'. Both aptly describe the situation in Gaza. This article expands on the historical purview of the Gaza 10/7 false flag event.

The list begins.

The Bolshevik Revolution ... 1917 ... The Leftist [Wikipedia's](#) description is a predictable and risible farce. Its antecedent, the failed **1905** revolution and the successful 1917 actions were the first blatant attempts at worldwide Leftist revolution patterned after Jewish centralized population control exemplified by the Talmud. See [Elizabeth Dilling](#) works on this subject. Obviously, Wikipedia can't mention this. It was an experiment that finally failed in 1989 for Russia, but still exists in China's CCP. The Jewish component to its origination in China is here.

Just a teaser to show how long this has been occurring and how they are all connected, Julius Zakheim (father of Dov Zakheim, Pentagon Comptroller in 2001), born in the Ukraine (1870), was a Russian rabbi who married a relative of Karl Marx. He was a Menshevik/Bolshevik and played a leading role in the 1905 turmoil that paved the way for the 1917 Bolshevik Revolution. To this day, the propagandized line about that revolution is that disaffected peasants overthrew the oppressive Russian Tzars. The 9/11 false flag deception was mainly about the creation of the Islamophobia meme. Obfuscation and deceit are the first forms of the 'piggyback' strategy. Find a perceived problem and manipulate it to your favor. The Hegelian Dialectic is a common thread.

Next, **WWI's Arche Duke Ferdinand** (false flag) assassination and the [Rothschild](#) manipulation of events to start WWI came to fruition, then the Treaty of Versailles precipitation of WWII which led to the firebombing of Dresden devised by Churchill and his Jewish handlers. By this time the Zio-Anglo-American Axis(ZAAA) is fully formed and the Holocaust Hoax narrative takes its beginning steps to becoming a global phenomenon. The four-year long Nuremberg show trials cemented in the minds of the world's citizens the ever enduring 'Hitler/Nazi evil' false narrative. This is the first and most egregious example of a non-violent and global mind-control false flag attack. The [Holocaust Hoax](#) is undoubtedly the greatest false flag psyop in the history of mankind. It was diabolically instrumental in creating the State of Israel.

But we are just getting warmed up for what's to come. In the 1940s, an offshoot of the ZAAA, the Military Industrial Complex (MIC), is also fully formed and fomenting the Cold War. Anthony Sutton's book '[The Best Enemy Money Can Buy](#)' is one of the most important works depicting this concept. He outlines how the 'West' (and Zionist bankers) funded and industrialized Russia in the 1930s that then went on to produce the trucks

travailing the 'Ho Chi Min' Trail in the Vietnam War. The threat of 'The Bomb' was the false flag psychological attack. [NewsFollowUp](#)

In the **Cold War** following WWI, the world's citizens were terrorized by the MSM's depiction of a nuclear conflagration. In the late 1990s, [General Dynamics](#) (nuclear sub technology) and its Pritzker family progenitors were instrumental in financing the political creation of Barack Obama. The Pritzker family is a leading contributor to the ADL and most other major Jewish organizations. Neocon Victoria Nuland (Jewish), a leading member of the MIC/NATO axis, fomented the Russia/Ukraine War. This extends to the Neocon-led 2014 Maiden riots that would eventually lead to the Russia/Ukraine War. America is under ZOG control. [NewsFollowUp](#)

To continue the historical list, next comes **the King David Hotel bombing (1946)**, Lavon Affair (1954), the USS Liberty attack in 1967 aided by first Jewish Pres. Lyndon Johnson, the Entebbe (fake Israeli) hijackers in 1976, and the assassination of Anwar Sadat Anwar Sadat President of Egypt is assassinated. The Fatwa order to kill him was pinned on Omar Abdel-Rahman later convicted for the WTC bombing in 93, it was an attempt to stop the Oslo Accords (1978), and finally the Iran Iraq War (1980-88). All these events were perpetrated by Jewish leaders to advance Jewish causes. [NewsFollowUp](#)

Netanyahu's father Benzion ... 1948 was secretary to Ze'ev "[Vladimir](#)" [Jabotinsky](#), founded the Zionist terrorist movement that played an important part in the creation of Israel (e.g. King David Hotel bombing, conspiracy to assassinate British foreign secretary Ernest Bevin). Netanyahu will eventually lead the terrorist operation to attempt to ethnically cleanse Gaza of Palestinians in 2023 based on false flag attacks piggybacked on Hamas resistance.

The Wahhabi Religion ... In an aside, a little-known set of facts around the creation of Wahhabi religion is necessary. This Jewish duplicity dates back to the eighteenth century, when Judaized British Freemasons conspired to create the Wahhabi sect in Saudi Arabia, to divide Islam, and provide a geopolitical advantage for a new state of Israel, and by that further foster the elite Jews' global takeover agenda. *"That a British spy known as Mr. Hempher was responsible for shaping of the extreme tenets of Wahhabism;"* The Shiite/Sunni Muslim divide is a result of this phenomenon. Divide and conquer, a tried-and-true tactic. See the Sykes-Picot agreements and its effect on Middle East borders and politics.

The British (Zionists) made a client out of Saudi Arabia's Ibn Saud, who was also told to encourage Arab tribesman to repel the Ottoman Turks from the Gulf Region at the onset of WWI. That same year the British House of Rothschild pushed through the Balfour Declaration, lending Crown support for a Jewish homeland in Palestine. Rothschild was less concerned about the Jewish people than he was about establishing a Middle East outpost from where he and his lackeys could keep watch over the center of their global oil monopoly. A year later the Ottomans were defeated. One of the main purposes of WWI was to set the stage for the creation of the state of Israel.

Rahm Emanuel's Father 1948 specialized in bus bombings in Palestine. He was a member of the Irgun Zvai Leumi Jewish terrorist organization that targeted British forces in Palestine. [SignoftheTimes](#) [WayneMadsenReport](#) Rahm Emanuel was Clinton's 'senior advisor', but better described as Clinton's Jewish handler. He played a major role in the housing crisis of 2007 perpetrated by Jewish banksters who were never held accountable to the illegal deeds.

Operation Northwoods ... 1962, The most infamous and documented U.S. false flag operation was Operation Northwoods, a plan hatched by the Joint Chiefs of Staff during the Kennedy administration in 1962 that included terrorist attacks against ships and passenger planes, claiming Cuba was behind them and providing a pretext for a U.S. invasion of Cuba. In 1967, Israel attacked the National Security Agency intelligence ship, the USS Liberty, hoping the Americans would believe Egypt carried out the attack, prompting a U.S. military strike on Egypt, with which Israel was fighting the Six Day War. The Israeli operation was reportedly code-named Operation Cyanide. [WMR](#)

Assassination of JFK ...1963 ... a false flag event was necessary to allow Israel nukes, continue the Vietnam War and perpetuate the nascent CIA/FBI surveillance covert operations around the world. The fable around Lee Harvey Oswald persists to this day. [JamesHFetzer](#)

USS Liberty Attack ... 1967 ... Lyndon Johnson, the first 'Jewish president' (his mother Ladybird was Jewish) was a major factor in the 1967 USS Liberty attack and the assassination of JFK. That assassination was the false flag attack/coup that led to the continuation of the Vietnam War that Kennedy was trying to halt. JFK's row with Ben Gurion over Israel's nuclear weapons technology exemplifies this situation. [UnzReview](#)

Watergate ... Although most people don't realize it, the Watergate scandal was actually a false flag attack on Richard Nixon and conservatives in general. Nixon was not a friend of the Jews so they removed him from office with their power of the press and ability to manipulate public opinion. Nixon threatened to expose Israel's role in JFK's assassination. [UnzReview](#)

The Assassination of Robert Kennedy and John F. Kennedy Jr. ... 1968... Robert Kennedy was shot by a PLO bus-boy named Sirhan Sirhan. RFK Jr. doubts this story. Kennedy was running for President, and would have probably opened an investigation into the assassination of his brother. The same can be said about JFK Jr. about his father. [Infowars](#)

The Bologna Train Station Bombing ...1980, The reliance of governments and non-state actors on carrying out "false flag" terrorist attacks, which, in the modern-era, began in Europe with the 1980 time-bombing of the Bologna train station that killed 85 and injured over 200. It was originally blamed on Leftist Italian guerillas but later attributed to the Gladio forces ... Gladio was intended to mobilize guerrilla forces to fight the Soviets in the event of a ground war in Europe. Weapons and materials were hidden underground and in caves throughout Western Europe for future guerrilla assaults on

occupying Soviet troops. However, Italian rightists and Zionists attempted to use the discredited Mitrokhin Dossier, obtained from KGB files, to pin the blame for the Bologna attack on the Soviets acting in concert with radical Arabs, including Palestinian groups. It was later discovered that it was the CIA that funded such news stories in a psychological warfare operation against the Soviets and the Arab countries. ... [WMR](#) ...

The Ousting of Jimmy Carter ... 1980. It is no secret that a number of wealthy right-wing Jews were pushing for a “Jimmy Carter Strategy,” namely an operation to paint Obama as weak on foreign policy as Carter appeared after the failed U.S. hostage rescue mission in Iran and subsequent protracted negotiations with Iran to release the hostages from the U.S. embassy in Tehran. It is known that members of the Reagan campaign secretly met with Ayatollah Khomeini’s representatives to forestall an “October Surprise-in-reverse” agreement with the Carter administration. The hostages were released as Ronald Reagan was taking the oath of office on January 20, 1981. It was “mission accomplished” for the criminal conspirators — chiefly RINOs George H W Bush and William Casey. Source: [WMR](#)

The 1980 USS Poet incident ... The Reagan-Bush-Casey team chartered the SS Poet to deliver weapons to Iran to ensure that Carter would not see a hostage release before the election. Iran was hungry for weapons after September 22, 1980. Israel was never happy with Carter’s Middle East peace initiative (to supply \$4B in arms to Egypt) so it began a program to discredit the President. The Mossad, using an Iranian-Israeli intelligence cut-out, Albert Hakim, devised a plan to destroy Carter’s reputation through his brother Billy Carter. [WMR](#)

Lebanon, Hezbollah ... In 1982 Israel invaded southern Lebanon on questionable claims of ‘terrorist’ attacks from that country. Hezbollah was established in response to that invasion. Hizbullah is now a major political organization in Lebanon and is a more serious threat to Israel than ever. [SweetLiberty](#)

Pope John Paul II Assassination Attempt ... 1981, many observers point out that Mehmet Ali Agca, the Turkish national who tried to assassinate Pope John Paul II in 1981, may have been unwittingly being used by Western intelligence in order to foment a Polish insurrection against the Soviet Union. Agca thought at various times he was working for the Soviets, Bulgaria, or Iran but may have actually been handled by the CIA. Turkish Interior Minister Hussan Gunes, who investigated Agca, said he thought Agca was involved in an attempt to provoke an uprising in Poland and cut it off from the Warsaw Pact. [WMR](#)

Pre-Iraq War Era False Flags ... In 1983 Donald Rumsfeld supplied Iraq with ‘pesticides’ chemical weapons that were used on innocent citizens. In 1986 the Mossad

Libya, in **1984**, Zionist Jews staged a protest outside the Libyan embassy in London. Approximately 25 English Bobbies were used for crowd control. During the middle of the demonstration, a shot rang out and a female Bobby named Yvonne Fletcher was hit and killed. The shot came from a building used by the Mossad to spy on the Libyan embassy, but the newspapers overlooked that and blamed Libya. Israel used this false flag murder of Policewoman Fletcher, to turn world opinion against Libya. [SweetLiberty](#)

Achille Lauro ...1985, Abu Abbas, and 15 Arabs, took over a cruise ship, Leon Klinghoffer was thrown overboard. After two days of negotiations, the hijackers abandoned the ship. In this false flag, the Israelis turned world opinion against the Arabs, while once again portraying themselves as victims. [SweetLiberty](#)

LaBelle Disco1986, As part of a Libya False flag, the Mossad sent a series of false messages out of Tripoli, talking of an impending attack. The Mossad then bombed a German Disco, the Labelle Club, killing three and wounding 230. President Reagan's Jewish handlers convinced him it was a Libyan attack, and retaliated by bombing Libya. World opinion turned against Libya. [SweetLiberty](#)

Hamas ... established in **1987**, is a creation of the Mossad and the Israeli intelligence network. Their unspoken mission is to portray the Palestinian people as militants. [HenryMakow](#)

Yasser Arafat and the PLO ... [NaturalNews](#)

Iran Contra ... Between **1979 and 1986** The US and Israel worked together in covert operations of illegal arms, drug sales, and financing of Contras to kill Nicaraguans. Reagan was completely created and controlled by Jewish handlers and was probably completely unaware of the significance of these events. [ThirdWorldTraveler](#)

Lockerbie ... Dec 1988, The Mossad blew up Pan AM 103 and blamed it on Libya. Unfortunately, the plane was late and blew up overland, and all the evidence pointed towards Israel. Israel's goal was to demonize the Muslims, and lay the groundwork for 9/11. [SweetLiberty](#)

Iraq, Gulf War, 1990-91 ... At the beginning of the US war (for Israel) on Iraq in 1990 the U.S. used false testimony. Posing as Nayirah, a little girl gave a heart-wrenching story of the Iraqis ripping babies out of incubators, a story that was repeated incessantly for three months by the US media. "Nayirah" was Kuwait royalty. She was the daughter of Saud Nasir al-Sabah, Kuwait's Ambassador to the US and she fabricated the entire thing. The U.S. also used false reports of a buildup of troops on the Saudi Arabian border. But Russian satellite photos of the area, on the same day Bush Sr. was making his claims, as reported in the St. Petersburg Times showed no build up. [SweetLiberty](#)

AMIA1992, the Mossad blew up AMIA and the Israeli Embassy in Argentina. Over 100 killed, and practically all of them were Argentines. [SweetLiberty](#)

Luxor, Egypt ... 1992, An attack on Luxor, by militants, in which 58 foreigners, most of them Swiss, were killed. Arabs blamed the Mossad. Israel destroyed Egyptian tourism, and turned world opinion against Muslims. [SweetLiberty](#)

OKC Murrah Building Bombing ...1993 One of the Mossad's American arms, the Southern Poverty Law Center (SPLC), was concerned about the growth of Patriot movements such as Militias, so an attack was staged using a Timothy McVeigh patsy, who was out of Elohim City (Jewish-sponsored terror Mecca). The real brains behind the OKC bombing were Andreas Strassmeir and Daniel Spiegelman, who were/are both Jewish. The Zionists destroyed the Militia movement's credibility, and brought the FBI down on them. [SweetLiberty](#),. Again this was a false flag attack to perpetuate the Islamophobia narrative. WTC bombing ... 1993 ... To deflect international pressure away from Israel's 1992 brutal treatment of 415 Hamas members in the no-man's land between Lebanon and Israel Israeli intelligence services went into action. In February 1993, a truck bomb exploded in the basement of the World Trade Center building. Muslims used as scapegoats took the blame for it, while the real culprits were safely back in Israel. Zionists got their long-awaited draconian gun control laws passed in Australia as a result of this massacre. [SweetLiberty](#)

Clinton False Flags... 1990s ... During the Clinton administration, the major false flag events included the bombing of the USS Cole and the bombing of a pharmaceutical factory in Sudan (Operation Infinite Reach). These events were designed to introduce

The creation of Israel within the Arab world was unfolding as a catastrophe and its leaders devised all sorts of plans and operations to demonize the Arab world because of their hatred of Jews and the creation of Israel. Israeli leaders had to counter this disastrous public opinion.

Netanyahu's 1996 "Clean Break"... 1996 plan which was drafted by American neocons to use the US military to eradicate the Zionist regime's enemies...The plan was put into action on 9/11 to remove governments in seven countries- Iraq, Syria, Lebanon, Libya, Somalia, Sudan and Iran according to retired Army General Wesley Clark. 9/11's Mohammed Atta, (CIA Asset) Less than a week before the 9-11 attack on 5 September, the so-called lead hijacker Mohamed Atta and several other hijackers made a still-unexplained visit onboard one of Pro Israeli lobbyist, Ashkenazi Jew, Jack Abramoff's casino boats. No investigation is undertaken as to what they were doing there. It is discovered that US drug agents' communications have been penetrated. Suspicion falls on two companies, AMDOCS and Comverse Infosys, both owned by Israelis. AMDOCS generates billing data for most U.S. phone companies and is able to provide detailed logs of who is talking to whom. ... Comverse Infosys builds the tapping equipment used by law enforcement to eavesdrop on all American telephone calls, but suspicion forms that Comverse Infosys, which gets half of its research and development budget from the Israeli government, has built a back door into the system that is being exploited by Israeli intelligence and that the information gleaned on U.S. drug interdiction efforts is finding its way to drug smugglers. The investigation by the FBI leads to the exposure of the largest foreign spy ring ever uncovered inside the United States, operated by Israel. Post 9/11 False Flag Attacks

9/11 Anthrax Attacks ... Following the World Trade Center attack, anonymous letters containing anthrax are sent to various politicians and media executives. Like the 9-11 attack this is immediately blamed on Al-Qaeda, until it is discovered that the anthrax contained within those letters is a specific type of weaponized anthrax made by a United

States military liberator ... The FBI then discover that the main suspect for these anthrax letters is a Ashkenazi Jew, Dr. Philip Zack, who had been reprimanded several times by his employers due to offensive remarks he made about Arabs. Dr. Philip Zack, was caught on camera entering the storage area where he worked at Fort Detrick which is where the Anthrax was kept. At this point, both the FBI and the mainstream media stopped making any public comments on the case. [NewsFollowUp](#)

Reinforcement of Islamophobia Bombings

A string of bombings occurred after 9/11 that were false flag attempts by the New World Order/Israel to reinforce the Islamophobic mania propaganda. They included a possible mini-nuke explosion in Bali 2002. In Kenya in 2002 Israel claimed AL Qaeda shot two SAM missiles at a jet on take-off. Israel used this incident to help lay the groundwork for shooting down a US airliner. In Manila... In 2002 Mossad killed 198 in the Madrid train bomb blast. The Iraq/Afganistan Wars, 2003 ...9/11 was the false flag rationalization to start these wars. There was no WMD. Ronald Rumsfeld and Dick Cheney were Israel sycophants and Scooter Libby was a dual Israel/US citizen, along with Richard Feith and Paul Wolfowitz. Saddam Hussein was paying \$20,000 a head to kill Jews and don't forget the oil. The neocons that created the Iraq War, including Victoria Nuland, also created PNAC in the 1990s and fomented the Ukraine coup that led to the Russia Ukraine war beginning in 2022. Neo Nazi Banderites worked with the Jewish puppet Zelensky to accomplish their mission, just as Zionist worked with Nazis in the 1940s Haarvara Agreements to enact Jewish emigration to Palestine. Israel Assassinated Lebanese Prime Minister Rafik Hariri ... 2005, The leader of Lebanese Hezbollah, Hasan Nasrallah, has charged that contrary to an expected UN Special Tribunal for Lebanon report that will blame Hezbollah for the February 14, 2005 bomb assassination of former Lebanese Prime Minister Rafik Hariri, he has Israeli spy plane evidence that shows the Israelis were closely monitoring Hariri's route on the day he was killed in Beirut

The 7/7 London Underground Network is bombed On July 7, 2007. It was a terrorist drill that deliberately went live. Major anomalies appeared immediately after the event. CCTV was switched off: no pictures, from the most heavily CCTV'd city in the world. The official stories kept changing. The four alleged London bombers knew nothing about chemistry, never had any interest in it, and had no bomb-making skills that anyone ever heard about. Once dead they had no-one to defend their name against the official fictions. Not one of them had an animus against British society, to motivate any antisocial act. The London bombings had some actors spotted on the street that morning, presumably part of the 'terror drill' scheduled for that morning. Israel's Finance Minister, Binyamin Netanyahu is in London on the morning of the attacks in order to

attend an economic conference in a hotel over the underground station where one of the blasts occurred. [JamesHFetzer/Nicholas Kollerstrom](#)

Israel Fired Rockets Into Israel From Inside Gaza ... 2009, in order to break the Gaza truce between Israel and Hamas. Israel Fired Rockets Into Israel From Inside Lebanon ... 2009... On January 5, Lebanese President Michel Suleiman added to the Israeli false flag operations by telling French President Nicolas Sarkozy that Israel was responsible for eight Katyusha rockets discovered in southern Lebanon and were fired into Israel from inside Lebanese territory using timers in order to justify and attack by Israel on Lebanon. Israeli false flag operations may have broken the Israeli-Hamas truce and threatened to scuttle UN Security Council Resolution 1701, which brought an end to the 2006 war between Israel and Hezbollah. The Benghazi Incident ... 2012, The September 2012 attack on the U.S. consulate in Benghazi, Libya and the killing of U.S. ambassador Christopher Stevens and three or four other Americans was an outside-supported false flag operation designed to deliver an “October Surprise” crisis to the Obama administration and help the political fortunes of Republican presidential nominee Mitt Romney. In fact, based on Romney’s own past statement concerning an “October Surprise,” which refers to the U.S. embassy in Tehran hostage situation that helped to sink President Jimmy Carter’s re-election in 1980, there is a belief that Israeli Prime Minister Binyamin Netanyahu, a Romney friend and supporter, used Israeli intelligence assets to help stage the Benghazi consulate attack in order to deliver to Romney the October Surprise that the Republican nominee was quick to exploit. Backing up Romney in the “October Surprise” meme were all the usual neocon suspects, including George W. Bush speechwriter John Fund in an article for the National Review, as well as The Wall Street Journal and Politico. Mitt Romney has been outed as a consummate RINO. Source: [WMR](#)

The event was used to dramatically increase aviation passenger surveillance. [WMR](#)

Fukushima Nuclear Plant Meltdown ... In February 2010, Japan offered to enrich uranium for Iran. Soon thereafter, an Israeli firm by the name of Magna BSP secured a contract to run security at the Fukushima Daiichi plant. They installed oversized cameras strongly resembling gun-type nuclear weapons. There is strong evidence that

they planted Stuxnet, an Israeli computer virus that attacks Siemens power plant control systems, and which Israel previously used to damage Iran's nuclear program. Magna BSP also established internet data links in the reactor cores, in blatant violation of international nuclear regulations. All twelve members of that security team returned to Israel in the week before 3/11/11. In the aftermath of the disaster, the Israelis publicly monitored the reactor cores via their illegal internet data links. Yet no one took them to task for this. Source: Whale.to

Sandy Hook Gun Control Psyop ... 2012 The scene of crime remained concealed: no media access, no bodies, only some duffle bags, no-one has been able to get into the elementary school to verify if there are any bullet-marks, bloodstains. The CCTV Cameras were switched off. The Sandy Hook Elementary School was in an up-market area of Connecticut, shown by the large majority of its children being from Jewish families. It would have had high-security equipment including CCTV cameras. The official stories kept changing, FEMA at the Sandy Hook Fire Department, which is near to the Elementary School JamesHFetzer/Nicholas Kollerstrom

Brussels Museum Attack ... 2014, On Saturday, May 24, a lone gunman walked into the entrance of the Jewish Museum in Brussels and opened fire with a Kalashnikov assault rifle. Three people, including an Israeli tourist couple — Mira and Emmanuel Riva — and Dominique Sabrier, a French woman volunteer at the museum, were immediately killed in the attack. A fourth shooting victim, Alexandre Strens, a Belgian employee of the museum, died the following day. Emmanuel reportedly worked as a covert agent for Nativ, a little-known Israeli agency that promoted emigration to Israel from the Soviet Union. Nativ, along with Mossad and Shin Bet, reported directly to the Prime Minister's Office. French President Francois Hollande, immediately used the attack for political purposes to condemn those who would vote for anti-EU nationalist parties accused of anti-Semitism. WMR

Sydney Café Hostage Incident 2014.... Taking his cue from fellow conservative, Canadian Prime Minister Stephen Harper, Australian Prime Minister Tony Abbott has decided to use a known criminal to stage an "Islamic-inspired" hostage-taking at a Sydney chocolate store. A self-styled "Iran sheikh" named Haron Man Monis, aka Mohammad Hassan Manteghi and Ayatollah Manteghi Boroujerdi, took about a dozen people hostage inside a Lindt Chocolate Café in the financial district of Sydney.... The rabidly pro-Israeli Harper used the attack to argue for increased anti-terrorism measures aimed primarily at Muslims.

Charlie Hebdo Attack ...Jan 2015, the three-man professional military assault carried out in a precision manner by three alleged Islamist terrorists on the Paris editorial offices of the satirical journal Charlie Hebdo....
