Part 3

I believe that God's Gematria system is equivalent to what is called computer "source code - machine language" and God's intent was to confirm and authenticate His Word for a generation where skepticism rules the day. Source code is the basic component of a computer program that is created by a programmer, often written in the form of functions, descriptions, definitions, calls, methods and other operational statements. It is designed to be computer-readable and formatted in a way that developers and other users can understand.

Since computers functions are based on zeros and ones, the source code instructions have to be converted and so are put through a compiler program which converts the written instructions into machine language of a specific computer system used to process data. Back when I was a computer programmer in the 1960s, I worked in Fortran, Cobol, Basic, SPS-1, SPS-2 software.

Since Gematria and Bible Numerics depends upon numbers assigned to Hebrew and Greek letters we are able to read embedded messages found within or beneath the surface text.

It required the advent of the modern-day electronic computer to unveil these mysteries and brings glory and focus upon Himself; and this is where it really gets to be interesting.

One of the major examples is that of what Isaiah 19:19-20 contains. It is simply astonishing what has been discovered in Isaiah 19:19-20.

The following data is of absolute importance in making the connection within the Great Pyramid. Since first encoded into the Hebrew text of Isaiah 19:19-20, this information has been hidden from the English-speaking world. You might be inclined to see this as simply coincidence, but there really is no Hebrew word for coincidence! Those who discovered this fact or were aware of it were dismissed as cultists two centuries ago.

The numerical value of the thirty (30) Hebrew words that make up Isaiah 19:19-20 equals "**5449**". This number "**5449**" is the height of the Great Pyramid in Giza, Egypt, in Pyramid Inches, to the apex of the unfinished Pyramid. A Pyramid Inch is 1.0011, which is the equivalent to our English inch. The Great Pyramid was left unfinished or uncapped by the Creator for reasons of His own, and for which we may soon learn. The unfinished Pyramid has a slope of 51.85-degrees on all four corner sides. The Great Pyramids of Giza are the most measured structure in the world and contains hundreds of Biblically-significant mathematical properties. The illustration on the next page provides you with an idea of the sophisticated intricacy and how the detailed measurements speak from silence, and they have been repeatedly verified to be accurate.

— Isaiah 19: 19-20 —

ביום ההוא יהיה מזבח ליהוה בתוך ארץ מצרים ומצבה
 אצל-גבולה ליהוה: והיה לאות ולעד ליהוה צבאות
 בארץ מצרים כי-יצעקו אל-יהוה מפני לחצים וישלח

This Great Pyramid Text of Scripture, in the original Hebrew, contains 30 words. In Hebrew the letters of the alphabet were employed as arithmetical figures, consequently every word is also a row of figures and thus all Hebrew writing has numeric value. The above Hebrew Text as numbers is as shown below—the value of every letter is given and each line represents a word. **The total value is 5,449.**

Height of the Great Pyramid in Pyramid inches = 5,449

(to the original Summit Platform)

After the commercial break, the late Paul Harvey exclaimed to his news audience, *“Now for the rest of the story!”* If you extend the angle of ascent, or slope of the four sides of the Great Pyramid, to a common point of convergence, it brings us to a height of **“5776”** Pyramid inches. This number is what is obtained in height when the hypothetical missing capstone is added. Interestingly, it was back in 1998 when President George H.W. Bush and other world Freemasons announced their plan to cap the Great Pyramid. But then, mysteriously, their plans were brought to an abrupt halt.

So what does this all mean for you and me? This will give you chills! The year **2016** on the Hebrew/Jewish calendar marks the year **“5776”** since Creation! The Jewish reckoning of time is definitely more detailed than that of the non-Jewish world. Furthermore, the Roman numerals found on the back of the United States ‘One Dollar Bill’ reads: **“1776”**. Freemasons count 4,000 years having preceded the Common Era. Adding 4000 to 1776 = **“5776”** by Masonic reckoning. The late David Flynn who authored the book *‘Temple at the Center of Time: Newton’s Bible Codes Finally Deciphered and the Year 2012’* broke the “code’s” meaning of the esoteric language sought after by the Freemasons and other secret societies. David went home prematurely to be with the Lord on January 22, 2012.

We are about to close out the Hebrew year (Biblical) in two weeks; March 23rd begins the new year of **5783**, which interestingly is **“seven”** years from the date of the **5776** date noted in the two preceding paragraphs. **5783** begins a new **Shemithah cycle**, a new **Jubilee cycle**, and the beginning of **Daniel’s 70th week prophecy!** I have referred to these three events as our Trifecta of God’s cycles.

I doubt that any of you would know about the Masonic plan to erect a capstone on the Great Pyramid. Since I have followed the life of Prince Charles of Wales, the top senior Freemason of the world Masonic Lodge “Order of the Garter” I was aware of their 1998 plans to place a silver or gold capstone atop the unfinished pyramid. My interest went into overdrive when I learned that the plan was mysteriously cancelled. In speculating, it is quite possible that Freemasons have esoteric Gnostic knowledge that is of profound importance to the completion of the pyramid’s significance in some way to the “Great Reset” and the WEF plan to “Build Back Better! This remains unclear but Prince Charles of Wales is in the center of this. Of that I have no doubt. Keep in mind all Masonic Lodge members are by oath subservient to Prince Charles of Wales who is the titular head of the “Order of the Garter.”

The picture below captures the image of a U.S. Air Force B-1 bomber flying over the Great Pyramid complex just above the uncapped Pyramid below.

“In that day shall there be an altar to the LORD in the midst of the land of Egypt, and a pillar at the border thereof to the LORD. And it shall be for a sign and for a witness unto the LORD of hosts in the land of Egypt: for they shall cry unto the LORD because of the oppressors, and he shall send them a saviour, and a great one, and he shall deliver them”. –(Isaiah 19:19-20)

Few Christians, if any at all, have read and understand the meaning of the prophecies of Isaiah 19:19-20 and Jeremiah 32:20. This prophecy is far too important to ignore or dismiss its value. The message is critical and urgent for today's world. This axiom bears repeating: ***“The Old Testament contains the New Testament concealed, and the New Testament is in the Old Testament revealed”***.

The prophecy of Isaiah 19:19-20 is proof-positive that God was behind the Great Pyramids of Egypt. As one of world's leading marvels, it has a great deal to tell us; and least of what it might be telling us, we know that God was very much involved with the construction of the Great Pyramids. That fact is challenged by those offering speculation about whom and what was behind the construction of the Pyramids in Giza, Egypt. It is an indisputable fact that Isaiah 19:19-20 contains the Gematria numerical value of the thirty words that just happen to equal the height of the Unfinished Pyramid precisely! The book of Isaiah was written between 739 and 681 B.C. An almost complete copy of Isaiah is located in the “Shrine of the Book” in Jerusalem, Israel.

The shrine houses the Isaiah scroll, dating from the second century BC, the most intact of the Dead Sea Scrolls, and the Aleppo Codex, dating from the 10th century AD, the oldest existing Hebrew Bible. A facsimile of the original Isaiah scroll is now on display in the Shrine of the Book. All that said confirms this is a well-documented topic.

The United States 'One Dollar Bill' contains many esoteric symbols from Freemasonic and Egyptian Mystery Religions brought over from the arcane or dark side of Lucifer's human system.

In Greek and Hebrew Gematria every word, phrase, sentence, passage or book has a numerical value. Each also has three values:

1. Its number
2. Its place value
3. and the last the sum of the two

All of this can be accounted for in only two ways:

- 1, Coincidence, accidental or
2. They are designed, which implies a Designer.

One of the major questions over the centuries has been focused on the last 12 verses of Mark 16:9-20. Some theologians and scholars questioned whether it was added much later by unknown sources. In Ivan Panin's work *'Numerics in Scripture'* he shows the evidence confirming the fact it was part of the Gospel of Mark long ago:

The infamous Satanists of Westcott & Hort are responsible for the writing of their own New Testament. The New Testament in the Original Greek is a Greek-language version of the New Testament published in 1881. It is also known as the Westcott and Hort text, after its editors Brooke Foss Westcott (1825–1901) and Fenton John Anthony Hort (1828–1892). Their background is well known among the theological world. The duo added the word "Amen" arbitrarily added to their translation for this passage taken from Mark 16:9-20, and in doing so, destroyed the Heptadic Design Feature of the Textus-Receptus, violating the principle of Revelation about adding or taking away from the Word of God in Revelation 22:18-19.

Most are unaware of what Westcott and Hort actually said, in their own writings:

They believed Jesus' sacrifice was a payment to Satan:

"I confess I have no repugnance to the primitive doctrine of a ransom paid to Satan. I can see no other possible form in which the doctrine of ransom is at all tenable; anything is better than the doctrine of a Ransom paid to the father." (Hort, The First Epistle of St. Peter, p. 77)

Oh, forgot to mention: *"Our Bible as well as our faith is a mere compromise."* -Westcott, On the Canon of the New Testament, p. viii

They disagreed with Christians on both the authority and infallibility of the Holy Scriptures:

"I reject the word infallibility of the Holy Scriptures overwhelmingly." -Westcott, The Life and Letters of Brook Foss Westcott, Vol. 1, p. 207

"Evangelicals seem to me perverted... There are, I fear, still more serious differences between us on the subject of authority, especially the authority of the Bible." -Hort, The Life and Letters of Fenton John Anthony Hort, Vol. 1, p. 400

They did not believe Jesus was the Word, in deity, nor a distinct person of the Trinity:
"(John) does not expressly affirm the identification of the Word with Jesus Christ." - Westcott, The Gospel According to St. John, p. 16

"He never speaks of himself directly as God, but the aim of his revelation was to lead men to see God in him." -Westcott, The Gospel According to St. John, p. 297

This is why the NASB changed John 1:18 to match the Jehovah's Witness' belief on the matter: they changed it to say Jesus was a *"begotten God"* rather than the *"begotten Son"*. Jesus was already God and the Word by which all things were created from eternity past, he was not merely revealing to people *"God in him"*, as we do today.

They were Socialist Communists staunchly against America and Democracy:
"America is a standing menace to the whole civilization. I wish the American Union may be shivered to pieces." -From Hort's Biography, section on "My Deep Hatred of Democracy and All its Forms"

Westcott and Hort took the traditional Greek text underlying the English translations and changed it in 8,000 places by diluting it with the wildcard manuscripts Vaticanus, Sinaiticus, Bezae, etc.

The end result was the equivalent of erasing the entire books of 1st Peter and 2nd Peter from the Bible: that's how many phrases, verses, half-verses, and total words were removed. Every single New Version since has incorporated these manuscripts in their translations. This evidence and so much more discredits the team of Westcott and Hort.

The Nestle Aland Text (which incorporates Westcott and Hort's manuscripts) in the 25th-28th Editions has actually had to add 400 Textus Receptus readings back into the text because they had to finally concede that they were more accurate and shouldn't have been removed. Even still, the recent New Versions have not significantly changed to reflect them doing so from the days of Westcott and Hort.

Vaticanus and Sinaiticus contradict each other in over 3,000 places in just the Gospels alone. But because they are dated as being around longer (meaning they survived because they were sheltered and not burned), Westcott and Hort were able to convince modern Christianity to reconsider them, even though Erasmus clearly rejected them.

Westcott and Hort dabbled with the occult and communicating with spirits, and had a club called the "Ghostly Guild", which included a man named Lightfoot, who created a Lexicon to support their new Greek Text. This club became the "Society for Psychical Research", who interviewed the founder of the Satanic religion of Theosophy, Helena P. Blavatsky (Sublime Elect Scotch Lady, Masonic Patent issued by John Yarker), and were favorably impressed with her.

Theosophy involves channeling demons through a process called "automatic writing", from which they receive their instructions which have since been championed at the world government level at the UN, through Blavatsky's protégé Alice Bailey, who founded Lucifer Trust Publishing (since changed to "Lucius Trust"), which is held in high regard by the UN.

Blavatsky believed she was reviving the ancient Mystery Religions of Babylon, essentially the original religion of Satan that split into the world religions today: all of the fundamental aspects of which, such as dualism, survived in Hinduism (different gods over dualistic aspects of nature), Buddhism (yin yang), Islam (sun and moon), etc. The original source of this was Nimrod and Semiramis, who originally became allegorized as the sun and moon.

At the First Annual Congress of the Theosophical Society, which took place around 1900 (the same time Westcott and Hort's new versions were just entering churches), the original transactions of which states, quote, *"I believe it is through the churches, and NOT through the Theosophical Society, that Theosophy [the worship of Lucifer] must and should come to large bodies of people... The work of destructive criticism [Westcott & Hort's Textual Criticism / Critical Text] and has paved the way, sweeping away certain passages that grate on the ears: the phrase 'washed in the blood' is one. "*

This is why Colossians 1:14 **"through his blood"** has been removed in the NASB and NIV.

Romans 3:25 through faith **"in his blood"** has been removed.

Revelation 1:5 **"washed"** us from our sins has been removed.

Luke 22:20 **"blood which is shed"** has been removed and replaced with "cup which is poured". Gotta love allegories.

We see here clear evidence of these relationships and the outworkings of their stated motives found plainly in the New Versions.

Henry Travers Edge was a friend of Blavatsky's who stated, *"The New Versions have produced a rendering much more in accord with the views of a Theosophist [Satanist]."* - Henry T. Edge, Esoteric Keys

The Chief Editor of the NIV, Edwin Palmer, called verses that support Salvation by Grace a "great error", and stated: *"This shows the great error that is so prevalent today in some Orthodox Protestant circles, and that namely the error that Regeneration depends upon faith, and that in order to be born again, one must first accept Jesus as savior." He called the Gospel of Grace a "great error".*

This is why Matthew 7:14 was changed to say, *"difficult is the way"* instead of the original ***"narrow is the way"*** in support of Catholic works salvation doctrine.

Mark 10:24 was also changed to say, *"Children, how hard it is to enter the Kingdom of God"* in support of works salvation, rather than the original, ***"how hard it is for them that trust in riches to enter"***, was we must recognize our need for a savior and trust Christ's payment on the cross.

At this point I don't even need to mention Isaiah 14:12, which replaced Satan, the shining falling angel, with Jesus Christ, the Morning Star. This is all part of their clearly stated plan to bring Lucifer worship in through the churches to prepare them to worship the Antichrist, as many of them don't even believe an Antichrist will come, are Amillennial just like the Catholic church, and are now turning to Replacement Theology, in part due to these New Versions and in part due to infiltration of Satanic ministers the Bible warns against.

In addition to this there must be a clear move against Dispensationalism, which retains the sound reading of Biblical End Times Prophecy, which depends entirely on the crucial distinction between Israel and the Church. This is why they've created blatant lies about Dispensationalism, claiming it and the Pre-Tribulation rapture were *"invented"* by Darby in the 1800's (debunked in the books Ancient Dispensational Truth and Dispensationalism Before Darby), while notice that no such lies about the history of Covenant/Replacement Theology were needed. Because these theologies are already Satanic. This is how Satan combines books like Hebrews, which is for Hebrews in the Great Tribulation under the Gospel of the Kingdom, with the Body of Christ in the Church Age, in order to create muddy, distorted, sometimes outright false works, *"persevere"* gospels (no doubt why he made Calvin famous) promoted in megachurches (I have witnessed firsthand) and sending many to hell.

The facts are indisputable, the King James Bible is the true Word of God, hands down; and all efforts to somehow deceive people into accepting all the other modern translations are Satanic in all respect. It should be no surprise to the Bible reading public that Satan would influence dishonest, disingenuous individuals to accomplish his efforts to change the Word of God, like Westcott and Hort, and Cardinal Carlo Maria Martini. I have a small library on those who sought to change what God said not to add or take away from His Bible. I took two courses in seminary addressing the topic of

“Textual Criticism” so I can speak to these issues with confidence. Unfortunately, most pastors today are the blind leading the blind as Matthew 15:14 tells us.

One of the most interesting books on God’s numerical design is that of another computer specialist, Norm Patriquin, author of the 2009 book, *‘The Bible’s Redemptive Pattern And Numeric Map’*. This book explains not only the symbolism of Biblical numbers but more importantly describes the progressive meaning behind each number and how they relate to what the author refers to as the Bible's Redemption Pattern. Numbers not only have a consistent symbolism everywhere they are used in Scripture, but each number helps describe the ten basic steps of a Christian's path of walking with God in their lives.

This book explains the symbolism of numbers; how to understand the Redemption Pattern steps; and most importantly, how we find this Redemption Pattern used throughout the Bible thus it being a constant reminder in Scripture of God's plan for our lives. This pattern can be seen repeatedly in virtually every list of the Bible including; the Lord's Prayer; The names of ten generations from Adam to Noah; the Beatitudes; The Plagues of the Bible; feast days and more.

One of Norm’s studies interestingly dealt with the Pretribulation Rapture. Evidence references in the Bible - sharing my notes of unfinished research. A few years ago I (Norm) began researching Bible verses I suspected were related to what is referred to as the **“rapture”** or **“catching up”**. Some of these I discovered by looking at Bible number patterns (#999, 911, 29, 92...). It was so long ago I researched this that I don't remember how I found all the examples, but it seems very clear to me that the Bible has many references as to how the LORD places people in a **“safe place”** to avoid judgment or trouble. For these and many other reasons, I personally believe in a pre-tribulation rapture.

I offer these notes as verses and thoughts you can examine yourself. These are simply unfinished notes of a research work I did years ago and never published...

When the trouble came God saved his remnant in a temporary safe place.

God decided to cleanse the earth of men, all except a remnant which he temporarily kept safe in the ark...

Genesis 7:1 **“Then the LORD said to Noah, “Enter the ark, you and all your household, for you alone I have seen to be righteous before Me in this time.”**

Genesis 7:16 **“Those that entered, male and female of all flesh, entered as God had commanded him; and the LORD closed it behind him.”**

Genesis 7:17 ***"Then the flood came upon the earth for forty days, and the water increased and lifted up the ark, so that it rose above the earth."***

Sodom was condemned but God sent angels to rescue him before calamity and keep him in a nearby city until it was safe...

Genesis 19:19 ***"Now behold, your servant has found favor in your sight, and you have magnified your lovingkindness, which you have shown me by saving my life; but I cannot escape to the mountains, for the disaster will overtake me and I will die;"***

Genesis 19:20 ***"now behold, this town is near enough to flee to, and it is small. Please, let me escape there (is it not small?) that my life may be saved."***

Genesis 19:22 ***"Hurry, escape there, for I cannot do anything until you arrive there." Therefore the name of the town was called Zoar."***

Joseph was condemned by his brothers, thrown in a pit and saved by God for a time in Egypt...

Genesis 37:28 ***"Then some Midianite traders passed by, so they pulled him up and lifted Joseph out of the pit, and sold him to the Ishmaelites for twenty {shekels} of silver. Thus they brought Joseph into Egypt."***

Genesis 37:29 ***"Now Reuben returned to the pit, and behold, Joseph was not in the pit; so he tore his garments."***

Death was decreed for Moses and all first born sons...God saved him in a basket among the reeds...

Exodus 1:22 ***"Then Pharaoh commanded all his people, saying, "Every son who is born you are to cast into the Nile, and every daughter you are to keep alive."***

Exodus 2:2 ***"The woman conceived and bore a son; and when she saw that he was beautiful, she hid him for three months."***

Exodus 2:3 ***"But when she could hide him no longer, she got him a wicker basket and covered it over with tar and pitch. Then she put the child into it and set it among the reeds by the bank of the Nile."***

Israel was saved in a near town of Goshen from the hail of the judgments...

Exodus 9:26 ***"Only in the land of Goshen, where the sons of Israel were, there was no hail."***

In Exodus The LORD rescued those who were safe in a house marked by the Blood of the Lamb...

Exodus 11:4 ***"Moses said, 'Thus says the LORD, 'About midnight I am going out into the midst of Egypt,'"***

Exodus 12:12 ***"For I will go through the land of Egypt on that night, and will strike down all the firstborn in the land of Egypt, both man and beast; and against all the gods of Egypt I will execute judgments--I am the LORD."***

Exodus 12:13 ***"The blood shall be a sign for you on the houses where you live; and when I see the blood I will pass over you, and no plague will befall you to destroy you when I strike the land of Egypt."***

Exodus 12:23 ***"For the LORD will pass through to smite the Egyptians; and when He sees the blood on the lintel and on the two doorposts, the LORD will pass over the door and will not allow the destroyer to come in to your houses to smite you."***

As Pharaoh came to destroy them, Israel was saved by another flood when the LORD kept the waters from destroying them...

Exodus 14:29 ***"But the sons of Israel walked on dry land through the midst of the sea, and the waters were like a wall to them on their right hand and on their left."***

On the 3rd month after Israel escaped from Egypt, they were to be ready for the Lord to "come down"....

Exodus 19:1 ***"In the third month after the sons of Israel had gone out of the land of Egypt, on that very day they came into the wilderness of Sinai."***

Exodus 19:11 ***"and let them be ready for the third day, for on the third day the LORD will come down on Mount Sinai in the sight of all the people."***

The LORD promises to keep Moses safe in a cleft, on a rock, when he passes by...

Exodus 33:20 ***"But He said, 'You cannot see My face, for no man can see Me and live!'"***

Exodus 33:21 ***"Then the LORD said, 'Behold, there is a place by Me, and you shall stand there on the rock;'"***

Exodus 33:22 ***"and it will come about, while My glory is passing by, that I will put you in the cleft of the rock and cover you with My hand until I have passed by."***

Nadab and Abihu burned up after offering strange fire...Priests had to stay in doorway of tent of meeting to be saved...

Lev 10:7 ***"You shall not even go out from the doorway of the tent of meeting, or you will die; for the LORD'S anointing oil is upon you." So they did according to the word of Moses."***

In third year of Abimelech as king he came to destroy Shechem...people saved in a strong tower (safe place) while the LORD fought for them...

Judges 9:51 ***"But there was a strong tower in the center of the city, and all the men and women with all the leaders of the city fled there and shut themselves in; and they went up on the roof of the tower."***

Judges 9:52 ***"So Abimelech came to the tower and fought against it, and approached the entrance of the tower to burn it with fire."***

Judges 9:53 ***"But a certain woman threw an upper millstone on Abimelech's head, crushing his skull."***

Ruth was to stay close to Boaz's servants (Jesus angels?) for safety until the harvest was over...

Ruth 2:7 ***"And she said, 'Please let me glean and gather after the reapers among the sheaves.' Thus she came and has remained from the morning until now; she has been sitting in the house for a little while."***

Ruth 2:21 ***"Then Ruth the Moabitess said, "Furthermore, he said to me, 'You should stay close to my servants until they have finished all my harvest.' "***

Elijah protected in the "doorway" entrance to a cave as the Lord was passing by...

1 Kings 19:11 ***"So He said, "Go forth and stand on the mountain before the LORD." And behold, the LORD was passing by! And a great and strong wind was rending the mountains and breaking in pieces the rocks before the LORD; but the LORD was not in the wind. And after the wind an earthquake, but the LORD was not in the earthquake."***

1 Kings 19:13 ***"When Elijah heard it, he wrapped his face in his mantle and went out and stood in the entrance of the cave. And behold, a voice came to him...?"***

Just before Elijah was taken up to heaven, he blessed Elisha, by dividing the waters and **"crossing over"** to a safe place...

2 Kings 2:8 ***"Elijah took his mantle and folded it together and struck the waters, and they were divided here and there, so that the two of them crossed over on dry ground."***

2 Kings 2:11 ***“As they were going along and talking, behold, {there appeared} a chariot of fire and horses of fire which separated the two of them. And Elijah went up by a whirlwind to heaven.”***

At the Day of the Lord he will call his people up to enter gates into a strong city and to enter their prepared rooms to be safe...

Jesus sent his “disciples” ahead to the other side (a safe place), sent others away, and stayed behind himself...

Matthew 14:22 ***“Immediately He made the disciples get into the boat and go ahead of Him to the other side, while He sent the crowds away.”***

And the same reference in Mark...
