

***Big Pharma* is About to be Sued Out of Existence Because.....**

Posted on February 10, 2022 by State of the Nation

FRAUD VITIATES EVERYTHING

There is now an overwhelming body of hard evidence that categorically proves that the American *Big Pharma* producers of Covid 'vaccines' committed intentional and egregious fraud in the roll-out of their extremely dangerous and deadly injections.

The true scope and magnitude of their fraudulent corporate conduct is only now coming to light; nevertheless, the irrefutable proof of premeditated fraud which has already been accumulated is so incriminating that *Big Pharma* will eventually collapse.

Pfizer, Moderna and Johnson & Johnson are not the only *Big Pharma* companies that have poisoned to death and/or sickened countless American citizens; all the other vaccine manufacturers are also culpable of perpetrating a multi-decade criminal conspiracy. For example, both the mandatory childhood vaccination schedules and voluntary adult flu shot programs have been rife with fraud and malicious intent as the rapidly growing number of serious vaccines injuries and deaths clearly indicates. See: [FLASHBACK: COURT RULES VACCINES CONTRIBUTE TO AND CAUSE SIDS DEATHS](#)

In point of fact, the great number of vaccine-induced injuries and post-vaccination deaths suffered by school children, who have occurred uninterruptedly over many years, is proof positive that *Big Pharma* knowingly committed a murderous fraud as they continue to today.

Let's face it: When even a former BlackRock executive comes out and makes these damning statements, the end is near for the entire *Big Pharma* international crime syndicate.

Conclusion

It's not only *Big Pharma* that is BIG trouble with the American people.

The corporate *Mainstream Media* is also a willful accomplice in this genocidal scheme that is killing trusting citizens across the USA. For they could never have deliberately

killed this many people were those two co-conspirators — *Big Media & Big Pharma* — not thicker than thieves.

If there's any doubt about the sheer depth and breadth of this highly organized and well planned Covid depopulation scheme, the following video will forever erase it.

All of this unprecedented litigation concerning COVID-19 crimes against humanity translates to one very firm and unmistakable conclusion as far as the *Big Pharma* corporate criminals are concerned:

**“FRAUD
VITIATES
EVERYTHING”**

Which means that *Big Pharma* will crash and burn in a day and a night after the U.S. citizenry takes them to court for the massive and calculated fraud that defines their unparalleled Covid crime spree.

Proceedings on Flu/Covid Crimes Against Humanity

Proceedings on Flu/Covid Crimes Against Humanity
Stephen Lendman / stephenlendman

Nothing in world history matches the unparalleled scale of all things related to flu/covid crimes against humanity.

Ongoing for over two years, attorney Reiner Fuellmich, other lawyers, along with medical and scientific experts formed a People's Court of Public Opinion.

Convened in Germany last weekend, grand jury-like legal proceedings are being conducted on what Fuellmich called “the most heinous crimes against humanity committed under the guise of a corona pandemic” — that's invented, not real.

No pandemic exists except among the jabbed — along with a 24/7 pandemic of fake news based on officially approved talking points.

In late January, Fuellmich explained how legal things would proceed, saying the following:

“We’re going to base it on American grand jury proceeding(s).”

“We’re going to present all the evidence that we have now to the jury.”

“The jury, in this case, (is) our viewers. And that is only the first step.”

“We’re using a real judge, a Portuguese judge (and) real lawyers.”

“We have real experts, including Mike Yeadon and Ulrike Kammerer and all the others.”

“We have real witnesses who will explain and tell people about damages that they suffer” from toxic jabs.

“Ultimately, this will hopefully end up with an indictment against the six figure heads, which we picked as future defendants.”

“We know they’re only symbolic, but still: Drosten, Fauci, Tedros, Gates, BlackRock and Pfizer.”

“It is not so much about getting indictments against these people and institutions but rather, what we really have in mind is, to give people the whole story.”

“Not just pictures of the puzzle, but the whole story through a judicial proceeding, which has credibility and authority to enable them to understand that they not only have a right, but a duty to resist.”

“(I)t will be made very clear (that) this is about life and death now.”

The Peoples’ Court of Public Opinion explained the following:

“We, a group of international lawyers and a judge, hereby are conducting criminal investigation modeled after US grand jury proceedings.”

The “investigation serves as a model legal proceeding to present to a jury (consisting of the citizens of the world) all available evidence of (flu/covid) Crimes Against Humanity to date...”

Anti-public health conspirators include “leaders, organizers, instigators and accomplices...”

They “aided, abetted or actively participated in the formulation and execution of a common plan for” mass-extermination of unwanted people and establishment of social control tyranny if things go as planned.

“Crimes to be investigated include all acts performed by a person in pursuance of a common design to commit Crimes Against Humanity, and all such criminal acts condemned in the various communities of jurors around the world.”

“This investigation is of the people, by the people and for the people and shall be referred to as the ‘Peoples’ Court of Public Opinion.”

“Having been unable to find a court to hear the actual evidence in the current system’s courts of law, we are undertaking this proceeding outside of the current system and based on natural law.”

“This, in turn is founded on the firm belief that every person can easily distinguish between good and evil, and between right and wrong.”

“The allegation is that the world’s governments have come under the controlling influence of corrupt and criminal power structures.”

“They colluded to stage a (fake) pandemic that they had been planning for years.”

“To this end, they deliberately created mass panic through false statements of fact and a socially engineered psychological operation whose messages they conveyed through the corporate media.”

“The purpose of this mass panic was to persuade the population to agree to the so-called ‘vaccinations’ which have in the meantime been proven to be neither effective, nor safe, but extremely dangerous, even lethal.”

“The economic, social, and health damage that these Crimes Against Humanity have caused to the world’s population can be measured in quadrillions of dollars.”

Lawyers involved in proceedings are assisted by “highly respected scientists and experts from around the globe and under the auspices of a judge from Portugal...”

They’ll “conduct this grand jury investigation (to) provide the jury (the citizens of the world) with a complete picture of (ongoing) Crimes Against Humanity.”

The ‘Peoples’ Court of Public Opinion’s investigation’s purpose is twofold:”

“On the one hand, it is to serve as a model proceeding and get indictments against some of the criminally and civilly responsible figure heads of these Crimes Against Humanity.”

“And on the other hand it is – through showing a complete picture of what we are facing, including the geopolitical and historical backdrop – to create awareness about the factual collapse of the current, hijacked system and its institutions...”

“(A)s a consequence, (it’s necessary) for the people themselves (to) retak(e) their sovereignty...” “

It’s necessary “to first stop plandemic measures by refusing to comply...”

It’s vital “to jump-start (our) own new system of health care, education, economics and judiciary, so that democracy and the rule of law on the basis of our constitutions will be reestablished.”

There’s a PCR plandemic, not a “corona pandemic.”

What’s going on is “fueled by an elaborate psychological operation designed to create a constant state of panic” worldwide.

“(C)ooked up by super-rich psychopath(s) and sociopath(s), (they’re) driven by” megalomaniacal rage to get unchallenged control over global wealth, resources, and populations worldwide.

They want millions and billions of unwanted people eliminated.

For over two years in cahoots with MSM, they’ve been spreading “panic propaganda 24/7.”

Covid is seasonal flu/influenza renamed.

Ivermectin, hydroxychloroquine, zinc, along with vitamins C and D are known safe and effective protocols for treating and curing flu/covid.

Claims otherwise by establishment sources and their MSM co-conspirators are fabricated to push kill shots and all else flu/covid with destroying health and freedom in mind.

“Our governments are not our governments anymore,” Fuellmich explained.

Their draconian flu/covid agenda showed that they’re mortal enemies of most people worldwide.

Their diabolical plot includes depopulation on an unparalleled scale and establishment of ruler/serf societies worldwide.

The only solution is popular revolution, along with accountability for dark forces involved with the mother of all health and freedom-destroying scams.

The pale horse emerges: Are the vaccines linked to accelerated AIDS-type infections?

The real reason the central banks don't seem to care?

Do the authorities know what's coming and have stopped caring about salvaging the monetary system? Another 40-year high in the CPI is met with a yawn.

I ask these questions:

- Why are HIV drugs effective against COVID infections?
- Why is HIV testing procedures becoming prevalent? Why is the MSM making a concerted push for universal HIV testing?
- Why are so many people testing positive for HIV?
- Evidently the recently discovered forms of HIV are said to be much more aggressive than HIV strains from decades past.
- Why are so many people beginning to die?
- Are the HIV spike proteins themselves, rather than the supposed HIV, that are causing massive drops in immune system integrity?
- Is this why the MSM is pushing the new HIV strain story?

Even if you believe there is no HIV in existence, there are certainly HIV spike proteins available. Perhaps it's just this spike protein that destroys immune cells. Thus, it seems that it has to be injected.

I ask, even if we have not received the poison jabs, could we eventually acquire this bioweapon from those around us? The globalists have even been vaccinating livestock like chickens, too.

Canada and Australia will both provide the CCP with an abundance of natural resources, it's just that their populations would resist handing them over to ChiComm China. If this is the mode of sickening the populations, their populations will probably pose little threat in a few years. The United States and Europe will be effectively gone, and the West will be no more.

If this is true, this is why the U.S. “government” exerted so much effort to get all the military forces “vaccinated.” The military could be defenseless going out to 2025 and beyond. Most will die or be unable to exert any resistance.

The vaccine campaign was wildly successful and billions bought the lie. The authorities can now roll back the restrictions, because the people could begin to die by the hundreds of millions over the next several years. This also explains why Arlington and McLean proffered this vaccine dilemma as a political one. By presenting the stupid people with a partisan argument, especially during an election year with Judas Goat Trump, the jab rate was much higher and more quickly received.

If this is true, this also explains perfectly why the elites are acting the way they are acting. I noticed how the U.S. CPI this morning hit another 40-year high. The powers don't care, because they know a collapse is coming soon. It also explains Deagel 2025. If this is all true, then this is explains everything we have been observing over the past few years.

Please pray for the remnant. This will soon be the time of Jacob's trouble. I cannot believe that these vaccines have an engineered and aggressive form of AIDS. But it makes sense now.

The following is from the December, 2020 issue of *'Entangled Magazine'* confirming that Covid was re-engineered as a “Bioweapon” made in a lab. The perpetrators inserted at four locations in the genome the following: 18 fragments of the HIV1 genome and 4 fragments of the SARS2 genome. The HIV1 insertions have the viral load of 92% of what constitutes as the full blown AIDS genome.

Introduction

The following explanation is provided in answer to the many questions we have received regarding the genomic fragments of retroviral HIV-1 found within the RNA genome of Covid-19. We have found the clearest depiction is an imaginary of a 'line drawn in the sand'.

On the left is the virus, including the retrovirus HIV-1 fragments. While to the right is the RNA-based vaccine developed from the RNA virus and includes the retroviral HIV-1 fragments.

Persons contracting the Covid-19 virus, do undergo an alteration to the DNA of the infected cell(s), the so-called "host DNA" . This is due to the inclusion of retroviral HIV-1 fragments. They do not however contract HIV itself, as the complete genomic sequence of this retrovirus is not present. Retroviruses are a type of virus that use RNA as their genetic material and a special enzyme called reverse transcriptase to translate the virus's genetic information into DNA. That DNA can then integrate into the host (your) cell's DNA. At this point, the retrovirus can replicate itself using your cells resources. It "goes viral". The HIV-1 fragments act in the normal biological manner as the entire HIV virus itself. Further details are provided later.

To the right of our imaginary line is the RNA-based vaccine. It does contain genomic fragments of the retrovirus HIV-1, and a modified RNA genomic sequence of Covid-19.

Likewise, persons inoculated will neither contract HIV, nor Covid-19. However, and this is the major difference between the virus and the vaccine, the latter does permanently alter a person's entire DNA.

The difference lays within the additional component s embedded within the vaccine itself. These are quantum dots, luciferase, hydrogel and nano-materials such as gold and diamond (functioning as biosensors inside the human body). Working in tandem with the Covid-19 virus, and the fragments of the retrovirus HIV-1, all of the "host DNA" is permanently changed. This exceeds the natural biological changes brought about by a "common" retrovirus. As a RNA virus, Covid-19 functions as a vector to transmit the HIV-1 fragments into a cell's cytosol. At this point the roles are reversed with the retroviral HIV-1 fragments now acting as a vector for the delivery of the Covid-19 virus into the cell's nucleus. These fragments of HIV-1 improve the "gain of function" of Covid-19 as a virus, increasing its mobility, without an increase in mortality.

Likewise, this process is detailed later. The grand delusion of 2019-nCoV/COVID-19 and its attendant mainstream narrative proclaiming the virus being of natural origin, has obfuscated verified scientific evidence to the contrary. Specifically, not 4, or 6, but 18 genomic fragments (inserts) of HIV-1 (Human Immunodeficiency Virus) have deliberately and artificially been placed within the overall genome of Covid-19, a single-stranded RNA (Ribonucleic acid) virus. A retrovirus.

Characterization of HIV-1 Near Full-Length Proviral Genome

As a retrovirus, these HIV-1 fragments while not forming the entire genome of the HIV virus itself, is directly relevant to every human. As the scientists and their associates prove with their published papers herein, these fragments serve the designed biological objective known as "gain of function" as presented in the following paper. As will be explained later, the function of the HIV-1 fragments is to promote viral entry into a host cell. Not only entry of HIV-1, but the 2019-nCoV/COVID-19 virus itself. A retrovirus.

Abstract

We are currently witnessing a major epidemic caused by the 2019 novel coronavirus (2019-nCoV). The evolution of 2019-nCoV remains elusive. We found 4 insertions in the

spike glycoprotein (S) which are unique to the 2019-nCoV and are not present in other coronaviruses. Importantly, amino acid residues in all the 4 inserts have identity or similarity to those in the HIV-1 gp120 or HIV-1 Gag. Interestingly, despite the inserts being discontinuous on the primary amino acid sequence, 3D-modelling of the 2019-nCoV suggests that they converge to constitute the receptor binding site. The finding of 4 unique inserts in the 2019-nCoV, all of which have identity / similarity to amino acid residues in key structural proteins of HIV-1 is unlikely to be fortuitous in nature. This work provides yet unknown insights on 2019-nCoV and sheds light on the evolution and pathogenicity of this virus with important implications for diagnosis of this virus.

Multiple sequence alignment between spike proteins of 2019-nCoV and SARS. The sequences of spike proteins of 2019-nCoV (Wuhan-HU-1), Accession NC_045512) and of SARSCoV (GZ02, Accession AY390556) were aligned using MultiAlin software. The sites of difference are highlighted in boxes.

Methodology

Retrieval and alignment of nucleic acid and protein sequences We retrieved all the available coronavirus sequences (n=55) from NCBI viral genome database (<https://www.ncbi.nlm.nih.gov/>) and we used the GISAID (Elbe & Buckland-Merrett,

2017)[<https://www.gisaid.org/>] to retrieve all available full-length sequences (n=28) of 2019-nCoV as on 27 Jan 2020. Multiple sequence alignment of all coronavirus genomes was performed by using MUSCLE software (Edgar, 2004) based on neighbor joining method. Out of 55 coronavirus genome 32 representative genomes of all category were used for phylogenetic tree development using MEGAX software (Kumar et al., 2018).

The closest relative was found to be SARSCoV. The glycoprotein region of SARSCoV and 2019-nCoV were aligned and visualized using Multalin software (Corpet,1988). The identified amino acid and nucleotide sequence were aligned with whole viral genome database using BLASTp and BLASTn. The conservation of the nucleotide and amino acid motifs in 28 clinical variants of 2019-nCoV genome were presented by performing multiple sequence alignment using MEGAX software. The three dimensional structure of 2019-nCoV glycoprotein was generated by using SWISS-MODEL online server (Biasini et al., 2014) and the structure was marked and visualized by using PyMol (DeLano, 2002).

Multiple sequence alignment between spike proteins of 2019-nCoV and SARS.

What stands out here are that this was discovered [noted above] on 27 January 2020. Dr. Luc Montagnier and his colleagues had confirmed the research findings of the Indian team of scientists before the World Health Organization declared Covid-19 a pandemic on March 10th, 2020. Clearly Dr. Montagnier's expertise and being the 2008 Nobel Peace Prize for Medicine were ignored by those in the seats of power at the WHO and all of the American health agencies. There was a conspiracy of fraud engaged in by those perpetrators. As Dr. David L. Martin has indicated, it only takes one conviction of the violations committed and the entire scam is nullified and as I recall Dr. David L. Martin had in his Dr. Fauci dossier, there are at least 8 violations of the U.S. Code.

D. Luc Montagnier died on Tuesday, February 8, 2022. His testimony and evidence will put the nail in the coffin of the Pharmaceutical Industry for many indictable counts of crimes against humanity. Dr. Reiner Fuellmich trial will as Steven Landman further above will likely lead to a Nuremberg II trial, and bankrupt the pharmaceutical industry, especially the four pharmaceutical companies who pushed their toxic poisons on the world. The pharmaceutical industry will lose their indemnification because FRAUD VITIATES EVERYTHING!
