

# Covid-19 Con Job

## Satanic Plan-Demic/Scam-Demic

### Part 1

This past week the CDC quietly updated the COVID number to admit that only **6%** of all the 153,504 deaths recorded actually died from COVID.

That's **9,210** deaths. The public was told COVID was in the millions, the media claimed hundreds of thousands died from the Covid-19; ALL ONE BIG LIE!

The other **94%** had 2-3 other serious illnesses and the overwhelming majority was of very advanced age”

Further from the CDC about Comorbidities:

The CDC Table 3 shows the types of health conditions and contributing causes mentioned in conjunction with deaths involving coronavirus disease 2019 (COVID-19). For **6%** of the deaths, COVID-19 was the only cause mentioned. For deaths with conditions or causes in addition to COVID-19, on average, there were 2.6 additional conditions or causes per death. The number of deaths with each condition or cause is shown for all deaths and by age groups. For data on comorbidities...”

It is very important to document what is posted by the CDC ongoing because tomorrow (or soon), this information may no longer be available. This time may be different though as more journalists are covering the story

Even though this report SHOULD change the game, it likely will not. Continue to expect (but not accept) lockdowns, masks, social distancing, and more nonsense that does not correlate to the actual situation.

Things are going to get much worse here in the days and weeks ahead between Labor Day and November. Chuck Baldwin posted on his site today, September 3<sup>rd</sup>, 2020, the following report, which is pertinent to what we are dealing with.

### CDC Vindicates Dr. Bukacek, Indicts Itself

By Chuck Baldwin September 3, 2020

At the height of the government's coronavirus lies and lockdowns, 30-year veteran physician, Dr. Ann Bukacek, stood at the podium of Liberty Fellowship and exposed the gross exaggeration of corona death certificates that were being encouraged by the CDC

as a way of manipulating public perception regarding the nature and extent of the virus. She used the CDC's own statements to prove her assertions.

For daring to tell the truth about the coronavirus and the CDC's hype and fearmongering over the virus, a tsunami of hate, vitriol and personal and media attacks were hurled at this respected physician (she has been voted Best Family Physician in the county two years running and three times overall) at a level most of us cannot imagine. Even many of her peers in the medical profession attacked her mercilessly—some even threatened to get her license revoked. She didn't flinch. She has more courage than most men you will ever meet.

Well, hold onto your seats. A recent report published by the CDC itself totally vindicates Dr. Bukacek and, at the same time, indicts itself. For the most part, of course, the mainstream media is ignoring the report.

Dr. Annie Bukacek of Kalispell did her best to try warning Montanans that the death rate of COVID-19 was being stretched and contorted by misleading death certificates. In the article, *Montana Doctor Blows the Whistle on the CDC's Manipulated Coronavirus Figures*, the Gazette reported Bukacek's presentation which explained that COVID-19 was being placed on death certificates as the cause of death merely because the deceased had tested positive for the virus and regardless of whether or not it actually caused them to die. Bukacek's assertions were picked up by the national press and joined a loud chorus of medical professionals around the nation who were insisting that the CDC's figures were skewed.

Largely, Bukacek was slandered in the press in outlets like The Daily Beast, BuzzFeed, and even Rolling Stone for being an 'anti-vaxxer' and 'conspiracy theorist' who was 'undermining COVID-19 response in Montana.' BuzzFeed wrote of Dr. Bukacek, "In a widely circulated video posted on social media, Bukacek cast doubt over official COVID-19 death tolls, saying medical professionals were pressured to attribute non-COVID deaths to the virus."

For this, Montana liberals who were prone to believe whatever was told to them by Governor Bullock and state health officials and castigate any opposing view as a "conspiracy theory" launched a petition to oust Dr. Bukacek from the Flathead County Health Board.

The petition to remove her, which has roughly half the signatures than the petition to keep her, reads, "Dr. Annie Bukacek has violated public trust by putting her political and religious views ahead of science in regards to the Covid-19 outbreak."

It turns out, Dr. Bukacek was right all along, and her understanding of science and medicine has been vindicated in the latest report by the Centers for Disease Control and Prevention.

According to the CDC, only 6% of deaths originally reported as caused by Coronavirus were deaths exclusively caused by Coronavirus. As Dr. Bukacek warned Montanans from the beginning, the rest of the deaths attributed to COVID-19 were in cases in which patients tested positive, but who had other underlying health conditions that actually caused their death.

While news outlets all across the country are pointing out that the CDC has provided this data, showing that COVID-19 is the exclusive or primary cause of death in only 6% of the cases (and has been inflated a whopping 1,567%), it should be noted that it doesn't mean per se that COVID-19 didn't have a role to play in the other 94% of deaths. What it does mean is that patients died with or from other ailments that are far more serious.

Essentially, what the CDC has admitted is that those who have died from heart attacks or the flu were claimed to have died from COVID-19 on death certificates and in CDC reporting, whether or not that was the primary cause of their death (or necessarily a cause at all).

If Montana COVID-19 rates are largely similar to those across the United States, this means that approximately six Montanans have died exclusively from COVID-19. Meanwhile, Governor Bullock and many local health boards seem to be unmoved by the latest scientific findings.

Did you get that? The primary cause of death attributed to the coronavirus has been inflated by a whopping 1,567%.

And did you hear this? "Essentially, what the CDC has admitted is that those who have died from heart attacks or the flu were claimed to have died from COVID-19 on death certificates and in CDC reporting, whether or not that was the primary cause of their death (or necessarily a cause at all)." That's EXACTLY what Dr. Bukacek told us back in April.

This local NBC news report states that the CDC is now admitting that only 9,683 people in the U.S. have died exclusively from the coronavirus—NOT the reputed 160,000 plus. The rest of the deaths had other serious underlying diseases that took their lives.

Please let that sink in. The CDC's own report says less than 10,000 people have died exclusively from the coronavirus.

That fact is a blatant admission that the entire CDC/WHO/medical establishment/White House/congressional/news media corona narrative has indeed been grossly exaggerated and manipulated.

Jordan Hall, Publisher of the Montana Daily Gazette, which was quoted above, gave an excellent summary of "The Great Coronavirus Panic Of 2020."

- \* The government response to COVID-19 has done far more damage than the virus itself.
- \* Far fewer have died exclusively from COVID-19 than is regularly reported.
- \* Far more have had COVID-19 than we were led to believe.
- \* The so-called “experts” who insist we listen to them have been wrong on almost everything from the beginning.
- \* We self-sabotaged our economy and stripped ourselves of liberty for what amounts to a paper tiger.
- \* The government now has a far better idea exactly how far they can push citizens before we push back (and it’s further than any of us previously thought). This isn’t merely a strategy; it is a test.
- \* There is clearly a coordinated effort to keep us afraid of this virus and afraid of each other in a way that far surpasses common-sense communicable virus mitigation. The media, technocrats, and at least half of our politicians want you to remain terrified (or should I say, terrorized).
- \* Masks are clearly far less effective at preventing the spread of COVID-19 than social distancing (especially if you are sick), but almost all the PSAs from our Nanny State focus on masks exclusively. I’d suggest this is because without masks there would be no visible reminder in your daily life that you’re supposed to be terrified of something.
- \* In fact, if it weren’t for media propaganda and the hysteria propagated by politicians, I submit to you we would not know there was a ‘pandemic’ at all. That’s right; without their fear mongering, we might have noticed nothing but a nasty respiratory bug going around, but it would not have struck us as a particularly deadly pandemic.

Amen, Jordan!

This means it’s time for the American people to call the bluff and throw away those worthless masks, forget those stupid social distancing mandates and demand that their State and local authorities give the People their country back.

The CDC has lost all credibility. There is now no doubt: The CDC is nothing but a criminal cabal of white-coated pimps working for Big Pharma. Anthony Fauci should go to prison. Bill Gates should go to prison. The medical “experts” who regurgitated and went along with this fraud should find other work, and the politicians and government bureaucrats who helped shut this country down, who helped destroy millions of jobs, who helped ruin the careers of millions of people and who helped take the homes and livelihoods of millions of Americans should be tarred and feathered and put on a slow boat to China. And let’s not forget a president and Congress that stole over 6 trillion dollars from the American taxpayers—two thirds of which went to their big banker buddies at the Federal Reserve.

Not only has the CDC lost credibility, so has the U.S. medical establishment. Doctors HAD to have known that the narrative was false, but they sacrificed their integrity and honesty and played along—they played along for BIG MONEY.

HCA Healthcare is one of the world's wealthiest hospital chains. It earned more than \$7 billion in profits over the past two years. It is worth \$36 billion. It paid its chief executive \$26 million in 2019.

But as the coronavirus swept the country, employees at HCA repeatedly complained that the company was not providing adequate protective gear to nurses, medical technicians and cleaning staff. Last month, HCA executives warned that they would lay off thousands of nurses if they didn't agree to wage freezes and other concessions.

A few weeks earlier, HCA had received about \$1 billion in bailout funds from the federal government, part of an effort to stabilize hospitals during the pandemic.

HCA is among a long list of deep-pocketed health care companies that have received billions of dollars in taxpayer funds but are laying off or cutting the pay of tens of thousands of doctors, nurses and lower-paid workers. Many have continued to pay their top executives millions, although some executives have taken modest pay cuts.

The New York Times analyzed tax and securities filings by 60 of the country's largest hospital chains, which have received a total of more than \$15 billion in emergency funds through the economic stimulus package in the federal CARES Act.

The hospitals — including publicly traded juggernauts like HCA and Tenet Healthcare, elite nonprofits like the Mayo Clinic, and regional chains with thousands of beds and billions in cash — are collectively sitting on tens of billions of dollars of cash reserves that are supposed to help them weather an unanticipated storm. And together, they awarded the five highest-paid officials at each chain about \$874 million in the most recent year for which they have disclosed their finances.

At least 36 of those hospital chains have laid off, furloughed or reduced the pay of employees as they try to save money during the pandemic.

Seven chains that together received more than \$1.5 billion in bailout funds — Trinity Health, Beaumont Health and the Henry Ford Health System in Michigan; SSM Health and Mercy in St. Louis; Fairview Health in Minneapolis; and Prisma Health in South Carolina — have furloughed or laid off more than 30,000 workers, according to company officials and local news reports.

The bailout money, which hospitals received from the Health and Human Services Department without having to apply for it, came with few strings attached.

Of course, this also means that there is absolutely NO REASON to take a corona vaccination. None. Zero. Zilch. **It means Gates and Fauci are international con men who make P.T. Barnum look like a choir boy by comparison.** It means that all of these lockdowns, shutdowns, closings and mandates were total frauds. It means the entire corona narrative is a fraud. It also means there is something much more sinister at work here.

Planting fear, paranoia and hysteria into the hearts and minds of millions of people over a virus that has directly taken the lives of fewer than 10,000 people (doubtless, the true number of low corona deaths globally are similar to those in the U.S.) betrays a massive conspiracy to scare the world into total submission and subjugation. As I have said from the beginning: This is NOT about our health and safety; this is about our control and enslavement.

### **NOW WE HAVE THE EVIDENCE.**

In Germany, more than 500 physicians and scientists came together to challenge the corona narrative saying, “We have a lot of evidence that it’s a fake story all over the world.” Also in Germany, Robert F. Kennedy Jr. recently rallied with a huge crowd of tens of thousands of German people who were rallying against Bill Gates and Big Pharma.

Robert F. Kennedy Jr. spoke to an enormous crowd in Berlin on Saturday, as tens of thousands of Germans joined forces to protest what Kennedy Jr. referred to as Bill Gates’ “bio-security agenda, the rise of the authoritarian surveillance state and the Big Pharma sponsored coup d’état against liberal democracy.”

“The pandemic is a crisis of convenience for the elite who are dictating these policies,” said Kennedy Jr., who praised the huge Berlin crowd for being on the frontline of the fight against global totalitarianism.

From this point forward, anyone who submits to this phony, fraudulent corona narrative is a willing participant in tyranny. Those who continue to go along with this masquerade need to stop waving the flag and stop singing God Bless America, because they are volitionally submitting to their own subjugation. **THEY ARE WILLING SLAVES.**

Everyone who attacked and besmirched Dr. Bukacek for her courageous stand should crawl on their knees and beg for her forgiveness. And those who embraced and promoted the phony corona narrative should publicly renounce this global medical Ponzi scheme and go to work repairing the damage that they have wreaked on our society.

As this scam unravels people will be whiplashed with what is being perpetrated in the days just ahead. It was reported yesterday, September 2<sup>nd</sup>, 2020, that the NIH advised the medical community that the Moderna vaccine will be available for administering to those wanting the vaccine. This vaccine is the preferred vaccine of Dr. Anthony Fauci, yet it is unproven as to its safety or efficaciousness. It is an rDNA or mDNA version of which there has never been a vaccine using the rDNA.

This is not a virus as I have stated before in numerous articles. It is a cover for the rollout of 5G technologies. In previous articles I shared information that validates that

one cannot call it a vaccine unless it met certain criteria, most of all, in order to be called a vaccine, it has to be captured in a petri dish, cultured and reproduced in that petri dish. If you can't achieve this you cannot call it a virus, and likewise, it cannot be patented and create a so-called vaccine to treat it. This is a total hoax, a fraud, and Dr. Fauci could be indicted for pre-mediated murder of thousands, if not hundreds of thousands worldwide. I say "could be" because when it "should be"

The question that you are entitled to ask then what was the cause of those who died of Corona-19? As Pastor Chuck Baldwin pointed out, the World Health Organization, the CDC, and others were ALL in on this global crime against humanity. The WHO, NIH, CDC, NIAD, is totally corrupt and cannot be trusted with the public health. They deliberately misled the public about whether one died with Covid-19 or died of Covid-19. The world elite used the scam-demic as planned was to shape the narrative to wage a war on global weather change.

The report titled below was an hour-long presentation, with statements by WEF founder and head Klaus Schwab, Prince [Antichrist] Charles of Wales, and other so-called spokes-persons on the Great Reset, which was the focus of Davos last year. The Covid-19 was a plan-demic or scam-demic aired on the New Zealand web site "aminutetomidnight".

*"Davos, Gates and the Great Covid Deception – A Shocking Agenda that You Need to Know About!"*

Posted on September 4, 2020 on the web site,

The health organizations such as CDC, WHO, are not official government agencies; they are for-profit, commercial entities, with the primary goal of earning profits for its stockholders. CDC is based in Atlanta, GA, and the WHO is a branch of the United Nations, but headquartered in Geneva, Switzerland.

This report below is definitive proof that Covid-19 is a fraud and posted on a site that has a wide base of readership.

**Bombshell Evidence that COVID RNA Base Pairs  
are Identical to  
Chromosome 8 Human DNA**

There are many physicians and healthcare practitioners who subscribe to this newsletter, so I think many of you may appreciate this video by Canadian naturopath, Amandha Vollmer.

This is what they're using to detect in your body and to make a positive test result, okay?

This is their sequencing, their primary assembly - now, over here, this is Homo sapiens -

that's humans!

Chromosome 8. Primary Assembly Chromosome 8 is this sequence  
CTCCCTTTGTTGTGTTGT - very specific and over here,  
CTGCTCCCTTTGTTGTGTTGT.

What they are doing, is calling our Chromosome 8 Primary Assembly as the 'coronavirus'.

We are the virus. Your own DNA - like I've been saying, like I've been teaching, here's the evidence that what they are pulling out of your body and calling a disease - is your own DNA.

This should really help you, okay to understand the scam at hand, here and if you can't see this, if you go, 'Oh, blah blah blah!' Go away. Go take the vaccine in a month or two.

Leave! Please. Because you're too dumb to exist. Really. Alright? Go back to the soil. Start over.

But for those of us with a thinking brain. This should help you understand the Big Scamola...

So, Gardasil syndrome - you can read about it more. This is basically poison. This is not *protecting you from anything. There's no HPV. Your body makes these things in response to injury. Your body makes these things with your own DNA inside of it or RNA, to send to an area that has damage.*"

If your cervix has been damaged, either by sex, either by inflammation, either by some sort of imbalance in the tissues; acidity in the tissues, chronic inflammation, what happens is, your cells, your pleomorphic cells change shape to go and take the information to repair those cells to the area and that's your own DNA.

It's your own DNA. They're tool boxes of repair. And of course, once the job is done, it will shed or it will just be present or be reabsorbed, if it doesn't need to shed.

But if you want to go and do a scraping, what are you going to find, there? You're going to find these particles of your own DNA in the area, that's trying to repair it.

And these dumb mofos, who can't think, who call themselves 'doctors', who call themselves 'intelligent', they are so confused. They're in such a cult. They're so brainwashed. They're so dumbed-down.

They can't see what's right before them - and what's right before them is the evidence, the effect of a healing.

They think every symptom is a disease. They think they suppress it and they kill it.

They can't get their head around it, because they've been brainwashed by these clowns; by the WHO and all their cronies, okay? So this is important for you to understand, okay?

It's important that you realize that this is evidence of what I'm talking about and have been talking about for years; that the material we are finding, that we or they are calling 'viruses' is nothing more than your own DNA.

And why do you think they're getting such false positives out of this crappy test? Because, you all have this in your body and at any given point in time, your body is going to repair this piece of information, especially if you have inflammation; especially if you're having exudate of the lungs; you're having a clear-out or a detox of the lungs, which is what a cold and flu is: it's a detox.

It's getting rid of waste. If you detox your body ahead of time, you don't get sick, you don't get these things. It's not contagious. You don't catch anything. You don't get anything. You get triggered into detoxes, that's all it is.

And so, when you're detoxing and they find these particles that have come to the area to repair your cells, they make a cartoon of it and they tell you it's floating through the air and it's going to kill you.

You're being punked. You're being lied to. This is a hoax. This is a Trojan Horse for a Socialist takeover, okay?

I don't know how much more clearly I can explain it to you than this.

This article is being kept brief for the reader to grasp and understand. It is the first of a series that confirms everything that I have said in my articles on 5G is true and right on the target. 5G technologies were initially used as a military weapons program to kill by radiation of the targeted group.

## **Do Not Take a Vaccine or Submit to a Fake Test to Determine Whether One Has a Virus!**
