

## **CDC Document Bombshell Reveals List of All Vaccine Excipients, including “African Green Monkey Kidney Cells” and Fibroblast Cells from Aborted Human Fetuses ... see the complete list**

Almost no one has any real idea what's found in vaccines. When they allow themselves to be injected with vaccines, they're oblivious to the fact that they are being injected with **aborted human fetus cell lines** or African Green Monkey kidney pus cells harvested from infected, disease primates. (See proof from the CDC, below.)

Yet, astonishingly, the CDC openly admits to all this (and more). In a PDF posted on the CDC website entitled “[Vaccine Excipient & Media Summary](#),” the CDC lists all the excipients currently used in vaccines being injected into adults and children across the United States. The CDC's list, current as of January 6, 2017, was “extracted from manufacturers' package inserts,” according to the CDC.

The complete list is found in [this CDC document \(PDF\)](#). In case the CDC removes it — because they've been known to suddenly “[memory hole](#)” documents they don't want the public to see — we've also [posted a copy at the Natural News servers \(PDF\)](#).

The WI-38 cell line is widely known to be “derived from lung tissue of an aborted white (Caucasian) female fetus,” as even the pro-vaccine Wikipedia website admits. As the Cornell Institute for Medical Research explains about the MRC-5 cell line / WI-38:

*The MRC-5 cell line was developed in September 1966 from lung tissue taken from a 14 week fetus aborted for psychiatric reason from a 27 year old physically healthy woman. The cell morphology is fibroblast-like. The karyotype is 46,XY; normal diploid male. Cumulative population doublings to senescence is 42-48. G6PD isoenzyme is type B.*

The human fetal tissue cells have become such an issue of outrage that even the Vatican has issued a statement concerning their use, in which they address, “vaccines containing live viruses which have been prepared from human cell lines of fetal origin, using tissues from aborted human fetuses as a source of such cells.” You can find [the Vatican's response at this link](#), in which they discuss the moral and ethical issues of “The principle of licit cooperation in evil.”

Below, you'll find the complete list published by the CDC, de-duplicated and sorted alphabetically. Notice that these ingredients include toxic metals (aluminum salts), bizarre animal cells from humans, monkeys, cows, pigs and chickens, ingredients derived from GMOs, the radioactive element barium, artificial coloring chemicals, excitotoxins such as glutamate, chemical cleansing agents (Triton X-100), dangerous

bacterial strains (E.coli), toxic chemicals such as glutaraldehyde, thimerosal (mercury) and much more.

No one can refute any of this because **it's admitted by the CDC itself.**

More analysis of the toxicity of these ingredients will be published at [Vaccines.news](http://Vaccines.news) and [Natural News](http://Natural News).

Here's what happens to some children when they're injected with these toxins:

Half of school age children today experience the side-effects of vaccines that are causing suffering, pain, and expense to the parents of those injured by vaccines.

The vaccine protocols are legal crimes against our future generation. A colleague of mine that I worked with at Xerox in Rochester, NY back years ago was an avid hobbyist in the home aquarium of exotic fish. He had six huge fish tanks and was constantly attending to his fish. It reminded me of a remark that a woman doctor said in a recent YouTube. She raised the point that when the fish get sick, do you give them medicine or do you change their water? My friend was constantly attentively focused on keeping the water in his fish tanks free of pollutants. He had a small fortune invested in his avocation.

Dr. Thomas Cowan has been saying all along that the Corona virus is being caused by 5G EMF radiation sickness. He advocates that the “Germ” theory is wrong and that it is the “Terrain” theory which medical science is overlooking and ignoring. I have written many articles on this very point. 5G EMF is a weapons system being peddled as a communications system. In my research, the unknown factor is “Mycoplasma”. I will be sharing much more on this little known pathogen that attacks the human body and is able to kill a person. The medical community lack of knowledge of “Mycoplasma” has led to many diagnoses have led to new names for identity purposes, yet illnesses that all have a common cause. Such is the case with the Wuhan or China virus. Although some will say that it is the virus of fear, it is much more than that!

Folks this is ludicrous criminal insanity. We are a crucial point in the history of the world and most people are taking this Covid-19 vaccine as a nothing burger. The evidence is all over the world that the Covid-19 is a man-made virus. Because of wealth this Joker below is being allowed to virtually dictate an agenda that will result in mandatory vaccination against something that is no worse than a common cold, all be it for individuals that fall into unrelated health problems.

Please discern Bill Gates' condescending smile and superiority steeping of the fingers. Here is a man who has disdain for the Human Race. Just my observation. Not only is Bill better than the human race; Bill has plans for the human race; Bills' plans include a completely untested for proof of concept "vaccination" and depopulation. **Folks even thinking of taking Bills' insane honestly untested mRNA progeny poison into your or your loved ones bodies should be UNTHINKABLE.**

***“COVID-19 is a fatal disease only in exceptional cases, but in most cases it is a predominantly harmless viral infection, ... In quite a few cases, we have also found that the current corona infection has nothing whatsoever to do with the fatal outcome because other causes of death are present, for example, a brain hemorrhage or a heart attack [...] [COVID-19 is] not particularly dangerous viral disease [...] All speculation about individual deaths that have not been expertly examined only fuel anxiety.”*** **-(Dr. Klaus Püschel Institute of Forensic Medicine at the University Medical Center Hamburg-Eppendorf, Germany)**

- **The Agent or Agents causing COVID-19 is UNKNOWN but to a very few!**
- For the SARS-CoV-2 virus we don't have a gold standard test
- Hundreds of viruses and Retro Viruses are not tested for
- Only virus isolation can be the gold standard.
- There is no set of reasonable symptoms for COVID-19. Each week a few more symptoms are added. If you look at the death certificates Cancer, Heart Attacks and Trauma are symptoms.
- How to measure any viral load is UNKNOWN
- PCR is a manufacturing technique
- The creator of the PCR Doctor Mullis says it is not for testing
- Does the PCR measure SARS-CoV-2 RNA is UNKNOWN
- Why did the WHO change their virus detecting algorithm to detect ANY virus in April of 2019
- PCR cannot determine where the RNA particles being tested came from

Folks this "testing" Fraud is just another in the endless lineup of FRAUDS in our Plandemic. Why must we test, test, test with a "test" that shows nothing? To FORCE the next step, inject, inject, inject with an injection well and honestly tested to eventually harm you.

### **What is being DONE to us:**

- This Plandemic is to be Implemented over Several Years:
- The COVID-19 is but the First of the Bio Weapons to be Seeded on Humanity;
- 5G is responsible for many of our health problems being blamed on COVID-19:
- Financial Assets in America Have been and are Being Looted: Many tens of trillions are GONE. These are assets that will eventually be subtracted from YOUR balance sheets.
- US Dollar is to be Replaced as the Reserve Currency: This will put a tremendous Financial Squeeze on America.
- All Global Money is to Be Digital: No paper money; your account can be turned off at any time for any reason in the Cloud. Your desperate emails, there will be NO phone interface, will go unanswered.
- Your Account Number and an Interface to the Cloud will be Placed in YOUR BODY: Beast anyone?
- What is to be Injected into You is to be ultimately NOT a "vaccine"; it includes non-medical technology: Please do not call it a "vaccine"; call it an **Injection**.  
**This is how we FIGHT it.**
  - IMO do NOT let ANYONE "test", "track" or "inject" YOU with ANYTHING; Including a "flu shot". None of this is being done for YOUR or HUMANITIES benefit. It is Enslavement pure and simple.

Folks we Wake the Flock up or DIE. Right Now way too many of us are looking forward to "the vaccine". Please disabuse them.

Please share this and a series of future articles that will add to the exposure of the Truth! Truth is always ridiculed and attacked, until the obvious becomes undeniable!

Blessings,
