Rochelle Walensky's Custody Database Highly Incriminating For Intentional Genocide

---

## **"Mass Murder on a Massive Scale" via the Vax Perpetrated by the CDC**

---

The Custody Database of CDC Director Rochelle Walensky proves she is guilty of mass murder

### INTERVIEW HIGHLIGHTS:

- Walensky's Official Custody CDC Database confirms that she was well aware of the countless of disabilities and injuries suffered by millions of Americans — at an industrial scale — after they received their COVID-19 'vaccines'
- Walensky knew that there were 700,000 Doctor Visits according to her own governmental database
- Walensky knew that there were 6.4 million Health Impacts according to her own governmental database
- Walensky knew that there were over 2,000,000 Serious Adverse Events / Serious Side Effects according to her own governmental database
- Walensky knew that, post Covid vaccination and boosters, vaccine-induced injuries of Americans occurred on a massive scale
- Walensky knew that millions of American workers were so severely injured to the point of not being able to work
- Walensky knew that all of these injuries and disabilities were sustained subsequent to receiving CV-19 'vaccines'
- Walensky continued to refer to the Covid 'vaccines' as **"safe and effective"** even though mass murder was taking place across America because of her explicit approval of the extremely dangerous and deadly Covid 'vaccines'
