

Covid19-Triggered AIDS + Vaccine-Induced VAIDS = Forever *Plandemic*

Posted on December 16, 2021 by State of the Nation

How the COVID-19 bioweapon was covertly launched to start the 2020 AIDS pandemic...

...and the weaponized Covid vaccines are administered to stealthily and slowly perpetuate a global VAIDS *Plandemic*.

It's entirely true that World War III has taken the form of an apocalyptic global bio-war being waged against the world community of sovereign nations.

As in all modern wars, this bio-war on all of humanity began with a series of acts of terrorism—BIOTERRORISM. The COVID-19 bio-weapon was specifically bio-engineered so it could be launched as an elusive yet fake 'coronavirus', which it is not since SARS-CoV-2 has never been scientifically proven to exist.

However, that does not mean a highly lethal COVID-19 bio-weapon containing a deadly synthetic AI-controlled parasite with a programmed mutational rate that will periodically create new Covid variants has not been disseminated throughout the entire planetary civilization. (This is why the powerful anti-parasitical drug Ivermectin is so effective in treating Covid patients around the world)

KEY POINT: Although the Covid Multi-Infection Syndrome is not caused by the fictitiously named coronavirus, SARS-CoV-2, many armchair investigators and *Alt Media* journalists wrongly insisted that no such COVID-19 bio-weapon exists. These folks are often speaking from a position of willful ignorance. In point of fact, SOTN has published numerous scientific research papers, physician videos, personal testimonies, articles by qualified healthcare practitioners and other high-integrity posts categorically proving the existence of this new type of bio-warfare. In other words, it's not just the weaponized Covid vaccines doing its damage across the planet 24/7, it's also a meticulously bio-engineered COVID-19 bio-weapon that continues to be released via multiple vectors of dissemination.

It's also quite likely that the COVID-19 bio-weapon consists of other pathogenic micro-organisms such as respiratory system-attacking bacteria, especially those that cause pneumonia.

Of course, HIV-like spike proteins, pernicious mycoplasma, and other infectious microbials have also been found in Covid patients, depending on where and how they were bio-attacked via the various COVID-19 bioweapon releases from Wuhan to Milan to Tehran.

It is because of those bio-engineered [HIV-like spike proteins](#) that a low-grade version of AIDS is now appearing the world over. Many physicians, scientists and medical researchers now refer to it as long COVID (aka long-haul COVID, post-acute COVID-19, long-term effects of COVID or chronic COVID), but the stark reality is that we are now witnessing a pandemic of "Covid-triggered AIDS" around the globe.

VAIDS

As if to add insult to injury, the NWO criminal conspirators were determined to greatly exacerbate this genocidal pandemic via the rapid roll-out of the Covid *Super Vaccination Agenda*.

There are now volumes of hard scientific evidence which prove that all of the weaponized Covid injections were purposefully formulated to create yet another pandemic—vaccine-induced VAIDS[1]. As follows:

Vaccine Acquired Immune Deficiency Syndrome: Be Prepared!

Not only do each of the different Covid 'vaccines' produce immediate person-specific symptom sets that reflect a swiftly weakening immune system, they also take advantage of an individual's existing physical vulnerabilities. In other words, those with more medical ailments and/or health conditions will be further compromised by the Covid jabs.

Similarly, those with manifesting or latent circulatory system diseases will be killed much quicker by these deliberately designed clotshots. Particularly when there are multiple comorbidities present, if patients do not succumb to the various VAERS-reported causes of death, they will likely live the rest of their lives with VAIDS. (See latest VAERS data below.)

The State of the Nation web site has recently posted a series of articles confirming what I have been reporting for nearly 2 years. The most recent article I posted was November Sat, 11/27/2021 [Covid-19 Is A Retrovirus](#) and it was an Indian group of scientists that confirmed the common cold virus had been re-engineered into a Retro-Virus by insertion of 18 fragments of the HIV1 genome and 4 fragments of the SARS2 genome (containing 92% of the viral payload of the HIV1. We know with certainty that it was Teflon Tony Fauci that pressured the Indian team of scientists to remove their paper on their findings as early as March of 2020. Like most researchers know, it takes money to do research and when the bagman at the NIH and NIAID is Teflon Tony, they know well how he runs his empire. Read Robert Kennedy's new book and you will find that it has been Teflon Tony Fauci all this time behind the hoaxed Covid-19. Dr. Fauci's crimes go back 50 years when he learned how to game the research of creating new diseases and viral pathogens, which in turn created billions of dollars in the vaccine business for his buddies in the pharmaceutical industry. 300,000 died from Dr. Tony Fauci's AZT back in the 1980s and 90s.

Dr. Tony Fauci writes the checks from the taxpaying public, controls the discussion point, determines what vaccine gets promoted and what gets terminated when it conflicts with his profit making therapies that earns him a piece of the patent royalties and commissions in which he has a personal stake. He promotes his authority through press conferences and without thorough testing and determination of efficacy or safety!

All charts and tables below reflect the data release on 12/10/2021 from the VAERS website, which includes U.S. and foreign data, and is updated through: 12/3/2021

High-Level Summary	COVID19 vaccines (Dec'2020 – present)	All other vaccines 1990-present	US Data Only COVID19 vaccines (Dec'2020 – present)	US Data Only All other vaccines 1990-present
Number of Adverse Reactions	946,463	862,130	681,962	750,974
Number of Life-Threatening Events	22,421	14,230	10,490	9,868
Number of Hospitalizations	102,857	82,316	43,208	38,654
Number of Deaths	19,886*	9,388*	9,136	5,212
# of Permanent Disabilities after vaccination	32,644	20,536	10,645	12,735

# of Emergency Room/Department Visits	104,156	212,027	84,986	202,599
# of Birth Defects after vaccination	706	183	404	99

*Note that the total number of deaths associated with the COVID-19 vaccines is more than double the number of deaths associated with all other vaccines combined since the year 1990.

*The preceding Covid vaccine injury and death data represents only 1% to 10% of the total number of actual injuries and deaths. The vast majority of adverse events go unreported by the victim, unrecognized or not acknowledged by the doctor, as well as intentionally covered up by the physician group or healthcare institution.

In addition to depopulating the planet IN BROAD DAYLIGHT, the Covid Super Vaccination Agenda has the explicit purpose of inflicting some form of VAIDS on every resident of Earth. For even those folks who refuse to take any vaccines will be susceptible to the shedding of spike proteins by the vaccinated. The unvaxxed's resistance to those disease agents will be a function of their overall health status and age, lifestyle and diet, exercise and sleep patterns, inherited genetic blueprint and blood type, among other determining factors such as stress levels (especially their predominant maladaptive reaction and/or healthy response to stressors).

KEY POINT: If a double or triple vaccinated individual had cancer in the past, they will probably experience a relapse of that specific cancer. Likewise, if there's a strong genetic predisposition toward a chronic degenerative disease, it may manifest soon after the vaccination(s). The more anyone is vaxxed with the initial injections and subsequent boosters, the more they can develop any of the assorted autoimmune disorders, diseases and dysfunctions which will eventually evolve into a full-blown VAIDS profile.

In this way, it was calculated by the Plandemic perpetrators that people everywhere will be so diseased or debilitated, infirm or incapacitated, that they will be very easily controlled by the New World Order globalist cabal. And, those who are not easily controlled and manipulated will be so preoccupied — as never before — with caring for family, friends and other acquaintances that they will be in no position to pose a realistic threat to the emerging NWO power structure.

COVID-1984 & GREAT RESET

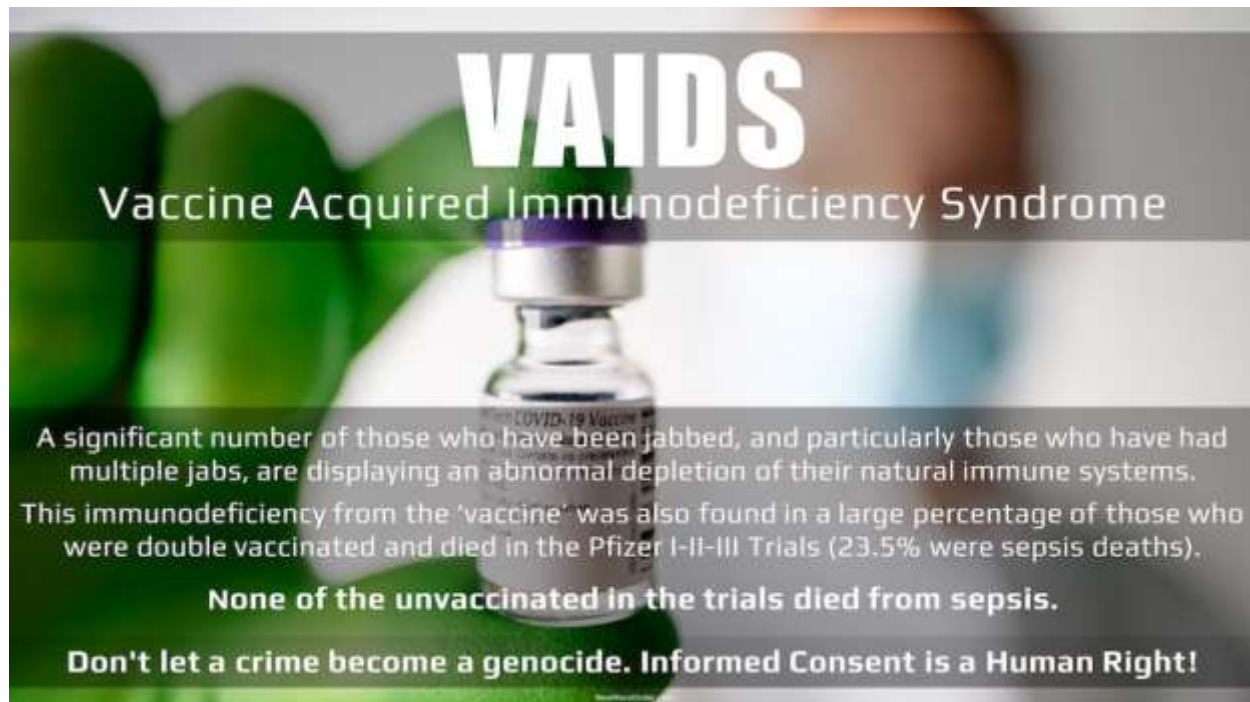

The ultimate goal of imposing a global COVID-1984 tyranny, distinguished by the full-spectrum dominance of the Earth realm and sustained by a One World Government, is made quite easy the longer this bio-war is prosecuted. For the more chaos, confusion and conflict that pervades societies and countries everywhere, the more smoothly the NWO perps can carry out their Ordo ab Chao implementation plan also known as the GREAT RESET.

Isn't this why the Covid criminal conspiracy enjoys the full cooperation of every globalist-run government and corporation, healthcare system and research institution, university and college, foundation and NGO, think tank and brain trust, as well as secret and not-so-secret society?

BOTTOM LINE: In view of the various stages of intensifying Covid bio-warfare graphically executed during 2021, it's now clear that the NWO cabal will continue this worldwide bioterrorist operation until the GREAT RESET has been successfully completed. The perpetrators have already crossed so many red lines, in nations both large and small, that there's no walking this back. Not only will all the front-men like Fauci and pitchmen like Gates and bagmen like Soros be on the docket for Nuremberg 2.0, their once hidden handlers and paymasters have all been outed—FOREVER. Hence, they are all compelled — by sheer self-preservation — to keep their

pedal to the metal for the foreseeable future. They probably see this as a decade-long Covid scheme so that AIDS and VAIDS will have maximum disabling effect worldwide.

VAIDS PANDEMIC: The Real Pandemic Caused by the Bioweaponized Covid Vaccines

SOTN Editor's Note: The following exposé imparts crucial Covid vaccine information/data that's of paramount importance for every person on the planet to comprehend. Everyone needs to correctly understand the true depth and breadth of the highly complex international criminal conspiracy to create a global VAIDS pandemic. Please send out and post this vital **VAIDS** info everywhere—thank you!

VAIDS: Vaccine Acquired Immunodeficiency Syndrome

Sometimes, a situation calls for the creation of a brand new term, in order to describe the unique and monumental scale of its effect upon people and society. This is just such an occasion, and so I have coined the word ‘**VAIDS**’ to describe what we are currently witnessing in those who have been injected with various experimental concoctions under the guise of a COVID-19 ‘emergency’.

If what you see happening around you concerns you as much as it concerns me, get to know this new term and discuss it with others far and wide. Thank you.

“In this wave... we’re seeing vaccinated individuals... in a serious condition, and we’re seeing death as well. An increase that we have seen over the past few days very significantly.”

Israeli Government Statement

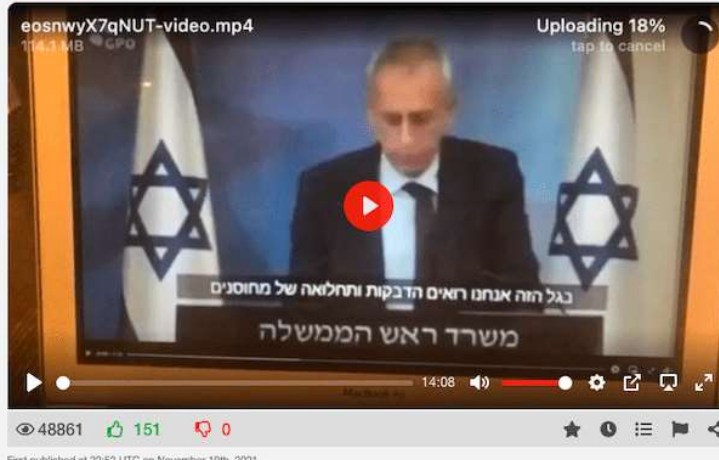

“The almost vast majority of the deceased are vaccinated people, that seemingly have gone though ‘immuno-erosion’. 83 dead in the past month.”

Due to the fact that Israel is the most vaccinated nation on earth, and that its scientists have probably undertaken more independent studies on the effects of the vaccine than any other country to date, the following mainstream news report illustrates a number of very important concerns, which the public around the world urgently need to fully comprehend.

1. Israeli Government Concerned about this New Wave of Severe Sickness and Death in the Fully Vaccinated

The most recent wave of hospitalizations, serious illnesses and death directly relates to fully vaccinated people, and is causing significant concern at the government level.

2. The Serious Reality of 'Vaccine Acquired Immunodeficiency Syndrome' is Becoming Apparent

The central reason for this vaccine sickness appears to be what is now often being referred to as 'immuno-erosion'. This gradual destruction of the human immune system by vaccines (which I am now labelling as 'VAIDS' or Vaccine Acquired Immunodeficiency Syndrome) has been discussed in detail over the last 2 years by experts such as Dr. Robert Malone, Dr. Sucharit Bhakdi and many others, and subsequently broadcast to the people via thousands of 'conspiracy realists' and 'independent journalists' alike.

The establishment has systematically censored all such attempts to warn the public of the extreme risks of species wide 'immuno-deficiency', in relation to any broad-spectrum vaccination agenda. Once again, it seems that the 'conspiracy realists' were 18 months ahead of the medical industry, the mainstream media, and the State.

3. Efficacy of Vaccines Continuing to Plummet and now at 40% in the Only Fully Vaxxed Nation on Earth

According to Israeli data, the efficacy of the vaccine has fallen to 40%, in contrast to higher efficacy rates promoted in the UK and US. As Israel has become known for being ahead of the game in regards to studying the effects of the vaccine, and because those studies are based on the highest vaccinated population on the planet, this very low – and persistently falling – efficacy rate, should be regarded as the definitive reality, which other nations would also see if their populations were to be vaccinated to the same degree.

4. States Are Promoting Freedom to the Fully Vaxxed (Vaccine Passports), Whereas the Fully Vaxxed are Now Shown to be the Most Severely Sick, and the Fastest Dying Category

Last, but certainly not least, we are told by a couple who were both vaccinated, that as far as the State was concerned, they were not subject to any restrictions on travel or movement, simply because they had been fully vaccinated, and yet both of them contracted COVID, and freely transmitted it throughout the general populace.

Of course, this makes a total mockery of the idea of vaccine mandates, and especially vaccine passports. Let's follow the science. The data from Israel is clearly showing that not only does the vaccine have a very low and diminishing effect on contracting COVID, but it also has no apparent effect on transmitting COVID, and most importantly, it has an apparently severe and escalating tendency to result in hospitalization, sickness and death, with those results increasing with each consecutive jab!

The following transcript was taken from a subtitled news report, broadcast in the last week by Keshet 12 News – Israel's most watched commercial TV channel.

Transcribed from the following video published on 19.11.21:

[PRESS SECRETARY FOR ISRAELI PM: VACCINATED PEOPLE NOW DYING, AND GOING TO HOSPITAL VERY SICK](#)

Press Secretary for Israeli PM: In this wave we're seeing infection and illness in vaccinated individuals. **We're seeing vaccinated individuals that are sick** and arrive in hospitals **in a serious condition**, and **we're seeing death** as well. The increase in the number of seriously ill who have been vaccinated is an increase that we have seen over the past few days very significantly.

News Presenter 1: **The almost vast majority of the deceased are vaccinated people**, that seemingly have gone through 'immuno-erosion'. 83 dead in the past month.

News Presenter 2: At the same time, in addition to this number that we see on the screen, there are 15 sick that are in serious condition.

News Presenter 3: **Let's admit the truth**, at the moment we don't really know, because as **Bennet himself said [Naftali Bennett, Prime Minister of Israel]** in his opening statement "We don't have anyone to learn from, **we're the only country that is vaccinated to such an extent.**" In the entire world, this is a completely novel challenge, and therefore we must gather just a bit more data, and then decide.

Hospital Patient: I today don't see a difference. Really, I don't see a difference between... **if I, as someone that has been vaccinated with two doses, got sick so, so badly.** So what does it matter if you take the vaccines or not?

Hospital Doctor: Certainly, it is starting to bother us.

News Presenter 4: Meanwhile, we are becoming aware of the fact that the Director General of the Sheba Hospital, Professor Yitzhak Kreiss he was, you recall, **the third person to get vaccinated (in Israel), after the Prime Minister and Minister of Health – he has also become sick with COVID despite being vaccinated.** Do you have a clear position, Professor, regarding what they call the "boost" [booster jab]? That is an additional dose, which we must say, is still not to be found in Pfizer's protocols.

Guest Professor: **We must say, decisively even, that there isn't any medical basis, as of today, for massive and bulk vaccination of the population with a third vaccine, with a booster.** We really are not at the point in time that we need to vaccinate the bulk of the population with a third dose.

News Presenter 4: Yes. Yesterday, around eight in the evening, the Health Ministry published data, seemingly about a decline in the efficacy of the vaccine, and that's at the very least, a bit strange.

News Presenter 2: Yes, it's a bit strange, in general the Health Ministry isn't exceptional in [well known for] sharing information, isn't exceptional in [well known for] sharing data with the public, and that's a matter that...

News Presenter 5: By the way, what about the transparency of the "Corona Cabinet"? All of the Ministers of the Cabinet promised us, they fought for it during the previous administration, "Yes, we'll publish the protocols", okay, so on with it!

News Presenter 2: 30 years (of confidentiality), what's the big deal? So where do we see it happening? We're in favor of the protocols being published, and we're especially in favor of much more data from the Health Ministry.

New Presenter 4: **But they came out against this secrecy, now they (the new government) are there and they're continuing with the secrecy!**

News Presenter 5: [jokingly] If the coronavirus finds out what we're going to do, it will know, if the virus doesn't know...

News Presenter 2: There is a very problematic conduct in the data of the Health Ministry. This week, in response to our request, they gave us the breakdown of the seriously ill into vaccinated and non-vaccinated [resulting in this news report]. They've promised us that starting next week, it will be published on a regular basis. I'm waiting to see. Yes, **there is a very significant discrepancy between the data of the studies done in Israel on the efficacy of the vaccine versus those published in Britain and in the United States**, especially pertaining to infection, because according to the study that was conducted here in Israel, **the efficacy against infection fell to 40%**, the efficacy of the vaccine. And really, many questions arise how we've arrived at such a low number [efficacy rate]. Even though, like Arad said...

Presenter 6: **Most of the patients right now, are vaccinated**, obviously.
Video Report Clip

Interviewee: And the funniest thing is that we ask them [the doctors]. Okay I got infected, but before she did the test [referring to partner with young baby]. I got infected, you informed me that I'm sick with COVID. What happens with her? **So they ask me on the phone: "Did she get vaccinated?"** I told her [the doctor], **yes, we both got vaccinated.** [Doctor replies:] **"No problem, she doesn't need to quarantine, she can travel freely."** Okay, so she was going around freely, and now a few days later **we did a test again and she's positive. What happened during that time that she was going around outside?**

VAIDS

Vaccine Acquired Immunodeficiency Syndrome

Get to know this term and discuss it with others.

It took years for the reality of the AIDS risk and death toll to be admitted and reported on the news. History appears to be repeating itself but only on a much grander scale.

Don't let a crime become a genocide.

Make the **VAIDS Pandemic** the main news story, before it's too late!

Here, courtesy of Professor John Ioannidis of Stanford University, are the fatality ratios and survival rates by age group of Covid-19 infection, acknowledged at this time of writing to be more dangerous than the variants:

Age	Median IFR (%)	Survival Rate estimate (%)
0-19	0.0027	99.9973
20-29	0.014	99.9860
30-39	0.031	99.9690
40-49	0.082	99.9180
50-59	0.27	99.7300
60-69	0.59	99.4100
70+	5.5	94.5000

The only people at risk of dying from the most dangerous version of Covid to date are 70+ in years with comorbidities, and the survival rate of the only vulnerable group is 94.5%. Moreover, most of those who actually died from Covid did so because treatment with known cures, such as HCQ and Ivermectin, were prohibited by “Covid protocol” issued by Fauci and enforced by hospitals that made money by reporting deaths as Covid deaths whether they were or not. It is a fact that people who died from gun shots and motorcycle accidents were reported as “Covid deaths.”

How many 70+ students does Cornell University have?

The vast majority of people who allegedly “died from Covid” actually died because their existing illnesses presented a weak immune system to the Covid virus. This group is concentrated among the elderly simply because some of the elderly, after a lifetime of bad living habits, have accumulated health problems that make them vulnerable. The seasonal flu took out the same people, and we did not have universities closed, lockdowns, vaccine mandates, mask mandates, concentration camps, imprisonment of the non-vaccinated, etc. Never before did a “health crisis,” much less a totally orchestrated one without any factual or scientific basis, result in the destruction of civil liberty.

Fauci is a rich man due to his Big Pharma relationships and co-ownership of patents . . . Teflon Tony has a Template for his success. During his battle with the FDA to win approval for AZT, Fauci pioneered the strategies upon which he would build his career and then showcase them for the world during the Covid epidemic. These include:

- Pumping up pandemic fears to lay the groundwork for larger budgets and greater power,
- Incriminating an elusive pathogen,
- Fanning hysteria by exaggerating disease transmissibility,
- Periodically stoking waning fear levels by warning of mutant super-strains and future surges,
- Suggesting substantial changes in how people live, ostensibly to save their lives,
- Keeping the public and politicians engaged through confusing and contradictory pronouncements,
- Using false PCR and antibody tests and manipulating epidemiology to inflate non-verifiable case and death numbers, to maximize the perception of an imminent calamity,
- Ignoring and dismissing effective off-the-shelf therapeutic remedies,
- Directing energy and money toward profitable new patented drugs and vaccines,
- Championing dangerous and ineffective drugs originating in government laboratories as the only solution to end the pandemic,
- Funding and orchestrating confirmation based-biased research to validate his chosen remedy,
- Partnering with large pharmaceutical companies and giving his partners advantages in the race for approval,
- Allowing preferred companies to skip key testing metrics,
- Curtailing clinical trials to conceal severe safety and efficacy problems,
- Sabotaging, discrediting, and sweeping under aside more effective therapies, antiretrovirals, off-the-shelf therapies, and non-patentable medicines that might compete with his new patented antiretrovirals, and vaccines,
- Subjecting competitive products to efficacy and safety studies that are designed to fail,
- Allowing thousands of sick patients to suffer and die by denying them access to demonstrably effective competitive remedies, by publicly protesting the existing remedies were not subject to “randomized placebo testing,”
- Controlling the key “independent” committees {DSMB, VRBPAC, ACIP) that approve and mandate new drugs by populating them with his own hand-picked PIs,
- Presenting these agencies as “independent” and trustworthy experts,
- Using the Emergency Use Authorization to fast-track the concoctions through a rigged approval process to market,
- Using official government propaganda to market his concoctions,
- Employing “Science by Press Release” to control narratives,
- Making exaggerated claims for the efficacy of his products,
- Using pervious and ineffective post-marketing surveillance systems to conceal mass injuries and deaths from the public,
- Papering over all these testing deficiencies by crafting and promoting enduring narratives about the benefits, safety, and efficacy,
- Citing “leading experts” to promote hypotheses that are practically never scientifically verified with peer-reviewed studies or appropriate controls,

- Allowing pharmaceutical companies to charge Medicare, government programs, and insurance companies inflated prices no relationship to cost,
- Ensuring research funding is restricted projects supporting the dogma, excluding research into alternative hypotheses,
- Preventing debate and censoring dissenting voices in popular media, social media, and scientific publications, and,
- Promising ultimate salvation with vaccines.

Teflon Tony Fauci has a vested interest in all his projects, as an example, he receives ten cents for each of the Covid-19 vaxxes given to the people foolish or naïve enough to receive it. He has a major share of the Moderna “gene” therapy.

The public is in a state of mass psychosis and like deer in the headlights of an oncoming train are getting killed and you the taxpayers are footing the bill for murdering the people in the name of “For the better good of humanity”. This is all about Depopulation.

Experts in medicine and virology know who and what is behind these crimes against humanity, but skirt the larger issue to keep from being labeled a conspiracy theorist or a wacko. I’m not a conspiracy theorist, but rather a conspiracy realist. This “Population Bomb” got traction in 1968 by the rich and famous who saw a justification to their crazed plan to reduce the population. After all, who decided to build the Georgia Guidestones; who was it that decided to create the Club of Rome in 1968; who authorized the chemtrail spraying that became known as the New Manhattan Project; etc., etc.

As the director of the National Institute of Allergy and Infectious Diseases (NIAID) — part of the U.S. National Institutes of Health (NIH) — *“Fauci has a \$6.1 billion budget that he distributes to colleges and universities to do drug research for various diseases,”* Kennedy says. *“He has another \$1.7 billion that comes from the military to do bioweapons research.”*

This is where Fauci’s power lies: in his capacity to fund, arm, pay, maintain and effectively deploy a large and sprawling standing army. The NIH alone controls an annual \$37 billion budget distributed in over 50,000 grants supporting over 300,000 positions globally in medical research. There is a well-said statement about power: *“Power corrupts; absolute power corrupts absolutely!”* 50 years in that position would clearly be followed in that time for Teflon Tony Fauci to become a tyrant!

The thousands of doctors, hospital administrators, health officials and research virologists whose positions, careers and salaries depend on AIDS dollars flowing from Dr. Fauci, Gates and the Wellcome Trust (Great Britain’s version of the Gates Foundation) are the officers and soldiers in a mercenary army that functions to defend all vaccines and Dr. Fauci’s HIV/AIDS doxologies.
