

DEBORAH TAVARES: UNITED NATIONS / USA GLOBAL PACT FOR DEPOPULATION. WHY YOUR GOV. IS TRYING TO KILL YOU!

I have repeated an infinite number of times that our government wants to get rid of 90% of the population. I had forgotten the report that follows but I have total confidence in the source of what I am sharing. I am overloaded to put it simply. I have been going back through my files and this report will help explain what has been happening for a half century and increased exponentially in the past decade.

Deborah Tavares and her husband is the host of the web page "Stop The Crime.net". This report was posted back in November of 2018. I first learned of Deborah Tavares and her reporting on the crimes being committed on citizens of northern California back when Bill Clinton was president. You will not know about it but David Rockefeller, and the Rothschild's during the Clinton administration agreed to implement measures that would drive the citizens along the Pacific Coast to vacate their property as part of a plan to return the coasts to their primitive nature state before it was settled and developed. That same agreement included all the coastal regions of the United States.

I share this information in reference to what Deborah Tavares had to say about "The Genocide Treaty or Convention that was signed into law by former President Reagan. The original bill was believe it or not introduced by then Joseph Biden, Senator of the State of Delaware. The two links below are proof of what Deborah Tavares shares in her video link at the bottom of this article on page 2 below.

Deborah Tavares: Genocide Treaty (Convention) Explains Why So Many Are Sick and Dying - November 2, 2018

The True Mission of the United Nations Has Nothing to do With Peacekeeping, Defending People or Nations. The UN was Created as a Tool of Globalist Hegemony, Weaponized Against Humanity to Subjugate the World Under a One World Government Dictatorship.

The United Nations, The World Economic Forum and even NATO know they cannot Force This One World Government upon Humanity if they are United Against them.

That is WHY they all Support the Plan to Eliminate 90% of the World's Population...

The Genocide Convention was about sovereign nations committing genocide against its people. But there is a very huge technical [legal term] point that is being overlooked in this treaty. The USA is a corporation, not a sovereign nation as all of you believe. The USA was incorporated as a corporation in the State of Delaware. Hence: Our incorporated USA is not obligated to abide by the Genocide Convention signed into law of November, 1988.

This is as bad as your "STRAWMAN" birth certificate scam where each child born used as collateral for all debts of the USA Corporation. This is an entire story of its own which should be dealt with separately. The key point of Deborah Tavarez is that the USA INC. can commit crimes against the citizens of the corporation.

You may see or dismiss this as legal babel but it is further proof of the crimes being conducted against humanity under the UN Genocide Convention Treaty.

The 'United States' is a Federal Corporation says the U.S. Code. It's right there in the federal code, 28 U.S. Code § 3002.

U.S.A. INCORPORATED - 1871 Exposed +
THE UNITED STATES OF AMERICA INCORPORATED - Dun & Bradstreet "DUNS" No. 16-190-6193 expose 1933 called Dun & Bradstreet and they gave their "DUNS" No. THE UNITED STATES OF AMERICA INC. and DC THE DISTRICT OF COLUMBIA INC are Synonymous

**That is why THE USA, INC. has a PRESIDENT and not a King
A true government cannot be a corporation and a corporation cannot be a government**

**THE UNITED STATES INC. RUNS AMERICA THROUGH
IT'S MUNICIPAL CORPORATIONS

“The Constitution for the united states for America” was changed to read
“THE CONSTITUTION OF THE UNITED STATES”
