## Khazarian Cabal Forcing Russia into Full-Scale World War with NATO

---

Make no mistake; the entire world community of nations is now standing at the edge of the proverbial precipice. And most countries, powerless as they are, find themselves staring blankly into the apocalyptic abyss of World War 3.

First, it's of paramount importance to understand that the Ukraine, United States, United Kingdom, Germany, Poland, Romania, Bulgaria, France, Italy, Spain, Finland, Norway, Sweden, Denmark and the Baltic Nations are all at war with the Russian Federation to varying degrees of engagement, of course.

As for the ongoing NATO ruse, Ukraine didn't even have to formally join NATO (aka the *North Atlantic Terrorist Organization*) because ever since the CIA-directed coup d'état was carried out as the Ukrainian Color Revolution in Kiev on February of 2014, the Armed Forces of Ukraine (AFU) have been secretly stationed under the NATO command structure. Ukraine functions as a de facto member on NATO's list of armed forces where it concerns fighting a war with Russia.

This means that every military move and battlefield maneuver by the AFU is dictated by NATO headquarters after being jointly scripted by the Pentagon and British MoD. Together with an army of mercenaries conscripted from all over the world, the AFU is battling Russia essentially as a military proxy force of the U.S. and UK. Which is why Zelensky's Neo-Nazi regime is so willing to sacrifice every Ukrainian man, woman and child on the Khazarian altar of world dominion. Both the United States and United Kingdom governments are notorious for being ZOGs. (ZOG = Zionist Occupied Government)

### Russia's Special Military Operation

In point of fact, the very day that Russia initiated its Special Military Operation in Ukraine on **February 24, 2022\***, the Kremlin knew that they were launching a vital preemptive strike against the whole of NATO. In fact, Russia was well aware by continuous satellite analysis of ground movements that Ukraine, with direct military assistance from NATO, had been surreptitiously planning a full-scale invasion of Donbass.

\*A warrant for the arrest of former Ukrainian President Yanukovich was issued by the new Ukraine government that was violently installed on **February 24, 2014** during the Soros-funded Maidan Revolution.

Now, here we are, 10 months later and the battlefield of the Ukraine War just keeps getting bigger as the fighting keeps getting fiercer. The battleground is actually expanding weekly to include Western Russia, Poland, Belarus and other contiguous territories.

Both sides of this epic war are fully aware that NATO, and particularly the U.S., UK, Germany and Israel, are all fully engaged in military operations in both Ukraine and Russia.

---

**KEY POINTS:** For the uninitiated, the agents of the **Khazarian Cabal** have been meticulously choreographing every single move on the Ukraine battlefield. Likewise, the Khazarians have been orchestrating all of the MSM's warmongering propaganda and Russophobic prevarication, much of it specifically designed to start the kinetic phase of World War III. Given the rapidly intensifying hot war occurring throughout the regional theater of the Ukrainian armed conflict, the Khazarians are quite recklessly forcing Russia's hand as they are Ukraine's hand. Hence, there can only be one outcome at this advanced stage of intensive military developments on both sides, especially in view of so many outright NATO provocations and threats aimed directly at Moscow. (Moscow is located only 450 kilometers or 280 miles from the Russian-Ukrainian border)

---

### **Conclusion**

The **Khazarian Cabal** wants war. The **Khazarian Cabal** needs war. The **Khazarian Cabal** will stop at nothing until Russia is completely conquered.

***Why do the Khazarians want war?*** So they can steal everything that Russia possesses.

***Why are they so determined to conquer the Russian Federation?*** Because a unified Christian Russia stands as the greatest impediment to the demonic *New World Order* agenda and the establishment of a totalitarian **One World Government**. Moreover, Moscow will never permit the long-planned **Great Reset** to proceed as long as Russian sovereignty is undermined, which would ultimately take place.

***But why do the Khazarians desperately need war ... at this particular time?***  
There are two reasons primarily:

The **Khazarian Cabal** requires a truly horrendous worldwide cataclysm, such as a World War, in order to sufficiently distract all of humanity from their long-planned

controlled demolition of the Global Economic & Financial System. For the *Global Gambling Casino* has been outed as a massive insider trading platform for the rich where the wealth of the small investor is shrewdly misappropriated by the power elite.

---

But what the Khazarians really need, now more than ever, is the ultimate diversionary tactic in order to divert the attention of the whole human race from their COVID-19 vaccine-effectuated national genocides, countless mass murders and global depopulation scheme. See: [HARD PROOF OF PREMEDITATED MASS MURDER, INTENTIONAL GENOCIDE & DELIBERATE DEPOPULATION](#)

---

What follows are the main “Covid” reasons why things have all of a sudden gone to hell in a handbasket in Ukraine:

- **The exceedingly dangerous and deadly Covid ‘vaccines’ are being exposed across the planet as highly weaponized injections like never before.**
- **Details about the multiple COVID-19 bioweapons, as well as the top secret [Quaternary Weapon System](#), are being disclosed in major venues around the globe.**
- **The official COVID-19 narrative is similarly being revealed as the greatest fraud and worldwide mass extermination scheme ever perpetrated against the human race.**
- **The Covid *Plandemic* global criminal conspiracy is likewise collapsing at breakneck speed thereby making the numerous VIP front men, pitchmen and henchmen especially vulnerable to civil and criminal prosecution, both corporately and individually.**

#### **Point of no return**

Quite unfortunately for people everywhere, things are going to get MUCH WORSE before they ever get better. This is the stark reality facing the world community of nations because the ever-treacherous **Khazarian Cabal** that effectively rules the world has deliberately pushed Russia beyond the point of no return.

---

**[“We’re rapidly reaching the point of no return.”](#)**

---

Let’s not forget that perhaps the major objective of Russia’s special military operation was to destroy the 40 plus Pentagon-sponsored biolabs scattered across the Ukraine. Team Putin possessed evidence that indicated bioweapons development, testing and procurement were being covertly conducted the target of which was ultimately Russia after deployment in Donbas. Russia’s possession of hard proof

confirming the existence of these unlawful bioweapon laboratories was all that the Kremlin ever needed to invade Ukraine. See: [Here's the main reason why Russia has to completely neutralize Ukraine!](#)

Once the Russian Armed Forces were obliged to *cross the Rubicon* in Ukraine to protect the Russian speakers in Donbass, everything changed on planet Earth, and irreversibly so. Furthermore, now that the highly organized international conspiracy to defraud Russia via the Minsk Agreements has been exposed by both former German Chancellor Angele Merkel and former Ukraine president Petro Poroshenko, there is absolutely no trust between the Kremlin and any Western capital.

You read that right: Two top national leaders shamelessly admitted intentionally negotiating the Minsk Agreement in bad faith so that Ukraine could build itself up to invade Donbas and take back Crimea. Such an outright betrayal also permitted NATO to spend 8 years establishing a seamless command and control network and military collaboration with Ukraine by which to oversee the war after provoking Russia. This type of despicable and scandalous conduct is exactly how the **Khazarian Cabal** coerced and compelled, bribed and blackmailed blocs of nations into the previous World Wars. Because they can, at any time, use [THE DARK TRIAD OF THE KHAZARIAN CABAL](#) to manipulate kings and queens, presidents and prime ministers, chancellors and premiers, as well as other heads of state and national leaders, engineering a Third World War is very easy for them.

---

NEVER FORGET: Once the political, financial and economic power of the American hub of the Central Banking Cartel was unconstitutionally legislated by the Federal Reserve Act of 1913, the **DARK TRIAD** was able to surreptitiously steal — UNOBSTRUCTED — an unlimited amount of money from the U.S. citizenry. Then, and only then, was the **DARK TRIAD** able to stealthily consolidate their power and steadily solidify their influence worldwide so as to exert total command and control over the entire planetary civilization. In this way, the Khazarian mafia, Ashkenazi banksters and Zionist warmongers have always terrorized populations and tyrannized nations the world over into fearfully execute their nefarious NWO agendas.

---

**BOTTOM LINE:** However, that utterly satanic paradigm of rulership is very susceptible to being blown apart once and for all. To wit, the extraordinary recklessness and aggressive overreach of the Khazarian's **COVID CON** has totally exposed their preposterous NWO game plan. Clearly they knew this would happen via the Internet; therefore, they must believe that they can act with total impunity going forward. For only a perfect marriage of profound arrogance and perpetual ignorance would give the **Khazarian Cabal** the collective fatal delusion that they could succeed in their flagrant world takeover attempt.

Conclusion

Although there is absolutely no indication whatsoever from officialdom, the U.S. Armed Forces have been assuming, continuously, a **DEFCON 1** military posture since the very beginning of the Ukraine War.

*The DEFCON system was developed by the [Joint Chiefs of Staff](#) (JCS) and [unified and specified combatant commands](#).<sup>[2]</sup> It prescribes five graduated levels of readiness (or states of alert) for the U.S. military. It increases in severity from DEFCON 5 (least severe) to DEFCON 1 (most severe) to match varying military situations, with DEFCON 1 signalling the outbreak of [nuclear warfare](#).<sup>[1]</sup>*

The ever-deceitful Biden administration would never reveal such a radioactive reality because it knows the American people would not accept being put in harm's way for the sake of fighting such a senseless and horrific war.

Nevertheless, the United States of America will soon have to acknowledge that the nation's military readiness is now operating at a full-scale **DEFCON 1** status.

### **[Putin: Risk Of Nuclear War "Rising"](#)**

---

The Khazarian Cabal quite deftly has set up the global geopolitical chessboard so that nuclear war hangs over the head of every nation on Earth as modern-day *sword of Damocles*. In this fashion, the Khazarians are better able to extract any agreement from any country they so desire.
