

# Depopulation

## #1 Global Issue Since 1968

Part 11

**NO MATTER WHAT the story, DO NOT  
get vaccinated, a new bioweapon is  
being distributed via Vaccines**

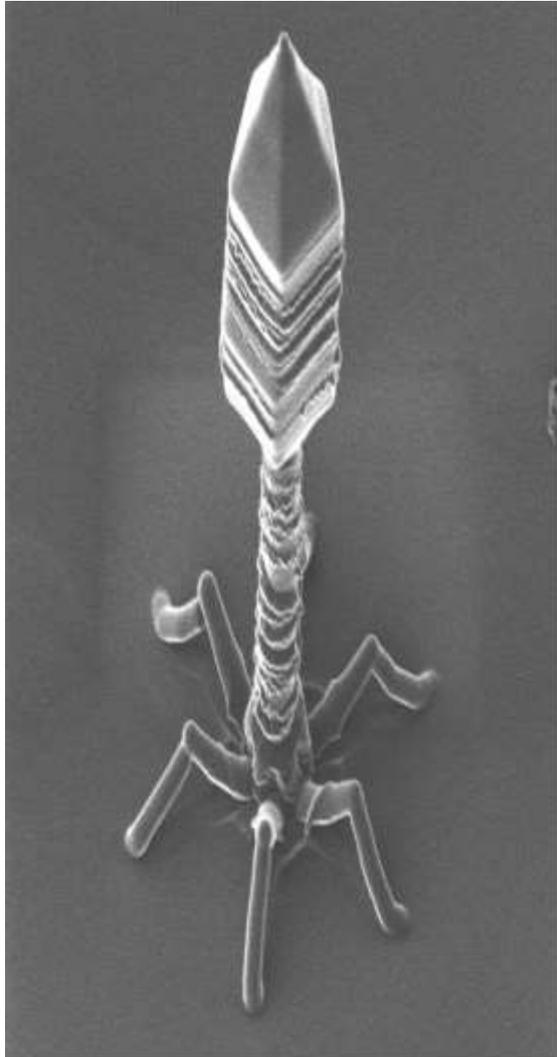

Provided by Jim Stone freelance Investigative Journalist

This report has been updated to address Google Book's posting of a 1971 release of the *'New Scientist'*, which has pictures of the phage below in it. Even if Google books is not disinfo in this case (which it very well could be because this topic is so important),

the remainder of the phage report is BANG ON, phages are what Israel has chosen to use for the race specific bioweapon and because Google Books is not print, it does not satisfy the demand: SHOW ME ON PAPER WITH AN ORIGINAL RELEASE.

### HERE IS THE CHALLENGE:

I challenge ANYONE, ANYONE AT ALL, to come up with a printed book from the 1990's that has the six legged T4 (proven Israeli Nanobot) bacteriophage in it, as pictured to the left. The web can be faked with ease AND THEREFORE GOOGLE BOOKS DOES NOT CUT IT. You cannot fake print. Let's see it ON PAPER, in unchangeable print from the 1990's. PRINT OR THIS THING CAME FROM AN ISRAELI LAB IN 2007; as I state and present compelling evidence for in the T4 nanobot report below.

There have been many reports about nanobots being developed that will destroy people. This report actually identifies that nanobot and what it is based upon. Once this nanobot is received via a tainted vaccine, it inserts DNA into your cells which instructs your own cells to produce more copies of itself and THAT is how it replicates. And it NEVER backs off; it simply orders your own cells to keep producing it until your cells die from being over worked doing exactly that. And it's completely verified this thing came from a lab in 2007, scroll down to the pictures if you don't want to read a lot.

Anti-vaccine alternative news web sites are being taken down RIGHT NOW, with simultaneous total purges of the Google cache

within hours and I beg to question why.

Actually, there is little to question. The answer is apparently obvious. The elite are now going for a huge push to get the T4 bacteriophage nanobot and other tainted vaccine additives put into the entire world public via mandated injections AT ONCE. And I suspect they are going to use a phony Ebola outbreak to scare the people into accepting shots laced with T4 nanobots, with everyone receiving the shot within a short period of time.

More so than flight 370, Ukraine, and other issues, the takedown of anti-vaccine web sites right in the middle of an "Ebola outbreak" is the coincidence we should all be

paying close attention to, THIS IS THE NEWS, if we miss this one we are likely to be destroyed.

Anyone who is with it enough to find a web site like this one ought to know about the NWO plan for global depopulation and the establishment of compact slave cities that can be managed with ease. What better way could there be to manage a massive depopulation than a fake outbreak, with the real disease being in mandated shots, peddled as vaccines that are supposed to protect? You can bet the elite do not want to actually release something that could kill them into the wild in the form of a real outbreak. They would instead opt to use all their ill-gotten tax dollars to formulate a shot and inject it into their victims, with a certain percentage of the shots being non hazardous, perhaps 1 in 10, and the rest representing the end of life for the recipient. If the disease is a managed disease that is completely non-contagious and can only be received via a shot, they can rest easy while the world dies around them.

And THIS is why they are pushing vaccines so hard, and now actively working to destroy completely legitimate dissent. I am certain that my web site is only staying online because it got too well known too quickly to take down without making waves, and I am going to use that advantage to warn the people and hope for the best.

THE EBOLA OUTBREAK IS LIKELY A HOAX TO TRICK YOU INTO GETTING A VIRAL NANOBOT LACED VACCINE THAT WILL DESTROY YOU RED ALERT REPORT: CONFIRMED: [VIRAL NANOBOTS A REALITY AND OUT IN THE WILD NOW](#)

A NOTE TO THE SHILLS: What will happen if you end up with these things inside you? These are NOT iPhones, WANNA SHILL THIS? ARE YOU SURE YOUR ISRAELI LAB GOT THIS RIGHT AND THESE WILL NEVER GET INTO YOU?

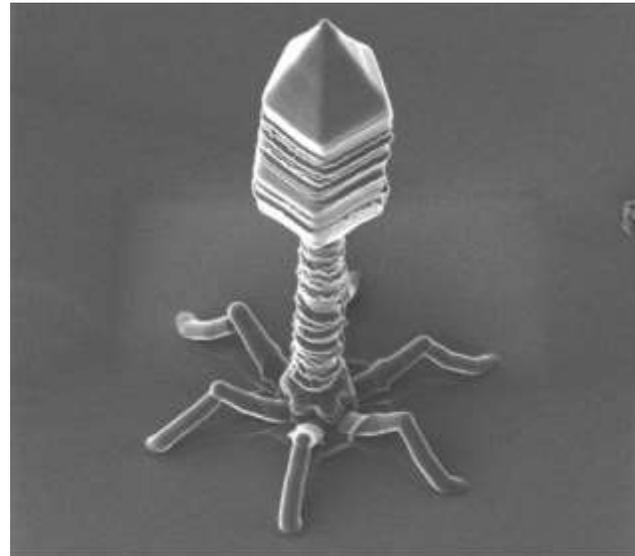

With only 183,000 of super-efficient DNA code, viral nanobots were released into the wild via vaccinations on September 22 2007 and are being peddled as a natural variant of the T4 bacteriophage. **But this report PROVES THESE NANOBOT PHAGES ARE NOT NATURAL, AND WERE INSTEAD CREATED BY ISRAEL.** These nanobots invade host organisms or cells and insert DNA that causes the host to make more nanobots until the host organisms or cells die from overexertion producing them. THESE ARE LIKELY TO BE IN THE PAPALOMA VACCINE, FLU SHOTS AND OTHER VACCINATIONS, VACCINES WILL BE THE DELIVERY MEDIUM THESE ARE DISTRIBUTED WITH. These are most likely in Gardasil, which in fact appears to be designed to destroy the feminine emotional centers and attack the brain, and this report proves it.

**If you are a headline skimmer who can't get past the first page of reading, you had better reconsider your information gathering habits and READ THIS IN FULL.**

**Brain destroying Genetically Modified six legged T4 bacteriophage is a NANOBOT Vaccines being used for distribution RIGHT NOW**

Something called a T-4 bacteriophage existed before, but it certainly did not look like this.

I knew the six legged T4 bacteriophage was NOT NATURAL and that Israel did it and I found a way to PROVE IT. Click the image to the left to see how I proved it, this is NOT a hoax. Google yields NO image results for T4 bacteriophage before September 1 of 2007, and TONS for September 1 of 2008. So that is the time frame this little six pointed demon was released into the wild. And if Google is subsequently rigged to screw with this, I already have it documented, this is REAL FOLKS.

This is an emergency now, THIS is what Israel is going to use for their race warfare ethno-bomb, and the following earlier report by this web site explains EVERYTHING ON THIS TOPIC:

THIS is what Israel is going to use for their race warfare ethno-bomb.

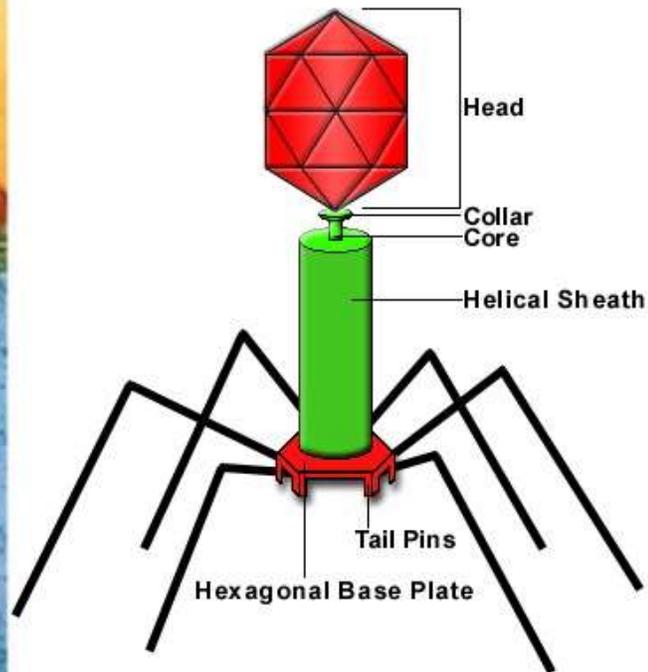

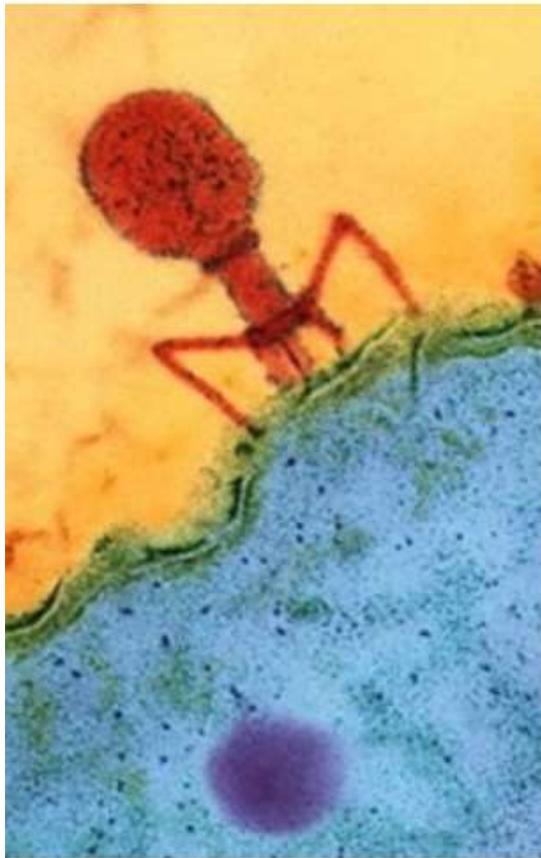

The real threat to our future is the T4 nanobot Bacteriophage.

An alarming development regarding the topic of viral phages has occurred.

To provide a background on this, I have a really close friend who is a doctorate of pharmacology and an expert in the related microbiology fields. While having lengthy discussions about the future of weaponized medicine, this friend went on and on about how bacteriophages were being re-engineered to attack our brain cells rather than their normal host – bacteria, implant DNA directly into our cells to change us immediately *and forever change future generations by delivering a DNA payload to the egg cells in the ovaries and also to the male reproductive system. This would have a permanent impact on the future of mankind. Once this type of phage was received via a vaccination, those*

*vaccinated would have the vaccine induced traits passed along via DNA insertion by the phage to all future generations.*

Though phages (which are viruses that attack bacteria,) of various types have been around virtually forever, they have thus far been harmless to anything other than bacteria, and are even highly selective in the exact type and species of bacteria they will attack.

When discussing this topic, I raised the question WHY were they modifying phages instead of common viruses that have a history of attacking people. One answer is in the fact that phages, more so than ordinary viruses which can cross the species divide, are highly selective in their targets and are programmed to only attack precisely what they were designed to – **a bacteriophage will prefer only one variant of a particular type of bacteria. For example, there are many different types of salmonella bacteria, and among salmonella bacteria, a particular phage will attack only one variant while leaving other variants of salmonella alone.** In the brain, not all neurons are identical, but all are similar so when administered via an intentionally tainted vaccine, **the high selectivity of a modified bacteriophage can be used to target precisely the type of neuron a sabotaged vaccine would be intended to wipe out.**

Another reason why bacteriophages were chosen as prime candidates for brain and DNA modification is the fact that they are not designed to attack people to begin with, so

if any make it into the wild, re-infection of people who never received the tainted vaccine would be impossible – a phage would not be likely to make it through the lungs or skin and into the blood stream simply because it was never designed to breach those biological barriers. But a needle, injecting it directly into the blood stream would bypass those barriers. So the elite, who would either want us emotionally numbed, dumbed down, or genetically altered, would have little to fear while being amongst their victims, even as the disease raged inside them.

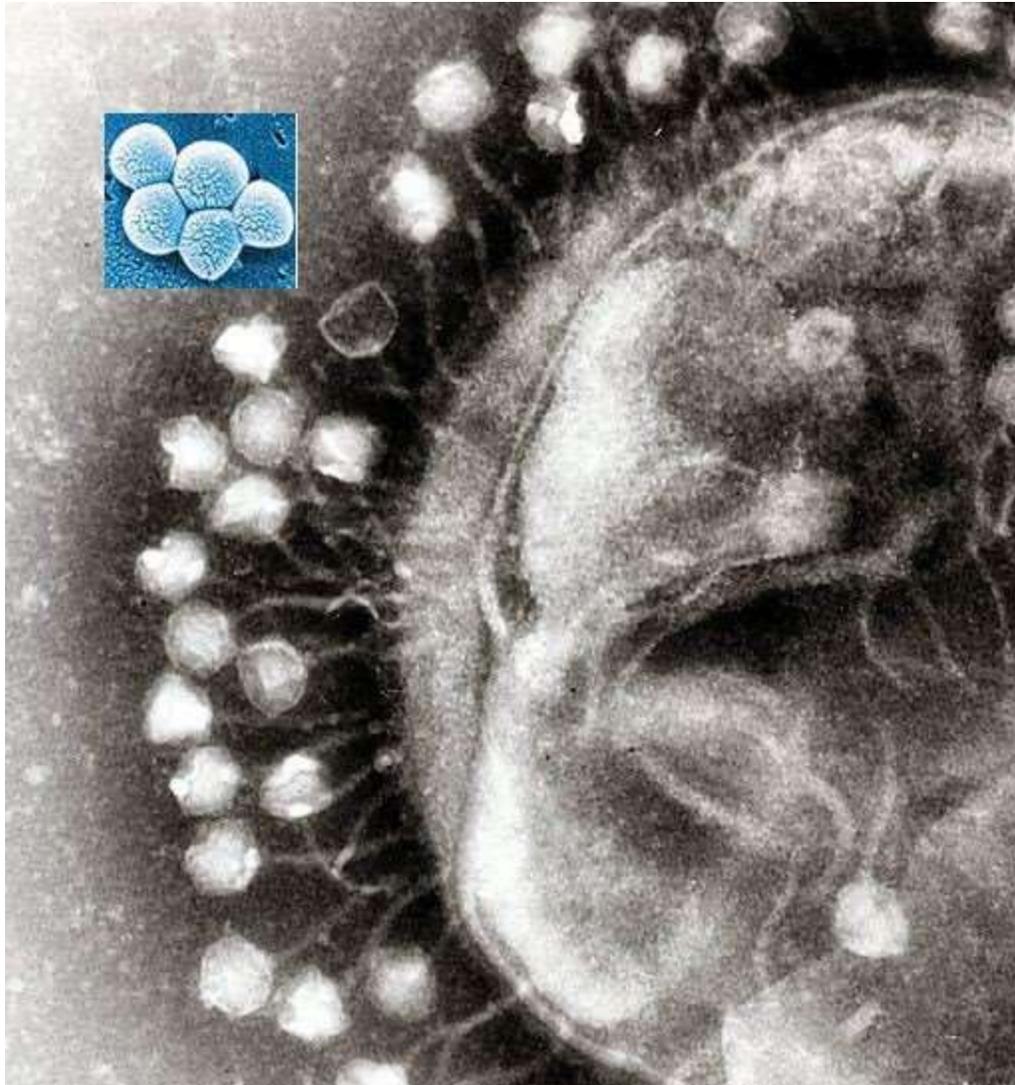

I cannot stress how freaked out my friends in the medical community were over this technology, one basically said it represented the end of mankind because it was in the hands of evil people, and that it would be used to divide humanity into two different groups – one which was rendered inferior by permanent DNA replacement, with the new DNA becoming a permanent part of what is passed on through the generations.

There are two modes of action phages operate with, one is the active assault, and one is a dormant mode. The active assault type of phage, called a lytic phage would be used for immediate personality modification of individuals, and the lysogenic type, which simply invades and makes changes to DNA while leaving whatever it is attacking alive, would be used for genetic modification of people, modifications that would span generations and be permanent.

And now onto this spooky robot like six legged fully hexagonal T4 phage that now totally dominates the web – I would like to know why the people who are pulling this tainted vaccine scam off on the people have somehow made this particular variant so dominant in the public spectrum. So let me ask WHY is this thing almost completely dominant online, when MANY different types of phages exist and why no pictures of this thing were ever in Google images prior to September of 2007?

Let me take a WILD EYED GUESS. It's a matter of national pride. A form of cult-like religious orgasm. All phages depicted now not only have six legs, but they also have a Star of David body. This is NOT NATURAL, BLATANTLY OBVIOUS, AND DOWN RIGHT DANGEROUS. You know what the future holds now? It is something FAR MORE SPOOKY than any micro drone – it is the brain eating phage, specifically engineered to eat your emotional neurons and render you incapable of free will. I have been told (long ago, in 2010) it is being developed as a vaccine additive to be administered under strict controls and not be something that can survive outside the body, because that certain six pointed group of individuals has the same genetics as the rest of us, so they have no doubt made it certain that their own weapon cannot leap out of the wild and haunt them.

[Tainted Nightmare](#) needs an update, because it only speaks about vaccine adjuvants. This entire phage thing is something new, four years advanced beyond that article. I suggest you take Alex with a grain of salt and [watch this video](#), it really is dead on.

I suggest everyone save a copy of the photo above of a different type of natural phage, because through expungement of history “they” no doubt want to drool in a religious stupor over how their little hexagonal leg patterns and Star of David phage bodies wreak havoc on the rest of mankind. And on that note, I may have stated above that the reason for re-engineering a phage to do the job rather than a known infectious virus would be to make good and sure it could not spread to other people in the wild, but I can’t help but imagine that such a profoundly Jewish looking micro-organism would not be selected simply for its appearances. That stupid phage has six points on the body when viewed from above, six points on the body when viewed from the side, and six legs. PERFECT, DON’T YA KNOW!

. . . . . But I am sure it is just coincidence . . . . .

**The following discusses an OBVIOUS test run of this nanobot.**

**Doctors say “it’s like your brain is on fire”**

**READ THE FOLLOWING REPORT CLOSELY: It is OBVIOUS the Gardasil vaccine is not for Papaloma, it is for attacking the emotional centers, and the following report PROVES IT.**

“PHILADELPHIA (CBS) – It’s a mysterious, newly discovered disease that strikes mainly young women, and it’s often misdiagnosed. Doctors, who discovered it, here in Philadelphia, say it’s like your brain is on fire.

It starts with personality changes, and then young women lay dazed, restrained in hospital beds, acting possessed and then become catatonic. They’d been so normal, when suddenly their lives went haywire.

“One minute I’d be sobbing, crying hysterically, and the next minute I’d be laughing, said Susannah Cahalan, of New Jersey.

**My comment:**

Personality changes? That is EXACTLY what will happen if your emotional centers, which largely control personality, get attacked. And HOW can doctors just blatantly state that “it’s like your brain is on fire” if they were not in on the program and had no insight into what was going on? Furthermore, IT STRIKES MAINLY YOUNG WOMEN, THE GROUP THAT WOULD GET THE GARDASIL VACCINE. They state later in this rag article that *“It’s an autoimmune response, where the immune system is attacking the brain”* but oh so responsibly omit the fact that it is blatantly obviously caused by vaccines administered to a controlled group, and that vaccines are responsible for virtually ALL auto-immune disorders.

The fact that this is a controlled administration of an illness is proven by the fact that it is so selective to “young women”, not middle aged women, teenagers, boys, children, men or anything else, just YOUNG WOMEN. YOUNG WOMEN GET THE GARDASIL VACCINE FREQUENTLY, WHICH IS VIRTUALLY BEYOND QUESTION, JUST BY WHO IS IMPACTED BY THIS ILLNESS, THE MEDIUM THAT CAUSED THIS “DISEASE” IN PHILADELPHIA.

**Philadelphia no doubt got a custom batch.**

Further deepening the pile of B.S. in the CBS report is the fact that the doctors called it an auto-immune disorder at all. There is no way they could know that for certain, unless they knew there was a trial vaccination campaign happening locally to Philadelphia, and they assumed it was auto-immune. My guess?

My guess is this little six legged monster was being tested in a trial run, with a controlled group of the elite’s primary target – young women, to see how well it destroyed them. No doubt any woman who got these vaccines has it in her medical record, and they will use that record to see if “after complete recovery” from this illness she becomes the perfect wage slave they want her to be. They will no doubt track EVERYTHING she does, from the number of abortions to how many days her children spend in daycare,

and how well she follows the programming inserted into her life via various media control mechanisms. Obamacare will be PERFECT for that.

*“I was very paranoid and manic. There was something wrong. I thought trucks were following me,”* said Emily Gavigan, of Pennsylvania.

And it got worse for Emily Gavigan, who was a sophomore at the University of Scranton. Hospitalized, and out of it, she couldn't control her arm movements. Then there were seizures, and she needed a ventilator. Her parents were watching their only child slip away.

*“It was life and death for weeks,”* said Grace Gavigan, Emily's mom.

*“We were losing her. This is something that I couldn't control,”* said Bill Gavigan, Emily's dad.

Doctors also couldn't figure out what was wrong with Susannah.

*“I had bizarre abnormal movements, would leave my arms out extended, you know, in front of me. I was a relatively normal person, then the next minute I'm hallucinating and insisting that my father had kidnapped me,”* said Susannah.

Turns out, Susannah and Emily weren't mentally ill. They both had an auto immune disease called Anti-NMDA Receptor Encephalitis, when antibodies attack the brain, causing swelling.

My comment Cool name for it – “Anti-NMDA Receptor Encephalitis” and let me quickly explain what that means. NMDA receptor encephalitis means swelling of NMDA receiving axons in the brain. Anti is spurious. It gives absolutely no indication of AUTO-IMMUNE, that is B.S. The bottom line, from that terminology, is that something caused swelling of the nmda receptor sites.

And now I got my weapon, to clear the BS with.

Those doctors know exactly what caused this. Wanna know why? Because they said the NMDA receptors swelled up, and there is NO WAY YOU CAN KNOW THAT, UNLESS YOU DO BRAIN SURGERY AND REMOVE SOME OF THOSE RECEPTORS TO PUT THEM ON A MICROSCOPE SLIDE AND CONFIRM THEY ARE INDEED SWOLLEN. Those doctors KNEW this was a test, and that it would CAUSE those receptors to swell up. They KNEW THERE WAS A BIOLOGICAL EXPERIMENT GOING ON, AND THEY WERE THE OBSERVERS, ABSENT A BRAIN BIOPSY THERE IS NO OTHER WAY FOR THEM TO SAY WHAT THEY DID, OTHER THAN FOREKNOWLEDGE OF WHAT WAS REALLY GOING ON. No biopsies were ever spoken of. Conveniently, the probable death part of those receptors was left out.

Anything regarding “doctors could not figure out BLAH” is smoke and mirrors, if they spat an answer too quickly someone might ask how they knew. And the fact that this subsided after a few weeks proves that it was NOT any sort of auto-immune malfunction as this article states, because auto-immune disorders do not go away in a few weeks. Something other than auto-immune caused this. I believe this was a GM bacteriophage virus test, where the virus phages went in, did their job, and when complete those receptor sites were not transmitting random trash anymore because they were DEAD. END of symptoms. Dead is SILENT.

The fact that such obvious fallacious statements from the doctors made it into this CBS report without getting caught proves that CBS is not qualified to cover topics of this nature. Auto-immune disorders clearing up in a few weeks? YEAH RIGHT.

Susannah says this is how doctors explained it to her parents, “He told them her brain is on fire. He used those words: ‘Her brain is on fire.’”

////////////////////////////////////

As a matter where some people might consider this an Anti-Semitic attack, I will discount that completely. Jim Stone is a highly-respected and vetted independent journalist. Jim broke the story on how Malaysian Airlines Flight 370 was hijacked enroot from Kualampoor, Malaysia to Beijing, China on March 8, 2014. The flight with twenty engineers and software designers was diverted through remote electronic hijacking and flown first to Diego Garcia in the Indian Ocean and then on to Eilat, Israel, then to..... likely Ben Gurion Airport in Tel Aviv, Israel. The short of that long story report is that the Rothschild’s became the owners of the patents, technology design for a Super-Controller Microchip. Jim Stone lives in Mexico and reports on many topics.

Stone said that the photo was posted with the following text: “I have been held hostage by unknown military personal after my flight was hijacked (blindfolded). I work for IBM and I have managed to hide my cellphone in my ass during the hijack. I have been separated from the rest of the passengers and I am in a cell. My name is Philip Wood. I think I have been drugged as well and cannot think clearly.” To this day, I have watched related events of MH370 long after it dropped from the daily news. I seriously considered writing a book on the missing MH370 and the passengers who disappeared.

The theory itself isn't that new but claimed new evidence is—that would be a black photo allegedly taken by Philip Wood, an American IBM engineer on the flight. Widespread searches for the flight, which went missing turned up basically nothing. False leads were created to divert attention from the landing in Diego Garcia.

Now a conspiracy theory website jimstonefreelance.com claims that the story of Wood posting a photo from a "prison" in Diego Garcia is "confirmed 100 percent true." The origin of the photo, which looks like a picture taken in a completely black room, is unclear.

But Stone says that the Exif data from the picture matches the coordinates of Diego Garcia, saying "this is not a hoax."

The person who posted the photo online claimed to be blindfolded when he sent the message, Stone said.

*"The man claimed to be blindfolded when he sent the message," Stone said. "When the American military blindfolds someone, it is accomplished by putting a bag over the head that is locked so you can't get it off. This left the engineers hands free. This would have made it possible for him to pull his iPhone 5 (a fact confirmed by the Exif data) out of his butt as stated, and use the voice command ability of the Iphone to just talk to it to log in and post the message. This explains why he sent a black photo, he could not see what he was sending, he just knew he snapped a photo and sent whatever got taken."*

The black photo was sent to his girlfriend back in Kualampoor, Stone added regarding the coordinates: *"When the coordinates are added to the fact that the photo's exif data does not match the Google coordinates or any other coordinates for Diego Garcia that are posted online, but is still within the boundaries of Diego Garcia, it proves that no one just pulled those coordinates off the web. It helps confirm that this was not just a hoax because the coordinates are exact to wherever on Diego Garcia the Iphone was when it took the photo."* As I recall the facts, the GPS coordinates placed the Malaysian Air flight 370 sitting just off the eastern end of the runway tarmac at the U.S. airbase at Diego Garcia.

Relative to the current mad rush to vaccinate the world, this old report on the vaccine Gardasil takes on renewed interest among those exposing what they know about Moderna, Pfizer, and some 25 vaccines being created for a virus that does not exist. A \$2.055 Billion Verdict, the Second-Largest Personal Injury Verdict in the Nation in 2019, and the Ninth-Largest Personal Injury Verdict in American History the Gardasil vaccine, manufactured by Merck & Co., was approved by the U.S. Food and Drug Administration (FDA) in 2006 for use in preventing infection from only a few of the hundreds of types of human papillomavirus (HPV). Since hitting the market, however, thousands of adolescents and adults have reported serious and disabling Gardasil side effects after receiving the HPV vaccine, including death.

The corona-virus is a MULTI-PATHOGEN virus, meaning, it has inserts of different bacteria viruses to deliver payloads into the DNA. The virus strength will increase over time making it more virulent and lethal.

The virus (likely to be a bacteria or pathogen) is aerosolized into the air using special equipment. This operation is likely being done by secret-intelligences. Once the measure of contaminant is released, the aerosolizing stops. Reports from around the U.S. have reported and confirmed heavy Chemtrail spraying all during the month of November. I can confirm that to be the case in central KY as well. The spraying has been an almost daily occurrence.

What happens after is a huge question, is the person to person contact, spreading the infection. That is why you hear people like for example David Icke...saying that no virus is in the air, it is all a hoax. That's because the spraying is intermittent.

The virus-payload is specifically detrimental to pregnant females. It is designed to damage the fetus/baby via the DNA payload. It will attack body organs..., and the brain - to bring about terrible cases of autism. The virus is apparently designed to depopulate.

Not only the females that it will disable over time, but also the males. Statistics during October and early December of 2020 were showing increased infections of children, something that was not the case in the months from March through August.

Each wave of the virus seems to intensify in strength. It will degrade the immune system...

### **The New World Order Plans For Depopulation: Murder Rates in the Forthcoming Planned Global Genocide 2018 – 2025**

**Deagel.com, a real intelligence organization for the U.S. government, predicts massive global depopulation (50-80%) by 2025. That is only five years away!**

**By Dr. Katherine Horton. Dr. Horton is a particle physicist in Europe and addressed the issue of wireless EMF radiation sickness and related issues of the 5G roll out in Europe.**

No, This information is real, this is not an April's fool's Joke...

Get ready...If the bad guys win this current battle your world is about to be turned UPSIDE DOWN! The corrupt, criminal regime currently occupying Washington D.C. is starting to lose its grip on America. The American people are tired of being lied to. Smart Americans are "waking up" in droves to the reality of our nation's leadership and financial critical condition. They're tired of been propagandized, controlled and

imprisoned by an illegitimate totalitarian regime that trashes our Constitution, Bill of Rights and is stamping out our individual liberties.

The Globalists are completely lawless and getting ready to arrest, throw into jail and murder anyone who gets in their way to fulfil their plan. If they win they soon will suspend our 1st Amendment rights and take absolute control of the Internet. Patriotic voices and religious “extremists” who contradict the government’s official narrative will be censored and silenced. Any journalist who tries to conduct an honest investigation will be arrested and thrown in jail. You can also say “goodbye” to your guns.

This will result in total chaos and upheaval in America. But this is only a part of the story, keep reading... Total Global financial collapse will be forthcoming along with the destruction of the Petrodollar and the U.S. dollar as the world reserve currency. The “death of the dollar” has been talked about for many years but will be finally realized. Don’t get duped into believing that the “2015 Shemitah” was supposed to be the final doomsday for the dollar.

Don’t worry, the dollar’s funeral is coming as is the [ONE WORLD CURRENCY, ONE WORLD GOVERNMENT and ONE WORLD RELIGION](#). First will be the 2020 – a time of incredible darkness that will descend on the American people and indeed the world! The consequences of what’s coming for the average American are nothing less than catastrophic, yet many still have no idea whatsoever of what is about to happen.

Bank closures, riots, cities burning, starvation, chaos, Martial law, gun confiscation, FEMA camps, Constitutional rights obliterated, globalist takeovers, disease, despair, gangs, lawlessness, crime, you name it and much much more could soon be unfolding. Add to this the certainty of the coming regional/Middle-East wars involving China, North

Korea, Iran, Syria, Lebanon, Saudi Arabia, Turkey and Israel, the world stands at the precipice of World War 3. Again sadly, most of the population is completely totally unaware of what could happen because relatively few people follow Alternative Media. They get their nightly dose of government propaganda from NBC, ABC, CBS, FOX and CNN. What is also interesting is Economic and War cycles are coming to a climax in 2018 – 2020. Casualty rates could be astronomic.

A little humor helps ease the pain of having to live in our world today. Laughter is therapeutic. But what is getting ready to happen is deadly serious business – even life-threatening business! America wants to implode Washington D.C. and Washington D.C. is at war with Americans. It's a titanic struggle to the finish of good vs. evil to determine the winner. Let us all do our part for the battle to end well and so there's not much blood spilt.

Pray for the candidate's physical safety. Have you prepared for the FUTURE SHOCK that is coming? If so, you won't panic when PANIC sweeps the globe. The PERFECT STORM is truly mind-boggling. It's unusually ominous and is rapidly approaching: -when markets across the world plunge because the \$225 trillion debt bubble explodes; -when the banking system collapses because of the 4.25 quadrillion Derivatives market and the Central Bank scams of "QE" printing money to infinity!

-when your local bank steals all your money you've deposited (called "BAIL-INS") because it has to else it will go bankrupt;  
-when the entire world launches into a major Global Financial Crash & Global Great Depression;

-when food, medicines and commodities because scarce and prices SKYROCKET!;  
-when domestic terrorism breaks out across multiple cities simultaneously;  
-when Global War breaks out fueled by the Middle East conflicts;  
-when rampant domestic violence and the Global Chaos of 2020 unfolds;  
-when the New World Currency of 2020 thru 2021 is unveiled; -when the GREAT VIRUS PANDEMIC of 2020 is unleashed;  
-when the total WORLDWIDE POLITICAL UPHEAVAL OF 2020 takes place.

Evil is exploding exponentially as Lucifer is unleashing his dominions to furiously prepare the world for his arrival – the day wherein he will be "revealed" to every living human being on the planet as "God." The false god for sure to be followed by the REAL GOD.

The wicked are becoming more wicked and the righteous are becoming more righteous – just as the Bible predicted. Mark these words... If we don't make a DRAMATICALLY CHANGE now. Millions will be standing at death's door. Chaos will be coming and will be going to spread far and wide.

Democracy as we know it in Britain and the U.S. is only a few hundred years old. The majority of Europe and the rest of the world has been ruled by powerful elites with

absolute power. Domination is by means of force. The high cabal of the [New World Order](#) would like to see this model reinstated.

The Royal Institute of International Affairs functions at the behest of the British monarchy. They have spun off their American counterparts—the Council on Foreign Relations and the Trilateral Commission. The Bilderbergers are their creation. Hundreds of humanistic study institutes in the U.S. also promote their theories.

The Committee of 300 is comprised of a hierarchy of the Freemasons, the American Eastern Liberal “Establishment,” the European Nobility, the Order of Skull and Bones and the Illuminati.

Their interest is in the eradication of the middle class. They desire only rulers and servants. “No national boundaries” is their mantra. The U.S. Constitution is a major stumbling block for these people.

Stalin kept the USSR heavily armed with conventional and nuclear forces because he did not trust this group. Putin understands the threat as well and has brought the Soviet Union to an apex of nuclear strategic capability.

*Let's now analyze in detail the genocidal Plan the incredibly evil NWO has been carefully preparing for you and your love ones. That is if you do nothing...*

Few people around the globe know of this website and even more claim the organization doesn't legitimately exist at all. Despite the overwhelming suppression of its significance, WikiLeaks documents have revealed it was legitimately used as reference material in a Stratfor report on the technological capabilities of The People's Republic of North Korea: [https://wikileaks.org/gifiles/docs/26/2655808\\_dprk-marko-p-.html](https://wikileaks.org/gifiles/docs/26/2655808_dprk-marko-p-.html)

Deagel's reports, in particular the aforementioned research on North Korea, was also provided to the President during Presidential Daily Briefings. Deagel thus provides information which is subsequently used by global intelligence communities *and* governments.

Here is a partial list of known Deagel partners and clients, according to their own website:

- National Security Agency
- North Atlantic Treaty Organization (NATO – OTAN)
- Organization for Economic Co-operation and Development (OECD)
- OSCE
- Russian Defense Procurement Agency
- Stratfor
- The World Bank
- United Nations (UN)

This highly regarded intelligence organization has a grim outlook for the United States in the coming years including a 78%-83% decrease in population. In fact, it predicts a similar, cataclysmic fate for the United Kingdom, Australia, Germany, Japan, and Denmark, and more U.S. allied nations:

*Year: 2013, Population: 316 million, Forecast 2025: Population: 69 million*

[I know many Australian readers will be curious as well, and for their reference, their population will be cut in from 23 million to 15 million.](#)

To make matters even stranger a statement on Deagel's forecast page can be found which was made by the authors on October 26, 2014, which apparently claims the population shifts are due to suicide and dislocation and assure us they are "not a death or satanic cult":

*Historically a change in the economic paradigm has resulted in a death toll that is rarely highlighted by mainstream historians. When the transition from rural areas to large cities happened in Europe many people unable to accept the new paradigm killed themselves. They killed themselves by a psychological factor. This is not main stream but it is true. A new crisis joins old, well known patterns with new ones.*

*We are not a death or satanic cult or arms dealers as some BS is floating around the internet on this topic. Take into account that the forecast is nothing more than a model whether flawed or correct. It is not God's word or a magic device that allows to foresee the future.*

Note This website is adjusted and updated frequently accordingly to how well *their current Planned USA 2018-2025 genocidal plans are going.*

After carefully analyzing the numbers note which are the countries most affected and which are the winners. Most importantly note which ones are losing the most. Most people don't know that the NWO archetype ALWAYS MOVES WEST (originally started in Babylon, following Assyria, Egypt, Rome, Paris, London, Spain, last the USA...and it is now China's turn. This is why the controllers of this world slowly moved and transferred all USA industry carefully there for the last 50 years. Unfortunately for the Western cultures, that "industries migration process' has now been completed.

It is utmost important to note that the NWO Satanic sects are not solely composed by Americans, Europeans or Asians origins but they are a collection of international multi-cultural Cabalistic and Illuminati crime syndicates. Ruthless and dangerous crime Syndicates, Cartels, Families or crime Covens who are the culprits of all wars, drug running, distribution (Legal & illegal drugs) money laundering, corruption, all human child and sex trafficking and basically all international criminal activities that are ailing our beleaguered world. In short, they are an ancient and deeply-secretive multi-cultural cult of death hiding behind many masks in positions of elite wealth and power in every country around the world.

Two of the most dangerous of those interlinked groups are the “Blue bloods” (Global Royalty) and The “Elders of Zion” (Khazarian Mafia), In essence, they are an ancient but powerful conglomerate of global Satanic cults of “Death”. You may read a detailed document clicking the link below which spells their NWO control plans in great detail. It is important to remember that no matter what mask they chose to wear in whatever country they reside in, their common denominator is they are all part of the same cults of: *Death=Baal=Satan=Leviathan=Lucifer=Devil=Shaitan=Demon=Prince of Darkness*, among many other names attributed by different cultures throughout human history...  
[Protocols Of The Learned Elders Of Zionism: The New World Order Zionist Plan To Dominate The World](#)

According to the current Satanic controllers of the world, the USA NWO/Illuminati World Domination championship time is over. The plan presented here is their preferred way of domination used by them numerous times for thousands of years since ancient Babylon. This is their perfect system of domination and enslavement, first the raising and then the carefully manufactured total collapse of civilizations... but ONLY AFTER they have carefully leached, stolen and moved the entire country’s wealth to their next country victim farther WEST.

Now more than ever we need to listen to the monumental speech, given as a warning to America by to Robert Welch, leader of the John Birch Society, about the decline of America due to Communism, a speech that will sound eerie familiar since most of his warnings have already come to pass:

### [Robert Welch Speech \(Greatest Speech in America, 1958\)](#)

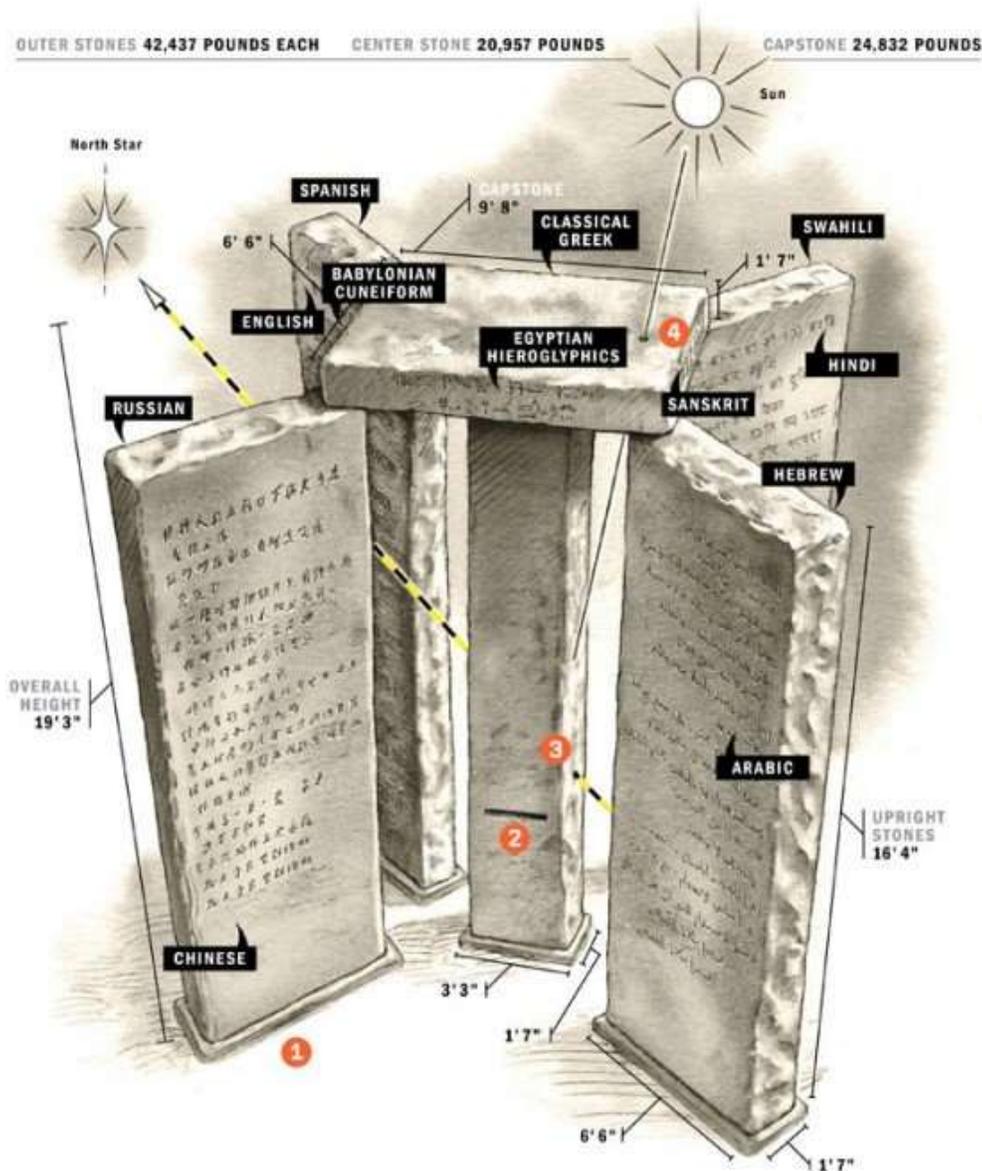

Their idea of their NWO only works if they convince you that it is YOU the problem, that it is humanity as a whole and not them THE VIRUS of this planet. Their last move is to infect you with “The Virus of The Anti-Christ” which is “FEAR”! Remember that “God Is Love” and “Darkness/Evil is FEAR”, are you already infected with the 666 Virus? Knowing these plans, are you just going to sit frightened in a corner somewhere just observing and doing nothing while allowing this great USA nation and our unalienable freedoms to be overrun with evil? Make your own conclusions after carefully analyzing the information in this series and related article.

**The mysterious Georgia Guide Stones that call for a drastic culling of the earth’s population are receiving fresh attention in light of the coronavirus alleged pandemic.**

The stone monuments in Georgia were built in 1980 at a cost of a staggering \$500,000 on behalf of “a small group of loyal Americans who have managed to remain anonymous to this very day. It is rumored that Ted Turner was one of the people in that group. The pseudonym used by the front man was R.C. Christian. he mysterious Georgia Guide Stones that call for a drastic culling of the earth’s population are receiving fresh attention in light of the coronavirus pandemic.

Christopher Pinto produced in 2015 a 2-hour DVD, *'Dark Clouds Over Elberton'* on the Georgia Guide Stones. I have a copy and many questions remained unanswered in the video. There is a lot of information that unfortunately has come to light and was never included in the video. Much of what appears below comes from an anonymous source behind the enigma of the Georgia Guide Stones.

The stone monuments in Georgia were built in 1980 at a cost of a staggering \$500,000 on behalf of "a small group of loyal Americans who have managed to remain anonymous to this very day. It is rumored that Ted Turner was one of the people in that group. Ted Turner is the largest land owner in the U.S. Ted Turner — media mogul, bison breeder, restaurateur, and philanthropist — is America's largest individual landowner, with 2 million acres across 12 states and Argentina.

Ted Turner came to be the biggest individual landholder in the West by way of the South.

Born in Cincinnati, Ohio and raised in Georgia, Turner early on developed an affection for the movie "Gone with the Wind", taking to heart in particular Gerald O'Hara's words to his daughter Scarlett: "Why, land is the only thing in the world worth workin' for, worth fightin' for, worth dyin' for. Because it's the only thing that lasts."

Even now, at age 83, Turner periodically peppers his conversations with dialogue from his favorite movie. During his heyday at the helm of Turner Broadcasting Systems Inc., he once joked that he purchased the film studio MGM/UA Entertainment Co. in 1986 for \$1.5 billion primarily so he could personally own *Gone with the Wind*.

In actuality, the epic was just one of hundreds of titles in the MGM/UA library Turner used to program Turner Network Television (TNT) and Turner Classic Movies, two cable networks in a media empire that also included CNN, Superstation TBS, and the Cartoon Network.

Turner's business acumen gave him the financial wherewithal to seriously heed Gerald O'Hara's admonition. To paraphrase the old cowboy tune: Turner has land, lots and lots of land, under starry skies above. According to *'Fortune'* magazine, he currently is America's largest individual landowner, with 2 million acres across 12 states and Argentina.

Turner has repeatedly advocated for a 95 percent cull in the human population and attends strange conferences with the likes of Bill Gates and George Soros to discuss how globalists can use their wealth to "slow the growth of the world's population."

Summit.news reports: As the History Channel explains, the stones are aligned to precisely track astrological and solar cycles.

"The east and west corners of the monument track sunrise and sunset. A slot that's cut into one of the slabs marks the winter and summer solstices. A shaft that's drilled through the center of the stone marks Polaris, the north star. And a slit that's cut through the capstone marks the perfect noon time. So that means it's sort of granite Swiss Army knife: The Guide Stones have a calendar, a compass, a translator and a guide...which is bananas."

In the middle of the time of Covid-19, in 2020, the Georgia Guide Stones have taken on a whole new meaning. The most controversial aspect of the stones is the message carved into them, which has made the monument a target for vandals on a number of different occasions.

The stones call for "maintaining humanity under 500 million," a figure which the world hasn't seen since the 1500's and would require outright mass genocide to achieve. The population reduction message has made the monument a target for those who believe that it's a beacon for technocratic elitists to flaunt their new world order agenda. The granite pillars show signs of graffiti and spray painting not fully removed.

In a similar manner to Stonehenge, visitors to the monument often report feeling a strange, powerful energy while standing near them, with one commenting, *"It was rather surreal and eerie actually standing next to them. It is even eerier with the remoteness of the actual site."*

The information below is from an anonymous source that clearly was well-informed about the Georgia Guide Stones:

So who masterminded the guidestones specifically? Lore points to R. C. Christian. Much debate has been made about who this man was. And some people have guessed correctly, yet not correctly. The big secret? R.C. Christian was actually TWO men. Robert Carter Cook was the mastermind. Robert Edward "Ted" Turner III was the talking face that Joe Fendley and Wyatt Martin actually interacted with [Van: We have maintained that Ted Turner's relationship with Wyatt C. Martin suggests his involvement with the Georgia Guide Stones, but his role is not totally clear]. Fendley and Martin both described Christian as a tall middle aged man with white hair in a three piece suit and tie, and that's how Ted looked back then. Ted Turner appeared on the cover of 'Time' magazine of August 9, 1982.

Robert Carter Cook looked nothing like that. He was short with dark hair and loved bow ties.

Ted Turner has been a eugenics supporter for years, and it takes little research to find interviews with him pushing the subject. Robert Carter Cook headed eugenics organizations such as Planned Parenthood League, American Eugenics Society, and the Association for Research in Human Heredity, and many other groups too numerous to recall. (Robert C. Carter had ties with Nazi Dr. Josef Mengele to give you a degree of seriousness.) Robert Carter Cook was a big fan of Thomas Paine (who was also a Freemason hence his famous essay in support of them). Thomas Paine as you know wrote "*The Age Of Reason*" and it is this essay referred to by the guidestones' own "age of reason". Ted Turner knew Robert Carter Cook and worked with him on the guidestone project. I wouldn't say they were friends but they had a mutual interest. Ted Turner financed the project, but Robert Cook masterminded it. Robert Carter Cook also wrote the book "*Common Sense Renewed*" that serves as a companion piece to the guidestones. If you contrast the writing styles and ideas in R. C. Christian's "*Common Sense Renewed*" with Robert Carter Cook's earlier book "*Human Fertility: The Modern Dilemma*" ( ISBN-13: 978-0837161280 ISBN-10: 0837161282 ) you will have no doubt of this.

"The Freemason connection... Robert Cook and Ted Turner; both of these men are/were Freemasons. Ted Turner is of the Order of Malta. We are not sure what order Robert C. Carter was involved in, only that he was a Mason. He is listed as such in the Denslow record of Freemasons:

[http://www.phoenixmasonry.org/10,000\\_famous\\_freemasons/Volume\\_1\\_A\\_to\\_D.htm](http://www.phoenixmasonry.org/10,000_famous_freemasons/Volume_1_A_to_D.htm)).

Joe Fendley the granite mogul and Wyatt Martin the banker are both Freemasons [Van: Wyatt Martin denied being a Freemason when I interviewed him.], as were the majority of men who helped to construct the Guide Stones, including the sandblaster Charlie Clamp [Van: This is probably an understatement — I was told by Mart Clamp, caretaker of the monument and son of Charlie Clamp, that virtually every hand that touched the Georgia Guide Stones during its construction belonged to a Freemason].

I don't want to denigrate every Freemason involved in this project though, because one stood up for what was right and paid for it. I want to vouch for the credibility of one Freemason during the 1979 Guide Stone project. "John Kirk Nicholson, Jr." This man was the grand master of the Georgia Freemasons during 1979. He was expelled in 1979 (<http://www.glofga.org/pgms.html>) because he disagreed with the guidestone project. Too bad for him that Scottish Freemasons above his rank did not agree and had him expelled. John Kirk Nicholson, Jr. was the first grand master Freemason of GA to be expelled in the nearly 200 years of grand masters that proceeded him. It was not until 2008 that another grand master was expelled, Carl W. Dohn [Van: This appears to be largely correct, although Dohn was not a Grand Master in 2008; see: <http://www.glofga.org/pgms.html> ]. Carl W. Dohn knew in 2008 that the "cube" would be removed in 2009, and he knew why, and he did not agree with it. Because of this, Carl W. Dohn was expelled just as John Kirk Nicholson, Jr. was.

Before I tell you about the cube, a quick note about the time capsule. The time capsule has no date because **this date will not be filled in until the day before the world's population is massively reduced.** If it were filled in before then, then vandals would surely dig it up. The date is to be filled in shortly before the great culling, the time capsule will THEN be placed, along with another date set to be opened after 100 years. Now let's talk about the cube of recent note. There are a lot of lies and assumptions going on about this thing and I will now set the record straight.

First off, the 1st cube was always meant to be removed and replaced by the 2nd cube. You can see in these pre 2009 pics that the 1st cube was already precut for removal:

You can see in those old pictures that the same detritus and grime that had worked its way into the lettering had also worked its way into the slits cut for the cube. The cuts had always been there since the beginning. The 2nd cube, the "message" cube, was always meant to go here eventually.

In 2009, the 1st cube was removed. It was removed by Freemasons. (It wasn't replaced for a few years due to internal debate within the Masons.) However, authorities claimed it was removed by vandals on September 11th, 2009. Then they said it was recovered circa August 6th 2013. This was first claimed via a cover story on WSGC radio. (<http://www.wsgcradio.com/piece-of-ga-guidestones-recovered-after-nearly-four-years/>). WSGC is a Freemason-owned radio station and website. This cover story is shockingly badly written, full of so many inconsistencies as to be laughable. I will list a few of them for you.

Notice that the article has no author, so no accountability. Notice the mugshot of William Jeremy Ellis is computer generated, an artificial collage photo made from a construct of layered faces. If you search for William Jeremy Ellis you will find he never existed in Anniston, Alabama. The article says deputies saw the "vandals" on cameras and were tipped off like that [Van: *As we reported in our first Georgia Guide Stones article, the cameras were inoperable at that time so it was impossible for the deputies to see the*

*vandals on the cameras at the monument site*]. But then the article immediately says deputies got a call to go out there. Did the deputies call themselves? The fabricator of the article is so lazy as to not even bother making up information about the other two supposed vandals. The detective Scarborough claims to have talked to the “gentleman in charge of the guidestones”, but it is common knowledge that the county of Elberton owns the guidestones, not one particular person [*Van: This is true; in fact we were the first to report that fact*]. ([https://en.wikipedia.org/wiki/Georgia\\_Guidestones#Ownership](https://en.wikipedia.org/wiki/Georgia_Guidestones#Ownership)) Never mind the fact it makes zero sense that thieves would drive hundreds of miles to return years later what they had stolen for no apparent reason. And Scarborough says the police weren't sure what to do with the returned cube. Would a police officer say this? No. It'd be bagged as evidence, and after the trial, it would be returned to the guidestone it was taken from. This snow article was written by a clueless faker.

The returned “stolen” cube was fake as well. If you take a close look at the supposedly returned cube you will see it is a piece of mostly uneven concrete with only one polished granite face:

This is NOT the cube that was removed in 2009, it's a fake. It doesn't even have the peggings. By peggings I mean the pegs that jugged out from the original 1st cube. They were used to guide the original 1st cube into place and help hold it while the adhesive dried. Look at this picture:

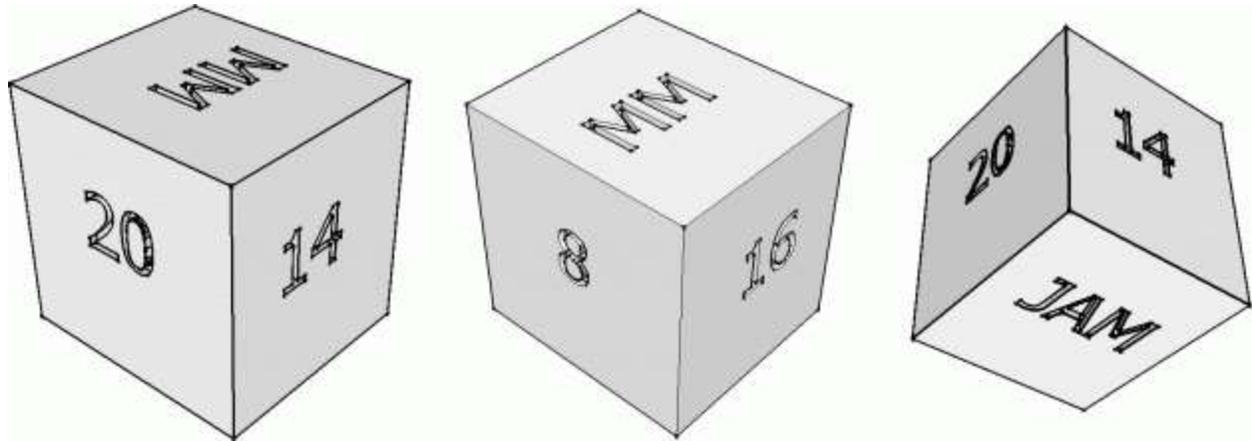

You can see the peg holes and the remnants of the adhesive. The whole sat open like this from 2009 until 2014.

In 2014 the infamous 2nd cube appeared. Elberton authorities claim they don't know how it got there. Were the deputies not watching the cameras? They can supposedly catch three men trying to replace a cube in 2013, but not someone else doing it again in 2014? Hard to believe, because it's a lie. Anyway, the 2nd cube was removed and destroyed on 9/25/14. This was a few weeks after it was first "discovered" and shown on various social media outlets, enough time to be sure its appearance would be known. That way its disappearance would cause a stir. Again, social media, to get the information on the cube out to those who know how to read it worldwide. Now, I am sure you've seen the video. Like the WSGC article, the destruction video is a fraud. Pertinent questions quickly came to mind.

How did all those people know that the 2nd cube was going to be removed that day, and yet not a single actual news crew showed up? No reporters, no official cameras. Instead we are treated to a single video recorded off what appears to be a young woman's smartphone. The man who climbed the ladder and removed the cube. How did he know that he wouldn't need tools to remove it when he climbed the ladder? Why did the girl have all the time she needed to record all sides of the cube, without the officer making her step away from the evidence? And why did the ladder man bring the tools he needed to destroy the cube ahead of time? All of these questions are answered easily and obviously. This was a planned extraction for the purpose of information dispersion and cover up. Those who needed to see the sides of the cube (Freemasons) were able to do so through social media. The rest of us were lead to believe the 2014 cube was unwanted by Elberton County and was thus destroyed. Destroyed evidence with no culprits even mentioned as targets of investigation? Sounds fishy because it's a

red herring. I'm sure it's of no surprise to you that most of the people involved in this recorded scene were masons.

Now let's talk about what the 2nd cube means:

So the cube says: 8 16 20 14 MM JAM

People first assume this is a date of 8/16/2014. That's because they read the cube in the wrong direction. They are reading the cube spun clockwise. This is wrong. Remember the Guide Stones make a big deal out of Polaris. And viewed from Polaris the Earth turns counter-clockwise. The cube date read in this direction becomes: 8/14/2016.

This is important for two reasons. The obvious being that unlike 8/16/2014, 8/14/2016 hasn't happened yet (when this was originally written). But more importantly, August 14th is a day that means a lot to Freemasons. They HATE that day and for good reason. The first true public enemy the Freemasons had was William Morgan. Long story short, this man had access to secret Freemason rituals and materials and planned to make them public. He planned to expose the Freemasons via a book called "*Illustrations of Masonry, By One of the Fraternity Who Has Devoted Thirty Years to the Subject*". He obtained a copyright for this particular book on August 14th, 1826. Shortly afterwards he was murdered by Freemasons. This led to the Morgan affair which led to the Anti-Masonic Party. To this very day, Freemasons loathe the date August 14th. They see it as the point at which society at large turned against them. What better day then, for the Freemasons to enact their revenge? To turn against society? And thus we have the date of the 2nd cube being: 8/14/2016.

But what of the letters MM and JAM?

MM stands for Master Mason. No surprise. Lots of people figured that one out.

Nobody figured out JAM. I guess no one studies Latin anymore?

JAM stands for *Judicium Anno Mundi*. "In the judgment of the world."

**Judgement day.**

The 2nd cube tells those who can read it that the Master Mason will bring Judgement Day on 8/14/2016.

This is the extent of information that I can tell you. Research the things I've said, you will find all of it true. I leave this upon you and one other soul to decide what to do with all this information. Good luck and bless you as an agent of truth. From here on out, I do not exist. We will never speak again."

I underscored remarks on page 14, with implications this event was/is planned to occur on a specific date. 8/14/2016 has come and gone, yet the implications remain. We can only speculate whether this great culling event is to be executed all at once or whether it begins on a specific date and gradually culls the population. It is unlikely that Freemasons would go to the expense to build a monument to their grand event unless they were deadly serious about their intent. Thus we cannot dismiss the Georgia Guide Stones because of those infamous words: **"Maintain humanity under 500,000,000 in perpetual balance with nature."**

What is the true significance of the American Stonehenge, and why is its covert message important? Because it confirms the fact that there was and still is a covert group intent on:

- (1) Dramatically reducing the population of the world.
- (2) Promoting environmentalism.
- (3) Establishing a world government.
- (4) Promoting a new spirituality.

CDC Director Robert Redfield announced the roll out of vaccines for the first weeks of December. The report by Jim Stone on the bacteriophage developed in a Jewish lab is further evidence that among all the vaccines that the FDA may approve, one or more will likely contain a bio-weapon which, if not harmful, will be fatal! The Deagel Report confirms that high-level elements of our government want to eliminate 200+ million Americans. To be forewarned is to be forearmed! As a watchman, I live by Ezekiel 33:7, and I have warned with as much evidence as I can bring.
