

Depopulation

#1 Global Issue Since 1968

Part 5

The British publication, *'The Big Issue'*, which is sold on the streets by unemployed people, claims to have been leaked minutes from the 1999 meeting of the Bilderberg Group which took place in Portugal.

'Bilderberg': Secret Minutes Revealed for the first time in 50 years. The late Jim Tucker went to great length to gain as much information from the meetings, offering cash to servers, wait staff, room service, custodians, grounds keepers, or anyone that might pick up left behind minutes, etc.

On 15 November, 1999, Gibby Zobel reported in *'The Big Issue'*, London the story that gained attention across the world.

For nearly 50 years an elite group of the West's most powerful men and women, including Bill Clinton and Tony Blair, has met in secret. Today *'The Big Issue'* can reveal for the first time the confidential minutes of The Bilderberg Papers of what some commentators have called a shadow world government.

The clandestine meetings do not make policy, yet directly inform the thinking of world leaders. This year's meeting took place in June under armed guard at the exclusive Caesar Park Hotel, Penha Longa, Portugal. Northern Ireland secretary of state Peter Mandelson, Conservative MP Kenneth Clarke, and environmentalist Jonathon Porritt attended and mixed with presidents, chairmen of multinational companies, world bankers, NATO chiefs and defense ministers.

The 64-page leaked document reveals the group was advised that after Kosovo, Russia now has carte blanche to intervene in Chechnya. NATO will not bomb Moscow if Russia invades Chechnya. Two hundred thousand Chechens have been forced to flee their homes since Russia began bombing last month. Last week the Clinton administration accused Russia of breaking international law. But the minutes make clear that world leaders are operating in an environment where international law has become obsolete and where NATO is in danger of effectively becoming a colonial power.

In another debate, How Durable is the Current Rosy Complexion of European Politics?, Britain's cuts in welfare were put into sharp context. The new Left, argued one Briton, was consolidating the victories of the Right. The electoral failures of the Right had largely been self-inflicted, and the Left may well prove to be better at reforming the welfare state. With 17 million unemployed, it might be easier for somebody who claimed to be a socialist to impose change. Welfare, one panelist thought, would be the Red

man's burden. Governments had to think like business people. But not every socialist government in Europe has bitten the bullet the group talked of Germany, France and Italy's lack of guts for welfare cuts.

The creation of the "welfare state" to create dependency and then the destruction of that welfare structure to leave people helpless and forced to do whatever they are told to survive has been one of the key plans of the Illuminati in the 20th century. Tony Blair, the British prime minister and Bilderberg puppet, has been put in there to do just that.

It is also a well-tested technique to use "socialist" parties with an image of "caring for the downtrodden" to introduce these changes which right-leaning parties with an image for not caring for the downtrodden, would not get away with.

Government's fear of social unrest was the major reason for lack of action. As a British panelist noted: *"Things would only change when the cost of not doing anything really did seem larger than that of doing something. Most of the group thought the new European Left was just a genetically modified version of the old one. It is simply a rotation of power, said one German. In many cases the real power lies with central banks. This idea was given greater emphasis by discussions about the introduction of dollarization."*

The Bilderberg papers reveal:

- NATO has given Russia carte blanche to intervene in Chechnya
- After the Euro, a global currency dollarization may be the next step
- Post-Kosovo, NATO is in danger of mimicking a colonial empire
- It's easier to cut welfare benefits if you call yourself a socialist

HIDDEN AGENDA - FEATURE

In the first of a two-part series, Gibby Zobel uncovers how the global power elite decide our future at the shadowy Bilderberg Summit each year. Documents from the secret summit - leaked to *'The Big Issue'* - reveal what they said about money and war.

For nearly 50 years an elite group of the West's most powerful men and women, a shadow world government, have met in secret. Tony Blair is in the club. Every U.S. president since Ike Eisenhower has been too. So are top members of the British Government. So are the people who control what you watch and read the media barons. Which is why you may never have heard of Bilderberg?

Lines of black limousines, unmarked except for an OB on the windscreen, swept in, sometimes accompanied by police escorts, sometimes not, says an eyewitness of this year's meeting in Portugal. A helicopter was overhead, and other security officers were prudently patrolling the hillsides. The policy on duty at the gates made it crystal clear that they were only the tip of the security iceberg.

For two-and-a-half days, relaxing in exclusive luxury amid vast armed security, the powerful leaders discussed,

- past and future wars
- a European superstate
- a global currency
- genetics
- dismantling of the welfare state

Unaccountable, untroubled and unreported, the Bilderberg meetings have formed the basis of international policy for decades.

Last year freelance journalist Campbell Thomas was arrested just for knocking on doors near the clandestine gathering in Turnberry, Scotland. He remained in custody for eight hours. Other journalists were told that even the Bilderberg menu was confidential (a move they named Kippergate). A serving police officer told *'The Big Issue'*: Special Branch and CIA were everywhere they were calling the shots.

Never in its 47-year history has the content of these discussions been made public. Until now! *'The Big Issue'* has uncovered the Bilderberg Papers the secret minutes of this year's meeting in Portugal. Some of it is banal, some of it sensational. It blows the lid off the thoughts of presidents, chairmen of multinational companies, world bankers, NATO chiefs and defense ministers.

The meetings are shrouded in such secrecy that Prime Minister Tony Blair, when asked last year in the House of Commons, failed to disclose his own attendance at Bilderberg in Athens in 1993. So, what have they been hiding?

Although 14 media chiefs and journalists from across eight countries attended this year, none of them chose to tell their readers of the meeting. It would not serve their interests to be cut out of the elite loop.

With an invite-only guest-list, covert operations and such deafening silence, it is little surprise that conspiracy theories have thrived, from the anti-Semites who believe in Jewish global elite, to the paranoid delusions of the radical left. The effect has been to leave the importance of the meetings tainted by association. It suits the Bilderbergers perfectly.

Why oh why do people who present evidence of a conspiracy still dismiss so contemptuously those who have been investigating for decades the very covert manipulation which the big issue has at last turned its attention to?

I have been ridiculed in Britain for years for saying the very things that the big issue is now confirming in this article. what they do not seem to appreciate yet is that the

Bilderberg Group is actually only one strand in a gigantic web - a web that is creating the very unemployment and lack of opportunity that the big issue is seeking to address.

The Bilderberg meetings began in a Dutch hotel on May 29 1954, from where it gets its name. The Economist, in a rare reference to it in 1987, said that the importance of the meetings was overplayed but admitted: When you have scaled the Bilderberg, you have arrived.

At last year's meeting, former defense minister George Robertson, who is now NATO secretary-general, planned strategies with the Bilderberg chair and ex-NATO chief Lord Carrington.

Observer editor-in-chief Will Hutton attended Bilderberg in 1997. He believes that it is the home of the high priests of globalization. No policy is made here, he says, it is all talk. But the consensus established is the backdrop against which policy is made worldwide.

The 64-page leaked document The Bilderberg Papers is dated August 1999. The powerful transatlantic clique at the private hideaway included new Northern Ireland secretary Peter Mandelson MP, environmentalist Jonathon Porritt, Kenneth Clarke MP, former US secretary of state Henry Kissinger, billionaire oil and banking tycoon David Rockefeller, Monsanto chief Robert B Shapiro, and the head of the World Bank, James D Wolfensohn.

Although Asian and African politics and economics were discussed the continents countries had no seats at this summit. The official eight-strong UK delegation included bankers Martin Taylor, former chief executive of Barclays and Eric Roll, and a banker for Warburg's. They were joined by Martin Wolf of The Financial Times and two journalists from The Economist, John Micklethwait and Adrian Wooldridge, who, the minutes indicate, prepared this document.

The papers are marked 'Not for Quotation'. It states:

There were 111 participants from 24 countries. All participants spoke in their personal capacity, not as representatives of their national governments or employers. As is usual at Bilderberg meetings, in order to permit frank and open discussion, no public reporting of the conference took place.

None of the quotes in each of the 10 sections are directly attributable to any named individual, but the moderator and panelists in each discussion are listed. It is made perfectly clear, however, who is saying what. It is not known who else is in the audience, but their comments are identified by their country and profession.

Over two weeks, we report on the central themes of this year's meeting. This week: money and war. Next week: genetics what the head of Monsanto and a leading British environmentalist discussed behind closed doors. What they said about money. Giants

of the global banking world, in a debate titled Redesigning the International Financial Architecture, discussed the concept of dollarization which is sure to send Euro-skeptics into frenzy.

Around the table were Kenneth Clarke MP, Martin S Feldstein, president of the National Bureau of Economic Research, Stanley Fisher, deputy managing director of the International Monetary Fund (IMF), Ottmar Issing, board member of the European Central Bank and Jean Claude Trichet, governor of the Bank of France.

Bilderberg is understood to have been the birthplace of the single European currency. The deputy director of the IMF opens by remarking: It is worth noting that this is the first Bilderberg meeting where the euro is fact rather than a topic for discussion. During the discussion, One of the panelists was sure that if the euro worked, more regional currencies would emerge. Others raised the question of dollarization as a possible cure.

There is a dissenting voice: The only possible reason for surrendering control of your monetary policy to Washington (where nobody would make decisions on the basis of what mattered in Buenos Aires [or London]) is the fairly rotten financial records of the governments concerned.

What they said about war:

Despite Tony Blair's presidential stance over Kosovo, NATO's historic war was pilloried at Bilderberg. The mood at the meeting was surprisingly subdued most of the speakers concentrated on the downside of the conflict, begins the discussion on Kosovo.

Henry Kissinger, former U.S. secretary of state, weighs in, saying Kosovo could be this generation's Vietnam. NATO is in danger of replacing the Ottoman and Habsburg Empires in a series of permanent protectorates, he said.

EXACTLY WHAT HE AND THE ILLUMINATI WANT!

Another panelist warned that troops could be there for 25 years.

Kissinger felt that this left NATO open to accusations of colonialism. How did one persuade countries like China, Russia and India that NATO's new mandate was not just a new version of the white man's burden colonialism? asked Kissinger.

Charles D Boyd, executive director of the US National Study Group, said Kosovo is now a wasteland, a humanitarian disaster comparable with Cambodia. NATO used force as a substitute for diplomacy rather than as a support for it used force in a way that minimized danger to itself but maximized danger to the people it was trying to protect.

An unnamed British politician wondered whether the [NATO] alliance could hang together after the end of the war. He warned that there would be little popular enthusiasm for putting lots of resources into solving the regions gigantic problems.

Peter Mandelson told the group that two roads stretch in front of NATO. One leads to a new division of Europe, where the continent returns to its ethnocentric ways. Under this scenario, the UN is fairly powerless, Russia and China are excluded, and NATO is little more than an enforcer. The second road is a little closer to the nineteenth century Europe, with all the great powers not just America and the EU, but Russia, China and Japan co-operating.

The world elite who orchestrate the coming year's world events are skilled word smiths in their cryptic terms and phrases. They have had decades of being able to obscure the meanings of what may surface in the general media and so it is that many reports elude the outside world as to what is meant in their presentation papers.

These people earned the title of "Black" nobility from their ruthless lack of scruple. They employed murder, rape, kidnapping, assassination, robbery, and all manner of deceit on a grand scale, brooking no opposition to attaining their objectives. These all have immense wealth. And money is power. But this term "Black" nobility is often misunderstood. They represent but one-third of the Bilderbergers, I will discuss later.

The most powerful of the Black Nobility families are located in Italy, Germany, Switzerland, Britain, Holland and Greece in that order. Their roots may be traced back to the Venetian oligarchs, who are of Khazar extraction, and married into these royal houses in the early part of the twelfth century.

(Following a great Khazar victory over the Arabs, the future Emperor, Constantine V, married a Khazar princess and their son became Emperor Leo IV, also known as "Leo the Khazar". The Medici popes, and Pius XII (Eugenio Pacelli) were Khazars, as was Pope John Paul II. Not all Black Nobility are royal houses, and many of the royal families no longer have kingdoms. According to researcher and author Dr. John Coleman, a "Committee of 300" was established early in the eighteenth century, "although it did not take on its present form until around 1897", (when the China opium trade was legalized).

Documentary proof as to the existence of the Committee of 300 is not forthcoming, and it may be no more than a convenient phrase to describe certain key players. Dr. John Coleman did publish a book by that name.

Socialist politician and financial adviser to the Rothschild's, Walter Rathenau, writing in the Wiener Press (24 December, 1921) said,

"Only 300 men, each of whom knows all others govern the fate of Europe. They select their successors from their own entourage. These men have the means in their hands of putting an end to the form of State which they find unreasonable."

Exactly six months after publication, Rathenau was assassinated. What Walter Rathenau revealed on Christmas Eve, 1921, is believed to be the reason for his death!

Dr. Coleman's work opens the door to further studies on named members of the ruling elite, particularly in America. Whereas the English have a long history and are very aware of their ancestry, certain families of "blue-bloods" in the United States that have historic ties with the British through blood and money. The Queen still exerts her control over the U.S. through her Privy Council, and the Pilgrim Society, We are learning that our current Secretary of State, Michael Pompeo may have been groomed a long time ago, back when he graduated from the U.S. Military Academy at West Point to serve the Queen of England to do her bidding. This is an important point in what was revealed by the March 21, 2020 statement about Covid-19 a "live exercise". Mike Pompeo had a major slip of the tongue while addressing the American people from the White House when he stated that Covid-19 is a live military exercise. I will continue with that story in my next segment on Depopulation.

These "noble" families are behind most if not all of the so-called pro-environmental movements that are actually intended to curb the population growth of ALL nations. Prince Philip and Prince Charles are the most visible symbols of this movement, and are a true part of this conspiracy to destroy industry and take the world back to a New Dark Age. Although the Bible tells us we will in the end, it is frustrating nonetheless.

Most if not all the crowned and uncrowned heads of these dynasties enjoy huge incomes from ground rents. All favor Global 2000 Report to the President that's

calculated to end all industrial progress, and by famine, disease and wars, eliminate the excess population industry supports. All oppose nuclear power that can produce clean cheap electricity, the key to economic development and prosperity in the Third World. They ardently desire a return to the feudal system where they will once again be absolute rulers.

While professing Christianity, the oligarchical families, for the greater part, *actually despise it in secret*. Freemasonry provides their religious fulfillment. And without faith, they have no belief in reward or punishment and a world to come. They live for the here and now.

Many of these oligarchies are in the drug and arms trade through well-distanced intermediaries (like so many of the large banks).

In 1815 the Jesuits/Rothschild's and their Freemason allies among the crowned heads of Europe held the Congress of Vienna, whereby Swiss neutrality (already sanctioned by the Peace of Westphalia in 1648) was forever guaranteed; and no matter how many wars are provoked in which the common man has to do the fighting, the money of the Nobility in Switzerland should always be free from plunder. It's part of Rothschild's meticulous long-range planning, and why Switzerland exists to this day. But that doesn't mean to say your money would be safe. Some U.S. \$280 billion in flight capital and drug money flows into the Swiss accounts of the Black Nobility.

The place of Freemasonry in the power structure of the Elites is quite evident as they carried through Adam Weishaupt's conspiracy to avenge the Jesuits after their abolition in 1773 by short-lived Pope Clement XIV as *"immoral and a menace to the Church and the Faith"*. By launching the French Revolution and directing Napoleon's conquest of Catholic Europe, and by revolts against the church in Mexico and Latin America, they cut-off Vatican income. Restoration or reinstatement of the Jesuits in 1820 resulted in a captive Roman Catholic Institution ever since.

Nathan Rothschild's financing of Britain resulted in the defeat of Rome's enemy Napoleon, (as well as being the source of his wealth and influence). Since Gregory XVI conferred a Papal decoration on Kalman Rothschild for loaning the Vatican five million pounds in a period of difficulty, the Rothschild's have been the fiscal agents of the Vatican since 1820. With Vatican interests at heart, the Rothschild's extended their financial and political dominion in the United States.

The Vatican's interest in the U.S. was clearly revealed in the secret 1822 Treaty of Verona between Austria, France, Prussia, and Russia whereby the Jesuit Order pledged itself as the price of reinstatement to destroy "the works of Satan" it had established in setting-up, by revolution, representative governments such as the republics and "democracies" of France and the USA, replacing them with the only form of government approved by the church, rule by "divine right", as declared by the Vatican -(Daniel 2:42-43; Revelation 17:12-13).

Americans know little to nothing about what I just stated above, but the Jesuits have been working night and day to bring about the collapse of the U.S.A. The events became more evident during the Obama administration, with the packing of his cabinet with Jesuits and Jesuit-trained administration officials.

Also attending are, clockwise from left, Robert Cardillo, DIA Deputy Director (and now Director of National Intelligence for Intelligence Integration and schooled at Georgetown), Deputy National Security Advisor Tom Donilon (Donilon attended La Salle Academy, earned a B.A. at The Catholic University of America in 1977 and is connected personally to the Biden family), Rodney Snyder, Senior Director for Intelligence Program, NSS (Can not find any kind of BIO on him), John Brennan, Assistant to the President for Homeland Security and Counterterrorism (Attended private catholic schools from his youth, is Alma mater at Fordham University and is former CIA), and National Security Advisor Gen. James L. Jones (Alma Mater Georgetown University). (Official White House Photo by Pete Souza)

As Senator Robert Owen pointed out to the US Senate in 1916, the prime target to which the Vatican and the "Holy Alliance" directed the subversive and destructive activities of the Society of Jesus, is the United States, and other republics in the Western hemisphere. This plot, he claimed, was the target at which the Monroe Doctrine was directed. What the Senator did not realize is that the Monroe Doctrine protects the interests of "The City of London".

The Rothschild-Vatican cabal unsuccessfully attempted to gain control over the power of the purse in the U.S. through the First and Second Bank of the United States. They were established under emergency powers granted to the President by the Constitution, as temporary institutions to tide the country through the periods of financial stress occasioned by the Revolutionary and 1812 Wars. But the aims of the conspirators to establish a banking monopoly were thwarted by the Constitution, Until the FED.

It is said the Black Nobility promised a neutral Germany if Soviet Russia allowed East and West Germany to reunite. And that Russia promised to see that all royal houses are restored to the rightful heirs if they decouple Europe from the American Alliance.

Imperial nobility enjoy a more elevated status than the nobilities of the German successor states and, indeed, of the Italian states. The descendants of Italian Holy Roman Empire titles have formed an Association to which all male line descendants of someone ennobled by Imperial Patent is entitled to belong. And the Principality of Liechtenstein has also claimed the ability to confirm a succession to Imperial titles, and has confirmed the right of a Spanish noble man to heir such a title for purposes of the Spanish law requiring the successor state to confirm that the claimant to a particular title is in fact the heir. Thus there is a remaining jurisdiction, even though no Imperial titles have been conferred since 1806.

In 1963, the Holy Roman Empire Association (Associazione dei Nobili del Sacro Romano Impero) was established to unite male descendants in its membership who are invested with nobility of the Holy Roman Empire. It also includes a number of honorary members.

The Black Nobility belongs to the "Committee of 300" that controls the UN.

Prince Bernhard of the Netherlands has the power to veto the Vatican's choice of any pope it selects. This may explain the untimely end to Pope John Paul I's 33-day pontificate. The Prince has veto power because his family; the Habsburgs, are descended directly from the last Roman emperor. (The Habsburg Frederick III was the last emperor to be crowned in Rome; his great-grandson Charles V was the last to be crowned by a pope). This is the civil equivalent of the Pope's claimed "apostolic succession" from Saint Peter.

Prince Bernhard is leader of the Black Families and he also claims descent from the House of David through the Merovingian dynasty, a claim that was acknowledged to be

valid by the Carolingian dynasty that supplanted them, by other monarchs and by the Roman Church of that time. Thus he can truly say that he is "related to Jesus".

Prince Bernhard's House of Orange had its origins in France. The Habsburgs are related through marriage with the Merovingians, who are said to have descended from the Tribe of Benjamin who went into exile following war with the other eleven Tribes - see Judges chapter 21. Exile took them to Arcadia in the central Peloponnese, Greece.

Here they aligned with the Arcadian royal line and towards the advent of the Christian era, migrated up the Danube and Rhine, through marriage engendering the Sicambrian Franks - the immediate forebears of the Merovingians, who were ultimately of Semitic origin, and descendants of King Saul.

They are identified with the Spartans, and both books of Maccabees link the Spartans with the Jews. I Maccabees 12 tells of Jonathan sending a letter to the Lacedemonians (Spartan Greeks) asking for their help, since they were brethren. The Spartans replied,

"It is found in writing, that the Lacedemonians and Jews are brethren and that they are of the stock of Abraham" (verse 21).

It is assumed by some writers that this means the Spartans were Israelites, but the Spartans were not Israelites they were Edomites descended from Bela son of Beor and brother of Baalim, and king of Edom -(Genesis 36:32; 1st Chronicles 1:43). Edom was the son of Isaac and grandson of Abraham who sold his birthright, and bred his posterity off the Book of Life.

Early in the fifth century the Merovingians established themselves in what is now Belgium and northern France. There they adopted the Cabalistic pseudo-Christianity of the Cathars, a dualistic religion that holds there are two eternal gods, the god of Good and the god of Evil. It is revealing that this Luciferian belief is held by Masons of high degree and those who would be Masters of this world today, and who claim that Lucifer will ultimately be victorious. This theme of dualism is widespread in Masonic teaching, and groups that use the dual face of Janice or the double-headed Phoenix bird on their flags and documents. All Freemasonic Lodges have a checker-board floor pattern in their worship halls.

Under Clovis I, who reigned from 481-511, the Franks converted to Roman Catholicism. Through him, Rome began to establish undisputed supremacy in Western Europe. In return for being the sword of Rome whereby the church would manifest her power and impose a spiritual dominion, Clovis was granted the title of "New Constantine" and to preside over a unified "Holy Roman Empire" based on the church and administered on the secular level in perpetuity by the Merovingian bloodline. Like "the sure mercies of David", this was a pact that could be modified, but not revoked, broken or betrayed.

They believe Jesus survived the cross and married Mary Magdalene who bore His son then lived in seclusion in the south of France. During the fifth century this lineage is said to have married with the royal line of the Franks engendering the Merovingian dynasty.

When in 496 the church pledged itself in perpetuity to the Merovingian bloodline it was presumably in full knowledge of their claimed identity. This would explain why Clovis was offered the status of Holy Roman Emperor, and why he was not created but only "crowned" king. In 754 the church clandestinely betrayed its pact.

The Priore de Sion is the name of the secret order which created the Knight Templars as its military and administrative arm. (It should be remembered that the Knight Templars were the forerunners of Freemasonry). The Priore de Sion continues to function through the centuries, acting in the shadows, and has orchestrated certain critical events in Western history.

It exists today and is still operative. Its declared objective is the restoration of the Merovingian dynasty and bloodline - to the throne not only of France, but of other European nations as well -- a restoration that is sanctioned and justifiable, both legally and morally.

There is strong evidence to suggest that this order was the author of Freemasonry, and "The Protocols of the Learned Elders of Sion", as well as the Rosicrucians.

There is abundant evidence to suggest that Nostradamus was one of their secret agents, and there is no question that numerous quatrains which refer to the advent of "*le Grand Monarch*" indicate that this sovereign will ultimately derive from the Merovingian dynasty; Implying a double hegemony of the Papacy and the Empire, of the Vatican and of the Habsburgs. He frequently referred quite explicitly to the Knights Templars and to the house of Lorraine which is now synonymous with the Habsburgs.

Although deposed in the eighth century, the Merovingian bloodline did not become extinct. On the contrary it perpetuated itself in a direct line from Dagobert II and his son Sigisbert IV. By dint of dynastic alliances and intermarriages, this line came to include Godfroi de Bouillon, who captured Jerusalem in 1099, and various other noble and royal families, past and present - Blanchefort, Gisors, Saint-Clair (Sinclair in England), Montesquieu, Montpezat, Poher, Luisignan, Plantard and Habsburg-Lorraine. At present, the Merovingian bloodline enjoys a legitimate claim to its heritage.

The crown of Charlemagne -- a replica of which is now part of the imperial Habsburg regalia -- is said to have borne the inscription "Rex Salomon" (Encyclopaedia Britannica, 14th Ed., 1972, Crown and Regalia, Fig. 2).

And the "Spear of Destiny", which is said to have pierced Christ, resides today in the Treasure House, Vienna, awaiting another Holy Roman Emperor (The Rigby Joy of Knowledge Library. History and Culture I, 1977:160; The Holy Roman Empire, Friedrich Heer, pg. 284). It is clear why the "*Protocols of the Elders of Sion*" speak of a new king

"of the Holy seed of David", -(*Holy Blood and the Holy Grail*, Baigent, Leigh and Lincoln). This is the connection point for Prince Charles of Wales, which I discuss in greater detail in **"The Satanic Talmud and the Synagogue of Satan – Part 6"**. **Prince Charles is your Biblical anti-Messiah!**

Otto von Habsburg (image right) is today the titular Duke of Lorraine and King of Jerusalem.

The Priore de Sion claim to hold the lost treasure of the Temple of Jerusalem plundered by Titus in AD70 which would be returned to Israel "when the time was right". This might explain why Rome must defer to the "kings of the earth" and how she will seal a covenant with the Jews who have long hidden behind the shield of baptism.

Prince Bernhard is in fact related to the Khazars, and therefore a Gentile. Revelation 2:9, ***"I know thy works, and tribulation, and poverty, (but you are rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."***

Assisted by the CIA, Prince Bernhard has brought the hidden ruling body of the Illuminati into public knowledge as The Bilderberg Group. -(Established in 1954, its headquarters is at 1 Smidswater, Den Haag, Nederlands). The CIA or the Catholic Intelligence Agency masks itself as the Central Intelligence Agency of the U.S. Look at the Obama Cabinet photo on page 9 and consider the implications of that photo caption.

At the heart of the Bilderberg Group are 39 members of the Illuminati chosen from three committees [a collective control] drawn from the members of all the secret groups that comprise the Illuminati:

- **the Freemasons – 13 members**
- **the Vatican – 13 members**
- **the Black Nobility – 13 members**

This committee works year round in offices in Switzerland.

The Committee of 300 now call themselves World Government Founders for the NWO.

A reference no doubt to their hereditary claim to the "Divine Right of Kings". It is imperative that we realize that privately, the Black Nobility refuse to ever recognize any government other than their own inherited and divine right to rule. They believe the United States still belongs to England. And work diligently behind the scenes to cause conditions whereby they might regain their crowns. The reader can see from this breakdown of the Bilderberger Group that the rulers of the world work closely together from the three major branches. They hold the same values in that they worship Lucifer, and are at work undermining traditional Judeo-Christian religious and philosophical tenets and values. Pope Francis' job is to tear down what was once traditional Roman Catholicism and transition to a new world religion.

THE U.S. PYRAMID POWER STRUCTURE OF THE N.W.O.

THE COUNCIL OF 13

**The Demoncrats - enemies of America
Agents of Soros - The Black Pope**

A Crown Council of 13 sits atop the Bilderberg Group. There are two other Councils, one the Council of 3 and a Council of 7. The individuals occupying those positions are obviously unknown. Speculation of their identity is just that. The only individual that we can confirm with Biblical certainty is the Antichrist, of which is Prince Charles of Wales. All the detail you want to prove that is revealed in **“The Satanic Talmud and The Synagogue of Satan – Part 6”**. **The all-seeing eye is not a reference to God, but to Lucifer.**

The theme of Dualism, like the two-face of Janus, Masonic Lodge “checker-board” floor of the Lodge, two-headed Phoenix bird of Freemasonry, which I referred to previously can be found in the use of the “eye”, it can be the left or right, and each has its own meaning. The two-face image Janus-faced means possessing two different natures or characters, deceitful, two-faced or insincere.

Who Are The Black Nobility Families Today? The most important ones, according to Ben Fulford of Prepare for Change are:

- House of Bernadotte, Sweden
- House of Bourbon, France
- House of Braganza, Portugal
- House of Grimaldi, Monaco
- House of Guelph, Britain (the most important one)
- House of Habsburg, Austria
- House of Hanover, Germany (the second most important one)
- House of Hohenzollern, Germany
- House of Karadjordjevic, Yugoslavia (former)
- House of Liechtenstein, Liechtenstein
- House of Nassau, Luxembourg
- House of Oldenburg, Denmark
- House of Orange, Netherlands
- House of Savoy, Italy
- House of Wettin, Belgium
- House of Wittelsbach, Germany
- House of Württemberg, Germany
- House of Zogu, Albania “

You will find all these families on the Windsor family tree, are all connected with the House of Guelph:

“one of the original Black Nobility families of Venice, from which the House of Windsor and thus the present Queen of England, Elizabeth II, descends. The Guelphs are so intertwined with the German aristocracy through the House of Hanover that it would take several pages to mention all their connections. All or (almost) European royal houses originate from the House of Hanover and thus from the House of Guelph — the Black Nobility.[...] This is the main reason why these 'noble' families are behind most, if not all, of the wrong-headed pro-environmental movements of the world that ultimately and covertly (of course) aim to curb population growth.”

Queen Elizabeth’s husband, HRM Prince Phillip was a Nazi during the 1930s. The photo below and on page 18 shows him at his sister’s funeral.

Phillip at his Sisters funeral - Note the Nazi salutes

“Curbing population growth” is another term used for the Elites’ depopulation eugenics agenda, or in fact genocidal, agenda of humanity or the UN’s Agenda 21, and Agenda 2030.

The Black Nobility families are not the same as those Fritz Springmeier names as the Bloodlines of the Illuminati. They included:

These are the 13 Illuminati Bloodlines, according to Fritz Springmeier (1995):

- The Astor Family
- The Bundy Bloodline
- THE Collins Bloodline
- THE DuPONTS
- The Freeman Bloodline
- THE Kennedy Family
- The Li Family
- THE Onassis Bloodline
- The Rockefeller Bloodline
- The Rothschild Bloodline

Not only 13, but 17 bloodlines according to Springmeier. (1995) provides eye-opening information about the background of these bloodlines. These are allegedly their beliefs.

“These elite families designed strategies and tactics to perpetuate their occult practices. Layers upon layers of secrecy have hidden these families from the profane masses [...] In mockery and imitation of God’s 12 tribes, Satan blessed 12 bloodlines. One of these bloodlines was the Ishmaeli bloodline from which a special elite line developed alchemy, assassination techniques, and other occult practices. One bloodline was Egyptian/Celtic/Druidic from which Druidism was developed. One bloodline was in the orient and developed oriental magic. One lineage was from Canaan and the Canaanites. It had the name Astarte, then Astorga, then Ashdor, and then Astor. [...] The tribe of Dan was used as a Judas Iscariot type seed. The royalty of the tribe of Dan have descended down through history as a powerful Satanic bloodline. The 13th or final blood line was copied after God’s royal lineage of Jesus. This was the Satanic House of David with their blood which they believe is not only from the House of David but also from the lineage of Jesus, who they claim had a wife and children. The 13th Satanic bloodline was instilled with the direct seed of Satan so that they would not only carry Christ’s blood—but also the blood of his “brother” Lucifer. [...] One of the bloodlines goes back to Babylon and are descendent from Nimrod. Down through the years the occult world has remained hidden from the history books.”

He explains that only on the surface these bloodlines appear to be against Communists who supposedly want to take the money of the super-rich families and give it to the people. However, this is double talk for “the people” to believe that Communists are against Capitalists. It’s an illusion designed for us. According to Springmeier, these families “generally get along quite well with Communists. But Communists, like the super-rich families, are not the enemies of MONOPOLY CAPITALISM: they are the foes of FREE ENTERPRISE.” (Untitled manuscript of David Hill, pg. 215.)

These bloodlines are called “generational Satanic bloodlines of the Illuminati” by Fritz Springmeier and this is how they control the world by selecting their minions as the Prime Ministers and Presidents of states. A genealogy study, according to the *‘Daily Mail’*, reveals that 42 out of 43 U.S. presidents except for one are directly descended from one English king, King John of England.

Fritz Springmeier’s *‘Bloodlines of the Illuminati’* went through three editions, and have a hefty price on the used book market. I own the first two editions that came out from 1996 and 2000. It remains one of the major sources on the world of the elite and its secret societies that rule the world. I’ve included a picture of the cover of the 2nd edition on the next page.

Regardless of what one believes, they are not as free as they may think. There is a global pecking order [term used to describe chickens] among the world elite. It does not matter who your favorite politician is, they were all hand-picked by someone higher on the pecking order. You do not apply; you are invited into the Cabal!
