### Part 7

Several days ago Makia Freeman posted an interesting report that deserves our attention. Makia Freeman writes for 'The Freedom Articles' web page, and is often on top of anything related to this fraud scamdemic and how it is being exploited to bring on the World Economic Forum's so-called 4<sup>th</sup> Industrial Revelation. Her clarity and sharp thinking helps us to understand how humanity is being deceived.

I share her report posted on November 1<sup>st</sup>, 2020, and written back on October 21, 2020.

The title of the piece is: [BIOWEAPONS / CORONAVIRUS NWO 16 Glaring Parallels Between the 9/11 and COVID Ops](#)

#### AT A GLANCE...

- THE STORY: There are numerous striking 9/11 COVID similarities, ranging from before the operation/event happened (foreknowledge) to how it was covered up afterwards.
- THE IMPLICATIONS: Ops like 9/11 and COVID are psychological in nature. We can discern the pattern of manipulation if we pay attention, and thus become immune to it.

Take a close look at the 9/11 COVID similarities; there are glaring parallels between these 2 operations, both of which involve psychological and ritualistic trauma.

**There are numerous 9/11 COVID similarities** to be seen and understood as the world goes ever deeper into **Operation Coronavirus**. Many nations around the world, including [Canada](#) and [Australia](#), are making moves to roll out the next phase of the operation, which involves digital identities, biometrics and digital vaccine certificates (or immunity passports), just as [Bill Gates foretold all those months ago](#). It is imperative that we all understand that this is a far-reaching operation or live exercise designed to fundamentally transform society in alignment with the goals of the New World Order (NWO). By comparing the current COVID op to the 9/11 op, we can discern the patterns and become wiser to the agenda, for there is a certain way that evil hijacks good. Below is a list of 16 different **9/11 COVID similarities** that I have noticed, however there may well be many more.

### **1. MSM and Governments Amp Up the Fear with Incessant Coverage and Propaganda**

The MSM (Mainstream Media) has barely focused on anything other than COVID since March, with the purpose of almost all the 'news' being to scare the living daylights out of people and render them into docile submission. Many of the initial projections turned out to be completely and utterly wrong. The Gates-owned WHO (World Health Organization) predicted the IFR (Infection Fatality Rate) would be 3.4%, when later a Stanford University study and the CDC put it at more like 0.1 – 0.26%; the Gates-funded Imperial College predicted 2 million American would die when actually only around 225,000 have so far (and those official statistics are embarrassingly fake due to COVID death certificate fraud). Likewise, in the aftermath of 9/11, there was unending propaganda about how freedom itself was under attack by **radical Islamic terrorism**. People were first traumatized and then besieged with a slew of misinformation which disguised the [true conspirators](#), shifted attention to fictitious enemies and fostered the desire in people to want to be saved (the basis for increased governmental control). One of the interesting 9/11 COVID similarities is the color-coded threat chart.

## 2. Governmental Reaction Kills Way More People than the Event Itself

In both cases, the governmental reaction is worse than the supposed threat itself, just as in Western Medicine, where frequently the cure is worse than the disease. Chemo, anyone? The official narrative of 9/11 tells us that around 3,000 Americans died from the event, however the 9/11 spawned the War on Terror, under whose auspices the US invaded Iraq, Afghanistan and later many other Middle Eastern nations, killing at least 1 million people in Iraq alone. When Operation Coronavirus began, we were told to lock down for 2 weeks to 'flatten the curve' however here we are 7+ months later and people are still walking around wearing masks and not getting too close. Meanwhile, the result of governmental lockdown policies has been increased stress, anxiety, depression, joblessness, poverty, crime and suicide. Many people and organizations ([here](#), [here](#) and [here](#)) have predicted the lockdown will kill more people than it has supposedly saved.

## 3. No Investigation of Coincidences

The **9/11 false flag op** was characterized by a [stunning series of coincidences](#) which were never investigated and which the authorities swept under the rug, such as passports magically surviving office fires and falling to the ground intact, a building crumbling of its own accord 8+ hours after planes had hit nearby buildings (but not it) and fighter jets failing to be scrambled from the nearest base. In the COVID op, it was quite an astonishing coincidence that Fauci via the NIH funded Chinese virology labs in Wuhan to the tune of \$7.4 million (2 lots of \$3.7 million) for **gain of function** research, or in plain English, **weaponization of virus** research. It was also rather coincidental that the US Military, Bill Gates and other NWO organizations and people were planning for this exact scenario years before it happened.

## 4. Introduction of a Fundamental New Paradigm (War on Terror vs. War on Bioterror)

As I covered in my March 2020 article [The New War on Bioterror: Everyone is a Suspected or Asymptomatic Carrier](#), we are being steadily indoctrinated into a new paradigm of biosecurity, whereby the authorities hope to advance their agenda of control by appealing to the need for public safety against a new enemy. In the post-9/11 world, there was the **War on Terror** and the concocted enemy was bin Laden and

radical Islamic terrorists; in the post-COVID world, there's the **War on Bioterror** and the concocted enemy is an invisible virus. In both cases, we were told the enemy could be lurking anywhere and everywhere, and only increased governmental surveillance and control could save us.

### **5. 9/11 COVID Similarities: False Official Narratives**

In both operations, the official narrative has more holes than a piece of Swiss cheese. In the 9/11 op, we were supposed to believe the terrorists managed to fly planes into buildings with such skill using maneuvers that even experienced pilots could not manage, while the laws of physics were suspended that day as jet fuel magically burnt through concrete and steel, despite the fact that jet fuel doesn't have a high enough burning point to do so. In the COVID op, we are supposed to believe that the virus is literally everywhere, can be transmitted via cash, can live on surfaces of days or weeks and thrives on asymptomatic transmission when no other known virus has ever done so.

### **6. Foreknowledge**

Why did BBC report Building 7 had fallen 30 minutes [before it actually did](#)? Why did San Francisco mayor Willie Brown and author Salman Rushdie both [get calls beforehand](#) telling them not to board planes going to NYC? Why did the [Chinese Government run a drill for a coronavirus outbreak](#) 30 days before the Wuhan Military Games? Why did the US Government run or pass so many [simulations, drills and laws that planned for the coronavirus](#)?

### **7. Event Preceded by Exercises/Drills that “Went Live” or Eerily Mimicked What Later Happened**

According to Kevin Ryan, NORAD practiced 28 hijacked events within 2 years of 9/11, 6 of which focused on hijackings within US and 1 which practiced interception of hijacked planes headed for the UN building in New York City. Webster Tarpley researched that there were [46 drills and exercises](#) taking place on the day of 9/11! Meanwhile in Operation Coronavirus, in addition to things such as Dark Winter (2001), Atlantic Storm (2005), Clade X (2018), Crimson Contagion (2019), there was the now infamous Event 201 (October 2019) which simulated an actual coronavirus outbreak that comes from Brazil and enters the US to infect millions (see above link on [simulations, drills and laws](#)).

### **8. Insider Trading**

9/11 was marked by massive amounts of insider trading. This study [Initiation of the 9-11 Operation, with Evidence of Insider Trading Beforehand](#) does a good job of exposing the details. Meanwhile before COVID struck the US, there were [many politicians \(especially senators\) who bought or sold stock](#) before the US economy crashed.

### **9. Suspicious Benefits to a Powerful Few**

Isn't it interesting how the big players seem to benefit the most from these catastrophes and crises? During 9/11, Halliburton, defense contractors, oil and gas companies and others invested in Iraq/Afghanistan to make a killing. During COVID, we learnt that

certain [billionaires increased their wealth by a whopping 27%](#). In both cases, the rich and powerful got more rich and powerful.

### **10. Intel Agency Control of Information**

Manufactured crises like 9/11 and COVID open the door for private corporations linked to the MIC (Military Intelligence Complex) to gain a foothold in terms of greater access to our data. 9/11 was good business for surveillance companies; Peter Thiel's CIA-initiated company Palantir manages the databases used by the CDC (in the US) and the NHS (in the UK) that are the basis of COVID decision-making.

### **11. 9/11 COVID Similarities: A Fictitious, All-Powerful and Elusive Enemy**

Think about it for a minute: Al-Qaeda and SARS-CoV-2 can rarely be seen, can't be easily stopped (or stopped at all), require great amount of time, money and focus to be defeated (more of the war mentality), and are a completely new kind of enemy (asymmetrical warfare and asymptomatic transmission). We were told that other human coronaviruses behave in a seasonal, highly predictable manner, but not SARS-CoV-2. It was somehow different. The FBI never formally charged bin Laden; meanwhile he looked different in every fake video they released. Bin Laden seemed to have more lives than the proverbial cat but in the end we were told to just believe that they had killed him and thrown his body away at sea; there was never any proof. Several alleged Middle Eastern hijackers turned up alive elsewhere. Compare these fictitious enemies to [a virus has never been isolated and purified](#).

### **12. Junk Science**

For the most part, science has sadly become a tool for moneyed interests to push their agenda. He who pays the piper calls the tune. There are many intellectual prostitutes in white coats who will find any result they are paid to find. Both operations are marked by junk or fraudulent science. In the case of 9/11, there is all the chicanery around the fall of all 3 buildings in NYC including the cover-up by NIST which was well exposed earlier this year in the University of Alaska Fairbanks study, [A Structural Reevaluation of the Collapse of World Trade Center 7](#). Professional architects, engineers and pilots have all declared that the official 9/11 narrative is not scientifically sound and in defiance of the laws of physics. Likewise, the official COVID narrative has thoroughly abused science by exploiting people's ignorance of the nature of a virus and the nature of contagion and disease. It also used hyped and falsified numbers under the rubric of science to scare people, offered financial incentives for doctors and hospitals to inflate COVID cases/deaths, not to mention used the key deception of **with the virus** vs. **from the virus** to obfuscate the real cause of death in millions of people.

### **13. Censorship of Dissent**

Another of the 9/11 COVID similarities is that both were marked by censorship or the suppression of evidence. In the COVID op, Google-owned YouTube has been deleting channels left, right and center, with CEO Susan Wojcicki announcing at one point that she would not allow any content with information contrary to the Gates-owned WHO! In the 9/11 op, the MSM carefully selected whom they wanted to interview, and heroes like William Rodriguez were initially welcomed but brushed aside when they refused to

follow the script. Compare George Bush Jr.'s *“Let us never tolerate outrageous conspiracy theories concerning the attacks of September the 11th”* with the current propaganda that *“You’re killing Grandma”* if you step outside without a mask.

#### **14. Denunciation of Deniers**

The word denier has become something of a weaponized term in the last decade, been thrown against those who refuse to believe in certain narratives (e.g. **climate change denier** or climate denier for those who don't buy the [manmade global warming story](#)). At the end of WW2, [Hermann Goering admitted](#) the game plan of leaders in any country: *“Why of course the people don't want war! ... Naturally the common people don't want war: neither in Russia, nor in England, nor for that matter in Germany. That is understood ... [but] the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the peace makers for lack of patriotism and exposing the country to danger. It works the same in any country.”* Another of the great 9/11 COVID similarities is the denunciation of deniers, the denunciation of anyone not following the governmental official narrative. In 9/11, it went something like this (*“You're unpatriotic and un-American if you don't hate Al Qaeda and bin Laden”*) while in COVID, it's goes something like this (*“You're selfish and you're endangering the community if you protest, don't socially distance and don't wear a mask”*).

#### **15. Introduction of a New Layer of Security State Bureaucracy**

In both cases, a whole new layer of security state bureaucracy was introduced. In the 9/11 op, the Department of Homeland Security (DHS) was created. In just a few years, this federal department quickly grew into one of the largest federal agencies, taking in tens of billions of taxpayer dollars each year ever since. The term “Homeland” hardly existed in the US before that. The DHS also spawned the infamous TSA, notorious for the 2-pronged option it gives travelers: radiation or molestation. Meanwhile, the COVID op has yet to spawn a new US federal agency; however it is undeniable that the pretext of COVID has given government's massive power to penetrate deeply into our lives.

#### **16. Psychological and Ritualistic Trauma**

The 9/11 op was very ritualistic; 2 small examples are the numerology (911 is the number to call in the US when there's an emergency) and the echoes of Freemasonry (the WTC Twin Towers representing the Twin Pillars of Boaz and Joachim). Likewise, as I covered in the article [Exposing the Occult Corona-Initiation Ritual](#), the entire length and breadth of Operation Coronavirus is steeped in ritual, including phases such as Lockdown and Quarantine (isolation), Rejection (hand-washing), Mask-Wearing (censorship, submission, dehumanization, reinforcing a false idea of danger, alternate persona) and Social Distancing (the **New Normal**). The 9/11 COVID similarities are striking, since in both cases the idea is to traumatize the public through fear, separate them from customary modes of functioning and break them down so they will accept a new way of being.

#### **Final Thoughts on 9/11 COVID Similarities**

To understand these 2 massive psychological operations is to understand the way the **NWO Agenda** advances in our world. There is a distinctive pattern to the darkness/unconsciousness in the way it deceives, betrays, tricks, distracts, obfuscates and manipulates. Ultimately, we know the endgame is to put people into such states of anxiety, stress and fear that they will accept any level of state security, corporatocratic surveillance, invasion of privacy and violation of their sovereign, unalienable, inherent, God-given rights. My hope is that articles such as these shine a light on the darkness and bring it to the surface to be exposed, so that the deception is no longer effective. The power of these **false flag events** and **psy ops** lies in their capacity to manipulate perception; once an awakened populace sees through it, their power evaporates.

<https://thefreedomarticles.com/9-11-covid-similarities-16-glaring-parallels/>

Makia Freeman is very perceptive of how our own government conducts psychological operations against its own people. It operates these as multi-dimensional black ops as false flags, Beta tests to evaluate the outcome, even going so far as to monitor an operation's ability to maintain secrecy among a cabal of actors on a great variety of related objectives. Covid-19 will go down as one of those events I suspect the majority of people will never fully grasp what was taking place.

What I am going to share will help the reader put into perspective what Makia Freeman has highlighted for the reader. I have written three articles on how the CIA does not represent the interests of the U.S.A., but rather represents the Jesuit-controlled Vatican and the Roman Catholic Institution. The U.S. Republic has been used by the Jesuit-Vatican to do its dirty work as far back as the Vietnam War and for decades the U.S. has fulfilled a role in the Biblical entity referred to as **"Mystery, Babylon the Great"**. A few years ago I did a 25-part series on **"The Beast Empire"**. It is archived at <http://jesusisthewaythetruththelife.com/node/115>

Mystery Babylon permeates the world we live in, but is manifested through the three city-states of London, UK; Rome, Italy; and Washington, DC. The three "sovereigns" are used by Lucifer to bring on the Antichrist system which will be located in Israel. This is self-evident from Scripture because the Antichrist will rebuild the third temple in Jerusalem. The U.S. is history, as the rest of this article will reveal why all of this is happening. An inescapable truth is that Jesuits have played major roles in the U.S. during the past 200 years of our nation's history!

On September 11, 2001 Donald Rumsfeld who was Jesuit-educated from Georgetown ran the Department of Defense as Secretary of Defense, George Tenet who was also Jesuit-educated from Georgetown ran the Central Intelligence Agency, and Michael Copps who was a Jesuit professor at Loyola University of New Orleans ran the Federal Communications Commission which regulates all broadcasting inside of the United States.

The US armed forces, CIA, and FCC were all under the supervision of Jesuit alumni and professors. Just a coincidence? Believe it if you want, but I have an entirely different view on this and encourage you to read what I have discovered over the years.

The Bush family is former German nobility working under the British-German House of Windsor. George W Bush and George HW Bush were educated at the British Crown established Yale University and George HW Bush was knighthood by the House of Windsor's Order of the Bath.

The real theft on 9/11 goes back to Franklin D Roosevelt and his Executive Order 6102 which criminalized the ownership of gold in the United States and demanded all gold to be handed in under the threat of fines and imprisonment. This gold was covertly held underneath the Federal Reserve Bank of New York.

Executive Order 6102, signed by President Roosevelt, ordered the confiscation of all private gold at \$20.67 an ounce. The next year gold was revalued at \$35.00 an ounce. It was called the Great Gold Robbery of 1933. The vast hoard of gold confiscated by Roosevelt was melted down, turned into ingots, and then shipped to the Rothschild's BIS (Bank for International Settlements) in Basel, Switzerland and its partner the Vatican Bank. Few know that The Vatican's ownership of the BIS can be traced through the Rothschild's \$500 trillion dynasty. The Vatican commissioned the House of Rothschild to be their "Fiduciary Agent" in 1823-24, making them partners in crime. A "Fiduciary" function is to be the "Power of Attorney" with full legal rights and responsibilities to enhance the Vatican's assets.

This is where my being a history major becomes valuable in this picture. At the time of the suppression of the Knights Templar, Switzerland, like Portugal and Spain, didn't even exist as a nation. It was a small Canton (state) called Schwyz, and was part of the Austrian Hapsburg Empire, ruled by Duke Leopold I.

The fabulously wealthy Knights Templar were the bankers for the king of France. The king acted secretly and decisively, but unfortunately, they managed to transfer all of their gold and silver to a small Alpine canton called Schwyz. That was the foundation of the super secretive nation called Switzerland. Switzerland's "neutral" status is all about preserving and protecting wealth from taxes! I was curious about Swiss neutrality during the great wars and as a junior in high school my interest was never answered by my history teacher.

Before the arrival of the Templars, the Swiss were just farmers and milk cow herd keepers, with no military skills whatsoever. Reinforced by the Knights, the Swiss won a decisive victory over the forces of Duke Leopold I. That was the beginning of a long struggle to gain independence from Austria.

In May 1527, Emperor Charles V ordered his troops to capture Roma because Pope Clement VII was about to grant a divorce to King Henry VIII. Aged cardinals and even nuns were raped and killed by the brutal mercenaries. The Swiss Guard fought the invaders valiantly, and as a result, they became the Pope's personal bodyguard.

Pope Francis surrounded by the Swiss Guard.

The Swiss Guard, like their Knights Templar ancestors, are very proficient in the use of all kinds of weapons. John Paul II was the only Pope to die as the result of gunshot wounds. Not one Swiss Guard is a food or drink taster. Poison in the communion cup of Borgia or the host has been the preferred methods of getting rid of recalcitrant Popes.

**Switzerland used New World gold to finance the Third Reich!**

New World gold and silver financed the vast Knights Templar building program. New World gold and silver financed the Spanish Empire, and New World gold financed Adolf Hitler and the Nazi Party.

Immediately after his inauguration as President, FDR confiscated all the gold belonging to U.S. citizens. Most of that gold came from California. Franklin D. Roosevelt was a banker himself.

On April 5, 1933, Roosevelt ordered all U.S. citizens to turn in their gold.

Executive Order 6102, signed by President

Roosevelt, ordered the confiscation of all private gold at \$20.67 an ounce.

The next year gold was revalued at \$35.00 an ounce. It was called the Great Gold Robbery of 1933.

It was the greatest gold theft since Cortés and Pizarro.

Henry J. Morgenthau (1891–1967).

Treasury Sec. from 1934 to 1945.

The penalty for non-compliance was a \$10,000 fine, and/or 10 years in jail, plus confiscation of gold forfeited to the government. The wheelchair bound Roosevelt was just as much a dictator as Churchill, Hitler, and Stalin. Roosevelt ended up in a wheelchair when his wife Eleanor asked her friend Louis Howe to cure her husband of adultery!!

In the course of unpacking Franklin's luggage, Eleanor discovered a neatly bound packet of love letters from Lucy Mercer. *"The bottom dropped out of my world,"* Eleanor remembered. *"I faced myself, my surroundings, my world, honestly for the first time."* (Smith, FDR, pg.160).

When the affair became known, Lucy said that her Church would not allow her to marry a divorced man, and Eleanor knew that a divorce would ruin his chances of ever reaching the White House.

A compromise was reached when Franklin promised that he would stop seeing Lucy. However, the callous Franklin continued the affair clandestinely. It was at that critical juncture that a "friend" of the family named Louis Howe came to the rescue and promised Eleanor that he would cure her husband of adultery. Louis Howe was a close "friend" of the Roosevelts. He was also a deadly MI6 agent and his cover was newspaper reporter for the *'New York Tribune'*.

Howe's father-in-law, Dr. James W. Hartley from England, agreed to help Eleanor and Howe cure FDR of adultery. The "cure" was drastic and involved paralyzing Roosevelt from the waist down. From that day onward, FDR was confined to a wheelchair and he was totally dependent on Eleanor and Louis Howe. Howe encouraged Franklin to resume his political career and to seek the Presidency as if nothing had happened. Thanks to the Federal Reserve and the Bank of England engineered Great Depression, FDR was elected President in 1932.

FDR was totally dependent on the Secret Service and his aides to keep the secret of his handicap. FDR wore special long pants to hide his leg braces, but Churchill was not fooled, because his own MI6 agents gave him infantile paralysis or "polio." Had Roosevelt found out that the British made him a cripple that would have been the end of the "special relationship"

Roosevelt's first act as president was to deal with the country's banking crisis. Since the beginning of the depression, a fifth of all banks had been forced to close. Already 389 banks had shut their doors since the beginning of the year. As a consequence, around 15% of people's life-savings had been lost. Banking was at the point of collapse. In 47 of the 48 states banks were either closed or working under tight restrictions. To buy time to seek a solution Roosevelt declared a four-day bank holiday. It has been claimed that the term "bank holiday" was used to seem festive and liberating. The real point - the account holders could not use their money or get credit - was obscured.

Edomite Henry J. Morgenthau was the architect of the Great Gold Robbery. He worked closely with Hjalmar Schacht (Reichbank), Benjamin Strong (U.S. Federal Reserve), Montagu Norman (Bank of England), and Charles Rist (Bank of France).

The innocuous looking HQ of the BIS in Basel, Switzerland, until 1977.

Hitler, laughing all the way to the BIS, was proclaimed Führer on January 30, 1933.

You can always follow the money trail to the scene of the crime. Nothing in this world happens without money, and war is the most expensive business of all. When you see the Red Cross flag always think "Knights Templar."

From the very beginning, Bernard Tescelin de Fontaine insisted on absolute secrecy for his new "fighting monks." That secrecy was carried over by the Knights that founded Switzerland.

The BIS is the TOP SECRET bank that runs the world, and they don't publish an annual report. Those banksters are the spiritual descendants of the corrupt moneychangers

that Jesus Christ drove from the Temple with a whip. In the "most unkindest cut of all," those "fighting monks" took a vow of POVERTY.

The Knights Templar morphed into Masons around the time of the American Revolution! History does repeat itself in many remarkable ways. In 1773, the long-reigning King Louis XV ordered Pope Clement XIV to suppress the Jesuits. At first the Pope feared for his life, but eventually he took the fateful step, and abolished the Order forever.

Above: The present day Bank of International Settlements [Rothschild's Bank] Note the building's unusual design shape of a circle. Note the similarity with the Vatican Bank in Vatican City on the next page, with the Swiss Guards in formation. The similarity seems rather odd to me.

In 1773, the Jesuits were suppressed by order of King Louis XV and Pope Clement XIV. The Jesuits were just warmed-over Knights Templar. Like the Templar Grand Master, their general was elected for life, and like the Templars, they simply went underground and morphed into what are known as the Freemasons. The king was poisoned the following year, and Pope Clement underwent a horrifying, painful death by poison.

Pressured by the royal courts of Portugal, France and Spain, Pope Clement XIV suppressed the Society, causing Jesuits throughout the world to renounce their vows and go into exile. Pope Pius VII, a Benedictine; restored the Society on August 7, 1814. The Society of Jesus was 233 years old when Pope Clement XIV bowed to pressure from the monarchs of Europe and suppressed the Order in 1773. When Pope Pius VII restored the Society 41 years later in 1814, the Jesuits found themselves in a dramatically changed world.

A Papal decoration was bestowed upon Kalman Rothschild by Pope Gregory XVI for loaning the Vatican five million pounds during a period of financial difficulty. The Rothschild's have been the "Fiduciary Agents" for the Vatican since 1823-1824. [A relationship made in Hell]. With Vatican interests at heart, the Rothschild's expanded their financial and political dominion into the coming New World Order. It is seldom recognized that the Rothschild Dynasty (the richest family on earth) is the guardian of the Vatican Treasury which includes the Imperial Treasury of Rome. Although they themselves are believed to be Jewish, they are in actuality Jesuit-controlled. In 1823-1824 the Rothschild's were commissioned by the Vatican to be its "Fiduciary Agents". The Red Shield used by the Papacy armies became symbolic of the victorious Church. The Council of Trent openly preferred the Jesuit Order (a military order) above all other Catholic Orders. Rothschild is German for "red shield". Their facade is ingenious and

cleverly disguised. Who would ever look into the finances of an Orthodox Jewish family (in appearance) for managing the financial dealings of the Jesuits?

With all their skill in the use of firearms, the Swiss Guard did not save Pope Clement from poison. Very soon after the assassination of the king, the American Revolution began. Benjamin Franklin, George Washington, and Thomas Jefferson were all Masons.

- 1821: Kalmann (Carl) Mayer Rothschild was sent to Naples, Italy. He would end up doing a lot of business with the Vatican and Pope Gregory XVI subsequently conferred upon him the Order of St. George.
- Also, whenever the Pope received Kalmann, he would give him his hand rather than the customary toe to kiss, which showed the extent of Kalmann's power over the Vatican.

The BIS was founded in 1930. It was ostensibly set up as part of the Young Plan to administer German reparations payments for the First World War. The bank's key architects were Montagu Norman, who was the governor of the Bank of England, and Hjalmar Schacht, the president of the Reichsbank who described the BIS as "my" bank. The BIS's founding members were the central banks of Britain, France, Germany, Italy, Belgium, and a consortium of Japanese banks. Shares were also offered to the Federal Reserve, but the United States, suspicious of anything that might infringe on its national sovereignty, refused its allocation. Instead a consortium of commercial banks took up the shares: J. P. Morgan, the First National Bank of New York, and the First National Bank of Chicago.

The U.S. has been bankrupt since March 9, 1933. The United States went "Bankrupt" in 1933 and was declared so by President Roosevelt by Executive Orders 6073, 6102, 6111 and Executive Order 6260, [See: Senate Report 93-549, pgs. 187 & 594 under the "Trading With The Enemy Act" [Sixty-Fifth Congress, Sess. I, Chs. 105, 106,

October 6, 1917], and as codified at 12 U.S.C.A. 95a. The several States of the Union then pledged the faith and credit thereof to the aid of the National Government, and formed numerous socialist committees, such as the "Council Of State Governments," "Social Security Administration" etc., to purportedly deal with the economic "Emergency." These Organizations operated under the "Declaration Of INTERdependence" of January 22, 1933, and published some of their activities in "*The Book Of The States.*" The 1937 Edition of The Book of The States openly declared that the people engaged in such activities as the Farming/Husbandry Industry had been reduced to mere feudal "Tenants" on their Land. [Book Of The States, 1937, pg. 155] This of course was compounded by such activities as price fixing wheat and grains [7 U.S.C.A. 1903], quota regulation [7 U.S.C.A. 1371], and livestock products [7 U.S.C.A. 1903], which have been held consistently below the costs of production; interest on loans and inflation of the paper "Bills of Credit"; leaving the food producers and others in a state of peonage and involuntary servitude, constituting the taking of private property, for the benefit and use of others, without just compensation.

**¥1823: The Rothschilds take over the financial operations of the Catholic Church, worldwide.**

On 9/11 William Joseph McDonough was President of the Federal Reserve Bank of New York and was Jesuit-educated from Georgetown and he oversaw this theft. After 9/11 the gold was removed from the FRBNY under the guise of ground zero debris. The gold was then shipped out through the Jersey ports and sent to London and Rome.

The DeCavalcante crime family of Elizabeth, NJ were covertly running the ports in Elizabeth, NJ.

It was mafia connected companies that got the contracts with the Port Authority of New York and New Jersey to clean up the debris after 9/11. Anthony Fontanetta and Mark Jakubek were executives at the Port Authority and found guilty of racketeering and bribery involving millions in stolen cash from federal aid for ground zero clean up.

About 19 others plead guilty as well in this racketeering. The port authority has a history with organized crime however on 9/11 the Port Authority's records were destroyed because they were located in Tower 7. Owners of the construction company Peter Scalamandre & Sons were convicted of paying off members of the Lucchese crime family for labor racketeering prior to 9/11. Peter Scalamandre & Sons was later shut down working as sub-contractors during the ground zero clean up. The major clean up companies used smaller contractors to carry out much of the work. Many of the smaller contractors like Peter Scalamandre & Sons were connected with the Italian Mafia.

The major companies for the 9/11 clean up were the London AMEC subsidiary AMEC Construction, Bovis Lend Lease, Tully Construction and Turner Construction being funded with over \$450 million for cleanup. These larger companies used smaller sub-contractors and many of these companies were tied with the Five Families and their associates.

The sub-contractors payments were in the range of \$60 million of that \$450 million in clean up aid. It is believed that about \$63 million went to mafia connected construction and clean up companies. Salvatore Carucci is believed to be a Lucchese associate and is the owner of Seasons Contracting which received over \$26 million for his company's cleanup work. Allen Monchik who has been convicted of fraud worked as a consultant making calls hours after 9/11 to the port authority, asbestos companies and to mafia associates like former Lucchese boss Louis Daidone and mafia associate Noel Modica. The District Attorney's investigators tracked these calls while investigating corruption involved with these asbestos companies. The Italian Mafia are known for having deep involvement at the Jersey ports and associates in the New York and New Jersey Port Authority.

Franklin D Roosevelt was educated at the British Crown established Harvard University and was a 33<sup>rd</sup> Degree Shriner Freemason. Rudy Giuliani was knighted by both the Italian House of Savoy and the British House of Windsor and was completely in on 9/11. To be knighted at the British House of Windsor it is because of your loyalty to the Queen and the Crown!

The 9/11 gold heist was a long term premeditated scheme carried out by the Black Nobility of Rome and British Nobility which are covertly working together. Both of these groups are closely working with the House of Saud which they used as their scapegoat and in return provided the Saudi royal family with a portion of the stolen gold and business dealings in Europe and the United States.

When these imperialists are ready to destroy the empire they take back all the gold. In ancient times they would increase the value of gold so that the coins would become paper thin. The demolition of the Twin Towers and Tower 7 were planned before the towers were built. The owner of the World Trade Center buildings Larry Silverstein carried out a multi-billion dollar insurance fraud on the demolished towers. They constructed the buildings with inner core supports different from other buildings which enabled the towers to implode inward more efficiently after disabling the core supports.

They used a flammable plaster instead of concrete which created the superheated dust clouds. 9/11 was a bio-chemical attack on the American people and that is why more than 3000 FEMA members were in New York City two days before 9/11 in preparation which further shows their premeditation.

On 9/11 Frederick Whitten Peters was Secretary of the United States Air Force and was educated at Harvard University and the London School of Economics. Rome's Jesuits and Vatican knights along with Freemasons and British Crown knights orchestrated 9/11 and used the Italian Mafia's control over the Port Authority along with the London connected AMEC Construction to ship out the gold and deliver it to London.

It helps to understand that the Jesuits and Freemasons are at the center of orchestrating and carrying out events like 9/11, they are "global" secret societies in scope, yet the higher ranking operatives encompass a pyramid structured organization which draws in elements from any of the countries where they play a dominate role in a country like the UK, Vatican, Israel, or the U.S. If they need finances, they have access to the Rothschild's vast treasuries. If they need special military or technical requirements they can draw upon the U.S. or UK organizations. It has been a historical fact that one does not rise in the U.S. military to the officer grade of O-6 or higher unless they are a brother in the Masonic Lodge. All of these organizations worship Satan.

There is a small book, entitled '*Project Vatican*' that outlines the Vatican plan to restore the Americas to the control of Rome. It is referred to as the "Blueprint for the Restoration of the Global Kingdom of Jesus Christ." It is based upon 5 phases, and dates to 1854, in a private revelation of Sophie Prouvier on the devotion to the Eucharistic Heart of Jesus, the same year of the proclamation of the doctrine of the Immaculate Conception of Mary. It is this plan that the Jesuits of the world are devoted to bring into being.

The Vatican has issued a little known booklet for their private eyes only called '*Project Vatican*.' The internal document is a blueprint for the "restoration of the global kingdom of Jesus Christ in the third millennium." Contained within the booklet is also the Vatican's plan for the domination of America, listing their goals and true evil purposes.

Although the booklet has been kept from prying eyes, Brother R.G. Stair of 'The Overcomer Ministry' has obtained a copy. The document was forwarded to Stair by Brother Mark Hodgson in October 2006. "*This is a revealing document of the Vatican's*

*true purposes,” said Brother Stair on his web site. “Project Vatican is dedicated to the restoration of the Global Kingdom of Jesus Christ in the third millennium.”*

The Vatican blueprint of world domination has a five-prong approach, including:

1. The Jesuit infiltration of the English colonies on the North American continent.
2. Jesuit control of Christian schools and universities.
3. Roman Catholic Control exercised through Vatican operatives in the United States military, judiciary and media.
4. The weakening of the U.S. military, both in strength and resolve, in preparation for the Vatican-led One World Government.
5. Total control of all institutions and resources on earth, including political, military, economic, educational systems for the purpose of ensuring global peace, prosperity and order.

“Phase 1 through Phase IV have taken 523 years to complete and at the dawn of the third millennium is poised to launch Phase V. This will necessitate cooperation of the citizens of every nation on the planet on a massive scale and in previously untested numbers,” said the Vatican writers’ introduction to Project Vatican.

The writers of the 18 page booklet dedicated their efforts to Phase V, saying strategies have been in full effect albeit for varying lengths of time. Further, they claimed the execution of their first strategy of Phase V began more than 150 years ago, the strategy being listed as,

*“Devotion to the Sacred Heart of Jesus and to the Immaculate Heart of Mary through the perpetuation of visions, miracles and revelations.”*

Other strategies under the Vatican’s Phase V for world domination include:

- Dilution of the eschatological models of Biblical prophecy.
- The alignment of the homosexual agenda with religious and racial equality, guaranteeing a support base sufficient in number to Biblical Christian fundamentalism into the category of “hate speech.”

In the core section of this point, Vatican writers reveal how they plan to obtain loyalty to the Pope, saying,

*“The Protestants’ lack of a governing authority has resulted in a sheep-like obedience to civil governments. Such social compliance, coupled with capitalistic greed has made Christian fundamentalists extremely vulnerable to social engineering.”*

- International monopolistic control of all financial institutions and transactions. This began January 1, 1993 with the creation of the European Roman Empire (ERE). Visa Corporation is poised to label every citizen with identifying barcode technology.

Regarding the global financial takeover and VISA, Arctic Beacon reader Greg Colon added:

◦ “Brethren are you aware about the Visa card? Info source Project: Vatican

VI - Roman numeral = 6

S - Egyptian symbol = 6 = we perish = anyone who takes the mark on hand or forehead

A - Sanskrit = 6

*“There is a long story to how this info originally came into my hands. What happened was one of the residents on my property asked me to hang a picture for her but it had to be on my time not the companies. She showed me a picture of what is known in Catholic circles as the sacred heart of Jesus and Mary. She was told that she would have info in black and white in her hands by Monday explaining that it is the heart of Baal not Jesus.”*

*“This happened on Friday afternoon and that night by the leading of the Holy Spirit according to Psalm 32: 8 the information on Project: Vatican was in my hands. The original source is not available any longer. This one was just furnished by the Holy Spirit. We have to lift Jesus even higher in these last days for he will draw all men unto himself.. 888 = Jesus, greater is he that is in me than he that is in the world = 666 This is a short version of the incident but it needs to be shared now.”*

- The global Eucharistic community, meaning with rampant materialism, environmental destruction and military instability of the capitalist systems, the Vatican backed Roman Catholic Ecumenical Assemblies (RCEA) will be in the position to compel international compliance to Eucharistic adoration and communion... The Global Eucharistic Community (GEC) was formally invoked by the Vatican on Dec. 31 1999, which will preside over the WTO, the GEC and RCEA.

The last section tells Vatican loyalists what they can do in order to speed-up Rome’s plans, adding,

*“Attend non-Catholic churches that are not yet RCEA affiliates for the purpose of encouraging their ministries to join the RCEA. Make audio recordings of their responses and deliver these recordings to your RCEA representative. Report all statements by non-Catholics of a racially-biased, homophobic or anti Catholic nature to your RCEA representative.”*

**“Mystery, Babylon the Great”** has a deep Zionist connection as well. I have discussed that part of the crimes of 9/11. It is important that we understand the tight relationship between the Jesuit-Vatican and the Zionist Rothschild’s. Money and power are their aphrodisiacs, and they both worship Satan! P.D. Stuart’s book ‘*Codeword Barbelon*’ is extremely important reading on how these partners in crime rule the world!

There is so much more for later but I need to get back to 5G in this picture.

The 5G that began roll out in late 2019 is part of this massive “Depopulation” agenda to destroy the United States. It is irrelevant as to whether you believe it or not, it will be a reality. It is part of a larger scheme to reduce the world population by seven billion people. It is a global plan for depopulation with an objective for national plausibility denial, so that each major power can deny they have anything to do with it. It was part of the 1992 UN Rio Treaty agenda for Sustainable Development and Agenda 21.

The scientific world has had a half-century, since 1972 in their quest to bring in coming up with their ultimate dream of a “Silent Weapon for a Quiet War”. The patent below is one of those elements in the larger picture that suggests a diabolical means by which massive population extermination can occur with minimal harm to the infrastructure of a nation. Collateral damage can be selectively targeted with the use of satellite weapons. That was obvious with the Directed Energy Weapons (DEW) used in starting the destructive fires in northern California by exploding “Smart” utility meters, from Rothschild-owned Pacific Gas & Electric. Another coincidence!

As I was working on this segment of the “Depopulation” agenda, it was becoming evident that I could not cover all of the many aspects so I am breaking this segment here and will continue in Part 8 of this series.

Blessings,
