

5G

The Ultimate Directed Energy Weapon System, Says Particle Physicist

Part 2

This is further proof that the government has plans to use 5G technology as a weapons system against the people of the U.S. and other world countries as well. The report is a reprint of an article that appeared on The Millennium Report for Thursday, August 29, 2016. It is critical that readers of this report share it with everyone they can, far and wide.

There are many efforts underway to Depopulate the world and reduce the population to 500,000,000, none of the magnitude of 5G and 6G which is only a few years behind and in the development stages. Do read Part 1 of this series that will kill billions if allowed to continue. I try to save documents daily, only to get a buzzer and a red "X" stating that the page I am trying to save cannot be saved. The powers behind this are now going to great lengths to cover up the truth about the dangers of 5G.

MILITARY INTEL REPORT Proves Government Has Known 5G Radio-frequency Ranges & Microwave Radiation Are Harmful to Human Health

DIA Published a Chilling Report on the Extreme Dangers of Electromagnetic & Microwave Radiation in 1976

[State of the Nation](#)

What follows is an unclassified report published by the Defense Intelligence Agency under the title:

**BIOLOGICAL EFFECTS OF
ELECTROMAGNETIC RADIATION
(RADIOWAVES AND MICROWAVES)
EURASIAN COMMUNIST COUNTRIES (U)**

This once classified scientific report was prepared by the U.S. Army Medical Intelligence and Service Agency, Office of the Surgeon General and published in March of 1976.

That means the U.S. Federal Government has known that the electromagnetic frequencies and microwave radiation necessary to establish a 5G power grid are extremely dangerous to human health and quite damaging to the environment.

This also indicates that the Trump administration has zealously promoted the ongoing military deployment of 5G across the country in spite of overwhelming evidence of being exceedingly unsafe to every man, woman and child (and pet).

How such a precarious situation has been allowed to develop in several major cities can only be described as a highly complex criminal conspiracy to deceive the American people. Here's Exhibit A in this open-and-shut case against the US government:

Releasable Report

The far-reaching ramifications of this shock report will surely provide the necessary legal basis for the following \$1 Trillion Class Action Lawsuit against the 5G roll-out.

For all U.S. citizens and attorneys who wish to be a party to this lawsuit, please see the following abridged version of the official U.S. Government publication distributed in March 1976.

[BIOLOGICAL EFFECTS OF ELECTROMAGNETIC RADIATION \(RADIOWAVES AND MICROWAVES\)](#)

This extensive research project clearly demonstrates that the authorities had well over 40 years to fully understand the highly deleterious effects of 5G and respond accordingly. Instead, successive administrations ignored the obvious health hazards and severe environmental impacts and have even appropriated massive funding in 2019 to significantly accelerate the 5G roll-out.

This type of government corruption and malfeasance cannot and should be tolerated. The health and well-being of all future generations has been deliberately put in great jeopardy. Likewise, the continuity of the American Republic is at serious risk, and the welfare of every citizen now hangs in the balance.
