

Dr. Fauci's Long Criminal History

Part 4

Dr. Anthony Fauci is an acknowledged Jesuit-trained Roman Catholic, but even equally interesting is the fact that he is a “closet” Freemason. By the photos in this segment, it can be said that the controversial doctor is a Lodge brother.

Is Anthony Fauci A Freemason? Medical Expert Caught Allegedly Performing ‘Hidden Hand’ Sign During WH Press Briefing. These photos were caught by cloverchronicle on April 10, 2020.

Dr. Anthony Fauci has become a household name in recent weeks. Both he and Dr. Deborah Birx have regularly attended the daily White House COVID-19 press briefings alongside President Trump, Vice President Pence and others, giving updates and guidance to Americans during this unprecedented crisis that has essentially shut down the entire nation and left millions imprisoned inside their own homes.

On April 4th, when Fauci entered the White House press room and assumed his usual position behind the podium, he was seen briefly placing his left hand inside his coat jacket:

Before you call me a paranoid conspiracy wacko, let me remind you, I am not new to this issue. I have studied the Masonic Secret Society longer than most of you have been out of diapers. I come from a long line of family Lodge brothers, not of which many were 32nd degree Freemasons. My father, who might be called the black sheep of the family, has twenty brothers

and nephews that were Masons, here in the U.S. and Canada. My family roots were from Ireland, Scotland, and Germany. As I have commented in other articles I have written, three subjects commanded my life's learning: 1. The Bible, 2. The Freemasons, and 3. Roman Catholic Institution.

Here is a short video clip from that particular news conference showing him performing the gesture:

Some believe he may have been doing the “Hidden Hand” sign which is oftentimes used by accomplished [Freemasons](#).

So, what exactly is this odd sign?

Vigilant Citizen [reports](#):

Is there a hidden force behind the world events of the past centuries? Is the fall of European monarchies, the bringing forth of the Age of Enlightenment and our path towards a world democracy part of a great plan lead by a “hidden hand?” Before the advent of mass media, portraits depicting their leaders in majestic poses were the only artifacts people had. Do these portraits have an occult meaning?

One of those poses is the “hiding of the hand.”

“The Jesuits wrote the first 25 rites of Scottish Freemasonry at their College de Clermont in Paris in 1754”. Freemasonry may rule the world's affairs, but within their ranks are Jesuits that orchestrate the puppets on the stage of humanity. Currently the world is well controlled by Jesuit Coadjutors (Jesuits who do not wear clerical garb).

“Chevalier de Bonneville [like the Bonneville automobile manufactured by Chevrolet/General Motors] formed a chapter of twenty-five Degrees of the so-called High-Degrees in the College of Jesuits of Clermont, in Paris in 1754. The adherents of the House of Stuart had made the college of Clermont their asylum, they being mostly Scotchmen. One of these Degrees being the “Scottish Master,” the new body organized in Charleston, S.C., in 1801, gave the name of Scottish Rite to these Degrees, which name ever since that time has characterized the Rite all over the world.”

In a letter written by Charles Sotheran addressed to the New York Press Club, dated January 11, 1877,: “It is curious to note too that most of the bodies which work these, such as the Ancient

and Accepted Scottish Rite, the Rite of Avignon, the Order of the Temple, Fessler's Rite, the 'Grand Council of the Emperors of the East and West Sovereign Prince Masons', etc., etc., are nearly all the offspring of the sons of Ignatius Loyola. The Baron Hundt, Chevalier Ramsey, Tschoudy, Zinnendorf, and numerous others, who founded the grades in these rites, worked under instructions from the General of the Jesuits. The nest where these high degrees were hatched, and no Masonic rite is free from their baleful influence more or less, was the Jesuit College of Clermont at Paris." source

What did the highest-ranking, most venerated, "high priest" of Freemasonry say about Freemasonry: In his infamous occult masonic book, 'Morals and Dogma,' which is distributed to all Master Masons, (pg. 321) Albert Pike (Confederate General, most respected authority among Freemasons and buried in a crypt WITHIN the Washington D.C. city limits. The Masonic temple!) openly states: **"Lucifer, the light bearer!...Lucifer, the son of the morning! Is it he who bears the light?...Doubt it not!"**

Manly P. Hall, another acknowledged, leading Mason wrote *'The Lost Keys of Freemasonry.'* In it he states that: *"when the mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his CRAFT (witchcraft). The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly apply (his) energy."* (pg. 48).

"The Masonic order is not a mere social organization, but is composed of all those who have banded themselves together to learn and apply the principles of mysticism and the occult rites." (from the *'Lost Keys of Freemasonry,'* [Manly P. Hall, be advised, link is Hall's own esoteric writing about Masonic roots] 33rd degree Mason, respected as an authority by most Freemasons) Another damning Hall quote concerning the structure of the occult society: *"Freemasonry is a fraternity within a fraternity — an outer organization concealing an inner brotherhood of the elect ... it is necessary to establish the existence of these two separate and yet interdependent orders, the one visible and the other invisible. The visible society is a splendid camaraderie of 'free and accepted' men enjoined to devote themselves to ethical, educational, fraternal, patriotic, and humanitarian concerns. The invisible society is a secret and most August [defined as 'of majestic dignity, grandeur'] fraternity whose members are dedicated to the service of a mysterious arcannum arcandrum [defined as 'a secret, a mystery']"* [Hall, Lectures on Ancient Philosophy, pg. 433]

As another discerning Christian minister has best put it: *"Freemasonry is the devil's dark room,"* where the affluent and 'wanna-be somebody, movers and shakers' willingly, and systematically compromise and subjugate every belief and ethic that they may have, to the great "god" of Freemasonry. Freemasonry at its best is a gnostic (secret religious knowledge) cult whose bulk of membership is kept purposely ignorant and lied to about its "highest teachings" (Luciferic), which are reserved for only the elites. The underlings are likened to worker bees who are brainwashed to blindly follow orders. The most esteemed Freemasons (Manly P. Hall, Albert Pike) are clearly indicted by their own writings as being deeply into the occult of almost every brand and nature. **Pike openly declares that "Lucifer is god" and in the same breath declares**

that Adonai (Jehovah, Jesus) is not God! Most of their teachings and eclectic occult belief systems have many things in common with what we now call “New Age” doctrines, which are really not new at all but rather deceptively evil, the outer layer of “illumined” Luciferic (satanic) doctrines. Masonic occult, core beliefs are anti-Christian and incompatible with both Old and New Testaments. Pantheism (belief in many “gods” and many “ways” to god) emanates from this antichrist core. The veneration of ancient “gods” (demons) through ancient occult symbols and rites, permeates Freemasonry and its many levels.

Freemasonry has roots in ancient mystery religions and cults; connections to the powerful Jesuit “order” and the ancient Knights Templar. The Templars are being strangely glorified in recent movies as being romantically gallant. These subjects were very popular in recent years, (covert and overt influence found in the ‘DaVinci Codes’) and rightfully raise great curiosity and suspicion. Regardless of the author’s motivations, the DaVinci Code muddles and obfuscates the real occult history surrounding the “Grail” phenomenon. The DaVinci Code, inadvertently reveals many things about the dark organizations with which Freemasonry is associated. I will reveal later, just who (I believe) the altruistic “Priory of Sion” is NOW, and how that extremely powerful organization, purposely demonized Opus Dei (an organization that they probably founded) in the book and movie but in fact, has a long history of operating much like the albino, Opus Dei monk (Opus Dei is another Jesuit front). The organization I speak of is accused by experts to be the masters of manipulation and the originators of modern espionage, assassination, political chaos and revolution.

This hand gesture is said to be inspired by Exodus 4:6. In this biblical verse, the heart (“bosom”) stands for what we are, the hand for what we do. It can thus be interpreted as: What we are is what we ultimately do. The symbolic significance of this gesture might explain the reason why it is so widely used by famous Masons. The hidden hand lets the other initiates know that the individual depicted is part of this secret Brotherhood and that his actions were inspired by the Masonic philosophy and beliefs.

Furthermore, the hand that executes the actions is hidden behind cloth, which can symbolically refer to the covert nature of the Mason’s actions.

One forum user who seems to be researching this topic, as it possibly relates to Fauci, added even more insight:

“The right hand/left hand path is about white or dark magic. Fauci being a doctor is right handed.

“Fauci’s also has been shown doing the right hand ‘as above’ sign.

“‘As Above, [So] Below’ is one in the same however, as under Luciferianism, it’s about combining extremes: Pure good & pure evil. It is believed under Luciferianism that enlightenment comes from embracing these extremes. To know Heaven you must know Hell.

“That’s what they believe. Or rather, this is what they tell themselves to justify unspeakable actions.

“Right hand simply provides cover for the left hand, to give the illusion of benevolence.

“The entire movement pushes society towards chaos, towards entropy. They have no interest in saving anyone or being saved, they are the ultimate in selfish creatures who see other humans as cattle.”

Interestingly enough, the *Boston Globe* [published a story](#) last month describing Fauci’s pre-med educational background at the [College of Holy Cross in Worcester](#):

Fauci, a 79-year-old New York City native, graduated from Holy Cross in 1962 and was the subject of a flattering profile 40 years later in Holy Cross Magazine, which noted his pre-med studies also “encompassed the study of Latin, Greek and philosophy.”

“There was a certain spirit of scholarship up there, that was not matched in anything that I’d experienced,” Fauci told the magazine. *“The idea of seriousness of purpose—I don’t mean*

*nerdish seriousness of purpose—I mean the importance of personal development, scholarly development and the high standard of integrity and principles that became a part of everyday life at Holy Cross. **And that, I think, was passed down from the Jesuits and from the lay faculty to the students.***”

Here is some [background](#) about the Jesuits Fauci mentioned (Source: *International Institute of Social History*):

In addition to Freemasonry, European secret societies had a second organizational model: the Jesuit Order or, rather, the image constructed by its numerous opponents. Right from the beginning in 1540, the Jesuits caused suspicion even among coreligionists, and were accused of hypocrisy, fanaticism, and ambition. As missionary ‘soldiers of the Pope’ they became a symbol of the supranational pretensions of the Catholic Church; and since some of them had at one time defended tyrannicide, the violent death of any prince was invariably laid at their feet.

So, is Dr. Fauci actually a Freemason in disguise? Maybe an undercover Jesuit? Perhaps he was even involved with the [Skull and Bones Society](#)? We’ll probably never really know.

What is certain, though, is we are living in perilous times and this man happens to be one of the few leaders at the helm of our sinking ship.

UPDATE: Fauci has apparently performed the “Hidden Hand” gesture more than once –

On three occasions Dr. Fauci flashed the Baphomet “horned fingers” hand sign to CNN reporter Jake Tapper and others. It is easily missed by those unfamiliar with the Craft’s way of communicating through body language and without voice is so subtle that one must be highly focused on their movements.

Along with being a [Catholic](#), Jesuit, perhaps a Knights of Columbus, I am sure he is a ranking Luciferian also!!

[THE BAD NEWS: Dr. Fauci Says “It’s Inevitable” the Coronavirus Will Return – THE GOOD NEWS: He’s Wrong About Most Everything](#)

PROOFS OF A CONSPIRACY AGAINST ALL THE RELIGIONS AND GOVERNMENTS OF EUROPE, CARRIED ON IN THE SECRET MEETINGS OF FREE MASONS, ILLUMINATI, AND READING SOCIETIES, COLLECTED FROM GOOD AUTHORITIES, BY JOHN ROBISON, A. M. PROFESSOR OF NATURAL PHILOSOPHY, AND SECRETARY TO THE ROYAL SOCIETY OF EDINBURGH. George Forman, No. 64, Water-Street, NY, [1798].

The following are extracts from Professor John Robison’s book noted above:

German Masonry appeared a very serious concern, and to be implicated with other subjects with which I had never suspected it to have any connection. I saw it much connected with many occurrences and schisms in the Christian church; I saw that the Jesuits had several times interfered in it; and that most of the exceptionable innovations and dissensions had arisen about the time that the order of Loyola was suppressed; so that it should seem, that these intriguing brethren had attempted to maintain their influence by the help of Free Masonry.

I have met with many particular facts, which convince me that this use had been made of the meetings of Masons, and that at this time the Jesuits interfered considerably, insinuating themselves into the Lodges, and contributing to increase that religious mysticism that is to be observed in all the ceremonies of the order. This society is well known to have put on every shape, and to have made use of every mean that could promote the power and influence of the order. And we know that at this time they were by no means without hopes of re-establishing the dominion of the Church of Rome in England. Their services were not scrupled at by the distressed Royalists, even such as were Protestants, while they were highly prized by the Sovereign. We also know that Charles II. was made a Mason, and frequented the Lodges.

The Lodges in France naturally became the rendezvous of the adherents to their banished King, and the means of carrying on a correspondence with their friends in England. At this time also the Jesuits took a more active hand in Free Masonry than ever. They insinuated themselves into the English Lodges, where they were caressed by the Catholics, who panted after the re-establishment of their faith, and tolerated by the Protestant royalists, who thought no concession too great a compensation for their services. At this time changes were made in some of the masonic symbols, particularly in the tracing of the Lodge, which bear evident marks of Jesuitical interference.

The Knights Templars of Jerusalem, and the Knights of the Desert, whose office it was to protect pilgrims, and to defend the holy city, afforded very apt models for Masonic mimicry, because the Temple of Solomon, and the Holy Sepulcher, always shared the same fate. Many contended doctrines of the theologians had also their Chevaliers to defend them. In all this progressive mummerly we see much of the hand of the Jesuits, and it would seem that it was encouraged by the church.

These cheats found it convenient to make Masonry one of their conditions, and by a small degree of art, persuaded their pupils that they were the only true Masons. These Rosicrucian Lodges were soon established, and became numerous, because their mysteries were addressed, both to the curiosity, the sensuality, and the avarice of men. They became a very formidable band, adopting the constitution of the Jesuits, dividing the Fraternity into circles, each under the management of its own superior, known to the president, but unknown to the individuals of the Lodges. These superiors were connected with each other in a way known only to themselves; and the whole was under one General. At least this is the account which they wish to be believed. If it be just, nothing but the absurdity of the ostensible motives of their occupations could have prevented this combination from carrying on schemes big with hazard to the peace of the world. But the Rosicrucian Lodges have always been considered by other Free Masons as bad Societies, and as gross schismatic. This did not hinder, however, their alchemical and medical secrets from being frequently introduced into the Lodges of simple Free Masonry; and in like manner, exorcism, or ghost-raising, magic, and other gross superstitions, were often held out in their meetings as attainable mysteries, which would be immense acquisitions to the Fraternity, without any necessity of admitting along with them the religious deliriums of the Rosicrucian's.

Following Extracts Taken From:

the rite of the Strict Observance [was] permeated by the Jesuitical leaven ...

Catholic ceremonies, unknown in ancient Freemasonry, were introduced from 1735 to 1740; in the Chapter of Clermont, so called in honor of Louis of Bourbon, Prince of Clermont, at .the time grand master of the Order in France. From that time, the influence of the Jesuits on the fraternity made itself more and more felt. The candidate was no longer received in a lodge, but in the city of Jerusalem; not the ideal Jerusalem, but a clerical Jerusalem, typifying Rome. The meetings were called Capitula Canonicorum, and a monkish language and asceticism prevailed therein.

In the statutes is seen the hand of James Lainez, the second general of the Jesuits, and the aim at universal empire betrays itself, for at the reception of the sublime knights the last two chapters of the Apocalypse are read to the candidate-a glowing picture of that universal monarchy which the Jesuits hoped to establish.

The sect spread very rapidly, for when Baron Hund came to Paris

in 1742, and was received into the highest Jesuit degrees he found on his return to Germany that those degrees were already established in Saxony and Thuringia, under the government of Marshall ...

If researcher, Greg Szymanski is correct, the Jesuit order may be the spiritual controllers of the New World Order.

“Ironically the Jesuits are feared (and highly disliked) among the Catholic clergy more than anywhere else (there is inner-clergy rivalry within the R.C. orders, not unlike that of the upper-echelon of the Third Reich: they know the Jesuits for what they really are). Not too surprising since the Jesuits answer only to the “Black Pope”. The Jesuits do for the Vatican what the, Jesuit trained, S.S., S.D., S.A. and Gestapo did for the Third Reich.”

Cliff Kincaid | [Canada free Press](#) – Trump Administration for at least two years has been urging the FBI and the NIH to crack down on Chinese exploitation and theft of sensitive U.S. Government research.

“Most of the media were too busy covering the phony Russia-gate story to notice how China has been directly involved in controversial coronavirus research funded by the National Institutes of Health (NIH). Since the media ignored the threat, they are now charging President Trump with ignoring the threat and peddling “conspiracy theories” about it. This is how the fake news media deceive the American people on a matter of life and death.”

‘Evidence shows that the Trump Administration for at least two years has been urging the FBI and the NIH to crack down on Chinese exploitation and theft of sensitive U.S. Government research.’

“This is how reporters justify (to themselves) ignoring the scandal that was developing right under their noses. They would rather run interference for the Chinese regime than inform the American people about controversial research that may have spawned the Chinese release of the coronavirus. In the middle of this scandal is NIH director Dr. Francis Collins, an Obama holdover who publicly affirms his Christian faith but has a long history of collaborating with the communist Chinese regime.”

Let’s deal with his “Christian faith for just a moment.

*By graduate school, Collins considered himself an [atheist](#). However, a conversation with a hospital patient led him to question his lack of [religious](#) views, and he investigated various faiths. He familiarized himself with the evidence for and against God in cosmology, and on the recommendation of a Methodist minister used [Mere Christianity](#) by [C. S. He believes that people cannot be converted to Christianity by reason and argument alone, and that the final stage of conversion entails a “leap of faith”. After several years of deliberation, he finally converted to Christianity during a trip to the Cascade Mountains, where he describes a striking image of a frozen waterfall as removing his final resistance, resulting in his conversion the following morning. He has described himself as a “serious Christian”. **Source:** [Wikipedia](#)*

I could not find anywhere that he has professed faith in Jesus Christ and is Born Again as the Bible clearly teaches. He apparently is a Methodist and merely [religious](#) as the majority of supposed Christians are! Now back to Mr. Kincaid.

This is what the media really fear – disclosure of evidence that the Chinese conducted dangerous virus experiments with the help of the Obama Administration. Collins had served as an advisor on healthcare to Barack Hussein Obama during his 2008 campaign.

Anthony Fauci sets stage for mandatory — lucrative! — vaccine

Cheryl K. Chumley | [Washington Times](#) – [Anthony Fauci](#), America’s most-listened-to medical professional on the coronavirus, and apparently on all the political, economic, cultural and social precautions every man, woman and child in the nation should take on the coronavirus, has just warned what cooler-head coronavirus watchers have suspected all along: that this country may never, no never, go back to normal.

Never, that is, [Fauci](#) suggested, until a vaccine is developed. And by logical extension, that’s to say — never, until a vaccine is developed that must then be included on the required list of shots for all children to attend school.

What great news for Big Pharma.

What great news for [Bill Gates](#) who just [announced](#) his foundation is going to spend billions of dollars to help build factories for seven possible coronavirus vaccine makers. “Spend” is probably the wrong word here. Invest is more like it.

After all, Gates, first and foremost, is a businessman. A billionaire businessman who made his billions in Microsoft and who just left his billion-dollar Microsoft enterprise to pursue other matters — specifically, to “serve humanity,” is how the ‘Economic Times’ put it, in a March headline.

For a taste of how he’s already served humanity, one need only look to the disastrous Common Core one-size-fits-all, top-down education plan that his foundation bankrolled. From education to vaccinations — the service to humanity never ends.

But this is what [Fauci](#) just [warned](#), at a White House briefing with reporters: “When we get back to normal, we will go back to the point where we can function as a society. But ... [I]f you want to get back to pre-coronavirus, that might not ever happen in the sense that the threat is there. But I believe that with the therapies that will be coming online, and the fact that I feel confident that over a period of time we will get a good vaccine, that we will never have to get back to where we are right now.”

He also said this: “If back to normal means acting like there never was a coronavirus problem, I don’t think that’s going to happen until we do have a situation where you can completely protect the population.”

This — as the dire, dark, deathly numbers that sent America into coronavirus panic in the first place were just revised downward.

“America’s most influential coronavirus model just revised its estimates downward,” The Washington Post [reported](#).

This — as Gates, the guy who has been the face of warning about the “nightmare scenario” of the coronavirus outbreak, just said the predicted death toll may not be as high as, well, predicted. Yes, viruses are, after all, seasonal.

This — as deaths due to the coronavirus are wildly open to interpretation, wildly speculative, wildly unscientific.

“The lack of widespread, systematic testing in most countries is the main source of discrepancies in death rates internationally,” BBC [reported](#). The opinions of these doctors is, of course, a direct challenge to the prevailing coronavirus.
