

God's Special Day

(Updated/Expanded 12/1/2019) from original article of 11/1/2018

(Addendum 12/24/2019)

Nisan 17/18 Odds:

One in 783,864,876,960,000,000

Yes He is coming. We rent the United Methodist parsonage where I was the pastor of nearly thirty years ago. Several months ago they purchased a new electronic sign in front of the church. A few weeks ago the pastor put on the sign the first two lines of the illustration above. I will be curious to see how long it is before he changes the sign.

But to my point of this most important post, I must get too as it might be the Christmas gift we all await so excitedly.

I have a second witness that has come up with the same date that I suggested in this article for the **Rapture** during Holy Week of **April 4, 2020**. This comes as an addendum to my December 1st, 2019 update on "God's Special Day". This information comes from Garry B. who posts on the Five Doves web site for December 22, 2019. This news could be the best I have ever shared! Not only that, it is a short article to read!

I am including his post for your consideration. Garry B. is coming to the same date that I have suggested for the Rapture – **Nisan 10**, or **Palm Saturday** of 32 A.D. Gary came to this date by what I would consider to be the back door approach. I would add that there is nothing wrong with that and his calculations are in line with what we know from Dr. Gavin Finley's study and Dr. Chuck Missler. If you have digested what my article is suggesting, Garry B's work nails it for us, and confirms the date of **April 4, 2020** as the date of the Rapture. Do read it very closely. The remaining unknown factor that I see in this is the War of Gog-Magog. Since it is yet to come and God will do this as a pre-emptive strike, there will be advanced notice for us.

THE SECRET BLESSING FROM THE BOOK OF REVELATION IS REVEALED TO US.....Revelation 1:3

"BLESSED IS HE that reads, and they that hear the words OF THIS PROPHECY, and keep (believe) those things which are written therein for THE TIME is at hand."

I believe that the blessing promised in this Scripture is the revealed knowledge, in the Book of Revelation, of THE TIME , ie. the day, of the rapture. The following narrative is how I have reached that conclusion :

Those of us who study the seven Holy Feasts of the Lord know and understand that Jesus, during His first advent, completely, perfectly and in order, fulfilled the prophecies of the three Spring Holy Feasts of the Lord. Jesus was the selected perfect Passover Lamb of God on Nisan 10 and then He was crucified four days later on Passover Nisan 14 whose blood was shed for the remission of sins for the whole world, Jesus was then the unleavened Bread of Life who was in the heart of the earth for three days and three nights thus fulfilling the prophecy of Jonah. Jesus then resurrected on Resurrection Sunday to become the Firstfruits of the Dead. Jesus is the only one who can and will fulfill the prophecies of the seven Holy Feast of the Lord. Fifty days later on Pentecost God sent the Holy Spirit into the world which fulfilled the prophecy of the promised gift from God. Four of the seven Holy Feasts of the Lord have now been perfectly fulfilled as promised in Bible prophecy. That leaves the three Fall Feasts of the Lord yet to be fulfilled by the Lord Jesus Himself. Can any Christian doubt that the Lord Jesus will perfectly fulfill the prophecies of the three Fall Holy Feasts of the Lord at His Second Coming ? I

think not! I believe that the first Fall Holy Feasts that Jesus will fulfill at His Second Coming will be the Feast of Trumpets.

Those of us who study and understand the seven Holy Feasts of the Lord know that of the seven Holy Feast of the Lord, the Feast of Trumpets is the ONLY Holy feast that ALWAYS occurs on a NEW MOON. That day is especially marked by God to always occur on the new moon of Tishri 1, on God's Sacred Lunar Calendar. Knowing that the Feast of Trumpets always occurs on Tishri 1, we can determine the exact day when Tishri 1 will occur in future years. For example, the day of Sabbath Saturday September 16, 2023 is the appearance of the new moon of Tishri 1, Feast of Trumpets on God's Sacred Lunar Calendar for that particular year. That could be the marked day of the Second Coming of the Lord back to earth with His previously raptured Church, and also at which time Jesus will end the forty-two month , i.e. 1,260 day, authority of Satan on earth previous to His return. (Revelation 13:5)

If the Feast of Trumpets on the new moon of Tishri 1, 2023 on God's Sacred Lunar Calendar which is also Sabbath Saturday September 16, 2023 on the Gregorian Calendar, is the predestinated day of the Second Coming of the Lord, we can calculate the exact day of the rapture. Through extensive research I have determined and confirmed that exactly 1,260 days prior to the date of Tishri 1 on God's Sacred Lunar Calendar is ALWAYS the date of Nisan 10 without fail. Revelation 12:10-12 & 13:5 tell us that the Church is raptured to heaven at the same time that Satan is cast out of heaven to earth exactly 1,260 days. i.e. 42 months, prior to the Second Coming of the Lord on Tishri 1, Feast of Trumpets. Nisan 10, on God's Sacred Lunar Calendar, is the ONLY DAY of the year that the rapture can happen according to Scripture. Nisan 10 is also known as the 'Day of Palms'.

The next Nisan 10, on God's Sacred Lunar Calendar, falls on Sabbath Saturday April 4, 2020.

HERE IS THE CLINCHER:

THE YEAR in which the Gog-Magog War BEGINS in Israel during the month of March is the year that the rapture will definitely happen . The Gog-Magog War against Israel is our visual sign from God that our rapture is near according to :

Luke 21:28 (Jesus speaking)

"WHEN these things (the Gog-Magog War) BEGIN to happen, look up and lift up your heads because YOUR REDEMPTION DRAWS NEAR."

According to Your Holy Word, come Lord Jesus !

Since posting my updated article on God's Special Day, a lot has been occurring in the news of the Middle East. Recep Tayyip Erdogan of Turkey has been making deals with Libya concerning oil and gas exploration in the Mediterranean Sea, even offering military assistance to Libya. He wants to get rid of Syria's Prime Minister Bashar Assad. He has troops and armor on the border with Lebanon and this puts him within striking distance, 350 miles of Israeli real estate on the Golan Heights. He has threatened to close the U.S. airbase at Incirlik, Turkey, which is not far from the Syrian border with Turkey. As part of NATO, the U.S. airbase has 50 nuclear bombs based at Incirlik. Iranian citizens are converting to Christianity at numbers never been recorded in Iranian history.

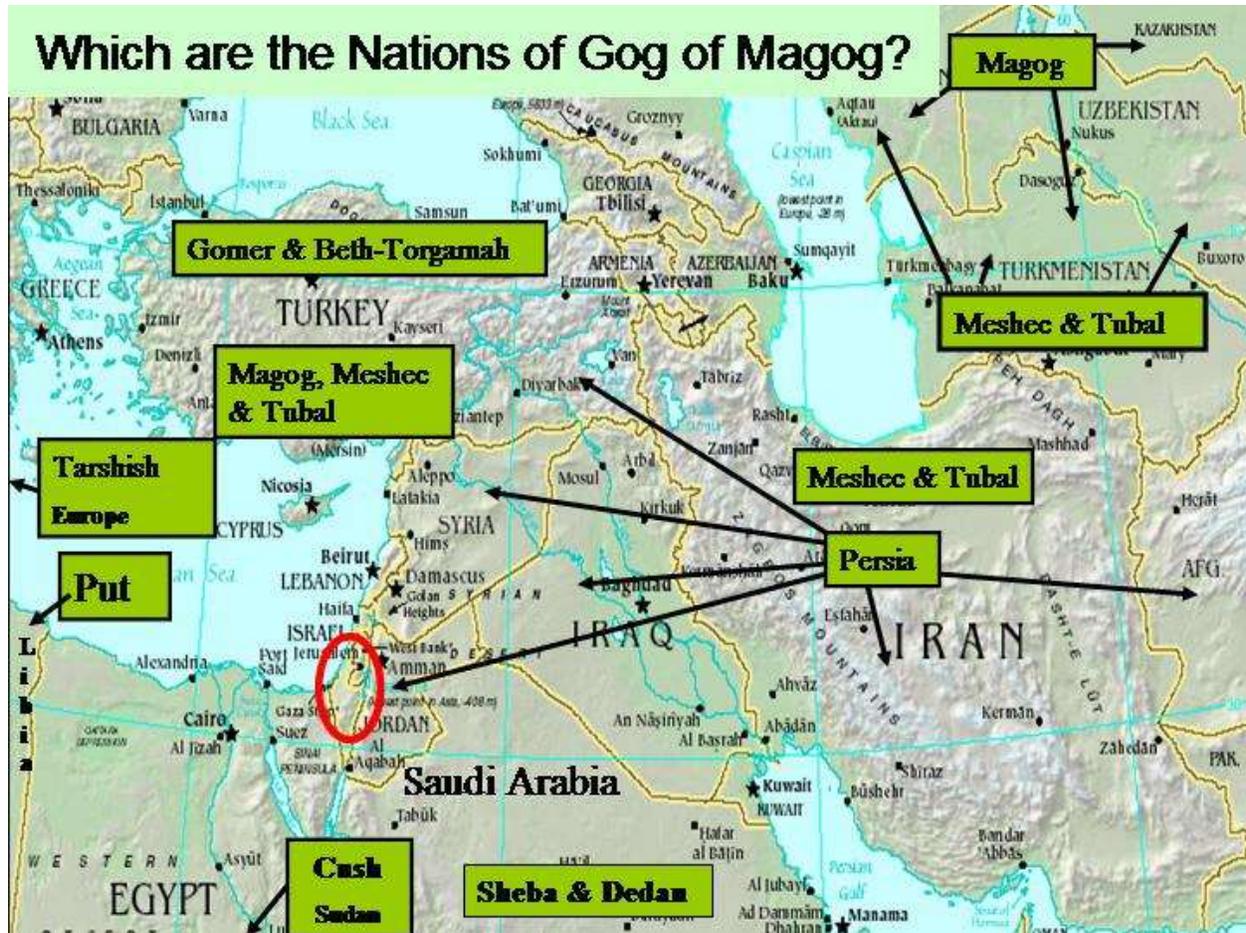

It is a well-established fact among Erdogan's supporters that he wants to re-establish the former Ottoman Empire (1517-1917), which collapsed in 1917 with the ending of World War I. One of the questions that have persisted for some length of time is the question of who would bring about the destruction of Damascus in Isaiah 17:1-2. Perhaps, it will be done by a Gog-Magog partner ally, namely Turkey. The Gog-Magog alliance countries have seen an increase in activity in the form of meetings and conferences in the last three months, suggesting something big on the horizon.

As to this verse which all the critics of the Pre-Tribulation Rapture base their argument, I want to put your minds to rest. ***"But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only."*** -(Matthew 24:36). Nearly all who use this passage as their rebuttal defense are themselves not Greek scholars. They can't translate Greek, they have no Greek language training, and at best, even two years of seminary Greek does not qualify one as being a Greek scholar. I have worked with the Greek text for more than 25-years, on a daily basis, and I will tell you, I have yet to reach that level where one could call themselves an expert authority on the Greek text of the New Testament. From what I do know, there is much more to this passage than you could possibly imagine. I have been working on a study of Matthew 24:36 and its context for about six years, but at this time, it is far longer than you really desire or want to read this Christmas. I have consulted over sixty theological academics during that time for their expertise on this passage. At this point, you can simply trust me that what I am saying is true or request a copy of my 20+ page paper that backs up my statement here.

Have a blessed Christmas,
