## Through the Hegelian Dialectic!

### Part 4

We hear a lot about Christians “*engaging in dialogue*” with other groups and religions: Muslims, sodomites, Catholics, etc. But should a Bible-believer do this? What is this “dialogue” everybody wants us to “engage” in? What does the Bible say about this subject? Where does “**Be Ye Separate**” come into the picture?

When we take a closer look, what they want is not really dialogue —its dialectic, a very old Jesuit principle.

To repeat some of the basics may seem to be redundant but learning essentials requires repetition and some of you are still new at this point in time.

Dialectic involves three aspects: thesis, antithesis, and synthesis. These sound complex, but “thesis” and “antithesis” are simply names for two opposites. “Synthesis” is a word for the compromise people reach in order to come to some form of agreement.

Here’s the problem: what if the thesis happens to be the truth? If one side is the truth, then the other side —antithesis— has to be a lie as well. But what is the synthesis? Any compromise between truth and a lie is also a lie. So, actually, if you talk about which side wins, the lie wins out, because a lie is always a lie. It never becomes the truth. Truth compromised is still a lie.

But before the eyes of God, everyone loses in this kind of dialogue, or dialectic. What we need is truth, not compromise. We need to persuade the other side to the truth of our side. Then everybody wins and there’s no compromise.

Look at the story of Shadrach, Meshach and Abednego. They’re standing up there by themselves, because everybody else is fallen down on their faces in front of this giant idol. So the king calls them out by name and says in effect, “***Didn’t you hear my decree? I don’t care who you are; when you hear the music, you fall down just like everybody else!***”

The three could have said, “*You know, we could just bow our heads down. That’ll be good enough.*” But then they would be just as bad as everybody else. They might as

well be on their faces in front of the idol. Tilting your head is still compromise. It's still not what God commanded in His word. Instead, they said, ***"If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king. But if not... we will not serve thy gods, nor worship the golden image which thou hast set up"*** -(Daniel 3:17-18).

Thesis stayed thesis, and antithesis stayed antithesis. There was no synthesis. In fact, the king in his fury commanded them to heat the fiery furnace seven times hotter, so hot that his mightiest men, who threw them in, died of their burns.

But God protected those three. And even if He hadn't, they just would've gone to meet Him. But this time He came to meet them! And when they came out they didn't even have the smell of fire —or the stink of idolatry on them. They stayed with their thesis. They had no guilt of compromise. For them there was no synthesis.

It didn't matter whether they were afraid or not, because that was not the point. It didn't matter. What mattered was their refusal to compromise. And God completely honored it.

This is why dialogue will never work when you have the truth. Dialogue only works with two people who don't have the truth. One lie synthesized into another lie comes up with a compromise lie. What's the difference?

We must stand firm and persuade others of the truth of God's words and doctrines, perfectly preserved in the King James Bible. We must never compromise His truth with the Devil's —or man's— lies.

I just posted a Blessed Hope #139 and Satan used a Jesuit Cardinal Carlo Maria Martini, SJ to convince the translating committee of the NIV Bible to make what might seem a small nuanced word change in Isaiah 14:12 that has had huge implications in its reference to who and why found elsewhere in Scripture. The ***"O Lucifer"*** in the KJV was through a "change agent" using dialogue with the rest of the committee to ***"Morning Star"***. I did not go into all the background of the dialogue as to how this was negotiated but the point is the word ***"Lucifer"*** in Isaiah 14:12 is found only once in the entire KJV Bible; and, a Jesuit contender for pope achieved its elimination from the NIV, which at the time was being promoted as a Bible for Catholics and Protestants.

Examples of the Hegelian Dialectic passed and future.

Remember when looking at the dialectic:

Christianity for the Roman Church(government) is just a mask; hiding her true identity and nature of the Occult. Also remember Rome is a nation and has a seat in the United Nations.

What is a (Hegelian) Dialectic?

Remember prior to 1776 the colonies were governed by Protestant England and Catholics could not be in government and the Mass could not be said in public. Always

keep in mind that England is the only Country that has ever legislated Catholicism illegal. In America it became legal(mass) what was illegal(mass) in England with freedom of religion. England is the only country that has been truly Protestant!!!

Below are examples of the Hegelian Dialectic

thesis-----Mask of Christianity  
anti-thesis-----Occultism  
synthesis-----Ecumenical Movement

thesis----- Protestantism  
anti-thesis---- Catholicism  
synthesis----- Universalism

Below is the Jesuit world Dialectic view.

Thesis: Arm the Muslims and make them hate the Western World and nation-state of Israel.

Anti-thesis: Arm the "Christians"(apostate) and "Jews"(apostate) and make them hate the Muslim World.

Once the hatred is fomented between these two sides, World War III can be started. When all the fighting is over and the people of the world are exhausted, the Pope of Rome can step in as the good guy and suggest that everybody in the world come together in the name of peace while setting aside our religious differences (ecumenism). The Pope will then relocate his throne to Jerusalem.

Synthesis: The Pope of Rome will become the leader of the world and we'll end up with a one-world ecumenical/universal religion and a total one-world government and economic system and now we have the "New World Order"

A Quote from Jesuit John Carroll out of *'The Ark and the Dove'* "*The Beginning of Civil and Religious Liberties in America*" by J. Moss Ives. It is out of the 6th chapter of the book.

*"The harmony now subsisting amongst all Christians(prior to 1776 they weren't consider Christians) in this country, so blessed with civil and religious liberty,(prior to 1776 Catholics didn't have civil and religious liberty) which if we have the wisdom and temper to preserve, America may come to exhibit a proof to the world that general and equal toleration, by giving a free circulation to fair argument, is the most effectual method to bring all denominations(thesis:Protestants) of Christians(anti-thesis: Understand Catholics claim to be Christian) to a unity(synthesis: ecumenism) of faith."*

The above quote from John Carroll is a text book example of the Hegelian Dialectic. John Carroll had 26 years of Jesuit education. Jesuits are masters at the dialectic and

the above is an example of his expertise in using the dialectic. The American revolution produce a Universal government and with the freedom of religion it was the birth of the ecumenism in America. When we fast forward to 2015 and the visit of a Jesuit pope on September 24, 2015 who spoke to a joint session of the U.S. Congress we saw the Hegelian Dialectic being played out right before our eyes. The word Catholic means Universal. The pope is going to speak to a Universal government or he is going to speak to a Catholic government.

We have 28 Jesuit Universities and 216 Catholic universities. Six out of the Nine chief Justices are Catholic. Now we see who benefited from the eradicating of the penal laws and giving a free hand to Rome. Always remember Rome is a state and has a seat in the U.N.

If you have any doubts about Rome's influence in the American revolution, please read chapter V of John Carroll's book supporting the revolution. Understand it is written by a Catholic Historian. The only history the world hears is the sugar coated history where there is NEVER any mention of the real founding FATHERS. It is real possible dear reader that you might never have heard of Charles Carroll. Charles Carroll was the wealthiest man in the colonies. Follow the money, Charles Carroll help finance the American revolution. There is a good reason that Charles Carroll is left out of the education of Americans? Why? Because the students and citizens might just put two and two together.

Understand they used the dialectic over and over.

examples below

With the signing of the Declaration of Independents in 1776 America became a universal government, no longer a Protestant government by using the Hegelian Dialectic, combining 99 percent (Protestants-thesis) of the population with 1 per cent(Catholics-anti-thesis) we acquired a Universal government-synthesis. In America it became legal(Mass), what was illegal(Mass) in England and the penal laws become a thing of the past, never to be talked about!! Had this massive penal code been enforced, it could have eradicated English Catholicism and the American Revolution turn this all around!!

The average citizen in a America does not know the definition of the word Protestant or who the Jesuits serve and do not know Jesuit history. That means that a great percentage of students who attend Jesuit Universities(28 Universities) do not understand the motive or agenda of the Jesuits. Jesuit universities have built a mask around there agenda using education. Students thinking they are getting an education, when in reality they are getting prograded to continue the agenda(Mystery Babylon idolatry) of the Jesuits. The founding of American by the Jesuits gave Rome her freewill to practice a superstitious and idolatrous and dissolved the protestant movement in the colonies and England. Understand I used the word dissolve the protestant movement,

the population was still 99% protestants and 1% Catholic. American revolution just took the word protest out of the word protestant and gave us a universal government.

We always hear they have re-written history. No, they have just left out the history prior to 1776. Here is the key to the mystery: JESUIT HISTORY FROM 1540 TO 1773 IS NOT TAUGHT IN ANY UNIVERSITY IN THE WORLD. If the Americans new their English heritage they might put two and two together and understand what we lost with the American revolution, verses what American got from the revolution. Ignorance is bliss!!

Ninety nine per cent of Americans do not know any history prior to 1776. If we did not have the Jesuit American revolution (using Freemasonry has a cover) we would not have 28 Jesuits Universities, 50 Jesuit High Schools, 216 Catholic universities and 6 out of the nine chief Justices are Catholic and NOT one Protestant. It was a brilliant masterful event in history for the Jesuits!! Why? Because the penal laws prior to 1776 would not of allowed them to take complete control through their programing universities. Understand the Protestants had nothing to gain and everything to lose with the American revolution. Now let's ask the question!! Who benefited from the American revolution?? When we fast forward to 2015, history shows us Rome's complete control of Education and the government. Understand I am not condemning or trying to discredit Jesuits and Rome. Let's give credit where credit is due. The American revolution was a masterful and brilliant accomplishment of the Jesuits.

Simply put a "dialectic" is an argument ("thesis mask of Christianity") which demands an opposing argument "anti-thesis Occultism"). Through the process of the two conflicting sides, a solution ("synthesis Ecumenical movement ") is reached which represents a compromise of the two seemingly insurmountable opinions. This solution then serves as a new argument ("thesis") and the entire process is repeated. Remember you cannot use truth for a thesis. It only works with a half-truth and a half truth is still a lie.

Each time the dialectical process is repeated, the compromise serves to shift society away from its original thesis true Christianity -- that is the motive.

Thesis Mask of Christianity + anti-thesis Occultism synthesis = Ecumenical movement

Thesis Protestantism Government + anti-thesis Catholicism Government synthesis = Universal Government

Always remember Catholicism is a government and has a seat in the United Nations. And all the kings got their divine right to rule from the pope, ALL except protestant England.

Founding of the American government by combining Protestantism with Catholicism we got a Universal government.

Thesis Protestantism + anti-thesis + Catholicism synthesis=Universalism

Definition of Catholic is Universal

Can you name another religion that is a Nation and a government besides Rome?  
No it is not the Jews who run the world!!! All roads lead to Rome!

### **THE JESUIT STRATEGY TO DECEIVE AND DESTROY MANKIND**

- 1) Create a smokescreen to operate behind covertly (bogeyman to blame for every evil) - the Jews, Illuminati, Freemasons, Bankers, CFR, Bilderberg, CIA etc., etc. in order to DISTRACT the people's attention away from ROME.
- 2) Erode and destroy all autonomous authorities (nations) not subject to Rome via subterfuge, intrigue, sophistry, revolution and war.
- 3) Usurp control over world military forces, intelligence agencies, all politics and banking.
- 4) Appear pious and virtuous while covertly undermining the morality of the nations with vice of every kind including pornography, gambling and drugs.
- 5) Institute and control an education system of "learning against learning" in order to "dumb down" children, implement "mind control," materialism and a belief in "evolution" and "scientism." (NASA)
- 6) Attack and deride Biblical "truth" through Hollywood & mainstream media (MSM) to destroy all "faith" in God via "Scientism" (false science)
- 7) Promote world "unity" and "ecumenism" in order to create a "one world government and religion" and usher in a worldwide "fascist" system.
- 8) De-populate the planet using abortion, vaccines, GMO foods, fluoridation of water supplies, processed (fake) foods, glyphosate, weather and bio-warfare under the guise of UN Agenda 21 and WHO "save the planet" Green programs.
- 9) Through advanced bio-technology (trans-humanism) offer a FALSE "immortality" through implants in the brain, (neural lace) and hand, (RFID chips) as well as "transfer of consciousness" uploaded into a "synthetic body." This will result in total "POSSESSION" (the HIVE-MIND) and CONTROL by the final Antichrist world DICTATOR.

\* This first choice (taking a technological MARK) will result in the loss of the human "soul" for all eternity = DAMNATION = separation from God in HELL forever!

10) This second choice is the BIG ONE!!!! The Jesuits are carrying out SATAN's No 1 objective and that is to DECEIVE all people into DISOBEDIENCE if that were possible with receiving a MARK = a FALSE CHRIST IMAGE. In the Bible this is described as the IMAGE of the BEAST! Revelation 13:14

This false Messiah/ Saviour/ Hero god IMAGE that people will construct for themselves and WORSHIP as GOD is NOT Biblical and deludes them into believing they are SAVED and going to HEAVEN but in fact is taking them to ETERNAL DAMNATION! This is the FALSE GOSPEL DECEPTION the Lord Jesus Christ warned about! The WIDE ROAD to DESTRUCTION!

WHY? ... HOW?

Simply, because people continue to take pleasure in wickedness and refuse to REPENT of their SINS! They worship a God that they believe WINKS at sin.

The Bible says **"For the wages of sin is DEATH."** -(Roman 6:23 and

**"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in all unrighteousness;"**

-(Romans 1:18)

Many professing Christians will perish along with all the others believing they are following and worshipping the real Christ and are JUSTIFIED in their SINS thinking God will overlook their sin! He CANNOT and will NOT!

The Warning by Jesus Christ:

**"Many will say to me in that day, Lord, Lord, have we not prophesied in your name? and in your name have cast out devils? and in your name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, you that work iniquity."** -(Matthew 7:22-23)

**"If you continue in My word, you are truly my disciples. Then you will know the truth and the truth shall set you free"** -(John 8: 31-32)

I have so much more than I can possibly share in this series. Unfortunately, years ago I found few people interested in the devolution of humanity, when humanity ignores history they are likely to repeat the mistakes of history. The phrase *"when good men do nothing, they get nothing good done"* is not a scripture, but a summary of a parable of Jesus in Matthew 25:30. The parable teaches that to be good, one must do good, as the Lord commands his people. Another similar quote, attributed to Edmund Burke, is *"All that is necessary for the triumph of evil is that good men do nothing"*. This quote warns against calling evil good and good evil, as Isaiah 5:20 does.

One of the most important books ever written was *'The Synagogue of Satan: The Secret History of Jewish World Domination'* by Andrew Carrington Hitchcock. Don't try to buy it at Amazon as it has been out of print for years. Some scalpers offer it on EBay at prices as high as \$500. I have both editions of the book and would not part with it.

As you can see by the above illustration, it is an expanded history of those who call themselves Jews but are not. It was Jesus Christ who revealed this group in Revelation 2:9 and 3:9. There have been a lot of knock-offs by this title but the 2006 and 2011 editions by Andrew Carrington Hitchcock were groundbreaking. I keep the second edition at my reach and it must have close to a hundred sticky notes tagging specific pages. The second edition is over 140,000 words.

Although the primary focus of the book is the Rothschild Family Dynasty, it intertwines with the Vatican, the Jesuits, Freemasonry, Talmudic Judaism, and virtually every aspect of society. The term "Octopus" is often associated with the Rothschild name because of its symbolism as much as its reach into every sector of global society. The following picture of the men who rule the world is somewhat dated, with the deaths of David Rockefeller and Sir Evelyn de Rothschild however they have been replaced with their lieutenants of power.

# KNOW YOUR ENEMY THESE MEN RULE THE WORLD!

## Heads of The World Order

1) Lord Jacob de Rothschild. 2) His son Nathaniel. 3) Baron John de Rothschild 4) Sir Evelyn de Rothschild 5) David Rockefeller 6) Nathan Warburg 7) Henry Kissinger 8) George Soros 9) Paul Volcker 10) Larry Summers 11) Lloyd Blankfein 12) Ben Shalom

More than a hundred of the Rothschild family members call the U.S. as their home and most lead silent roles in real estate, business, banking, finance, suggesting they are upstanding members of society.

The Rothschild stature took off when the Vatican commissioned the House of Rothschild to be their "Fiduciary" agents in preserving and expanding the Vatican's wealth in 1820. By 1823, the Vatican (Jesuit-controlled) and the name of Rothschild were like that of Siamese twins joined at the hip pocket. Years ago I watched the TV series "Pawn Stars". Back then I discovered that the Rothschild's had a branch operation that backed-up the pawn shop segment of commerce in the U.S.

**¥1823: The Rothschilds take over the financial operations of the Catholic Church, worldwide.**

The marriage of the Vatican with the House of Rothschild's is a match made in hell! The financial arrangement netted the Rothschild's commission interest income of 6% on every transaction on behalf of the Vatican.

## **The Jesuits & The Vatican**

### **1.0 Introduction**

**The Jesuit Order is a 500-year old 'covert operations', geo-political, male-only organization that is structured as a secret military operation;**

**Demanding secret oaths and complete obedience to each direct superior, which is ultimately the Superior General (often nicknamed as the Black Pope, since he dresses in black and 'stands in the shadow' of the white Pope).**

**The insignia of the Society of Jesus, or The Jesuits, supposedly formed in 1534. The insignia shows the Black Sun - which is what they in fact worship**

The "Society of Jesus" - as they are officially known - was originally used by the Vatican to counter the various Reformation movements in Europe, to which the Vatican lost much of its religious and political power.

Absolute-temporal-ruling power has always been the Vatican institution's primary objective.

In the Constitutions of the Society of Jesus, Ignatius of Loyola (1491–1556), founder of the Society, recommended that Jesuits follow the doctrines of Saint Thomas in theology and those of Aristotle in logic, natural philosophy, ethics, and metaphysics. After Loyola, the official position of the Society was further specified; Jesuits were supposed to teach "Aristotle and the true philosophy," interpreted as Thomism.

The Jesuit Order is since 1814 in complete control of the - obscenely wealthy - Vatican institution (and its Catholic clergy hierarchy) and presently also controls various other organizations together with the Military Order of Malta, such as:

- The United Nations
- NATO
- European Commission
- Council on Foreign Relations
- Various central banks
- Big corporations
- Secret services
- Numerous societies and cults, such as Freemasonry ("The Brotherhood") and Opus Dei

**35th Jesuit general congregation at the Vatican in 2008**

**It is also important to note that the Jesuit-controlled Vatican is since 1929 being cast (and accepted) as a sovereign microstate called Vatican City, with its own:**

**Head of State and cabinet (the Holy See, which consists of the Papal non-hereditary monarchy and the Curia).**

**Central bank (Vatican Bank).**

**Jurisdiction rules (Canon Law, Admiralty law).**

**Some 147 international agreements (diplomatic treaties which were formerly called Concordats or Lateran Treaties, which grant the Vatican special national privileges).**

**Large radial underground network of secret archives (estimated at 84 kilometers of shelving space), and a large collection of ancient art works in the Vatican Museums.**

**Universal Inquisition office (headed by the American William Levada since 2000), an Italian police force and a Swiss military guard consisting of only Catholic single males with Swiss citizenship and Swiss military training.**

**Furthermore note that the Jesuit Order, the Catholic clergy and the Military Order of Malta (and many of the other Papal and Royal military orders) have an extremely patriarchal culture.**

**This type of rigid social structure is one of the main aspects of fascistic groups.**

***"The Jesuits have no women. They have no love of a woman. Because to have a wife, to have a woman, means you have an allegiance to your wife and family, and you cannot obey the General. That's why they will NEVER be married, and that's one of the great KEYS to their success."***

**- Eric Jon Phelps**

**Today the Jesuit Order has about 25,000 members.**

**In 1541 St Ignatius of Loyola adopted the Christogram of the Holy Name of Jesus as his seal as General of the Society of Jesus. The letters IHS come from the Greek spelling of Jesus: ΙΗΣΟΥΣ. Note the Masonic / Illuminati solar burst around the seal**

**Of the about 13,500 priest members, some have taken the 4th vow secret oath in which killing a 'heretic' is not considered a crime. The ranks of Jesuits are thinning; From 36,000 members at the order's zenith in the mid-1960's, to 26,000 in 1983, to 23,000 in 1995. The Jesuits are geographically organized by 91 provinces, which each belong to one of 10 assistancies around the world.**

**The Military Order of Malta has about 12,500 members (excluding volunteers),**

and Opus Dei has about 26,000 celibate members (excluding volunteers).

The Vatican-Jesuit-Masonic crusades, up to our present time, show their criminal "full-spectrum dominance" doctrine is effectuated all over the world by:

War, genocide and depopulation (recent examples: Canadian natives genocide between 1880-1984, the "Vatican managed Serbian genocide during WWII" with an ongoing US court case, and the ongoing Shia Muslim genocide in Iraq with over 1,217,892 deaths)

Political subversions

Economic slavery

Poor quality nutrition, healthcare and housing

Government propaganda (via education, media, science, and religion)

Suppression of sovereignty, consciousness and spirituality.

## 2.0 Masonic Cities

---

The Vatican-Jesuit-Masonic network operates mainly out of the following cities:

- ▶ Vatican City, Rome, Italy. (religious center) (sovereign state since 1929)
- ▶ City of London, London, United Kingdom. (economic center) (sovereign state since 1649, owned by the City of London Corporation)
- ▶ District of Columbia (which includes Washington D.C.), United States. (military center)

Sited on the banks of the Tiber River, on a hill sits the Vatican City. It is a place that has one of the richest histories in the world and is one of the most influential. The religious history that surrounds the Vatican City crosses centuries and is now the embodiment of many of the most important parts of the cultural history of Rome.

▷ (The "District of Columbia Act of 1871" turned D.C. into a municipal corporation. Congress has the supreme authority over the city and the federal district, with its own special constitutional amendment since 1961. Furthermore the District of Columbia is judicially governed by the Lex fori as opposed to Lex causae.

▷ "There is an increasingly common belief among many that this Act has overturned the United States Constitutional Republic. These theorists state that the "Corporate US" is actually operating under the name: UNITED STATES OF AMERICA, noting the capital letters as a distinction from the Constitutional Republic."

▷ The Jesuit bishop John Carroll was probably the richest man in America in the late 1700's. Carroll allowed funding to construct D.C. (which is nicknamed "Rome on the Potomac"). The owner of the land used to be Francis Pope and his priest was Jesuit Andrew White.

▷ Washington D.C.'s original name was Rome, Maryland, and a branch of the Potomac River was called Tiber Creek, which was named after the Tiber river in Rome. Like Rome, Washington D.C. has 7 hills, whose names are: Capitol Hill, Meridian Hill, Floral Hills, Forest Hills, Hillbrook, Hillcrest, and Knox Hill).

▶ Other masonic elements in this city: Jesuit Georgetown University, the masonic street layout and monuments, and the 2008 World Conference of Masonic Grand Lodges.

Examples of the Masonic symbology embedded in the street layout of Washington D.C.

Other important cities: Geneva, New York, Brussels, Paris, the various microstates, Luxembourg, Strasbourg, Moscow, Hong Kong, ...

Parliament House, in the capital city state of Canberra, Australia - note pyramid  
Canberra (Australia) is also an independent city state. There are rumors that the government section of Wellington City (New Zealand) may also be similarly regarded.

(Aristocratic→Masonic →Corporate →Political Networks)

John Carroll was an intimate of Washington. (Jesuit John Carroll founded Georgetown University in 1789) He wrote a prayer at the time of Washington's inauguration asking God's blessing on the president, Congress, and government of the United States — a prayer still very much in use today. Out of gratitude for John Carroll's support during the war, Washington gave a modified version of the seal of the United States to the institution that is now Georgetown University, and that seal is still in use.

The Society of Jesus, or the Jesuits, with their **Sun Worship** logo, operate in the highest echelons of the Jesuit Illuminati, or rather their leaders do. It is the **Jesuit leadership** that controls the Knights of Malta, Knights Templar, Knights of Columbus in the USA, and works closely with another secret order of the Roman Church, **Opus Dei**, which was created by the **Jesuits**. The alleged rivalry between the two is a diversion.(created so they could control two sides of an issue) The Society of Jesus

was the creation of Ignatius(ig- 'nā-sh(ē)-əs) Loyola, who was born at the Castle of Loyola in the Basque province of Guipuzcoa(gē- 'pūs-kō-ə) in Spain on Christmas Eve 1491. He and a group of associates founded the Jesuit Order in 1537 and it was given papal approval in 1540. From there it expanded its influence until it reached its present status as one of **the most powerful secret societies on earth**. Loyola became the first Jesuit Superior General, also known as the 'Father General', and he sent his agents far and wide to set up schools, colleges, and seminaries. (all Protestant seminaries have been infiltrated by the Jesuits) It's interesting that theological colleges are call 'seminaries' and their students 'seminarians'. The term comes from the Latin 'seminarium', or 'seed-bed'. Semiramis was known in similar terms as the mother, or 'seed-bed', of the gods. The word 'seminary' is also used in reference to Jewish and Muslim religious centers of higher 'education', and by the Mormons, too. The Jesuits now have some **25,000 members** in **112 countries** and the **worldwide structure** consists of region known as **assistances**, which are themselves made up of **provinces**. It is the usual top-down, Russian-doll system that allows the leaders to keep the big agenda from the lower roads. The Superior General has absolute authority and is again chosen for life, or until he decides to resign. The Jesuit Constitutions were written by Loyola and created a dictatorship that demanded absolute obedience to the Pope and 'superiors' with the Order. He said that Jesuits should be **'well-disciplined like a corpse'**. Loyola produced a book call Spiritual Exercises(modern day psychology) in 1548 and it is still at the heart of Jesuit 'education'. It tells Jesuits to suspend their own judgement and the thirteenth rule says it is virtue to believe only what the **Catholic Church tells them even if it's not true**. The example is given of seeing something that is obviously white, but believing it is really black if the Catholic hierarchy says it is. **Quote by St. Ignatious of Loyola:** That which appears white is really black. We should always be disposed to believe that which appears white is really black if the hierarchy of the Church so decides. This is what the Illuminati and Jesuits always demand-absolute obedience. (the Illuminati, Jesuit, one of the same)

The same Jesuit structure was employed by the **Jesuit-educated, Adam Weishaupt**, when the Bavarian Illuminati was officially **launched on May 1st, 1776** and by many other secret groupings. The Bavarian Illuminati is a strand in the bigger web, which also calls itself the Illuminati.(**Jesuit, Illuminati same organization**) Weishaupt taught **Roman Catholic Canon Law** at the Jesuit University of Ingolstadt in Bavaria, Germany, which is the birthplace of many front men, including Henry Kissinger and the current Pope. Together with countries like Britain, France, Italy and the United States are Major Illuminati and Jesuit centers to this day.(**28 Jesuit Universities in USA**) The themes of the Jesuit Oath were adopted by Weishaupt, as he and his conspirators set about causing mayhem in Europe, and elsewhere, to establish Illuminati(Jesuit, Illuminati two of the same animal) political control. This was achieved by planting agents in all areas of society, who then engineered the conflict that brought about the required **change**.(Obama, **change**, that rings a bell) The French Revolution and American Revolution were both of their covert operations disguised as giving freedom to the people, and behind all these activities was the **Jesuit Leadership (Georgetown University 1789)** and its associates, the

Rothschild's. Mayer Amschel Rothschild was the real leader of the Bavarian Illuminati, and the Rothschild's and the **Jesuits have long been connected**. (all roads lead to Rome) Rothschild, Weishaupt and the Jesuit leadership were dedicated to dividing and ruling the masses through conflict and war(**exactly what is happening presently**) by manipulating **politics, finance**(Obama's bank bailout) and **religion**,(Ecumenicism) and getting people to fight each other(Example: **occupy Wall Street, gun control**) while they were controlling and arming all sides.(**controlling both Democrat and Republican**) Weishaupt, or 'Brother Spartacus' with the Illuminati, infiltrated the Freemasons, especially Grand Orient Freemasonry. He once said:

**The great strength of our Order lies in its concealment; let it never appear in any place in its own name, but always covered by another name, and another occupation. None is fitter than the three lower degrees of Freemasonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it.**

**In the Jesuit Extreme Oath of Induction, or Blood Oath ceremony, recorded in the Journals of the 62nd Congress, 3rd Session of the USA, the real aims of the Society of Jesus are made crystal clear. Former Jesuit priests, including the late Father Alberto Rivera, have confirmed the Blood Oath's existence. Malachi Martin, another former Jesuit priest, worked in the inner circles of the Vatican for more than twenty years and spoke seventeen languages. In his final book before he died in 1999, he said there was an 'occult conspiracy' in the Vatican and that satanic rituals were conducted within a Secret Church dedicated to 'Lucifer'. (Lucifer Sun Worship) This is the true agenda behind the Jesuit operation which controls the Vatican and the Pope, and we know from unwilling participants that exactly the same happens within the secret levels of the Mormon Church. The Blood Oath ceremony is conducted alongside an altar as the initiate, or postulant,(päs-chə-lənt) stands between two monks. One is holding a banner with the papal colors of yellow and white, and the other holds a black banner bearing a knife with the cross above the skull and crossbones. It also includes the letters INRI, which is said to mean IUSTUM NECAR, REGES, IMPIOUS--'It is just to exterminate or annihilate impious or heretical Kings, Governments, or Rulers'. The initiate kneels and the Superior gives him a black crucifix to hold against his heart and a dagger which he holds pointing to his heart. The Superior confirms during the ceremony that the initiate has been taught to infiltrate and spy on behalf of the Order:**

**My son, heretofore you have been taught to act the dissembler: among Roman Catholics to be a Roman Catholic, and to be a Roman Catholic, and to be a spy e among you own brethren; to believe no man, to trust no man...and obtaining the confidence, to seek even to preach from their pulpits and to denounce with all vehemence(vē-ə-mən(t)s) in your nature our Holy Religion and the Pope; and ev to descend so low as to become a Jew among Jews, that you might be enabled gather together all information for the benefit of your Order.**

You have been taught to plant insidiously the seeds of jealousy and hatred between communities, provinces, states that were at peace, and to incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous..

...to take sides with the combatants and to act secretly with your brother Jesuit, who might be engaged on the other side. You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source; to integrate(in-tə- grāt) yourself into the confidence of the family circle of protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, amount the schools and universities, in parliaments and legislatures, and the judiciaries and councils of state, and to be all things to all men.

The initiate then pledges to wage war against the 'enemies' of both the Order and the Pope:

I further more promise and declare that I will, when opportunity present, make a wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up th stomachs and wombs of their women and crush their infants heads against the walls in order to annihilate forever their execrable(ek-si-krə-bəl) race.

That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard(pän-yərd) or the leaden bullet,(J Lincoln) regardless of the honour, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at : time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.

The Fundamental involvement of the Jesuit Order in world-changing events like the the two global wars have rarely been told. Often blame is handed only to a 'Jewish' cabal,(using the Jews as Scapegoats) which certainly does exist as a Sumerian(soo-meer-ee-uhn) cabal in nexus(nek-suhs) around the Rothchild's, and goes under the name of Zionism, Neoconservatism and other labels. This is an important tool of the Illuminati, but it is only part of the web and we should not let it hide the fundamental involvement of the Jesuit hierarchy and the Church of Babylon,(Mystery Babylon, Lucifer Sun Worship) now known as the Roman Catholic Church. In truth, they are all different faces of the same organization.

Jesuits work in many roles in parish and retreat ministry, in high schools and colleges, as lawyers, doctors, psychologists and counselors, writers and journalists, theologians and philosophers, researchers and scientists and in many places and with many different peoples in cities, rural areas, in the missions of South America, Africa, and elsewhere. The Jesuits are renowned the world over for excellence in education. Almost from the beginning, Jesuits

were teaching at various universities in Europe. Currently the Jesuits maintain, 70 secondary and primary schools, 50 Jesuit High Schools and 28 universities in the United States. You could call them the Social engineers for the New World Order. If you are going to control public opinion you have to control education. Universities are a filtering device to hand pick their candidates for key positions. Universities are teaching more than just an education, it is an indoctrination which comes with a diploma.

### Conclusion and summary

This article is just an introduction to the founding and history of the Jesuits. More information is readily found in books and on the Internet. But what is usually left out is why the Jesuits were formed and founded?

The Counter-Reformation was the period of beginning with the Council of Trent (1545–1563) and ending at the close of the Thirty Years' War, 1648 as a response to the Protestant Reformation. The Jesuits are the militia and foot soldiers for Rome. The Counter-Reformation was a comprehensive effort to overcome Protestantism, Using four major elements:

1. Ecclesiastical or structural reconfiguration (to infiltrate Protestantism)
2. Religious orders (Knights of Columbus, Opus Dei, Knights of Malta)
3. Spiritual movements (to bring in psychology to replace Spiritually)
4. Political dimensions (The founding of America and 28 Jesuit University's to infiltrate Freemasonry, start American revolution, French revolution)

Quoted again from their Jesuit Oath:

I further more promise and declare that I will, when opportunity present, *make a wage relentless war, secretly or openly, against all heretics, Protestants and Liberals*, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants heads against the walls in order to annihilate forever their execrable race.

The majority of Christians, particularly Protestants, hold to doctrines *planted by Jesuits during the counter-reformation*. This was for the purpose of *undermining the reformation and for bringing nations and men back under papal yoke by altering their view of salvation and of the pope*.

The picture below speaks volumes about our government at its very top. One need read the names of those picture in the Oval Office of the illegal office holder of Barack Hussein Obama. Jerome Corsi wrote the book 'Where's the Birth Certificate' in 2012. This photo was taken on September 9, 2010.

Barack Obama is a third generation CIA family. CIA stands for Central Intelligence Agency, but more to the subtle truth, stands for Catholic Intelligence Agency!

## Obama surrounded by Roman catholic/ Jesuit Trained Intelligence Leaders

President Barack Obama meets with Director of National Intelligence James Clapper, right (Alma Mater St. Mary's University, Texas), in the Oval Office, Sept. 9, 2010. Also attending are, clockwise from left, Robert Cardillo, DIA deputy Director (and now Director of National intelligence for intelligence integration and schooled at **Jesuit** Georgetown), Deputy National Security Advisor Tom Donilon (Donillon attended La Salle Academy, earned a B.A. at: The Catholic University of America in 1977 and is connected personally to the Biden family). Rodney Snyder, Senior Director for intelligence Program, NSS(Can not find any kind of BIO on him). John Brennan, Assistant to the President for Homeland Security and Counter terrorism ( Attended private catholic schools from his youth, is Alma Mater at **Jesuit** Fordham University and is former CIA), and National Security Advisor Gen. James L. Jones (Alma Mater **Jesuit** Georgetown University).

**And everyone wonders what's going on in this country!**

**Now ask yourself?**

## Who Rules?

**"The Vatican has large investments with the Rothschilds of Britain, France and America, with the Hambros Bank, with the Credit Suisse in London and Zurich. In the United States it has large investments with the Morgan Bank, the Chase-Manhattan Bank, the First National Bank of New York, the Bankers Trust Company, and others. The Vatican has billions of shares in the most powerful international corporations such as Gulf Oil, Shell, General Motors, Bethlehem Steel, General Electric, International Business Machines, T.W.A., etc. At a conservative estimate, these amount to more than 500 million dollars in the U.S.A. alone.**

**... In a statement published in connection with a bond prospectus, the Boston archdiocese listed its assets at Six Hundred and Thirty-five Million (\$635,891,004), which is 9.9 times its liabilities. This leaves a net worth of Five Hundred and Seventy-one million dollars (\$571,704,953). It is not difficult to discover the truly astonishing wealth of the church, once we add the riches of the twenty-eight archdioceses and 122 dioceses of the U.S.A., some of which are even wealthier than that of Boston.**

**... Some idea of the real estate and other forms of wealth controlled by the Catholic church may be gathered by the remark of a member of the New York Catholic Conference, namely 'that his church probably ranks second only to the United States Government in total annual purchase.' Another statement, made by a nationally syndicated Catholic priest, perhaps is even more telling. 'The Catholic church,' he said, 'must be the biggest corporation in the United States. We have a branch office in every neighborhood. Our assets and real estate holdings must exceed those of Standard Oil, A.T.&T., and U.S. Steel combined. And our roster of dues-paying members must be second only to the tax rolls of the United States Government.**

**... The Catholic church, once all her assets have been put together, is the most formidable stockbroker in the world. The Vatican, independently of each successive pope, has been increasingly orientated towards the U.S. The Wall Street Journal said that the Vatican's financial deals in the U.S. alone were so big that very often it sold or bought gold in lots of a million or more dollars at one time.**

**... The Vatican's treasure of solid gold has been estimated by the United Nations World Magazine to amount to several billion dollars. A large bulk of this is stored in gold ingots with the U.S. Federal Reserve Bank, while banks in England and Switzerland hold the rest. But this is just a small portion of the wealth of the Vatican, which in the U.S. alone, is greater than that of the five wealthiest giant corporations of the country. When to that is added all the real estate, property, stocks and shares abroad, then the staggering accumulation**

of the wealth of the Catholic church becomes so formidable as to defy any rational assessment.

... The Catholic church is the biggest financial power, wealth accumulator and property owner in existence. She is a greater possessor of material riches than any other single institution, corporation, bank, giant trust, government or state of the whole globe. The pope, as the visible ruler of this immense amassment of wealth, is consequently the richest individual of the twentieth century. No one can realistically assess how much he is worth in terms of billions of dollars.

...The Vatican has billions of shares in the most powerful international corporations... The Vatican has large investments with the Rothschilds of Britain, France and America, with the Hambros Bank, with the Credit Suisse in London and Zurich. In the United States it has large investments with the Morgan Bank, the Chase-Manhattan Bank, the First National Bank of New York, the Bankers Trust Company, and others."

from the book *"The Vatican Billions"* by Avro Manhattan, 1983

"During a war you will never see the Vatican, City of London or Switzerland get attacked. On the grand chessboard these are considered neutral ground because it is where all the money flows. Without money to fund war, there is no war."

from an article "Bank of England, City of London and The Queen"  
<http://wideshut.co.uk>

"Created in 1942, the Istituto per le Opere di Religione (IOR), is commonly known as the Vatican Bank... The bank remains a sovereign financial agency within a sovereign state. It is an entity unto itself, without corporate or ecclesiastical ties to any other agency of the Holy See. As such, it cannot be forced to release the source of any deposit. The bank resides under the direct jurisdiction of the pope. He owns it; he controls it. Swiss guards are stationed to guard the entrance to the bank, and the hermetically sealed bronze doors open only to select members of the Roman Curia-the governing body of the entire Roman Catholic Church.

... Because of its clandestine workings, millions can be deposited into the IOR on a continuous basis and channeled into numbered Swiss bank accounts without the possibility of detection. It was the perfect place for the CIA and the Sicilian Mafia to launder their ill-gotten gains of the narcotics trade and for the Roman Church to fund its political mission. And [according to Moneyval the anti-money-laundering committee of the Council of Europe] it remains one of the world's leading laundries for dirty cash."

Paul L. Williams in his book "Operation Gladio", 2015

"The Institute for Works of Religion (IOR), commonly referred to as the Vatican

**Bank, is a privately held financial institution located inside Vatican City. Founded in 1942, the IOR's role is to safeguard and administer property intended for works of religion or charity. The bank accepts deposits only from top Church officials and entities, according to Italian legal scholar Settimio Caridi. It is run by a president but overseen by five cardinals who report directly to the Vatican and the Vatican's secretary of state. Because so little is known about the bank's daily operations and transactions, it has often been called "the most secret bank in the world"**

**Ari Jorish, Forbes , June 26, 2012**

**"Early in the 19th century the Pope came to the Rothschild's to borrow money... The Rothschilds over time were entrusted with the bulk of the Vatican's wealth.**

**... The Rothschild's took over all the financial operations of the worldwide Catholic Church in 1823. Today the large banking and financial business of the Catholic Church is an extensive system interlocked with the Rothschilds and the rest of the International Banking system."**

**Fritz Springmeier, 2003**

**"Throughout the 1950s, money for the activities of the Catholic Gladio - Catholic Church units of the CIA stay-behind operation in Europe - was provided by the CIA, which annually allocated \$30 to \$50 million to covert operations in Italy. These funds were not only washed by the Vatican but also funneled by the pope to groups and organizations that met with his approval."**

**Paul L. Williams in his book "Operation Gladio", 2015**

**"Operation Condor is the code name given for intelligence collection on leftists, communists and Marxists in the Southern Cone Area. It was established between cooperating intelligence services in South America in order to eliminate Marxist terrorist activities in member countries with Chile reportedly being the center of operations. Other participating members include: Argentina, Paraguay, Uruguay and Bolivia. Members showing the most enthusiasm to date have been Argentina, Uruguay and Chile.**

**... Operation Condor, a program intended to eradicate Communist groups and movements throughout South America, got underway in the early 1970s, when Opus Dei elicited support from Chilean bishops for the overthrow of the democratically elected government of president Salvador Allende.**

**... Every phase of the operation, including the purging of the left-wing clerics, received the tacit approval of the pope (Francis)."**

**US Department of Defense Document, October 1, 1976**

**"At the present time (1905) the Rothschild's are guardians of the papal treasure."**

**The Jewish Encyclopedia, 1905**

**"In 1982 Reagan met with Pope John Paul II... At the meeting the two agreed to launch a clandestine program to tear Eastern Europe away from the Soviets. Poland, the Pope's country of origin, would be the key. Catholic priests, the AFL-CIO, the National Endowment for Democracy, the Vatican Bank and CIA would all be deployed."**

**Dean Henderson in his book "Big Oil & Their Bankers In The Persian Gulf"**

**"The Vatican held major interests in the Rothschild Bank in France, the Chase Manhattan Bank with its fifty-seven branches in forty-four countries, the Credit Suisse in Zurich and also in London, the Morgan Bank, the Bankers Trust, General Motors, General Electric, Shell Oil, Gulf Oil, and Bethlehem Steel."**

**Paul L. Williams in his book "Operation Gladio", 2015**

**Are you beginning to see a pattern? More to share!**

**Blessings,**
