

# How Do You Know or Recognize The Real Genuine Bible?

The World Economic Forum announced plans to re-write the Bible through the use of Artificial Intelligence. I broke out in laughter when I read the remarks of Klaus Schwab and his technical adviser Yuval Noah Harari, the senior advisor to the WEF and its chairman Klaus Schwab; who argues that using AI to replace scriptures will create unified “religions that are actually correct.”

Within two minutes it occurred to me that the Antichrist has been re-writing the Bible for longer than most of you will know. The Spirit of Antichrist has been at work in the minds of those susceptible to their vain thoughts and egos. For a bench mark date, efforts to unseat the King James Bible began with two Satanists by the names of Westcott & Hort.

## Why is Jesus given the title “Christ” (as in Jesus Christ)?

To recognize the workings of the Anti-Christ, it is vital that we understand the phrase Jesus Christ. Jesus is his name, and Christ is his title. The title of Christ comes from the Greek word **χριστός** which means “anointed one” and in Hebrew, **מָשִׁיחַ** means “messiah”, or the “One who is Anointed”. The term Jesus Christ therefore is an acknowledgment that Jesus is indeed the Messiah, the son of God, who was anointed by God and is our Savior. If we leave out the title **Christ**, we have placed him at the level of a mere human man and not God, nor the son of God. It is therefore critically important that, as Christians, we acknowledge Jesus as Christ (the anointed son of God), and if we follow Him, as our Lord (Master).

This was one of my first lessons at Asbury Theological Seminary and you were reminded of that fact time and time again!

## Satan does not want us to acknowledge Jesus as “Christ”!

John the Apostle (son of Zebedee) in 1 John 4:1-3, gives us a test by which we can know which information is definitely not from God but from spirits who are against God. In his first verse he tells us that we must not trust everything but are to evaluate and determine whether they provide information that is from God or not from God: “**Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.**” (1 John 4:1). John then tells us what specifically to look for. The original Koine Greek (*Textus Receptus*) text precisely says (1 John 4:3):

καὶ πᾶν πνεῦμα ὃ μὴ ὁμολογεῖ τὸν Ἰησοῦν (Jesus) Χριστὸν (Christ) ἐν  
σαρκὶ ἐληλυθότα, ἐκ τοῦ Θεοῦ οὐκ ἔστι· καὶ τοῦτό ἐστι τὸ τοῦ  
ἀντιχρίστου, ὃ ἀκηκόατε ὅτι ἔρχεται, καὶ νῦν ἐν τῷ κόσμῳ ἐστὶν ἤδη.

In the **King James** version, this verse is translated into English as:

*And every spirit that confesseth not that **Jesus Christ** is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.*

In the **Pure Word**, direct Greek to English extraction, this verse explicitly states:

*And every spirit that is not Confessing **Jesus Christ** came inside (Sinless) Flesh Nature is definitely not from God, and this is of the antichrist, that you are now Hearing that is coming, and already is in the satan's world.*

**Please note that the Greek says Jesus Christ! This is critical to remember.**

The reason Satan, and all his demons, do not want to declare that Jesus is the Christ, or the anointed Son of God is that it is contrary to their plan to “substitute” themselves in the place of God. To accomplish this substitution, Satan must say that Jesus is merely a man and not the anointed one or son of God. Satan can then setup the anti-Christ. “Anti” means to be a substitute for, so he desires to set himself up, and mankind in general, as a substitute for Jesus and declare that Satan is God.

Satan clearly can't do that if he preaches that Jesus is the son of God so he has to remove the title “Christ” wherever he can. Read the verse above if you will again. Any spirit that does not give Jesus the title “Christ” (or anointed son of God) is definitely not from God. John also warns us that the spirit of the anti-Christ was already in the world 1,900 years ago and by now he has had ample time to convince the world that Jesus was not the Christ. If you look at the world today, we already know that is true. I've already shown in a prior email that around 98.5% of all those who say they are Christian do not follow the Bible nor feel it's necessary to be led by the Holy Spirit.

John had a special relationship with Jesus, as one that Jesus Loved. John was also given the prophecies from Jesus Christ to write the Book of Revelation and let us know what was coming in these last days. He knew that Satan's goal was to eliminate “Christ” from Jesus' title, and he is warning us in this critical verse (1 John 4:3).

**There are over 450 “Translations” and most Remove “Christ”**

Keep in mind that God's Word, the Greek text, contains Jesus' title of Christ (see the Greek above) and John has warned us in 1 John 4:3 that anything that does not say that Jesus is “Christ” is of the spirit of the anti-Christ. [I am always at awe at how powerful God's Word is and how God so plainly and clearly tells us something which we can then clearly identify with little effort.]

After the incredible King James version was released in 1611 you would think that

man would have learned from the prior 1,600 years of modifying God's Word whenever they wanted to for political or social control (creating over 649 different versions prior to the KJV) they would have learned to leave it alone! But they didn't.

Since 1611 there have continued to be many more English translations made (now over 450 new ones). The most important accomplishment of the King James scholars performed was to identify and remove the 2% counterfeit documents that directly opposed the Word of God and taught Gnostic doctrines. There were counterfeit documents derived from one of two different Gnostic sources (the Aleph.Sianaticus and Beta.Vaticanus) and those texts also disagreed with each other radically. There are around 36,000 differences between the Alpha and Beta texts and approximately 8,000 differences between them in the four Gospels alone.

History shows that Westcott and Holt combined these two highly contradictory Gnostic texts into one Greek manuscript, creating the Revised Standard Version (RSV version) of the Bible in 1881 thereby intentionally creating a false translation that, by its very nature, has a minimum of over 8,000 errors in the New Testament Gospels alone. Their translation, and nearly all later translations since incorporate the same pagan Gnostic doctrines into the text and they are variations from the Westcott and Hort Gnostic texts which teach people in an extremely subtle way to live according to their own desires.

Let's look at some of the most popular translations today and see if they leave out the word "Christ" in this verse where John warns that anything that doesn't not acknowledge that Jesus is the "Christ" is not from God. You'll find it interesting that nearly every man-made translation since 1881 removed Jesus' title of Christ in this verse:

- Revised Standard Version (**RSV**) ... and every spirit which does not confess Jesus (????) is not of God. This is the spirit of antichrist, of which you heard that it was coming, and now it is in the world
- The Passion Translation (**TPT**) ... Everyone who does not acknowledge that Jesus (????) is from God has the spirit of antichrist, which you heard was coming and is already active in the world.
- The Message (**MSG**) ... And everyone who refuses to confess faith in Jesus (????) has nothing in common with God. This is the spirit of antichrist that you heard was coming. Well, here it is, sooner than we thought!
- New American Standard Bible (**NASB**) ... and every spirit that does not confess Jesus (????) is not from God; this is the spirit of the antichrist, of which you have heard that it is coming, and now it is already in the world.
- New Living Translation (**NLT**) ... But if someone claims to be a prophet and does not acknowledge the truth about Jesus (????), that person is not from God. Such a person has the spirit of the Antichrist, which you heard is coming

into the world and indeed is already here.

- New Century Version (**NCV**) ... And every spirit who refuses to say this about Jesus (????) is not from God. It is the spirit of the enemy of Christ, which you have heard is coming, and now he is already in the world.
- American Standard Version (**ASV**) ... and every spirit that confesseth not Jesus (????) is not of God: and this is the spirit of the antichrist, whereof ye have heard that it cometh; and now it is in the world already.
- New International Version (**NIV**) ... but every spirit that does not acknowledge Jesus (????) is not from God. This is the spirit of the antichrist, which you have heard is coming and even now is already in the world.
- Amplified Bible (**AMP**) ... and every spirit that does not confess Jesus (????) is not of God; this is the spirit of the antichrist, which you have heard is coming, and is now already in the world.
- English Standard Version (**ESV**) ... and every spirit that does not confess Jesus (????) is not from God. This is the spirit of the antichrist, which you heard was coming and now is in the world already.
- King James Version (**KJV**) ... and every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.
- New King James Version (**NKJV**) ...and every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the Antichrist, which you have heard was coming, and is now already in the world.
- The Pure Word (**TPW**) ... And every spirit that is not Confessing Jesus Christ came inside (Sinless) Flesh Nature is definitely not from God, and this is of the antichrist, that you are now Hearing that is coming, and already is in the satan's world.

**By intentionally leaving out “Christ” which IS the acknowledgement that Jesus is from God, the verses in each of these translations are tattle-tailing on themselves and they are saying that Jesus is not from God when we know that “Christ” is in the original text! They are telling you that the translation itself (RSV, TPT, MSG, NASB, NLT, NVC, ASV, NIV, AMP, and ESV to name a few) are declaring that they have been modified by the spirit of the anti-Christ.**

[Only the TPW, KJV, NKJV above correctly state "Christ".] This is only one example of hundreds of subtle changes that incorporate Gnostic doctrines which are contrary

to God's Word which have modified many of the most popular "translations".

Most people love the translation they are using and that is ok, but it's also clear that they all contain problems and at times can be misleading. As we read the scriptures, we are to be led by the Holy Spirit who will lead us into all Truth. It is the Holy Spirit who directs our path. We need to be in God's Word as it is a light to our path but because of the flaws in the many man-made "translations", we need the Holy Spirit to help us.

### **God Requires us to Study His Word**

The principle we are to follow is for us to "*Prove all things by the Word of God*" (1 Thess 5:21). That includes all ministers, teaching, preaching, doctrines, sermons, writings, opinions, and practices. Examine all by the light of the Bible. Any teaching that is not 100% supported by the Scriptures you are to reject wholly. Studying is not optional for Christians but required by God. In fact, we are commanded by God to "*Study to show yourself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.*" (2 Tim 2:15).

### **All man-made "translations" contain countless flaws**

There is always a discrepancy between the original Greek (NT in this case) to English and mankind has created more than 450 different English translations which have thousands of differences between themselves. So which version should you be studying if they are all saying different things? The best thing you can hope for is to find a translation that mirrors as closely as possible the original meanings of the scriptures. Even the KJV scholars back in the 1600's did not understand Greek and clearly indicated that they did not, and they "combined" multiple prior writings to form the new KJV 1611 Bible so that both the Puritans and Protestants could agree through compromise and hence bring peace to England.

Since the KJV scribes were honest men, they openly admitted that they did not know Greek (as no-one did) but instead selected existing verses from many previous English and Latin writings and putting them together from many authors and documents over the prior centuries the best way they wished to create the compromise they needed and to be approved by King James. They also did not keep track of which document each verse was pulled from when they were all concatenated to form the KJV authorized version.

- ***Thus, the preface to the first edition says that the translators never set out to make a translation, but to make "out of many good ones", one principal good one. Interestingly enough then, the King James Bible reflects the spoken English of the early 1500's rather than the early 1600s in which it was printed as they merely concatenated the many dozens of prior versions, choosing what versions they saw best, all without referencing God's original words. Scholars agree, that though the translation work was***

***done by a committee, this large group of men, with diverse resources, produced a better version of the English Bible than had previously been available. It certainly was not perfect nor was the English text inspired, but it was carefully done, faithful as possible to the available texts and manuscripts.***

### **Since “Translations” are the problem, What is the Solution?**

Since a "translation" (ie, decided by man) is the problem, what is needed is to go back in time and determine the primary meanings of original Koine Greek words, and apply them to each word of the KJV Textus Receptus. The Pure Word project was started to do just that. After 22 years of research determining the original meanings of each Greek root word, ***The Pure Word*** was then created in a single second by automatically applying the meanings and parsings word-for-word assigned to each of the 140,745 words in the KJV Textus Receptus Koine Greek. It is for this reason, that we cannot call this a "translation" as no man had any input on a single verse and due to the very nature of how it was created, traditions of man and opinion have been 100% eliminated wherever they previously existed and previously incorporated over the centuries for political, religious, or social control. ***The Pure Word*** is an **extraction** of the original text and printed as is. This process removed all known discrepancies and provides a consistency and clarity of meaning that was never before possible in any translation that currently exists.

### **The Pure Word Project Spanned 400 Years!**

If you want to get right down to it, **the Pure Word project** actually spanned over 400 years to complete and the many lifetimes of dedicated Brothers and Sisters in Christ unknowingly working on the same project. **(1)** It started when the KJV scribes in 1604 started to gather the known translated documents and separating the misleading ones, creating the Majority Text and *Textus Receptus*. **(2)** God's work continued when Dr. Strong in the late 1800's which separated the Greek words into the 5,624 Koine Greek root bases. **(3)** Then, Scrivener in the late 1800's, with dozens of scholars, painstakingly analyzed the parsings for each of the 140,745 words making up the Koine Greek New Testament. **(4)** The Only piece of the puzzle still missing was determining the exact root meaning of each of the 5,624 Koine Greek words to perfectly fit into each and every context of the New Testament requiring 22 years of research and millions of cross-references to ensure that each Word of God is indeed Pure as God said and is without mixture of meaning or shared by another word (Psalm 12:6; Proverbs 30:5).

With the World Economic Forum planning to re-write the Bible, using Artificial Intelligence, remember that others have tried to do so before and the greatest proof in identifying the Pure Word of God is in how the translators used those two words. When you find the word "Christ" missing from the title "Jesus Christ" you know it is the work of Satan and the Antichrist system coming into view!
