

How the Khazarian Cabal has effectively controlled Ashkenazi Jewry so it can rule planet Earth from behind the veil.

SOTN Editor's Note: For the uninitiated, the following mind-bending narrative literally represents "the whole megillah", no pun intended. It explains the hidden hand behind the assassinations of JFK, RFK and MLK; it explains who really pulled off the 9/11 inside job. Likewise, the Oklahoma City bombing could only have been carried out and covered up by the FBI in light of this well-concealed history. How else could the Republic-destroying Federal Reserve Act of 1913 have been illicitly passed? How in heaven's name did the U.S. military ever get away with dropping two atomic bombs on Japanese civilian populations and come out of it as a war hero?

More importantly, how else could the real perps have gotten away with the patently fake Covid *Plandemic* for over 3 years ... and then carried out the ongoing Covid jab genocide in broad daylight ... and then successfully cover up the unparalleled mass murder during prime time?! There's only one way! Only a highly cohesive and profoundly corrupt criminal clan, which occupies the very peak of the pinnacle of the world power pyramid, could have ever perpetrated and covered up such a global depopulation scheme. Which means that the stunning COVID CON could only have ever taken place with the immense muscle of

the Khazarian Mafia — the mafia that rules all other mafias — as the enforcement arm.

The very telling graphic above — “the whole megillah” — takes on new meaning in light of the highly radioactive exposé posted below. Talk about high drama and captivating theatrics, drama queens and histrionic virtuosos—no one, but no one, does it like the Khazarian-controlled *Czars of Hollywood* and *Sultans of Silicon Valley*. Only the Khazarian Cabal exerts complete command and control over the CIA’s *Mockingbird Media*. Of course, both the Music Industry and Pro Sports have always been their playground from which to socially engineer the masses into a pen of docile compliance ... just as their Tavistock Institute and numerous think tanks are forever upgrading their latest mind control programs.

What’s the critical point?

It takes a HUGE amount of time and energy, money and resources, personnel and organization, planning and scheming to LIE ABOUT EVERYTHING, ALL THE TIME, EVERYWHERE ... and then effectively maintain the countless cover-ups into perpetuity. Such an astonishingly monumental feat truly requires much guidance and constant assistance FROM OTHER REALMS. Well, the crucial historical and otherworldly account you are about to read reveals the untold back story which puts that final piece of the Khazarian puzzle into place.

N.B. It should come as no surprise if SOTN undergoes yet another takedown in light of these highly consequential revelations.

How the Khazarian Cabal has completely controlled Ashkenazi Jewry so it can rule planet Earth.

My Theory of Everything as it relates to Genesis and contemporary Zionists and Jews – Part 2

by Dakini

Part Two: Genetic Manipulation and Hybridization

A huge part of the Grand Experiment is genetic manipulation. God-Source condoned genetic manipulation and hybridization, which has been ongoing for many years, and the U.S. military knows this, because they took part in it.

It has been proposed, and fairly accepted by contemporary metaphysicians, paranormal researchers, as well as many of the Truthers and Patriots (who inevitably discover the secret space program and the UFO “Truth Embargo”), that Hu-mans are alien hybrids to begin with – a combination of other races such as the Lyrans and Pleiadeans. *The rejected reptilians were left out, which led them to fight for their claim to the Earth. God heard them, and as part of His amends, God allows the genetic hybridization to continue, this time including Anunnaki reptilians. **Reptilian DNA is necessary for the GE, because DNA codes for both body and soul.*** The genetic experiments and hybridizations are condoned by God, just as the hybrid hu-mans were condoned by God. It is said that these hu-mans came from 12 races, and the Anunnaki reptilians are the 13th race. That’s one explanation (see video on Reptilians), and some say the secret of the elites who are descended from the Anunnaki is that THEY are the “unlucky” 13, because they are to be feared.

Satan is embodied in the Anunnaki reptilians, on Earth and in this Orion arm of the Milky Way galaxy. In other galaxies the Beast may very well take a different form; suffice it to say they just happen to be reptilians here. So here on Earth, we have the Grand Experiment, to make amends to the Beast, which Satan created after being banished by God. Well, *Satan and his Orion reptilians have been trying to have some “inappropriate” control over this continued, condoned genetic hybridization of hu-mans. As they are let back in, they still fear judgment and destruction by God’s wrath.* They still do not trust God. Ba’al is still pissed off, he’s not ready to go away just yet.

DNA is the blueprint for not just the body, but also the soul.

Your “non-coding” DNA, presumptuously dubbed “junk DNA” by some Zionist-controlled “scientists,” actually codes your entire Soul, your entire spiritual history through all of your past lives. Another key, is that the soul is revealed in one’s face. DNA codes one’s facial features, where the non-coding and coding DNA interact to reveal the soul – more on that later.

The Anunnaki reptilians, especially Great White Dracos, are the entities at the tip-top of the (closed-off) capstone of the pyramid. They need people whose spiritual DNA includes reptilian past lives, as this makes them favorable for hosting the Satanic spirit, but – reptilian souls are not necessarily evil; they have been trapped.

You know, that familiar pyramid with an all-seeing eye in the floating capstone (floating= hyperdimensional manifesting abilities – the super powers of the fallen angels; closed off = extreme secrecy). That capstone is inhabited by Draco-Reps and the humans they possess. They need people with certain DNA profiles, in order to keep the Grand Experiment hijacked. They need people whose spiritual DNA includes reptilian past lives, so they can continue to host reptilian spirits. The reptilian spirit hosted is not necessarily evil or Satanic; it is preferred just because it has lived as reptilian before – and that means memories. All the various reptilian races lived in and learned Draconian cultures, where left-brains memorized everything, where right-brains were stunted, where sadism was honored, and where hierarchy was unbreachable. These life histories make them favorable for hosting the Satanic – which is, in essence, a perversion of the descending masculine agenda into a destructive force, whose antidote

is the feminine ascending agenda. *This is why the elites and secret societies follow bloodlines so carefully. They do so with knowledge and methods gained through their connections to non-humans*, whether they be subterranean or extraterrestrial (since both have been here and interacting with select humans for a long time now – that’s just the truth, like it or not). What they are after is being in control of what kind of spirit, how much of the Satanic spirit, a person is inclined to host.

The hidden rulers – non-humans and the most powerful humans – at the highest levels within the elusive NWO/Zionist/Cabal organizations are well into their transhumanism agenda on Earth. The purpose of this agenda is to create “ascension-proof” and “conscience-resistant” people who will not grow spiritually enough to recognize the evil in their leadership. These “people” – being created by the Beast – range from DNA-manipulated humans to cloned humans to manufactured humanoids. *The elites do this because they fear free-willed real humans (who are capable of ascending) more than anything in the Multiverse.* What such humans have, that they fear, is balance between their brain hemispheres, which leads to a whole new level of manifesting abilities – which leads to the restoration of mankind to his 12-stranded DNA, silica-based perfected body.

The NWO Draco-Reptilian elites are gut-wrenching terrified of humans with ascension symptoms (activated kundalini), as it portends the end of their claim to the planet, and of Judgment Day.

This is why the elites desperately want left-brain dominant, obedient people to be in positions of power in society. The challenging and disturbing conclusion we will reach is that Ashkenazi Jews are such people, with the DNA that the Satanic elites prefer. They are only one example of it, however. There are many others on Earth, for example, groups of people in Central and South America, and Oriental clans of people as well. The Ashkenazis are one of the most tightly controlled of such populations, they are a very recent added experiment, especially designed to serve the Satanic agenda of the western world – to keep the Occident enslaved without the people realizing it.

The Ashkenazis come from Khazars, a one-time primitive culture of barbaric Eurasians. Presumably, the Khazars were primitive and barbaric when many, many cultures were primitive and barbaric, so that part isn’t really important. *The little-known secret is that the Khazars were hijacked when they were interbred with hyper-dimensional beings, the most sadistic of the Anunnaki. These beings fathered the first generations of hybrid Khazars, just like Satan sired Rosemary’s baby.* Yep, that’s a big one, hard to accept and much harder to be one. But that’s what they did, and spiritual “fatherhood” may actually be far, far more common than we know. At any rate, the resulting race was expected – by the Anunnaki White Dracos – to have certain problems, which could be fixed by continued refinement, which would require culling the weak from those who would go on to be the stronger of the Khazarian hybrids who would eventually become Ashkenazi Jews. *Thus, the holocaust narrative was born, and the Jewish leaders offered up and used their own people, for their ends of creating an obedient left-brained servant population, to stave off their destruction lest they be exposed in the End Times.*

In other words, “IS” the serpent does not want to come all the way back to God; he wants to keep being God-like, because he still does not trust the God that banished him. The big catch is – the puppet masters cannot control the free-willed choices of souls who incarnate as humans, whether Ashkenazi Jews or anyone else – they would very much like to, but they can’t. They can only affect likelihoods.

The Khazar/Ashkenazi forefathers were Anunnaki Great White Dracos (said to mean dragon) and they needed people with dark features, so that they could hide their own light features. This is why the most powerful of the elite Jews – Netanyahu, Rahm Emmanuel, Wasserman-Schulz, have lighter features than most Ashkenazis. Other White Dracos had previously “come thru” Anglo-Germanic populations, including the Royal families. While these bloodlines are as carefully tracked as possible, they are too spread out, and the Beast lost control of that part of the experiment, so they got control of the Jews.

Now, that’s a helluva stigma – or something shocking, to have to bear, and no soul would volunteer for that without an agreement of protection. *That protection was granted in the covenant with the Jews. Souls who would volunteer for this most challenging form of dual-hosting are the Chosen race.* But they are only Chosen, and protected, if they stay on the Path. On this Path back to Source, it does not matter if one calls the Lord God or Jesus, as long as they are relating to the Light of Truth, absolute Truth, No Deception.

Souls who choose to incarnate as humans on Earth do so with knowledge they will “forget” once they pass thru “the veil” before birth.

This is a very common and well-accepted notion among those interested in metaphysical spirituality, that we pass through a veil of forgetfulness at birth, and memories of past lives, spiritual missions, the nature of God, etc. become unavailable. On the other side, the soul is informed of its circumstances. It knows what it’s getting itself into and it agrees.

So who among advanced souls would choose such a challenge as to be born with a handicapping degree of left-brain dominance, with DNA that was manipulated to favor hosting reptilian spirits? These are people who were engineered to be verbally obedient, to resist spiritual inputs from the right-brain which is more connected to Source. Their souls know that, before they pass through the veil of 3D reality. This is why I am guessing they are confident souls, committed to loving and serving humanity. On the other side, they are exclaiming, “Yes, human life is worth it, we can overcome the handicaps they will give us, so we eagerly volunteer to serve in this mission.”

The Ashkenazi are also souls who have been reptilians in past lives – probably in servant roles, as the Anunnaki made distinct races of reptilians to serve different purposes.

They must have been reptilians in past lives – it’s a requirement. Remember, DNA codes for both the spirit (past lives and karma) and the body.

This is why Anunnaki bloodlines are followed so closely, and are so preferred by the wealthiest elites who are directly involved with non-humans. They know that the Ashkenazis' forefathers were hyper-dimensional Anunnaki. They also know that the Anunnaki bloodlines were further integrated into humanity by way of genetic hybridization programs that have been taking place this century in secret military programs throughout the world – where reptilian humanoids were cross-bred with humans (please see documentaries and whistleblowers – there are many).

Quite a challenge to endure, indeed, so these souls, who have been both the serpent races of “IS,” and hu-mans of the Sun God Ra, and want to serve the mission of bringing IS + RA back to EL “of God,” are likely souls who love God and love humanity, but perhaps jumped in prematurely (didn't we all). Perhaps they were too light of souls, too optimistic even, for their missions that seemed feasible from their view on the other side. Before birth, when they agreed to incarnate, they were confident in their own soul's strength to resist temptation, and they were confident in God's protection.

Part of the protection was the hiding and disguising of the Grand Experiment's hybridization component, as it is obviously too complex and too stigmatizing for most people to bear.

Hence the Bible is written in codes with somewhat cryptic terms like “tree of life” and “the remnant” and “born into sin,” and the big one – the “Lord of Hosts.” In reality these refer to very specific metaphysical constructs upon which our whole world is based. The ideas I put forth here are indeed extremely esoteric and frightening to some (well, that's largely because of censorship and deception.... it could be different, with different leadership, but we are not there yet). In other words, I am not supposed to reveal these secrets. The Jews were promised protection from being exposed in this manner. So why am I doing it, when I know that God has advised against it?

Has God's covenant with the Jews run its course? (It's actually a covenant with all of humanity, who collectively share the burden of dual-hosting and re-integrating the ISSsss serpent spirit of Satan.) But has it run its course? I believe that it has.

The Khazarian Jews who became the Ashkenazi's masters have deceived and poisoned and hijacked humanity so severely that humans cannot win against them.

This of course, includes many – or mostly – perfectly innocent souls entrapped in service to Satan. Innocent they may be, and most will be granted everlasting life, but there is an ugly truth they cannot see. *The truth is that they are failing at the challenge to offer their free-willed creations and illusions back up to Source to be measured by Truth.* It's clear they cannot do this, because what this would look like is rejecting their Zionist (Satanic Ba'al worshipping) masters, and very few of them are choosing to do this.

But is it possible it is not their fault they can't do this? I think it's possible, but I'm not sure that some individuals, Jews or not, shouldn't be held responsible for all the damage they did to others through illegitimate authority (pulling rank, etc.), when it really looks like they should have known better. Because what I have seen the last 40 years,

is that time and time again, the Ashkenazi Jew (or the non-Jew who was willing to talk and think exactly like them) at your local bank, hospital or school was a master manipulator of Janus-faced serpent-tongued sociopathic rationalizations which held the Draconian hierarchy – the one below the floating capstone – solidly in place, about as adaptive and flexible as a mountain of granite.

So to what degree were these typical Jews doing just what they were created to do? And to what degree should they have seen through the scheme and recognized Draconian B.S.? I don't know, but I know that to do the latter, that would require left-brain/right-brain integration. Is it fair to expect that from people who were deprived of the fair chance to develop that integration when the serpent kicked them in the head and messed with their DNA?

Meanwhile, the whole planet and all of humanity are in imminent danger of total destruction, thanks to some non-human forefathers of the Ashkenazis who are not willing to surrender the Earth to God's will, to humanity. As they have long known, "humanity" does not exactly include them for who they are at this time.

And in the meantime, their servant races – the Ashkenazis – have come to dominate American culture, and by that I mean, they have ruined our country, our planet even, by shaping it in the image of Satan, the Beast. I'm sure you think that sounds positively schizophrenic even if you have kinda followed me so far, so allow me to elaborate. The "ruined" part is easy: they are causing immense suffering of billions of people worldwide, as we speak, whether they know it or not (that's another question – more on that later). The image of Satan part is a bit more esoteric, but look outside, once you put the pieces together, and you will see it.

If you're American you may have observed that soon after WWII, the Jews moved in to every city and state and began to take control of education and policy. Within 20-30 years they were able to dominate all institutions, media, and banking in the U.S. – and they did this by preying on the sympathy of Christian Americans – they took the holocaust narrative THAT far – and it worked. (Yes, the holocaust really happened, but not to 6 million Jews; 1.6 to 1.8 million Jews were killed along with about 4 million non-Jews during WWII). The secret is that the Jewish leaders, the Khazars, offered up their own people in this sacrifice, because their "own people" were not actually just like them, they were considered inferior by the Draco-Reptilian Khazars. Europe's Ashkenazis at that time were already products of hybridization – by both hyper-dimensional Anunnaki, centuries before, AND actual genetic experiments (DNA splicing) – condoned by God (but practiced by a Beast who doesn't like rules).

Yeah, this is the shocker, but it adds up, it really does add up. The Anunnaki-Draco-Reptilian ruling Khazars – having knowledge that humans do not have of themselves – were literally banking on the holocaust narrative working – on milking the victim-of-genocide Jewish narrative for all its worth in the United States, including using the U.S. to create Israel (see Alison Weir's book).

What was actually going on (and of course typical Jews don't know this! How could they when they were created to not question what they were told?) was the Khazarian Mafia was behind the scenes, being the puppet masters of the Ashkenazi Jews – and the former are not entirely human, and the latter are a new kind of hybrid human, a servant class. They made an army ready to shape all institutions, media, clinical professions and courts in their image – that of a Draconian authoritarian hierarchy, which IS the Satanic agenda.

Draconian/authoritarian hierarchy = using force to trump truth = the essence of the perversion of the descending masculine agenda = narcissism = using force to trump truth = violence and destruction = stealing spirit-soul energy and trapping it into matter maligned with Source.

Rigid hierarchy of the kind that allows “pulling rank” is an example of narcissistic defense, and an example of perversion of the masculine aspect's ability to create and manifest – it IS a prime example of stealing and trapping spirit/will/intention into dense matter and disharmony. All forms of narcissism have this perverted masculine as its seed: the narcissist uses force to trump truth when he demands that you reflect back to him his preferred illusion of his own creation. When he doesn't give you money if you don't obey (and you will not be able to buy or sell), then your survival is threatened, and he has used force to trump truth. Pulling rank, within a rigid hierarchy, is primo narcissism, and it is the stealing and hijacking of spiritual energy. This IS what the Fallen Angels did when they ate from the tree of life – they hijacked spirit, and turned it into something dense and dark and out of harmony with Source.

This is the essence of what the Beast does, and essences correspond, across contexts. In Hermetic wisdom, well-known by Ba'al worshipping Zionist elites, there is the Law of Correspondence, and *they know* how true it is.

Summary: Closing thoughts, and a recap on the metaphysics of Evil

1. Evil's #1 strategy is to hide out in the middle of what is good.

2. Earth's people have been ruled (their access to resources, ability to thrive) by essentially Evil entities, which the Beast/the Satanic come through, throughout known history.

3. Once embodied, in any body, the soul is always and ultimately autonomous, and the body has certain divine rights to their existence (violating those rights creates karmic debt).

The Ashkenazis are not by any means equated with the False Jews, of course. One's authenticity or commitment to God is ultimately an individual's choosing, always. Throughout history various puppet masters have tried and tried to indoctrinate and control the beliefs of the masses. Almost always – at the highest levels at least – such puppet masters have had direct links (whether through chain of command or bloodline) to the world's wealthiest elites (those who controlled the money) who were themselves connected to some sort of secret society. If you are with me so far, time to wake up and

face the facts: *the secret societies were secret because they are connected to intelligent entities who are not human, and usually are more technologically advanced than humans.* And as you may have heard, such “technology” may actually be indistinguishable from “magic” to typical Earth humans. It is through these secret societies and the controllers of money and resources that evil beings, and the evil humans who host or cooperate with them, have held the reins on Earth. Whether one can wrap their naive head around it or not, Earth has been under the rule of the Satanic, the Beast, the serpent races, since before the biblical floods. Hard to accept? Well just remember, the very first thing that Evil does, when it sets out on its evil path, is to pretend to be good. The serpent deceives.

As well do the False Jews. They deceive – they try to hide out in the middle of what is good, and pretend to be good, while hijacking the path of good, back to bad. That’s what evil does: it pretends to be good. And that is the simple reason why the Satanic Ba’al worshippers were pretending to be Jews, it’s been recorded, since before Christ: because Judaism was the religion and there were some good people practicing it – and that’s a smart place for the serpent to hide.

It is within the high ranks of the Ashkenazis puppet masters where the serpent takes his positions. From there they try desperately to control what anyone with any power believes, but they cannot totally usurp the individual’s soul, as much as they try; there will always be some who get away, and they know that. The Beast who has known the Deal of the GE for at least 20,000 years now, has always had esoteric knowledge not available to humans, *and the Beast knows: the individual soul, once embodied as human, chooses what spirit they will host when they choose what to believe, what to say, whether to deceive, etc.* Satan can only influence the individual, only very rarely can a satanic spirit completely possess or control a person. So there is an important distinction here: Ashkenazi Jews are just like anyone else – personally responsible for how they respond to temptations. There are some who may end up being crooked bankers or liars, or a dishonest doctor with a streak of malignant narcissism (I know there are because I’ve met them), and they have their own “karma” around that so to speak, just like anyone else. If it looks like they should have known better, i.e, they should not have pulled rank and lied or sacrificed others to their gain – then they are no different from a Catholic or Buddhist or Atheist or Muslim or Texan or A-b-c who was born spoiled and gets away with it.

The truly false Jews and false Christians reside in very hidden levels. There really are those calling themselves Jews while they are members of secret societies who actually do make sacrifices to Satan – the Ba’al worshippers. They do this by causing immense pain from trauma so they can steal spiritual energy, and they get super powers in return – that’s it in a nutshell. However shocking that may be to any reader, it IS now blown open; millions of people know about it, and it is very, very real, no matter what your boss says, no matter what your neighbor says, no matter what CNN says.

It is now a well-established fact that many of the world’s wealthiest people really are Satan worshippers who make blood sacrifices to Satan, who kill people and drink their

blood, and are greatly empowered by this practice, possibly because they become possessed by evil spirits.

So of course, these are not your typical American Jews – *of course not* (obviously most Americans have been so heavily indoctrinated by the “anti-Semite” narrative that they can’t tolerate reading this). When the False Jews are mentioned in Revelations, they are referring to those who really do practice Satanic worship, (and some “false Christians” do as well). On the other hand, there is a gray area – you can think of them as inhabiting the top layer of the pyramid below the capstone. It’s quite possible many of the elites at this level of power are not fully aware of how they get their power, whom they are really serving. They may or may not be directly involved in the Satanic practices; they may or may not be actually possessed by evil spirits when they do their evil deeds, or when they simply behave like self-entitled brats. This gets very, very complicated because this culture self-sustains through deception and compartmentalization – the less anyone knows, the better it works. The complexity of the inner-workings of these “syndicates” as insiders call them, is beyond the scope of this essay, although it is certainly relevant.

The important take-home message here is that Satan-worship has been going on within some or even most of Earth’s most powerful political organizations, including organized religion, *basically forever*, and the reason so many people find that hard to believe is because *Satan is very good at deceiving and hiding*. It’s that simple. What more people need to grasp, to move forward, is that practitioners get super-abilities from their sacrifices and practices. The way they get the super-abilities is they host the Satanic spirit; because Satan has been denied everlasting life, he has to steal spiritual energy, trap it as dense matter, and borrow others’ bodies, to continue his existence. Those bodies most conducive to hosting any degree of the Satanic – whether it be deceitfulness or sadism – are those who have had past lives as Anunnaki reptilians (who may or may not have been evil themselves – many were the trapped souls of slave-class reptilians). DNA codes for both body and soul – and some bloodlines, including but not limited to Ashkenazi Jews, have favorable DNA for hosting the Satanic. Once they are fully hosting Satan, they are really not themselves, and they are drunk on the power. This is why celebs like Miley Cyrus or Beyonce or Tom Cruise get that Satan-possessed look on their faces and seem to not be in control of their behavior – because the music industry and much of the major media really are run by Satan-worshipping Illuminazi criminals – they really are; like it or not, it just is.

In conclusion, all this – this destruction (Fukushima, extinctions), this poverty and suffering, war and trauma, and finally – transhumanism – this is all the Beast and his desperation. And it should be clear to see: The Beast Rules the Earth, for NOW, but he seems to know that he won’t forever. All of these horrific things are the Beast in the End-Times, pulling-out-all-the-stops in a sprint to derail the Grand Experiment, to stave off his own destruction, because he doesn’t know how to quit playing God. He needs someone else to establish the boundaries, so he can finally accept that he will not get to be the ultimate judge, and he can rest.

<https://mytheoryofeverythingdotorg.wordpress.com/2015/12/28/my-theory-of-everything-as-it-relates-to-genesis-and-contemporary-zionists-and-jews-part-2/>

This article is not something that many will be able to read once and grasp the full meaning thereof or its implications. It may require that you read it several times since it is not armchair reading on the study of Genesis. I share this post from The State of the Nation web page as they have been active in exposing the Khazarian incremental takeover of what the Bible defines as the Nation of Israel and Judah.

Lucifer by name is named once in the book of Isaiah. ***“How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!”*** -(Isaiah 14:12). Within the pericope of Isaiah 14:3-23 we have the true story of Lucifer’s plan, and rise to power and attempt to claim the authority of the Almighty Creator Yahweh God! Not since the King James Bible was published in 1611 was there an attempt to change the name; not until the creation of the New International Version (NIV) where it replaced **“Lucifer”** with that of **“The Morning Star”**.

There were five men named as the committee for the editing of the second and third editions of the United Bible Society text. Here are the names, as listed in the front of The Greek New Testament, Third Edition, "Kurt Aland, Matthew Black, Carlo M. Martini, Bruce M. Metzger, and Allen Wikgren." Listen as they describe the activity of these five men in the preface. "The Third Edition, however, contains a more thorough revision of the Greek text. In a series of meetings the Committee, including Carlo M. Martini, who has been a member of the Committee for both the Second and Third Editions undertook a thorough review of the text of the First Edition by carefully considering not only a number of suggestions made by specialists in the hold of New Testament studies, but also numerous recommendations resulting from the experience of the members of the Committee as they worked with the text of the First Edition. The greater part of these suggestions for further modification came from Kurt Aland, who had been making a detailed analysis of changes proposed for the 26th edition of the Nestle Aland text. A number of these were textual alterations that had not been previously discussed by the Committee in their work on the First Edition. As a result of the Committee’s discussions, more than five hundred changes have been introduced into this Third Edition.

The Committee, sponsored by the United Bible Societies, has thus been able to establish a single text for the Third Edition Greek New Testament and for the 26th edition of the Nestle Aland Text. (Notes on The Greek New Testament, viii.) Please note the way Carlo M. Martini is emphasized in the preface quote above. He continued on to the last and fourth edition and is apparently still one of the five persons responsible for the on-going changes in both the United Bible Society and Nestle Greek New Testament. This is incredible information explaining why the NIV is such a strong change-agent toward Catholicism. This man is not just a Catholic, he is a Jesuit Priest

and a leading teacher of New Age ideas. Let's investigate some of his ideas of Biblical truth.

Jesuit Priest, Carlo M. Martini

This man is a noted New Ager teaching the Cosmic Christ and his universal presence in all religions. The born again experience has always been anathema to the Catholic Church. Knowing Jesus Christ to them is a process, a journey that has now evolved to include all religions though they are considered inferior and subject to the Roman Harlot. Listen to this statement by Martini. "The risen Jesus is present to each one, as though the individual loved person were the only object of his love. The risen Christ is the love of God revealed in our hearts by the Spirit, in the heart of each and of all and in each of all. Jesus does not individualize this "each"; he gives himself to the church, the world, the angels, and the universe. Jesus exists for all. But he is for all in such a way that he is for each one, thus making each one become a part of the whole. Such is the power of the resurrection of the "abbreviated" Word, which has made itself small. Whoever accepts the scandal of the Word-become-small will share in the glory of the universality of the cosmic Word which embraces and synthesizes everything, in which all things find their order and fullness, in which everything is resumed and established. (*Through Moses To Jesus*, Carlo M. Martini, SJ, page 121.)

What a revelation of heresy. Note such statements as "the cosmic Word," the "Word-become-small," and the "abbreviated Word." No wonder the NIV has eliminated the word "Lord" 76 times, "God" 45 times, "blood" 23 times, "miracles" 21 times. The title "Master" was changed to "teacher" 43 times. The "Word-become-small" fits his theology perfectly. **And as to the change of Isaiah 14:12, it was Jesuit Carlo Martini himself who was responsible for changing the name of "Lucifer" to "Morning Star".**

Carlo Maria Martini was a Jesuit. And like other Jesuit priests who lived their youth and adulthood in the post-World War II times and were influenced by the great progressivist spiritual and moral figure of Pedro Arrupe (1907-1991, General Superior of the Society of Jesus from 1965 to 1983), Martini was curious about the Masonic wisdom and was inducted as a Freemason. Freemasonry documents confirm Carlo Montini was a 31st degree Mason. Cardinal Carlo M. Martini, SJ, almost became pope but died a few months before Joseph Ratzinger was elected Benedict XVI, himself a Mason.

The NIV Bible is clearly a Catholic version designed to harmonize the doctrines of Scripture with heretical doctrines of the Roman Harlot. Unless we quit trying to be so civil with the enemies of the gospel, the gospel itself is going to be lost to a multitude of sincere souls. Many additional changes can clearly show this bent toward the Catholic Church.

If per chance you are using the NIV as your Bible, you need to burn it as it is one of the greatest deceptions perpetrated on the Protestant Christian world. It was Jesus Christ Himself who warned us about "deception" in the Last Days!
