

# Israel Did 9-11 – A (((Who's Who)))

This report is from the old files of history that have been long since forgotten to hide the crimes of Zionist Khazars. The original report was posted on June 20, 2019, less than a month before Klaus Schwab, co-founder of the World Economic Forum released his book 'The Great Reset'. On July 9<sup>th</sup>, 2020.

**"Know what all these people have in common?  
And I do mean ALL of them. Figure it out yet? Yeah.  
They ain't Muslims. ...They're Jews.  
They go to the synagogue-Synagogue of Satan, that is.  
They all have ties to 'Israel', either as dual-citizens,  
committed Zionist fundraisers or both.  
This is only the tip of the iceBERG too."**

Proof that the U.S. is a colony of Israel, capital of the Rothschild's NOW! This is not an anti-Semitic rant, its documented modern history! The U.S. today allows a white-wash of history, and particularly the events of 9/11!

(Disclaimer- These men belong to Organized Jewry. The average Jew has as much say as the average American over the actions of the subverted US government. And, as Greg reminds us in the First Comment below, the whole American political class, and media are complicit in the cover-up. Not to mention that the CIA and who knows how many other agencies collaborated with the Israelis.)

## [Israel Did 9-11 and Anyone who thinks Otherwise is an Idiot](#)

**by Jonathan Azaziah**

**It's been 17 long, hard and savagely bloody years** that have left tens of millions murdered, maimed and displaced in Afghanistan, Iraq, Pakistan, Somalia, Libya, Syria, Yemen, occupied Palestine, Lebanon, Mali, Nigeria and occupied Kashmir. [Actually, since this was originally posted it is 20 years+] Many of the criminals named are still walking the streets or control the strings of power of the Satanic Zionist Khazarian Mafia.

GWOT, the Global War on Terror, has raped the world. And it's all because of what happened at the Twin Towers and the Pentagon on this day, September 11th, in 2001.

T.H.E.Y. -- The Hebrews Enslaving You -- told you, the Goyim, i.e. the 99% majority here on this beautiful little sphere of blue and green called Earth, that Muslims did it. That's right. ...YOU HAVE GOT TO BE KIDDING ME...

These are just SOME- you read that right, SOME-of the names that the Monsters don't want you to call out when you're discussing 9/11:

1. **Benjamin Netanyahu** (real name: Mileikowsky) - 24 hours after the 9/11 attacks, he said that they were "very good" then said later that, "*We are benefiting from one thing, and that is the attack on the Twin Towers and Pentagon, and the American struggle in Iraq.*" Godfather of GWOT with his think tank, the Jonathan Institute, and his book, "*Terrorism: How the West Can Win*". Inaugurated the 100-year war against what he called "*militant Islam*" and revealed as much in June 2012. Previously worked in a nuclear smuggling ring called Project Pinto. War criminal. A month ago, Bibi as he is called was re-elected to another term as Israel's Prime Minister.

2. **Ehud Barak** (real name: Brog) - Traveled to the United States and spent about 6 months preceding 9/11 as a chief consultant for Electronic Data Systems and SCP Partners, a shadowy Mossad-run company that does big business with firms that created advanced niche specialty metals and complex metal products for defense industries in the fields of energy, aerospace, infrastructure and chemicals. Among these products are nano-composite explosives laced with thermite, used to blow up the Twin Towers. Barak was on the BBC minutes after American Airlines Flight 11 and United Airlines Flight 175 hit the WTC to literally announce the "*clash of civilizations*" and call for attacks on Iraq, Iran, Libya and Afghanistan. War criminal.

3. **Ehud Olmert** - Was in New York the very night before the attacks to make the final preparations. Connected to Menachem Atzmon of ICTS. War criminal.

4. & 5. **Menachem Atzmon and Ezra Harel** - Owners of International Consultants on Targeted Security (ICTS), which ran the security at the Boston and Newark airports as well as "*all the international aviation gateways in the USA*" according to its own website. Affiliated with Shin Bet, Mossad and Aman.

6. **Shimon Peres (real name: Szymon Perski)** - Godfather of the usurping Zionist entity's illegal nuclear program, arms industry, spy services and false flag operations (he was numero uno in the Lavon Affair aka Operation Susannah). Pioneered the facility at the illegitimate 'Israeli' regime's WMD base at Dimona on occupied Palestinian land in Al-Naqab that produces the thermite used in the 9/11 horror. SPC Partners is the distributor, and it was Peres who brought the transaction to Barak. War criminal.

7. **Isser Harel (real name: Halperin)** - Founder of the Mossad. Masterminded the operation with his old students Avraham Bendor and Peter Zvi Malkin, as well as 'Israeli' tycoon and Mossad-connected arms peddler Shaul Eisenberg, to obtain the blueprints

for the WTC in an exchange facilitated by Port Authority Executive Director Stephen Berger.

8. **Mordechai "Motti" Hod** (real name: Fein) - 'Israeli' occupation Air Force Major General and architect of the USS Liberty Massacre. From "Kibbutz Degania", built on ethnically cleansed Palestinian village Umm Jouniyeh, where his friend Moshe Dayan, the notorious one-eyed genocidal maniac, also called "home". Using his connections at 'Israeli' airline El Al (a known front for Zionist intelligence operatives) and 'Israel' Aerospace Industries (IAI)-where he was chief for years as well as his experience in executing false flags and attacking aircraft filled with innocent people (Libyan Arab Airlines Flight 114), he was the military point man for Peres as well as Mossad and Shin Bet on 9/11. War criminal.

9. **Michael Chertoff** - Second Secretary of Homeland Security and prior to that, chief of the criminal division of the Justice Department from 2001-2003. Patriot Act author. Son of Rabbi Gershon Baruch Chertoff, the final rabbinical scholar in a long line from Russia, and Livia Eisen, protege of Isser Harel, first hostess of El Al and founding female operative of Mossad...

14. **Yaron Shmuel, Omer Marmari, Sivan and Paul Kurzberg, and Oded Ellner** - Mossad spies who have come to be known as "the five dancing 'Israelis'". After being detained on the fateful September day and having their bodies as well as their van testing positive for explosives, they shockingly proclaimed that, "We're here to document the event."

15. **Dominick Otto Suter** - Mossadnik owner of 'Israeli' intelligence front Urban Moving Systems where the five dancing 'Israelis' worked. He was their overseer and the chief of a Mossad operation to gather intelligence on various Arab organizations in the Tri-State Area.

16. **Morris Kahn** - 'Israeli' owner and founder of Amdocs, which collects processing data for 90% of the phone calls, emails and text messages in America, including several agencies of the U.S. ZOG. A close confidant of Isser Harel. At least 60 Israeli spies, all of whom were operatives in the fields of military intelligence and explosive ordinance were detained on 9/11, and more than 140 Israeli spies were detained shortly before the events. A large swathe of them worked at Amdocs.

17. **Kenneth Bialkin** - Head of the America-'Israel' Friendship League (tied to Aman) and well-known member of the ADL and the Conference of Presidents of Major American Jewish Organizations. Senior partner of devilish, mega-influential law firm Skadden Arps that controlled all 9/11-related litigation.

18. **Sheila Birnbaum** - The special mediator for the aforementioned litigation and old-time partner in Skadden Arps who reports to none other than Bialkin.

19. **Alvin Hellerstein (left)**- The judge on all of the cases run by Skadden Arps and a fanatical Zionist who attends the same temple as Birnbaum and Bialkin.

20. **Amnon Shoham** - Co-founder of Cedar Fund, which poured tons of cash into Guardium, a "data security" company that worked closely with B'nai B'rith operative Michael Goff at P-Tech and "chosenite" CIA stalwart James Schlesinger's MITRE to subvert various American security apparatuses on 9/11. A Talipon of substantial influence with his hands in at least a dozen different start-ups having a global impact, Shoham worked at-WHERE ELSE BUT-Skadden Arps on public offerings, mergers and acquisitions involving high technology companies prior to his venture capitalist endeavors.

21. **Gal Israeli** - Cedar Fund's other co-founder. Also a Talpion connected to a plethora of high-tech start-ups. Prior to partnering up with Amnon Shoham and pouring cash into 'Israeli' intelligence assets like Guardium, he was Managing Director in the High Tech Investment Banking group of Bear Stearns-which was involved in a gigantic put options scam with AIG CEO Maurice Greenberg, Swiss Re Insurance and Michael Bloomberg (who became mayor of NY following the 9/11 attacks). Cozy, ain't it?

24. **Kenneth Feinberg** - Set up the 9/11 Victims Compensation Fund and forced the 9/11 victims' families to waive their right to sue the government for criminal negligence in exchange for a little over a million shekels-I mean dollars- apiece. Holofraud swindler. Kennedy assassination profiteer. His wife, Dede, is the former president of the Jewish Federation in DC and a major bankroller of Jewish causes through Congregation Beth El of Montgomery County in Bethesda, Maryland, dropping monies on everything from 'Israeli' bonds to 'Israeli' charities (ethnic cleansing fronts) to 'Israeli' start-ups (Talpiot). Worked hand-in-glove with Birnbaum, Bialkin and Hellerstein to put the litigation to bed.

25. **"Lucky" Larry Silverstein - Mr. "Pull It."** Friend of every last 'Israeli' Premier of the last three decades who has phone conversations with Netanyahu every Sunday. United Jewish Appeal bigwig. Co-owned the Twin Towers with Haganah terrorist and IOF Golani Brigades commando Frank Lowy. His buddies Lewis Eisenberg and Ronald Lauder, prominent Jewish Lobby chieftains themselves, privatized the WTC for the first time in history and helped him get the lease. Collected 7 billion dollars from the insurance settlement thanks to his other tribalist pal Michael Mukasey, who would help Chertoff save the 'Israeli' spies and later become the Bush regime's Attorney General, solidifying in court that everything was "kosher".

26. **Rabbi Dov Zakheim** - Pentagon Comptroller who disappeared \$3.3 trillion and sent it to the usurping Zionist entity to pay for new warplanes that would be used in the slaughter of Palestinian and Lebanese innocents. Head honcho of Systems Planning Corporation (SPC) that manufactured the FTS (flight termination system) equipped under the fuselages of the planes that hit the WTC. Co-author of Rebuilding America's Defenses, the mission statement of the neocon cabal that wanted a *"New Pearl Harbor"*, ran the Bush White House and called itself PNAC-where, for the record, every policy wonk involved in the barbaric wars launched in the name of 9/11 gathered and became signatories to Zakheim's ravings. His Tridata Corporation covered up the

domineering 'Israeli' role in the WTC false flag of '93, which was considered to be a test run for the "real thing" 8 years alter. War criminal and arguably the architect of the whole September 11th shebang.

## CONCLUSION

Know what all these people have in common? And I do mean ALL of them. Figure it out yet? Yeah. They ain't Muslims. They don't go to the masjid to do Salat. They're Jews. They go to the synagogue-Synagogue of Satan, that is. They all have ties to 'Israel', either as dual-citizens, committed Zionist fundraisers or both. This is only the tip of the iceBERG too.

These are the criminals who brought down the World Trade Center and blew up the Pentagon. These are the terrorists. These are the conspirators. These are the designers. These are the murderers of 2,996 Americans on Septembers 11th, 2001. Not the Islamic Republic of Iran. Not the accursed House of Saud. Not Al-Qaeda. Not Muslims. Got it? One more time: NOTTTTTTTTT Muslims. But Jews, Global Zionism and the artificial Halakhic-Talmudic regime butchering, occupying, colonizing and putrefying Palestine. We cannot stop the cycle of unrelenting imperialism until we speak with certainty why the wheels are spinning in the first place. 9/11 was a Jewish-Zionist job. 17 years on, it's beyond overdue that everyone says it. 9/11 is Jewry's crime. Not the Ummah's. Not Islam's. And anyone who thinks or says otherwise is an idiot.

**ETK Introduction:**

The following information validates the hypothesis that Operation 9/11 was primarily an "inside job" (See my 2002 article: "Reflections on the Origins of 9/11," this website). Indeed, the drills prove that much, if not most, of American military/intelligence played some role in carrying out this "false-flag, state-sponsored, synthetic terrorist attack." Startling revelations from the following information include: 1) the U.S. military secretly threatened to unleash its nuclear weapons against Russia and China in order to intimidate these nations so they would not retaliate for invading Afghanistan and Pakistan, and 2) Since some of the drills on September 11th involved actual

implementation of continuity of government (COG) protocols and procedures (the first and only time in history), it is reasonable to speculate that 9/11 itself functioned as a drill for ushering in COG and military dictatorship in response to an even larger, future (contrived) “false-flag, state-sponsored, synthetic terrorist attack” against the U.S. Agencies Involved in the 9/11 Coup of 2001:

- 1) NORAD = North American Aerospace Defense Command- (Wikipedia: combined organization of the United States and Canada that provides aerospace warning, air sovereignty, and defense for North America)

It is charged with space operations (such as military satellites), information operations (such as information warfare), missile defense, global command and control, intelligence, surveillance, and reconnaissance (C4ISR), global strike and strategic deterrence (the United States nuclear arsenal), and combating weapons of mass destruction.)
- 5) AWACS = Air Warning and Control System  
Pentagon MASCAL- Pentagon “mass casualty project” (contingency exercise held by Secretary of Defense between Oct. 24 and 26, 2000. The exercise required emergency response teams, members of the defense protective services, and U.S. government officials to conduct emergency simulations in preparation for a possible plane crash into the Pentagon.)

**ETK Conclusion:**

Certainly, the 46+ drills that were operating before and during September 11, 2001 abundantly prove that "9/11 was an inside job." No other conclusion is possible. The most obvious questions, then, are:

- 1) How is it possible that the various military and intelligence structures that were originally put in place to protect America have now turned against the American people?
- 2) If Operation 9/11 was an inside job, as proven by the above information, how can it be possible that Israel and Zionist Jews/Masons did 9/11, as is also proven on this website?

In my 2002 article, "Reflections on the Origins of 9/11: Three Scenarios," I quoted Brigadier General Smedley Butler, who spoke these words to the American Legion in 1933:

*The trouble with America is that when the dollar only earns 6% over here, it gets restless and goes overseas to get 100%. Then the flag follows the dollar and the soldiers follow the flag. There are only two things we should fight for. One is the defense of our homes and the other is the Bill of Rights. War for any other reason is simply a racket. There isn't a trick in the racketeering bag that the military gang is blind to. It has its "finger men" to point out enemies, its "muscle men" to destroy enemies, its "brain men" to plan war preparations, and a "Big Boss", Super-Nationalistic-Capitalism. It may seem odd for me, a military man, to adopt such a comparison. Truthfulness compels me to. I spent 33 years.... being a high-class muscle man for Big Business, for Wall Street and the bankers. In short, I was a racketeer for capitalism. I helped purify Nicaragua for the international banking house of Brown Brothers in 1909-1912. I helped make Mexico... safe for American oil interests in 1916. I helped make Haiti and Cuba a decent place for the National City (Bank) boys to collect revenue in. I helped in the rape of half a dozen Central American republics for the benefit of Wall Street. In China in 1927, I helped see to it that Standard Oil went its way unmolested. I had... a swell*

*racket. I might have given Al Capone a few hints. The best he could do was operate a racket in three cities. I operated on three continents.*

In his 1961 farewell address, President Eisenhower described the fact that the military-industrial-(Congressional) complex, even then, was by then even farther out of control: *Our military organization today bears little relation to that known by any of my predecessors in peacetime, or indeed by the fighting men of World War II or Korea. Until the latest of our world conflicts, the United States had no armaments industry. American makers of plowshares could, with time and as required, make swords as well. But now we can no longer risk emergency improvisation of national defense; we have been compelled to create a permanent armaments industry of vast proportions. Added to this, three and a half million men and women are directly engaged in the defense establishment. We annually spend on military security more than the net income of all United States corporations.*

This conjunction of an immense military establishment and a large arms industry is new in the American experience. The total influence – economic, political, even spiritual – is felt in every city, every Statehouse, every office of the Federal government. We recognize the imperative need for this development. Yet we must not fail to comprehend its grave implications. Our toil, resources and livelihood are all involved; so is the very structure of our society.

In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-industrial complex. The potential for the disastrous rise of misplaced power exists and will persist. We must never let the weight of this combination endanger our liberties or democratic processes. We should take nothing for granted. Only an alert and knowledgeable citizenry can compel the proper meshing of the huge industrial and military machinery of defense with our peaceful methods and goals, so that security and liberty may prosper together. Akin to, and largely responsible for the sweeping changes in our industrial-military posture, has been the technological revolution during recent decades. In this revolution, research has become central, it also becomes more formalized, complex, and costly. A steadily increasing share is conducted for, by, or at the direction of, the Federal government.

Today, the solitary inventor, tinkering in his shop, has been overshadowed by task forces of scientists in laboratories and testing fields. In the same fashion, the free university, historically the fountainhead of free ideas and scientific discovery, has experienced a revolution in the conduct of research. Partly because of the huge costs involved, a government contract becomes virtually a substitute for intellectual curiosity. For every old blackboard there are now hundreds of new electronic computers. The prospect of domination of the nation's scholars by Federal employment, project allocations, and the power of money is ever present – and is gravely to be regarded. Yet, in holding scientific research and discovery in respect, as we should, we must also be alert to the equal and opposite danger that public policy could itself become the captive of a scientific-technological elite.

It was almost as if Eisenhower could foresee that government itself, emboldened by its enormous scientific and technological advantages over the citizenry would sooner or later turn against the American Republic and try to destroy the U.S. Constitution. I submit, however, that Ike had no crystal ball. Rather, he was intimately familiar with the very individuals who then led the “secret” or “shadow government” of America. Here I refer to the Rockefeller-Harriman-Dulles-Bush-Wall Street faction that is intimately connected to the Rothschild family and the City of London/British Empire. Indeed, Eisenhower himself was golf partner to Prescott Bush of Yale’s Skull and Bones (“Order of Death”) secret society, one of the most important American branches of the German (Jewish) Illuminati (aka “Order of Death”). As demonstrated in my article, “The Bush Dynasty of Death; Four Generations of Wall Street War-Making and War-Profiteering” (<https://911nwo.com/?p=2079>), the Bush family is perhaps more intimately connected to America’s “military-industrial-intelligence” establishment than any other single family. The infamous “shadow government” is known by various names, including the “New World Order.” Tarpley refers to it as the “rogue network.” Others call it the “cryptocracy” (rule by secrecy), “plutocracy” (rule by the rich), “pathocracy” (rule by psychopaths), and “pedophocracy” (rule by pedophiles). Some researchers trace its origin to Cecil Rhodes’ Round Table groups in Britain. Others trace its origins back further to 16th-century British Rosicrucians, John Dee and Francis Bacon. Others trace the origins of this cabal to founding of the Bavarian Illuminati in 1776. Others trace it to the Masons, the Theosophists, the New Age religions, etc. Still others consider that the modern core of this sociopathic cabal includes the Nazi International. Christian researcher and author Texe Marrs conclude that the core of this nefarious and destructive group is Jewish. In “Holy Serpent of the Jews,” Marrs summarizes the geo-political reality behind Operation 9/11:

*“The Jewish neocons who control America and are now implementing the New World Order realize that their historic mission is to invent wars and to destroy culture. By way of this “creative destruction,” the neocons expect that Satan will be encouraged to establish his long sought for Kingdom on earth. Michael Ledeen, a necon who is well-known U.S. intelligence and foreign policy operative, explains this historic mission of the kabbalistic Jews:*

*“Creative destruction is our middle name, within our society and abroad. We tear down the Old Order every day, from business to science, literature, art, architecture, and cinema to politics and the law. Our enemies have always hated this whirlwind of energy and creativity which menaces their traditions (whatever they may be) and shames them for their inability to keep pace.... We must destroy them to advance our historic mission.”*

The neocon Jews drew the first American blood of the 21st century in the 9/11 airstrike. They banded together, forming the “Project for a New American Century.” In a special report that soon became the basis for the foreign policy of the Bush-Cheney Administration, the necons said that there needed to an attack on America similar to Pearl Harbor. After such a shocking surprise attack, Americans could be easily

marshaled to fight terrorists and governments around the globe. Thus would the military supremacy of America, chief ally of Zionist Israel, be established.

The 9/11 assaults took place shortly after this report was released, and the world situation has never been the same. The U.S. is continually seeking “Ordo Ab Chao” in the world. Michael Ledeen must be very proud. As we read in the “Protocols of the Learned Elders of Zion,” Protocol 13: “Who will ever suspect then that all these people were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many generations.” The mission of the Jews is building of a New World. “Tikkun Olam,” the “mending or repairing of the world,” means that the Jews will use “creative destruction” to destroy the structures and cultures of this world, a process in which they are currently heavily engaged.”

Is it possible that in some manner, all of the groups mentioned above are involved; American military-intelligence, the British and American Round Table Groups, the Nazi International, the secret societies, the Jews? Yes, it is, as demonstrated in the research posted on this website. The following statement by German physicist, Harald Kautz Vella, may provide an important spiritual overview of our current situation:

*“... when you look at the entire thing, and you try to find solutions to it, you realize that everybody who is involved on the different levels is making the same mistake. It is of the Luciferic game. “Let me participate in your power, and I will serve you. I don’t know what you are doing. I don’t want to stand in my own responsibility. Just let me participate from your power and I will serve.” This is the Luciferic deal everybody’s doing. And we are doing this by going to vote, the government, that is taking care of all the pipes we’re connected to. But we let go of our responsibility and we let them do. They are giving control to the military domain; the military domain is giving control to the intelligence community; the intelligence community is giving control to the Black Magicians, the Black Magicians are giving control to the demons, and the demons lost control to their AI. (ETK- referring to “artificial intelligence” or to Satan himself?)”*  
Please note that Vella’s summary is completely verified by former military “psychic warrior,” (now Christian), William Dean Ross in his articles:

“The Hidden Evil Agenda”

([www.theforbiddenknowledge.com/staticwritings/evilagenda.htm](http://www.theforbiddenknowledge.com/staticwritings/evilagenda.htm))

“Riders on the Storm” ([www.theforbiddenknowledge.com/staticwritings/riderstorm.htm](http://www.theforbiddenknowledge.com/staticwritings/riderstorm.htm))

“Catch A Falling Star” ([www.hiddenmysteries.org/themagazine/vol13/articles/...](http://www.hiddenmysteries.org/themagazine/vol13/articles/))

Referring again to Vella’s statement about Black Magicians and demons (above), it has been abundantly demonstrated on this website that the basis of the religion of Judaism is not the Old Testament, as most assume, but rather, it is the Babylonian Talmud and the Kabbalah, the system of black magic which derives from ancient Babylonian and Egyptian Baal (aka Moloch or Satan)-worship. Hence, the “Black Magicians” of Vella’s statement above must be the same Jewish-Masonic-Satanists identified on this website in Appendix 8: From The Trail of the Serpent (1936) by Inquire Within (<https://911nwo.com/?p=3629>).

Do we require more proof of the veracity of Jesus Christ's message? Jesus referred to the Pharisaic Jews of his days as a "generation of vipers" (i.e., race of serpents), "of their father, the Devil," and the "Synagogue of Satan." Amazingly, it appears that in the very process of discovering the culprits of Operation 9/11 we have uncovered the "Mystery of Iniquity" of the New Testament. Certainly, then, the New World Order then is synonymous with the Kingdom of the Antichrist foretold in the Book of Revelation.

**Great article, but it left out the Goyim American helpers of that day of infamy: 9/11 was an Israeli masterminded False Flag, with help from traitors in the whole US political class, the WH, the FBI, CIA, NSA and Pentagon. With lots of help from the ((MSM))).**

**Daniel writes-**

**One more key figure often** overlooked in the "New Pearl Harbor" event designed to bring about the Jewish new world order, is the heir to the Estée Lauder cosmetics fortune. Ronald S. Lauder, who, while on Ronald Reagan's defense policy board as far back as 1981, pushed for the privatization of a remote Air Cadet training base called Stewart AFB in New Windsor, NY.

What business would a cosmetics magnate have in seeing a rinky-dink airfield in the middle of nowhere become privately owned? Lauder has also funded the "Lauder School of Government, Diplomacy and Strategy at Mossad Center (IDC) in Herzliya, Israel and was until recently, the head of the World Jewish Congress.

With his strong ties to the inner sanctum of U.S. military power, Lauder must certainly have known Pentagon Comptroller Rabbi Dov Zakheim who also ran Systems Planning Corporation (SPC) which made the world's most advanced remote guidance systems for Boeing aircraft. I have no doubt they are close friends.

Stewart air base just happened to be where radar indicated flights 11 & 175 nearly collided in mid-air despite leaving Boston-Logan a full sixteen minutes apart.

Was this the Zionist controlled location where the real American and United Airlines Boeing aircraft (with the passengers cruelly disposed of) were switched with the dark,

windowless, military issue Boeing KC-767's that dozens of lower Manhattan witnesses claimed they saw that fateful morning?

Thanks to Christopher Bollyn for his incredible job at sleuthing out the real terror cells operating in the halls of American military power. [http://www.bollyn.com/home#article\\_16214](http://www.bollyn.com/home#article_16214)

Webster Tarplay is a historian scholar, and particularly thorough and comprehensive in his coverage of the 9/11 events. As the unveiling of the Satanic Khazarian Zionist Mafia became of interest is not an accident. The WEF under Klaus Schwab is seeking to enslave the world to the chains of control of the House of Rothschild that has been the titular head of a one-world government. This is war against humanity and it is between the global elite against the masses of the world for which they are trying to eliminate by persuading people to commit suicide through pathogens described as vaccines. I have since 1998 tried to wake-up anyone that I could to what was happening.

The Lord Jesus Christ said that in the end of days all secrets would be revealed or exposed and that is the mission of my web page.
