

MAJOR GASLIGHTING OPERATION BLOWS THE LID OFF OF THE COVID JAB CONOPPO

SOTN Covid 'Vaccine' Investigation Team

There's a massive Khazarian plot afoot to install controlled opposition gatekeepers throughout the entire Coved 'vaccine' truth movement.

Their main mission is to keep the most radioactive truths and dangerous facts about the COVID-19 injections from being broadly disseminated by the truth-speakers and truth-writers everywhere.

However, it's the most authoritative and impressive truth-tellers who the **Khazarian Cabal** wants to silence immediately as seen in this following video.

Now here's a short summary of what just happened at the Stockholm Conference as seen in the preceding video:

"Dr. Glenn Dormer, an attendee in the audience said: "I was very emotionally touched and I stood up in the audience, there were 800 people, and I said: "this woman is risking her life to tell more truth than we have heard in the last 2 days in this congregation."

She worked off-script. She actually started to show what the plan is, and she said: “this is what WHO was and what it has become, part of this control grid.” And the longer these 15 minutes went, the more it was clear to me, I told this to the people sitting next to me, “she’s going off-script”.

And I then noticed at the bottom at the front row where all the reserve seats for the people running the conference and speakers, suddenly a very great amount of activity, people running back and forth, Sven Roman, who was in charge of the Läkarupproret, I could see him going to the person sponsoring the conference.

I saw a little bit of panic, because they now had one of their own who was the last speaker at the conference, she was not only giving breadcrumbs, she was giving the whole picture. So one of the speakers, Dr. Ryan Cole, stood up and basically took the microphone after 40 minutes. They had to have a reason why they had to demic her after only 40.”

The key point is that the two primary gatekeepers at that conference were two highly esteemed medical doctors who have been leading the Covid vax truth movement — Dr. Ryan Cole, MD and Dr. Ronald W. Malone, MD.

First, let’s take a closer look at Dr. Malone.

In view of the confirmed info presented in the PDF posted below, there’s absolutely no question about Dr. Robert W. Malone being controlled opposition...

...nor is there any doubt that Malone has done a LOT of great work educating the public about the extremely dangerous and deadly Covid vaccines.

*Hence, the \$64,000 question is: “**Does Dr. Malone know that he’s controlled opposition?**”*

(Source: [There’s something VERY wrong with Dr. Robert W. Malone!](#))

Now let’s see examine what mike-stealer Dr. Ryan Cole, MD is really all about. Watch this video again and listen carefully to each word uttered by Dr. Cole; there’s clearly also something very wrong with the entire episode.

[Dr. Astrid Stuckelberger Silenced by Dr. Ryan Cole at Pandemic Strategies Conference 1-22-23](#)

It ought to be crystal clear that Dr. Cole was told to rudely take the microphone from the courageous truth-telling Dr. Astrid Stuckelberger, the graphene nanotechnology expert with the electron microscope.

But why?!

Because it’s the variations of graphene (i.e. graphene, graphene oxide and graphene hydroxide that the Covid killshot formulators do not want us to know about—THAT’S WHY!

Next, let's watch Dr. Cole quite disrespectfully insult top medical researchers and scientific investigators from around the world who are reporting on the proven bio-nanotechnology, self-assembling components and graphene oxide content found in the Covid 'vaccines'.

****Advance to the 5:30 minute mark to view Dr. Cole's brazen and baseless dismissal of those crucial findings.***

"Red herring" — Dr. Ryan Cole

We know that Dr. Cole is lying, misleading and deceiving the entire Covid truth movement about this critical issue because everyone in the know is well aware that all the 'vaccine' batches were purposefully formulated with different ingredients, as well as different combination of various constituents. In point of fact, all batches are different from each other in ways that are not yet understood. This established fact, alone, renders Dr. Cole completely incapable of making those patently false statements.

Never forget, Dr. Cole arrogantly called all of this type of absolutely vital vax info a "**red herring**".

But why did Dr. Cole so quickly become an untrustworthy turncoat ... just before the Pandemic Strategies Conference was held in Sweden?!

Because Dr. Cole is presently "*facing discipline for negligence, spreading false statements*" and other serious 'transgressions' by the Washington Medical Board—**THAT'S WHY!**

Statement of charges served on physician license of Ryan Cole

OLYMPIA, WA – In January 2023, Washington Medical Commission (WMC) issued a statement of charges against the Washington physician license of Ryan Cole, MD (Lic. #00048229).

Dr. Cole resides in Idaho, but holds a Washington license to practice as a physician and surgeon.

The statement of charges alleges that Dr. Cole made numerous false and misleading statements related to COVID-19 and treated patients with COVID-19 or seeking to prevent getting COVID-19 in a manner that was beneath the standard of care.

Dr. Cole must file a response to the statement of charges by January 30, 2023.

Legal documents in this case are available online by visiting the DOH [Provider Credential Search website](#).

The official disciplinary action show above was initiated in January of 2023, just prior to Dr. Cole exposing himself to be an extremely damaging conoppo agent for the **Khazarian Cabal**.

The only question that remains is to what extent all the high-profile attendees of that global conference were also planted there as controlled operation operatives.

Interestingly, I posted a report by one Dr. J. Bart Classen, MD on 01/25/23 at my web page that deals with the Israeli Mossad infiltrating the U.S. government's program on virology and bioweapons that connects Israeli virologists developing bioweapons while working in and with U.S. researchers at Fort Detrick, MD. The link to this article can be found here below at:

[COVID-19 and Illegal U.S. Bioweapons Activity, an Insider's Revelations](#)

Dr. J. Bart Classen was a researcher at NIAID/NIH from 1988 to 1991 and was privy to communications, activities, as well as known links to Mossad.

The State of the Nation report above suggests that individuals of the Zionist Khazarian Mafia were operating as controlled opposition in the Covid plandemic. Drs. Ryan Cole and Dr. Robert W. Malone being the focus of the SOTN post. That may prove their undoing as this story gets exposed wide and far. Share it with your friends and family!

The State of the Nation Report at the top of this article has raised the attention of several researchers. A report in the past few days reported that America's Frontline Doctors had "fired" Dr. Simone Gold for misrepresenting herself. Several months back she was reported to be another of the controlled opposition group seeking to mislead, discredit, or trying to undermine the Truth Movement. Those behind their crimes against humanity are not without backup plans to send researchers on hopeless rabbit trails!

This insidious effort to control the narrative is growing now that the government narrative about the Covid-19 scam is falling apart left, right, and center. These people

will do everything possible to muddy the water as a way to cover their tracks in order to avoid law suits, potential arrest and prosecution for their part in the greatest crimes against humanity.

Keep in mind the fact that long before the world knew that World War II was over, the Nazi regime had planned years before their escape. In the book *'Hitler Was A British Agent'* by Greg Hallett and The Spymaster, the authors drill down into the intricate plans that Adolf Hitler created to facilitate his escape from the Bunker in Berlin. There is an interesting statement in that book that Hitler made, and it is a perfect description of what the world has been subjected to by the leaders of the Fourth Reich today.

Hitler said,

*"In wartime,
we provide truth with a bodyguard of lies
because it is so precious."*

In the 24 hours leading up to the Fuhrur's faked suicide, an elaborate plan was executed to fool those who did not commit suicide in the Fuhrer's bunker, were murdered by Hitler's closest confidants, including at least five doppelganger doubles. All of the low level survivors were fed false narratives or stories about what transpired on that day Hitler was alleged to have committed suicide.

How soon we forget. Almost four years ago Bill Gates said this on the Covid News Network known as CNN; Or remember this one from 2017 at a Ted Talk in Houston!

**"We can wipe out a lot of humanity if we
can just get vaccines
into more people."**

- Bill Gates

This creep has been selling his stock in specific vaccine companies and that he has said at a conference in Australia do not work. He is on record at Davos in 2020 that the vaccine business has been a huge money maker for him, netting a return of 20-to-1. No one would begrudge anyone making a great return on an investment that “did no harm!” The Gates 20-to-1 profit on his investment is not income, it is blood money.

The Pfizer and Moderna have been exposed to be neither safe nor efficacious. The table above confirms the statement that Bill Gates and his crowd of other well-known eugenics-driven genocidal lunatics is what humanity is facing. The Project Veritas video according to Fox News Tucker Carlson has had 20-million views as of a few days ago, and Pfizer has not denied any of it, other than to try to do damage control with its own employees. A report this morning on Apple's Siri News, Pfizer's vaxxes will have a 33% decline in sales.

Not long after Project Veritas released its latest bombshell exposé about Pfizer's involvement in trying to manipulate Covid to sell more “vaccines,” Google-owned YouTube pulled the video from its platform. Not long after that, the company issued an “urgent guidance” to its employees about how to handle the video whenever a user tries to upload or share it. Let's hope that victims file a “class action” suit that will bankrupt the company and result in both prosecution for crimes against humanity; and fines at least equal to their stated profits of \$100 billion made in their evil poison needle!

Those responsible for “Mass Murder” and State-sanctioned genocide deserve the gallows. I know that the Bible says we should pray for these creeps, and God says Romans 12:19 says, ***“Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord.”***

A MAN OF GREAT INFLUENCE...

Folks, there is a God in Heaven, and as the Bible says, ***“And ye shall know the truth, and the truth shall make you free.”*** -(John 8:32).
