

Mass Murder

Part 22

DOJ Vaccine mandates Now Legal – Breaking News

DOJ vaccine mandates are legal as of July 26, 2021.

The Department of Justice (DOJ) determined that federal law will not prohibit public agencies and private businesses from requiring COVID vaccines under the Food and Drug Administration's emergency use authorization.

With the DOJ vaccine mandates, public places, retail stores, places of business (your job) can require covid vaccines if they wish.

On July 26, the U.S. Department of Veterans Affairs, California, and New York City said they would require some government workers to get the COVID shot or be tested weekly. Veterans Affairs became the first federal agency to mandate the vaccine.

The White House says COVID vaccinations are “picking back up” with more than 790,000 administered in 24 hours over the weekend, as the delta variant of the novel coronavirus becomes more prominent in the U.S.

Are COVID vaccinations really picking up? Can you believe anything the government says – more scare tactics to push their Agenda. The number of deaths attributed to Covid-19 from the CDC’s data is unbelievably low:

July 26 th	101
July 27 th	49
July 28 th	273

Three major government entities (the U.S. Department of Veterans Affairs, California and New York City) said Monday they would require some or all of their government employees to get vaccinated or be tested weekly.

COVID vaccines are still awaiting full approval from the Food and Drug Administration, but as you know, the government doesn’t need approval to release this “vaccine” to the public, as they have declared it for emergency use – so it’s ok.

The FDA has not approved this Covid Vaccine (DNA-altering gene therapy) but the government gets around that by declaring it “for emergency use.”

[Thousands of people \(and counting\) have died after taking the Covid Vaccine jab](#), and yet, governments push it relentlessly. Why is that?

Schools and Businesses Can Now Require Covid Vaccines

The Justice Department’s Office of Legal Counsel on July 26, 2021, wrote (pdf), that because access to COVID vaccines is more commonplace, “numerous educational

institutions, employers, and other entities across the United States” have said they will require some individuals to be vaccinated against the virus as a condition of employment, participation, benefit, service or relationship.

“Numerous educational institutions, employers, and other entities across the United States, have announced they will require individuals to be vaccinated against COVID as a condition of employment, enrollment, participation, or some other benefit, service, relationship, or access,” DOJ’s Office of Legal Counsel wrote. “For instance, certain schools will require vaccination in order for students to attend class in person, and certain employers will require vaccination as a condition of employment.”

Some companies require the Covid Vaccine as a prerequisite to employment; Amazon is one such company.

If you don’t go along with their evil plan and want your kids home schooled. Will you get a reduction in taxes since your kids aren’t in school? Of course not. The elderly are still paying taxes for school systems even though their kids graduated 50 years ago, while people living in apartments don’t pay taxes for their kids to go to school. This is just ONE PROBLEM that needs fixing!

New York’s Carnegie Hall Will Require Proof of Vaccination

Carnegie Hall announced that everyone who enters the hall must show proof of full vaccination against COVID with a WHO-approved vaccine.

With the DOJ vaccine mandates, the Justice Department’s statement, and the July 26 Veterans Affairs Covid Vaccine mandate, it appears to leave the door open for other federal agencies to make COVID vaccines a requirement for employees.

Rutgers University became the first university to mandate vaccines for both employees and students earlier this year. Carnegie Hall in Manhattan announced that it will require audience members, staff and performers to provide proof of vaccination before entering the building.

The Justice Department's messaging from mainstream media outlets, government officials, and world leaders around vaccines, has become increasingly forceful in recent days.

Amid reports of an increase in "Delta" variant cases, authorities in France and Italy have recently introduced vaccine passport-type systems for entering private businesses including restaurants, gyms, theaters and more. This move triggered widespread demonstrations across Europe over the weekend.

Responding to the DOJ vaccine mandates, New York Mayor Bill de Blasio told [MSNBC](#): "Public sector entities need to move as quickly as possible. This DOJ decision is important. I think that will be helpful. We have got to put pressure on this situation." The government is doing all they can to push their agenda as fast as they can.

Throughout the pandemic (planned emic), the federal government has implemented COVID-related restrictions targeting public places, travel and public transportation. They have used [incentives and bribes](#) to get people to comply with their Covid Vaccine push.

The White House and Mandatory Vaccines

White House press secretary Jen Psaki, who has given conflicting statements around whether the administration supports vaccine passports, told reporters during a briefing last week that the administration isn't requiring officials to get vaccinated – not yet anyway.

"No, we have not mandated it," Psaki in response to a question about whether the White House has made COVID shots mandatory. Psaki appeared to say that the White House offered the vaccines to every employee.

Some Republican-led states, meanwhile, have passed laws that forbid the usage of vaccine passports in government agencies and offices. Florida went a step further in May after Gov. Ron DeSantis, a Republican, [signed a law](#) that prohibits all private businesses from using vaccine passports in his state.

Just when you thought it wouldn't get worse (well, actually you knew it would get worse), here it is....more jobs and businesses will be lost due to non-compliance of their [Covid Vaccine agenda](#).

The DOJ is just another rogue organization now. They might have an argument on the precedence of other immunizations being mandating in schools if not for the fact that these are not fully approved vaccines. This makes it a crime. They are just a bunch of criminals. All of them. No doubt they are getting financial kickbacks from pharma.

Is it not obvious that this social engineering has little to do with preventing infection from a corona virus with a less than 1% death rate? This manipulation is designed to nullify our Constitution, paving the way for totalitarian Marxism.

The DOJ doesn't have the authority to mandate vaccines. It's against the Constitution to force individuals to get vaccines, much less vaccines that have not been approved by the FDA. There are limits on the federal government's authority.

The CDC has Removed 150,000 Deaths from their VAERS Reporting System. Now the VAERS site has been taken off line as of Friday, July 30th, 2021.

Of 400,000 cases reported to VAERS, 150,000 Covid Vaxxed have been removed, or have been rewritten to eliminate deaths from the Vaxx. This was a video report aired on BitChute. Two days after the CDC was caught changing data reporting. Those who really died were being replaced with other adverse reactions of lesser damage. The CDC's VAERS site was taken off line at 9:30 AM Friday morning, July 30th, 2021. The CDC has been discredited as a criminal fraud. AMERICA WAKE THE HELL UP!

The Vaxxes are the Biblical Mark of the Beast of Revelation 13:17; 14:11; 15:2; 16:2; 19:20; and 20:4! [Pay close attention]

This will likely surprise many who have been hoping it was not so, but we have ample evidence to the affect that the Vaxxes; all four, AstraZeneca, Moderna, Pfizer, and J&J contain Graphene Oxide, a poison that will be part of the QuantumDot: Hydrogel ID2020. I saw it coming twenty-two years ago when the "Digital Angel" was unveiled on the NBC "Today" morning news. The company that produced the "Digital Angel" went bankrupt from financial problems and then IBM bought the company and its patents and research work. Since 2002, IBM and Bill Gates of Microsoft teamed up to produce what is known today as the "QuantumDot:Hydrogel ID2020". This is the Biblical "MARK" of the Beast System. I first wrote about this 18-months ago.

If you do not learn anything that I have shared in this series, do not allow yourself to be vaxxed and do not submit to future booster Vaxxes. The Pfizer pharmaceutical have stated people will need booster shots every six months. The booster shots are needed for several reasons: 1. To trick the human immune system in accepting the package contained in the Vaxx, and 2. To upload more Graphene Oxide into the individual. I am including two articles posted Friday, July 30th, 2021. The article is very comprehensive for anyone not familiar with what I was saying two years ago.

God built into the human body a wonderful immune system that attacks anything that is injected into the body through a needle. In previous articles, I have noted when they talk about so-called "booster" shots it will be to trick the natural immune system from expelling or rejecting the man-made vaxx toxins. The immune system goes into attack mode to destroy what has been injected into the body. Anyone that has had any sort of "transplant" surgery knows that rejection of the replacement organ is the biggest hurdle faced, and requires a "transplant" patient to take anti-rejection drugs most of their remaining days of life.

Graphene Oxide The Vector For Covid-19 Democide

Graphene Oxide The Vector For Covid-19 Democide

By: Ariyana Love

A shocking new discovery was revealed in April 2021, when [Health Canada recalled](#) over a million KN95 face masks containing the highly toxic industrial chemical called GRAPHENE. The poisonous masks came from China's Shandong Shengquan New Materials Co. Ltd.

Following the announcement, Spain recalled millions of masks containing GRAPHENE yet children worldwide are still being forced to wear these poisonous masks in schools.

I wrote about the GRAPHENE based hydrogels back in April. They're scientifically called "Nanotubes" or "Nanoworms" and they're being used in face masks and PCR swabs: [Masks And Covid Tests Contain Nanotech Vaccines Without Informed Consent.](#)

Global Research published this article entitled: [Face Masks Contain Graphene, A Poisonous Substance.](#)

GRAPHENE hydrogels are being intentionally *marketed to kids* as "nano-silver" and sold online in face masks. — See [report.](#)

LA QUINTA COLUMNA

I was approached by the Spanish WikiLeaks / Anonymous team in mid-June and asked to look into La Quinta Columna's extensive research into Graphene Oxide as the

potential vector for Covid-19 drug delivery. I especially trust the Spanish Wiki-Anons because they stood beside me when I was wrongfully targeted and cancel cultured by black anons and obvious gatekeepers, in 2019.

On June 25, La Quinta Columna (The Fifth Column) broke the news on a Spanish television show — El Gato al Agua, that toxic GRAPHENE OXIDE had been found in massive quantities in the Pfizer “vaccine” analyzed by Dr. Pablo Campra of Madrid and other biochemists and academics at the University of Almeria, on the initiative of La Quinta Columna. The small group of Spanish researchers is headed by Dr. Ricardo Delgado and Dr. José Luis Sevillano.

On June 29th, [Europe Reloaded](#) covered La Quinta Columna’s analysis of the Pfizer serum under microscopy that was published by [Orwell City](#).

La Quinta Columna then released a [game changing report](#) on June 30th, demonstrating that GRAPHENE OXIDE is the key ingredient in Pfizer’s “Covid-19 vaccine” serum. It’s evident from La Quinta Columna’s [website](#) the amount of time they invested in researching GRAPHENE OXIDE.

From Quinta Columna’s research I learned that a company named [Nanografi](#) is manufacturing GRAPHENE OXIDE Nanotubes and intranasal vaccines for *Covid-19 drug delivery*. Nanografi also manufactures face masks! Now that’s very damning evidence!!

Investigative Journalist Ramola D. then published an excellent article to [The Everyday Concerned Citizen](#) on July 5th, highlighting La Quinta Columna’s discovery and how GRAPHENE OXIDE causes *blood clotting and magnetism*.

A second Spanish research team independent from Quinta Columna, found GRAPHENE OXIDE as the predominant ingredient in AstraZeneca’s serum, reported [State of The Nation](#).

Dr. Jane Ruby, a medical professional and 20-year pharmaceutical researcher, picked up the story and [discussed these vital revelations](#) on the Stew Peters Show, on July 14th. She emphasized that the only reason Pfizer’s Covid-19 serum would contain over 99% GRAPHENE OXIDE “*would be to mass murder people*”.

Dr. Ruby then returned to the Stew Peter’s Show on July 21st, to release more groundbreaking news about the [horrific blood contamination](#) of people who took the Pfizer and AstraZeneca injections. AstraZeneca by the way, means “*weapon that kills*” in Sanskrit.

A third research team from Argentina analyzed a vial of the Moderna’s Covid-19 serum on July 21st and found that it contained 99.5% GRAPHENE OXIDE under spectroscopy, as reported by [Orwell City](#).

We now have not one, but *three* independent scientific studies establishing that the Pfizer, Moderna and AstraZeneca serum's all contain over 98% to 99.5% GRAPHENE OXIDE NANOPARTICLES!

MAGENETISM AND MIND CONTROL

All the "Covid-19 vaccines" and now flu "vaccines" are manufactured using the same GRAPHENE OXIDE nano-technology.

There's hundreds of videos online demonstrating how the [vaxxed have become magnetized](#). The unvaxxed are also becoming magnetized by [transmission](#) from the vaxxed to the unvaxxed.

GRAPHENE OXIDE *is* a [nanoparticle](#). These nanoparticles become magnetic when they reach the same temperature as the human body, according to [scientific reports](#).

[Global Research](#) news channel is also covering Quinta Columna's research and the magnetism phenomenon: [Graphene Oxide Particles in Covid mRNA "Vaccines" Causing Magnetism?](#)

World renown scientist and media mogul Mike Adams from 'Natural News', is also researching and reporting on this developing story where he reveals that: [Graphene-based "neuromodulation" technology is REAL: Press release from INBRAIN Neuroelectronics describes brain controlling biocircuits using AI-powered graphene](#).

This graphene-based fitness patch was developed under EU's Graphene Flagship, by the Institute of Photonic Sciences in Spain can measure heart rate, breathing rate, and body temperature.

Nano-tech GRAPHENE OXIDE is superconductive and highly integrative with neuron cells in the brain, as [this scientific paper](#) reveals.

The molecules of GRAPHENE can interact with neurons in the brain in a remote mode using different radio-frequencies (5G could be one of these). They can map the brain and transmit and receive INSTRUCTIONS *remotely*.

The European Union invested one billion euros in a project called “[The Graphene Flagship](#)” in 2019, spawning nine companies and 46 new GRAPHENE-based products.

INDUSTRIALIZED GRAPHENE OXIDE

GRAPHENE OXIDE is already being widely used as an industrial chemical. We find it in electronics, aeronautics, energy, agriculture, cosmetics, medicine, textile production (also clothing), *food processing* and buildings. The globalists intend to build “[smart cities](#)” using this nano-particulate substance and it’s already [being sprayed](#) on humanity via [Bill Gates “smart dust”](#).

Graphene Oxide Nanoparticles Are Being Sprayed On Humanity

GRAPHENE OXIDE has already been aerosolized for dissemination over populations through aerial spraying (chemtrails). Pentagon scientists developed the technology in a Khazakhstan bioweapons lab. **Please see [video \(2 min.\)](#).**

This NATO plane was filmed spraying GRAPHENE OXIDE from above. Please see [video \(17 seconds\)](#). And finally, this [Italian study](#) provides additional proof that we are being sprayed with GRAPHENE FAMILY NANOPARTICLES.

We’re literally being *saturated* with this industrial poison which has been intentionally inserted into everyday items such as face masks, food, clothing, water filtration, [sanitary pads](#), tampons, diapers and more. It’s being used in the Covid-19 “testing” swabs and now we know it’s the key ingredient in the “Covid-19 vaccines”. This article highlights [60 uses of GRAPHENE](#).

Here’s a [one minute video clip](#) of Moderna’s CEO Stephane Brancel bragging to World Economic Forum about it taking just two days to create their “Covid-19 vaccine”. How is that possible unless it’s *synthetic*?

GRAPHENE OXIDE MEDICAL APPLICATIONS

In recent years, GRAPHENE has been exploited in the biomedical field, particularly for DNA sequencing and the development of biosensors. It’s [presently being used](#) for CRISPR-CAS9 *gene delivery* and to administer drugs into biological cells.

This article by ‘Natural News’, contains links to the exact science papers describing two decades of research into all this: [IT’S REAL: Science paper documents “self-](#)

[assembled magnetic nanosystems” for cybernetic biocircuitry interface and control systems in humans, including “DNA hydrogel” tech.](#)

Dr. Carrie Madej and myself have been reporting on the [GRAPHENE Oxide Hydrogels](#) which allow for self-replication, disassembling and reassembling and ballistic drug delivery to cells. The programmable nanoparticles also [pass through the blood/brain barrier](#), causing PRION (auto-immune disease).

WATCH! Graphene Oxide Activates By Cell Phone EMF Frequency Radiation

The GRAPHENE Hydrogels literally grow a new neural network inside the human body and does so *extremely* rapidly. This was [observed by a Slovakia team](#) of researchers.

GRAPHENE’s thermal property and electrical conductivity make it a superconductor. The artificial neuron-network can receive and transmit signals and can be externally controlled through **5G** frequency and AI. [GRAPHENE Family Nanoparticles](#) contain drug-chemical payloads for mRNA “gene therapy” and it’s being deployed without Informed Consent. GRAPHENE OXIDE is the vector for Moderna’s “operating system” and the sad reality is that the vaxxed will transform into [genetically modified humans](#) within about 48 hours after inoculation. This is how advanced the technology is.

CRISPR

The first human genome project using GRAPHENE was initiated in 2001. GRAPHENE OXIDE was [developed by CRSPR](#), Pfizer, Moderna and BioNTech as mRNA gene therapy to cure cancer but [due to its cytotoxicity \(cell death\) in healthy cells, this highly toxic industrial nano-chemical was never approved for use in humans.](#)

CRISPR accelerated the development of the first Genome Sensor, the world’s first *DNA search engine* that runs on CRISPR-Chip technology. It can literally google genomes to detect genetic mutations and variations.

The jagged edges of GRAPHENE OXIDE Nanoparticles are super sharp and super strong, easily piercing through cell membranes in human lung, skin and immune cells, suggesting the potential to do [quite serious damage](#) in humans and other animals. GRAPHENE OXIDE has 100 times the strength of steel. [It is used in the construction of commercial jet airliner wings.]

GRAPHENE OXIDE is great for DNA sequencing (cutting and splicing of genes) and it’s perfect for evil eugenicists who want to pretend to be God’s and genetically enslave the rest of humanity. This substance is extremely dangerous to humans *and* to the environment.

TRANSMISSION

Europe Reloaded reports: “Graphene Oxide has a certain magnetic resonance band, beyond which it becomes excited, which in turn leads to rapid oxidization of the material. When the oxidization level exceeds certain body biomarkers, it triggers a collapse of the immune system and a cytokine storm, typical of ‘severe Covid-19’.”

At least [90 scientific studies](#) show the toxic effect of GRAPHENE OXIDE in the human body produces the same clinical effects as Covid-19! These symptoms include programmable cell death, blood coagulation, platelet aggregation, clotting, cytokine storms, thromboses, pneumonia (flu like symptoms), inflammation of the mucous membranes, loss of taste and smell. It blocks detoxification in the body by blocking glutathione, creates a metallic taste in the mouth, destroys the immune system and magnetizes people, especially at the injection site.

Please see: [Graphene Oxide Blockbuster: It Causes CV Symptoms and is Present in all Aspects of Diagnosis and Treatment](#)

Also see: [Video: Graphene Oxide: A Toxic Substance in the Vial of the COVID-19 mRNA Vaccine](#)

GRAPHENE OXIDE Toxicity was [researched and discovered](#) to be a vector for transmission in mice, enabling Pfizer's ["self replicating vaccines"](#).

"The common administration routes in animal models include AIRWAY EXPOSURE (intranasal insufflation, intratracheal instillation, and inhalation), oral administration, intravenous injection, intraperitoneal injection and subcutaneous injection. The major exposure route for GFNs (Graphene Family Nanoparticles) in the working environment is AIRWAY EXPOSURE, thus INHALATION and intratracheal instillation are used mostly in mice to simulate human exposure to GFNs."

Here's a [second peer reviewed study](#) confirming that Graphene Oxide toxicity transmission from the vaxxed to the unvaxxed is **airborne**. This means GRAPHENE OXIDE is received from the vaxxed to the unvaxxed by **inhalation**.

Graphene Oxide (GO) and Reduced Graphene Oxide (RGO)

Cytotoxicity depends on the size of the GRAPHENE flakes and the content of oxygen. It's possible to tweak the GRAPHENE to be more or less toxic. It is in fact possible to get GRAPHENE OXIDE in a *clear liquid serum* by reducing its oxygen content into a Reduced Graphene Oxide (RHO). By doing so, it will increase toxicity.

Treating GRAPHENE OXIDE with [hydrazine both removes](#) the debris and reduces (both deoxygenations) the dark GRAPHENE sheets. Reduction of a clear GRAPHENE OXIDE solution [using Sodium Dithionite](#), will cause the microscopic GRAPHENE flakes to reappear "out of nothing".

Reduced Graphene Oxide is sold as a clear serum in India for example, [here](#).

Conclusion: DEMOCIDE

These were never "vaccines" against a virus, instead all the time it was a secret nanotech project developed to reach and control the brains of the human population. People have been already magnetized with GRAPHENE which is present in masks, Covid tests, chemtrails and influenza and Covid "vaccines".

We now have three comparative studies proving that GRAPHENE OXIDE is the vector for the Covid-19 BIOWEAPONS drug/chemical delivery. These are not "vaccines" but mRNA gene therapies and industrial chemicals *without authorized use in humans*.

The pharma cartel is finished! People will never trust big pharma again. These companies are making a killing poisoning us and terraforming our environment. Nanoparticles are programmed either for *good* and healing or for *ill* intent. These programmable robots aren't just randomly used. This technology obviously got into the hands of the wrong people (eugenicists) or it was developed with intent to Democide.

GRAPHENE OXIDE NANOPARTICLES is the perfect vector to carry the spike protein poisons that were cultivated in moths, enhanced and weaponized in labs. GRAPHENE OXIDE NANOPARTICLES is the perfect vector for transmission into healthy cells by injection, air inhalation and medical devices (masks, swabs, needles).

Transmission is not caused by shedding of viral-loads because there is no virus. "Coronavirus" and Covid-19 are the *distractions* while governments conduct Democide on all the world's population. This is a biological attack on our DNA. We are being literally saturated with GRAPHENE FAMILY NANOPARTICLES and the only good news is that you can detox it out of your body.

Our best legal teams, World Freedom Alliance and World Doctors Alliance have advised that we are now *beyond Genocide* and surviving a DEMOCIDE. This is an extinction

level mass culling. Genocide is when a government targets a specific demographic or religious group like Africans, Native Americans, Jews, Muslims or poor people, for example. Democide is far worse than Genocide because governments are targeting the entire population of men, women and children for worldwide depopulation.

So please, STOP paying taxes at once! The only way this war will end is when *we end it* and the only way to do that is to stop feeding the Beast. We must march in droves to ALL federal, state and local parliaments and city council buildings. Surround those buildings until government leaders come out. We must take back what's ours. Remember, we own it all. We The People already have the legal backing of Reiner Fuellmich's team at the World Freedom Alliance.

Finally, I agree with La Quinta Columna's [assessment when they said](#), "Every person who has been inoculated with this substance with that graphene oxide nanotechnology has a fuse, dynamite, a time bomb that's ready to explode by the activation of a microwave."

DETOX

I will make a separate blog with all the ways you can detox yourself from Graphene Family Nanoparticles and Graphene Oxide.

I have stated for well over a year-and-a-half that the Vaxxes are the Biblical "Mark" of the Beast. I have written nearly a hundred articles on **5G** wireless energy and how it can be used to both control as well as eliminate people. If you have a cell phone newer than 1999, your phone has a GPS locator chip in it. That is the equivalent of having a bull's eye on your back.

While Ariyana Love, author of this article, has put together a comprehensive expose of what the Beast System has done in putting together their Global ID2020 which as I said,

can be used to control the public like cyborgs (half human/half AI beast). Bill Gates revealed that it would be used to remove aspects of religious belief, in God, and other means by which those vaxxed will be compliant with the New World Order plan for them. The very subject of the **“Mark”** of the Beast has been a focus of mine for many years. I have written a lengthy series which goes into much greater detail than Ariyana Love’s article here. The last segment I have wrote on the **“Mark”**, was posted February 21, 2021, titled, [666/999 5G, the Mark of the Beast, and the UPC Code, Chapter 15](#) . CDC Says Vaccinated May Be as Likely to Spread COVID as Unvaxxed, as Reports of Serious Injuries After Vaccines Surge

VAERS data released today by the CDC showed a total of 518,770 reports of adverse events from all age groups following COVID vaccines, including **11,940 deaths** and **63,102 serious** injuries between Dec. 14, 2020 and July 23, 2021.

[This data was through last Friday, July 23, 2021, the reporting figures are a week behind, and so this was before the CDC took down their VAERS reporting site from review.] Other health sites that are reporting deaths through Thursday put the deaths attributed to the Vaxxes at well over 12,000 since they post a daily count.

Data released today by the Centers for Disease Control and Prevention (CDC) showed total reports of serious injuries following COVID vaccination, across all age groups, spiked by 14,717 — to 63,000 — compared with the previous week.

The data comes directly from reports submitted to the [Vaccine Adverse Event Reporting System](#) (VAERS), the primary government-funded system for reporting adverse vaccine reactions in the U.S.

Every Friday, [VAERS](#) makes public all vaccine injury reports received as of a specified date, usually about a week prior to the release date. Reports submitted to VAERS require further investigation before a causal relationship can be confirmed.

Data released today show that between Dec. 14, 2020 and July 23, 2021, a total of 518,770 total adverse events were reported to VAERS, including **11,940 deaths** — an increase of 535 over the previous week. There were **63,102 serious injuries** reported during the same time period — up 14,717 compared with the previous week.

Excluding “foreign reports” filed in VAERS, 435,007 adverse events, including 5,612 deaths and 34,890 serious injuries, were reported in the U.S.

In the U.S., 340.4 million COVID vaccine doses had been administered as of July 23. This includes: 137 million doses of [Moderna’s](#) vaccine, 189 million doses of [Pfizer](#) and 13 million doses of the [Johnson & Johnson](#) (J&J) COVID vaccine.

Of the 5,612 U.S. deaths reported as of July 23, [14% occurred](#) within 24 hours of vaccination, [20% occurred](#) within 48 hours of vaccination and [34% occurred](#) in people who experienced an onset of symptoms within 48 hours of being vaccinated.

[Tell Schools/Universities No Vaccine Mandates for Children/Young Adults!](#)

This week's U.S. data for 12- to 17-year-olds show:

[15,086](#) total adverse events, including [909 rated as serious](#) and [16 reported deaths](#) — [one less](#) than what VAERS showed last week. Two of the nine deaths were suicides.

The most recent reported deaths include a 13-year-old boy (VAERS I.D. [1463061](#)) who died after receiving a Moderna vaccine, a 16-year-old boy (VAERS I.D. [1466009](#)) who died after receiving his second dose of Pfizer and a 16-year-old boy (VAERS I.D. [1475434](#)) who died with an enlarged heart six days after receiving his first Pfizer dose.

Other reports include two [13-year-old boys](#) (VAERS I.D. [1406840](#) and [1431289](#)) who died two days after receiving a Pfizer vaccine, three 15-year-olds (VAERS I.D. [1187918](#), [1382906](#) and [1242573](#)), three 16-year-olds (VAERS I.D. [1420630](#), [1225942](#) and [1386841](#)) and three 17-year-olds (VAERS I.D. [1199455](#), [1388042](#) and [1420762](#)).

[2,223 reports](#) of anaphylaxis among 12- to 17-year-olds with 99% of cases attributed to [Pfizer's vaccine](#).

[394 reports](#) of myocarditis and pericarditis (heart inflammation) with [390 cases](#) attributed to Pfizer's vaccine.

[72 reports](#) of blood clotting disorders, with all cases attributed to Pfizer.

This week's total U.S. VAERS data, from Dec. 14, 2020 to July 23, 2021, for all age groups combined, show:

21% of deaths were related to cardiac disorders.

54% of those who died were male, 43% were female and the remaining death reports did not include gender of the deceased.

The [average age](#) of death was **73.4**.

As of July 23, [2,572 pregnant women](#) reported adverse events related to COVID vaccines, including 885 reports of [miscarriage or premature birth](#).

Of the [2,483 cases of Bell's Palsy](#) reported, 50% were attributed to [Pfizer](#) vaccinations, 43% to [Moderna](#) and 6% to [J&J](#).

467 reports of [Guillain-Barré Syndrome](#), with 39% of cases [attributed to Pfizer](#), 36% to [Moderna](#) and 24% to [J&J](#).

[119,539 reports of anaphylaxis](#) with 44% of cases attributed to [Pfizer's vaccine](#), 48% to [Moderna](#) and 8% to [J&J](#).

[7,864 reports](#) of blood clotting disorders. Of those, [3,336 reports](#) were attributed to Pfizer, [2,846 reports](#) to Moderna and [1,637 reports](#) to J&J.

[1,944 cases](#) of myocarditis and pericarditis with [1,819 cases](#) attributed to Pfizer, [639 cases](#) to Moderna and [68 cases](#) to J&J's COVID vaccine.

Internal CDC document reveals vaccinated, even if not sick, can spread virus
The CDC [now says](#) **even those people fully vaccinated for COVID are able to get, and spread, the virus.**

According to internal documents obtained by [The Washington Post](#), the CDC said it's time to "Acknowledge the war has changed."

The document outlined unpublished data showing fully vaccinated people might spread the [Delta variant](#) at the same rate as unvaccinated people, [CNN reported](#).

It [concludes](#) the delta variant is "highly contagious, likely to be more severe" and that "[breakthrough infections](#) may be as transmissible as unvaccinated cases."

The Washington Post reported:

"I think the central issue is that vaccinated people are probably involved to a substantial extent in the transmission of delta," Jeffrey Shaman, a Columbia University epidemiologist, wrote in an email after reviewing the CDC slides."

"In some sense, vaccination is now about personal protection — protecting oneself against severe disease. Herd immunity is not relevant as we are seeing plenty of evidence of repeat and breakthrough infections."

Since January, people who got infected after vaccination [make up an increasing portion](#) of hospitalizations and in-hospital deaths among COVID patients, according to the CDC documents. That trend coincides with the spread of the Delta variant.

The Post also [reported today](#) on a CDC study revealing three-fourths of people infected in a Massachusetts COVID outbreak were vaccinated. The report bolsters the hypothesis that vaccinated people can spread the more transmissible variant, and may be a factor in the summer surge of infections.

Below is the second report from a Pfizer whistleblower confirming the Ariyana Love report on Graphene Oxide. This is by an expert and recent employee/whistleblower of Pfizer.

Pfizer Whistleblower Confirms Poison in COVID 'Kill Shot'

July 29, 2021

This was a bombshell interview I listened to this morning. It is a half-hour long and can be heard at the link just below:

<https://www.bitchute.com/video/aLlcbtmt1VHm/>

Former Pfizer Employee Confirms Poison in COVID 'Kill Shot'

In an interview with Stew Peters, Karen Kingston, a former Pfizer employee and current analyst for the pharmaceutical and medical device industries, said this is a test run and constant booster shots will be needed to kill or control the subjects.

Main talking points:

- +all of the COVID-19 "vaccines" are bioweapons
- +there are 4 PEGylated lipid nano-particles in the COVID-19 vaccines (PEG = polyethylene glycol):

1. a cholesterol lipid enables the vaccine ingredients to be transported by the blood

2. the phospholipid adheres to the cell membrane to make it permeable

3. an ionizable lipid provides a positive ionic charge so the mRNA can enter the cell

4. a PEGylated lipid made by SINOPEG, a Chinese company

- +mRNA is very unstable, thus it needs a "biosphere" to protect it until it can enter the cell - this is provided by the lipid nano particles and graphene oxide which is 4,000 time stronger than titanium, can withstand 1,700 F temperatures, is an excellent conductor of electricity, and can host a magnetic field

- +graphene oxide is not listed in the patent applications because

- a), it is **poisonous** to humans and

- b), because it is the **main ingredient in hydrogel** which can be used to create a brain-computer interface and a drug delivery system, though Kingston notes that this is not possible "with this round [of vaccines]" because "they rushed this thing out" and "they're just seeing how much they can put into people before they... die"

- +the graphene oxide in the vaccines is neutrally charged (inactive), however if/when it becomes positively charged, such as by electromagnetic radiation (radio frequency, such as wireless devices, wireless networks such as **5G**, etc.), it will annihilate anything it comes into contact with and therefore can cause great damage and death depending on how much of it exists in the body and where it is

located.

+multiple COVID-19 "vaccines" and booster shots may increase the amount of graphene oxide in the body

+the COVID-19 vaccine study should have been stopped when, during a study with mice, 80% died within 24 hours and the remainder died within the next few days

Without going into all the technical aspects, this is further proof that the Vaxx is the **"Mark" of the Beast System**. Twenty-five years ago, I began telling folks that this one day would be the definitive proof for skeptics that the Bible was truly the Word of God. I am referring to **Revelation 13:17**, and its reference in seven passages of Revelation..

Two things have stood out from the very beginning about the inconsistencies of the CDC, NIAID, NIH, WHO regarding this alleged pandemic:

1. The recovery rate for those infected from Covid-19.
2. Why would you vaccinate those over 70 years of age, when the average age of those dying has been between 73 and 74.7 years of age.

I am in my mid-80s and in an article I saw this week they were vaccinating a 94-year old man. There is no rhyme or reason to what I consider as nothing less than **MASS MURDER!** The 94-year old man was in a wheel chair and wearing a Vietnam Vet hat. I have long suspect they went after the retired first to save on Social Security payments. Then they went after those of child-bearing age and working age to exterminate them before being eligible to collect their Social Security. Then they went after the young to sterilize them from ever having future children!

When the Old Age & Survivors Benefit program was signed into law, retirement age was set at 65, but the Roosevelt administration knew the life expectancy for a man was only 57 or 58 years of age. The Social Security Act was enacted in 1935 and they never anticipated life improvements would see people living into their 80s and 90s. What most people do not know is that most countries of the world have a Social Security program, which is administered by the Queen of England through the Crown, and that includes the U.S.!

How 5G Will Kill Most People!

Almost no one knows how **5G** Wireless Energy (Wi-Fi) can and will kill you. In my research over the past three years I began to focus on Brucellosis-Mycoplasma. I did a 5-part series on this pathogen which the U.S. Military weaponized going back to the late 1940s and kept it **Top Secret** until the 1990s, and even today there is a level of secrecy and obscurity hiding its use. It has to do with avoiding paying compensation for injuries in the Gulf Wars from Anthrax vaccinations. This is the biological weapon that will be responsible for the death of millions, if not a few billion in the next year or two.

I am going to provide a short overview in this but if you wish to learn more about Brucellosis-Mycoplasma, go to my article linked here: [Mycoplasma The Pathogen That Will Kill You without Your Knowledge!, Part 5](#) . It was posted on my web page 2/17/2021. It contains pretty much all you are likely to need to know about it. The first four parts are the sum of months of research. This is both silent and deadly, and fatal in nearly all situations at the right frequency. At the close of this piece I will share a recent event how thousands were infected at a Dutch festival and how it relates to my point.

In a brief summary, wireless energy is beamed directly (from a **5G** low orbit satellite above) into the sweat glands of a human body through **5G** wireless directed-energy, a process called "Electroporation". It activates the Brucellosis-Mycoplasma to attack the cells of a person. It attacks the weakest point in a person's body, i.e., heart, lungs, kidney, liver, reproductive organs, etc. until it kills the individual. This is part of a highly sophisticated technology designed as a weapon to kill without leaving "smoking gun" evidence at the scene of the crime. It is the "perfect" crime with no residual evidence left behind of how it takes place. You have no idea of the kinds of weapons our government possesses. The bioweapon of Brucellosis-Mycoplasma is so small most health facilities are not equipped to identify its existence.

Every living human being has some of the Brucellosis-Mycoplasma in their body. It got there through Chemtrail "Geo-Engineering" aerial spraying over the past 26 years. We breathed it in unaware of its invisible nano-particle particulates. We know with absolute certainty that the bacterium was dispensed across the sky of the U.S. since the late 1990s along with other toxic waste.

If you are young and healthy, it does not affect you yet, unless you are older, and / or have serious health issues. As noted in this series on “**Mass Murder**”, the average age has been **74-75** years of age from the alleged Coronavirus / Covid-19. This was a culling of the elderly first, and then to sterilize the young next.

Brucellosis-Mycoplasma is dormant in the human body for years, but it is sensitive to or it monitors four factors that can activate it to attack dying cells and then living cells of human life form:

1. Blood oxygen level
2. pH level
3. Immune system
4. Stress factors

You may have heard that many individuals fully vaccinated have contracted Covid-19 again, in fact, reports from various countries are reporting 50% and more are being diagnosed as contracting it a second time. Here is a report from Denmark where thousands at an outdoor festival were infected a second time:

[DUTCH NEWS](#) — Around 1,000 visitors to a festival in Utrecht held over the first weekend in July are now known to have picked up coronavirus there.

In total, 20,000 people attended the Verknippt outdoor festival and the infections were spread over both days, according to local health board figures. **The festival was a ‘test for entry’ event, meaning visitors were admitted if they could show a QR code which showed they had either been vaccinated, had a negative coronavirus test or had recently had the disease.**

It is the first time so many infections have been traced back to a single event and more cases are likely to be identified in the coming days, a health board spokesman said.

Utrecht's mayor Sharon Dijksma, who attended the event herself, had described the presence of so many people without masks and social distancing as 'special and a little tense' on social media.

This was an outdoor festival and an ideal setting where a large crowd could be attacked by **5G** Directed Energy Weaponry (DEW) from a satellite 60-miles above and causes the symptoms identified as Covid-19 which also mimic **5G** radiation sickness, noted above. Elon Musk's company launches a rocket that puts into orbit every two weeks as many as 80 **5G** satellite at a single launch.

As of May 16th, 2021, 1,617 Starlink satellites have already launched SpaceX for the Internet Starlink. SpaceX, founded by Elon Musk, once again launched the Falcon 9 launch-vehicle with 52 satellites for the global Internet project Starlink. In total, more than 1,600 such vehicles are now in orbit.

Over the next few decades, Elon Musk is hoping to send 42,000 [satellites](#) to space. He is hoping those satellites bring [high-speed internet](#) to every corner of the world - from the rainforest to Antarctica. Elon Musk plans to send 42,000 of these satellites to space, 15 times the number of operational satellites in orbit today. It's part of Starlink, the expansive constellation from Musk and SpaceX that hopes to bring the world low-latency high-speed internet, promising no more buffering and nearly instantaneous internet in every corner of the world.

With all of the different telecoms like AT&T, T-Mobile, Verizon, etc. there will be in the range of 100,000 **5G** satellites in orbit around the globe. This may seem to be all well and good, but do not lose sight of the fact that **5G** was a weapons system, first and foremost, regardless of what anyone tells you.

Those, such as Klaus Schwab, Prince Charles, Ted Turner and Bill Gates, who want to reduce the world's population to 500-million, down from 7.8-billion and they will be able to kill you one of two ways that I am already aware of:

- Activate a low-level **5G** attack at 30-GHz that will activate the Brucellosis-Mycoplasma that already exists in your body. Death will come from attacking your weak link in the body, i.e., heart, lungs, etc. over a period of months through a slow death to cancer or other issues.
- Activate a higher-level of 60-GHz wireless energy through the **5G** network which results in instant death. A controller from anywhere in the world can simply "modulate" or turn up a 5-second beam of Directed Energy that will consume 98% of the oxygen in your lungs. Your cell phone has a built-in GPS finder that will put a bull's eye on your back or head!

I have reasons to believe there are other measures as well but at this time I do not have enough information to share that would explain it all. I just finished reading the most exhaustive work on *'Chemtrails Exposed: The New Manhattan Project'*. At 640 pages, I can tell you that our own government plans to eliminate us and has been spending \$Trillions of taxpayer money to do it.

Covid-19 is simply a “cover story” hiding the larger agenda to enslave the world and to eliminate people with **5G Directed Energy Weapons**. It does not matter to me whether you believe this or not. We are all dead men walking unless the Lord Jesus Christ delivers us soon! I have seen this technology used to start the wild fires in California, Oregon and Washington. Many locals in these states have captured the laser beam signature with their cell phones as their communities were being hit with DEW! The military, DARPA, and the CIA are major players in the use of DEW technology. We have become like 1930s Germany!

The CDC and NIAID directors are placing the blame of reinfections of those already vaccinated on the unvaccinated public in an effort to force the 35% who have for their own reasons chose not take the unproven experimental “gene” therapy which never followed the protocols of testing. This a war of words by those who have ulterior motives for their call for vaccine mandates. Things are going to get worse with this kind of propaganda. **It is part and parcel of the New World Order plan to “Depopulate” the world.**

The CDC survival rate disproves their own lies! The chart on page 18 is from the CDC’s own statistics. This is all about “Mass Murder” by needle, and the plan to exterminate as much of the population through what I shared. This is a war by psychopathic and sociopathic demonic liars.

Editorial Observations

I have been doing this “Mass Murder” series for six months at this point, and we have defined patterns forming from the reporting data, from many different sources. In Bible prophecy, Prologue = Pattern = Prophecy. I discuss this concept elsewhere in articles I write pertaining to Bible prophecy. As to how this concept fits into the Covid-19 scamdemic, is showing many signs of it being problematic after 18 months of it being hatched in Wuhan, China. We can say with total certainty that this SARS2-CoV19 is **NOT NATURAL!** It was and is a **bioweapon**. This is not even debatable at this point.

Those taking the jabs are betting their life on evidence of a crime against humanity. Proof of this can be found in Dr. Len Horowitz’s scathing report on the Fauci e-mails, linking an international criminal scheme to depopulate on a global scale. **“EXPLOSIVE EXPOSURE of COVID NATIONAL SECURITY ‘CRIME’ SYNDICATE!”**. You will find it posted on my web page www.pastorbobreid.com for 7/8/21.

Dr. Len Horowitz is the author of *'Emerging Viruses: AIDS And Ebola, Nature, Accident, or Intentional'*. The “Indian paper” published, but retracted under pressure of Dr.

Anthony Fauci published in March or April of 2020, revealed the virus had 4 insertions of the HIV genome fragments, hence refutes the premise of the CDC, NIAID, NIH, and WHO claiming it was a rogue novel virus! We learned from the Dr. Fauci e-mails, it was Dr. Anthony Fauci who pressured the Indian scientists to remove their paper or lose future finding for research if they did not withdraw their lab findings.

Dr. David L. Martin was interviewed by German attorney. Reiner Fuellmich two weeks ago and Internet censors pulled the video shortly after it aired on Monday July 12, 2021. I did get to watch the interview twice before it was pulled from the Internet by Monday evening. I saved transcripts of the interview and it is highly revealing of a criminal RICO Act case unlike the world has ever experienced. Reiner Fuellmich is known for his exposing and defeating Volkswagen in a multi-billion dollar fine against the Volkswagen Corporation for rigging EPA tests involving Volkswagen diesel-equipped vehicles a few years ago.

We also know that it is a **“Depopulation” genocidal weapon**, as the Vaxxes attack the reproductive organs of both male and female, predominantly female. 82% of pregnant mothers who received the Vaxx spontaneously aborted or miscarried.

We also know the highest death rates are among the elderly. Every report from Robert F. Kennedy’s Children’s Health Defense report in *‘The Defender’* reports the average age of those who have died is currently at **74.3 years**. If you go back and read each of the weekly reports, the average age of all deaths is consistently in this age range. It has not deviated by much more as a single percentage point until this week when it dropped to **73.4 years**. As I expected, this began to change now that those under 18 are being Vaxxed. Many physicians and researchers are agreed that this is unnecessary.

My observations here will be updated as need be in the coming weeks. We can only speculate as to who and what the motives are behind this scamdemic, and hell-bent agenda of a **“needle in every arm”** statement by Klaus Schwab of the World Economic Forum made last year. At this point, there is a growing list of scientist, researchers, doctors, virologists coming forth and exposing the global tyranny with threats by Joe Biden and his handlers suggesting that companies and institutions impose mandate lockdowns, thus circumventing government limitations.

Everyone sees the Covid-19 story from different and even unique perspectives. I have studied it for what I knew it was right from the start, a Depopulation agenda the world was presented in the Georgia Guidestones located in Elberton, GA. The very first of the secular statements was there were too many people and the stated plan was to bring it down from 7.8 billion to a nice size of 500,000,000. The nagging question has always been how they plan to achieve their goal. Well, now we know!

EXCUSE ME SIR ...

**HAVE YOU ACCEPTED BIG PHARMA
AS YOUR LORD AND SAVIOR?**

If you have accepted Big Pharma's plan perhaps you might want to take a look see at Revelation 14:11 and 16:2. I'm just the messenger!

Blessings, Jesus is at the door!
