

# Mass Murder

## Part 26

**Just 1 in 1.7 Million Children Died with Covid-19 in 18 Months, Whilst 1 in 9 Suffered Serious Adverse Reaction to the Covid-19 Vaccine in the Clinical Trial HAF August 20, 2021**

The Pfizer Covid-19 injection has been given emergency use authorization to be used in children over the age of 12 in the UK by the MHRA, whilst the Joint Committee on Vaccination and Immunization (JCVI) have decided that vulnerable children over the age of 12 and all 16 and 17 year olds should be offered the Pfizer jab. Both authorities claim that their decision is based on the benefits outweighing any potential risks. **THIS WAS A MISLEADING REPORT FOR WHICH THE MEDIA DID NOT CLARIFY. DETAILS FURTHER DOWN IN THIS MASS MURDER REPORT.**

If this is the case, then the MHRA and JCVI need to explain how they came to this conclusion when just 1 in every 1.7 million children have died with Covid-19 in 18 months, whilst 1 in every 9 children suffered a serious adverse reaction to the Pfizer vaccine in the small and short clinical trial which left them unable to perform daily activities.

According to official NHS data published weekly, between March 2020 and the 11<sup>th</sup> of August 2021 a total of 3,743 people have died with Covid-19 in UK hospitals who had no underlying conditions, whilst 85,410 have allegedly died with Covid-19 who had other serious underlying conditions.

These conditions include ailments such as chronic kidney disease, chronic neurological disease, chronic pulmonary disease, heart disease, and dementia, chronic kidney disease, chronic neurological disease, chronic pulmonary disease, heart disease, and dementia.

However, the vast majority of these deaths have occurred in people over the age of 80, and people between the age of 60 and 79; the vast majority of which are closer to the age of 79.

The number given by the NHS of people who have died with Covid-19 since March 2020, between the ages of 0 and 19, who had underlying conditions is just 38.

Whilst the people who have died with Covid-19 since March 2020, between the ages of 0 and 19, who had no other known underlying conditions stands at just 9.

NHS of people who have died with Covid-19 there are approximately 15.6 million people aged 19 and under in the United Kingdom which means just 1 in every 410,526 children and teenagers have allegedly died with Covid-19 in 18 months, who had other serious pre-existing conditions.

Whilst just 1 in every 1.7 million children have allegedly with Covid-19 in 18 months, who had no know pre-existing conditions.

Every death is of course a tragedy, especially when it is somebody so young, but we need to put these numbers into context now that an experimental injection is going to be given to children in the United Kingdom in the name of protecting them from Covid-19.

During the clinical trial to test the efficacy and safety of the Pfizer Covid-19 vaccine in children aged 12 and over, 1,127 children were given one dose of the mRNA jab, but only 1,097 children received the second dose. This fact in itself raises questions as to why 30 children did not receive a second dose of the Pfizer jab.

Of the 1,127 children who received a first dose of the jab a shocking 86% experienced an adverse reaction. Of the 1,097 children who received a second dose of the jab a shocking 78.9% experienced an adverse reaction.

78.9% experienced an adverse reaction. Of course these adverse reactions include things such as a sore arm, so therefore it is vital to know the rate of serious adverse reactions that occurred during the limited clinical trial.

For children 12 to 15 years of age, the Pfizer COVID-19 vaccine clinical trial found the overall incidence of severe adverse events which left them unable to perform daily activities, during the two-month observation period to be 10.7%, or 1 in 9, in the vaccinated group and 1.9% in the unvaccinated group, resulting in a vaccine risk of 8.8% or 1 in 11 vaccinated children.

Consequently, children who received the vaccine had nearly six times the risk of a severe adverse event occurring in the two-month observation period compared to children who did not receive the vaccine.

In addition, the incidence of Covid-19 in the unvaccinated group was 1.6%, therefore, there were almost seven times more severe adverse events observed in the vaccinated group than there were Covid-19 cases in the unvaccinated group.

This information is all freely available to see in official Food and Drug Administration (FDA) documents and official Centre for Disease Control (CDC) documents.

Food and Drug Administration (FDA) documents and official center for disease control (CDC) documents.

As you can clearly see based on the number of children to have allegedly died with Covid-19 in 18 months, and the number of children to have suffered a serious adverse reaction in the clinical trial, the benefits of giving children the Covid-19 injection do not outweigh the risks.

But there may be some who naively believe children should be given the injection because it will help to prevent transmission of the Covid-19 virus, but that is not what these experimental injections do.

The Pfizer clinical trial was not designed to observe asymptomatic infection with SARS-CoV-2 or the effect of the vaccine on the spread (transmission) of COVID-19. Consequently, the FDA states that “it is possible that asymptomatic infections may not be prevented as effectively as symptomatic infections” and “data are limited to assess the effect of the vaccine against transmission of SARS-CoV-2 from individuals who are infected despite vaccination.”

This is also proven by the fact thousands of fully vaccinated individuals are allegedly testing positive for Covid-19, being hospitalized and dying. The latest Public Health England report shows that fully vaccinated individuals account for 65% of all alleged Covid-19 deaths since February 2021.

Fully vaccinated individuals account for 65% of all alleged covid 19 deaths since February 2021

Therefore due to the fact the Covid-19 vaccines do not prevent infection or transmission, 1 in every 9 children suffered a serious adverse reaction leaving them unable to perform daily activities during the clinical trial, and just 1 in every 1.7 million children having allegedly died with Covid-19 in 18 months, how on earth can the MHRA and JCVI justify giving the Covid-19 vaccine to children and claim that their decision is based on the potential benefits outweighing any risks?

### **In Italy the Vaxx is no longer legally approved for use**

In Italy, like in many nations the Covid-19 experimental serums were put into use under extraordinary authorization. That authorization has just expired, making the Vaxx passport a dead letter.

The authorization was allowed in an extraordinary manner because it was alleged there were no other cures, and no other cures were approved.

In the European Union, there exist two forms of extraordinary authorization: Conditional Approval to Commercially Distribute, and Emergency Authorization.

Emergency Authorization does not include permission for commercial distribution and requires each member State of the EU to take legal responsibility.

For that reason, the EU members opted for Conditional Approval.

Under conditional approval, [a vaccine must meet a unmet need](#), that is, it can only be requested for such approval if there is no other approved cures.

That Conditional Approval for Commercial use authorization has expired, in law, with the official recognition by AIFA, the Italian Pharmaceutical Approval Agency, of the use of other monoclonal anti-bodies as an effective cure for SarsCov19 infection.

Vaccines of any kind [cannot be commercially employed in Italy](#) without AIFA's authorization.

AIFA has approved only 2 mRNA vaccines: [Pfizer and Moderna](#).

And only 2 Viral Vector vaccines: [AstraZeneca and Johnson and Johnson](#).

The announcement appeared recently on their website, but it took effect on August 7, 2021.

The MSM and the Italian government will not tell you this, because the Pandemic is a rolling ongoing scam of apocalyptic proportions.

## **Romanians and Bulgarians Reject Covid Shots and Sell Off Surplus**

[August 22, 2021 Information Liberation](#)

Romania: Only 25% of the population is vaccinated, and Covid cases and deaths are plummeting. The Romanian government sold 700,000 of the Covid shots to Ireland and 1.1-million doses of Pfizer to Denmark. Bulgaria also has low vaccination rates and aims to sell off its excess jabs.

Romanians and Bulgarians have overwhelmingly rejected Big Pharma's experimental shots and now their governments are selling them off to Ireland and Denmark.

From [EU Observer, "Romania selling on its jabs, despite low vaccination rates"](#):

*Europe's least-vaccinated countries are in no short supply of Covid-19 jabs – and yet Romania and Bulgaria are both looking for opportunities to sell their excess vaccines which they are not able to administer to their own population.*

*This is happening at a time when the rest of Europe fears both higher vaccines prices and the surge of the more-contagious Delta variant of the virus.*

*To avoid unused stocks of vaccines from hitting expiration date, Romania recently secured a deal with Ireland.*

*The Irish prime minister posted on his Twitter account a message announcing an agreement with Romania for the purchase of 700,000 additional doses of Covid-19 vaccines.*

The vaccines are to be delivered to Ireland over the course of August and will be provided directly from Pfizer, in the form of a redistribution of doses originally ordered by Romania.

Ireland, looking to slow the spread of the Delta variant of coronavirus, currently has one of the highest rates of vaccination in Europe, with 73.8 percent of its adult population of 3.8 million receiving both doses.

### **ANALYSIS: FDA Vaccine Authorization Accelerated to Unleash Medical MARTIAL LAW as Cover for Collapse of the Biden Regime Monday, August 23, 2021 by: Mike Adams**

([Natural News](#)) The insane, fraudulent rushing of the Pfizer vaccine into “full approval” status by the FDA — just announced today — was ordered by the collapsing Biden regime. The purpose of this accelerated approval is to allow Biden’s puppet masters to roll out **medical martial law** as a means to control the population and suppress the massive uprising that will soon commence against the illegitimate Biden regime.

Reportedly, the next 10 days (or so) will see the public release of the Maricopa County forensic audit results. These results are going to comprehensively reveal that the 2020 election was rigged via ballot stuffing and ballot counterfeiting operations. Once these results are made public, a mass awakening across America will occur as people realize Biden didn’t win and our “democracy” has been infiltrated and taken over by enemy forces that currently occupy the White House.

The mass awakening to election fraud, combined with the increasing realization that the FDA, CDC and vaccine pushers *lied* to America the entire time (about vaccines halting infections or preventing transmission) will only fuel the protests that will accelerate through the months of September – November.

In order to crush these protests and roll out Australia-style medical martial law enforcement, the Biden regime needed the FDA to (fraudulently) approve at least one “vaccine.” Immediately, the Pentagon has now announced the mandatory vaccination of all US troops, which is a treasonous scheme to mass murder hundreds of thousands of active duty soldiers via bioweapons in order to weaken America’s national security and prepare the nation for its final demise (which has been the goal of Obama and the Obiden regime from the very start).

As the truth about rigged elections and vaccine genocide becomes unstoppable, look for the Biden regime to attempt an **internet kill switch / telecommunications outage strategy** to try to stop people from communicating. Meanwhile, under medical martial law, Biden is likely to order truly draconian enforcement actions such as criminalizing

public protests, setting up vaccine passport checkpoints on highways, and medically kidnapping “anti-vaxxers” to relocate them to the CDC’s “green zones” covid prison camps which have been [openly described in great detail by the CDC itself](#).

The goal is to hold on to power as long as possible, of course, while continuing to inject the masses (and the military) with deadly biological weapons that are engineered to achieve high kill rates over time. The so-called “booster shot” is simply another dose of [weaponized spike protein](#) that’s being administered to try to finish the job sooner rather than later.

Joe Biden himself, of course, will be removed at the time that’s most appropriate for his handlers, and before Harris is sworn in, there will technically be no “Commander in Chief” in control of the military. With a near state of civil war inside the military already surfacing due to the bioweapon vaccine mandate that was just activated today, there remains a plausible possibility that elements of the U.S. military could revolt against the treasonous Pentagon leaders who helped orchestrate the catastrophic collapse of Kabul and the fall of Afghanistan which has left 10,000+ American contractors trapped behind enemy lines.

According to my sources, the military is practically in a state of revolt right this very minute, and many mid-level commanders are coming to realize that if they continue to follow orders from traitors like Austin, Milley or Biden, *they’re all finished* and the national defense capabilities of the United States of America will rapidly collapse. It is increasingly understood that the traitors in the Pentagon and the White House who coordinated the collapse of Afghanistan are also **coordinating the collapse of America**. And if they are not stopped, there will be no nation left to defend.

Suddenly, the phrase, “against all enemies foreign and domestic” takes on a whole new meaning.

### **The collapsing Biden regime will weaponize everything to starve the people and destroy their financial resources**

One additional factor in all this is the willingness of the criminal, illegitimate Biden regime to weaponize food scarcity, financial collapse, vaccine checkpoints and even engineered regional grid down scenarios in order to crush dissent and weaken the masses. With Australia’s NSW serving as the experimental template for turning a nation into a covid prison colony, Biden’s puppet-masters are prepared to unleash mass medical kidnappings, covid camp executions, engineered starvation, grid down emergencies and even coordinated bank closures or financial events in order to deny the people whatever resources they might need to sustain nationwide protests.

**The Biden regime is at war with the American people.** And in this state of war, they will engineer scarcity and collapse in every vector imaginable, including potentially shutting down cell towers and internet access, especially in “problematic” areas such as red states.

Some people believe there still remain enough “white hats” in the US military to arrest the traitors, hold new elections and potentially reinstate Trump after a new election is held, but this view should be taken with a grain of salt, as the far more likely outcome is collapse and chaos rather than organized restoration. In either case, it’s clear that **Trump wants no part of taking office again until after the financial collapse takes place**. In fact, even Kamala doesn’t want to be sitting in the Oval Office when that occurs, so there’s a concerted effort right now to **keep Biden in place as an empty shell for as long as possible**, almost as if *Weekend at Bernie’s* has become national policy at the White House, which seems altogether fitting for a nation that’s currently run by criminals, morons and senile fools.

Once the financial collapse is initiated, if Biden is still in the White House he can then be blamed for the collapse and removed via 25th Amendment, with his replacement promising to “rescue” America from the horrific mistakes of a mentally incompetent Joe Biden.

### **Prepare for the Winter of Chaos in America**

The next several months are going to witness the most chaotic time in the history of this nation (even considering the 1860s), with September 2021 – March 2022 characterized by:

- Shocking public “awakening” to the level of fraud, corruption and criminality in the swamp.
- Severe, engineered shortages of food, ammunition, medical resources, consumer goods, etc.
- The possibility of engineered telecommunications and power grid outages, at least regionally.
- Mass death and hospitalization among the vaccinated, with hospitals likely overrun by early 2022.
- Medical martial law enforcement of vaccines, vaccine passports, lockdowns, masks and speech compliance.
- Activation of FEMA or CDC covid death camps and the coordinated kidnapping and extermination of dissidents.
- Engineered financial crisis events such as bank holidays, the closing of ATMs or even a possible dollar collapse.
- Chaos inside the collapsing U.S. military.
- Continued acceleration of the collapse of the purchasing power of the U.S. dollar as the Biden regime, lawmakers and the Fed all conspire to move toward printing **a trillion dollars a week** to try to keep the system afloat.
- Chaos at the Oval Office as political predators line up to seize power as Biden is eventually removed from the White House.

Note that right this very minute, **the U.S. dollar has already lost at least 40% of its purchasing power in the last 12 months**. The things people buy with dollars are skyrocketing in price (food, fuel, housing, used vehicles, etc.), which is a result of the collapsing dollar, stemming from endless money printing by the Biden regime and the corrupt Fed. This is also a form of “final looting” of the nation before its demise. People

in the inner circles of power are looting dollars via government stimulus handouts, then using those dollars to buy crypto or gold, knowing that the dollar will soon be utterly worthless.

All this money printing means average Americans are being **driven into poverty** by the day, with food, housing, transportation and other basic needs rapidly becoming unaffordable, even for the former middle class. It won't take long before the middle class is wiped out, and tens of millions of Americans will discover they have nothing left to lose (since they've already lost everything).

This is all part of the **engineered chaos plan** that's designed to bring down America, and with the FDA's accelerated approval of the Pfizer vaccine today, this plan has just been activated.

***The fascist takeover of America is now almost complete Pfizer's Scott Gottlieb predicts businesses will 'fall in line' and mandate the jab in wake of FDA approval***

America took a giant step Monday toward extinguishing what's left of freedom and setting up a bifurcated society in which at least a third of its population gets treated as second-class citizens unfit for employment, buying or selling.

The U.S. government crossed another hurdle in its determination to use Covid as an excuse to snuff out equality and even the pretense of individual freedom when the U.S. Food and Drug Administration granted its full approval Monday to the Pfizer so-called “vaccine.” **Several health sites quickly spotted a huge lie in the FDA letter authorizing something that will not be available to the public for three more years. The FDA did a slick sleight of hand. They did give approval to a vaccine that will not be available until 2024. The fine-print detail of the FDA letter was highly misleading and they only authorized the continued use of the EUA or Emergency Use Application. There is no new vaccine until three more years in to the future. The media did not report the full details of the FDA letter. The FDA again lied to deceive the public into taking a flawed vaxx.**

And now one of Pfizer’s own board members is bragging that businesses will “fall in line” and mandate his company’s pharmaceutical injection.

Scott Gottlieb, a former FDA commissioner who now sits on the Pfizer board, appeared Monday, August 23, [on Squawk Box](#) to talk about the FDA approval for the Pfizer jab just minutes before the announcement was made.

Gottlieb predicted the businesses would “fall in line” now and start to broadly mandate the Pfizer shot.

*“But I don’t think there’s going to be a rush of people who have been waiting for this binary moment in time who now are going to go out to CVS and Walgreens because it’s been FDA approved.”*

*“With respect to businesses, I have talked to a lot of businesses that have said that they don’t feel comfortable mandating the vaccine until it gains full approval, that they feel they’ll be on stronger legal ground to mandate the vaccine,” Gottlieb said. “So I would expect a lot of businesses now to fall in line in terms of mandates.”*

This injection has already killed and seriously injured tens of thousands, according to the government’s own database, the Vaccine Adverse Event Reporting System or VAERS. Along with the shots from Moderna and Johnson & Johnson, the three vaccines have killed more people, more than 12,000 at last count, than all other vaccines combined since the government set up its VAERS reporting system in 1990. That’s an undeniable fact and quite an achievement for Pfizer and company.

And yet, wearing this grotesque safety record as a badge of honor, Pfizer gets its serum approved in record time by the FDA.

This should tell us all we need to know about the state of the FDA. It has become a wholly owned subsidiary of Big Pharma. No unbiased, science-based regulatory agency could possibly approve any drug with such an abysmal safety record, let alone approve it with such lightning speed.

The average new vaccine takes at least seven years to go through the testing and approval stages. The FDA approved a “gene therapy” experiment which violates all protocols of bringing a vaccine to market. This is a huge scam!

But the FDA, clearly under political pressure, threw caution to the wind and greatly expedited the process.

This shows how desperate these mad scientists are. They knew they were losing control of the narrative that these shots were “safe and effective.” More and more Americans are waking up to the fact that they are neither. The FDA had to act and act fast. Now the shots can be widely mandated.

The consequences will be catastrophic. Businesses, from the smallest to the biggest, will now feel free to mandate their employees get the Pfizer shot. This is a shot that

clearly does not work for its intended purpose. All you have to do is look at what's happening in Israel, which is one of the few countries offering transparent vaccine data.

More than 80 percent of Israel's adult population has received the Pfizer shots, and yet their hospitals have been packed for weeks with sick people suffering from Covid, 40 to 60 percent of them fully "vaccinated."

In what amounts to an admission that its vaccine doesn't work, Pfizer has already applied for FDA emergency use authorization for a third shot, which it calls a "booster." Only things doomed to fail need a "boost."

And yet, the evil arrogance of Pfizer never wanes. But the truth about Pfizer's corrupt dealings is starting to leak out. According to a report by *America's Frontline Doctors*, information security expert [Ehden Biber](#) said the [first document](#) to emerge detailing the agreements Pfizer has with various countries was discovered by Albanian newspaper [Gogo.al](#). Biber also was able to locate the digitally-signed [Brazilian contract](#), and at least two others, one with the European Commission, and the other with the Dominican Republic, according to the report.

*"If you were wondering why Ivermectin was suppressed, it is because the agreement that countries had with Pfizer does not allow them to escape their contract, which states that even if a drug will be found to treat COVID-19, the contract cannot be voided,"* said Biber.

**This isn't about public health and it never was. This is about identifying, marking and segregating the population into two groups, those obedient to the state and those who they knew would resist.**

The resisters are marked for political persecution. The obedient are marked for a life of digital slavery to the state and its partners in Big Pharma and Big Tech.

Divide, demonize, dehumanize, destroy. This is the goal of the global revolution now in progress. We are witnessing the globalist elites' final power play, designed to depopulate the world and re-educate those who are left to live their lives in total submission to their new masters. They will be tracked and monitored 24/7 in real time via a digital app, which will start out on their smartphones and end up on their physical person. They will submit to continuous shots.

Joe Biden also on Monday used the FDA approval to call on more companies to step up the process of requiring their employees to get the shot.

This is the very definition of fascism — big government working hand in glove with big business to oppress the people.

**War has been declared on humanity!**

The government's action in granting an expedited approval to a highly questionable "vaccine" based on all-new mRNA technology amounts to an open declaration of war on the individual consciences of all free people.

America being seen as the most powerful nation on Earth, you can bet Monday's action by the FDA will cause many other nations of the world to go ahead and replicate this reckless action, approving the Covid shots in their countries as well.

Lord have mercy on us. The genocide will now begin in earnest. Every politician, businessperson and bureaucrat who had a hand in this will answer to the one true God for their reckless, murderous actions that led up to today.

So yes, today is a day to mourn yet another loss. But with God on our side we will overcome and the evil ones who helped bring us to this dark hour in history, where people won't be able to work a job or buy or sell, will be exposed.

Australia is the model for every Western nation. Get the shot or become a non-person, unworthy of participation in society. If the global elites are successful, healthy unvaxxed people will end up being relegated to their own homes, shut out of restaurants, grocery stores, their jobs, their lives. They eventually may be herded into camps, according to the CDC's own published plans for ["shielding" against Covid](#).

For those who still can't wrap their heads around where this is heading, read the articles below and get up to date. The hour is late. We must join together and peacefully resist in unified civil disobedience, now.

## **Pfizer Does Not Mandate COVID Jab For Its Employees, Internal Documents Revealed**

by: [Sara Middleton, staff writer](#) | August 23, 2021

([NaturalHealth365](#)) Mainstream media may be reluctant to show just how much opposition there is to the worldwide push for injection mandates, but massive protests are happening in places like France, Australia, and California. Do not believe the propaganda: **mandate-opposition is NOT coming from just one side of the political aisle.**

But unlike millions of healthcare workers, students, and other hard-working Americans who risk being dismissed for not getting the jab, [employees of Pfizer](#) – one of two makers of the new mRNA COVID shot – remain free to choose whether to put this medical product in their bodies.

**Is your local government or employer trying to mandate the COVID jab? You won't believe who isn't – the makers of the jab themselves**

Believe it or not, recently leaked documents from Pfizer reveal that at least 20 percent of its employees have chosen not to receive the jab.

Far from facing termination, these employees can choose to remain uninjected, decline to declare their injection status, OR seek a medical or religious accommodation. Pfizer will require these individuals to participate in regular COVID-19 [PCR testing](#), but the glaring hypocrisy remains:

**People who work for the very company making and profiting off this novel drug are not required to take it** under threat of termination, whereas millions of other Americans are.

And it's not just Pfizer. It's also been alleged that Johnson and Johnson and Moderna either do not mandate these experimental drugs, or require routine PCR testing as an alternative.

**Do NOT ignore the health dangers linked to toxic indoor air.** These chemicals - the 'off-gassing' of paints, mattresses, carpets and other home/office building materials - increase your risk of nasal congestion, fatigue, poor sleep, skin issues plus many other health issues.

**Be prepared: FDA approval for the COVID jab is here**

Up to this point, one of the biggest points championed by medical freedom advocates has been that the COVID shots are 'experimental, unlicensed, and unapproved' by the U.S. Food and Drug Administration (FDA), and therefore unable to be mandated. However, this particular argument will likely become a moot point within a very short period of time from publishing this article.

The FDA is expected to give full approval to the Pfizer jab – despite the fact that the research trials for the Pfizer shot are not expected to end until May 2023, according to ClinicalTrials.gov.

In addition, the U.S. Centers for Disease Control and Prevention (CDC) recently announced that a [third dose of the COVID shot](#) is now recommended for all eligible individuals, beginning 8 months after a person's second dose.

**Ask yourself:** Will the third booster shot be required to function freely in society? Will "fully vaccinated" people with two doses no longer be allowed to get into restaurants and gyms in places like California and New York if they choose to decline the third jab? In addition, when and if additional (or even annual) booster shots are "recommended" by Big Pharma, will governments and private institutions demand that people keep rolling up their sleeves?

Moderna recently announced they are developing new vaccines for the flu as well as the common cold. Does this mean that someday we will not be allowed to go into public spaces if we don't get our annual flu shot and rhinovirus shot, too?

Have we reached a point in history when *adult* vaccine schedules will be required in addition to childhood vaccine schedules? Must we all become patrons of Big Pharma in order to remain free citizens?

**Do people not see the dangerous precedent that has been set?**

If the idea of having to take medical products in order to move freely within your community and provide for your family worries you, we encourage you to keep taking action. Call your local representatives. Check your state's exemption laws and, if able to, prepare your exemption letters.

If you anticipate facing job loss, get your affairs in order and gather the necessary resources to support yourself and your family during these times.

**FDA 'playing bait and switch' with Americans, tricking them into believing shots currently being offered have been granted full approval when they have not**

The U.S. Food and Drug Administration's announcement Monday that it had granted "full approval" to the Covid shots being offered by Pfizer is riddled with deceptions meant to trick the American public into thinking they have no choice but to take the jab while at the same time protecting a major pharmaceutical company from legal liability.

What was actually given full approval was a separate Pfizer-BioNtech vaccine product which goes by the name *Comirnaty*.

But *Comirnaty* is not even currently available in the U.S.

This is part of a cynical plot to protect Pfizer from broad legal liability and also to snooker U.S. employers into mandating the vaccine for their employees.

Watch Dr. Robert Malone, inventor of the mRNA technology on which the Covid vaccines are based, explain the chicanery the FDA is using to fool the American people. The FDA on Monday [approved](#) a [biologics license application](#) for the Pfizer Comirnaty vaccine. The Biden White House, with cover from its corporate media shells, immediately [reported](#) that [vaccine mandates](#) are now legal for military, healthcare workers, college students and employees of just about any business.

But as [Children's Health Defense reports](#), “there are several bizarre aspects to the FDA approval that will prove confusing to those not familiar with the pervasiveness of the FDA’s regulatory capture, or the depths of the agency’s cynicism.”

The FDA acknowledges that while [Pfizer](#) has insufficient supplies of the newly licensed Comirnaty vaccine actually available, there is “a significant amount” of the Pfizer-BioNTech COVID vaccine — which has been produced under [Emergency Use Authorization](#) (EUA) and will continue to be offered under the same EUA status, CHD reports.

The FDA [in its convoluted letter of approval](#) for the Pfizer vaccine under the EUA should remain unlicensed but can be used “interchangeably” ([page 2, footnote 8](#)) with the newly licensed Comirnaty product [which is currently unavailable].

According to the FDA, the newly licensed Pfizer Comirnaty vaccine and the existing vaccine, while “legally distinct,” are not any different in terms of their “impact safety or effectiveness.”

The below analysis by [Children's Health Defense](#) explains the trickery in which the FDA has engaged — all for the legal benefit of the Big Pharma giant Pfizer and the detriment of American citizens.

*There is a huge real-world difference between products under an EUA compared with those that FDA has fully licensed. EUA products are [experimental](#) under U.S law.*

*Both the [Nuremberg Code](#) and Federal Regulations provide that no one can force a human being to participate in this experiment. Under [21 U.S. Code Sec.360bbb-3\(e\)\(1\)\(A\)\(ii\)\(III\)](#), “authorization for medical products for use in emergencies,” it is unlawful to deny someone a job or an education because they refuse to be an experimental subject. Instead, potential recipients have an absolute right to refuse EUA vaccines.*

*U.S. laws, however, permit employers and schools to require students and workers to take licensed vaccines.*

*EUA-licensed vaccines have an extraordinary liability shield under the [2005 Public Readiness and Preparedness Act](#). Vaccine manufacturers, distributors, providers and government planners are immune from liability. The only way an injured party can sue is if he or she can prove willful misconduct, and if the U.S. government has also brought an enforcement action against the party for willful misconduct. No such lawsuit has ever succeeded.*

*The government has created an extremely stingy compensation program, the [Countermeasures Injury Compensation Program](#), to redress injuries from all EUA products.*

The program's parsimonious administrators have compensated under 4% of petitioners to date — and not a single COVID vaccine injury — despite the fact that physicians, families and injured vaccine recipients have reported more than 600,000 COVID vaccine injuries.

At least for the moment, the Pfizer Comirnaty vaccine has no liability shield. Vials of the branded product, which say "Comirnaty" on the label, are subject to the same product liability laws as other U.S. products.

When the Centers for Disease Control and Prevention's (CDC) Advisory Committee for Immunization Practices places a vaccine on the mandatory schedule, a childhood vaccine benefits from an generous retinue of liability protections.

But licensed adult vaccines, including the new Comirnaty, do not enjoy any liability shield. Just as with Ford's exploding Pinto, or Monsanto's herbicide Roundup, people injured by the Comirnaty vaccine could potentially sue for damages.

And because adults injured by the vaccine will be able to show that the manufacturer knew of the problems with the product, jury awards could be astronomical.

Pfizer is therefore unlikely to allow any American to take a Comirnaty vaccine until it can somehow arrange immunity for this product.

Given this background, the FDA's acknowledgement in its approval letter that there are insufficient stocks of the licensed Comirnaty, but an abundant supply of the EUA Pfizer BioNTech jab, exposes the "approval" as a cynical scheme to encourage businesses and schools to impose illegal job mandates.

The FDA's clear motivation is to enable Pfizer to quickly unload inventories of a vaccine that science and the Vaccine Adverse Events Reporting System have exposed as unreasonably dangerous, and that the Delta variant has rendered obsolete.

Americans, told that the Pfizer COVID vaccine is now licensed, will understandably assume that COVID vaccine mandates are lawful. But only EUA-authorized vaccines, for which no one has any real liability, will be available during the next few weeks when many school mandate deadlines occur.

The FDA appears to be purposefully tricking American citizens into giving up their right to refuse an experimental product.

While the media has trumpeted that the FDA has approved COVID vaccines, the FDA has not approved the Pfizer BioNTech vaccines, nor any COVID vaccines for the 12- to 15-year age group, nor any booster doses for anyone.

And FDA has not licensed any [Moderna](#) vaccine, nor any vaccine from [Johnson & Johnson](#) — so the vast majority of vaccines available in the U.S., if not all, remain unlicensed EUA products.

Here's what you need to know when somebody orders you to get the vaccine:; Ask to see the vial. If it says "Comirnaty," it's a licensed product. If it says "Pfizer-BioNTech," it's an experimental product, and under [21 U.S. Code 360bbb](#), you have the right to refuse.

If it comes from Moderna or Johnson & Johnson (marketed as Janssen), you have the right to refuse.

The FDA is playing bait and switch with the American public — but we don't have to play along. If it doesn't say Comirnaty, you have not been offered an approved vaccine.

## **Pfizer Covid-19 Vaccine Destroys T Cells and Weakens the Immune System**

By [captaindaretofly](#) on [August 23, 2021](#)

**The study, conducted by the Francis Crick Institute, found that the Pfizer vaccines weaken the immune system.**

A study conducted by the Francis Crick Institute in the United Kingdom has discovered that the Pfizer-BioNTech Covid-19 vaccine destroys T cells and weakens the immune system. Despite this, pharmaceutical companies are seeking to inject the population with a third dose or booster jab to 'prevent' this from happening.

T cells are immune cells that are able to [target specific foreign particles](#) – they are most commonly studied in relation to their ability to fight cancer and infectious diseases, but they are also essential for other aspects of the body’s immune response.

There are [two types of T cells](#): killer T cells and helper T cells. Killer T cells attack cells that have already been infected by foreign particles, whilst helper T cells assist other cells to develop killer cells and stimulate other cells to create neutralizing antibodies.

[The study from the Francis Crick Institute](#) focused on the neutralizing antibodies which are created by T cells. It analyzed whether the Pfizer vaccine helps the T cells create enough antibodies to fight off Covid-19 and associated variants of the virus.

[The study](#) – conducted by the Francis Crick Institute in collaboration with the British National Institute for Health Research – showed that the Pfizer Covid-19 vaccine produced fewer neutralizing antibodies against Covid-19 and other variants.

Scientists analyzed antibodies in the blood of 250 healthy people who received either a single or both doses of the Pfizer Covid-19 vaccine up to three months after their first dose.

The researchers used a test developed by the Francis Crick Institute to figure out the ability of the neutralizing antibodies to prevent the entry of the Covid-19 variants.

The study revealed that only 50 percent of the people who received a single dose of the Pfizer vaccine had a quantifiable neutralizing antibody response against the alpha variant of Covid-19. Additionally, this number decreased to just 32 percent and 25 percent for the delta and beta variants, respectively.

Among all variants, fewer antibodies were generated the older the individual receiving the vaccine and those with weaker immune systems. Considering the vaccine’s ability to destroy T cells and weaken the immune system even further, getting vaccinated could cause damage to many people, especially those who have compromised immune systems.

There was no correlation observed for gender or body mass index. Researchers are looking to conduct further studies to check the capabilities of other vaccines, beginning with the Oxford-AstraZeneca vaccine.

David Bauer, head of the Bauer Lab in the Francis Crick Institute, said: *“So, the key message from our finding is we found that recipients of the Pfizer vaccine, those who have had two doses, have about five- to six-fold lower amounts of neutralizing antibodies.”*

*“Now, these are the, sort of, gold standard, private security antibodies of your immune system which block the virus from getting into your cells in the first place. So, we’ve found that that is less for people with two doses. We also found that for people with only*

*one dose of the Pfizer jab that they are less likely to have high levels of these antibodies in their blood.”*

Bauer suggested that people should get booster doses of the Covid-19 vaccines instead of avoiding the jabs altogether. Additionally, he said that older people should be prioritized in the distribution of the booster vaccines.

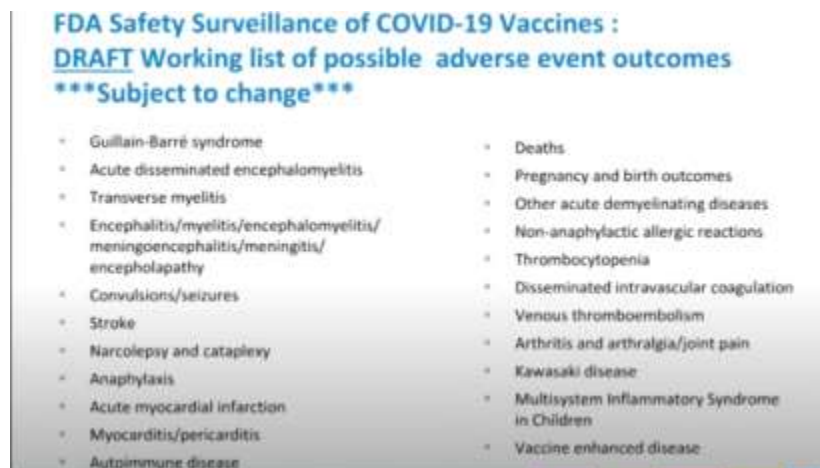

Bauer said: *“And perhaps most importantly for all of us going forward is that we see that the older you are, the lower your levels are likely to be. And the time since you’ve had your second jab, as that time goes on, the lower your levels are also likely to be,”* he said. *“So, that’s telling us that we are probably going to be needing to prioritize boosters for older and more vulnerable people”.*

**Medicine Regulators knew in October 2020 that the Covid-19 Vaccines would cause blood clots, heart damage, harm to children, and death**  
**By [Daily Expose](#) on [August 22, 2021](#)**

Every serious adverse reaction to the Covid-19 vaccines that medicine regulators in both the USA and United Kingdom have been forced to admit is occurring was predicted by the very same medicine regulators to occur before the Covid-19 vaccines were even rolled out.

A video was released by the US Food and Drug Administration in October 2020 and the person presenting the slides within the video skips past a slide entitled 'Draft working list of possible adverse event outcomes' as fast as he possibly can.

You'll have noticed the slide read as follows –  
“FDA Safety Surveillance of COVID-19 Vaccines: DRAFT Working list of possible adverse event outcomes \*\*\*Subject to change\*\*\*

- Guillain-Barré syndrome
- Acute disseminated encephalomyelitis
- Transverse myelitis
- Encephalitis  
/myelitis/encephalomyelitis/meningoencephalitis/meningitis/encephalopathy
- Convulsions/seizures
- Stroke
- Narcolepsy and cataplexy
- Anaphylaxis
- Acute myocardial infarction
- Myocarditis/pericarditis
- Autoimmune disease
- Deaths
- Pregnancy and birth outcomes
- Other acute demyelinating diseases
- Non-anaphylactic allergic reactions
- Thrombocytopenia
- Disseminated intravascular coagulation
- Venous thromboembolism
- Arthritis and arthralgia/joint pain
- Kawasaki disease
- Multisymptom Inflammatory Syndrome in Children
- Vaccine enhanced disease”

All of the clotting and coagulation. All of the heart damage. All of the female reproductive issues. All of the people suffering heart attacks and strokes and people

sadly dying. All of it was predicted by the medicine regulators before the jobs were even rolled out.

Even the multi-symptom inflammatory syndrome in children was predicted and it is a brand new disease where children have symptoms resembling [toxic shock syndrome](#) or [Kawasaki disease](#), in which the coronary arteries enlarge or form aneurysms. Also common are heart inflammation with impaired heart function and low blood pressure, rash or red eyes, and gastrointestinal symptoms.

Which is why we can be certain that vaccine enhanced disease also known as antibody-dependent enhancement is occurring and will occur, because the health regulators have predicted it will do so. This is precisely why Public Health England data shows that the double vaccinated have at least a 338% higher chance of death if infected with Covid-19.

The [latest PHE report](#) shows that up to the 15th August 2021 the fully vaccinated population had suffered a total of 679 deaths. This equates to 0.9% of all confirmed infections among the fully vaccinated population. Whereas the unvaccinated population had suffered just 390 deaths equating to just 0.2% of all confirmed infections.

Table 5. Attendance to emergency care and deaths of sequenced and genotyped Delta cases in England by vaccination status (1 February 2021 to 15 August 2021)

Variant	Age group (years)**	Total	Cases with specimen date in past 28 days	Unlinked	<21 days post dose 1	≥21 days post dose 1	≥14 days post dose 2	Unvaccinated
Deaths within 28 days of positive specimen date	All cases	1,189	N/A	16	14	90	679	390

The medicine regulators knew precisely what would happen to people once the Covid-19 injections were rolled out yet they allowed it to happen anyway. We wonder if [Bill Gates being the primary funder of the UK's Medicine Regulator](#) the MHRA has anything to do with it? He only has major shares in both Pfizer and BioNTech so perhaps not?

All of this is further confirmation that this is not about a novel virus with a 99% recovery, it is all about “Depopulation”, a deliberate “Mass Murder” of humanity, first with the aged, and deliberate “Sterilization” of the segment of society of child-bearing potential. This is Bill Gates “Planned Parenthood” on steroids.

**The Vaxxes are the Biblical Mark of the Beast of Revelation 13:17; 14:11; 15:2; 16:2; 19:20; and 20:4! [Pay close attention]**

This will likely surprise many who have been hoping it was not so, but we have ample evidence to the effect that the Vaxxes; all four, AstraZeneca, Moderna, Pfizer, and J&J contain Graphene Oxide, a poison that will be part of the QuantumDot:

**Hydrogel ID2020.** I saw it coming twenty-two years ago when the “Digital Angel” was unveiled on the NBC “Today” morning news. The company that produced the “Digital Angel” went bankrupt from financial problems and then IBM bought the company and its patents and research work. **Since 2002, IBM and Bill Gates of Microsoft teamed up to produce what is known today as the “QuantumDot:Hydrogel ID2020”.** **This is the Biblical “MARK” of the Beast System.** I first wrote about this 18-months ago.

The public was self-deceived, into thinking the tiny RFID “microchip” could never be miniaturized even smaller, even to the point of being invisible to the eye. On the left below is a microchip from 2001, and on the right is a “microdot” from around 2008. The bottom is from around 2010.

The bottom “microdots” have been so further reduced in size that they can only be seen under a microscope. In testimony before a government commission in Barbados, I listened a scientist stated that a present day Vaxx payload can contain 15-billion nano-

particles. Once injected into the body they are capable of attaching themselves to specific targeted locations throughout the human body.

You have no way of knowing what nano-particles are in your vaxx, or for what they might be programmed to do, intentionally, or accidentally, once inside your body. People who were tested early on with the long cotton swab inserted into the upper most region of the nasal cavity were found to be placing nano-aluminum RFID locator dots which transmitted one's GPS location.

It is at this point you need to understand how these nano-particles make the Vaxx the "Mark" of the Beast. The Vaxx contains "messenger DNA", and when it is injected into the human body, it modifies, changes your DNA, in essence adds a third-strand DNA. Once inside the body, there is no way to get it out of the body! Once inside the body, the "messenger DNA" spike Protein immediately begins to self-replicate itself and takes control over your God-given DNA and immune system. Anthony Patch, a Canadian researcher and publisher of *'Entangled'* magazine, has been researching the world of nano-technology and nano-particles. Through his research and writing he has been able to show how Covid-19 is a Retrovirus.

Persons contracting the Covid-19 virus, do undergo an alteration to the DNA of the infected cells, the so-called "host DNA". This is due to the insertion of retroviral HIV-1 fragments. Those who were vaxxed actually received this Retrovirus at the time they took any of the so-called vaxxes. When a person took the jab, they were given the Retrovirus.

Anthony Patch has shared in a series of You Tube videos, just how the human body is used by the "delivery system" to be changed from a human being made in the image of God into a cyborg creature, partially human and partially artificial intelligence controllable from external sources. Recall, it was Pfizer who used the term "delivery system" but all the vaxxes contain "graphene oxide", a spike protein (PEG), and other toxins needed to facilitate the synthetic biology inserted for the QuantumDot:Hydrogel ID2020. To view Anthony Patch videos search on your preferred search engine, search on the term "Anthony Patch You Tube" and you will find a series of videos. Look for the one entitled: **"The Mark of the Beast is here to steal your soul!"** Watch this one first before you try to view any of the other videos he has posted.

A great deal of confusion occurred early on by what seemed to be different experiments being conducted on the public at various places around the country, as if they were part of an experiment. There was considerable controversy with the PCR tester which was also defective 95% of the time and was also found to be intentional by the Chinese maker of the PCR. This was done to create the fear factor with the public that led to the public thinking they needed a "vaccine" to cure this virus. It was all rigged to create fear porn. I have been saying for months that **"the virus was created for the vaccine"**, meaning that the so-called Vaxxes were created years before this fake pandemic was executed. It has been known for some time that the so-called Covid virus was patented as early as 2003.

**If you do not learn anything that I have shared in this series, do not allow yourself to be vaxxed and do not submit to nasal swab tests or any future booster Vaxxes.**

Pfizer pharmaceutical is on record now and that people will need booster shots every six months. The booster shots are needed for several reasons: 1. **To trick the human immune system in accepting the package contained within the Vaxx**, and 2. **To upload more Graphene Oxide into the individual.**

**Pfizer just weeks ago posted earnings of \$5,000,000,000 for the latest quarter (\$5 billion) earnings report. WOW: Moderna Calls for 3<sup>rd</sup> Shot of Vaccine to Protect Against New Strains — On the same day the company posts \$4 Billion 2nd Quarter Profit on Vaccine. Interestingly, Big Pharma was going broke before the Scamdemic was hatched!** Are you beginning to see a familiar picture of the well-used expression “Follow the money trail?”

God built into the human body a wonderful immune system that attacks anything that is injected into the body through a needle. In previous articles, I have noted when they talk about so-called “booster” shots it will be to trick the natural immune system from expelling or rejecting the man-made vaxx toxins. The immune system goes into attack mode to destroy what has been injected into the body. Anyone that has had any sort of “transplant” surgery knows that rejection of the replacement organ is the biggest hurdle faced, and requires a “transplant” patient to take anti-rejection drugs most of their remaining days of life.

The evil pharmaceutical industry will profit on the greater plan of killing people by people and governments having to purchase their own poisoned vaccine for their own death by the hypodermic needle payload injected into a person’s shoulder. How diabolical this entire plan was created.

**The CDC and NIAID directors are placing the blame of reinfections of those already vaccinated on the unvaccinated public in an effort to force the 35% who have for their own reasons chose not take the unproven experimental “gene” therapy which never followed the protocols of testing. This-**IS** a war of words being waged by those who have ulterior motives for their call for vaccine mandates. Things are only going to get worse with this kind of propaganda. **It is part and parcel of the New World Order plan to “Depopulate” the world.****

**This is a war by psychopathic and sociopathic demonic liars. **We now are living in a world of mass psychosis.** Exiting from such a world is not possible due to the psychotic fear and lack of rational and logical thinking. It feeds upon itself and the madness assumes a life of its own. Since it is global in form, it becomes an “Extinction Level Event.” Only Jesus Christ can break this curse!**

The CDC survival rate refutes their own lies! The chart [below](#) is from the CDC's own statistics. This is all about **“Mass Murder”** by needle, and the plan to exterminate as much of the population through what I have shared.

### Editorial Observations

I have been doing this “Mass Murder” series for over six months at this point, and we have watched defined patterns forming, taking place from the reporting data, from many different sources. In Bible prophecy, **Prologue = Pattern = Prophecy**. I discuss this concept elsewhere in articles I write pertaining to Bible prophecy. As to how this concept fits into the Covid-19 scamdemic, it is showing many signs of it being problematic after 18 months of it being hatched in Wuhan, China. We can say with total certainty that this SARS2-CoV19 is **NOT NATURAL!**. If it is **NOT NATURAL**, then it can only mean that it is **MAN-MADE!** It was from the beginning and still is a **“bioweapon”**. This is not even debatable at this point. Yet the public has never been told this by any politician, or public health official. WHY NOT? Could it be because they have been bribed, bought and owned, or blackmailed?

Those taking the jobs are betting their life on evidence of a crime against humanity. Proof of this can be found in Dr. Len Horowitz's scathing report on the Fauci e-mails, linking an international criminal scheme to depopulate on a global scale. **“EXPLOSIVE EXPOSURE of COVID NATIONAL SECURITY ‘CRIME’ SYNDICATE!”**. You will find it posted on my web page [www.pastorbobreid.com](http://www.pastorbobreid.com) for 7/8/21.

Dr. Len Horowitz is the author of *‘Emerging Viruses: AIDS And Ebola, Nature, Accident, or Intentional’*. The scientific community has known about **The “Indian-research paper”** on Covid-19 published, but retracted under pressure by Dr. Anthony Fauci published in March or early April of 2020, revealed the virus had 4 insertions of the HIV genome (18 fragments) + 4 fragments of SARS2, hence refutes the premise of the CDC, NIAID, NIH, and WHO claiming it was a rogue novel virus! We learned from the Dr. Fauci e-mails, it was Dr. Anthony Fauci who pressured the Indian scientists to remove their paper or

lose future finding for research if they did not withdraw their lab findings. I have in my possession a publication that shows the actual DNA sequencing genome which I highlighted above in yellow for which the 2008 Nobel Peace Prize in Medicine, Dr. Luc Montagnier, has confirmed this virus was engineered with **“Gain-of-Function”** to make it more harmful than the common cold it was made from.

Dr. David L. Martin was interviewed by German attorney. Reiner Fuellmich three weeks ago and Internet censors pulled the video shortly after it aired on Monday July 12, 2021. Dr. Martin showed the evidence this was patented multiple times since 2003! I saved transcripts of the interview and it is highly revealing of a criminal RICO Act case unlike the world has ever experienced. Reiner Fuellmich is known for his exposing and defeating Volkswagen in a multi-billion dollar fine against the Volkswagen Corporation for rigging EPA tests involving Volkswagen diesel-equipped vehicles a few years ago.

We also know that it is a **“Depopulation” genocidal weapon**, as the Vaxxes attack the reproductive organs of both male and female, predominantly female. 82% of pregnant mothers who received the Vaxx spontaneously aborted or miscarried.

We also know the **highest death rates are among the elderly**. Every report from Robert F. Kennedy’s Children’s Health Defense report in *‘The Defender’* reports the average age of those who have died is currently at **74.3 years**. If you go back and read each of the weekly reports, the average age of all deaths is consistently in this age range. It has not deviated by much more as a single percentage point until this past week when it dropped to **73.2 years**.

My observations here will be updated as need be in the coming weeks. We can only speculate as to who and what the motives are behind this scamdemic, and hell-bent agenda of a **“needle in every arm”** statement by Klaus Schwab of the World Economic Forum made last year. At this point, there is a growing list of scientist, researchers, and doctors, virologists coming forth and exposing the global tyranny with threats by Joe Biden and his handlers suggesting that companies and institutions impose mandate lockdowns, thus circumventing government limitations.

Everyone sees the Covid-19 story from different and even unique perspectives. I have studied it for what I knew it was right from the beginning, a **“Depopulation”** agenda the world was presented in the Georgia Guidestones located in Elberton, GA. The very first of the secular statements was there were too many people and the stated plan was to bring it down from 7.8 billion to a “nice size” of 500,000,000. The nagging question has always been in how they planned to achieve their goal. Well, now we know!

(Natural News): When physicians receive their medical license, they must pronounce their intellectual devotion and allegiance to the vaccine industry and its myriad of false narratives. Any healthcare professional who dares question “the science” risks losing their medical license. Any doctor who speaks out-of-line against forceful vaccine propaganda could be stripped of their title; their career destroyed; their reputation smeared.

Covid-19 is a

**“BIOWEAPON”**

**Created to scare people into taking  
the kill shot!**

## **Bombshell: CDC Counts Those who Die within 14 Days of a Covid Jab as Unvaccinated!**

[August 27, 2021](#)

This is another example of the dishonesty of the CDC. Read carefully the report from G.E. Griffin, the author of “The Creature from Jekyll Island and the history of the Federal Reserve System Act of 1913.

Mainstream media is frightening people into taking Covid vaccines by promoting a study by the CDC that claims that Los Angeles County residents who are unvaccinated are 5 times more likely to get Covid and are 29 times more likely to be hospitalized than those who took the jabs. However, the definition of ‘unvaccinated’ is deceptive. The study defines unvaccinated as having received a first-dose vaccine up to 14 days prior. That means, if someone was hospitalized, admitted to ICU, required mechanical ventilation or died within two weeks of getting the jab, they are counted as ‘unvaccinated.’ This intentionally misleading data is now being used as justification for vaccine mandates and passports nationwide. It also fraudulently lowers the number of deaths and injuries linked to the Covid vaccines. –GEG

A new Centers for Disease Control and Prevention ([CDC](#) [study](#)) is being used by mainstream media to fearmonger Americans into taking Covid vaccines.

[Yahoo Finance](#) published an article with the headline, “Unvaccinated LA residents were 29 times more likely to be hospitalized with COVID-19: CDC study.”

Citing the Los Angeles County Morbidity and Mortality Weekly Report released on Tuesday, [even local news promoted the claim](#) that “Unvaccinated L.A. County residents [are] 5 times more likely to get COVID, 29 times more likely to be hospitalized.”

Looking at a screenshot of the CDC release, one can observe the definitions for what they consider “fully vaccinated,” “partially vaccinated,” or “unvaccinated.”

[According to the chart](#), “unvaccinated <14 days receipt of the first dose of a 2-dose series or 1 dose of the single-dose vaccine or if no vaccination registry data were available.”

This means if someone was hospitalized, admitted to ICU, required mechanical ventilation or died within two weeks of getting the jab they are being counted as “unvaccinated.”

### **COVID Vaccine Injury Reports Jump by 27,000 in One Week, FDA Pulls ‘Bait and Switch’ With Pfizer Vaccine Approval**

VAERS data released Friday by the CDC showed a total of **623,343 reports of adverse events** from all age groups following COVID vaccines, including **13,627 deaths** and **84,466 serious injuries** between Dec. 14, 2020 and Aug. 20, 2021.

Data released today by the Centers for Disease Control and Prevention (CDC) showed that between Dec. 14, 2020 and Aug. 20, 2021, a total of [623,343 total adverse events](#) were reported to VAERS, including **13,627 deaths** — an increase of **559** over the data released last week.

There were [84,466 reports of serious injuries](#), including deaths, during the same time period — up 3,416 compared with the previous week.

Excluding “[foreign reports](#)” filed in VAERS, [488,318 adverse events](#), including [6,128 deaths](#) and [38,765 serious injuries](#), were reported in the U.S. between Dec. 14, 2020 and Aug. 20, 2021. between Dec. 14, 2020 and Aug. 20, 2021.

Of the 6,128 U.S. deaths reported as of Aug. 20, [13% occurred](#) within 24 hours of vaccination, [18% occurred](#) within 48 hours of vaccination and [32% occurred](#) in people who experienced an onset of symptoms within 48 hours of being vaccinated.

In the U.S., 360.3 million COVID vaccine doses had been administered as of Aug. 20. This [includes](#): 203 million doses of [Pfizer](#), 143 million doses of [Moderna](#) and 14 million doses of the [Johnson & Johnson \(J&J\)](#).

↑ Because some cases have multiple reactions and symptoms, a single case can account for multiple entries in this table. This is the reason why the 'Total Count' is greater than 623,343 (the number of cases found), and the 'Total Percentage' is greater than 100.

The data come directly from reports submitted to the [Vaccine Adverse Event Reporting System \(VAERS\)](#), the primary government-funded system for reporting adverse vaccine reactions in the U.S.

Every Friday, [VAERS](#) makes public all vaccine injury reports received as of a specified date, usually about a week prior to the release date. Reports submitted

to VAERS require further investigation before a causal relationship can be confirmed.

This week's U.S. data for 12- to 17-year-olds show:

- [17,518](#) total adverse events, including [1,047 rated as serious](#) and [18 reported deaths](#). Two of the 18 deaths were suicides.

The most recent reported deaths include a 15-year-old boy (VAERS I.D. [1498080](#)) who previously had COVID, was diagnosed with cardiomyopathy in May 2021 and died four days after receiving his second dose of Pfizer's vaccine on June 18, when he collapsed on the soccer field and went into ventricular tachycardia; and a 13-year-old girl (VAERS I.D. [1505250](#)) who died after suffering a heart condition after receiving her first dose of Pfizer.

- Other deaths include two [13-year-old boys](#) (VAERS I.D. [1406840](#) and [1431289](#)) who died two days after receiving a Pfizer vaccine, a 13-year-old boy who died after receiving Moderna (VAERS I.D. [1463061](#)), three 15-year-olds (VAERS I.D. [1199455](#), [1388042](#) and [1420762](#)).
- [2,609 reports](#) of anaphylaxis among 12- to 17-year-olds with 99% of cases attributed to [Pfizer's vaccine](#).
- [444 reports](#) of myocarditis and pericarditis (heart inflammation) with [438 cases](#) attributed to Pfizer's vaccine.
- [89 reports](#) of blood clotting disorders, with all cases attributed to Pfizer.
- 

This week's total U.S. VAERS data, from Dec. 14, 2020 to Aug. 20, 2021, for all age groups combined, show:

- 21% of deaths were related to cardiac disorders.
- 54% of those who died were male, 43% were female and the remaining death reports did not include gender of the deceased.
- The [average age](#) of death was **73.1**.
- As of Aug 20., [3,190 pregnant women](#) reported adverse events related to COVID vaccines, including 982 reports of [miscarriage or premature birth](#).
- Of the [2,640 cases of Bell's Palsy](#) reported, 50% were attributed to [Pfizer](#) vaccinations, 43% to [Moderna](#) and 7% to [J&J](#).
- 530 reports of [Guillain-Barré Syndrome](#), with 39% of cases [attributed to Pfizer](#), 34% to [Moderna](#) and 26% to [J&J](#).
- [132,694 reports of anaphylaxis](#) with 43% of cases attributed to [Pfizer's vaccine](#), 49% to [Moderna](#) and 8% to [J&J](#).
- [8,528 reports](#) of blood clotting disorders. Of those, [3,633 reports](#) were attributed to Pfizer, [3,101 reports](#) to Moderna and [1,746 reports](#) to J&J.
- [2,162 cases](#) of myocarditis and pericarditis with [1,364 cases](#) attributed to Pfizer, [714 cases](#) to Moderna and [78 cases](#) to J&J's COVID vaccine.

**BBC radio host died of COVID vaccine complications, coroner confirms**  
An [award-winning BBC radio host](#) died as a result of complications from her first dose of [AstraZeneca's COVID vaccine](#), coroner Karen Dilks concluded.

Lisa Shaw, 44, received her first dose of AstraZeneca on April 29. On May 13, she was taken by ambulance to University Hospital of North Durham after having a headache for several days. She was transferred to the Royal Victoria Infirmary in Newcastle, where she received a number of treatments, which included cutting away part of her skull to relieve the pressure on her brain. She died May 21.

[According to the BBC](#), Tuomo Polvikoski, a pathologist, [told the coroner](#) Shaw was fit and healthy before receiving the vaccine. When asked about the underlying cause of the fatal clotting on her brain, Polvikoski said the clinical evidence *“strongly supports the idea that it was, indeed, vaccine-induced.”*

This is the first COVID vaccine approved by the FDA, and is expected to open the door to more [vaccine mandates](#) by employers and universities.

According to [The Washington Post](#), Pfizer's vaccine approval was the fastest in the agency's history, coming less than four months after Pfizer/BioNTech filed for licensing on May 7.

According to an [article](#) published Aug. 20 in the BMJ, transparency advocates criticized the FDA decision not to hold a formal advisory committee meeting to discuss Pfizer's application for full approval — an important mechanism used to scrutinize data.

Last year the FDA said it was [“committed to use an advisory committee](#) composed of independent experts to ensure deliberations about authorisation or licensure are transparent for the public.”

But in a statement to The BMJ, the FDA said it did not believe a meeting was necessary ahead of the expected full FDA approval.

If you have accepted Big Pharma's plan perhaps you might want to take a look see at Revelation 14:11 and 16:2. I'm just the messenger! God will not be mocked! You may only have **10** days to repent!

Wake up folks, there is no Covid-19 virus, it was a simple cold virus, which Dr. Fauci and his CCP friends in Wuhan, China interjected 18 fragments of the HIV genome and 4 fragments of the SARS2 genome and labeled it Covid-19. Dr. Luc Montagnier stated the viral content amounts to 80% of the HIV genome. He did not tell you that it was patented a decade ago by Bill Gates, Richard Rothschild, and the Pirbright Institute of Surrey, UK, a Rothschild Satanist institution! Note carefully the Apostle Paul's words in Galatians 5:19-24, ***"Now the deeds of the flesh (self) are evident, which are: immorality, impurity, sensuality, idolatry, sorcery, enmities, strife, jealousy, outbursts of anger, disputes, dissensions, factions, envying, drunkenness,***

*carousing, and things like these, of which I forewarn you, just as I have forewarned you, that those who practice such things will NOT inherit the Kingdom of God.*” I know where Jesuit Fauci is destined, but my question to you is this, “*Why would you or any parent permit their young to be sacrificed on the altar of Satan for a poison needle that has taken the lives of hundreds of thousands in the name of immunity when you know it does not offer immunity.*” Perhaps this is God’s way of testing humanity (especially the church) with having to make the choice between God and Lucifer, life eternal or damnation in Hell!

### **Fauci Calls For Vaccine Mandates: “The Time Has Come. Enough Is Enough”**

[August 25, 2021](#) This excuse for a doctor tells us why this country is finished! He should have been arrested and jailed for his faux crimes with HIV:AIDS in the 1980s.

**After the FDA fully [Not really] approved the Pfizer covid vaccine on Monday, Dr Fauci immediately started calling for nationwide vaccine mandates.**

The president’s chief medical advisor said the new aim is to get the pandemic under control by spring, but that it will depend on the unvaccinated changing course and getting the jab.

Using his favorite propaganda platform CNN, Fauci declared: “*We’ve just got to get people vaccinated.*”

“*There was some poll that showed about 30% of people who are not anti-vax, they were just waiting to get what they felt was the real final stamp of approval, which we just got today with the Pfizer product*” he said.

[Summit news](#) reports: He continued, *“And those 30% are saying when that occurs, they will feel very, very comfortable about getting vaccinated. So right away, you’re talking about 30%. I hope they come through with what the survey said.”*

Fauci added *“They’re going to give a lot of incentive and backing for a lot of institutions and organizations and places of employment to mandate, and that could be colleges, university, the military, organizations that employ a lot of people, some of the big corporations are going to say if you want to work for us in person, you’ve got to be there and get vaccinated.”*

Fauci then dismissed freedom as an after thought, noting *“I know I respect people’s freedom, but when you’re talking about a public health crisis that we’ve been going through for well over a year and a half, the time has come. Enough is enough. We’ve just got to get people vaccinated.”*

*“If we keep lingering without getting those people vaccinated that should be vaccinated, this thing could linger on, leading to the development of another variant which could complicate things.”* Fauci further proclaimed.

*“It’s up to us,”* Dr. Anthony Fauci says about the effort to control Covid-19.

*“If we keep lingering without getting those people vaccinated that should be vaccinated, this thing could linger on, leading to the development of another variant which could complicate things.”*

Dr. Fauci is a sick psychopath and has convicted himself as a criminal decades ago and is responsible for the death of hundreds of thousands of homosexual men and hemaphiliacs for his mishandling the facts and evidence of the HIV scandal in the 1980s. His statements here in this propaganda article has no credible substance behind it and merely confirms he is a corrupt government bureacrat.

### **Israeli Prime Minister Says Pfizer COVID-19 Vaccine ‘Has Faded,’ People Must ‘Quickly’ Take Third Dose**

**The Israeli Prime Minister has declared that people must “quickly get vaccinated with the third dose” because the vaccine “has faded.”**

by [Andrew White August 25, 2021](#)

**In a stunning admission, Israeli Prime Minister Naftali Bennett has declared that the second dose of the COVID-19 vaccine “has faded against” the Delta variant, adding that people “must quickly get vaccinated with the third dose.”**

As the initial COVID-19 vaccine continues to prove itself ineffective against the spread of infection of COVID-19 in Israel, the Israeli Prime Minister has announced that the second dose of the vaccine has “faded against the Delta” variant. He then instructed people to *“quickly get vaccinated with the third dose.”*

The “*Green passport*,” Israel’s nationwide vaccine passport, will only be valid for 6 months from the moment an individual has received the second COVID-19 vaccination shot. Reports indicate that tomorrow, the government will decide whether the booster shots will be permitted for individuals over the age of thirty, or for the entire Israeli population. *“People who received two vaccine shots walk around feeling like they are protected... They don’t understand that the second vaccine has faded against the ‘Delta’,”* said Naftali Bennett. *“They must quickly get vaccinated with the third dose!”*

Are we doomed? Israel's Prime Minister is crazy (or an idiot): *“People who received two vaccine shots walk around feeling like they are protected... they don't understand that the second vaccine has faded against the "Delta" – they must quickly get vaccinated with the 3rd dose!”*.

This comes shortly after the Director of the CDC in America admitted that the effectiveness of the COVID-19 vaccines are “waning,” confirming earlier [reports](#) by National File. *“We are seeing concerning evidence of waning vaccine effectiveness over time and against the Delta variant,”* Rochelle Walensky said during a White House Press Briefing. *“Reports from our international colleagues, including Israel, suggest increased risk of severe disease amongst those vaccinated early.”*

The Biden administration continues to employ LGBT online “influencers” to [shill these ineffective vaccines](#) from inside the White House as mainstream news outlets feed the American people lies about coronavirus vaccine safety and effectiveness.

Despite this, the FDA has seemingly approved the Pfizer COVID-19 vaccine, [as National File reported](#). *“While this and other vaccines have met the FDA’s rigorous, scientific standards for emergency use authorization, as the first FDA-approved COVID-19 vaccine, the public can be very confident that this vaccine meets the high standards for safety, effectiveness, and manufacturing quality the FDA requires of an approved product,”* said Acting FDA Commissioner Janet Woodcock in an FDA news release. The Pfizer vaccine will now be marketed as “Comirnaty” (koe-mir’-na-tee).

Blessings, Jesus is at the door!
