Zoom meeting from a hospital in North Carolina with Dr. Mary Rudyk and Carolyn Fisher discussing inflating Covid numbers by counting recovered patients as active Covid patients.

"I think we have to be more blunt, we have to be more forceful, we have to say something coming out, you know you don't get vaccinated, you know you're going to die. I mean, let's just be really blunt to these people."

WILMINGTON – Novant Health New Hanover Regional Medical Center has issued a statement after a video of an internal discussion on how the hospital reports its COVID patient count was leaked on social media.

The just over two-minute video sparked a heated discussion online, with many pointing to the conversation as proof hospitals were falsifying or artificially inflating case counts.

Dr. Mary Rudyk, who previously served as Chief of Medical Staff for NHRMC, responds bluntly, saying she feels the hospital's messaging needs to be *"a little bit more scary for the public."* She then proposes including patients she characterizes as "post-COVID" in the hospital's case count – the primary source of the outrage on social media.

Everyone who receives the Covid Death Jab is hooked up to "The Internet of Things" immediately following his first Jab. It's now known that ALL Covid Death Jabs contain Graphene Oxide which is creating the signal being transmitted and registering on that Blue Tooth reader. Dr Carrie Madej explained this AI/Vaxxed "hookup" in great detail in a video that she posted to Youtube on August 17, 2020 (and I re-posted to my Bitchute channel on Sep. 11, 2020).

The AI/Vaxxed "hookup" was later revealed by a Russian hacker in May of 2021 when he hacked into the computer system that was listing all of the Bio-metrics and ID data on the Russian people who got injected with the Sputnik Jab and zeroed in on the data being transmitted by one of his friend who got the Death Jab. Here's the video, which I just uploaded tonight while typing these comments, so you can verify the info for yourself (narration in Russian, but translated into English subtitles)

The European Union database of suspected drug reaction reports is [EudraVigilance](#), and they are now reporting 24,526 fatalities, and 2,317,495 injuries, following COVID-19 injections.

A *Health Impact News* subscriber from Europe reminded us that this database maintained at EudraVigilance is only for countries in Europe who are part of the European Union (EU), which comprises 27 countries.

The total number of countries in Europe is much higher, almost twice as many, numbering around 50. (There are some differences of opinion as to which countries are technically part of Europe.)

So as high as these numbers are, they do NOT reflect all of Europe. The actual number in Europe who are reported dead or injured following COVID-19 shots would be much higher than what we are reporting here.

Fauci: We're Going to 'Mandate' CV Shots if 'Hardcore Group' of Holdouts Are Not 'Persuaded' to Submit

September 14, 2021, By [Chris Menahan](#)

White House chief medical adviser Antony Fauci said over the weekend that the Biden regime is going to “mandate” everyone including children take Big Pharma’s experimental shots if they’re not “persuaded” to take them and called for banning Americans from flying, going to work, college and school if they refuse to submit.

The move comes [just days after Fauci said Americans will need to take a third booster shot to be considered “fully vaccinated.”](#)

“We have a pretty hardcore group of people that we’re trying to persuade them — or mandate them if they’re not persuaded — to get vaccinated,” Fauci told the Association of LGBTQ Journalists on Sunday.

Fauci went on to claim that vaccinating this “recalcitrant group” would be “the key to ending this [pandemic]” before immediately walking back his sweeping claim and saying it would only “cut down” the overall number of infections.

“So we have about 75 million people who are eligible to be vaccinated who have not yet gotten vaccinated, that’s the key to ending this,” Fauci said. *“I mean that would be the key, um, you would cut down dramatically the number of infections if we got the overwhelming majority of that recalcitrant group vaccinated.”*

Fauci also said over the weekend that unvaxxed Americans should be banned from flying and children should be forced to take the shot to go to school ([even though studies show boys are more at risk from the shot than the virus itself](#)). Dr. Fauci clearly is a Jesuit liar, his demands simply are not justified for a so-called virus that has never been proven to exist.

VAXSSASSINATION: How globalists convinced BILLIONS of people to exterminate themselves with biological weapons presented as “vaccines”

Tuesday, September 14, 2021 by: [Mike Adams](#)

[\(Natural News\)](#) It’s all now incredibly clear. Everything we’ve been watching over the last 20 months has been a globalist-led effort to convince billions of people to exterminate themselves without them knowing it.

See, waging an open kinetic war on humanity would meet instant resistance. People tend to fight back when they’re being attacked and slaughtered with bullets and bombs. So globalists had to figure out a way to carry out mass slaughter on a planetary scale without alerting the masses to what they were doing.

It’s a very difficult challenge, but they figured out how to achieve it in a few simple steps:

1. First, build a toxic nanoparticle weapon system (the spike protein) and mass produce it in labs run by the Chinese and US military.
2. Fake an outbreak in China along with “leaked” scary videos of Chinese people falling over dead in mere seconds after breathing in the “virus.” Cue media frenzy.
3. Drop the toxic nanoparticles on NYC (and Northern Italy) to simulate a “viral outbreak,” while diagnosing people with “covid” via PCR tests that merely detect the presence of the toxic nanoparticles.
4. Unleash mass media propaganda, claiming everybody will die unless they take vaccines.
5. Fill the vaccines **with the exact same toxic nanoparticles you dropped on New York City in the first place.**
6. Unleash mass injections of the population with the spike protein bioweapons, fraudulently labeled “vaccines.”

7. As people get injected with the bioweapons, they start shedding the toxic nanoparticles, making others sick around them. Frame this as a “worsening pandemic” to spread more fear and drive more people into the spike protein injections.
8. Censor anyone talking about vaccine injuries or deaths. Pay off hospital administrators to wildly exaggerate covid numbers to keep the scamdemic going.

In a nutshell, that’s how they did it. Notice there is **no virus required** to pull it off. All they needed was a spike protein nanoparticle weapon system combined with media collusion and Big Tech censorship.

From the globalist point of view, the real genius in all this is how they’ve managed to get people to beg for their own vaccine death shots. Never before in human history have the masses been manipulated into lining up and demanding their own deaths. **The vaccine holocaust is a stealth operation**, requiring no bullets, bombs or missiles. It only needs censorship, journo-terrorism and a toxic nanoparticle bioweapon combined with a fraudulent PCR protocol authorized by the criminal CDC.

It’s now completely obvious that the real goal is mass extermination of the human race.

In a sane world where globalists weren’t trying to exterminate the human race, ivermectin would be celebrated as a safe, effective, low-cost medical intervention. Vitamin D would be recommended for nearly everyone. Fauci and the other bioweapons criminals would be indicted and charged with crimes against humanity. And the science journals wouldn’t be run by communist China.

But our world is not sane. It is ruled by a completely insane globalist death cult that seeks the total destruction of the human race. That’s why everything you’re seeing unfold makes no sense unless you realize the goal really is depopulation / genocide against humanity. In that context, suddenly it all makes sense: The gain-of-function research, the media’s psychological operations, [the hospitals faking covid numbers to “scare” the public](#), the science journals scheming to attack ivermectin and hide the origins of the spike protein, the incessant pushing of covid vaccine mandates, the economic lockdowns that destroy lives, etc. **Once you understand that the goal is total death and destruction, suddenly it all makes sense.**

In Scotland, 80% of the covid deaths are now occurring among the vaccinated. And in high vaccination rate countries like Israel and Singapore, hospitalizations and deaths are skyrocketing. It shouldn’t be any surprise, of course, because **when you inject lots of people with biological weapons, many of them get sick and die.** $1 + 1 = 2$. It’s straight up cause and effect.

The globalists are aware of something much bigger that’s approaching our world... something on a COSMIC scale.

As I've revealed previously, the total panic of the globalists in their mad rush to exterminate the human race reveals something truly astonishing: They themselves fear what's coming... something cosmic, something bigger than any pandemic or any war. There's an approaching threat they know about, and they believe this event will collapse human civilization as we know it... hence their need to rapidly cleanse the planet of humans so that the chaos can be somewhat controlled. (They don't want billions of people realizing what's happening and then panicking in the streets, going after all the resources that globalists themselves need to survive.)

It's almost as if these anti-human globalists know for certain that there's an approaching super volcano event, or an asteroid that's going to collide with the planet, or an alien invasion (or perhaps a faked one) or some other similar world-ending event that's imminent. So they're in a mad rush to exterminate as many as possible before that event approaches. (Could it be Planet X?)

We can therefore take an informed guess that since the vaccine death agenda is being aggressively, desperately accelerated right now, this approaching event is probably expected to emerge sometime in 2022. The coming winter is likely to be the target window for globalists to release the second half of their binary bioweapon, causing mass casualties among the vaccinated, via hyper-inflammation reactions to the newly-released pathogens or particles. This could theoretically kill off billions of humans by the time mid-2022 arrives.

See my recent video interview with Steve Quayle for more details on what this could be, as he warns our world won't make it to the 2022 mid-term elections without some major collapse unfolding:

[Brighteon.com/fa06f2c1-02b0-4318-b60c-dcb73eb873df](https://www.brighteon.com/fa06f2c1-02b0-4318-b60c-dcb73eb873df)

It's also nearly certain that globalists will unleash other engineered collapse events in the coming months in order to accentuate the deaths from vaccine reactions. We can therefore expect engineered food shortages, debt bomb implosions, large-scale deep state terrorism (false flag events) and even deliberate initiations of geopolitical warfare to occur, all as layers of destruction and chaos to maximize the fatalities across the globe.

The governments of the world have become murderous regimes

Without question, **the governments of the world are now murderous regimes.** Hospitals are murder factories and doctors are serial killers. Perhaps that's why [Randi Pinkerton rages at AmericanThinker.com](#), "I will never trust another doctor."

I have no doubt he isn't alone in that conclusion. No mainstream doctor or health care worker can ever be trusted again. And just to prove the point, [Project Veritas just released new whistleblower videos](#) showing how nursing homes are using *chemical restraints* to trick the elderly into taking covid shots by lying to them, claiming they're "flu jabs."

Face the reality. You are now living in a world where doctors are murderers. Hospital administrators are [caught on Zoom videos openly admitting](#) they're fudging the covid numbers to terrorize the public. Governments are scheming up ways to maximize the deaths of their own people. "Science" journals are scheming against the pillars of science, and media propagandists function as full-blown psychological terrorists, reveling in their power to spread fear as a means of political control.

The oblivious masses won't remain oblivious for much longer. The mass awakening is right around the corner, and when it gains traction, God help those in government, science and medicine who tried to exterminate humanity through this cosmic-scale deception. They may kill a billion people (or even more) but unless they manage to kill us all, **humanity is coming for them...** and it won't be pretty.

I've got more details on all this in today's hard-hitting Situation Update podcast, which also gives you practical information on how to deal with friends and family members who have become mindless vaccine zealots:

CDC Now Lists Vaccinated Deaths as ... Unvaccinated !!!

Analysis by Dr. Joseph Mercola

Anyone who dies within the first
14 days post-injection is counted
as an unvaccinated death ... ???

TLB THE LIBERTY BEACON™

Story at-a-glance

- According to the U.S. Centers for Disease Control and Prevention, you're not counted as fully vaccinated until a full 14 days have passed since your second injection in the case of Pfizer or Moderna, or 14 days after your first dose of Janssen, despite the fact that over 80% of deaths after the vaccines occur in this window. How convenient
- Anyone who dies within the first 14 days post-injection is counted as an unvaccinated death. Not only does this inaccurately inflate the unvaccinated death toll, but it also hides the real dangers of the COVID shots, as the vast majority of deaths from these shots occur within the first two weeks
- The CDC also has two different sets of testing guidelines — one for vaccinated patients and another for the unvaccinated. If you're unvaccinated, CDC guidance says to use a cycle threshold (CT) of 40, known to result in false positives. If you're vaccinated, they recommend using a CT of 28 or less, which minimizes the risk of false positives
- The CDC also hides vaccine failures and props up the “pandemic of the unvaccinated” narrative by only counting breakthrough cases that result in hospitalization or death
- Hospitals are still also reporting non-COVID related illnesses as COVID-19

Shockingly, CDC Now Lists Vaccinated Deaths as Unvaccinated

Analysis by Dr. Joseph Mercola

While public health officials and mainstream media claim the COVID-19 pandemic is now “a pandemic of the unvaccinated,”¹ we now know this claim is based on highly misleading statistics.

In a July 16, 2021, White House press briefing,² U.S. Centers for Disease Control and Prevention director Dr. Rochelle Walensky claimed that “over 97% of people who are entering the hospital right now are unvaccinated.” A few weeks later, in an August 5, 2021, statement, she inadvertently revealed how that statistic actually came about.³

As it turns out, the CDC was looking at hospitalization and mortality data from January through June 2021 — a timeframe during which the vast majority of the U.S. population were still unvaccinated.⁴

But that's not the case at all now. The CDC is also playing with statistics in other ways to create the false and inaccurate impression that unvaccinated people make up the bulk of infections, hospitalizations and deaths. For example, we now find out the agency is counting anyone who died within the first 14 days post-injection as unvaccinated.

Not only does this inaccurately inflate the unvaccinated death toll, but it also hides the real dangers of the COVID shots, as the vast majority of deaths from these shots occur within the first two weeks.⁵ Now their deaths are counted as unvaccinated deaths rather than being counted as deaths due to vaccine injury or COVID-19 breakthrough infections!

How CDC Counts Breakthrough Cases

According to the CDC,⁶ you're not counted as fully vaccinated until a full 14 days have passed since your second injection in the case of Pfizer or Moderna, or 14 days after your first dose of Janssen. This is how the CDC defines a vaccine breakthrough case:

“... a vaccine breakthrough infection is defined as the detection of SARS-CoV-2 RNA or antigen in a respiratory specimen collected from a person ≥ 14 days after they have completed all recommended doses of a U.S. Food and Drug Administration (FDA)-authorized COVID-19 vaccine.”

In other words, if you've received one dose of Pfizer or Moderna and develop symptomatic COVID-19, get admitted to the hospital and/or die from COVID, you're counted as an unvaccinated case. If you've received two doses and get ill within 14 days, you're still counted as an unvaccinated case.

The problem with this is that over 80% of hospitalizations and deaths appear to be occurring among those who have received the jabs, but this reality is hidden by the way cases are defined and counted. A really clever and common strategy of the CDC during the pandemic has been to change the definitions and goalposts so it supports their nefarious narrative.

For example, the CDC has quietly changed the definition of “vaccine,” apparently in an attempt to validate calling the COVID mRNA gene therapies vaccines. In an August 26, 2021, archived version⁷ of vaccine, the CDC defines it as a “product that stimulates a person's immune system to produce immunity to a specific disease, protecting the person from that disease.”

But a few days later, a new definition appeared on the CDC's website,⁸ which now says a vaccine is a “preparation that is used to stimulate the body's immune response

against diseases.” The differences in the definitions are subtle but distinct: The first one defined a vaccine as something that will “produce immunity.”

But, since the COVID-19 vaccines are not designed to stop infection but, rather, to only lessen the degree of infection, it becomes obvious that the new definition was created to cover the COVID vaccines.

Different Testing Guidelines for Vaxxed and Unvaxxed

It’s not just the CDC’s definition of a breakthrough case that skews the data. Even more egregious and illogical is the fact that the CDC even has two different sets of testing guidelines — one for vaccinated patients and another for the unvaccinated.

Since the beginning of the pandemic, the CDC has recommended a PCR test cycle threshold (CT) of 40.⁹ This flies in the face of scientific consensus, which has long been that a CT over 35 will produce 97% false positives,¹⁰ essentially rendering the test useless.^{11,12,13}

In mid-May 2021, the CDC finally lowered its recommended CT count, but only for patients who have received one or more COVID shots.¹⁴ So, if you have received a COVID injection, the CDC’s guidelines call for your PCR test to be run at a CT of 28 or less. If you are unvaccinated, your PCR test is to be run at a CT of 40, which grossly overestimates the true prevalence of infection.

The end result is that unvaccinated individuals who get tested are FAR more prone to get false positives, while those who have received the jab are more likely to get an accurate diagnosis of infection.

Only Hospitalization and Death Count if You’re COVID Jabbed

Even that’s not all. The CDC also hides vaccine failures and props up the “pandemic of the unvaccinated” narrative by only counting breakthrough cases that result in hospitalization or death.

In other words, if you got your second COVID shot more than 14 days ago and you develop symptoms, you do not count as a breakthrough case unless you’re admitted to the hospital and/or die from COVID-19 in the hospital, even if you test positive. So, to summarize, COVID breakthrough cases count only if all of the following apply:

- The patient received the second dose of the Pfizer or Moderna shot at least 14 days ago (or one dose in case of Johnson & Johnson’s single-dose injection)
- The patient tests positive for SARS-CoV-2 using a CT of 28 or less, which avoids false positives
- The patient is admitted to the hospital for COVID-19 and/or dies in the hospital

Vaccinated Probably Make Up Bulk of Hospitalizations

If vaccinated and unvaccinated were not treated with such varying standards, we’d probably find that the vaccinated now make up the bulk of hospitalizations, making the

COVID pandemic one of the vaccinated. An August 30, 2021, exposé by The Epoch Times reveals what's really happening on the front lines:¹⁵

“After a battery of testing, my friend was diagnosed with pancreatitis. But it was easier for the hospital bureaucracy to register the admission as a COVID case ... The mainstream media is reporting that severe COVID cases are mainly among unvaccinated people ... Is that what's really going on?”

It's certainly not the case in Israel, the first country to fully vaccinate a majority of its citizens against the virus. Now it has one of the highest daily infection rates and the majority of people catching the virus (77 percent to 83 percent, depending on age) are already vaccinated, according to data collected by the Israeli government ...

After admission, I spoke to the nurse on the COVID ward ... The nurse told me that she had gotten both vaccines but she was feeling worried: ‘Two thirds of my patients are fully vaccinated,’ she said. How can there be such a disconnect between what the COVID ward nurse told me and the mainstream media reports?”

The heart of the problem is that the U.S. is not even trying to achieve an accurate count. As noted by The Epoch Times, *“the Centers for Disease Control and Prevention have publicly acknowledged that they do not have accurate data.”*

So, when you hear that cases are rising, and that most of them are unvaccinated, you need to ask: *“Are these people who have had one vaccine and gotten sick, two vaccines and gotten sick, or no vaccines at all? Without more details, it is impossible to know what is really going on,”* The Epoch Times says.¹⁶

All we do know, according to one doctor who spoke with The Epoch Times, is *“the vaccines are not as effective as public health officials told us they would be. ‘This is a product that's not doing what it's supposed to do. It's supposed to stop transmission of this virus and it's not doing that.’”*

Counting Non-COVID Illness as COVID Cases

On top of all of that, hospitals are still also reporting non-COVID related illnesses as COVID. As reported by The Epoch Times:¹⁷

“Health authorities around the world have been doing this since the beginning of the COVID crisis. For example, a young man in Orange County, Florida who died in a motorcycle crash last summer was originally considered a COVID death by state health officials ...

And a middle-aged construction worker fell off a ladder in Croatia and was also counted as a death from COVID ... To muddy the waters further, even people who test negative for COVID are sometimes counted as COVID deaths.

Consider the case of 26-year-old Matthew Irvin, a father of three from Yamhill County, Oregon. As reported by KGW8 News, Irvin went to the ER with stomach pain, nausea, and diarrhea on July 5, 2020. But instead of admitting him to the hospital, the doctors sent him home.

Five days later, on July 10, 2020, Irvin died. Though his COVID test came back negative two days after his death and his family told reporters and public health officials that no one Irvin had been around had any COVID symptoms, the medical examiner allegedly told the family that an autopsy was not necessary, listing his death as a coronavirus case. It took the Oregon Health Authority two and a half months to correct the mistake.

In an even more striking example of over-counting COVID deaths, a nursing home in New Jersey that only has 90 beds was wrongly reported as having 753 deaths from COVID. According to a spokesman, they had fewer than twenty deaths. In other words, the number of deaths was over-reported by 3,700 percent."

No Need to Fear the Delta Variant if You're Unvaccinated

In a June 29, 2021, interview,¹⁸ Fauci called the Delta variant "a game-changer" for unvaccinated people, warning it will devastate the unvaccinated population while vaccinated individuals are protected against it. Alas, in the real world, the converse is turning out to be true, as the Delta variant is running wild primarily among those who got the COVID jab.

The Delta variant contains three different mutations, all in the spike protein. This allows this variant to evade the immune responses in those who have received the COVID jabs, but not those who have natural immunity, which is much broader.

In a June 30, 2021, appearance on Fox News, epidemiologist and cardiologist Dr. Peter McCullough pointed out that "It is very clear from the U.K. Technical Briefing¹⁹ that was published June 18 that the vaccine provides no protection against the Delta variant."²⁰

The reason for this is because the Delta variant contains three different mutations, all in the spike protein. This allows this variant to evade the immune responses in those who have received the COVID jabs, but not those who have natural immunity, which is much broader.

Even so, the Delta variant is far milder than previous variants, according to the U.K.'s June 18, 2021, Technical Briefing.²¹ In it, they present data showing the Delta variant is more contagious but far less deadly and easier to treat. As McCullough told Fox News:

"Whether you get the vaccine or not, patients will get some very mild symptoms like a cold and they can be easily managed ... Patients who have severe symptoms or at high risk, we can use simple drug combinations at home and get them through the illness. So, there's no reason now to push vaccinations."

Contrast that with the following statement made by President Biden during a CNN town hall meeting in Cincinnati, Ohio, in late July 2021:²²

“We have a pandemic for those who haven’t gotten a vaccination. It’s that basic, that simple. If you’re vaccinated, you’re not going to be hospitalized, not going to the ICU unit, and not going to die. You’re not going to get COVID if you have these vaccinations.”

However, Dr. Leana Wen, an emergency doctor and visiting professor of health policy and management at George Washington University’s Milken School of Public Health in Washington, D.C., contradicted the president, saying he had led the American astray by telling them you don’t need a mask if you’re vaccinated, or that you can’t get it or transmit it. As reported by CNN Health:²³

“In particular, Wen took issue with Biden’s incorrect claims that you cannot contract Covid-19 or the Delta variant if you are vaccinated. ‘I was actually disappointed,’ Wen said. ‘I actually thought he was answering questions as if it were a month ago. He’s not really meeting the realities of what’s happening on the ground. I think he may have led people astray.’”

CNN added that Wen had told their political commentator Anderson Cooper that “many unknown answers remain related to Covid-19, and that it is still not known how well protected vaccinated individuals are from mild illness ... [or] if you’re vaccinated, could you still be contagious to other people.”

Vaccinated Patients Flood Hospitals Around the World

The U.K. data showing the Delta variant is far milder than previous SARS-CoV-2 viruses deflates the claim that avoiding severe illness is a sign that the shots are working. Since the Delta variant typically doesn’t cause severe illness in the first place, it doesn’t make sense to attribute milder illness to the shot.

But if Delta is the mildest coronavirus variant yet, why are so many “vaccinated” people ending up in the hospital? While we still do not have clear confirmation, this could be a sign that antibody dependent enhancement (ADE) is at work. Alternatively, it could be that vaccine injuries are being misreported as breakthrough cases.

Whatever the case may be, real-world data from areas with high COVID jab rates show a disturbing trend. For example, August 1, 2021, the director of Israel’s Public Health Services, Dr. Sharon Alroy-Preis, announced half of all COVID-19 infections were among the fully vaccinated.²⁴ Signs of more serious disease among fully vaccinated are also emerging, she said, particularly in those over the age of 60.

A few days later, August 5, 2021, Dr. Kobi Haviv, director of the Herzog Hospital in Jerusalem, appeared on Channel 13 News, reporting that 95% of severely ill COVID-19 patients are fully vaccinated, and that they make up 85% to 90% of COVID-related hospitalizations overall.²⁵

In Scotland, official data on hospitalizations and deaths show 87% of those who have died from COVID-19 in the third wave that began in early July were vaccinated.²⁶

In Gibraltar, which has a 99% COVID jab compliance rate, COVID cases have risen by 2,500% since June 1, 2021,²⁷ and in Iceland, where over 82% have received the shots, 77% of new COVID cases are among the fully vaccinated.²⁸

Data from the U.K. show a similar trend among those over the age of 50. In this age group, partially and fully “vaccinated” people account for 68% of hospitalizations and 70% of COVID deaths.²⁹

A CDC investigation of an outbreak in Barnstable County, Massachusetts, between July 6, 2021, through July 25, 2021, found 74% of those who received a diagnosis of COVID19, and 80% of hospitalizations, were among the fully vaccinated.^{30,31} Most, but not all, had the Delta variant.

The CDC also found that fully vaccinated individuals who contract the infection have as high a viral load in their nasal passages as unvaccinated individuals who get infected.³² The same was found in a British study, a preprint of which was posted mid-August 2021.^{33,34} This means the vaccinated are just as infectious as the unvaccinated.

Interestingly, a Lancet preprint study³⁵ that examined breakthrough infections in health care workers in Vietnam who received the AstraZeneca COVID shot found the “viral loads of breakthrough Delta variant infection cases were 251 times higher than those of cases infected with old strains detected between March-April 2020.”

What’s more, they found no correlation between vaccine-induced neutralizing antibody levels and viral loads or the development of symptoms. According to the authors:

“Breakthrough Delta variant infections are associated with high viral loads, prolonged PCR positivity, and low levels of vaccine-induced neutralizing antibodies, explaining the transmission between the vaccinated people.”

Not All Vaccinated Are Confirmed Vaccinated

As if all of that weren’t enough, there’s yet one more confounder. Just because you got the COVID shot does not mean you’ve been confirmed as having gotten the shot. You’re only confirmed “vaccinated” if your COVID injection is added to your medical record, and this sometimes doesn’t happen if you’re going to a temporary vaccination clinic, a drive-through or pharmacy, for example. As reported by CNN:³⁶

“If you are among the countless people who didn’t get the doses at a primary care doctor’s office, there may not be any record of the vaccination on file with your doctor.”

To actually count as a “confirmed vaccinated” individual, you must send your vaccination card to your primary care physician’s office and have them add it to your electronic medical record. If you got the shot at a pharmacy, you’ll need to verify that they forwarded your proof of vaccination to your doctor. Primary care offices are then

responsible for sharing their patients' immunization data with the state's immunization information system.

Patient-recorded proof of vaccination is only accepted for influenza and pneumococcal vaccines, not COVID-19 injections.³⁷ What this all means is that, say you got the shot several weeks ago at a drive-through vaccination clinic and get admitted to the hospital with COVID symptoms. Unless your COVID shot status has actually been added into the medical system, you will not count as "vaccinated."

This too can skew the statistics, because we know the CDC ascertains vaccination status by matching SARS-CoV-2 case surveillance and CAIR2 data using person-level identifiers and algorithms.³⁸

As noted by John Zurlo, division director of infectious disease at Thomas Jefferson University, "the lack of reliable vaccine records complicates efforts to precisely understand vaccine effectiveness and determine how many local hospitalizations and deaths are resulting from COVID-19 breakthrough infections."³⁹

We're in the Largest Clinical Trial in Medical History

In closing, it's worth remembering that the COVID injection campaign is part and parcel of a clinical trial. As noted Dr. Lidiya Angelova in a recent Genuine Prospect article:⁴⁰

"Many people are unaware that they are participating in the largest clinical trial test of our times. It is because World Health Organization, healthcare authorities, politicians, celebrities, and journalists promote the experimental medical treatments (wrongly called COVID-19 vaccines) as safe and efficient while in fact these treatments are in early clinical research stage.

It means that there is not enough data for such claims and that the people who participate are test subject."

As shown in a graph on Genuine Prospect, under normal circumstances, clinical research follows a strict protocol that begins with tests on cell cultures. After that comes tests on animals, then limited human testing in four phases. In Phase 1 of human testing, up to 100 people are included and followed anywhere from one week to several months.

Phase 2 typically includes several hundred participants and lasts up to two years. In Phase 3, several hundred to 3,000 participants are tested upon for one to four years. Phase 4 typically includes several thousand individuals who are followed for at least one year or longer. After each phase, the data is examined to assess effectiveness and adverse reactions.

The timelines for these stages and phases were not followed for the COVID "vaccines." Most Phase 3 trials concluded by the end of 2020, and everyone who got the shots since their rollout under emergency use authorization is part of a Phase 4 clinical trial,

whether they realize it or not.⁴¹ And since the trials are not completed, you simply cannot make definitive claims about safety, especially long-term safety. As noted by Angelova:⁴²

“When I worked at the National Institute of Allergy and Infectious Diseases (NIAID) ... I went to the course Ethical and Regulatory Aspects of Clinical Research ... The first rule we learnt was ‘Clinical research must be ethical’ ... All ethical aspects of clinical research are dismissed with the COVID-19 vaccines.

People should know that nobody can require such to participate in everyday activities like using public transportation, shopping, going to school and even hospital. People should know that they should not be punished for refusing to take the experimental medical treatments.

COVID-19 vaccines mass use and COVID-19 measures are an infringe[ment] of the Articles 2, 3, 5, 9, 11, 12, 13, 18, 20, 25, 27, 28 of The Universal Declaration of Human Rights (UDHR).”

For twenty months the National and Global public health agencies have LIED CONTINUOUSLY SINCE MARCH 1ST OF 2020. THEY SERVE A DIFFERENT MASTER!

Covid Deaths in Perspective: Propaganda vs. Facts!

In the U.S.A., **an average of 7,900 people dies every day**, from dozens of different reasons. There are **3,142 counties** in the continental U.S.A., and **we have not had a day since February 14th, 2021, when there were more than 1 death per county attributed to the alleged Covid-19.** **Think about that for a minute, there are 100 counties in the United States with a population of 1 million or more!** **Are you able to see how the public is being deceived by exaggerated or misleading data!**

I can tell you with total certainty that mortality trends have not deviated from yearly data for the past ten years. I know this from the insurance industry actuarial tables used to calculate insurance premiums have not changed in this hoaxed alleged “pandemic” declared in March of 2020. **The World Health Organization hoaxed this on a lie that 65-million would die.** It was based upon a computer model by an Oxford University professor which was rigged to create a problem through fear. **Bill Gates and Dr. Anthony Fauci then stated it on the major media networks and the fear-mongering campaign was off to the races.**

To claim a virus exists, virologists must confirm it exists through what is known as Koch’s Postulates. No lab of any U.S. health facility or world health agency followed protocol to validate their claim; a critical mistake in the scientific process of confirmation that the Covid-19 existed. It was all a lie, a psy-op to deceive the public that a so-called pandemic existed. Every health agency and the politicians, and the medical community are complicit in the deaths from those who were vaxxed with “gene” therapy. To this very day, not a single lab around the world has produced “hard evidence” proof that Covid-19 or any of the so-called variants actually exist. No one has produced the evidence of a so-called Covid virus. I am not saying that thousands of viruses, even hundreds of thousands for that matter exist. What I am saying is that proof of “contagion”

does not exist. It has to be evaluated by the Principles of Koch Postulates, and that has simply not been done by the CDC or any virology lab.

The pharmaceutical “gene” therapy tests on the lab animals all died within two days, and so the lab tests were suspended, and then the FDA given EAU or Emergency Application Use to vaxx the public. They counted on the public to be ignorant of the facts, and so frightened that they would never ask what it was they were being jabbed into their arm.

Dr. Judy Mikovits said early on in 2020, that 55-million would die from the vaxx in five years. Those numbers were also confirmed by Dr. Luc Montagnier, the 2008 Nobel Peace Prize winner in Medicine for his discovery of the HIV virus.

- 4 criteria designed to **verify that the microorganism** is the **causal agent** for the disease.
- 4 rules / steps:
 - The suspected pathogen must be consistently **associated** with the diseased plant
 - The microorganism must be isolated from the diseased organism and **grown in pure culture**.
 - The cultured microorganism **should cause disease** when inoculated into a healthy organism.
 - The microorganism must be **reisolated** from the inoculated plant and grown in a pure culture. The microorganism should have the same characteristic with the original culture.

Dr. Mikovits based her remarks on the Xenotropic murine leukemia virus-related virus (XMRV) is *"a laboratory-derived mouse virus that was generated through recombination between two endogenous murine retroviruses during propagation of a prostate cancer xenograft in the mid-1990's"*. In 2007, Mikovits met a co-discoverer of xenotropic murine leukemia virus-related virus (XMRV), Robert Silverman, at a conference. Silverman had found XMRV sequences, which are highly similar to mouse genomic sequences, in prostate cancer specimens several years earlier. Using tools obtained from Silverman, Mikovits began to look

for XMRV in her CFS samples. Dr. Mikovits pointed out that the national blood supply was contaminated with the XMRV virus with CFS and HIV1 viruses. CFS or Chronic Fatigue Symptoms was later redesignated as the HIV1 by Dr. Robert Gallo and Dr. Anthony Fauci.

Giving patients these drugs when their oxygen levels are so low that they supposedly need to be put on a ventilator seems like it would only help to worsen their condition. Some of these drugs are suggested not to be used on patients

experiencing depressed respiration. Some of these drugs seem like they are unnecessary to be giving a person for sedation purposes, such as the anti-schizophrenic drug Haldol. Meanwhile, they're denying them potential therapeutics such as Ivermectin and letting them degrade to that state in the first place.

Apparently this is a normal anesthetic regimen for intubation, but one would think the dose would be modified for people in extreme respiratory distress. For all the precautions we have taken around COVID, they chose to keep giving people on their death beds respiratory suppressants?

THIS is potentially why ventilators have been killing people (not to mention that the ventilator totally destroys their lungs). And if so, doctors know this and have been essentially murdering people for profit. But that seems to be the norm across the whole medical field these days. Doctors are all murderous scum.

Some examples of COVID protocols w these drugs at various institutions:

Former FDA Commissioner: Fauci funded gain of function on EVEN DEADLIER MERS-like coronaviruses

Wednesday, September 15, 2021 by: News Editors

(Natural News) Former FDA head and current Pfizer board member Scott Gottlieb reacted to [further revelations](#) this week regarding the funding of dangerous gain of function research by Anthony Fauci, noting that a previously unknown fact has emerged that lab tampering was undertaken on MERS-like coronaviruses, which are even deadlier than their SARS-like relatives.

(Article by Steve Watson republished from [Summit.news](#))

Gottlieb noted that documents obtained under the FOIA also show that the viruses were made more deadly to humans in several labs around Wuhan, including a level three biocontainment facility, which has lesser security than the level four labs previously mentioned in relation to the outbreak.

“Whether or not this was gain-of-function is a political and legal discussion,” Gottlieb said in an interview with CNBC.

He added, *“The bottom line is they were doing research on viruses in that institute that was making those viruses potentially more dangerous to humans.”*

And handling the viruses in ways that could potentiate their release, particularly by infecting transgenic animals that have fully-humanized immune systems.”

“They were doing things in that lab that could have led to circumstances where a virus that was purposefully evolved in ways that it could be more dangerous to humans could have escaped,” Gottlieb further emphasised.

He continued, ***“What’s revealed by these documents are two interesting details I previously didn’t know. First, there was experimentation being done on MERS-like coronaviruses, not just SARS-like coronaviruses. Second, they affirmed what we suspected about coronavirus research being done at other institutes around Wuhan... at a level three biocontainment facility.”***

“They were doing things in that lab that could have led to circumstances where a virus that was purposefully evolved in ways that it could be more dangerous to humans could have escaped,” says

[@ScottGottliebMD](#)

— Squawk Box (@SquawkCNBC) September 8, 2021

Gottlieb previously noted that ***“These kinds of lab leaks happen all the time,”*** further warning that ***“in China, the last six known outbreaks of SARS-1 have been out of labs, including the last known outbreak, which was a pretty extensive outbreak that China initially wouldn’t disclose that it came out of lab.”***

“It was only disclosed finally by some journalists who were able to trace that outbreak back to a laboratory,” Gottlieb explained back in May.

Gottlieb also recently revealed that Fauci briefed world health leaders in the spring of 2020 that a lab leak was a possible cause of the COVID outbreak.

Appearing on CBS News, Gottlieb admitted that Fauci told government health advisors that the virus ***“looked unusual,”*** and that scientists he was working with ***“had suspicions”*** that it was manipulated.

Former FDA commissioner Scott Gottlieb says he was informed by a senior Trump administration official in spring that Dr. Fauci briefed world health leaders in Europe ***“that this could have been a potential lab leak...so those discussions were going on.”***

Face The Nation (@FaceTheNation) June 6, 2021

For almost 18 months now, the former FDA head has been calling for a robust investigation into China’s cover up of the outbreak:

It also recently emerged that there was an [outbreak of a DIFFERENT virus](#) from another Chinese bio-facility at around the same time as the COVID outbreak.

[Reports also indicate](#) that China is planning on opening scores of bio-facilities over the next five years.

The *'Financial Times'* reports that *"some Chinese officials have warned about poor security at existing facilities. In 2019 Yuan Zhiming, the director of the Wuhan Institute of Virology's BSL-4 lab, wrote a review of the safety deficiencies in China's laboratories. 'Several high-level BSLs have insufficient operational funds for routine yet vital processes,' Yuan wrote, adding that maintenance costs were 'generally neglected.'"*

The report adds that Yuan warned *"Due to the limited resources, some BSL-3 laboratories run on extremely minimal operational costs or in some cases none at all."*

As both Senator Rand Paul and former CIA director and secretary of state Mike Pompeo also [warned recently](#), the Wuhan Institute of Virology is still up and running, and there is evidence pointing to its involvement with the Chinese military in bioweapons research.

The accumulating [scientific evidence](#) that points to a potential coronavirus lab leak, as well as China's record on bio-security, and its constant stonewalling, warrants an adequate independent investigation, which hasn't happened.

A Pandemic Of The Incompetent ... Not The Unvaccinated

September 16, 2021 This article was posted by TLB Staff

A pandemic of the incompetent, not the unvaccinated
By: Maker S. Mark

Mr. Biden and other liberals are very upset with the unvaccinated. They've laid the blame, with the claim that this is "a pandemic of the unvaccinated."

I call this BS. This is a "pandemic of the incompetent."

First, the CDC and NIH watched the virus ravage China and did nothing.

Next, they told President Trump that it was xenophobic to stop travel from China.

Next, they told us the virus was not transmitting human to human.

Next, they changed, without reasoning, the reporting requirements for potential deaths associated with the virus to guarantee a higher death total in the U.S.

Next, they misrepresented the data for the projected death toll in America with a completely incorrect model.

Next, they told us to shut down the country for two weeks to slow the spread.

Next, they told us a vaccine in less than a year was impossible.

Next, they pushed mask mandates with no science to back them up. Excuse me — the high point on masking science is the study out of Hong Kong on hamsters that seems to have been the basis for the start of masking science.

Next, they supported crazy items like mandatory masking outdoors, no swimming in public pools, and wearing a mask in your own home.

Next, they continued to keep businesses closed past the two-month mark, and they fail to provide evidence that closing any business helped slow the spread.

Next, they started paying people extra unemployment benefits while removing all incentives to look for work.

Next, we were told it was more important not to offend China by calling it the Chinese Coronavirus or the Wuhan Flu than it was to find a treatment.

Next, people started to get wise to the incompetence, and they started doing normal things. The incompetents would scream "super-spreader," yet no super-spreader events were ever proven. People began to demonstrate they could manage the virus for themselves.

Next, states and locals started to drop the masking, and those states endured public recriminations, yet the infection rate continued to drop despite the dire predictions of the incompetent.

Next, we were told by a presidential candidate that he had a plan to shut the virus down. This implies that a virus can be shut down and that he actually had a plan to do something effective. Both now seem to be proven incompetent statements from someone with no real clue.

Next, an injection was developed that we were told was a vaccine, and administration of it began.

Next, the control group test data were corrupted by the injection maker by administering the drug to all participants in the trial. This has never been done before.

Next, virus variants were detected in other countries, and specifically, they were detected in South America.

Next, we opened the southern border to all.

Next, the American people found out that Big Government and Big Tech are colluding to block important information that is contrary to the approved messaging about the virus and the “vaccine.”

Next, we have legislation called COVID relief, but really, more than 80% of that money went to political paybacks and pet projects having nothing to do with COVID.

Next, the illegal aliens detained at the border were jammed into small spaces and not tested at the border. Many illegals were sent to other states in the dead of night to be tested later.

Next, we are over a year into the pandemic, and we have one treatment approved by the FDA. Despite indications that there are at least three successfully in use around the world — Remdesivir, ivermectin, and hydroxychloroquine — the FDA has only reluctantly added Remdesivir for people after they are hospitalized.

Next, we find out that the CDC is making policy based on recommendations from the teachers’ union. We have yet to learn who else is dictating COVID policy to the CDC. China, perhaps?

Next, we find out that the illegals being dumped in the country are not being tested or reported to the local authorities.

Next, we find out that two of the drugs called a vaccine did not meet the legal definition of “vaccine.”

Next, we find out the FDA is trying to change its definition of “vaccine” without comment or notice.

Next, we are told by the current White House occupant that the unvaccinated are a risk to the vaccinated. How can that be if the vaccine works and protects the vaccinated? Or is it not legally a vaccine?

This list took less than an hour to generate. I am sure that readers at American Thinker can expand it.

The current White House occupant is upset that we are not just accepting the standard of incompetence that has been displayed. We are researching options for ourselves; keeping our friends and neighbors safe; and making our own decisions, as Americans have a history of doing.

A virus like this cannot be contained or shut down. It can only be managed, and part of managing a virus is treatment options. The incompetence and the denial of the FDA, NIH, and CDC to use proper science to validate treatment options continue to hinder our ability to manage this disease.

Please keep this list of incompetence in mind as you try to determine whom to trust in the days and months ahead. This truly is a *“pandemic of the incompetent.”*

The author of the above article offers us what I like to refer to as “playing stupid”. I am going to share Dr. David E. Martin’s comments with German attorney Dr. Reiner Fuellmich, who on behalf of ten thousand doctors worldwide has filed law suits with the World Court against the World Health Organization for crimes against humanity. Dr. David E. Martin is CEO of M:CAM, the only company of its kind in the world. M:CAM investigates patents on behalf of Venture Capital firms seeking to invest in promising entrepreneurs needing financial backing to bring new products to market. Dr. Martin has provided testimony about the fraud Covid-19. The Covid-19 virus is “Synthetic Biology” which means the virus was created on a computer and did not originate in nature or the wild. The evidence proves Covid-19 was patented decades ago, and is at worst a Eugenics Depopulation crime against humanity!

Are we witnessing eugenics science to nothing even Rockefeller and Mengele could envision?

We continue to corroborate the greatest deception of proportions by criminals the likes unseen.

Those behind this scam need to face ultimate prosecution or be considered war criminals.

And kid yourself not the medical establishment has been negligent to the nth degree and engagement in massive malpractice and at a minimum contributory homicide.

I have been aware of the SARS-Cov-1 since prior to the use in China going back nearly 20 years.

For those still asleep or in denial if you do not have your effects in order as the re-engineering of life as we know it via AI and synthetic biology of and by some of the most ardent sociopaths and psychopaths in our artificially engineered chaotic world.

Anyone who is so unaware as to take anything being proposed without evidence and appropriate testing are putting their lives and the lives of those in their inner circle including reproduction at risk.

Lack of discernment based upon susceptibility to thought manipulation via propaganda appears to be a disease and many millions of Americans and others are being put into today's version of Auschwitz.

Anyone engaged in this fraud should face a lifetime in prison or under Nuremberg face a death sentence for Crimes Against Humanity.

For those engaged in this scam plan on using this sham to reduce population and control as much as possible via a permanent lock down controlled system.

This is not science fiction nor a Hollywood movie.

Denial of where this is rooted and the goal to which it is going is directly related to goals established by true monsters that prefer to live under the rules of plantations as they view humans as their property to do with as they see fit.

Part of this con to take down the financial system so those in power maintain ultimate power with those at the top and the survivors robotic servants just content to get a meal.

This is a planned take over and take down of life as we know it and a violation of natural law and in direct violation of The Nuremberg Code.

There was a candidate vaccine at UNC-Chapel Hill to get spike protein in a lipid nanoparticle to have vaccine prior to pathogen.

At NAID board meeting Anthony Fauci was pushing flu vaccine in amended patent filings by Moderna months prior to alleged pathogen to gain an acquired worldwide acceptance via public relations and crowd control this was pushed prior to discovery of said virus.

There are 117 patents pertaining to coronavirus going back to 2008.

Weaponization patents.

Moderna’s patent application in March 2019 included words put into the patent application a deliberate respiratory pathogen was written into the language.

TOTAL FRAUD: CDC allows hospitals to classify dead vaccinated people as “unvaccinated deaths”

09/17/2021 / By [Lance D Johnson](#)

The Centers for Disease Control and Prevention (CDC) have devised a set of rules pertaining to the classification of infectious disease and death. Hospitals and laboratories are required to follow these rules and report official covid-19 data based on these rules. It appears that these rules were designed in a way to conceal the number of Covid cases in the vaccinated and to [conceal the number of deaths caused by the covid-19 vaccines](#). These rules simultaneously inflate the number of covid cases in the unvaccinated and allow hospitals to classify dead vaccinated people as “unvaccinated” deaths.

This medical fraud and morbid treachery allows the CDC to continue on with the false narrative that the nation is suffering from a “pandemic of the unvaccinated.” People who die from the vaccine are used as props to falsely advertise the need for more of these deadly vaccines.

Suspicious CDC rules obfuscate hospital data, deceiving the nation. When an individual receives their first dose of a covid-19 vaccine, they are still classified as “unvaccinated” for several weeks after the shot. If they test positive for covid-19 in the month following the injection, they are officially registered as an “unvaccinated case.” If the vaccine elicits physical symptoms of disease (as was reported in [50 percent of recipients in the clinical studies](#)), this sickness is classified as a healthy immune reaction to the vaccine or is advertised as a milder sickness compared to a hypothetical case of Covid.

Even though there is no way to compare a vaccine injury with a hypothetical, nonexistent case of illness, vaccinated patients are told to accept this conjecture as fact. It doesn't matter how many drugs the patient needs to manage the pain after they [get sick from the vaccine](#). It doesn't matter how many times the vaccinated patient needs to see a doctor or seek the ER after being vaccinated. The vaccinated patient is told that these issues are much better than a potential covid infection.

After three to four weeks, a vaccinated patient is instructed to return for a second dose. Even after they take the second dose, they are not considered “fully vaccinated.” **If the doubly vaccinated patient has a reaction to the vaccine or tests positive for covid-19 in the following two weeks after the second dose, they are still considered “unvaccinated.”**

According to the CDC's rules, no one is counted as “fully vaccinated” until a full 14 days have passed from the second injection of Pfizer or Moderna's mRNA vaccine, or 14 days have passed after the first dose of the Johnson & Johnson shot. **This rule conveniently hides 80 percent of the deaths that occur after vaccination and slyly mis-attributes these deaths as “unvaccinated deaths.”** This fraudulent rule inflates the unvaccinated death toll and hides the real medical issues that are the result of covid shots. The vast majority of deaths occur within the first two weeks after vaccination, yet all these deaths are [advertised as “unvaccinated deaths.”](#)

CDC's covid testing fraud creates an illusion of outbreaks in the unvaccinated. The CDC's morbid distortion of death is not the only process that obfuscates data and deceives the nation. The CDC also devised a [different set of testing guidelines](#) for the vaccinated and the unvaccinated. The CDC is pushing many industries to punish the unvaccinated at their place of employment and education, forcing them to take more frequent covid-19 test swabs and nasal probes. CDC guidance allows laboratories to use a cycle threshold (CT) of 40 or greater for the unvaccinated. The CDC recommends that laboratories use a CT of

28 or less for the vaccinated. This disparate testing guideline minimizes the risk of false positives for the vaccinated, but continues to generate a pandemic of false positives in the unvaccinated, artificially raising the number of cases for the unvaccinated.

The CDC forces healthy people to take falsely calibrated covid tests, resulting in [false reports of outbreaks](#). Meanwhile, the CDC only reports covid cases in the vaccinated if these cases are 15 days past the second dose vaccine and only if these cases result in hospitalization or death. This fraud is further exacerbated by another cavalier rule by the CDC, which allows hospitals to claim covid-19 is the cause of hospitalization or death, when it cannot be ruled out or [is suspected of causing the illness](#).

Covid-19 was the sole cause of death for only six percent of the reported covid-19 deaths in 2020, revealing widespread medical fraud. Former CDC chief, Robert Redfield [blew the whistle in a hearing](#) by the House Oversight and Reform Select Subcommittee on the Coronavirus Crisis. He said hospitals are given a “perverse economic incentive” to inflate covid deaths in the unvaccinated. There are hundreds of common infections that are still being reported as covid-19, as evidenced by the [near eradication of hundreds of thousands of influenza cases in 2020](#). **All this medical fraud, force and deception paints a harrowing picture: the CDC is part of a VAX-all agenda and is desperately trying to cover up for crimes against humanity.**

In this interview, Dr. Peter Breggin — known as “the conscience of psychiatry” for his instrumental role in preventing the return of lobotomy as a psychiatric treatment in the early 1970s — discusses his latest book, [“COVID-19 and the Global Predators: We Are the Prey,” available on wearetheprey.com](#).

There’s no doubt anymore that we are in the middle of the biggest, most effective propaganda war in the history of the world. Nothing even comes close. As a result, a mass psychosis has developed, where many normally rational people have completely lost their capacity to reason. You can show them reams of solid indisputable information and they’ll simply refuse to believe any of it. What’s at the heart of this mass psychosis? Breggin explains:

“It’s extremely important to get over this attempt to make us all helpless, obedient and docile. We have to know, who are the masters driving this? On the other hand, we have to understand the mechanisms for this [manipulation] ... It’s a subtle reign of terror ... We’re looking at a revolution against us that wants to make us feel helpless like children.

In psychotherapy, we often see people who’ve been terribly abused by their parents, but they cannot face it. They can’t identify it as evil ... We can’t bear to think there are people out to harm us and manipulate us. You can’t bear to think

there are people different from us — people who actually take pleasure from injury and domination ...

So, I want to identify first who these people are. Who's doing this to us? It's time to face it and to get rid of the idea that this is chance, or is this is crazy, or this is bizarre, or this makes no sense.

How does it make sense that they're absolutely ignoring the fact that, in America, we now have over 14,000 reports of deaths from the [COVID] 'vaccine' and no one is investigating it? No one's doing anything. In the years before this, if a vaccine had more than 20 or 30 [deaths], and certainly over 100, it would be a catastrophe.

Now we have a vaccine that has more deaths than all the other vaccines put together. How can we ignore that? On the other hand, we get all these huge [falsely inflated] numbers of deaths from COVID-19 ... So, we're looking at this situation and [asking] is that crazy?

Well, no, it makes perfect sense. If you're trying to intimidate and overwhelm a population, you exaggerate the danger. You take a flu-like illness that is safer than the flu in terms of how it spares children and young adults and attacks people my age, I'm 85. [It's] killing people who are already past their predicted lifespan. So, you take this relatively benign epidemic and make it into a horror show by exaggerating everything."

What's the Goal?

The question that must be asked and answered is: What is the goal? We can determine the goal by looking at what we know. We know:

Health leaders are ignoring COVID job injuries and deaths

They do not want anyone to use early treatment. They've done everything in their power to dismiss and vilify any and all potential treatments, from vitamin D to hydroxychloroquine and ivermectin

Western countries that have been icons of freedom and liberty are being hit the hardest by the pandemic and put under the harshest countermeasures

The risk of dying from COVID-19 is less than 0.5% for all but the very old who have multiple comorbidities

Vaccine makers have no financial liability for vaccine injuries and deaths

Government started out enticing people to get the experimental shot using a variety of bribes, then moved on to forcing the shots using threats such as loss

of employment, higher health insurance rates, loss of travel privileges, loss of right to health care in general and more

The PCR test cannot be used to diagnose COVID-19; the FDA recalled the Innova Antigen Rapid Test in mid-June 2021¹ and the CDC has withdrawn the FDA's Emergency Use Authorization of the CDC 2019-Novel Coronavirus (2019-nCoV) Real-Time RT-PCR Diagnostic Panel, as of December 31, 2021,² due to its inaccuracy

What do these facts, taken together, tell us? What are “the powers that be” getting out of this? Breggin explains:

“The spike protein is the spearhead of an assault on humanity. That has nothing to do with COVID-19 whatsoever, but is planned through COVID-19 in order to vastly increase the wealth of numerous institutions and individuals ... many of them unfortunately originating from America, who are working in collaboration with the communist, Chinese Communist Party, to increase this vast exploitation of the world ...

The Chinese have been sinking their teeth into us for a long time, because we are the seat of liberty in this world ... So, it all begins to make sense ... The forces are most locked into those of us who are now free, and they're aiming to destroy us. This is terrifying, but it shouldn't make you ... helpless. It should rouse you to look with reason at what is happening in the world.”

The Decade of Vaccines

In 2010, Bill Gates announced “the decade of vaccines.” A partner in that declaration was Dr. Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases (NIAID), as well as a number of other globalists, including the United Nations.

A decade later, we have COVID-19. Is that a coincidence? In 2015, a scientific paper³ assured that gain-of-function researchers had the means to create a pandemic. This research was funded by the NIAID and carried out by two top Chinese researchers at the Wuhan Institute of Virology (WIV) and, according to Breggin, all scientists in China work on behalf of the Chinese Communist Party (CCP).

“It's called military civil fusion,” Breggin says. “They all work together ... That's the nature of the totalitarian state. People don't realize that, but Fauci had to know he was funding a potential pandemic virus.

In fact, in the last few days, it's come out from his emails obtained through a Freedom of Information Act (FOIA) request ... that he actually gave them

instructions for how to combine ... several SARS-Cov-type virus systems to make an actual source code.”

COVID Shot Failure Was Entirely Predictable

According to Breggin, the CCP has been working with SARS-CoV-type viruses since at least 2003, and there have been four different leaks of SARS viruses since then.

“So here we have China and America making what are essentially biological weapons, the excuse being, ‘We’re going to make vaccines.’ But ... the vaccines aren’t going to work and they know it, because the coronavirus mutates all the time.

So, if you make a vaccine for the Chinese virus, it’s not going to last long because it’ll just help force these mutations to come out because if you’re suppressing [strain] of a virus, then one of the many others that are floating around will take its place ...”

Bill Gates’ Pandemic Business Plan

The failure of the COVID shots was predicted by many physicians and scientists well before the middle of 2020, and there’s virtually no chance the vaccine makers were unaware of the many objections brought forth, and the scientific rationale behind them.

“So, Bill Gates knows, in 2015, that a pandemic virus can be made and [that] labs in China and the U.S. are collaborating and he knows Fauci, who’s been his key guy since at least 2010. So, Gates, in 2016, creates a business plan. I don’t know how I found this one. I think it was God just pulling the strings of my fingers, but I pulled out of [Klaus] Schwab’s website [Bill Gates’ business plan for the world for the next pandemic](#).

It’s about 65 pages long. You can find it on my website. Go to the coronavirus resource center on breggin.com and then look for the [background materials for the book](#), and you will become one of the first people in the world outside of the predators to see the business plan they made in 2016.

That business plan lays out everything that’s happening to us now. In particular, it lays out that Bill Gates will be working with CEPI [Coalition for Epidemic Preparedness Innovations], an organization that Gates founded in 2017 — but that he’s describing in 2016 — with Schwab, the man who will eventually announce the Great Reset in 2020 that he’s been working on his whole life.”

In that document linked above, “CEPI Preliminary Business Plan 2017-2021,” it is stated that the drug industry will incur no expenses during the coming pandemic. All expenses, including indirect costs, will be covered. Yet another document

describes the enormous profits expected. Gates' business plan also describes the creation of what eventually became Operation Warp Speed.

In July 2017, [CEPI created a PowerPoint presentation for the World Health Organization](#), which you can also view on Breggin's website. That presentation reviews Gates' plan and explains the WHO's role in setting the standards for pandemic science and medicine.

Amazingly, the PowerPoint includes a statement that CEPI has created a Memorandum of Understanding of what the WHO is. According to Breggin, that's "the next thing to an absolutely binding contract with the WHO."

Who Are the Predators?

In his book, Breggin also details the other partners in this scheme, which include the U.S. Food and Drug Administration, the U.S. Centers for Disease Control and Prevention, the National Institutes of Health, NIAID and the Biomedical Advanced Research and Development Authority (BARDA).

In short, the evidence points to the COVID-19 pandemic — with all the senseless and irrational decisions made in its name — being a scheme to enrich certain individuals, companies and organizations at the expense of everyone else.

"Rick Bright, [director of] BARDA, was key, a point man, [in] preventing everybody from having easy access to very effective treatments," Breggin says. "Again, why? Because it was a decade of vaccines. It's all it was ever about. It was never about anything else. [It was always about] finding a way to get rich and powerful."

So far, then, we can list the following predators:

Bill Gates and his organizations	Klaus Schwab and the World Economic Forum (WEF)
Drug companies	Fauci and the NIH/NIAID
The Wellcome Trust	FDA
CDC	BARDA
The WHO	

What Are the Predators Working Toward?

So, just what are they working toward? In videos dating back to 2017, Gates discusses the development of RNA vaccines. Fast-forward to 2020, and mRNA injections were the immediate choice for the fast-tracked COVID shots. And, as

detailed in Gates' business plan, Pfizer and Moderna were both given billions of dollars from the U.S. federal government through BARDA and the NIH/NIAID.

Don't get scared. Get angry, but don't get demoralized. They want that. You know, there's a whole school of public health that talks about how to intimidate and engender fear to get people to do what you want. It's called fear appeal. So, it's systematic, and public health people have always been totalitarian in nature. ~ Dr. Peter Breggin

This, despite the fact that no mRNA injection has ever made it to market before this, and the fact that no coronavirus vaccine has ever made it to market in the 20 years they've been working on it. For some reason, coronavirus vaccines routinely cause severe illness and increased lethality when exposed to the wild virus, a phenomenon known as antibody dependent enhancement (ADE).

In his book, Breggin cites a 2020 paper by independent researchers warning that all of the COVID vaccines, not just the mRNA and the DNA shots but also those using killed viruses, are too dangerous to even try on humans.

“So, they know all of this,” Breggin says. “There are no surprises to them. They knew what they were doing ... But don't get scared. Get angry, but don't get demoralized. They want that. You know, there's a whole school of public health that talks about how to intimidate and engender fear to get people to do what you want. It's called fear appeal.

So, it's systematic, and public health people have always been totalitarian in nature. It's all about public health people telling the communities what they must do come the next public health threat. They don't say preserve the Bill of Rights. They don't say, ‘make sure we check this out in the courts or a body supervising us for our ethics to protect the folks.’”

Recognize the Abuse, Then Stand Up Against It

So, how can we break the mass psychosis spell that so many are currently under, which makes them unable to see reality and understand that complying with the globalist predators will result in their own ruin? Breggin comments:

“Human beings are born into a state of helplessness ... And the reason for that, I believe, is that we are a social animal. The brain doubles in size in the first year of life, which occurs in a social environment. So, we have a social brain. We are very tied to each other. That's the whole purpose of that socialization, that slow growth, that dependency over the years ...

Being social allowed us as an extended family to survive and to be different than all other creatures. It's our social relationships that make us unique. They also give us our pleasure.

In the grief now built into all of us is that potential for feeling very helpless. We can become in moments [like] little children again. When we start feeling guilt or shame or anxiety or overwhelmingly afraid, we can easily become helpless. And that's basically what's going on. I think it's fine to call it a psychosis, but I prefer to call it an overwhelming helplessness that overcomes the nation.

Now, if in childhood you're abused, then that helplessness remains with you into adulthood. That's how powerful those early years are, and you have to work hard to overcome it ... We to identify what was done to us. If you're an adult, it really helps to identify that, yes, you were sexually abused or, yes, you really were bullied by your older brother or your big sister ...

You look back and you see what's going on and what happened. And that helps you ... We are being oppressed by evil people. Nothing is by chance. We might as well be children being tormented. We have to say to each other, 'No more. No more helplessness, no more lamenting, no more complaining, no more saying What's happening to us? It's very clear, what's happening to us.'

It's not crazy. It's intentional and purposeful and we must stand up to it. We must understand and not allow ourselves to be abused and rendered out again. We need to give each other comfort and love and inspiration. We need to support from a tactical viewpoint.

We need to get involved together. [My wife] Ginger and I made the terrifying decision to take on COVID-19 ... [and] join many other people fighting for America's freedom. It was a scary choice, but once we did, we started meeting tons of people.

I never imagined knowing Peter McCollough, a great cardiologist who wrote an introduction to [my book], who risked his life and his whole reputation to declare that there is a good treatment ... We're all re-founders of America in a critical moment in time.

And instead of feeling sorry for ourselves, think to yourself, 'God put us in a place where we can make one of the hugest differences, or we can have effects beyond anything we imagined' ... We need to know that there is a war against us ... They have a stealth war against us ... So be proud, be an American, be a patriot. Stand up for liberty.

Look at the Declaration of Independence, the Constitution, especially the Bill of Rights. That's your legacy. You were throwing it away. You were doing nothing to protect it, probably since the civil war. This is the biggest threat to freedom in America. And it's much bigger than the civil war. It's a war against all of Western democracy."

More Information

As made clear in Breggin's book, "[COVID-19 and the Global Predators: We Are the Prey](#)," the end goal is complete totalitarian control of all nations, very similar to the kind of societal control already in place in China, and unless we unite against the implementation of this plan, there will be no happy ending for any of us.

It's not going to be easy, because the globalist predators have infiltrated government, NGOs, academia, entertainment, business and every other major aspect of American life. The way forward will necessitate taking back control over each and every area, one by one.

In the days just after this interview, President Biden made clear his intention to force vaccinate Americans by mandating corporations with 100 employees or more to require COVID vaccination or face fines. It's as unconstitutional as you can get, but he's doing it anyway because, again, the end goal is totalitarianism and the means is medical tyranny.

We can also see that COVID-19 was nothing more than a means to an end because the same globalist elite are now calling for sanctions on the world to combat the health threat of global warming.

More than 200 journals, including The Lancet, The New England Journal of Medicine⁴ and The BMJ simultaneously published the identical editorial calling for "society-wide changes" in the name of saving the environment. Interestingly, one of the authors, Richard Smith, chairs The Lancet Commission on the Value of Death. As noted by Breggin:

"It is quite stunning and signals that the lockdowns, passports and other abuses will continue and be ramped up as people catch on to the fraud behind COVID-19. Such a spectacular coordinated effort to get worldwide medical and health journals lockstep into progressive and globalist goals for humanity is astonishing and requires the disclosures in our book to explain."

"COVID-19 and the Global Predators" is being self-published and is only available on [wearetheprey.com](#) for the time being. At 650 pages, it's a big book, and it goes over the chronology of how we got here, from start to finish. It also has a detailed index, so you can look up names and organizations.

Data released Sept. 17 by the Centers for Disease Control and Prevention (CDC) showed that between Dec. 14, 2020 and Sept. 10, 2021, a total of [701,561 adverse events](#) following COVID vaccines were reported to the Vaccine Adverse Event Reporting System (VAERS). The data included a total of [14,925 reports of deaths](#) — an increase of **419** over the previous week.

There were [91,523 reports of serious injuries](#), including the reports of deaths, during the same time period — up 3,352 compared with the previous week.

Excluding “[foreign reports](#)” filed in VAERS, [559,462 adverse events](#), including [6,756 deaths](#) and [43,073 serious injuries](#), were reported in the U.S. between Dec. 14, 2020 and Sept. 10, 2021.

Of the 6,756 U.S. deaths reported as of Sept. 10, [12% occurred](#) within 24 hours of vaccination, [17% occurred](#) within 48 hours of vaccination and [31% occurred](#) in people who experienced an onset of symptoms within 48 hours of being vaccinated.

In the U.S., 378.2 million COVID vaccine doses had been administered as of Sept. 10. This [includes](#): 216 million doses of [Pfizer](#), 148 million doses of [Moderna](#) and 15 million doses of [Johnson & Johnson \(J&J\)](#).

The data come directly from reports submitted to VAERS, the primary government-funded system for reporting adverse vaccine reactions in the U.S.

Every Friday, [VAERS](#) makes public all vaccine injury reports received as of a specified date, usually about a week prior to the release date. Reports submitted to VAERS require further investigation before a causal relationship can be confirmed.

This week's U.S. data for 12- to 17-year-olds show:

- [19,827](#) total adverse events, including [1,169 rated as serious](#) and [19 reported deaths](#). Two of the 19 deaths were suicides.

The most recent death involves one report of two patients [VAERS I.D. [1655100](#)] who died after their second dose of Pfizer, including a 13-year old female.

Other recent reported deaths include a 15-year-old boy (VAERS I.D. [1498080](#)) who previously had COVID, was diagnosed with cardiomyopathy in May 2021 and died four days after receiving his second dose of Pfizer's vaccine on June 18, when he collapsed on the soccer field and went into ventricular tachycardia; and a 13-year-old girl (VAERS I.D. [1505250](#)) who died after suffering a heart condition after receiving her first dose of Pfizer.

- [2,972 reports](#) of anaphylaxis among 12- to 17-year-olds with 99% of cases attributed to [Pfizer's vaccine](#).
- [488 reports](#) of myocarditis and pericarditis (heart inflammation) with [481 cases](#) attributed to Pfizer's vaccine.
- [106 reports](#) of blood clotting disorders, with all cases attributed to Pfizer.

This week's U.S. VAERS data, from Dec. 14, 2020 to Sept. 10, 2021, for all age groups combined, show:

- 20% of deaths were related to cardiac disorders.
- 54% of those who died were male, 42% were female and the remaining death reports did not include gender of the deceased.
- The [average age](#) of death was **72.9**.
- As of Sept. 10, [3,650 pregnant women](#) reported adverse events related to COVID vaccines, including 1076 reports of [miscarriage or premature birth](#).
- Of the [2,783 cases of Bell's Palsy](#) reported, 50% were attributed to [Pfizer](#) vaccinations, 42% to [Moderna](#) and 8% to [J&J](#).

- [2,452 cases](#) of myocarditis and pericarditis with [1,545 cases](#) attributed to Pfizer, [806 cases](#) to Moderna and [93 cases](#) to J&J's COVID vaccine.

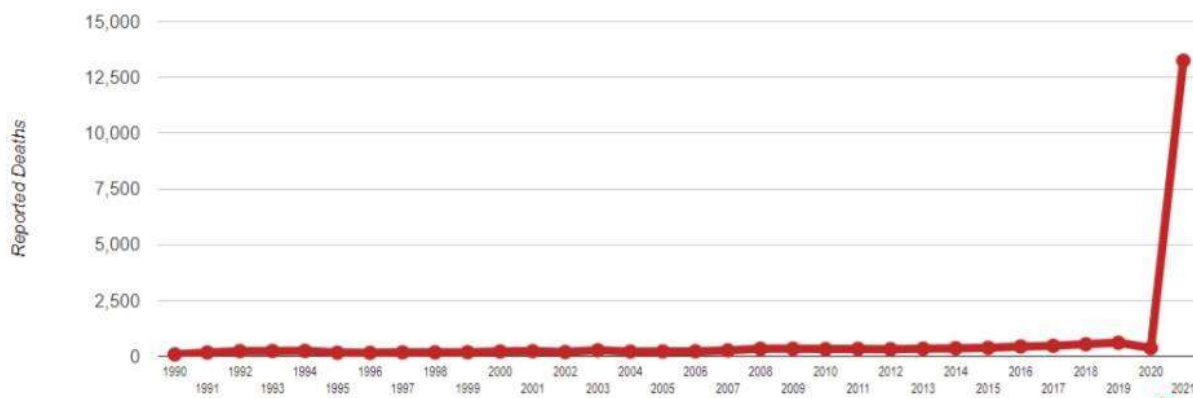

FDA panel overwhelmingly rejects Pfizer boosters for healthy people 16 to 65 years old.

On Sept. 17, a panel of scientific advisors to the U.S. Food and Drug Administration (FDA) [voted 16 to 2 against](#) recommending a third shot of Pfizer's [COVID vaccine](#) for healthy people 16 and older, but [voted unanimously](#) in favor of recommending the booster shot for the immunocompromised and all people 65 or older.

The vote came after a sharp debate in which many of the panel's independent experts, including infectious disease doctors and statisticians, challenged whether the data justified a broad rollout of extra shots when the vaccines appear to still offer robust protection against severe COVID-19 disease and hospitalization, at least in the U.S.

17, 2021, where dissenting doctors and researchers were able to present material showing how dangerous the COVID-19 vaccines are, going against the current corporate media narrative that has worked hard to suppress this data. See: [**BOMBSHELL: FDA Allows Whistleblower Testimony that COVID-19 Vaccines Are Killing and Harming People!**](#)

One of the presenters in that open session was Steve Kirsch, the Executive Director of the COVID-19 Early Treatment Fund, who stated that “expert analysis” revealed that over 150,000 people have died in the U.S. following a COVID-19 injection.

Well it appears that the “expert analysis” he was referring to was from Dr. Jessica Rose, who was also present at this committee meeting, and I included her 2 minute presentation as well [**in our report**](#) and in the video we compiled.

Dr. Jessica Rose has a BSc in Applied Mathematics and completed her MSc in Immunology at Memorial University of Newfoundland in Canada. She completed her PhD in Computational Biology at Bar Ilan University and then did her first Post Doctorate at the Hebrew University of Jerusalem in Molecular Biology.

I have retrieved the report she compiled which is [**located here**](#), and I am reproducing it below as well. The Abstract states:

Abstract: Analysis of the Vaccine Adverse Event Reporting System (VAERS) database can be used to estimate the number of excess deaths caused by the COVID vaccines. A simple analysis shows that it is likely that over 150,000 Americans have been killed by the current COVID vaccines as of Aug 28, 2021.

If you are thinking that this is a simple analysis by using published comments from the past about what the percentages are for under-reporting vaccine adverse reactions, you would be making a false assumption.

This is maybe the most brilliant analysis of the VAERS data I have seen so far. What Dr. Rose did was take an independent analysis of a single VAERS event, one that the FDA and CDC admitted was an adverse reaction based on trials before the shots were even authorized, anaphylaxis, and then looked at independent studies reporting the rate of anaphylaxis to determine the true percentage, compared to what is actually being reported in VAERS.

What she found was that anaphylaxis was being under-reported in VAERS by 41X. Taking that variable and then applying it to other events, such as death, she arrived at the 150,000 death figure. See the full analysis below.

If this is a truer estimate of how many people are dying in the U.S. following COVID-19 shots, that means millions are dying worldwide due to these shots over the last 9 months.

Besides the plethora of anecdotal stories that we and others are reporting of formerly healthy people dying shortly after receiving a shot, one area where these massive amounts of deaths may show is in the labor force. Since so many employers are mandating these shots as a condition for employment, we would expect there to be massive labor shortages around the world as a result of these deaths.

And in fact, that is exactly what we are seeing, and the forecast for the immediate future is that these labor shortages are just going to get worse as now the U.S. has mandated that all federal employees and employees of companies employing more than 100 people must mandate a COVID-19 shot as a condition for employment, which means they will now reduce the labor force among the *unvaccinated*, just after the vaccinated have had massive casualties already negatively impacting the labor pool.

This is a global disaster that is probably unparalleled in human history!
Your Food Prices Are at Risk as the World Runs Short of Workers
by [Bloomberg](#)

Whether it's fruit pickers, slaughterhouse workers, truckers or waiters, the world's food ecosystem is buckling due to a shortage of staff.

Across the world, a dearth of workers is shaking up food supply chains. In Vietnam, the army is assisting with the rice harvest. In the U.K., farmers are dumping milk because there are no truckers to collect it. Brazil's robusta coffee beans took 120 days to reap this year, rather than the usual 90. And American meatpackers are trying to lure new employees with Apple Watches while fast-food chains raise the prices of burgers and burritos.

Whether it's fruit pickers, slaughterhouse workers, truckers, warehouse operators, chefs or waiters, the global food ecosystem is buckling due to a shortage of staff. Supplies are getting hit and some employers are forced to raise wages at a double-digit pace. That's threatening to push food prices — already heated by soaring commodities and freight costs — even higher. Prices in August were up 33% from the same month last year, according to an index compiled by the United Nations' Food and Agriculture Organization. ([Full story.](#))

So if we are facing labor shortages already due to a high rate of deaths and injuries from those who already received a COVID-19 shot, what is going to happen when we see massive layoffs of the unvaccinated in the next few weeks? Some police departments are already stating that they [could lose up to half their force as so many officers would rather quit than take the shot.](#)

What do you think is going to happen to the nation's hospital system where many nurses who have refused the COVID-19 shots have already said they are willing to be fired when these mandates kick in?

I have been criticized by some for using the word “millions” in this article we published earlier this month:

[Crisis in America: Millions of Veteran Nurses are Resigning or Being Fired Over COVID Vaccine Mandates](#)

But I am NOT exaggerating or using hyperbole when I use that word. Do the math people!!

There are about 4 million registered nurses in the U.S., about another million certified LPN/VPNs, close to another million CNAs, and then all the nursing assistants and other nurse support staff.

The corporate media in most locations are reporting that anywhere from 20 to 50% of these nursing employees are refusing the COVID-19 shots, while the nurses themselves claim that numbers are much higher, in some instances as high as 80% that are refusing the shots.

Remember, many of these work on the frontlines in ICUs and ERs, and so they KNOW how many people are actually dying and being injured by these shots, and it is totally reasonable that a large percentage of them value their own lives more than their jobs.

There are already reports of overcrowding in the nation’s ICUs, and the criminal health agencies are trying to blame this on the “unvaccinated” which is absurd!

As of last Friday, [VAERS is reporting](#) over 60,000 hospitalizations and over 80,000 visits to ERs following COVID-19 shots, and if the VAERS data is being under-reported by a factor of 41X, that means the real numbers are closer to 2.5 million hospitalizations, and 3.3 million trips to the ER following COVID injections.

We are looking at a potential worldwide major catastrophe facing us in the weeks ahead. See:

[We are Living Through the Greatest Scam and Cover-up in Human History – Are You Prepared for What Comes Next?](#)

Here is Dr. Jessica Rose’s excellent research. Remember, this was submitted to the FDA and CDC and is now a matter of public record.

Estimating the number of COVID vaccine deaths in America
by [Jessica Rose, Mathew Crawford](#)

Abstract: Analysis of the Vaccine Adverse Event Reporting System (VAERS) database can be used to estimate the number of excess deaths caused by the COVID vaccines. A simple analysis shows that it is likely that over 150,000 Americans have been killed by the current COVID vaccines as of Aug 28, 2021.

The Vaccine Adverse Event Reporting System (VAERS) database is the only pharmacovigilance database used by FDA and CDC that is accessible to the public. It is the only database to which the public can voluntarily report injuries or deaths following vaccinations. Medical professionals and pharmaceutical manufacturers are mandated to report serious injuries or deaths to VAERS following vaccinations when they are made aware of them. It is a “passive” system with uncertain reporting rates. VAERS is called the “early warning system” because it is intended to reveal early signals of problems, which can then be evaluated carefully by using an “active” surveillance system.

Summary

Using the VAERS database and independent rates of anaphylaxis events from a Mass General study, we computed a **41X under-reporting factor** for serious adverse events in VAERS, leading to an estimate of over **150,000 excess deaths caused by the vaccine.**

The estimates were validated multiple independent ways.

There is no evidence that these vaccines save more lives than they cost. Pfizer’s own study showed that adverse events consistent with the vaccine were greater than the lives saved by the vaccine to yield a net negative benefit. Without an overall statistically significant all-cause mortality benefit, and evidence of an optional medical intervention that has likely killed over.

150,000 Americans so far, vaccination mandates are not justifiable and should be opposed by all members of the medical community.

The rest of the report is analytical and mathematical in reference and not of specific need for the reader’s benefit, and so I did not include it.

The Vaxxes are the **Biblical Mark** of the Beast of Revelation 13:17; 14:9, 11; 15:2; 16:2; 19:20; and 20:4! [Pay close attention]

This will likely surprise many who have been hoping it was not so, but we have ample evidence to the effect that the Vaxxes; **all four, AstraZeneca, Moderna, Pfizer, and J&J contain Graphene Oxide, a poison that will be part of the QuantumDot: Hydrogel ID2020.** I saw it coming twenty-two years ago when the “Digital Angel” was unveiled on the NBC “Today” morning news. The company that produced the “Digital Angel” went bankrupt from financial problems and then IBM bought the company and its patents and research work. **Since 2002, IBM and Bill Gates of Microsoft teamed up to produce what is known today as the “QuantumDot:Hydrogel ID2020”.** **This is the Biblical “MARK” of the Beast System.** I first wrote about this 18-months ago.

The public was self-deceived, into thinking the tiny RFID “microchip” could never be miniaturized even smaller, even to the point of being invisible to the eye. On the left below is a microchip from 2001, and on the right is a “microdot” from around 2008. The bottom is from around 2010.

Much more information on Covid Vaxxes is the “Mark” of the Beast can be found in Blessed Hope #72, posted on Thursday, September 2nd, 2021. This will take you to link: [The Blessed Hope, Part 72](#)

The bottom “microdots” have been so further reduced in size that they can only be seen under a microscope. In testimony before a government commission in Barbados, I listened a scientist stated that a present day Vaxx payload can contain 15-billion nano-particles. Once injected into the body they are capable of attaching themselves to specific targeted locations throughout the human body.

You have no way of knowing what nano-particles are in your vaxx, or for what they might be programmed to do, intentionally, or accidentally, once inside your body. People who were tested early on with the long cotton swab inserted into the upper most region of the nasal cavity were found to be placing nano-aluminum RFID locator dots which transmitted one’s GPS location.

It is at this point you need to understand how these nano-particles make the Vaxx the “Mark” of the Beast. The Vaxx contains “messenger DNA”, and when it is injected into the human body, it modifies, changes your DNA, and in essence adds a third-strand DNA. Once inside the body, there is no way to get it out of the body! Once inside the body, the “messenger DNA” spike Protein (PEG) immediately begins to self-replicate itself and takes control over your God-given DNA and immune system. Anthony Patch, a Canadian researcher and publisher of *‘Entangled’* magazine, has been researching the world of nano-technology and nano-particles. Through his research and writing he has been able to show how Covid-19 is a Retrovirus. In plain simple terms it was made into a bioweapon to cause harm!

In addition to the Graphene Oxide, there are two other toxins in the “gene” therapy being passed off as vaccines: There is the spike protein (PEG), and Polysorbate 80. All three are toxic poison. They can be injected, ingested, or inhaled into the body. The spike protein (PEG) is antifreeze and Polysorbate 80 is a cleaning solvent. Graphene Oxide is an element that will hold a magnetic +/- charge, which will be activate through 5G wireless energy as the human body is upgraded with “booster: shots intended to include a person’s personal data, financial data, and medical data as part of the New World Order! Your cell phone screen uses the Graphene Oxide as a visual image maker.

Persons contracting the Covid-19 virus do undergo an alteration to the DNA of the infected cells, the so-called “host DNA”. This is due to the insertion of retroviral HIV-1 fragments. Those who were vaxxed actually received this Retrovirus at the time they took any of the so-called vaxxes. When a person took the jab, they were given the Retrovirus.

Anthony Patch has shared in a series of You Tube videos, just how the human body is used by the “delivery system” to be changed from a human being made in the image of God into a cyborg creature, partially human and partially artificial intelligence controllable from external sources. Recall, it was Pfizer who used the term “delivery system” but all the vaxxes contain “graphene oxide”, a spike protein (PEG), and Polysorbate 80; and other toxins needed to facilitate the synthetic biology inserted for the QuantumDot:Hydrogel ID2020. To view Anthony Patch videos search on your preferred search engine, search on the term “Anthony Patch You Tube” and you will find a series of videos. Look for the one entitled: **“The Mark of the Beast is here to steal your soul!”** Watch this one first before you try to view any of the other videos he has posted.

A great deal of confusion occurred early on by what seemed to be different experiments being conducted on the public at various places around the country, as if they were part of an experiment. There was considerable controversy with the PCR tester which was also defective 95% of the time and was also found to be intentional by the Chinese maker of the PCR. This was done to create the fear factor with the public that led to the public thinking they needed a “vaccine” to cure this virus. It was all rigged to create fear porn. I have been saying for months that **“the virus was created for the vaccine”**,

meaning that the so-called Vaxxes were created years before this fake pandemic was executed. It has been known for some time that the so-called Covid virus was patented as early as 2003.

If you do not learn anything that I have shared in this series, do not allow yourself to be vaxxed and do not submit to nasal swab tests or any future booster Vaxxes. Pfizer pharmaceutical is on record now and that people will need booster shots every six months. The booster shots are needed for several reasons: **1. To trick the human immune system in accepting the package contained within the Vaxx,** and **2. To upload more Graphene Oxide into the individual.**

Pfizer two months ago posted earnings of \$5,000,000,000 for the latest quarter (\$5 billion) earnings report. WOW: Moderna Calls for 3rd Shot of Vaccine to Protect Against New Strains — On the same day the company posts \$4 Billion 2nd Quarter Profit on Vaccine. Interestingly, Big Pharma was going broke before the Scamdemic was hatched! Are you beginning to see a familiar picture of the well-used expression “Follow the money trail?”

God built into the human body a wonderful immune system that attacks anything that is injected into the body through a needle. In previous articles, I have noted when they talk about so-called “booster” shots it will be to trick the natural immune system from expelling or rejecting the man-made vaxx toxins. The immune system goes into attack mode to destroy what has been injected into the body. Anyone that has had any sort of “transplant” surgery knows that rejection of the replacement organ is the biggest hurdle faced, and requires a “transplant” patient to take anti-rejection drugs most of their remaining days of life.

The evil pharmaceutical industry will profit on the greater plan of killing people by people and governments having to purchase their own poisoned vaccine for their own death by the hypodermic needle payload injected into a person’s shoulder. How diabolical this entire plan was created.

The CDC and NIAID directors are placing the blame of reinfections of those already vaccinated on the unvaccinated public in an effort to force the 35% who have for their own reasons chose not take the unproven experimental “gene” therapy which never followed the protocols of testing. This-IS** a war of words being waged by those who have ulterior motives for their call for vaccine mandates. Things are only going to get worse with this kind of propaganda.**
It is part and parcel of the New World Order plan to “Depopulate” the world.

This is a war by psychopathic and sociopathic demonic liars. **We now are living in a world of mass psychosis.** Exiting from such a world is not possible due to the psychotic fear and lack of rational and logical thinking. It

feeds upon itself and the madness assumes a life of its own. Since it is global in form, it becomes an **“Extinction Level Event.”** Only Jesus Christ can break this curse!

The CDC survival rate refutes their own lies! The chart **below** is from the CDC’s own statistics. This is all about **“Mass Murder”** by needle, and the plan to exterminate as much of the population through what I have shared.

Editorial Observations

I have been doing this “Mass Murder” series for over seven months at this point, and we have watched defined patterns forming, taking place from the reporting data, from many different sources. In Bible prophecy, **Prologue = Pattern = Prophecy**. I discuss this concept elsewhere in articles I write pertaining to Bible prophecy. As to how this concept fits into the Covid-19 scandemic, it is showing many signs of it being problematic after 18 months of it being hatched in Wuhan, China. We can say with total certainty that this SARS2-CoV19 is **NOT NATURAL!** If it is **NOT NATURAL**, then it can only mean that it is **MAN-MADE!** It was from the beginning and still is a **“bioweapon”**. This is not even debatable at this point. Yet the public has never been told this by any politician, or public health official. WHY NOT? Could it be because they have been bribed, bought and owned, or blackmailed? Or maybe it will track back to the CIA and DARPA’s work in creating an inexpensive pathogen to kill the population, and their Deagel plan to depopulate the U.S. of 260 million citizens?

Those taking the jabs are betting their life on evidence of a crime against humanity. Proof of this can be found in Dr. Len Horowitz’s scathing report on the Fauci e-mails, linking an international criminal scheme to depopulate on a global scale. **“EXPLOSIVE EXPOSURE of COVID NATIONAL SECURITY ‘CRIME’ SYNDICATE!”**. You will find it posted on my web page www.pastorbobreid.com for 7/8/21.

Dr. Len Horowitz is the author of '*Emerging Viruses: AIDS And Ebola, Nature, Accident, or Intentional*'. The scientific community has known about **The "Indian-research paper"** on Covid-19 published, but retracted under pressure by Dr. Anthony Fauci published in March or early April of 2020, revealed the virus had 4 insertions of the HIV genome (18 fragments) + 4 fragments of SARS2, hence refutes the premise of the CDC, NIAID, NIH, and WHO claiming it was a rogue novel virus! We learned from the Dr. Fauci e-mails, it was Dr. Anthony Fauci who pressured the Indian scientists to remove their paper or lose future finding for research if they did not withdraw their lab findings. I have in my possession a publication that shows the actual DNA sequencing genome which I highlighted above in yellow for which the 2008 Nobel Peace Prize in Medicine, Dr. Luc Montagnier, has confirmed this virus was engineered with **"Gain-of-Function"** to make it more harmful than the common cold it was made from.

Dr. David L. Martin was interviewed by German attorney. Reiner Fuellmich three weeks ago and Internet censors pulled the video shortly after it aired on Monday July 12, 2021. Dr. Martin showed the evidence this was patented multiple times since 2003! I saved transcripts of the interview and it is highly revealing of a criminal RICO Act case unlike the world has ever experienced. Reiner Fuellmich is known for his exposing and defeating Volkswagen in a multi-billion dollar fine against the Volkswagen Corporation for rigging EPA tests involving Volkswagen diesel-equipped vehicles a few years ago.

We also know that it is a **"Depopulation" Genocidal Weapon**, as the Vaxxes attack the reproductive organs of both male and female, predominantly female. 82% of pregnant mothers who received the Vaxx spontaneously aborted or miscarried.

We also know the **highest death rates are among the elderly**. Every report from Robert F. Kennedy's Children's Health Defense report in '*The Defender*' reports the average age of those who have died is currently at **72.9 years**. If you go back and read each of the weekly reports, the average age of all deaths is consistently in this age range. It has not deviated by much more as a single percentage point until this past five week when it dropped to **72.9 years**.

My observations here will be updated as need be in the coming weeks. We can only speculate as to who and what the motives are behind this scamdemic, and hell-bent agenda of a **"needle in every arm"** statement by Klaus Schwab of the World Economic Forum made last year. At this point, there is a growing list of scientist, researchers, and doctors, virologists coming forth and exposing the global tyranny with threats by Joe Biden and his handlers suggesting that companies and institutions impose mandate lockdowns, thus circumventing government limitations.

Everyone sees the Covid-19 story from different and even unique perspectives. I have studied it for what I knew it was right from the beginning, a **"Depopulation"** agenda the world was presented in the Georgia Guidestones located in Elberton, GA. The very first of the secular statements was there were too many people and the stated plan was to bring it down from 7.8 billion to a "nice size" of 500,000,000. The nagging question has always been in how they planned to achieve their goal. Well, now we know!

(Natural News): When physicians receive their medical license, they must pronounce their intellectual devotion and allegiance to the vaccine industry and its myriad of false narratives. Any healthcare professional who dares question “the science” risks losing their medical license. Any doctor who speaks out-of-line against forceful vaccine propaganda could be stripped of their title; their career destroyed; their reputation smeared.

PFIZER COLLUSION: Fauci says deadly spike protein injections should be mandatory for all children under age 12
Tuesday, August 31, 2021 by: [Ethan Huff](#)

([Natural News](#)) Tony “Dr. Death” Fauci is [back in the fake news](#) pushing “vaccinations” for the Wuhan coronavirus (Covid-19).

Speaking to CNN lisper Jake Tapper during a recent CNN appearance, Fauci went off about how all children, regardless of age, should get injected for Chinese Germs in order to keep everyone “safe” against the *plandemic*.

“I believe that mandating vaccines for children to appear in school is a good idea,” Fauci proclaimed – *watch the video below.* **Where is the evidence for that statement?**

Dr. Fauci is a delusional crazed criminal or a psychopath to mandate vaccines for children given the evidence of the vaccine harm vs the recovery rate under natural immunity. This is medical madness at its refuting the true science. The world hunted down the Nazi Doctor Death, Joseph Mengela for his evil experiments upon innocent children and babies. A movie was made about Dr. Death Mengela, *“The Boys From Brazil”*.

To mandate vaxxes of the young is another Crime Against Humanity! This man does not have a soul!

According to Fauci, mandating [Donald “father of the vaccine” Trump’s “Operation Warp Speed” shots](#) is no different than forcing a polio or an MMR injection on a child.

“We have mandates in many places in schools, particularly public school, that if you want a child to come in – we’ve been doing this for decades and decades,” Fauci rambled.

“This would not be something new requiring vaccinations for children to come to school,” Fauci added, stating plainly that he believes Wuhan Flu shots *“should be a requirement to attend public school.”*

Fauci says *“fully vaccinated”* Americans should wear masks outside. As for continuing to wear a mask, Fauci supports this as well, even for those considered to be *“fully vaccinated.”*

When asked by Tapper what he thinks of Oregon Gov. Kate Brown’s reimposition of an outdoor mask mandate for the Beaver State, Fauci said that some “circumstances” require that fully injected people continue to wear a mask even when they are outside.

In Fauci’s opinion, getting jabbed makes no difference as far as one’s risk of catching or spreading the Fauci Flu, thus everyone should probably continue masking in order to “flatten the curve.” Meanwhile, one of the things we know is capable of curing the Chinese Disease, Ivermectin, remains [nearly off limits](#) in the United States and elsewhere because it threatens the *plandemic* agenda of mandatory injections and the forever wearing of masks.

Fauci cares about your life and the lives of your children about as much as an axe murderer cares about his victims, in other words. All Fauci wants is for you to obey his psychopathic orders, no matter how insane they are, or else you hate “science.”

“God hates those who harm children,” wrote one commentator at *‘Citizen Free Press’* about Fauci, reserving some choice words for that gnomish ghoul.

“What kind of rocks do these pathological scumbags crawl out from under?” asked another. ***“Protected by the media and the other evil elites like himself ... they all need to feel the terror for themselves that they seem all too happy to inflict on us.”***

Another pointed out that none of the heads of Pfizer, Moderna, or the other vaccine corporations currently pushing these jabs have gotten injected themselves. Why is that?

‘The Corona panic is a play. It’s a scam. A swindle. It’s high time we understood that we’re in the midst of a global crime.’

They also organize mass protests in Europe, like the one on August 29, 2020 where 12 million people signed up and several millions actually showed up.

Why do these 500+ medical doctors say the pandemic is a global crime? What do they know, that we don't?

In Spain a group of 600 medical doctors called 'Doctors for Truth', made a similar statement during a press conference.

'Covid-19 is a false pandemic created for political purposes. This is a world dictatorship with a sanitary excuse. We urge doctors, the media and political authorities to stop this criminal operation, by spreading the truth.' (2)

Germany and Spain are just two examples. Similar large groups of hundreds of medical experts exist in countries across the world.

In the USA a documentary called [PLANDEMIC](#), which exposes COVID-19 as a criminal operation, is supported by over 27,000 medical doctors!

Why are these thousands of medical professionals worldwide saying the pandemic is a crime? What information do they have access to, that we are not getting from the mainstream media?

Millions Of COVID-19 Test Kits Sold In 2017 And 2018

As we know the new COVID-19 disease appeared in China towards the end of 2019. Therefore it was named COVID-19 which is an acronym for Corona Virus Disease 2019.

Data from the World Integrated Trade Solution, however, shows something astonishing:

“in 2017 and 2018 – two years before COVID-19 – hundreds of millions of test kits for COVID-19 were distributed worldwide.”

‘Quick! Hide It!!’

This baffling data was discovered by someone on September 5, 2020, who posted it on social media. The next day it went viral all over the world.

On September 6 the WITS suddenly changed the original designation ‘COVID-19’ into the vague ‘Medical Test Kits’.

This is not allowed in trade, because you always have to be specific. There are many types of test kits for different diseases.

The fact that they removed the specification ‘COVID-19’, after this data became known worldwide, proves that they don’t want anyone to know about it.

They however forgot to delete one detail: the product code for these ‘Medical Test Kits’ is 300215 which means: ‘COVID-19 Test Kits’.

HS Nomenclature used HS 2017
HS Code 300215: COVID-19 Test kits
 HS Classification Reference based on Covid-19 medical supplies list 2nd edition,
 prepared by World Customs Organization (WCO) and World Health Organization (WHO)

Their cover up came too late: this critical information was uncovered and is being revealed by millions worldwide. You can [download a PDF that shows the original data of this website.](#)

In 2017 Anthony Fauci Guaranteed A Pandemic Within The Next Two Years

With complete confidence Fauci announced that during the first term of President Trump a surprise outbreak of an infectious disease would surely happen. Here's what he said: (3)

“There is NO QUESTION there is going to be a challenge for the coming administration in the arena of infectious diseases. There will be a surprise outbreak. There's NO DOUBT in anyones mind about this.”

How could Fauci guarantee a surprise outbreak to happen during the first term of the Trump administration? What did he know, that we don't?

Bill And Melinda Gates Guaranteed An Imminent Global Pandemic

In 2018 Bill Gates publicly announced that a global pandemic was on it's way that could wipe out 30 million people. He said this would probably happen during the next decade. (4)

Melinda Gates added that an engineered virus is humanities greatest threat and also assured this would hit humanity in the coming years. (5)

Let their choice of words resound into your mind for a moment...

They claim that the dense population of the world guarantees this imminent global pandemic.

But let's be honest: most of the earth is uninhabited. Just fly over America in an airplane and look out the window. You see empty space most of the time, with a few cities here and there. Most of the United States is still wide open and empty.

The same goes for the rest of the world.

Australia, Russia, India, China, America, Africa... it's wilderness for the most part. Our planet isn't nearly as populated as Bill Gates wants us to believe.

Most of the earth is totally void of any human presence. So [the idea that the world is vastly overpopulated](#) and is therefor bound to give rise to an imminent global pandemic is a lie.

[The powers that shouldn't be also use this excuse to justify a reduction in the world's population – i.e. [depopulation](#).]

The Gates also claimed that air travel was sure to create a global pandemic. But countless people have been traveling in airplanes the past century.

Did that give rise to constant outbreaks of global pandemics? Of course not!

Their arguments why they guaranteed a global pandemic in the next few years are lies. So what is their real basis to make such guaranteed predictions?

Event 201: Practicing For A Pandemic

A few months before the outbreak, Bill Gates – the world's number 1 vaccine dealer – organized an event in New York City. Guess what the event was all about? It was a 'coronavirus pandemic exercise'.

Yes, you read that right:

Bill Gates organized a coronavirus pandemic exercise, right before it happened!

On the large display in the auditorium, you see the text printed: 'We need to prepare for the event that becomes a pandemic.' This [pandemic exercise was called Event201](#) and took place in October 2019, literally right before the outbreak.

Their conclusion was that all of humanity must be vaccinated...

Gates Excitement About Selling Vaccines In The Next Year

Shortly after this 'exercise for a coronavirus pandemic' Bill Gates tweeted: *"I'm particularly excited about what the next year could mean for one of the best buys in global health: vaccines."* – Bill Gates, Dec. 19, 2019

Think about this: the world's number 1 vaccine dealer guarantees a global pandemic to occur in the next few years, and his wife said we should all fear an engineered virus that is 'on its way'.

Then they organize an exercise for an imminent global pandemic and say vaccines will be the only solution.

Next Bill Gates tweets how excited he is about selling vaccines in the next year. Immediately after that, the announced pandemic breaks out.

Indeed, right away Bill Gates proclaims that the only solution for humanity is to buy his vaccines...

Coronavirus Pandemic Predicted In 2013

Back in 2013 a musician wrote a song called PANDEMIC. In his lyrics he described a global pandemic that kills millions, shuts down economies and gives rise to riots.

His song literally described in great detail what we are seeing in our world today, seven years later.

He even mentioned the exact year of the pandemic: 2020, and the specific type of virus: a coronavirus. (6)

**This is a line in his lyrics from 2013:
'2020 combined with CoronaVirus, bodies stacking.'**

**This song also predicted the riots that are now raging throughout America:
'The State is rioting, using the street outside. It's coming to your windows.'**

How could this musician have known in 2013 that a coronavirus pandemic would break out in 2020, and that during this pandemic riots would erupt? He explains:

'I did research back in 2012, and read the so called "conspiracy theories". You know, those investigations the media doesn't want us to look into. According to those theories pandemics were bound to happen in the decade of 2020 – 2030. So I wrote the song Pandemic about it.'

Global Preparedness Monitoring Board In Sept. 2019: 'Get Ready For A Global Coronavirus Pandemic'

In September 2019 – also right before the outbreak – the Global Preparedness Monitoring Board released a report titled 'A World At Risk'.

It stressed the need to be prepared for... a coronavirus outbreak!

On the cover of the report is the picture of a coronavirus and people wearing face masks.

In the report we read the following interesting paragraph:

'The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen.'

Did you catch that?

They have been practicing for a deliberate release of a lethal respiratory pathogen.

Outbreak From China Announced

In 2018 The Institute for Disease Modeling made a video in which they show a flu virus originating in China, from the area of Wuhan, and spreading all over the world, killing millions. They called it 'A Simulation For A Global Flu Pandemic.' That is exactly what happened, two years later.

Why did they say it would come from China? Why not Africa, where far more diseases are present? Or why not South America? Or India?

How could they know there would be a flu virus coming from China and even show Wuhan as the originating area, that would infect the whole world?

Where did the virus come from? One of the world's leading experts in bioweapons is Dr. Francis Boyle. He is convinced it originated from a bioweapon lab in Wuhan, the Bio Safety Lab Level 4.

This facility is specialized in the development of... coronaviruses!

They take existing viruses and 'weaponize' them, meaning they make them far more dangerous, to be used as a biological weapon.

Dr. Li-Meng Yan, a Chinese virologist (MD, PhD) fled the country, left her job at a prestigious Hong Kong university and became a whistleblower. She appeared on British television where she claimed SARS-CoV-2, the virus which causes COVID-19, was created by Chinese scientists in a lab – and she offered evidence to support her claims. You can read more on the subject [HERE](#).

Now comes the most interesting part:

In 2015 Anthony Fauci Gave This Very Lab 3.7 Million Dollars.

Figure this: the same man who guaranteed a surprise outbreak of a virus in the next two years, gave almost 4 million dollars to a lab that develops coronaviruses.

There are however more options in Wuhan where this virus could have originated from. Some believe it came from the Wuhan Virology Institute, where they also work on weaponizing coronaviruses.

Chinese Biological Experiments To Infect Humans With Coronavirus Exposed In 2015 By Italian State Media

Five years ago, Italian state owned media Company, RAI – Radiotelevisione Italiana, – exposed dark efforts by China on viruses.

The [video, which was broadcast in November, 2015](#), showed how Chinese scientists were doing biological experiments on a SARS connected virus believed to be Coronavirus, derived from bats and mice, asking whether it was worth the risk in order to be able to modify the virus for compatibility with human organisms.

Below is a transcription of the Italian broadcast translated in English:

Chinese Biological Experiments

Chinese scientists have created a pulmonary supervirus from bats and mice only for study reasons but there are many questionable aspects to this. Is it worth the risk? It's an experiment, of course, but it is worrisome.

It worries many scientists: It is a group of Chinese researchers attaching a protein taken from bats to the SARS virus, Acute Pneumonia, derived from mice.

The output is a super coronavirus that could affect humans. – ([Source here](#), were you can read more)

Movies Predicted The Coronavirus Pandemic

Predictive programming is the process of informing the population about events that are soon to occur.

The past years several movies and television series were produced, about... a global coronavirus pandemic!

The film 'Dead Plague' depicts a global pandemic with a coronavirus and even mentions hydroxychloroquine as the cure.

Another film called '[Contagion](#)' shows how a coronavirus spreads globally with social distancing, face masks, lock-downs, washing of hands etc. as a result.

Literally everything we see now, is predicted in detail in these movies.

Pandemic Depicted During Olympic games In 2012

Talking about predictive programming: during the opening show of the Summer Olympics in 2012, a coronavirus pandemic was played out for the eyes of the whole world.

Dozens of hospital beds, large numbers of nurses becoming puppets of a controlling system, death lurking about, a demonic giant rising up over the world, and the whole theatre was lit up in such a way that seen from the sky it looked like a coronavirus.

Worldwide Lockdown Predicted In 2008

The author and investigator Robin de Ruyter predicted in 2008 that there would come a global lockdown.

He said the purpose of this would be to create a new world of authoritarian control.

Because much of what he wrote back in 2008 is now happening right in front of our eyes, [this book has been republished](#).

Journalists Predicted Planned Pandemic

In 2014 the investigative journalist Harry Vox predicted a planned global pandemic and said why the 'ruling class' would do such thing:

'They will stop at nothing to complete their toolkit of control. One of the things that had been missing from their toolkit is quarantines and curfews. The plan is to get hundreds of thousands of people infected with it and create the next phase of control.' (7)

‘Scenario For The Future’

This renown researcher refers to a famous document by the Rockefeller Foundation in which everything we see happening now is literally predicted in great detail: the global pandemic, the lock-downs, the collapse of the economy and the imposing of authoritarian control.

It’s all described with terrifying accuracy... *ten years before it happened!*
The document is titled ‘Scenario for the Future of Technology and International Development’. (9)

That says it all: a scenario for the future. It has a [chapter called ‘LockStep’](#) in which a global pandemic is reported as if it happened in the past, but which is clearly intended as a rehearsal for the future.

The ‘Scenario for the Future’ continues with comparing two different responses to their predicted pandemic: the USA only ‘strongly discouraged’ people from flying, while China enforced mandatory quarantine for all citizens.

The first response is accused of spreading the virus even more, while the imposing of a suffocating lock-down is praised. Then it goes on to describe the implementation of totalitarian control:

“During the pandemic, national leaders around the world flexed their authority and imposed airtight rules and restrictions, from the mandatory wearing of face masks to body-temperature checks at the entries to communal spaces like train stations and supermarkets.”

Clearly the flexing of authority is the desired response. But it gets worse, according to this ‘Scenario of the Future’:

‘Even after the pandemic faded, this more authoritarian control and oversight of citizens and their activities stuck and even intensified.’

‘In developed countries, this heightened oversight took many forms: biometric IDs for all citizens, for example, and tighter regulation of key industries whose stability was deemed vital to national interests.’

Handbook For Global Control

Now that the announced pandemic is indeed here, the same Rockefeller Foundation came forward with step two: a handbook on how to implement new control systems during this pandemic. Only when all the required control networks are in place, can the world open up again.

If you have been reading this series since I first began it, you can attest to this as being the message that I have been sharing from day 1. It was all about “Depopulation” of the world. This agenda began in 1968 with the publication of Dr. Paul Ehrlich’s book *‘The Population Bomb’*. The UN set about to form the Club of Rome and everything that has happened since 1972 has been directed toward “Depopulation” of the earth. **The Club of Rome claimed that the Earth had a cancer and that is man!** The Georgia Guidestones in Elberton, GA were erected in 1979, and proclaimed the world’s population had to be reduced to 500,000,000. They want you dead, and I do not exaggerate.

CDC DECEPTION: Agency uses definition of “unvaxxed” to scare people into taking the jab

by: [Sara Middleton, staff writer](#) | September 4, 2021

([NaturalHealth365](#)) Ever heard the term “**moving the goalposts?**” It means “*unfairly altering the conditions or rules of a procedure during its course.*”

Some might use this phrase to describe what’s been happening in Israel over the COVID shot. It was recently announced by the *‘Wall Street Journal’* and other outlets that Israeli officials no longer consider someone fully vaxxed if they have only received the initial two doses of the injection – instead, fully vaxxed people must have received the third booster shot, too!

Health freedom advocates raise legitimate concerns over this news: how many jabs must people take in order to comply with mandates and live freely in society? Where and when will it end? And are there examples here in the United States of officials [changing definitions](#) in order to fit their pandemic narrative and push the jab?

CDC misleads the public by claiming unjabbed people nearly 30 times more likely to be hospitalized with COVID than people who get the COVID shot – but just wait until you see how they define “unjabbed”

A recent study from the U.S. Centers for Disease Control and Prevention (CDC) looking at pandemic data from Los Angeles County concluded that people who have not received the COVID injection are 5 times as likely to become infected with SARS-CoV-2 and 29 times as likely to be hospitalized, compared to individuals who have gotten the jab.

However, you’ll notice when reading [the study](#) that unvaxxed people are defined as anyone who is within 2 weeks of their first dose of a COVID injection. Here’s why people are calling this definition misleading:

If someone gets a COVID shot, then shortly thereafter tests positive for COVID-19 and ends up in the hospital or dies within two weeks of getting their injection, they are counted as an “unvaccinated” case.

Do NOT ignore the health dangers linked to toxic indoor air. These chemicals - the 'off-gassing' of paints, mattresses, carpets and other home/office building materials - increase your risk of nasal congestion, fatigue, poor sleep, skin issues plus many other health issues.

Would such a death be reported to Vaccine Adverse Event Reporting System ([VAERS](#))? Would there be any way to tell whether a person actually died of complications related to COVID-19 instead of complications from the injection itself?

The CDC's definition of unjabbed people is misleading and is being used to support further COVID shot mandates, passports, and [booster shots](#). It also fails to capture the true number of deaths or serious injuries caused by the COVID shots.

To add more context to this story: Natural immunity shown to be much more effective than immunity from injection, a recent article published in the *Science* magazine dropped some astounding news:

Research now suggests having natural immunity to SARS-CoV-2, the so-called virus that can cause COVID-19, is MORE effective than immunity garnered from an injection. In fact, according to the data cited – which comes from a large Israeli study – people who are unjabbed and had been previously infected with SARS-CoV-2 were up to 13 times LESS likely to get infected with the Delta variant compared to vaxxed people who never got COVID-19.

To be clear, the conventional science admits: unjabbed, previously-infected people were also up to 13 times less likely than jabbed individuals to develop symptoms or require hospitalization in the rare case they did test positive COVID-19.

In other words, contracting the virus and then recovering from it – which will happen for at least 99.8% of people who test positive for COVID, despite the fear-based messaging you hear in the news – seems to be more beneficial for protecting you against the novel coronavirus than lining up for one, two, and eventually three injections.

Does this mean you should go out and try to get COVID-19? Of course not! But, the evidence continues to call into question the utility and efficacy of these shots as a way to protect your health.

Wake up folks, there is no Covid-19 virus, it was a simple cold virus, which Dr. Fauci and his CCP friends in Wuhan, China interjected 18 fragments of the HIV genome and 4 fragments of the SARS2 genome and labeled it Covid-19. Dr. Luc Montagnier stated the viral content amounts to 80% of the HIV genome.

He did not tell you that it was patented a decade ago by Bill Gates, Richard Rothschild, and the Pirbright Institute of Surrey, UK, a Rothschild Satanist institution! Note carefully the Apostle Paul's words in Galatians 5:19-24, ***"Now the deeds of the flesh (self) are evident, which are: immorality, impurity, sensuality, idolatry, sorcery, enmities, strife, jealousy, outbursts of anger, disputes, dissensions, factions, envying, drunkenness, carousing, and things like these, of which I forewarn you, just as I have forewarned you, that those who practice such things will NOT inherit the Kingdom of God."*** I know where Jesuit Fauci is destined, but my question to you is this, *"Why would you or any parent permit their young to be sacrificed on the altar of Satan for a poison needle that has taken the lives of hundreds of thousands in the name of immunity when you know it does not offer immunity."* Perhaps this is God's way of testing humanity (especially the church) with having to make the choice between God and Lucifer, life eternal or damnation in Hell!

Blessings, Jesus is at the door!
