

# Mass Murder

By Sovereign State Sanctioned Syringe Needle!  
Part 82

Former President Donald J. Trump has been a Traitor. I provided the link in Part 81 of this series, but since it was a long segment, I kept it to a link reference. In Part 82 here will be the details reported by American Intelligence Media. It is a stunning confirmation that all opposition in national government is “controlled”.

**THE AZAR-FAUCI-TRUMP CORONAVIRUS PANDEMIC FIAT  
ON JAN. 31, 2020 WAS BASED ON HHS FRAUD**

By American Intelligence Media | August 26, 2022

Did Pretender Biden unwittingly disclose that he and Trump are together in the Uniparty, and both take orders from the British Pilgrims Society?

Jesus Christ: "You will know them by their fruits."  
—Matthew 7:16a.

If Trump is with *We The People*, then let's see deeds, not words. Incessant lying propaganda has rendered words meaningless.

## **The Azar-Fauci-Trump coronavirus *pandemic* fiat on Jan. 31, 2020 was based on HHS **fraud**.**

- *Only five people* had died from COVID—there was no statistical health threat.
- *Four months earlier*, on September. 24, 2019, Trump issued Executive Order 13887 on *pandemic speed scenarios* describing COVID-19, uncannily; hindsight shows this COVID-19 madness was seemingly premeditated.
- Azar *backdated* to January 27, 2020—*five days earlier*—his *one-sentence* declaration. (Trollers are claiming this was a clerical error by \$1,000 per hour corrupt attorneys—redundant, we know).
- Azar was not following his WHO handlers since his U.N. WHO co-conspirators had not yet declared a “pandemic,” which they did later, on March 11, 2020—*six weeks later*.
- Azar and Trump evidently jumped the gun to protect their bio-nano-**5G**-chemical warfare super-spy-agent, Harvard-NIH Dr. Charles M. Lieber who had been indicted on January 28, 2020—*one day after* the backdate.
- On February 13, 2020—*two weeks later*, Kristin Debord, PhD, Acting Director of the Assistant Secretary for Preparedness and Response, *made*

*no* mention of the COVID-19 “emergency” declaration in her presentation to the National Vaccine Advisory Committee (NVAC). The CDC said the opposite: “[The immediate risk in the United States is low at present.](#)” No immediate risk, or pandemic? Contradictory official statements and pregnant silences are lies/fraud... by bureaucrats who nevertheless want to mass inject the public with untested cocktails using any deception that works.

- Yet, just nine weeks later, Debord initiated Operation Warp Speed on April 29, 2020—she went from *no emergency* to *hair on fire*. Government agencies cannot tie their shoes in nine weeks.
- Tellingly, the FDA issued a deceptively worded warning on April 10, 2020 against using IVERMECTIN to treat COVID—*four weeks after secretly declaring the pandemic*. (Note: The FDA had approved it for human use on October 8, 1998. Japanese researchers call it a “[wonder drug](#)” and “astonishingly safe for human use”).<sup>[1]</sup>
- Why did “*You’re Fired!*” Trump hire so many British Pilgrims Society globalists like Cohen, Mnuchin, Ross, Fauci, Birx, Tillerson, Pompeo, Devos, Haspel, Chao, Pence, Mattis, Votel, Milley, Barr, Sessions?
- Was Trump duped, or in on the scam with Azar, Fauci, Gates?
- Fraud *always unwinds judgments and resulting actions* as the fruit of a poisoned tree—backdating legal orders is not a clerical error, it is criminal. HHS lawyers were *playing games* with the American Republic.

**PROOF: DONALD TRUMP IS A TRAITOR OF AMERICA**

(September 16, 2021)—On September 09, 2021, Pretender Biden and the illegitimate U.S. Administration issued an “Executive Order on Requiring Coronavirus Disease 2019 Vaccination for Federal Employees.”

In Section 1, Biden cited his authority as the “nationwide public health emergency, first declared by the Secretary of Health and Human Services on January 31, 2020.” **Fig. 1.**

Firstly, given that Biden’s pretender “presidency” was fraudulently obtained, his election fraud negates this action. See evidence of this fraud in various election fraud legal actions in Arizona, Pennsylvania, Wisconsin, Michigan, New York, Georgia, among other states. See [Absolute Proof](#) for the mountain of hard evidence.

Secondly, Alex M. Azar II, Secretary of Health and Human Services (HHS), executed the underlying emergency on January. 31, 2020 when there were only five (5) COVID-19 deaths in the United States, according to the Center for Disease Control (CDC). Therefore, the health statistics did not support his action, which is another fraud. **Figs. 2, 4.**

**Interlocking International Entanglements at the FDA, HHS, CDC and NIH**  
Azar was not following the agreements of his U.N. WHO handlers who have control over the FDA, HHS, CDC and NIH regarding pandemics (the WHO PIP Framework, see below).

The interlocking agreements with WHO are convoluted. We will not do screen captures here to save space.

The 21<sup>st</sup> Century Cures Act governs health authority for pandemics in the U.S. ([H.R. 34, 114<sup>th</sup> Congress, 2015-2016](#)). Section 3093 gives HHS authority over *vaccines*. Section 3092 gives the CDC authority over *immunization*.

The CDC established the CDC Collaborating Center Terms of Reference (2014) with the World Health Organization (WHO). The [CDC's WHO Collaborating Center's Terms of Reference](#) regarding "pandemic influenza preparedness" is the controlling agreement.

U.S. medical leaders and legislators gave away U.S. healthcare sovereignty to the U.N. WHO (controlled by the British Pilgrims Society)

The CDC agreed to be controlled by WHO ANNEX 5 of the PIP Framework ([WHO PIP-Pandemic Influenza Preparedness](#)) that "*will guide all activities*" of participating WHO Collaborating Centres [sic] to "*select and develop candidate influenza vaccine viruses with pandemic potential.*" These centers, including the U.S., UK, Australia (UK) and Japan agreed "*to be bound by the core terms of reference.*"

The U.N. World Health Organization did not declare COVID-19 to be a pandemic until March 11, 2020—*six weeks later*. **Fig. 3.**

### Abstract

The World Health Organization (WHO) on March 11, 2020, has declared the novel coronavirus (COVID-19) outbreak a global pandemic (1). At a news briefing, WHO Director-General, Dr. Tedros Adhanom Ghebreyesus, noted that over the past 2 weeks, the number of cases outside China increased 13-fold and the number of countries with cases increased threefold. Further increases are expected. He said that the WHO is "deeply concerned both by the alarming levels of spread and severity and by the alarming levels of inaction," and he called on countries to take action now to contain the virus. "We should double down," he said. "We should be more aggressive." [...].

**Figure 3: WHO Declares COVID-19 a Pandemic. NIH. Accessed September 14, 2021.**

**Source:** <https://pubmed.ncbi.nlm.nih.gov/32191675/>

Therefore, HHS Secretary Alex M. Azar II, had no healthcare-related basis for declaring a national health emergency.

In addition, Azar *backdated* his emergency declaration to January 27, 2020— five (5) days earlier. **Fig. 4.**

Backdating a legal document is normally fraudulent on its face (not even counting the other frauds highlighted herein). The exceptions to backdating don't apply here since this decision was so grave, affecting every man, woman and child in America. Proper diligence was swept under the carpet in Azar's rush to execute. An inadvertent mistake excuse by highly paid attorneys for a *one-sentence declaration* is laughable.

This action begs the question as to why those five days were so critical.

**Figure 4: Alex M. Azar, II. (January 31, 2020). Determination that a Public Health Emergency Exists. Accessed September 14, 2021. PHE.gov, Office of the Assistant Secretary for Preparedness and Response, U.S. Department of Health & Human Services.**

**Source:** <https://www.phe.gov/emergency/news/healthactions/phe/Pages/2019-nCoV.aspx>

**Figure 5: Harvard-NIH-DARPA nanotechnology biowarfare Professor Charles M. Lieber, indicted on Feb. 27, 2020. His nanotube technology is being used in the current COVID poisons being injected in the global population. Lieber was heavily funded by Anthony S. Fauci at NIH. A whistleblower confirms [Fauci's participation in DoD biotech weaponization programs](#)**

On Jan. 28, 2020, the federal government indicted Harvard/Chinese nano-biowarfare researcher Dr. Charles M. Lieber in Boston. [Lieber holds 66 U.S. patents](#) in nanotechnology, much of it funded by Dr. Anthony S. Fauci and the National Institute of Health (NIH) as well as Harvard, DARPA, MITRE Corporation, Air Force Office of Scientific Research and the Office of Naval Research (each patent delineates the federal agencies that funded Lieber in the "Government Interests" section).

Researchers are now discovering Lieber's nanoparticles in the COVID-19 vials.

By indicting Lieber, the Justice Department effectively shielded and silenced him from public scrutiny, including his role in biowarfare activities in China just prior to the alleged Wuhan outbreak. [Lieber was later prosecuted for tax evasion, but since convicted I was never able to find a sentence for his convicted crime!. I reported that some five months ago and still no sentencing -Pastor Bob]

Lieber's father, [Robert I. Lieber](#), was an MI-6-controlled C.I.A. senior satellite engineer for Radio Corporation of America (RCA). He even received the David Sarnoff Outstanding Achievement Award in Engineering in 1962. His work on the Aegis satellite system for the U.S. Navy is integral to the deployment of 5G today. Sarnoff was a leading member of the British Pilgrims Society, as highlighted in Congress in 1940 by [Rep. Dr. Jacob Thorkelson \(Montana 1<sup>st</sup>\)](#).

**Figure 7: Prof. Charles M. Lieber, chair of the Harvard University Department of Chemistry and Chemical Biology & owner of Lieber Research Group lectures on “Nanoelectronics Meets Biology” on January 28, 2020 as special guest of the Suzhou Institute of Nano-Tech and Nano-Bionics (SINANO) (65 mi. west of Shanghai, China). On January 28, 2020, Martin was indicted in Boston on charges of conspiring with the People’s Republic of China.**

**Source: [http://english.sinano.cas.cn/ns/es/201305/t20130506\\_101653.html](http://english.sinano.cas.cn/ns/es/201305/t20130506_101653.html)**

.

**Figure 8: A Weaponized 5G Wireless Nanotube Coronavirus Delivery System that Fauci paid Lieber to build.**

By backdating his national emergency to January 27, based on only five (5) COVID-19 deaths—one day before Lieber was indicted, Secretary Azar protected his British Pilgrims Society's super-agent, Dr. Charles M. Lieber, under the cover of a pandemic that he evidently knew was planned by U.N. WHO (another fraud), but for which Azar and Trump obviously jumped the gun, for some reason. He was six weeks ahead of his British U.N. WHO handlers.

Backdating federal judgments is fraudulent and unwinds ALL subsequent actions, including the fraudulent Pretender Biden's latest Executive Order

This backdating, and its interlocked frauds, completely unwinds the COVID-19 nightmare that the British Pilgrims Society, and its sycophants in the American government, have put America and the world through since late January of 2020.

Their agenda to implement medical genocide and achieve their obsession for a "new world order" tyranny, also known as "The Great Reset," has become patently obvious to any reasonable person.

### **The Golden Rule, *not* The Great Reset**

These criminals must be brought to justice by *We The People* in the United States and Patriots of the World. Our tyrannical governments must be set aside and *The Golden Rule* must be made supreme in civil discourse and economy.

Lord Have Mercy and Godspeed to all who love liberty.
