

Major Moves and Massive Maneuvers across the Global Geopolitical Chessboard Being Stealthily Manipulated by THE TRIAD

“Make no mistake, most of the largest nations on Earth DO NOT want a World War III. Russia, China, India, Iran, Saudi Arabia, Mexico, Brazil, Argentina, South Africa and many other sane countries want no part in a hot phase of WW3. In point of fact, those peace-making governments have worked overtime to prevent a Third World War since 9/11, often at great expense to their national interests and especially to their respective citizenries. Russia, China and India, in particular, do not want the United States to collapse into a state of bolshevism and anarchy. Putin, Jinping and Modi know that the whole world would be plunged into the darkest of ages distinguished by the greatest global economic depression ever. They know that the ensuing financial breakdown would wreck nations and ruin societies every-where. Which means that there’s a well-hidden pervasive power and overwhelming influence at work throughout the entire world community of nations today. Read on.”

Red Flag Warning

MULTIPLE HUGE RED FLAGS
POINT DIRECTLY TO A
KHAZARIAN-CONCOCTED
WORLD WAR III

[State of the Nation](#)

Just as they did prior to engineering the First and Second World Wars, the Khazarian Cabal is quite methodically setting up the global geopolitical chessboard in order to trigger World War III.

Not a day goes by when there is not some new brazen provocation or indignant protest, reckless attack or juvenile offense, diplomatic skirmish or angry dustup between nations big and small as well as countries near and far from each other. Of course, the ruinous economic sabotage and financial terrorism perpetrated by the Zio-Anglo-American Axis against the BRICS Alliance has been non-stop since 9/11. Energy wars are purposefully started by the Khazarian Cabal before every world war.

The primary instigator for so much international chaos, confusion and conflict is, of course, Ukraine—the ancestral homeland of the incomparably malevolent and manipulative Khazarian Cabal. However, it's the real *Axis of Evil*—United States, United Kingdom & Israel — which is cunningly manipulating events behind the scenes and, therefore, controlling every warmongering move and mayhem-generating maneuver by Ukraine.

Because the world community of nations has refused to recognize this exceedingly evil hidden hand — the Khazarian Cabal — behind centuries of so many devastating cataclysms, it appears that the fate of entire planetary civilization has been sealed where it concerns a hot war...but only if the wiser peace-making nations do not prevail. Were the few but key righteous world leaders to understand, especially since the unconstitutional establishment of the U.S. Federal Reserve System in 1913, that every single major war, premeditated genocide, pandemic by bioterrorism and other global cataclysm to befall humanity was both meticulously planned and painstakingly carried out by the Khazarian Cabal, things would change in a day and a night.

Were Carried Out By THE TRIAD**

But how can one fiercely tribal group of vicious warmongers, rapacious banksters and genocidal bioterrorists be responsible for so many world wars and armed conflicts, economic collapses and financial breakdowns, global pandemics and regional epidemics as those that follow?

Second Boer War
Russo-Japanese War
Sixth Cholera Pandemic

The answer to the preceding question is actually quite simple.
The three primary arms of the Khazarian Cabal operate with so much secrecy and stealth that they always evade detection; and then they cover up their odious crime sprees against humanity by owning and operating the entire mainstream media (aka as the CIA's *Mockingbird Media*).

Because the Khazarians consistently act with extreme savagery and ruthlessness, barbarity and maliciousness, brutality and viciousness, very few men of good conscience will ever step forward to incriminate them. Any righteous whistleblower knows they would be targeted for life and hunted down by the world's most dangerous and deadly terrorist organizations as follows.

**KHAZARIAN MAFIA
ASHKENAZI BANKSTERS
ZIONIST WARMONGERS**

As a matter of historical fact, these three Khazarian terror groups, closely colluding with each other as a monolithic and malicious global crime syndicate, are responsible for virtually all of the most atrocious acts terrorism on the planet going back centuries. And, the preceding list of their fastidiously engineered crime waves against the world community of nations proves their extraordinarily cruel efficiency, calculating reptilian mindset and cold-blooded execution, especially with regard to wantonly committing mass murder with a predacious purpose.

Because of their ultimate goal — TOTAL AND OVERT WORLD DOMINATION — the human race now stands at the edge of the precipice staring into the abyss of the kinetic phase of World War III. The Khazarian Cabal has spent decades carefully setting up the global geopolitical chessboard to bring about the current cold phase of WW3. The global intel community is well aware that the Ukraine War was intentionally manufactured as a highly consequential regional war on Russia's border designed to trigger a worldwide armed conflict with the launch of a single nuclear weapon (to be falsely blamed on Russia).

Conclusion

Just as the entire list of calamitous crimes against humanity enumerated above was systematically perpetrated by the Khazarian Cabal to both found and fortify the Modern State of Israel, they will push the button on their long-planned World War III in order to create a sufficient degree of chaos, confusion and conflict across the planet so that *Ordo ab Chao* reigns everywhere.

For only in such a chaotic and war-torn post-WW3 global environment will the Khazarians attempt to foolishly form their totalitarian One World Government with Jerusalem as its capital. The Khazarian Cabal has already accomplished similar feats by setting up the League of Nations as a sinister response to World War I, as well as stealthily instituting the United Nations in the aftermath of World War II; so they really do believe that 3's a charm.

However, what this incorrigibly corrupt and clinically insane clique of criminal psychopaths fails to comprehend is that things have changed way beyond what they originally expected in 2023 and beyond. In other words, the Khazarians really don't know what they don't know about critical matters directly related to the successful implementation their *New World Order* agenda, and particularly to their ridiculously implausible Great Reset.

In point of fact, the delusional Khazarian Cabal is still living in a cruel and sadistic fantasy world of the past where they really do believe they control everything, everywhere, all the time. Fortunately, those days are gone forever; hence, they are in for a rude awakening.

Honestly, how do you lock down an entire planet and exert complete command and control over every person on Earth?!?!?!?

Only an inbred group of hardened criminals and super control freaks, satanic socialists and unstable anarchists, treasonous liberals and perfidious progressives, homicidal communists and violent bolsheviks. like the Khazarians, would ever even try.
