

# There Are Just Too Many Odd Coincidences!

In my recent article "The Nearness of the Blessed Hope", I printed a number of articles that came directly from the Sheldon Adelson publication *'Israel Today'*. It was two weeks later when the 'Millennial Report' posted their article and included a video by a Zionist Jew that confirmed the forthcoming attack on Iran this fall.

In Hollywood's many Masonic movie productions, we find the 9/11 World Trade Center "terrorist" attacks alluded to in several films long before 2001! (**This propaganda technique is known as Predictive Programming**). It has to do with letting your enemy know beforehand what he has planned to do to you. I have re-posted below the points of the *'Israel Today'* lead article. These were the lead headlines of the six related *'Israel Today'* reports that were part of the larger article of my article. The 'Millennial Report' site has since confirmed what I reported two weeks prior!

[WHITE HOUSE INSIDER: War with Iran planned by Trump, to occur in the Fall of 2019](#)

[Donald Trump reportedly wants Jared Kushner to be Vice President in 2020](#)

[WHITE HOUSE INSIDER: Donald Trump believes Jared Kushner is Jewish "Messiah"](#)

[President Trump announces \\$3.7 Billion Israel defense aid package](#)

I hope the reader of those articles realizes the serious nature of each of those headlines. President Trump during the 2016 campaign was highly critical of his predecessor when he announced military plans well in advance, such as the plans to increase troop levels in a war zone of Afghanistan; I believed it was called a "surge" in troop strength in Afghanistan and the duration of the "surge". President Trump ridiculed Barack Hussein Obama for his showing his cards, saying he would never tell the adversary his plans. He went so far as to prove that in his deployment of Navy carrier battle groups, to the waters of the Pacific; and deployment of F-35, B-1, B-2, and B-52 aircraft to various parts of the globe. The huge question that begs an answer here is how does *'Israel Today'* know these specifics? Another question that begs an answer is why would *'Israel Today'* risk jeopardizing a major war revealing specifics of such classified disposition of national security matters. My immediate thoughts were that it was an action of Predictive Programming! The information on the last few pages of this article confirms it so!

**Further details of this planned war have been revealed, including:**

- **100 tactical nukes will be used to eliminate the Iranian military.**
- **120,000 U.S. ground troops will be used in the invasion.**

- France, the U.K., Canada, Saudi Arabia and Israel are expected to join a "coalition" in support of the war.
- CIA assets and counter-intel efforts have been ramped-up over the past year in preparation.
- A "False Flag" is being prepared to be used before the war with Iran.
- Propaganda is being prepped by White House and Israeli counterparts.
- Israel will support the effort and Benjamin Netanyahu was reportedly "smiling ear to ear" during a recent meeting with John Bolton.
- There are concerns Trump's "base" may resist or criticize the efforts, so further propaganda efforts are being made to "shore up support" for the war.
- Expected casualties range between 1.2 Million and 2 Million Iranians and 5,000 US troops.

National Security Director John Bolton and Secretary of State Michael Pompeo began to raise the awareness level of what is coming by the deployment of the USS Abraham Lincoln through the Suez Canal in early May along with the deployment of 4 B-52's to send a message in response to Israeli intelligence that suggested Iran was about to hit American military bases in the region. These reports were provided by Israel, no doubt to prepare the public for something big coming down the road. The entrance of the USS Kearsarge, to the Persian Gulf, with its Marine Expeditionary Amphibious force of some 4,000 sailors and Marines, was accompanied by the USS Abraham Lincoln to waters further out to sea should anything happen. The USS Kearsarge had deployed to the Mediterranean region two months earlier to train with NATO forces. This rapid deployment during the second week of May will likely be event-free, but is serving as propaganda as a political agenda and prepare the public back home and the rest of the world, as "predictive programming" part of the plan to prepare the public for Presidential Trump's "fall attack on Iran".

As an aside report, on May 12<sup>th</sup>, 2019, 'World Israel News' had the headline - [Israeli Minister: Iran May Strike Israel as Trump Bumps Up Pressure](#) . As Israel celebrates its 71<sup>st</sup> anniversary this week, it was anticipating Iranian elements to mar celebration events planned for the week. The Iranian Royal Guards took over the government of Iran a few days earlier, and demoting the Muslim leader to observer status. That action may have been the information the Israeli government shared with Bolton and Pompeo. Mike Pompeo is scheduled to meet with Putin and Lavrov, the Russian foreign minister, in Sochi on May 14 to "discuss the full range of bilateral and multilateral challenges." Before that, he will meet with officials at the U.S. Embassy in Moscow. The raised level of geo-politics here could be added confirmation of something big on the horizon. This might be important enough to look at one of the dates that have overtones of Luciferian or Satanic activity. There is an occult calendar.

The Bible states that Antichrist will be the **11th** Horn to appear on the world scene – (Daniel 7:7-8) and the Illuminati recognize "**11**" as one of the major numbers of their fake messiah, Antichrist. When we review the way in which the attacks of 9/11 occurred by the "**11's**" and review the significance of "**11**" in history, you will see the hand of God forcing the hand of the Illuminati to fulfill Biblical prophecies! Once you understand how this tragedy is

undergirded by “elevens”, you will understand that the Illuminati have carefully placed its fingerprints all over this event. Why would they do this? They would want to hide the truth from the masses, while communicating it to the elite occultists all over the world. This speaks to the title of this article. We need to review the reason that this number is so special to the Illuminati. Let us briefly study the foundational, underlying use of this special number. To properly understand, you need to understand that the occultist literally fulfills Paul's explanation of a pagan, of a Satanist, in Romans 1:25, “... **they exchanged the truth of God for a lie and worshiped and served the creature rather than the Creator ...**” You must understand that we are as Paul stated in Ephesians 6:12: **“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”**

Thus, many of the idols of the past pagan societies have been formed in the likeness of fish, birds, animals, the Sun, the Moon, and the Stars. However, occultists also worship science and the mathematics underlying science. They literally believe that numbers possess inherent power, all of their own.

Listen to the explanation of one of history's greatest Satanists, W. Wynn Westcott, who was extremely influential in the latter part of the 19th Century. *“The followers of Pythagoras ... referred every object, planet, man, idea, and essence to some number or other, in a way which to most moderns must seem curious and mystical in the highest degree. ‘The numerals of Pythagoras’, says Porphyry, who lived about 300 A.D., ‘were hieroglyphic symbols, by means whereof he explained all ideas concerning the nature of things’, and the same [numeric] method of explaining the secrets of nature is once again being insisted upon in the new revelation of the ‘Secret Doctrine’, by H.P. Blavatsky. ‘Numbers are a key to the ancient views of cosmogony -- in its broad sense, spiritually as well as physically considered, to the evolution of the present human race; all systems of religious mysticism are based upon numerals. The sacredness of numbers begins with the Great First Cause, the One, and ends only with the nought or zero -- symbol of the infinite and boundless universe.’”* –(‘The Occult Power of Numbers’, W. Wynn Westcott, pg. 15.)

**To reiterate: “... ‘Numbers are a key to the ancient views of cosmogony ... spiritually as well as physically ... to the evolution of the present human race; all systems of religious mysticism are based upon numerals. The sacredness of numbers ...”**

Furthermore, the number “**11**” is important because: *“The number **11** is the Aquarian number since Aquarius is the **11th** sign of the zodiac.”* [Pastor David Meyers, ‘Last Trumpet Ministries’; July, 2001).

The Satanist always places great power in numbers, especially the Black Magic Satanists. This is central to “**666**” like in my series “*666, 5G, and the UPC Code*”. Daniel 8:23-25 tell us that the religion practiced by Antichrist is Black Magick; further, Revelation 17:17 tells us that the final 10 kings are of the same mindset and religion as Antichrist. Thus, we were not

surprised that both Presidents Bush are Black Magic practitioners from the Skull & Bones Society, and that Bill and Hillary Clinton were practicing Black Magic Satanists.

Satanists believe that a carefully planned event must be carried out according to the correct numbers, or it may not be successful. They go to great lengths to make an event occur according to the correct numbers. As Wescott explains, "... so 11 is the essence of all that is sinful, harmful, and imperfect." –(Ibid., pg. 100) Thus, while 11 is very important, multiplication's are also important, such as 22, 33, 44, 55, 66, 77, 88, and 99. To most people this seems strangely bizarre, but then again most people do not believe in a devil warring with God and His creation. By the time you have read the entire article you will begin to see through the fog. The prologue is pattern to understand the prophetic fulfillment.

Now, let us examine the tremendous instances where the 9/11 attacks occurred by the Power of "11".

### **The Coincidences Relative to the 9/11/2001 Attacks**

1. The first **11** is formed by the day on which this tragedy occurred, September **11**.
2. The second **11** is formed by adding the 9th month, September, and the date, (1 plus 1), forming another **11**.
3. The third **11** is formed by the airplane number that first crashed into the World Trade Tower. That plane was American Airlines Flight **#11**.
4. The fourth **11** is formed by the airplane number that crashed into the Pentagon. That plane was United Airlines Flight #77 (**11 x 7**).
5. The fifth **11** is formed by the North Twin Tower of the World Trade Center was 110 stories tall (**11 x 10**).
6. The sixth **11** is formed by South Twin Tower, the World Trade Center was 110 stories tall (**11 x 10**).
7. The Girders of these towers were set 22" apart! – (**11 x 2**);  
[http://www.skyscraper.org/tallest/t\\_wtc.htm](http://www.skyscraper.org/tallest/t_wtc.htm)]
8. Construction began in 1966. Not only is this the year in which the Church of Satan was founded, when you add the digits together, they equal another "22" (**11 x 2**) -- 1+9+6+6 = 22 (**11 x 2**).
9. The first elevator or "sky-shaft" was on the 44th floor – (**11 x 4**).

10. The towers were 1,368 and 1,362 feet respectively. "1,368" when added, equals "18", or a "6+6+6". "1,362" added equals "12", a "6 + 6", another (**11** x 6).

11. The structure of the Twin Towers of the World Trade Center -- the Twin Towers formed an **11** as they stood before the attack.

12. The eighth **11** is formed by one of the doomed flights, where the crew totaled **11**.

13. The ninth **11** is formed by the fact that September 1 is the 254th day of the year. When you add  $2 + 5 + 4$  you get **11**.

14. The tenth **11** is formed because, after September **11**, there are 111 (**11** x 10) days left in the year.

15. The eleventh **11** is formed by the historic fact that New York State was the **11th** state to join the Union in preparation to create the 13-state confederation that would declare independence from England.

16. "**11** Years to the Day" -- On September **11**, 1990, President George H.W. Bush delivered a speech to the Congress entitled, "Moving Toward A New World Order". Precisely **11** years to the day after President Bush delivered this speech praising the New World Order, and declaring it to be an inevitable fact a mighty blow was struck to move the world finally into this global world system. Another of President Bush's infamous quotes also came from this Iraqi invasion of Kuwait, when he said in August, 1990, that "*this invasion shall not stand, because it threatens the New World Order.*" Once the elder Bush introduced this term to the general public, everyone started using it. Dan Quayle appeared on a great many television programs, explaining this term and telling everyone what a wonderful concept it was. British Prime Minister Margaret Thatcher and Gorbachev suddenly began using this term, a formerly much hidden term reserved only for the readers of select occult material.

17. When President Bush visited New York City on September 16, he was pictured with a firefighter who was wearing a helmet with the numbers, '164', which when added together, form an **11**.

18. Flight **11** -- had 92 on board -  $9 + 2 = \mathbf{11}$ .

19. Flight 77 -- had 65 on board -  $6 + 5 = \mathbf{11}$  / Flight 77 = (**11** x 7).

20. During the crisis on Tuesday, kids in the area of the Twin Towers were moved to a "safe school" on **11th** Street.

21. The only operating ferry was Number **11**, on 33rd Street.

22. President Bush ordered all U.S. flags to be flown at half-staff under September 22 [**11** x 2]. This date means that the flags will fly at half-staff for **11** days after the attacks.

### **STARTLING REVIEW OF THE OCCURRENCES OF "11" IN HISTORY**

The number **11** in Common Themes = War, Violence, Struggle, Death

1. When the Illuminati ended the First World War, they had just successfully completed the first war of Albert Pike's occult plan of 3 world wars to produce Antichrist. Thus, they deliberately ended it on the **11th** Month [November], the **11th** Day, at the **11th** hour. The signing of the Armistice agreement was thus undergirded by three elevens! It was this particular event that began my observance of such coincidences when I was a student in a college class on Western Civilization. I have been noting number patterns for 53 years.

2. When the Illuminati assassinated President Kennedy, he was killed according to the occult number signature of eleven (**11**). He was killed in the **11th** month, on the **22nd** day, and on the **33rd** parallel. He was also killed in the Masonic Dealey Plaza, the most powerful secret society in the world today to whom the number **11** is extremely important.

3. September **11**, 1609 -- The explorer Henry Hudson sailed into New York harbor and discovered Manhattan Island and the Hudson River, the very location on which the Twin Towers were constructed! (<http://www.september11news.com/Sept11History.htm>)

4. September **11**, 1941 -- Construction officially began at the Pentagon. Thus, 60 years later to the day, the Pentagon is attacked. The number "6" is an important number to the occultist. The number of man is "6"; the number of man's "perfect" government is "66" and the number of the perfect leader of all time is "666".

5. September **11**, 1972 -- The world was introduced to terrorism at the 1972 Munich Olympic Games. . There were 121 participating countries (**11** x **11** = 121), and **11** Israeli athletes were killed. Exactly 29 years ( $2 + 9 = 11$ ) after this terrorist horror ended, another more despicable horror occurred - the September **11**, 2001 terrorist attacks.

6. September **11**, 1772 -- About 300 Indians and 50 British soldiers began the siege of Fort Henry. Researchers and historians of this siege are puzzled by the meaning of a comment in a document describing these events. It was recorded in a letter written by Lydia Cruger (**11** letters), and it seems a fitting comment to this section. She wrote, "*The siege commenced about sun an hour high, Monday, **11th**, at all events, the **11th**.*"

7. September **11**, 1776 -- A failed peace conference with the British was held. The war that had begun on April 19, 1776 [the first day of the 13-day Satanic celebration, "The Bloody Sacrifice of the Beast") continued. After the fall of New York to the British, a Peace Conference was held between General Howe and three prominent representatives of the Continental Congress -

Benjamin Franklin, John Adams and Edward Rutledge. After taking the Americans key city, Howe thought he was entitled to a peace settlement. The Americans, having declared independence in July, considered separation from England as non-negotiable. The conference of Sept. **11**, 1776, ended and the war continued for seven years.

8. September **11**, 1777 -- The first day the American flag was used in battle at the Battle of Brandywine. The British defeated the Americans, led by George Washington, but Old Glory flew for the first time!

9. September **11**, 1922 -- Despite Arab protests, a British mandate is proclaimed in Palestine on September **11**, 1922. The mandate came into effect at the end of September 1922. Not only was this proclamation made on a September **11**, but the year formed a twice **11** -- (**11** x 2).

10. September **11**, 1941 -- The U.S. 1st Army crosses the border into German territory. Also, the Quebec Conference was held with England's Prime Minister, Winston Churchill.

11. September **11**, 1973 -- Chilean President Salvador Allende is killed in a brutal, violent military coup led by General Augusto Pinochet. Henry Kissinger was strongly implicated in this attack, and if he were to ever stand trial in an International Court, he would be charged with masterminding this coup and ordering the assassination of Allende. --("The Latest Kissinger Outrage: Why is a proven liar and wanted man in charge of the 9/11 investigation?", by Christopher Hitchens, November 27, 2002).

### **SPIRITUAL EVENTS ON SEPTEMBER 11 IN HISTORY**

1. September **11**, 3 B.C -- Historian Dr. Ernest L. Martin first article on the subject appeared in 1976, and in 1981 he published his research in *'The Birth of Christ Recalculated'*. In 1991, the book was re-released as *'The Star that Astonished the World.'* Dr. Martin revealed in his book, that the signs in the sky on the night of Jesus' birth occurred on only one day in 3 B.C., and they occurred exactly on September **11**, 3 B.C. between 6:15 pm and 7:49 pm EST.

2. September **11**, 4000 B.C. -- According to Hebrew Scriptures September **11**, 1999 was the 6,000th anniversary of Adam's creation, and year 1 on the Hebrew calendar.

Don't you find these two events on a September **11** to be absolutely staggering? When you realize it seems probable that God used September **11** twice in history to dramatically intervene in world affairs, you have to wonder if the Illuminati are also trying to strike at God through using September **11** and the number **11** so many times in world history. We have already noted that the Bible assigns **11** to Antichrist in Daniel 7:7-8, which means the Illuminati was forced by God's Omnipotent power to assign the same number to Antichrist; however, it seems Satan would be eager to assign such a number if he thought he was striking a blow at God and His system by using this number and this date so many times. It hit me like a ton of bricks. I was on my way home from work and had the radio off in my car and reflecting on the day's tragedy. As I closed the door of my car, it dawned on me that this day was the birth day

of the Lord Jesus Christ, September **11**, 3 B.C.! When I turned on my computer at home, all these patterns of **11** were racing around in my brain. The thought that struck me was that Lucifer was sticking his thumb in the proverbial eye of God and saying "what I did on this day will be remembered more than the birthday of your Jesus!"

### **POSSIBLE FINAL STARTLING USE OF SEPTEMBER 11**

Of all the symbols of the Illuminati, none so boldly, clearly, and proudly shouts the final goal of the New World Order -- the successful staging of Antichrist -- as does the unfinished pyramid symbol on the back of the American One Dollar Bill. Let us quickly review the meaning behind this unfinished pyramid on our One Dollar Bill. Once you understand the meaning behind the symbol on our money, you can better understand the significance of current events. The thought that overrides everything is, could September 11, 2019 bring an end to the U.S. in a preemptive strike against the U.S. by China, North Korea, and Russia?

1. The Pyramid represents the past. Note that the capstone of this pyramid is not in place, thus denoting an unfinished situation. This unfinished situation was planned to remain in effect until the Old World Order was destroyed and replaced with The New World Order.
2. Annuit Coeptis - "Announcing The Birth"
3. Novus Ordo Seclorum - "New World Order"
4. Capstone - Eye of Horus (Theocracy of Egyptian Mysticism) = Eye of Satan or Lucifer
5. MDCCLXXVI on the bottom layer of stones = 1776 (May 1, Beltaine, Second High-Holy Day of the Year). On May 1, 1776, a New World Order was born when the Masters of the Illuminati was founded, whose foundation would be built upon depravity and rebellion. Its leader would be Satan.
6. Thirteen Layers to the Pyramid = the number, **13** is the occult number of Depravity and Rebellion.

With these facts in mind, let me tell you what we know of the history of this symbol. Even though it was officially voted into creation by a meeting of Freemason Continental Congressmen in 1782, the symbol was hidden from public view for fear the American people would recognize it as being the Satanic symbol it truly was.

However, in 1935, the Guiding Spirit of President Roosevelt and Agriculture Secretary Henry Wallace told them the time had arrived to put this symbol on the back of the One Dollar Silver Certificate, for the people had moved far, far away from their Christian roots and awareness of both the Bible and the "wiles" and "strategies" of Satan.

President Roosevelt approved the Great Seals -- both the unfinished pyramid and the Eagle -- to be printed on the back of the One Dollar Bill in 1935. The gap between 1935 and 2001 is 66 years (**11 x 6**), the number of the perfect government of Antichrist.

We have discovered from the U.S. Department of State website that the plates of the Great Seals was received at the Bureau of Engraving and Printing on June 26, 1935 ([http://www.state.gov/www/publications/great\\_seal.pdf](http://www.state.gov/www/publications/great_seal.pdf))

We have not been able to discover the exact first printing date; however, June 26 is only 2 1/2 months before September **11**, 1935. This seems like a reasonable period for the Bureau of Engraving to prepare the plates to get them ready for the first printing.

IF the first run of the Silver Certificates with the unfinished pyramid proclaiming the New World Order occurred on September **11**, 1935, the gap between this first run and the mighty blow struck to achieve the New World Order would be 66 (**11 x 6**) years to the day!

What I have shared here on our currency, particularly the \$1 Dollar Bill, does not share all the engraved coded symbols. These are the overt symbols and their meanings. There are many more that appear in a not so subtle and covert manner. There are books published that show even more of the occult cryptic meanings found on our currency.

### CONCLUSION

We have revealed so many usages of the number **11** and of "September **11**" in past history that the mathematical probabilities or chance of all these occurrences being accidental is absolutely zero! The Illuminati absolutely adores the number, **11** and is committed to September **11** as a date on which they have staged important dates in the past, dates critical to the global system of the coming Antichrist.

The staged events on September **11** during the American Revolution offers us yet another glimpse into the historic reality that, amidst the strong Christian current of the day, Satan had his men and his values and his symbols in place; the seeds of our final destruction were sown as tares amidst the wheat of the American Republic from 1776 onward. Today, the tares have taken over the fields, choking out the true, fundamental Christian wheat.

Skull & Bones President George W. Bush was carefully and consistently fulfilling all the Illuminati plans for America conceived as far back as May 1, 1776, when the Masters of the Illuminati was formed. Today, the planned World War III designed to produce Antichrist seems

to be forming on the horizon. I suggest to the reader that President Barack Hussein Obama and our current President Donald J. Trump have followed the plan as created and being directed by their Rothschild-Zionist handlers. 9/11 was an occult Mega-Ritual. The very numbers of the 4 flights were chosen specifically for their occult significance. Can we use this occult script to predict the next false flag? Scripture confirms for us who the identity of this evil one is, guess where? The one thing we know with certainty is that 9/11 was not masterminded by Muslims.

***“And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.”*** -(Revelation 9:11).

Like many of you, I recall precisely where and what I was doing on that day of September **11**, 2001. The event is vividly clear in my mind, just as it was the day John F. Kennedy Jr. was assassinated on November **22**, 1963. I have read dozens of books, thousands of articles written by researchers, scientists, engineers, who have worked tirelessly to expose the crime of the century. I have viewed or own most of the videos produced in opposition to the “official” government story. Many people my age know that America has an indelible “Mark” of Lucifer all over it, and I endeavor to bring that out in the many articles that I have written about the truth of the founding fathers and those who have guided the destiny of the U.S.A. **It is my view that President Trump is a Trojan Horse candidate beholden to and in the service of Rothschild/Chabad Zionists.** He owes billions to the Rothschild’s.

### **Analysis of the Suspected 9-11 Criminal Co-Conspirators**

Of the 103 people named on the list of suspected 9-11 criminal co-conspirators there are:

- 22 current or former members of George W. Bush’s White House (21.4%);
- 4 current or former members of Congress (3.9%);
- 6 current or former FBI agents or officials (5.8%);
- 6 current or former CIA agents or officials (5.8%);
- 6 current or former officials of New York (5.8%);
- 12 current or former high-ranking USG military commanders (11.7%);
- 13 current or former USG officials (not included above) (12.6%);
- 12 current or former members of PNAC (11.7%);
- 16 consultants, lobbyists, or members of a “think tank” (not including PNAC) (15.5%);
- 12 engineers (11.7%);
- 34 current or former corporate executives (33.0%);
- 4 senior “statesmen” (3.9%);
- 5 members of the Bush family (4.9%);
- 1 Canadian (1.0%);
- 1 Pakistani (1.0%);
- 2 Arabs (1.9%);
- 2 Brits (1.9%);
- 4 known or suspected Mossad agents (3.9%);

- 14 people who hold “dual citizenship” (13.6%); and
- 27 Israelis and Zionists (including people with “dual citizenship” noted above) (26.2%).

Note: Since the same person can be counted in more than one category, the tally above will not add up to 103 and the percentages will not total to 100%. The percentage factor speaks to the level of those involved in the execution of 9/11. [The importance of this chart will begin to set in as this article continues to the end.]

Surprisingly, for many, **“Predictive Programming”** has been the order of the day for many years prior to the 9/11 attack on the World Trade Center in New York and the Pentagon in Washington, D.C. Hollywood has been fascinated with the use of the number 911. This September 11<sup>th</sup> of 2019 will mark 18 years since that day few of us will never, ever forget. Tens of millions simply refuse to consider anything other than the “official” government story about 9/11. I will never forget that morning and well into the days afterwards while glued to the TV.

Americans knew their enemy on Pearl Harbor Day, no question about that. Congress declared an act of war and the rest is history. At the time Americans had no idea their socialist president, FDR was the one responsible for that attack. He allowed it to happen: FDR and the Pearl Harbor attack were an example of **“Predictive Programming”** as revealed in the case of *‘Day of Deceit: The Truth about FDR and Pearl Harbor’* by Robert B. Stinnett.

Architects & Engineers for 9/11 Truth had taken brutal beatings over the years because hundreds of them, which has become thousands, took a look at what happened to Building 7 and the Twin Towers. Their training and experience (I mean individuals with 30-40 years of demolition expertise) told them something was wrong with the official story line. Their eyes told them the truth while the TV and government lied through their teeth.

**We are being hoodwinked into another war with Iran.** The thought can’t escape my mind that September 11, 2019 may turn out to be another Pearl Harbor for the U.S. and 326-million are being bombarded with **“Predictive Programming”** and they are like sheep unprepared for the slaughter to come. One news site stated a few days before Mother’s Day that the country is going to war with Iran and doesn’t seem to care! The cumulative evidence regarding the events of 9/11 is a reminder that we have been scammed through **“Predictive Programming”** for the purpose of deceiving the public in the greatest scam of history. Eighteen years later and the deception still continue to be pushed. But my question suggests that we are being set-up for another event for a future 9/11 by the numbers.

The Iranians are openly threatening to start firing missiles at Israel if Trump decides to attack Iran. And this threat should not be taken lightly, because Iran has a highly sophisticated ballistic missile arsenal, and Hezbollah has approximately 150,000 missiles pointed directly at Israel right now. If the order is given, the Iranians and their proxy Hezbollah could rain an enormous amount of death and destruction down upon Israel, and of course Israel would hit them back even harder as they have more than 250 nuclear warheads in their arsenal. We are talking about a scenario that could potentially trigger World War 3, and the Iranians apparently

believe that the possibility of such an outcome will keep Trump from taking military action against them. They have figured wrong!

***“The US military forces’ deployment in the Persian Gulf is more of the nature of psychological warfare. They are not ready for a war, specially when Israel is within our range,”*** Iranian Parliament’s Vice-Speaker Ali Motahhari said on Sunday, May 12<sup>th</sup>, 2019 according to the FARS news agency. Even Iran perceives Trump’s threat as psychological warfare on what I refer to as **“predictive programming”**. Perhaps the Iranians are correct and the U.S. has no intention of starting a war. But we have already seen that the Trump administration has not been afraid to engage in a campaign of “maximum pressure” that has pushed us to the brink of military conflict. In recent days the Trump administration has decided that they will not allow Iran to sell oil to anybody at all, and the crushing sanctions that were imposed on Iran last year have been absolutely devastating for the Iranian economy. We must not forget the major reason for a war, that being a Rothschild Central-Bank in Iran and Syria!

The most important thing to remember is that this forthcoming war on Iran is not about what you might think or believe. **This war is to get a Rothschild-central bank into Iran, and Syria.** That is the primary reason for this obsession with regime change in Iran and Syria. The Satanic Rothschild’s plan for their New World Order and enslavement of humanity requires that a Rothschild central bank be installed in every country of the world. But more on that later and for now let’s look at how Hollywood has used **“Predictive Programming”** on the public.

Every single one of the countries where the U.S. removed the existing government was followed by the establishment of a Rothschild Central Bank and a provisional government established by U.S. intervention. When this occurs, the Rothschild’s steal all of the nation’s gold bullion reserve, fly it out of the country on U.S. military cargo planes, and replaces the nation’s currency with a paper fiat currency for use by the citizens.

Once a country’s leadership has been deposed, the new provisional leadership then is forced to borrow money from a Rothschild Central Bank to pay for needed emergency supplies, essentials, virtually anything and everything needed to survive and operate. The so-called “Arab Spring” was all about stealing a nation’s gold reserves. Once a country begins to borrow funds they become debt-slaves to the lender. Be aware that “he that has the gold also makes the rules.” This has been the Rothschild’s “business plan” for more than two hundred years.

As President Wilson said on his death bed, *“I sold my country into slavery”*. He was referring to his act of signing the Federal Reserve Act of 1913 into Law. The full statement by President Wilson was as follows: *“I am a most unhappy man. I have unwittingly ruined my country. A great industrial nation is controlled by its system of credit. Our system of credit is concentrated. The growth of the nation, therefore, and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated governments in the civilized world. No longer a government by free opinion, no longer a government by conviction and the vote of the majority, but a government by the opinion and duress of a small group of dominant men.”*

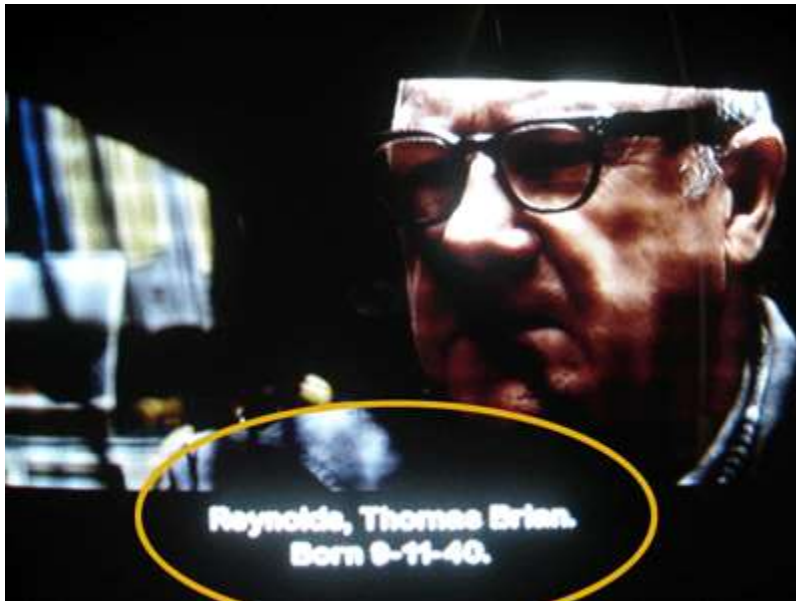

## 9/11 Symbolism in Hollywood

In 20<sup>th</sup> Century Fox's 1988 film 'Die Hard' the first lines are spoken on a plane about how to get over the fear of flying. One guy says what he has done for 9 years and Bruce Willis says what he has been doing for 11 years. So here we have 911, on a plane, talking about fears of flying, from a Masonic production company (notice the one-eye symbolism). In the first 'Die Hard', John McClane (Bruce Willis) takes on 12 terrorists in a tower; in the second movie it's terrorists at an airport. Isn't it interesting how in the 1988 movie we have John McClane afraid of flying, terrorists, towers, 9/11, and in 2008 we had John McCain on a presidential fear campaign revolving around terrorists, towers, and 9/11?

In "1998" we also have Bruce Willis saving the world in Masonic Disney/Touchstone's "Armageddon". Toward the end of the movie there is a countdown which passes 9:11 minutes just as the camera pans past.

In another 1998 Disney/Touchstone film, "Enemy of the State", a politician played by Jon Voight has his birthday on September 11<sup>th</sup>. This is one of my all-time favorite movies. When I get bored, which is rare, I put it in my computer and watch it, serves as a reminder of how corrupt our government has become and to the extent they will go to destroy a person or group.

In Warner Bros. 1990 film "Gremlins 2" there are two reporters from channels 9 and 11 holding microphones with those numbers juxtaposed.

In the 1990 Universal film "Problem Child" the Healy's live at house number 911. The actor in this movie, John Ritter, in real life had a baby girl, Stella Ritter born on 9/11/98, then five years later suddenly and suspiciously John died on 9/11/03. At first glance these synchronicities may seem like mere coincidence until you realize their Masonic significance, and Hollywood's Masonic dominance.

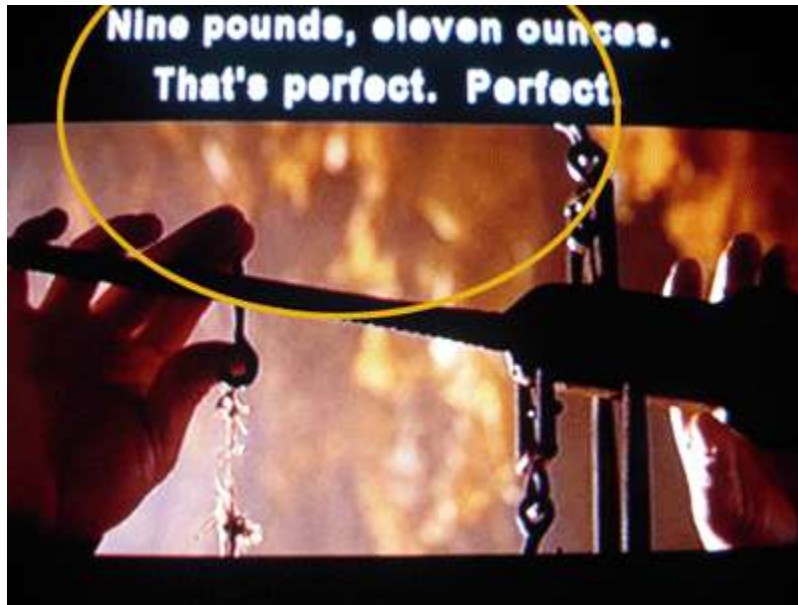

In the 1993 “Super Mario Brothers” movie the Two Towers are depicted eerily half destroyed and smoking just as they would be on 9/11/01. In the movie, the “Twin Towers” each have on them a large symbol of a hand holding two lightning bolts. This is the very aspect of Tarot imagery from “The Tower” card substituted by “hijacked” planes on 9/11.

In 33<sup>rd</sup> Degree Mason James Cameron and Columbia Tri-Star's 1991 "Terminator II, Judgment Day", there is an overpass that warns "Caution 9-11."

In the 1996 film "Independence Day", there is also a countdown which just happens to pass 09:11:01 (9/11/01) as the camera pans across. At the start of another Columbia Tri-Star Picture, 2000's "The 6<sup>th</sup> Day", Arnold Schwarzenegger looks at his schedule which has only two times: 9:00 and 11:00.

The same year in Columbia's "The Patriot," Mel Gibson's first words, weighing a chair, in the film, are: "9 pounds, 11 ounces, perfect." Here we have 911, the "patriotic" concept of the post-911 "Patriot Act," a Masonic production company, a Masonic measuring device and symbol of the mystery schools, ounces or OZ (77) revenge of Lamech, and the closing word, "perfect."

In 1997 DreamWorks' first film, "The Peacemaker," George Clooney is shot perfectly between aisle 9 and 11.

In a 1997 episode of the "Simpsons", Lisa holds up a magazine that reads "New York \$9" with a picture of the Twin Towers after the 9 which looks like 911. The "Simpsons" have sort of been prophetic in many ways over the years predicting 16 different things.

In 1998's "Godzilla" the camera cuts to a wrist-watch showing 8:55 with the little hand on the 9 and the big hand on the 11.

In 1999's "The Thirteenth Floor" a wall clock shows 11:45 with the big hand on the 9 and the little hand on the 11. In Universal/Columbia's 1999 "The Bone Collector," Denzel Washington finds a piece of paper from page 119, and the date is 11/9, November 9<sup>th</sup>.

In Warner Bros. 1999 film "The Matrix," Neo's passport expires on exactly Sept. 11, 2001!

In 2000's "Traffic", a large delivery truck is shown full of boxes, and on every single box are a Scorpio/scorpion symbol and the number 911.

In March, 2001 (6 months before 9/11) the pilot episode for "The Lone Gunman" aired on FOX with the plotline of terrorists hijacking a plane and crashing it into the World Trade Center! Let me guess, these are all just coincidence, and I'm just a crazy conspiracy theorist, right?

Now this is where things get totally eerie:

The most recognized symbol for the U.S., after the Stars & Stripes, is the Eagle. The following verse is taken from the Quran, the Islamic holy book:

"For it is written that a son of Arabia would awaken a fearsome eagle. The wrath of the Eagle would be felt throughout the lands of Allah and lo, while some of the people trembled in despair still more rejoiced: for the wrath of the Eagle cleansed the lands of Allah and there was peace."

That verse is number 9.11 of the Quran.

Still unconvinced about all of this..?!

Try this and see how you feel afterwards, it made my hair stand on end ten years ago when I did what I ask you to do.

Open Microsoft Word and do the following:

1. Type in capitals Q33 NY. This is the flight number of the first plane to hit one of the Twin Towers.
2. Highlight the Q33 NY.
3. Change the font size to 48.
4. Change the actual font to WINGDINGS

For example, type in the airline flight number Q33NY into Microsoft Word. Enlarge it to the max, then highlight and change the font to Wingdings. It comes up with a plane, followed by two symbols which look like the Twin Towers then a skull and crossbones and the Zionist six-pointed star. It's not the star of David as some would have you believe!

Conspiracy theorists will also point to NYC. Type this in in uppercase and change to Wingdings — a skull and crossbones, the Zionist Six-pointed star and a thumbs-up is the result.

These letters have produced the same symbols since Wingdings was invented in the early 90s. So conspiracy theorists claim this to be a hidden message — a prediction — that 9/11 would happen. But officials say it's nothing more than a coincidence. Sure it is!

What do you think now..?

## Trump Gives Jewish Kabbalah Satanic Masonic Symbol Again

*“Yes, that’s a heavy duty Jewish Kabbalah hand signal used in Satanic and Occult Free Masonic NWO Symbolism. (See photos below) His continual use of it as photo ops tells the story. Here are just a few more examples....”* -(A quote from the expert in esoteric and occult symbols and signs, by Jordan Maxwell). Another example of **“Predictive Programming”!**

There is a distinction between the "initiated" and the general population which is kept in the dark. They are not told the cult's true objectives (to exploit and enslave them) but are deceived instead with noble sounding platitudes. Leaders (part of the "initiated") routinely lie to the people as in the case of false flags, assassinations and wars, and 9/11.

Donald Trump is a Freemason. After watching his news videos, one can see that the “Donald” has a penchant for flashing Masonic hand gestures. He has been caught doing this too many times for it to be an accident. This and other circumstantial evidence makes it clear that he is a Mason. President Trump initially may have been like many men and joined the Lodge for business reasons. I don’t think Trump, given his stature as a New York billionaire, is a low-level or mid-level Freemason. He is probably part of the elite. He is likely a high-standing member of one of Manhattan’s Illuminati lodges and is, probably, well acquainted with many worldly and brainy people. He is probably being coached by some of these people.

Jewish Synagogue Worship of the “God of Their World”

Would a Christian President, or a Presbyterian for that matter, use a Satanic hand sign?

The Donald stands accused of regularly using not one but TWO devil worship signs. The Devil's Horns is known as the Satanic salute, and is a sign of recognition between and allegiance of members of Satanism or other unholy groups.

Also known as the 'El Diablo' hand sign it is often confused with the deaf hand signal of the phrase, "I love you." They are similar but not the same.

In many Latin countries, the sign when directed towards someone and swiveled back and forth implies derogatory remarks about one's wife.

The closed V sign (above right) is also seen as a sign of devil worship and another pledge to the Illuminati. It's even said to be a reference to the vagina. It is one of Donald's favorites, according to the UK 'Sun' newspaper.

Most of the American people and most of the world believe the "Official" 911 story, but there was some hope that Donald J. Trump was hinting of a real investigation into what took place on 9/11/2001. I am here to tell you know not to expect any exposure of the people who orchestrated and pulled off the scam of the century. Why you might ask? Well, it comes to \$\$\$\$\$\$ and lots of \$\$\$\$\$\$. He is beholden to the Rothschild-Zionists, therefore do not expect to hear anything new about 9-11.

Most conspiracy researchers either don't realize the fundamental significance of this network or are too frightened to say so if they do. It is widely known as Zionism or, as I call it, more accurately, I suggest... Rothschild-Zionism. I add the 'Rothschild' to constantly emphasize the true creators of Zionism and its controllers to this day have been the House of Rothschild.

I'll explain the connection later to the gathering economic catastrophe, but some background is necessary to put it all in the context that it needs to be seen. Ask most people about Zionism and they will say 'that's the Jews', but while this is the impression the Rothschild networks in politics and the media have sought very successfully to 'sell' as 'common knowledge', it is NOT true. It represents only a minority of them and many others who are not Jewish.

Rothschild-Zionism in its public expression is a political ideology based on a homeland for Jewish people in Palestine and a belief that the Jews are God's 'chosen race' with a God-given right to the 'promised land' of Israel (historically this is nonsense). They also believe that the real borders of Israel must encompass what is now Israel, including Gaza and the West Bank still officially owned by the Palestinians, plus Lebanon, Iraq, Syria, Egypt and Jordan, or, as Genesis puts it: ***"... from the brook of Egypt to the Euphrates"***.

That's the public expression of Zionism, but at its inner core it is a secret society created and controlled by the House of Rothschild. Even the term "Chosen People" has been distorted from the Biblical reference and true meaning why God "chose" the Israelites!

JUDAISM vs ZIONISM

ANTI-ZIONISM  
IS NOT  
ANTI-SEMITISM

A TALK FOLLOWED BY QUESTIONS BY  
ORTHODOX JEWISH RABBI  
AHRON COHEN

This is the Rothschild big lie! They have sought to sell the 'Zionism-means-all-Jewish-people' lie so that they can condemn as 'anti-Semites' and 'racists' anyone who exposes the truth about Rothschild-Zionism and its agents in government, banking, business, media, military etc.

This is why most researchers won't go there even if they are aware enough to know that they should go there; To uncover and expose what is happening in the world we need all the 'bees' - brain, backbone, and never more so than now. Oh yeah, and add consciousness if you want to see how deep the rabbit hole really goes beyond our five-senses of reality.

Racism is the ultimate ignorance in that it relates 'self' to the body instead of the Consciousness - Awareness - animating and experiencing through the body. It is like judging a man by his clothes instead of the person inside it. So racists are ridiculous, juvenile and silly, but no way is the threat of being branded as one (they have already tried and failed) going to stop exposing what must be exposed if the Control System is to ever fall or be brought down.

The world's most extreme racists are, after all, the Rothschild-Zionists, anyway. Israel is an apartheid state, every bit as much as were apartheid South Africa and apartheid America. Any American Christian wishing to immigrate to Israel today, must first renounce his faith in the Lord Jesus Christ. You will not hear that from John Hagee, Dr. David Reagan, Perry Stone, or any of the pro-Israel Christian-Zionist teachers on television.

And by that I don't only mean the evil that is inflicted upon the Palestinian people minute-by-minute, day-by-day, but also the extraordinarily racist divisions within Jewish society within the black Jews from Ethiopia, for example, that are treated as little more than vermin.

So let us get past the calculated smokescreen that challenging Rothschild-Zionism and the horrors of Israel means you are anti-Jewish and instead look at the simple facts that they don't want you to know and acknowledge. My attention to this issue was heightened when I learned that Israeli authorities were deporting their black Ethiopian Jews who were flown to Israel back in the early 1990's. A great deal of celebration was made of that event back then.

### **The Issue of Christian Zionists**

Some of the most vehement Rothschild-Zionists are the Christian-Zionists here in the United States and elsewhere, led most vocally by their' spiritual leader, John C. Hagee. Think of the worst kind of extreme Bible-bashing hypocrite and you've got him to a tee. Hagee is the founder and National Chairman of the Christian-Zionist organization, "Christians

United for Israel”, he's a regular visitor to Israel and has met every prime minister since Menachem Begin. The truth be known, John Hagee is a false teacher!

Hagee is the voice, though not the brain, of the Christian-Zionists. John Hagee Ministries has given more than \$8.5 million to relocate Jews from the former Soviet Union to Israel; and he is the founder and Executive Director of an event called 'A Night to Honor Israel', which pledges solidarity between Christians and the State of Israel. One has the impression that John Hagee has shaped Rothschild-Zionism as the unified view held by all Jews around the world.

By contrast, a large number of Jewish people are not Zionists, some even vehemently oppose it and support the Palestinians in their battle for survival against the onslaught of genocide from the Israel government and military funded by the United States.

Jewish people organize protests and call for boycotts of Israel in response to the Rothschild-Zionist agenda for the Palestinians and yet how many people know that who glean their 'information' from the mainstream media? They are well aware of the Rothschild-Zionists and their agenda to control the world!

How many people know, as portrayed in this picture, that many religious Jews abhor the demands by the Rothschild-Zionists for a US attack on Iran? No one who only gets their news from the Rothschild-Zionist-controlled mainstream media would know any of this because they push only one line - Zionism means all Jewish people, end of story. But anyone who thinks that is true should read the article by Jewish musician and writer, Gilad Atzmon.

The Rothschild's have a network of organizations, including B'nai B'rith and its offshoot, the Anti-Defamation League (ADL), and the Jewish Defense League (JDL) that work with other Rothschild-controlled groups to target anyone who gets close to seeing the elephant in the living room and exposing it for all to see.

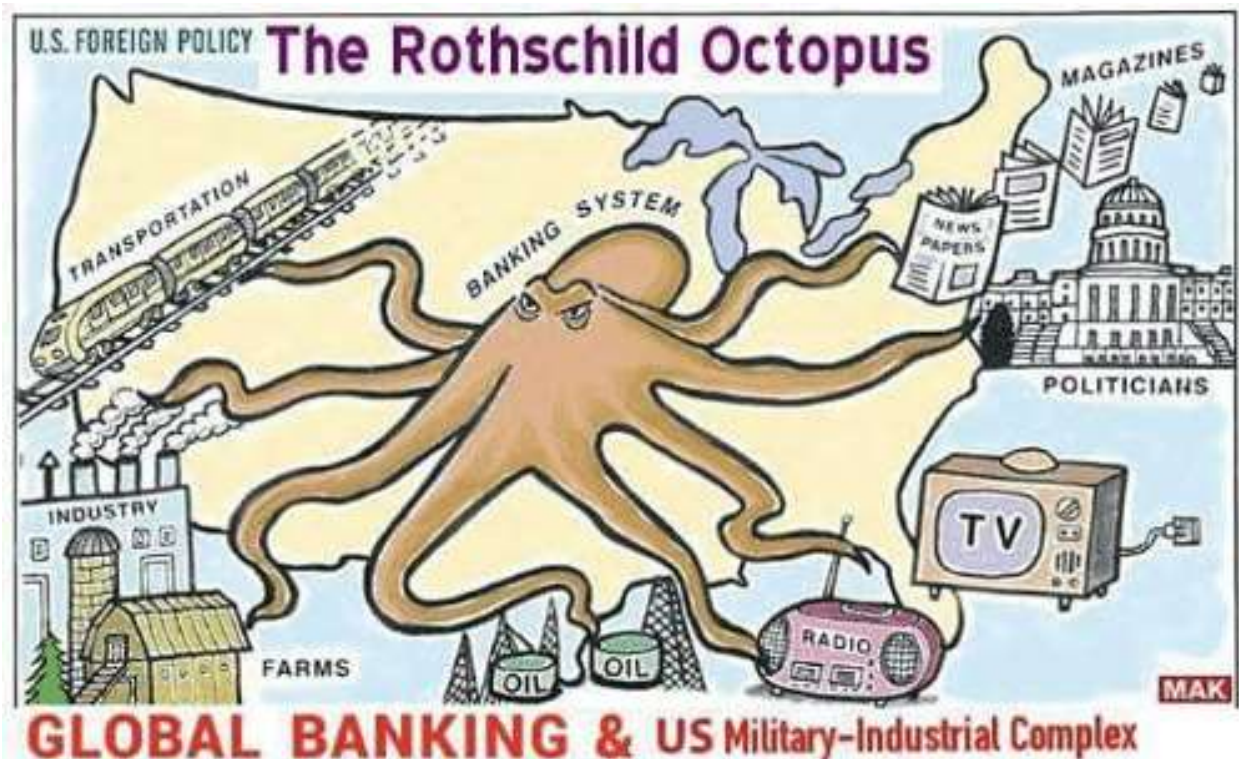

They attack and undermine them in every way they can to stop the simple and devastating truth coming to light - that the Rothschild-Zionists control the mainstream media; Hollywood and the movie industry; governments, not least in the United States; and crucially in the light of current events, they control global finance and commerce. Louisiana former congressman Dr. David Duke was branded as a KKK white supremacist anti-Semite through the Rothschild's controlled media. Keep in mind, the House of Rothschild through their wealth financed the founder of the Bavarian Illuminati with the goal that is as simple as this.

Their objectives are as follows:

- 1) Abolition of all ordered governments
- 2) Abolition of private property
- 3) Abolition of inheritance
- 4) Abolition of patriotism
- 5) Abolition of the family
- 6) Abolition of religion
- 7) Creation of a world government

Every American soldier that has died in the endless wars since its founding have died for the lies of the Rothschild's. This may seem as extreme words of indictment, but they are true and the evidence exists for those who desire to know the truth. I recommend the reader read the Illuminati Chronicles. Although quite long, they contain a wealth of evidence of what the world is facing. They can be found at <http://chuckmaultsby.net/id17.html>. The 87 pages covers the history of the Rothschild-Zionist Plan for World Domination and the New World Order, starting with the year 1773.

I am going to take you through the personnel of the Obama administration that 'he' appointed after his election in late 2008 to give you an idea of how the very few dictate to the very many via the Rothschild networks. Remember as we go through the names that only 1.7%

of the population of the United States is Jewish and significant numbers of those will not be Rothschild-Zionists. As we will see, President Trump followed the Obama practice as well.

President Obama appointed Rahm Emanuel (Rothschild-Zionist) to be his White House Chief of Staff (handler). Emanuel, who has served in the Israeli army, is the son of a former operative with the Irgun terrorist group that helped to bomb Israel into existence in 1948 and cause some 800,000 Palestinians to flee their homeland in terror.

(Many Israelis connected to the Rothschild networks were sent to the United States after the State of Israel was established to specifically produce children who would be American-born citizens to infiltrate the US government system in the following generations).

Obama's White House Senior Advisor (handler) was David Axelrod (Rothschild-Zionist), a close associate of Emanuel and the man who ran Obama's '*change you can believe in*' election campaigns against Hillary Clinton and John McCain. Axelrod oversaw the words on the teleprompter screens to which Obama was welded for even the most minor announcement. Axelrod, like Emanuel, is the product of the Rothschild-Zionist 'political' Mafia that controls Chicago where Rahm Emanuel was to later become the mayor.

One of Obama's chief funders and controllers is the Rothschild-Zionist agent, George Soros, the multi-billionaire financial speculator and manipulator of countries, not least in the former Soviet Union. Ask yourself why President Trump has not had this man arrested for Treason?

Obama appointed a stream of Rothschild-Zionist 'advisors' and 'czars' in various subject areas, including infamous Rothschild-Zionist agent, Henry Kissinger, and one, Cass Sunstein, 'Administrator of the White House Office of Information and Regulatory Affairs', has called for 'conspiracy theories' to either be banned or taxed.

This is another Rothschild goal - to ban any view or research that exposes the Rothschild agenda. Sunstein (Rothschild-Zionist) says the opinion that 'global warming' is a manipulated hoax could be an example of what should be banned or taxed (see banned), and so how appropriate that Obama appointed Carol Browner (Rothschild-Zionist) and Todd Stern (Rothschild-Zionist) to take charge of his 'global warming'/'climate change' policies.

Rothschild Zionists Browner and Stern - on message.

And so to the economy ... The key economic post in the United States is the head, or chairman, of the Federal Reserve, the privately-owned and Rothschild-controlled cartel of banks that hilariously call themselves collectively the 'central bank of America'.

A national central bank should be answerable to the people otherwise it's just another private bank lending the government 'money' which the population has to repay, plus interest. The latter describes the U.S. Federal Reserve, which, as the saying goes, is no more Federal than the Rothschild-controlled Federal Express. The 'Fed' prints money for literally cents on the dollar and then 'lends' it to the government at interest and for profit. What a great scam if you can get away with it and because the Rothschild networks control the government and media as well as the Federal Reserve banks - they have succeeded since 1913.

We can pick up the 'Fed' story with the appointment of Paul Adolph Volcker to head the Fed during the presidencies of Jimmy Carter and Ronald Reagan (in truth George Bush senior). Volcker was a former vice president and director of planning with the Rockefeller (Rothschild)-controlled Chase-Manhattan Bank and left the Fed in 1987 to become chairman of the New York investment banking firm, J. Rothschild, Wolfensohn & Co., run by James D. Wolfensohn (Rothschild-Zionist), who later became president of the World Bank. Next in line at the Federal Reserve was Alan Greenspan (Rothschild-Zionist), a practicing Satanist according to some who say they have attended rituals with him.

Greenspan was 'appointed' by President Reagan (presidents don't 'appoint' Fed chiefs, they are told who it is going to be) and he remained head of the Fed and thus American economic policy through all the Clinton years and most of George W. Bush before stepping down in early 2006. This story about the President appointing the chairman of the Fed is a

ludicrous lie. It has always been a Rothschild-Zionist at the helm of the Fed, and when you hear President Trump talking about who he is going to appoint to the Fed, it's all talk and political propaganda. The public have been misled by the political party rhetoric since 1914 on this scam. A sitting president does not choose the Chairman of the Federal Reserve!

In that time he oversaw the systematic dismantling of financial regulation that allowed greed and corruption to run riot; i.e., the elimination of Dodd-Frank regulations.

Greenspan received unquestioning support for this policy from Bill Clinton's Treasury Secretaries, Robert E. Rubin (Rothschild-Zionist), former co-chairman of the Rothschild-controlled Goldman Sachs, and Larry Summers (Rothschild-Zionist), former Chief Economist at the World Bank. Bill Clinton's Special Assistant to the President for Economic Policy in this same period and Senior Economist and Senior Adviser on the Council of Economic Advisers during the Clinton administration was Peter Orszag (Rothschild-Zionist). Another Greenspan supporter of deregulation was Timothy Geithner (Rothschild-Zionist), the President of the Federal Reserve Bank of New York, the most powerful in the Federal Reserve cartel. Without the collective demolition of financial checks and balances by this cabal of Rothschild-Zionists there would not have been the crash of September 2008 with its catastrophic consequences for billions worldwide.

But when Barack Obama became US President a few months later, who was in the 'economic team' that he 'appointed' to 'sort out the mess'? It was the very ones who created it in the first place and it was all done from a White House controlled by Rahm Emanuel (Rothschild-Zionist) and David Axelrod (Rothschild-Zionist).

Obama made Timothy Geithner (Rothschild-Zionist) his Treasury Secretary - Obama's mother worked for Geithner's father, Peter F. Geithner (Rothschild-Zionist), the director of the Asia program at the Ford Foundation in New York. Larry Summers (Rothschild-Zionist) was appointed director of the White House National Economic Council, and Paul Adolph Volcker,

business partner of the Rothschild's, was made Chairman of the Economic Recovery Advisory Board. Geithner speaks: *"I don't know where the money's gone - who cares?"*

The gang that trashed the town was now back in town to trash it even more and you'll never guess ... they decided that the only way to save an economy brought to its knees by their collective actions and the banking system they represent was to, well, no, surely not... hand trillions of taxpayer-borrowed dollars to the Rothschild-controlled banks and insurance companies like CitiGroup (advised to disaster by Rothschild-Zionist Robert E. Rubin), J. P. Morgan, AIG and a long list of others. Overseeing this and all other American government spending was Obama's Budget Director, the already-mentioned, Peter Orszag (Rothschild-Zionist), who worked closely with Rahm Emanuel (Rothschild-Zionist) to impose the North American Free Trade Agreement (NAFTA) which has devastated American industry in line with Rothschild policy.

Summers, Orszag and Geithner: used car anyone?

Larry Summers resigned in late 2010 and at the time of writing the favorites to replace him were Roger Altman (Rothschild-Zionist) and Gene Sperling (Rothschild-Zionist).

Peter Orszag was the founder and president of the economic consultancy firm which advised the Central Bank of Iceland in the period before it went bankrupt and he advised the Russian Ministry of Finance when the country's resource assets were being given to Rothschild Zionist oligarchs like Chelsea football club owner, Roman Abramovich, who became instant

billionaires.

Orszag resigned as Budget Director with his job done, but, no matter, Obama announced that Jacob Lew (Rothschild-Zionist), an under-secretary of state to Hillary Clinton, would take over and resume the same post he held under Bill Clinton. By the time the brown stuff hit the fan in September 2008, Alan Greenspan (Rothschild-Zionist) had stepped down from the Fed before the crash he knew was coming. But, once again no matter. He was replaced by Bernard Bernanke (Rothschild-Zionist) who printed even more money (at interest to the taxpayer) to hand to his Rothschild-Zionist partners in crime on Wall Street.

Meanwhile, Treasury Secretary Timothy Geithner (Rothschild-Zionist), who has been centrally involved in handing trillions of dollars of public money to his banking associates with no strings attached, asked the opinion of a private international Rothschild-Zionist 'law firm' called Squire, Sanders & Dempsey to see if American states could, as some requested, legally use bail-out money or TARP - the Troubled Asset Relief Program - to support the legal bills of people trying to protect their homes from foreclosure by the bailed out banking system.

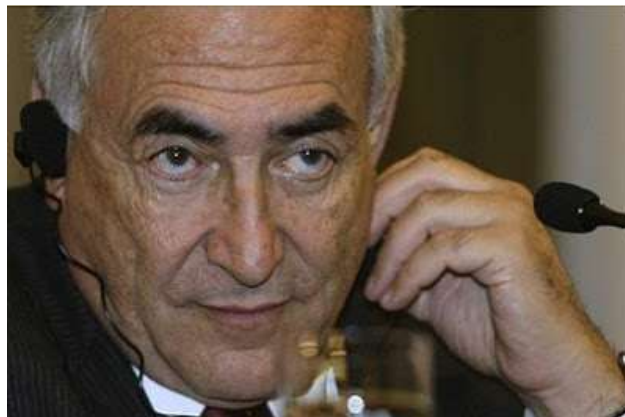

The privately-owned Rothschild-Zionist Squire, Sanders & Dempsey said 'no' and so Timothy Geithner (Rothschild-Zionist) said the money could not be used to protect the public who had bailed out the banks from foreclosure by those same banks.

David Millstone, a very active Rothschild-Zionist, partner at Squire, Sanders & Dempsey and regional chairman of the Anti-Defamation League's international affairs committee. His firm says that public money can go to the Rothschild-Zionist banks, but not to the innocent victims of the banks. And while all this has been going on, these have been the heads of the major international financial institutions with the power to impose global economic policies:

The President of the World Bank is Robert Zoellick (Rothschild-Zionist), a big-time Boy Bush administration insider who was a fervent advocate of invading Iraq long before even 9/11. Zoellick took over at the World Bank from the disgraced Paul Wolfowitz (Rothschild Zionist), another orchestrator of the Iraq invasion as Deputy Defense Secretary.

The Managing Director of the International Monetary Fund (IMF) is Dominique Strauss-Kahn (Rothschild-Zionist), the French politician who was expected to run to replace President Nicolas Sarkozy (Rothschild-Zionist) at the next election.

What I have shown here is how tightly controlled were the Clinton, Obama, and Bush administrations were handled by Rothschild-Zionists, was duplicated by President Trump's appointing more Rothschild-Zionists to oversee the government being complicit with the House of Rothschild agenda plans. Although President Trump has had a revolving door of servants coming and going, key Rothschild-Zionists remain in powerful seats of the administration. A few that come to mind are Wilbur Ross, Steve Mnuchin, but they are not the only ones!

The head of the European Central Bank (ECB) was Jean-Claude Trichet (Rothschild-Zionist), another Frenchman who took over in 2003 following his acquittal in a trial over 'financial irregularities' at Crédit Lyonnais, one of France's biggest banks.

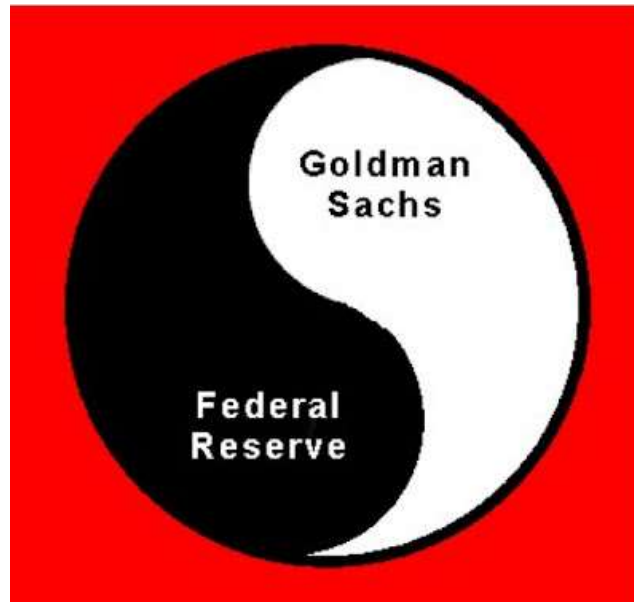

Does anyone think, given these facts, that the Rothschild's could control global finance and could possibly, oh just a little bit, have orchestrated the crash of 2008 and what has followed since, and will swallow up the U.S. in financial bankruptcy once President Trump delivers on his obligation to deliver the central bank of Iran and Syria to the Rothschild's on a platter. You may not realize this but the U.S. goes negative in 2024, which means the interest on the National Debt will consume all that is brought in from taxes, and other revenues!

At the heart of the 'bail out' of Ireland (the bail out of Irish banks and the elite investors, like the Rothschild's, by the people of Ireland) were Jean-Claude Trichet (Rothschild-Zionist) at the European Central Bank and Dominique Strauss-Kahn (Rothschild-Zionist) at the IMF. And the banks that caused the crash to which the Rothschild-Zionists in power are 'responding' for their benefit are also invariably controlled, directly or ultimately, by Rothschild-Zionists.

These include Goldman Sachs headed by Lloyd Blankfein (Rothschild-Zionist) and created by Rothschild-Zionists Marcus Goldman and Samuel Sachs who came, like so many of these people, from families that settled in America from the country where the name Rothschild originated in - Germany. Even more specifically, the German region of Bavaria comes up again and again - the home of the infamous Bavarian Illuminati of Adam Weishaupt (who today would be called a Rothschild-Zionist). The previous pope and Henry Kissinger are

just two examples of 'born in Bavaria'. Goldman Sachs was fundamentally responsible for the crash of 2008, but by that time its former Chairman and Chief Executive Officer, Henry 'Hank' Paulson, had been installed as U.S. Treasury Secretary to begin the bank 'bail out' policy, with enormous benefit to Goldman-Sachs, in the closing weeks of the Bush administration. Goldman-Sachs was also instrumental in the collapse of the economy in Greece that started the 'euro panic' that later engulfed Ireland.

**The symmetry is called Rothschild Zionism**

They have the whole thing stitched up because the Rothschild-Zionist secret society network have their agents in governments, the banking system, including the international institutions like the IMF, BIS, and control the reporting of their activities through ownership of the mainstream media. As a result, if it is happening economically and politically, it's because the Rothschild's want it that way - be it in banking, stock markets, commodity markets, currency valuation, the price of gold, the whole lot. The world of finance is dictated by 'investor confidence' and who controls that? The House of Rothschild; and, those who have the power to control the media, government, and central bank financial statements; and, have the financial resources to move trillions around the financial markets every day. In other words, it is the Rothschild's.

Rothschild-Zionism is an elite secret society at its rotten core and the people I am naming here and so many more are not agents of Jewish people as a whole, but agents of the secret society that has mercilessly manipulated the Jewish population for centuries to advance its goals. Remember this point, these are the people who will one day require folks to take a "chip": ***"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:"*** -(Revelation 13:16).

It is impossible to become President of the United States without support from the American Israel Public Affairs Committee (AIPAC), a massive Rothschild-Zionist lobby group currently headed by Obama friend and founder, Lee Rosenberg.

It is also very difficult to hold high office of any kind if AIPAC doesn't approve of you and a real struggle to even become a member of Congress or the Senate if AIPAC is against you. As former BBC and Independent Television News correspondent, Alan Hart, wrote in *'Zionism: The Real Enemy of the Jews'*: 'Jewish people make up less than two per cent of the American population, but account for 50 per cent of the political campaign contributions.' And that 50 percent is overwhelmingly made up of a few Rothschild-Zionists and is not in the least representative of half the Jewish population.

American political leaders may disagree on this and that, here and there, but on one thing they are all agreed ...

As I was writing this back a few years ago, the Rothschild-Zionist-owned *'New York Times'* and the *'Washington Post'* had been urging people to reject the left and the right and support 'centrist' politicians - the alleged 'centrists' and 'moderates' are often the most extreme of them all and need their 'center' image to hide that. Barack Obama made claims to be a 'centrist' and so did Tony Blair in the UK and the nation found out how far left he really was.

*'New York Times'* columnist Thomas L. Friedman (Rothschild-Zionist) endorsed two attempts he said were underway to create a new 'center party' in the United States and the *'Washington Post'* reported that a new grouping, known as 'No Labels', had been formed to occupy the 'center ground' of American politics (they did the same in Britain with the creation of the Liberal Democrats who are now in an extremist coalition government with the 'right-wing' Conservative Party). The Rothschild's are not afraid to run a third-party candidate to dilute or split the vote in order to achieve their objective.

It turns out that a major funder of 'No Labels' is the Rothschild-Zionist billionaire, James Tisch, the founding chairman of the Jewish Leadership Forum, executive committee member of the American Jewish Joint Distribution Committee and a president of the Jewish Communal Fund. He was also a director of the Federal Reserve Bank of New York, he headed until 2008 by Obama's Treasury Secretary, Timothy Geithner (Rothschild-Zionist). Yes, how very 'moderate' and 'centrist' you must be, Mr. Tisch!

The Tisch family, one of the wealthiest in America, took control of the CBS empire in 1986 with the intention, they said, to promote the interests of Israel.

Two founders of 'No Labels', the *'Washington Post'* revealed, were David Frum (Rothschild-Zionist), the 'Axis of Evil' speechwriter for Boy George Bush, and William Galston, a former advisor to Bill Clinton, who is close to the Rothschild-Zionist Zilkha family, founders of Mothercare. Galston holds the Ezra Zilkha Chair in Governance Studies at the Rothschild-Zionist 'think tank', the Brookings Institution. The 'No Labels' also supported by one of its 'Citizen Leaders', Kenneth R. Weinstein, CEO of the Rothschild-Zionist 'think-tank', the Hudson Institute, founded by Herman Kahn (Rothschild-Zionist), one of the inspirations for Stanley Kubrick's

character, Dr. Strangelove. The Hudson Institute and the Brookings Institution are major strands in the Rothschild 'think tank' network worldwide. As one can see, the public are manipulated at every turn with Rothschild-Zionists.

The aim of 'No Labels' was to target anyone who is 'partisan' in their political views (challenges the manipulated 'consensus') and thus force them into the 'center ground' - those who support the Rothschild agenda. You can see this for yourself at <http://nolabels.org/>.

'No Labels' is just another Rothschild-Zionist extremist organization masquerading as the moderate, 'sensible' center - the wolf in sheep's clothing technique that the Rothschild's employ to great effect. In the UK and so many other countries around the world we have the same tail wagging the dog. The UK version of the American Israel Public Affairs Committee (AIPAC) is the Friends of Israel network in every major party.

One investigation discovered that 80-per-cent of Members of Parliament in the now ruling Conservative Party are members of the Friends of Israel - which has the stated goal of supporting anything that is good for Israel (the Rothschild's who own Israel). The Rothschild-Zionists have fooled most of the world so far and the Bible suggests as much.

The British Prime Minister, David Cameron, is a Rothschild-Zionist and so is the leader of the Labor 'opposition', Ed Milliband, who got the job after a campaign in which his brother, David Miliband (Rothschild-Zionist), was the other major candidate. This in a country where

the Jewish population (with many not Rothschild-Zionists) is around 280,000 in a national population of 62 million.

The key manipulating force in the previous UK governments of Tony Blair and Gordon Brown was Peter Mandelson (Rothschild-Zionist), who flaunts his close connections to the Rothschild's with holidays at their mansion on the Greek island of Corfu.

The Rothschild's controlled Blair as they controlled Bill Clinton and George W. Bush and you can bet dollars to donuts they control Donald J. Trump; this was the connection that led to Blair going into wars in support of both presidents who were being urged on by Israel (the Rothschild's). It was the Rothschild network that orchestrated the invasions of Afghanistan and Iraq, the War of Terror and its justification, and September 11<sup>th</sup>, 2001.

Lap dog Mandelson, on the right, with his owner, Jacob Rothschild.

### 9/11: The Rothschild Zionist Connection

The lease of the twin towers at the World Trade Center was bought just weeks before September 11th by businessmen, Larry Silverstein (Rothschild-Zionist) and Frank Lowy (Rothschild-Zionist), who both have very close links to Israeli leaders, including current Prime Minister Benjamin Netanyahu who said that what happened on 9/11 was 'good for Israel'.

The World Trade Center deal was struck with Lewis Eisenberg (Rothschild-Zionist), the head of the New York Port Authority, vice president of the American Israel Public Affairs Committee (AIPAC) and a former partner at the Rothschild-controlled Goldman Sachs. Eisenberg is also close to the Israel leadership.

The man pictured here who lobbied heavily for the New York Port Authority to sell the lease into private hands was Ronald S. Lauder (Rothschild-Zionist) from the Estée Lauder cosmetics family. He is involved with stream of Rothschild-Zionist organizations, including the Jewish National Fund, World Jewish Congress, American Jewish Joint Distribution Committee and the Anti-Defamation League. Buying the World Trade Center lease was a terrible business deal for Silverstein and Lowy because the towers were known as the 'white elephants' given the state they were in and the fantastic amount of asbestos that needed to be dealt with. Asked why he had bought the lease Silverstein said: *"I felt a compelling urge to own them"*.

When the deal was done Silverstein and company massively increased the insurance for a "terrorist attack" and was awarded \$4.55 billion after the towers were hit. The lease had cost \$3.2 billion and Silverstein reportedly only invested \$14 million of his own money; a pretty good investment. Lucky Larry was more than lucky, he was able to see the future event of 9/11!

The judge who oversaw the litigation between Silverstein and the insurance companies was Michael B. Mukasey (Rothschild-Zionist) who later became U.S. Attorney General. When anyone tells you the Jews rule and control the world, do correct them; remind them the correct

name of these shysters is “Rothschild-Zionists”. These Satanists are the epitome of professionally unscrupulous people. The Zionist Talmud hides their real evil persona.

“Lucky Larry”

Silverstein and Lowy had originally been outbid by \$50 million for the World Trade Center lease by a company called Vornado, whose chief shareholder was the Jewish businessman, Bernard Mendik. He was Silverstein's former brother-in-law and they had fallen out big time after his divorce from Silverstein's sister. Then, Vornado, despite having the best bid, 'suddenly changed their minds'; and, 'suddenly pulled out' leaving the field free for Silverstein and Lowy. No wonder they call him “Lucky Larry”. Weeks after Silverstein and Lowy presented their final bid for the WTC, Vornado's Bernard Mendik died after becoming 'suddenly ill'. Silverstein had breakfast every morning with his children in the “Windows on the World Restaurant”, more than 100 floors up in the North Tower, but none of them showed up on 9/11.

Silverstein said he had a last minute 'dermatologist appointment' when in truth, as one his bodyguards has said privately, he had a phone call in his car telling him to stay away from the World Trade Center that morning. He then got on his car phone to tell his children.

It was Silverstein who said in a television interview (which he now deeply regrets) that when another of his buildings in the World Trade Center complex, Building Seven or the

Salomon Brothers Building, was on fire the decision was made to 'pull it' - the classic term for a controlled demolition.

'Where's Larry today?'

It was Silverstein who said in a television interview (which he now deeply regrets) that when another of his buildings in the World Trade Center complex, Building Seven or the Salomon Brothers Building, was on fire the decision was made to 'pull it' - the classic term for a controlled demolition. Soon after this decision, the building #Seven, which had not been hit by a plane, did indeed come down in a controlled demolition. The problem with Silverstein's story is that it can take weeks to place the charges in a building like the 47-storey Building Seven to make it collapse in on itself as it did. How could the decision be made to 'pull it' and then down it comes?

Building Seven collapsed perfectly onto the land on which it stood - and that could only happen with a controlled demolition.

The charges were planted long before the official decision was made to 'pull it' and the whole 9/11 scenario unfolded from a pre-planned script. The BBC announced on live television that Building Seven had collapsed half-an-hour before it actually did because the authorities released the 'news' too early. Security at the World Trade Center was the responsibility of the Rothschild-Zionist- owned Kroll Associates which has close links to the CIA and Mossad. Security at all three airports involved on 9/11 was run by ICTS International / Huntsleigh USA, companies owned by Rothschild Zionists, Ezra Harel and Menachem Atzmon, and dominated by 'former' agents of Shin Bet, Israel's internal security service and counter-intelligence agency that handles security for the Israeli airline, EL AL.

Rothschild-Zionist-owned ICTS was also responsible for security at the Paris airport where the alleged 'shoe bomber', Richard Reid, boarded his plane to the United States and ICTS was providing the 'security' at Amsterdam airport when the underpants bomber boarded his flight after paying cash for a high-priced last-minute ticket, boarded without checked baggage and, reportedly, even a passport. As a result, travelers are now being radiated in full-body scanners, of which more in a moment.

The CIA at the time of 9/11 was headed by George Tenet (Rothschild-Zionist) and the 'investigation' into the attacks was overseen by Assistant Attorney General, Michael Chertoff (Rothschild-Zionist), the son of an agent with the Israeli (Rothschild) enforcement agency, Mossad.

Chertoff co-authored the notorious Patriot Act which deleted basic rights and freedoms on the justification of 9/11 (Problem-Reaction-Solution) and then became the second head of Homeland Security, an organization also created on the back of 9/11. Chertoff now runs his own company, the Chertoff Group, a 'risk management and security consulting firm', which employs several senior colleagues from Homeland Security and also Michael Hayden, a former Director of the National Security Agency and the CIA. Chertoff was all over the TV networks after the engineered 'underpants bomber' incident urging the government to introduce full body radiation scanners, which they then did. They are produced by one of the Chertoff Group clients, Rapiscan Systems. The underpants bomber was allowed onto the plane despite a string

of red flags, and apparently no passport, through a 'security' system operated by the Rothschild Zionist-ICTS.

The Pentagon at the time of 9/11 was controlled by people like Paul Wolfowitz (Rothschild-Zionist), the Deputy Defense Secretary who went on to head the World Bank; and Dov Zakheim (Rothschild-Zionist), a dual Israeli/American citizen and the Pentagon Comptroller who managed to 'lose' trillions from the Pentagon budget - a fact that was announced on *September 10th, 2001*. Anyone wonder why this announcement was not widely reported? Did something happen the next day then? It had to be a coincidence surely, they couldn't have known what was coming, could they?

Zakheim also wrongly classified squadrons of U.S. F16 and F15 fighters as military surplus so they could be sold to Israel at a knock-down price (and bought with American 'aid' money, anyway). This and other military sales (often gifts) means that Israel, with a population of just under 8-million, has one of the biggest air forces on the planet.

With love, from Dov!

The Bush administration was famously controlled at the time of the September 11th attacks by the so-called 'neocons' or neoconservatives. These were led by a cabal of Rothschild-Zionists like Richard Perle, Paul Wolfowitz, Dov Zakheim, Robert Kagan, Douglas Feith, Lewis 'Scooter' Libby, the disbarred American attorney and convicted felon who was former 'advisor' to Dick Cheney, and William Kristol, editor of the Rothschild-Zionist neocon propaganda sheet, the *'Weekly Standard'*, owned at the time by media mogul Rupert Murdoch (Rothschild-Zionist).

Oh yes, and this gang also included Robert Zoellick, now head of the World Bank, who took over in that post from his neocon and Rothschild-Zionist colleague, Paul Wolfowitz.

**I repeat - Jewish people make up only 1.7% of the American population and many of those are not Rothschild-Zionists.** The ratio to positions of power is simply fantastic and I am only highlighting here what you might call a 'headline list'. It goes much, much deeper – so much deeper.

The neocon leadership wrote to Bill Clinton urging him to attack Iraq before 9/11 and they then went into overdrive to advocate the invasions of Iraq and Afghanistan after the World Trade Center attacks under Bush.

Interestingly, these same Rothschild-Zionists, along with puppet Defense Secretary Donald Rumsfeld and Vice-President Dick Cheney, both vehement supporters of Israel, launched a 'think tank' before Bush came to office called the "Project for the New American Century" (PNAC). In September 2000, this organization published a document called *"Rebuilding America's Defenses: Strategies, Forces, and Resources For a New Century"* in which they called for American forces to 'fight and decisively win multiple, simultaneous major theater wars' with emphasis on places like Iraq, Iran, Syria, and North Korea, which, all by the

way did not have a Rothschild-central-banks. President Trump is going to send American young men and women to die in Iran, so that the Rothschild-Zionists can steal their gold bullion reserve and replace the Iranian state bank with a Rothschild-controlled central bank.

But the document said that this '... process of transformation... is likely to be a long one, absent some catastrophic and catalyzing event - like a new Pearl Harbor' to justify it to the people. One year to the month after that document was published and nine months after most of these Rothschild-Zionists came to power in the Bush administration, America did indeed have 'a new Pearl Harbor' which was then used to justify the agenda laid out in the document.

Coincidence? You decide! Far too many coincidences!

The Bush State of the Union address in 2002 which called Iraq, Iran, Syria, and North Korea the 'axis of evil' was written by the neocon, David Frum (Rothschild Zionist), now supporting the Rothschild Zionist front, 'No Labels', and was straight from the pages of the Project for the New American Century document. The official 9/11 Commission 'investigation' into what happened that day was only forced upon Bush and Cheney kicking and screaming and the man they first appointed to head the 911 Commission was Henry Kissinger (Rothschild-Zionist). This was so ludicrous and incredible that he resigned, citing 'conflicts of interest', which had never stopped him before. It was one of the first times of history that led to the huge public back lash of Henry Kissinger. But the 'investigation' and the final report was still overseen by Phillip Zelikow (Rothschild-Zionist) and it decided that the official story was basically true after failing to interview or quote key witnesses that gave another version of events.

Phillip Zelikow: *"You mean it was supposed to be open, thorough and tell the truth? Henry didn't mention that."* The federal judge assigned to deal with all wrongful death and personal injury cases filed by the families of those who died on September 11th was Alvin K.

Hellerstein (Rothschild-Zionist) (picture just below) who has major family ties to Israel.

Attorney Kenneth Feinberg (Rothschild-Zionist) oversaw the 9/11 victim's compensation fund and 97% of the families were persuaded to take the money in exchange for not pressing for an independent investigation of the September 11th atrocities. Only recently has there been a reversal after huge pressure by the public call for a full investigation of 9/11.

Those that did demand an investigation or rejected the limitations of the compensation fund were dealt with through a 'special mediator', Sheila Birnbaum (Rothschild-Zionist). Feinberg (Rothschild-Zionist) went on to become the 'Special Master' for TARP Executive Compensation related to the bank bail outs, and is currently the government-appointed administrator of the compensation fund for victims of the BP oil disaster in the Gulf of Mexico.

Kenneth Feinberg (Rothschild Zionist) - busy life.

Then there is the story of the five 'dancing Israelis' who were arrested after police received several calls from New Jersey residents outraged that 'middle-eastern' men were high-fiving, whooping and cheering as they videotaped the burning Twin Towers across the bay.

*"They were like happy, you know ... They didn't look shocked to me"*, one witness said. Police and FBI officers reportedly discovered maps of New York in the Israelis' white van with locations highlighted, and also \$4,700 in cash hidden in a sock, foreign passports, and box cutters of the type alleged to have been used by the 'Arab hijackers'. It was further reported that sniffer dogs found traces of explosives in the van, which belonged to a Mossad front company called Urban Moving Systems owned by Israeli Dominick Suter (Rothschild-Zionist), who dropped everything (literally judging by the haste the office was evacuated) and fled back to Israel immediately after the attacks. *'The Forward'*, a Jewish newspaper, said the FBI found that at least two of the five arrested Israelis were Mossad agents and that Urban Moving Systems was a Mossad front operation. The five were held for 71 days, but then released without charge and allowed to return to Israel where three of them appeared on television to say that *"our purpose was to document the event"*. Yes, an event they knew was going to happen.

**Dr. Alan Sabrosky, former director of studies at the US Army War College in Carlisle, PA, has said publicly says that U.S. military leaders now know that Israel 'and those traitors within our nation' were responsible for the 9/11 attacks.**

Three of the 'dancing Israelis' on Israel television.

Since September 11th we have been subjected to a series of 'Bin Laden' videos and other 'information' promoting fear of Arab terrorism from two organizations called Intel-Center and S.I.T.E., or the Search for International Terrorist Entities Institute (so long as they are not from Israel). Intel-Center is headed by Ben Venzke (Rothschild-Zionist) and S.I.T.E was co-founded by Rita Katz (Rothschild-Zionist). In an article headed, "Is Israel Controlling Phony Terror News?"; writers Gordon Duff and Brian Jobert asked some key questions: *"Who says Al*

*Qaeda takes credit for a bombing? Rita Katz. Who gets us bin Laden tapes? Rita Katz. Who gets us pretty much all of the information telling us Muslims are bad? Rita Katz?"*

Rita Katz is the Director of Site Intelligence, primary source for intelligence used by news services, Homeland Security, the FBI and CIA. What is her qualification? She served in the Israeli Defense Force. She has a college degree and most investigative journalists believe the Mossad "helps" her with her information. We find no evidence of any qualification whatsoever of any kind.

Nobody verifies her claims. SITE says Al Qaeda did it, it hits the papers. SITE says Israel didn't do it, and that hits the papers too. What does SITE really do? They check the internet for "information," almost invariably information that Israel wants reported and it is sold as news, seen on American TV, reported in our papers and passed around the internet almost as though it were actually true. Simply Amazing.' But not quite so amazing if you have read this far and seen the extent to which the Rothschild-Zionist secret society networks control and manipulate world events.

Sabbah Report: www.sabbah.biz

Rothschild-Zionists Katz and Venzke provide 'intelligence' and Bin Laden videos for 'security' agencies and the media, and Adam Gadahn, pictured at the top here, is an alleged spokesman for 'Al Qaeda' who releases videos of himself supporting terrorism. His name is on the FBI 'most wanted' terrorist list.

How strange then that 'Adam Gadahn' turns out to be a Jewish man called Adam Pearlman, grandson of Carl Pearlman, who served on the Board of the rabid Rothschild-Zionist Anti-Defamation League (ADL). The Chairman of the US Homeland Security and Governmental Affairs Committee is Senator Joseph Lieberman (Rothschild-Zionist) who, like the Rothschild

cesspit in general, is desperate to use the 'threat of terrorism' to censor the Internet to block the truth from coming out.

Rothschild Zionists have kept exposure from the door, up to now, through ownership of the mainstream media. Shahr Ilan, a daily features editor with the leading Israeli newspaper, *Ha'aretz*, wrote:

*"The Jews [Rothschild-Zionists] do control the American media. This is very clear, and claiming otherwise is an insult to common knowledge."* These are the words of a Rothschild-Zionist!

Not only in America, either, and not only the 'news' media of Rothschild-Zionist moguls like Rupert Murdoch. The *'Los Angeles Times'* columnist, Joel Stein (Rothschild-Zionist), wrote an article proclaiming that Americans who don't think Jews (Rothschild-Zionists) control Hollywood are just plain 'dumb':

*"I had to scour the trades to come up with six Gentiles in high positions at entertainment companies. But lo and behold, even one of that six, AMC President Charles Collier, turned out to be a Jew! ... As a proud Jew, I want America to know of our accomplishment. Yes, we control Hollywood."*

*"I emphasize again that we are not talking here about 'the Jews' owning the media, Hollywood, politics, banking and big business, but a tiny clique answering ultimately to the secret society that I call Rothschild Zionism."*

The mass of Jewish people have been mercilessly used and abused by the Rothschild

networks that don't give a damn about them. They are not pursuing what is best for Jewish people as a whole, but what suits the Rothschild conspiracy for global domination on behalf of their hidden masters. The Rothschild's and their Zionist secret society web control American government policy on Israel and everything else - and it's the same in the UK , including France, Germany (of course), Italy, Belgium and the European Union, which was a Rothschild creation from the start. The Rothschild-Zionists have total control of countries with one of their Central banks.

Obama's first major speech on the Middle East in 2008 was, according to the *'Wall Street Journal'*, written for him by James Steinberg (Rothschild-Zionist), Daniel Kurtzer (Rothschild-Zionist) and Dennis Ross (Rothschild-Zionist). It was delivered to the Rothschild-Zionist lobby group, the American Israel Public Affairs Committee (AIPAC).

Any chance of it being biased against the Palestinians, do you think? The man appointed to oversee the war in Afghanistan and the targeting of Pakistan was Richard Holbrooke (Rothschild-Zionist), Obama's 'Special Representative' for Afghanistan and Pakistan who died in December 2010. Holbrooke served the Rothschild-Zionist cabal in positions of 'diplomacy' from the Vietnam war to the conflict in Afghanistan, taking in posts as a special envoy to the Balkans before and during the war in the former Yugoslavia; as United Nations Ambassador; as the man given responsibility for selling the Aids agenda, and so much more.

It is the Rothschild's dual control of America and Israel that has led to astonishing

amounts of American tax dollars being transferred to Israel in military and financial 'aid'. One arm of the Rothschild's is simply giving it to another.

John J. Mearsheimer and Stephen M. Walt write in their book, *'The Israel Lobby and U.S. Foreign Policy'*:

"Israel receives about \$3 billion in direct foreign assistance each year, which is roughly one-fifth of America's entire foreign aid budget. In per capita terms, the United States gives each Israeli a direct subsidy worth about \$500 per year. This largesse is especially striking when one realizes that Israel is now a wealthy industrial state with a per capita income roughly equal to South Korea or Spain."

The U.S. House of Representatives recently approved another \$205 million in military aid for Israel for an 'anti-missile' system. *"When it comes to defense, military, and intelligence cooperation, the relationship between the US and Israel has never been stronger"*, said Democrat Representative Steve Rothman (Rothschild-Zionist), a member of the House Appropriations Defense Subcommittee. As he spoke, the Israeli authorities were using their American-supplied military might to continue the blockade of the Gaza Strip which has been stopping supplies of food, fuel and basic needs for 1.5 million Palestinians since 2007.

I realize that many Christians might see this as being anti-Semitic but it is more accurately described as anti-Zionism. Others who have tried to reveal this truth have been discredited by Zionist attack groups like the ADL and JDL, but when examining their research the facts withstand the scrutiny of objective journalism. To share this, I have set out here to reveal the true face of Zionism - the House of Rothschild and its networks - and how its agents

in Big Government, Big Banking, Big Business, Big Pharma, Big Biotech, Big Media and so on, are working as one unit to impose a global Orwellian dictatorship on the human population - including the mass of Jewish people. No one in any aspect of the media dare speak in but a whisper of the Rothschild's for fear of retaliation, barred from their life's work. Even Bill Clinton hinted at this in his second inauguration address.

Zionism is a subject that all but a few are either too ignorant or too frightened to tackle and expose, but it must be made public and the web dismantled if global tyranny is to be avoided in the very near future. In fact, it's not even about the 'future'; the tyranny is already here and it is just a case of how deeply we are going to allow ourselves to be enslaved by it.

The Rothschild's have spent more than two centuries hiding the true and ever-gathering extent of their global control and that veil must be lifted for the mass of the people to see. I should also stress that when I say 'Rothschild', I don't only mean those called 'Rothschild', nor even all of the people who are known by that name. There are many in the Rothschild family and its offshoots which have no idea what the hierarchy is doing and there are many Rothschild's who don't carry the name itself. When I say 'Rothschild', I am referring to the Rothschild bloodline because, as many authors detailed in their books, they have long had breeding programs that produce offspring that are brought up under other names. So when these people come to power, they carry the Rothschild genetics and answer to their control system, but they are not officially called 'Rothschild', and in this way the scale of the Rothschild infiltration of government, finance and so on remains hidden behind an army of offspring known by different names. It is time to put the Rothschild's on public display because that's the last place they want to be. They have operated from the shadows for long enough and we must urgently ensure that those days are over. Adolf Hitler was a Rothschild!

As the *'Jewish Chronicle'* reported Mick Davis, chairman of the pre-eminent Anglo-Israel charity, the UJIA, and the executive of the Jewish Leadership Council, *"shattered a longstanding taboo by publicly criticizing the Israeli Prime Minister Benjamin Netanyahu over the peace process, voicing moral reservations about some of Israel's policies and calling for criticism of Israel to be voiced freely throughout the community."*

What followed was an "I am Spartacus" moment. As the Israeli embassy and their cohort of diehard loyalists within Anglo-Jewry looked on aghast, one heavyweight community player after another voiced support for Mr. Davis.'

### **Iran Placing Medium-Range Missiles in Venezuela 'That Can Reach US' - Says A Rothschild Zionist 'Think Tank' Masquerading As An Independent Organization**

Iran is planning to place medium-range missiles on Venezuelan soil, based on western information sources, according to an article in the German daily, *'Die Welt'*, of November 25, 2010.

According to the article, an agreement between the two countries was signed during the

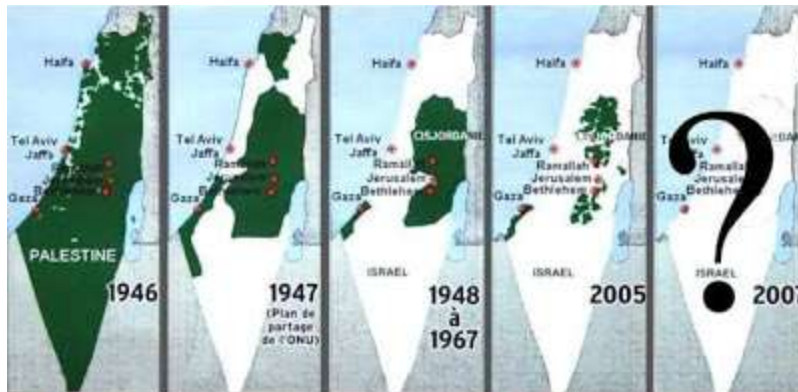

last visit o Venezuelan President Hugo Chavez to Tehran on October 19, 2010. The previously undisclosed contract provides for the establishment of a jointly operated military base in Venezuela, and the joint development of ground- to-ground missiles.

At a moment when NATO members found an agreement, in the Lisbon summit (November 19-20, 2010), to develop a Missile Defense capability to protect NATO's populations and territories in Europe against ballistic missile attacks from the East (namely, Iran), Iran's counter-move consists in establishing a strategic base in the South American continent - in the United States' soft underbelly.

But hold on, let's take a look at the organization pushing this propaganda. It is the Rothschild-Zionist Hudson Institute through its mouthpiece Hudson, New York, and here is some background to the latter's editor-in-chief, Nina Rosenwald (Rothschild-Zionist):

She is Chairman of the Board of the Middle East Media and Research Institute and Vice President of the Jewish Institute of National Security Affairs. She also serves on the Board of Directors of the American-Israeli Public Affairs Committee (AIPAC), Human Rights in China, and the Washington Institute for Near East Policy. She is a member of the Council on Foreign Relations, the Board of Regents for the Center for Security Policy, the Committee for Accuracy in Middle East Reporting, New York Academy of Sciences, United Jewish Appeal/Federation, New York Psychoanalytic Research and Development, Jerusalem Center for Public Affairs, and The Founders Association.

**So, no pro-Israeli bias there, then ... How Israeli leaders kill for their people's votes**

Palestinian land in green. 2011?

Israeli-born musician and writer Gilad Atzmon, who has renounced his Jewishness and Israeli nationality, explains Israel's massacre of Palestinians in Gaza in terms of Israeli culture, which is imbued with racism and a murderous hatred of Arabs in general and Palestinians in particular. Gilad posts his reports on several internet news sites. As a non-Rothschild-Zionist, he attacks the Rothschild-Zionist state of Israel and everything it represents.

Should you doubt what I said, here are the words of Dr. Paul Craig Roberts posted a few days ago on May 13, 2019, the article was entitled **“Trump Is Being Set-up for War with Iran”**.

Trump destroyed his chance at being a successful president by the stupid appointments he has made. At the moment he is being set up by his national security advisor John Bolton and Israel for a war with Iran.

Using the same format of lies that was used against Iraq, Libya, Syria, and Venezuela, Bolton has accused Iran of “troubling and escalatory indications” of a forthcoming Iranian attack on American forces in the Middle East. To help protect against the attack, Bolton has ordered Patriot missile batteries, an aircraft carrier strike group, and a bomber strike force to be on standby in the region.

Even the Israeli newspaper, *‘Haaretz’*, pointed out that Bolton failed to identify the “troubling and escalatory” Iranian actions. No one else has seen any sign of them.

The reason for the Patriot missiles is not to deter Iran from an attack, but to prevent successful Iranian response to an attack on Iran.

This is the likely situation: The deal between the Washington Ziocons and Netanyahu is that either Israel will attack an American ship or whatever is selected, and it will be blamed on Iran, thus forcing Trump to “defend America” and retaliate, or Israel using American disguise will attack Iran, thus provoking a response from Iran.

Iran is already on hair trigger from having been provoked excessively by Washington withdrawing from the Iranian nuclear agreement, re-imposing sanctions, and making endless false accusations against Iran, as Washington has done against Russia, Syria, Iraq, Libya, Venezuela, Yemen. It wouldn’t take much more to set off Iranian emotions.

Trump is clearly set-up. If Bolton and Netanyahu want the US at war with Iran, it is their call. And they do want the US at war with Iran. Iran and Syria back Hezbollah, and Hezbollah prevents Israel’s annexation of southern Lebanon, which Israel has twice tried only to have its army, which is not good for anything except killing unarmed women and children in Gaza, quickly defeated by Hezbollah. Thus, eliminating support for Hezbollah is a high priority for Israel and its neoconservative allies in Washington.

The neoconservatives have an additional reason for delivering chaos to Iran. If Bolton can produce a situation in Iran like the one the US created in Libya, Iraq, and Syria, American-supplied jihadists can be infiltrated into Muslim provinces in the Russian Federation as punishment for Russia’s independent stance in world affairs.

The stakes for Russia are higher in Iran than in Syria. Russia can stand aside only at huge cost to itself.

China also has an interest. Until the Russian energy pipeline to China is completed, China needs Iranian oil. Disruption of Iran by chaos is a way of throttling China by reducing China's energy supply.

The war that Bolton and Netanyahu are preparing to spring on Trump is likely to be much larger than they think.

Hal Turner reported on Sunday evening, May 12, 2019 that a number of ships were blown up in the Persian Gulf area. I am cautious about quoting Hal Turner's site and like to verify what other world news sites report as the completeness and accuracy of Hal Turner's posts are not reliable. Yesterday, on Monday, May 13, 2019 the *'UK SUN'* provided photos of damaged ships from explosive charges. So the question is, Is this the false flag we are to be watching for? Below is the *'UK SUN'* report:

## **It WAS sabotage: Iran 'used EXPLOSIVES' to blow holes in four ships, including two Saudi oil tankers, anchored in the Persian Gulf, , amid building tensions between the US and Iran**

- **One of the commercial ships was said to be en route to pick up Saudi oil to transport to America**
- **American military's initial assessment is that Iran or Iran-backed proxies are responsible for the attacks**
- **Assessment comes amid rising tensions between U.S. and Iran and warnings conflict could break out 'by accident'**

An American military team's initial assessment is that Iranian or Iranian-backed proxies used explosives Sunday to blow large holes in four ships anchored off the coast of the United Arab Emirates, a U.S. official said Monday.

The official said each ship has a 5- to 10-foot hole in it, near or just below the water line, and the team's early belief is that the holes were caused by explosive charges.

The team of U.S. military experts was sent to investigate the damages at the request of the UAE, but American officials have not provided any details about what exactly happened or any proof as yet about the possible Iranian involvement in the explosions.

The official was not authorized to discuss the investigation publicly and spoke on condition of anonymity.

The tinderbox standoff between Iran and the US escalated even further today after four commercial ships were mysteriously 'sabotaged' off the UAE - adding to fears a conflict involving the two nations is looming.

Gulf officials have characterized the damage to the tankers as sabotage.

Two Saudi oil tankers, a Norwegian-flagged vessel, and a bunkering tanker flagged in Sharjah, one of the UAE's seven emirates, all suffered similar damage Sunday.

The A. Michel tanker under the flag of the United Arab Emirates, pictured on Monday, was one of the four tankers damaged in alleged 'sabotage attacks' in the Gulf the previous day.

The U.S. has warned ships that 'Iran or its proxies' could be targeting maritime traffic in the region, and America has moved additional ships and aircraft into the region.

The incident comes after months of increasing diplomatic and economic pressure on Iran, which the U.S. accuses of threatening American interests and allies in the region, including Saudi Arabia and the UAE.

Amid spiraling tensions in recent days, the U.S. had warned ships that 'Iran or its proxies' could target maritime traffic in the region - and now suspects Iran was behind the latest attacks.

Asked about the sabotage, President Trump warned that Tehran would 'suffer greatly' if it enraged Washington, predicting a 'bad problem for Iran if something happens'.

Saudi and UAE officials have been tight-lipped about the extent of the damage but pictures showed at least one tanker with a hole in its hull.

Tehran has distanced itself from the apparent attacks, calling an investigation into the 'alarming' episode and warning of 'adventurism' by foreign players to disrupt maritime security.

Intertanko, an association of independent tanker owners and operators, said it had seen images showing that 'at least two ships have holes in their sides due to the impact of a weapon'.

Secretary of State Mike Pompeo on Sunday called Iran a 'major destabilizing force' in the Middle East while Britain warned of the danger of a war being started in the Gulf by accident.

Saudi Arabia has condemned 'acts of sabotage' in the Gulf but the scale of the damage remains unclear.

The country's energy minister Khalid al-Falih said the kingdom's two oil tankers, including one due to carry crude oil to the U.S., sustained 'significant damage' off the coast of Fujairah.

However, a report from Sky News Arabia showed the allegedly targeted Saudi tanker Al Marzoqah afloat without any apparent damage.

The MT Andrea Victory, another of the allegedly targeted ships, sustained a hole in its hull just above its waterline from 'an unknown object,' its owner said.

The crude oil tanker, Amjad, pictured today which was one of two reported tankers that were damaged in mysterious 'sabotage attacks', off the coast of the Gulf emirate of Fujairah

Pictures of the Andrea Victory, which the company said was 'not in any danger of sinking,' showed damage similar to what the firm described.

Emirati officials identified the third ship as the Saudi-flagged oil tanker Amjad. Ship-tracking data showed the vessel still anchored off Fujairah, apparently not in immediate distress.

The fourth ship was the A. Michel, a bunkering tanker flagged in Sharjah, one of the UAE's seven emirates.

The Saudi minister said the attacks on the two Saudi tankers happened at 6am on Sunday.

He said 'the attack didn't lead to any casualties or oil spill,' though he acknowledged it affected 'the security of oil supplies to consumers all over the world.'

One U.S. official said: 'This is what Iran does ... The sort of thing you could see Iran doing ... It fits their MO [modus operandi].'

### **Pompeo is warned against starting war with Iran 'by accident'**

Secretary of State Mike Pompeo has been warned about starting a war 'by accident' as he met European leaders in Brussels today.

Pompeo, who called Iran a 'major destabilizing force' in an interview with **CNBC**, made the stop in Brussels to speak to EU leaders about the threat from Tehran.

'We are very worried about the risk of a conflict happening by accident, with an escalation that is unintended really on either side,' Britain's Foreign Secretary Jeremy Hunt warned.

'Most of all, we need to make sure we don't end up putting Iran back on the path to re-nuclearization. Because if Iran becomes a nuclear power, its neighbors are likely to want to become nuclear powers. This is already the most unstable region in the world, and this would be a massive step in the wrong direction.'

President Donald Trump is seeking to isolate Tehran by cutting off its oil exports after pulling out of the deal.

While the European Union shares some U.S. concerns about Iran, it still backs the 2015 nuclear deal, saying that it is in Europe's own security interests.

'We are very worried about a conflict, about the risk of a conflict ... of an escalation that is unintended,' Britain's Jeremy Hunt said ahead of talks with Pompeo.

Britain, Germany and France's foreign ministers were holding separate meetings in Brussels with Pompeo, who cancelled a planned stopover in Moscow in order to brief the European allies on Washington's latest moves.

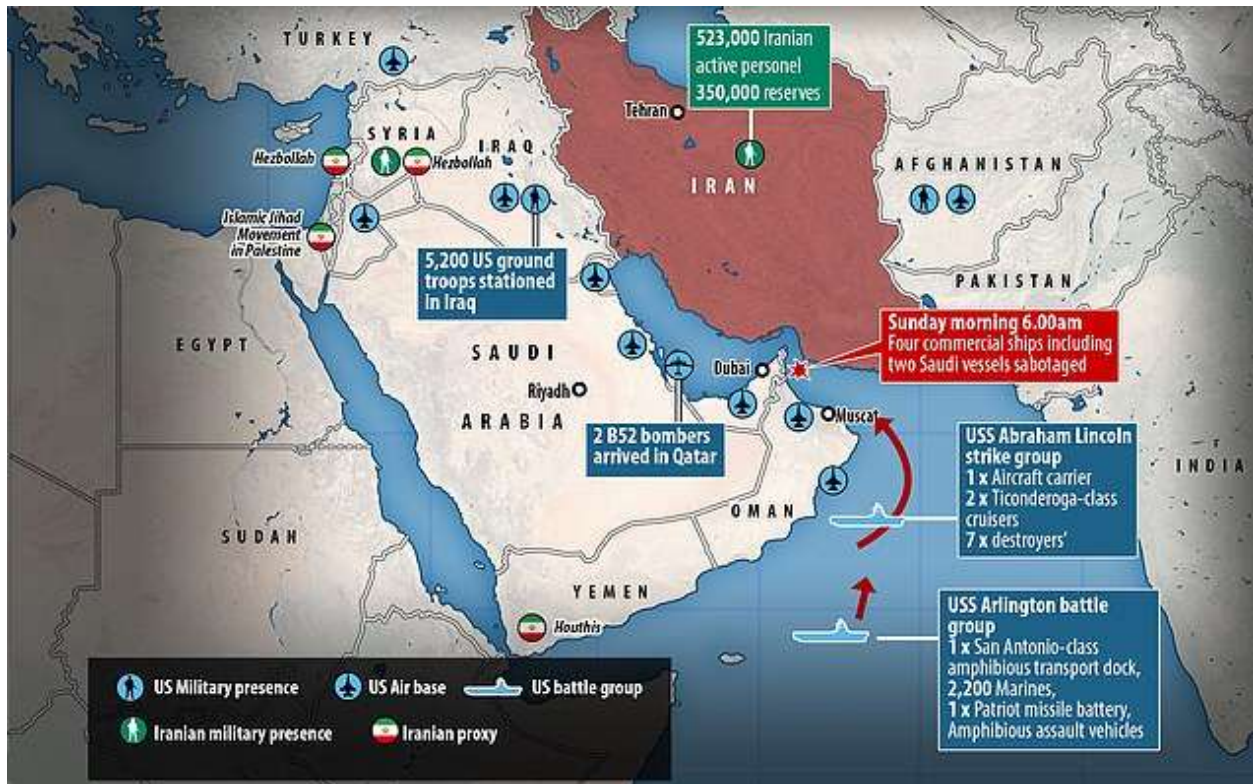

The U.S. State Department billed Monday's talks in Brussels as a chance 'to discuss recent threatening actions and statements' by Iran.

German Foreign Minister Heiko Maas said he had told Pompeo during their Monday meeting: 'We do not want it to come to a military conflict.'

It was clear that Europe and the United States were 'going about it in different ways ... taking different courses,' he said.

Emirati officials have declined to elaborate on the nature of the sabotage or say who might have been responsible.

Reports in Lebanon and Iran had earlier claimed there were explosions near the UAE port but there has been no evidence to support their claims.

Tuesday morning the UK media reported a second attack, this time on a Saudia Arabia pipeline that crosses the country. The report said that drone-laded explosives were detonated at two Saudi pumping stations.

Although I have not included the media report on the incident, I did include a picture from the *'London Daily Mail.'* Note on the next page the top inset picture of President Trump and the caption, "Donald Trump is mulling over sending 120,000 troops to the Middle East." Now, I ask you, is that number not interesting. Remember the words of the *'Israel Today'* report of sending 120,000-troops for the invasion of Iran. I reprinted the summary on page 1 of this article with the basic war plan. If he had said any other number, it would not have caught my attention, 100,000, 150,000, or 200,000; but it states explicitly 120,000 or what the *'Israel Today'* reported last month. I find that to be so suspect and highly scripted! **"Predictive Programming"** is at work for sure, in a big way! President Trump is following someone's plan, and it raises a series of questions as to who is pulling the President's puppet strings. This smells to the high heavens as a "False Flag" event in the process of delivering to the Rothschild-Zionists, their Rothschild-controlled Central Bank.

Note the statement of 120,000 on the UK Sun article from Monday, May 13<sup>th</sup>, 2019. With the size of Iran, maybe they would have suggested a half-million troops. We did that in Iraq, a country a third the size of Iran.

Wake-up folks! This is the greatest scam of the century. Donald Trump was a “controlled opposition” candidate, a perfect one beholden to the Rothschild banks to deliver for the Rothschild’s in their plan to control the world. Just remember, these are the folks who will require you to take the “Chip” once they control the world financial system. There are too many odd coincidences as this article has detailed!

I’m not a prophet, just a good historian, researcher, and a student of the Word! Isaiah 17:1 and Ezekiel 38/39 are within view of the near future. The Apostle Paul told us we would know when others would be in the dark! Millions are going to be caught off guard!!! More of America’s sons and daughters will shed their blood, not for patriotism, or country, but to facilitate the Luciferian Rothschild-Zionists to gain control of the world. It’s been their business model for more than 200 years! If you are a born-again Christian, be ready for your departure from this diabolical “business plan” of the House of Rothschild.
