

OCTOBER SURPRISE

OCTOBER SURPRISE 2020: Democrats Desperately Executing Plan A, B & C

THE ONCOMING COVID-19 TIDAL WAVE
“Shock and Awe” Coming to America

The next COVID-19 wave coming this Fall will be a fabricated series of tsunamis of coronavirus outbreaks, clusters and explosions engineered all over America just before Election Day via the planned release of this meticulously bioengineered virus.

State of the Nation

From the outset of the 2020 election cycle, this October was fated to have the most October Surprises in U.S. history. Actually, the surprises have been occurring all year with the manmade coronavirus pandemic and global psyop being the biggest one ever.

In reality, the American people have been relentlessly conditioned and intensely propagandized to expect a COVID-19 wave this Fall. The whole *Plandemic* is meant to climax during the weeks prior to November 3.

The perpetrators of **OPERATION COVID-19** have used the mainstream media (MSM) quite slyly to brainwash the American audience in what has become the greatest campaign of propaganda and prevarication the world has ever experienced.

For example, look at today's front page of the BBC, perhaps the most powerful MSM propaganda platform ever created. No one does propaganda and prevarication like the Brits. It's the fulcrum of imperialism and why the sun still never sets on the British Empire.

Why, pray tell, does a British news outlet allocate so much space to covering political affairs in the USA, especially when it concerns the [THE GREAT SCAMDEMIC](#)?

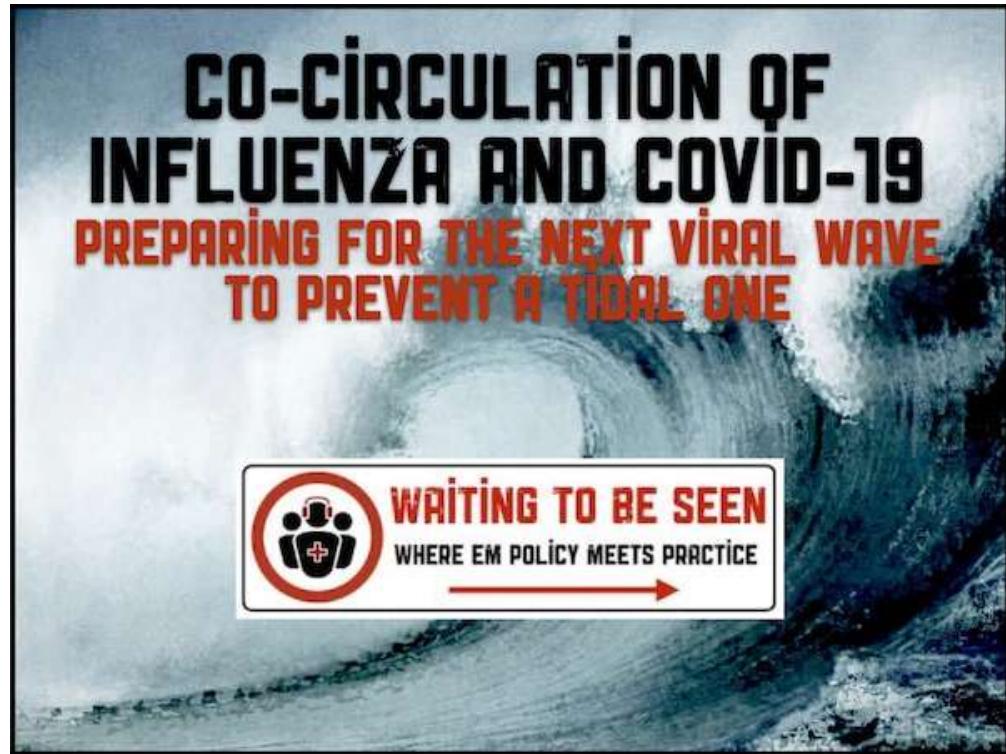

Almost all of the most outrageous Covid propaganda originates in the United Kingdom as no one does a disinfo, misinfo, false info multi-media campaign like the Tavistock Institute and British Intel Community dynamic duo. In fact, the globalist blokes in London have been running a turnkey fake news operation since their first day of empire building. Particularly where it concerns COVID-19, all those Fleet Street falsifiers, fakers and fabulists know how to do is make stuff up out of thin air.

Why did the Imperial College of London use totally fake models to predict over 2.2 million American deaths?!

What's the critical point?

Come hell or high water (a tidal wave is extremely high water), the *Plandemic* perps are absolutely determined to manufacture a Covid tidal wave that totally submerges America this Autumn. That was their plan all along; not only to unfairly influence the POTUS election outcome, but also to milk this *Plandemic* for every draconian control measure they can impose on the country.

Of course, imposing an Orwellian set of controls and restrictions in the name of combatting a ‘deadly pandemic’ will be quite an easy task since all they will have to do is piggyback the regular flu season with the coronavirus and call every case of influenza COVID-19, even though they aren’t. See how the crafty messaging has already begun in the following fear mongering visual.

October Surprise 2020

Undoubtedly, there will be several astonishing October Surprises this campaign season, each one having more shock and awe than the previous one.

There are multiple reasons why the Democrat traitors, *Deep State* operatives and NWO globalists are conspiring to make this October the most eventful and truly momentous by every metric. However, the most significant of these is that this October 2020 will be the very last one to see “October Surprises”.

After all, when there are no more elections in the communist USSA (where “A” stands for Amerika), there’s no need for an October Surprise to manipulate an election outcome. And if the Patriot Movement wins, elections will take place in a different manner because the *Right* will no longer stand for stolen elections, period!

If the globalists get their way throughout this decisive season of October Surprises, the populace will be so overwhelmed by all the shock and awe, the **CORONAhox** will continue unabated. For the upcoming Covid wave has been designed to wash over the nation with a finality that drowns out all dissent and floods any protest movement that was started to stop the corona charade. Of course, these are their plans which are already exposed and therefore much more challenging to carry out.

The *Plandemic* perps will also use this Fall’s flu season to inundate every major city with coronavirus cluster explosions and outbreaks. In so doing, the city dwellers will not only demand a COVID-129 vaccine, but also a mandatory vaccination for every one of their fellow Americans.

Isn't this how the US government always does it?

Why should the government enforce vaccine mandates when they can easily have the citizens police each other just as they are currently doing everywhere regarding face mask enforcement?

Of course, this stealthy move is only the first tack toward the establishment of an immunity certificate that will be directly tied to exercising all sorts of rights and freedoms. The perps will press hard for this illicit government action because it's the lynchpin that permits them to transform **OPERATION**

COVID-19 into COVID-1984. See: [COVID-1984: ‘A Global 9/11’ to Inaugurate a Global Security Superstate](#)

Back to the grand finale of October Surprises in store for the American body politic.

This October already began with a bang—President Trump and First Lady Melania were infected by an obvious *Deep State* operation to accomplish several objectives. See: [NWO Globalists Aiming COVID-19 Bioweapon at the Republican Leadership](#)

First and foremost, the Democrats wanted to shut down Trump’s campaign stops across the nation. They were far too successful and made it extremely difficult for the MSM to report so much utterly false polling data. When Trump shows up in person, 30,000 avid supporters instantly appear; when Joe Biden crawls out of his basement, 3 covidiot might appear in the distance with masks on.

Then there was the “Great Covid Purge” that recently took place under the radar in Washington, D.C..

The very day that Trump elevated Dr. Scott Atlas over Dr. Anthony Fauci and all the other agents of *Deep State* on the White House Coronavirus Task Force, every GOP insider knew it was only a matter of time before Team Atlas was taken down hard.

What better way to do just that than to infect everyone in the West Wing, and then some?

Even the ever-trusted and CLOSE confidante Hope Hicks was conveniently infected by the deliberate release of the COVID-19 bioweapon in the White House.

[Deep State Launches an All-out COVID-19 Bio-attack on the White House!](#)

With this single treasonous act of intentionally infecting the POTUS and First Lady, the perps think they have executed their masterstroke to take down Trump, once and for all. While this bio-attack will curtail the POTUS’s movement considerably, there are also incalculable unintended

benefits that will greatly assist Trump in his re-election efforts. These possibilities were apparently lost on the globalist cabal.

However, the Covid perps do have a “Plan B”. And that scheme has already commenced in earnest.

Clearly, the Democrats in collusion with *Deep State* have — during this October — pressed the button on their nuclear option: They will claim many of the U.S. senators in their caucus have contracted Covid, or they will ensure that every Republican is exposed to it. This is quite easy to do given the pervasive penetration that *Deep State* enjoys virtually everywhere inside the Beltway. Is there anything they cannot accomplish given their countless minions and unlimited payola?

It's important to note that the Democrats have already put the SCOTUS confirmation process of Amy Coney Barrett in serious jeopardy with this recent maneuver.

How convenient! Something tells us a LOT more senators will catch the corona to prevent the SCOTUS confirmation vote.
Here's the Democrat's strategy to sabotage the Senate SCOTUS confirmation process!

Then there's the Democrat's Plan C: to so overwhelm governments at the federal, state, county and city levels so that a groundswell of voter discontent sufficiently builds to seal a Trump defeat. Toward that end, the MSM will be enlisted to run a blistering offensive replete with more Covid fake news than what we have already seen.

Because so many on the *Left* have totally bought into **STUPID-19**, they are now diehard members of the covidocracy. The MSM will work overtime to incite their fears and inflame their biases against Trump, and especially against the Patriot Movement that knows the radioactive truth about **THE GREAT SCAMDEMIC**.

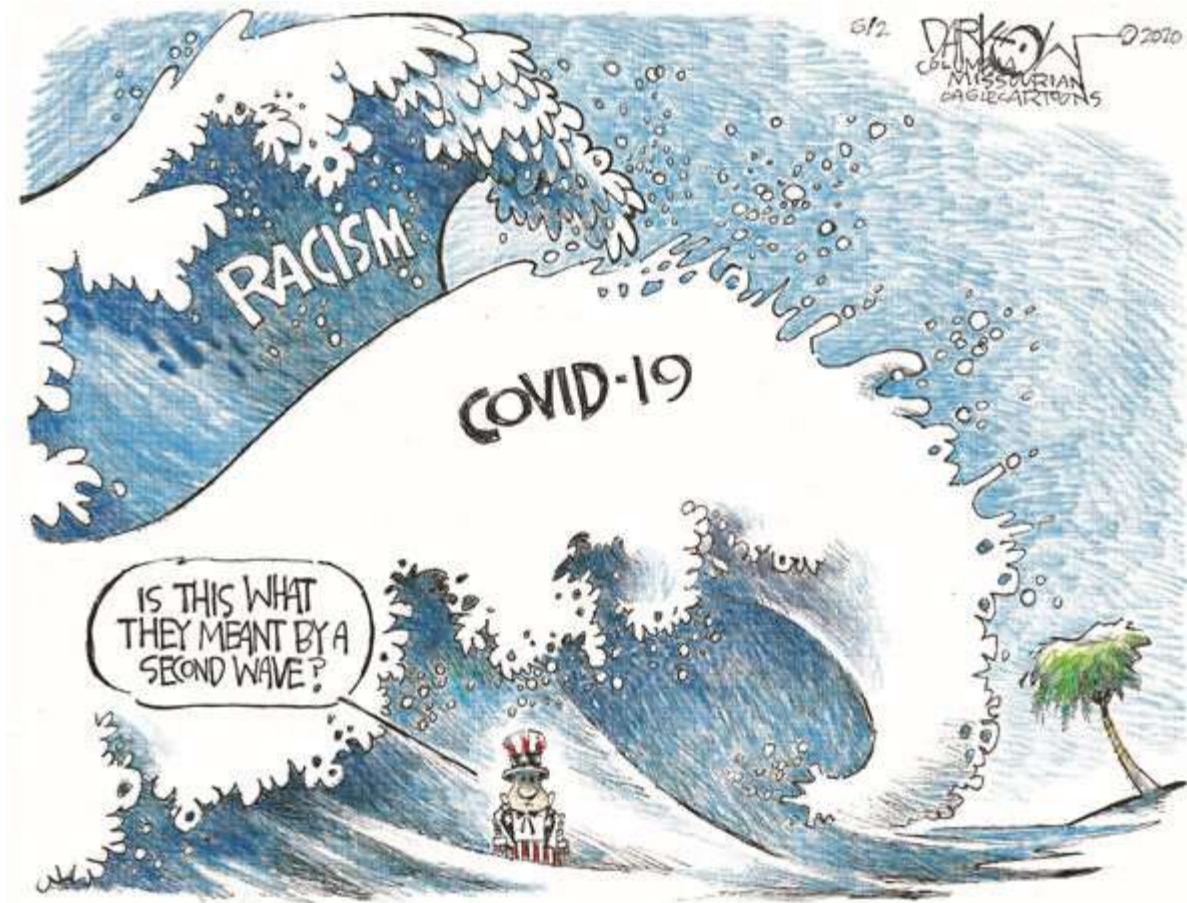

Race War

There is also quite likely to be numerous attempts to foment a full-blown race war this month. In light of how the Democrats are now negatively viewed about their commitment to “law and order”, the DNC has doubled down on their plot to greatly aggravate racial tensions in any and every

Democrat-run city. Only in this way do they hope to justify their condoning of so much rioting and looting, violence and murdering, burning and arson, destruction and terrorism inflicted by the Democrat-controlled Black Lives Matters and AntiFa terrorist organizations.

Everything points, then, to a one-two punch, just as the electorate has witnessed since the beginning of the year by highly purposeful design. The first punch was the coronavirus pandemic hoax; the second punch were the various race riots carefully choreographed and orchestrated since the staged fake murder of George Floyd.

The main October Surprise, then, is a one-two punch that might look like the following visual:

Make no mistake about it: The Democrats will do whatever is required to steal the POTUS election. They know they cannot lose to Trump as proved by their ongoing soft coup which is soon to go violent if necessary. Their many crime sprees during 8 long years of Obama, coupled with their

nonstop crime waves since Election Day of 2016, have made the entire Democrat leadership vulnerable to charges of treason and sedition as well as sentences of life in prison.

The Other Tidal Wave(s)

While the NWO globalists plan for the oncoming wave to swamp the United States to the point of being paralyzed so they can foist a communist government on the American people, their nefarious scheme has many holes in it. There are so many defects, in fact, because of their sheer desperation and growing anxiety about their future.

As for some of those unintended consequences, there is a veritable ...

Not only that, but ...

**COVID-19 Expected to Create a Tidal Wave
of Workers' Compensation Claims:
Is Your Business Ready for the Tsunami?**

There are, in fact, many tidal waves — in every sphere of life — expected to build both fast and slow in the wake of **THE GREAT SCAMDEMIC** of 2020. And, it's true the globalists think they can create their *New World Order* out of the chaos, as they have methodically done since the Federal Reserve Act of 1913.

Ordo ab Chao has always been their overarching strategy and reliable MO without which they would never have gotten this far. It could even be stated that **OPERATION COVID-19** is the very culmination of ***Ordo ab Chao*** blueprint frequently followed by *The Powers That Be*.

However, what the perps failed to realize is that the COVID-19 international criminal conspiracy would wake up so many smart and good people around the globe. Because COVID-19 can be found in everyone's back yard, there are no NIMBYs. Everyone has skin in the game. And many of the billions of victims are rapidly waking up to the malevolent conspiratorial plot to imprison them and enslave them.

Soon ... very soon ... we expect there to be many folks armed with torches and pitchforks. The now ubiquitous Internet has made sure that if anyone wants to know the Covid truth, it's easily accessible. Even with so much blatant censorship by *Big Tech* and *Big Social Media*, the AI censors are unable to suppress the explosion of Covid truth.

Conclusion

2020 will see more October Surprises than all the previous U.S. election cycles put together. Both the *Deep State* and Democrats have a LOT to lose with what is likely to be the last POTUS election.

Likewise, the globalists know that Trump stands as a HUGE impediment to the implementation of their *New World Order* agenda. Hence, the globalist cabal will likely carry out October Surprises all the way to Inauguration Day. The formation of their planned **One World Government** hinges upon a Biden-Harris victory quickly followed by a Harris administration after "Crazy Joe" is put out to pasture.

KEY POINT: The sooner folks understand that **OPERATION COVID-19** was specifically undertaken to collapse the United States of America in order to advance the NWO agenda, the quicker both can be terminated. See: [Ultimate Proof: Covid-19 Was Planned to Usher in the New World Order](#)

Truly, the stakes have never been so high for both the *Right* and the *Left*. Not only does the future of the Patriot Movement hang in the balance, the continuity of the American Republic is at great risk.

Therefore, the most important endeavor for every Conservative and Christian, Patriot and Nationalist, Republican and Independent is to disseminate every exposé that reveals these seditious schemes. For when the **CORONAhox** criminal conspiracy spree is completely laid bare, those crimes against humanity can be prosecuted to the fullest extent of the law. What follows is an excellent illustration of the types of serious initiatives that are now burgeoning throughout the world community of nations: **THE GREAT SCAMDEMIC: How it has triggered ‘the biggest tort case in world history’**

It has never been so urgent for every resident on Earth to (i) take back their power from *The Powers That Be*, (ii) stand in their own truth, and (iii) speak that truth to power as never before. Only in this way can personal sovereignty be reclaimed so that national sovereignty can be restored.
