The video is an one-hour-and-forty-minutes, but it is a must listen. It is an expose of the Fear-Driven tool to used on the public world-wide. The narrator is from India. If for some reason the video link does not work, go to “The Liberty Beacon” web site by that same title. A link will appear down the left side. It is dated August 14, 2020.

Actual documents have been found on the WHO website and brought to light for our review and comprehension. Gratitude and thanks go to Journalist Ramola D of Ramola D Reports for her investigative work to locate these reports and share them with us.

These reports reveal that **the world is now undergoing a LIVE “Training & Simulation Exercise”** involving a worldwide pandemic caused by a lethal respiratory virus. They further reveal that the groundwork for this plan was established as far back as 2005. **Incredibly, 196 countries were signed on and legally bound to participate in this drill, coordinated by the WHO and UN.**

This material is time sensitive. A number of “**progress indicators by Sept. 2020**” are identified, including:

Progress indicator(s) by September 2020

The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen.

The links to these WHO documents are provided below. Additionally, the link to the YouTube video produced by Ramola D explaining what she has learned from these reports is also provided.

The thing to keep in mind while reviewing these reports is “**doublespeak**”*.

*** DOUBLESPEAK DEFINITION**

“Doublespeak” is language that deliberately obscures, disguises, distorts, or reverses the meaning of words. Doublespeak may take the form of euphemisms (e.g. “downsizing” for layoffs and “servicing the target” for bombing), in which case it is primarily meant to make the truth sound more palatable. – [Wikipedia](#)

The perpetrators of these crimes use words that are the direct opposite of the meaning we would give them, or in such a way as to invoke a sense of regard for public safety and human life, when in fact, they mean nothing of the sort!

TLB PROJECT INFORMATION & DISCLAIMERS

Stay tuned to ...

The Liberty Beacon Project is now expanding at a near exponential rate, and for this we are grateful and excited! But we must also be practical. For 7 years we have not asked for any donations, and have built this project with our own funds as we grew. We are now experiencing ever increasing growing pains due to the large number of websites and projects we represent. So we have just installed donation buttons on our websites and ask that you consider this when you visit them. Nothing is too small. We thank you for all your support and your considerations ...
