

Rapture Alert!

Rosh HaShanah or the Feast of Trumpets is the only Feast of the Lord that begins with the sighting of the new moon. All of the other Feasts are observed on full moon days of God's Biblical Calendar; the Feasts of the Lord, as laid out in Leviticus 23. The Feast of Trumpets is noted in Leviticus 23:24 – ***“Speak unto the children of Israel, saying, In the seventh month, in the first day of the month, shall ye have a Sabbath, a memorial of blowing of trumpets, an holy convocation.”***

The above illustration of the 7-branch Menorah shows how Jesus Christ fulfilled the first four Feasts of the Lord were historically fulfilled by Jesus Christ, known as the Spring Feasts. The Fall Feasts have not been fulfilled as of this day. The next Feast (or appointed time *“Moedim”*) falls on our calendar this week, September 26-27, 2022. The facts have proven that the Jews over 4,000 years did not always observe the instructions of the Lord from Leviticus 23. Their neglect to obey the Torah; however, did not alter God's Biblical Calendar and so the world has failed to be on God's Biblical. In recent years, Bible scholars have managed to correct for the errors of disobedience and neglect.

The Feast of Trumpets is a 2-day event to proclaim its meaning around the world! It is also referred to as one long day (48 hours). It will begin on Monday, 9/26/2022 (begins at sundown of Sunday, 9/25/2022) and ends at sundown of Tuesday, 9/27/2022. Trumpets are blown in Jerusalem at the sighting of the new moon setting in the west as seen from Jerusalem, to confirm the sighting of the new moon. Visibility can be hampered by various factors, such as clouds, rain, fog, etc. since the backdrop of a setting sun often inhibits visibility. Astronomy indicates the new moon will NOT be visible in Jerusalem on Monday, the 26th, but does depict a 3% crescent moon on Tuesday, 9/27/2022. Hence, trumpets will be blown in Jerusalem and around the world on sundown Tuesday.

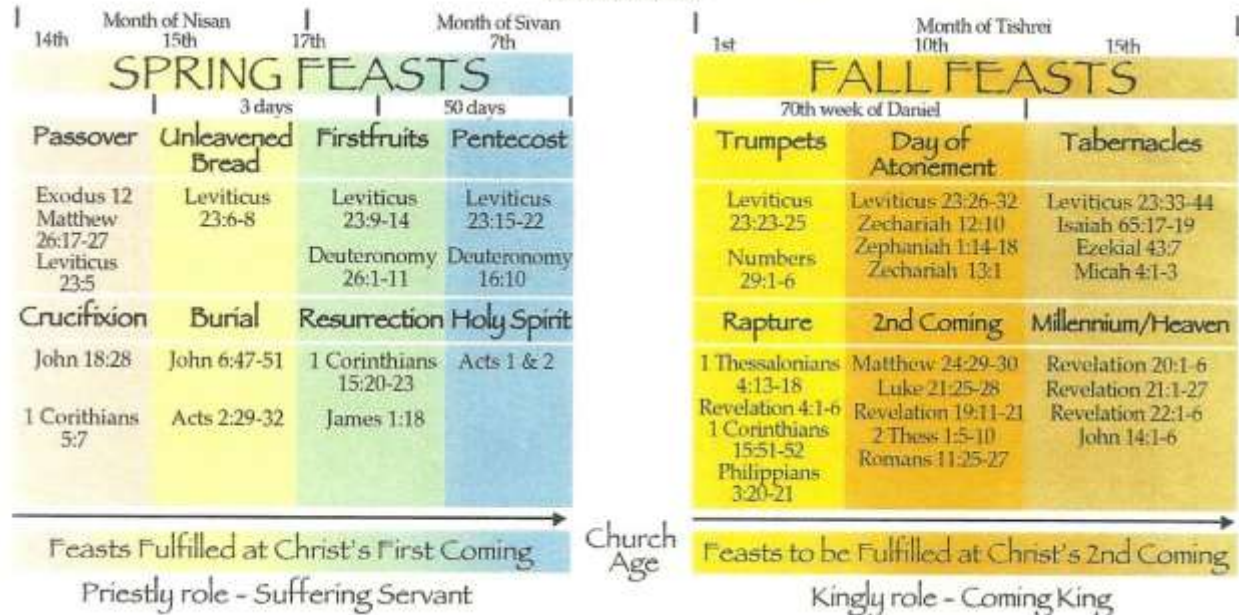

Sundown or sunset in Jerusalem on Tuesday, 9/27/2022 will be at 7:38 pm. This means that it will be 12.38 pm Eastern Standard Time in the U.S.A.; 11.38 am Central Standard Time; 10:38 am Mountain Time; 9:38 am Pacific Time.

THE SEVEN JEWISH FEASTS

Appointed Feasts and Holy Convocations of Leviticus 23

"These are a shadow of the things that were to come; the reality, however, is found in Christ"
Colossians 2:17

At the moment of entering this into my computer, the moon is waning at 1% of full and tonight there will be a moonless night sky. By the time of sundown in Jerusalem on Tuesday evening, the world will be hearing the Trumpets of John the Revelator, *"After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter."* - (Revelation 4:1)

What has raised the Watch Level for the Rapture of the Church, of the Bride of Christ is what I have tagged the 'Bible Prophecy Trifecta!' In my "Blessed Hope" series, I shared multiple sources confirming that this Feast of Trumpets has multiple fulfillments on September 26/27th, 2022:

- A new Shemitah Cycle for 2022/2023 (divisible by 7 years) begins
- A new Jubilee Cycle for 2022/2023 (divisible by 49 years) begins
- The beginning of the Tribulation of Daniel's 70th Week for the final Shemitah Cycle begins

On Friday the date of 9/27/2022 suddenly jumped off the page and reminded me that the Antichrist will “*sign the covenant with the many*” noted in Daniel 9:27. **“And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.”**

In Hebrew there is no word for “coincidence” and so I find it perhaps “prophetic” that 9/27/2022 is the exact same number for Daniel 9:27. Daniel’s prophetic week of “seven” years is the focus of Daniel 9:24-27 in our Bible.

Anyone can go back and read the Blessed Hope segments that have been posted by going to my web page www.pastorbobreid.com in which I have covered many aspects of what is coming in the final week of Daniel’s Prophecy. We have witnessed some of the most incredible events occurring at rapid-fire pace, the most recent being the total collapse of the Chinese people and the house arrest of China’s president. **(This report has since been denied as of 9:30 PM Eastern Standard time Saturday 9/24/2022).** The media is silent about what was reported Saturday morning by Steve Quayle’s web site. Its implications could be profound for the entire world! This is particularly so given we are coming upon the eve of the Feast of Trumpets!

MILITARY AND BANKING SECTORS OF CHINA'S GOVT ARE IN CHARGE NOW AND ACTIONS ARE HAPPENING

1> THE ANSWER IS YES THAT XI JINPING IS UNDER HOUSE ARREST

BUT THERE IS MORE

2> HE LOST CONTROL OF THE MILITARY

3> HE LOST CONTROL OF THE CCP

4> HE LOST CONTROL OF CHINA'S BANKING SYSTEM

TO SAY IT BLUNTLY ALL HIS POWER WAS STRIPPED FROM HIM WHILE HE WAS AT THE SCO MEETING-'Shanghai Cooperation Organization'

THAT IS ALSO WHY HE DID NOT LEAVE HIS BUNKER IN BEIJING FOR 2 YEARS,EXCEPT TO ATTEND SHANGHAI COOPERATION ORGANISATION (ALL OTHER TIMES IT WAS HIS DOUBLE) AND WHILE HE WAS AWAY HIS POWER WAS STRIPPED FROM HIM

TO SAY IT BLUNTLY XI BLEW IT

(AND THE PRAYERS AGAINST HIM CONTINUE FROM THE 150 MILLION CHRISTIANS PRAYING FOR HIS JUDGEMENT

CHINA IS IN MASSIVE TURMOIL RIGHT NOW BECAUSE NOT ENOUGH FOOD AND NOW NO WATER TO DRINK AND XI DID NOT GIVE THESE ITEMS PRIORITY

CHINA'S MILITARY IS ANGRY WITH EUROPE AS WELL SO THE TROOPS SENT TO DEAL WITH EUROPE,IN RUSSIA ARE STILL GOING TO THE FIGHT

CHINA HAS NO STOMACH TO FIGHT RUSSIA BECAUSE THEY NEED HELP WITH FOOD....

5> BEJING IS NOW UNDER FULL MARTIAL LAW MANAGED DIRECTLY FROM THE MILITARY HIGH COMMAND

6> HONG KONG IS EXPECTED TO GO TO FULL MARTIAL LAW AS WELL

7> THINGS ARE GETTING UGLY FAST AND AN ATTACK ON THE USA BEFORE AN ATTACK ON TAIWAN IS MUCH MORE IN THE CHINESE MILITARY THINKING

(The above report has since been denied as of 9:30 PM Eastern Standard time Saturday 9/24/2022)

The Ukraine special operations invasion by Russia has taken a turn for the worse in that Vladimir Putin has activated 300,000 reservists and ordered all men 18-45 to register for a partial military draft. Putin and his government have initiated a referendum of Russians living in contested states of eastern and southern Ukraine. Russian military personnel are going house-to-house conducting a referendum to determine if the people in those states would prefer to be under a Russian-government, and set the stage to annex those contested states. This would enable Russia to annex the region it holds and place nuclear weapons in those areas as a pretext to defend the annexed territory against NATO and U.S. confrontations. This is an ongoing unfolding matter that can only further raise the specter for NATO and U.S. conflict with Russia.

Jonathan Brentner, a well-known prophecy writer wrote this yesterday: The events of the past few weeks shout to us that we live in the last days of human history as we know it.

1. The Dividing of the Land

The speeches of President Biden and Israeli Prime Minister Yair Lapid at the UN this past week. Both called for a two-state solution, which would divide the Land that God gave to His people by giving a good portion of it to the Palestinians.

This is precisely what the Bible tells us would happen in the last days. In Joel 3:1-3, the Lord addresses His anger at the nations concerning His "heritage Israel,

because they have scattered them among the nations and have divided up my land." Those who seek to divide the Land will experience God's anger.

Notice that the Lord refers to Land as *"my land."* It belongs first to Him and He gave it to the descendants of Jacob as an *"everlasting covenant"* -(Psalm 105:8-11). Since we have not yet reached the end of *"everlasting,"* the Land belongs to Israel and to no one else.

The stage is perfectly set for the future fulfillment of this passage as well as Zechariah 12:1-3. Jerusalem will remain a *"burden"* to the nations resulting with them gathering together against the city in the battle of Armageddon.

2. Russia and the Growing Threat of Nuclear War

Scripture also tells us that after we are safely in Heaven with Jesus, terrible wars will occur on the earth with an incredibly high death toll -(Revelation 6:1-8). As never before, the world looms on the cusp of the rider of war as described in this passage. These future wars will contribute to one-fourth of the world's population dying in the early months or years after the Rapture.

I'm astounded at the news coming out of Russia. The military there is calling up over 300,000 reserves, something they have not done since WWII. Reports from within the country say that Putin plans to add a total of over one million soldiers to his army. This is over-the-top serious; Russia is making it clear that they will resort to nuclear weapons as it races toward a wartime footing. The state-controlled media there is warning that nuclear war is *"likely."* [Click here for the story.](#)

The day in which we live is remarkably similar to the period before the start of the WWI and WWII. In his article, *Christians, This Is Not A Drill... Examining Our World Through The Lens Of Matthew 24*, Hal Lindsey makes the following excellent points:

"Before each of the first two World Wars, everyone saw the terrible possibilities. But almost no one really thought it would happen. They thought cooler heads would prevail. But cool heads did not prevail. Pride prevailed. Greed prevailed. Hate prevailed.

"It's happening again, but this time with the added threat of nuclear weapons. As before, no one believes it will really happen. But the signs are there. War threatens every part of the earth, especially Europe. In Ukraine, Russian arrogance has been shattered. Their president, Vladimir Putin, is as proud and as careless with human life as Hitler or Mussolini. And right now, he's like a wounded animal... with nukes."

3. The Five Red Heifers

The recent arrival of five perfect one-year old red heifers in Jerusalem also points to the future fulfillment of prophecy. As plans move forward for construction of the third temple there, Israel needs the ashes of an absolutely perfect red heifer to purify the new temple as well as the priests (Number 19). Those at the Temple Institute in Jerusalem have been searching for many years to find just one, and now they have five candidates, providing they stay unblemished until they reach two years and one day of age (this according to the Temple Institute).

From the time Moses gave the law until AD 70, there were only nine such red heifers in all the history of Israel. According to Rabbinical writings, the Messiah will return when the tenth perfect red heifer arrives in Israel. Perhaps that explains the tremendous excitement in Israel over the arrival of the heifers. Unfortunately, the antichrist will deceive Israel into thinking that he's their Messiah until he desecrates the temple.

The Bible tells us that a third Jewish temple must exist by the midpoint of Daniel's seventieth week, which we commonly refer to as the seven-year Tribulation. Please see my post, [The Biblical Necessity of the Third Temple](#), in which I show how the words of Scripture necessitate that God's purpose for Israel remains and that there absolutely must be a third temple in Jerusalem during the coming Tribulation period.

4. Israel is Building a Train to Take People to the Third Temple

As though the arrival of the red heifers was not enough, the Israeli government recently announced that the train from Ben Gurion airport to the future temple will be complete by April of 2023, in time for Passover. [Click here for news report from the Israeli 365 News Website](#). The government of Israel is even making provisions for religious Jews to bring vegetable and animal offerings on this train. I'm still amazed by the content of this news story.

On the one hand, the Jews do not have access to the Temple Mount for such a project. On the other hand, both the government of Israel and the Temple Institute are moving forward as though they will obtain that permission in the near future.

We live in amazing biblical times as the prophecies recorded in God's Word are coming to life as never before since the time of Jesus.

Recognize the Signs of the Day in Which We live

The Pharisees and Sadducees stood in the presence of Jesus and failed to recognize the signs that their Messiah had arrived (Matthew 16:1-3). Many today imitate this blindness by failing to recognize the signs of the time in which we live. They fail to recognize the signs that the Bible gives to us in order to

recognize the nearness of Jesus' appearing. Instead, they cling to the things of this earth.

You see, we have the words of Scripture so that we will know the season of Jesus' return and that time has arrived (1st Thessalonians 5:1-4). Pay attention to verse 4, *"But you are not in darkness, brothers, for that day to surprise you like a thief."* The Thessalonians knew what to look for despite Paul's short stay in the city and so do those of us who pay attention to God's Word.

I'm excited by what I see and believe that Jesus is coming for His church very, very soon. Paul instructed the Thessalonians to comfort each other with the hope of Jesus' appearing (1st Thessalonians 4:13-5:11). Our world is indeed scary, but we have the hope that Jesus is coming in the near future to take us to the place He's preparing for us (John 14:1-3).

Let's encourage one another with this hope as we see the day approaching!

U.S. President Joe Biden's address to the 77th annual UN general assembly this week was a spectacle of blatant lies and delusions.

Every year, the world is forced to endure American presidents standing before the assembly of 193-member nations proclaiming the presumed virtues of the United States. However, it's always an occasion of embarrassing delusion and deception uttered with unctuous self-regard.

This year, the leaders of Russia and China didn't bother attending the event held at UN headquarters in New York City. No doubt they have better things to do. And besides who would want to sit through a speech from an American president that is an absurd insult to common intelligence and historical truth?

Biden condemned nuclear war, saying *"it cannot be won and must never be fought"*. He went on to accuse Russia and China of undermining world peace with nuclear posturing.

Russia is *"making irresponsible nuclear threats"* and China is *"conducting an unprecedented, concerning nuclear build-up without any transparency"*.

Biden said the *"United States and I as president champion a vision for our world that is grounded in the values of democracy... I reject the use of violence and war to conquer nations or expand borders through bloodshed."*

The calumny is as contemptible as it is astounding coming from Biden, who during his more than 50 years as a senior Washington politician has advocated dozens of U.S. criminal wars of aggression in every part of the globe.

It is particularly sickening that Biden's UN speech was presented by U.S. media as a "*historic mission*" to prevent nuclear war.

It is the United States and this president who are recklessly inciting dangerous tensions with nuclear powers Russia and China. World peace is indeed under imminent threat of a global catastrophic war — from the United States in its relentless aggression toward Russia and China.

The Biden administration and its NATO partners are pumping weapons into Ukraine to prolong the conflict in that country on Russia's western border. That war is the culmination of eight years of deliberate arming of the anti-Russian Kiev regime to act as a spearhead against Russia.

The Neo-Nazi Kiev regime, which was installed by a CIA-backed coup in 2014, has for weeks been shelling the Zaporozhye nuclear power plant in southeast Ukraine with U.S.-supplied artillery. American and British intelligence is guiding their Kiev proxy forces to strike Russian territory with longer-range missiles.

Russian Minister of Defense Sergei Shoigu this week remarked that Russia is at war not merely against Ukraine but against the collective U.S.-led NATO bloc. The implication of this is truly alarming as the Strategic Culture Foundation has stated in previous recent editorials. We are already in a quasi-world war predicament that is on the precipice of escalating into a nuclear confrontation, one that would inevitably destroy the entire planet.

Ukrainian areas under Russian control are due to hold referenda next week which will likely see these separatist areas joining the Russian Federation as Crimea had done in 2014. Thereafter, that will mean NATO forces are directly involved in attacking Russia if they persist in supporting the Kiev regime. There is every indication that Washington and its allies will continue in their madness. Biden has said the U.S. will support Ukraine "*for as long as it takes*". As long as what takes? The presumed conquering of Russia, which has been Washington's strategic objective ever since the dissolution of the Soviet Union in 1991.

Russian President Vladimir Putin this week warned NATO that it faces a stark choice. Referring to the forthcoming referenda and the joining of Donbass regions with the Russian Federation, Putin gave notice that Russia reserves the right to defend itself by all means.

Biden and the Western media turn reality on its head. Putin is accused of threatening nuclear strikes. But it is the United States and its European lackey leaders who have created the abysmal impasse from their importunate weaponizing of Ukraine and repeated refusal to engage with Moscow on negotiating a definitive security arrangement concerning the halting of NATO encroachment on its borders.

Turning to China, there is an analogous situation. The Biden administration like his Republican and Democrat predecessors in the White House is arming the breakaway island territory of Taiwan in a brazen assault on China's sovereignty and national security. The United States and its NATO partners as well as non-NATO clients Australia and Japan are sailing warships through the Taiwan Strait in a cynical attempt to provoke Beijing.

Earlier this week, Biden for the fourth time announced that the United States would militarily "*defend*" Taiwan if China were to launch a military invasion. Legally under UN law, Taiwan is an integral part of China, so how can China "*invade*" itself?

Washington is deliberately inciting Beijing and violating its own U.S. domestic laws that recognize Taiwan as being under China's sovereignty. Yet Biden has the gall to tell the UN assembly that his nation still upholds the One China Policy. The Americans like to call this "*strategic ambiguity*". To other observers, it is simply offensive "*strategic duplicity*".

The world would seem to be witnessing a deranged American imperialist power at full throttle. The leader of the globe's biggest aggressor nation who is inexorably pushing provocations toward Russia and China has the audacity to lecture the rest of the world about peace, security, international law, and democracy — and the danger of nuclear war.

If there were any sanity and justice, Biden should have been escorted away from the UN podium to a prison cell awaiting prosecution for crimes against peace.

The 2022 Democrat Platform - An Honest Version by investigative journalist Lara Logan stated: The average life expectancy of a trafficked child is two years. That is after two years of being raped daily. Lara Logan. Note: This 2022 Democrat party platform is from the UN, the IMF, NATO, Davos, Wall Street and the City of London so the agenda applies to your nation as well even if you do not pay taxes to Joe Biden. These are the promises all Democrats running for office in 2022 are making unless they have made a video I never saw.

I promise to cut your wages 60%, 100% if you lose your job. I promise to make your life a living hell of crime and violence. I promise to get you into a war and make darn sure that America loses. I promise to destroy your health and to make you die an agonizing death. I promise to reduce the value of your paycheck, your pension and your savings to zero. I promise to give you a digital cash card that tracks your every move and will forbid you to buy or sell anything more than 5 miles from your house if you say anything any one of 100,000 minders from the NSA, the CIA, the FBI, the IRS, Silicon Valley or anywhere else in Washington, DC does not like. A veritable "Mark of the Beast."

Putin said that he had *"lots of weapons to reply"* to perceived threats from Western nations, which have imposed crippling sanctions since the Russian invasion of Ukraine began on February 24.

"Those who are trying to blackmail us with nuclear weapons should know that the winds can also turn in their direction," Putin said.

Three times in the Bible, we are told the *"Wise shall understand!"* -(Daniel 12:10, Psalm 107:43; and Hosea 14:9). *"Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand."* -(Daniel 12:10). The question is one that everyone needs to be ready to face. Are you one of the Wise?
