

RED ALERT: New WHO pandemic treaty in final stages, would overrule the US Constitution and unleash medical dictatorship, warns Dr. Francis Boyle

Tuesday, November 22, 2022 by: Mike Adams

([Natural News](#)) Today we bring you a truly bombshell interview and critical story about the WHO's new pandemic treaty which is specifically written to overrule the United States Constitution and all domestic laws in every nation, worldwide. How do we know this? Because treaty expert Dr. Francis Boyle studied the proposed treaty language and lays it all out in today's hard-hitting interview (see below). He's the author of the *Biological Weapons Anti-Terrorism Act of 1989*, and an expert in reading and writing treaties. And today, he issues his strongest warning yet made public.

Dr. Boyle is the author of a recent book entitled, "[Resisting Medical Tyranny](#)," and in today's interview, he openly warns that this new WHO treaty — dubbed "WHO CA+" — is designed to unleash a global medical dictatorship that **would overrule your local doctors, hospitals and clinics**, forcing them to follow WHO directives on things like masks, quarantines, social distancing and economic lockdowns.

Read the treaty for yourself at this link from Keionline.org:

If that link disappears, we have a backup copy at NN servers:

In essence, **the new WHO pandemic treaty turns the entire world into a China-style medical police state** where sovereign nations, states and individuals themselves have no recognized health freedom rights whatsoever.

Stated another way, **if Biden signs this treaty, what China did to its own people during COVID lockdowns will soon be coming to America.**

Joe Biden reportedly intends on signing this treaty as quickly as possible, once the final language is completed. And from that day forward, governments around the world merely need to unleash their own cooked-up biological weapons on their own people to set the provisions of this treaty into motion. Dr. Boyle specifically told me in the interview that governments are unleashing "Nuremberg-level crimes against civilians," and that this new WHO treaty grants genocidal governments the "teeth" they need to lock down, imprison or exterminate their own populations.

Dr. Boyle is calling for a worldwide alert and asks that this interview be widely shared to help sound the alarm.

It's all about power and control, profits for Big Pharma and putting the communist-run WHO in charge of local health responses

[James Roguski's substack article](#) dives into the "Conceptual Zero Draft" of the WHO pandemic treaty, warning of what's found inside. He shares an overview called, "Ten things everyone should know about the proposed pandemic treaty." That overview warns that the WHO pandemic treaty never mentions "natural" or "vitamins" or "herbs" but places a huge emphasis on Big Pharma's drugs and mandatory vaccines. Even worse, the WHO pandemic treaty calls for **global censorship against all who disagree with the WHO**, allowing the WHO to dictate which voices or organizations should be removed from tech platforms. In essence, it makes the WHO the "Ministry of Truth."

NOTE: This article contains two video segments. Dr. Francis Boyle is a legal scholar and an expert on bioweapons and international treaties concerning crimes against humanity. Dr. Boyle's sees the new WHO pandemic treaty as medical tyranny and needs to be shared wide and far to wake up the nation on what this means for every citizen, if it is signed off by the President of the U.S.

Here's an image summarizing what's been found in the WHO treaty text (so far):

Ten Things Everyone Should Know About the Proposed “Pandemic Treaty”

Currently referred to as the “Conceptual Zero Draft” or “WHO CA+”

1. **POWER GRAB:** The WHO wants to be in charge so badly that they mentioned it three separate times in the “WHO CA+”:

Page 10 - *“Recognizing the central role of WHO in pandemic prevention, preparedness, response and recovery of health systems as the directing and coordinating authority on international health work, and in convening and generating scientific evidence, and, more generally, fostering multilateral cooperation in global health governance;”*

Page 13 - *“Central role of WHO – As the directing and coordinating authority in global health, and the leader of multilateral cooperation in global health governance, WHO is fundamental to strengthening pandemic prevention, preparedness, response and recovery of health systems.”*

Page 22 - *“Enhance WHO’s central role as the directing and coordinating authority on international health work, mindful of the need for coordination with entities in the United Nations system and other intergovernmental organizations;”*

2. **UNDEFINED WORDS:** The “WHO CA+” repeatedly used the following words even though none of them are legally defined. Article 1 (page 11)

| | |
|-------------------------|---------------------------------------|
| Pandemic - 112 times | Recovery - 52 times |
| Response - 106 times | Public Health - 44 times |
| Preparedness - 74 times | Equity - 32 times |
| Prevention - 68 times | Pandemic Response Products - 27 times |

3. **IGNORING THE OBVIOUS:** The “WHO CA+” never once mentions any of the following terms: Doctor, early treatment, natural, vitamins, herbs, gain-of-function, essential medicines.

4. **SPEED KILLS:** In Article 7 (pages 15-16) the “WHO CA+” supports speeding up the process by which emergency drugs and vaccines are to be approved.

5. **MORE SIMULATIONS:** In Article 12 (page 21) the “WHO CA+” advocates for regular simulations and “tabletop” exercises.

6. **COMPLIANCE:** Also in Article 12, the “WHO CA+” advocates for a “global peer review mechanism” to assess each nation’s preparedness, and in Article 20 (page 27) it also advocates that at its first meeting, the “Governing Body” of the “WHO CA+” will approve procedures and mechanisms to promote compliance.

7. **CENSORSHIP:** Article 16 (page 24) would essentially set up “The Ministry of Truth” that, in addition to *“tackling misleading misinformation or disinformation”* would also *“strengthen research into the behavioural barriers and drivers of adherence to public health measures, confidence and uptake of vaccines, use of therapeutics and trust in science and government institutions.”*

8. **MORE DRUGS:** Article 17 (page 25) describes, as part of *“a national One Health Action Plan”* which, in the human and animal sectors: *“optimizes consumption, increases investment in, and promotes equitable and affordable access to new medicines, diagnostic tools, vaccines and other interventions.”*

9. **MONEY GRAB:** Article 18 (pages 25-26) makes it clear that if the “WHO CA+” is enacted, then an enormous amount of money is going to be transferred to businesses that provide “pandemic response products.”

10. **BUREAUCRACY:** Article 19 (pages 26-27) would institute a new bureaucracy for the “WHO CA+” that would essentially duplicate the World Health Assembly with a “Governing Body” ruled over by two Presidents and four Vice-Presidents and a Conference of the Parties much like that which promotes “climate change.”
