

BEWARE! Every Type of COVID-19 Vaccine Has This Very Secret and Sinister Purpose

By SGT March 4, 2021

FUNVAX: Globalist Plot to Mandate COVID-19 Vaccine Exposes Shocking Satanic Conspiracy

Here's the main reason why the NWO globalist cabal is dead set on mandating a global COVID-19 vaccination program with immunity certificates.

No, it has nothing to do with vaccine-induced immunity being the only way to control this wholly manufactured pandemic and staged panic triggered by their bioengineered novel coronavirus, which has been stealthily disseminated throughout 5G-intensive urban areas around the world.

In 2005, a highly classified presentation was given to DoD officials and military brass at the Pentagon about the top-secret FunVax Program.

A video of a short segment of that Pentagon briefing was secretly taken by a whistleblower which can be found here: [FUNVAXgate: A Pentagon Scheme to Totally Neutralize the God Gene \(Video\)](#).

EXECUTIVE SUMMARY

There are at least 3 essential takeaways from that extremely revealing and radioactive presentation made by an experienced bioweapon scientist who appeared to be the point man for the FunVax project. As follows:

(1) The U.S. Military biological weapons program has been creating a vaccine that is specifically formulated to immunize targeted individuals and populations against the expression of the **God gene**, also known as vesicular monoamine transporter 2 (VMAT2). The suppression of VMAT2 has been a primary goal of U.S. biological weapon laboratories for decades with the ostensible purpose of neutralizing terrorists who act on their religious fanaticism. However, the real goal is to inoculate people the world over against the inclination toward spiritual pursuits and/or mystical experiences (see the screenshot below). Some deep insiders have even surmised that the real purpose of the FunVax is to permanently stunt soul development.

The **God gene** hypothesis proposes that human spirituality is influenced by heredity and that a specific **gene**, called vesicular monoamine transporter 2 (VMAT2), predisposes humans towards spiritual or mystic experiences.

[en.wikipedia.org > wiki > God_gene](https://en.wikipedia.org/wiki/God_gene) ▾

[God gene - Wikipedia](#)

(2) The most practical form that a VMAT2 vaccination program can take in light of the necessity for extreme secrecy is a respiratory virus, which could be covertly released throughout any city or nation or region of the world. This would eliminate the problem posed by those societies that are averse to vaccinations administered by injection. Religious cultures, in general, are increasingly fearful of the true intention behind immunization shots. Many folks have not only experienced and/or witnessed adverse vaccine side effects, they are also rightly skeptical of their efficacy.

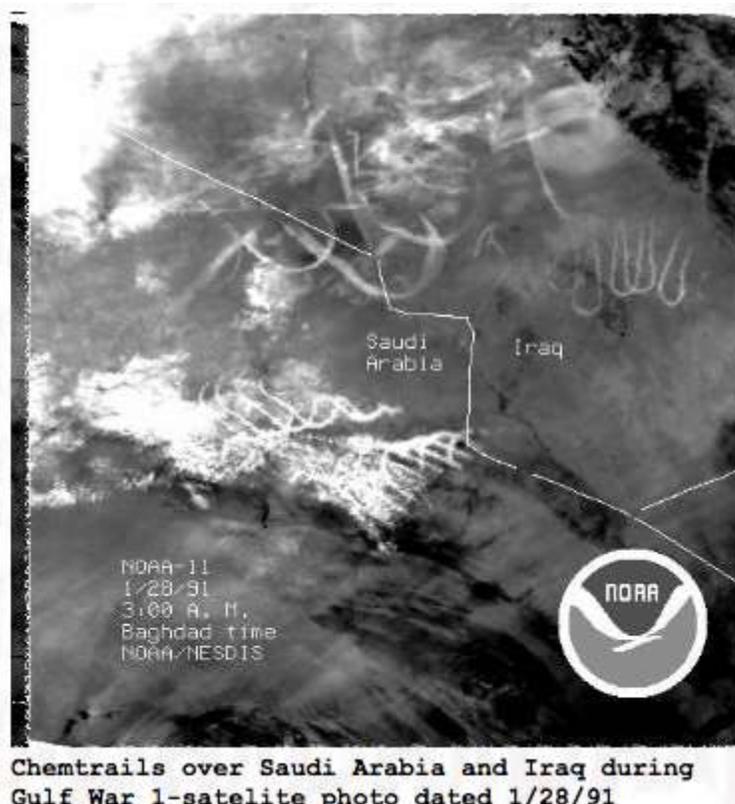

(3) The proposed FunVax vaccine would be aerosolized in a manner similar to the systematic, wide area and indiscriminate spraying of chemtrails over the unsuspecting population below. Because the U.S. Armed Forces have forever denied the existence of chemtrails, most citizenries have been conditioned to falsely believe they are contrails. In this way, aerosolized vaccines can be furtively administered to the citizenry of any nation that illicitly permits chemical geoengineering operations.

~~~ End of EXECUTIVE SUMMARY ~~~

\*For an in-depth discussion of the FunVax vaccine, as well as the VMAT2 gene also known as the **God gene**, the following detailed investigation provides numerous

scientific facts that lend a high degree of credence to the existence of this U.S. military bioweapon program: [An In-depth Investigation of VMAT2 and the FunVax Vaccine](#)

**KEY POINT:** The FunVax was initially framed as a military strategy to neutralize terrorists throughout the Middle East. It took the U.S. Military 7 years to deploy that particular bioweapon which manifested mainly in Saudi Arabia as *Middle East respiratory syndrome* (MERS) from 2012 through 2020. South Korea, another country with a large American military presence which undergoes constant chemtrailing, also suffered a substantial MERS outbreak in 2015.

***~ MERS is just one example of an “aerosolized vaccine” delivered via chemtrails that specifically targeted the militant Wahhabi sect of Islam in Saudi Arabia from 2012 to 2020. The Wahhabi terrorist network was created by NATO and the Military & Intelligence Communities of the Zio-Anglo-American Axis just like ISIS was in the Northern Levant. ~***

#### OPERATION COVID-19

Everything points to COVID-19 as a FunVax bioweapon that has been purposefully released worldwide via various means of propagation in order to exponentially multiply the vectors of dissemination of the concealed VMAT2 vaccine.

Hence, the primary goal of **OPERATION COVID-19** is to significantly diminish religiosity throughout the world community of nations, especially in those countries that are

integral to the formation of a totalitarian **One World Government**. Those nations are primarily the Western military powers of the *Zio-Anglo-American Axis* that are members of both NATO and G20.

In point of fact, the *New World Order* agenda cannot be successfully implemented within those nations where the citizens have strong spiritual impulses and devout religious practice. The NWO globalist cabal will have an even more difficult time wherever there is a historical tradition of mysticism such as India, or an ongoing spiritual revival as experienced by the Pentecostal and Evangelical Christians throughout the West.

Therefore, the only way forward for the *New World Order* globalist cabal is to fully activate their “Quaternary Weapon System” that was designed to facilitate the VMAT2 vaccination process. See: [QUATERNARY WEAPON SYSTEM Activated Before Each Coronavirus Cluster Explosion](#)

Leaving nothing to chance, the perpetrators of **OPERATION COVID-19** have gone full-bore with each of the four weapon systems directly involved with the vaccination of all of humanity. The four main methods of immunizing against the **God gene** in 2020 were previously posted in this exposé: [Here's the NWO Scheme to Enforce Mandatory Vaccinations](#).

- (1) COVID-19 Bioweapon
- (2) 5G Roll-outs & Existing 4G
- (3) Annual Flu Vaccines
- (4) Chemtrail Aerosols

Each of these four bioweapon systems is being surreptitiously used to rapidly and synergistically administer a global VMAT2 vaccination regime, among other malevolent purposes.

It's true that the video above only speaks of an aerosolized VMAT2 vaccine; however, that was 15 years ago. The NWO cabal has greatly accelerated their timetable for crucial reasons concerning existential threats they now face and have since devised the present **OPERATION COVID-19** by putting their original scheme on super-steroids.

In other words, the Quaternary Weapon System which has been aimed at all of humanity has been disguised as a global pandemic in order to blanket the whole planet with the COVID-19 bioweapon and its fake antidotes, both of which effectively serve as VMAT2 vaccinations.

**KEY POINT:** Not only are annual flu shot and childhood vaccination schedules being cunningly used to deliver the VMAT2 vaccine, the principal reason for a mandatory COVID-19 vaccine is to ensure everyone receives their **God gene** immunity certificate. See: [FUNVAXgate: Bill Gates' Implantable Quantum Dot, Microneedle Vaccine Delivery System & Luciferase](#)

Maximizing coverage of Earth so that every inhabitant gets their FunVax jab is the main globalist goal henceforth. In this way, the NWO cabal is able to carry out the much more complex and convoluted **COVID-1984**, which it must do post-haste if *The Powers That Be* (TPTB) are to escape the wrath of *We the People*.

Hence, **OPERATION COVID-19** is merely the first punch in a one-two punch knockout strategy against humanity in order for TPTB to establish a Global Security Superstate; **COVID-1984** represents the second punch.

**“Just like the state-sponsored 9/11 false flag operation was used to create the American National Security State, COVID-1984 is being carried out to foist a Global Security Superstate on the entire planetary civilization as a precursor to a One World Government. Every single move made by the *New World Order* globalist cabal during the execution of this staged pandemic and global psyop has been planned well in advance. That’s because COVID-1984 represents the culmination of 100 years of biowarfare waged against the human race. It’s not just a depopulation bioweapon as the 1918 Spanish flu was. Watch every twist and turn of this classic Problem~Reaction~Solution operation, especially as it’s falsely reported by the CIA’s *Mockingbird Media*. Clock every NWO outcome, both big and small, as each piece fits perfectly into the pre-planned COVID-1984 puzzle. That’s why it’s been memed the “Plandemic”...as well as “THE GREAT SCAMDEMIC”.**

### ***International Banking Cartel & Crime Syndicate***

The far-reaching ramifications of the Pentagon’s FunVax bioweapon program are as vast as they are highly consequential for the human race.

Were the American people to become aware of this repugnant ploy to snuff out spiritual pursuit and religious zeal throughout the body politic, the Department of Defense would be defunded in a D.C. flash before it was shuttered for good. Folks in all 50 states would immediately stop paying their taxes before they seriously contemplated a controlled demolition of the Pentagon.

### ***But how did this really happen?***

There is a multi-decade criminal conspiratorial plot afoot to collapse the American Republic that commenced in earnest at the beginning of the 20th century. At that time, the United States Department of War, now called the Department of Defense, was completely taken over with the Federal Reserve Act of 1913. From that point forward, every global cataclysmic event was meticulously planned, coordinated, executed and covered up by the same genocidal tribe that owns and operates the *International Banking Cartel & Crime Syndicate* (IBCCS).

### **How Did Bill Gates Know ‘We’ll All Need Vaccine Passports’ Back in June 2020?**

May 19, 2021

Despite protestations from the mainstream's corporate 'fact-checkers' – all insisting that vaccine mogul Gates never said we'd all need digital vaccine passports in the coming 'new normal,' Gates actually said those very words in a June 2020 TED Talk. It appears that TED operatives had edited out Gates' statement, but Children's Health Defense has tracked down the original.

I don't think this would be such a good idea to trust Bill Gates with his background.

## Children's Health Defense

Some chiseler altered Bill Gates' [June 2020 TED Talk](#) to edit out his revealing prediction that we will all soon need digital vaccine passports ([slide 1](#)). But after considerable effort, we tracked down the original video ([slide 2](#)).

Gates' minions on cable and network news, his public broadcasting, social media and fact-checker toadies all now insist that Gates never said such things. They say he never intended to track and trace us with subdermal chips or injected tattoos.

They dismiss such talk as "conspiracy theories." That term was a creation of the CIA to hide the truth and debunk criticism of the Warren Report about who killed President John F. Kennedy.

Well, [here it is](#) from the horse's mouth.

In 2019, according to a not-yet-purged [Scientific American article](#), Gates commissioned the Massachusetts Institute of Technology to build an injectable [quantum dot dye system](#) to tattoo stored medical info beneath children's skin. The tattoo was designed to be [readable by an iPhone app](#).

Gates' company, Microsoft, has patented [a sinister technology](#) that uses implanted chips with sensors that will monitor body and brain activity. It promises to reward compliant humans with crypto currency payments when they perform assigned activities.

Gates also invested approximately \$20 million in [MicroCHIPS](#), a company that makes chip-based devices, including birth-control implant chips with wireless on/off switches for remote-controlled drug-delivery by medical authorities.

In July 2019, months before the [COVID](#) pandemic, [Gates bought 3.7M shares of Serco](#), a military contractor with U.S. and UK government contracts to track and trace pandemic infections and vaccine compliance.

To facilitate our transition to his surveillance society, [Gates invested \\$1 billion](#) in EarthNow, which promises to blanket the globe in 5G video surveillance satellites. [EarthNow will launch 500 satellites](#) allowing governments and large enterprises to live-stream monitor almost every "corner" of the Earth, providing instantaneous video feedback with one-second delay.

The Bill and Melinda Gates Foundation also acquired 5.3 million shares of Crown Castle, which owns 5G spy antennas including more than [40,000 cell towers and 65,000 small cells](#).

Alex Jones reported that Bill Gates and Dr. Fauci may have been thrown under the proverbial bus for their blunders and lies to Senator Rand Paul and others as sacrificial lambs of the New World Order. They apparently have lost their mojo (charm) in the

media propaganda of fear-porn. They played a key role in the Great Reset. The Biden campaign repeated a slogan that originated with the UN. It was called 'Build Back Better. The Coronavirus became a plan to subvert the world economy, and destroy the U.S. Dollar as the reserve currency of the world.

**'Build Back Better' – A timeline of the Great Reset agenda**

*“The pandemic represents a rare but narrow window of opportunity to reflect, reimagine, and reset our world to create a healthier, more equitable, and more prosperous future” — Klaus Schwab, WEF*

Say its 2014 and you've had this idea for a technocratic Great Reset of the world economy for some time now, but it only works if the entire planet is rocked by a pandemic. How do you go about selling your idea?

If you are World Economic Forum (WEF) Founder Klaus Schwab, you attempt to sell your vision of a global Utopia via a Great Reset of the world order in three simple steps:

1. Announce your intention to revamp every aspect of society with global governance, and keep repeating that message
2. When your message isn't getting through, simulate fake pandemic scenarios that show why the world needs a great reset

3. If the fake pandemic scenarios aren't persuasive enough, wait a couple months for a real global crisis to occur, and repeat step one

It took Schwab and the Davos elite about six years to watch their great reset ideology grow from a tiny Swiss seed in 2014 to a European super-flower pollinating the entire globe in 2020.

The so-called "Great Reset" [promises to build](#) "a more secure, more equal, and more stable world" if everyone on the planet agrees to "act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions."

But it wouldn't have been possible to contemplate materializing such an all-encompassing plan for a new world order without a global crisis, be it manufactured or of unfortunate happenstance, that shocked society to its core.

*"In the end, the outcome was tragic: the most catastrophic pandemic in history with hundreds of millions of deaths, economic collapse and societal upheaval"* — Clade X pandemic simulation (May, 2018).

So, in May, 2018, the WEF partnered with Johns Hopkins to simulate a fictitious pandemic — dubbed "[Clade X](#)" — to see how prepared the world be if ever faced with such a crisis.

A little over a year later, the WEF once again teamed-up with Johns Hopkins, along with the Bill and Melinda Gates Foundation, to stage another pandemic exercise called [Event 201](#) in October, 2019.

Both simulations concluded that the world wasn't prepared for a global pandemic.

And a few short months following the conclusion of Event 201, which specifically simulated a coronavirus outbreak, the World Health Organization (WHO) officially declared that the coronavirus had reached [pandemic status on March 11, 2020](#).

*"The next severe pandemic will not only cause great illness and loss of life but could also trigger major cascading economic and societal consequences that could contribute greatly to global impact and suffering"* — Event 201 pandemic simulation (October, 2019)

Since then, just about every scenario covered in the Clade X and Event 201 simulations has come into play, including:

- Governments implementing lockdowns worldwide
- The collapse of many industries
- Growing mistrust between governments and citizens
- A greater adoption of biometric surveillance technologies
- Social media censorship in the name of combating misinformation

- The desire to flood communication channels with “authoritative” sources
- A global lack of personal protective equipment
- The breakdown of international supply chains
- Mass unemployment
- Rioting in the streets
- And a whole lot more!

After the nightmare scenarios had fully materialized by mid-2020, the WEF founder declared “now is the time for a “Great Reset”.

Was it excellent forecasting, planning, and modeling on the part of the WEF and partners that Clade X and Event 201 turned out to be so prophetic, or was there something more to it?

### Timeline

Below is a condensed timeline of events that tracks the Great Reset agenda that went from just a “hope” in 2014 to a globalist ideology touted by [royalty](#), [the media](#), and [heads of state](#) the world-over in 2020.

#### **2014-2017: Klaus Schwab calls for Great Reset and WEF repeats message**

Ahead of the **2014** WEF meeting in Davos, Switzerland, [Schwab announced](#) that he hoped the WEF would push the reset button on the global economy.

The WEF would go on to repeat that message for years.

**Between 2014 and 2017**, the WEF called to **reshape, restart, reboot, and reset the global order** every single year, each aimed at solving various “crises.”

- **2014:** WEF [publishes meeting agenda](#) entitled “*The Reshaping of the World: Consequences for Society, Politics and Business.*”
- **2015:** WEF [publishes article in collaboration with VOX EU](#) called “*We need to press restart on the global economy.*”
- **2016:** WEF [holds panel](#) called “*How to reboot the global economy.*”
- **2017:** WEF [publishes article](#) saying “*Our world needs a reset in how we operate.*”

**Then in 2018**, the Davos elites turned their heads towards simulating fake pandemic scenarios to see how prepared the world would be in the face of a different crisis.

#### **2018-2019: WEF, Johns Hopkins & Gates Foundation simulate fake pandemics**

On **May 15, 2018**, Johns Hopkins Center for Health Security hosted the “Clade X” pandemic exercise in partnership with the WEF.

The Clade X exercise included mock video footage of actors giving scripted news reports about a fake pandemic scenario (video below).

The Clade X event also included discussion panels with real policymakers who assessed that governments and industry were not adequately prepared for the fictitious global pandemic.

“In the end, the outcome was tragic: the most catastrophic pandemic in history with hundreds of millions of deaths, economic collapse and societal upheaval,” [according to a WEF report on Clade X](#).

*“There are major unmet global vulnerabilities and international system challenges posed by pandemics that will require new robust forms of public-private cooperation to address”* — Event 201 pandemic simulation (October, 2019)

Then on **October 18, 2019**, in partnership with Johns Hopkins and the Bill and Melinda Gates Foundation, the WEF ran Event 201.

During the scenario, the entire global economy was shaken, there were riots on the streets, and high-tech surveillance measures were needed to “*stop the spread*.”

Two fake pandemics were simulated in the two years leading up to the real coronavirus crisis.

*“Governments will need to partner with traditional and social media companies to research and develop nimble approaches to countering misinformation”* — Event 201 pandemic simulation (October, 2019)

The Johns Hopkins Center for Health Security [issued a public statement](#) on January 24, 2020, explicitly addressing that Event 201 wasn’t meant to predict the future.

*“To be clear, the Center for Health Security and partners did not make a prediction during our tabletop exercise. For the scenario, we modeled a fictional coronavirus pandemic, but we explicitly stated that it was not a prediction. Instead, the exercise served to highlight preparedness and response challenges that would likely arise in a very severe pandemic.”*

Intentional or not, Event 201 “*highlighted*” the “*fictional*” challenges of a pandemic, along with recommendations that go hand-in-hand with the great reset agenda that has set up camp in the nefarious “*new normal*.”

*“The next severe pandemic will not only cause great illness and loss of life but could also trigger major cascading economic and societal consequences that could contribute greatly to global impact and suffering”* — Event 201 pandemic simulation (October, 2019)

Together, the Johns Hopkins Center for Health Security, the World Economic Forum, and the Bill and Melinda Gates Foundation [submitted seven recommendations](#) for

governments, international organizations, and global business to follow in the event of a pandemic.

The Event 201 recommendations call for greater collaboration between the public and private sectors while emphasizing the importance of establishing partnerships with unelected, global institutions such as the WHO, the World Bank, the International Monetary Fund, and the International Air Transport Organization, to carry out a centralized response.

One of the recommendations calls for governments to partner with social media companies and news organization to censor content and control the flow of information. “Media companies should commit to ensuring that authoritative messages are prioritized and that false messages are suppressed including though [sic] the use of technology” — Event 201 pandemic simulation (October, 2019)

According to the report, *“Governments will need to partner with traditional and social media companies to research and develop nimble approaches to countering misinformation.”*

*“National public health agencies should work in close collaboration with WHO to create the capability to rapidly develop and release consistent health messages.”*

*“For their part, media companies should commit to ensuring that authoritative messages are prioritized and those false messages are suppressed including though [sic] the use of technology.”*

Sound familiar?

Throughout 2020, Twitter, Facebook, and YouTube have been censoring, suppressing, and flagging any coronavirus-related [information that goes against WHO recommendations](#) as a matter of policy, just as Event 201 had recommended.

Big tech companies have also deployed the same [content suppression tactics during the 2020 US presidential election](#) — slapping “disputed” claims on content that questions election integrity.

### **2020: WEF declares ‘Now is the time for a Great Reset’**

After calling for a great reset in 2014, the Davos crowd repeated the same ideology for a few more years before pivoting towards simulating faux pandemic scenarios.

A few months after the WEF established that nobody was prepared to deal with a coronavirus pandemic, the WHO declared there was a coronavirus pandemic.

All of a sudden! the great reset narrative that the WEF had been nurturing for six years, found a place to pitch its tent in the “new normal” camp.

*“The pandemic represents a rare but narrow window of opportunity to reflect, reimagine, and reset our world to create a healthier, more equitable, and more prosperous future,”* Schwab declared on June 3, 2020.

And that’s where we’re at today.

- **The Davos elites said they wanted a global reset of the economy many years ago**
- **They role-played what would happen if a pandemic were to occur**
- **And now they’re saying that the great reset ideology is the solution to the pandemic, and it must be enacted quickly**

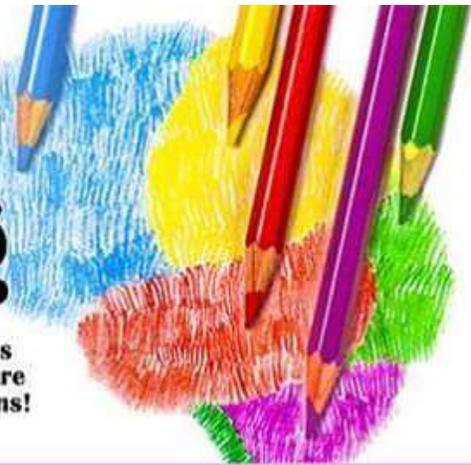

The great reset is a means to an end.

Next on the agenda is a complete makeover of society under a technocratic regime of un-elected bureaucrats who want to dictate how the world is run from the top down, leveraging invasive technologies to track and trace your every move while censoring and silencing anyone who dares not comply.

The powers that be always know to expect glitches in their planning, and therefore we ought not to get too comfortable. You may have noticed last week that the CDC imploded with the resignation of two of its top people. They flip-flopped on the face diapers which suggested they winds of politics has changed their strategy. Two weeks ago the world was crashing, this week they have backed off and switched policies you can go without masks if you are fully vaccinated. What does this prove? They make up their policies for the day and week on the political bovine excrement and not sound medical science. The public gets wiser each day as this drags on. It’s time to bring out the gallows, tar and pitchforks. The Great Reset con has been exposed for what it is. The fear porn was conducted by the government, public health services, the military, the media, the church, the social media platforms, and especially the academic institutions of higher unlearning. Don’t trust anyone in political office. Use your critical thinking. If you want a basic lesson in critical thinking use the chart below.

We owe it to our children and grandchildren who have been subjected to the world’s greatest psyop ever hatched upon humanity. Demand that heads roll for the harm that has been inflicted on children and now those who want to use the young as their guinea pig experiment.

Here is another example of how the World Economic Forum is attempting to get around the Nuremberg Treaty. By using economic power clout as leverage the phony pandemic will be applying pressure on the workers of the world to comply by taking a poisoned Vaxx.

The image shows a screenshot of a tweet from the World Economic Forum (@wef) and a photograph of Klaus Schwab, the forum's founder and executive director. The tweet, dated May 17, 2021, at 10:45 AM, contains the text: "Get your COVID-19 job - or you could face consequences from your employer" followed by a link and hashtags. Below the text is a yellow infographic titled "Companies' policies for employees regarding COVID-19 vaccination" with the following data: 88% of employers will require or encourage vaccination; 40% require all employees to be vaccinated; 32% encourage but do not require vaccination; and 16% require some employees to be vaccinated. The photograph shows Klaus Schwab speaking at a podium with a microphone, wearing a suit and tie.

"Get your COVID-19 job - or you could face consequences from your employer <https://wef.ch/2RtnFxs> #COVID19 #JobsReset21," the WEF tweeted and deleted after getting backlash on Monday.

The tweet linked to an article on their website titled, "*Survey: Will employees be required to get the COVID-19 vaccination?*" detailing a report from Arizona State University (ASU), the World Economic Forum and the Rockefeller Foundation which claims that 40% of the companies they surveyed say they'll require all employees to be Vaxxed.

*"Employees will be encouraged but not required by 32% [of companies surveyed] and 16% will require some, but not all, employees to have the jab,"* the WEF said.

*"The ASU report assessed responses from 24 industry sectors and 1,339 facilities at 1,168 companies. Most came from companies in the US and UK, which are among the most advanced in terms of vaccination plans."*

*"People who choose not to comply with their company's policies are likely to face consequences, including having their work responsibilities changed, disciplinary action or being excluded from the physical work environment," the WEF threatened.*

Joe Biden issued a similar threat on Monday when he stated that *"those who are not vaccinated will end up paying the price."*

Biden announces COVID cases are now down in all 50 states for the first time since the pandemic began. But he warns states with low vaccination rates may see cases go up

*"Ultimately, those who are not vaccinated will end up paying the price,"* he says— CBS News (@CBSNews) May 17, 2021

As I reported last week, the U.S. Occupational Safety and Health Administration recently informed employers that it's possible they could be held liable for *"any adverse reactions"* if they mandate employees take Covid vaccines "as a condition of their employment."

If companies do not require the vaccine they will not be held liable.

There is very little incentive right now for companies in America to mandate these experimental shots.

Fauci admitted last week that "probably" only around 50% to 60% of the employees at the National Institute of Allergy and Infectious Diseases took the experimental "vaccine."

Meanwhile, CDC director Rochelle Walensky refused to say what percentage of CDC employees have taken the shot.

Why should anyone take an experimental mRNA "vaccine" with unknown long-term effects when Covid death numbers are hitting their lowest levels ever?

Why is Fauci and the CDC pushing this experimental "vaccine" on children when for all we know half or more of their own employees won't even take it?

Why is the World Economic Forum using threats, fearmongering and intimidation against workers in the Western world to pressure them into taking these "vaccines"?
