**PLANDEMIC! A Painstakingly Planned Pandemic & Purposefully Perpetrated Panic**

**OPERATION CORONA PLANDEMIC**

**CIA's *Mockingbird Media* Overwhelms Global News Cycle with Non-stop Coronavirus Fake News**

*“You can’t believe a single thing they say about the coronavirus—NOTHING! That doesn’t mean there’s not a new and deadly bioweapon out there, because there is.”*

— Intelligence Analyst and Former U.S. Army Officer

### State of the Nation

Let’s be very real about this totally staged plandemic and media-hyped panic: We don’t know what we don’t know.

Whatever the mainstream media (MSM) reports about the coronavirus is highly suspect. Since of the entire corporate media is completely owned and operated by the C.I.A., not a single news report can be trusted. That’s why the entire MSM is now well-known as the CIA-directed *Mockingbird Media*.

Since December of 2019, every major MSM organ of propaganda has been an echo chamber for coronavirus disinfo, misinfo and false info. That’s because, at the very core of it, we are all witnessing a HUGE intelligence operation, and especially a global psychological operation (also known as a psyop). “Intelligence” in this swiftly expanding context includes all information regarding COVID-19 and the resulting pandemic.

Hence, it’s virtually impossible to know what is true and what is not about the coronavirus and the emerging pandemic.

Do you get it yet?

*How are we to know if the MSM publishes even one fact about this wholly manufactured pandemic?*

That’s right! We can’t know...for sure, can we?

Anyone who questions this premise, just think back to the MSM reporting on 9/11. Then go read the 9/11 Commission Report. Not only were the all the government’s findings patently false, they have been repeatedly disproved by hard scientific evidence which was verified by numerous qualified and credentialed experts. Then there are irrefutable exposés on 9/11 like this one: [INDISPUTABLE EVIDENCE CONFIRMS: 9/11 was both an “Inside Job” and “Mossad Job”](#).

What’s the critical point?

Everything now points to a great likelihood that the entire planetary civilization is being subjected to an unparalleled global psyop of truly epic proportions—OPERATION CORONA PLANDEMIC.

**OPERATION CORONA PLANDEMIC**

There are several key issues surrounding this transparently orchestrated and meticulously bioengineered pandemic.

Each of them must be properly understood in order to comprehend the sheer depth and breadth of this complex international criminal conspiracy.

First and foremost, wherever the MSM reports that a coronavirus outbreak occurs, we really don't know if it did.

Any announced outbreak could be the result of flipping the switch on 5G in that local area. It could be a regular flu bug that's being purposefully misdiagnosed as the coronavirus. It could be another illness altogether that's being labelled "coronavirus". It could be a specially formulated chemtrail aerosol that's being tested on the residents below. It could also be a combination of all 3 or 4 of these. And, yet, it could also be an extremely dangerous and deadly bio-weapon tagged COVID-19 which was bio-engineered in a U.S. military bio-warfare laboratory such as the US Army Medical Bioengineering Research and Development Laboratory at Fort Detrick in Frederick, Maryland.

In certain highly controlled contexts, the most dramatized media events can easily be staged using crisis actors as the coronavirus victims. The obvious Sandy Hook Elementary School schooling HOAX showed us just how deceptive some bad characters can be. Then there is this transparent Chinese crisis actor who must be getting well paid by the C.I.A. See: [CRAZY CORONA MELODRAMA \(Video\)](#)

Secondly, what's the standardized diagnostic test that they are using today to conclusively determine the existence a COVID-19 infection? By the way, how did every healthcare facility in the world miraculously acquire a highly advanced and novel diagnostic test we know nothing about? Really, how just accurate is the supposed coronavirus diagnostic test?! And who created it?!

Which medical authorities and scientific research institutions were involved in the formulation of the now common COVID-19 lab test diagnostic protocol? Does it produce either false positives or false negatives? Who, exactly, is administering the diagnostic protocol in each hospital or clinic that has produced a spate of infections?

We really don't know the answers to any of these important questions, do we?!

For all we know, the medical authorities could be artificially inducing the WHO-established 'coronavirus symptoms' in any patient under the care of a physician or within a hospital setting. Likewise, those captive patients could be surreptitiously injected with any virus, especially a coronavirus, as a constituent of their now mandated flu vaccines.

**KEY POINT:** Just like the *Global Warming scam*, there's a growing chorus out there demanding to see the hard data and scientific evidence of how COVID-19 is being conclusively

determined for all infected patients. There are even those medical investigators and health journalists who are justifiably asking: Does the specific coronavirus known as COVID-19 even exist?

The vectors of dissemination of a contagious coronavirus are many and diverse and, therefore, quite difficult for even the best pandemic investigator or epidemiologist to trace back to its source, if there even was just one source of the original infection! See: Everything points to multiple bio-terrorist attacks being conducted around the globe

Thirdly, there has been an accelerating pattern of VIPs all of a sudden getting diagnosed with the coronavirus.

As if to confer legitimacy on this “staged hoax blended with reality”, famous actors and professional athletes, powerful politicians and popular musicians are self-quarantining themselves after declaring they were exposed or tested positive for corona.

Do you see how they do it?

The captivating drama around each of these staged media events further convinces the unaware masses that this is all real, when much of it may not be.

That’s how much the perpetrators rely on and routinely use the *Celebrity Society* to assist with carrying out their psychological operations, particularly a massive global psyop like OPERATION CORONA PLANDEMIC.

Then there is the undeniable celebrity psyop involving Kobe Bryant that came out of nowhere one week after the Wuhan outbreak commenced in January.

Kobe Bryant died in a suspicious helicopter crash on January 26, 2020 on the day after the Chinese New Year celebration began.

The following excerpt from a previous SOTN article provides insight into the Kobe Bryant-China connection:

There is also some talk about Kobe’s philanthropy where it relates to China, especially given the current economic context and political climate between the United States and China.

Bryant also started the Kobe Bryant China Fund which partnered with the Soong Ching Ling Foundation, a charity backed by the Chinese government. The Kobe Bryant China Fund raises money within China earmarked for education and health programs.[1]

In light of the overwhelming Wuhan coronavirus outbreak and unparalleled Chinese epidemic, it looks like Kobe was assassinated because of his knowledge of some aspect of this U.S. bio-terrorist operation against China. Whether Kobe was a potential whistleblower; or the US government was not happy with his philanthropic work in China at this delicate time; or he was identified by Beijing as a Christian missionary working undercover [UNWILLINGLY] for the C.I.A. will likely never be known. Given his strong Catholic faith, it may just be that Kobe was planning on building a new bridge to China while many others (especially in the Trump administration) were still not content after burning down every trans-Pacific bridge in sight.

While each of the preceding 3 points may appear to imply a non-existent COVID-19 scenario, such a ruse would be impossible to carry out successfully in a global theater of bio-warfare.

All the evidence points to a bio-engineered coronavirus being stealthily launched as a purposeful bio-weapon around the globe against the enemies (China & Iran) of the real perpetrators (Western powers). In this way, many powerful and influential people in those nations can be intentionally killed under the cover of a coronavirus death. It's quite likely that this is exactly what has been happening in Iran.

Iran has also been quite inexplicably hit as hard as any other country by the coronavirus—WHY? The mortality rates have been especially high. Clearly, there's something very wrong with that picture as follows:

*"Iran has been the center of one of the worst coronavirus outbreaks. The country has over 10,000 confirmed cases, with over 6,500 new cases in the past week."*[2]

But the much more demanding question concerning Iran is: [Did Israel launch a deadlier strain of the coronavirus against Iran?](#)

After all, who has wanted to carry out a regime change in Iran for decades now?

Israel.

The Kingdom of Saudi Arabia

The United States, especially the Trump administration.

The UK under the past several PM's, and particularly the Boris Johnson government.

**KEY POINT:** Each of these four nations share a well-hidden truth regarding who really controls them—the Khazarian Mafia via the International Banking Cartel & Crime Syndicate. What's even less understood is the secret common denominator between Saudi Arabia and Israel. See: [The House of Saud: It's Jewish Origin and Installation by the British Crown](#)

So, how can the occurrence of this pandemic across the planet not be seen as suspiciously selective in light of the ongoing and naked bioterrorist operation being conducted against Iran?

In point of fact, the countries that have experienced the largest outbreaks of this plague are those that have major trade deals with China (e.g. Italy and Iran), or those that have expressed a strong intention to join China's New Silk Road known as the *Belt and Road Initiative*. What follows is a list of the top 7 nations with the highest number of 'confirmed' (Read: reported, and by whom?) coronavirus infections as of March 13, 2020.

|  |              |
|--|--------------|
| <b>Total Confirmed</b>                               |              |
| <b>135,232</b>                                       |              |
| <b>Confirmed Cases by Country/Region/Sovereignty</b> |              |
| <b>80,942</b>  | China        |
| <b>15,113</b>  | Italy        |
| <b>10,075</b>  | Iran         |
| <b>7,869</b>   | Korea, South |
| <b>3,864</b>   | Spain        |
| <b>3,059</b>   | Germany      |
| <b>2,879</b>   | France       |

Now look at what happened to the Italians after they signed their agreement in 1919 with China for the use and management of 4 ports, three of them in Northern Italy. (See graphic below.)

The fact of the matter is that the most powerful secret societies on Earth do not want China to move westward with their *Belt and Road Initiative*. Nor does the Zio-Anglo-American Axis. Ditto that for International Banking Cartel & Crime Syndicate. What all of these supranational entities do want is war. Which is why they launched such a savage attack against China ... and Iran.

Most of those globalist institutions are linked directly to the greatest maritime powers in history—the Republic of Venice and England. (In its glory days, the Port of London was the largest port in the world.) For it was the enormously wealthy Venetian Black Nobility that made the highly calculated business decision to transition to London after “*the opening of new trade routes to the Americas and the East Indies via the Atlantic Ocean marked the beginning of Venice’s decline as a powerful maritime republic*”.[3]

What’s the vital point here as far as the coronavirus bio-weapon is concerned?

Both the Republic of Venetian (sometimes referred to as the Venetian Empire) and its greater maritime successor, the British Empire, were notorious for utilizing extreme brutality in the maintenance of their respective empires. Much of modern history and before is actually nothing but a macabre catalogue of Venetian and British warmongering and terrorism the world over.

**KEY POINT:** Just as the U.S. Navy ensures the dominance of American Empire around the globe today, previous empires going back to the Roman and Phoenician also relied on their superior navies to effectively dominate global trade and commerce. For history is quite clear: *whoever rules the high seas rules the world*. [STRATFOR Chief Reveals Zio-Anglo-American Plot for World Domination](#). **(This is the a.k.a. “Anglo-Saxon Mission)**

Just how brutal are these same incorrigible warmongers and perennial terrorists? And, more importantly, what are some of their ruthless tactics and vicious strategies at work today? As follows:

So, the Chinese One Belt, One Road NWO will be replaced with the 2-belt, 2-road diversity of manufacturing and trade under the revived UK maritime initiative, USMCA and Crown-friendly trade agreements. The London banking industry (aka the banksters) has a long history of using brutal tactics to achieve their economic and financial goals.

The deployment of a virus bio-weapon can be executed in many ways: miniature drones, high-tech naval weapons, chemtrail aerosol sprays, to name just a few. Infection does not require person-to-person leaps of the virus within six feet as promoted in the media. The hyper-infection in Iran is another example of where China and Iran are being selectively punished for breaking trade sanctions and more.

If the news approximates reality, both Italy and Iran appear to be infected by a more virulent form of the coronavirus deployed by local actors and stealthy methods. In fact, the media has already announced that a new “strain” of the original Covid-19 virus has emerged. See:

[Coronavirus: Are there two strains and is one more deadly?](#)

#### **CORONA PLANDEMIC: The Plot Thickens**

Each day that this MIC-manufactured plandemic unfolds, the primary elements of the carefully hidden conspiratorial plot become clearer than ever.

Who has not seen the following weighty topics discussed at great length throughout this cynically coordinated coronavirus saga? Each one of the essential elements listed below plays an integral role in this ongoing series of Gladio-style black operations taking place worldwide.

**Bio-terrorism**

**Military Deployment of 5G**

**Chemtrails**

**Flu Vaccines**

**Genocide**

**Depopulation**

**Extinction Level Event**

**Economic Sabotage**

**Financial Terrorism**

**Medical Martial Law**

**End of Free Speech**

**Internet Censorship**

**Forced Vaccinations**

**Distraction**

**Fearmongering**

**New World Order**

**Global Control Matrix**

**One World Government**

The stark reality is that there are so many pieces to this psyop puzzle, it’s extremely difficult to put them all in their proper places.

Moreover, the rapid evolution of this convoluted and premeditated plandemic is such that each day exposes a different part of the sinister plot. Many of the most salient goals and clandestine purposes behind each sub-plot, which demand immediate attention, are delineated in the following analysis.

**[MEDICAL MARTIAL LAW: Is this how they plan to lock down planet Earth?](#)**

More to the point: the real *New World Order* plot is to designed to lock down the planet via a *Global Control Matrix* on the way to establishing a One World Government.

The two central pillars of the *Global Control Matrix* are the military deployment of 5G and the ensuing *Internet of Things* (IoT). Once the 5G roll-out and IoT build-out are completed in all the major power centers worldwide (London, Milan, NYC, D.C., LA, San Fran, Seattle, Chicago, Atlanta, Singapore, Tokyo, Hong Kong, etc.) which is still a technical impossibility, a One World Government will be announced, if not before.

Two major tech hubs were identified as pilot cities for this NWO 5G project—Wuhan, China and Milan, Italy. Wuhan was set up in 2019 an official 5G Demonstration Zone that failed miserably, so even the IoT experiment had to be aborted. Milan — the Italian coronavirus epicenter — was likewise turned into an extensive 5G testbed. That 5G roll-out was another woeful failure. Nevertheless, the globalists will never let a disaster go to waste as we have seen with their Plan B—the CORONA PLANDEMIC.

See how the 2020 coronavirus pandemic evolved in Italy starting from 5G-intensive Milan (as well as the Lombardy region), the second-most populous city in Italy after Rome.

## **CORONAVIRUS HOAX: Fake Virus Pandemic Fabricated to Cover-Up Global Outbreak of 5G Syndrome**

### **“The Greatest Show on Earth”**

The crucial takeaway from this analysis is that all of humanity is now playing the part of both actor and audience in what was conceived to be “The Greatest Show on Earth”. Except that this very scary script was written to be much more “horror show” than “lives happily ever after”. Undoubtedly, the NWO directors, producers and screenwriters have agreed to an ending that is not a pleasant one for the human race.

Therefore, in light of the myriad multifarious schemes that are being executed by the NWO perps every day now, nothing they report via the *Mockingbird Media* can be trusted—  
**“NOTHING!”**

This knowledge alone is quite empowering. Knowing that the globalists have transformed the whole world into a highly choreographed reality show makes it much easier to understand and respond to.

The essential point here is that the perpetrators have mastered the art of staging these global psyops in a fashion that seamlessly blends hoax with reality. In other words, some of what you see is real, but much of what you hear is hoax. Conversely, in other afflicted locales, much of what they see may be a staged hoax while some of what they hear is grim reality. This [DRAMATIC] “maggiorazione” (no one does drama like the Northern Italian *Black*

*Nobility*) is being conducted in a different manner depending on those unique NWO goals for each nation or society, state or province, major city or county, etc.

Hence, going forward, there is the great need for each and every individual to exercise their best discrimination. Discerning between fact and fiction has never been so vital. Since each community will have their own “Corona Plandemic” reality show, the responses and/or reactions will need to be appropriate to each unique drama. The more aware and informed each person is to what’s really happening around them, the more capably responsive they can be to their own household predicament, as well as to the plight of those in their circle of associations.

**CAVEAT:** There are multiple acts of bio-terrorism which have been carried out over several decades, many of those against the people of China. That the whole world was alerted to the present spate of bio-terrorist attacks in Wuhan by a high-level British military officer in March of 2010 is unprecedented. This type of deadly bio-warfare targeting specific Chinese bloodlines and gene pools was literally exposed 10 years before it happened this year.

*Thereafter, or concurrent, biological weapons would be used against the Chinese population. This would then set off another chain of events that would collapse the whole Chinese political and social infrastructure. This was mentioned as: Disease, followed by widespread food shortages, followed by mass starvation. [...] The biological agents were described as being flu-like and would spread like wild-fire. It shocks and sickens me to describe these events. It shocks me even more to know that plausible events are being manipulated to cause the extinction of a whole part of the human race.*

*(Source: [GLADIO BIOTERROR: ‘Biological Attack’ Against China Planned by NATO Decades Ago – UK Military Officer & Whistleblower](#))*

However, what that brave whistleblower may not have been aware of is the incessant bio-war that has been waged against the human race since the Spanish Flu of 1918.

As a matter of historical fact, there have been numerous bio-weapons released against certain nations and populations over the past century such as Asian Flu of 1957, Hong Kong Flu of 1968, Epstein-Barr virus, Human papillomavirus, Herpes simplex virus, Lyme disease, AIDS/HIV, Swine flu, Bird flu, Ebola virus disease, West Nile virus, as well as many of the Measles and Smallpox outbreaks (Remember the Native American tribes that were deliberately wiped out via the Smallpox bio-weapon).

What very few historians understand is that even the worst plagues over the last two millennia, such as the Black Death and other bubonic plagues were the direct result of bio-terrorism.

Conclusion

If there's a final act in this multi-millennial criminal conspiracy to sicken and debilitate, paralyze and incapacitate, poison and exterminate human beings in a methodical yet not easily detected way, OPERATION CORONA PLANDEMIC is it.

Not only is this their final act in a long-running global drama, it may also be their last act EVER!

The bottom line here is that the coronavirus dark cloud has a shiny silver lining. That's because the perps have grossly overplayed their hand with this overwhelmingly brazen and reckless bio-terror operation and psyop.

What does that mean exactly? When a critical mass of *We the People* wake up to the fact that they have been both victimized and duped — MAJORLY — the power elite will be vacating the planet post-haste.

*Isn't that what the people of planet Earth desperately need and want at this critical moment in human history?*

Lastly, precisely who are the “directors, producers and screenwriters” of the CORONA PLANDEMIC? The definitive answer to that crucial question is found in the exposé that follows.

[Nothing changes until those who secretly rule US are prosecuted for 9/11, JFK, OK City, 5G, Chemtrails, Vaccines, Coronavirus....](#)

#### Author's Note

Although the CORONA PLANDEMIC is part hoax and part reality, there is still a deadly coronavirus bio-weapon to face with an appropriate response. Furthermore, everyone ought to be extra vigilant since there is much more in the current flu mix than the different strains of COVID-19; there are many other influenza infections that have been raging throughout this particularly virulent flu season. The biggest concern moving forward, however, is that there are other types of even more serious illness and/or disease that many folks will experience such as *5G Syndrome* and *5G Flu*. **CORONAVIRUS SOURCE DISCOVERED!** ALSO UNCOVERS LORD PIRBRIGHT, A ROTHSCHILD, AS KEY TO THE 140-YR. PILGRIMS SOCIETY MONOPOLY OVER WORLD SOCIETY, COMMERCE & WAR.

The British Crown and the C.I.A. teamed up treasonously via QinetiQ Group Plc controlled by the Monarch (Queen Elizabeth and the House of Windsor).

Lord Pirbright (Rothschild) and his banker cousins at N.M. Rothschild & Co. were godfathers of the 2nd Boer War concentration camps (1899-1902) to drive the French, Dutch and Germans out of South Africa.

New Evidence: Leading London Jews were running the first modern war concentration camps where over 60,000 whites and blacks died, including more than 14,000 mostly white children who were subjected to Burroughs Wellcome & Co. (now Wellcome Trust–Coronavirus funder and GlaxoSmithKline) vaccine experiments.

These Privy Council and Parliamentary records have been discovered after much difficulty and missing documents were recovered.

**Fig. 1—Henry (Rothschild) de Worms 1st Baron Pirbright (b. Oct. 26, 1840-d. Jan. 09, 1903), also called Lord Pirbright. Baron Pirbright's grandmother was Schönche Jeannette Rothschild (1771–1859). Her father was Mayer Amschel Rothschild (1744–1812), the founder of the Rothschild colonial banking business in Ceylon where Lord Pirbright's father Solomon de Worms established the "Rothschild" coffee and tea plantation with slave, and nearly slave labor.**

**Pirbright grew up in Ceylon on "The Rothschild Plantation" where they grew coffee and tea sold through their Rothschild-financed British East India Company. At age 45, Baron Pirbright became the British minister of trade and colonies (1885-1892). During those years just prior to the founding of the Pilgrims Society in 1902, Lord Pirbright promoted Cecil Rhodes, N.M. Rothschild, Alfred Milner and John Buchan in the Boer Wars. He also oversaw the British patent office when Nikola Tesla began filing his wireless telegraphy patents. Regarding Tesla, Pirbright secretly allowed the British Admiralty and Post Office to steal from Tesla using Guglielmo Marconi as their fake inventor and make monopolistic deals with Marconi Wireless.**

**Pirbright also coached Henry S. Wellcome and Sir Henry M. Stanley in their rapacious acquisition of valuable African poisons and cures used in extensive vaccine experimentation on human beings—including black and Boer (German, Dutch and French) prisoners they had put in concentration camps and performed fatal Wellcome Trust drug experiments. Pirbright**

gave Cecil Rhodes an almost free hand in the British South Africa Company to write laws, collect taxes and run his own police force in their new British Imperial-Fascist Corporatism model for reorganizing the British Empire while continuing to control the resources of their colonies, even after Home Rule was implemented (like Rio Tinto - global mining company [including uranium] that is also a Rothschild creation for the British Crown that the Monarch controls to this day), Viscount Alfred Milner, co-founder of the Pilgrims Society, was Rio Tinto chairman from 1923-1925, and earlier a director for many years.

ORIGINAL POST

Reader Notice: This is a long post that is chock full of evidence, some emerging on the world for the first time in over 100 years. Sorry, the emerging evidence demanded it!

One thing is now certain, history has hidden the Pilgrims Society's demonic activity since before 1902 when it was founded in London during the funeral of Queen Victoria, and then 1903 when it was started in New York.

One teaser is the first chairman of the Pilgrims Society in New York on July 11, 1903, attorney Lindsay Russell, became the first chairman of the Council on Foreign Relations (CFR) in 1918. Indeed, the Pilgrims created and direct the CFR, to this day.

The discovery, announced last week by Francis A. Boyle, the author of the Biological Weapons Anti-Terrorism Act of 1989 (BWATA), international law professor, indicates that the University of North Carolina was involved in prohibited bio warfare activity that helped cause the Coronavirus outbreak in China. This information adds further validity to the ultimate British origins of the Coronavirus. Bill and Melinda Gates Foundation—substantial Pirbright Institute funders—also heavily finance research at the University of North Carolina. Please return several times over the next days to pick up the new evidence.

As a direct result of investigations to track down the ownership of responsibility for the current Coronavirus outbreak, a new ring leader in the creation of the Pilgrims Society (1902) has just emerged from hiding in the history books.

The public has been told by various sources, Israel, CDC, WHO, DoD, that a vaccine is imminent, in the weeks just ahead. This is a blatant lie since the COVID-19 has been patented and a vaccine already exists. The CDC and Pirbright Institute of the UK each hold a patent on two different strains of the virus, which has been around for as long as two decades.

The tracing of patent ownership lineage of "U.S. Pat. No. 10,130,701, Coronavirus" led us to The Pirbright Institute, Surrey, UK, near Woking and Guildford.

The man who appears to be the Pilgrims Society nexus point is not Cecil Rhodes, but rather Rhodes' Rothschild family mentor Henry (Rothschild) de Worms, 1st Baron Pirbright, sometimes referenced simply as "Lord Pirbright" or "Baron Pirbright.")

The topic "Pirbright" has many tentacles.

Pirbright—pronounced "purr-bright" as in a cat purring.

We'll start with the name "Pirbright."

On the surface, Pirbright is a posh little English village in the Greater West London county of Surrey, less than 6 miles southwest of Woking and 7 miles northwest of Guildford. However, literal Frankensteins lurk in Pirbright's meadows.

**Notably, Merial operated a vaccine manufacturing plant at The Pirbright Institute and was responsible for the Aug. 03, 2007 outbreak of foot and mouth disease in the nearby farms around the Pirbright facility in Surrey, UK.**

**The investigation into Merial cited extreme sloppiness such as bio security lapses, poor drainage systems, poor maintenance and inspection, poor communications, lack of oversight of contractors working on the site, poor record-keeping, conflicts of interest within the government entities and Merial's commercial interests.**

U.S. PATENT OFFICE: "A finding of "fraud," "inequitable conduct," or violation of duty of disclosure with respect to any claim in an application or patent, renders all the claims thereof unpatentable or invalid."

**Question:** When is the U.S. Patent Office going to disclose its fraud and treason in contracting with British Crown companies SERCO and QinetiQ?

Doesn't the USPTO fraud invalidate everything they've done since contracting with SERCO in [2006](#), [2013](#), [2015](#), [Overview](#), see full spreadsheet list of [15,769 federal \(Senior Executive](#)

[Service\) contracts with SERCO\).](#)

Currently, individual U.S. inventors filing for patents are screwed by this Pilgrims Society global patent theft ring run by the British.

Note, Pilgrims Society at the BBC and Reuters are floating a malicious "false flag" propaganda currently from unattributed assertions that the Pirbright Coronavirus patent is a different, weakened coronavirus, not the one involved in the current outbreak. Such an assertion would violate U.S. Patent Office "inequitable conduct" rules—lying to the Office. See sidebar on right.

In other words, you are forbidden from giving a patent application a misleading name. Indeed, there are currently 75 patents with coronavirus in the title. The Coronavirus patent is one of 11 patents awarded to The Pirbright Institute. These titles described the uniquenesses of each claim (a requirement). For The Pirbright Institute **U.S. Pat. No. 10,130,701** to be allowed the name simply "CORONAVIRUS" means what it says. Also remember, British SERCO manages the patent approval process at the U.S. Patent Office, the possibility of fraud is heightened, especially considering that SERCO's sister company QinetiQ--both controlled by the Monarch's Golden Share giving 100% veto power over operations--essentially approved the patent to themselves. This is evident fraud.

On Oct. 12, 2009, Merial invested over \$70 million (U.S.) to build a "Merial Animal Health Co. (China)" 50,000 sq. meters poultry vaccine production plant in Nanchang, China. Nanchang is only a four hour drive from Wuhan.

Merial's Chinese facility appears to have relied upon the bio-weaponry science and engineering from Merial's British facility which was the Aug. 05, 2007 foot and mouth outbreak in the U.K. Given current Chinese prohibition of foreign ownership control, the Chinese government would control Merial (China) with The Pirbright Institute—British Ministry of Defense, and/or QinetiQ as possible minority stockholders. The big pharma shell game is quite evident.

**Henry (Rothschild) de Worms, 1st Baron Pirbright evidently had a vision to combine vaccines, wireless, propaganda, mind control and banking and use these technologies to control the masses and make money for his Pilgrims Society conspirators.**

**What do vaccines & the wireless earth-station teleport at Pirbright have in common?**

**On the same property as The Pirbright Institute is [Cobbett Hill Earthstation](#)—a satellite teleport that boasts "more than 25 antennas with active operations on 13 satellites" using C and KU-band antennas that are powerful enough for directed energy weaponry.**

**Fig. 9—Army Training Center (ATC) Pirbright (Surrey, UK) is located just 8 miles north of Cobbett Hill Earthstation and The Pirbright Institute. ATC trains Army recruits, including electronic and biological warfare.**

**A little further north of the village is the Army Training Center (ATC) Pirbright. The British Army trains new recruits, including in intelligence and bio-warfare.**

**Experts in electronic warfare who have studied the Pirbright property footprint believe it is almost certain that both the Pirbright Institute and the adjacent Cobbett Hill Earthstation teleport share "hardened" underground facilities that are able to withstand direct attacks. This conclusion was further affirmed by CETel GMBH CEO Guido Neumann who boasted on Jun. 01, 2019:**

***"Cobbett Hill is located only 25 miles from central London in the UK, and occupies a seven-acre secure compound on 200 acres of land. Currently, it houses more than 25 antennas with active operations on 13 satellites plus spare capacity enabling quick turnaround times on even short-notice customer requirements. Due to the locations historical use by the British Ministry of Defence it has blanket planning permission for unlimited antenna installations within the 200 acres and operate within an RF exclusion zone preventing any local interference."***

**Trigger words projecting secret underground government and conspiring-corporate activity: "quick turnaround times," "blanket planning permission," "unlimited antenna installations**

within the 200 acres," "RF exclusion zone preventing local interference," "seven acres on 200 acres," and "historical use by the British Ministry of Defence."

Fig. 10—SERCO & QinetiQ are both controlled by the Monarch's Golden Share.

On Nov. 11, 2002, this MOD property housing both the Pirbright Institute and Cobbett Hill Earthstation was sold to QinetiQ Holdings Limited. The British Monarch held a "Special Share" (aka "Golden Share") giving it complete control of QinetiQ.

Then, in 2004 Qinetiq "sold" Cobbett Hill according to official Parliamentary debate records. See Footnote 1 for QinetiQ Annual Reports (2002-2019).

In a now familiar globalist shell games like we just examined with the pharmaceutical companies operating at The Pirbright Institute property, the Cobbett Hill Earthstation satellite facility was first "privatized" by QinetiQ in 2004.

We think this "sale" of a key British MOD facility at Cobbett Hill Earthstation was window dressing to hide their biological and electronic warfare activities occurring on its "secure" Pirbright property. Notably, Cobbett Hill part of the quarantined hot zone in the 2007 foot and mouth outbreak, as the effluent from Merial flowed south over Cobbett Hill.

Fig. 11—Sir John A.R. Chisholm, founder of DERA, the British equivalent of DARPA; founder of QinetiQ, then a director.

Back in 1991, Sir John R. Chisholm had been asked by the Ministry of Defence to combine the government's many research organizations into one which became the Defence Evaluation and Research Agency (DERA).

On Nov. 08, 2002, Chisholm spun off  $\frac{3}{4}$  of DERA to form Qinetiq, then became a director two years later. Timing-wise, this was concurrent with the creation of SERCO Service Inc. as a Monarch-controlled data, intelligence, propaganda and information monolith.

On Mar. 10, 2003, Chisholm was appointed a director of QinetiQ—the entity he created two years earlier!

On Dec. 08, 2005, QinetiQ Holdings Limited was renamed QinetiQ Group Plc.

Today, approximately 164 subsidiaries now carry "QinetiQ" in their names, or former names, including Perspecta, IntrinsicQ, Gyldan (formerly QinetiQ Partnership Finance Ltd.), F. Miller and Commerce Decisions.

In 2004, QinetiQ ostensibly sold the satellite teleport on the 174-acre MOD Pirbright property to Cobbett Hill Earthstation Limited.

Records are unclear how The Pirbright Institute property was bundled into the sale or leasing to QinetiQ. We think it was and that the entire satellite and biomedical animal-testing facility was all part of the same MOD activity to obfuscate and hide their illegal activities on the entire 200 acres.

The entire DERA-to-QinetiQ transaction is shrouded in British government secrecy, but one thing is certain: the Monarch's Golden Share has powerful preemptive rights and "claw-back" options over all property in the United Kingdom. The Monarch's Golden Share is a super veto power over all activities of the company. This "[Special Share](#)" gave the Monarch 100% control of selected corporations after "divestiture" or "privatization" which was window dressing to make these companies look private, but to keep them controlled by the Monarchy and the Privy Council.

In like manner, we do not believe the 200-acre Cobbett Hill Pirbright property ever moved outside the control of the Ministry of Defence after the creation of QinetiQ. Instead, they merely changed the logos on their staff shirts to look like they are privately held.

Picotte has direct linking relationships with Sir Roy Gardner, chairman of SERCO Group Plc through a now typical shell game of shell companies with no activity.

For example, Picotte is a director of Aksiom Group Holdings Limited that formed AXESS Networks in order to acquire CETel GMBH that had just a few months earlier had acquired Cobbett Hill Earthstation Limited.

Aksiom-AXESS's director-funder Pichotte is also a director of North Sea Infrastructure Partners Limited. One of North Sea's directors is Centrica Directors Limited, formerly named Centrica Nominees No. 2. Limited, whose sole owner is GB Gas Holdings Limited. A founding director of GB Gas in 1996 is Sir Roy Alan Gardner, the current chairman of SERCO Group Plc.

Sir Roy's other directorships make it quite clear that his task in the Privy Council was to consolidate ALL electronic warfare capability in the British government under SERCO and QinetiQ.

Sir Roy A. Gardner was Centrica Plc chairman with Picotte.

The common agenda among Pirbright, Rothschild, Wellcome, Rhodes, Milner, Marconi, Pilgrims?

Fig. 16—Henry (Rothschild) De Worms (b. Oct. 26, 1840-d. Jan. 09, 1903) was appointed to be 1st Baron Pirbright appears to have been the spiritual leader directing the likes of Cecil

Rhodes, Alfred Milner and the Boer Wars, not to mention Pilgrims Society, Empire Press Union, First Imperial Press Conference 1909, MI6, MI5 and GC&CS renamed GCHQ in 1947.

On Nov. 15, 1895, Henry De Worms (1840-1903) was appointed to be 1st Baron Pirbright, of Pirbright, County of Surrey (UK)—the current site of The Pirbright Institute and Cobbett Hill Earthstation teleport.

On Oct. 03, 1893, Lord Pirbright inherited a substantial sum in those days—about £350,000—as residuary legatee of his mother Henrietta Samuel's estate. He used these funds to fund great mischief, including purchasing the land in the greater Pirbright area on land that today houses MOD (Ministry of Defense) facilities associated with British Defence Evaluation and Research Agency (DERA), including The Pirbright Institute, essentially controlled by the Wellcome Trust and Bill & Melinda Gates Foundation—two key funders of the Pirbright Institute along with U.S. Defense Advanced Research Projects Agency (DARPA), and Cobbett Hill Earthstation, that are both adjacent to the Army Training Center - Pirbright land acquired by the Army in about 1875.

Fig. 17—Cecil John Rhodes now appears to have taken his new-world order orders from Henry de Worms 1st Lord Pirbright, his mentor.

Lord Pirbright also bankrolled Henry Wellcome's meteoric rise in the pharmaceutical business as well as Sir Henry M. Stanley's expeditions to Africa to collect new cures and poisons for Henry Wellcome, as well as secure west African mining rights for Belgium King Leopold II, the

British South Africa Company and his protégés Cecil Rhodes, Alfred Milner, N.M. Rothschild & Sons, Winston Churchill and John Buchan, among others.

Henry (Rothschild) De Worms, First Baron Pirbright's paternal grandmother was Schönche Jeannette Rothschild (1771–1859). Jeanette's father, Pirbright's great grandfather, was Mayer Amschel Rothschild (1744-1812)—the founder of Rothschild banking. See Dict. of Nat. Bio (1914), pp. 495-496, 51 MB (be patient when downloading).

A young Henry de Worms lived his early years on the family coffee, tea and spice plantation in Ceylon actually named “Rothschild.” This bound the de Worms to the rapacious imperialism of the British East India Company that the Rothschild's bankrolled. The Jewish Chronicle (London), Jan. 20, 1903 (9.6 MB).

Indeed, Pirbright led Britain's imperial trading empire when he was Parliamentary Secretary to the Board of Trade (1885-88), and Under-Secretary of State for the Colonies (1888-92) under Lord Salisbury.

For context, on the Board of Trade, Henry (Rothschild) De Worms 1st Baron Pirbright was succeeded by political Zionist Lord Balfour (1889-1902). Balfour was also President of the Board of Trade with Sydney Buxton (2nd Governor General of the British South Africa Company) and future prime ministers Churchill and Lloyd George.

**Fig. 18—Viscount Alfred Milner 1st Governor of the Transvaal and Orange River Colony; Member of the Imperial War Cabinet (WWI, 1916-1918); organizer of the 2nd Boer War concentration camps.**

Balfour was the author of the Balfour Declaration letter to Baron Lionel W. Rothschild (Pirbright's cousin and fellow leader of the London Jewish community, and the funder of Cecil Rhodes' British South Africa Company and De Beers Consolidated Mines in Cape Colony, South Africa). Balfour's letter called for a Jewish homeland in Palestine. In 1902-1905, Bonar Law took the same post and later became privy councilor (1911), British war cabinet during WWI (1916-1918), and later prime minister (1922-1923).

**Fig. 19—General Lord Frederick Sleigh Roberts, British commander of the 2nd Boer War forces; organizer of the 2nd Boer War concentration camps; first president of the Pilgrims Society.**

On the colonial post, succeeding Pirbright was Sydney Buxton (1892-1895). Nineteen years later as President of the Board of Trade (1914), Buxton championed the Marconi Wireless monopoly as a cabinet secretary that Pirbright had earlier helped create by supporting Marconi's theft by the Post Office and Admiralty of Nikola Tesla's wireless telegraphy patents.

Also succeeding Pirbright in the colonial post was Winston Churchill (1905-1908). Churchill had also held Buxton's post as President of the Board of Trade (1908-1910).

Lords Pirbright and Salisbury exploited an ailing Queen Victoria in the 1880-90's.

Henry (Rothschild) De Worms and Lord Salisbury subdued the British Parliament in the 1880-90's to promote the Boer Wars in the Transvaal, South Africa to, among other things: (1) crush the stiff colonial business competition from the German Hanseatic League, Dutch East India Company and the French East India Company, (2) to further consolidate the Rothschild monopoly over the Bank of England, (3) monopolize African mining through Cecil Rhodes, N.M. Rothschild and De Beers, as the way to finance, (4) a new privatized, imperial corporatist-fascist model for the British Empire named the British South Africa Company, (5) recruit new blood into this ruthless elitist club by funding Rhodes Scholarships at Oxford in perpetuity.

Rhodes established The Round Table to promote this "English-speaking" hegemony over the world. His new club of self-aggrandizing elitist Robber barons (including Americans) was a moral grab bag of ideas that borrowed from John Ruskin's settlement movement ideas where elites would rule over socialist/communist communities as overlords, dispensing their wisdom over the hapless masses in their charge. Tellingly, the leaders of the 2nd Boer War, Viscount Alfred Milner and General Lord Roberts, were Ruskin fans. Also tellingly, Ruskin eschewed spirituality and religion until late in life.

The Round Table organized as a secret society that borrowed Jesuit stealth takeover processes to hide their hegemonic intentions. With Rhodes' blessing, they employed any tactic needed to acquire the resources to achieve their 200-year imperial corporatist-fascist goals "...(3) The seizure of the wealth necessary."

On 13 March 1888, Rhodes launched De Beers Consolidated Mines where Rhodes was first chairman , with funding from N.M. Rothschild & Sons supplied in 1887.

**Fig. 20—Henry (Rothschild) de Worms, 1st Baron Pirbright (b. Oct. 26, 1840-d. Jan. 09, 1903). Appointed to key cabinet positions that gave him great influence over patents (incl. Nikola Tesla's wireless telegraphy invention), animal-testing (vaccines), mining rights and establishment of the British South Africa Company.**

In 1888, Queen Victoria appointed Baron Henry De Worms to the Privy Council. His barony was extinguished upon his death since he had no male heirs. However, he appears to have given away his land holdings to the Ministry of Defence which had been under his authority. On Dec. 20, 1889, De Worms, Rothschild and Salisbury supported the formation of an autonomous British South Africa Company to enable Cecil J. Rhodes to form a replacement corporatist (Robber baron) model to replace the British East India Company. In this model the lower classes would be ruled under socialism and culled with eugenics (war, poison vaccines, and man-made disasters) while the upper class rulers would live lives of luxury under the British peerage system. In their system, free thinking could not be tolerated, therefore, the Judeo-Christian ethic of free will would have to be neutralized or abolished. According to Rhodes' 200-year plan, these commercial princes would operate as a secret society and use Jesuit stealth tactics to lie, cheat and steal to achieve their plan. Rhodes encouraged them that the resources to achieve this plan must be acquired at any cost.

The British South Africa Company would empower Rhodes to run South Africa as a corporation with its own laws, taxes and police force. This profligate governance model eventually led to Milner and Roberts establishing the world's first concentrations camps in the 2nd Boer War. Over 60,000 souls, including 14,000 children were murdered in these

barbaric camps via suspicious outbreaks of measles, typhoid and dysentery. Family described to our researchers that children with even sniffles were taken away from their parents and never returned, presumed murdered. Notably, Henry Wellcome supplied his medicine chests full of experimental vaccines to the British Army that were used in these death camps. The British acknowledge that the concentration camps helped break the backs of the Boers and led to their defeat. This ghoulish model was repeated by Adolf Hitler thirty years later.

Fig. 21—Henry Morton Stanley, British explorer conspired with Henry (Rothschild) de Worms, Henry Wellcome and Cecil Rhodes to secure British monopolies in South Africa over diamond and gold mining, and pharmaceuticals. His expeditions into Africa were bankrolled by The Daily Telegraph (Lord Burnham), The Daily Mail (Lord Northcliffe), The New York Herald, The Morning Post (Winston Churchill's employer) and Henry (Rothschild) de Worms 1st Lord Pirbright, among others. Stanley chose to be buried in Pirbright, Surrey, UK, and the home of his long-time political and financial sponsor, Lord Pirbright.

The lionized British explorer Sir Henry M. Stanley is buried in Pirbright. His legend says he explored “Darkest Africa” and allegedly said upon encountering missionary David Livingstone who he was searching for: “Dr. Livingstone, I presume.” Given our new information into the propaganda surrounding Stanley, we are wondering if any of this is true. It may have just been a tall tale that sold a lot of newspapers. It may have been a learning lesson for newspapermen that they could make up stories out of whole-cloth and the public would believe them unquestioningly.

In 1874, Stanley's second African expedition was financed by two newspapers, The New York Herald and Britain's Daily Telegraph. The Daily Telegraph's editor, Edward Levy Lawson, later Lord Burnham was a weekend party friend of de Worms. Lord Burnham later co-founded the Pilgrims Society (1902), then was chairman of the First Imperial Press Conference, 1909 where he co-founded the Empire Press Union, then immediately helped found British MI6, MI5 and GC&CS, now GCHQ—again, the last three events all in the summer of 1909.

Fig. 22—Henry Solomon Wellcome (an American) founded the Wellcome Trust and Wellcome Burroughs & Co. pharmaceuticals and chemicals company (now GlaxoSmithKline). Promoted fascist imperialism. Co-founded the Pilgrims Society (1902). Bankrolled The First Imperial Press Conference, 1909, Co-founded the Empire Press Union (1909) and British MI5, MI6 and GC&CS now GCHQ from newspapermen of the Empire.

Wellcome published A Parliament of the Press (248 pgs.) within weeks of the end of the First Imperial Press Conference, 1909. It was distributed to the 650 newspapermen, some of whom had just been recruited as spies for the newly forming MI6, MI5 and GC&CS agencies in the summer of 1909. It was not the only book lavished upon the delegates. Wellcome lavishly wined and dined the delegates and distributed at the Conference pro-fascist imperialism, pro-vaccine, pro-propaganda, and pro-censorship The Evolution of Journalism Etcetera (371 pgs.) and Imperial Press Conference, Souvenir Guide to London (653 pgs.).

The Wellcome Trust today is the second largest grant funder in the world, second only to the Bill and Melinda Gates Foundation with whom the Wellcome Trust is teamed at The Pirbright Institute.

Henry Wellcome told the story of Stanley's use of his medicine chests full of experimental vaccines in his The Evolution of Journalism Etcetera (pp. 150, 151, 291) that he presented to the 650 newspapermen delegates at the First Imperial Press Conference, 1909. In that conference he asked the delegates to repeat Stanley's efforts to collect toxins, cures and poisons and he would reimburse them to be sent to his Wellcome laboratories in the UK for analysis.

Wellcome helped finance Stanley's expeditions. Stanley also helped Belgium's Prince Leopold II secure the Congo for the Rothschild's and De Beers' diamond and gold interests.

Wellcome and Stanley were both born promoters who used the corridors of power to secure their wealth and influence. Wellcome Trust today is the second largest grant-maker in the world after The Bill and Melinda Gates Foundation.

Now we must return to Wellcome's, Rhodes's, Milner's, Robert's and Stanley's Parliamentary sponsor Henry de Worms 1's Baron Pirbright.

In his powerful positions at the Board of Trade and as overseer of the Colonies, De Worms was responsible for all patents and trademarks.

During this time, a bright young Serbian-born inventor named Nicholai Tesla was inventing wireless telegraphy, electric light, motors, power and free energy devices. His first patent, for an electric arc lamp, was awarded on Sep. 02, 1886 30, 1884. (De Worms assumed control of the Board of Trade in 1885).

Therefore, during De Worms's trade and colonial oversight of the British patent office (1885-1892), Tesla filed 56 patents.

Hindsight makes it quite evident now that we can see the forces behind the transition of the British Empire from control by the British East India Company to a new form of British corporatist imperial fascism, that they would apply Rhodes' admonition to acquire resources at any cost, to stealing Tesla's wireless telegraphy invention for use in their imperial communications scheme for use in the Admiralty and as a propaganda tool to control the masses and "create public opinion."

It is our strong belief that these Robber barons created Guglielmo Giovanni Maria Marconi as their cardboard cut-out front man to create a British global monopoly named Marconi Wireless on emerging wireless telegraphy. In short, Marconi's alleged parallel invention of wireless telegraphy is all fake.

Indeed, during deWorms oversight of trade and the colonies, the British post office began secretly creating deals with Marconi Wireless without the knowledge of Parliament. The insider trading got so bad that in 1913 it almost took down a future Prime Minister (David

Lloyd George) and King's Counsellor Rufus Daniel Isaacs. These men while knowing that Marconi's monopoly (organized by De Worms and his Rhodes' relative Charles F.G.

Masterman—later chief of the British War Propaganda Bureau) was unassailable, had secretly bought shares for themselves in Marconi America, just before Marconi Wireless Britain went public.

The unmistakable commonality here in Britain's new corporatist-fascist imperial plan for the new British Empire was to have unanimity of vision and direction across banking (dominated by Rothschild's), pharma (dominated by Wellcome), government (controlled ultimately by the Pilgrims Society), Wireless Technology (controlled by the Marconi Wireless monopoly), propaganda (controlled by the Empire Press Union) and information (controlled by MI6, MI5, GC& CS, renamed GCHQ).

According to Rhodes' instructions, these men were compelled to nudge America back into the Empire. They used these levers of power and control to achieve this goals, and they are still at it today. After forming their secret Pilgrims Society and took control of global newspapers, intelligence, wireless and cable, they set out to recapture America.

Andrew Carnegie even bankrolled American education, textbooks and libraries to change American opinion about Britain in order to condition the population for re-assimilation. They use the Crown Agents to press this plan globally.

They promoted the Round Table and Milner's Kindergarten.

They promoted Fabianism.

They promoted Zionism.

They promoted Bolshevism, Socialism and Communism.

They formed Reuters and Associated Press.

The Crown Agents successfully formed the Senior Executive Service (SES), the Overseas Private Investment Corporation (OPIC), USAID, and The Aerospace Corporation to take over the Executive Branch with a permanent Pilgrims Society bureaucracy.

We return to the question of why the Pirbright Institute—the patent holder of CORONAVIRUS—is situated on the same Ministry of Defence property as the Cobbett Hill Earthstation with massive array of powerful, weapons-grade antennas and dishes. And, that is only what we can see from satellite images.

As with most secret government labs doing often questionable and illegal research, these facilities are probably massive underground.

Fig. 23—George J. Tenet, outgoing C.I.A. Director became a QinetiQ director on Oct. 24, 2006.

On paper, QinetiQ sold Cobbett Hill in 2004, but this appears to have been a shell game to hide the fact that the government flipped the property in order to avoid scrutiny. Given the fact that former C.I.A. director George Tenet was a QinetiQ director on Oct. 24, 2006 (see also QinetiQ 2006 Annual Report) along with former Deputy Chief of the Joint Chiefs of Staff Edmund P. Giambastiani, Jr. (Oct. 08, 2008), who is believed to still be a director, continued use of Cobbett Hill for illegal intelligence activity is sure. Such facilities are difficult to build and are not easily replaced.

**Fig. 24—Admiral Edmund P. Giambastiani, Jr., outgoing Deputy Chief of the Joint Chief of Staff became a QinetiQ director on Oct. 08, 2008.**

**One thing is certain, QinetiQ’s current address in nearby Farnborough, near the airport, is not a good location for such satellites given all the interference from airport flight communications. In radio communications, once you get a “clean” spot free of extraneous electronic noise, you tend to keep it.**

**The Pirbright Institute records show that it is heavily financed by Wellcome Trust, Bill Gates, the European Commission, the World Health Organization and U.S. DARPA. In addition to Wellcome, the pharmaceutical AstraZeneca provides vaccine research funding also.**

**How do wireless technology and vaccines go together?**

**Researchers all know that stress increases disease.**

**Imagine a Coronavirus specially constructed to lie dormant in a person’s body until it is triggered by the right radio frequency.**

**Imagine nano tech devices that can hide inside a vaccine and be triggered by wireless transmissions passing through your body.**

Imagine 5G technology that, on command from Cobbett Hill Earth-station, can trigger non-tech devices in all the bodies of the citizens in an entire city.

Is this farfetched? Not at all.

**“Directed Energy Weapons”** are being openly disclosed by the military. While their propagandists are quick to say the tech is non-lethal, but the assertions are not believable given their history of lying. Their own descriptions indicate the ability to stun, dazzle, blind, deafen, scream at “or even kill” at people while they think they are hearing the voice of God. 5G technology disperses these capabilities to be able to deliver signals to all people in a target area or group at the same time.

The Pirbright Institute appears to be using the Cobbett Hill satellite teleport facilities to communicate with their Pilgrim Society minions worldwide. Perhaps Nellie Ohr’s shortwave set was actually communicating with QinetiQ at Cobbett Hill and the Pirbright Institute. Are the C.I.A., MI6 & DARPA building bio-weapons like Coronavirus via QinetiQ, SERCO and The Pirbright Institute?

One thing is certain:

American and British Pilgrims Society, newspapers, intelligence, tech and banks must confess that they are using Crown-controlled QinetiQ and SERCO to get over \$18 billion in U.S. defense contracts to build bio-weapons at The Pirbright Institute, Wellcome Trust, AstraZeneca, Crown Agents and Senior Executive Service (SES) to kill us.

In conclusion, as we go to press with this post, the author of the Biological Weapons Anti-Terrorism Act of 1989 (BWATA), international law professor Francis A. Boyle indicates that the University of North Carolina was involved with the Coronavirus outbreak in China. The Bill and Melinda Gates Foundation heavily finances both The Pirbright Institute and the University of North Carolina.

Conclusion:

The evidence is overwhelming that the Pilgrims Society (which is often called the “Deep State,” Senior Executive Service, Crown Agents, shadow government) is manipulating the public to achieve its new world order objectives. The House of Rothschild sits at the pinnacle of this evil world empire!

The evidence is also overwhelming that the Pilgrims Society strategy, perhaps conceived long ago by Henry (Rothschild) de Worms, 1st Baron Pirbright, has been stealing and weaponizing patents since about the 1880's.

**The patents being stolen focus on vaccines, wireless technology, communications, computers, propaganda, mind control and educational delivery systems.**

Now that the activities of the Pilgrims Society are becoming known, we citizens of the world must demand that their source of money be cut, force them to disgorge their ill-gotten gain to their victims (incl. pay the Miller Act Notice to Leader Technologies—see below), and (re)create governments that actually follow the Golden Rule—"Do unto others as you would have them do unto you" (Leviticus 19:18, Matthew 7:12 , Luke 6:31).

Remarkably, these QinetiQ Annual Reports document treasonous racketeering among the British Pilgrims Society, Crown, Privy Council and MI6 with the U.S. Pilgrims Society, Senior Executive Service (SES) and C.I.A.—all unelected bureaucrats who obsess over dominating their fellow man. For example, on Oct. 24, 2006, former [C.I.A. director George Tenet](#) became a Queen's QinetiQ director. On Jan. 02, 2008, retired [Vice Chairman of the Joint Chiefs of Staff Admiral Edmund Peter Giambastiani Jr.](#) also became a Queen/s QinetiQ director. Both men have steered over [\\$8 billion in U.S. federal contracts](#) in defense, technology, space and military contracts that were evidently arranged from them by Tenet and Giambastiani and not awarded to American companies instead. The QinetiQ directors pledge fealty to the British Monarch, not the American Republic.

Federal British-American Patent

## Weaponization Thieves

James P. Chandler, III Andrew W. Marshall

Leader Technologies, Inc. sent their [FIRST AMENDED MILLER ACT NOTICE](#) to President Trump. It is a contract demand for the U.S. Treasury to pay them for the federal government's 18-year theft of their social networking inventions. These inventions were stolen by Major General James E. Freeze (US Army, ret.) and Leader's patent attorney James P. Chandler, III, on behalf of Andrew W. Marshall and the Department of Defense Office of Net Assessment, and that Pilgrims Society that steals and weaponizes inventions for continuous war making and enrichment of its fascist insider military-industrial corporations.

Patriots are encouraged to help get this First Amended Miller Act Notice to President Trump and past the Praetorian Guard. See [American Intelligence Media](#) republich of the Leader Miller Act Notice.

---

In Part 9 of this series, I raised a question on page 32. It dealt with the Corona virus and 5G technology control. That question is solved in this segment. The 5G 60-gigahertz grid can be hijacked remotely through satellite. I can't begin to emphasize the importance of this report. The detailed report provided by Michael McKibben of Leader Technology is a true blessing from God Himself! Michael McKibben and his experts at Leader Technology are super researchers and investigators. We now know how the Pirbright Institute in the UK used remote satellite technology to turn up the energy on Wuhan, China's 5G 60-gigahertz. Furthermore, it explains the Corona symptoms have been ratcheted up on Iran, Italy, and South Korea. These three countries show virus fatality rates much higher than other countries. The Pirbright Institute is capable of over-riding [hijacking] the 5G grids in virtually any city or country on the planet.

In my article "[5G vs. COVID19 – Easily Confused and Very Deceptive](#)" the graph on page one explains what takes place as the energy level is turned up to the harmful 60-gigahertz frequency, which drops people in their tracks. It never occurred to me that the entire 5G network can be tailored to target a specific location, a single person, a single home, an entire block, a neighborhood, a portion of a city, an entire city, etc. This is so obvious that I overlooked the obvious. The regular electrical grid is designed to provide power to meet

public need. For example, in an electrical storm, a transformer on a utility pole near you might be knocked out on your street, and not necessarily impact homes on either side of a section of the street. Power is automatically or manually shunted or re-directed to homes not impacted by that specific transformer.

5G 60-gigahertz can be modulated, like tuning a radio receiver for clarity of sound! The stealth to this point in time comes in that the telecoms: AT&T, Horizon, Sprint, Verizon are in a low energy range phase.

This compilation of material from two sources came together when a special friend sent me the video linked above. The two sources 'The Millennium Report' and 'American Intelligence Media' came together after I viewed the video which is linked to on page 13. It is imperative that you view the 10-minute video to understand the big picture here. The "Anglo-Saxon Mission" goes back many years in its planning. The "Anglo-Saxon Mission" was planned and according to certain people who know their plan, they are running behind by a full decade. They have no problem with delay as they continue to march forward in bringing about their New World Order.

This goes hand in hand with the last few segments of this series. In Part 6, the identity of the Antichrist has been linked to the Rothschild's and the House of Windsor.

My article "Get Ready for His Second Visitation" on Nisan 10, April 4<sup>th</sup> is increasingly being magnified by the snowballing events these past few weeks.

Blessings,

Pastor Bob, EvanTeachr@aol.com
