

The Satanic Talmud & The Synagogue of Satan

Part 2

Why would Trump order the assassination of the man most responsible for the defeat of ISIS?

BECAUSE ISRAEL WANTED HIM DEAD!

????????????????????????????????????????

Since Monday, January 6, 2020, there have been a number of new developments, reports of a rogue plan to take out the President and blame it all on Iran. What you have heard and know since the assassination of the #2 man Major-General Qassem Soleimani in Iran suggests a plot of intrigue that involves or thought-to-be rogue elements of the CIA and the Air Force that lead directly back to the Secretary of State and the Secretary of Defense as

well. Gordon Duff of Veterans Today and Robert David Steele of Public Intelligence Blog have reported that General Qassem Soleimani was killed while on a Diplomatic Mission to Iraq to receive some sort of back-channel communication deal from President Trump. This quote is from former CIA and USMC intelligence officer, Robert David Steele: *“No magic intercepts were needed, we now learn from Iraq, to arrange for the assassination of Soleimani. We now learn that the ambush was staged through diplomatic channels, drawing Soleimani to Iraq in order to receive an offer of reduced sanctions from President Trump.”*

.....

ROBERT STEELE: *“If true (this is sourced to the Iraqi Prime Minister who has a great deal to lose if perceived to be complicit in the assassination) then there are three possibilities:*

01 *The primary proponents of this were the Secretary of State and the Vice President. This assassination, of an invited diplomatic envoy, is so far over the top that all those in the chain of command are indictable under all applicable international treaties and conventions. The President either demonstrated very bad judgment himself, or did not understand the massive.....[rest of sentence not included.]*

02 *The President was lied to and did not understand the import of what he was ordering, and he should immediately fire the Secretary of Defense, Secretary of State, and Director of the CIA, while also pulling out of Iraq and Syria and Afghanistan. For bonus points he could deliver Pompeo, in shackles, to the Iranians, this was all Pompeo and the Zionists with Esper and Haspel playing dead and leaving their integrity in the last toilet they visited.*

03 *The President is a genius, Soleimani is not actually dead, this is a massive PSYOP cooked up between the President and the Supreme Leader to shut down the Zionists, Saudi Arabia, and US neo-cons, enable the President to leave the Middle East as he promised during the campaign, and ultimately terminate the Zionist state and restore Palestine to the Palestinians. I am not discounting the possibility that the President has taken his Wrestlemania show international, read the below review for perspective on that possibility.*

Below is an alleged photo of Soleimani with US Troops in Iraq. I am not convinced. They all look Iraqi to me, with the one exception being the individual on the left. What I do believe is that ISIS and all the so-called terror groups we have been fighting were created by Saudi Arabia, Israel, and the CIA with Pentagon equipment and re-supply under the Obama Administration, and there is a certain elegance to President Donald Trump and trusted US military opening channels to Iran generally and Soleimani specifically.

I think the truth lies somewhere between 2 and 3. I also believe that there are negotiations going on right now over the US withdrawal from Iraq and the US has no alternative but to comply. There may be interesting global financial changes between now and 15 January that will allow Iraq to “pay” something toward the U.S. exit (never mind that we invaded and occupied their country on the basis of 935 lies) allow President Trump to claim victory on all fronts.

I have been told by multiple sources that Iran will not seek blood revenge if the President fires Esper, Pompeo, and Haspel, pulls out of Iraq and Syria, and makes the deal on Palestine. That will be Qassem Soleimani’s epitaph — he died that Palestine might live again.”

.....

The above information is both stunning and a shocking revelation in the events that raise many questions. When I went to bed Monday night my mind was trying to understand what it all meant, its implications for conflict in the days and weeks ahead, and how President Trump’s Chabad Jewish religious faith will impact all of us. Furthermore, what does this all mean for the Jared Kushner peace plan?

This new information above perhaps is the most significant in the ongoing threats and rhetoric between Iran and Israel. What I have shared here adds another dimension to the overarching issue of the Rothschild plan to control the world from Israel.

WHAT THE EMPIRE WANTS, THE EMPIRE GETS!

The Kasher Nostra claims another victim. The Zionist Deep State orchestrated it and its loyal client state carried out the drone assassination. This criminal act had nothing to do with U.S. security or preventing "terrorism," much less international law. This was murder in the service of Israel's hegemonic imperialism in the Middle East.

If ever proof were needed that the U.S. is a Zionist slave state as well as Israel's willing executioner, this is it. The premeditated assassination of Soleimani had to be approved at the presidential level because neither the CIA nor the Pentagon has the authority to murder someone of Soleimani's stature on its own. In short, Trump committed a crime because it is what his Zionist masters wanted. In fact, Israel was given advanced notice of when the attack would happen; neither the U.S. Congress nor NATO was afforded any such courtesy.

"Iran is caricatured as a rogue state that threatens to use weapons of mass destruction against Israel, and the libel is regurgitated *ad infinitum* in the style of the repetition-equals-reality propaganda tactic used against Saddam Hussein . . . [However,] Shai Feldman, director of Brandeis University's Crown Center for Middle East Studies, said many Israeli analysts do not believe that Iran poses an 'existential threat.' On the contrary, they see Iran as a risk-averse country that is well aware of Israel's second-strike capability:

*It's not that the day after Iran gets the nuclear bomb they drop it on Tel-Aviv. It is rather, the many "general geopolitical implications" of a nuclear Iran that concern Israel. **One** is that it would lead other countries [in the region] to follow suit [with their own nuclear arms programs]. **Two** is that an Iran equipped with nuclear weapons would throw its weight around the region to a much greater extent than is currently the case.*

"In other words, the 'threat' that Iran poses is **political**, not **military**, and is explicable only in the broader context of Israel's repression of the Palestinians and need for regional domination. Israel, therefore, wants to attack Iran sooner rather than later because a nuclear Iran would destroy Israel's nuclear monopoly, be an inspiration to the rest of the Muslim world, and prevent Israel and the junta from 'transforming' the Middle East to their liking. In short, a nuclear Iran would be a force for peace and stability, and Israel cannot allow that to happen."

What is essential to anyone wanting to understand the issue of the Middle East is the fact that Israel is a "nuclear" power. Israel has the potential to destroy Iran four times over. The world class journalist, Seymour Hersh wrote '*The Samson Option*' in 1991. Today, estimates of the Israeli nuclear arsenal range from a minimum of 300 to a maximum of about 500. Whatever the number, there is little doubt that Israeli nukes are among the world's most sophisticated, largely designed for "war fighting" in the Middle East. A staple of the Israeli nuclear arsenal are "neutron bombs," miniaturized thermonuclear bombs designed to maximize deadly gamma radiation while minimizing blast effects and long term radiation - in essence designed to kill people while leaving property intact. Weapons include ballistic missiles and bombers capable of reaching Moscow, cruise missiles, land mines (In the 1980s Israel planted nuclear land mines along the Golan Heights, and artillery shells with a range of 45 miles.

In June, 2000 an Israeli submarine launched a cruise missile which hit a target 950 miles away, making Israel only the third nation after the U.S. and Russia with that capability. Israel has 6 of the “Dolphin” class of these virtually impregnable submarines, each carrying 4 cruise missiles.

The bombs themselves range in size from “city busters” larger than the Hiroshima Bomb to tactical mini nukes. The Israeli arsenal of weapons of mass destruction clearly dwarfs the actual or potential arsenals of all other Middle Eastern states combined, and is vastly greater than any conceivable need for “deterrence.”

Israel also possesses a comprehensive arsenal of chemical and biological weapons. According to the *‘Sunday Times’*, Israel has produced both chemical and biological weapons, with a sophisticated delivery system.

In popular imagination, the Israeli bomb is a “weapon of last resort,” to be used only at the last minute to avoid annihilation, and many well-intentioned but misled supporters of Israel still believe that to be the case. Whatever truth this formulation may have had in the minds of the early Israeli nuclear strategists, today the Israeli nuclear arsenal is inextricably linked to and integrated with overall Israeli military and political strategy. As Seymour Hersh says in classic understatement; *“The Samson Option is no longer the only nuclear option available to Israel.”* Israel has made countless veiled nuclear threats against the Arab nations and against the Soviet Union (and by extension Russia since the end of the Cold War) one chilling example comes from Ariel Sharon, the late Israeli Prime Minister

“Arabs may have the oil, but we have the matches.”

Since the late 1960s, every Israeli government has practiced a policy of nuclear opacity that, while acknowledging that Israel maintains the option of building nuclear weapons, leaves it factually uncertain as to whether Israel actually possesses nuclear weapons and if so at what operational status. Since the mid-1960s, this policy has been publicly expressed—and recently reaffirmed by Prime Minister Benjamin Netanyahu—as the phrase *“We won’t be the first to introduce nuclear weapons into the Middle East”*

Officially, Israel has never denied or confirmed the existence of its nuclear program. Some analysts believe that Israel sticks to a policy of deliberate ambiguity concerning its nuclear capabilities. Then a few days ago Benjamin Netanyahu made a slip of the tongue.

Prime Minister Benjamin Netanyahu accidentally misspoke and called Israel a “nuclear power” during a cabinet meeting on Sunday, January 5, 2020, but immediately corrected himself to “energy power”. Mr. Netanyahu was talking about a deal that his country signed with Greece and Cyprus.

It’s not as if Israel can’t defend itself against Iran. To the contrary, Israel may be a David against Goliath, but it is the fourth or fifth most powerful military in the world when it comes to weaponry. When Seymour Hersh wrote his book in 1991, he had access to sources and

information which suggested Israel was capable of executing a “Sampson Option.” In recent years reports surfaced that Israel could precipitate a nuclear strike in which the super powers would even destroy each other. In 2019 there were reports that Israeli embassies around the world contained nuclear weapons that could be detonated in the event of an extinction-level event.

As the media got wind of this report, the Secretary of State, Mike Pompeo and Secretary of Defense, Mark Esper gave press briefings earlier in the day. Tuesday, January 7th, the official D.C. narrative began to break down and unravel like a cheap suit. Gordon Duff of the web site Veterans Today issued a detailed report on what went down outside of the Baghdad Airport. Important sections of his report appears below:

By Gordon Duff, Senior Editor

“Now we are going to look at why hiding the truth, building a narrative out of utter lies and abandoning the last remaining American ideals has come to bite us all in the ass.

Iraqi Prime Minister Adil Abdul-Mahdi now looks like a potential Judas Goat in the murder of Soleimani. It was Mahdi that took the call from Trump, a call that was made after the “kill decision” was made by Trump, Pompeo, and Esper. What did Mahdi know? Right now, he looks as guilty as the others unless he gives us more detail. Tick tock.

*We also know that the claim Saudi Arabia or Israel were involved is false as well. We also know that Pompeo has been feeding Trump totally fabricated intel on Soleimani for more than 3 months, plotting this murder on behalf of Pompeo’s Deep State partners, not “handlers.” Pompeo, you see, is **a full partner.***

What we will examine is to what extent Trump’s ignorance made him a patsy.

Trump and Iran are negotiating through Russian intermediaries with meetings inside Syria. Putin’s visit to Damascus may well be part of this. This is a fact, live with it.

Mike Pompeo is responsible personally for the assassination of Soleimani, who was next in line for Iran’s presidency and on a diplomatic mission to Iraq.

Trump’s only hope of surviving the “set up” is to destroy Pompeo and Esper, to leave them in history’s scrap heap with Benedict Arnold and George W. Bush.

Soleimani is a complex guy but calling him “loved” across most of the Islamic world and admired elsewhere is an understatement. This is the consummate “poet-priest-warrior,” the antithesis of Pompeo and Esper, consummate “REMF fat-asses.”

We conclude that Pompeo, Esper, and others began this plot, against the United States, months ago, planning this killing.

There is a long history here. During the “W” regime, a rogue operation inside the Pentagon created a secondary unconstitutional command structure that would continue to operate outside oversight by the government, controlled as though it were a band of pirates or mercenary contractors.

Under a new iteration of JSOC, a group of generals and admirals infiltrated America’s nuclear command, America’s 5th Fleet operations group and took control of many, if not most, special operations groups.

Financing them was the Afghan drug trade, which they managed.

Their primary task was war with Iran and eventually nuclear Armageddon. (See Addendum II) From VT, 2011:”

This brings us back to Trump, a man who knows nothing of the history he has inherited, surrounded by those who know even less. This is why it was easy to sucker Trump into taking a personal role in the murder of a foreign diplomat inside a tinderbox of vital American ally’s territory.

Trump was pulled into setting Soleimani up through a phone call to the Iraqi Prime Minister, Mahdi, inviting Soleimani to receive an American diplomatic note.

This is something Trump would have avoided, it makes him look weak, sniveling and cowardly. This was the purpose of the whole thing.

We also know that Pompeo had been feeding Trump fabricated “intel” on Soleimani for months.

What’s their game, Pompeo and Esper and those behind them? For certain, they are part of a group in Washington threatened by Trump, whose overt loyalties are the Kosher Nostra and his gangster friends. Who would have thought that “the mob” would be less a threat to America than those who planned and executed 9/11?

Soleimani arrived on a commercial flight into a public airport and had normal diplomatic security when the US military attacked him. He was listed as a passenger on the flight, so no secret Mossad intercepts here. He was a diplomat.

The tall people with M-16s are American, not “Iraqi SWAT”

There were questions about the photo on page 3, stating that the Americans were actually Iraqi Special Operations Forces.

.....

We are now just learning that in the Obama Iran Nuclear deal President Obama gave citizenship to 2,500 Iranians, one of which was the daughter of General Soleimani. Mike Adams posted a report January 8th, 2019, which states:

“As tensions ramp up (anew) between the United States and Iran following President Trump’s decision to take out Tehran’s terrorist mastermind, Al-Quds Force leader Major-General Qasem Soleimani, its worth remembering all of the things President Obama did to empower that regime at the expense of American security.

Not only was the so-called “nuclear deal” a sham that temporarily postponed Iran’s atomic weapons development, but Obama and his chief deputy on the deal, Secretary of State, John Kerry, enriched the Iranians and, likely, put Americans at great risk.

One of the concerns following the targeting of Soleimani by critics (and some allies) of the president is that the Iranians will retaliate for it at a time and place of their choosing.”

Writing for ‘Natural News’ this week, founder and editor, Mike Adams, claimed that Tehran could soon activate “sleeper cells” its proxies have placed inside the U.S. long ago:

“...Islamic terrorist networks have been in place for years. What most Americans don’t yet fully realize is that Barack Obama helped fund these terror networks through a complex international money laundering scheme that delivered over \$150 billion to Iran during the Obama administration. At least \$1 billion went to fund Iran’s nuclear weapons program, with full knowledge from Obama. (Obama also helped Iran capture a U.S. drone and two Navy boats in order to give Iran U.S. military encryption technology.)”

As a result, radical Islamic terror cells have a pervasive presence in New York, Boston, Seattle, San Francisco, Orlando, Tucson and many other cities.

He’s not alone in that concern. Writing in ‘The Federalist’, Todd Bensman noted that it’s more likely any Iranian ‘revenge’ attacks won’t come from overseas against American military bases and U.S. warships, but against American citizens here at home. Remember to thank Barak Hussein Obama for his treasonous actions. The Iran P5+1 peace deal was much worse than anyone could imagine. President Trump’s actions to terminate the deal [which had never been ratified by the U.S. Senate] one day, when all the details are known, will be acclaimed a victory for the President. **Of the many things President Obama did for Iran would be described only one way - treasonous. He colluded to sell Iran 40-45 nuclear weapons. 40-45 nukes were sold to 8 different Sunni kingdoms as part of the Iranian nuclear deal. These are the same people who want to take President Donald Trump down. This is not about Iran — this is about a small group of individuals with nuclear launch codes across entire regions.**

Major-General Soleimani was about to use one or more of those nuclear weapons against U.S. assets, and from the sources, there was a lot of warning to suggest the President himself was about to be a target or victim of one of the nukes that were sold to Iran. **Soleimani was taken**

out for what he was about to start. Soleimani and those involved were using encrypted “Blackberries” to communicate with each other. He was working with John Brennan of the CIA, in an attempt to assassinate the President. On Wednesday at 11:00 AM, President Trump gave an address on the night before, Tuesday night’s rocket attacks on the Iraqi barracks. This is not a situation of nation against nation, i.e., Iran against the U.S. This is much more concentrated than that. It is a small group of rogue people within various countries. This deal was about weapons, missiles and the sale of nuclear technology to Iran. The deal involved President Obama’s Treasury Secretary, Jack Lew and CIA Director, John Brennan. Senator, Ted Cruz said on TV Monday, that it was Obama’s (without mentioning Obama by name) gifts to Iran that was about to come back on the U.S. This tight-knit group used encrypted “Blackberries” to communicate with each other. I remind you that it was Hillary Clinton who communicated with her “Blackberry” phone to those running weapons through the State Department.

Do not lose sight of the fact that President Obama was and is a Muslim. His CIA Director, John Brennan was a convert to Islam many years ago when he was assigned to Saudi Arabia as CIA agent in charge. As the facts come out about the Obama P5+1 Iran nuclear treaty we can see their loyalty was not to the U.S., but rather to Iran.

The ‘Intrepid Report’ of August 19, 2015 reported:

“The tell-tale signs were always there. When John Owen Brennan, who had served as Barack Obama’s deputy national security adviser was sworn in to head the Central Intelligence Agency, the Jesuit-educated former CIA officer opted to take the oath on a copy of the U.S. Constitution, not on the bible as every past CIA director, Christian and Jewish, had done. Brennan is also the highest-ranking U.S. official to have ever visited the Islamic holy city of Mecca, a privilege reserved only for pious Muslims and special guests of the Saudi King, who also serves as the “Guardian of the Two Shrines of Mecca and Medina.”

Brennan served as the CIA’s station chief in Riyadh in the mid-1990s and in 1999, he worked himself up to the position of chief of staff to CIA director George Tenet. Obama wanted to appoint Brennan CIA director in 2009, but there was internal CIA and congressional opposition to his nomination. The reasons for the nomination were said to be Brennan’s involvement in “enhanced interrogation” techniques used against detainees after 9/11, but the actual reasons for the initial opposition remains unclear to this day. However, when the Senate voted to confirm Brennan in 2013, 34 senators voted no. They included Rand Paul (R-KY), who attempted to filibuster the confirmation vote; Ted Cruz (R-TX); Charles Grassley (R-IA); Patrick Leahy (D-VT); Mike Lee (R-UT); Jeff Merkley (D-OR); Bernie Sanders (D-VT); and Richard Shelby (R-AL). Barbara Boxer (D-CA) did not vote. What did these senators actually know about Brennan, especially the Democrats, who decided Brennan was not fit for the job?

It is known that Brennan, both at the National Security Council and at the CIA, has forbid the use of the term “jihadist” to describe Islamist terrorists. He prefers the term “extremists.” There is now ample evidence to suggest that Brennan himself converted to Wahhabist Islam and considers himself a “jihadist,” or “holy warrior.”

*The recent revelation by retired Lieutenant General Michael Flynn, the former head of the Defense Intelligence Agency (DIA), that the Obama administration, including Brennan at the CIA, ignored the threat of the rise of the Islamic State of Iraq and the Levant (ISIL), provides yet further proof that a Saudi and Wahhabist “Manchurian Candidate” now occupies the director’s chair on the seventh floor of the CIA headquarters in Langley, Virginia. Flynn said that the White House and supporters of the Syrian rebellion against Syrian President Bashar al-Assad ignored the DIA’s SECRET report from August 2012 on the rise of the Islamist caliphate in Syria and Iraq and **did nothing to stop it**. Flynn made his accusations to Al Jazeera, which attempted to throw cold water on Flynn’s notion that **the U.S. was responsible for the rise of ISIL** and disputed Flynn’s statement that it was the U.S. that funneled arms to Salafists, the Muslim Brotherhood, and Al Qaeda in Iraq. Al Jazeera, funded by the Qatar government, has hired a number of Muslim Brotherhood members for its news crews and editorial staffs.*

Brennan has shuttled frequently between Langley, Jerusalem, and Riyadh to coordinate arms transfers and other logistical support to ISIL and their allied fighters in Syria and Iraq. WMR has frequently reported on witnesses in Syria, the Golan Heights, Iraq’s Anbar province, and Iraqi Kurdistan to have seen CIA and Israeli Mossad commandos transferring weapons to ISIL and affiliated forces.

A few weeks before the Senate voted to confirm Brennan as CIA director, former FBI agent John Guandolo revealed that Brennan had, indeed, converted to Wahhabist Islam while he was CIA station chief in Riyadh. Guandolo quoted Brennan as having said that he “marveled at the majesty of the Hajj.” The Hajj is the Muslim pilgrimage to Mecca and is reserved only for devout Muslims. Guandolo was quoted as telling a radio interviewer, “Mr. Brennan did convert to Islam when he served in an official capacity on the behalf of the United States in Saudi Arabia.” A website that is known to be financed by the CIA and George Soros, Snopes.com, attacked the notion that Brennan is a Wahhabist and ignored the controversy completely. The similarly CIA- and Soros-influenced Wikipedia completely ignored the controversy.

One of Brennan’s chief lieutenants at the CIA, the agency’s chief of the Counter-Terrorism Center (CTC), known only as “Roger,” did convert to Sunni Islam. This fact was reported by The Washington Post. “Roger’s” career at the CIA started about the same time that Brennan joined the agency. “Roger,” whose real name is Michael A. D’Andrea or “Mike”, joined in 1979, Brennan in 1980. Both became fluent in Arabic. D’Andrea’s CIA nickname was “The Wolf.”

During the Cold War, the CIS funded the establishment of a Muslim Brotherhood operating cell in Munich called the Munich Islamic Center. The center recruited Turkish Muslim CIA operatives from Germany’s Turkish “guest worker” community. These Turks were also ardent pan-Turkic nationalists whose symbol is the wolf. The Grey Wolves of Turkey, a right-wing group, were behind the 1981 attempt to assassinate Pope John Paul II in Vatican City in a false flag operation designed to blame the Soviet Union and Bulgaria for the attack. One of the Munich Center’s chief CIA operatives was Muhammad Abdel Karim Grimm, a German Christian convert to Salafist Islam.

Another convert to Islam who rose in the ranks of the CIA is Andrew Warren. In 2008, Warren, the CIA's station chief in Algiers, was ordered home by the ambassador after he was charged with drugging two Algerian Muslim women, having non-consensual sex with them, and filming the alleged rapes. Before 9/11, Warren, who speaks six Arabic dialects and Persian, left the CIA and took a job with Citigroup in New York but quickly returned to the CIA after the attack. In 2010, Warren received a 65-month prison sentence for "abusive sexual conduct" while in Algiers and unlawful use of cocaine while possessing a firearm in Norfolk. He pleaded guilty to the two charges but prosecutors decided not to charge Warren with rape, which would have carried a life sentence. The sentence was two more years than requested by federal prosecutors.

WMR learned from a well-placed U.S. intelligence source that Rolling Stone journalist Michael Hastings was working on a story about Warren and Brennan before he died in a suspicious fiery auto crash in Beverly Hills, California, in June 2013, a little over three months after Brennan became CIA director. The perennially-suspect Wikipedia incorrectly lists Warren's religion as "Christian."

What is alarming is that while President Obama is trying to get congressional approval for the P5+1 nuclear pact with Iran, a pro-Saudi Wahhabist cell within the CIA, that is working with Israel's powerful lobby in Washington, could not only be trying to sabotage the Iran deal but are working together to provide U.S. military and other aid to ISIL."

Many sources believe that the Democrats in the House of Representatives have waged their hopeless efforts to have President Trump removed from office, and read this close, "to block efforts of bringing to justice Barack Obama, Joe Biden, Hillary Clinton, John Kerry, John Brennan, Robert Mueller, James Comey, James Clapper, and others lower down on the food chain. During their eight years in control of the office of the presidency, they facilitated crimes of treason, weapons sales, and sale of 20% of U.S. uranium to Russia. At this point in the Democrats efforts to impeach, they have nothing, no evidence to bring President Trump to trial in the Senate, and yet senile Nancy Pelosi can't make up her mind to present bills of impeachment of the President. IT IS ALL POLITICAL THEATER TO DELAY AND DELAY, HOPING THEY CAN RIG THE 2020 ELECTION SUCH THAT THEIR CANDIDATE CAN RETAKE THE PRESIDENCY!

General Soleimani was taken out by a U.S. Air Force missile to prevent him from getting and using the launch code to one or more of the nuclear war heads - missiles that President Obama had sold to sources in the region. The general was slated to meet with those who were about to turn over "Blackberries" containing the launch codes for those nuclear weapons. This news is increasing the speculation that Soleimani, who was known to act on his own initiatives, and who was being seen as a possible future dictator-in-waiting for Tehran, was betrayed to American intelligence by his own colleagues within the regime, who feared that he would deprive them of their power and privileges.

Additionally, information has surfaced that Soleimani, who had been personally leading the repression against the popular uprising in Iraq since October, had been planning a coup d'état

in Baghdad that would have resulted in the assassination of the Iraqi president, and the seizing of the American embassy there. President Trump in a FOX interview with Laura Ingraham on Friday, January 10th, 2020, released a bit more on the reason for the assassination of Major-General Qassem Soleimani, but held back on all the facts.

Ian Bremmer, *'Time'* magazine's at-large editor, is no fan of the Trump administration, but his take on how the president has handled the Iran situation should anger liberals. He called it a win for the White House. Last week, President Trump killed Iranian Major-General Qassem Soleimani near Baghdad International Airport. He was BBQ'd by a drone strike. Soleimani was a top terrorist. As the head of Quds Force, he was the region's grim reaper. It's a good thing that he's dead, but liberals went nuts, saying how this move could lead to World War III. That nonsense was amplified when Iran launched a missile attack against our forces last night in Iraq. Early detection allowed our troops to take cover. There were no casualties, and this move was seen as a way for Iran to save face. They're standing down. There is no war. And Soleimani is still dead. Trump won. Bremmer noted that Iran is weaker than it was when Trump assumed office. He also said that the Soleimani strike allowed for red lines and deterrence to be re-established, adding that the window for diplomacy is open again.

How Obama Secretly Gave Iran Access to Billions of Dollars — and Enabled Terrorism

02:38 AM ET 06/08/2018

One of the linchpins of former President Obama's nuclear deal with Iran was that it would be accompanied by a near-ban on Iran having any access to the U.S. banking system. A new congressional report says that, too, was a lie.

Obama and his officials at the Treasury Department and State Department were clear: They would work assiduously to freeze out Iran from getting dollars to fund its mischief and mayhem around the world.

The *'Associated Press'* puts it this way: "As the Treasury and State Department worked behind the scenes to help Iran access the dollars, the message to Congress remained the same: The JCPOA (Joint Comprehensive Plan of Action) did not allow Iran to access the U.S. financial system."

Obama sent a clear message to Congress: If you don't block this nuclear deal, we will bar Iran's access to our financial system. The deal was clear, unequivocal.

It was also a lie. Obama lied, and so did others in his administration.

That's the conclusion of a report by the Senate Permanent Subcommittee on Investigations. It alleges Obama officials pushed the U.S. Treasury to let Iran convert the equivalent of \$5.7 billion of funds held in Oman's Bank of Muscat from rials into dollars and subsequently into euros.

It required a special license by the U.S. Treasury, which was granted in February of 2016. But it was never disclosed, either to Congress or the American people.

OK, you say, \$5.7 billion. What is that, when big economies like the U.S., Britain, Germany and France have economies trillions of dollars in size?

Apart from the lie, which is bad enough for an administration that claimed repeatedly to be "scandal-free," this money did not have innocuous uses. Far from it! It would be used directly against U.S. assets, allies, force personnel.

Our own State Department characterizes Iran as the No. 1 terrorist-supporting state on Earth. Every dollar it gets from us has an ultimate use that is highly questionable, which is the reason why the U.S. imposed sanctions in the first place.

In February of this year, the *'Washington Times'* national security correspondent, Bill Gertz reported that some of the \$1.7 billion that the Obama administration officially handed over to the Iranians had ended up in the hands of terrorist groups. Those terrorist groups included Hezbollah, the Houthi rebels in Yemen, and Iran's own Quds Force, the dirty tricks and terror branch of the Islamic Revolutionary Guards Corps.

No one knows how much of the \$5.7 billion that Obama allowed Iran to access also went to terrorist activities. Or, for that matter, how much went to further research activity on Iran's nuclear bomb project. That awaits a later investigation.

But it's important to note that the Iran nuclear deal also removed some \$100 billion in sanctions on Iran. This made Iran once again a big player in the Mideast. It's almost certain that a good chunk of that money went to the Islamic Revolutionary Guards, which by some accounts control as much as 40% of Iran's economy.

It's clear from the Obama administration's actions, under both his Secretaries of State, Hillary Clinton and John Kerry that the Obama White House despised Israel and did all they could to undermine its security. How else can you explain the enabling of a terrorist-supporting regime?

The Obama administration failed to enforce its own "red line" in Syria on chemical weapons. By doing so, it, in effect, invited both Russia and Iran into that disintegrating country. Iranian troops today are within striking distance of our one true ally in the region, Israel.

The disintegration of Libya, the collapse of Egypt, and Turkey's embrace of radical Islam, all took place under Obama's watch. None of them were in the U.S.' best interests.

The Mideast has been a mess for decades, but things got markedly worse under Obama. A big reason is the Iran nuclear deal didn't make anyone in the Mideast, Europe or the U.S. safer. But it did empower the terrorist-supporting mullahs in Tehran.

The mullahs are now funding terrorism on Israel's border. They're biding their time until they can get another anti-Israel president in the White House. Mullahs with a nuclear weapon will be a nightmare. President Trump has a big job still ahead of him, but in his three years in office he has undone much of Obama's damage.

All of this because the Obama administration signed a deal that not only didn't end Tehran's nuclear program, but merely postponed it for a decade, all while doing nothing about its terrorist activities. Now, we find that Obama also helped finance that.

Paying to support terrorism, and not telling the American people about it! Do you still think the Obama administration was "scandal-free"?

There is so much more to this story, some that is best not revealed at this time. It took me a day to sort out the chaff, stories and rumors intended to throw us off the track regarding why. Sec. of State, Mike Pompeo and Sec. of Defense, Mark Esper were labeled as rebels in the administration, acting on behalf of Israel. Gordon Duff of VT [Veteran's Today] said Pompeo and Esper set Trump up, and Robert David Steele of the Public Intelligence Blog said much the same thing.

"The President needs to fire the two. Trump and Iran are negotiating through Russian intermediaries with meetings inside Syria. Putin's visit to Damascus may well be part of this. This is a fact. Live with it.

Mike Pompeo is personally responsible for the assassination of Soleimani, who was next in line for Iran's presidency and on a diplomatic mission to Iraq.

Trump's only hope of surviving the "set up" is to destroy Pompeo and Esper, to leave them in history's scrap heap with Benedict Arnold and George W. Bush."

It came as a surprise to me yesterday to find out that one of those 2,500 Iranians Obama gave citizenship to, was Soleimani's 28-year old daughter, Zeinab Soleimani. However, her remarks following the funeral did not come as any surprise: *"The families of the American soldiers in western Asia ... will spend their days waiting for the death of their children,"* she said to cheers from the crowd.

Also part of the Iran P5+1 nuclear deal, President Obama gave amnesty to General Qassem Soleimani and at least a half-dozen leaders of the Iranian Revolutionary Guard as well. All of this shared here tells us why Adam Schiff, Nancy Pelosi, Jerry Nadler, and the House Democrats are working relentless to remove President Trump from office. They have personally gained financially for their keeping the drug cartels in the smuggling business at our southern border with Mexico. They will all go to prison for life in what they were involved in for the past ten or eleven years. Ben Ghazi was all about illegal weapons sales and trafficking in those countries

where they were doing regime changes. Hillary Clinton as Secretary of State was facilitating weapons sales to the Ukraine and other Muslim states in the region.

Obama administration acknowledges \$1.7B transfer to Iran was all cash

Comment / Share / Tweet / Stumble / Email

WASHINGTON D.C. -- The Obama administration is acknowledging its transfer of \$1.7 billion to Iran earlier this year was made entirely in cash, using non-U.S. currency.

A Treasury spokeswoman says the cash payments were necessary because of the "effectiveness of U.S. and international sanctions," which isolated Iran from the international finance system.

The \$1.7 billion was the settlement of a decades-old arbitration claim between the U.S. and Iran.

An initial \$400 million cash delivery was sent Jan. 17, the same day Tehran agreed to release four American prisoners.

The Obama administration had claimed the events were separate, but recently acknowledged the cash was used as leverage until the Americans were allowed to leave Iran.

The remaining \$1.3 billion represented estimated interest on the Iranian cash the U.S. had held since the 1970s.

WORLD'S WORST NEGOTIATORS
OBAMA GIVES \$400 MILLION TO IRAN

"THANKS!"

The well-defined lack of love for Christians and America by Muslims overshadows a much more insidious plot to destroy Christianity around the world from the world's Zionist Chabad and its more subtle plan. You will need to understand what I am referring to here, it is a parallel plot to control the world! I will address this in additional segments to follow.

In summary, I will present some added thoughts to think about in the aftermath of what has been a very confusing series of events. With the downing of a Ukrainian Air flight 752, a Boeing 737-800 with 167 passengers and 9 crew members, Iran is playing their own game of chess.

- The plane was shot down by 2 Iranian SAM missiles, thought to be an American fighter-bomber by Iranian anti-aircraft missile batteries. The missile battery likely thought the commercial airliner was an American fighter bomber aircraft. Photos of the missile motors at the debris site confirm they were Iranian in origin and are on page 18. The area where the plane was shot down is just northwest of Tehran near its northwestern border with Iraq and Turkey. The Ukraine International Airlines flight PS752 to Kyiv went down just minutes after taking off from Tehran's airport at 06:12 AM local time (02:42 GMT). The majority of passengers were from Iran and Canada. Ukraine's Tehran embassy initially blamed engine failure but later removed the statement. A video taken by an Iranian worker driving to work confirms the shoot down by a Iranian missile SAM, tracked from launch to impact with the commercial aircraft to the point of exploding when hitting the ground.

Above: Missile war head at crash site and picture of similar missile in a missile battery launcher. The missile's launch motor canister bore Iranian markings as well.

On Friday it was reported that the Iranian regime picked the site clean of virtually all pieces of the plane. And the crash site was not cordoned off. The UK Iranian Ambassador was OUTRAGED after Iran was accused of bulldozing the crash site — then photos were posted online of Iran bulldozing crash site picking it clean.

According to reports, SIX of the victims were NUCLEAR SCIENTISTS, visiting IRAN. All at the same time on the same plane! What are the chances that it's coincidence? It's horrible about the collateral people killed. But it really is highly unlikely that this was an accident. Iran would never want to let their nuclear scientists fall into the hands of Western intelligence. If Iran discovered some were trying to leave on that plane they probably wouldn't care about the collateral damage.

The wreckage had hardly stopped bouncing when Iran blamed mechanical failure. This excuse was made without benefit of investigation or even access to the 'black boxes' which Iran initially refused to turn over. Iran is a fervently Shiite Islamic Republic with a 98% Muslim population and 89% of those Muslims identifying as Shiite according to the CIA World Factbook. "Twelver" Shiism is the largest branch of Shiite Islam, with about 85% of Shiites adhering to the belief in the 12th Imam. Ayatollah Ruhollah Khomeini, the father of the Islamic Revolution in Iran, was a "Twelver."

Now, what does this mean? They believe that a series of Imams was appointed to carry on the Prophet Muhammad's message and that these Imam rank above all other prophets except for Muhammad himself. The 12th, Muhammad al-Mahdi, is believed by these Shiites to have been

born in present-day Iraq in 869 A.D. and never to have died, only gone into hiding. “Twelvers” —not other Shiites or Sunni Muslims—believe that al-Mahdi will return as a messiah with Jesus to bring peace to the world and establish Islam as the ruling faith across the globe.

What about the apocalyptic catch? The Mahdi is expected to appear when the world is wracked by utter chaos and war. Many Sunnis also believe that the Mahdi will come in such a judgment day scenario, but believe that he has not been born yet.

Then overnight Wednesday, Iran had two earthquakes of 5.9 and 6.1 near their nuclear reactor at Bushehr. The earthquakes struck Iran close to the Bushehr nuclear power plant Wednesday morning, during a tumultuous day for Iranian government leaders.

That Washington was abuzz Wednesday and Thursday over the strange series of events is still experiencing reverberations around the world. Iran notified Washington that it was going to retaliate with a rocket attack on U.S. facilities in Baghdad, as a face-saving measure following the assassination of General Soleimani, and the U.S. rapid deployment of military forces to Kuwait in the region. President Trump in his press briefing the next day said that Iran had “stood down” meaning that it did not want to confront the U.S. in a war. The President’s appearance seemed to have been tired and strained, suggesting that he had been up overnight.

What we do not have confirmed is the source of the intelligence information that precipitated the luring out of Iran of General Soleimani to Baghdad. He arrived on a commercial flight so as to maintain a low profile visit. The suspicion is that local intelligence sources alerted Israeli and/or U.S. intelligence, perhaps even Iranian spies, that the General was planning attacks using some of those nuclear weapons that were illegally sold by President Obama in his “cash” gift to Iran during his presidency. The targets suggested were U.S. bases in the region, of which the U.S. has 45 military installations surrounding Iran. We can only speculate which targets in Israel might have been included in this planned forthcoming attack since one can count them on their hands.

Do not expect the President to reveal much more at this point, especially with the coming 2020 election. I believe that from all that is known, President Trump has more than enough evidence to arrest former President Obama, V.P. Joe Biden, and two former Secretaries of State, John Kerry and Hillary Clinton. This would also include John Brennan, Muslim and former CIA Director. The evidence of treasonous activities has been established by several sources but is unlikely to be announced before the November election in order not to disrupt the election. The fireworks are not likely to begin before late January of 2021. The polarization that exists in the U.S. political system is problematic given the implications of arrest and prosecution of the nation’s only “black” president, or should we say only “Muslim” president.

Now, where does Israel stand in all this over the next twelve months? Not very good in my opinion! Bible prophecy suggests to us that the Gog-Magog war will begin in the near immediate future, sooner than later. In light of what was revealed in the intelligence that brought the assassination of Major-General Qassem Soleimani, I am not anticipating any sign of

peace or reconciliation talks. The seriousness is sharply amplified by Soleimani's being taken out this quick. All of the information, limited as it is, suggests that Iran is getting anxious about launching an attack to destroy Israel. We know that they have possession of nuclear weapons, both those acquired by the Iranian deal made by President Obama, and those acquired from North Korea.

Back in October and November of 2002, DEBKA-Net-Weekly 82 and 85 exposed the lively Iranian-North Korean nuclear relationship that gave both members of the "axis of evil" atomic bomb-building capability. But while Washington was prepared to corroborate the estimates of DEBKA-Net-Weekly's experts - that North Korean leader Kim Jong-Il (the father of the current dictator) is in the process of building four to six new nuclear bombs, in addition to the two to four already in hand - weapons he was offering to the highest bidder on the international market - the Iranian bomb might as well not exist for all the acknowledgement coming out of Washington.

This coming year will prove to be critical for Israel in that President Trump will not want to risk doing anything that would hurt his re-election chances come November. Should Iran do anything to shut down the access to the Straits of Hormuz, the price of gas at the pump will go through the roof for the U.S. driving public. 1/3rd of the world's oil and gas passes through that narrow 21-mile wide Strait of Hormuz. It matters not that the U.S. is the world's number one producer of oil. If the Straits are shutdown, the market dictates prices world-wide. Anyone involved in the export of oil or gas fears the cost of insurance on maritime vessels in a war zone. Insurance on an ocean tanker during normal times is around \$3,000 a day and during hostilities it has reached as high as \$50,000 a day in the past.

Then there is the apocalyptic catch alluded to before. The Mahdi is expected to appear when the world is wracked by utter chaos and war. Many Sunnis also believe that the Mahdi will come in such a judgment day scenario, but believe that he has not been born yet.

The region awaits the fulfillment of Isaiah 17:1-4, Ezekiel 38/39, Jeremiah 49-51, and Psalm 83. Bill Salus states that things will not go well for Iran based upon his analysis of Jeremiah 49-51, and all of this effort to destroy Israel. Not everyone agrees with Bill Salus. There is so much in all this that requires examination that precludes anyone from getting it all right. I see as many as a dozen flash points that could precipitate the End of Days!

The Federal Reserve Repo Market has reached \$477-billion dollars for the week of January 10/11th, 2020. This means the Fed has to have \$477-billion dollars to keep banks from going bankrupt. This figure has grown by \$300-billion since before Christmas of 2019. I do believe that the House of Rothschild will have no problem arranging this, and I say that because their grand plan scheme is to replace the Syrian and Iranian state banks with a Rothschild-controlled central bank.

Another factor, not so well-known, that hovers heavily over humanity, behind the scenes in these critical days is that of Albert Pike's "[Three World Wars](#)". When the reigns of the Bavarian

Illuminati under Giuseppe Mazzini were transferred to Freemasonry Grand Master Albert Pike here in the U.S., Pike prepared a plan by which the world would have to go through a series of three world wars before it would be so exhausted and succumb to a global government.

3 World Wars Planned By Illuminati Albert Pike In 1871

Albert Pike's Letter to Giuseppe Mazzini was written in (August 15, 1871).

This letter graphically outlined plans for three world wars that were seen as necessary to bring about the One World Order, and we can marvel at how accurately it has predicted events that have already taken place.

It is a commonly believed fallacy that for a short time, the Pike letter to Mazzini (a 33rd degree Freemason and who founded the Mafia in 1860) was on display in the British Museum Library in London, and it was copied by William Guy Carr, former Intelligence Officer in the Royal Canadian Navy. In Carr's book, *'Satan, Prince of this World,'* Carr includes the following footnote:

"The Keeper of Manuscripts informed the author that this letter is NOT catalogued in the British Museum Library. It seems strange that a man of Cardinal Rodriguez's knowledge should have said that it WAS in 1925". It appears that Carr learned about this letter from Cardinal Caro Rodriguez of Santiago, Chile, who wrote *'The Mystery of Freemasonry Unveiled.'*

Following are extracts of the letter, showing how Three World Wars have been planned for many generations, as far back as the U.S. Civil War era. By the way, none of this is taught in high school history, let alone secular colleges and universities where their students might be required to take a course in world history. In my preparation for seminary, I transferred from a major university to a Christian college which exposed the plans for global government under which the world is being enslaved today!

World War One

"The First World War must be brought about in order to permit the Illuminati to overthrow the power of the Czars in Russia and of making that country a fortress of atheistic Communism.

The divergences caused by the "agentur" (agents) of the Illuminati between the British and Germanic Empires will be used to foment this war.

At the end of the war, Communism will be built and used in order to destroy the other governments and in order to weaken the religions."

Students of history will recognize that the political alliances of England on one side and Germany on the other, forged between 1871 and 1898 by Otto von Bismarck, co-conspirator of Albert Pike, were instrumental in bringing about the First World War.

World War Two

“The Second World War must be fomented by taking advantage of the differences between the Fascists and the political Zionists. This war must be brought about so that Nazism is destroyed and that the political Zionism be strong enough to institute a sovereign state of Israel in Palestine.

During the Second World War, International Communism must become strong enough in order to balance Christendom, which would be then restrained and held in check until the time when we would need it for the final social cataclysm.”

After this Second World War, Communism was made strong enough to begin taking over weaker governments. In 1945, at the Potsdam Conference between Truman, Churchill, and Stalin, a large portion of Europe was simply handed over to Russia, and on the other side of the world, the aftermath of the war with Japan helped to sweep the tide of Communism into China.

Readers who argue that the terms Nazism and Zionism were not known in 1871 should remember that the Illuminati invented both these movements. In addition, Communism as an ideology, and as a coined phrase, originates in France during the French Revolution.

In 1785, the French novelist Nicolas-Edme Restif coined the phrase four years before the revolution broke out. Restif and Babeuf, in turn, were influenced by Rousseau – as was the most famous conspirator of them all, the Jesuit Adam Weishaupt). Restif was a pornographer writer and not as well known in literature.

World War Three

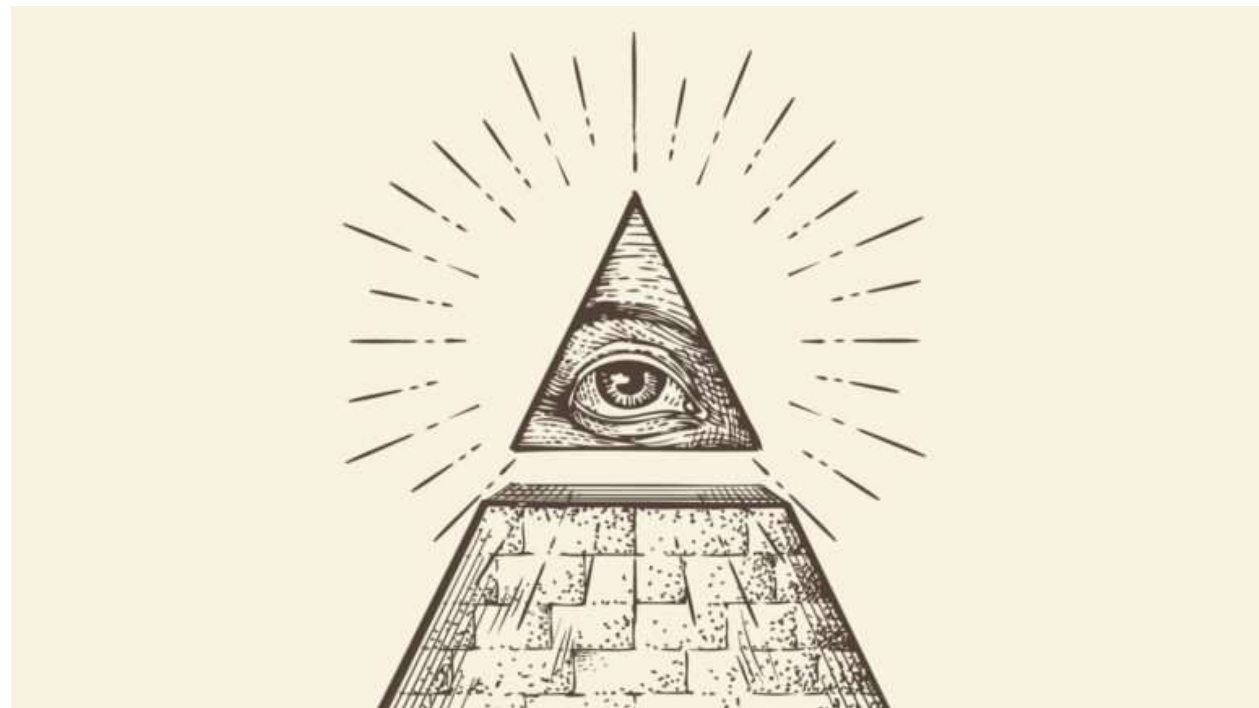

It is this world war that we need to be focusing on being we will be the generation that it engulfs, unless you are a Jesus Christ follower and are taken out in the Rapture.

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. [Actually, it was Christianity and the Christian west, not the State of Israel to be destroyed in this third world war].

[Illuminism is the creation of Adam Weishaupt and the House of Rothschild’s plan to establish a One World Order! Founded May 1st, 1776, it was at the Congress of Wilhelmsbad, at the Rothschild estate in Hanau, Germany where Freemasonry became the Jewish instrument that global government would be brought into being.]

As John Templar said Adam Weishaupt was a Jesuit, but... The Society of Jesus is a crypto-Jew society inside the Catholic Church (How the Kabbalist Jews took over the Roman Catholic Church through the Jesuit Order). Therefore, Weishaupt was a Jew!

Your ability to understand or comprehend this fact will enable you to better understand what I am presenting in this series. There are those today who will tell you that Adam Weishaupt was neither but history tells an entirely different story. Weishaupt and the political movement of the era known as the "Enlightenment" are like a rock thrown into a placid pond. The waves left no one untouched. Even you have the below symbol in your wallet or purse. Take a look at the back of your \$1 bill and see if I am wrong. The "Enlightenment" represented everything anti-the Roman Catholic Church/authority (also known as the Age of Reason or simply the Enlightenment) was an intellectual and philosophical movement that dominated the world of ideas in Europe during the 18th century. The movement emerged out of a European intellectual and scholarly movement known as the Renaissance and humanism. The Enlightenment philosopher Voltaire was one of the most vociferous questioners of Catholic doctrine. Enlightenment philosophers were generally opposed to the Catholic Church and organized religion in general.

The 1782 Congress of Wilhelmsbad: The [Jewish] Illuminati Takeover

by Eric A. Samuelson, J.D., (November, 2006)

"The study of secret organizations in their political application is worthy of most serious consideration and of grave discussion and is absolutely essential to the intelligent

understanding of the events of the eighteenth century" (Edinburgh Review, *'Illuminism and the French Revolution,'* (July, 1906), pg. 53).

"In 1782 [the Duke of] Brunswick decided to solve his doubts by holding a final Conference or Convent of the Order at Wilhelmsbad, near Hanau in Hessen. True to its aristocratic origins, the last gathering of the Strict Observance was a blue-blooded affair" (Peter Partner, *The Murdered Magicians*).

In August 1781 C.W. Dohm, under the influence of Moses Mendelssohn, published *'Upon the Civil Amelioration of the Condition of the Jews,'* which produced a great wave of pro-Semitism (Nesta H. Webster, *'World Revolution,'* (1921), pg. 32). The historian Graetz wrote that C.W. Dohm's book painted the Christians "as cruel barbarians and the Jews as illustrious martyrs" (ibid). It is a fact of history that the convention triumph of Weishaupt's Illuminati in 1782 occurred simultaneously with the admission of the Jews to Masonic lodges.

Masonry had existed decades at least before the Illuminati (Nimrod was the first to teach the arts of masonry. William Josiah Sutton, *'The Illuminati 666,'* (1983), pg. 103. Estill wrote: "Undoubtable Masons were employed at the creation of the Tower of Babel, where, as we are informed in some of our rituals, language was confounded and masonry lost." John Holbrook Estill, *'The Old Lodge,'* (December 17, 1885), pg. 3. An old rhyme says: "*If history be no ancient Fable - Freemasons came from the Tower of Babel.*" Esther Forbes, *'Paul Revere & the World He Lived In,'* (1942), pg. 58. The ruling motives for building the Tower of Babel were pride, selfishness and vain glory. Rev. M.F. Carey, *'Freemasonry in All Ages,'* (1896), pg. 25. "*The attempt at universal empire was completely put an end to by this extraordinary interference of God.*" Rev. M.F. Carey, *'Freemasonry in All Ages,'* (1896), pg. 26).

But after the 1782 Congress, European Masonry was "*dominated by the super-secret Illuminati*" (Cushman Cunningham, Part II, *'The Secret Empire,'* (2005), pg. 67-68). Albert Mackey called the Congress "*the most important Masonic Congress of the eighteenth century*" (A. Ralph Epperson. *'Masonry: Conspiracy Against Christianity,'* (1997), pg. 319). Nesta H. Webster said "*(its) importance to the subsequent history of the world has never been appreciated by historians . . .*" (Nesta H. Webster, *'World Revolution,'* (1921), pg. 31). It was held "at Meyer Amschel Rothschild's castle in Wilhelmsbad" (Juri Lina, *'Under the Sign of the Scorpion,'* (2002), pg. 38). The Congress included representatives "of all the Secret Societies - Martinistes as well as Freemasons and Illuminati - which now numbered no less than three million members all over the world" (Nesta H. Webster, *'World Revolution,'* (1921), pg. 31). The history is clouded due to oaths: "*What passed at this terrible Congress will never be known to the outside world, for even these men who had been drawn unwittingly into the movement, and now heard for the first time the real designs of the leaders, were under oath to reveal nothing*" (Nesta H. Webster, *'World Revolution,'* (1921), pg. 31).

Jean Willermoz (BI/M) presided at two of the Great Mason Conventions - that of Les Gaules in 1768 and that of Wilhelmsbad "*at which was voted the death of the King of France*" (Lady Queenborough, *'Occult Theocracy,'* (1933), pg. 353). A decision was also made to murder

Emperor Leopold of Austria. He was poisoned on March 1, 1792 by the Jewish Freemason Martinowitz. Gustavus III of Sweden was murdered the same month (Juri Lina, *'Under the Sign of the Scorpion,'* (2002), pg. 38; *'Architects of Deception'* (2004), pg. 96, 486). Jean-Baptiste Willermoz, a Mason since 1753 and a wealthy silk manufacturer from Lyons, France, undoubtedly moved in the same circles as Mayer Rothschild. Willermoz, who also claimed to receive instruction from "unknown superiors," stayed for a time with the Prince of Hesse-Kassal. A member of the Masonic "Rite of Elect Cohen," Willermoz was a moving force during the 1782 Wilhelmsbad Conference and is considered by many to be a founder of modern spiritualism. Willermoz was also an intimate friend of Louis Claude de Saint Martin (January 18, 1743-1803) (John Daniel, Vol. I, *'Scarlet and the Beast,'* (1994), pg. 173).

The Hanau-Wilhelmsbad spa, fashionable from 1777 to 1785, was the location of the Masonic Congress in the summer of 1782 (16 July – 29 August). William IX made it his summer retreat, and the ruined castle, prominent in the painting, was where high-degree Masons from the whole of Europe had deliberated the fate of the rite of Strict Observance.

There's also a pyramid on the grounds, erected in 1784, in honor of William IX's son Friedrich who died prematurely just shy of his twelfth birthday; designed by Franz Ludwig von Canerin. I was stationed in West Germany from 1957-1960 as a U.S. soldier, and during a portion of that period, I was at Giessen, Germany, a short distance from the Hanau-Wilhelmsbad spa from 1958-1959. Many a Saturday, Army buddies and I would be spent visiting the many castles of West Germany. I've visited this particular one a half-dozen times in my time based at Giessen, Germany.

The first question of the Grand Master of the Templars was: "*What is the real objective of the Order and its true origin?*" At the Willemstad Convention, the main Illuminati representative was Dietrich von Dittfurth who recruited Bode who, soon after, recruited Prince Charles of

Hess, who had succeeded the Duke of Sudermania in the direction of the Strict Observance (John Morris Roberts, *The Mythology of the Secret Societies,* (1972), pg. 124).

The Illuminists carried the day by saying that the Strict Observance Lodges were not in fact descended from the Knights-Templars and by arguing that the Observance Lodges were secretly controlled by "*unknown superiors*" who were in fact Jesuits in disguise. Christian Bode was a friend of Lessing and was Weishaupt's "*leading associate in the final political stage of Illuminism*" (James H. Billington, *Fire In The Minds of Men,* (1980), pgs. 96-97). Mackey wrote of Bode "*At the Congress of Wilhelmsbad he advocated the opinions of Weishaupt. No man of his day was better versed than he in the history of Freemasonry, or possessed a more valuable and extensive library; no one was more diligent in increasing his stock of Masonic knowledge, or more anxious to avail himself of the rarest sources of learning.*" Weishaupt did not personally attend but gave his coadjudicator Knigge full authority: "*Vanquished by the powerful rival, the Strict Observance ceased temporarily to exist and Illuminism was left in possession of the field.*"

Gary Allen wrote: "*The power and influence of the Illuminati achieved a great leap forward through a formal alliance with continental Freemasonry that was sealed during the Congress of Wilhelmsbad which began July 16, 1782, when representatives of some three million members of Europe's secret societies met and adopted organizational plans formulated by the Illuminati*" (Gary Allen. "*Illumunism, The Great Conspiracy,*' American Opinion, (June, 1976), pgs. 47-49). **On July 16, 1782 the Illuminati merged with the Order of Freemasons:** "*Illuminism was injected into Freemasonry by indoctrinating the Masonic leaders. . .*" The alliance between the Illuminati and Freemasonry "was finally sealed" (Nesta Webster. *'World Revolution,'* (1921), pg. 31). The wedding between Continental Masonry and the Illuminati took place in July 1782 (William T. Still, *'New World Order: The Ancient Plan of Secret Societies,'* (1990), pg. 82). At Wilhelmsbad Weishaupt and von Knigge presented quite an enticing promise of the secrets which the Illuminati had to offer. The response of many of the Italian, French, and German delegates was to join. They then took the doctrines of the Order, its degrees and discipline back to their respective lodges. The two leaders of German Freemasonry, Duke Ferdinand of Brunswick and Prince Karl of Hess, joined the order, thus bringing the whole of German Freemasonry, the German Grand Orient Lodge, in particular, under the control of the Illuminati (William H. McIlhany II, *'Evidence of a Master Conspiracy'* (Individualist Research Foundation: 1992). The events have been summarized: "*At the grand convention of Masonry held at Wilhelmsbad in 1782 the Order of the Strict Observance was suspended, and Von Knigge disclosed the scheme of Weishaupt to the assembled representatives of the Masonic and mystical fraternities. Then and there, disciples of Saint-Martin and of Willermooz, as well as the statesmen, scientists, magicians, and magistrates of all countries, were converted to Illuminism*" (Edinburgh Review, *'Illuminism and the French Revolution,'* (July 1906), pg. 57). The name "Strict Observance" was changed to "Beneficent Knights of the Holy City."

The congress, attended by Gotthold Ephraim Lessing (1729-1781) and a company of other Jews, also passed a resolution by which henceforth Jews would no longer be excluded from the lodges. For the first time "*Jews were admitted into the Order. Previously, Jews had only been admitted to a division of the Order called 'The Small and Constant Sanhedrin of Europe.'*"

Lessing was a poet, critic, dramatist and philosopher. He was also a leading figure of German Enlightenment who believed that Christianity "was a superior development of Judaism but thought it too would be replaced one day by rationalist enlightenment" (Joan Comay, 'Who's Who in Jewish History,' (1995), pg. 230). Lessing lent his powerful support to the anti-Christian league (Lady Queenborough, 'Occult Theocracy,' (1933), pg. 372).

At the conclusion of the Congress the members of the Illuminati were "completely satisfied." Knigge reported to Weishaupt afterwards: "All of them," he said, "were enchanted with our degrees of Epop and of Regent" ('The Cause of World Unrest,' (1920), pg. 17). The Comte de Virieu, however, returned from the Congress and refused to say what had been decided: "I can only tell you that all this is very much more serious than you think. The conspiracy which is being woven is so well thought out that it will be, so to speak, impossible for the Monarchy and the Church to escape from it" (Gary Kahl, 'En Route to Global Occupation,' (1991), pg. 25-26). The Comte de Virieu thereafter "could only speak of Freemasonry with horror," according to his biographer M. Costa de Beauregard (William T. Still, 'New World Order: The Ancient Plan of Secret Societies,' (1990), pg. 82). **The Wilhelmsbad Congress** "made it possible for the revolutionary tool of the Asiatic financiers to control the continental set-up." After the Wilhelmsbad Congress, the headquarters for Illuminized Freemasonry was moved to Frankfort (Fritz Springmeir, 'The Top 13 Illuminati Bloodlines,' (1995), pg. 173).

The House of Rothschild, located in Frankfurt, Germany, itself but a short distance from the Hanau-Wilhelmsbad Spa, subscribed to the spectacular Illuminati plan of Adam Weishaupt, and subsequently funded all the efforts of the Bavarian Illuminati from that point forward to the present day.

I have shown you Dr. Eric A. Samuelson's excellent summary of an encapsulated history and background of the Congress of Wilhelmsbad as a reference point from which the House of Rothschild, and the 'Synagogue of Satan' launched their grandiose world plan to bring about global government. In his book, Andrew Carrington Hitchcock documents the rise of the 'Synagogue of Satan'. The third volume came out a few months ago. **World Government will be a Jewish-controlled objective, and will be fully enforced once the Rothschild's have placed a Rothschild-controlled central bank in four countries:** Cuba, Iran, North Korea, and Syria. Freemasonry is but the exterior façade of what is contained in the Jewish **Talmud, Kabbalah,** and the **Zohar**. Remove Judaism from Freemasonry and you have an empty shell! I return back to Albert Pike's comments about the third world war.

Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...

We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil.

Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view.

This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.

Since the faux terrorist attacks of September 11, 2001, world events, and in particular in the Middle East, show a growing unrest and instability between Modern Zionism and the Arabic World.

This is completely in line with the call for Albert Pike's Third World War to be fought between the two, and their allies on both sides. This Third World War is well underway.

The New World Order (NWO)

The term New World Order (NWO) has been used by numerous politicians through the ages, and is a generic term used to refer to a worldwide Jewish conspiracy being orchestrated by an extremely powerful and influential group of genetically-related individuals (at least at the highest echelons) which include many of the world's wealthiest people, top political leaders, and corporate elite, as well as members of the so-called Black Nobility of Europe (dominated by the British Crown) whose goal is to create a One World (fascist) Government, stripped of nationalistic and regional boundaries, that is obedient to their agenda. It is revealed in the *'The Protocols of the Elders of Zion.'*

'The Protocols of the Elders of Zion' (Russian: протоколы сионских мудрецов) or *'The Protocols of the Meetings of the Learned Elders of Zion'* has been tagged as an anti-Semitic fabricated text purporting to describe a Jewish plan for global domination. The so-called hoax was first published in Russia in 1903... To the contrary, it is not a hoax, and a coming segment will prove its substance is now being fulfilled since the assassination of the Russian Romanov family - members of the Romanovs, the last royal family of Russia including: Marie, Queen Alexandra, Czar Nicholas II, Anastasia, Alexei, Olga, and Tatiana, circa 1914. The 'Protocols' read like a history book for the past 120 years!

Listen to the Zionist banker, Paul Warburg:

"We will have a world government whether you like it or not. The only question is whether that government will be achieved by conquest or consent." (February 17, 1950, as he testified before the U.S. Senate).

Their intention is to affect complete and total control over every human being on the planet and to dramatically reduce the world's population by two thirds. While the name New World Order is the term most frequently used today to loosely refer to anyone involved in this conspiracy, the study of exactly who makes up this group is a complex and intricate one.

In 1992, Dr. John Coleman published *'Conspirators Hierarchy: The Story of the Committee of 300.'* With laudable scholarship and meticulous research, Dr. Coleman identifies the players and carefully details the New World Order agenda of worldwide domination and control.

On page 161 of the *Conspirators Hierarchy*, Dr. Coleman accurately summarizes the intent and purpose of the Committee of 300 as follows:

"A One World Government and one-unit monetary system, under permanent non-elected hereditary oligarchists who self-select from among their numbers in the form of a feudal system as it was in the Middle Ages.

In this One World entity, population will be limited by restrictions on the number of children per family, diseases, wars, famines, until 1 billion people who are useful to the ruling class, in areas which will be strictly and clearly defined, remain as the total world population.

There will be no middle class, only rulers and the servants. All laws will be uniform under a legal system of world courts practicing the same unified code of laws, backed up by a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist.

The system will be on the basis of a welfare state; those who are obedient and subservient to the One World Government will be rewarded with the means to live; those who are rebellious will simply be starved to death or be declared outlaws, thus a target for anyone who wishes to kill them. Privately owned firearms or weapons of any kind will be prohibited."

Why the Conspiracy is Unknown

The sheer magnitude and complex web of deceit surrounding the individuals and organizations involved in this conspiracy is mind boggling, even for the most astute among us. Most people react with disbelief and skepticism towards the topic, unaware that they have been conditioned (brainwashed) to react with skepticism by institutional and media influences.

Author and de-programmer Fritz Springmeier (*'The Top 13 Illuminati Bloodlines'*) says that most people have built in "slides" that short circuit the mind's critical examination process when it comes to certain sensitive topics. An example of what Fritz is speaking of here is that of the 9/11 crime. After nearly two decades, a full 40% of the U.S. public still believe the "official" government story line that a Muslim in the mountains of Afghanistan led the attack in which 19

Muslims brought down the World Trade Center 1 and 2; plus destroyed a portion of the Pentagon!

“Slides”, Springmeier reports, is a CIA term for a conditioned type of response which dead ends a person’s thinking and terminates debate or examination of the topic at hand. For example, the mention of the word “conspiracy” often solicits a slide response with many people.

What most people believe to be “Public Opinion” is in reality carefully crafted and scripted propaganda designed to elicit a desired behavioral response from the public. Public opinion polls are really taken with the intent of gauging the public’s acceptance of the New World Order’s planned programs.

A strong showing in the polls tells them that the programming is “taking”, while a poor showing tells the NWO manipulators that they have to recast or “tweak” the programming until the desired response is achieved.

Since 1995, scholars, historians, researchers, have been able to pull back the curtains of secrecy through the benefit of the Internet. The once well-kept secrecy of the Illuminati, and the many components used to manipulate and control society have had the light of day exposing their grand plans to enslave humanity. Prior to 1995, we had to rely on public libraries to mine the nuggets, like those exposed in Andrew Carrington Hitchcock’s book *‘The Synagogue of Satan’*.

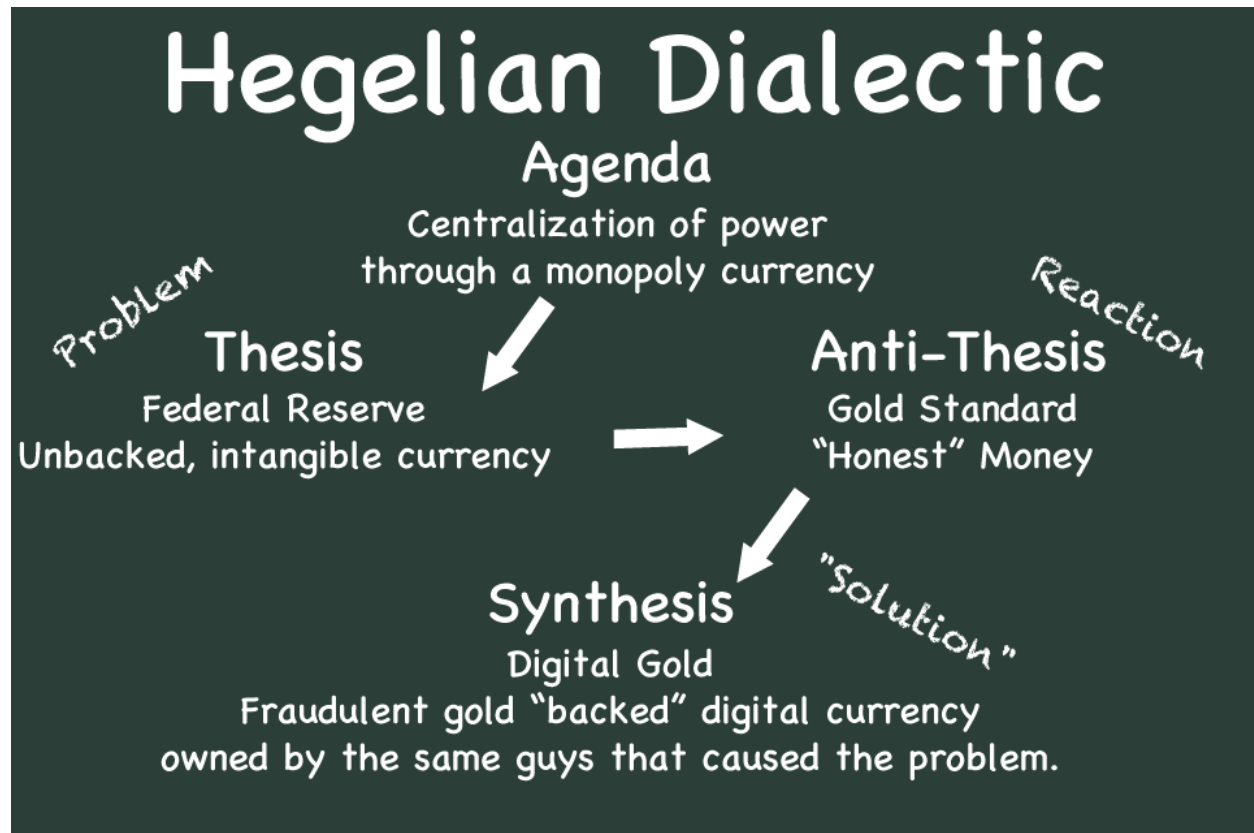

The NWO Modus Operandi

The NWO global conspirators manifest their agenda through the skillful manipulation of human emotions, especially fear.

In past centuries, they have repeatedly utilized a contrivance that NWO researcher and author David Icke has characterized in his 1999 book, *‘The Biggest Secret,’* as **Problem, Reaction, and Solution**. It is also known as the **“Hegelian Dialectic”**. [See the illustration chart on the next page to see how it works.] The American industrial-management engineer Peter Drucker advanced and developed the “Hegelian Dialectic” in the field of labor/management relations with the coined expression “Consensus Management” to achieve what then becomes a “win-win” outcome for both parties. The term “compromise” is critical in achieving its outcome.

The technique is as follows: NWO strategists create the Problem – by funding, assembling, and training an “opposition” group to stimulate turmoil in an established political power (sovereign country, region, continent, etc.) that they wish to impinge upon and thus create opposing factions in a conflict that the NWO themselves maneuvered into existence. In recent decades, so called opposition groups are usually identified in the media as ‘freedom fighters’ or ‘liberators’.

At the same time, the leader of the established political power where the conflict is being orchestrated is demonized and, on cue, referred to as 'another Hitler' (take your pick: Saddam Hussein, Milosevic, Gaddafi, Assad, etc., etc.).

The 'freedom fighters' are not infrequently assembled from a local criminal element (i.e. KLA, Kosovo Liberation Army drug traffickers). In the spirit of true Machiavellian deceit, the same NWO strategists are equally involved in covertly arming and advising the leader of the established power as well (the NWO always profits from any armed conflict by loaning money, arming, and supplying all parties involved in a war).

The conflict is drawn to the world stage by the controlled media outlets with a barrage of photos and video tape reports of horrific and bloody atrocities suffered by innocent civilians. The cry goes up "Something has to be done!" And that is when the desired Reaction is offered.

The NWO puppeteers then provide the Solution by sending in UN 'Peace Keepers' (Bosnia) or a UN 'Coalition Force' (Gulf War) or NATO Bombers and then ground troops (Kosovo), or the military to 'search for Weapons of Mass Destruction', which of course are never found.

Once installed, the 'peace keepers' never leave. The idea is to have NWO controlled ground troops in all major countries or strategic areas where significant resistance to the New World

Order takeover is likely to be encountered. The U.S. has some 900 bases around the world so as to be the policemen for the New World Order.

Who is the NWO?

The corporate portion of the NWO is dominated by international bankers, oil barons and pharmaceutical cartels, as well as other major multinational corporations.

The Royal Family of England, namely Queen Elizabeth II and the House of Windsor, (who are, in fact, descendants of the German arm of European Royalty – the Saxe-Coburg-Gotha family – they changed their name to Windsor in 1914), they are high level players in the oligarchy which controls the upper strata of the NWO.

The decision making nerve centers of this effort are in London (especially the Crown City of London), Basel Switzerland, and Brussels (NATO headquarters). They are behind the NWO:

The Top of the Pyramid includes: The **Rothschild's**, the **Vatican**, and the **British Crown** ruled World. 13 Families Rule the World: The Shadow Forces behind the NWO. The fact is that the Rothschild's are intermarried with the Royal Family and the British Crown! The Vatican had a Jewish Pope in Pope John XXII. The Karol Wojtyla family tree proclaims the pope's mother, Emilia Kaczorowska, was born Emilia Katz and was a Jew. We do know for a fact that young Karol spent a lot of time in the Jewish community in his birth town of Wadowice. The House of Rothschild were commissioned by the Vatican in 1823 to be the Vatican's "Fiduciary Agent" in all financial matters around the world.

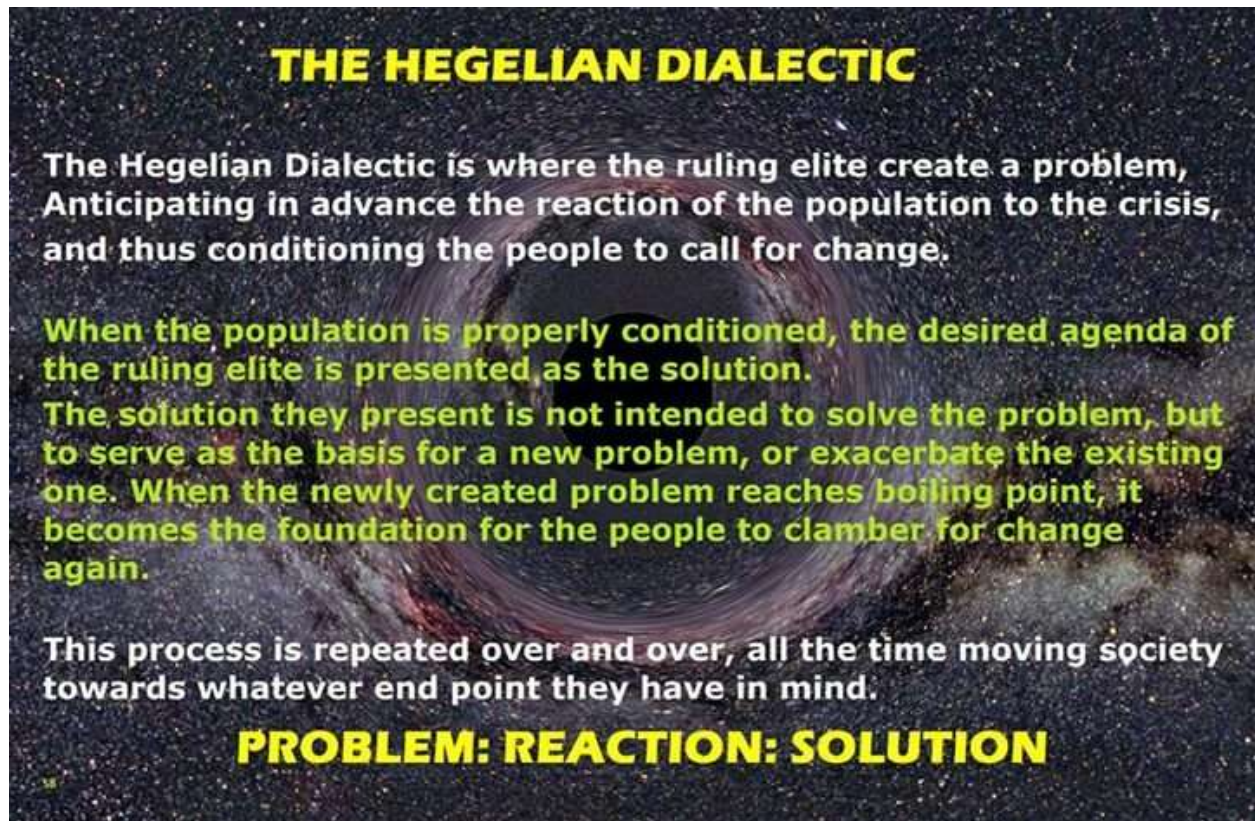

The United Nations, along with all the agencies working under the UN umbrella, such as the World Health Organization (WHO), are full time players in this scheme. Similarly, NATO is a military tool of the NWO.

The leaders of all major industrial countries like the United States, England, Germany, Italy, Australia, New Zealand, etc. (members of the "G7/G8") are active and fully cooperative participants in this conspiracy.

In this century, the degree of control exerted by the NWO has advanced to the point that only certain hand-picked individuals, who are groomed and selected are even eligible to become the prime minister or president of countries like England, Germany, or the United States.

It didn't matter whether Bill Clinton or Bob Dole won the Presidency in 1996, or Donald Trump or Hillary Clinton in 2016, the results would have been the same. Both men are playing on the same team for the same ball club. Anyone who isn't a team player is taken out: i.e. President Kennedy, Ali Bhutto (Pakistan) and Aldo Moro (Italy).

More recently, Admiral Borda and William Colby former CIA Director were also killed because they were either unwilling to go along with the conspiracy to destroy America, weren't cooperating in some capacity, or were attempting to expose/thwart the takeover agenda.

THE HEGELIAN DIALECTIC

The Hegelian Dialectic is where the ruling elite create a problem, Anticipating in advance the reaction of the population to the crisis, and thus conditioning the people to call for change.

When the population is properly conditioned, the desired agenda of the ruling elite is presented as the solution.

The solution they present is not intended to solve the problem, but to serve as the basis for a new problem, or exacerbate the existing one. When the newly created problem reaches boiling point, it becomes the foundation for the people to clamber for change again.

This process is repeated over and over, all the time moving society towards whatever end point they have in mind.

PROBLEM: REACTION: SOLUTION

The NWO's Role in Shaping History

Most of the major wars, political upheavals, and economic depression/recessions of the past 100 years (and earlier) were carefully planned and instigated by the machinations of these elites.

They include The Spanish-American War (1898), World War I and World War II; The Great Depression; the Bolshevik Revolution of 1917; the Rise of Nazi Germany; the Korean War; the Vietnam War; the 1989-91 "fall" of Soviet Communism; the 1991 Gulf War; the War in Kosovo; and the two Iraq wars. Even the French Revolution was orchestrated into existence by elements of the NWO.

The Rothschild family fueled and financed both sides of all wars since Napoleon.

The instigation of a trumped-up war as a cover, for amassing personal fortunes which can be dated back to at least the 12th Century when only a core group of nine members of the Knights Templar, kicked off “The Crusades” that lasted for over a century and a half.

In 1307 A.D., the king of France, Philippe the Fair, coveted the wealth and was jealous of the Templars’ power. The French king set out to arrest all the Templars in France on October 13. While many Templars were seized and tortured, including their Grand Master, Jacques de Molay; and many other Templars (who had been tipped off) escaped, fleeing to Portugal, Scotland and Malta.

They eventually resurfaced in Portugal, in Malta (as the Knights of Malta) and later in Scotland as The Scottish Rites of Freemasonry, with Albert Pike playing a key role in defining a plan for establishing a world government. The acquisition and consolidation of ever greater wealth, natural resources, total political power, and control over others are the motivating forces which drive the decisions of the NWO leaders. The toll in human suffering and the loss of innocent lives are non-issues for these individuals.

The next segment will deal with this aspect of what was originally to be Part 2, the Satanic Talmud and what Jews really believe about Christians.

The Internet has become demonstrably the greatest threat to the agenda of the Congress of Wilhelmsbad of 1782. Most of you probably never heard of the **Congress of Wilhelmsbad** and yet they control each and every one of us without our realization of this reality. I would hope everyone reading this series would share it with everyone in their circle of outreach!

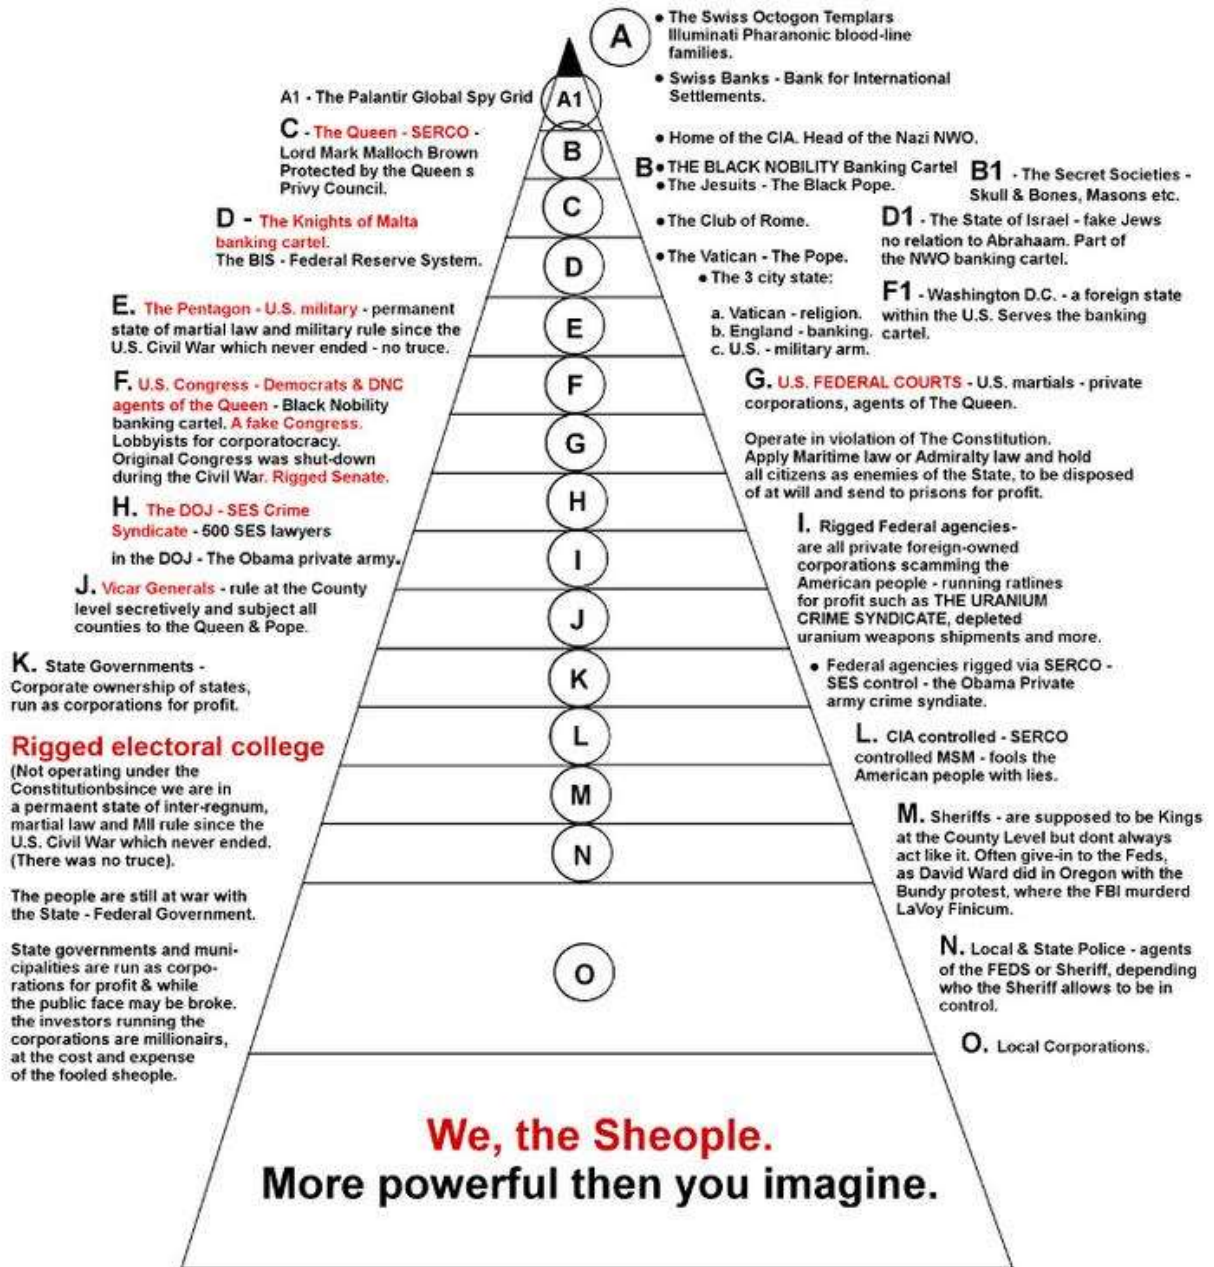

Blessings,
