

The Satanic Talmud & The Synagogue of Satan

Part 6

Most Christians are oblivious to the four Biblical curses upon the Jews, and virtually all Christian Zionists turn a blind eye to this reality, almost to the point of denying there is ink on the pages of the Bible. It is a true that Scripture identifies four curses upon the Jews. There are many arguments implying something to the affect that all of what is happening today in the Middle East is the consequences of these four curses on the Jews. Christians really do need to wake up from their apathy.

The Four Curses are:

- Curse of Disinheritance - Gospel of Luke 20:9-16
- Curse of The Fig Tree - Gospel of Matthew 21:18-20
- Curse of Desolation - Gospel of Luke 13:28-35
- Curse of Deicide - Gospel of Matthew 27:17-25

In this segment of the series we will delve deeper into the particular passages noted just above. Were it not for the contagion that is underway on behalf of the Zionist movement, I might not have chosen to address the realities stated by our Lord Jesus Christ.

Don't forget that Christ also condemned the Jews as being of their father the Devil in John 8:44: ***"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."***

Also, note that Saint Paul says the Jews killed the Lord Jesus, and their own prophets; God also states that our enemies are all men -(1st Thessalonians 2:14-16). ***"¹⁴For ye, brethren, became followers of the churches of God which in Judaea are in Christ Jesus: for ye also have suffered like things of your own countrymen, even as they have of the Jews: ¹⁵Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men: ¹⁶Forbidding us to speak to the Gentiles that they might be saved, to fill up their sins always: for the wrath is come upon them to the uttermost."***

The Apostle Paul exhorts us to ***"Beware of dogs*** (Paul refers to the Jews as dogs, vile and lustful for power), ***beware of evil workers, beware the concision"*** (bodily circumcision) -(Philippians 3:2). These are also some of the many examples of the Jew's accursed nature, after they cursed themselves.

When one recites the Nicene Creed, he is affirming that the Jews Crucified Christ, because the clause in the creed says, "Was crucified for us UNDER" (not BY) Pontius Pilate, even Anglicans and other high liturgy church Protestants affirm this, even if they are ardent supporters of Israel.

My objective here is not to advocate or defend "Replacement Theology" or "Christian Zionism" at the other end of the spectrum, but rather to point out the need to open one's eyes to make a closer examination of the New Testament narrative. **We have allowed the fear of being labeled Anti-Semitic to filter our frame of reference.** The Bible relates to the reader as history told in advance and as what many would see as prophecy. Be reminded that in John 13:19, Jesus said to the disciples: ***"Now I tell you before it come, that, when it is come to pass, ye may believe that I am he."*** Jesus was asserting His Divine Nature in such a way as to make His words burn in their memory. Jesus spoke of the betrayal and the coming crucifixion. Thus, He referred back to Psalm 41:9 as a prophecy concerning Himself. His betrayal, seizure, and crucifixion could shatter their faith in Him as their Messiah if He had not prepared the disciples of the impending effort to dispense with the Lord. Yet, because He had known and foretold this was to happen, they would be encouraged to believe. The disciples were not much different from folks today.

Jesus meant for His prophetic teachings to serve a practical purpose. He never intended His discussion of the future to appeal to curiosity as in the case of the fortune-teller. Indeed, the Bible prohibits people from consulting such persons -(Deuteronomy 18:10-12). Instead, God promised to raise up a Prophet whose guidance for tomorrow is sufficient -(Deuteronomy 18:15). That Prophet referred to, of course, was Jesus. What He foretold strengthens faith. Prophecies of the Bible also have a sanctifying effect on the lives of believers, such as those about the second coming of Christ -(1st John 3:3).

Jesus' concern was that the disciples believe—but believe what? He emphasized the title He so often used in the Book of John: ***"I am He."*** Literally the original is ***"I myself am"*** or ***"I am who I am."*** These are the very words God used when speaking to Moses from the burning bush - (Exodus 3:14). The present-tense verb ***"am"*** with the intensive pronoun ***"I"*** are stressed in His statement by their position at the end of the verse. The disciples were to believe that Jesus is the One who lives in the present-tense regardless of where one locates a point on the continuum time line. But for the present they were to believe He was the Messiah God had sent.

Unfortunately terms such as "Replacement Theology" or "Christian Zionist" are catch phrases that disarm honest and serious scholarship in our world today. This is most blatant in those responsible for accusing people and groups as being "Anti-Semitic." These terms in essence really identify most of the Christian community today. We see the same effect when one is labeled or called an "Anti-Semite". There are literally hundreds of groups like ADL, JDL, B'nai B'rith, etc. serving as attack dogs to attack negative criticism.

Henry Makow, Ph.D., said back in October 28, 2005: “While claiming to represent “the interests of the worldwide Jewish Community” the B’nai B’rith, ***“Anti-Defamation League” (ADL) is, in fact, a Masonic Order that shifts blame for its Luciferian “world government” agenda onto Jews in general. Thus, while pretending to fight anti-Semitism, it puts all Jews in jeopardy even though they are not aware of the diabolical plot.”***

The B’nai B’rith has no mandate to represent the Jewish people. But by equating opposition to the globalist agenda with anti-Semitism, it ensures that Jews are blamed for the emerging New World Order. This drama has the hands of Satan all over it as spiritual warfare.

For example, recently a forum posted an item about B’nai B’rith advocacy of “Hate Laws” and Internet censorship. A member of the forum responded, *“Those Jews are setting themselves up for extermination again.”*

Thus “Jews” become the scapegoat for the Illuminati agenda despite the fact that most Jews are vague or ambivalent about their Jewish identity. Only 10-15% are Torah-observant. A majority think Jewishness is purely cultural. They don’t think it necessary to believe in God. Recently, when President Trump spoke out that more Jews need to love Judaism more than they do, he was speaking on behalf of the radical agenda of the Zionist Chabad Lubavitch Judaism sect.

Most Jews who are ignorant of the Masonic plot naively subscribe to liberalism, socialism, communism and Zionism. They might be surprised to learn that the Star of David featured on the Israeli flag is an occult symbol for sexual intercourse and was never a Jewish symbol in the Old Testament; that most Israeli leaders, like American Presidents, are Freemasons; and that the Israeli Supreme Court is loaded with Masonic symbolism, and is located along Satanic “ley” lines. Financed and designed by the Rothschild’s, it will be the world court of the New World Order, when Israel rules the world!

“In 2004, B’nai B’rith reported a membership of more than 215,000, with members in 51 countries and a U.S. budget of \$20,000,000. Approximately 85% of the B’nai B’rith membership is in the United States.” There are at least ten million Jews in the U.S. if you include crypto Jews. Yet, like Zionists, these imposters claim to represent all Jews. Ask yourself, what better method to enhance your own fake Jewish co-opted system than to accuse those you are claiming to represent by sounding more Jewish than those who might be legitimate Jews wanting to live in peace and harmony out of the fray of geo-politics in the Middle East.

The B’nai B’rith-ADL is probably active in your city. It approaches local schools, private companies, and professional associations offering indoctrination in “diversity” and “hate crimes.” It trains the local police in political crimes. “Hate” is anything or anyone that interferes with the world government agenda, partly listed on the ADL website.

The B’nai B’rith is part of the Masonic Scottish Rite Order established in 1843. Its militant arm, the “Anti-Defamation League” (ADL) was formed in 1913, the same year as the US Federal

Reserve, an International Banking dynasty owned by the House of Rothschild. Zionism equates to Rothschild power and control. According to *'The Ugly Truth'* about the ADL (1992) by the *'Executive Intelligence Review'*, the B'nai B'rith has always played a leading role in returning the U.S. to the Masonic control of the British Crown. (a.k.a The New World Order.)

"Not only is the ADL emphatically not a Jewish civil rights lobby; the ADL and its parent agency B'nai B'rith have been from their inception, arms of the British secret intelligence services and secret societies that are sworn enemies of the United States. The B'nai B'rith and the ADL have used their nominal Jewishness to conceal their actual allegiance and agenda." ('Ugly Truth', p.3)

The B'nai B'rith/Scottish Rite Masons were instrumental in starting the Ku Klux Klan and causing the U.S. Civil War, which destroyed the flower of American manhood. A B'nai B'rith leader, Simon Wolf, was a Confederate spy and was implicated in the assassination of Abraham Lincoln, the first of many such coup d'états, (i.e. the assassinations of Presidents Garfield, McKinley, Kennedy.) Yet this is not taught to U.S. high school students!

The book goes on to detail ADL links to organized crime, drugs and prostitution, domestic spying, the purchase of the U.S. Congress and the removal of Christianity from public institutions. It says the ADL fought Texas legislation to prosecute satanic ritual crimes and lost numerous libel suits for defaming critics as "anti-Semites."

Leo Frank, the President of the B'nai B'rith in Atlanta raped and murdered a 13-year-old girl in 1912. The B'nai B'rith tried to get him off but an aroused mob stormed the jail and lynched him. As this article outlines, the B'nai B'rith is connected with the Mafia and is an adjunct of the Rothschild's MI-6, the CIA and Zionism. For more details, see E. Michael Jones: *"When Americans Lynched a Jewish Rapist-Murderer."*

The ADL are nothing but shells for the Zionist Rothschild's agenda. The mainspring of the New World Order is the private central bankers' need to translate their unlimited financial power, derived from their control of government credit, into permanent world institutions of political and social control. Zionism = Rothschild's.

Our "leaders" like ex-Canadian PM Stephen Harper, Justine Castro and Andrew Scheer owed their position to the B'nai B'rith). Millions of non-Jews and a disproportionate number of Jews have sold their souls to these Lucifer-loving bankers. Led by the Rothschild's and the Rockefeller's, the banking cartel was behind the September 11th, 2001 attack, the Afghanistan, Iraq and Syrian wars and false flag terrorism.

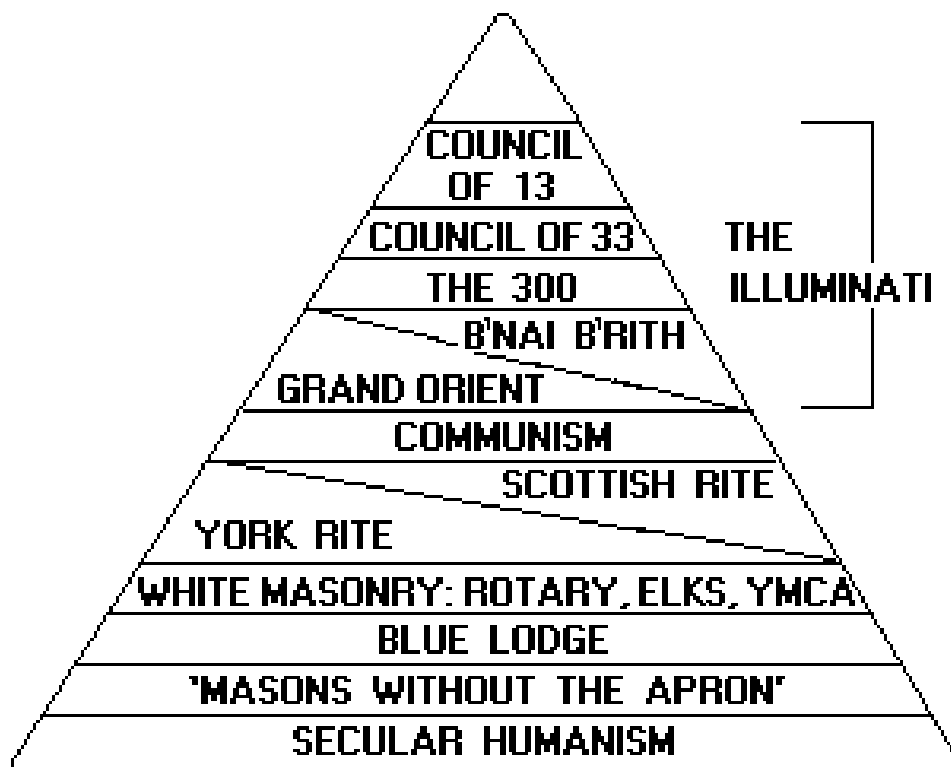

They (the banking cartel) are behind the B'nai B'rith-ADL. Take their "Diversity" program for example. You cannot work for a large corporation or government today without receiving this insulting Stalinist indoctrination which forces us to embrace human "differences" regardless of their merit. A measure of the Masonic control of Western society is that "Diversity" was never debated or put to a vote. It became the official ideology as if by magic. Particularly distasteful is the ADL's early childhood education which targets 3-5 year-olds for indoctrination. They hide

behind a smokescreen of platitudes but the net effect is that youngsters of European origin do not learn pride in their national or cultural heritage. The ADL boasts that 375,000 teachers and 12 million students have participated in these programs.

(Training of U.S. police in Israel raises the specter that our police are really a Zionist occupational force.) Few people know that Mossad agents train U.S. police departments, either in Israel or here in the U.S. In the workplace, "Diversity" discriminates against Europeans and particularly white heterosexual males by favoring women, coloreds and homosexuals. People are chosen on the basis of this political profile instead of their competence, which would be truly non-discriminatory and fair, not-to-mention efficient.

German Chancellor Angela Merkel received the B'nai B'rith award in 2008. The purpose was to fragment society and destabilize the family so there is no coherent basis for resistance to world government. At the same time, the ADL actively promotes Zionist education and consciousness, including free trips to Israel for Jewish youth. Thus Jews are indoctrinated to promote the Masonic agenda and to take the fall when the time comes. Germany as a culture is dead!

The B'nai B'rith-ADL doesn't represent Jews. It represents Masonic Jewish Bankers, who plot the demise of Western Civilization. This is the basic hierarchy of power.

While claiming to represent "the interests of the worldwide Jewish Community" the B'nai B'rith in fact is a Masonic Order that represents British Freemasonry, and shifts responsibility for its world government agenda onto Jews in general. Thus instead of fighting anti-Semitism as they

pretend to do, they actually put Jews in jeopardy. The B'nai B'rith has no mandate to represent the Jewish people, absolutely none whatsoever. But by equating opposition to world government with anti-Semitism, it ensures that all Jews are blamed for the emerging New World Order. The Jewish world community unwittingly fronts for the Zionist Rothschild's. For example, recently an Internet forum posted an item about B'nai B'rith advocacy concerning "Hate Laws" to stifle opposition to the NWO. A member of the forum responded, *"Jews are setting themselves up for extermination again."*

Thus Jews become the scapegoat for the Freemason agenda despite the fact that more-than-half of American Jews have nothing to do with Jewish organizations or religion, and in fact intermarry.

Yes, many other Jews who are ignorant of the Masonic plan for world government naively subscribe to Zionism and the phony "War on Terror." They would be surprised to learn that most Israeli leaders, like American Presidents, are Freemasons.

Not very long ago, in August of 2019, the Anti-Defamation League had joined more than 160 Jewish organizations to call on the Trump administration to resettle 95,000 refugees next year because *"turning our backs on people fleeing for their lives is unthinkable."*

"As Jews, we know all too well what happens when people fleeing for their lives have nowhere to turn," the organizations said in a letter Wednesday to Secretary of State Mike Pompeo.

The ADL posted a tweet with the letter and signatories on Friday.

"Our parents or grandparents, neighbors or community members once faced a similarly callous and unwelcoming world, with fatal consequences," the letter said.

The Trump administration reportedly is planning to slash refugee resettlements to zero next year, though Homeland Security officials said last month that they recommended that 3,000 to 10,000 refugees be resettled. We know from various news sources that Trump has for all intent and purpose given the Netanyahu – Gantz, duo-pair, a blanket approval for the annexation of the Jordan Valley and the West Bank. The reason for this is all about stealing the water of the Jordan River, all of it, and Bibi has stated days ago that he was prepared to go to war with Jordan, which Israel has had a signed treaty since the days of the Six-Day War. The two nations also have a Jordanian-Israeli Treaty that was signed on October 26, 1994 by King Hussein of Jordan, the Israeli Prime Minister Yitzhak Rabin and U.S. President Bill Clinton.

Although it is not mentioned in the breaking of this latest Treaty, Jordan administers the management of the Temple Mount, which is always in dispute. Benjamin Netanyahu is under intense pressure by the Zionist Chabad Lubavitch Jews to take control of the Temple Mount and permit the building of the 3rd Temple. This became an issue about two years ago when Israel granted greater power to the religious Jews in Israel. The time has come to take back the Temple Mount and permit the rebuilding of their third [Antichrist] Temple. The Freemasons

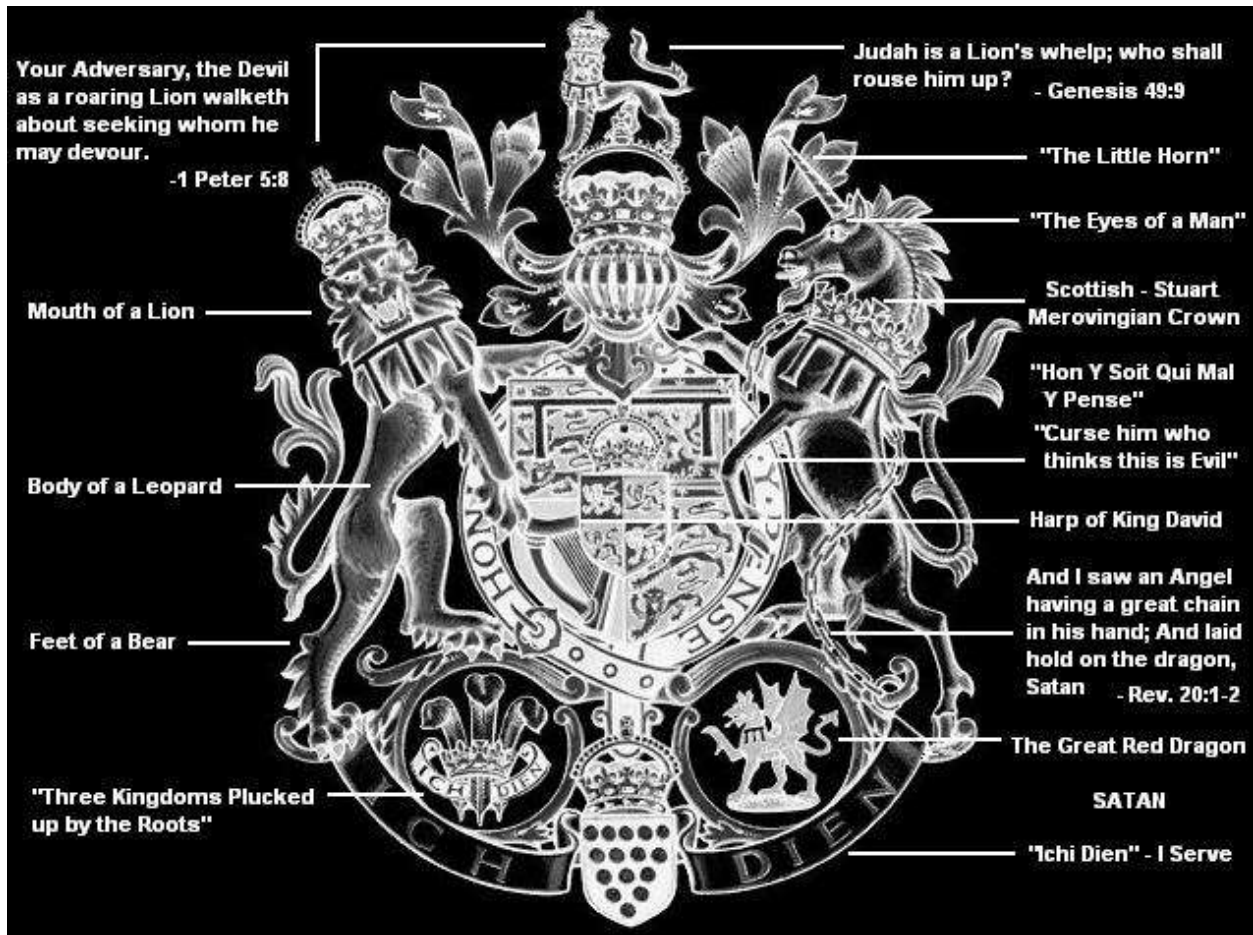

are virtually on target for doing what they desired since the Grand Lodge of Israel Masonry authorized the order of 60,000-tons of Bedford Indiana Limestone back in 1967, following the Israeli victory in the Six-Day War. We know with reasonable certainty where those pre-cut limestone blocks are in Israel today. This author personally, along with my small 3-year old son, at the time, watched many trainloads of limestone cut blocks for movement east through the former Pennsylvania Railroad's Pitcairn Yard, in rail cars clearly marked for "export" to Israel. They were to be trans-loaded to ocean freighters in Kearny, N.J. Today, the Kearny, N.J. facility is part of the CSX Railroad System. This occurred for more than eight months during 1969.

Above - CSX South Kearny rail yard, New Jersey, with the black Pulaski Skyway (highways 1 and 9) cutting across the meadowlands below the southern Manhattan skyline, dominated by the new One World Trade Center. The New Jersey Turnpike is in the foreground, crossing the Passaic River. The Hackensack is the other river farther out. They join just off-screen to the right. The rail line on the far left, running under the Turnpike, is the Amtrak Northeast Corridor. The photo is by Doc Searles of Santa Barbara, CA.

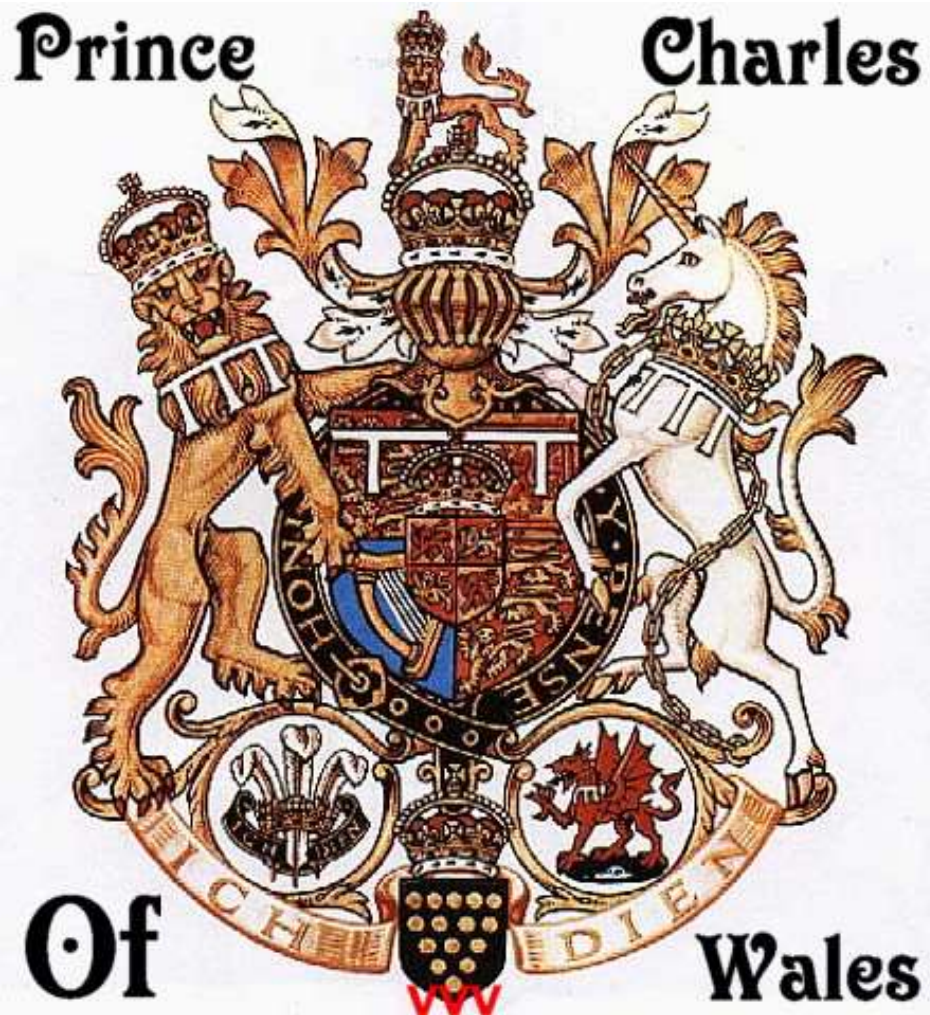

For you Bible Prophecy watchers, it's not going to be much longer before construction will begin on the 3rd Temple. I anticipate the presence of Prince Charles to give his formal blessings to the Temple's construction. Some might think it would be President Donald J. Trump that would do the honors given all that he has done for the Chabad Zionist Jewish and State of Israel agenda; however, the Rothschild's choice that Prince Charles of Wales will be acknowledged to be the Faux Messiah of the Jews, and "THE" Antichrist.

Ever since I purchase my copy of *“Antichrist and A Cup of Tea”* by Tim Cohen in 1998, there has been no doubt in my mind that Prince Charles of Wales will be “THE” Antichrist. The 1998 book provided it is correct, and I have no reason to doubt it from what Tim Cohen has written, eliminates the question, *“Will we know the name of the Antichrist before the Rapture?”* What follows in the next dozen pages pretty well answers the question with a definitive **yes!** On the next two pages are Biblical images of the Coat of Arms of Prince Charles.

Prince Charles believes he was born for a purpose

30th July 2010 - UK Daily Mail -- **The Prince of Wales says he believes he has been placed on Earth as future King ‘for a purpose’ - to save the world.**

Giving a fascinating insight into his view of his inherited wealth and influence, he said: ‘I can only somehow imagine that I find myself being born into this position for a purpose. I don’t want my grandchildren or yours to come along and say to me, “Why the hell didn’t you come and do something about this? You knew what the problem was”. That is what motivates me’...

Prince Charles was BORN 1948 the SAME YEAR ISRAEL WAS BORN.

Wow, EXACTLY 6 MONTHS APART: Israel born in the Spring of May 14th Charles in the Fall of Nov. 14th

On March 6th, 1996 on CNN, Prince Charles showed the world that he and his two sons William and Harry, had been the First people to be voluntarily implanted with a microchip (traceable biochip) in their right hands, allegedly for security purposes.

Prince Charles beginning to sound like a cult leader:

Prince Charles's messianic delusions are beginning to worry me. Does he think he can turn the UK into his personal cult? UK Telegraph - August 1st, 2010...he believes that it has fallen to him to restore to mankind “that understanding of the whole of nature and the universe as a living entity”. Indeed, he suggests in the NBC film, scheduled for November, that he doesn't want his and our grandchildren coming to him and asking: “Why the hell didn't you come and do something about this?”... But Charles is due to come into a kingdom – ours – and that's what worries me. Because there's typically an inflation of delusional doctrines, and if he's like other self-appointed saviors he will make more and more extravagant claims for his universal wisdom, possibly throwing in prophecies of the end of the world...

ANTICHRIST: Prince Charles of Wales

Born: Charles Philip Arthur George on November 14, 1948 to the Duke of Edinburgh Philip Mountbatten and Princess Elizabeth (present Queen of England) *The AntiChrist and a Cup of Tea*. http://philologos.org/hpr/files/Misc_Studies/ms022.htm

Coat of Arms of Prince Charles of Wales -- Prince Charles was granted his heraldic achievement (or coat of arms) at the age of 13. It contains the following "royal devices" or symbols:

First note that mythological animals and imaginative creatures, monsters and hybrids are popular devices in heraldry and, in heraldic language, are referred to as "beasts."

This beast on the left-hand side of Charles' coat of arms has the head and mouth of a lion, the body of a leopard, and the feet of a bear. Typically in heraldry, lions have only three claws per foot while bears will have four or five. This lion has four claws and thus resembles those of a bear. Traditionally in heraldry, the lion has represented England, however Prince Charles' heraldic representation is totally unique in history even differing from that of his mother's, Queen Elizabeth, whose lion has the typical three claws per foot.

And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. (Rev 13:2 KJV)

Note the design around the lion's neck. This image is called the "eldest-son label" and has been described by Tim Cohen (*The AntiChrist and a Cup of Tea*, pg. 124) as "three parallel horns which are, in a manner of speaking, 'plucked out by the roots' (i.e., turned upside down)." The eldest-son label is a "distinctive mark" of all succeeding Princes of Wales. Other members of the British royal family have labels that have more than three descending "horns." There are a total of five eldest-son labels on the coat of arms: on the left-side lion, the head lion, the unicorn, the red dragon, and at the top of the center shield where 10 lions are depicted.

I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things. (Dan 7:8 KJV)

This region presented on the left is from the top of Charles' shield and is thus called the "head" of the overall coat of arms. Pictured is another lion with the eldest-son label around its neck standing on top of a crown and a "gold helm." The helm is made up of seven curved bars or "horns." These seven horns, along with the three horns from the eldest-son label make a total of 10 horns in the head region of the coat of arms.

And of the ten horns that were in his head, and of the other which came up, and before whom three fell: even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows. (Dan 7:20 KJV)

Note that Daniel speaks of 10 horns *in his head*, i.e., singular head, not plural. The word for "head" here is the Aramaic noun "resh" which corresponds to the Hebrew "rosh." It often refers to the head as a body part, or could be that of an animal or statue. It sometimes refers to a leader or "chief" as well.

To the right of the head of the coat of arms is a representation of a unicorn. "In heraldry, this unicorn represents not only Scotland, but also a counterfeit Christ" (Cohen, pg 184). Symbolically, the unicorn in the past has represented Alexander the Great (Dan 8:5, goat with one horn) and Antiochus Epiphanes, a type of anti-Christ (Dan 8:9, "a little horn"). Mythologically, the unicorn probably originated in ancient Babylon and today is a symbol adopted by New Agers to represent "a great world leader" whom they expect to bring world peace to earth. Interestingly, in "Christian" symbolism, the unicorn has also represented the Virgin Mary.

In heraldry, and even historical representations, the unicorn's eyes are round and black, i.e., no visible eye-whites. (Queen Elizabeth's heraldic unicorn is depicted as thus.) Charles' design has the eyes shaped more like those of a human with noticeable eye-whites, (although not easily recognized in this particular copy.)

(Dan 7:8 KJV) ...and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.

Note the chain leading from the unicorn and connecting it to the base of the arms (directly above the red dragon.) In heraldry this chain functions as a "restrainer" (cf. 2 Thess 2:6-7).

At the base of the coat of arms is the heraldic symbol of Wales, the red dragon. (Below) The flag of Wales, approved in 1953, pictures a red dragon on a green and white flag with the motto "Y Ddraig Goch Ddyry Cychwyn," meaning "The red dragon gives the lead" (Cohen, pg 196). Note that the eldest-son label is around the neck of the dragon, thus associating it with Prince Charles.

THE GREAT RED DRAGON IS SATAN Rev. 12:3,9

Opposite the red dragon is Charles' badge as the heir-apparent to the British throne. It consists of three ostrich feathers surrounded by a crown with the motto Ich Dien. The meaning of Ich Dien is "I serve" in German. In old Welsh, Eich Dyn, as some believe the motto is a corruption of, is "Your man." The motto and ostrich feathers are associated with "the Black Prince" (Edward III's son).

Reading the motto and symbols from right to left, the following message is possibly conveyed: Ich, the Black Prince, Dien the Red Dragon (I, the Black Prince, serve the Red Dragon)

The British Royal Family trace their lineage back to King David through Solomon, the son of King David. Laurence Gardner's book *'Bloodlines of the Holy Grail'* even mentions the "Hidden Linage of Jesus Revealed" (Cover – page 22 below). It's all based on the false idea that Jesus did

not die and later married Mary Magdalene, fleeing across North Africa and crossed the Mediterranean Sea to the French coastline, and lived a quiet life of peace. (sic)

1296 AD	Edward I takes Stone to England	Recorded history

***Note:**

These dates are not to be taken as concrete, except for 1453, 1413, 583, 500 and 1296. These can be verified with historical record, and astronomical computation. The Great Pyramid reveals a date of 1453 BC for the Exodus. An inscription in an Ireland tomb shows the arrival date of Jeremiah as 583 BC

Below - Prince Charles wearing his Jewish Masonic skull cap at new chief rabbi inaugural Wednesday September 04, 2013. Britain's Prince Charles has raised eyebrows, attending the induction ceremony of UK's new chief Rabbi while wearing his Jewish skull cap. Prince Charles claim to being a Jew is linked to his genealogy to King David in the Old Testament.

"Jacob's Stone, or rock, was a type of [the Messiah David].

... For proof, let us go back to the place called "Bethel." There we find that after setting up the rock for a pillar, Jacob also anointed it with oil, which in sacred symbols is typical[ly done of kings, priests, and some prophets]. According to sacred history, this Bethel Stone is the only single stone that has ever been anointed; making it pre-eminently the "Anointed One." When [King David], the great prototype, came, and was anointed [and received] the Holy Spirit -(1st Samuel 16:12-13), He was pre-eminent among men, **"the Anointed One."**..."In the coronation of the kings of Israel we find, again, a special stone or pillar playing an important role. When Joash was brought forth and proclaimed the heir of David's Throne and was anointed King, the account states: **"And when Athaliah heard the noise of the guard and of the people, she came to the people**

into the temple of the Lord. And when she looked, behold, the King stood by a pillar, as the manner was" -(2nd Kings 11:13, 14) In the Revised Standard Version it is rendered, **"standing by THE PILLAR, as was their custom,"** the article **"the"** denoted a particular pillar, by, or upon, which it was the custom of Israel to crown their kings.

The entire history of the Davidic throne in the British Isles is linked to a mysterious, yet biblically significant, "coronation stone" called, by the Irish, the "stone of destiny." Beginning with the Milesian-Zarahite prince Eochaidh (see Chapter 12), every monarch of Ireland, Scotland, and Britain has been crowned on this very stone, including the present queen, Elizabeth II. This can hardly be a coincidence. The stone was delivered to the Isles by Jeremiah the prophet when he brought King Zedekiah's daughter, Tephai, to Ireland to marry into the Judah-Zarahite royal line. The stone was subsequently relocated to Scotland, where it was used in the coronation of Scottish kings. Finally, it was moved in 1296 A.D. to Westminster Abbey in London. There, King Edward I had a special "coronation chair" built around the stone. Every king or queen of Britain has since been crowned in that chair.

Until the late 1950s, there was a plate attached to the chair near the stone with the inscription "Jacob's Pillar Stone"—an obvious reference to Genesis 28:18. In 1996, the stone was returned,

by request, to Scotland, where it is presently stored in Edinburgh Castle. The coronation stone will be returned to Westminster Abbey upon the crowning of the next monarch of Great Britain, i.e., Prince Charles of Wales.

The stone measures about 26 inches long, 16 inches wide, and 10 inches thick. Its battered surface is marked by a crack running lengthwise. Iron rings are attached to each end through which a pole can be inserted to transport the stone (this was the common manner in which the tabernacle furnishings were carried; see Exodus 25; etc.).

But what is the origin of this mysterious stone? Was it really Jacob's "pillar"? Did Jeremiah really bring the stone to Ireland—and why?

The Irish "Lia-Fail" -

Setting aside myth and legend, established Irish history indicates that Jeremiah visited Ireland several years after the fall of Jerusalem to Babylon. In his company were Tephai, heiress to the Davidic throne, and Baruch, the prophet's personal assistant and scribe. He also brought several significant items to the Isles—including a stone the Irish Israelites subsequently named Lia-Fail or "Stone of Destiny." According to E. Raymond Capt, this is all verified in the annals of Ireland. "Many of the ancient Irish records, when making reference to an 'eastern king's daughter,' also mention an old man; 'a patriarch, a saint, a prophet,' called 'Ollam Fodhla,' and his scribe-companion called 'Simon Brug, Brach, Breack, Barech, Berach,' as it is variously spelled [in the accounts]. Reportedly, they carried with them many ancient relics. Among these were a harp, an ark or chest, and a stone called, in Gaelic, 'Lia-Fail' (pronounced Leeah-Fail), meaning 'Stone of Fate' or 'Hoary of Destiny.'" Capt, along with numerous other researchers, believes Lia-Fail is the same stone the patriarch Jacob anointed with oil at Bethel -(Genesis 28:18-19). Capt writes: "In the 'Chronicles of Eri' by Milner, we find Eochaidh, the husband of Tea Tephai, associated with the stone Lia-Fail. The account is titled, 'The Story of Lia-Fail,' and states: 'In the early days [of Israel's sojourning] it [the stone] was carried about by priests on the march in the wilderness.... Later, it was borne by the sea from east to west, to the extremity of the world [at] the sun's going [a Roman expression referring to Britain]. Its bearers had resolved, at starting, to move on the face of the waters in search of their [Israelite] brethren. Shipwrecked on the coast of Ireland, they yet came safe with Lia-Fail.... Eochaidh sent a [wagon] for Lia-Fail, and he himself was placed thereon [to be crowned]."

As brought out in Chapter 12, Jeremiah was used by God to arrange a royal marriage between Tephai—the daughter of the last king of Judah—and Eochaidh, a Milesian-Zarahite prince of Ireland. This union not only healed the longstanding breach between the Pharez and Zarah lines of Judah, it preserved the line of Solomon and the Davidic throne. But how is the "stone of destiny" related to maintaining the throne of David?

The stone was eventually housed in an area called Tara, at the "Fort of the Kings," near Ulster. At Tara, every subsequent king of Ireland was crowned while seated (or standing) on Lia-Fail. John Fox writes that Irish history "reveals that a continuous succession of ancient Irish kings was crowned on Lia-Fail for 1083 years." Around 503 A.D., the Irish prince Fergus Mor McEre

(Fergus the Great) was highly successful in his military efforts to annex parts of western Scotland. Fergus soon established a significant kingdom in Scotland and wanted to be officially recognized. As Capt notes, Fergus' intention was to "style himself king of Scotland." Understanding the significance of the "stone of destiny," Fergus had Lia-Fail brought to Scotland for his coronation as king. The stone was never returned to Ireland, but was kept in a sanctuary on the Isle of Iona. Like the Irish, every subsequent Scottish king was crowned on Lia-Fail ("Lea Gael" to the Scots). In 843 A.D., the Scottish king Kenneth McAlpin moved the stone to Scone—hence, the stone's later name "Stone of Scone." I remember as a teenager, my dad talking about the Stone of Scone. My dad was born and raised in Belfast, Ireland and came to the U.S. at the age of 17. It was all Greek to me as they would reminisce in family gatherings. My dad was one of thirteen brothers and sisters.

In 1296 A.D.—when King Edward I of England conquered the Scots and became "overlord" of Scotland—Lia-Fail was moved to Westminster Abbey in London. There, King Edward promptly had a special "coronation chair" built around the stone. The Scottish and English kingdoms were subsequently united in 1603 when James VI of Scotland was crowned at Westminster Abbey—becoming King James I of England. Every king or queen of Britain has since been crowned in that very chair, and all British monarchs are considered Scottish.

Ultimately, the relationship between the Irish, Scottish, and English royal lines is rather complex. However, it has been through these thrones that the Davidic royal line has been preserved. Moreover, it appears that the significance of the Davidic throne itself centers on the meaning behind the "Stone of Destiny."

Judah's Kings crowned on a unique "Pillar" stone! Why would Jeremiah have brought this mysterious stone all the way to Ireland unless it had profound significance? Is it possible that Lia-Fail was the very "pillar-stone" associated with the coronation of all the kings of ancient Judah—and was thus central to Jeremiah's divine commission to "build and plant" -(Jeremiah 1:10)?

The British coronation ceremony appears to be taken directly from the Bible—from the coronations of David and Solomon. Today, a new monarch is anointed with oil by the Archbishop of Canterbury, trumpets are sounded, and the people shout "*God save the King*" - (compare to 1st Samuel 10:24; 1st Kings 1:39; etc.). While a "coronation stone" is not explicitly mentioned in the Bible as a part of the crowning ceremony, there are unmistakable references that are usually overlooked. For example, when wicked Queen Athaliah usurped the throne of Judah, she had the remaining royal heirs put to death. Six years later, she discovered she had missed one of the heirs—Joash, who had been hidden as an infant. Ultimately, Joash was installed as king and Athaliah was executed -(2nd Kings 11). But notice the description of Joash's coronation, as witnessed by Athaliah herself: ***"And [Jehoiada, the high priest] brought forth the king's son [Joash], and put the crown ... upon him. And they made him king and anointed him, and clapped their hands and said, 'Long live the king!' And when Athaliah heard the noise of the guard and of the people, she came to the people into the Temple of the LORD. And she looked, and behold, the king stood by a pillar as usually was done, and the rulers and***

the trumpeters were by the king. And all the people of the land rejoiced, and the priests blew with silver trumpets. And Athaliah tore her clothes, and cried, 'Treason! Treason!'" -(verses 12-14).

In 2nd Chronicles 23:13, it says Joash ***"stood at his pillar."*** But both accounts are poorly translated. The words by and at are the same Hebrew preposition, which is frequently translated "on" or "upon". Moreover, in 2nd Kings 11, the definite article is used—Joash ***"stood on the pillar."*** In 2nd Chronicles, the text reads, ***"stood on his pillar."*** Thus, it was not just any pillar, but the pillar—one set apart for this purpose.

Notice that it was apparently routine to crown kings on this stone— the KJV reads, ***"as the manner was"*** -(2nd Kings 11:14).

In a related example, King Josiah—known for his many righteous reforms—pledged before all the people to follow God's way as revealed in the ***"book of the covenant."*** He did so "standing upon the pillar".

But was this "coronation" pillar the future "Stone of Destiny"—the esteemed Lia-Fail of Ireland? Was it the "stone of Jacob"—the one he anointed at Bethel? If so, what makes it so special?

In Genesis 28, we read of Jacob's journey to the area of Padan Aram in search of a wife. Along the way he spent the night at a place called Luz, using a stone for a pillow. That night Jacob had an unusual dream, wherein God reaffirmed to Jacob the earlier promises made to Abraham and Isaac. He said, ***"The land on which you lie I will give to you and to your seed. And your seed shall be like the dust of the earth, and you shall spread abroad to the west and to the east and to the north and to the south. And in you and in your seed shall all the families of the earth be blessed. And, behold, I am with you, and will keep you in every place where you go, and will bring you again into this land, for I will not leave you until I have done that which I have spoken of to you"*** -(Genesis 28:13-15).

Jacob awoke and said, ***"Surely the LORD is in this place, and I did not know it."*** Frightened, he added, ***"How fearful is this place! This is nothing but the house of God, and this is the gate of heaven!"*** -(verses 16-17). Jacob is inspired. He takes the "pillow" he had been sleeping on and sets it up as a "memorial stone"—and anoints it with oil. Then he renamed the place Bethel—***"house of God."*** Verses 20-22: ***"Then Jacob made a vow, saying, 'Since God will be with me, and will keep me in the way that I go, and will give me bread to eat and clothing to put on, and I come again to my father's house in peace, then shall the LORD be my God. And this stone which I have set for a pillar shall be [symbolic of] God's house. And of all that You shall give me, I will surely give the tenth to You."***

The physical dimensions of the Coronation Stone (see above) make it about the right size and shape for a pillow—yet no such stone would exist naturally. Its rectangular shape indicates that it had been quarried for building purposes—and apparently discarded. But why? Remember, the Stone of Destiny has a crack running its length. Such a crack would have rendered it

unacceptable for building purposes; hence it would have been rejected. Moreover, such a stone would have made a perfect “pillar”—or marker stone—if stood on its end. Obviously, Jacob wanted to be able to locate this spot later.

Indeed, some two decades and a dozen children later, the patriarch was commanded to return to Bethel -(Genesis 35:1). Once there—apparently with his entire household—Jacob built an altar to God and pledged to follow in His way. While at Bethel, God appeared to Jacob—changing his name to Israel and adding detail to the Abrahamic promises. **“And God said to him, ‘Your name is Jacob. Your name shall not be called Jacob any more, but Israel shall be your name.’ And He called his name Israel. And God said to him, ‘I am God Almighty. Be fruitful and multiply. A nation and a company of nations shall be from you, and kings shall come out of your loins. And the land which I gave to Abraham and Isaac, I will give to you, and to your seed after you I will give the land’”** -(verses 10-12). It is most interesting that God added the promise of **“many kings”** right in the place where Jacob had set up his “pillar”—the stone that would become the Coronation Stone of all the kings of Judah.

On this trip, Jacob once again sets up a pillar to honor God—pouring upon it a “drink offering” and anointing it with oil. Apparently, this second pillar was intended to be larger and permanent. Though the Bible does not say so, it is likely that at this time Jacob reclaimed the earlier “pillow” stone—with the intention of keeping it always.

After Jacob’s death, the Bethel-stone remained in the possession of his sons; it is likely that the tribe of Judah became its guardian, since the stone would come to be linked to royalty. Given the importance of the stone, there is no doubt that it accompanied the children of Israel on their journey from Egypt to the Promised Land.

As noted above, the Stone of Destiny has two “pole rings” used for transporting the pillar. The upper portion of each ring is worn thin, clearly indicating that the stone was carried for long distances. If the stone was only a “place marker” or a well cover, such rings would be unnecessary—and the wear on the rings would certainly not exist. Moreover, there is a groove worn between the two rings where such a pole would fit, indicative of the gradual erosion one would expect to find on a stone thus transported over an extended period. After all, Jacob’s esteemed pillar would not only have been taken to Egypt, it would have also been carried throughout their forty years of wandering in the wilderness. Presumably, it stayed in Jerusalem from the time of David until the fall of the nation in 586 B.C.

Interestingly, the particular geological material that makes up the Coronation Stone (calcareous sandstone) apparently cannot be found in the British Isles—but it can be found in the Middle East. Capt writes: *“One of the most significant facts about the Coronation Stone is that no similar rock formation exists in the British Isles. Professor [Charles] Totten, the eminent professor of science at Yale University [in the late 1800s], after making a thorough examination of the stone, made the following statement: ‘The analysis of the stone shows that there are absolutely no quarries in Scone or Iona [Scotland] [from which] a block so constituted could possibly have come, nor yet from Tara [Ireland].’ ”* Capt also cites a professor Edward Odum—a

geologist at Ontario University in the early 1900's—who conducted a microscopic examination of the stone. Odlum could find no similar material in the Isles, but he did find a stratum of sandstone in the vicinity of Bethel that is geologically identical to the Coronation Stone!

As the children of Israel wandered in the wilderness for 40 years, the Scriptures suggest that a highly favored rock accompanied them. In Exodus 17, we see that the Israelites were in need of water—and Moses turned to God for help. God instructed Moses to strike a certain rock on which He would stand -(verses 5-6). This was not just a rock in the wilderness—it was, as per the Hebrew, **“the rock”**—indicating a specific one. Did God direct Moses to Jacob’s Bethel-stone, a rock everyone recognized? Likewise, in Numbers 20, God again directs Moses to speak to **“the rock”** in the presence of the people -(verses 8-11). The indication here is that the people were quite familiar with this unique rock and aware of the miracles associated with it. Again, was this Jacob’s pillar stone? Later, as the children of Israel passed through the area of Edom, they promised to refrain from drinking the water of the land -(verse 17). This suggests that they had a ready supply of water— perhaps via the same rock.

The apostle Paul makes a veiled reference to a rock that **“followed”** Israel -(1st Corinthians 10:4)—using it as a symbol of Christ. He was undoubtedly comparing Jacob’s pillar—the rock that literally accompanied the children of Israel, miraculously giving them life-saving water—to the spiritual Rock of Israel, Jesus the Messiah, Who offers mankind the living water of eternal life -(John 4:14). Jesus, like Jacob’s cracked pillar, was rejected of men -(1st Peter 2:4-8)—yet chosen of God. Indeed, Jacob’s Bethel pillar-stone is thoroughly messianic, pointing us to the living Stone of Israel. The **“Stone of Destiny”** is uniquely tied to the ongoing preservation of the Davidic throne because Jesus’ destiny is to ultimately sit on that very throne -(Luke 1:32-33)—leading all mankind to eternal life.

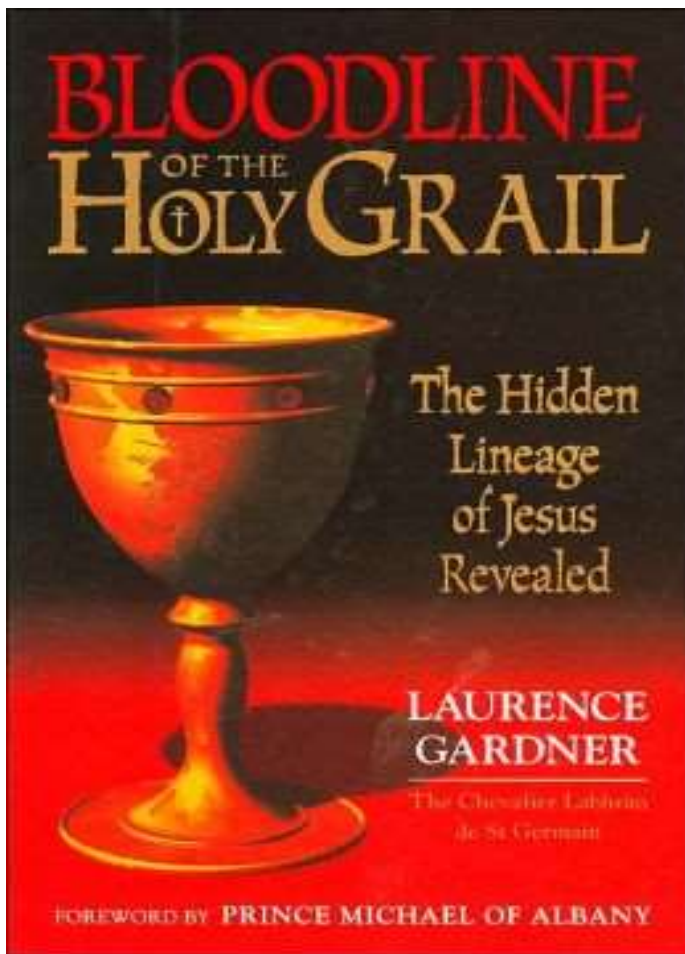

I have shared this background from E. Raymond Capt because of his research. E. Raymond Capt (M.A., A.I.A., F.S.A. Scotland) was a Biblical Archaeologist and his many works support the great historical truths contained within the Bible. He gives much technical information in an easy to understand format for the layman. I referred to his work on the Great Pyramid in my eBook: *'The Season of the Rapture: God's Threefold Witness'*. His research is a major factor in the lineage of the British Royal Family, Prince Charles, King of Wales, and heir-apparent to the throne of the UK, as well as King of the World as the future Antichrist or faux Messiah.

The fire engine “Red Dragon” of Revelation 12:3 emblazons the tail portion (above) of Prince Charles personal airplane. Air Wales uses the “Red Dragon” as its official logo, very appropriate would you not agree?

When you see the genealogical charts of the Royal Family, you will see that they not only trace their lineage to Jesus of Nazareth, but go back a thousand years before Jesus, to King David. This fact demonstrates something that is not noted often in books on the Royal Family. In the larger scope presented by the Merovingian Blood Lines, the further back in time that you could claim your place in the pecking order of the ancient kings. The lineage chart on page 24 and 25 below “trumps” the other Merovingian blood lines as readers can see by comparing royalty blood lines on page 47 with that on pages 23 and 24.

Laurence Gardner’s account in his book, *‘Bloodlines of the Holy Grail’* lays out an impeccable lineage charts showing a “continuous” line in the House of Judah, from King David and through his son Solomon. The absolute date of David's reign is based primarily on counting backwards from a fixed event, the Battle of Qarqar in 853 B.C., in which Israel's King Ahab took part, as recorded on the Kurkh stela. It's pretty complex when you get into it. K.A. Kitchen determines the date for David's 40-year reign to be from about 1010 to 970 B.C.

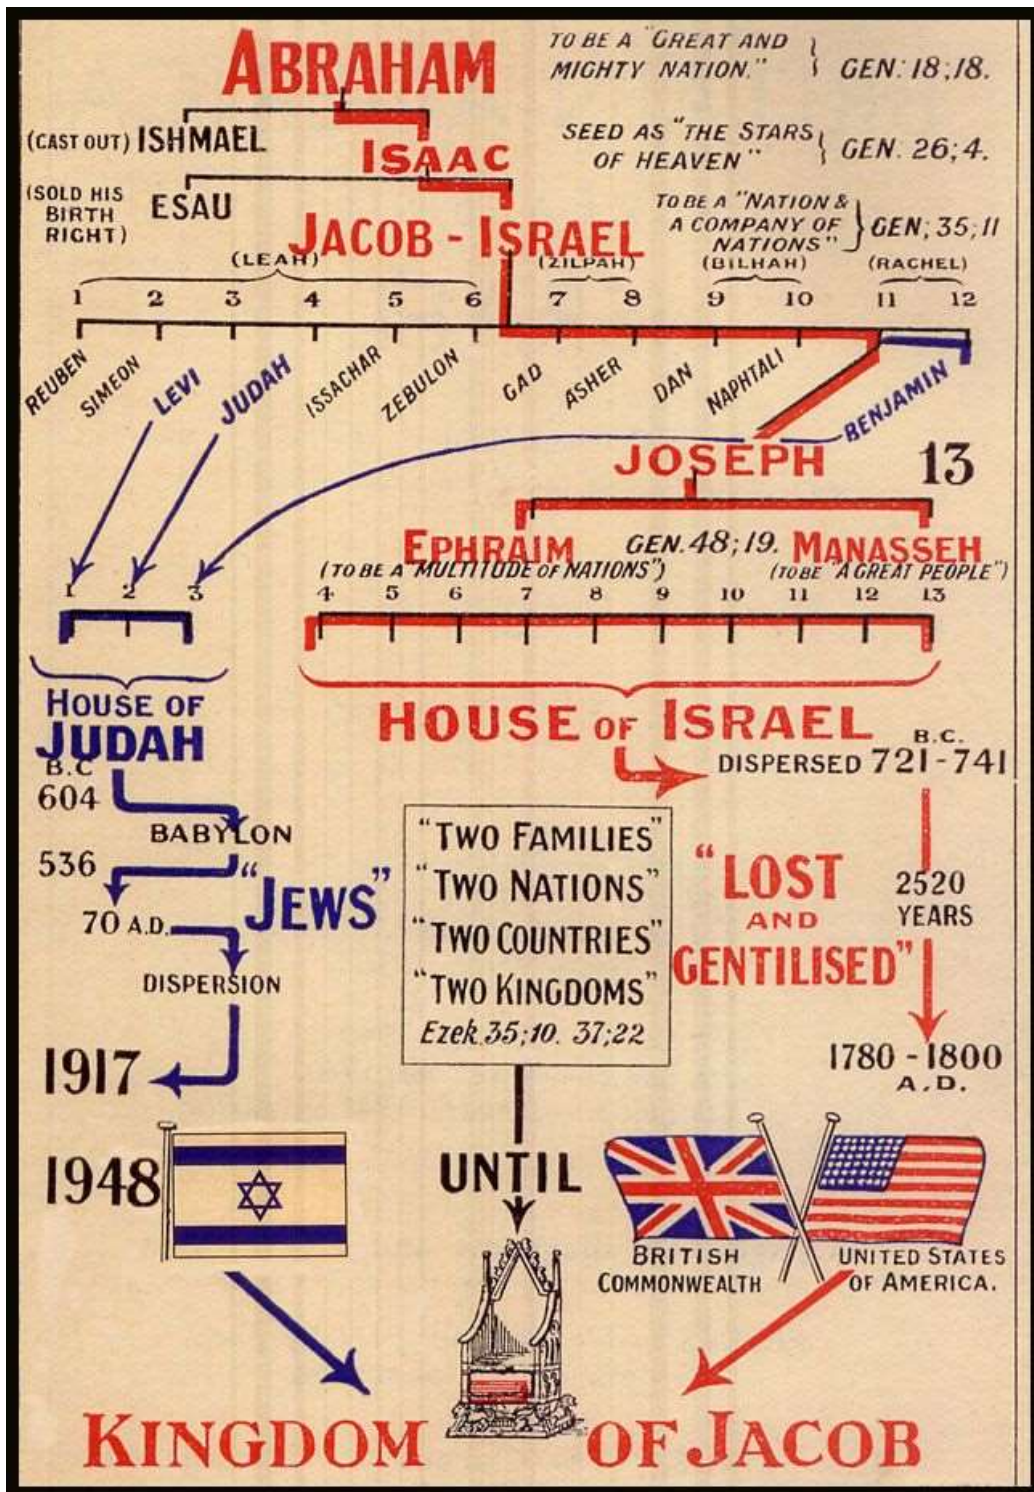

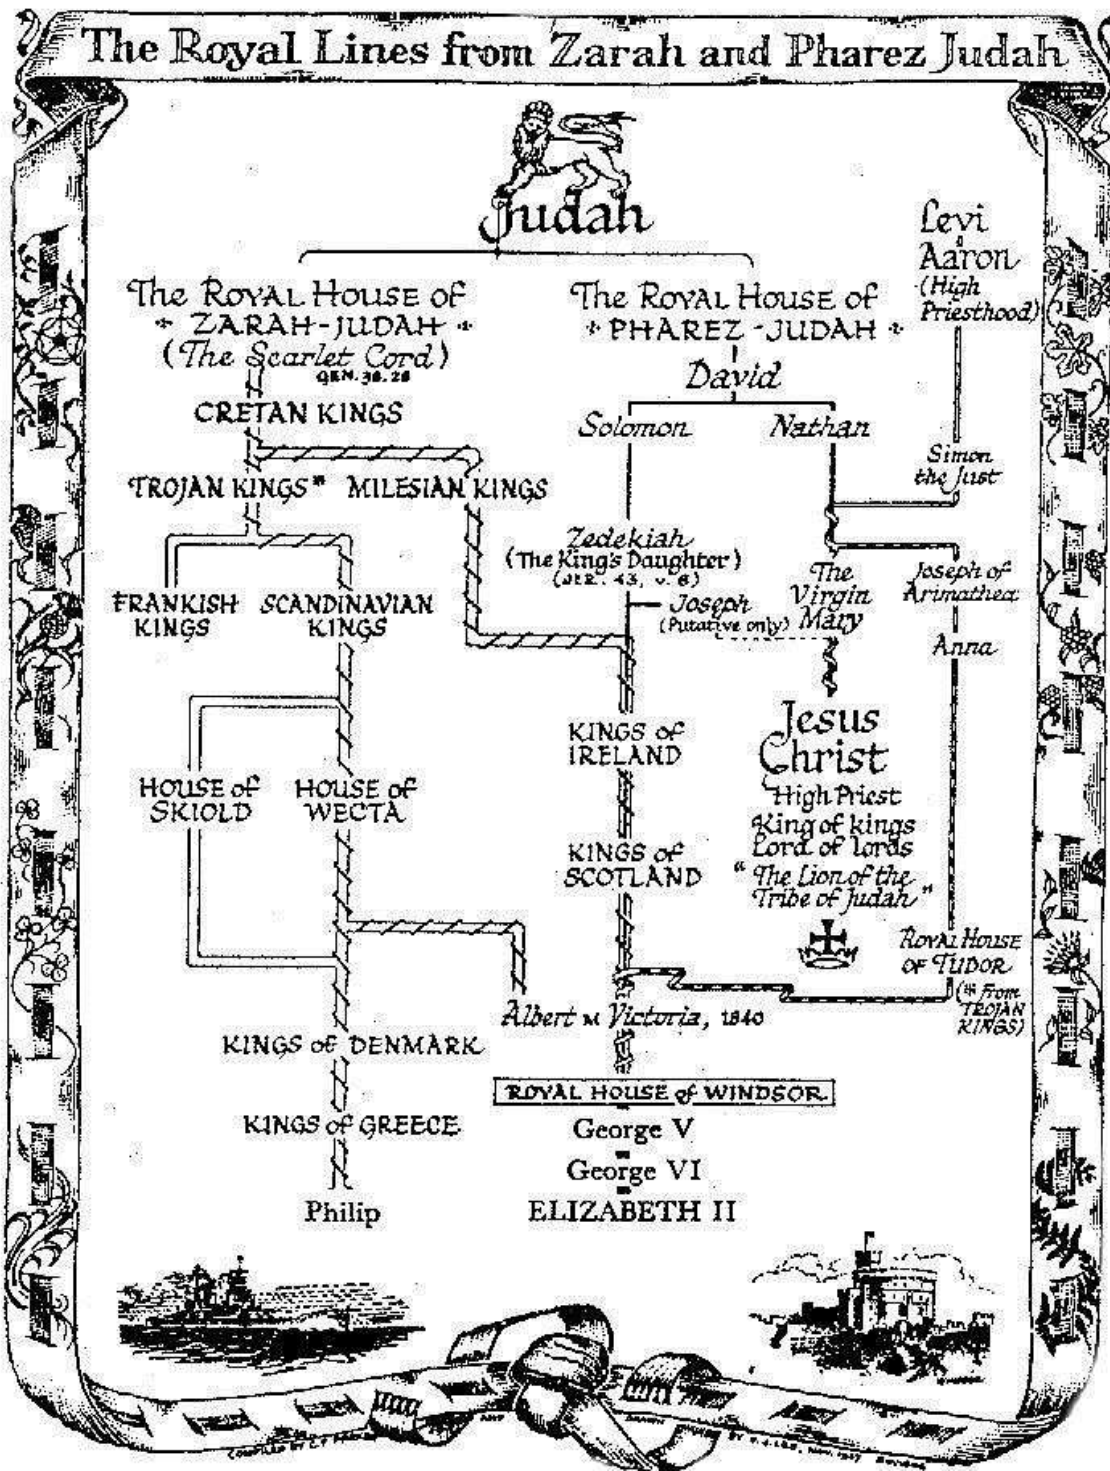

It is difficult to pinpoint relative dates for events in David's life. The primary Scripture with relative dates of David's life follows:

"David was thirty years old when he became king, and he reigned forty years. In Hebron he reigned over Judah seven years and six months, and in Jerusalem he reigned over all Israel and Judah thirty-three years." -(2nd Samuel 5:4-5; cf. 1st Kings 2:11). The book is fraud worthy of what you would expect from Satan’s disciples.

← Cover shown to the left of Laurence Gardner’s book *‘Bloodlines of the Holy Grail’*. This book came out in 1996, two year before Tim Cohen published his book *“Antichrist and A Cup of Tea”*. Even if one had read just one of these two books, there would be no doubt as to the identity of the False Messiah. I have both books and have read them several times, along with what I know about the

House of Rothschild from Andrew Carrington Hitchcock's 3rd edition of 'The Synagogue of Satan,'. You can conclude it as a "slam dunk" that Prince Charles is the coming Antichrist. I might add that Tim Cohen has a second edition of his book due out shortly. In discussions I had with him, Tim firmly believes that the Antichrist will not be Prince Charles oldest son, Prince William. I brought up the point about Prince William having been chosen by his grandmother,

the Queen to be the next king, but Tim said it cannot be done because of legal requirements in the succession of heirs to the throne! The Queen was quite upset when Prince Charles married Camilla Parker Bowles. She had even put Prince William through an intense five-year plan of OJT (on the job) training to prepare Prince William to become the next King.

Order Of The Garter, Committee Of 300.

UK Daily Mail–14th June 2011—The Order of the Garter is the oldest and most senior British Order of Chivalry, founded by Edward III in 1348. **Membership in the order is limited to the sovereign, the Prince of Wales,** and no more than 24 others. The Queen and Prince Philip walk down the steps of St George's Chapel in Windsor Castle after the Most Noble Order of the Garter service <http://www.dailymail.co.uk/femail/article-2003099/Duchess-Cambridge-Kate-Middleton-Prince-William-Garter-Day-celebrations.html#ixzz1PGHDzmywQ>

Order Of The Garter (Inner Core of The Committee of 300 also Knights of the Garter)

Order of the Garter is the core of the Committee Of 300 (aka Olympians). Queen Elizabeth II is the leader of this organization. Its members include most if not all of the royal British family along with, many peers of the realm including Lord Rothschild, as well as other European nobility, and a slew of other wealthy individuals scattered across Europe and America. These elite own businesses on every level, especially the oil and banking industry. George Bush is a recent member who was knighthooded by the Queen on December 20, 1993, as a Knight Grand Cross of the Most Honorable Order of the Bath. This was for his leadership in the Gulf War, when he sent American soldiers to die for England's interest of their petroleum in Kuwait. General Colin Powell and General Norman Schwarzkopf were given also lower order of knighthoods. Lord Peter Carrington, who is a member of the satanic Order of Osiris and other demonic groups is a member of the Order of the Garter. By the way, Prince Charles Coat of Arms has another symbol--The Order of the Garter. The Order of the Garter is the parent organization over Free Masonry, world-wide. When a man becomes a 33rd Degree Mason, he swears allegiance to that organization, and thereby to Prince Charles. <http://www.theforbiddenknowledge.com/hardtruth/orderofgarter.htm>

The Order of the Garter is the secret inner group which is an elite group within the Order of St. John of Jerusalem: The Knights Hospitaller, also known as the Order of Hospitallers or simply Hospitallers which is the British part of the Knights of Malta.

The Knights of the Garter are the leaders of the Committee of 300.

http://wikicompany.org/wiki/911:Committee_of_300

One of the most powerful organizations in Britain is the Committee of 300 -- it is an organization comprised of 300 powerful people. This organization was revealed and exposed by many authors, and its existence was testified to by John Coleman, a former British Intelligence agent. However, the truth has rarely been touched upon -- the Committee of 300 is an "inner core" of SMOM, and thus a "subsidiary" to **Jesuit/Vatican power.**

The **Committee of 300's members are members of the Black-Nobility families**, which also represent nearly half of SMOM, making tangible connections between the organizations, through their members, hard to avoid. More importantly, the Committee of 300 is dominated/controlled by the Order of the Garter, a British organization controlled by the Pilgrim Society. Both the Order of the Garter and the Pilgrim Society are "inner cores" of SMOM, and the Pilgrim Society is based in SMOM's City of London. SMOM **is subordinate to the Jesuits, who control it** and the Vatican.

Prince Charles: “Let’s Remember Muhammad on Christmas”

Dec 22, 2016 - While speaking on the British radio show “Thought for the Day,” the future King of Britain, Prince Charles, said that Christians should be more mindful of Islam and Muhammad during the holidays.

<https://townhall.com/tipsheet/justinholcomb/2016/12/22/prince-charles-this-christmas-lets-not-forget-to-remember-prophet-muhammad-n2262737>

Pope Francis and the British Crown have been conducting meetings since Pope Francis was elected pope in preparation for the coming One World Religion. Prince Charles is a Jew, and a decade ago he changed his duty of “Defender of the Faith” to “Defender of the Faiths”. In 2013, the UK *‘Independent’* raised the question: Would Prince Charles stand up for Christians in Israel? The picture on the next page with the Israeli ambassador was making a dig at England’s future king and King of the World!

The Prince of Wales has often spoken of aspiring, when he is King, to be known not as Defender of the (Anglican) Faith alone, but “Defender of all Faiths”. His open attitude towards other religions has been established long ago so that he need not worry about being accused of Islamophobia.

But recent events in the Middle East have forced him into an intervention he would have been happy to avoid. Watch for more appearances by Prince Charles in the world media!

“Christianity was, literally, born in the Middle East and we must not forget our Middle Eastern brothers and sisters in Christ”, he said at an interfaith gathering in Clarence House. And he urged Christians, Muslims and Jews to unite in “outrage” as he warned of the elimination of Christianity in much of the region in which it developed.

The problem is becoming especially acute in Syria and Iraq, where the West appears powerless to help beleaguered Christians. But is the Prince aware of what is happening in the actual places where Christ was born and grew up, and where international pressure could be very effective?

When a reporter was in Israel a year ago there was talk of a passing urgent bylaw which would have criminalized the placing of anything resembling a Christmas Tree in or near restaurants or

places of entertainment. This did not actually happen, but it is typical of the Jewish State's attitude toward Christians.

Prince Charles never really had an exclusive liking for the ladies, as 'The Globe' headlines highlight. His marriage to Diana was largely for show of royalty benefit and to breed male heirs for the throne. Daniel 11:37 states that: ***"He will show no regard for the gods of his ancestors or for the one desired by women, nor will he regard any god, but will exalt himself above them all."***

In the past three years there have been numerous reports of the world's sex-trafficking of children around the world, with multiple links leading back to the Royals, including the involvement of both Prince Charles and his brother Prince Andrew. The UK has more than fifty daily papers in London, and the largest Paparazzi following of any royal family in the world.

Dying Mi5 Agent Admits to Killing Princess Diana in Deathbed Confession Retired hitman confesses to murder of The People's Princess 19th June 2017

80-year-old John Hopkins is a retired Mi5 operative who worked as a hitman for UK Government and claims to have carried out 23 assassinations between 1973 and 1999. "The Royal Family had evidence that she was planning to divorce Charles." "She knew too many Royal secrets. She had a huge grudge and she was going to go public with all sorts of wild claims." "My boss told me she had to die – he'd **received orders directly from Prince Philip** – and we had to make it look like an accident." "I'd never killed a woman before, much less a princess, but I obeyed orders. I did it for Queen and country."

He claims the operation was run under strict control from Buckingham Palace in direct cooperation with the mainstream media. The high-level conspiracy involved collusion between the media and Palace to "square their stories, make sure everybody was on the same page. It was a well-run operation." Speaking about the conspirators in the operation, Hopkins said: "British journalists all answer to editors who answer to oligarchs who all want knighthoods from the crime family at Buckingham Palace."

"There is no free press in Britain," "We got away with murder."

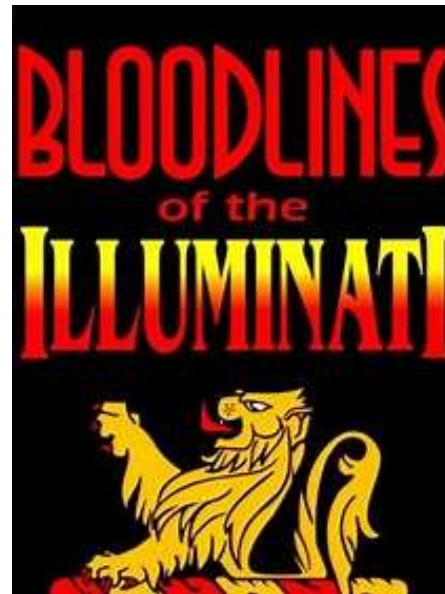

When Hopkins was asked why he didn't expose the plot earlier or refuse the job at the time, he explained: "**MI5 agents swear allegiance to the Crown,**" "We can't be impartial when it comes to the Royal family." "At best I would have been done for treason, at worst Philip would have designed a grisly fate for me."

The god of this world in its full reality is Lucifer, Satan, the devil. But he is a defeated foe to those who have already died to self and have hidden their life with Jesus Christ in the One True Living God.

The thirteen bloodlines of the Illuminati are based upon Fritz Springmeier's book:

- The Astor Bloodline
- The Bundy Bloodline
- The Collins Bloodline
- The Dupont Bloodline
- The Freeman Bloodline
- The Kennedy Bloodline
- The Li Bloodline
- The Onassis Bloodline
- The Reynolds Bloodline
- The Rockefeller Bloodline
- The Rothschild Bloodline
- The Russell Bloodline
- The Van Duyn Bloodline
- Merovingian (European Royalty)

The British Royalty are tied in with the 13th Bloodline. Many of the American political leaders have been related to the British Royalty including the late George Bush and Dan Quayle. It is from this 13th Satanic bloodline of the tribe of Dan, Judas Iscariot, the most powerful Satanic bloodline from which the Antichrist, Prince Charles of Wales comes. The 13th or final blood line was copied after God's royal lineage of Jesus. In this perverted yet powerful Satanic belief system, this was the Satanic House of David with their blood which they believe is not only from the House of David but also from the lineage of Jesus, who they claim had a wife and children. The 13th Satanic bloodline was instilled with the indwelling of Satan and they would carry the blood of Lucifer. Yes, this is what they really believe - that Lucifer was Christ's brother and that Jesus Christ did not die on a Roman Cross on Calvary, but married Mary Madeline and produced this bloodline which has a divine right to rule the world. Their god is Lucifer. The very spirit of Lucifer is Satan the devil and will soon indwell Prince Charles of Wales who will become the antichrist and seek to have all humanity worship him as the god of this world.

The 13th Illuminati Bloodline is where the Anti-Christ will come from. This bloodline believes that it has both the Holy Blood of Jesus and the blood (or seed) of Satan in its bloodline. This bloodline is so extensive in its many branches that its membership takes in many of the Presidents of the United States, including the late George H.W. Bush and George Washington.

All of the Mormon presidents in history; whether RLDS or LDS, trace their blood back to this 13th bloodline. Within the Illuminati rituals, the emphasis of the 13th bloodline is that they are the seed of Satan. They really believe that they are the direct descendants of Jesus's spiritual

brother, Lucifer. Some of the earliest attempts to trace the seed of Satan were some books which did extensive research on the Tribe of Dan and the decedents of Cain. *'The Curse of Canaan'* is an interesting book along with its mate *'World Order'* by Eustice Mullins. Another good book if you can find it is Gerald Massey's *'A Book of the Beginning'* (Secaucus, NJ: University Books, Inc., 1974.) The book shows in detail how the inhabitants of the British Isles came originally from Egypt. This is Important because the Druidism of the British Isles was simply a derivative from the Egyptian Satanic witchcraft/magic of Ancient Egypt.

The Illuminati is the continuation of the Mystery Religions of Babylon and Egypt. And the bloodlines of the Illuminati go back to people who at one time lived in Babylon and Egypt.

The 13th Illuminati family does go back to ancient times. Is this via the Tribe of Dan or via some Druidic bloodline or is it via the Merovingian's or all three. The 13th bloodline has amassed a great deal of power and wealth on this planet. This bloodline lacks nothing in order to bring forth their Anti-Christ who will appear to have all the correct credentials. In fact, I would not be surprised if in order to appear real, their Antichrist will expose another Antichrist. The 13th bloodline has kept its genealogies very secret, yet you may find the bloodline of Prince Charles going all the way back to David and the tribe of Judah.

The tribe of Dan was prophesied to be the black sheep of the nation of Israel which would bite the other tribes of Israel. The tribe of Dan had the snake and the eagle as its two logos. This tribe left its calling card all over Europe as it migrated west in the names of many places. The tribe of Dan ruled the Greeks, the Roman Empire, the Austro-Hungarian empire and many others which used the eagle as its logo.

Great Britain is the mother country of Satanism. Wales has long been an occult center. The national symbol of Wales is the "Red Dragon." The Gaelic language is an important language for Satanism, although English and French are also used extensively by the Illuminati. The planning sessions for world takeover that some ex-Satanists experienced were held in French.

The British Royal Family has long been involved with the occult. They have also been actively involved with Freemasonry. British MI6 have been a major vehicle for the Satanic hierarchy while working behind the secret veil of Freemasonry to control world events. British MI6 is the most secret intelligence organization in the world. It is properly known as British Secret Service not to be confused with the U.S. agency by that name but performing a different function entirely. It is the personal secret service of Prince Charles, who may be the richest man in the world with some estimates of his personal net worth being as high as 26 Trillion Dollars.

The British Royalty have served as important figureheads to British Freemasonry lending credibility and respectability. British Freemasonry has managed to keep itself free of much of the criticism that the other national Masonic groups have brought on themselves. However, much of the credibility of British Freemasonry is undeserved. By their dues and activities in the lower level Masons, British Freemasonry are unwittingly supporting an organization that is led

by Satanists at the top. The English Grand Masonic Lodge, all Freemasonry, all of the occult, the Vatican, and all major national and military intelligence agencies are all working together.

The view from the top of this Satanic Antichrist pyramid structure helps maintain an overall perspective of their vision. When you go to the top of the Antichrist structure and examine the scheme of things you have to look at the prince himself. **"And the dragon gave him his power and his throne and great authority."** The dragon is "symbolic" to others, but not to Prince Charles. He has a red dragon on his coat of arms. It comes from the flag of Wales, and it is in this title, Prince of Wales, that Charles is heir-apparent to the throne of Great Britain. At his coronation (investiture as Prince of Wales) in 1969, he sat on a chair with a large red dragon emblazoned on it. During the ceremony, his mother Queen Elizabeth II explicitly said, **"This dragon gives you your power, your throne and your own authority."** His response to her was, *"I am now your Liege-man, and worthy of your earthly worship."* Liege is an old English word meaning "Lord". *"I am now your Lord-man, and worthy of your earthly worship."* Another reference to the red dragon is in Revelations 12:3: **"And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads"**. Prince Charles is the ONLY person in the world to whom this Scripture: **"And the dragon gave him his power and his throne and great authority"** can literally be applied to!

Another symbol on Prince Charles' Coat of Arms is that of The Order of the Garter. The Order of the Garter is the parent organization over Free Masonry, worldwide. When a man becomes a 33rd Degree Mason, he swears allegiance to that organization, and thereby to Prince Charles.

According to the book '*Morals and Dogma*' of the Ancient and Accepted Rite of Freemasonry' written by Albert Pike (Grand Commander, Sovereign Pontiff of Universal Freemasonry, July 14, 1889) *Lucifer is the GOD of Freemasonry* (see page 321 of the 1942 edition). On page 819 you will find just one example of why there are many people in Freemasonry who believe that it is natural to be a Christian and a Mason. Masonry intentionally misleads the low degree initiates and hides the truth that the god of Freemasonry is Lucifer as revealed in the rituals of the 19th degree, excepting those in the 30th and higher degrees. "The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are on display there to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine he understands them." On March 6th, 1996 on CNN, Prince Charles showed the world that he and his two sons William and Harry, had been the first people to be voluntarily implanted with a microchip (traceable biochip) in their right hands, allegedly for security purposes.

On June 26th 1994, Charles announced that when he becomes king, he will relinquish the monarch's role as head of the Church of England. He said he would rather be seen as "defender of faith", or "defender of the faiths," rather than "defender of THE faith." I happen to believe that the Catholic subjects of the sovereign are as important [as the Protestants], not to mention the Islamic, Hindu and Zoroastrian," he told the independent Television network. There are currently at least two biographies available on Charles that describe his desire to unite all the world's religions 'in order for peace' (see Daniel 11:37).

Various reports have appeared in London and Arabic newspapers over the last few years, claiming that Charles has converted to Islam. This supposedly took place when he met with the mufti of Cyprus Shaykh Nazim Adil (in 1993). Now while there's no actual evidence to prove that he has converted to Islam, there is no evidence to prove that he hasn't. In fact his lecture delivered in February 1994 at Oxford extolling the virtues of Islam, his frequent visits to Islamic holy places, his dedication of a South London mosque, outfitted in traditional Sunnah attire; and his 1993 trip to see the Quran of Sayiddina `Uthman (in Tashkent, Uzbekistan) with Shaykh Hisham Kabbani, only lend credence to the claim. Of course, this is just the sort of tactic to expect from the antichrist. That is to say, if he were to openly come out and say that he had converted to Islam, this would make many Jews wary of him. Whereas, if he were to spread rumors that he was a Muslim and not publicly deny them, then he could get Muslims on his side whilst not alienating Jews.

On June 2nd 1953, with the Knights of the Garter carrying and holding the canopy over her head, Elizabeth II was anointed and crowned as "Queen of thy people Israel". Both Prince Charles and his mother believe that the throne upon which the queen was crowned, the famous coronation chair at Westminster Abbey in London, is the rightful throne of King David. One of the reasons for this is because until recently it contained a 336-pound stone known as Jacob's Pillar (also referred to as Jacob's head-rest, the stone of Scone, or the stone of destiny). For more information on the significance of this stone see Genesis 28:18. In 1296, Edward I stole the stone and took it to England, where it was placed in Westminster Abbey, and used since 1308 for English coronations. On St Andrews Day, 30th November 1996, on Queen Elizabeth's orders, the stone was taken back to Scotland and installed in Edinburgh Castle. Many people believe that this stone will be used to crown the Antichrist (posing as the messiah). (See also Ezekiel 21:27, Genesis 49:10, Daniel 9:24, and Ezekiel 37:22).

Many blasphemous European royalty including Prince Charles and Queen Elizabeth II claim to be of the Blood line of Jesus Christ and Mary Magdalene. According to the lie, Jesus didn't die on the cross and rise from the dead. Instead they claim he married Mary Magdalene and fathered a number of children. This bloodline is referred to as the "*Holy Grail*", with those possessing it believing themselves the rightful heirs to the throne of Jerusalem. They believe that a new king of "the holy seed of David" will preside over the "Masonic kingdom" of Israel and the world. Prince Charles' link to the non-existent bloodline of Christ is through the Merovingian Kings of France. He is allegedly descended from the Merovingian Hildegarde.

Interestingly, Princess Diana's Bloodline can also be traced back to the Merovingian's. This is why Prince Philip selected her. Prince Charles World Business Forum comprises 200 of the world's top corporate leaders and consolidates 26% of the world's wealth. Charles is literally able to steer the environmental ethics & business agendas of the world's most powerful multinational companies. The holdings of the House of Windsor constitute enormous wealth including the Archer-Daniel's-Midland company (they are stockholders with controlling interest) which controls 75% of the world's grain. In times of famine, the royal family will literally be able to control who eats and who starves.

Prince Charles considers himself to be psychic and believes in guidance from the spirit realm. The Queen (also involved in spiritism) and Prince Philip both believe that Charles, **"is the Chosen One - placed in line for the throne through a divine, preordained plan."** In the early 1990's representatives of Israel and the Palestinians were invited to a secret meeting in London, during which it was decided to try secret negotiations in Oslo, Norway. The Israelis were represented by Yitzchak Rabin, and the Palestinians were represented by King Hussein of Jordan (both 33rd degree masons). The third party at that meeting was Lord Victor Mischcon (also a 33rd degree mason), and personal attorney for Prince Charles. Prince Charles attended the funeral of Yitzchak Rabin. Within two hours after the funeral, according to the Jerusalem Post, Prince Charles was in Prime Minister Shimon Peres' office "insisting" that he attend a meeting at the Orient House, (in the Palestinian sector of Jerusalem), to begin negotiations to give back the Golan Heights to Syria. To truly understand Charles, it is important to understand his father, Prince Philip. Philip is a eugenicist who wants to reduce the population of this planet from a current level of about 7 billion persons, to much less than 1 billion within the next two generations. To quote Prince Philip *"In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation."* Prince Charles may seem like a wimp, however he is quite athletic, an expert horseman, a qualified jet fighter pilot in the Royal Air Force, a qualified helicopter pilot in the Royal Navy, and a senior military officer in all three branches of armed services.

No one else on Earth has the religious, political, financial, historic, and other ties that Charles has! Prince Charles media exposure has exceeded that of any other man in history! Still not convinced? Then read 2nd Thessalonians 2:9-12: ***"Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness."***

It is my view that the Christian community in the U.S. which has been identified as Christian Zionists are in for a huge disappointment and have been misled by Christian Zionist leaders like John Hagee, Dr. Michael Evans, Benny Hinn, Paula White, and Kenneth and Gloria Copeland. From the writings of 'Charisma' magazine, a Charismatic/Pentecostal publication that is on the forefront of championing the State of Israel. Books they have published by their editor will yield an empty and hollow outcome. They are either dishonest or do not care that the Temple building movement is the work of Satan, and not of God. Dr. Michael Evans said on January 24th, 2020 that he has been a major solicitor of American Christian donations for Israel. Mike Evans, a major American Evangelical leader, says the Trump administration's peace deal is the best offer ever made to Israel, and it's a good thing that the Blue and White Party leader Benny Gantz is going to the White House this week, 'Ynet' reported on Sunday. Benjamin Netanyahu said Sunday, January 26, 2020: ***"This week, Trump and I make history"***. That they will, but not what most Christians seem to think!

President Donald Trump, seeking to halt anti-Semitic discrimination in America, signed a historic executive order on Wednesday, Dec. 11 at 2:45 p.m. in the Oval Office.

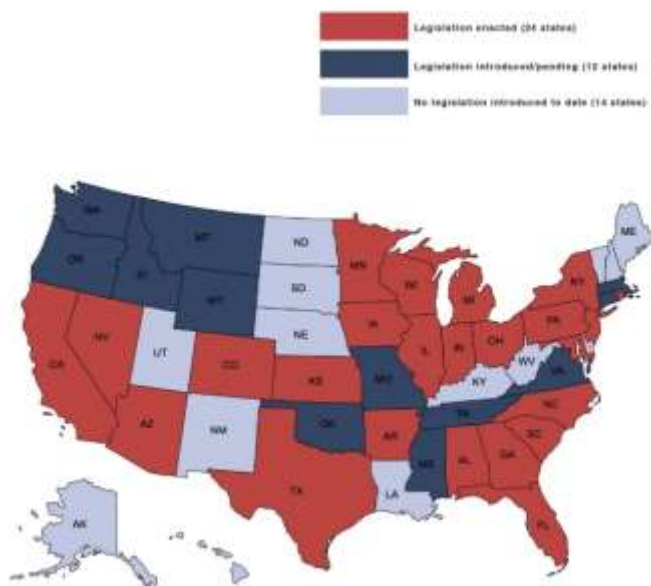

"This is the first time any U.S. president has applied Title Six as a matter of law dealing with anti-Semitism," observed Mike Evans, who has dedicated his life to fighting anti-Semitism and who leads 68 million pro-Israel evangelicals. Evans, who attended the signing, said, *"I am so thankful it prohibits discrimination on the basis of race, color and national origin in programs and activities receiving federal financial assistance."*

The executive order takes the 1964 Civil Rights Act and applies it to anti-Semitic discrimination. Both the Department of Justice and the Department of Education will hereinafter be responsible for the implementation of all anti-Semitic laws. This Bill dispenses with SA52 and the prior Anti-Semitism Act.

Evans explained that U.S. universities have become a hotbed of anti-Semitism which has been growing exponentially. *"The Boycott, Divestment, and Sanctions movement against Israel is supported on most campuses. Colleges and universities should be places of learning and open dialogue, providing safety for Jewish students who all too often feel threatened."*

This legislation will mean that if anti-Semitic acts are committed on a university campus, federal funding for that institution could be lost. Billions of dollars have been poured into U.S. universities by Islamists with anti-Israel agendas that only serve to fund and fuel anti-Semitism. Thanks to President Trump, the campus BDS movement has just been busted! President Trump opened the bottle letting the genie out that will do more harm than good for the Jewish community. I have noted elsewhere that the United Methodist Church was one of three mainline denominations that are part of the BDS movement. With 117 colleges/universities and 13 seminaries part of the UMC network, the President's executive order is a ticking time

bomb nightmare and lawsuit-happy law firms. The map to the left shows how many states have or have pending legislation that would violate an individual's First Amendment rights of freedom of speech. The number of States has since risen to 27 in the past two months.

Benjamin and Sara Netanyahu landed in D.C. on January 26, 2020, at about 8:00 P.M. Among others, US Ambassador to Israel David Friedman flew on his plane. Benjamin Gantz arrived in the US earlier in the day, traveling on a separate airplane.

Palestinian Authority President Mahmoud Abbas reportedly refused to take a phone call from US President Donald Trump ahead of the White House's expected release of a Mideast peace plan which was rejected by Ramallah as one-sided in favor of Israel. This is the obstacle that makes the Trump/Kushner "peace plan" a huge dud! While Israel and the U.S. leaders are making a big deal out of "making history" this week, Prince Charles was visiting and showing his empathy for the Palestinian plight and offering them moral support for their goal of statehood.

On January 24th, 2020, President Mahmoud Abbas welcomed Prince Charles, the Prince of Wales and the British Crown Prince, at the Presidential Palace in the city of Bethlehem, south of the West Bank. The meeting between Prince Charles and Mahmoud Abbas was far more cordial. At the same time, Palestinian news sources said Mahmoud Abbas refused to take a call from President Trump. Does this not tell you where the Trump/Kushner "peace plan" stands?

President Abbas extended his thanks to the United Kingdom for its assistance to the Palestinian people in building state institutions, as well as its assistance to the UNRWA, and for accepting the two-state solution and rejecting the US-led "deal of the century".

Our hope in the near future is that Britain recognizes the State of Palestine, because we've heard that the British Parliament recommended this to the UK government. *"So, we hope that this will happen,"* said President Abbas.

On the other side, Prince Charles praised the historical Palestinian-British relations and said he looks forward to achieving peace in the region.

Prince Charles was in Israel to attend the 75th Anniversary of the liberation of Auschwitz death camp, and to visit his grandmother's grave in Jerusalem.

There will be times in the near future that Christians will start to waver in their faith because of the strong antichrist spirit, evidenced by Christian leaders and scholars questioning this entire deception of Christian Zionism which is being exploited by the Zionist Chabad Lubavitch Judaism movement. Central to all of this is the coming Third Temple. Although not specifically identified in Netanyahu's remarks about annexing the Jordan Valley for its water and making room for new settlements, the Temple Mount is a high-value piece of real estate that Jews are demanding back. It has been under the administration of the State of Jordan. Those pushing for the reconstruction of the Third Temple see the present as an ideal time to reclaim what they gave back to Jordan after the IDF victory in the 1967 Six-Day War.

Israel gave the Temple Mount back with the idea that it might lead to peace with their neighbors. Israel's decision to return control of the Temple Mount proved to be anything but leading to peace. Hardly a week goes by that Jordanian and Israeli police have to break up altercations and fights between various parties.

The current fast pace of events taking place in Israel are all very suggestive of the coming of the "Antichrist". Many are suggesting it will be President Trump but I can state with prophetic confidence that it will not be the one who has done the most for Israel, and President Trump has done a lot for Israel since he was elected in 2016. Make no mistake about it, we are witnessing the complete "distraction" of truth; buckle up it's going to get bumpy. Donald J. Trump will not be the Antichrist mentioned in Daniel 9:27. No, the Antichrist will be **Prince Charles Philip Arthur George**, the Prince of Wales, and future king in waiting until Queen Elizabeth passes away. At 93, her days are numbered and her health or her passing away will give way to Prince Charles ascension to the throne of England and the Commonwealth of Nations.

Skeptics need to be reminded that of all the world leaders today, the #1 individual as to popularity and most favorable choice is none other than Prince Charles. He also bears the number of the Beast – 666 in all three languages: English, Greek, and Hebrew.

Rev 13:16-18 And he causeth all both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is

When confronted by Jesus, the Jews answered:

"Abraham is our father." Jesus quickly responded, ***"If you were Abraham's children,"*** said Jesus, ***"then you would do what Abraham did. As it is, you are looking for a way to kill me, a man who has told you the truth that I heard from God. Abraham did not do such things. You are doing the works of your own father."***

Surely the L-rd G-d will do nothing, but He revealeth His secret unto His servants the prophets. Amos 3:7

“We are not illegitimate children,” they protested. ***“The only Father we have is God himself.”*** Jesus said to them, ***“If God were your Father, you would love me, for I have come here from God. I have not come on my own; God sent me. Why is my language not clear to you? Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father’s desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies. Yet because I tell the truth, you do not believe me! Can any of you prove me guilty of sin? If I am telling the truth, why don’t you believe me? Whoever belongs to God hears what God says. The reason you do not hear is that you do not belong to God.”*** (John 8:39-47).

In this passage from the NIV, Jesus seems to be saying pretty clearly that Satan is the father of the Jews. I know a lot of Christians that love Jews, but this verse seems pretty anti-Jewish. Is there some way of understanding this verse to be not anti-Jewish, or are there Christians that do not accept this verse as authoritative? I would like to close this out with an examination of the four curses of the Jews:

- **Curse of Disinheritance** - Gospel of Luke 20:9-16
- **Curse of The Fig Tree** - Gospel of Matthew 21:18-20
- **Curse of Desolation** - Gospel of Luke 13:28-35
- **Curse of Deicide** - Gospel of Matthew 27:17-25

The first curse is found in Luke 20:9-16

20:9 Though Jesus did not answer the officials directly, He implied that the source of His authority was the same as John the Baptist's. He also answered their question through the use of a parable. Jesus used parables to illustrate or hide His teachings. Here Luke and the other Synoptic writers include the Parable of the Vine-grower and the Wicked Husbandmen. Taken in the context of the question of Jesus' authority its meaning was quite evident. Luke alone is specific as to whom the parable was directed. It was not to the officials even though they asked the question. It was "to the people," the crowds, that Jesus was willing to state His source of authority.

The setting of the parable was in keeping with the customs of the day. It was also a familiar Old Testament theme (see Isaiah 5). The owner of the vineyard planted the vines and expected to receive a profit for his efforts. In renting to the vine-keepers he was allowing them to share in the profit of the crop. It was not expected that they would keep the entire profit.

Vineyards were often planted on terraced hillsides with a fence or hedge surrounding them. The terraces were built up with low stone walls to prevent erosion. That this was a very large vineyard in Jesus' parable is evident from the plural "husbandmen". Large vineyards were often rented or leased to one or more families. Some think the arrangement was like sharecropping, where the owner received a percentage of the harvest. But the text indicates the husbandmen

were tenant farmers and were obliged to give the owner a set amount regardless of the harvest.

20:10 In line with the custom and culture of the setting, it was reasonable for the master to send a slave to receive the master's portion. The word "season" does not mean the first year. The owner waited 2 or 3 years until the vineyard was established and the vines could bear. Then he sent a servant. The owner of the vineyard wanted part of the crop as his payment. The servant, however, received the opposite of what he expected. Rather than getting the fruit for his master, the slave was beaten and sent away empty-handed. The owner's slaves were abused and rejected -(Matthew 21:33ff). The wicked husbandmen kept everything, although they did not have the authority to do so, since they did not own the vineyard.

20:11 In His parable, Jesus continued to show the patience of the master of the vineyard. Though he would have had the right to come and demand full payment plus justice for the first slave, he patiently sent more slaves. Luke states that he sent one slave. Matthew says there was more than one servant sent each time. Luke states that not only did they beat the second slave and send him away empty-handed, they also treated him shamefully or without honor. This is similar to what happened to David's servants -(2nd Samuel 10), when they were sent away with half a beard and their garments cut to the length of their hips. The wicked vine-keepers of Luke 20, like the enemies of David, had no respect for their master's authority or power.

20:12 Luke states that Jesus said the master sent still a third slave to receive the payment, but this one was wounded and cast out. Mark 12:5 has the third slave being killed and many others being beaten and killed. The details are different but the point of the parable remains constantly in focus. The master is patient and even loving in his treatment of the wicked vine-keepers. He is willing to go beyond the normal expectations of reasonable behavior to receive his due.

20:13 The master of the vineyard finally comes to a point of frustration. What more could possibly be done to insure that payments were made? In desperation the master was willing to send his beloved son. One can only speculate how piercing these words were to His listeners. Those who had been at Jesus' baptism, which probably included many of the religious and political leaders, were painfully reminded of the words from heaven. The voice from heaven had declared Jesus was the beloved Son. Now in the parable Jesus again states that the master decided to send his "**beloved son**" to receive the payment. The words "**it may be**" in the parable show that the master and the son were aware of the possibility of rejection and shameful treatment.

20:14 Again the master's patience and love were tried to the fullest extent. The vine-keepers reasoned together and plotted their plan of action. They fully recognized the heir and the inheritance. Even with the full knowledge they possessed they proceeded to plan his death. Two possibilities existed for the vine-keepers' reasoning. **(1)** They thought the owner had died and had transferred title to his son. Now the son was coming to claim title to the vineyard. **(2)**

Tenants sometimes sought to wrest ownership by "squatter's rights." They may have reasoned they could lay claim if there was no other proof of ownership.

Again, these were piercing words Jesus spoke. By now, the religious and social leaders must have understood the meaning of the parable. They had already reasoned together on their plan to destroy Jesus. They did this because they saw Him as the heir, the beloved Son, though they rejected Him as such. The officials wanted the inheritance, the power, the glory, the rule, so they plotted the heir's death.

20:15 The plot of the wicked vine-keepers was put into action. They cast the son (the heir) out of the vineyard and killed him. It is interesting to note that they cast him out of the vineyard to kill him. The crowds which crucified Jesus led Him out of the city to kill Him. It may be that the officials understood the vineyard was Jerusalem which represented God's people -(note 19:41ff). Jesus had told the disciples He must go to Jerusalem to fulfill all the prophecies about the beloved Son. This included His death outside of the walls of the city -(note 18:31ff). Jesus pointedly accused the officials of mistreating all of the master's slaves which came before the son. These slaves represented the prophets of God even as the heir typified Jesus the Son of God. The question remained as to what the master should do to these wicked vine-keepers.

20:16 The conclusion of the parable tells of the judgment which came upon the wicked vine-keepers. Jesus said the master would come himself and destroy the wicked ones. That which the vine-keepers did to the slaves and son would now be returned to them. **However, the judgment went a step further in that the vineyard would be given to others. These words were piercing to the ears of the people. If they understood that the parable referred to Jerusalem, it is no wonder they cried, "May it never be!"** The judgment in the parable against the officials and the city matched the prophetic words of Jesus as He entered Jerusalem just days earlier -(note 19:41-44). It is in their retort that they realized what Jesus was speaking to in regards to their disobedience.

The second curse is found in Matthew 21:18-20

21:18 *Prōias* ("in the morning") comes from *pro* ("before") and means "**very early.**" Mark 1:35 reads "**a great while before day.**" Jesus was hungry, perhaps an indication that He spent the night outside. This would not have been unusual during the Passover.

21:19 Normally a fig tree bears fruit about 40 days after its leaves appear. Thus, after a reasonable period of time, one would expect to find figs on a tree with leaves. Middle Eastern people also ate figs before they were fully ripened. Early figs were the best indication that the tree would bear a good crop. They would appear sometime at the end of May. Whether or not the fig tree withered immediately before their eyes, it was not until the next day, when the disciples returned, that the fig tree was discovered to have withered -(Mark 11:20).

It should be considered that Jesus, the One who patiently received His daily bread from God, did not curse the tree merely because He found no fruit on it. Therefore His actions may be

considered symbolic, just as was His cleansing of the temple -(verses 12, 13). It was a prophetic sign suggesting God's judgment of unrepentant Israel (or Jerusalem), at times called an "unfruitful tree" -(cf. Hosea 9:16; Micah 7:1; Matthew 3:10; 21:41; Luke 13:6-9). That is, it was a parabolic action.

Jesus used this fig tree to show His reaction to the people and the temple in Jerusalem. Just as Jesus came to His own place and His own people received Him not -(John 1:11), so this shows that Jesus came to Israel expecting a fruitful response to the gospel. He found, instead, nothing but the leaves of a dead, formal, unspiritual religion. His cursing of the fig tree thus became a reproof of what He had seen in the temple (which He called "**a den of thieves,**" verse 13), and a rejection of it. **The withering of the fig tree was a type or illustration of the judgment Jerusalem deserved and actually did receive in 70 A.D. when the Roman Titus destroyed the city.** Luke 19:41-45 gives further confirmation by tying this in with a prophecy of the judgment and destruction of the city.

There is also a warning here for followers of Christ. The Son of God expects fruitfulness from those who claim to be His disciples. The leaves represent the believers' profession of Christ, and when people come to examine the profession, they have a right to expect fruitful lives, that believers will demonstrate the nature and character of Jesus who dwells within them. Lack of fruitfulness shows a lack of life. Adam Clarke's commentary commands attention when it states: "*When the soul continues in unfruitfulness, the influences of grace are removed, and then the tree withers from the very root*" (Clarke's Commentary, 5:203).

Jesus taught the same truth in the Parable of the Vine and the Branches -(John 15). He pointed out that the one abiding in Him "**bringeth forth much fruit**" -(John 15:5), but if a man abides not in Him (shown by not bearing fruit), "**he is cast forth as a branch, and is withered**" -(John 15:6). He is no longer a part of the Vine. This should remind all believers not to be proud or high-minded, but rather live in reverence and fear lest God will not spare them -(Romans 11:20-22). Gratitude and humility are still important for us.

21:20 The disciples were seemingly not interested in why Jesus cursed the tree; they wanted to know how He did it. Because they marveled only at the external result and not the symbolic gesture, Jesus repeated the admonition of 17:20, that through unwavering faith and fervent prayer they too would have such power.

The third curse is found in Luke 13:28-35

13:28 Those who do not meet the requirements of the Lord will remain outside where they will experience great grief. Weeping and gnashing of teeth are signs which express anguish and rage. To be shut out of a place where one has been openly invited to go in is an awful thing.

"Weeping and gnashing of teeth" is found in Matthew at six different points -(Matthew 8:12; 13:42, 50; 22:13; 24:51; 25:30). These are very specific terms; there is no weeping like this weeping. It denotes the complete absence of happiness and the absolute presence of despair.

This despair, along with the rage of being consigned forever in a place of torment, produce a literal and continual gnashing of the teeth.

It happens "outside" (i.e., in hell). This is a place of utter darkness. The torment is made worse by the ability to see Abraham, Isaac, Jacob, and the prophets enjoying the bliss of paradise.

The Jews of Jesus' day boasted about being descended from Abraham. They prided themselves that the prophets were their ancestors. But they did not walk in the ways of Abraham, Isaac, and Jacob or the prophets any more than they did in the way Jesus was advocating.

13:29 These words of Jesus were a hard blow to the pride of the Jews. They still felt the Messiah was for their glory alone. Instead, Jesus told them that people would come from the Gentile world and be part of His kingdom. The fulfillment of these words began with the conversion of Cornelius -(Acts 10 and 11), progressed throughout the world with the efforts of Paul and others in the Early Church, and continues to this present day.

What the Jews rejected as a nation has been given to individuals out of every nation, tongue, and race. God's plan to save mankind, created in His image, will not be thwarted by the bigotry of anyone. The gospel is provided for all, but no man or nation will be forced by God against its will to accept that salvation. The number of the saved will be innumerable -(Revelation 7:9). But there will also be multitudes who will reject the grace of God.

13:30 Here Jesus further emphasized what He had said about the Gentiles coming into the Kingdom from all directions. The Jews, who were the first to hear the message of salvation, rejected it. The Gentiles, who would hear it after the Jews' rejection, would respond to it and be saved.

The first and last saying here is a *mashal* (pithy statement). The contrast heightens the sense. Note the verbs: those who *are* last *shall be* first; those who *are* first *shall be* last. "Last" could mean those who are far from the Kingdom; "first" could mean those who are near the Kingdom.

13:31 Although a few Pharisees were disciples of Jesus, most of them were His enemies. Nicodemus, a Pharisee, was an admirer of Christ, but not openly -(John 3:2). For a group of Pharisees to get together and, within the context of that group, help Jesus, was highly unlikely. These who came to tell Him about Herod's plot to kill Him were possibly envoys of Herod. Jesus was in Herod's jurisdiction since Herod had responsibility for the affairs of Galilee and Peraea. Herod lacked the courage to kill Jesus because of His popularity with the people. Herod had killed John earlier, but Jesus had a much greater following than John. Herod may have sent the Pharisees to warn Jesus to leave the area so that he would not be responsible to the Romans for any large crowd disturbances. The Pharisees themselves may have wanted Jesus to leave the area because they could not deal with Him very well in either Galilee or Peraea, but in Jerusalem they could seize Him more easily.

13:32 Jesus called Herod a fox because he was so sly in getting the Pharisees to do his bidding under the cover of working behind his back. "Fox" also can mean an insignificant or worthless person and carries the idea of destructiveness. So, in naming Herod "that fox," Jesus was calling him both a crooked man and a small man. This seems to be the only time Jesus used a derogatory term for a person. **"That fox"** carries the connotation of contempt.

Jesus told the Pharisees to go back to Herod and tell him that Jesus would continue His ministry of spiritual and physical cleansing for a short time in Galilee and/or Peraea. The 3 days mentioned here are probably not to be taken literally. Jesus was telling Herod that he did not have to worry. Christ's work was not political, nor would His work continue much longer. His perfecting had to do with the completion of His earthly ministry, a feat that was accomplished when He died to secure the salvation of mankind.

13:33 It was time for Jesus' death, but for a time He must continue the ministry He was now performing. His words showed He had no fear of anything Herod might try to do. Jesus said He knew it would not be Herod who would put Him to death. That would occur in Jerusalem, the city that had rejected so many of the prophets through the years. It was in Jerusalem that the Sanhedrin conducted their sessions. It was here that the center of Jewish pride was situated. Pride, a trait that is at the root of all sin, would be at the center of the motivation to kill Jesus. How appropriate that He die in the city of ancestral pride.

13:34 Jesus expressed His grief over the city of Jerusalem on several occasions (Matthew 23:37-39; Luke 19:41ff). The sorrow Jesus felt for this city in which and through which God had done so many great things was so deep that He expressed that sorrow each time He gave particular attention to its future.

Jesus had just said that a prophet would need to die in Jerusalem. He now rehearsed in one stinging sentence how it had been the habit of the city to reject the attempts of God to lead His people by killing those whom God had sent with His Word. From the time of Solomon to the time of Christ the prophets had known rejection and met with death in Jerusalem when they stood up for God. Jesus' Parable of the Wicked Husbandmen -(Matthew 21:33-41) shows the treatment given Him by those to whom He was sent.

Any farmer can tell stories of how hen's frantically call to their chicks in order to shelter them under their wings when they sense approaching storms or other dangers. Jesus knew the troubles that would soon come upon Jerusalem. Those troubles would reach from the rending of the veil of the temple at the time of the Crucifixion to the rending of the temple itself by the armies of Titus in 70 A.D. He wanted to gather the people to himself that they might be saved. But He knew they would not respond to Him any more than their forefathers had responded to the prophets.

The **"would not"** is emphatic. The people of Jerusalem stubbornly resisted the pleading of God. Samuel, the prophet, in rebuking King Saul for his stubbornness, likened the sin of stubbornness

to idolatry -(1st Samuel 15:23). Stubbornness is a sin that sets “self” up as God. For this reason, God would destroy even the city where His temple stood as a portrayal of His presence.

13:35 Jesus would visit the temple again for the purpose of cleansing it and teaching there. But once He left it for the last time before His crucifixion it would truly be desolate. Its purpose would have been forever fulfilled. The futile worship that would go on there between 30 and 70 A.D. would go unrecognized by God. The new covenant would find God dwelling through His Spirit in the hearts of believers since Christians are now the temple of God -(1st Corinthians 3:16; 6:19).

"Ye shall not see me, until the time come when ye shall say, Blessed is he that cometh in the name of the Lord" may refer to the Triumphal Entry, but more likely it refers to the fact that believers in all ages from Pentecost to the present have acknowledged Jesus as the One ***"that cometh in the name of the Lord."*** Or it may well refer to the time when Jesus comes again to claim His Church, when every eye shall behold Him and He will be acknowledged as the One who comes in the name of the Lord. Those who are taken up *with* Christ now shall be taken up *by* Him when He comes.

As history confirms, the Jews lost their three most important national treasures, that being their Torah, their Temple, and their Land. The four curses can-not be discounted as minor or insignificant events in the lives of the Jewish people. God executing judgment for their failure to observe the Agricultural Sabbath Rest and turned their world upside down. Their failure to understand what it meant to be God’s “Chosen” people led them to believe that they could do and get away with anything without reprisal or punitive discipline.

Photo Above – It would be nice to have been a fly on the wall and hear what Evelyn De Rothschild was telling Prince Charles about what his new global role will be! One Satanist

Trillionaire speaks to another Trillionaire. Here you have the two most powerful men in the world for the days just ahead.

Great Britain is the mother country of Satanism. Scotland has long been an occult center. The national symbol of Scotland is the dragon (the snake), like that on Prince Charles Air Wales personal jet and for years the chief of Scotland was called the dragon.

The planning sessions for world takeover that some ex-Satanists experienced were held in France. The British Royal Family has long been involved with the occult. For more information on this there is a detailed examination of the Royal family and the occult in the book *'The Prince and the Paranormal - the Psychic Bloodline of the Royal Family'* by John Dale (1987). They have also been actively involved with Freemasonry. British MI6 has been a major vehicle for the Satanic hierarchy working behind the secret veil of Freemasonry to control world events. British MI6 is the most secret intelligence organization in the world. It is properly known as British Secret Service not to be confused with the U.S. agency by that name but performing a different function entirely.

Grand Orient Lodges of Freemasonry all over the world report to the pinnacle of Freemasonry, the Order of the Garter (visible on Prince Charles Coat of Arms). Every nation and every U.S. State has a Grand Orient Lodge for their leadership worship services.

The Merovingian Bloodline

Fritz Springmeier prepared a page in his book to provide some type of table of contents to the various items which 'will be included in this chapter "The Thirteenth Satanic Bloodline"'.

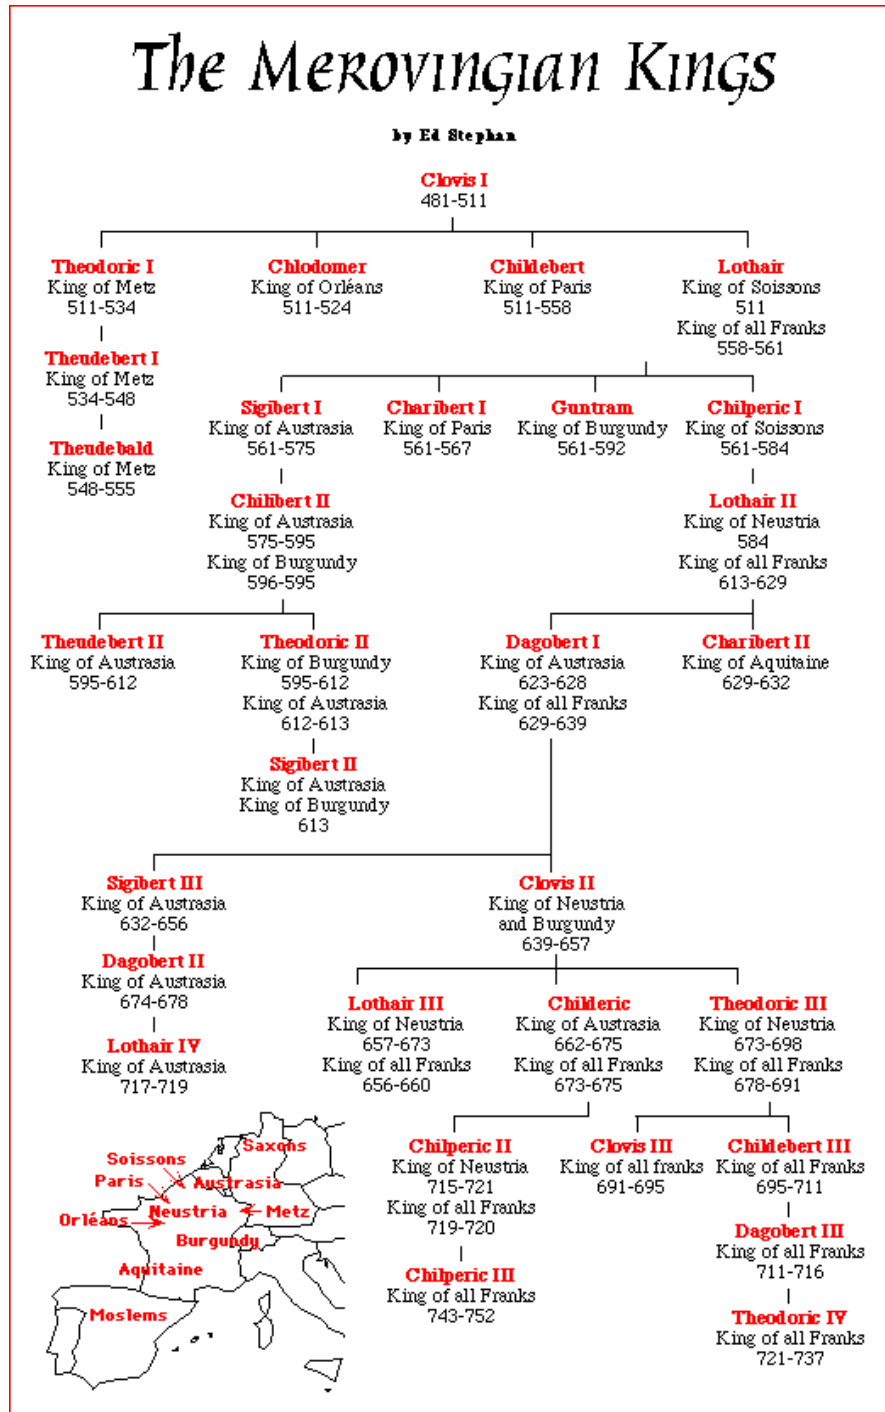

What he said in this bloodline has been interwoven into the text of many articles, but It hasn't been singled out very much. Although a great deal has been written by Fritz Springmeier on this final family, to pull out articles which concentrate on it solely is difficult. After assembling some pages on it, a few words of explanation are still needed. Fritz provided additional quote and points. Allow me to briefly mention a few of those items which were selected:

- An article on the top family that appeared in Feb. 1995 newsletter on page 73.
- An appendix to the *"Be Wise As Serpents"* book about the British Royalty. The British Royalty are tied in with the 13th Bloodline.
- Many of the American political leaders have been related to the British Royalty including. George H.W. Bush and Dan Quayle. A flier from a Christian conference is Included showing who the speakers are.
- Finally, a little of the genealogical information I assembled on the Mormon leaden is given. This was included in the *"Be Wise As Serpents"* book to give people an idea of how the Mormon leadership ties back in with the leading occult bloodlines of the Merovingian dynasty. The chart for LDS President Albert Smith is only about 1/3 typed

- out. The remainder of Albert Smith's (as well as other Mormon leaden) genealogical work is in a file in some unknown box at my {Fritz's} house.

2nd Feature Article - THE 13TH ILLUMINATI BLOODLINE

The 13th Illuminati Bloodline is where the Antichrist will come from. This bloodline believes that

it has both the *Holy Blood of Jesus* and the blood (or seed) of *Satan* in its bloodline. In Fritz Springmeier's book *'Be Wise As Serpents'* book, He makes reference to this bloodline but I never really took the time to explain it completely. In fact, He did not fully understand this bloodline himself. I encourage those who want to learn more about this bloodline to study the following books:

- *'Holy Blood, Holy Grail'* by Lincoln, Leigh & Balgent
- *'The Messianic Legacy'*
- *'The Temple & the Lodge'*
- *'Crusaders of the Grail'* by J.R. Church
- *'The Anti-Christ King--Juan Carlos'* by Dr. Charles R. Taylor
- *'Antichrist and A Cup of Tea'* by Tim Cohen
- *'Bloodlines of the Holy Grail'* by Laurence Gardner

This bloodline is so extensive in its many branches that its membership takes in many of the Presidents of the United States, including the late **George H.W. Bush** and **George Washington**. The reason that I gave the genealogies of some of the Mormon presidents to people back in 1991 in *'Be Wise As Serpents'* book is that all of the Mormon presidents in history, whether RLDS or LDS, trace their blood back to this 13th bloodline, to include the Mitt Romney family. Within the Illuminati rituals, the emphasis of the 13th bloodline is that they are the seed of Satan. As their secret story goes, they are the direct descendants of Jesus' spiritual brother Lucifer. Since the Freeman family and the Rothschild family have members who are also in the 13th bloodline, it is unclear to how interwoven the "seed of Satan" is.

Some of the earliest attempts to trace the seed of Satan were some books which did extensive research on the Tribe of Dan and the descendants of Cain.

'The Curse of Canaan' is an interesting book along with its mate *'World Order'* by Eustice Mullins. One of the books which I looked with difficulty for before finding it, was Gerald Massey's *'A Book of the Beginning'*. The book goes in and shows in detail how the inhabitants of the British Isles came originally from Egypt. This is important because the Druidism of the British Isles was simply a derivative from the Egyptian Satanic witchcraft/magic of Ancient Egypt. The Egyptian word Makhaut (clan or family) became the Irish Maccu and the Maccu of the Donalds (clan of Donalds) now reflected in the name MacDonald. The sacred keepers of the Clan-Stone in Arran, were also known by the family name of Clan-Chattons. Another word for clan is Mack and the Clan-Chattons were also known as Mack-Intosh. Ptah-rekh the name of the Egyptian god Ptah was passed down to us by the Druids adopting the name Patrick, which sounded similar. St. Patrick's Day then became a Christianized form of a druidic holiday which originally had its origins in Egypt.

The All-Seeing Eye can be found on ancient buildings in ancient Chaldea, in ancient Greece, and in ancient Egypt. The MI-seeing eye represents Osiris. Osiris had debauched revelries (saturualias) celebrated in his honor. The temples in Arabia clear back in the time that Moses had his black father-in-law Jethro used the all-seeing-eye to represent the false satanic trinity of

Osiris, Isis and Horus of Egypt. This MI-Seeing Eye pops up everywhere the Illuminati has been. In the Winter Palace Square in St. Petersburg, Russia is that Illuminati all-seeing eye on top of a pyramid. You will also see it in the old Mexican Senate Building which is now a museum in Mexico City. You will find this on the back of our one-dollar bill, and you will find the all-seeing eye was placed on Ethiopian stamps when they got a communist government in power.

The Illuminati is the continuation of the Mystery Religions of Babylon and Egypt. And the bloodlines of the Illuminati go back to people who at one time lived in Babylon and Egypt. Just how the House of David (the Satanic one) and the Holy Blood of the 13th family fit in with everything else in history I can't say. It would be a big story to tell if we knew. But I do feel that somehow the 13th Illuminati family does go back to ancient times. Is this via the Tribe of Dan or via some Druidic bloodline or is it via **the Merovingian's** or is it via all three? And where do the Guelph's and Black Nobility fit into this? Whatever the case, the 13th bloodline has amassed a great deal of power and wealth on this planet. The 13th bloodline lacks nothing to bring forth their Antichrist who will appear to have all the correct credentials. I would not even be surprised if their Antichrist in order to appear real will expose another Anti-Christ. The 13th bloodline has kept its genealogies very secret. I would welcome more input from informed persons about this bloodline. The **tribe of Dan** was prophesied to be the black sheep of the nation of Israel which would bite the other tribes of Israel. The tribe of Dan had the snake and the eagle as its two logos. The tribe of Dan left its calling card all over Europe as it migrated west in the names of many places. The tribe of Dan ruled the *Greeks*, the *Roman Empire*, the *Austro-Hungarian Empire* and many others which used the eagle as its logo. The Danube River and the Dnieper River are believed to be named for the tribe of Dan.

The British Royalty has served as important figureheads to British Freemasonry lending credibility and respectability. British Freemasonry has managed to keep itself free of much of the criticism that the other national Masonic groups have brought on themselves. However, much of the credibility of British Freemasonry is undeserved. True, British **Freemasonry** is what it portrays itself to the public for the lower levels. But, the lower level Masons by their dues and activities are unwittingly supporting an organization that is led by Satanists at the top. An example of the subterfuge constantly exercised on the public by Freemasonry is a book purportedly written by a non-Mason entitled '*The Unlocked Secret Freemasonry Examined.*' The book portrays itself as an unbiased and complete exposé of Freemasonry. The book states unequivocally that the Masonic order called *Societas Rosicruciana in Anglia* (sic) is only open to Christians and is a "Christian Order." However, Edith Star Miller reprints copies of a number of letters from the chief of the *Societas Rosicruciana in Anglia* which show that the English Grand Masonic Lodge, the SRIA, the OTO, and the German illuminati are all working together.

I want to close off this section with what Brother Nathaniel Kapner, an Orthodox Christian, born a Jew addressed. It is this idea of the four curses on the Jews. Jews call him Anti-Semitic even though Brother Kapner was born a Jew [Semite]. Go figure that one. The B'nai B'rith ADL, JDL have tried to get legislation passed banning such sites as Brother Nathaniel Kapner, attacking his web site and his You Tube videos at every opportunity. The fact that he is a Jew, born of Jewish parents has effectively neutralized those groups from attacking him as an Anti-Semite.

The Four Curses On Judaism

By Brother Nathanael Kapner

Copyright 2014

Wherever you go Judaism is in our faces. Go to the White House and there's a Passover Seder. Go outside the White House and there's a Hanukkah Menorah. On the campaign trail Rand Paul 'sucks up' at a Jewish Yeshiva. And turn on the TV and the Holo-Hoax gets prime time. But why would any country, candidate, or celebrity want anything to do with Judaism when Jesus Christ pronounced four curses on it:

The Curses of Disinheritance, the Fig Tree, Desolation, and Deicide

When Jesus told the Jews that their kingdom would be taken away from them and given to the Gentiles, the Jews answered, **"God forbid."** But the curse stands. The Church inherits God's blessings and the Synagogue has been forsaken. This is the Curse of Disinheritance.

When Jesus approached the fig tree, a symbol of Israel, He saw no fruit on it. He cursed it and the tree withered. The Church is the new Israel bearing much fruit but the Synagogue is a dried-up tree. You can even see it in their faces. This is the Curse of the Fig Tree.

When Jesus saw Jerusalem rejecting Him as the Messiah, He declared, **"Your house is left unto you desolate."** It's the Church that offers eternal life but the Synagogue has nothing to give. This is the Curse of Desolation.

When Pilate wished to set Jesus free, the Jews cried out, **"Crucify Him! Let His blood be upon us and on our children!"** This is the Deicidal Curse that falls on every Jew due to the corporate guilt of the crucifixion of God Incarnate, the Lord Jesus Christ.

Sarah Silverman compounds the curse: *"Everybody blames the Jews for killing Christ. And then the Jews try to pass it up on the Romans. I am one of the few people that believe it was the blacks. I don't care, good, I hope the Jews did kill Christ. I'd do it again. I'd f-ing do it again in a second."*]

Whom God abandons, demons enter in. Just watch her eyes. Exalting Judaism gets applause, votes, and good press. But according to Jesus it will land you in Hell. I call on all Jews to repent and the curses will be lifted. I did. Why don't they?

On the Day of Pentecost, the Apostle Peter gave a sermon, and almost half of Peter's message is the quotation of Hebrew Scriptures promising the Messiah. At Acts 2:22-23 Peter explicitly states: **"Men of Israel, hear these words: Jesus of Nazareth...you have taken by lawless hands, have crucified, and put to death...."**

Peter then reiterates that it is the entire nation of Israel who is responsible for the death of the Messiah: ***“Therefore let all the house of Israel know assuredly that God has made this Jesus, whom you Crucified, both Lord and Christ.”***

The verb “made” refers to His Incarnation and glorification, not His eternal uncreated existence as Lord and God.

3000 “men of Israel” understood perfectly well that the entire nation under the corporate Law of God as given to Moses now stood condemned as the crucifiers of their own Lord and Savior, the Messiah of Israel who was spoken of by all of the Prophets:

Now when they heard, they were cut to the heart, and said to Peter and the apostles, ***“Men, brethren, what shall we do?”***

Then Peter said to them, ***“Repent, and let every one of you be baptized in the name of Jesus Christ for the remission of sins; and you shall receive the gift of the Holy Spirit.”***

“For the promise is to you and to your children, and to all who are afar off, as many as the Lord our God will call.” -(Acts 2:37-39).

“But according to Scriptures, they will (probably in the near future) lament for their deicide and for their sins (after being purified by God).” Zechariah 13:4-6 says, ***“And one will say unto Him, where did you get these wounds in Your hands? And he will reply, these are they in which I was wounded in the house of my friends.”*** And they’re going to believe!

God will not purify the individual Jew until he repents by accepting our Lord Jesus Christ out of his own free will, confesses his part in the national sin of old Israel of deicide and repudiates Rabbinic Judaism, renouncing the devil and all of his works of darkness. Jesus said no man comes to the Father but through Him. ***“Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.”*** -(John 14:6).

Christ’s forgiveness is not unconditional, for there is a condition: the Jew must turn his mind (***metanoia***-repent) to Christ and ask Him for forgiveness. 3000 of the Jew’s tribesmen 2,000 years ago did so, and the requirements are still the same, whether Jew or Gentile. Peter’s call to respond to the gospel requires specific actions which define Christian life with the Church.

Brother Nathaniel Kapner points out that the Orthodox Church teaches as the Apostles first taught: We must:

- 1) repent (and continue to work out our salvation by repentance and confession, prayer and fasting)
- 2) be baptized by immersion for the remission of sins
- 3) receive the gift of the Holy Spirit

Perhaps Saint Augustine came to his beliefs on "Replacement Theology" upon the words of the Apostle Peter. Maybe those holding to "Christian Zionism" should begin to re-study the New Testament as to what it really has to say!

If the act of the Jews being kicked out of Israel in 70 A.D., was actually an intentionally designed act of God (and not really an act of the Romans as it physically appears), then by this act of God against the Jews, the Jews no longer hold any solid historical claim to their right to the land of Israel.

There are many different reasons that may explain this possible act of God of kicking the Jews out of Israel in 70 A.D.

One other possible explanation is the possibility that the Jews intentionally conspired to cause the Great Christian Persecution by the Romans who acted against the Christians and that lasted for over 250 years which began in 64 A.D. This was due the false claim levied against the Christians by the Roman Emperor Nero, whom the Talmud notes was Jewish. Nero falsely made the claim that the Christians were responsible for the great burning of Rome in 64 A.D. Most people think of Nero as a gentile, but Jewish sources correct that belief.

Comparable in today's recent times to the Great Christian Persecution that began in 70 A.D., is the possible Zionist conspiracy of bringing about the European part of World War One and World War Two and other wars. Since the early 1800's, the House of Rothschild were/are instrumental in orchestrating wars for profit.

Above image: Mayer Amschel Rothschild's wife Gutle Schnaper, made her infamous statement: *"If my sons did not want wars, there would be none."*

Noémie Halphen, future wife of Maurice de Rothschild born.1891: The British Labor Leader makes the following statement on the subject of the Rothschild's, *"This blood-sucking crew has been the cause of untold mischief and misery in Europe during the present century, and has piled up its prodigious wealth chiefly through fomenting wars between States which ought never to have quarreled. Whenever there is trouble in Europe, wherever rumors of war circulate and men's minds are distraught with fear of change and calamity you may be sure that a hook-nosed Rothschild is at his games somewhere near the region of the disturbance."* Comments like this worry the Rothschild's and towards the end of the 1800's they purchased Reuters news agency so they can have some control of the media.

Above image: Mayer Amschel Rothschild's wife Gutle Schnaper, made her infamous statement: *"If my sons did not want wars, there would be none."*

I am of the opinion that the Zionist secretly conspired to bring about the European part of World War Two because World War Two was the only way that the Zionists could ever cause the quickly needed increase of the Jewish population in Israel from the low population level in 1929, in order for the Zionists to be able to take complete control of all the land of Israel as happened in 1948. This is well documented by both non-Jewish and Jewish historians, and that includes Andrew Carrington Hitchcock in his book *"The Synagogue of Satan."*

In 1929 the Jewish population was not increasing very fast and it was difficult to motivate Jews to move to Israel in 1929. With the influx of Muslim immigrants to Europe, Canada, and the U.S., we are seeing an accelerating of Jews moving back to Israel. Over 8,000 from France alone in 2019 moved to Israel.

The U.S. Federal Reserve in Bernanke's speech admitted that the U.S. Great Depression of 1929 to 1939 was solely caused by the U.S. Federal Reserve by reducing the money supply, and Bernanke stated that the U.S. Great Depression of 1929 to 1939 had nothing at all to do with the same perfectly timed 1929 stock market crash.

The Great Depression of 1929 to 1939 caused the European Depression that was the main cause for the European part of World War Two.

Bernanke's explanation as to why the Federal Reserve caused the U.S. Great Depression of 1929 to 1939 does not seem reasonable to me, and I believe that there was a conspiracy. How many Goyim died in World War Two? Was it about 100 million?. The world has never acknowledged this genuine Holocaust of non-Jews. Who speaks for their memorialization? All we hear about are the so-called 6-million Jews, which was presented as a huge bit of mis-information decades before World War 2 occurred.

Jesus Christ said ***"by their fruits ye shall know them."*** -(Matthew 7:16) What then are the fruits (i.e. creations) of international Jewry?

Some examples:

- 1) Bolsheviks & NEOCONS = weapons of mass murder at a political level.
- 2) Hollywood, 1923 Frankfurt School (of cultural Marxism), Gay rights, Gender theory and abortion = weapons to degrade Christian culture, destroy life, holiness, morality, family, and finally society.
- 3) Rothschild Banks, privately owned Central Banks, monetary system, fractional reserve banking etc. = weapons to create money out of thin air (and put it into the hands of the banking elite), to create inflation and to swindle away the wealth of productive people.
- 4) M.S.M. = weapon to deceive people.

Plus, all the rest!

As a final thought on this, we need to remember who it was that did 9/11. See my article ***“The Crime That God Will Avenge”***. Israel did 9/11, confirmed by WikiLeaks.

Everything from the First World Zionist Conference in Basel, Switzerland, and what has taken place since that date may have been allowed to happen by God. But this is the important point to remember - in the larger scope of history it has the signature of Satan all over it. Yes, I am saying that virtually everything that is occurring today with the Zionist movement holding the nations of the world captive to events in the Middle East. All of it has the signature of Satan everywhere. God said Israel would be a cup of trembling, ***“Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem.”*** -(Zechariah 12:2). The prophet Isaiah mentions that Israel and Judah both will become a stumbling block: ***“And he shall be for a sanctuary; but for a stone of stumbling and for a rock of offence to both the houses of Israel, for a gin and for a snare to the inhabitants of Jerusalem.”***

There are eleven references that explicitly state that they [the Jews] and the world in general will know that God is accomplishing **His** agenda. That plan is to bring closure to the struggle and strife tearing the world apart, and is using a set of parallel agendas, one from God and one from Satan, to an ultimate historical climax. ***“And say, Thus saith the Lord GOD; Behold, I am against thee, O Zidon; and I will be glorified in the midst of thee: and they shall know that I am the LORD, when I shall have executed judgments in her, and shall be sanctified in her.”*** - (Ezekiel 28:22). In the larger context of this passage we have a central theme that is repeated in – Exodus 29:46; Jeremiah 24:7; Ezekiel 13:9; 20:20; 23:49; 28:24; 28:26; 29:16; 34:30; and 39:28.

You have undoubtedly heard the expression that Israel is God’s Time Clock. You are witness to these two thread lines of history which are culminating in our time. The key to this larger prophetic message is revealed in Leviticus 26, mapping out God’s punishment. In all of this, remember one important part of the message: we are only called to pray for the peace of Jerusalem, nothing more and nothing less! ***“Pray for the peace of Jerusalem: they shall***

prosper that love thee.” -(Psalm 122:6). Interestingly, this particular Psalm is just four verses from the center of your Bible.

Thus, moved to the depths of his soul, the psalmist breaks forth into exhortation to his companion pilgrims to pray for the peace of the city. There is a play on the meaning of the name in the first half of the verse, for as the Tel-el Amarna tablets have told us, the name of the city of the priest-king was ***Uru Salim***—the city of (the god of) peace. The prayer is that the no men may become omen and that the hope that moved in the hearts that had so long ago and in the midst of wars given so fair a designation to their abode, may be fulfilled now at last. A similar play of words lies in the interchange of “peace” and “prosper”, which are closely similar in sound in the Hebrew. So sure, is the psalmist that God will favor Zion, that he assures his companions that individual well-being will be secured by loyal love to her. The motive appealed to may be so put as to be mere selfishness, although, if any man loved Zion not for Zion’s sake but for his own, he could scarcely be deemed to love her at all. For thousands of years control of Jerusalem has been waged in the name of peace by Catholicism, Islam, and Judaism. But rightly understood, the psalmist proclaims an everlasting truth, “that the highest good is realized by sinking self in a passion of earnest love for and service to the city of God.” Such love

is in itself well-being, and while it may have no rewards appreciable by sense, it cannot fail of sharing in the good of Zion and the prosperity of God’s chosen.

We are at a point in history where it would be well advised that we recognized we are witnessing the fulfillment of history told in advance. We cannot do anything to alter or change the dynamics of what is occurring in Israel and with its neighbors. In the past four years, God has for His own reasons chosen to allow Donald J. Trump to have been instrumental in the physical to facilitate God’s plan

to bring about circumstances where the world can recognize that He – the Lord God – is in full control of the situation.

The flag depicted above is prophetic in a number of ways. There are many references in Scripture that differentiate between the House of Judah and the House of Israel. The House of Israel was scattered among the nations of the world. The Christian community knows the House of Israel as the "Lost 10 Tribes". We know they are not lost, and certainly God knows they are not lost. Dispersed? Yes? Lost? No! There is so much more to come in this End Times scenario.

The House of Israel has been suggested to be the tribes that became the present day nations of Great Britain and ultimately the United States of America. This is for another study but it should be remembered that it is another factor in the Prince of Wales being "THE" Antichrist! It matters not whether we believe it, the Royalty of the UK do believe it. They have written about it, research its roots, and claimed it to be true.

In closing, those of you reading this can now put to rest the question of whether we will know the identity of the Antichrist before the Rapture occurs. I can provide perhaps a couple hundred pages of supporting evidence confirming the identity of the Antichrist as Prince Charles. It may seem antithetical, even anti-climactic, to know that Prince Charles is the Antichrist from our reading of Scripture, yet when we examine all the attributes Scripture provides, it really makes sense as Tim Cohen laid it out in his 1998 book, *'The Antichrist and a Cup of Tea.'*

According to the Bible, the main traits and characteristics of The Antichrist are:

1. *Fierce countenance.*
2. *More stout than his peers.*
3. *Understands dark sentences.*
4. *Deceiver of the elect.*
5. *Worshiped by the false apostate church.*
6. *Wolf in sheep's clothing.*
7. *Blasphemous speaker.*
8. *Exceedingly arrogant, boastful, and prideful.*
9. *Military conqueror.*
10. *Extreme economic dictator.*
11. *Leader of a one world government, economy, and religion.*
12. *Has a personal religious guru and spiritual adviser that is a "dragon that speaks like a lamb" and gives power to him (The False Prophet).*
13. *Has the Great Mystery Religion of old (Freemasonry) as his religion of choice.*
14. *Governs through extreme right wing ideology fascism.*
15. *Is the leader and ruler of the end times "Babylon The Great" Beast Empire.*
16. *Under his reign the people are forced to take his name, number, or the number of his name in their foreheads or right hands.*
17. *Those who politically dissent against him are beheaded, most likely through use of the guillotine.*

18. *His kingdom has a sort of sex magic occultist religion that becomes very widespread during his rule.*
19. *He shall bring a 7 year peace treaty.*
20. *3 and a half years into that treaty he shall break it and make war.*
21. *During his reign the Jewish temple shall be rebuilt in Jerusalem and he shall then go inside of it and sit on a throne made for him and he shall then declare himself to be God while sitting on that throne inside the temple.*
22. *The Battle of Armageddon shall occur during his reign. This includes a battle where a 200 million man army will come from the east towards Israel.*
23. *Either through himself, or his spiritual guru, or both, he shall perform works, wonders, and miracles.*
24. *Throughout the whole world he shall be greatly feared and for a time no other powers shall dare oppose him.*
25. *He will arise as one of three world stage leaders. He will then soon get rid of (presumably kill) the other two.*
26. *His kingdom shall be most likely divided up into 10 regions.*
27. *He shall be killed through some type of blow to his head. Most likely in this age and time it would be a bullet. After dying (legally dead) he shall then arise back to life (resuscitation).*
28. *His rule shall not be by legitimate means.*
29. *He is a King and his father was also a King.*
30. *He will be able to trace his line back to the throne of King David (he will have Jewish DNA that can prove a royal blood line).*
31. *He will be of European descent (he will have Caucasian DNA).*
32. *He shall come from the west (either Europe or the New World) and he shall attack towards the east as a conqueror, imperialist, colonialist.*
33. *The very large majority percentage of Christians shall falsely embrace him as being The Messiah, Jesus Christ returned.*
34. *He shall unite all the major world religions into one new religion.*
35. *He is very bold and very stern.*
36. *He succeeds in all his endeavors.*
37. *He is the prince of lies.*
38. *He is the great deceiver.*
39. *He shall rule over the world, the air, and the heavens around Earth (orbit around Earth) during his reign.*
40. *He shall put an end to animal sacrifices.*
41. *He can speak in many languages.*
42. *He is extremely charismatic.*
43. *He possesses a demonic charm that is able to mesmerize and hypnotize people.*
44. *He is a great orator and speech giver.*
45. *During his reign, everything is the opposite of reality. The truth is lies, lies are truth, falsehoods are realities, realities are falsehoods, war is peace, peace is war, good is evil, evil is good, etc.*

46. There shall be many drastic environmental changes and many ecological and geological disasters during his time. Such as droughts, floods, terrible storms, horrible earthquakes, devastating hail storms, etc.

47. There will be massive die offs of people, trees, green grass, plants, sea life, birds, and animals during his time.

48. Mystery Babylon The Great, "the great city" and The Whore of Babylon shall be destroyed during his reign.

49. At first, for a time, he will be worshiped, praised and adored by the world.

50. Through peace, he shall destroy many.

Blessings,
