

The Satanic Talmud & The Synagogue of Satan

Part 7

The apostle Paul tells us that Satan masquerades as an angel of light:

“And no marvel; for Satan himself is transformed into an angel of light” -(2nd Corinthians 11:14).

One example of this masquerading is the culture of secret societies that claim to have illumination or light but are in fact full of darkness. Their Gnostic teaching inverts the truth, making Satan the god and God the enemy. The following sources attest to the fact that Freemasonry is Luciferian:

Occultist and Masonic author Manly Palmer Hall said:

*When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his Craft. The **seething energies of Lucifer are in his hands** and before he may step onward and upward, he must prove his ability to properly apply energy (emphasis added). I hereby promise the Great Spirit Lucifer, Prince of Demons, that each year I will bring unto him a human soul to do with as it may please him, and in return Lucifer promises to bestow upon me the treasures of the earth and fulfill my every desire for the length of my natural life. If I fail to bring him each year the offering specified above, then my own soul shall be forfeit to him. Signed...{Invocant signs pact with his own blood}.*

Eliphaz Levi Satanic Talmudic Jew stated:

What is more absurd and more impious than to attribute the name of Lucifer to the devil, that is, to personify evil. The intellectual Lucifer is the spirit of intelligence and love; it is the Paraclete [an advocate]; it is the Holy Spirit, where the physical Lucifer is the great angel of universal magnetism.

Albert Pike, 33-degree Freemason and author of *Morals and Dogma* stated:

*Lucifer, the Light-Bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the light, and with its splendors intolerable blinds feeble, sensual or selfish Souls? Doubt it not! The devil is the personification of **Atheism** or **Idolatry**. For the Initiates, this is not a Person, but a Force, created for good, but which may serve for evil. It is the instrument*

of Liberty or Free Will. They represent this Force, which presides over the physical generation, under the mythological and horned form of the God Pan; thence came the he-goat of the Sabbat, brother of the Ancient Serpent, and the Light-bearer or Phosphor, of which the poets have made the false Lucifer of the legend.

The true name of Satan, the Kabbalists say, is Yahweh (GOD) reversed; for Satan is not a black god, but a negation of God...the **Kabala** imagined Him to be a "most occult light."

That which **we must say to a crowd** is—we worship a God, but it is the God that one adores without superstition. To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st, and 30th degrees—The Masonic Religion should be, by all of us initiates of the high degrees, maintained in the **purity of the Luciferian Doctrine**. If Lucifer were not God, would **Adonai** whose deeds prove his cruelty, perfidy and hatred of man, barbarism and repulsion for science, would Adonai and his priests, calumniate him? Yes, **Lucifer is God**, and **unfortunately Adonai is also god**. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods: darkness being necessary to the statue, and the brake to the locomotive. Thus, the doctrine of Satanism is a **heresy**; and the true and **pure philosophical religion is the belief in Lucifer, the equal of Adonai**; but **Lucifer, God of Light and God of Good**, is struggling for humanity against **Adonai, the God of Darkness and Evil**.

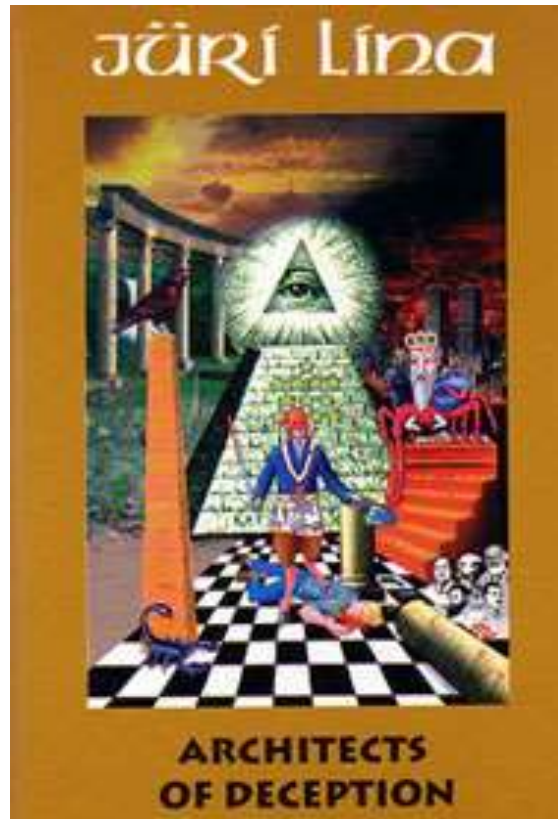

Arthur Edward Waite, 33-degree Freemason stated:

First Conjunction Addressed to Emperor Lucifer. Emperor Lucifer, Master and Prince of Rebellious Spirits, I adjure thee to leave thine abode, in whatsoever quarter of the world it may be situated and come hither to communicate with me...I command and adjure thee, Emperor Lucifer, as the representative of the mighty living God, and by the power of Emanuel, His only Son..

The source of the world's problems: The Gentile "leadership" has been chosen for its willingness to sell its soul to Cabalist (satanic) Jewish central bankers by joining Freemasonry, which is Judaism for Gentiles. Translated, our "leaders" are opportunists and traitors. *"Freemasonry plays the same role in Western society as the Communist Party did in the Soviet Union. Without belonging to the freemasonry, there is no chance of a fast career, regardless of how talented one is."*—Juri Lina

These are the words of a writer living in Estonia, both before and after the fall of the former Soviet Union. He is the author of the 2004 book, *'Architects of Deception'*, a 600-page history of Freemasonry which offers profound insight into the true character of modern history.

Essentially, a dominant segment of Western society has joined the Jewish financial elite in embracing Freemasonry, a satanic philosophy that represents a death wish for civilization. They imagine somehow they will profit from the oppression, lies and suffering caused by their Communist "New World Order."

Incredible, bizarre and depressing as it sounds, Juri Lina writes that 300 mainly Jewish banking families have used Freemasonry as an instrument to subvert, control and degrade the Western world. This is how the Satanic Zionist Jews planned to rule the world for centuries!

This view is consistent with the 1938 NKVD interrogation of an illuminati member who names many of these banking families and confirms that Freemasons are expendable tools.

Based on the archives of the powerful French Grand Orient Lodge, captured in June, 1940 and later made public by the Russians, Lina details how Freemasonry has conspired for world domination and orchestrated all major revolutions and wars in the modern era. (Lina, p.332)

Masons, often Jewish, are responsible for communism, Zionism, socialism, liberalism (and feminism.) They love big government because it is the ultimate monopoly. "World government" (dictatorship) is the final trophy. This is the vision behind 9-11 and all wars.

These "world revolutionary" "progressive" movements all mirror Lucifer's rebellion against the laws of God and nature which is at the heart of Freemasonry. They ensnare millions of gullible

idealists by promising a utopia based on materialism and "reason" and dedicated to "liberty, equality and fraternity," "public ownership" or some other idealistic sounding claptrap. It's called bait-and-switch.

According to Lina: *"The primary aim of modern freemasonry is to build the New World Order, a spiritual Temple of Solomon, where non-members are nothing but slaves [and] ...where human beings would be sacrificed to Yahweh."*

Lina cites numerous Jewish sources that claim Freemasonry is based on Judaism and is *"the executive political organ of the Jewish financial elite."* (pgs. 81-83)

Above: Barack Hussein Obama accepting a Masonic square and compass plaque.

The common goal of these Masonic inspired movements is to undermine race, religion, nation and family ("all collective forces except our own") by promoting social division, self-indulgence and "tolerance" i.e. miscegenation, atheism, nihilism, globalism, sexual "liberation" and homosexuality thereby reducing humanity to a uniform dysfunctional and malleable mush.

Juri Lina and others who attempt to alert humanity to its real condition are routinely slandered as anti-Semitic, fascist, and right wing "haters" by people indirectly employed by the bankers.

This tactic shields the conspirators from scrutiny and makes discussion of our grim predicament impossible. This tactic must be overcome, and terms such as tolerance should remind the reader that tolerance is not a virtue of God and His Holy Writ!

Juri Lina states, *"I am a Jew. I am not part of this banking monopoly, nor is the majority of Jews. By way of analogy, the mafia is considered mostly Italian but most Italians do not belong to the mafia."*

"On the other hand, Italians don't viciously attack opponents of organized crime and call them "racists" and "hate mongers". That would look awfully suspicious. Jews compromise themselves by their defense of the Masonic Jewish bankers and their perverse vision for humanity."

"My four grandparents perished in the Jewish holocaust. I demand to know the real reason they were murdered. London-based Masonic bankers and their cronies brought Hitler to power in order to provoke war, control Stalin, and justify the creation of Israel. They betrayed non-Zionist Jews and let them perish. They are using the Jewish people in the same way they use the Masons."

THE ILLUMINIST CONSPIRACY

We cannot understand the modern world unless we appreciate that it is the result of the Masonic conspiracy. People scoff yet the evidence stares them in the face every day.

The Great Seal of the United States on every dollar bill is a Masonic symbol. There are 33 steps on the side of the pyramid representing the 33 degrees of Freemasonry. The Masons established the United States as a base to advance their goal of world supremacy.

Similarly, the emblem of the United Nations is also a Masonic symbol. The world is caught in a grid consisting of 33 spaces surrounded by acacia leaves, which signifies intense activity in Masonry. -(pg. 215)

Three-quarters of all U.S. presidents in the Twentieth Century were high-level Masons. Both Trump and Clinton are Masons. FDR, Churchill, Lenin, Trotsky and Stalin were Masons. Most Zionist leaders were and are Masons. Gerhard Schroeder, Jacques Chirac and Tony Blair are

Freemasons. Of all the variables when it comes to leaders, the one area they share in common to all is the fact that they are or were Freemasons.

There are over six-million Masons in 32,000 lodges around the world including 2.5 million in the U.S. In 1929, 67% of Members of Congress were Masons. There are 360,000 Masons in England. More than five per cent of British judges are Masons.

Lina believes, "*Freemasonry plays the same role in Western society as the Communist Party did in the former Soviet Union. Without belonging to freemasonry there is no chance of a fast career, regardless of how talented one is.*"

Keep in mind that Communism was a Masonic enterprise and the puzzle starts to take shape. Lina says Freemasons not only control politics but also virtually every sector of Western society, including science and culture. "*The present cultural life has become virtually unconscious,*" he writes. "*We have witnessed the beginning of cultural senility.*" -(pg. 333)

In his pamphlet '*The Open Conspiracy: Blueprint for a World Revolution*' (1929) the Freemason H.G. Wells describes an "open secret society" consisting of society's leading men operating as a hidden force to secure world resources, reduce population through war and replace the nation state with world dictatorship. -(pg. 340)

MASONIC IDEOLOGY

Human beings are naturally attracted to good and repulsed by evil. Thus evil always represents itself as good. To the public, and its own lower ranks, Freemasonry pretends to be dedicated to "*making good men better*", humanism, tolerance, religion and you-name-it. That statement is for public consumption, and behind the secrecy of the Lodge, the goal is "*making men into gods.*"

If this were true, would they have to extract vows of secrecy from members on pain of slitting their throat? Would they have been condemned by many Popes and banned from numerous countries? -(pg. 84)

I do not wish to impugn the many good and decent men in the lower "Blue Degrees" who are unaware of Freemasonry's true function and character. But there is abundant evidence and testimony that Freemasonry is a satanic cult dedicated to the worship of death. -(pg. 134-138)

For example, when the Italian Grand Orient Lodge was evicted from the Palazzo Borghese in Rome in 1893, the owner found a shrine dedicated to Satan. The Italian Freemasons published a newspaper in the 1880's where they admitted time and again, "*Our leader is Satan!*" -(pg. 135)

The Masons also admit to having a revolutionary political agenda. Typical of statements Lina cites from Masonic publications is the following from a German magazine in 1910: "*The driving*

thought is at all times focused on destruction and annihilation, because the power of this great secret society can only rise from the ruins of the existing order of society." -(pg. 272)

CONCLUSION

The Illuminist Conspiracy is the brake responsible for humanity's arrested development. Mankind resembles a person suffering from a serious disease and sinking into a coma.

Juri Lina, above, has written a courageous book to revive us. He says we face *"the largest spiritual crisis in the history of mankind...They have taken our history, our dignity, our wisdom and our honor, sense of responsibility, spiritual insights and our traditions."* Humanity has no idea how right Juri Lina is as we approach the last days of Bible prophecy.

We are partly to blame, he says: *"We have failed to act against the Masonic madness due to our enormous gullibility. We have been totally fooled and ignored the warning signals."* -(pg. 274) He ends on a hopeful note, saying evil is dysfunctional and inevitably destroys itself. *"Freemasonry carries within it the seeds of its own destruction."* -(pg. 563)

Wars, revolutions and depressions are all part of a "revolutionary" process designed to frog-march humanity to "world government" under the rubric of Freemasonry which may be a surrogate for an alliance of occult Jewish and gentile financial elites. Their "self-destruction" seems to be our best hope since the public is too feckless and weak to resist.

Juri Lina's work adds to what we already knew here in the U.S. regarding Freemasonry, Zionism, and their plans to rule the world. His ability to access the French Grand Orient Lodge documents, which the Germans originally captured, only then to be later captured by the Red Army has been a major coup. He notes that Hitler had a son; Lenin was a homosexual; Castro is Jewish and a multimillionaire; and Henry Kissinger is a Soviet agent! He says the Mormons, Jehovah Witnesses, Rotary and Lions Clubs were all founded by Masons. Golf was invented by Masons and has great significance to them.

There was an interesting article on the Internet in early December of 2019 with a suggestive title: **Rothschild Group Preparing a New Updated 'Protocols of Zion' for World Conquest?** I saved it for reference; however, it speaks to the larger issue of Zionism controlling the world. I

share it now since it speaks to the Zionist Chabad movement and its need to strengthen its control the narrative when it comes to those seeking to expose the Zionist agenda. Freemasonry is the outer shell in which Zionism functions in the world.

This past September, Israeli President Reuven (Ruvi) Rivlin called on Jews of all ages, affiliations and nationalities to discuss, debate and shape the Declaration of Our Common Destiny, a joint project of Genesis Philanthropy Group (GPG) to allegedly “*strengthen the bonds among Jews worldwide*”.

The introduction of this draft of the Declaration, and the invitation to Jews of the world engage in a year-long discussion to complete it, are the first steps in a ground-breaking initiative to craft a new Jewish foundational text. The Declaration of Our Common Destiny will be a catalyst for Jews from around the world to come together and deliberate on the values and principles that shape how future generations within Israel and worldwide, relate, empower, and engage with one another across spiritual and cultural identities.

The president began his remarks by thanking those responsible for producing the declaration, and then said, *“The miracle of the Jewish people is not only that we survived for thousands of years. The miracle is that, despite the fact that we were spread all over the world, speak different languages and developed different traditions, we always were one people. Despite our differences, we remained bound by our shared history, our core values and beliefs, our Book of Books, and our commitment to improving the world. It helped that our enemies always saw us as one people. Our enemies don’t see any difference between one stream of Judaism and another: Secular, Haredi, Reform, Conservative, Masorti – for them we are all Jews.”*

The president continued, saying, *“Today, we face a different kind of challenge. Jewish communities around the world have integrated successfully into their home countries. This has created new challenges to Jewish identity and to the Jewish people. The future of the Jewish people depends on three things: preserving our core values, traditions and identity; mutual respect for our differences; and mutual responsibility to each other. We must embrace our unity, and our diversity. We must see our diversity not as a source of weakness, but a source of strength. When I say that the future of the Jewish people depends on preserving our identity, mutual respect, and mutual recognition, I mean also the future of the State of Israel.”*

He added, *“As a Jewish and Democratic State, Israel is essential for the survival of the Jewish people. And a thriving Jewish people, our fifth tribe is essential for the survival of the State of Israel. Today is just the start of the journey. From here the Declaration will go on a Jewish “world tour.” It will initiate conversations between communities, streams and generations.”*

“If we sincerely embrace our diversity while cherishing our shared history, then this Declaration can serve as a roadmap for the future of the Jewish people,” the president concluded his remarks....

The Declaration of Our Common Destiny is intended to serve as a touchpoint for Jews around the world and as a roadmap for a unified Jewish future.... In essence, this is a rally cry to Jews around the world. It reflects a decline of world support of Jews and Christians around the world. The Greater Israel Project has been in jeopardy due to declining support for Israel as a so-called “victim” state. What is the Greater Israel Project? The Greater Israel Project: A Zionist Scheme To Transform The Geopolitical Map Of The Mideast “Greater Israel”: The Zionist Plan for the Middle East The Infamous “Oded Yinon Plan”.

Rabbi Sharon Brous, Our Common Destiny Scholar from the United States added: *“The growing rifts among the Jewish people are not superficial; they are foundational, and they must be honestly and openly addressed. We need more than ever to hear one another despite our differences, and to work together to determine what our shared Jewish inheritance demands of us in this critical time. Though we face great challenges, as a people and as a State, it is my hope that we leave here affirming our commitment to work, unceasingly, in the pursuit of justice, human dignity and peace.”*

The presentation of the Declaration of Our Common Destiny to President Reuven Rivlin was part of the Our Common Destiny Forum, a gathering of some of the world’s leading Jewish thinkers in Jerusalem September 9 through September 11, 2019. Among the thought leaders affiliated with the project are Lord Jacob Rothschild, Bat Galim Shaer, Rabbi Lord Jonathan Sacks, Judith Tanenbaum, Maj. Gen. (Ret.) Amos Yadlin, Rabbi Silvina Chemen, Rabbi Yaacov Meidan, Éliette Abécassis, Rabbi Elliot Cosgrove, Professor Jonathan Sarna, and Rabbi Sharon Brous.

So in other words, in order for the original ‘Protocols Of The Learned Elders Of Zion’ to come to their full fruition, Jews worldwide need to stop their internal squabbling and all get on the same page. Jews can often be their own worst enemies, as they undermine and contradict each other while missing the Big Picture as outlined in The Protocols.

They are a quintessentially “double-minded” people whose one common denominator is hypocrisy and a mutually shared belief that they are universally hated by non-Jews worldwide. That is far too flimsy of an identity to make the Protocols reality, and they know it.

But getting Jews worldwide all on the same page will be a tall task, far more difficult than corralling a roomful of cats, and will no doubt end in failure. Sure, they will release their feel-good “Destiny” document a year from now, but that’ll be only for public consumption.

Perhaps the Jews will need another major catalyzing event, a new “Pearl Harbor” akin to the so-called Holocaust that will galvanize them together, circle the wagons, and ruthlessly push the Protocol agenda forward.

Central in all of this is the issue of the Temple and just as powerful is the division that exists between various Jewish groups around the world. That was amplified when President Trump signed his executive order recently, and his remarks emphasized the point that Jews should

love Israel more than they do. Many believe that the re-building of the Temple will unify world Jewry while many are opposed to a third Temple. Most of my rabbi's friends are Reformed Jews and would disagree with the President and for good reasons, citing the fact that Israel is the world's capital for debauchery. It is a basic fact that Israel is the capital of sexual perversion, pornography, and debauchery spread around the world. News media around the world regularly reflect on this aspect of Zionist culture, shockingly so! Israel is the center for sexual depravity, long having surpassed Amsterdam and Copenhagen for their reputation in the realm of debauchery.

In 1919, Magnus Hirschfeld and Arthur Kronfeld, founded the "Institut für Sexualwissenschaft" (Institute for 'Sexual Research') in Berlin. Both were active in the German Communist Party and were prominent members of Berlin's Jewish community.

A multitude of degenerate services were offered at the institute, including the first surgical sex changes in modern history, abortions, lectures and 'sex counseling', room rentals, a large library of pornography and erotic literature on every possible perversion (including bestiality and pedophilia), and a Museum of Sex featuring a wide array of homosexual fetish items, dildos, "masturbation machines", etc.

The institute hosted tens of thousands of visitors each year, including school class field trips. Hirschfeld was a notorious sodomite, popularly known in the Berlin gay scene by his cross-dresser name Tante Magnesia.

He also founded a committee for gay rights and wrote and published many degenerate books and journals, including Jahrbuch für Sexuelle Zwischenstufen (Yearbook for Intermediate Sexual Types). In fact, he's the sinister figure that coined the term 'transvestite'. Hirschfeld campaigned to end the Berlin police department's arrest of cross-dressers and prostitutes.

In 1921, Hirschfeld organized the First Congress for Sexual Reform, which led to the formation of the World League for Sexual Reform, with conventions held in Copenhagen [1928], London [1929], Vienna [1930], and Brno [1932].

In short, Hirschfeld was the quintessential Hebraic culture-killer who Adolf Hitler explained thus: *"And in what mighty doses this poison was manufactured and distributed. Naturally, the lower the moral and intellectual level of such an author of artistic products the more inexhaustible his fecundity."*

"Sometimes it went so far that one of these fellows, acting like a sewage pump, would shoot his filth directly in the face of other members of the human race. It was a terrible thought, and yet it could not be avoided, that the greater number of Jews seemed specially designed by Nature to play this shameful part." -(Mein Kampf. ibid. 42). Adolf Hitler referred to Hirschfeld as the most dangerous Jew in Germany.

Hirschfeld's institute was a monument to moral sickness and represented everything the NSDAP stood against. In May 1933, the Deutsche Studentenschaft (German Students Union) stormed this den of debauchery shouting Brenne Hirschfeld (Burn Hirschfeld) and began beating the staff and smashing the premises. The Institute was permanently closed and its extensive lists of names and addresses were seized.

A few days later the entire library was famously burned in the streets, some 20,000 books and images, along with Marxist literature and other subversive material. Ever since, without background or explanation, corporate media and palace publishers have protested against the German students emptying their swamp.

At the time, Hirschfeld was on an international speaking tour lecturing on sexuality. He never returned to Germany and died in exile two years later. In October 1941, co-founder of the institute, Kronfeld, committed suicide in Moscow at the approach of German troops.

Israel is the capital of pornography and sexual deviates, the world over flock to Tel Aviv every June for a whole month of depraved sexual activities. A quarter-million sexual depraved perverts descend on the streets and beaches of Tel Aviv in celebration of Gay (sic) Month observance.

But the Cabalists (Freemasons, Satanists) in charge believe in destroying everything that is good in order that their evil dispensation may arise from the ashes. Cabalists are determined to foment another world war to establish a world Communist dictatorship. They need to turn the world upside down so that Satan, who represents their own demented megalomania and perversion, can be on top. The insanity displayed by the Masonic leaders of the West can only be explained by the occult. They are deliberately instigating a wider war; the gassing in Syria is just a tawdry pretext. The Cabalist Doctrine of Destruction provides a key to understanding world events.

According to the Cabala, which is the secret doctrine of Judaism and Freemasonry, *"Evil and catastrophe [are] endemic factors in the process of creation. Without evil there could be no good, without destruction, creation could not take place."* -(*Kabbalah: An Introduction to Jewish Mysticism*, by Byron L. Sherwin, pg. 72.)

Cabalists believe the Old (Christian) Order must be ruthlessly destroyed before the New (Satanic) World Order, based on the Kabbalah, can be built.

Hence, the Illuminati motto: *"Order Out of Chaos."* Hence, the Communist Manifesto advocates the destruction of nation, religion and family and the transfer of all private wealth to the Illuminati bankers, in the guise of the state.

The Doctrine of Destruction explains why war and revolution have been characterized by gratuitous genocide, terror and destruction. It explains the banishment of God from public discourse and the widespread acceptance of obscenity, pornography and the occult. It explains

the attack on gender and the promotion of homosexuality to heterosexuals. It explains the spate of false flag terror that is a hallmark of modern life. It explains why humanity seems cursed by never-ending crises and catastrophes. They are engineered by the Illuminati to attack and destroy anything that smacks of the healthy divine order -- spiritual or natural.

THE ILLUMINATI

The present day Illuminati grew out of the satanic "Sabbatean-Frankist" Jewish heresy in the 17th and 18th centuries. The bankers and half the Jews of Europe adopted this pestilence and spread it to the Gentile elites through Freemasonry. Thus, Illuminati Jews characterize the "Jewish" role in terms of the destruction of civilization.

For example, in the book 'You Gentiles' (1924) Maurice Samuel writes:

"In everything, we are destroyers--even in the instruments of destruction to which we turn for relief...We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we want a world of our own." (pg. 155)

In 1928, Marcus Ravage, a Jewish Rothschild biographer wrote an essay entitled, "**The Real Case Against the Jews.**"

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it."

(THE CENTURY MAGAZINE, JANUARY 1928, Vol. 115, No. 3, pp. 346-350.)

Most Jews (and liberals/leftists in general) are unaware of this cabalistic plot. They have been duped by spurious appeals to ideals of "social justice" and "equality."

WHY THE CABALA IS SATANIC

Religio means "to go within" i.e., "to know and obey" God. In any true religion, God comprises absolute spiritual ideals -- love, truth, justice, goodness, beauty, harmony -- pure and unalloyed. God is nothing if not Moral - i.e., Good. Evil is the absence of God, just as darkness is the absence of light.

The Cabala says God is unknowable and has no form. This is Satanism. You cannot obey God if you cannot know Him.

"To the Cabalist, God is an infinite Sea of Being ("*Ein Sof*") without any limit; hence without any qualities, without desire or will of any kind. He is totally incomprehensible. " (Jacob Angus, '*The Meaning of Jewish History*' (1963) pg. 286.

In fact, God is perfection, the form necessary for human evolution. Be ye therefore perfect as your Father in heaven is perfect. -(Mathew 5) True religion assumes God is present in the human soul. Obeying this voice, conscience is what makes us human. Anyone who denies the existence of God is a Satanist, not an atheist. This is an important point to keep in mind.

The Cabala is satanic because it says evil is part of God: "*God has two sides; [both] are essentially one thing; what we experience as evil is as Divine as what we experience as good.*" This is visible in the Masonic Lodge worship hall, in the black and white checker board floor pattern design. Every Lodge Hall has this distinctive floor design. Hence the expression gaining currency today: "It's all good."

Many texts in the Kabbalah, including the Zohar, say that the task is not to destroy evil but to return it to its source -- to "include the left within the right," in the Zohar metaphor, "*to uplift the fallen sparks*" in the Lurianic one. In Zionist Chabad Hasidism, it is stated that evil exists as part of the Divine revelation itself. Indeed, to think that evil really is separate from God is, itself, the essence of evil, which is precisely the illusion of separation.

Letting go of the reality of separate evil, and really accepting that the *sitra achra* [impurity, occult, evil] is a side of Divinity, is easy on paper but very difficult in reality. ... Still, to the extent it is possible to do so, the notion is indeed life-changing. Everything is a flavor of Divinity."

Cabalists also believe in "**redemption through sin**" i.e., deliberately flaunting the Old Law by doing evil (adultery, incest, pedophilia.) The destruction of civilization (i.e. chaos) will provoke the return of the Messiah (the anti-Christ) who will rebuild the world according to Kabbalist specifications, with the Illuminati bankers playing God.

This is all Satanism. God is inherently good. In a true religion, you do not obey God by doing evil, or by pretending evil is part of God. For Christians or even honest agnostics this is so weird and a concept hard to comprehend. However, when you examine our world culture today, it becomes apparent as to what is happening. Right is wrong, up is down, evil is good, homosexuality is normal, etc. We are in the throes of cultural chaos currently in the world.

SATANICALLY POSSESSED

Call it illuminism, secularism, luciferianism, humanism, paganism or the occult: It's all Cabalah. Modern Western civilization has no moral legitimacy (and no future) because it is based on a rebellion against God, who represents the path of our spiritual development. I hope you catch what I just said. The Freemasonic mantra is "**Freedom, Equality, Liberty**", but it does not mean what most people think. It means "**Freedom, Equality, Liberty from God and God's natural**

order. The essence of the Founding Fathers of America was directed at the King of England, but more fully was against the Creator! The masses of America have been deceived by the misrepresentation of the Founding Fathers. But one would have to read all the writings of the Founders, not just those that have been featured by the powers at be.

Humanity had been hijacked by psychopath's intent on destroying the "old order" and building a bizarre, solipsistic, violent, depraved dystopia New World Order in its place. These psychopaths control our government's credit and the mass media. Thus, they are able to purchase our leaders and dupe society into embracing its own downfall.

Cabalists believe the Old (Christian) Order must be ruthlessly destroyed before the New (Satanic) World Order, based on the Kabbalah, can be built. Hence, the Illuminati motto: **"Order Out of Chaos."** Hence, the Communist Manifesto advocates the destruction of nation, religion and family and the transfer of all private wealth to the Illuminati bankers, in the guise of the state.

They use the "Divide and Conquer" strategy to control humanity. The system divides us and then pits us against each other so that we are always at each other's throats instead of recognizing the true nature of reality and the control system we live under and then finding a way to end it:

- division between male and female
- division between old and young
- division between straight and LGBT
- division between ethnicities and skin color
- division between religions and cultures and sub-cultures
- division between the owners and non-owners of property
- division between abled and disabled
- division between urban and rural
- division between countries themselves
- and last but not least the division of labor itself

These are the primary ways the elites divide us and in turn get to rule over us. I believe sooner or later the people will realize that this is wrong and end these forms of divisions so that humanity can be united, and become one organic whole, not separated by artificial boundaries anymore but all of society becoming harmonious and symbiotic like a big healthy organism. When that happens that is when people will truly be free, living in a highly advanced peaceful and prosperous future society where the people will be in charge over their lives and destiny.

The Doctrine of Destruction explains why war and revolution have been characterized by gratuitous genocide, terror and destruction.

It explains the banishment of God from public discourse and the widespread acceptance of obscenity, pornography and the occult. It explains the attack on gender and the promotion of

homosexuality to heterosexuals. It explains the spate of false flag terror that is a hallmark of modern life.

It explains why humanity seems cursed by never-ending crises and catastrophes. They are engineered by the Illuminati to attack and destroy anything that smacks of the healthy divine order -- spiritual or natural. The photo above is important for many reasons. It goes back almost three decades, an indicator as to the Zionist strategy for long-term planning.

In 1992, Donald Trump was recruited by the Rothschild family in order to further their globalist agenda in exchange for vast sums of cash. Trump was widely portrayed as a white knight by the alternative media, who hope he will end the New World Order's dominance over humanity and set us free.

However, compelling evidence suggests Trump is nothing more than a Trojan horse Crown Agent, loyal to the City of London banker's, i.e., the House of Rothschild. In attempting to figure out the enigma of President Trump, knowing that Trump is a Freemason goes a long way in explaining many questions and issues.

Above: Note the Masonic handshake (thumb over the knuckles) A clear handshake between two Lodge brothers. This is a perfect picture of two Cabalists sealing a deal Masonic style.

www.Hendersonlefthook.wordpress.com reports: The moving of the US Embassy in Israel from Tel Aviv to Jerusalem al Quds on Monday was marked by Israeli Defense Forces killing more than 60 unarmed Palestinian protestors. It should have surprised no one that, despite the convening of a UN Security Council meeting to discuss the genocide, the US government said nothing to condemn the Israeli slaughter. UN Ambassador Nikki Haley said, *"No country in this chamber would act with more restraint than Israel has."*

The Ministry of Truth's version of "restraint" occurred on the 70th anniversary of the founding of Israel. Back then, Stern Gang and Haganah Zionist terror cells operating in the British Mandate of Palestine, slaughtered Palestinian families, seized their olive and pistachio groves and moved into their deeded houses, all with the backing of President Harry Truman and the U.S. government.

The founding of Israel was a project of the Business Roundtable – a Chatham House City of London project later known as the Royal Institute of International Affairs (RIIA). They pushed through the private Federal Reserve Bank in the U.S. in 1913 while President Woodrow Wilson relaxed Revolutionary War-era tariffs aimed at the East India Company and other Crown Agents.

In 1917 the RIIA overthrew the Romanov dynasty in Russia with phony Bolshevik revolutionaries funded by the Kuhn Loeb and Warburg banking dynasties. That same year Roundtable member & British Foreign Secretary Arthur Balfour sent a letter to fellow

Roundtable Lord Walter Rothschild declaring support for the establishment of Israel on Palestinian land. It became known as the Balfour Declaration.

For seventy years the Balfour Declaration has been categorically referred to as a miracle, when in fact, when you examine the history of how it came about, it can only be categorized as an act of Lucifer. Christian Zionists want you to believe it was a miracle and they paint the Balfour Declaration as a miracle in the return of the Jews to Israel but they do not tell how and why it was arranged. Christian Zionists paint the story that WW1 prepared the land for the Jews and WW2 prepared the Jews for the return to the land. Again, it is all propaganda and the full details hidden from scrutiny. I will deal with that in the next segment of this series.

The Crown then backed the rise of Adolf Hitler and the subsequent de-industrialization of Germany. Soon they had their pretext for a mass exodus of Zionist Jews to Israel where that nation would serve not as a safe Jewish homeland, but as a regional enforcer for the Rothschild/Rockefeller oil cartel.

The 1922 Treaty of Jeddah established the exact same role for the House of Saud. The RIIA Crown Agent in the U.S. is the Council on Foreign Relations, which pretty much dictates U.S. foreign policy through its widely read *'Foreign Affairs'* rag. The Atlantic Council is another Crown Agent RIIA affiliate.

The brazen move by President Trump to relocate the US embassy to Jerusalem al Quds, a city shared by both Israel & Palestine, marks a dangerous new chapter of U.S. Middle East policy. Trump's hailing of peace on the Korean Peninsula was a red herring. North Korea has no oil. And the peace will not hold if the U.S. continues to conduct military exercises with South Korea. Meanwhile, the elevation of Crown Agents (neo-cons) John Bolton and Mike Pompeo indicate that the Project for a New Century crowd (Crown Agents), despite their cumulative failures in Iraq, Afghanistan, Libya, Yemen, Sudan and Syria; still want to go to war with that 7th country they targeted for destruction – Iran. This embassy move, along with increased Israeli shelling of Iranian bases in Syria, could be the trigger.

So where does Trump fit into all this?

Despite the aforementioned carnage and the further deregulation of the corporatocracy, controlled opposition figures such as Alex Jones and the widely circulated QAnon tell us that Trump is a white knight waiting for the right moment to end the banker's hegemony over planet earth.

For anyone who still believes this and bought that swamp in Florida which was supposed to get drained someday, here's the evidence that in fact your white knight is nothing more than a Trojan horse Crown Agent beholden to the City of London bankster's, i.e. House of Rothschild.

In 1987 Donald Trump purchased 93% of Resorts International, a CIA front founded by Crown Agents Allen Dulles and David Rockefeller as the Mary Carter Paint Company in the 1950's. A

year later Trump bought the Atlantic City, NJ Taj Mahal Casino from Resorts International, then began buying up other properties on the Atlantic City boardwalk. Soon Trump was tapped out and couldn't make his debt payments.

Then entered Wilbur Ross, billionaire bond-trader portrayed by the Illuminati financial media as an "independent investor". In fact, in 1992 Ross was heading Rothschild Inc.'s bankruptcy advising team, which represented bondholders who were threatening to foreclose on Donald's house of cards.

Ross saw how Trump had the ability to sway masses of people, something certainly not missed by his bosses at Rothschild. So he struck a sweetheart bankruptcy deal for Trump, where he would relinquish a 50% stake in his Atlantic City, NJ Taj Mahal casino in return for better debt terms and the Presidency to be named later. If you notice, Wilbur Ross is one of President Trump's cabinet, i.e., Trump's handler for the Rothschild's.

Rothschild and their City of London partners-in-crime, not only got a new East Coast money laundering center in Atlantic City. They now had their straw man Trump by the testicles. Later Ross would partner with Jared Kushner in buying commercial properties in New York through Invesco. Jared married Trump's daughter Ivanka, who prior to that had been dating Lord Jacob Rothschild's son Nat. Ross got behind Trump's candidacy and would later be named Commerce Secretary in the Trump Administration.

For the Democratic faithful feeling a big smug right about now, don't forget that Hillary Clinton had herself been endorsed by Lynn De Rothschild. A month before the 2016 election, the Rothschild's bailed on Hillary R. Clinton.

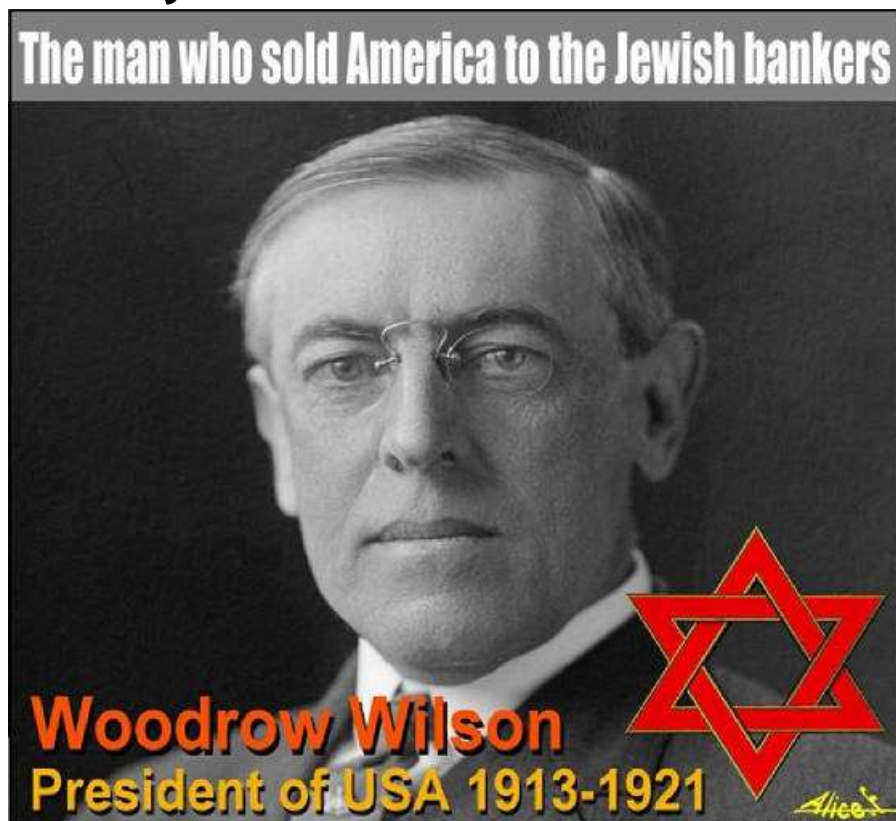

The City of London had this election in the bag. It is time to lose childish illusions fed by Crown Agents. Forget about elections. Those days are over. It's time to unite, drop the cowardly lion routine and cut off the head of snake. Presidents are not elected, they are selected, and those who choose select the candidates. Popular vote is an illusion when declaring a winner!

Most people have long forgotten those early promises that Donald J. Trump made during the pre-election campaign, like re-open the 9/11 investigation, etc. President Trump has lied so much since June 16, 2016, you have to compare notes with those who have tracked his political promises. As of January 10th, 2020, President Trump has made 16,241 false or misleading claims. But all presidents lie, my point is more about who President Trump lies to hide!

You may be one of the millions who believe the hype of Rush Limbaugh the past four year, and you may still believe President Trump represents the people like you and me. You may think I am a crack pot and do not know of what I am talking about. That's OK, but when President Trump leaves office in 2024, or maybe next year, he will have fulfilled his purpose. You say, it can't happen, then, you either do not know history, or you have not read how an earlier President sold his country down the river to the Zionists who rule the world. He also ran on a "Peace" platform.

Most establishment scholars belong to a self-imposed cultural ban of any serious discussion regarding the historic significance of international finance in the road to permanent war and the slavery of central bank fiat currency. **The fact that Zionist Bankster's make up a disproportionate influence and impact to their population is so toxic that the mere mention of the subject risks the red herring acquisition of anti-Semitism.** Regrettably, the task of seeking the truth no longer is the basis of chronicling Western Civilization. If nothing else, review the '*Totalitarian Collectivism*' essay, [The Cause and Consequences of World War I](#), before you close your mind to actual events of the previous hundred years.'

Woodrow Wilson War President for Zionist Bankers

WITH POWERFUL JEWS BEHIND HIM, Woodrow Wilson has done more to bring America into the hands of international Jewry's pernicious designs than any other president in American history.

As Jewry's abject pawn, Wilson was instrumental in creating:

- The Federal Reserve Bank (Jewry's Debt Instrument)
- The Federal Trade Commission (Jewry's Economic Instrument)
- The Federal Income Tax (Jewry's White Slave Instrument)
- The Federal Intervention of WWI (Jewry's Globalist Instrument)

These events should be known by any student of the Wilson Presidency. However, how many know much less accept the following from Brother Nathanael in Woodrow Wilson - Pawn Of The Jews.

THE ZIONIST PLAN TO DOMINATE AMERICAN LIFE was already in motion by the early 1900s.

"A central Bank, legislation for an income tax, and American involvement in a world war, were on the Zionist list of 'things to do'."

The key Jewish players, -1- Jacob Schiff, head of Kuhn Loeb Bank; -2- Paul Warburg, brother-in-law to Schiff; -3- Bernard Baruch, a leading Wall Street mogul; -4- and Edward Mandell House, (originally "Huis"), who negotiated cotton purchases in the U.S. for the Rothschild's, only needed a pawn in the White House to bring their Zionist plan to fruition.

In 1910, the four Zionist leaders found their man, (a man of compromised morals known as "Peck's Bad Boy"), in Professor Woodrow Wilson, recently retired as president of Princeton University.

Already established as a "political academic" and with an opening in the Democratic Party for the governorship of New Jersey, Wilson was financed by Jacob Schiff, Paul Warburg, and their fellow Jewish associate, Henry Morgenthau, Sr., to seat him as New Jersey's Governor in 1911." The key in understanding the President Wilson administration resolves around one "Colonel" Edward M. House. The faux "Colonel" was an advisor and author of the account, Philip Dru: Administrator. Wilson referenced: *"Mr. House is my second personality. He is my independent self. His thoughts and mine are one."*

In the archived papers of Colonel House, researcher Dr. Stan Monteith found a "typewritten copy of the "Protocols of the Elders of Zion" in the papers of Col. Edward M. House at Yale University. This seemed like confirmation of the widely held view that House (1858-1938) was a Rothschild agent." Dr. Stan Monteith had a radio program on the Internet for nearly a decade. Dr. Stan was a retired orthopedic surgeon, a scholar, a historian, and an exposé of secret societies. He is known for his book *'Brotherhood of Darkness.'*

The 99-page House typescript is a different English translation from the **Victor Marsden** translation, which is most commonly used. (I suspect "The Protocols" were originally written in French, originating in the Miriam Lodge of Freemasonry.) The most obvious difference is the title.

- Marsden's book is, "The Protocols of the Meetings of the Learned Elders of Zion."

- The translation in House's possession is, "Protocols of the Meeting of the Zionist Men of Wisdom."

In this translation, "meeting" is singular and the "Elders" are clearly identified as "Zionists."

The significance is that "Zionist" used here is a *movement for world domination*, not one confined to establishing a Jewish homeland.

The book '*ALL THE PRESIDENTS' BANKERS: The Hidden Alliances that Drive American Power*' by Nomi Prins adds to this discussion. *All The Presidents' Bankers: The Mid-1910s: Bankers Go To War* reflects upon the role J.P. Morgan played during World War I.

"Not wanting to leave war financing to chance, Wilson and Morgan kicked their power alliance into gear. At the request of high-ranking State Department officials, Morgan immediately immersed himself in war financing issues. On August 10, 1914, Secretary of State William Jennings Bryan wrote Wilson that Morgan had asked whether there would be any objection if his bank made loans to the French government and the Rothschild's Bank (also intended for the French government). Bryan was concerned that approving such an extension of capital might detract from the neutrality position that Wilson had adopted and, worse, invite other requests for loans from nations less allied with the United States than France, such as Germany or Austria. The Morgan Bank was only interested in assisting the Allies."

Well, missing from this assessment is the contention of Eustace Mullins which puts "forth the supposition that the Morgan's were nothing more than Rothschild agents." Mullins wrote that the Rothschild's, "...preferred to operate anonymously in the US behind the facade of J.P. Morgan & Company".

The popular version that Woodrow Wilson was a man of peace is absurd. His Fourteen Points were a progressive illusion that played directly into the hands of the banker's. "Colonel" Edward M. House worked to secure the acceptance of agreement on topics likely to arise in the anticipated peace conference.

Biographers of Edith Bolling and Galt Wilson would have you believe that she was the actual president during most of Wilson's second term. How naive. The twin instruments of tyranny; namely, debt created money issued by the private central banking system and perpetual internationalist war of empire are the true legacy of President Woodrow Wilson.

As long as individuals are fearful to address the historic record of the globalist cabal of financial enslavement and warfare merchants of munitions, the world will be doomed to damnation, ignoring this forbidden history guarantees the loss of our mutual survival and cultural heritage. Emerge from your coma and discover reality.

That said, we should recognize that President Trump, acquitted of an Impeachment trial, is not above reproach. The Impeachment hearings were a masterful plan to ensure the President's

re-election. As political theater, the actors played their rolls well. It's hard to look stupid, and to do so requires practice, which Adam Schiff (grandson of the Jacob Schiff mentioned above; Jerry Nadler, and Nancy Pelosi will be well rewarded for the stellar performance, even the drama of Nancy Pelosi tearing up the copy of the President's State of the Union address. It reminds me of the days when I was a young teen. My uncle would stop at our house on Saturday night to watch wrestling on the black and white TV set. He was a city police officer who moonlighted on the weekend for the wealthy residents of Pittsburgh's Woodlawn Road.

As a kid I grew up thinking WWF wrestling was for real. Years later, I met a real gentleman who was a big name in the wrestling world, Bruno Sammartino (he died in April of 2018). He worked for my late father-in-law, a construction superintendent for Koppers Corp. Bruno was a pipefitter in the Pittsburgh local pipefitters union. He had been invited to dinner one Sunday, and I had my chance to find out if wrestling was real or fake. Bruno acknowledged that most of it was fake, and largely entertainment, mostly for the ladies. Well, this is my take on how I saw the fake Impeachment hearing scenario.

The President and a couple Republican congressmen took this a step further by saying Nancy Pelosi broke the law by tearing up his State of the Union address.

"I thought it was a terrible thing when she ripped up the speech," the President said. "First of all, it's an official document. You're not allowed. It's illegal what she did. She broke the law. But I haven't been asked the question other than a lot of people that viewed it, they couldn't believe that she did it."

Cabalists don't believe in objective reality or objective truth.

God is the Ultimate Reality (objective Truth.) Cabalists are Satanists. They believe in subjective truth. Their truth! Truth is whatever they say it is. They think they are God. People who think perception is reality largely control what we perceive.

They redefine reality to suit their material interests and perversion. They are turning reality upside down, usurping God's place at the apex.

In their view, sick is healthy and healthy is sick. Natural is unnatural and unnatural is natural. This is the real meaning of "revolution." They are unravelling the social fabric: race, religion (God), nation and family (gender). We see it in their promotion of migration, miscegenation, anonymous sex and their demonic attack on gender and the nuclear family which has ruined millions of lives.

But in the end, Trump, Pelosi, Schiff, and Nadler will be well-compensated for this political theater. The Rothschild's are getting their money's worth, I would say. This reminds me of an article Phil Giraldi wrote, entitled "**Trump Green Lights Greater Israel**". Philip M. Giraldi, Ph.D., is Executive Director of the Council for the National Interest, a 501(c)3 tax deductible educational foundation (Federal ID Number #52-1739023) that seeks a more interests-based

U.S. foreign policy in the Middle East. Phil's Website is councilforthenationalinterest.org, address is P.O. Box 2157, Purcellville VA 20134 and its email is inform@cnionline.org.

I believe his article speaks directly to what I have been saying about this selected President [elected if you prefer]. His analysis of the "Deal of the Century" is perhaps the best that I have read.

"Many interested parties have already weighed in on President Donald Trump's "Deal of the Century." Even though it sounds like a phrase that a used car dealer would use, the "Deal" is dead serious in that it effectively denies to the Palestinians in perpetuum any political entity that has attributes of genuine sovereignty. Israel, which has just postponed a vote to immediately annex some of its illegal settlements on the West Bank with the blessing of the White House, will completely surround the fragmented Palestinian holdings by virtue of the annexation of the entire Jordan River Valley. It is the Zionist dream of a Greater "Eretz" Israel from the Jordan River to the Mediterranean Sea finally achieved. The empty shell Swiss-cheese-like completely disarmed state of Palestine will have no authority over its borders and airspace, no means to defend itself and no right to manage its own water resources.

Within the territory granted to Palestinians by Trump there will remain Israeli settler enclaves guarded by soldiers and police. Israel will have total control over the entire West Bank. Millions of Palestinians under its control will de facto be stateless people without basic civil rights whose land will be stolen by settlers. They will be unable to travel even within their "state," forced to pass through checkpoints, arrested and imprisoned for speech harming "public order" and jailed through indefinite "administrative detentions" without any charges or trial.

Gaza will be completely disarmed and connected to the West Bank by a tunnel controlled by Israel. Presumably, the Mediterranean will continue to be a restricted area for Gazan fishermen, patrolled by the Israeli navy with the offshore oil and gas reserves exploited by Israeli companies. In return for their complete surrender, the Palestinians will be required to express gratitude for being able to survive as helots in what will be largely an open-air outdoor prison. If they behave well, they may or may not get money doled out by Trump to Israel for distribution to the Palestinians as long as they keep quiet and smile as they writhe under the Israeli thumb.

One of the more interesting features of the Deal is that Trump insists that the Palestinians will have East Jerusalem as their capital while at the same time confirming that an undivided Jerusalem will be under total Israeli control. If one looks at the map provided by the White House when the Deal was unveiled, it appears that a piece of East Jerusalem is indeed shown as part of the Palestinian land. But obviously, even though it will have that area technically as its capital it will have no sovereignty over it. It is a detail that is clearly unsustainable and may in fact be a completely fiction designed to demonstrate how magnanimous Israel and the United States are in giving the Palestinians a "state."

Trump's one-sided Deal was crafted around Israeli interests, not those of the United States and without any input whatsoever from the Palestinians themselves. The team pulled together by presidential son-in-law Jared Kushner consisted of Orthodox Jews and they worked closely with U.S. Ambassador (sic) David Friedman, whose time in Israel has consisted mostly of being an apologist for Netanyahu, excusing accelerated Israeli settlement building as well as the weekly shooting party along the fence line in Gaza. Immediately after Trump and Netanyahu announced the outline of the Deal in Washington, Friedman stated that the Israeli government was at that point free to begin the annexation of any or all of the illegal settlements.

The sad part of what we see unfolding in front of our eyes is that the United States, long an enabler of Israel, is now openly a partner in Israeli war crimes. The Fourth Geneva Convention, adopted in 1949, was intended to protect civilians in time of war. It clearly states that occupying a territory obtained by war and colonizing it with your own people is a war crime. Germany's demand for lebensraum for German colonists during the lead up to the Second World War and its defining the Slavs who would be displaced as Untermenschen was the crime that motivated the drafters of the Convention. Does that sound familiar? The words are probably somewhat similar in Yiddish.

Most of the mainstream media commentary on the Deal is neutral or even mildly critical, observing inter alia that it is a gift to Israeli Prime Minister Benjamin Netanyahu, who was at the podium and beaming alongside Trump. If the boost from the White House succeeds in getting Bibi reelected, Trump will expect payback big time in 2020 through the Israel Lobby's influence over Jewish voters and from the generosity of Jewish billionaire donors named Sheldon Adelson, Paul Singer and Bernard Marcus.

That Trump has betrayed U.S. interests repeatedly in the Middle East and has also flipped on his pledge to remove American soldiers from its "loser wars," makes him a disgrace as president, though he will likely be re-elected as the voters have been fed a steady diet of propaganda both by the mainstream media and government on Israel. That just might be because Jews are vastly overrepresented both in the media and in the choke points in government that deal with the Middle East and foreign policy in general. Even liberal Jews who are critical of Israeli oppression of the Palestinians tend to rally round-the-flag at election time and vote for the candidate perceived as being "strongest" on Israel. One notes with interest that while Senator Bernie Sanders roundly condemned the Deal, Speaker of the House Nancy Pelosi saw "some areas of common ground here" in it. She would, wouldn't she? And I am sure Senator Chuck Schumer, the self-proclaimed protector of Israel in the Senate, is secretly delighted.

In the rather less restrained alternative media, there is much banter about how the Deal is little more than a sweeping annexation plan that is really Apartheid by another name. That in itself is a bit of a fudge as the reality in Palestine is far worse than South African Apartheid ever was. Some braver individuals have observed how the United States is controlled by Israel in terms of its engagement in the Middle East, but the language used to describe the situation

really misses the point. The United States vis-à-vis Israel is not controlled by Israel per se but rather by subversion from within, Jewish billionaires having bought both major political parties and a Jewish dominated media spouting nonsense about the “only democracy in the Middle East” and “America’s best friend and ally.” Israel is neither a democracy nor a friend. And the American Jews and their allies the Christian Zionists who are full time promoters of the Israel myth are little more than traitors to the United States and everything it once upon a time stood for.

The Palestinians have already rejected the Deal, but their refusal to participate will be seen by Trump and Israel as an insult, or at least it will be spun that way. Trump has already warned that his proposal is the Palestinians’ “last chance” and his United Nations Ambassador Kelly Craft has advised Palestinian President Mahmoud Abbas not to raise the issue at all with the world body. Unwillingness to embrace it will provide a good opportunity to really lower the hammer on the Arabs. The map provided by Trump shows a cluster of Bantustans surrounded by Israel soldiers and police who historically have regarded nominally Palestinian areas as a free fire zone. When violence erupts, which it will, the largely unarmed Arabs will be slaughtered and David Friedman, Donald Trump and Bibi Netanyahu will all conveniently blame it on the Palestinians as it was the Israelis who “wanted peace” and the only obstacle remaining was and is the obduracy of the Palestinians. If only they had accepted the Deal, the outcome would have been different the contrived narrative will go.”

We are certainly living in strange times, of that there is no doubt about that. A forthcoming transition, the time of truth has arrived upon the Earth!

For thousands of years, even before religions were first created, prophets and seers predicted the end of days at “The End of The Cycle”. Aside from a religious point of view the evolution of the human consciousness is basically the realization of the eternal dance between Dark & Light which will inevitably lead to the final battle between good & evil! Such a battle can only be won by the choosing of truth – and to return balance to all unbalanced circumstances. Even Pope Francis has been calling for a re-distribution of wealth if the world is to survive!

The fulfilling of the ancient prophecies is all but to the final chapter, and this is what we are presenting here. We only hope to help by pointing out the truth and then it is solely up to you to choose that which you will. No one is going to come and snatch us into utopia, at one point we are going to meet our God face to face and do a little judging of our actions. Let that sink in for a bit so that we may choose wisely! Do not think that I am discounting the Pre-Tribulation Rapture, I am not. The Rapture is our reason for our hope! But for the millions who are lost or part of the Zionist Chabad plan to re-build a Third Temple, utopia does not exist.

According to many ancient Hebrew scrolls and Biblical Scriptures, in order for the spirit of the Antichrist to come down to earth in human form the Third Temple of Jerusalem must first be built. Whether or not an individual understands Bible prophecy, nothing will compare to this one particular prophecy—the building of the Third Temple on the Temple Mount in Jerusalem. In Part 6, I revealed the Rothschild’s scenario about their bringing forth the Antichrist, he being

Prince Charles of Wales. If you failed to read Part 6, do read it, for the evidence and substance of what some would consider a joke. It is anything but a joke, as the evidence shows. Here is a current report from Israel a short time ago.

NEWS BRIEF: "Israel's Top Rabbi: "I'm Currently in Discussions With Messiah Himself", Breaking Israel News, 2/18/2020

"On Saturday night, Yonatan Dadon of Radio 2000, an Orthodox Hebrew language broadcaster, interviewed Rabbi Yaakov Zissholtz on his weekly Melaveh Malkah program."

Remember, this Rabbi is a staunch Kabbalist, who does not believe in the Divine-centered Bible as we do, but believes that "selected righteous men" will produce the Messiah. As New Age author, Peter Lemesurier, stated so eloquently:

"If the Messiah is to appear, then he must be produced. And producing the Messiah is, as it was before, inevitably just as much a function of humanity as of Divinity." ("The Armageddon Script: Prophecy In Action", St. Martin's Press, New York, 1981, page 231)

This Rabbi believes in a man-centered Judaism, just like Peter Lemesurier. *"Secret Societies Killed Jesus Christ"*, they conspired to eliminate Him because He was fulfilling the prophecies of the 'Suffering Servant', not of the Kingly Messiah they so desperately wanted.

The Kabbalistic Pharisees and Sadducees were determined to bring their own Kingly Messiah, and finally, after 2,000 years, God is going to let them. Hence, the Third Temple will be for the Antichrist.

Therefore, it is entirely possible that this Kabbalistic Rabbi has been in discussions with the man whom the Illumined Kabbalists have chosen to be their Messiah!

"But there are things the public does have to know right now because the process of **geula** (redemption) is about to start happening very quickly and at a fast pace. It is important that people remain calm and steady to act properly in the right time."

"Rabbi Zissholtz explained that he had been charged by these hidden righteous men to break his silence and to begin informing the public of the imminent arrival of the Messiah ... Getting the word out now that the Messiah is closer than ever is a matter of life and death," Rabbi Zissholtz said. *"Haven't you heard of Gog and Magog? That is what is going to happen very soon. Right now, the situation is explosive more than you can possibly imagine ..."*

The rabbi said, *"I no longer travel outside of Israel. The Messiah is so close that I am afraid that I might miss his arrival."*

From those remarks, I have to conclude that the rabbi has met Prince Charles secretly when he attended the 75th anniversary of the Holocaust, and Prince Charles visit to his grandmother's grave.

The Third Temple According to Bible Scriptures

Many of the events prophesied to occur in the end time will be recognizable. These will include:

- (1) The catastrophic Sixth Trumpet War,
- (2) A peace agreement in the Middle East,
- (3) The establishment of a world government and one-world religion system,
- (4) The implementation of the global-numbering system commonly referred to as the Mark of the Beast and last
- (5) The building of the third temple on the holy grounds of the temple Mount in Jerusalem.

All of which we are now seeing literally coming to pass before our very own eyes! Except for number (5)? Do not fret, it's closer now than ever before.

Freemasons control every important social institution: government, media, corporations, military, justice, education and the church. They are the real "deep state." Humanity is being reengineered to serve the Cabalist bankers and their god Lucifer in a world plantation.

As historian Bernard Fay explains below, the United States was established to implement this agenda which is behind U.S. foreign policy:

"Your churches will be used to teach the Jew's religion and in less than two hundred years, the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry." -(General George Cornwallis, 1781)

Most Americans scoff at the mention of conspiracy but they don't know their country was created by Freemasonry. Freemasons drafted the Constitution and signed the Declaration of Independence. The "Indians" who dumped the tea in the Boston harbor were Masons. So was Paul Revere and his Minutemen, George Washington and most of his generals. The Marquis de Lafayette was shunned until he joined the Masons. At least 20 of the 42 U.S. Presidents were Masonic "Brothers."

Freemasonry is the Church of Satan masquerading as a fraternal mystical philanthropic order. It fronts for the Illuminati (Masonic & Cabalist Jewish) central bankers who started the U.S. as a vehicle to advance their New World Order. In the words of Masonic elder Manley P. Hall, *"we must also perfect the plan of the ages, setting up here the machinery for a world brotherhood of nations and races."* (*The Secret Destiny of America,* 1944, pg.3)

The Freemasons provided Americans with ideals -- civil liberties, equal opportunity and no taxation without representation -- which still are valid. But they were enticements designed to win power. As you might have noticed, these promises were not intended to be kept. Politicians don't represent us. They are Freemasons and they represent the goals of Freemasonry, i.e. Cabalist Jewish world Tyranny.

Most historians won't tell you this. In Upton Sinclair's words: *"It is difficult to get a man to understand something when his salary depends on his not understanding it."*

But there was one historian who did reveal the truth. Bernard Fay (1893-1978) was a Harvard-educated Frenchman. He is considered an "anti-Mason" because his 1935 book, *'Revolution and Freemasonry: 1680-1800'* is one of the very few to reveal the extent of Masonic participation in the U.S. and French Revolutions.

He had access to Masonic archives in the U.S. and Europe. His book is actually a sympathetic portrayal of Freemasonry with no references to its occult nature. However, as a Vichy Frenchman, he subsequently helped the Nazis identify Masons during World War Two. He was imprisoned after the war but pardoned in 1952 by French President Charles De Gaulle.

MASONIC AMERICA

Fay explains that in the 1770's, the U.S. consisted of 13 isolated colonies with different governments, religious affiliations, customs, racial profiles, and social and political structures. There were intense rivalries and longstanding antagonisms. A letter took three weeks to get from Georgia to Massachusetts.

"Masonry alone undertook to lay the foundation for national unity in America because [as a secret society] it could spread throughout the colonies and work steadily and silently. It created in a limited but very prominent class of people a feeling of American unity without which... there would have been no United States." -(pg. 230)

"In 1760, there was no town, big or small, where Masonry had not spun its web. Everywhere it was preaching fraternity and unity." -(pg. 230)

Benjamin Franklin, who was the Grand Master of a French lodge, raised millions of francs crucial to financing George Washington's army. He was the first to submit a concrete plan for military collaboration and political federation to a Congress representing all colonies. He established a chain of Masonic newspapers in all of the colonies. You can imagine where he found the money.

Fay says George Washington and his ragtag army kept the spirit of independence alive. He organized many military lodges and personally participated in their activities. On December 27, 1778, he led a parade after Philadelphia was recaptured:

"His sword at his side, in full Masonic attire, and adorned with all the jewels and insignia of the Brotherhood, Washington marched at the head of a solemn procession of 300 brethren through the streets of Philadelphia to Christ Church, where a Masonic Divine Service was held. This was the greatest Masonic parade that had ever been seen in the New World." -(pg. 246)

"All the staff officers Washington trusted were Masons, and all the leading generals of the army were Masons: Alexander Hamilton, John Marshall, James Madison, Gen. Greene, Gen. Lee, Gen. Sullivan, Lord Stirling, the two Putnams, Gen. Steuben, Montgomery, Jackson, Gist, Henry Knox and Ethan Allen were Masons. They all gathered around their Master Mason Washington and they all met at the 'Temple of Virtue,' 'a rude structure forming an oblong square forty by sixty feet, one story in height, a single entrance which was flanked by two pillars... The atmosphere which surrounded Washington was Masonic and it may be said that the framework of his mind was Masonic." (p. 250)

Imagine if Washington had shown the same devotion to Christianity. Fay points to a "curious" degree of coordination between Masons in the U.S. and British armies:

"It seems even likely that the unforgettable and mysterious laxness of certain English military campaigns in America, particularly those of the Howe brothers, was deliberate and due to the Masonic desire of the English general to reach a peaceful settlement..." -(pg. 251)

SURRENDER OF CORNWALLIS

In this context, it is pertinent to recall the confession of General Cornwallis when he surrendered to General Washington at Yorktown -(October 19, 1781.)

"Jonathan Williams recorded in his "Legions of Satan," (1781,) that Cornwallis revealed to Washington that "a holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown."

The Crown is the Illuminati (i.e., shareholders of the Bank of England.) Cornwallis went on to explain what would seem a contradiction:

"Your churches will be used to teach the Jew's religion and in less than two hundred years, the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry."

In a 1956 speech, Senator Joseph McCarthy reflected on these words:

"Cornwallis well knew that his military defeat was only the beginning of world catastrophe that would be universal and that unrest would continue until mind control could be accomplished

through a false religion. What he predicted has come to pass. A brief sketch of American religious history and we have seen Masonry infused into every church in America with their veiled Phallic religion."

CONCLUSION

We don't recognize the Judeo-Masonic conspiracy because we are not accustomed to thinking in terms of hundreds of years. But the Illuminati bankers have been plotting the "new order of the ages" (featured on the U.S. dollar along with the uncapped Masonic pyramid) for thousands of years.

We may have the pleasure and pain of witnessing their design come to fruition. As we do, it is worth remembering that Americans, in fact all peoples, have allowed themselves to be duped.

Our role is analogous to that of the French nobles who collaborated in the French Revolution and then were slaughtered. Fay writes: "All these nobles did not hesitate to side with the revolutionary party, even though it was to cost them their rank, their estates and their lives." - (pg. 287)

In the words of a speaker at a secret B'nai B'rith meeting in Paris in 1936:

"Yet it remains our secret that those Gentiles who betray their own and most precious interests, by joining us in our plot should never know that these associations are of our creation and that they serve our purpose..."

"One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World."

Yes, Jared Kushner, proud son-in law of President Donald Trump, married to Ivanka Trump, is at this very moment not only setting up the place for the Antichrist in Jerusalem at the Temple Mount through the "Middle East 'Deal of The Century' Peace plan," Keep your eye on both Jared Kushner and President Donald J. Trump; although they are not the Antichrist, they are in advertently preparing the way of his soon coming.

"Anti-boycott laws do not only punish companies, they are the most dangerous assault on free speech in the United States since the McCarthy era." Israeli caretaker prime minister Binyamin Netanyahu, who has been indicted for corruption and is facing an election soon, just boasted that his ministry of strategic affairs has managed to undermine first amendment protections for free speech in the United States by lobbying state legislatures to pass laws forbidding the boycott of Israel.

It was also not for nothing that the American administration has taken this step together with us. In recent years, we have promoted laws in most US states, which determine that strong action is to be taken against whoever tries to boycott Israel. Some 28 US states have passed laws prohibiting the boycott of Israel and attempting to punish this action by denying such individuals state contracts.

Gilad Erdan is the head of the ministry of strategic affairs, which has spearheaded the attempt to undermine the U.S. constitution and make criticizing Israeli policy illegal in the United States. This effort is allegedly being aided by Mossad, Israeli intelligence. Mossad intensively spies on Washington, D.C., and may have compromising information on US politicians.

Israel's Netanyahu boasts of destroying U.S. 1st Amendment & free speech

US President Donald Trump meets with Israeli Prime Minister Benjamin Netanyahu in the Oval Office of the White House, March 5, 2018, in Washington. (AP Photo/Evan Vucci) Note again, the Masonic hand shake, (thumb over the knuckles) a hidden message that Trump does the bidding of the Israeli prime minister.

The American Israel Public Affairs Committee or AIPAC is the main instrument of such Israeli policy pushes in the United States, and has never been forced to register as the agent of a foreign state, as US law requires. Why not?

It should be noted that the anti-boycott laws do not only punish companies. Most states treat individuals providing them services as companies categorized as “sole proprietors.” University professors invited to speak on campus in the states with these horrid laws have been asked to sign statements they don’t boycott Israel before being allowed to speak. These procedures are the most dangerous assault on free speech in the United States since the McCarthy era.

Journalist Abby Martin has just launched a lawsuit against the University of Georgia for cancelling her speaking appearance when she declined to sign a pledge she would not boycott Israel.

“I wrote recently that “in the past 23 months Palestinians in Gaza have been demonstrating weekly, and Israeli army snipers have shot down over 8,000 them, leaving many crippled for life and killing over 200 dead from gunshots. Most of those shot were peaceful demonstrators posing no danger, who simply came into a zone the Israeli army arbitrarily declared off limits, even though it was inside Gaza. Victims include children, women, medics, journalists, and other nonviolent noncombatants.”

“Criticizing these policies, which everyone concerned with human rights in the world does, is not equivalent to disliking Jews. The only reason the question even comes up is that the Israel lobbies and the organized-crime-like Likudniks have attempted to deflect any obstacle to their colonization drive by smearing human rights activists as bigots for daring oppose their monstrous plans.”

As I have noted, *“not only are no sanctions being placed on Israel for these naked war crimes but the lawmakers in the US are willing to take large scissors to the US Constitution on behalf of the Likud Party, protecting it from any civil society attempt to hold it accountable.”*

In response to such war crimes, including the Israeli colonization of the Palestinian West Bank, civil society around the world has adopted the tactics of boycott, sanctions and divestment (BDS) against Israel. They have especially resorted to these tactics precisely because powerful world governments refuse to intervene to stop Israeli crimes against humanity.

I earlier reported that *“ Ben Kessler at NBC News reported that the University of Arkansas-Pulaski Technical College cancelled their ads with Little Rock’s Arkansas Times because owner Alan*

Leveritt won't sign a pledge that his business does not boycott Israel. Leveritt doesn't boycott Israel, but he considers a state law passed by Arkansas and 27 other states to be unconstitutional and he would rather risk his business than surrender his First Amendment rights."

The loss of the state contract was devastating to the newspaper. It is important to underline that Alan Leveritt does not boycott Israel. He simply refuses to sign a pledge that restricts his freedom of speech and which is imposed by the state government, on first amendment grounds. The Arkansas Times is a centrist newspaper in a conservative state, so that Netanyahu has actually managed to reach into the heart of America and strike at its media diversity by shredding the U.S. constitution (on which state constitutions are based when it comes to freedom of speech).

In a disgusting miscarriage of justice, the anti-boycott law was upheld by a lower court in Arkansas on the grounds that a boycott is neither expressive nor speech, which contradicts the precedent of NAACP vs. Claiborne Hardware (1982). The appeal is now before the 8th Circuit Court.

Economic boycotts have been part and parcel of American political striving for liberty from the beginning. I have three words for you: Boston Tea Party. What do you think the American colonists were doing when they tossed 342 chests of British tea into the harbor? They were boycotting, divesting and sanctioning the injustice of King George III.

Several Federal judges have already found state laws that attempt to punish companies or individuals for boycotting Israel unconstitutional, in Kansas in Arizona, and in Texas.

When Kansas fired Mennonite school teacher Esther Koontz from a program to train other teachers over her refusal to certify that she doesn't boycott Israel (she does), the ACLU took the case to court and a Federal judge struck down the Kansas statute. The state legislature then reformulated it so that it only affected big businesses under certain circumstances, which is also unconstitutional, but made it a little unlikely that the law would affect anyone.

Netanyahu tried to deny a Mennonite school teacher her job.

The anti-boycott laws are unconstitutional. They are also racist, aimed at keeping Palestinians down. If anyone has doubts that President Donald J. Trump is not being led around by an invisible ring in the nose, this should certainly clarify the implications of the President's new Executive Order. The very fact that Israeli Prime Minister Benjamin Netanyahu boasts opening of destroying the U.S. 1st Amendment & free speech is a clear and present danger to every U.S. citizen.

The American Israel Public Affairs Committee, better known as AIPAC, has been condemned as a "hate group" by US Congresswoman Betty McCollum. The Democratic representative for Minnesota denounced the pro-Israeli group in a scathing response to an advert which she

described was “weaponizing anti-Semitism” to “incite followers” of the lobby group to attack her and other Democratic colleagues. *“My statement responding to the vicious and hateful paid Facebook ads from AIPAC intended to demonize my work in support of human rights for Palestinian children,”* said Rep. Betty McCollum on February 12, 2020

McCollum expressed outrage at having her image plastered on the controversial AIPAC advert which labelled Democrats “anti-Semites” for their support of the Palestinians. “Radicals in the Democratic Party are pushing their anti-Semitic and anti-Israel policies down the throats of the American people,” the lobby group had said on Facebook. “America should never abandon its only democratic ally in the Middle East.” It urged its supporters to sign a letter of protest and not “abandon Israel”.

“The decision by AIPAC to use my image in paid Facebook ads weaponizing anti-Semitism to incite followers by attacking me, my colleagues, and my work promoting human rights for Palestinian children detained in Israeli military prisons is hate speech,” McCollum said in her response to the advert.

The statement expressed dismay at a petition linked to the ad describing McCollum and her Democratic colleagues as being “more sinister” than the Daesh terror group. The AIPAC petition linked to their ads designed to mobilize supporters stated: *“It’s critical that we protect our Israeli allies especially as they face threats from Iran, Hamas, Hezbollah, ISIS and – maybe more sinister – right here in the U.S. Congress.”*

“This is not a call to action, it is incitement,” said McCollum. *“Elected representatives in Congress “more sinister” than ISIS?”* added the 65-year-old in disbelief.

McCollum believes she is being targeted by AIPAC because of a bill she has sponsored that seeks to protect Palestinian children from Israeli torture. “AIPAC wants its followers to believe that my bill, H.R. 2407, to protect Palestinian children from being interrogated, abused, and even tortured in Israeli military prisons is a threat more sinister than ISIS,” said McCollum. *“This is not empty political rhetoric. It is hate speech.”*

Promising not to be covered by AIPAC’s hateful ad McCollum said: *“I will not back down from my commitment to peace, justice, equality, and human rights for Palestinians and Israelis. I want Jews, Muslims, Christians, and all people to be safe, secure, and able to find hope and opportunity – in the U.S., in Israel, and in Palestine.”*

The threats of Netanyahu and AIPAC, ADL, JDL, and other pro-Israeli groups do great harm to their cause. Attacks like those lodged against Congress lady Betty McCollum.

In Part 6, I noted the recent visit of the Prince Charles to Israel, his presence there was to attend the 75th Anniversary of the liberation of Auschwitz, along with a side trip to visit his grandmother’s grave site in Jerusalem. While the world was focused on Jared Kushner and

President Trump, the real action was underway with a meeting between Prince Charles and Mahmud Abbas below.

The remarks by the heir to the British throne, who was visiting the West Bank town of Bethlehem, were described by Britain's Sky News TV as constituting "the biggest show of support that a member of the Royal family ever has [expressed] for the Palestinians."

Prince Charles plays his role royally well as the future Antichrist, who will sign the "Seven" Year Peace Treaty with the Zionist Chabad and Mahmud Abbas!

Visiting the town revered by Christians as the birthplace of Jesus, Charles said: *"It breaks my heart therefore that we should continue to see so much suffering and division. No one arriving in Bethlehem today could miss the signs of continued hardship, and the situation you face."*

Speaking at Casa Nova, a Franciscan pilgrim house near the Church of the Nativity, Charles went on: *"And I can only join you, and all communities, in your prayers for a just and lasting peace. We must pursue this cause with faith and determination, striving to heal the wounds which have caused such pain."*

He added: *"It is my dearest wish that the future will bring freedom, justice and equality to all Palestinians, enabling you to thrive and to prosper."*

Britain's Prince Charles said on Friday that he was heartbroken to witness the "suffering" and "hardship" endured by the Palestinians. Note again, the Masonic handshake, thumb over the knuckles. My guess is these two are closer than political friends, likely Lodge brothers!

Later, after he held talks with Palestinian Authority President Mahmoud Abbas, the official PA news agency WAFA said Abbas told the prince he was grateful to the UK *"for accepting the two-state solution and rejecting the US-led 'deal of the century'."* Britain's Prince Charles meets with Palestinian Authority President Mahmud Abbas during a visit to the West Bank city of Bethlehem on January 24, 2020.

US President Donald Trump said Thursday he would unveil his Israeli-Palestinian peace plan within days. The PA has preemptively rejected it. The UK has not taken an official position on it.

Sky News quoted officials representing the prince as saying he was trying to remain "neutral" in the course of his trip — his first official visit to Israel and the Palestinian territories.

During his visit to Bethlehem, the prince visited the Church of the Nativity, where he attended an unprecedented Ecumenical Service marking what his official residence, Clarence House, tweeted was the "first time that the three Christian churches have collectively held a service to celebrate the contribution of Christian communities across the Holy Land and wider Middle East." Britain's Prince Charles poses for a photo with leaders of different branches of Christianity during a visit to the Church of the Nativity in the West Bank city of Bethlehem on January 24, 2020.

He also met with local storekeepers and iconographers, visited the Mosque of Omar, held a reception at which he met with "guests including people who work with Palestinian refugees and Palestinian Christians," Clarence House said.

The Prince of Wales attends an Ecumenical Service at the Church of the Nativity in Bethlehem. According to WAFA, Abbas, hosting the prince later in the day, thanked the UK *"for its assistance to the Palestinian people in building state institutions, as well as its assistance to the UNRWA, and for accepting the two-state solution and rejecting the US-led 'deal of the century'."*

"Our hope in the near future," WAFA further quoted Abbas saying, *"is that Britain recognizes the State of Palestine, because we've heard that the British Parliament recommended this to the government. So we hope that this will happen."*

It said Prince Charles praised *"the historical Palestinian-British relations and said he looks forward to achieving just peace in the region."* Britain's Prince Charles left after visiting the tomb where his grandmother Princess Alice is buried at the Church of St Mary Magdalene at the Mount of Olives in Jerusalem, Israel, Friday, January 24, 2020.

Earlier Friday, Charles visited the tomb of his grandmother, who sheltered Jews during the Holocaust and is interred at the Russian Orthodox Church of St. Mary Magdalene, just outside Jerusalem's Old City. Britain's Prince Charles speaks at the Fifth World Holocaust Forum at the Yad Vashem Holocaust memorial museum in Jerusalem, January 23, 2020.

On Thursday, the Prince met Israel's president, Reuven Rivlin, toured the Israel Museum including the Dead Sea Scrolls exhibit, met Holocaust survivors, and addressed the World Holocaust Forum at Yad Vashem.

I know for many prophecy watchers that it seems that to learn Prince Charles is "The Antichrist" is such a letdown and perhaps an anti-climactic reality, so as to be conveniently dismissed. We need to be mindful that the Antichrist will undergo a personality change as he attempts to be all things to all parties and peoples.

Christians are arguably the most committed supporters of Israel in the world. At the same time, different kinds of Christians are among the Jews' worst enemies.

In America, the ones who defend Israel so passionately are (mostly) the "red state" evangelicals. It is these people in their millions, not the so-called and vastly over-hyped Jewish lobby, who make America so pro-Israel.

Next month, the executive committee of the World Council of Churches (WCC) is due to elect a new general secretary. One of the two candidates is Dr. Jerry Pillay, a member of South Africa's United Presbyterian Church who has urged support for the BDS movement against Israel "for the sake of just peace."

The WCC has played a key role in turning much of the world against Israel. Through its "liberation theology," it has for many decades infused liberal churches with neo-Marxist, anti-capitalist, anti-West attitudes--thus placing a virtual halo over the anti-Semitism of the left.

In Britain, the Church of England and other liberal denominations are institutionally hostile to Israel. Such churches, along with immensely influential Christian NGOs such as Christian Aid, Christ at the Checkpoint or KAIROS, disseminate boiler-plate distortions and falsehoods that demonize Israel and sanitize Palestinian-Arab aggression.

In the United States, a number of churches--most notably the United Church of Christ and the Presbyterian Church USA—United Methodist Church--have passed BDS resolutions against Israel.

According to Dexter Van Zile, the Christian analyst with the Committee for Accuracy in Middle East Reporting in America (CAMERA), the "Never Again" coalition of liberal Protestant denominations created after the Holocaust has attacked the primary victims of the Holocaust with a flood of dishonest propaganda.

Its message, he has written, is that *"Israeli Jews abuse the rights accorded to them as a sovereign people in the Middle East,"* and that *"by exercising undue influence in the democracies where they live, Diaspora Jews help Israel get away with its crimes."*

"It's a 'cleaner' version of The Protocols of the Elders of Zion," says Van Zile, *"but the implications are just as demonic."*

While many Christians who subscribe to such views are just going with the flow of the prevalent (and unchallenged) narrative about the Middle East, that narrative's roots lie in a toxic combination of Marxism, Palestinianism and theological Christian anti-Semitism.

As the Christian historian Paul Merkley has chronicled, the WCC played a key role in bringing about the anti-Zionist hate-fest in Durban, South Africa, a few days before 9/11, when representatives attending the U.N. Conference on Racism, Racial Discrimination, Xenophobia and Related Intolerance demanded that the United Nations denounce Israel for "systematic perpetration of racist crimes, including war crimes, acts of genocide and ethnic cleansing."

Merkley wrote: "This Durban Declaration was achieved in large part by the active lobbying of the World Council of Churches serving as brokers between the Muslim states and Western opinion in August 2001.

"Today, the Durban Declaration serves as the source of the mottos with which respectable people in our part of the world shape their campaigns to deprive Israel of her right-to-life. WCC statements on this theme are parroted by the official journals and newsletters of the major Protestant denominations in the United States and elsewhere around the world."

The deepest root of the church's hostility towards Israel lies in the resurrection of the previously discredited doctrine of "replacement theology," also known as "supersessionism."

This doctrine, which holds that because the Jews denied the divinity of Jesus they were stripped of God's favor so that Christians became the "new Israel" while the Jews were damned, was the source of centuries of murderous Jew-hatred until the Holocaust drove it underground.

It was given new life by Palestinian Christian liberation theology, which states somewhat falsely that the Palestinian Arabs were the original possessors of the land of Israel. It thus gives the Palestinian claim to the land the status of supposedly holy Christian writ, turning Israel into an ungodly interloper and her defenders into the enemies of God.

Unless one knows the Biblical narrative, Bible history, you know the land of Palestine changed hands after the Temple was destroyed in 70 A.D. and the Jews were dispersed to the four corners of the globe. Arabs occupied the land forward from the Diaspora until the early part of the 20th Century, when the First World Zionist Congress set about to establish a homeland for the Jews. At the close of this article, I have listed nearly two dozen passages that speak to the

fact that God was going to remove the Jews from their land and scatter them. There are more than three dozen references to the fact that God would scatter the Jews for their disobedience. As Christians, we are to pray for the peace of Jerusalem. We walk a tight rope line between the two positions of Christian Zionism and Supersessionism.

This division within Christianity is an obvious result of ignorance of the Bible. Scripture says that it is God who will deal with the issue of the Middle East. We have many examples of why it is that Israel is the foremost hot spot for conflict and effort to control Israel. The words of Ezekiel remind us that it is God who will deliver Israel, but more importantly "why?" You are witness to the closing years of the 120 years God gave man to rule and reign. The 120 years, are not 120 individual years, but are 120 Jubilee years [120 X 50 = 6,000 years]. Psalm 90:10 tells us how long we are granted life – ***"The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labor and sorrow; for it is soon cut off, and we fly away."***

This poisonous and lethal fiction is pumped out by the Sabeel Ecumenical Liberation Theology Centre in Jerusalem, run by Father Naim Ateek. He is a close friend of many senior Anglican bishops; while Sabeel, used as a major resource by Anglican clergy, aid agencies and pilgrimage companies, is a crucial source of systematic, theologically based lies and libels about Israel. The church today is apostate from the top down. Roman Catholicism, Orthodox Catholicism, mainline Protestant, including much of the Evangelical body are ignorant of what the Bible really says. Christian Zionism is equally guilty along with "Replacement Theology" or "Supersessionism".

Meanwhile, Christianity is under actual assault from radical Islam. According to the Open Doors World Watch List 2020, an annual report that ranks the top 50 countries where Christians are most persecuted for their faith around the world, 260 million Christians are suffering high to severe levels of persecution.

"Islamic oppression" was the chief source of persecution faced by Christians in seven of the 10 worst nations, while 38 of the 50 on the list were either Muslim-majority or had a sizable Muslim population.

Yet on this worldwide Christian persecution, the liberal churches are all but silent. Israel is the only country in the Middle East where Christians are safe. Yet these churches dump on Israel, not only thus assisting the mortal threat it faces from Palestinian Muslims, but ignoring the threat those people pose to the church itself.

In a recent address in the Al-Aqsa mosque in Jerusalem, a Palestinian researcher Ahmad Al-Khatwani raved that an Islamic state of Palestine would not only replace Israel, but its army would also "conquer Rome." It was an "Islamic cause" which should be viewed "as a conflict between Muslims and Jews, Muslims and Crusaders."

Christianity lost its way a long time ago. Losing their faith, many Christian churches turned instead to social and political activism, liberation theology and the radical Marxist analysis of the World Council of Churches. The "Social Gospel" became the main theme at the beginning of the 20th Century, as Neo-Orthodoxy struggled to survive the collapse of Christianity in Europe spread to America.

Those progressive churches have denied their Jewish parent. Embracing instead their Islamist assassin, they are in the forefront of the charge against Israel. In the process, however, with their congregations dwindling they are destroying themselves--thus weakening even further the society for which they once provided the now degraded moral core.

List of Bible verses that reveals God's Master Plan of the Bible dealing with the Jews:

"For the LORD will strike Israel, as a reed is shaken in the water; and He will uproot Israel from this good land which He gave to their fathers, and will scatter them beyond the Euphrates River, because they have made their Asherim, provoking the LORD to anger." -(1 Kings 14:15).

"Remember the word which You commanded Your servant Moses, saying, 'If you are unfaithful I will scatter you among the peoples;" -(Nehemiah 1:8)

"Ho there! Flee from the land of the north," declares the LORD, "for I have dispersed you as the four winds of the heavens," declares the LORD. -(Zechariah 2:6)

"For I am with you,' declares the LORD, 'to save you; For I will destroy completely all the nations where I have scattered you, Only I will not destroy you completely But I will chasten you justly And will by no means leave you unpunished." -(Jeremiah 30:11)

"Therefore say, 'Thus says the Lord GOD, "Though I had removed them far away among the nations and though I had scattered them among the countries, yet I was a sanctuary for them a little while in the countries where they had gone." -(Ezekiel 11:16)
