

The Satanic Talmud & The Synagogue of Satan

Part 9

Since the first news about the Coronavirus hit a few weeks ago, there has been report after report on news from China regarding the virus. News reporting has been sketchy to the sensational. One has to be discerning when evaluating the reports coming from sources around the world about the lockdown of entire cities in China. Because of China's efforts to keep a lid on the facts has only spurred exaggeration of details, facts, implications, it has been a dizzy process of sorting out the facts from the fiction. But ultimately the intrigue always seems to circle back to the House of Rothschild, as is the case here.

The Coronavirus initially was blamed upon the eating bats, which melted away quickly as a deception. Then Robert David Steele suggested it was a bioweapon and painted it as a cover to 5G radiation sickness. Wuhan, the site of the initial outbreak city of 10-million raised attention to the fact that Wuhan had been selected as a model city for the new 5G technology, and thus perhaps it was really related to radiation sickness from satellite transmission. That may or may not be the driving issue, only time will tell for sure. Evidence of 5G radiation sickness was a strong factor reported on close confinement on cruise ships and hospitals. As I began this article, the statistics indicate the fatality rate is 2% of those infected with the Coronavirus, and somewhat higher in Italy and Iran at much higher rates.

This report may not seem relevant to the title of the series but let me assure you it is more relevant than you can ever imagine. We are in the End Game stage of the global New World Order and this becomes evident when you read the Millennium Report content posted on 2/20/2020. The Millennium Report does not name its writers, obviously for their personal safety. They go right to the juggler so to speak, when it comes down to putting out the details behind the stories. I will include a few of the Millennium Reports relative to this particular issue and the people behind the global events.

In this report the Millennium Report links six important supportive reports, each adding more information behind the purpose of the Coronavirus release. The Millennium Report and its State of the Nation web site provides the most comprehensive data on what the world has not been told and been confronted with. The 16 reasons highlighted in the list below will enable the reader to get a big picture of the larger issue behind the story. It is far larger than most people can grasp or handle. It is not simply a simple accident or intentional release of pathogens into the atmosphere.

For example, Bill Gates invested \$10-million dollars in a UK company that has modified the Coronavirus, plus has the patent on it, as well as having a vaccine for treating the virus.

Details on this can be found at 'AIM Truth Bites' <https://aol.com/webmail-std/en-us/suite> It will take the reader to a linked interview between Michael McKibben and Douglas Gabriel. The video is tagged 'Q Queen's Qinetiq'. It was found on Vimeo at <https://vimeo.com/392798558>. Vimeo days ago de-platformed and removed the video that confirmed the Queen of England is deeply involved in the Eugenics issue of depopulation. The Mike and Doug show ties together everything which the Millennial Report included in this report, names the names of the individuals responsible for the Coronavirus bio-weapon which we are told is doubling every six days in the U.S.

The company that Bill and Melinda Gates Foundation invested \$10-million into is a company by the name of Pirbright Institute. Founder Lord PirBright was a Rothschild! Lord Pirbright was the grandson of Mayer Amschel Bauer Rothschild. He married one of the Rothschild's offspring as well. The Pirbright Institute holds a U.S. Patent #10,130,701 B2 for the Coronavirus and have a vaccine patented as well. SERCO, a UK company owned by the Rothschild's manages the U.S. Patent Office under a contract. The Corona virus is not new, and from what I have discovered, it is repackaged every few years, and given a new name for the fear porn media that seeks to create fear and panic.

So, along with the fact that Bill and Melinda Gates is the largest investor of companies involved with vaccines and population reduction, we know they invested \$10-million into the vaccine business of Pirbright Institute. We know that this Coronavirus was released into the Chinese central population of the industrial region of southeast China. The Bio4 lab in Wuhan City was built illegally by a Harvard scientist. A Harvard University professor arrested by federal authorities in February has been accused by the U.S. government of lying to officials about his ties to a Chinese school and program aimed at furthering the communist superpower's "scientific development, economic prosperity and national security."

Charles Leiber, who chairs the prestigious Harvard's Chemistry and Chemical Biology Department, was taken into custody at his office. He has been charged with one count of making a materially false, fictitious and fraudulent statement – and was to appear Tuesday January 28th, 2020 in federal court in Boston, according to the U.S. Attorney's Office of the District of Massachusetts.

"Unbeknownst to Harvard University, beginning in 2011, Lieber became a 'Strategic Scientist' at Wuhan University of Technology (WUT) in China and was a contractual participant in China's Thousand Talents Plan from in or about 2012 to 2017," a statement from the Office says.

"China's Thousand Talents Plan is one of the most prominent Chinese Talent recruitment plans that are designed to attract, recruit, and cultivate high-level scientific talent in furtherance of China's scientific development, economic prosperity and national security," it continues. "These talent programs seek to lure Chinese overseas talent and foreign experts to bring their knowledge and experience to China and reward individuals for stealing proprietary information."

Prosecutors said Leiber's research group at Harvard – which specializes in nanoscience – has received more than \$15 million in grant funding from the National Institute of Health and U.S. Department of Defense. The grants, they say, require *"the disclosure of significant foreign financial conflicts of interest, including financial support from foreign governments or foreign entities."*

But federal investigators allege that Leiber "lied" about his involvement with China and the Wuhan University of Technology. Under the terms of his Thousand Talents contract, they say, the school paid him \$50,000 a month and awarded him more than \$1.5 million to set up a research lab in Wuhan.

The Wuhan institution also allegedly provided Leiber with round-trip, business class flights to and from China, prosecutors say. *"In return, Lieber was obligated to work for WUT 'not less than nine months a year' by 'declaring international cooperation projects, cultivating young teachers and Ph.D. students, organizing international conference[s], applying for patents and publishing articles in the name of WUT,"* the district attorney's office said in its statement.

U.S. prosecutors say around April 2018, “during an interview with investigators, Lieber stated that he was never asked to participate in the Thousand Talents Program” and that he “‘wasn’t sure’ how China categorized him.”

The statement also says Lieber, later that year, “caused Harvard to falsely tell NIH that Lieber ‘had no formal association with WUT’ after 2012, that ‘WUT continued to falsely exaggerate’ his involvement with WUT in subsequent years, and that Lieber ‘is not and has never been a participant in’ China’s Thousand Talents Plan.”

Harvard officials, in response to Lieber’s arrest Tuesday, say he has been placed on “indefinite” paid administrative leave and has been barred from the campus, according to the Harvard Crimson student newspaper. A second professor has been reportedly arrested in mid-March and alleged to be part of the crime.

“The charges brought by the U.S. government against Professor Lieber are extremely serious,” University spokesperson Jonathan Swain said in a statement. *“Harvard is cooperating with federal authorities, including the National Institutes of Health, and is conducting its own review of the alleged misconduct.”*

The fact that Professor Charles Lieber is a dual Jewish citizen, and has dual passports for the U.S. and Israel is suspicious as well as being relative to the fact that the Satanic Rothschild’s name seems to come up quite frequently in delicate matters. Remember, the Rothschild’s became the sole owners of technology for a microcontroller chip that was in route from Malaysia to China when the plane mysteriously changed directions and disappeared from radar.

The fact that Rolls Royce in West Sussex, UK monitored its jet engines on the Boeing airliner model 777-200ER, by satellite unbeknownst to the world, proved the plane remained in the air for more than six hours over the Indian Ocean, making a short fuel stop at the U.S./UK island of Diego Garcia. Its ultimate destination likely included a fuel stop at Eilat, Israel, at the northern tip of the Red Sea. The story of MH370 and the 20 Freescale/IBM engineers on board were all equal share-holders in the super-secret micro-controller along with the venture capitalist that invested in the company Freescale Semiconductor. The Rothschild’s unsurprisingly became the owner of the patent of the device when all parties were declared dead by a court about a year ago.

Freescale Semiconductor has since been acquired by NXP Semiconductor. Freescale Semiconductor parts are now a part of the NXP family as of (Dec., 2015). The tragic loss of the now Rothschild-owned technology that resulted in the death of 20 Freescale Semiconductor employees becomes just another tragic aviation accident statistic.

As the world leader in secure connectivity solutions for embedded applications, NXP is driving innovation in the secure connected vehicle, end-to-end security & privacy and smart

connected solutions markets. Built on more than 60 years of combined experience and expertise, the company has 45,000 employees in more than 35 countries.

The relationship between Pirbright Institute and the Harvard professor, if any at all, remains to be investigated. The company that manages the U.S. Patent Office, SERCO, is also a Rothschild company. The Millennium Report did a report June 7, 2018, entitled SERCO Agents, Rothschild Banksters and Their Sabotage Schemes Against Civilian Airliners. You can read it in the link: <http://themillenniumreport.com/2018/06/serco-agents-rothschild-banksters-and-their-sabot...>

Michael McKibbon and Dr. Douglas Gabriel exposed how the CIA stole the technology of what you know as the social media giant Facebook from Michael McKibbon's company Leader Technologies of Columbus, Ohio a few years ago. Michael's company has a \$1-trillion lawsuit lien against the U.S. Government. The social media technology was stolen by President Clinton's intelligence adviser, James P. Chandler in 2002. The \$1-trillion lien was filed under the Miller Act in 2018. The full story on the theft of what is known as Facebook today is mentioned in a Millennium Report at: <http://themillenniumreport.com/2018/08/leader-technologies-files-trillion-dollar-bond-lien-...>

OPERATION CORONAVIRUS PANDEMIC: 16 Reasons for the Deployment of this Devastating Bioweapon in 2020 (February 20, 2020)

State of the Nation

Special Note: As of this moment, the Internet space is awash with every theory and hypothesis, speculation and suspicion, debate and argument imaginable about the origin and purpose of the Wuhan coronavirus. However, at this point, all that really matters are the answers to two key questions: Who did it? And, why did they do it? There's a third question that can also be asked that greatly facilitates the process of discovery—"Cui bono?" [Who benefits?] Hence, the real perpetrators of this global psyop can easily be identified by astutely observing all the diverse consequences and salient outcomes which will become more evident with each passing month. Many of those consequences and outcomes are listed below and will irrefutably incriminate the only tribe capable of such a "maggioro operazione". See: Nothing changes until those who secretly rule the U.S. are prosecuted for 9/11, JFK, OK City, 5G, Chemtrails, Vaccines....

First, let's establish some basic findings of fact and crucial data points about the transparently staged Wuhan coronavirus pandemic. As follows:

FACT: The Wuhan coronavirus, identified by WHO as COVID-19, is a highly complex pathogenic microorganism that causes an extremely contagious disease process.

FACT: This bioengineered coronavirus is transformed into a much more powerful bioweapon when released into an environment that has an activated 5G power grid, specific chemtrail formulations are being systematically sprayed, the populace has been vaccinated with flu vaccines and ever present industrial pollution has compromised the respiratory systems.

FACT: This particular strain of coronavirus was created in a technologically advanced bioengineering laboratory and designed, not only to kill on a mass scale, but also to sustain a global pandemic. The virus has a SARS element and two AIDS elements inserted in it.

FACT: This extremely virulent form of coronavirus was released in Wuhan, China during the same year that the city was designated a 5G demonstration zone which indicates the intention to commit genocide.

FACT: The coronavirus bioweapon could only have been launched, and successfully covered up, by an exceedingly powerful group of state actors, corporate entities and transnational institutions that subscribe to the New World Order globalist agenda.

FACT: The Wuhan coronavirus pandemic is an unusually premeditated depopulation event directed at China via a race-specific bioweapon similar to previous bioterrorist attacks against the Chinese such as the 2002 SARS outbreak.

FACT: This bioterrorist attack could very well evolve into a slow-motion Extinction Level Event and has already had overwhelming impacts on the global economy as it has caused China's economy to grind to a halt.

(Source: BIOENGINEERED CORONAVIRUS PANDEMIC: An elaborately staged global, false-flag, bioterror operation using real bioweapons aimed at multiples targets and with numerous NWO objectives).

Main Reasons for the Wuhan Coronavirus Pandemic

There are actually several reasons why the New World Order globalist cabal has carried out the extraordinarily complex scheme known as the "Wuhan coronavirus pandemic".

The following list represents the primary objectives of this emerging pandemic and, therefore, the intentions of those who run the world from the shadows. Each clandestine goal shown below contributes considerably to the advancement of the New World Order agenda.

While the implementation plan of the Wuhan coronavirus pandemic is being carried out every hour of every day throughout 2020, the true NWO motives will become crystal clear with each passing month. Globalism is on the march as a result of the nationalist governments and patriot movements springing up across the planet. Hence, the globalists put their plans to forge a Global Control Matrix into overdrive via the coronavirus scare as a means of compensating for so much time lost.

It's of paramount importance for every resident of planet Earth to understand that the NWO perpetrators have a timeline set to establish a totalitarian One World Government, which will operate quite like the tyrannical European Union. Clearly, the coronavirus was released in China in the interest of achieving various aims that will facilitate the transition to global governance.

In point of fact, the mix of 16 globalist goals that follow could only be accomplished with a highly organized conspiratorial plot by which coordinated acts of bioterrorism would have profound and pervasive consequences for the entire planetary. Such a Tavistock-inspired psyop could then produce a sufficient level of manufactured consent where citizenries everywhere demand the formation of a One World Government.

Now here's the list of reasons why The Powers That Be bioengineered the Wuhan coronavirus pandemic, which is by no means exhaustive. Other NWO motives will surely surface in the months ahead. That is now a given fact and has been confirmed in mid-March.

- (1) Foist a One World Government upon the World Community of Nations**
- (2) Accelerate the Inauguration of Israel as the World Capital of a Global Government Run from Jerusalem**
- (3) Ensure the Rapid and Widespread Military Deployment of 5G Globally**
- (4) Institute Forced Vaccination Programs Worldwide Mandating Coronavirus Vaccines**
- (5) Distract Humanity from Rampant Globalist Corruption and Criminality**
- (6) Foster a Conducive Environment for the Hot Phase of World War III and Trigger Event for Armed Conflict**
- (7) Fabricate a Pretext for the Controlled Demolition of the Global Economic & Financial System**
- (8) Effectuate a Genocide in China as well as Global Depopulation Event Threatening to Become an Extinction Level Event**

(9) Fear-monger throughout the Planetary Civilization in order to Exert Draconian Controls Over the Mind-Controlled Masses

(10) Expand and Strengthen the UN Powers Granted to the World Health Organization Toward a Global Medical Tyranny

(11) Coerce China to Comply with American Economic Demands and Trade Policies

(12) Advance the Greater Israel Project by Disabling Chinese, Russian and Indian Support for Iran

(13) Establish an International Cashless Society with a One World Currency via a Single Digital Cryptocurrency

(14) Infect the Entire Global Population with the Coronavirus so That Future Outbreaks Can Be Triggered via Vaccines, 5G, Chemtrails, etc.

(15) Pose a Serious Threat to Trump's Re-election with a Black Swan Event that Crashes the Stock Market and Collapses the U.S. Economy

(16) Promote the Build-out of the Internet of Things as a Solution to Future Pandemics

There are other significant reasons that are not listed above, which will be addressed in future posts as they more fully manifest. Vital background information and historical data about this bioengineered pandemic can be found in the first 3 exposés of this ongoing series as follows:

WUHAN CORONAVIRUS PANDEMIC BIOENGINEERED: Who's behind it, why now and why China?

<http://themillenniumreport.com/2020/01/wuhan-coronavirus-pandemic-bioengineered-who...>

Wuhan Coronavirus Bioterrorist Attack Is China's 9/11, Same Perps

STAGED CORONAVIRUS PANDEMIC: An International Criminal Conspiracy of Epic Proportions

<http://themillenniumreport.com/2020/02/staged-coronavirus-pandemic-an-international-cri...>

These three exposés break down the real Wuhan coronavirus back story. They also flesh out the skeleton of this extremely broad and deep conspiracy which then supports the **16** reasons listed above. Such a sophisticated series of acts of biowarfare could only have been undertaken by the major Western military powers of the Zio-Anglo-American Axis. Not only does no other state actor possess the advanced bioengineering technology and means of

stealthy coronavirus dissemination, no other countries would be so foolish as to attack China in such a brazen and reckless manner.

Why is this a “coronavirus neutron bomb”?

Because, the stealthy release of the coronavirus was the aggressive deployment of a bioweapon, as an act of biowarfare using a deadly infection agent, designed to wipe out the targeted populations in China while leaving the buildings intact.

That’s also what neutron bombs do!

And, that’s exactly what the perpetrators planned for. A neutron bomb kills all the people at ground zero while leaving all structures standing with no damage.

It’s important to note that the very same tribe was responsible for the dropping of two atomic bombs on Japan, firebombing of Tokyo, firebombing of Dresden, carpet-bombing of Hamburg, spraying of Agent Orange in Vietnam, etc., etc., etc. [Zionist Freemasonry]

These same inveterate warmongers have displayed no reluctance to commit acts of genocide and other heinous war crimes like those perpetrated during the Syrian War by the ISIS terrorist groups which they created, armed, funded and materially supported.

Now here we are in China, and the very same cabal — the same tribe of genocidal maniacs— has no reservations about exterminating a whole race. And, they will do it here in the USA if they are not stopped post-haste. See: The Hidden Powers Behind the Destruction of America <http://themillenniumreport.com/2019/12/the-hidden-powers-behind-the-destruction-of-ame...>

It should also be pointed out that the same mass-murdering cabal was responsible for the French Revolution, Bolshevik Revolution, World Wars I & II, Korean War, Vietnam War, Iraq Wars, Afghanistan War, Libyan War and Ukraine Civil War, as well as the ongoing cold phase of their planned World War III. So what won’t they do in the pursuit of total world domination?!?!

STRATFOR Chief Reveals Zio-Anglo-American Plot For World Domination
<http://stateofthenation2012.com/?p=22223>

Conclusion:

What transpires over the course of 2020 will inevitably demonstrate how much of each of the foregoing objectives are successfully accomplished by the International Banking Cartel. For its only with the blessing of the world’s power elite such as the Black Nobility, Committee of 300 and other powerful Illuminati families that such ill-conceived biowarfare could have taken place.

The perpetrators may terminate the Wuhan coronavirus pandemic bioterror operation once they are found out by a critical mass of people. This highly misguided and malevolent scheme has not only angered a lot of folks the world over, it has drawn close scrutiny from millions of awake victims who want answers—NOW! Thank the Internet for that little wrinkle in this NWO depopulation scheme gone seriously awry, though they probably do not know that yet.

The perps could also decide to intensify this global psyop (out of sheer desperation) by conducting even more bioterror black operations against targeted nation states, transnational corporations or other institutional entities that have left, or tried to leave, the NWO reservation. In any event, THERE WILL BE BLOWBACK. And it will occur when the guilty least expect it. The Chinese are notorious for making sure that “instant karma” happens as close to the scene of the crime as possible. And the perps will not even see it coming.

KEY POINTS: It really does appear that the voracious reptiles at the top of the food chain miscalculated with this naked depopulation event. Whereas scaremongering usually works pretty well for them, sometimes it can backfire—BIG TIME. Therefore, we are likely to see a boomerang effect that somehow exposes and takes out the most dangerous criminally insane psychopaths directly associated with the Wuhan bioterrorism such as Bill Gates, George Soros and other VIP vaccine pushers. Likewise, every high-profile 5G advocate and chemtrail denier is subject to a crash-and-burn moment for similar reasons. When the world experiences, and truly understands, the extreme harm and injury caused by the 5G roll-out and chemtrail spraying, everything can change in a day and a night. The nefarious globalist plan to mandate a vaccine as “the perfect remedy” to the coronavirus has already been seen through by countless anti-vaxxers the world over.

Regardless of the planned direction of this massive bioterrorist operation and complex psyop, the genie has been let out of the bottle. That stark reality introduces an inordinate degree of unpredictability and trepidation which humanity has rarely, if ever, experienced before. However, many folks are right now awakening to the true intentions of dark side, which sometimes only extreme fear can bring about. From that perspective, the Wuhan coronavirus pandemic may prove to be the most transformative of the Third Millennium for both people and planet alike.

The important thing to keep aware of is that in all of this do not allow yourself to be a victim of fear. As Christians we should know that, *“For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.”* —(2nd Timothy 1:7). The Apostle Paul said in Romans 8:15, similar words: *“For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father.”* God will bring us through all of this, I am not saying it will be easy, it never is. The media is beating the fear porn pandemic without knowing the facts as I am identifying in this segment. They are counting on the Christian community falling victim to their Satanic masters. Pay close attention to the above listed **16** points of what they are going to do to the world!

Addressing fear-based agendas.

Can you see the pattern here? I hope so lest “FEAR” gets you first!

I would recommend to all *‘The Art of War’* by Sun Tzu, the most important and most famous military treatise in Asia for the last two thousand years. You can read it free on the Internet. It is not a long book, around 70 pages. My history professor in college required a group of us to read it for a senior-level course. It is required reading at the military service academies of those get commissioned as an officer upon graduation.

Electromagnetic Radiation has been turned up in Wuhan with the advent of 5G. Viruses love microwave radiation. **Exposed to microwave radiation, we become the breeding ground to viruses, just like a culture medium. The apparent downturn (decline of cases) of Covid-19 in China may be as simple as turning off the 5G.**

In the meantime, the following coronavirus guidance is offered to those who wish to stay out of harm's way: Here's How Everyone Can Avoid Getting The Coronavirus.

<http://stateofthenation.co/?p-6220>

State of the Nation

February 19, 2020

Editor's Note

There are many folks who completely deny the possibility that there is a WHO-identified coronavirus (COVID-19) in existence. They erroneously believe that everything we are now seeing are symptoms caused by the exposure to a combination of toxin-laden vaccines, chemtrail aerosol contaminants, 5G EMFs and microwaves, as well as purposefully time-released industrial pollution (that contains chemicals which amplify coronavirus symptoms) in Wuhan, China. While this media platform has presented a strong case for all of these factors, which have substantially exacerbated the symptom overwhelm experienced by Wuhan residents, there is also a bio-weaponized virus at the root of this outbreak ... just as

there was with SARS, MERS, Swine Flu, Bird Flu, AIDS, Zika, the Spanish flu of 2018, etc. SOTN calls the specific bioweapon first released in Wuhan in 2019 the “Wuhan coronavirus”, which quite likely affects those with Chinese genetics much more adversely than those of other racial bloodlines. As with so many other influenza infection agents released on mainland China over decades, both the severity and duration of the resulting illness (and related symptoms) are always much greater at the point of origin in China.

It should be noted here that the Corona virus is patented, and owned by the Pirabright Institute of the UK, and that the CDC also has a patent on another strain of the Corona virus, thus proving this is all a cruel hoax, but with fatal consequences to those with susceptible conditions resulting in death.

The 2019 *‘Economist’* Cover on page 14 flaunted the Coronavirus but it only became evident this February of 2020 of what message was intended. These people [Freemasons, Zionists] operate by an ethics code which requires them to tell the world what they are going to do to us, and so they hide their agenda in various ways, yet still meets their ethical code. For example, the 9/11 attack was predicted in an episode of “The Simpson’s”. Recently, an episode of “The Simpson’s” predicted that the pope would die on 502 (May 2). You can wait and see if it is fulfilled as written into a recent episode script.

At the top of the cover there is a panda (China). From the East (where China is located) four “Horsemen of the Apocalypse” leave – Pestilence (coronavirus epidemic), War (Syria, Libya, Afghanistan), Hunger (food shortages due to epidemics and border closures), Death (from epidemics and wars) .

But the most interesting detail on the cover is the image of a strange animal, which many be taken for an anteater. And only now it became clear that this is a pangolin. Given that the epidemic in China began in December 2019, the encrypted cover was prophetic. The main argument of this prophecy is the pangolin, whose appearance on the cover did not find any interpretation until February 7, 2020, when it was announced that the metagenomes of the pangolin, coronavirus and infected people are almost identical.

The influential British weekly *‘The Economist’* is considered the global mouthpiece of the Rothschild’s, the planet’s oldest financial clan. They are also called the secret rulers of the world, the top of the “golden billion.” According to conspiracy theories, there are enough resources on Earth only for the world’s elite and the personnel serving it – the “golden billion”. The rest of the people of the world behind the scenes allegedly decided to counteract with the help of wars, hunger, epidemics. It turns out that the Rothschild’s sent a message on a new epidemic by warning their supporters with an encrypted cover. Seemingly, everything converges – horsemen of the Apocalypse from the East, including the first, on a white horse – Death and the mysterious pangolin being the source of a terrible unknown infection. The vast majority of world residents have not even heard about these animals until the last days. The pangolin is the world’s most illegally traded mammal. Pangolins – what?

and the alleged healing properties of the scales, are currently the best-selling endangered species in the world.”

According to the Convention on International Trade in Endangered Species of Wild Fauna and Flora, pangolins are on the list of the most protected animals. Catching them is prohibited in China. But this does not save them from poachers. In Chinese folk medicine, pangolin scales are used to increase potency, treat many diseases, from asthma to cancer. Meat is considered a delicacy. In restaurants, they go for 60 – 70 dollars per kg, illegally of course.

According to the International Union for Conservation of Nature, over the past ten years, poachers have caught more than 1 million pangolins in Asian and African forests and transported them to China and Vietnam. The meat was also illegally sold in the famous market in Wuhan. Employees of this market became the first patients with COVID-19 at the end of December. The Coronavirus initially was blamed on eating bats, later disproved by testing of those who allegedly bought bats in the Wuhan markets.

So the appearance of the most popular animal among international smugglers on the cover of the *‘Economist’s’* forecasts is justified but is the fact that the pangolin has become the alleged source of a new epidemic in the world a pure coincidence? I think not but the close resemblance is just too remarkably similar. It’s another way the Freemasonic Satanists flaunt what they plan to do before it occurs. They have the need to tell the world their plans without saying it in words.

The one thing that I am totally sure of is CENSORED free speech, by the NSA, and DARPA. The Internet is one of total surveillance, and clearly controlled by Google, Facebook, Twitter, and others on board with the globalist agenda. I have found that many of my articles get blocked, censored, especially those that reveal the globalist agenda. I am routinely blocked from saving many articles and documents that I have found in my ongoing research.

The WHO/UN Agenda 21/30 **depopulation plan** with 5G 60-ghz millimeter waves is specifically linked to the toxic Corona “Virus” vaccine injections to be unveiled later this summer. What you need to know is that “Airborne” contagious “Viruses” do NOT exist and are planned or they “accidentally escaped” bio-weapons from secret government labs. Those countless movie and TV “programs” are not there to get you ready for a future virus, one they are there to “program” you to believe an absurd fiction in order to CON you.

“Germs”, bacteria and virus proteins are created INSIDE your body and are not contagious. The ONLY way to get foreign human or animal bacteria and viral tissue inside your body is by injection. You cannot “catch” or inject animal virus proteins by eating sick bats or pigs. It is simply impossible. The stomach and intestinal enzymes turn them into amino acids and di/tripeptides. 60-Gigahertz millimeter radiation waves from 5G towers create the SAME bodily distress symptoms as the fake Coronavirus. These radiation waves also create the same exact protein/nucleic acid response in your body, from the resulting tissue damage,

that the Corona virus “tests” are purposely looking for. The patented Coronavirus “vaccine” will indeed have toxic foreign or human or animal hybrid viral proteins in it, as well as dozens of other dangerous toxins. This is what is known as:

Problem
Reaction
Solution

It is the Hegelian Dialectic of – **Thesis, Antithesis, Synthesis**, a creation of the German philosopher George Hegel. The Industrial Engineer Peter Drucker brought it to the U.S. in the 1950’s as “Consensus Management” where the goal is to create a “Win-Win” situation in labor/management relations to avoid labor “strikes” by powerful unions.

It is absolutely important that you understand that 5G becomes fatal when the energy level being transmitted reaches the operating level of 60-gigahertz EMF. You can pull up my article and read “5G vs. COVID-19 – Easily Confused and Very Deceptive” at my web page www.pastorbobreid.com On page 1 is a graph showing how 5G technology virtually consumes all the oxygen molecules in the lungs of a person at 60-gigahertz. EMF or toxic radiation can be hidden by operating at lower power levels for a while. However, when a system goes full power to meet the needs of the consumer, it will need to dial up the energy output to perform as expected.

Those familiar cell towers are designed and capable of producing 300,000 to 500,000 watts of power. It only requires 1 watt of electrical power to send out a cell message 25 miles to another tower in all directions, 360-degrees. With 5G, the energy level require is vastly greater, and the antenna/booster requires line of sight contact point every 250-350 feet! 5G 60-gigahertz is also affected by weather, rain, snow, and fog.

Vaccines and now microwaves have often been used by Eugenicists, Technocrats, and Transhumanists to cull populations of “undesirables” and “dissidents.” As 5G, 60-gigahertz millimeter wave towers get switched on in more and more cities, they need a scapegoat for the mass deaths and respiratory illnesses that will follow. They need you to believe at all costs that it is the Corona virus and not the 5G towers... They care not if you believe you caught it from your bat soup or your neighbor’s cough, or if you think it’s a secret government bio-weapon they purposely released... so long as you’re too ignorant to figure out Coronavirus doesn’t exist at all, except in the lab-created vaccine they will INJECT YOU with later... and so you will go willingly into a “quarantine” camp, if you are targeted as a dissident protestor or “undesirable” by those behind Agenda 21/30.

You need to watch the “You Tube” by Dana Ashlie that speaks to the identical signs and symptoms of 5G and the so-called Corona virus.

Spiro Skouras In his reporting takes an inside look at Event 201, which took place in NYC on October 18 2019. Event 201 was a high-level pandemic exercise hosted by the Johns Hopkins Center for Health Security in partnership with the World Economic Forum and the Bill and Melinda Gates Foundation.

This is extremely fascinating because this pandemic simulation exercise of the Coronavirus took place about 6 weeks before the first illness from the coronavirus was actually reported in Wuhan, China. That is one hell of a coincidence if you believe in that sort of thing. Another fascinating connection is the fact that not only did the Bill and Melinda Gates Foundation participate in and help set up the pandemic simulation of a coronavirus outbreak, but they just so happen to fund the group who owns the patent to the deadly coronavirus and are already working on a vaccine to solve the current crisis. Again, an incredible coincidence... The fact is both the Pirbright Institute and the CDC already have a patented vaccine ready when the panic level reaches fever pitch. Desperate people do desperate things and fear along with greed are the two most powerful ways to get people to behave the way you want them to behave.

In the video report on Event 201, you will see footage from inside the event from the members of the emergency epidemic board in this simulation consisting of representatives from major banks, the UN, the Bill and Melinda Gates Foundation, Johnson and Johnson, logistical powerhouses, the media as well as officials from China and America's CDC just to name a few. This simulation also includes news reports that were fabricated just for this exercise — please keep that in mind because they are eerily similar to reports we are currently seeing regarding this real-world Coronavirus outbreak.

Mac Slavo, an independent journalist reports this:

Social media companies have made the decision to partner with “health authorities” (government officials like those who work for the CDC) to combat “misinformation” about the coronavirus. We all know what this means. Under the mainstream media's seemingly innocent words lies a rash of new censorship coming down the pipes.

Only the official narrative from those in the World Health Organization and the Centers for Disease Control and Prevention will soon be allowed on social media. Last week, the social media app TikTok, popular with youths and young adults, announced it would be partnering with the WHO in an effort to spread “trusted health info” on the novel coronavirus, or COVID-19, in addition to best public health practices.

According to a report by ABC News, WHO posted its first TikTok on Friday.

we've teamed up with @WHO to get you the trusted health info you need
pic.twitter.com/lf0aqoj9VH

— TikTok (@tiktok_us) February 29, 2020

“COVID-19 outbreak has seen a massive ‘infodemic’—an over-abundance of information—some accurate and some not—that makes it hard for people to find trustworthy sources and reliable guidance when they need it,” the WHO told ABC News.

Therefore, WHO is working with various social media platforms, including TikTok, to help us reach the right audience (the right community, the right age group, etc.), as well as to detect the spread of misinformation on the new coronavirus. We understand that different platforms might have their specific audience, hence important to make trustworthy information available where people are looking for it.

So, in other words, WHO is asking TikTok to make sure their narrative infects the minds of the young adult and youth audience they are said to attract. Only the information from the WHO will be deemed relevant to this outbreak. The censorship surrounding this virus is ongoing, but it’s becoming obvious authorities are continuing to have problems completing the totalitarian squashing of free speech.

The Chinese have taken to using force to prevent information from getting out. Facebook and Mark Zuckerberg are supporting the “authority” on health too and ramming the official narrative down people’s throats. *“We’re focused on making sure everyone can access credible and accurate information,”* Facebook CEO Mark Zuckerberg said in a statement this week. *“If you search for coronavirus on Facebook, you’ll see a pop-up that directs you to the World Health Organization or your local health authority for the latest information.”*

We all know this is elitist speak for “you’ll read and hear what we want you to read and hear.”

On Monday, March 9, 2020, there was a report about so-called leaked documents, which documented the computer models of the Corona virus. I will share this report just below, but I must make my thoughts known on this so-called release of data about infection and deaths.

Consider with me for a moment since this kind of information will undoubtedly ratchet up the fear porn panic. I do believe that before August, perhaps as soon as June or July, we will see an announcement of the available vaccine for the fearful and the public will flock to the nearest source of the vaccine for the Corona virus. I noted above that the vaccine has been patented since 2017, but the holders of the vaccine would wait until the public becomes fever-pitch in fear panic that no one will question either the cost of the vaccine or what is in the vaccine. Keep this face fresh in your memory. He is Mr. Death and makes Nazi Josef Mengele, known as the “Angel of Death,” seem to be mild by comparison.

Bill Gates made the statement that *“if we do a really good job with vaccines we can reduce the world’s population by 15%.”* He made that statement in a 2010 TED talk. The Gates Foundation has funded medical research at Baylor University College of Medicine in Texas,

and the University of Georgia, and others we do not know their names. Gates Foundation money funds programs that specifically deal with Eugenics related topics to reduce both male and female fertility and sterility. The Bill and Melinda Gates Foundation are the world's single largest benefactor of vaccines. Bill Gates hides the fact that he is a Crypto-Jew leading people to believe he is a Catholic. You may not think this important, but Bill Gate's mother is a Jew, and thus Bill is a Jew by definition of one having a Jewish mother.

According to Zionist Neo-Con John Bolton's nephew, Greg T Dixon, a Masonic high school friend and informant deeply connected with Freemasonry, Bill Gates is hiding from the goyim public the fact he is really Jewish.

Dixon said Bill Gates father, Bill Gates Sr., made the decision a long time ago to hide the fact he's Jewish because he thinks there are far too many "prominent Jews" in America and doesn't want people to gain suspicion of this fact.

So, just like that, he became a Christian. Funny thing is, Bill Gates Sr. has a history of doing this. If you check his bio on Wikipedia, it says he changed his name from Bill Gates II to simply Bill Gates Jr. "to avoid the appearance of elitism," he openly states in the article.

Dixon said Bill Gates mother, Mary Maxwell Gates, is also Jewish and played her part in the Gates family crypto-Jew ruse as well by going to the extremes of commissioning an oil painting portrait tinted to make her look more Aryan than her original Jewish genetic heritage.

If you check Bill Gates bio on Wikipedia [controlled by Jews] it says he is claiming to be of English, German and Scottish-Irish descent, something Dixon says is a blatant lie. And by proxy, every person of English, German, Scottish or Irish descent should be deeply concerned by this elite Jew perpetrated deception.

Microsoft Corporation, 1978

This **all Jewish** Microsoft team from 1978 was brought together and organized by elite Jews to take total control of all operating system software worldwide. Dixon said allowing non-Jews to take control of the preferred system would jeopardize the Jews millennium-long run of controlling intellectual properties, and thus the minds of the masses.

Bill Gates remains a crypto-Jew because his father recognized Jews are simply in control of too many mega-corporations, banks and industries in America and abroad, and is worried that if Bill Gates true identity as a Jew were ever to be revealed, it would put over the edge the fact that Jews own everything of value in America.

Leaked medical conference documents reveal U.S. hospitals preparing for 96 million coronavirus infections and 480,000 deaths. -(By Government Slaves on 03/09/2020)

The leaked documents from a lecturer at the American Hospital Association (AHA) conference in February reveal that US hospitals are preparing for:

- 96 million coronavirus infections
- 4.8 million hospitalizations
- 480,000 deaths in the USA

This is now reported by both the *'UK Daily Mail'* as well as *'Business Insider'*. As the UK *'Daily Mail'* reports:

Dr. James Lawler, a professor at the University of Nebraska Medical Center, presented the harrowing 'best guess' estimates of the extent of the outbreak to hospitals and health professionals as part of the AHA webinar called 'What healthcare leaders need to know: Preparing for the COVID-19' on February 26.

The slides projected very high death rates for people older than 60. As explained:

People aged 80 and over have a 14.8% chance of dying if they contract the infection, the slides revealed. The risk declines with youth, though those aged 70-79 and 60-69 are still placed at a significant risk, with 8% and 3.6% mortality rates respectively.

In a related Reuters report, March 13th, 2020, states: *"Representatives from cruise ship companies floated a proposal to ban passengers older than 70 unless they have a "fitness*

note from a physician.” This is an indicator that cruise ship’s 5G is hazardous to older people and suggests those who died on a cruise ship with the Corona virus really died from 5G EMF poisoning and not a virus!

Note: The number of cases listed as evacuees just above the block for California to the left. The two cruise ships have unusually high numbers of evacuees, which were taken to hospital by U.S. Coast Guard helicopter. Date of photo: 3/14/2020. The Corona virus became a great cover excuse to hide those elderly that may have experience toxic levels of EMF from the cruise ship 5G technology on board the Diamond Princess and the Grand Princess.

Those (Leaked documents) numbers are based on a low estimate of just 5% needing hospitalization. Based on the numbers from the leaked presentation, Dr. Lawler expects the coronavirus to infect around 30% of the U.S. population and result in only a 5% hospitalization rate. In contrast, Dr. Fauci of the NIH has estimated that 15 – 20% of coronavirus patients would need hospitalization, meaning that the estimate of “4.8 million hospitalizations” may actually be over 15 million.

The United States has fewer than one million hospital beds, and they are typically around 75% occupied by existing patients, unrelated to the coronavirus. We have calculated that U.S. hospital beds will be overrun by May 30th if nothing is done to stop the exponential spread of the coronavirus.

Dr. Lawler's estimate of 480,000 deaths would indicate a death rate of just half a percent (0.5%), which is significantly lower than death rates being reported by the WHO (3.4%) and the nation of Italy (7%).

If the death rate in the United States reached just 2% while 96 million Americans are infected, that would translate to 1.92 million deaths.

Dr. Lawler stated: *"My pandemic projection model has estimated 2.16 million deaths in America by July 4th if nothing is done to stop the spread of the virus. Currently, nothing is being done to stop the spread of the virus, unless you count "happy talk" from VP Pence and the MAGA cheerleading squad who surround the president with bad information and terrifyingly bad advice that's utterly lacking in any realistic grasp of science, medicine or mathematics."*

Here's what that model projects will happen unless extreme social isolation and travel restrictions are put in place across the USA:

By April 4th, 2020, if no travel restrictions are put in place:

- 8,645 actively infected and transmitting on this day
- 580 cumulative dead since day one, with 58 deaths on this day
- 5,432 cumulative recovered since day one

By May 4th, 2020, if no travel restrictions are put in place:

- 122,529 actively infected and transmitting on this day
- 10,432 cumulative dead since day one, with 910 deaths on this day
- 85,332 cumulative recovered since day one

By June 4th, 2020, if no travel restrictions are put in place:

- 1.7 million actively infected and transmitting on this day
- 153,000 cumulative dead since day one, with 12,960 deaths on this day
- 1.2 million cumulative recovered since day one

By July 4th, 2020, if no travel restrictions are put in place:

- 24.3 million actively infected and transmitting on this day
- 2.16 million cumulative dead since day one, with 183,000 deaths on this day
- 17.1 million cumulative recovered since day one

Each day, more and more smart people who can do the math are coming to realize that the coronavirus will sweep across the U.S. population and cause millions of infections and deaths unless domestic travel is locked down soon.

For years we've been watching as Microsoft founder Bill Gates, now retired from the company he founded, use his billions to give 'free vaccinations' to people in third world countries. Now Bill has become a founding partner in another company, this one is called the

ID2020 Alliance, and its goal is to give every human being on Earth a digital ID. How do they plan on accomplishing this feat? **By combining mandatory vaccinations with implantable microchips.** Genius, isn't it? And coming soon to a theater near you, as the saying goes.

The ID2020 Alliance, as it's being called, is a digital identity program that aims to "leverage immunization" as a means of inserting tiny microchips into people's bodies. In collaboration with the Global Alliance for Vaccines and Immunizations, also known as GAVI, the government of Bangladesh and various other "partners in government, academia, and humanitarian relief," the ID2020 Alliance hopes to usher in this **"Mark"** of the beast as a way to keep tabs on every human being living on Earth.

Our social media platforms continue to hide the truth from the American people, by shadow banning. **The blood of people are on their hands enjoy reprobates...**

The *'New York Times'* has published dangerous misinformation about how to prepare for the coronavirus. The recent article said, "wash your hands, keep a supply of medicine, and GET A FLU SHOT." This might be one of the most illogical pieces of medical advice ever doled out by the mainstream media. The article assures readers that getting a flu shot is a "practical tip" offered by "experts." Meanwhile, the rest of the world rolls their eyes.

Bill and Melinda Gates Foundation is the source of the fake news.

The article cites Dr. Keith Klugman, director of the pneumonia program at the Bill and Melinda Gates Foundation. He says that infectious disease specialists strongly recommend flu vaccination for coronavirus and pneumonia. The best protection for older people against bacterial pneumonia, he says, is to “vaccinate children.”

According to David Brownstein, M.D., this is FAKE NEWS propaganda. “The flu vaccine has never been shown to protect against pneumonia,” he iterated. And obviously, the flu viruses used in the flu vaccine do not resemble coronaviruses and will not prepare the immune system in any way.

According to the CDC’s annual flu vaccine statistics, the flu vaccine is not effective at all for controlling the circulating flu strain each year. In fact, the flu shot has been found to cause mutations in flu viruses from the previous flu season, making people more susceptible to infection the following year. So, to think that inoculation with flu viruses is going to prepare the immune system for coronaviruses is illogical, to say the least. Even a coronavirus vaccine will be risky, as evidenced by previous attempts to develop a vaccine for SARS.

Flu vaccines increase hospitalizations for flu-like illnesses three-fold!

Furthermore, researchers from the American Thoracic Society have found damning evidence surrounding the flu vaccine that many people won’t want to hear. Instead of preventing influenza-related hospitalization in children, the trivalent inactivated flu vaccine actually increases hospitalizations three fold!

Children who are subjected to the flu vaccine year after year are at an increased risk for hospitalization when compared to children who are not subjected to the vaccine. Children with asthma suffer the worst. This research shows there’s no efficacy to the vaccine; in fact, the flu vaccine poses net harm to children. The research is to be presented on May 19, at the 105th International Conference of the American Thoracic Society in San Diego.

“This study was aimed at evaluating the effectiveness of the TIV in children overall, as well as the children with asthma, to prevent influenza-related hospitalization,” said Joshi, M.D., of the Mayo Clinic in Rochester, MN.

The study examined 263 children who were thoroughly examined at the Mayo Clinic in Minnesota, aged six months to 18 years. Each of the children had experienced laboratory-verified influenza infection at some point between 1996 and 2006. The Mayo Clinic evaluated each child, whether they were subjected to the flu vaccine, whether they had asthma and finally, whether they needed hospitalization for influenza-related illnesses.

The results are not what vaccine manufacturers want to hear: Children who don’t get the flu vaccine recover from flu and other infections more effectively, rarely requiring hospitalization. Children who are subjected to the annual flu vaccine are three times more likely to suffer complications to infection, more likely to be hospitalized, and put on breathing

treatments and other drugs. The risk of hospitalization post-vaccination is even higher for children who already have inflamed airways and constricted breathing due to asthma.

This is partly due to the fact that flu vaccines contain thimerosal, a mercury compound that depletes intracellular glutathione production and causes oxidation of the mitochondria pathway of cells. Glutathione is the master antioxidant for the cells in the body. When it is depleted, a person's immune system is weakened and they become more susceptible to complications from infections.

America has become China on Steroids - Sit Down and SHUT-UP, Our Social Media Platforms (Reprobates) Continue to Hide the Truth From the American People, by Shadow Banning Alt News Sources. The Blood of the People Is on Their Hands...

The truth is that all of the warnings of alleged 'conspiracy theorists' have turned out to be correct. The word translated "pestilence" is often translated as "plague" or "disaster" ... There is a march to death and social media is leading the charge, they are withholding the truth about the coronavirus, You are marching lockstep into the death spiral...

Many people suspect that the coronavirus is being used as the scapegoat for a financial collapse, which Spiro Skouras believes will then be used as the excuse to usher in a new monetary and financial system of control.

Spiro's research echoes my own observations about the convergence of Agenda 2030, Modern Monetary Theory, the block-chain, the end of the petrodollar and a new financial system based on a centralized inventory of assets and resources, including living beings and their genomes. Everything is to be put on a blockchain to become trackable nodes on the Global Information Grid (GIG).

He says, "The Bill and Melinda Gates Foundation is funding a program, which will soon offer an at-home testing kit for the coronavirus...[Bill Gates] must be an expert, considering his foundation co-hosted Event 201, the United Nations' pandemic simulation of a coronavirus outbreak, which preceded the actual corona virus outbreak by about six weeks and also coincided with the United Nations-themed World Military Games, which took place in Wuhan, China [the] ground zero of this outbreak..."

"If you believe you've been exposed to or infected by the virus, you can simply just go online and fill out a questionnaire and the test will be delivered to you within two hours."

"It doesn't specify how the test will get there, who's gonna deliver it, whether it's coming by drone. We don't know. It's just 'It'll be there in two hours.' That's pretty impressive..."

"The results will be available within two days and will be shared with local health authorities so they can track your movements and your contacts, making it easier for health officials to

locate others who may need to be tested and/or quarantined, as well as to track the virus, itself and its spread and possibly identify other potential hotspots."

This sounds a bit Orwellian to me but after all, it is a public health emergency, so I guess extreme circumstances call for extreme measures, right?

They state the intent for this program to expand to a state level and beyond, eventually. What I get out of this is it sounds to me like they are building a database to track potentially infected people - and not just any database but a DNA database - realistically, that has this potential because they will collect your DNA once they swab your nose and conduct this test...

When you start to look into other programs that Gates is involved in, we start to see a trend and this starts to raise some red flags for me. For example, Bill and Melinda Gates Foundation have also funded an invisible biometric tattoo program to identify vaccinated people, which can be given at birth or throughout any time in your life.

And this was designed to be able to track entire nations of people now could this program be related to or at least at some point integrated into the program and the database that we were seeing the Gates Foundation setting up right now, in the United States regarding the coronavirus?

It's anybody's guess. We'll have to see but this isn't the only example. Another program that's connected to the Bill and Melinda Gates Foundation is the ID 2020 program, which is a program that claims that roughly 1 billion people on Earth are 'in danger' because they have no internationally-accepted form of identification.

So, those people who are 'at risk' include people who are affected by a refugee crisis, which, of course the current migrant crisis or refugee crisis that we have been seeing over the past several years appears very well to be an engineered crisis, using weapons of mass migration to destabilize nations.

And we're seeing this take place. Others, they state are at risk are people who don't have medical records documented anywhere or birth records. So, they want to be able to track your birth records, your medical records and which life-saving vaccines you may potentially need with this biometric, invisible tattoo that they'll be able to imprint on you and scan and log into their databases. This is no joke...

This program is not only funded by Microsoft - and Bill Gates separately - but Gates actually founded one of the main organizations named Gavi, which is leading this program. Other partners include Accenture, which is a Ripple.net partner, the Rockefeller Foundation and multiple branches of the United Nations, including its international computing center, which will likely be running to some degree the international database.

This digital ID system will track everyone and everything using blockchain technology and not only will it provide medical history on you via the biometric tattoos or implanted microchips which they mentioned in these reports, it will also be used for employment and background checks and will most likely be tied to your social credit score and even your bank accounts.

If you want to be able to do business, buy or sell things or even be employed, you will likely have to be integrated into the system. This is why I believe that this current health crisis is no accident. It aligns with all of their goals. As we can see, right here, on the United Nations' own website. For its 2030 agenda goal number: 'By 2030, provide legal identity for all, including birth registration.'"

This is exactly what these programs are being set up to do and they're being funded right now by people in organizations like the Bill and Melinda Gates Foundation, the Rockefeller Foundation, the United Nations and many others. They are rolling out these programs, using this current crisis as cover. Cover for their new digital financial system. Cover further new global governance programs.

I've reported on this numerous times and we just get more and more confirmation every day. This is all connected. We can see the same players involved, under every rock that we look under...

The central banks will integrate almost two billion people, which they call 'the unbanked' into this new system of slavery, in partnership with the UN, the Rockefellers, the Rothschild's, the Bill Gates. These are the social engineers, with their technocratic plan for Full Spectrum Dominance and it's happening right now. This is why we are seeing this censorship take place. This is why they have tried to silence me and others in the past.

This day is here— get ready, the virus WILL spread throughout the U.S. and Europe, governments will respond the same way China's government has; martial law and full-blown concentration FEMA camp culture. This would lead to civil war in the U.S. because we are armed and many people will shoot anyone trying to put us into quarantine camps. Europe is mostly screwed. The establishment then suggests that paper money be removed from the system because it is a viral spreader. China is already pushing this solution now. Magically, we find ourselves in a cashless society in a matter of a year or two; which is what the globalists have been demanding for years. Everything goes digital, and thus even local economies become completely centralized as private trade dies. "Antichrist Is On His Temporary Thorne"

There is an organization of military veterans that worked with Radar and EMF used in military applications that seek to inform fellow veterans of the damage of 5G. Below on page 30 is a chart of Symptoms of Microwave Illness. The name of the Veterans Group is: "Microwave Injured Veterans Network." Their web site is at the top of the chart below. During the years that I have been researching and studying the EMF dangers of radar, I came across audio interviews with a number of these individuals that experienced claim rejections by the VA for

radar EMF-related illnesses. The VA fights any claim issue when it comes to Radar EMF related toxic radiation. Many of these men were former fighter pilots, flying F14, F15, F16, and F18 aircraft that contracted testicular cancer. Fighter pilots virtually are sitting directly behind the Radar located just inside the aircraft nose cover.

My small study is 2,500 feet exactly from a cell tower north of me. Louisville, KY was slated to be a 5G city in 2020; and serving rural central Kentucky. The last two years AT&T has been installing infrastructure along the major highways spreading out from central Louisville, KY. With the 5G mini-cell (pole-mounted) we are anticipating the spread of the 5G mini-cell towers to begin relatively soon. We have received promotional materials from AT&T, Dish Network, and a new name in the game, which I do not recall at the moment. When the nearby cell tower started turning up the energy output, I began experiencing itching of the skin. At first, I did not associate the relationship between the EMF and itchy skin until I purchased two Shungite 4-inch pyramids. My wife is hyper-sensitive to EMF and I placed one in our living room near where the outdoor electric meter is located outside. The other one I placed near my Wi-Fi router. I have an EMF radiation meter and regularly test for signs of toxic EMF energy. One day I was moving stacks of books and papers, and I moved the Shungite pyramid near the window in my study. After a couple days there it suddenly dawned on me that the itching of my hands had strangely stopped. I had been taking Benadryl for months to combat the itching skin. I have not needed a Benadryl since the end of January.

As a final note that confirms my point that 5G is being deliberately hidden (masked) as the Corona virus., you may recall two decades ago a news report of police officers, especially state police officers being diagnosed with cancer as a consequence and direct result of using the Radar Gun used to catch speeders. This report below was our warning back in 1992 of the dangers of Radar EMF which uses 5G technology..

WASHINGTON -- At least 164 police officers may have developed cancer from being exposed to errant microwave radiation from traffic radar guns, a police union official told a Senate hearing Monday.

Gary Phillip Poynter, research officer for the National Fraternal Order of Police, said he has collected information on cancers among police and found the use of radar a common element.

'In a small police department in Concord, Calif., two officers have testicular cancer and a female officer has cancer of the cervix,' Poynter said. 'In the Ohio State highway patrol, over the last 10 years there have been 19 known cases of cancer in various forms, four officers have died and one more is terminal.'

Poynter said he had identified 10 officers who had developed a rare form of eye cancer known as melanoma. Among the 10 were eight state troopers, who use radar more than other police, he said.

Symptoms of Microwave Illness

<https://www.microwavedvets.com>

Headaches	Difficulty Concentrating	Tinnitus
Dizziness	Memory Loss	Hearing Loss
Nausea	Brain Damage	Irregular Sleep Pattern
Skin Rash	Mood Disorder	Insomnia
Itchy Skin	Personality Disorder	Chronic Fatigue
Burning Skin Sensation	Increased Irritability	Deteriorating Vision
Tingling Sensation	Decreasing Trust in People	Pressure in/behind eyes
Tremors	Depression	Eye Damage
Muscle Spasms	Anxiety	Cataracts
Muscle and Joint Pain	ADHD/ADD	Immune Abnormalities
Restless Leg Syndrome	Digestive Issues	Altered Sugar Metabolism
Foot Issues	Abdominal Pain	Asthma Attacks
Low/High Pressure	Enlarged Thyroid	Bronchitis
Facial Flushing	Hair Loss	Pneumonia
Dehydration	Testicular/Ovarian Pain Low	Inflamed Sinuses
Body Metals Redistribution	Sperm Motility	Chest Pain/Pressure
Leukemia	Miscarriage	Heart Arrhythmia
Lymphoma	Electromagnetic Sensitivity	Heart Palpitations

'One epidemiologist told me the incidence of melanoma of the eye is somewhere in the area of one in 2 million people,' Poynter said. *"How is it that 10 officers have this nearly non-existent form of cancer?"*

Another witness, Santo Franzo of the International Brotherhood of Police Officers, said he knew of 80 cases of testicular cancer among police officers using traffic radar.

Both Franzo and Poynter called on the federal government to conduct research to determine the health effects of traffic radar guns and to establish safety measures.

The radar guns emit a microwave radio beam which can measure an object's speed when reflected. Although operating at low power, officers frequently are exposed to the microwave radiation for substantial parts of a shift.

"This type of exposure may carry significant biological risk," said Dr. Ross Adey of Pettis Memorial Veterans Affairs Medical Center in Loma Linda, Calif.

Another expert, Henry Kues of the Johns Hopkins University Applied Physics Laboratory in Laurel, Md., said his research indicated exposure to low levels of microwave radiation can cause eye tissue damage.

But a spokesman for Kustom Signals, one of the largest radar gun manufacturers, disputed the reports that the devices expose users to dangerous radiation.

“The current allegations of harmful effects to operators of police radar guns have no support other than that which can most accurately be referred to as coincidence,” said John Kusek, vice president of the Lenexa, Kansas-based company.

Sen. Joseph Lieberman and Christopher Dodd, both D-Conn., urged federal researchers to conduct such a study. A U.S. Public Health Service official estimated would cost about \$1.5 million and take several years to complete.

“Police officers can easily 'zap' themselves with microwaves if they rest the hand-held guns in their laps,” which they may do several times during a shift, said Lieberman, who chaired the governmental affairs subcommittee hearing.

Officials of the Environmental Protection Agency, the Food and Drug Administration and the National Institute for Occupational Safety and Health said federal regulation of the devices has been adequate but further study was warranted by the case reports.

COUNTRIES WITH CONFIRMED CORONAVIRUS CASES

Note the global map above, two continents have no reported cases of the Corona virus. Both South America and Africa had no cases of the Corona virus. You would think that South America with a population of roughly 428-million and certainly Africa with a population of 1.5—billion would have many cases by now. As of March 10th there were zero recorded cases of the Corona virus. Why? On March 11th a case reported in Africa was that of a Chinese worker at one of the many Chinese development projects.

The answer I believe that explains the “Why” question is that Africa does not have 5G 60-gigahertz technology. Not likely to find many TV or Wi-Fi in the bush country and so hi-speed movie downloading is not an issue of concern.

A second issue that can be linked to 5G 60-gigahertz millimeter wave EMF is the cruise ship industry. In late February and early March more than a dozen cruise ships were under quarantine around the globe, but most had not been closer to China than 3,000 miles. This raises the question, why did a cruise ship on the Nile River in Egypt have passengers coming down with the Corona virus. Numerous cruise ships near the area of Milan, Genoa, and Venice had also been quarantined for the same reason. Again, the question is “Why”?

Few of us were even aware that the cruise ship industry were installing 5G 60-gigahertz communications equipment on their cruise ships for passenger entertainment and to keep “in touch” with family and friends back home.

Several months back I got a pop up ad on my Internet and it was for AT&T Cruise Packages. It offered a 30-day AT&T Cruise, Talk, Text & Data for \$100. The second package was a 30-day AT&T Cruise, Talk, & Data for \$50. The cruise ship industry has been racing to get 5G on all their cruise ships, in what is a highly competitive industry. In the President’s Thursday night address he said the U.S. would have \$50-billion package plan to help the airline and cruise lines. To my knowledge only one cruise line is even based in the U.S. and the public will foot the bill to support the cruise industry. The cruise lines do not pay U.S. taxes other than port docking fees, and they generate virtually little revenue to the U.S.

Can you begin to see a dilemma here? It is huge from where I sit.

Both the Wuhan virus and the 5G 60-GHZ networks are harmful. But the virus seems to be more virulent in the presence of 5G 60-GHZ frequencies. And people who recover from hospitals do go home to 5G 60-GHZ cell towers in the neighborhoods and continue to live, at least for the near future anyway; at least until the telecoms turn up the energy to full 60-gigahertz output. It is at this point when the fatalities will spike!

The journal ‘*Scientific American*’ had an article entitled “We Have No Reason to Believe 5G Is Safe.” Joe Imbriano at his site ‘*The Fullerton Informer*’ warns that 5G technology will broadcast at 60-GHz, which is the absorption spectrum of oxygen molecules, which means it can kill at a distance. At the molecular level, these frequencies affect the orbit of electrons, and that affects the ability of blood hemoglobin to bind with oxygen.

Humans need oxygen to live. The corona virus virtually chokes off all the oxygen to the lungs. In my recent article “5G vs. COVID19: Easily Confused and Very Deceptive”, on the very first page, I have a chart graph that illustrates how the 5G 60-gigahertz begins to spike at the point of 50-gigahertz and then absorbs 100% of the oxygen at the 60-gigahertz frequency level, then decreasing at higher EMF levels.

The corona virus has been proven beyond any doubt to have been created in a lab. Likely, the U.S. and not China, as it has two HIV strands with a spliced in SARS ACE2 cellular inhibitor which in the original epidemic attacked Asians more with fatal consequences than the rest of us. Now imagine that you have combined the two bioweapons and people start dying in countries with the most 5G 60-GHZ, three of which are China, Iran, and Italy. Cytokines are any of a number of substances, such as interferon, interleukin, and growth factors, which are secreted by certain cells of the immune system and have an effect on other cells. Sugar is one such cytokine.

One key to surviving this is cytokine storms has been mentioned. If you build a gut barrier, you will reduce your cytokine responses by 80%. And there are ways you can survive that intense cytokine storm. Giving up sugar might help too as Dr. Tom Cowan said that eating simple sugar decreases the ability of the capillaries to move oxygen. This might be our last chance to say No to those who want us to die by the billions. We have no reason to believe 5G is safe. I subscribe to nearly a hundred medical, health, and science sites, not to mention news, religious, military, and geo-politics.

I am going on close to 84, working day and night, 18-hours a day, and I often wake in the middle of the night with things to research once I am up. I keep two note pads next to my bed to record those sparks for later. I am a unique person. When I graduated college, I took a year off before beginning my seminary education. I was hired by the premier science and engineering publishing house in New York City. As a “college traveler” book sales representative, I had to have a “general” basic understanding of every academic program that is found in the typical liberal arts college. This meant I needed to be familiar with every academic discipline, from Accounting to Zoology. At larger universities, like Penn State, Duquesne, and Pitt, I was a specialist in the “hard sciences, mathematics, computing, and engineering”.

That background has proved both important and very useful in researching and digesting documents, papers, and books on dozens of different topics. This has enabled me to connect-the-dots in diverse and unrelated area aspects of often cross-connected or related issues. Being a history major in college has been of great value in my working years. I actually had a triple major in my college work. All of this has led me to raise the above question - **Can you begin to see a dilemma here?**

At this point, it appears to me that some extremely brilliant people have conjured up an incredible diabolical plan that has married biochemistry, biogenetics, with electrical technology to achieve a sophisticated means to kill a huge number of people equal to achieve the reduction of the U.S. population figures in Dr. Bill Deagle’s web page quoted in my articles on 5G technology.

From October 1, 2019 to February 29, 2020, approximately 49,000,000 Americans have had the flu, with approximately 20,000 - 30,000 dead from the flu. No one was quarantined, no panic, nothing cancelled but tens of thousands have died in just 6 months time! Are you smelling a rat yet? The fact is that very few Corona virus victims are autopsied, and so there is no confirming proof they actually died of the so-called Corona virus. China crematories operated 24/7 for weeks to dispose of the victims. My point is statistics lie and liars use statistics to support their agendas. Satellite photos of burial pits suggest the Chinese fatality rate is much higher than reported.

Both the World Health Organization (WHO) and the Communicable Disease Center (CDC) and their partners at Johns Hopkins Medical are conducting asymmetrical war with humanity, by pretending to be working on behalf of humanity when in reality, from what we already know are working against humanity to find even better more efficient and less costly ways to exterminate in the depopulation agenda established by the UN and the Club of Rome going back to 1972. History in the United States made a major pivotal shift on June 26, 1962.

Engel v. Vitale, 370 U.S. 421 (1962), was a landmark United States Supreme Court case in which the Court ruled that it is unconstitutional for state officials to compose an official school prayer and encourage its recitation in public schools. As a nation thumbing its nose through the Supreme Court ruling set about the transition of the nation to one that openly has rejected the Creator, is an undisputed historical fact.

Both the U.S. Defense Department and Israel announced they have a vaccine for the Corona virus by March 12th, 2020. Wow, less than six weeks is spectacular when most vaccines require several (6-7) year's development and testing before ready for the public. This is no surprise since the Rothschild-owned Pirbright Institute patented the virus several years ago. Also extremely significant is the fact that Israel is the innovator and creator of 5G technology, yet it will not put it into service, for obvious reasons. Brussels, Palm Springs, FL, Geneva, Switzerland placed moratorium on 5G and a half dozen other countries are listening to scientists and engineers against 5G technology.

MARCH MADNESS 2020

**Mayhem Manufactured Worldwide
by a Very Mad and Desperate NWO Cabal**

Who's really behind this pandemic panic? And why now? "It's true: March Madness 2020 is being manufactured with a VENGEANCE by the globalists. Not only are they mad, they've been found out. They have been busted by the American Intelligence Media! Madmen who've been outed only display more madness. It was a top-level British military officer who exposed their genocidal scheme. The whistleblower's own 2010 letter confirms a bioterror operation against China. That testimony provides proof of a Zio-Anglo-American plot to paralyze China with a biological attack. The bioweapon released in Wuhan in December of

2019 proves they pushed the biowarfare button. That the gutsy officer who had extraordinary access to ultra-classified information during highly privileged NATO intel briefings in the 1970s is without question. So, his letter stands as solid anecdotal evidence for a series of premeditated bioterrorist attacks against China by the Western powers. That would be Israel, the UK, and the USA, which is controlled by Israel. Given the virality of various truth bombs on the Internet, once this radioactive bombshell exploded in cyberspace, that was it. The cabal really went MAD! So mad they put March Madness 2020 on super-steroids. That's what we're seeing right now, folks—the outworking of raging collective madness at the top of the food chain.” —(Intelligence Analyst and Former U.S. Army Officer)

Every coronavirus pandemic event that's popping off somewhere in the world during this March has been planned with cold calculation and vindictive purpose.

The *New World Order* globalists are livid because of the worldwide resistance to their many nefarious agendas. The increasing number of nationalist governments, patriot movements and popular protests have posed problem after problem for them. Both Brexit and Trump alone have majorly impeded the juggernaut of globalism. When half the world is literally laughing at their absurd global warming hoax, they knew they had to do something BIG. Why Italy you may ask? Italy has been torn apart because much of Italy wants to leave the EU like the UK has, and Italy has sided economically that China is a better choice than the U.S. and the rest of the West.

Much more significantly, the top globalists themselves are now in grave danger. Truly, *The Powers That Be* (TPTB) know that they have been outed like never before in world history. Who does not know many of their notorious names and dastardly deeds?

OPERATION CORONAVIRUS PANDEMIC

This is why they have desperately thrown the entire planetary civilization into unparalleled chaos and pandemonium with OPERATION CORONAVIRUS PANDEMIC. What chaos? This CHAOS!

There was no more efficient way for TPTB to shut down whole countries as they have done by staging a bioengineered coronavirus pandemic and then inciting the ensuing panic that has followed in the past couple weeks.

There's a very good reason why two of the most common words today used incessantly by the mainstream media (MSM) — “pandemic” and “panic” — have similar spellings. The globalists know that reason quite well, too. Fearmongering is, after all, their stock-in-trade going back millennia. Here's just one example of their handiwork today: Italy's massive coronavirus quarantine provokes panic and prison riots; stocks slide. The fearmongers know that the more fear they can generate with this choreographed pandemic panic, the more societies everywhere will be pushed into chaos. For it is *Ordo ab Chao* [Order out of Chaos]

that always provides the perfect strategy and context for them to re-order the international order according to their *New World Order* blueprint.

KEY POINTS: Whether the following MSM headline reflects reality or not on the coronavirus-stricken Grand Princess cruise ship, it further adds to the escalating chaos being fabricated around the globe today: CORONA CRUISE SHIP CRAZYMAKERS: 'People fighting over rotten food'. This whole drama has the whiff of California crazy-makers behind it, doesn't it? It was California Governor Gavin Newsom who first rejected the cruise ship, but who then relented and allowed it to dock at the Port of Oakland. This is classic California crazy-making that everyone has watched for years; just look at the utterly depraved and hopeless mess now known as *Hollyweird*. And, by the way, some of those cruise-going crazy-makers may really be paid crisis actors planted on that particular cruise ship to generate this specific MSM headline: People fighting over 'rotten' food on coronavirus-stricken Grand Princess cruise: passenger. This is exactly how TPTB do it ... except that they usually never get caught.

Other global cataclysms, same perps pulling the puppet strings! The same secret societies and globalist institutions did the very same thing with the Spanish Flu of 1918. What is much less understood is that all the other genocidal cataclysms and catastrophes of the past 120 years were also quite furtively engineered.

When even a cursory investigation into the root causes of the following calamitous events reveals the same conscienceless perpetrators, imagine how much more incriminating evidence that deep research of these highly consequential events would reveal.

Federal Reserve Act of 1913,
World War I,
Armenian Genocide,
Bolshevik Revolution,
Spanish Flu Genocide,
The Great Depression,
World War II,
The Holocaust,
9/11 Terrorist Attacks,
War on Terror, and
Wuhan Coronavirus Pandemic
all have one thing in common.
And it behooves every resident
on planet Earth to find out
what that is.

(Source: STAGED CORONAVIRUS PANDEMIC: An International Criminal Conspiracy of Epic Proportions)

That is just a partial list of the most impactful mass casualty events that were covertly planned and carried out by the same banksters who also unlawfully conspired to pass the

exceedingly fateful Federal Reserve Act of 1913. There is a second punch coming to U.S. as the House of Rothschild destroy the economy for which President Trump took credit for, and now the they will remind Trump that who really controls the world economy!

While many conclude it's all about the money, it really isn't. Money is only the means to exerting absolute power over all of humanity. The real objective is total world domination. And there's one tribal power that has been itching to rule the planet for millennia. However, it's critical to comprehend that this warmongering tribe surreptitiously uses the Western military powers to carry out their malevolent schemes. Controlled Demolition of Global Economic & Financial System

There is perhaps no better way to sow seeds of chaos and anxiety worldwide than to trigger a collapse of an already extremely fragile Global Economic & Financial System (GE&FS). In reality, that "Global Gambling Casino" for the rich and powerful has been teetering at the edge of the precipice since the 2008 stock market crash. Not only did TPTB never fix what caused the Great Recession of 2009 and beyond, it has since been deliberately re-engineered into the *Second Great Depression*, which continues in earnest to this very day.

All it took was a *Black Swan Event* or two to completely expose the fatal flaws and countless vulnerabilities in the whole godforsaken system (i.e. GE&FS). As always, it was the *International Banking Cartel* (IBC) that funded the crafty creation of these devastating *Black Swans*. See: *BLACK SWAN EVENT = WUHAN CORONAVIRUS PANDEMIC*

The GE&FS has actually been living on borrowed time since one of the greatest stock market crashes of all time occurred on Black Monday of October 19, 1987. How the IBC has artificially propped up the market since then is a testament to their well-earned moniker—*Financial Masters of the Universe*.

Once the various interpenetrating market bubbles, which constitute the GE&FS, all pop one after another (stocks and bonds, commodities and currencies, real estate and derivatives, energy and carbon, insurance and annuities), the perps intend to plunge the whole place into a type of societal bedlam never experienced before (at least that's their diabolical plan). The well-concealed perps have planned this fastidiously staged End-time scenario over many decades. This is why the business headlines are now looking like the ones posted in this link: *COVID & CRUDE MARKET CRASH of 2020*.

Let's face it: given their numerous multi-century crime sprees, TPTB need to hide a lot of evidence. They are also faced with the impossibility of maintaining so many cover-ups in this Internet Age. *Yet how can they with so much freedom to post and truth-seeking on the Internet?* Therefore, extraordinarily dramatic events, which maximize distraction and diversion, will henceforth be staged more frequently over the course of this new decade.

The end of free speech is not far away. Of course, their main goal this time around is the total lockdown of planet Earth. And there's no better way than Medical Martial Law to achieve that ambitious goal. But if there's one thing the globalists are absolutely determined to do post-haste, it's to first shut down free speech. Their first target is the Internet. However, it's the social media networks, in particular, upon which the NWO cabal intends to impose their Orwellian censorship so as to terminate the rapid dissemination all sensitive truth that's dangerous to the power elite.

Their immediate game plan is to use the Bio-Patriot Act to first eliminate all coronavirus truth from cyberspace via draconian dictates issued by the World Health Organization in collusion with other globalist institutions. Once they complete that mission, they will somehow go after every truth-teller on the net, especially those who expose Zionism.

KEY POINT: Clearly, President Trump is being set up to promote the future Bio-Patriot Act as a prelude to declaring a Medical Martial Law. This intensifying pandemic psyop is being purposefully marshalled along in order to provide a compelling justification to pass the pre-planned Bio-Patriot Act. The higher the disease and death rates caused by COVID-19 in the USA, the greater the likelihood that some level of Medical Martial Law will be declared.

That's why the corporate media has been propagating so much coronavirus hysteria. See: [**Is Trump's main mission to impose the Bio-Patriot Act in 2020? \(Video\)**](#)

There's no more effective way to shut down the *Alt Media* than by blaming alternative news platforms for publishing 'fake news' about the coronavirus and/or pandemic. There are even *Alt Media* websites that were created by the CIA's *Mockingbird Media* to purposely disseminate false stories about the coronavirus in the interest of creating a 'legitimate' justification for the MSM to accuse all the other alternative news sites in the same space.

This treacherous globalist strategy has already been used to greatly undermine both the Anti-Vax and Health Freedom movements. When it concerns the health of the American people, the elites know they can galvanize the ignorant masses against the far fewer truth-seekers because of the raw fear that can be swiftly proliferated by the dramatically hyped C O R O N A V I R U S!!!

It's of paramount importance to apprehend just how essential the worldwide deployment of 5G is to the globalists. Both the illicit 5G roll-out and subsequent build-out of the *Internet of Things* (IoT) represent the capstone of the *New World Order*. How else to fully activate the emerging *Global Control Matrix* that will be used by the planned One World Government to monitor every resident on Earth.

This is why the 5G roll-out and the coronavirus outbreak occurred at nearly the same time. Both of these powerful stealth weapons mutually support, and cover for, each other. When the official 5G Demonstration Zone in Wuhan, China broke down with a 5G-caused public

health disaster, the coronavirus controllers carried out the bioterrorist attack as a decoy. In discussing this with others it is easy to see how and why people cannot recognize the converging theories here that enables the telecom industry to keep their \$59-billion baby out of the lime light of scrutiny!

See [**CORONAVIRUS HOAX: Fake Virus Pandemic Fabricated to Cover-Up Global Outbreak of 5G Syndrome**](#)

Milan, Italy experienced a very similar “5G + Coronavirus” event, which is why the entire Italian Peninsula is now on lockdown. The globalists will not let anything jeopardize the 5G-IoT global implementation plan; for it represents the very backbone of their worldwide spying and surveillance regime. Without it, the challenge of guarding the inmates on their planned prison planet Earth is like a camless correctional facility.

KEY POINTS: Northern Italy, especially the international financial capital of Milan and all of Lombardy, have been strictly quarantined because this region is the ancestral home of the all-powerful *Black Nobility*. Very few are aware but it is Milan and Venice that really rule the financial powerhouses of London and New York City. They locked down both of those Italian power centers in order to control all movement into and out of the region. This unprecedented quarantine was planned years in advance by way of the purposeful roll-out of 5G throughout the greater Milan metro area. (See: [**MILAN QUARANTINE: Italian Coronavirus Epicenter Transformed into a ‘5G Testbed’ Prior to Outbreak**](#)) In other words, wherever the military deployment of 5G has taken place, the numerous 5G super-hotspots will provide a very conducive environment for the coronavirus bioweapon to be released into the population with the desired effect. Just look at where the coronavirus is exploding the most—countries that have the most 5G Hotspots!

The past week has seen a world-wide explosion of cases of the Corona virus around the world with the exception of Greenland, most of South America, and Africa. Africa has a population of 1.5-billion people, and yet as I finish this, it only had four cases: two on the Mediterranean coast, one in Nigeria, and one in South Africa. One of those infected was a Chinese worker at one the of the many Chinese development projects in Africa.

Africa is the epitome of the Third World of poverty-stricken nations, and yet has escaped the Corona virus pandemic! Why? Could perhaps it possibly be because Africa is not one of the priorities of the telecom industry plan to roll out 5G 60-gigahertz in the bush country? Or maybe Africans don’t go on cruises. Using the U.S. map of cases, on page 22 above, it would seem reasonable for Africa to have several hundred cases of the Corona virus.

A more global picture of this “5G + Coronavirus” bioterror operation looks like this: **virtually every single nation that has experienced the biggest outbreaks of the coronavirus also have the greatest concentration of 5G power grids.** The Wuhan tech hub was identified early on as the poster child for both 5G and the IoT in China, which is why that megalopolis went down so fast. CORONAVIRUS BOMBSHELL: This proves it should be named “5G COVID-19”.

Now that little factoid alone is enough to terminate the whole misbegotten 5G enterprise should citizenries become aware that they are being fried before being infected by a deadly bioweapon—COVID-19. When you look at the list of countries that have the largest number of confirmed corona virus cases as of March 13, 2020, It should be pointed out that Iran has

implemented a pervasive 5G roll-out in rural areas nationwide as South Korea has done in all urban areas.

Who's really responsible?

Again, this whole coronavirus charade is being meticulously orchestrated by the same perps (read: *Black Nobility* and their *International Banking Cartel* henchmen) who were also behind the Spanish Flu of 1918. And that pandemic ended up killing upwards of 100 million people worldwide. This means that they have had over a century to plan and perfect the currently raging coronavirus pandemic.

The *Black Nobility* (and IBC) was likewise directly responsible for the entire list of calamities and cataclysms delineated above. This is just what they do—DISASTER CAPITALISM—where the banksters make huge amounts of money before, during and after each highly calculated disaster. The 2020 U.S. presidential election is another disaster-in-the-making that Consigliere Nancy Pelosi has been frenetically preparing for.

As for hard evidence that the bioengineered coronavirus — COVID-19 — was deliberately launched as a bioweapon via multiple bioterrorist attacks against China, the following vetted exposé has blown this international criminal conspiracy wide open. The “*highly radioactive truth bombs*” contained in this mind-boggling letter were written by a high-ranking British military officer who had upper-echelon assignments which put him in the same space as the Chairman of the NATO Committee in 1975, as well as some of the most powerful corporate contractors within the UK's Military-Industrial Complex.

[Coronavirus Biological Attack Against China Exposed by UK Military Officer & Whistleblower in 2010](#)

Here's just one excerpt from the preceding exposé that was first published on March 19, 2010 under the deliberately misleading title: Anglo-Saxon Mission – The Timeline – Letter from a Whistleblower... (see Addendum below).

Thereafter, or concurrent, biological weapons would be used against the Chinese population. This would then set off another chain of events that would collapse the whole Chinese political and social infrastructure. This was mentioned as: Disease, followed by widespread food shortages, followed by mass starvation. [...] The biological agents were described as being flu-like and would spread like wild-fire. It shocks and sickens me to describe these events. It shocks me even more to know that plausible events are being manipulated to cause the extinction of a whole part of the human race.

That title is quite “misleading” not because we are not witnessing a fundamentally Anglo-American series of bioterrorist black ops to dominate the world; rather, because the real

power behind the US-UK Empire has been around much longer than the relatively recent Anglo-Saxons. As a matter of historical fact, the Khazarian Mafia took over the English Monarchy not that long after the very first kings sat on the throne in London. After all, no kingdom can last without the funding necessary to maintain then castle and the court. See: **The KHAZARIAN MAFIA: You Don't Know, What You Don't Know!**

The only way that the present plague, or any other manmade scourge for that matter, will ever be correctly understood and successfully remedied is to identify the true perpetrators who have been lurking in the shadows for millennia. Those perps are categorically identified in the exposé that follows:

Conclusion:

What's really happening here in 2020 is that those who reside at the very pinnacle of the peak of the world power pyramid can no longer manage this prison planet. There are simply way too many of us 'inmates' who are totally outside of their control. Not only that, but the level of extreme micro-management and hyper-control necessary for them to maintain any semblance of order has become quite nerve-wracking for them.

This rapidly intensifying predicament is making TPTB both extremely anxious and quite mad. The inbreeding alone within the Illuminati families is enough to drive all their kids crazy, which they are. So, the oldest generations no longer have the necessary heirs and successors to carry on the rabidly patriarchal tradition of dominance and control.

Consequently, they are forced to resort to an increasing number of Gladio-style terrorist operations in order to keep things under their control. The ongoing spate of coronavirus bioterrorist operations is perhaps the most telling example of their sheer desperation.

Remember, Operation Gladio is the terrorist arm of NATO and what is really the "North Atlantic Terrorist Organization". But even Gladio's "strategy of tension" may not be serving them well as the unpredictable rash of prison riots in Italy graphically demonstrates (unless they are inciting a prison break in their own back yard). That Operation Gladio was originally established by the *Black Nobility* in Italy to do its dirty work is also quite telling in light of the nationwide lockdown.

KEY POINT: Italy was the first major European country to be targeted with the coronavirus bioweapon for a specific reason. (See: [Is Italy playing with fire when it comes to China?](#)). You knew Italy had serious problems with *Deep State* when the NYT published this headline: "[Defying Allies, Italy Signs On to New Silk Road With China](#)".

Coincidence? Chinese Ports and Coronavirus outbreak located in Northern Italy

Graphic taken from: Coronavirus Bioweapon Launched as Economic Sabotage Operation to Disrupt Italian-Chinese Port Arrangement

The bottom line here is that March Madness 2020 appears to be the beginning of the end of the *New World Order* agenda. It really is a do-or-die situation for the power elite now that they have totally committed to staging an unsustainable global pandemic. If they do not have the adequate enforcement mechanisms in place to police this pandemic as they conceived it, they're in HUGE trouble. Because when the dust settles, every inhabitant of the planet is going to be asking some serious questions. There are no NIMBYs with this pandemic so everyone will want answers that will only lead back to that British officer's damning 2010 letter. This plan to genocide China has been known or in the works for for at least ten years to be refined and planned out.

Lastly, if there is an unforeseen reversal of fortune in store for the elites it is this: it looks like the coronavirus pandemic is going to end up being the silver bullet that takes down 5G—60-gigahertz FOREVER! Until corona came along, the 5G juggernaut rolled across the land despite its well-known and extreme health dangers. Now, 5G has drawn so much attention and deserved scrutiny, because it has been profoundly implicated in the coronavirus pandemic, the roll-out will likely be, or should be, halted by nations large and small.

Rather than to add additional new important information, I will include in Part 10.

Please share this information before it's too late, as if it's not too late already.

How **Coronavirus** cases have escalated in the U.S.

I truly wish I could have offered promising information. I did another article, "Get Ready for His Second Visitation" which I posted on my web page last week.
