

# The Blessed Hope!

***“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;”*** –(Titus 2:13)

*Diamond & Nugget #113*

I had just posted Blessed Hope #112 on Sunday afternoon, July 3<sup>rd</sup>, 2022 when my friend Danny down in Texas sent me an email with what is an amazing supplement to the article I shared by Luis Vega. As I was reading it a variety of thoughts were rolling around in my head. Jesus is at the door folks. Whether you realize that it or not, you best be ready! I have been angry the past few weeks over the insanity of the FDA and its plan to vaxx the helpless ones from six months to four years of age. My thoughts and prayers have been that God would stop this criminal madness in a heartbeat before the little ones are injured for life or worse yet murdered, like those sacrificed at the altar of Moloch.

Scripture speaks to the point that God said that it would be necessary to intervene lest man destroyed himself. Early on in Genesis, we read that God regretted his creation of man. ***“And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them.”*** -(Genesis 6:5-7)

The Flood was not the end of God's judgments. There are many more to come. God has given mankind over 2,000 years to repent and be converted. But only a small fraction has believed on the Lord Jesus Christ. However the wickedness of the world leaders, politicians, public health officials, educators, and criminals today has exceeded all previous bounds. Every nation has become totally lawless, and when pastors are jailed for preaching the Gospel, and their churches are literally shut down for no good reason, then the end is upon us.

God gave all men a preview of His future judgments. And today -- via the internet -- there is not a single person who cannot access Revelation in his or her native language. And Revelation is there to warn people of the impending judgments to come. Beginning at chapter 8 of Revelation we have the 7th Seal Judgments. So what do we see in the future?

1. Hail and fire mingled with blood poured out upon the earth

2. One-third of all trees burned up
3. All the green grass burned up
4. A mountain burning with fire cast into the sea
5. One-third of the sea becoming blood
6. One-third of all marine creatures killed
7. One-third of all ships destroyed
8. One-third of all rivers and fountains made bitter through the star Wormwood
9. One-third of the sun, moon, and stars darkened
10. Demonic locusts released from the bottomless pit to torment the unsaved
11. One-third of all mankind killed by demonic horses
12. Satan and all his evil angels confined to the earth
13. The reign of the Antichrist and the execution of all who refuse to take the mark of the Beast
14. The seven last plagues filled with the wrath of God to intensify judgments
15. A "grievous sore" or plague on those who took the mark of the Beast
16. The sea changed to blood and all marine life destroyed
17. All rivers and fountains turned to blood to destroy mankind
18. A scorching heat from the sun to destroy all unrepentant sinners
19. Total darkness over the kingdom of the Antichrist
20. An unprecedented earthquake upon the earth
21. Unprecedented cataclysmic cosmic events on earth and in the heavens (the sun, moon, stars, etc.)
22. The battle of Armageddon and the destruction of millions
23. A river of blood 200 miles long and 5 feet high
24. The judgment of Mystery Babylon and the city of Babylon
25. The destruction of the Antichrist and the reign of Christ after that.

God wants all men everywhere to repent after seeing what lies ahead. But as we know, few will repent and many will go into eternal damnation. Therefore it is imperative that the Gospel be preached in all the world, to every nation, and to every creature. Those who believe will be saved. Those who do not will be damned. (Mark 16:15,16) God has given man ample time to come to his senses but he has failed both himself and his Creator!

Let us be serious about the word of God and prepare ourselves to enter His kingdom. He is faithful and He has revealed the truth through His living words. We are to follow His words which will help us to know every detail that will take place in the days to come.

Knowing the future of this earth, we should keep ourselves ready so we may not miss the golden opportunity to be a part of God's everlasting kingdom. There will be no more second chances if we neglect Jesus on this earth, so our primary aim should be upon the new earth which is designed for the righteous people.

In sharing what follows is not speculation but in fact is theologically deductive reasoning and worthy of our consideration and reflection.

# **30 REASONS WHY PENTECOST IS IN THE 4TH MONTH JULY/TAMMUZ AND SUBSEQUENTLY, A CORRELATION OF THAT BEING POSSIBLY THE DAY OF THE RESURRECTION-RAPTURE EVENT FOR THE YEAR 2022**

RAPTURE RADAR OF LAST DAYS

VITAL SIGNS

*Prophetic Scope for True Pentecost and End of the Church Age*

***‘Then the Disciples came to Jesus and asked, Why do You speak to the People in Parables? He replied, The Knowledge of the Mysteries of the Kingdom of Heaven has been given to you, but not to them. Whoever has will be given more, and he will have an Abundance. Whoever does not have, even what he has will be taken away from him’. –(Matthew 3:10-12)***

The purpose of this study is to provide ~30 Reasons for why Pentecost is in the 4th Month July/Tammuz. And subsequently, a Correlation of that being possibly the Day of the Resurrection-Rapture Event. For the Year 2022, this Calculus from the Day after Passover would be July 23, 2022. **July 23 is a Sabbath.** This is based on the following Day Count Equation noted. The Argument is basically based on the Non-Traditional Day Count and Interpretation of Leviticus 23:16. One supposes a 49 Day Count, plus a 50 Day Numbering Sequence that adds-up to 99 Days from the Day after Passover.

After Passover **April 15, 2022 + (49 Days) = June 3, 2022** Shavuot + **(50 Days) = July 23, 2022** True Pentecost

One supposes that, if and when the Resurrection-Rapture Event would occur, the Feast of Pentecost would be the best Typological Candidate for it to be fulfilled. The Rapture will conclude the End of the Church Age as a Prophetic Bookend. Most Students of Eschatology would agree on this Point. However, it is based on a Pre-Tribulation Rapture Scenario that many do not agree on.

The Prophetic Typology is that, as the Holy Spirit came down on that 1st Pentecost of Acts 2, the Spirit will go up with the Bride of Christ as it came, etc. The Reasons below will interject that aside from how Pentecost is in the 4th Month, that of the ‘Door’ as in the 4th Letter in the Hebrew Alefbet, the Speculated Year the Rapture could also most likely occur in 2022 as one conjectures. Thus, that is the other Question. What Year is the Rapture? Can it be known? Can the Month and the Day be known? Why even try?

## **Disclaimer**

The Day, Month and Year of the Rapture are unknowable, 100%. These Reasons below are one’s personal best Educated Guesses. One is not claiming to ‘Know’ the exact Year, Month, Day of the Rapture. The Research and Studies as to when all that could be, are only based on Calculations from Biblical Typologies and Inferences that are but

Clues as one interprets them. Most, if not the Reasons presented are different in what is conventionally understood presently within the Watcher Community, pertaining to the 'Season' of the Rapture, Year, Month and Day, etc. However, Jesus and the Apostles admonished the Body of Christ to **'Keep the Watch'**. That is to be looking for Jesus' Return in every Generation. One is Cautiously Expectant but will not be Disappointed.

**'Watching' for Jesus'** Return is relative. Those in the 1st Century, obviously could not think the Church Age was to have lasted nearly 2000 Years. Yet, Jesus Commanded His Bride to Watch in every Generation. The Watch is to Encourage the Body by speaking of the Rapture as it is the Blessed Hope. The Rapture is a Rescue Mission. It is an Escape, the Great Escape from this 'Prison Planet' that is about to be Judged and go under Lock-Down. Thus, over the Years, one has applied this Pentecost Double Count Theory. But now, with more Confidence, has narrowed the Rapture Year to 2022.

This is again, solely based on the Sabbath Cycle of 7 Years since 1952. In that for 2022, it concludes the 70th and 7th Year Cycles that begin a new one, in the Fall. Thus, to suggest that the next and subsequent 7-Year Sabbath Cycle will be none other and Daniels' 70th Week of Years is exciting. A lot of Watchers would agree though, that the World has entered the Rapture Zone or 'Season', as in the Days of Noah and Lot. And with that Urgency, one is 'Scoping-Out' the Clues as they become more Precise and Focused. Jesus did bestow the Church to Know His Mysteries. The following will be the 'Rapture List' that will argue the Premises, starting with the Personal-Spiritual, then the Scriptural, and then Biblical Typological to then the Celestial and Testimonial.

## **E. OTHER'S WITNESSES**

Several Followers of one's Work made it be known that the 2 Headlines read that in 70 Days and 50 Days respectively, 'The Grain would be Gone'. The Term, 'Grain' is a Euphemism relates to the Raptured Believers of Jesus as 'Grain', etc. Jesus compared Himself to a Seed of a Grain, i.e., Wheat. That it needed to Fall to the Ground, Die. But in so doing, would Resurrect to Sprout New Life as in a Stalk that would produce much Fruit, etc. Thus, 99 Days from April 15, 32 AD, the Day after Passover was July 23, 32 AD, when 'Pentecost had fully Come'. The interesting thing is that on the 2 Dates inferred, it is also corresponding to Israel's Prophetic Mile-Stones.

## C. GEO-POLITICAL

### 30- Knesset Dissolves Government

This is Prophetically Important. June 30/July 1 is Tammuz 1. (Red Alert!) This is a Tumultuous Month for Israel, Historically. This was the reason Saddam Hussain named their Iraqi Nuclear Reactor 'Tammuz'. It is when on both Years and Days, the Babylonians 587 BC and the Romans 70 AD, breached the Walls of Jerusalem. And in 3 Weeks' Time, that being Av 9, the Temples were destroyed. Thus, the 17th of Tammuz kicks-off a 3 Week Mourning Period, leading-p to Tisha B Av, or the 9th of Av.

*Tammuz 01 = June 30/July 1, 2022*

*Tammuz 17 = July 15/16, 2022 (Jerusalem Walls breached. Start of the Israel Arab War?)*

*Tammuz 24 = July 23/24, 2022 \*Supposed True Pentecost Day on Sabbath. (723)*

*Av 9 = August 5/6, 2022*

One believes that the 4th Month -Pentecost Double Count Theory and the Sabbath Cycle Theory are valid. And that the various Prophetic Templates can be applied and superimposed to subsequent Years, if 2022, for example turns-out not to be the Rapture Month and Year in 2022. What then? Then the Watch continues. If the July 23, 2022, Date comes and goes, one will look to 2023, etc. In the case of that Year, the supposed 49 Days + 50 Days Double Count would result in July 15, 2023.

But in reviewing all the Major and Core Reasons why for 2022, July 23, 2022 is the Highest Watch Date for one Personally, one wants to reiterate 1 specific Clue. What one believes is that the Key to the 7-7-7 Code of Years related to Israel Prophetic Redemptive Years, 1947-1967-2017 is the Death of Lamech.

To reiterate, Lamech's Death at his 777th Year unlocks the meaning of the Immediate 5-Year Countdown to the Flood, the being then the Year 782. What is spectacular about this Year is that it is a Fractal of the Year 5-782 or 2022/23. It is a Prophetic Parody Year in how thus, the coming 'Flood' of Noah's Flood and 'Fire' of Lot will likewise be initiated at the end of this Timeframe. It is thus convergent to the Sabbath Cycle in the Fall of 2022. How so? Evidence?

Lamech Died on **777th Birthday + 5 Years = 782** = same as Year **5-782** (2022/23)

In the Jewish reckoning of Time, the Millenia Year can be 'Dropped' as it is understood, given that the Millenia one is living in presently is understood to be the 5th Millenia, in this case. Or in other words, the Jews could just as easily understand what Year it is if one just wrote or said, '782'. And? The point is that 5-782 is the same as 782 as in when the Flood came and the whole World was Judged by the Flood of Noah. This is to strongly suggest that this is the Key to the 1947-1967-2017, triple ending Years.

This, by the way follows what one also calls the Olivet Discourse Code. How So? Jesus gave the Order of Destruction of all these 3 Prophetic Elements and their Restoration. The Restorative Order is what the Church Age has been experiencing since 1947 in how Israel, then the City and ultimately, the Temple will need to be reconstituted before Jesus is to Return. What is still left of the 3 Factors is the Temple. That will soon change if the 5-Year Lamech 777 Countdown is in effect. Respective to Israel's Process of Redemption, the 7's can be inferred to have a Lamech Connection.

As far as his Death, it could be when the Time of Jacob's Trouble will begin as that Last Sabbath Cycle or Daniel's Last Week 'Shemitah' will complete the Redemption at Jesus' Return, etc. Thus, the Research into these nearly 30 Reasons why Pentecost is in the 4th Month with Corresponding Rapture Timing Scenarios. And why 2022 will be the End of the Church Age come true. All this, of course is based on one's Research and Calculations. One cannot go beyond that, as all Assertions have to be Tested.

But, if they all will be true, then the 5 Year Countdown, likewise for 2022/23 or 5-782, will converge in the Fall of 2022. It will set the Stage for the 3rd Temple that will start the Daily Sacrifices and the coming Seal Judgments of Christ. The Coming Tribulation Period of 7 Years or the Last Sabbath Cycle or 'Shemitah' will be the 2nd only World-Wide Judgment upon the whole of Humanity on Earth ever experienced.

This will correspond to Daniel's 70th Week and how it dovetails off of the 70th Shemitah or Sabbath Cycle since 1952. Prior Years had, but there are basically 4 Major Factors that make this Year, 2022 and the Month of July and Date of 23 exceptional in one's

Personal Research. As noted, there are 4 Main Reasons, out of the List that stand out and whose Pentecost and Rapture Timing Theory sits on.

1. *The 723 Dream/Vision in 2021 of a July 23 Date, 723.*
2. *The Theory of a Double Count Interpretation for Assessing True Pentecost.*
3. *The Sabbath Cycle of 70 Years completed Israel's 1st one in 1952.*
4. *The 5-Year Countdown from Lamech's 777th Year Death being 782 as in 5782.*

To this issue, it is one of the other Reasons one presents such Research. It is to warn others, within and without the Church Body, as one sees in the Scope of Prophetic Things. It is no different than as it would be for a Sailor at a Command Post reading the Vitals on the Radar. One is genuinely excited about July 23, 2022, as no other Year has had many converging Signs. However, Jesus warned that at no other Time in Human History will these coming 7 Years be compared to the Bloodshed, Murder and Mayhem that will transpire, nor ever will be going forward.

As with Noah and Lot, the Great Escape depended on one hearing and receiving the Warnings. And the Action need was to 'Get onboard the Boat' in Noah's Day of Judgment. In Lot's Day of Judgment, although Localized, the Great Escape was to leave Sodom and Gomorrah. For this 2nd worldwide Judgment on the Level of Noah, the Escape is to still to get into the 'Ark'. This Ark or 'Boat' is Jesus. It is His Body on Earth that has been like an 'Ark' where People have sought Refuge and Deliverance from the Judgment that is to befall on the World. It is coming. But time is running out. YHVH closed the Door to the Ark in Noah's Day. The Rapture will be that Door now.
