

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #118

I thought about naming this segment “The Wise Shall Understand” from Psalm 107:43 – **“Whoso is wise, and will observe these things, even they shall understand the lovingkindness of the LORD.”** My first thought about what I am about to share with the readers was that you will not believe what I am going to tell you. In fact, what I read in my email Saturday morning was a post from a web site ‘News Punch’ which blew me away! I thought “no way, no way!” So I proceeded to scan through my morning email of several hundred posts on the state of the world today. Chances are you might think to yourself, he must be losing it. Old age has finally overcome all those vitamins and supplements that have kept me going for years. When I took my blood pressure it was 126/75 and my pulse was 61, but my pain level was a 7 or 8 from my Lymphedema. When I came home from the hospital in March they put me on Eliquis, a blood thinner to prevent a stroke or heart attack as I was diagnosed with A-Fib. But more important, this was the head-line news on Saturday, August 5th, 2022:

The United Nations has signed an agreement with Klaus Schwab’s World Economic Forum (WEF) to “jointly accelerate” Agenda 2030.

UN Secretary General Antonio Guterres witnessed the signing of a memorandum of understanding with Klaus Schwab to usher in Agenda 2030. Citizens of the U.S. and other Western democracies have not been consulted or informed by their governments or media about Agenda 2030.

“Today the Secretary General and Klaus Schwab of the World Economic Forum will witness the signing of a memorandum of understanding on a strategic partnership between the UN and the World Economic Forum,” announced a UN spokesman on Wednesday. **There will be a historical fulfillment of Daniel 9:27 that is slated to be signed on September 26, 2022.** If you recognize or know what that date means, you are likely saying, “You’ve got to be kidding me!” God really is good, but greater than most realize!

The strategic partnership *“outlines areas of co-operation to deepen engagement between the two institutions and to jointly accelerate the implementation of the 2030 Agenda.”* This date is a week following the opening fall session of the UN General Assembly. The UN convenes the third Tuesday of September every year.

Tellingly, the historic and disturbing announcement regarding the implementation of Agenda 2030, which nobody in the U.S. was consulted on or has agreed to, received absolutely no coverage in the bought-and-paid-for mainstream media.

You should not be surprised by this development — if you have been paying attention. The plan has been in the works for millennia.

More than two thousand years ago, the Greek philosopher Plato came up with the idea of constructing the state and society according to an elaborate plan. Plato wanted “wise men” (philosophers) at the helm of the government, but he made it also clear that his kind of state would need a transformation of humanity.

With the foundation of the United Nations and the World Economic Forum, the drive to advance the programs of eugenics and transhumanism has taken a huge leap forward.

Together with the activities of the World Economic Forum, they have the stage to initiate the Great Reset that is going on currently. The grand plan for a “Great Reset” has been set back from the fall out of the collapsing of the Covid pandemic narrative; nations rebelling around the world because of new regulations on their so-called ‘carbon footprint’ requiring them to reduce agriculture, ranching, the culling of livestock herds, reduction of populations, and more are being met with huge pushbacks by the world.

With the pronouncement of a pandemic, the goal of comprehensive government control of the economy and society has taken another leap toward transforming the economy and society. The past two-and-a-half years has been all about global government and control of humanity, enslavement of humanity!

Freedom faces a new enemy. The tyranny comes under the disguise of expert rule and benevolent dictatorship. The new rulers do not justify their right to dominance because of divine providence but now claim the right to rule the people in the name of universal health and safety based on presumed scientific evidence.

Most of you have heard of such programs as Agenda 2012, Agenda 2020, or Agenda 2030. These have been largely yearly gatherings of world leaders addressing the issues of environment, global cooling, global warming, climate change, etc. The Prince of Daniel 9:27 is code word or euphemism for the Antichrist, aka, Prince Charles of Wales. You might scoff at that but the proof can be found in my article: [The Satanic Talmud & The Synagogue of Satan--Part 6](#) Click on the link and read the massive evidence for yourself. Part 6 is long but comprehensive with information you will not come by easily or elsewhere. Everything on my web page is free. I have been a “Watchman” on the wall for over forty years.

Prince Charles of Wales is Mr. “Sustainable Development” and he has told the world that his purpose in life is to save the planet. His name and title equals “666” in Greek, Hebrew, and English. That alone should get your curiosity! A lot has been underway at the world leader level,

Vision 2030 - The Real Reason for the Push - Control

United Nations joins forces with World Economic Forum to accelerate Agenda 2030

Any doubts about the New World Order ambitions of the United Nations (UN) and the World Economic Forum (WEF) were recently eliminated when it was announced that UN General Secretary Antonio Guterres and Klaus Schwab had signed an agreement to accelerate Agenda 2030. The “curtain call” is awaiting the orchestra’s signal.

Klaus Schwab of the World Economic Forum and UN General Secretary Antonio Guterres signed an agreement to accelerate Agenda 2030.

To sounds of thunderous applause, Transforming our World: the 2030 Agenda for “Sustainable Development” was released to the world at the United Nations Summit in September 2015 as a roadmap for imposing global socialism on every inhabitant of planet earth, a document that was adopted and approved by every one of the 193 member nations.

Agenda 2030 is a system of total, worldwide centralization of power influencing everything from governments to economies.

The 17 so-called “Sustainable Development Goals” in the official document essentially serve as the recipe for global socialism and corporatism. For example, one Agenda 2030 goal calls on the UN, national governments, and every person on planet Earth to “reduce inequality within and among countries” which can only be achieved “if wealth is shared and income inequality is addressed.”

Wealth redistribution? Now where have we heard that before?

Still, the UN document makes it perfectly clear that to “combat inequality” domestically is simply not enough and that only international socialism can be truly effective at battling inequality.

The UN’s initial target in Agenda 2030 was, of course, the children as the global organization devoted much of its efforts to transform the next generation into an army of “agents of change”:

“Children and young women and men are critical agents of change and will find in the new Goals a platform to channel their infinite capacities for activism into the creation of a better world.”

Now you know why the Far-Left fights so hard to eliminate parents from the education of their children — such as when Merrick Garland calls parents “domestic terrorists” for opposing CRT and Marxism — it gets in the way of their indoctrination. It also helps explain Joe Bidens’ recent declaration that children don’t belong to their parents “when they’re in the classroom.”

By the way, the Pope — a believer in Marxism as the answer to global warming and economic freedom — is also a huge fan of Agenda 2030: *“The adoption of the 2030 Agenda for Sustainable Development at the World Summit, which opens today, is an important sign of hope.”* Pope Francis own words from September, 2015.

The World Economic Forum is a match made in hell for the United Nations and Agenda 2030, especially when you consider the “Great Reset” agenda of Klaus Schwab and how he has leveraged COVID to promote it. Vaccines play a huge roll in the “Great Reset”.

“A Great Reset is necessary to build a new social contract that honors the dignity of every human being.” The global health crisis has laid bare the unsustainability of our old system in terms of social cohesion, the lack of equal opportunities and inclusiveness. Nor can we turn our backs on the evils of racism and discrimination. We need to build into this new social contract our intergenerational responsibility to ensure that we live up to the expectations of young people.

“COVID-19 has accelerated our transition into the age of the Fourth Industrial Revolution. We have to make sure that the new technologies in the digital, biological and physical world remain human-centred and serve society as a whole, providing everyone with fair access.”

“This global pandemic has also demonstrated again how interconnected we are. We have to restore a functioning system of smart global cooperation structured to address the challenges of the next 50 years. The Great Reset will require us to integrate all stakeholders of global society into a community of common interest, purpose and action. We need a change of mindset, moving from short-term to long-term thinking, moving from shareholder capitalism to stakeholder responsibility. Environmental, social

and good governance have to be a measured part of corporate and governmental accountability.”

The World Economic Forum is simpatico with the UN and Agenda 2030 in other ways. In November 2016, the WEF published “8 Predictions for the World in 2030” describing how the world will be a much different place because of changes to how people work and live — some predictions coming true during COVID lockdowns and mandates:

In a promotional video proclaiming that “*you’ll own nothing and be happy about it,*” the World Economic Forum summarized the eight predictions:

- People will own nothing. Goods are either free of charge or must be lent from the state.
- The United States will no longer be the leading superpower, but a handful of countries will dominate.
- Organs will not be transplanted but printed.
- Meat consumption will be minimized.
- Massive displacement of people will take place with billions of refugees.
- To limit the emission of carbon dioxide, a global price will be set at an exorbitant level.
- People can prepare to go to Mars and start a journey to find alien life.
- Western values will be tested to the breaking point.

Did you happen to notice how many of the predictions are a part of the New World Order agenda being pushed today by both parties in Washington? The WEF called for an end to private ownership of vehicles only a week or so ago. It’s coming through unsuspecting measures.

The UN and the World Economic Forum are committed to destroying free markets and individual choice, and if they succeed with Agenda 2030, liberty will disappear from the planet.

As we know all-too-well, Republicans and Democrats are more than willing to ignore the Constitution in order to do whatever they want to accomplish their liberty-killing objectives. And unless “we the people” take back the power handed to us by the Founders, they will continue doing so.

Now in came Summer 2021 and the Pope was rolling out his 7-year “[LAUDATO SI’ ACTION PLAN](#)” or translated **Praise Be to You** which looks like this:

1. **Laudato Si’ Families:** (Families embarking a 7-year journey towards integral ecology)
2. **Laudato Si’ Dioceses:** (Dioceses/Parishes embarking on a 7-year journey towards integral ecology)

3. **Laudato Si' Schools:** (Schools embarking on a 7-year journey towards integral ecology)
4. **Laudato Si' Universities:** (Universities/Colleges embarking on a 7-year journey towards integral ecology)
5. **Laudato Si' Hospitals / Health Care Centres:** (Hospitals/Health Care Centres embarking on a 7-year journey towards integral ecology)
6. **Laudato Si' Businesses/Agricultural Farms,** etc.: (Businesses/Farms embarking on a 7-year journey towards integral ecology)
7. **Laudato Si' Religious Orders:** (Religious Orders / Provinces embarking on a 7-year journey towards integral ecology)

The bigger question to this “*plan*” is whether it could be the 7-year covenant that is confirmed by the Antichrist, but in the obvious we will save that for another post. I know we have all talked about the covenant being a “peace” covenant, but this is probably as close to peaceful among governments as it comes. The one eye-catcher within this plan

is the Pope's callout of "mother earth" - not about God and His creation. He never mentioned the name of Jesus Christ in that plan.

The key takeaway here is that it is a stair-stepped program that transitions like this: Home, Churches, Schools, Universities, Hospitals, Business and then States (Provinces). All completed within 7 Years. In other words, they are going to focus on the way we think.

Now we go over to the Saidi Vision 2030 where it also starts out as country-specific and retraining people on how to think. A top-down approach rather than a bottom-up. This time, however, it focuses on developing skills and educating people through tolerance, mastery of a discipline, fostering the values of determination and perseverance, instills national values and strengthen the sense of national belonging, upholding the Arabic language, enhance family participation in preparing for their children's future (aligns with the Pope's plan), develop a positive attitude, resilience and hard-work culture among our children, build a lifelong learning journey, improve equal access to education, improve fundamental learning outcomes, improve the ranking of educational institutions, develop our brightest minds in priority fields, ensure the alignment of educational outputs with labor market needs, expand vocational training to provide for labor market needs, improve the readiness of youth to enter the labor market, Nurture and support the innovation & entrepreneurship culture.

At first glance, it sounds like a decent plan as they are working to create a flourishing economy until you realize that the main driver behind this whole plan is no other than The World Economic Forum and Chairman Klaus Schwab. This dovetails into both the great Reset and the Pope's 7 Year Plan. This "platform" as they are calling it, ties into the following key points:

1. Road Freight Zero
2. The Future of Protein
3. Nature Action Agenda (Pope's Mother Earth Plan)
4. Net Zero Carbon Cities - An Integrated Approach - Think A Big Green Deal
5. Natural Climate Solutions - Paris Climate Agreement (Pope 7 Year Mother Earth Plan)
6. Transform Leaders Program - The Great Reset
7. 2030 Water Resources Group
8. New Vision for Social Justice and Sustainability - The Great Reset
9. Net Zero Challenge to reshape the way companies think - The Great Reset
10. Food Innovation Hubs - How to get people to eat things that aren't really meat (you know what that really means - think Bill Gates lab grown meat)
11. Getting to Zero Coalition - The Great Reset
12. Friends of Ocean Action - Pope's 7 Year Mother Earth Plan
13. Food Action Alliance - The Great Reset
14. Food Systems Initiative - The Great Reset
15. Science-Based Targets for the Global Environment - The Pope's 7 Year Mother Earth Plan - Yes, folks, science, not God.

- 16. Loop - Establishing new models of consumption - The Great Reset
- 17. Circular Economy and Material Value Chains - The Great Reset

Let me summarize this for you: The 2030 Agenda for Sustainable Development sets out a 17 Global Goals (SDGs) to facilitate equal, sustainable and inclusive growth across the world, while promoting peace (remember the Pope's 7 Year Plan here). Yet, progress towards delivering many of these Goals is far off track, and in some areas, progress is going backward. Intro The Great Reset.

Remember how many times I have said this isn't about a vaccine or a pandemic because it's not. It's about getting their agenda back on track just as Klaus Schwab has stated in his book *'The Great Reset.'*

Just days ago the United Nations has declared war on conspiracy theories, describing the rise of conspiracy thinking as "worrying and dangerous", and providing the public with a toolkit to "prebunk" and "debunk" anybody who dares to suggest that world governments are anything but completely honest, upstanding and transparent.

The UN also warns that George Soros, the Rothschild's and the State of Israel must not be linked to any *"alleged conspiracies."* Get real! They are conspiracy FACTS! The UN arrogance belies their hypocrisy and dishonesty they care about people!

UNESCO has teamed up with **Twitter, the European Commission and the World Jewish Congress** to launch their campaign dubbed #ThinkBeforeSharing: Stop the spread of conspiracy theories.

The UN wants you to know that events are NOT *"secretly manipulated behind the scenes by powerful forces with negative intent"* and if you encounter anybody who thinks the global elite are conspiring to consolidate power and dictate global events, you must take action.

According to UNESCO, "if you are certain you have encountered a conspiracy theory" on the internet then you must "react" immediately post a relevant link to a "fact-checking website" in the comments. This is over the top bovine excrement!

(Never mind the fact that "fact checkers" are mostly untrained and unqualified hacks performing "fact checks" from the comfort of their bedroom in between posting far-left political content on personal blogs and getting high.)

It doesn't end here folks, as the UN also is on board with this with their own 17-step plan:

Sustainable Development Goals

Goal 1. End poverty in all its forms everywhere

Goal 2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Goal 3. Ensure healthy lives and promote well-being for all at all ages

Goal 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Goal 5. Achieve gender equality and empower all women and girls

Goal 6. Ensure availability and sustainable management of water and sanitation for all

Goal 7. Ensure access to affordable, reliable, sustainable and modern energy for all

Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Goal 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Goal 10. Reduce inequality within and among countries

Goal 11. Make cities and human settlements inclusive, safe, resilient and sustainable

Goal 12. Ensure sustainable consumption and production patterns

Goal 13. Take urgent action to combat climate change and its impacts*

Goal 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development

Goal 15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss

Goal 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

Goal 17. Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

Do you see how everyone is on the same sheet of music here? This isn't just what I showed you here either, it goes down to the State level within the United States and nearly every country around the world is doing the same thing. The 17 steps all tie to either The Great Reset or to the Popes 7 Year Plan. Hundreds of large and small communities across the U.S. have signed on to the UN plan.

THE UNITED NATIONS WILL IMPLEMENT AND STRENGTHEN (CONFIRM) AGENDA 2030, WITH JUST 7 YEARS TO ATTAIN THEIR 17 GOALS, ON SEPTEMBER 26, 2022, WITH A WAR-LIKE FOOTING AND MEDIA TAKEOVER TO FOLLOW, INITIATED BY GATES' GOALKEEPERS UPON ALL NATIONS AT THE LEGAL TREATY CEREMONY ON THE WORLD ENVIRONMENTAL HEALTH DAY ON JUNE 5, 2022, AT THE SAME TIME AS ROSH HASHANAH (AKA FEAST OF TRUMPETS) IS CELEBRATED IN ISRAEL.

Daniel 9:27 *"Then he shall confirm a covenant with many for one week; But in the middle of the week He shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate, Even until the consummation, which is determined, Is poured out on the desolate."*

One week = 7 years. Rosh Hashanah is the Jewish New Year... It is also the Biblical New Year?

Rosh Hashanah begins September 25, 2022, at sundown and concludes at Sundown on September 27, 2022.

This means, that biblically speaking 2023 begins at this same time on the Biblical calendar... 2023 to 2030 is 7 years. Daniel's prophecy speaks of 70 years... **There is one week of sevens left to be fulfilled...** that being the 70th week (which is 7 years in length)... This is very thought provoking! This would mean that the Church Age will conclude at this time or just before the start of Daniel's 70th week and God would again turn His attention back to the nation of Israel... It also means the Rapture would take place at the close of the Church Age of Grace.... This event would occur just prior to the start of Daniel's 70th week. **Today, August 8th, 2022 is exactly 49 days until Rosh HaShanah / Feast of Trumpets on September 26th, 2022!**

Both Mark Biltz of El Shadi Ministries and C.J. Lovik publisher of *'The Living Word Books'* have confirmed that Rosh HaShanah next month also begins a Shemitah Year, beginning a "Seven" year cycle.

Here is Robert Breaker who explains Daniel's 70th Week. His video is about an hour in length. Robert Breaker was a Baptist missionary in Central America and lives in Florida. His Internet ministry is accessible at "*The Cloud Church.com*" and below is the link to his video lesson on Daniel's 70th Week. If you do not understand it all be sure to watch: [Daniel's 70th Week](#)

Watching Robert Breaker's video will help your conceptualizing the 70th Week of Daniel's prophecy of Daniel 9:24-27. The late Dr. Chuck Missler often said this was the most important prophecy for our time, and I would concur with that opinion.

Some have asserted that because the Church is NOT to be looking for the Antichrist, but for Christ at the Rapture, therefore there must be a gap between the two events. It sounds "spiritual" to be so focused on Christ that we neglect the Antichrist but it has not one supporting verse of Scripture. It is pseudo spirituality. When we are "*watching*" for Christ we will "*see the day approaching*" -(Hebrews 10:25). We will observe the signs of the times unfolding right before our eyes in living color.

But how do we "*see the day approaching*" if we are not looking at Israel and her 1948 return in unbelief; the revival of the Roman Empire under the banner of the EU; the rise of "*the kings of the east*"; "*seducing spirits and doctrines of devils*" in the charismatic churches; global homosexual activity like the days of Lot and violence as in the days of Noah!!!! We long for the Heavenly Bridegroom but it is all the signs surrounding Israel that tell us He is near!! God's time piece is Israel. Events surrounding Israel are signs of the Lord's Rapture or deliverance of the church and His Second Coming in Judgment.

But many ask why a gap between the Rapture and the 70th week? Wherever did this idea come from? It is not in the Bible. One writer thinks the Russian invasion must occur between the Rapture and the 70th week because he doesn't think there's enough time in the 1st half of the Tribulation for Russia to invade. There is plenty of time! "*A short work will the Lord make upon the earth!!!*" -(Romans 9:28) The Tribulation is a series of events that must "shortly" – quickly /speedily/come to pass.

To suggest a gap between the Rapture and the 70th week is prophecy by human reasoning instead of Scripture. This is not to say the Rapture could not occur between today and Rosh HaShanah but Jesus never revealed specifics to help us conclude that, and for probably very good reasons. Prophecy in the Bible is actually history told in advance, a means by which God proves that it is He who told us of the hundreds of events that have and will take place from His Resurrection and His Second Coming in the Bible written over several thousands of years ago.

Israel gets converted to Christ at the time of the Russian invasion -(Ezekiel 39:22), so does Israel get saved BEFORE the 70th week? Impossible! This is not to say there are not Jewish believers, there are many but they are in the minority at this point in time.

Just think of the problems such a gap will introduce. If the Church is taken away some years before the 70th Week of Daniel, How do people get saved between the two events? Israel won't be preaching the Gospel of the Kingdom. The 2 witnesses only preach 1,260 days and the 144,000 witnesses are the "first fruits" of Israel -(Revelation 14:4) in the 1st half of the 7 years. They can't be part of the Church because we will be gone! And they can't be part of Israel – the 70th Week will not have started. During the Tribulation ALL the saved Gentile "sheep" support Israel (Matthew 25:40). Such "converts" would be neither Church or Israel. But there is NEVER a time when sinners can't be saved!

The fact is that the "one taken (to heaven) and the other left (for Tribulation)" is just one of the signs given to ISRAEL for the Olivet discourse is to ISRAEL. It signals the 70th Week – all of it.

The Church did not exist when Jesus gave the Olivet Discourse. The Lord did NOT SAY it was the Church that was "taken" (Received to Himself) but He said that globally, Israel will see millions disappear at the same time as a future Roman prince makes a 7 year covenant with Israel. We know it is the Church that is "taken" because we have Paul's Epistles. And we have Scripture to prove it.

In 2nd Thessalonians 2:3, two things trigger the Tribulation:

- The Departure (wrongly translated, "a falling away") (Dr. Andy Woods has a fantastic book on the Departure entitled, 'The Falling Away, Spiritual departure or physical Rapture?') and,
- The man of sin is revealed.

Not just ONE sign of "the man of sin" revealed but TWO specific events happening at the SAME TIME.

Paul confirms this in 2nd Thessalonians 2:8 when he said the Restrainer will be "taken out of the way and THEN shall that Wicked one be revealed". Not years later, or months later, but THEN. The Greek is "tote" and means "at the same time." When this restraining influence is removed, the Antichrist, that wicked or lawless one, will immediately be revealed.

So two signs will happen at the precise same time to trigger the 70th Week and the seal judgments. When the Church is caught up the first thing we see is the Lord Jesus receiving the book and opening the seals. The seals are broken immediately after the Rapture. **THERE IS NO GAP!** The impact of these two signs occurring at the same time will shock the 144,000 Jewish men into believing in Jesus Christ and into beginning their ministry of preaching the Gospel of the Kingdom to all nations in the entire world.

I hope you are getting what I am saying here. This is profound and has been lost by so many scholars and teachers of the Bible. We could be Raptured any day but the nuances of the Greek actually teach something totally different. It is saying that it will be the signing event by the Prince (aka Prince Charles of Wales) on that precise date when we are Raptured out of this world. The signing ceremony is scheduled to take place on September 26th, 2022, also known as Rosh HaShanah or the Feast of Trumpets.

In the New Testament the word is used in two primary fashions: First, **tote** has a simple meaning of “then, at that time,” usually with a past meaning (*Bauer*). Matthew 4:17 says, “**From that time (apo tote) Jesus began to preach.**” In 2nd Peter 3:6 **ho tote kosmos** is translated “**the world that then was.**” It stands in contrast to “**arti**,” “right now,” in 1st Corinthians 13:12 where it has a future connotation: “**For now we see through a glass, darkly, but then face to face: now I know in part; but then shall I know even as also I am known.**” **Tote** is also used not specifically related to chronological time but to a period characterized by a state: “**When I am weak, then am I strong**” (2nd Corinthians 12:10).

Secondly, **tote** is used as a simple consecutive conjunction that indicates the general period in which events occurred without reference to a specific time or sequence (cf. *Bauer*). For example, Matthew 2:7 states: “**Then Herod, when he had privily called the wise men, inquired of them diligently what time the star appeared.**” The order of the clauses can be reversed, as in 1st Thessalonians 5:3: “**For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.**” **Tote** is used with other temporal particles, but it retains its more general meaning in these cases (see *Bauer*).

Of the **2,168X** times **tote** is found in the King James Bible, it is found ALWAYS in the same form or meaning. There is no alternative forms and the issue is closed!

The holy day of the Feast of Trumpets was celebrated at the beginning of the month of Tishri, the first month of the civil year. It received its name from the fact that the trumpets usually blown at the commencement of each month were on that occasion

blown with unusual solemnity -(Numbers 10:10; 29:1-6). It was one of the 7 days of holy convocation. The special design of this feast, which is described in these verses, is not known. Today, Jews call this day Rosh HaShanah (Head of the Year).

Again the Lord spoke to Moses, saying, ***“Speak to the sons of Israel, saying, ‘In the seventh month on the first of the month you shall have a rest [literally: Sabbath rest], a reminder by blowing of trumpets, a holy convocation. You shall not do any laborious work, but you shall present an offering by fire to the Lord.’”*** — Leviticus 23:23-25 NASB

We are now living in times that are growing more and more like the days of Noah - (Genesis 6:5).

Wickedness, violence, unspeakable depravity and murder abound in today’s society.

In Noah’s day God poured out His judgement on a depraved world, but a way of escape was provided for those that trusted the Lord.

Unfortunately today much of the world continues on, ignoring the existence of God and the reality of another worldwide judgement that may soon be upon us.

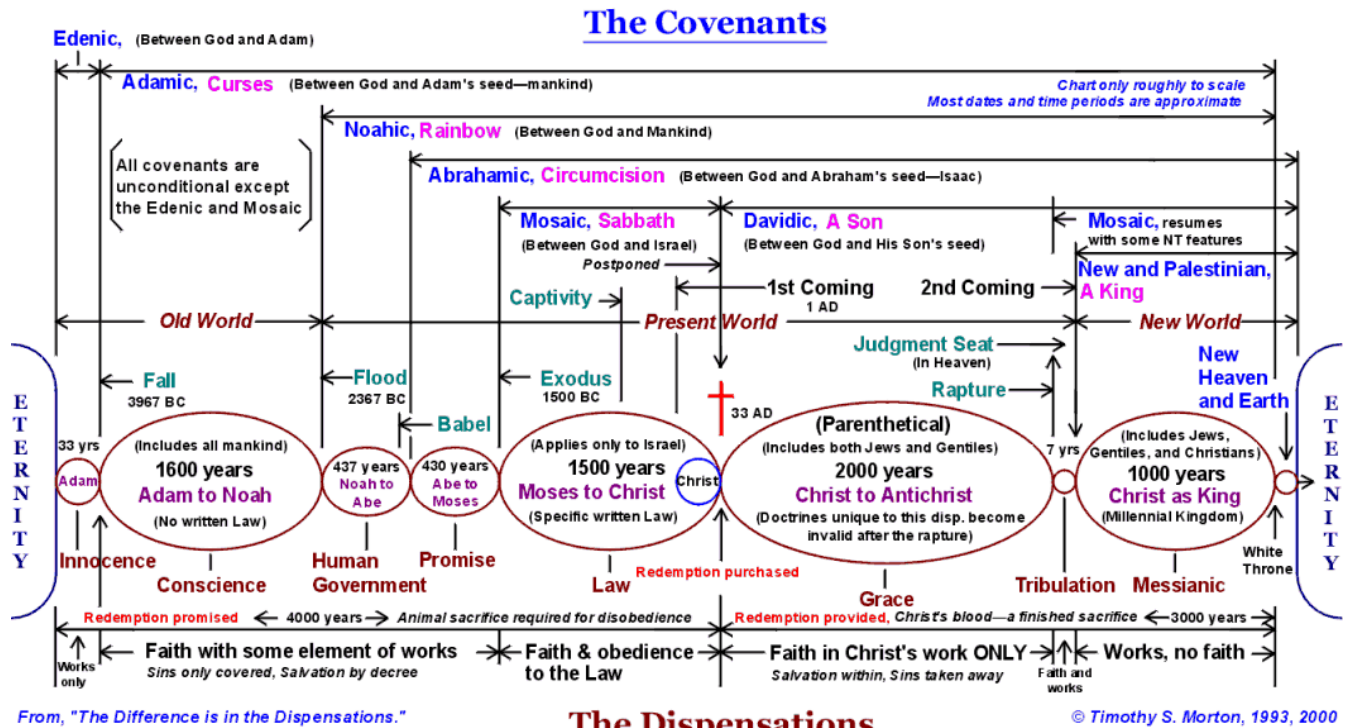

True Christians that have trusted Jesus Christ alone, for their salvation will be removed at the RAPTURE of the Church. Jesus Christ will return to the clouds and remove His people to HEAVEN at the rapture.

Will you be raptured or left behind?

“For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words.” -(1st Thessalonians 4:16-18)

To reiterate, do follow what I have said with understanding by watching Robert Breaker’s video link above as it integrates the many detail connections with his video chart drawing. Some of you may be completely new to what this Blessed Hope #118 is all about and it is easy for someone like myself who has been focused on this topic for 57 years to miss or forget a point or two or overlook a key detail. Rosh HaShanah contains 12 idioms or idiomatic expression that support the contentions I have pointed out relative to the word ***“tote”***. I have written about them many times in previous articles.

The events of the present or recent past few years is all about control and about telling you how to think. The ultimate plan, again, takes you straight into the Beast System of Revelation 13.

The key point to these date periods is that Daniel's 70th Week -(Daniel 9:27) is a 7-year timeframe that has not yet happened. Based on historical timing, Daniel's seven years will likely correspond to a Shemitah cycle as God brings closure or fullness to His promises, declarations, and judgments to Israel. The possibility also exists that Daniel's 70th Week could also correspond to the final Shemitah prior to the Jubilee. If this is the case, it may be possible to determine with a high degree of confidence when the Tribulation begins. In fact, the subsequent Jubilee could correlate with the beginning of the Millennial Reign of Christ.

Consider the 6,000 year historical background associated with Tishri 1 and 2. Note the many references of forgiveness, deliverance, freedom, and as well, judgment!

Pastor J.D. Farag recently made an insightful statement, he said these prophetic signs have a shelf life. With all the factors that make a prophecy relevant today, it is unlikely they will remain static and still be applicable – say – in ten years.

We can also liken Bible prophecy to the stretching of a rubber band. It can only stretch so far before it breaks. Something has to happen. Given this reality, a 50-year hiatus until the next potential time for the Tribulation and subsequent Jubilee with similar converging events seems improbable.

The Jewish year of 5782, which is (overlapping) our years 2021-2022, and it is the seventh year of the Shemitah cycle, i.e., we're currently in a Shemitah year. (According to Mark Blitz in his video, Shemitah years on the Jewish calendar are evenly divisible by seven.). The very same date correlates with what Jonathan Cahn wrote in his 2014 book *'The Mystery of the Shemitah'*.

Another key aspect Mark Biltz notes about these 7-year cycles is that every fifty years, is the year of Jubilee. This fiftieth year was a Sabbath of the Sabbaths where everything and everyone in the land were redeemed. Mark Biltz's video link is titled *"The Lord's Soon Return."* It is 1 hr. 1 minute 37 seconds in length. The link is [Videos of The Lords Soon Return Mark Biltz](#)

You might be attentive to the news during the coming weeks about Mr. "Sustainable Development". Few people believe this man is the False Messiah or the Antichrist of the books of Daniel and Revelation. What this man has to say and does over the

coming weeks will confirm what is written about him by Tim Cohen, author of *'The Antichrist and a Cup of Tea'*. The stage is set for this man to step out before the world and declare that he will save you and the planet with his "Sustainable Development!" He is a liar and the Bible describes him by 33 titles and pseudonyms'.

The Antichrist is about to reveal himself. His picture is a familiar one above. He is 73 years of age and he also has a "shelf life" as well. He knows it and we know it so he must make his move PDQ!

All the signs of the last days are converging simultaneously or about the same time. Bible Prophecy is happening right before our eyes and like birth pains, the predicted events are happening more frequently and more intensely. Never, in the history throughout the world have so many forces, including economic, scientific, techno-logic, ecologic, cultural, geopolitical, moral, spiritual and religion, converged together to bring this world that's already teetering over the edge of the abyss, to a point of no return. Jesus said ***"when you see all these signs happening, know that I am near, even at the door."***

Prince Charles is Sovereign leader of the Masonic Order of the Garter. Founded in 1348 by King Edward III, the Order of the Garter is said to be inspired by King Arthur and the Knights of the Round Table. **Queen Elizabeth** currently serves as the Sovereign of the Garter, and is responsible for appointing new Knights to the Order. Prince Charles acts on behalf of his mother the Queen, and her shelf life is about done! She was 95 years of age as of April 21st this year.

Church to take the Gospel message out to the whole world. It was paganism that shrouded its procedures in secrecy.

Masonic members are fully aware that Freemasonry is just a modern mutation of the ancient mysteries. The Lodge shares most of its rituals, oral tradition and symbolism with the occult world. The fact that its religious practices and teaching are strictly hidden from outside scrutiny is testimony, in the eyes of most Christians, to the bogus nature of its religious ceremonies. Freemasonry must of necessity protect its dark degrading procedures from outside scrutiny.

Christians object to Freemasonry's treatment of Jesus Christ. He is reduced to a mere moral leader that is no different to the many leaders of all other religions. In stark contrast to Christianity, the fictional character Hiram Abiff and his pretended life, death and resurrection is central to Freemasonry theology. Christians hold that this nullifies the teaching of the Bible and undermines the preeminent position Christ holds as man's Saviour and Lord. This fantasy figure is continually presented as a fitting model and constant example of how Freemasons should conduct themselves. A ceremonial new birth experience that Masons are said to undergo is said to be based on the mythical life, death and resurrection of Hiram Abiff! This whole imaginative sham makes a mockery of Christ and His impeccable life, His atoning death and victorious resurrection. Instead of identifying exclusively with Christ, Hiram is pushed to the fore as a preferred prototype. Christians reject this mythical invention.

Christians object to how Freemasonry presents salvation. It is sold as a gradual process of spiritual enlightenment. It is portrayed as being attained by ascending through the Masonic degree system. According to Freemasonry, salvation is found within the confines of the Lodge, not in Jesus Christ. All outside of the Lodge are considered blind and ignorant. This is taught throughout their degrees. Renowned Masonic writer Albert Mackey states, *"The Master Mason represents a man saved from the grave of iniquity, and raised to the faith of salvation"* (Manual of the Lodge). The Lodge present Hiram and his fabled death, burial and resurrection as a powerful illustration of man's salvation. Christians hold to the Biblical concept that salvation is found exclusively in Jesus Christ and His atoning death on the cross. Acts 4:12 says: **"Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."**

Bible-believing Christians therefore reject Freemasonry as pagan, anti-Christian and spurious.

Freemasonry is errantly so quick to claim scriptural support for its practices and teaching. Freemasonry is built upon secrecy, a practice which Jesus considered anathema to God and Biblical Truth. Keeping secrets of one type is always wrong: trying to hide sin. **"He who conceals his sins does not prosper, but whoever confesses and renounces them finds mercy"** -(Proverbs 28:13). When it comes to our sin, God wants full disclosure, and He grants full forgiveness -(Isaiah 1:18).

Freemasonry has a secret doctrine as a prerequisite to the 30th Degree and higher, and it is the act of Sodomy! The Mason's road to salvation is the sexual violation of children! You will find that same doctrine is practiced in Jesuit Roman Catholicism. It is found on page 500 of *'Codeword Barbelon'* by P.D. Stuart!

Furthermore as to the evils of Freemasonry is the fact that in the 19th degree of the Scottish Rites and Rituals of Freemasonry, the fact is revealed that the Masons worship Lucifer and not Adoni or "Lord". The Bible contains the word Adoni 195X times and in all but two references it is preceded by the pronoun "My" for My Lord. The Jesuits infiltrated Freemasonry over two hundred years ago. Archbishop Carlo Maria Viganò revealed this fact some while back. As the illustration on page 17 shows, Freemasonry and Satanic Jesuit Roman Catholicism are the opponents of Jesus Christ and all His followers.

Make no mistake about the Prince of Daniel 9:27 (aka Prince Charles of Wales is the anti-messiah or the Biblical Antichrist.

In the latest installment of his ongoing *"Moynihan Letters"*, Dr. Robert Moynihan, founder and editor-in-chief of *'Inside the Vatican'* magazine, has divulged further details from his recent conversations with Archbishop Carlo Maria Viganò, including comments from the former apostolic nuncio on *"the creation...of freemasonry"* and related efforts *"to infiltrate in some way into the Church,"* the liberal hijacking of Vatican II during its opening session, and the state of the Jesuit Order in the United States – a topic which Viganò now claims Pope Francis broached during their infamous June 23, 2013 private meeting (detailed in Viganò initial testimony).

"Archbishop Carlo Maria Viganò: In one of your recent letters concerning me (link), you mentioned that the present pontificate, with a member of the Jesuit order as Pope, represents the achievement of a plan dating back 60 years.

Some of your readers wrote to comment that there were many more than 60 years leading up to this, going back to the early decades of the 20th century, to Jesuit thinkers like Pierre Teilhard de Chardin and Karl Rahner, and also even earlier, to the time of the French Revolution in 1789."

"So not just 60 years, but more than 200 years."

[Moynihan] How would you respond to this objection?

Viganò: *"I agree fully. Certainly it is a project, if you will, that goes back centuries, in particular, to the creation in the middle of the 1700s of freemasonry."*

*"But of course this project was very deceptive, and oriented, or even included in some way, the forces of some members of the Church. So this process was able to infiltrate in some way into the Church. This is described in the book *Infiltration* by Dr. Taylor Marshall, so you may find some indication of this process there."*

We are closing in on the final days of the Church Age and so my dear friends and readers, your last opportunity to escape the clutches of hell on earth of Lucifer's dominion is less than fifty days away. One has but two choices at this fork in the road. It is your choice to make. May it be the right one for you!
