

# The Blessed Hope!

***“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)***

*Diamond & Nugget #119*

I trust that you were able to understand Blessed Hope #118 and what all I was sharing in the latest segment. By far the most important point is that the Rapture will be on September 26, 2022. This is the date of Rosh HaShanah, i.e., Feast of Trumpets. I have provided the background data of what all will be taking place on that date as well. Key is the fact that Prince Charles of Wales will sign the Covenant with the many, of Daniel 9:27 on Tuesday, September 26, 2022. If I did not get your attention perhaps what I am about to share will jar your memory about what else the Bible has to say about a “Cashless” economy!

It was reported today on August 10<sup>th</sup>, 2022 that the president’s stand-in has made a decision that is directly relative to our departure.

Illegal president Joe Biden or his doppelganger is planning to ‘*protect*’ us from cash – beginning Dec. 13, 2022!

**Exclusive: Joseph Farah warns of executive order that establishes 'Bitcoin's evil cousin'**

Some of America's smartest men, including Robert Kiyosaki, investment guru and author of the personal finance book ‘*Rich Dad, Poor Dad*,’ have some choice words for Executive Order #14067.

It would behoove you to listen to them.

Kiyosaki called President Joe Biden's signed executive order ["the most treasonous act in U.S. history"](#) and the creation of Central Bank Digital Currencies, or CBDC, as “*communism in its purest form*,” encouraging Americans to “*stay awake*.”

He is joined by Jim Rickards, another economist, investor and former CIA official who is calling it a step toward the end of cash, the greenback, in circulation since the founding

fathers. The new "digital tokens" can be "turned off" if the government doesn't like what you are doing. Rickards has four decades of experience on Wall Street.

Rickards criticized CBDC and labeled it as "Bitcoin's Evil Cousin." He also exposed the supposed singular event called C-Day, which according to him, will take place on December 13, 2022, and will disrupt the traditional financial systems in the U.S.

He said when what he calls "[C-Day](#)" happens, paper money would be worthless and the U.S. dollar would crash. He further added that consumer spending and access to basic needs would also be restricted, and people holding too much money would be penalized.

Executive Order #14067, titled "[Ensuring Responsible Development of Digital Assets](#)," includes developing policy plans and the organization of federal regulators. *"Any future dollar payment system should be designed in a way that is consistent with United States priorities ... and democratic values, including privacy protections, and that ensures the global financial system has appropriate transparency connectivity, and platform and architecture interoperability or transferability, as appropriate."*

The International Monetary Fund said in a blog released last month that CBDCs can be a more effective solution compared to credit and debit cards, particularly in terms of energy efficiency.

*"Depending on the specific details of how they are configured, CBDCs and some kinds of crypto assets can be more energy-efficient than much of the current payment landscape, including credit and debit cards,"* the blog read.

Is the elimination of cash part of the inability to buy or sell unless you have the 'Mark of the Beast'? I have addressed this in previous articles on Bill Gates ID2020 plan that is built around a "Block chain" system that incorporates a person's personal, medical, and financial data. That was also an integral part of one's taking the "Mark" of the Beast, via the so-called Vaxx "Gene" Therapy. If you got the first vaxx, you are ready for the final phase that comes with the microneedle patch array. These elements have been in process and Beta-testing or fine-tuning since mid-2015. I have written extensively on this. If this is all news to you, you are way behind the learning curve of the coming Antichrist System.

[Notes Rickards](#), *"Thanks to Section 4 of Biden's Executive Order 14067, calling for urgent research into developing the digital dollar, I believe the U.S. dollar, the standard of the world since 1792 ... will be REPLACED by a new currency, the digital dollar."*

*"I call the digital dollar 'Biden Bucks' because I want him to take full credit for what I consider to be crimes," says Rickards. "This is not like the money in your online bank account ... No, this is new and different. Every digital dollar will be a programmable token, like bitcoin or other cryptocurrencies. But there's a big difference ... Cryptocurrencies are decentralized digital currencies. Instead, if it plays out the way I*

*see it ... Biden Bucks will have the full backing of the U.S. Federal Reserve. They will REPLACE the cash ('fiat') dollar we have now. And will soon be the sole, MANDATORY currency of the United States."*

Kiyosaki agrees. But in this climate of fear Biden is creating – over the possibility of Donald Trump making a comeback – he has the Fed in his corner.

*"When Biden Bucks are rolled out, many experts – myself included, believe they will begin an era of total government control and surveillance," Rickards stated. "This is not hyperbole. This would dramatically expand the power and influence of the federal government ... essentially acting as a new type of 'spyware.' With Biden Bucks, the government will be able to force you to comply with its agenda. Because if you don't, they could turn off your money. This won't be like freezing a bank account, it will be so much easier."*

Just think what this will mean if Biden gets his way – or whoever is behind this plot.

You want to keep your internal combustion engine car? Your digital dollars suddenly won't pay for gas. You'll be forced to buy an electric vehicle.

Rickards calls it *"the tip of the fascist iceberg."*

*"America would become a surveillance state like China or North Korea," he says.*

Is this scare talk? No, it's just Executive Order #14067. Biden signed it March 09, 2022 – *"By the authority vested in me as President by the Constitution and the laws of the United States of America."* Look it up!

*Do not expect the Congress to overturn this Executive Order, they will do nothing but run their mouth and make noise. Why so? They are all in the pockets of the House of Rothschild, and the Antichrist himself, Prince Charles of Wales. This Blessed Hope is deliberately being kept short so as to get your full attention. If you did not read Blessed Hope #118, go to my web page [www.pastorbobreid.com](http://www.pastorbobreid.com) and pull up the article. It may be just below what I posted earlier today.*

I did not take time to address the FBI raid upon former President Donald J. Trump's estate in Palm Beach. The country has been taken over by the communist form of Prince Charles "Sustainable Development". You cannot do anything about it and most of the politicians are blackmailed, bribed, or bought off to vote the end of the U.S. Constitution. We are now a banana republic at this point, but even worse, we are a captive state of the Antichrist system and most people did not see it coming. As many have said, if the FBI can raid the palatial estate of former President Trump, think about what they can do to you and your family! The fake in the White House budgeted for thousands more IRS Special Agents, who by the way carry a 9mm Glock on the job! Recently the IRS purchased several hundred thousand rounds of 9mm ammunition!

More surely to come, look for things to begin to unravel like a cheap Thai suit! When I posted Blessed Hope #118, I did not expect to have much more to share for a week or two, how wrong I was!

We are closing in on the final days of the Church Age and so my dear friends and readers, your last opportunity to escape the clutches of hell on earth of Lucifer's dominion is less than forty-seven days away. One has but two choices at this fork in the road. It is your choice to make. May it be the right one for you!

**THE ABC'S OF SALVATION**

**ADMIT**  
Admit you are a sinner and have made mistakes.

**BELIEVE**  
Believe that Jesus is God's Son, died on the Cross for you, and rose up from the grave on the third day.

**CONFESS**  
Confess Jesus as the Lord of your life. And commit yourself to a life of following Jesus, and serving others.
