

# The Blessed Hope!

**“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)**

*Diamond & Nugget #146*

## **ROTHSCHILD: GLOBAL ORDER DEAD ON ITS FEET IF UKRAINE IS NOT WON**

**Is it just an internet meme or did Nathaniel Rothschild really surrender?**

The above headline came late on Wednesday afternoon from the investigative people at American Intelligence Media. Michael McKibben and his company Leader Technology, based in Columbus, Ohio are the true owners of Facebook, which was stolen from his company back in the days of President William Clinton. It was stolen by “Slick” William Clinton’s in 1994 or there about.

Michael McKibben has a \$1-trillion dollar legal suit against the U.S. Government for theft of proprietary intellectual property. That law suit has been delayed for years by the government Department of Justice. Michael McKibben and his company possess and own the original “source code”, which those behind Facebook never had possession of, this important proof of ownership. “Source code” is basically the converted instructions to “machine language” software, which is the proof of the programming for which the social media platform the world knows as Facebook. The “miners” at Leader Technology are “computer programming software engineers” who were deceived by President Clinton’s lawyer on computer technology. They have been engaged in investigative work and exposing the world elite, in this case is the House of Rothschild.

The news related to the below meme shot contains an hour long discussion by Michael McKibben, Douglas Gabriel, and Douglas Gabriel’s wife. This captured Rothschild email is an indictment of what the House of Rothschild are engaged in destroying the global economy in order to gain control by a one-world-government. This is a confirmation of everything I have been saying for decades. The House of Rothschild financial dynasty has been provoking a war between Russia and the U.S.; but they have failed so far in provoking a war between China and the U.S. The Rothschild’s are not alone in this. The Rothschild’s have been the “Fiduciary Agents” for the Vatican since 1820.

152 KB JPG

>Heir to the Rothschild family, Nathaniel Rothschild, today wrote to members of the British government, giving his view that Vladimir Putin is "the most dangerous man since the defeat of Hitler, with Xi Jinping a close second," and explained that,

"Ukraine is an essential piece that we cannot afford to lose, in the geopolitical chessboard." The heir to the Rothschild fortune argued that, "Russia must be excised from the international banking and economic system. We must bring Russia to its knees through any means possible, to send a strong signal to the Chinese and to protect our global system of norms and liberal values."

>"We must be under no illusions: if we allow Vladimir Putin to seize Ukraine, it will send a signal to our enemies, Iran, China and North Korea especially, that we will do nothing when faced with an onslaught of force.

>In effect, our current path, of lack of military action, means that our global order is dead on its feet. I urge you to deploy more force against Russia and its proxies, step up "information warfare" to correct opinion, especially online, and send weaponry to our friends in Ukraine. Without Ukraine, the global order may not survive.

A “Fiduciary Agent” is a person or business who is responsible for another person or business’s assets. Unlike other financial advisers, fiduciary agents have a legal responsibility to act in the best interests of their clients.

Lawyers, accountants, bankers, trustees, and stockbrokers can all be fiduciaries. The Vatican does not have a military of their own, but through their crime syndicate cabal with the Rothschild’s they have been creating wars since the days of Napoleon. The House of Rothschild does not lend to little people; you would have to have at least a million dollars to create an account with the financial dynasty.

The Rothschild’s have been lenders to sovereign states, nations. They loan money to start wars and then loan money to those same parties to war in order to pay for reconstruction of what was destroyed in kinetic wars of opposition nation states. For more than 2 centuries, the House of Rothschild have led a global agenda of replacing central banks of sovereign countries with one of the Rothschild’ central banks, i.e., the U.S. Federal Reserve signed into law on the eve of Christmas, 1913. President Woodrow Wilson on his deathbed acknowledged that he had sold his country into slavery.

The Vatican and the Rothschild’s goal serve mutual interests: wealth and power. I have shared much about both in many articles. This statement by Nathan (Nate) Rothschild is a confession of the global crimes against humanity. Pictured below is the present head of the banking operations of N.M. Rothschild & Sons.

This man is goading the EU community and NATO to destroy Russia through the use of Ukraine as a client state. Ukraine president Zelensky has taunted U.S. leadership to get into the fight by providing them U.S. military manpower. **The big picture here is composed of two competing elements for global control: The Vatican and Khazarian Zionists; but each is dominated by Jesuit Freemasonry being played against each other.**

A few days ago, on February 27, 2023, State of the Nation posted the following report on the very issue. Make no mistake about it. **Pay very close attention to what is stated and how this is likely going to lead the world into World War III.**

The current conflict between the U.S. and Russia is due to one simple reason: the Ashkenazim, also known as Ashkenazi Jews. They have many scores to settle with Russia.

### **REVENGE 1**

Allow us to forward a bit of chronological tables as we delve into the nitty-gritty behind the conflict.

The [Ashkenazim](#) are the descendants of [the Gentile \(Goy\)](#) Ashkenaz, the Japhetite.

***“The sons of Japheth were Gomer, Javan... The sons of Gomer: Ashkenaz, Riphath, and Togarmah.” Genesis 10:2,3***

***“By these were the isles of the Gentiles divided in their lands.” Genesis 10:5***

They are a resilient, **roaming** Turkic people. They have a knack for reinventing themselves. They first surfaced in world annals as the notoriously barbaric Scythians or Sakadeans, depending on regional phonetic.

***“Here there is no Gentile or Judahite, circumcised or uncircumcised, barbarian, Scythian, slave or free, but Christ is all, and is in all.” Colossians 3: 11***

The word [Scythian](#) or Sakadean comes from the word Saka – with its Iranian verbal root Sak, meaning **to roam**. The Iranian Empire, then named Parthia and abutting Scythia, influenced that word.

The Scythians settled Central Eurasia which they conquered with their Gentile brother Togarmath and various other cousins, expanding across a vast track of land that encompassed but was not limited to parts of present-day Turkey and Iran. Their Gentile brother Riphath along with their uncle Javan’s descendants settled in Greece.

Later on, they reinvented themselves and settled a land they would call Khazaria – from the word Qasar, with its Turkic root Qaz, meaning to roam – following the break-up of the western Turkish Steppe Empire. Then the country converted en masse to Judaism/Pharisaism, sometime between 740 and 920 AD, just so they could remain

independent of the two competing empires of that time, Christianity and Islam.

*“Judaism was the most actively proselytizing religion,”* explained Jewish historian Shlomo Sand. *“The most significant mass conversion occurred in the 8th century, in the massive Khazar kingdom between the Black and Caspian seas.”*

Then, Sviatoslav I of Kiev destroyed Khazaria around 1048 and absorbed it into Kievan Rus', a territory that would later become part of the Russian Empire.

In Imperial Russia, the Ashkenazim were kept under tight control and enclosed in the Pale of Settlement, which, according to Wikipedia, *“was a western region of the Russian Empire with varying borders that existed from 1791 to 1917 where permanent residency by Jews was allowed and beyond which Jewish residency, permanent or temporary, was mostly forbidden.”*

A treatment for which the Ashkenazim – aka the *“Never Forget, Never Forgive”* people, except for when they themselves commit crimes against humanity – never exculpated Russia.

**Khazar Ashkenazi Jews 1878**

Biding their time, they nurtured their hatred and plotted their revenge along with a new reinvention. They became the power behind the heinous Bolsheviks who took over the Russian government in the 1910s, killed 66 million Christians, including 200,000 members of the Christian clergy, and destroyed 40,000 churches.

**Solzhenitsyn with Putin**

*“You must understand, the leading Bolsheviks who took over Russia were not Russians,”* revealed famed Christian Russian writer Alexandr Solzhenitsyn. *“They hated*

*Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of the perpetrators.”*

The great majority of these vicious Bolsheviks were Ashkenazi Jews such as Vladimir Lenin, Leon Trotsky, Lev Kamenev, Gregory Zinoviev, Yakov Sverdlov, and Grigory Sokolnikov. They were financed by Ashkenazi bankers from New York and London, such as Rothschild Bank and Jacob Schiff of Kuhn and Loeb & Co., who themselves championed the destructive ideology of the Ashkenazi Karl Marx, and found it profitable to invest in Communism’s disastrous conquest of Russia, while making a few bucks in the process by plundering the country via well placed agents who would later be known as “oligarchs.”

Russia’s entire Soviet Empire collapsed in 1991. Thus the Ashkenazim succeeded in bringing Russia to its knees.

Revenge Round 1. Done.

## REVENGE 2

**Khazaria overlapped Ukraine & Crimea**

Today, Russia is under fire for the conflict in Ukraine. A conflict that was started by the neocon Ashkenazi Victoria Nuland in the U.S. State Department, with her neocon Ashkenazi husband Robert Kagan working in the background via powerful organizations such as Project for a New American Century, the Brookings Institution, and Council on

Foreign Relations. The Ashkenazi George Soros also contributed financially to the Ukrainian Maidan “Revolution.”

*“Many of the participants in Kiev’s ‘EuroMaidan’ demonstrations were members of Soros-funded NGOs and/or were trained by the same NGOs in the many workshops and conferences sponsored by Soros’ International Renaissance Foundation (IRF), and his various Open Society institutes and foundations,”* wrote William F. Jasper in *‘The New American’*. *“The IRF, founded and funded by Soros, boasts that it has given ‘more than any other donor organization’ to ‘democratic transformation’ of Ukraine.”*

In other words, the Ashkenazim – or the Jewish neocons – are goading the Russian bear by wagging the American dog. The dog can’t really decline because the Jewish lobby group AIPAC has it by the groin, bribing equally both the Republicans (Trump included) and the Democrats, who are nothing but political whores willing to betray their country and risk the peace of the world. And remember, AIPAC is controlled by powerful Ashkenazi-American business leaders. See *How the Ashkenazi Jews conquered the West*.

Their sole purpose is to destroy Russia once again by starting a fire in its underbelly, Ukraine. A fire they’re planning to spread into Russia proper via economic and military warfare – not unlike what they did to Germany with the economic boycott of 1933 followed by all out military conflict. Why?

1. Because Russia had the gall to rise from its still warm Ashkenazi-induced ashes.
2. Because Russia had the temerity to arrest their well-placed thieving agents known as “oligarchs,” with many fleeing the country to Apartheid Israel where they can no longer rape Russia and steal its resources for the Jewish elite.
3. Because Russia had the audacity to impede the American war on Syria, which was orchestrated by AIPAC for the benefit of Israel, a vile Apartheid country that is fleecing the American people.
4. Because, as David Sant explains, “Russia’s position as a permanent member of the UN Security Council with veto power has been a thorn in the paw of the Atlanticist beast since the Cold War. Russia’s willingness to use her military to defend allies in Syria, Ukraine, and Armenia presents an uncontrollable risk factor for (Zionist) Anglo-American hegemony. They cannot tolerate it. Russia has used her veto on the Security Council multiple times to block American warmongering.”
5. Because Russia threatens the Ashkenazi-Jewish domination of the U.S. Dollar as the World Reserve Currency and as issued by the Jewish-controlled Federal Reserve: a monopoly Russia is undoing with its unexpected global reemergence, especially in Europe, Asia, and the Middle East where trade with Russia bypasses the U.S. Dollar. Such a comeback by the Russian Bear is something the Jewish elite has been trying to impede since the dissolution of the Soviet Union. They have been relentless in their effort to keep the country down by erecting economic walls and, later under Putin, crippling sanctions to prevent such a scenario. Anuradha Chenoy explains:

*“...The United States government, as the issuer of the world’s reserve currency, is only interested in one thing: the proliferation of the US dollar. This single fact is all one needs to grasp to truly understand US foreign policy.”*

*“What does this mean in practice? It means that the U.S. government, **in collusion with the Federal Reserve**, has the ability to print the U.S. dollar at will... and can export its inflation to the rest of the nations of the world. Any nation that wishes to engage in international trade, including the purchase of commodities such as natural gas or oil, must maintain massive U.S. dollar reserves to enable its purchases.*

*“The world, in effect, acts as a sponge to absorb U.S. inflation, allowing the U.S. government to amass obscene deficits that enable a massive military budget and enrich a very small portion of the U.S. population at the expense not only of the world’s population, but also of the American working class.*

*As for any nation that wants to break free of the U.S. dollar, we know all too well what the U.S. has in store for them...This is where the Russian Federation comes in. If one really wants to understand why the U.S. establishment hates Russia under Vladimir Putin, all one must do is understand the dollar’s role in the world. Russia is a direct threat to the proliferation of the U.S. dollar.*

*“For its part, the Russian Federation has become quite resilient over the last 20 years and much less susceptible to any outside pressure or influence... Russia is a sovereign nation that is not intimidated by the United States.*

*“The United States cannot simply launch a military strike against the Russian Federation as it did in Iraq and many other nations that rejected dollar hegemony. Russia now has the power to prevent the proliferation of the U.S. dollar. To return to the sponge analogy: Russia is reducing the size of the sponge. This leaves the U.S. government with a smaller and smaller number of countries to export dollar inflation to. The smaller the sponge becomes, the more desperate U.S. foreign policy becomes, as U.S. leaders try by all means to preserve their grip on world power...”*

.... to benefit a small Jewish elite and their Apartheid country that serves as their go-to haven in case things suddenly stop going their way. Apartheid Israel doesn’t exist as a home for all Jews because of so-called global Anti-Semitism as they claim, but it is:

- a) **the protector** of the Jewish-controlled Federal Reserve – Israel’s spy agency, the Mossad, spies on American politicians and blackmails them with their dirty laundry, at the same time that AIPAC shamelessly bribes them, thereby securing Jewish dominance over the U.S. Dollar, the world’s current reserve currency;
- b) **the enforcer** tasked to destroy any country that refuses to use the Jewish-American financial system and its fiat dollar as their main venue of doing trade;
- c) **the emergent sanctuary** for Jewish elitist criminals – especially for when there’s a

real American revolution, similar to what occurred in Russia under Putin, that targets Jewish Oligarchs destroying the US economy to enrich themselves.

Therefore, because Russia is a threat to the Jewish American-Ashkenazi elite's grip on world power, it is targeted. And the following has been thrown at it:

- 1) a scorched-earth economic war against the country in order to destroy it internally;
- 2) NATO encroaching on Russia's borders, contrary to previous agreements, in order to better wage war against it in the near future;
- 3) the Jewish Ukrainian leadership and their neo-Nazi battalions committing war crimes and ethnic cleansing of Russians in Ukraine's independence-seeking Donbass region, which is inhabited mostly by Russians, in order to goad Russia into a military operation to protect fellow Russians there, then vilify it and impose more crippling economic sanctions.

Revenge Round 2. In progress.

### **REVENGE 3**

After the destruction of Khazaria, a great number of Ashkenazim scattered East and West throughout Europe and reinvented themselves as Errant Jews or Wandering Jews – meaning **Roaming** (Khazarian/Sakadean or Scythian) Jews. That label had nothing to do with a longing for Palestine but a longing for Khazaria or perhaps a longing for a new land, any new land. Here's an excerpt from Wikipedia:

*In 1903 Theodore Herzl presented the British **Uganda** Program at the Sixth Zionist Congress in Basel.*

*In the late 1930s, the British Zionist League considered a number of other places where a Jewish homeland could be established. The **Kimberley region in Australia** was considered until the Curtin government (in office: 1941–1945) rejected the possibility.*

*With the support of the then Premier of Tasmania, Robert Cosgrove (in office from 1939), Critchley Parker proposed a Jewish settlement at **Port Davey, in South West Tasmania**. Parker surveyed the area, but his death in 1942 put an end to the idea.*

*The Jewish Autonomous Oblast set up in the **Russian Far East** in 1934, represented a Soviet approach to providing a Jewish homeland.*

In the wake of World War 2, a great number reluctantly assimilated themselves throughout the Americas. However, the great majority migrated to Palestine where they created many terrorist groups such as the Irgun, the Stern gang, and Haganah. They terrorized the Palestinian population, killed thousands upon thousands, and forced hundreds of thousands out of their homes and into neighboring Arab countries. Consequently, they stole Palestine and renamed it Israel in order to reinvent themselves as Hebrews and hoodwink gullible Christians in the West.

“It is certain that there is no ethnic or racial continuum between the Biblical Israelites and the (Ashkenazic) Khazarians who lead the Jewish state,” wrote Gilad Atzmon, Jewish writer and musician.

In their adoptive countries outside of Israel, including the US and Europe, the Ashkenazim have become financial and influential powerhouses, not because they're Jews – at heart the majority of them are really not religious at all and couldn't care less – but because they're a shrewd people. They have learned much from their roaming throughout history, and they assimilate themselves fast and hard. They're the ultimate Nomads.

### Was this on Putin's mind?

Now could it be that, after two successive ideological failures in the forms of Communism and the current slow-motion destruction of Zionism in Israel, somewhere deep inside the minds of die-hard Ashkenazi leaders lies a plan for a new reinvention?

Will that reinvention be the re-conquest of their Khazar Khaganate – a land that is situated deep inside Russia and encompasses Ukraine and [Crimea](#)? Is that why Putin suddenly reattached Crimea to Russia?

Could it be that the Ashkenazim's plan is to take back and re-settle their ancient Khazaria after the Downfall of Apartheid Israel? Is it why the duly elected President of Ukraine was forcibly removed in 2014 in order to install a puppet government with a new Prime Minister named Arseniy Yatsenyuk, who according to The Guardian was playing down his Jewish roots?

Arseniy Yatsenyuk was later replaced by another Jew, Volodymyr Groysman, with a coke-snorting Jewish President, Volodymyr Zelensky, a smutty and crass comedian (see video immediately below), recently "elected" (who then stole \$850 Million from Ukraine's treasury); thereby making Ukraine at that point the only country in the world, besides Apartheid Israel, whose President and Prime Minister were both Jewish, thus indicating the direction the country was headed.

*"Ukraine will become Greater Israel," said Zelensky.*

Wayne Madsen explains the conspiracy behind this Ukrainian Greater Israel concept:

*"The Times of Israel's explosive story about the Khazarian roots of the Ashkenazis also revealed that Israel, knowing that a Palestinian state is inevitable, considering the increasing pressure for it from Europe, is preparing to resettle Ashkenazi settlers in the West Bank to Ukraine. Israel's advanced research in genetics resulted in a direct DNA line being established between Israel's Ashkenazis and the Khazars who were dispersed across eastern and central Europe after Russia conquered the Khazarian Empire in the 11<sup>th</sup> century..."*

*"In Ukraine, the so-called «second Israel,» (Ukrainian Jewish billionaire tycoon) Ihor Kolomoisky and Kiev have enlisted a number of ex-Israel Defense Force members in their volunteer battalions, including the (Nazi) Azov Battalion. One of the Israeli units is known as the «Blue Helmets of Maidan» and is commanded by an Israeli using the pseudonym «Delta». If Israel did not have a vested interest in expanding its influence in Ukraine it could easily prevent these units from going to Ukraine..."*

*"Some Russian speakers in the Donbass are wary of the intentions of pro-Israelis in the Kiev government. Oddly, Kolomoisky has recruited a number of neo-Nazis from western Ukraine and Europe to fight in his battalions whose right-wing organizations have always subscribed to the notion of a future «battle royale» between Russia and the remnants of Khazaria in Israel, Ukraine, Poland, and the Republic of Georgia to avenge Khazaria's defeat in the 11th century by the Russian Empire."*

It is quite possible that the Israelis are not just interested in revenge and in resettling Jewish land thieves (aka settlers) from the West Bank of Palestine to an ethnically cleansed Donbass region free of Russian natives, especially when the Jewish establishment of Israel has vowed that there will never be a Palestinian state, let alone remove Jewish land thieves from land stolen in the West Bank.

Their openly discussed plan for Israeli land thieves to 'resettle' in Ukraine might be a cover for the more nefarious purpose of reconquering the whole of their Khazar Khaganate where a great portion of the Jewish population of Apartheid Israel, especially those without a dual passport from their countries of origins, will migrate once the Big War starts in the Middle East. That potential is closer than most people realize. In fact, it may be the match that strikes the Ezekiel 38/39 scenario.

*“Looking back in history, it must be admitted that these lands are the ancient ancestral lands of the Jewish Khazaria, that is Israel, captured by Kiev’s Rus’ (the ancient state of Russia with the capital in Kiev) in the tenth century,” pontificated 25 years ago Rabbi Menahem Mandel Schneerson, a deluded wannabe Messiah. “The Slavs are temporary guests on these lands and are subject to eviction. We will return to this territory and build the Great Khazaria – the Jewish state –on these fertile lands the same way as, 50 years ago, we created Israel, squeezing the Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out far to the north, beyond Moscow. There will be a small Northern Territory, a reservation with a compact population — a reservation, like Indian reservations in America.”*

But would the Ashkenazi Jews be okay with just Ukraine – minus Crimea, Donbass, and the South (all Russian territories prior to 1922, inhabited by ethnic Russians and recently annexed into Russia proper by popular vote) – as their new base wherefrom they would project Jewish power to destroy their perpetual Russian nemesis, along with all other imagined enemies, and preserve their grip on the world’s financial system using their Federal Reserve issuance of fiat US Dollar as the undisputed World Reserve Currency?

Revenge Round 3? Nyet.

### **AND THE ARROGANCE STOPS HERE**

The Jewish Cabal controlling the Western financial world thought that Russian forbearance in the face of their unrelenting aggression in Ukraine to destabilize their country was weakness, and therefore miscalculated.

“It is a fact that over the past 30 years we have been patiently trying to come to an agreement with the leading NATO countries regarding the principles of equal and indivisible security in Europe,” said Putin in February 2022. “In response to our proposals, we invariably faced either cynical deception and lies or attempts at pressure and blackmail, while the North Atlantic alliance continued to expand despite our protests and concerns. Its military machine is moving and, as I said, is approaching our very border.”

Now Russia has acted, and after a long hibernation the Bear has awoken with fury. Putin has ordered his army to liberate the Donbass region from the Ukro-Nazis and demilitarize and de-Nazify Ukraine entirely (i.e., the Donbass region will be cut off from Ukraine and become independent while Ukraine is to be reverted back into Russia's orbit and away from Jewish control).

**The immoral Zio-Nazi Jew: Ukrainian President Zelensky, center right, in gay pride parade**

*“President Putin’s special military operation to defend the people of Donbass from an imminent general offensive by the neo-Nazi regime in Kiev not only is it fully justified in international law by Article 51 of the Charter of the United Nations, but it is fully*

*consistent with the military praxis and doctrine of the legitimate self-defense of States in the face of an imminent threat emanating from a neighboring state or enemy forces,”* explains Heinz Dieterich, director of the Centre for Transition Sciences (CTS) at the Autonomous Metropolitan University in Mexico City, and coordinator at the World Advanced Research Project (WARP).

And if the Zionist/Neocon conspirators and their bought-and-paid-for Western politicians did not get the message clearly, Putin made this unequivocal pronouncement:

*“I would now like to say something very important for those who may be tempted to interfere in these developments from the outside. No matter who tries to stand in our way or all the more so create threats for our country and our people, they must know that Russia will respond immediately, and the consequences will be such as you have never seen in your entire history. No matter how the events unfold, we are ready. All the necessary decisions in this regard have been taken. I hope that my words will be heard.”*

***“I saw the prosperity of the wicked... Their strength is firm... Pride serves as their necklace; Violence covers them like a garment... This is what the wicked are like—always free of concern as they go on amassing wealth... Surely (Lord) You place them on slippery ground... How suddenly they fall and are destroyed, completely swept away by terrors!”*** Psalm 73:2,4,6,12,18,19

### **CONCLUSION: RUSSIA & THE US\$**

Russia has been in the crosshairs of the Jewish robber barons (aka Western “elites”) for more than a century, and its very survival depends on it pushing back with all its might.

In fact, in confronting the Israeli-trained Ukrainian neo-Nazi proxies of this satanic Jewish cabal, which hopes to subdue the world and destroy the Christian foundation of Western civilization, Russia is fighting not just for itself but for the West and all of humanity.

*“The dictatorship of the Western elites targets all societies, including the citizens of Western countries themselves,”* said Putin. *“This is a challenge to all. This complete renunciation of what it means to be human, the overthrow of faith and traditional values, and the suppression of freedom are coming to resemble a ‘religion in reverse’ – pure Satanism. Exposing false messiahs, Jesus Christ said in the Sermon on the Mount: ‘By their fruits ye shall know them.’ These poisonous fruits are already obvious to people, and not only in our country but also in all countries, including many people in the West itself.”*

A win for Russia will begin the destruction of the financial system by which this Jewish mafia is controlling and influencing the world. Russian Andrei Bezrukov, member of the Presidium of the Council on Foreign and Defense Policy, concurs thus:

*“I want to state the fact that the West succeeded in dragging us into this war. No matter*

*how we tried to resist, this is their tactical victory. They succeeded in colliding two brotherly nations against one another.”*

*“From this we can draw the following conclusion – now we have been practically forced, especially after the latest packet of sanctions, into a position where we have no other choice but to totally restructure our economy, financial system, and in essence our domestic policy.”*

*“The point is, by tactically winning and by successfully quarrelling us with the Ukrainian people – war, naturally, is the ultimate level of quarrel – they have not understood that by doing so they have totally destroyed the very system which they had built in the world. It is not visible yet, but in a few months their severed financial chains, broken ideological messages, and broken security system will become apparent.”*

Bloomberg appears to be of the same mind and concludes as follows: *“Booting Russia from the critical global system – which handles 42 million messages a day and serves as a lifeline to some of the world’s biggest financial institutions – could backfire, sending inflation higher, pushing Russia closer to China, and shielding financial transactions from scrutiny by the west. It might also encourage the development of a SWIFT alternative that could eventually damage the supremacy of the US dollar.”*

And when the IMF joins the chorus that sanctions on Russia could backfire against the U.S.\$ position in the world, then the situation is getting really serious.

*“The IMF’s first deputy managing director, Gita Gopinath, warned that Western sanctions on Russia, and more specifically, the confiscation of dollar- and euro-denominated reserves held by the Russian Central Bank, could backfire by making other foreign central banks more reluctant to hold such a large amount of their own foreign reserves in dollars and euros,”* wrote Zero Hedge.

Taking things up a notch, Putin officially decreed that, as of April 1st, 2022, Russia will only accept rubles, gold, or bitcoin as payment for energy exports to “unfriendly” countries.

*“If Putin enforces his demand of accepting only rubles, gold or bitcoin for energy exports, the dollar instantly loses significant utility in the world,”* wrote Mike Adams. *“Those nations that wish to buy energy from Russia — which includes most European nations — will need to first buy rubles, then trade rubles for energy. This gives rubles instant commodities backing... **Putin’s latest move threatens the very future of the dollar (fiat) currency and may spell the beginning of the end for the dollar.**”*

***“Whoever digs a pit will fall into it and whoever rolls a stone, it will roll back on them.” Proverbs 26:27***

**ADDENDUM 1**  
**A Quick Ukrainian [Zio](#)-Nazi Recap**

By Pepe Escobar

Only the brain dead across NATOstan – and there are hordes – are not aware of Maidan in 2014. Yet few know that it was then Ukrainian Minister of Interior Arsen Avakov, a former governor of Kharkov, who gave the green light for a 12,000 paramilitary outfit to materialize out of Sect 82 soccer hooligans who supported Dynamo Kiev. That was the birth of the Azov battalion, in May 2014, led by Andriy Biletsky, a.k.a. the White Fuhrer, and former leader of the neo-Nazi gang Patriots of Ukraine.

Together with NATO stay-behind agent Dmitro Yarosh, Biletsky founded Pravy Sektor, financed by Ukrainian mafia godfather and Jewish billionaire Ihor Kolomoysky (later the benefactor of the meta-conversion of Zelensky from mediocre comedian to mediocre President.)

Pravy Sektor happened to be rabidly anti-EU – tell that to Ursula von der Lugen – and politically obsessed with linking Central Europe and the Baltics in a new, tawdry Intermarium. Crucially, Pravy Sektor and other Nazi gangs were duly trained by NATO instructors.

Biletsky and Yarosh are of course disciples of notorious WWII-era Nazi collaborator Stepan Bandera, for whom pure Ukrainians are Proto-Germanic or Scandinavian, and Slavs are *Untermenschen*.

Azov ended up absorbing nearly all neo-Nazi groups in Ukraine and were dispatched to fight against Donbass – with their acolytes making more money than regular soldiers. Biletsky and another neo-Nazi leader, Oleh Petrenko, were elected to the Rada. The White Führer stood on his own. Petrenko decided to support then President Poroshenko. Soon the Azov battalion was incorporated as the Azov Regiment to the Ukrainian National Guard.

They went on a foreign mercenary recruiting drive – with people coming from Western Europe, Scandinavia and even South America.

That was strictly forbidden by the Minsk Agreements guaranteed by France and Germany (and now de facto defunct). Azov set up training camps for teenagers and soon reached 10,000 members. Erik “Blackwater” Prince, in 2020, struck a deal with the Ukrainian military that would enable his renamed outfit, Academi, to supervise Azov.

It was none other than sinister Maidan cookie distributor Vicky “F\*\*k the EU” Nuland who suggested to Zelensky – both of them, by the way, Ukrainian Jews – to appoint avowed Nazi Yarosh as an adviser to the Commander-in-Chief of the Ukrainian Armed Forces, Gen Valerii Zaluzhnyi. The target: organize a blitzkrieg on Donbass and Crimea – the same blitzkrieg that SVR, Russian foreign intel, concluded would be launched on February 22, thus propelling the launch of Operation Z.

All of the above shows that in Ukraine there’s no difference whatsoever between white neo-Nazis and brown-colored al-Qaeda/ISIS/Daesh, as much as neo-Nazis are just as

*“Christian” as takfiri Salafi-jihadis are “Muslim”.*

When Putin denounced a “bunch of neo-Nazis” in power in Kiev, the Comedian replied that it was impossible because he was Jewish. Nonsense. Zelensky and his patron Kolomoysky, for all practical purposes, are **Zio-Nazis**.

Even as branches of the United States government admitted to neo-Nazis entrenched in the Kiev apparatus, the Exceptionalist (U.S.) machine made the daily shelling of Donbass for 8 years simply disappear. These 14,000 civilian victims never existed.

---

## **ADDENDUM 2**

### **The Reasons For Russia’s Special Military Operation In Ukraine**

By Batiushka and Edited by BI

There were four triggers which sparked off the special operation on February 24th, 2022.

Firstly, the Jewish Zelensky regime wanted the Ukraine to become a NATO member. The weak post-Communist Russian Federation had already made that mistake many times, allowing Eastern Europe, notably the Baltics, Poland and Romania, to join that aggressive protection racket. In that way the post-War buffer states of Eastern Europe, providing a demilitarized zone for Russia, ended. After all, if, like Russia, you have been invaded from the West very regularly for 800 years, leaving 27 millions of your citizens dead in the most recent invasion, would you not also want a demilitarized buffer zone to protect you? Post-War offensive NATO was the only reason why the defensive Warsaw Pact was set up.

Secondly, with missiles on American bases in Poland and Romania and NATO troops smugly parading at the Estonian border with Russia, the Ukraine then threatened to obtain nuclear weapons. Did Zelensky, reading his American script as a true actor, really expect Russia not to react to this?

Thirdly, the U.S., not without the help of its local proconsul, the cocaine-addled Hunter Biden, had set up some thirty biolabs in the Ukraine. Their target? To find genetically concocted viruses to infect Russians. Would Russia not defend itself?

Fourthly, though possibly this may not have been discovered by Russia until a day or two after the special operation began, and with the likelihood that Russia was quite aware prior to carrying the operation, the NATO-manipulated, U.S.-instructed, and Israeli-armed Kiev Army had a plan to invade the Donbass and genocide its people. Had they succeeded, it is doubtful they would have stopped at the Russian border. Truss, the supremely stupid British Foreign Secretary, let slip that NATO already had Russian cities Rostov and Voronezh in its sights.

After eight years of attempts at negotiating, which Russia used to buy time and prepare for the War in case of Western idiocy, there was no other alternative but to send in troops in an initially limited military operation.

Russia must win this War against Zionist-controlled NATO. Nonetheless, the last thing Russia wants is a nuclear war, however much some fools in the West talk that up. And no matter how tempting targeting the 1,000 or so U.S. bases around the world may be, Russia certainly does not want the war to spread outside the current Ukrainian territory.

If Russia does not win, the Russian Federation will be humiliated and dismantled and become just another group of colonies for Western asset-strippers and slavers.

After that, China will fall next and then the rest of the still free, if for the moment impoverished and exploited, world will fall just like dominoes into neo-colonial, Jewish-controlled Western hands. And that will be the end of the world as we know it as it topples under a US Global Dictatorship, euphemistically known as 'the Unipolar World'. As President Putin has said, a world without Russia is not one we wish to live in. This is the world's ONLY chance to work towards a Union of Sovereign (NOT Soviet) Social (NOT Socialist) Republics and an Alliance of countries which favor Prosperity, Cooperation, and Justice, not Poverty, Coercion, and Injustice.

### **ADDENDUM 3**

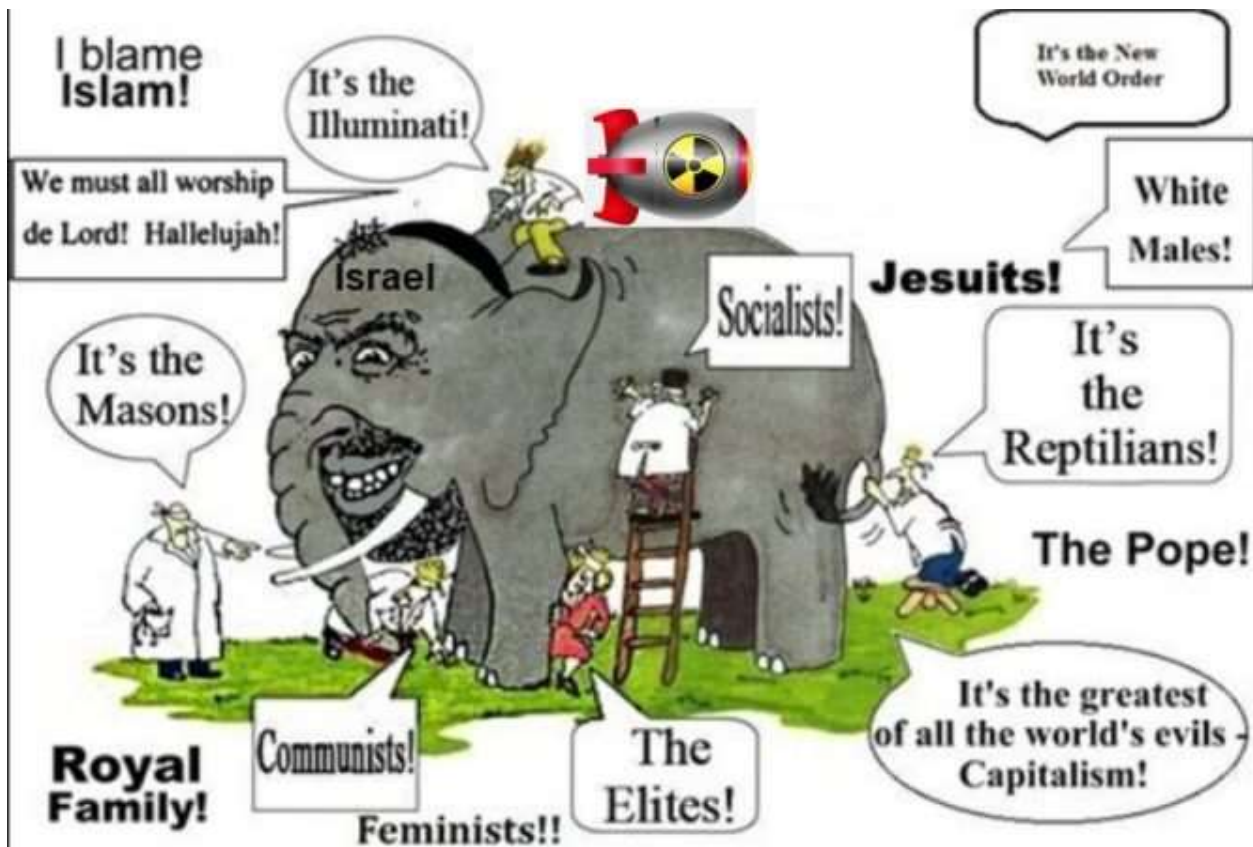

#### **Perspectives**

More than half of Ukraine's territory was affixed onto the country by Soviet leaders who wanted to keep the country within the USSR by gifting it more land. Dark green area was taken from Poland, and pink and light purple zones were carved out of Russia.

***“The Western goal is to weaken, divide and ultimately destroy our nation. They are openly stating that, since they managed to break up the Soviet Union in 1991, now it’s time to split Russia into many separate regions that will be at each other’s throats.” – Russian President Vladimir Putin***

Who's wagging the West to destroy Russia?

#### **The Destroyers Of The World**

By Biblicism Institute

*"We Jews, we, the destroyers, will remain the destroyers forever."* – Maurice Samuel

**Bolshevik Revolution:** The Jewish Bolsheviks, who took over the Russian government in the 1910s, killed 66 million Christians, including 200,000 members of the Christian clergy, and destroyed 40,000 churches.

**World War 1:** Britain was losing the war against Germany. The Zionists stepped in and manipulated President Wilson to get the US into the war to help them. In return, the Jews asked the British Empire to deed them Palestine to create Israel. Their wish was granted in the form of the Balfour Declaration of 1917, which cost the world 18 million dead.

**World War 2:** The Zionists fomented that war (just like they're doing today with Iran and other countries in the Middle East), so that European Jews could feel threatened. The

deception worked as European Jews fled in droves to Palestine and took over the homes of Palestinians, who were evicted at gunpoint and then either massacred or driven out of their land into neighboring Arab countries. With enough Jews on the ground, Israel was created in 1948 at a cost of 80 million dead.

**World War On Terror:** Jewish neocons, in cahoots with their bought-and-paid-for politicians in the U.S. government, perpetrated their act of terrorism on 9/11. Then they conveniently blamed it on Muslims so as to obtain a green light to destroy the Middle East using the armies of the U.S. and NATO and the terrorist groups they finance, with the ultimate view to creating Greater Israel. So far, the death toll is 27 million, including Christians.

**World War 3:** With Russia protecting Syria and Iran from Israel's Machiavellian design, will the Zionists succeed in bringing the world once again to the brink of disaster to create Greater Israel? If they do, will it instead bring about their downfall?

**Sequitur:** As befitting the deceivers and murderers that they are, the Zionist VICTIMIZERS of the world shamelessly camouflage themselves as VICTIMS, with Israel, their monstrous spawn, carrying on their blood-filled legacy. Indeed, apartheid Israel is a scourge, a cancer that needs to be dealt with.

**Appeal:** Every conscientious individual should implement a personal boycott of Israel and everything made there.

Ukrainian President Volodymyr Zelensky, growing desperate because he is losing the war against Russia, is now warning that American troops will be the next to die if Moscow wins in Ukraine.

If Ukraine loses the war, Russia will invade NATO member states and *"the U.S. will have to send their sons and daughters exactly the same way we are sending ours to war. And they will have to fight because it's NATO... and they will be dying."*

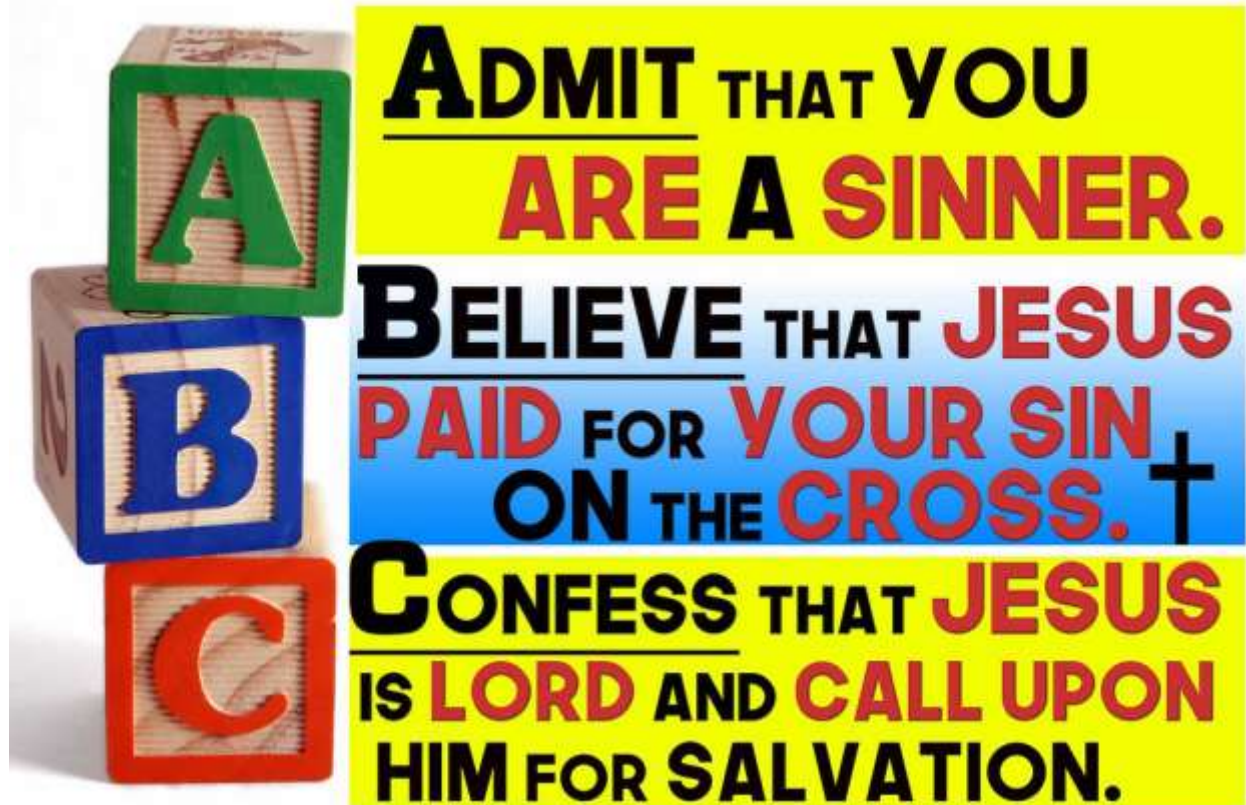

The Western media prostitutes who get paid to put out for their corporate whoremasters have tried to portray Zelensky as some kind of modern-day Winston Churchill. But as we have reported for months, he is nothing but a corrupt clown. The picture of Zelensky on page 15 above confirms this. No respectable human being would appear in a disgraceful state of debauchery like this.

Just one month before the war, Bloomberg reported that the Ukrainian economy was in a free fall and needed an injection of \$5 billion to stabilize. The U.S. has provided Kyiv with tens of billions in financial support during the war, but expressed concerns back in October that Kyiv was taking too long to get control of the rampant corruption.

How quickly the EU, NATO, UK/US answers Nathan Rothschild's plea is central to how fast we will depart this evil world. It appears to me that the late evangelist Hilton Sutton is going to turn to be correct. Regarding the Rapture, Hilton said, *"When the bombs are*

*descending, the Saints will be ascending!"*

The Rothschild's have no regard for human life, we are useless eaters in their minds as the Khazarian Zionist Dr. Henry Kissinger said decades ago.
