

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #149

Details have been slowly coming out of the UK over the coming coronation of Prince Charles of Wales; and to the dismay of many, we are witness to the rise of the Antichrist ever so detailed. It is becoming obvious why the Coronation was planned not in honor of his mother, the late Queen Elizabeth II, but for occult religious reasons.

But first think about the quirks of the Prince. Whether for functionality or just a small source of comfort, those who travel frequently often do so with a very particular — yet meticulously curated — assortment of travel accessories. Prince Charles never travels without a premixed martini or his personal velvet toilet seat from home.

In Tina Brown’s new book *‘The Palace Papers’*, which came out weeks ago, [Brown details](#) the slew of items — or “*paraphernalia that preceded his boss like the baggage train of a Tudor traveling court*” — that Charles’ former aide, Michael Fawcett, was charged with packing ahead of trips both long and short, including “the Prince’s orthopedic bed, lavatory seat and Kleenex Velvet lavatory paper, plus two landscapes of the Scottish landscapes.” He is an eccentric despot.

“When he traveled to stay at friends’ country houses, a truck arrived the day before, bringing his bed, furniture, and even pictures, which his pampering aide Michael Fawcett ensured would be hung in his allotted bedroom in place of the possessions of his host,” Brown writes.

Of course, Charles isn’t the only royal with a very particular set of preferences where travel is involved. The Queen famously travels with the same Globe-Trotter luggage she’s been using since 1947, a slice of her favorite cake, a hot water bottle, a pint of her own blood ... and also her own toilet paper, sealed with a sticker that only she is allowed to break. (Royals love their toilet paper, apparently.) Additionally, all members of the royal family travel with at least one black outfit at all times, in the event that someone dies while they are away.

And while traveling with one’s lavatory seat is definitely a pretty weird flex, there are actually a number of celebrities - who are rumored to include a fresh toilet seat in their hotel room on their list of travel demands. But velvet, that’s over the top!

Further, as Brown notes in her book, this is the same man who required his valet to squeeze his toothpaste onto his toothbrush for him. So, really, it should come as a surprise to no one that he would also need Kleenex Velvet toilet paper and a few Scottish landscapes on his person at any given time.

Royals...they really are not just like us. But what I am about to share is spooky in a dark way, like Satanic.... Prince Charles is steeped in the occult world of astrology.

King Charles III Coronation is on **May 6, 2023**. Details allude to something along the lines of the symbolism or Typology of the Biblical Passover Lamb and the real Messiah, Jesus Christ. The Coronation event will span "three days" to follow a Biblical pattern to resemble that of Jesus Christ's crucifixion and resurrection event!

- The anointing oil or Chrism oil has been prepared and sanctified.
- The olives for the oil are from olive trees growing on the Mount of Olives, in Jerusalem (an article linked below said the olives came from two groves on the Mount of Olives - at the Monastery of Mary Magdalene and the Monastery of Ascension).

King Charles' paternal grandmother is buried at the Monastery of Mary Magdalene and her estate owns two olive orchards on the **Mount of Olives**. The olives were taken from there to **Bethlehem** where they were crushed and the oil extracted. Then the oil was then taken to **Jerusalem** to the **Church of the Holy Sepulcher** where it was blended and sanctified on **March 3, 2023** for the anointing oil. Then it was sent to Westminster Abbey for the coronation ceremony.

Charles and his wife, the Queen Consort will be anointed. In a private ceremony, Charles will be anointed on his head, hands and chest. This will take place under a canopy (like a **Huppah** - Jewish wedding ceremony canopy) - this shows that **"he is the one that has been chosen by God and that being under the canopy that he is wedded to God."**

Monte Judah noted how it's being reported that some people see how disingenuous this is since Charles is divorced, his wife is divorced and he committed adultery with her. Charles will be the head of the Church of England and the King. This is akin to the pope as head of the Roman Catholic Church.

- **May 6, 2023** is the day of the coronation. This is a **Sabbath**. And the ceremony will go on for **three days and three nights**.

The news report came out **"and said that all of this is modeled after the testimony of Jesus Christ"**. But it is much bigger than Monte Judah states.

Monte said, *"You can't make this stuff up!"* He said that if he was trying to lay a theme out of a guy who was going to imitate or replicate what we understand the Messiah to

do - who is the anointed one - *"I don't know how I would put together a better imitation than the way this is."* He said this is fascinating to watch this unfold.

Yes - they've included the 'appropriate' items, people, and places - olives, the anointing oil, the Mount of Olives, Bethlehem, Jerusalem, the site of Jesus' crucifixion and burial, Mary Magdalene, the Jewish ***huppah***, the three days and 3 nights. What more could the Antichrist offer the world to prove he is the man of Revelation 13!

And because King Charles is such a *"friend of the planet"* - his Holy oil is vegan friendly. *"The holy oil that will be used to anoint King Charles during his coronation contains no animal products, it was confirmed today...In the past, the liquid has included ingredients from animals."* King Charles special oil *"has been made from olives and perfumed with sesame, rose, jasmine, cinnamon, neroli, benzoin, amber and orange blossom."* It was consecrated on March 3, 2023.

And the Anglican Archbishop of Jerusalem involved in the consecration of the oil said, *"So what has been happening today, I think there is that thread, that is - the consecration of the oil for the enthronement and the Coronation - **it brings about something of a deep and profound meaning. Both to King Charles, to the church and Jerusalem, to the Holy Land, and I think to the whole world.**"*

"During the ceremony, it is kept in a solid gold flask called an ampulla - an artefact shaped like an eagle. The King will also receive the orb, coronation ring and scepter, and will be crowned with the majestic St. Edward's Crown and blessed during the historic ceremony. Camilla will also be anointed with holy oil and crowned, just like the Queen Mother when she was crowned Queen in 1937."

[Holy oil to be used to anoint King Charles during Coronation is vegan | Metro News](#)

In this following article, *"The oil is at the center of the most sacred part of the coronation ceremony - the anointing."* The Archbishop of Canterbury pours the oil onto the Coronation Spoon and anoints the sovereign on the hands, breast and head. **"The tradition goes back to the Old Testament where the anointing of Solomon by Zadok the Priest and Nathan the Prophet is described.."**

And this video on The Royal Family Channel: Viewers watch as Oil Used for King Charles III Coronation is Made Sacred. The comment below the video reads: *"The Chrism oil which will be used to anoint His Majesty The King on 6th May 2023 has been consecrated in Jerusalem. The ceremony took place in The Church of the Holy Sepulcher in Jerusalem. The oil has been consecrated by the Patriarch of Jerusalem,*

His Beatitude Patriarch Theophilos III, and the Anglican Archbishop in Jerusalem, The Most Reverend Hosam Naoum."

King Charles' grandmother is buried at St. Mary's Church on the Mount of Olives. This is an important connection to the Royal Family. This special service, the sanctification of the holy oil in the heart of Jerusalem, in the Holy Sepulcher, in the very tomb of Jesus Christ - *"This is a sign of the connection of the link of the Royal Family of the United Kingdom, and most specifically of His Majesty King Charles with the Holy Land, and of course, the Holy City of Jerusalem. And most specifically the very part of the earth that has been sanctified and blessed by the redeeming blood of our Lord Jesus Christ."*

- And for the icing on the cake - they end this video with music to the song "Joy to the World". The music (no words) runs long enough to include the first two lines of the song: *"Joy to the world, the Lord is come. Let earth receive her king."*

Putting that music at the end of this video, was - at the least, chilling to listen to! That song was written for Jesus Christ, the Messiah of the world...not King Charles. But it looks like some are promoting him as an Antichrist figure - or more than that.

Remember King Charles (as Prince Charles) was the man who first announced **"The Great Reset"** to the world. He is a globalist and WEF leader, aka a minion of Satan. His father was also. There are plenty of articles about this and Charles' "climate activism" – climate emergency, climate change, *"save the planet"*. What the public is not hearing is that the Prince's eco-salvation means starvation of half the world's population. He has been "THE" man behind the Sustainable Development plan since 1989. His "sausage fingers" have orchestrated world events related to the environment.

The Coronation Date: May 6, 2023 - it is a **Sabbath day**. 15th of Iyar. The 30th day of counting of the Omer. On the Chabad and Torah calendars, it is the day following the Second Passover (Pesach Sheni). Most non-Jews do not know there is a Second Passover 30 days after the High Holy Day!

This date has huge significance when you consider whose coronation is on May 6th, 2023. It is known as the Second Passover referred to in Numbers 9:10-14. Pesach Sheni means **"Second Passover [Sacrifice]."** It marks the day when someone who was unable to participate in the Passover offering in the proper time would observe the mitzvah exactly one month later. It is customary to mark this day by eating matzah - **shmurah matzah**, if possible - and by omitting Tachanun from the prayer services.

One year after the Exodus, God instructed the people of Israel to bring the Passover offering on the afternoon of the fourteenth of Nissan, and to eat it that evening, roasted over the fire, together with **matzah** and bitter herbs, as they had done

the previous year just before they left Egypt. Think about how calculated Prince Charles and his Satanic handlers have been in planning all the details given here by Monte Judah. This is a huge event for sure, not unlike a Broadway musical!

There were, however, certain persons who had become ritually impure through contact with a dead body, and could not, therefore, prepare the Passover offering on that day. They approached Moses and Aaron and they said: ***“Why should we be deprived, and not be able to present God’s offering in its time, amongst the children of Israel?”*** -(Numbers 9:6-7).

In response to their plea, God established the 14th of Iyar as a day for the **“Second Passover”** (Pesach Sheni) for anyone who was unable to bring the offering on its appointed time in the previous month.

The day **represents** the **“second chance”** achieved by **teshuvah**, the power of repentance and **“return.”** In the words of Rabbi Yosef Yitzchak of Lubavitch, **“The Second Passover means that it’s never a ‘lost case.’”** Compare this event with the World Economic Forum slogan, **“Build Back Better!”** They are going to destroy what God created and do it all over again, a second time around, but better than God’s creation!

Historically, on the 15th of Iyar: *“The supply of Matzot (unleavened bread) that the Jews had brought with them from Egypt was exhausted on the 15th of Iyar, the 30th day after the Exodus.”* Look for the similarities of what we see related to the real Messiah. They can be found in the 17 goals of Agenda 2030, Prince Charles Sustainable Development for humanity; People, Planet, Prosperity, Peace and Partnership.

The interlinkages and integrated nature of the Sustainable Development Goals are of crucial importance in ensuring that the purpose of the new Agenda is realized. If we realize our ambitions across the full extent of the Agenda, the lives of all will be profoundly improved and our world will be transformed for the better. The lapel pin worn by Prince Charles and others is the symbol for the 17 goals of Agenda 2030.

Below is a list of events that has been historically reported over thousands of years to have occurred on the 15th of Iyar plus the three days that follows. **For Prince Charles to have chosen May 6th, 2023 for his Coronation, sandwiched in between the events of the original Passover event typology (slaughter of the lamb, anointing of the blood on the doorposts, the crucifixion of the Lamb of God, and the Resurrection of the Lord Jesus Christ) is to replicate a counterfeit pseudo-resurrection of another coming in the place of**

Jesus Christ. This is nothing more than a blasphemous spurious sham mockery of the Atonement of Jesus Christ as the Messiah.

Hag HaMatzot, or the Feast of Unleavened Bread, is a week spent without leaven in our lives. It is observed in the spring of the year, immediately follows Pesach/Passover, and lasts for seven days.

Sometimes confused with Passover, the Feast of Unleavened Bread is directly linked to the Passover yet is actually a feast on its own.

The Feast of Unleavened Bread occurs simultaneously with Passover. It begins the day after Passover eve, and lasts for seven days. Because they are so closely related in time and purpose, the names are often interchangeable.

The Feast of Unleavened Bread is meant as a reminder to us of the Israelites' redemption from bondage in Mitzrayim/Egypt and of our redemption from sin through Mashiach Yeshua/Jesus Christ.

As for Charles being the Antichrist - he has been the obvious one since Tim Cohen's book, *'Antichrist and a Cup of Tea'*. I have written several articles concerning Prince Charles, but the most thorough was the article ***"The Satanic Talmud and the Synagogue of Satan – Part 6"***. Link here to: [The Satanic Talmud & The Synagogue of Satan--Part 6](#) Prince Charles believes his mission in life is to save the planet!

If you click on the link, what you will discover and read will convince you that the man in the picture on the next page is the false messiah despite whatever you have ever thought about who might be the king of this world.

Along with Tim Cohen's book, *'Antichrist and A Cup of Tea'* we have Laurence Gardner's *'Bloodline of the Holy Grail'*. These two books were published in the late 1990s seal the case for Prince Charles of Wales as the false messiah of Revelation 13:11-18.

Prince Charles of Wales' Coronation is virtually mirroring the Biblical pattern of the original Passover, a Type of the Passover Lamb of God, Jesus of Nazareth.

Pesach Sheni (Hebrew: **שני פסח**, translated *Second Passover*) occurs every year on 14 Iyar. This is exactly one month after Nisan 14, the day before Passover, which was the day prescribed for bringing the *Korban Pesach* ("Paschal offering", i.e. Passover lamb) in anticipation of that holiday. As described in the source text for this mitzvah - (Numbers 9:1–14), the Israelites were about to celebrate Passover one year after leaving Egypt.

The offering of the *Korban Pesach* was at the core of that celebration. However "certain men" were ritually impure from contact with human corpses, and were therefore ineligible to participate in the *Korban Pesach*. Faced with the conflict of the requirement to participate in the *Korban Pesach* and their ineligibility due to impurity, they approached Moses and Aaron for instructions, which resulted in the communication of the law of *Pesach Sheni*.

As described in Numbers 9:9–13, a Jew may bring the *Korban Pesach* on *Pesach Sheni* if he/she was ritually impure due to contact with a dead body or was on a "distant journey". As elucidated in Mishnah Pesachim (9:1–4) and its Gemara:

- The definition of "distant journey" for this purpose is generally construed liberally.

- All types of ritual impurity are generally included, not only those due to contact with a human body.

In net effect, anyone unavoidably prevented from offering the *Korban Pesach* on Passover may do so on Pesach Sheni provided that most of the nation were pure and brought on the first Passover. However one may not intentionally defer the *Korban Pesach* if it is in his/her power to offer it on Passover.

While it was back on November 1st, 2021, it seems as if it was weeks ago – the Heir to the British throne Prince Charles called for a “*vast military-style campaign to marshal the strength of the global private sector*” noting that the private sector will have “trillions at his disposal” ... to combat climate change as he opened the COP26 summit in Glasgow on Monday. Prince Charles, Duke of Edinburgh, called on the governments of the world to take a “war-like footing” to solve the supposed climate crisis.

“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.” This is what Revelation 13:8 states. But the verse reveals so much more than the last five words of the passage.

Revelation 13:18 is a “**13**” and 3 “**6’s**” or $3 \times 6 = 18$. The number “**13**” is the number of rebellion, evil, wickedness, Satan, kingdom of darkness. Revelation is the **66th** book of the Bible, the **13th** chapter, and the **18th** verse; the “*number of a man*”; “the Antichrist”, which is **13** letters, which is “**666**”; the unholy trinity of man. “**Six**” is the number of man in the Bible. This is just for starters of what we will find in the study of Biblical Numerics concerning Mr. “**666**”. If you have read any other articles where I identified the earthly name of Mr. “**666**” you then know it is “**Prince Charles of Wales**”. Using Hebrew Gematria, the name as it appears above totals “**666**”. Not only is this found in Hebrew, but in Greek and English as well. There are over 57 clues so that End Time Saints may accurately and definitively identify the “Beast” or the “False Messiah”!

“Prince Charles of Wales” in Hebrew is pronounced “**Nasich Charles Mem Wales**”. The Hebrew pronunciation itself equals “**666**” in Gematria. Is it simply a coincidence that Prince Charles official title “**Prince Charles of Wales**” equates to “**666**” in its English form and corresponding Hebrew and Greek forms as well?

I hardly think this is just coincidence given Prince Charles leadership of the World Economic Forum and the Agenda 2021 (now Agenda 2030) which is all about “Sustainable Development” and essentially means “Depopulation” when you understand his goal of “Net-Zero Carbon Emissions!” Countries are required to reduce agriculture and livestock production by 30%. Ireland, Denmark, and several other nations have begun the process but are experiencing push-back from their population. The Prince achieves his goals through financial control of investment and credit of the global banking network. Play ball or go out of business! Americans at home are feeling this in their wallets as inflation of prices at the grocery stores. Those rising prices came through government regulations put in place to meet Prince Charles goal to achieve

“Net Zero Carbon Emissions!” The chart above is an example and confirmation of how everyone is paying for Prince Charles plan to save the environment under the guise of climate change! A few European countries are finding out that the idea of electric vehicles is a disaster, as it requires diesel engines to produce the electricity provided by the electrical recharging stations. Do you know what the cost is to replace a battery for an electrical vehicle. **The average cost for a Toyota Prius Battery Replacement is between \$1,154 and \$1,303.**

The U.S. Post Office announced recently that it was purchasing nearly 10,000 electric-powered mail delivery vans. The price of stamps will become as prohibitive as prime rib at the Texas Road House! The public will pay out the ears for Prince Charles "Net-Zero Carbon Emissions!"

This is a picture of a Electric car charging station that are popping up everywhere. Here's an interesting fact.... That 350kw generator uses 12 gallons of diesel fuel per hour, and it takes 3 hours to fully charge a car to get 200 miles. That's 36 GALLONS for 200 MILES!!! 5.6 mpg.
Proof you can't fix stupid...

And then Prince Charles name when translated from English into Hebrew and then compared to Gematria it still equals "666". The statistical odds are astronomical making this absolutely impossible and a complete modern miracle. God has given you proof by telling history in advance of it happening. Isaiah 46:10 tells you, ***"Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure:"***

The famous numerical designation “666” from Revelation 13:18, gets examined you will be surprised, ***“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.”*** From Onomastics, a study of proper names, Charles means man. Revelation 17:10 becomes the real riddle we need to answer!

The question then becomes which Charles is “the Beast?” Revelation 17:10-11: ***“And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.”***

There have been “seven” Charles as Emperors of the Holy Roman Empire. The World Book Encyclopedia and other reference documents summarize the history of the Holy Roman Empire by these **seven** kings. This is a historical fact. But what makes this prophecy such a puzzle is its reference to the beast being ***“also an eighth, and is one of the seven.”*** The answer is simple and right before us. They all have the name Charles. Prince Charles will be the eighth when he rules over the ancient Holy Roman Empire (the modern European Union). How is he one of the seven? He is a direct descendant of the Charles VI through the Hapsburg line.

When we talk about Bible prophecy in the Bible, it would be better expressed and understood by thinking of it as being *“history told in advance”*. ***“And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.”*** -(Daniel 9:27)

The clever elusive identity of the term ***“many”*** has always been troubling for us and I will frame it somewhat different than has been often thought to mean. ***“Many”*** was long thought to refer to the Israeli Knesset of 72 members since Israel became a state in 1948, but in the larger frame of what I am sharing here, it might be better to see the term ***“many”*** to mean the larger world that embraces Prince Charles Agenda 2030 (2 x 3 = 6) slavery goals. As the Antichrist, he will demand worship of himself, and that will be required by receiving the ***“Mark”*** of the Beast in Revelation 13:17. The ***“Mark”*** is found 27 times in 6 verses of the book of Revelation! The ***“Mark”*** is ***“666”***. Also, keep in mind it was Prince Charles who originally negotiated the 1993/94 Oslo Peace Accords with the late PLO President Yasser Arafat. They remain on the shelf for a future resurrected peace treaty. Daniel 9:27 could very well be a dual prophecy with different ends in themselves.

The antecedent of the ***“He”*** who would confirm a covenant is the future prince who was yet to come. Some commentators suppose that the *“prince who was to come”* and who makes the covenant ***“for one seven”*** is the same as ***“the Messiah the Prince”*** in vs. 25. Not so fast pilgrim! But Jesus was put to death before Daniel’s seventieth week. The new covenant that was put into effect by His death and the shedding of His blood was God-given and not limited to one ***“seven”*** of years. It will never be broken.

That prince who is to come destroyed Jerusalem and the Temple in 70 A.D. -(cf. Luke 21:20). His people were the Romans, not the people of the Messiah. The Romans made no covenant with the Jews after the death and resurrection of Jesus. The signs Jesus prophesied were not all fulfilled in the destruction carried out by the armies of Titus. All this shows us that Daniel's seventieth week of years is still to come. This gives us grounds for taking the coming Tribulation to be seven years long; and most premillennialists agree to that point.

Some people claim the **seventieth seven** of years followed immediately after the crucifixion of Christ. But the fact that the Roman destruction of the city and Temple came forty years after the death of Jesus and the fact that the Roman destruction came before the **seventieth week of years** show that there is a gap between the **sixty-ninth** and **seventieth week**. Since God does not look at time the way we do -(2nd Peter 3:8), it is not contrary to the way the Bible reveals things for the gap to extend to the time of the Great Tribulation at the end of this age. The ruler or prince to come fits the little horn already prophesied in Daniel 7:8, 24f. He would be an **"antichrist,"** a counterfeit Christ. Note that "anti" in the Greek primarily means *"instead of"* or *"in place of."* He will not necessarily call himself the antichrist. The thought is left there for us to discern to be the case!

In the middle of the **seventieth "seven," or week of years**, the ruler to come will break the covenant with the Jews (possibly made with respect to a land dispute; cf. 11:39) by stopping their sacrifices and offerings in what will be a restored temple. This will be a time of trouble and distress -(Jeremiah 30:7; Daniel 12:1). On a "wing" of that temple He will set up **"an abomination that causes desolation."** This does not refer to the pagan altar and the statue of Zeus that Antiochus IV Epiphanes set up in the Temple in December, 167 B.C. Jesus prophesied that this abomination that causes desolation that Daniel saw was still to come -(Matthew 24:15; Mark 13:14). Thus the Antichrist will set up that abomination in a Temple yet to be built in Jerusalem -(see 2nd Thessalonians 2:3ff; Revelation 13:14ff). The Temple Institute in Jerusalem is ready to build that temple as this all unfolds in real time. But the Antichrist would not last forever. A decreed end would be poured out upon him. Revelation 19 gives us the details of how that will be accomplished.

The KJV Bible translates Strong's H7227 in the following manner: **many** (190x), great (118x), much (36x), captain (24x), more (12x), long (10x), enough (9x), multitude (7x), mighty (5x), greater (4x), greatly (3x), miscellaneous (40x). The many forms here show why clarity is cleverly ambiguous to modern-era scholars without knowing the Biblical languages of Greek and Hebrew.

If you are still a skeptic of the Bible and the evidence of what I have offered on the previous pages is insufficient for changing your mind, may God have mercy upon you in the coming Seven years of Jacob's Troubles. **Daniel's 70th Week prophecy is reserved for the unbelievers as well as the Disobedient Jews and the Synagogue of Satan noted in Revelation 2:9 and 3:9. Those who realize they have made the wrong choice will be**

hunted down and martyred for their faith. God has made it clear, it's your call you have the choice now or not much later.

What I have shared here concerning Prince Charles of Wales is added support to the fact that Bible-believing Christians are about to **Depart** this world as we know it for **God's Great Reset**, and not Prince Charles Reset!

The dates **March 23rd through April 9th, 2023** have been given added emphasis for the "**Harpazo**" Rapture. **Why these dates you may ask.** I will spell it out briefly here for you in case you missed the many points of this Blessed Hope. This can be confusing for folks so do not be overly concerned. It's hard to cram for your final exam if you have skipped classes all semester long. I've been at this work since June 8, 1967, the day after Israel Six Day War began on June 7th, 1967.

- Bible prophecy scholars alike have told us for years not to be watching for the Antichrist because we would be gone before he came to power and control. That said meant that we would not know his identity.
- Fewer Christians are looking for the Rapture since they do not know anything about it since their pastors were either not taught about it or scoff at the words of the Apostle Paul. They are looking for DJT #45 to come back and bring prosperity when they take back America from the Uniparty in control of the U.S. government. Don't make any bets on that happening.
- It also does not mean that some smart people such as Monte Judah, Tim Cohen would be focused, or smart enough, and able to calculate his number and thus able to determine his name.
- With Prince Charles Coronation scheduled for **May 6th**, 2023 one month after the Passover observation, Biblical evidence, with a little math and logic given here hint for those of us looking for the Rapture will be "**Harpazod**" "**Taken Up by Force**" **before Prince Charles' Coronation**, when the Trumpet Call to "**Come Up Hither!**" at a time frame of the dates of **March 23rd to April 9th!**
- **Rosh Chodesh Nisan** for Hebrew Year 5783 begins at sundown on Wednesday, March 22, 2023 and ends at nightfall on Thursday, 23 March 23rd, 2023. This is the start of the month of Nisan on the Hebrew calendar or the 1st month of the Biblical religious year, and has 30 days, and corresponds to March or April on the Gregorian calendar we follow.
- March 22nd is also the last day of the Biblical Year 5782. March 24th is also the ending and beginning of the next **seven** year Shimetah Cycle. **Seven** Shimetah Cycles (**7 x 7 = 49**). 49 +1 begins a Jubilee Cycle on God's calendar. A Jubilee Cycle is 50 years.

- These two events can be presumed to mean that the Seventieth Year of Daniel's Prophecy (known as the **Seven** Year Tribulation) will begin simultaneously. In other articles I referred to this as God's Trifecta! It is also known as the **"Day of the Lord!"**
- The spring Equinox occurs on Monday, March 20th, 2023. Passover begins on Wednesday, April 5th, 2023 and ends on Thursday, April 13th, 2023.
- Resurrection Day (Easter for pagans) is observed on Sunday, April 9th, 2023.
- The Rapture is likely to occur within the time frame I noted in oversized **Red** dates. Even though Matthew 24:36 and Mark 13:32 says no one will know the day or hour; the Greek passage is convoluted and can be interpreted a number of ways. That is a whole different study for which we do not need to go into now. Suffice to say, I am not "Date Setting" through providing a two week window here. Bible study is not always a clear black and white situation, and requires working understanding of the Biblical languages that interpret grammatical and linguistic use of Gender, Voice, Mood, Tense, and Case! It is sad reality that I need to point out most church pastors, around 96% are not trained in the Biblical languages and are really the blind leading the blind into a ditch. As Matthew 15:14 says, ***"so ignore them. They are blind guides leading the blind, and if one blind person guides another, they will both fall into a ditch."***
- Biblical knowledge along with some mathematics and logic tell us that those "in Christ" will depart before Prince Charles Coronation! Even God said ***"to count the number of the Beast"***.
- The Ezekiel 38/39 scenario remains a hot spot on the radar screen with the events in the Middle East and so it is closer than people realize. Iran knows that an attack on Israel requires two nuclear weapons; however, to be assured of delivering a fatal attack they need upwards of ten nuclear weapons to destroy Israel. Iran has an edge in that it can launch a massive drone attack that could overwhelm Israeli defenses. Drone aircraft have proved to be a significant weapon of the war in the Ukraine. Israel has been attacking Damascus almost daily, and a few days ago destroyed the airport at Aleppo, Syria. Although Russia's President Putin has his hands full with the Ukraine war, he has called out Benjamin Netanyahu for his actions in the matter of Syria.
- An overlooked aspect in this picture is that of the U.S./NATO (U.S. dictate) to provoke a war with Russia. The U.S. State Department, and others have stated that they are using the Ukraine as a client-state to wear-down the Russian military before going in for the kill.
- When I look at the "big picture" taking into account all the points I have noted, and some events in the past week, it is a fair bet we should be ready for the last trump call, ***"Come up hither!"***

For those who prefer to laugh at me and those who do not believe in the Pre-Tribulation Rapture, let me remind you of what you can look forward to after we are gone:

- A nuclear war between the U.S. and Russia, China, and North Korea;
- An intentional global banking crisis which began a few days ago and has become “contagion” and begun the dominoes to fall;
- An economic depression greater than that of 1929;
- Massive unemployment of the likes the country/world has never experienced in the past;
- Collapse of the college and university system;
- Starvation, deprivation of basic necessities,
- And even be-heading! need I say more.
- And it all was preceded by the Covid “bioweapon” release in 2019.

Speaking from personal experience, earlier this month, we were without electrical power for the better part of five days due to severe storms that passed through on Friday, March 2nd, 2023. We lost power at 2:39pm, logged on my computer as documents I was working on were autosaved with that exact moment.
