

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #191

This first post is important to everyone whether you believe in the Rapture or not. I have had this information since July and waited until a date after Labor day to share it with readers. Watch the video posted by Truth Seeker and his sources which include attorney Todd Callender, and retired military officers Dr. Lt. Col. Pete Chambers, and Major Jeff Prather. This further confirms everything that I have been posting since 2010. Virtually everyone has a cell phone, and if a person is vaxxed, **5G** signals will be activated through the Emergency Broadcast System that will be used to kill millions. **READ CLOSELY AND VIEW THE VIDEO.**

REPORT: Marburg Virus And Other Pathogens To Be Used To Destroy Humanity And Even Create Zombies (video) Must Listen!!!

This video report is about the evil plans of the globalist elites to destroy humanity by one of their means using the very deadly Marburg virus which is in many if not all of the Covid 19 vaccines that many people received. Other pathogens were included with the Marburg virus which is of the Ebola virus family. These viruses are contained within a microscopic nano lipid hydrogel that was in the Covid 19 vaccines. These hydrogels will break down and release these deadly viruses once they are exposed to a high energy level **5G** pulse with three **5G** pulses. Then the deadly destruction will begin with all those who received the vaccines with the hydrogel containing the deadly viruses.

Apparently there will in effect be zombies be created as described in this video. The Marburg virus is not very contagious but it is very deadly and those who have the hydrogel.

There is a planned testing nationwide of the emergency broadcast system with cell phones and it is strongly suggested to protect your phone from this test by using a high quality faraday bag but if you don't have one available you can use aluminum foil and wrap your phone tightly in a manner that would seemingly keep water from entering if submerged in water. Then wrap your phone again as extra insurance but make very sure that you turn your phone completely off and if your battery can be removed, even better. This test is currently scheduled for October 4, 2023. You can read about it here -> <https://www.fema.gov/press-release/20230803/fema-and-fcc-plan-nationwide-emergency-alert-test-oct-4-2023>

Please share this video everywhere you can.

If your phone is not off then your phone will likely be damaged as your phone will increase its signal to a high level as it seeks for a cell tower. If your phone is not tightly wrapped in foil as described it is then possible for the test signal to still effect your phone. This test is currently scheduled for **October 4, 2023**.

FEMA and FCC Plan Nationwide Emergency Alert Test for Oct. 4, 2023

Release Date**Release Number**

August 3, 2023

HQ-23-124

Release Date:
August 3, 2023

Test Messages Will be Sent to All TVs, Radios and Cell Phones

WASHINGTON -- FEMA, in coordination with the Federal Communications Commission (FCC), will conduct a [nationwide test](#) of the [Emergency Alert System](#) (EAS) and [Wireless Emergency Alerts](#) (WEA) this fall.

The national test will consist of two portions, testing WEA and EAS capabilities. Both tests are scheduled to begin at approximately 2:20 p.m. ET on Wednesday, Oct. 4.

The WEA portion of the test will be directed to all consumer cell phones. This will be the third nationwide test, but the second test to all cellular devices. The test message will display in either English or in Spanish, depending on the language settings of the wireless handset.

The EAS portion of the test will be sent to radios and televisions. This will be the seventh nationwide EAS test.

FEMA and the FCC are coordinating with EAS participants, wireless providers, emergency managers and other stakeholders in preparation for this national test to minimize confusion and to maximize the public safety value of the test.

The purpose of the Oct. 4 test is to ensure that the systems continue to be effective means of warning the public about emergencies, particularly those on the national level. In case the Oct. 4 test is postponed due to widespread severe weather or other significant events, the back-up testing date is Oct. 11.

The WEA portion of the test will be initiated using [FEMA's Integrated Public Alert and Warning System \(IPAWS\)](#), a centralized internet-based system administered by FEMA that enables authorities to send authenticated emergency messages to the public through multiple communications networks. The WEA test will be administered via a code sent to cell phones.

This year the EAS message will be disseminated as a Common Alerting Protocol (CAP) message via the Integrated Public Alert and Warning System-Open Platform for Emergency Networks (IPAWS-OPEN).

All wireless phones should receive the message only once. The following can be expected from the nationwide WEA test:

- Beginning at approximately 2:20 p.m. ET, cell towers will broadcast the test for approximately 30 minutes. During this time, WEA-compatible wireless phones

that are switched on, within range of an active cell tower, and whose wireless provider participates in WEA, should be capable of receiving the test message.

- For consumers, the message that appears on their phones will read: "THIS IS A TEST of the National Wireless Emergency Alert System. No action is needed."
- Phones with the main menu set to Spanish will display: "ESTA ES UNA PRUEBA del Sistema Nacional de Alerta de Emergencia. No se necesita acción."

WEA alerts are created and sent by authorized federal, state, local, tribal and territorial government agencies through IPAWS to participating wireless providers, which deliver the alerts to compatible handsets in geo-targeted areas. To help ensure that these alerts are accessible to the entire public, including people with disabilities, the alerts are accompanied by a unique tone and vibration.

Important information about the EAS test:

- The EAS portion of the test is scheduled to last approximately one minute and will be conducted with the participation of radio and television broadcasters, cable systems, satellite radio and television providers and wireline video providers.
- The test message will be similar to the regular monthly EAS test messages with which the public is familiar. It will state: "This is a nationwide test of the Emergency Alert System, issued by the Federal Emergency Management Agency, covering the United States from 14:20 to 14:50 hours ET. This is only a test. No action is required by the public."

Unsustainable - The UN's Agenda for World Domination

Globalists in the Power Elite -- working through the United Nations -- are waging war against property rights, gun rights and capitalism in order to usher in a Marxist World Order. This war is known as "Agenda 21."

Considered a "conspiracy theory" by the Mainstream Media and other apologists of globalization, the flagship term for Agenda 21 -- "*sustainable development*" -- crops up in thousands of federal, state and local government laws, regulations, policies and documents. So is Agenda 21 really just a "theory"?

The UN says "*sustainable development*" is simply the "Environmental Movement" reconfiguring the planet into a safe, green world. Others maintain it's the forced inventory and control of all land, water, minerals, plants, animals, building projects and human beings on the planet. In other words, a blueprint for what many fear could morph into a totalitarian World Government. So what's the real agenda behind Agenda 21?

This is a captured photo of a satellite laser hitting the land of Greece which has been experiencing fire storms like Canada, the U.S., and elsewhere in the world. The term used to describe it is called "Pillar of Light!" Note the lightning bolt that is generated by the laser beam. The fires in Maui, HI and Paradise, CA are two of the most recent examples where DEW laser beams were used to incinerate communities. The program has been top secret but numerous fires have been caught on cell phone pictures of the laser beam amid the smoke and fire.

The super laser weapon technology was developed by Dr. Harold Putoff, as a CIA laser scientist in 1992 - 93. He is now President of EarthTech (EarthTech.org) in Austin, Texas.

The super laser weapon operates at a harmonic of the Lighthouse Frequency, in the infrared spectrum. The laser beam is not visible. It does not burn material - it rapidly ages the atoms and molecules, which creates the massive dust seen in the videos. This satellite weapon is still in orbit today.

This Scalar Wave technology vaporized the World Trade Center, #1 & #2, on 9/11/2001. It is the focus of a book by Dr. Judy Wood, 'Where Did The Towers Go?'

Dr. Judy Wood (DrJudyWood.com) describes how an advanced laser weapon system was used to destroy the towers. The cookie-cutter holes show how the towers were brought down and the material was turned into dust, mid-air.

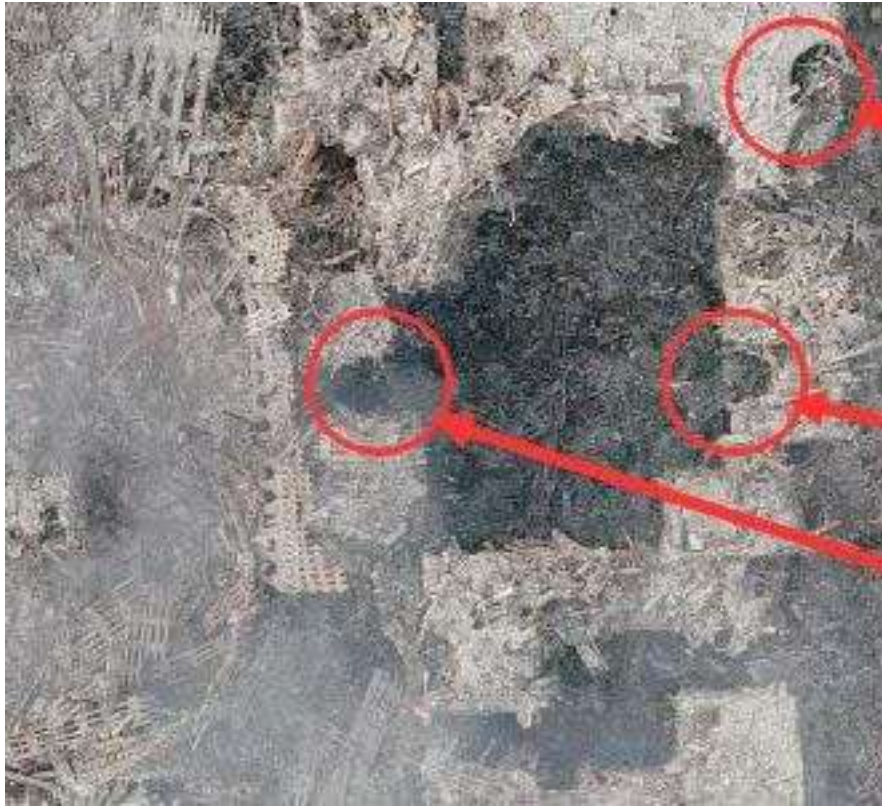

Figure 63 from DrJudyWood.com - Note the "cookie-cutter" holes made by a Laser. These holes are about 30 feet (9 meters) in diameter. This is an aerial photograph of the World Trade Center taken shortly after 9-11.

Dick Cheney is an unrepentant war criminal and a monster. He directed and ordered the events of 9-11.

What Really Happened?

1. Dick Cheney gave the orders for the CIA and Air Force Space Command to destroy the World Trade Center and hit the Pentagon with a cruise missile on 9-11. Confirmed by Dr. Morgan Reynolds, who worked in the White House as an economics advisor during 2001. To this day, he is still a Professor Emeritus at Texas A & M University. He testified in a lawsuit in 2006. Dick Cheney gave the orders, and then gave the orders to cover it up, in the months following. If the

Professor had lied about any of his testimony - he would have been fired for ethics violations.

These steel I-beams were more than 700 feet tall and 2 inches thick, next to the American Express Building. Rapid-aging turns the steel into dust, almost instantly, when hit with the super infrared laser. The infrared laser does not use visible light. This infrared laser satellite weapon was operated by the Air Force Space Command from Schriever Air Force Base on 9-11-2001.

3. Dick Cheney is the Director of the Targeting Program, funded thru the CIA.

4. Richard B. Cheney is a member of the corrupt Council on Foreign Relations (CFR).

Figure P-1
Overview of the Targeted Individual Program

1) More than 300,000 Targeted Individuals in the U.S., are being tracked and attacked with High-Powered Microwave (HPM) weapons, from satellites and cell towers, 24/7. These weapons are controlled from Schriever Air Force Base in Colorado. See our pictures of microwave burns as proof: <https://www.targetedjustice.com/microwave-burns1.html>
 This is the same weapon system, used on the U.S. Diplomats in Cuba, called "Havana Syndrome."

Many famous people are Targeted Individuals: Ed Snowden, Julian Assange, and William Binney. Roseanne Barr, Van Morrison, Randy Quaid, Dennis Kucinich (former Congressman) and John McAfee (dec.). They are hit with painful microwave attacks every day.

2) Most people in the world, are being precisely tracked by microwave pulses using Lockheed GPS satellites, operated by the U.S. Space Force, Squadron 2, at Schriever Space Force Base in Colorado Springs. This is the largest satellite operations facility in the world. <https://satellitemap.space/?constellation=GPS>

3) Panel antennas on cell towers are part of a "global distributed weapon system." The antennas use digital beamforming to create microwave "bullets," that can be very painful, and even lethal. U.S. Patent 10,164,694

4) Subliminal messages are directed from Cell Towers, at everyone, 24/7. Schriever Space Force Base is the control source. U.S. Patent 4,877,027. Senators, Congressmen, Judges, and even the President, are being hit with specific subliminal messages to affect their decisions. This is the technology behind "Mass Formation Psychosis." (See the Joe Rogan interview with Dr. Robert Malone at 2:37:00)

5) Approximately 1/3 of the global population is "highly suggestible" and easily manipulated by these subliminal messages, because many are effectively in a Deep Trance, even while their eyes are open. These people can be commanded to say or do, almost anything. Many secondary personalities are also involved.

6) The CIA controls and funds this illegal program, with direction from the Council on Foreign Relations (CFR). The program is based on MK-Ultra mind control technology, and the FBI's illegal COINTELPRO.

7) Many people can feel the satellite-tracking microwave pulse, on the top-back part of your head – about one pulse each second. Many people can hear the cell tower tracking "popcorn," by cupping your hands over your ears for 60 seconds.

8) This news article quotes NSA data - as of 2019, there are 200,000 Targeted Individuals in the United States, and more than 5.5 million worldwide. The FBI calls these people "Targets," or "Non-Investigative Subjects (NIS)."

COINTELPRO. Known tactics included: Discrediting, smearing, character assassination. Covert campaigns to destroy interpersonal relationships, Harassment, Conspicuous surveillance (also known as stalking), anonymous letters and phone calls, IRS tax audits, legal harassment, Manipulation or strong-arming of parents, employers, landlords, school officials and others to create problems for targets. Threats, intimidation, surreptitious home searches and "black bag" jobs, vandalism, "Sneak & Peak," Constant surveillance.

MK-ULTRA features and goals include: Create a subject who is easier to control and manipulate, create programmed assassins, develop more effective means of torture and interrogation, break down the personality of the subject and insert new belief systems, ethics, politics, personality traits; performed on unwitting and unwilling subjects; manipulate mental states and alter brain function; surreptitious drugging; isolation; verbal and sexual abuse; various forms of torture employed; promote illogical thinking and impulsiveness in the subject so that they will be discredited in public; attempt to produce amnesia for periods of time; surreptitious production of shock or confusion in subject over extended periods of time; attempt to alter the subject's personality; attempt to lower the subject's ambition and work efficiency; attempt to impair eyesight and/or hearing; attempt to activate specific behavior by remote means.
