Top 6 ways the GENOCIDE CULT wants to FORCE-VACCINATE all humans, except themselves and their own children

09/10/2023 // [S.D. Wells](#) at Mike Adams Health Ranger

Anyone who thinks they can refuse to be turned into an immune-compromised mutant is in for a rude awakening, according to the pharma globalists that are all part of a genocidal cult with the same agenda – reduce the world's population by several billion people using [deadly spike proteins](#) and [snake venom peptides](#). Since the fear-based plandemic only scared about [5.5 billion sheeple](#) worldwide (over 72% of the world's population) into getting at least one deadly dose of millions of toxic spike proteins, the globalists are scheming and plotting many other ways to infect the rest of the humans with their lab-concocted population reduction "medicines."

The globalists now have their lab coat "technicians" working around the clock to create novel ways to infect every human with deadly prions, venom, and [nanoparticles that cause vascular clots](#), vital organ failure, brain damage, and infertility. By injection, food, physical touch, or the atmosphere, one way or another, Bill Gates and Anthony Fauci are trying to ensure that everybody on planet earth (except themselves) gets force-vaccinated with population-reduction technology.

This is no conspiracy theory, as the "science" and evidence has piled up as high as a mountain, in every nation of the world, and is literally bragged about by the people funding and promoting it all.

Here are the top 6 ways the genocide cult of globalists want to force-vaccinate all humans with deadly spike proteins, nanoparticles, and poisonous venom peptides

- #1. Gene-mutation injections disguised as "vaccines"
- #2. Chemtrails [deployed over populations](#)
- #3. Micro-needle patches

- #4. Hidden in the food supply, starting with meat
- #5. Genetically modified mosquitoes
- #6. [Shedding of spike proteins](#) from the "vaccinated" to the "unvaccinated" masses

Follow the science and you find millions of real-life horror stories that are virtually non-existent in the mass media. Follow the "science" and you end up infected with genetically modified viruses, genetically mutated cells, genetically-altered cells where you own body creates "novel" toxins, and taking medications made with poisonous venom peptides taken from the most deadly creatures on Earth. Still wondering why every prescription medication commercial has insanely scary side effects? Again, follow the science.

Japanese doctors just reported that mRNA-induced spike proteins from Wuhan coronavirus vaccines "do persist in the body," continuing on to describe how several months after being jabbed with the "technology," the spike protein prion toxins do NOT dissipate 'almost immediately,' as Fauci, Walensky, and the CCP military would have us all believe. Oh, those messenger RNA lies. Lies stacked on top of lies, on top of more lies.

Patients around the world are "becoming gravely ill almost immediately following injection" of the messenger RNA technology of protein prions

Patients around the world are "becoming gravely ill almost immediately following injection," – the researchers are sounding the alarms. This is Paul Revere's great ride to tell everyone the "Spike Proteins are Coming!" The whistleblowers are blowing the ram's horn at the top of the mountain.

The scientists, immunologists, naturopaths, and truth journalists are following the science, just like the scientists and MDs always said to do, and the cold hard truth is that the vaccine industrial complex wants to kill off 50 percent or more of the living humans right now.

Clinical trials for the vaccine patches (injection-free microarray vaccines) are already concluded for Bill Gates and his genocide cultists as "safe and effective" for all humans, at all times, everywhere. The micro-needle patch can be stuck onto children everywhere, like a happy little band-aid or temporary tattoo, while warping the [child's immune system](#) to prepare it to catch the next "gain of function," cross-species, lab-concocted-and-released GM virus. Hello new "vaccine delivery technology." Someone could shake your hand and deliver these, or they could be woven into clothing next, or sewn into the new wave of *Cabbage "Patch" Kids* dolls. Then while the infant is playing with it, voila. "Fully vaccinated."

The chemtrail bio-vaccination program has been long underway, used mainly up to this point for biowarfare against the enemy. Spraying of bacterium DNA particles via chemtrails dates all the back to when the USA deployed them on Chinese and Korean populations in 1946. Oops. Sorry about that. People got mass-vaccinated from the sky,

and ended up with all kinds of diseases and disorders, including AIDS, cancer, diabetes, dementia, and even chronic fatigue. Again, follow the science.

Now it's time to watch out for Bill Gates' GM malaria vax-mosquitoes that sting you into submission of the world's deadliest viruses. Forgot about gain of function, just have insects flying around with their needles and then everybody is "covered" under that force-vaccination "act."

Then there's vaccine shedding and spike protein steaks to start worrying about. Thanks a lot Big Pharma.

Governments Are Implementing “Green Sunday” as the Solution to the Climate Crisis

Pay close attention, and don't underestimate what is taking place today. The effort to combat global climate change and the work of exalting Sunday rest are inseparably joined together and closely dependent upon one another. The primary responsibility of a city council is to pass regulations and city ordinances that govern everyday city life. The City Council of São João da Madeira in Portugal, however,

is dangerously mixing politics and religion with the goal of bringing people together to work collectively on environmental issues.

City officials in this Portuguese community recently designated four Sundays each year as “Green Sundays.” This environmental campaign aims to increase public awareness of the risks posed by climate change. However, by including Sunday in these government actions and by calling this event “Green Sunday,” it demonstrates that churches and religious organizations will play a significant role in helping to find the right policies to address the climate crisis.

The 2023 Green Sunday events were scheduled for May 28th, June 18, July 2, and September 24. City officials in São João da Madeira released the following in an article titled “Green Sunday Arrives this Weekend.” The statement read in part:

- “The 2023 Green Sundays cycle begins, with various activities taking place on Avenida Dr. Renato Araújo between the Largo do Souto area and the city Hospital roundabout, a section that will be closed to traffic, to promote a more environmentally sustainable city, with fewer carbon emissions and more inclusive mobility. ” [1]
- “All people are invited by the Municipal Council of S. João da Madeira to attend this area of the city and join this edition of the event, contributing to improving health and urban quality and developing a mobility model less dependent on individual transport and with lower greenhouse gas emissions. ” [1]
- “In addition to this May 28 edition , others are scheduled to take place on June 18th, July 2nd and September 24th, with these and other activities. ” [1]

So what is the solution to help us implement sustainable practices, become more energy efficient, and reduce greenhouse gases? The answer is Green Sunday. This is how the world is responding to the climate crisis. This is exactly what Pope Francis has been trying to accomplish for the past few years.

Pope Francis has been pleading with political, religious, and business leaders to undergo an “ecological conversion” in order to hear the “cry of the earth.” This is a call to protect the planet from climate change and to make “Sunday” the day of creation (*Laudato Si’* #237). Rome is in favor of promoting environmental policies that favor Sunday rest for the people. This is not a conspiracy theory; this is a conspiracy fact. The Pope’s climate message is perfectly aligned with the push for Sunday rest.

And don’t expect that the Sunday rest initiative for the environment will go away anytime soon. The truth is that this “Green Sunday” proposal to save the environment will only intensify.

“It will be declared that men are offending God by the violation of the Sunday sabbath; that this sin has brought calamities which will not cease until Sunday observance shall be strictly enforced”

Unless God intervenes, we are about to witness the passage of radical environmental policies that will favor Sunday closing measures. All that is needed is for world leaders to declare a “climate emergency,” just as they declared a “public health emergency” during the Covid-19 pandemic. Have we forgotten how political leaders unilaterally suspended civil rights, closed churches, stopped travel, and closed businesses through oppressive Covid-19 mandates?

The Meaning and Significance of Annular Eclipse and Comet Nishimura in 2023

In this video Dr. Dale M. Sides, Founder and President of Liberating Ministries for Christ International, reviews multiple Celestial Phenomena that will be occurring, new moon to new moon, from September 15, 2023 to October 14, 2023.

Video notes are listed below for your further study. Watch Dr. Dale Slides interpret the cosmological events that begin to appear in the heavens in a couple days. I have followed Dr. Dale for nearly a decade and his interpretation of the Mazzaroth or the Gospel in the Stars have been simply astonishing.

<https://www.youtube.com/watch?v=VIm33bfJmnI>

Overview of events:

New Moon to New Moon Rosh ha Shanah (9/15/23) to Eclipse (10/14/23).

Mars in the birth canal of Virgo Comet Nishimura visible during this time.

Passes through womb of Virgo Eclipse in the hottest spot of the ecliptic- in conjunction with Spica or Al Zmach 8 days after Succot.

Fulfillment of Jesus 5-fold ministry as The Branch.

Overall meaning:

Virgo is all about the kingdom and Mars is all about war.

The eclipse marks the multi-faceted ministry of Jesus Christ, as the King of kings.

It looks like war with Jesus initiating the attack to take back what belongs to Him.

If it is the rapture, then conquering of the rest of the world will certainly be on the priority list.

The fact that Comet Nishimura may be visible to the naked eye accentuates this beyond exaggeration.

Special thanks to Stellarium for providing charts of the Annular Eclipse and the Nishimura Comet's arc path in the heavens.

In helping folks understand the implications of this video, Dr. Dale mentions that it is the Lord who initiates the End Times at the 8-minute point in the short video. What caught my attention is the point that Scripture states the Tribulation period is “seven” years in length, and all of the public statements by the Antichrist Prince Charles continues to repeat that he only has “seven” years to save the planet. All the news reports have stressed the urgency of this “seven” years, from the UN, from the WEF, from the UK, Craig Bong and Janie Duvall video reports likewise note this deadline emphasis.

T.W. Trimm posted another article on Comet Nishimura today that provides additional insights in our remaining time as we anticipate the Rapture. You can't make any of this up. This is simply incredible for Bible-believing Christians.

OF THE MANY coincidences associated with Comet Nishimura, one of the most compelling has to do with its orbit.

According to astronomers, the last time the comet returned from its long journey around the Sun, to pass by Earth, was 435 years ago.

In the Strong's index of every Greek and Hebrew word in Scripture, #435 Greek is the word “*anér*,” meaning “betrothed or future husband.”

Additionally, the first name of the comet's discoverer, Hideo, means “husband.”

That the long-orbit Comet Nishimura has a dual connection to the word husband is significant, because Jesus is depicted as a husband who is returning from a long journey:

“My husband is not at home, He has gone on a journey far away ... and will come home at the day appointed” (Prov. 7:19, 20).

There is more.

Strong's #435 Hebrew is the word “Elul,” referring to the sixth biblical month, which Jews call the “*month of the bride*.” With this in mind, it is striking that Elul 1 (August 18) is when the newly discovered Comet Nishimura began to make news:

Headline – ‘New Comet Predicted to Brighten Rapidly as it Sprints Sunwards’ <https://astronomynow.com/.../new-comet-predicted-to.../>

Throughout the month of Elul, astronomy and prophecy circles have been abuzz about Comet Nishimura. But the most remarkable part of the comet’s concurrence with Elul is that it will reach perihelion, or shine its brightest, as the “month of the bride” is ending on September 16–17. Moreover, that same day, the Feast of Trumpets, Comet Nishimura will enter the Constellation Virgo, the sign depicting a virgin as a symbol of God’s people:

“At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. Five of them were foolish and five were wise” (Matt. 25).

After the Feast of Trumpets, the comet will sweep toward the left hand of Virgo, which holds a sheaf of wheat, before exiting the sign of the virgin on September 23, the last day of summer.

In summary:

- The 435-year orbit of Comet Nishimura points to the Strong’s #435 words, “betrothed,” “husband,” and “Elul.”
- The comet was discovered by Hideo Nishimura, whose first name means “husband,” a week before Elul began in 2023.
- All during Elul, sky watchers have been abuzz about the newly discovered comet.
- As Elul ends, Comet Nishimura will shine its brightest as it enters Virgo at the Feast of Trumpets.
- Finally, the comet will sweep toward Virgo’s sheaf of wheat, and then exit the sign around the last day of summer.

Scripture says the heavens speak to us:

“The heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they reveal knowledge” (Ps. 19:1, 2). The message of Comet Nishimura is that the Bridegroom is coming. Exactly when He will arrive, no one knows. But judging by the signs, it is soon.

2. Strong’s Greek #435:

<https://www.bibletools.org/.../Lexicon.show/ID/G435/aner.htm>

3. Name meanings:

Hideo means “husband.” <https://www.behindthename.com/name/hideo...>

Nishimura means “to go west.”

<https://japanese-names.info/last-name/nishimura/>

This is significant because Jesus’ return is said to be as lightning flashes from “east to west” (Matt. 24:27).

4. Coincidentally, the Gematria value of the name Hideo Nishimura is 153, corresponding to the 153 fish, symbolic of Christians, who are “**caught up**” and brought before the Lord (John 21).

5. It appears that Hideo Nishimura was chosen by God to discover the comet. Subtracting 435 years from 2023, we arrive at the year of the comet’s last visit 1588. Strong’s #1588 is the Greek word “**eklektos**,” referring to one who is “chosen out by God for the rendering of special service to Him.”

6. Comet Nishimura’s last fly-by in 1588 was a Sabbatical year, so there are “62 weeks” between the comet’s two visits in 1588 and 2023 (Dan. 9:25).

7. Elul is the “month of the bride” in Judasim: <https://www.chabad.org/.../The-Month-of-the-Bride.htm...>

8. Strong’s Hebrew #435:

<https://www.bibletools.org/.../Lexicon.../ID/H435/Eluwl.htm>

9. The wise virgins in Matthew 25 are those who have “oil” for their lamps, representing the indwelling presence of the Holy Spirit that comes with knowing Jesus as Savior. The foolish virgins are also expecting the Messiah— Bridegroom, but they lack the oil required to go out and meet Him.

- Psalm 23, the most quoted Psalm in the Bible, ends: “***I will dwell in the house of the LORD forever***” (Ps.23:6).

- Leviticus chapter 23 describes the appointed times of the Lord. The fall festivals are detailed beginning in verse 23.

- Though not biblical, the “23 enigma” is a phenomenon popularized by various books, movies, and conspiracy theories, which holds that the number 23 appears with unusual frequency in various contexts and may be a symbol of some larger, hidden significance.

IMPORTANT MESSAGE: No one knows the day or hour of Jesus' return (Matt. 24:36). However, a convergence of biblical signs and timelines suggests it is near. To escape the judgment reserved for a God-rejecting world, one must be in a saving relationship with Jesus Christ. If you have not yet done so, call on His name and believe that He is the Son of God who died for your sins and was raised from the dead (Rom. 10:13). Do it today. Time is running out.

Prince Charles is descended from Vlad the Impaler, the Romanian tyrant who inspired Bram Stoker’s Dracula

Prince Charles reportedly has blood ties with Vlad the Impaler, the Romanian ruler believed to have inspired Bram Stoker’s Dracula. Prince Charles of Wales, is reportedly descended from the 15th-century Romanian tyrant, Vlad the Impaler (Vlad Dracula), believed to have inspired Bram Stoker’s horror novel, Dracula, published in 1897.

According to the website Romania Tour Store, David’s Hughes book, The British Chronicles, includes a genealogical tree that shows that Charles is “the great-grandson 16 times removed” of Vlad the Impaler through Queen Mary, George V’s consort.

Charles has publicly acknowledged his reported blood ties with the Transylvanian ruler.

“Transylvania is in my blood. The genealogy shows I am descended from Vlad the Impaler, so I do have a bit of a stake in the country,” Charles joked during a 2011 TV interview, according to Express.

The Prince of Wales reportedly first became aware of his blood ties to Vlad the Impaler while visiting Transylvania in 1998.

He has since visited Transylvania on multiple occasions. He owns several properties in the region. He is also involved in charity work in Transylvania through his Prince of Wales Foundation.

Prince Charles and Margareta, the Custodian of the Crown of Romania, are fourth cousins. Margareta of Romania is the daughter of King Michael I and Queen Anne of Romania. She became Custodian of the Crown in 2017 after her father died.

King Michael I was the last king of Romania. He was forced to abdicate the throne in 1947. Although Romania's monarchy had been abolished, Michael designated his daughter, Margareta, as heir presumptive to his defunct throne before he died.

The designation is not officially recognized by the Romanian government and lacks constitutional validity. Margareta visited the U.K. and spent summer vacations with her cousins — Prince Charles and Princess Anne — when she was a child. She attended the University of Edinburgh and graduated in 1974.

Prince Charles visited the Romanian Royal Family in Bucharest in 2017.

Who was Vlad the Impaler?

Vlad was the voivode or ruler of Wallachia — a region of modern-day Romania — in the mid-1400s. He had acquired a reputation for extreme cruelty and brutality before his death in 1477. Stories of his acts of cruelty were the subject of popular literature dating back to the late 1400s.

Vlad was portrayed in the accounts of his army's atrocities as a *“demented psychopath, a sadist, a gruesome murderer, a masochist.”*

An account of Vlad's military campaign against Ottoman Sultan Mehmed II by the Byzantine Greek historian Laonikos Chalkokondyles includes shocking stories of his gruesome acts, including horrific massacres of civilians.

Even the Ottomans, who were known for their cruelty, were shocked when, in June 1462, they entered the Romanian city of Targoviste — after Vlad's men had abandoned it — to find twenty thousand men, women, and children impaled on stakes. The victims reportedly included infants and their mothers impaled together.

While it is known that Vlad must have been a fearsome ruler who committed shocking atrocities, scholars believe that some of the circulating accounts originated from enemies who exaggerated his acts.

Prince Charles is a confirmed descendant of Dracula and owns properties in Transylvania. This means that the former Prince of Wales is the heir to Vlad the Impaler's bloodline

It was more than 530 years later, in 1998, King Charles found out about his links to the Romanian ruler. Prince Charles was said to bring back Tudor tradition when he becomes King, whatever that might be. Your guess is as good as mine.

A genealogical tree in The British Chronicles written by David Hughes supports this claim. The website adds: *"It's also no secret that Prince Charles is very fond of Romania, especially of the Transylvania region. It was after his first visit to Transylvania in 1998 that he found out about his connection to Vlad the Impaler, a connection that he is apparently very proud of."*

"Through the Prince of Wales Foundation, Prince Charles has done plenty of charity work in Transylvania, especially in the fields of sustainable development, conservation, and farming systems. Because of his strong involvement in the region, the mayor of the city of Alba Iulia has proposed to grant Prince Charles the title of Prince of Transylvania as recognition for being a prominent ambassador of the Transylvania region all over the world."

A great-great grandmother of King Charles' late mother Queen Elizabeth II, Hungarian Countess Klaudia Rhedey, was also born and raised in Transylvania in the 19th century.

King Charles now owns several properties in the Romanian region - in Viscri, in the Zalanului Valley, in Malancrav and in Breb. These villages have now become popular with tourists. Viscri is known for its pastel-colored houses and its UNESCO World Heritage fortified church.

It is said that Zalán Valley used to belong to one of Charles' ancestors. The tiny hamlet of Zalán Valley (Zalánpatak in Hungarian, Valea Zălanului in Romanian) was first documented in the 16th century as belonging to Bálint (Valentin) Kálnoky of Kőröspatak, one of the Transylvanian ancestors of H.R.H., The Prince of Wales. *"The family had originally founded a glass factory in this part of the hills, which has since ceased to exist. Today, around 120 inhabitants live in the village."*

"Prince Charles owns the property that had been built for the former 'judge' who was overseeing the glassworks and the village. It is composed of several buildings, and has a patch of forest and extensive flower meadows, with mineral springs and small brooks belonging to it." The properties are now holiday cottages and can be booked by tourists.

Prince Charles has been noted visiting a couple of very important occult sites. Prince Charles visited Transylvania on Friday, [May 3, 2002] two weeks after the last surviving descendant of Count Dracula advertised for a noble English heir to carry on the line

made famous by his blood-sucking ancestor. The heir to the British throne toured the mediaeval town of Sighisoara, near to where the Romanian authorities are building a Dracula theme park, Mediafax news agency reported. The 60-hectare park is based on the fictional blood-sucking count.

"The self-proclaimed last surviving descendant of Count Dracula said last month he was seeking a blue-blooded English heir to carry on the family line. Ottomar Rodolphe Vlad Dracula Prince Ketzulesco ... was himself adopted in 1987 by Prince Ketzulesco, the last living member of Vlad the Impaler's family ... the 62-year-old said he would seek an English lord or lady "who might want to become part of the family and carry on the line".

But not a commoner, he insisted. *"We would like to adopt -- but a real prince or princess. I cannot just take anyone from the street",* he told Britain's Independent newspaper. *"They must be nobles and should be younger than me, obviously. It would be a great advantage if they could have children too".*

A quick check of Tim Cohen's book, *'Antichrist And A Cup of Tea'*, reveals that Prince Charles is a descendent of Count Dracula (Page 77), while the listing of the website, above, also lists Prince Charles as being descended from the Romanian family of which the father of the original Dracula was a part. It is a most powerful satanic location, deeply rooted in the occult for hundreds of years.

While most Americans and Europeans have come to view Count Dracula and the Vampire legend of which he is a part as just innocent fantasy, occultists have a very different view. They know that Vampires are real -- really demons -- that do possess human beings. Vampire demons are Reptilians and wield the most potent power for the highest level practicing Satanists.

These vampire demons do drink human blood, and lots of it. In fact, the occultist views the fulfillment of Revelation 20:4 as being carried out by vampire demons over-running the world during the time of Antichrist. Let us view this verse:

"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands..."

Black Magick occultists view this beheading as one of the major evidences of reptilian vampire demons running amok over the earth during the time of Antichrist, for huge quantities of blood gush out instantly when a person is beheaded. Does the Bible foretell that huge numbers of demons shall be set loose upon the earth during this time of Tribulation?

It certainly does: Revelation 9:1-11; Revelation 9:13-19. Most commentators believe the latter verse to be the number of troops marching from the East, probably from China, to attack Israel; we concur. However, it is within the realm of possibility that an equal

number of the demonic host would be released at the very time the Chinese Army begins its move with 200 million men. Thus, in the mind of the occultist, the demonic host encouraging this beheading would be vampire demons, giving them insatiable appetites for human blood. I know this may seem strange to most people.

What was Charles doing here at Dracula's Castle? That is anyone's guess, except, one can only wonder if he were participating in a high-level occult ritual designed to call forth the spirit of Antichrist into Prince Charles? We know that members of the Thule Society held secret rituals for the express purpose of calling forth the Spirit of Antichrist into Adolf Hitler, and that they did so not too long before Hitler embarked on his public campaign to ascend to the office of German Chancellor --(Trevor Ravenscroft, *'The Spear of Destiny'*)

However, former Black Magick Satanist, and former Mother of Darkness, Cisco Wheeler, sheds even more light on this subject: The Queen Mum has recently died and she was part of the Illuminist Generational Witchcraft of the House of Windsor. In fact, this Satanism has long been so pronounced for so many generations that the entire Windsor family has been possessed by Reptilians for these many generations. Therefore, Queen Mum was possessed of a Reptilian spirit. As soon as she died, her Reptilian spirit became disembodied, and would desire to live in another human body.

If the world is as close to the appearance of Antichrist as we think it is, and if Prince Charles is that man, then another occult probability raises its head; it is possible, and is extremely interesting. If Prince Charles is to soon appear as Antichrist, he not only needs to become more powerful, but needs to form a triangle of satanic powers. To the occult, a triangle is the most potent geometric symbol of all, and an equilateral triangle is the most powerful of all triangles. Charles may very well have wanted to form this occult "*triangle*" that will greatly strengthen him for his coming role.

Therefore, the Count Dracula location would be well suited to call the Reptilian spirit that possessed Queen Mum into Prince Charles. Not only would Charles be greatly strengthened by calling into his being a much stronger Reptilian demon than has possessed him for his entire lifetime, but an interesting perfect equilateral occult triangle -- or Trinity -- is formed within Prince Charles.

1. Satan would be = God the Father, the first part of the occult Godhead.
2. Charles would be Antichrist = the second part of the occult Godhead.
3. Queen Mum's reptilian spirit would be the Third Part of the occult Godhead, = equivalent to the Holy Spirit.

Thus, would be formed the very necessary occult Trinity within the future Antichrist himself, using the occult sacred form of the equilateral triangle! Satan would then ritualistically possess Charles, but not actually reside in him yet. However, ritualistically, a perfect equilateral triangle would form.

We see the prophetic time in which Satan physically possesses Antichrist. Read:

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent [Reptilian], called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him ... Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time." –(Revelation 12:7-9, 12b)

It is entirely probable that Prince Charles went to this exceedingly powerful occult location - Dracula's Romanian estate -- to perform the high-level ritual that would allow Queen Mum's Vampiristic Reptilian spirit to enter Charles. Since Queen Mum's Reptilian spirit was higher level than Charles', Prince Charles would be greatly strengthened, better equipping him for his role.

But, then Prince Charles traveled immediately to another Cabalistic, Illuminist location. Prince Charles visited an all-male religious sanctuary on May 7, 2002, Yahoo News. *"THESSALONIKI, Greece - Britain's Prince Charles is visiting the secluded monastic community of Mount Athos on a private trip, police said Tuesday. They said Charles arrived Sunday — Orthodox Easter (May 5, 2002) — at the all-male sanctuary that is on a peninsula in northern Greece. They did not know how long his visit would last. Both Charles and his Greek-born father, Prince Philip, are members of the Friends of Mount Athos, a group based both in Britain and the United States ..."*

Since most people do not know what this "monastic community of Mount Athos" really is, they would have totally missed the significance of this trip. You are about to learn that this group is deeply Satanic, and has long historic roots.

"... a sect existed long before the time of the Crusades corresponding to the description of the Johannites given by Eliphas Levi in that it was Cabalistic, anti-Christian, yet professedly founded on the doctrines of one of the St. Johns ... Loiseleur asserts that the Templars did prefer the Gospel of St. John to that of the other evangelists, and that modern Masonic Lodges claiming descent from the Templars possess a special version of this gospel said to have been copied from the original on Mount Athos. It is also said that 'Baphomets' were preserved in the Masonic Lodges of Hungary, where a debased form of Johannite Masonry, known as Johannite Masonry, exists to this day. If the Templar Heresy was that of the Johannites, the head in question might be that of John the Baptist, which would accord with the theory that the word Baphomet was derived from Greek words signifying Baptism of Wisdom ... they regarded St. John as the servant of the Jewish God Satanael." <http://www.antiquillum.com/gadosh24.htm>

Thus, Prince Charles visited a most deeply occult secret society monastery, arriving on an occult day -- Orthodox Easter, May 5, 2002. What was he doing here? Cisco said that, after going through the ritual at Dracula's Estate, he would need a period of rest, of respite, in which his human body can fully incorporate such a newly powerful demonic host. This may also be related to the fact that the Coronation was on May 6th, 2023.

These two visits, on May 3 and May 5, 2002 makes complete sense if this dramatic new demonic infilling were really occurring! On these dates, a spiritual, occult equilateral triangle formed inside Prince Charles, greatly strengthening him at this point in time.

PLANETARY ALIGNMENTS ALSO FORM A PERFECT TRIANGLE AT THE SAME TIME!

The late pastor David Meyers, writing in the Last Trumpet Newsletter for May, 2002, had this independent description of the astrological alignments of the Heavens. Remember, occultists carefully follow the alignment of stars and planets, and methodically plan their key events to occur at a time they deem "most propitious" according to the heavenly alignment. You will discover that the heavenlies were forming a perfect equilateral triangle at this very same time -- May 5, 2002!

Meyers is a former Witch, although not at the same level as Cisco Wheeler, so his comments carry significant weight, especially when the subject is high-level Illuminist Witchcraft. He went to be with the Lord in June, 2010. You can find the full report at <http://www.lasttrumpetministries.org/2002/May2002.html>

"We now see a new development, and it is truly amazing. A very rare, if not unprecedented, event is now forming in the heavens. I will do my best to describe it because it is doubtless a sign from the Almighty. Our earth is tilted at an angle of twenty-three and one-half degrees. Because of this, all planets, the sun, and the moon follow a certain path as they move from east to west. This path is called the 'ecliptic'. The ancient Romans and Greeks called it 'the path of the gods'. The sun, moon, and other eight planets move at varying speeds, so generally only a few are visible in the sky at any given time."

"However, at the end of this month of April and for the first half of May, 2002, the planets will begin to line up like a celestial traffic jam. Dr. Philip Sadler, Director of the Science Education Department at the Harvard-Smithsonian Center for Astrophysics in Cambridge, Massachusetts, had this to say: 'The world hasn't seen anything like the planetary traffic jam that is going to occur the last week of April and the first two weeks in May! Inching across the sky like bumper to bumper commuters on their way to work, a rare planetary alignment will allow sky observers to see every planet in our solar system in a single evening!'"

"As these planets move along this line they form what are called 'conjunctions'. I counted them, and according to the Old Farmers Almanac, there will be exactly 11 conjunctions in the month of May. We must also note that May 1, or Beltaine as the witches call it, is the Druid New Year and a high cross-quarter sabat."

"Dr. Sadler also reported two more facts that are both stunning and amazing. Here are his exact words. 'Even more amazing, two very special events will occur during this planetary line-up. On May 10, the planets Mars and Venus will appear to pass so close

to one another that, to the naked eye, the Roman god of War and the Roman goddess of love will become one'.

"Needless to say, the witches will be going berserk with their spells and love potions during this time, and it will stir up a lot of spirits, who will attempt to cause perversion and a sexual revolution as has never been seen before. We must pray!"

But, then Pastor Meyers drops the bombshell:

"Earlier, on May 5, 2002 something even more spectacular will happen. The bright planets Mars, Saturn and Venus will group together to form a perfect equilateral triangle in the western sky. This dazzling configuration will be visible almost everywhere on Earth. In the Middle East, this pyramid-shaped specter will hang directly above Bethlehem.' Dr. Sadler also explained that the last time this happened was 2,000 years ago! This is without question a great sign in the sun, moon and stars and the very thing that Jesus told us to watch for. Our Saviour is soon to come with His fiery and righteous judgment." But Antichrist will come first)

Therefore, at the same time period Cisco believes Prince Charles was ritualistically receiving the "perfect equilateral triangle" formed by Queen Mum's Reptilian spirit, his Reptilian spirit and Satan, a perfect equilateral triangle was forming in the skies above. Satanists order their lives and their plans by the stars and planetary alignment, so this convergence is not an accident.

Further, Satanists believe in the occult doctrine, "As it is above, so is it below", Thus, Prince Charles may have ordered this formation of the occult spiritual perfect equilateral triangle to correspond to the perfect equilateral triangle in the heavenlies. That alignment of his will with the Satanic "heavenly will" would produce much occult power! Prince Charles could be thus greatly strengthened for his coming role.

CONCLUSION

Events around the world seem to be heading for a final climax! In all three realms of Politics, Economics, and Religion, we see enormous strides toward the final global system that Antichrist will control. Watch the events in the Middle East, as they hold the key. Israel is in virtual chaos at this time.

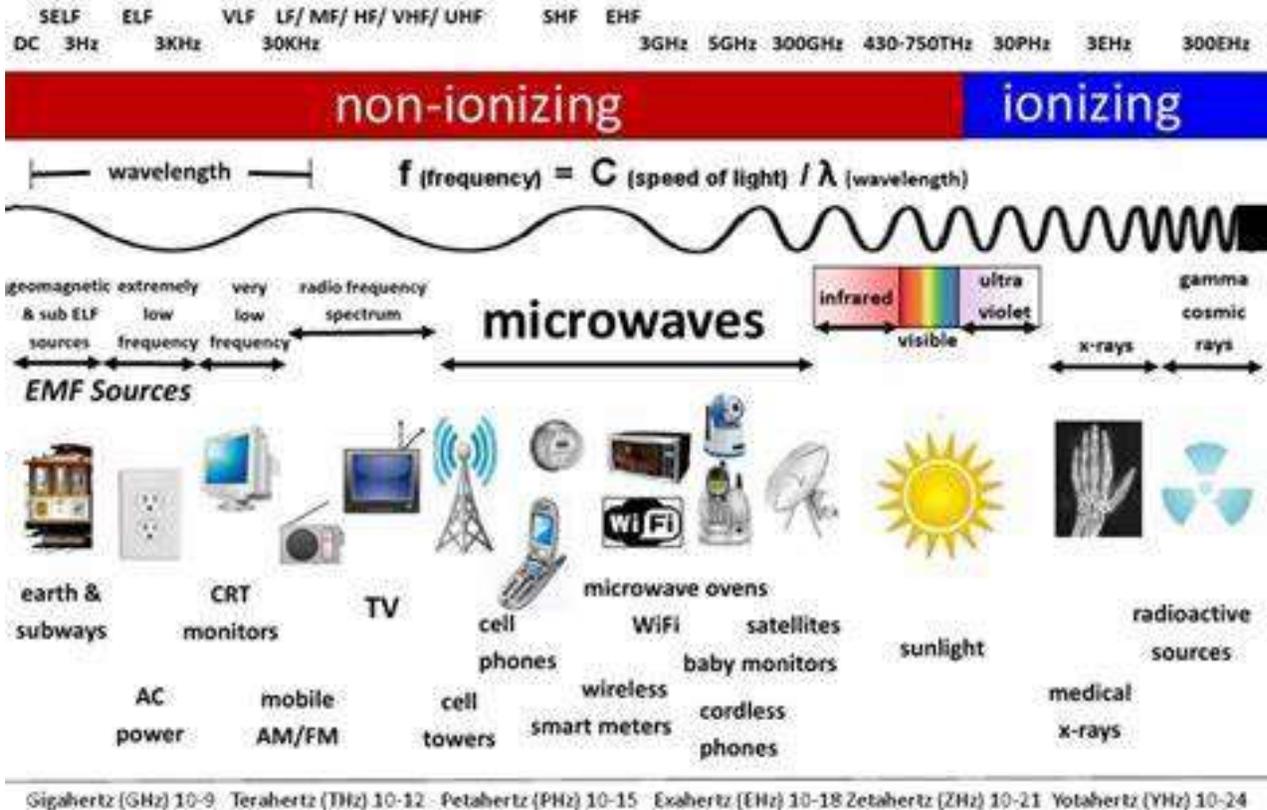

Answers to Questions in Regards to the EBS Plan and 5G Activating Pathogens in the Vaxxed Program Scheduled for October 4, 2023

Within two hours of posting Blessed Hope #191 my email was loaded with questions. I expected the article would get attention. The questions were all over the spectrum as I anticipated the need for detailed, reliable and accurate answers.

- The EBS said it would do a national emergency broadcast test by radio, television, and including all cell phones in the country. Previous EBS tests were limited to radio and television. However the public would not see the addition of cell phones to be unusual. In fact, the statement is a ruse in that AM/FM radio and television do not operate at the same frequency range as cell phones. **Think about it, how many people will have their radio or TV on at 2:20pm on October 4, 2023?** I think we can agree that most people will have their cell phones within arm's length distance. 97% of Americans have a cell phone, and 85% have "smart" phones. That is approximately 300-million people. If delayed, there is a backup date for **October 11th**, a week later. When I saw those numbers my mind began to race. I will explain this later but it is an occult signature!
- The **5G** technology roll out began on an occult date, October 31, 2019. Telecommunications like AT&T, T-Mobile, Verizon, and DISH worked six days a week during the entire time of the Covid lockdown installing infrastructure. Where I live in rural central KY, AT&T trucks were running the road six days a week.
- Since AM/FM radio and television operate at the lower end of the light spectrum, it is highly unlikely they will be able to broadcast the 18-GHz signal on October 4, 2023, without frying the electronics of radio or television sets. I have included two illustrations below so that you can visualize what I am saying.
- Your "smart" phones also contain a chip-set that contains a Cesium-137 microdot for GPS location purposes in locating the "smart" phone or the person possessing it. It can locate you within 2-meters or roughly just short of 7-feet. The "smart" phones including late model 4GLt model and the newer **5G** all contain the GPS locator chip-set. Without that Cesium-137 chip-set it ceases to be a "smart" phone. It gives off radioactive gamma rays whether the phone is on or off, 24/7/365. Cesium-137 is a carcinogenic isotope.
- It was government insiders (whistleblowers) who provided the plan information to Attorney Todd Callender, who had filed legal action against the DoD for mandating an unproven vaccine that turned out to be a "gene" therapy test to determine what the human body could withstand in its application execution. It is part of a plan to turn homo sapiens into what Todd calls homo borg genesis, a new species.
- Not all who were vaxxed have received "kill" shots. Placebo's were administered to many in order that the public would be confused or unalarmed as to the pattern of side effects and mortality. Some states received higher levels of the toxic vaxxes than others. So-called Red (Republican) states had much higher adverse effects than Blue states (Democrat). Edward Dowd, a stock analyst has published data that shows mortality hundreds of times greater than all previous mortality data.

THE ELECTROMAGNETIC SPECTRUM

- Those already vaxxed may or may not have the “messenger” mRNA spike protein which have the inserted three pathogen-combinations inside the vaxx itself. The pathogens embedded include at least three of which included: SARS-coV2, HIV1, Ebola, Marburg, and possibly Mycoplasma. Just a month ago, there was a published report by a group of scientists who proved you can change DNA with electricity. That statement was in essence an euphemism that confirms Wireless EMF/EMR can induce desired change to the human body. I think that explains the obvious.
- I myself keep my cell phone in a Faraday bag at all times unless I need to make a call. When I discovered my cell phone was a “smart” phone, I immediately bought me a Faraday bag to keep my phone in. I keep it folded except to charge the battery every few days. People who call me know to leave a voice mail. I will check my phone throughout the day every few hours to see if I need to return any calls. The reason I use a Faraday bag is because I have Lymphedema of my lower legs and feet, and the pain that comes with Lymphedema is aggravated by **5G** wireless EMF/EMR through my cell phone. My Lymphedema began five days after we had Verizon Wi-Fi installed back in our residence in PA on June 10, 2010. Keeping my cell phone exposure to an absolute minimum has reduced my leg pain by 70%. I have also hard-wired my computer as well to lower the pain.

ELECTROMAGNETIC SPECTRUM

- If you don't want to use a Faraday bag, which is not expensive, you can either remove the battery which prevents the phone from seeking out a homing cell tower signal; or use a couple sheets of cooking aluminum foil. I would wrap it one way first and then wrap a second way in the opposite direction to seal off any chance the phone can ping for a connection. Your cell phone is constantly every few seconds pinging for a cell tower connection; and that is occurring even when your phone is not in use. The main thing is to prevent your cell phone from becoming an invisible bullet and harming or killing you.
- The Covid pandemic scam was a Beta-test to test out the use of Wireless Energy by the global elite and their Satanic plan to "Depopulate" the world of 7.5-billion people. They used the "Hegelian" Dialectic to see how the public would respond and comply. They knew they could not get everyone to submit at the same time and had a follow up plan to execute after a short interlude reprieve. Even Bill Gates said the next pandemic would get the public's attention. One has to acknowledge and admit that this ingenious plan to "Depopulate" the world has been brilliantly planned, designed and orchestrated to mass murder millions. Numerous scientists and physicians, experts in their own field of training predict that up to five billion will die.

- The first victim of what became known as Covid-19 was 'Patient Zero', whose case was recorded on December 26, 2019, in Wuhan, China. He was admitted to hospital with respiratory symptoms including fever, dizziness and a cough. Patient Zero was relatively young and without significant health problems, yet he was subjected to a battery of tests, including genetic sequencing of fluid from his airways. We are told this led to the discovery of a new coronavirus subsequently dubbed SARS-CoV-2. As described in the seminal paper in 'Nature' from February 3, 2020, the clinical features of the illness of the alleged Patient Zero, from whom the genome of the 'novel virus' was said to have been sequenced, are quite typical of regular bacterial pneumonia. 'Patient Zero' became the invisible poster adult of a so-called rogue novel virus as the basis for getting old folks to line up for their "death" shots. The vaccines were patented years before and "weaponized" through "Gain-of-Function" The rest is history.
- Keep the date & time in mind, **October 4th, 2023 at 2:20pm Eastern Standard Time. A backup date has been set for October 11th in case of so-called weather issues.** Those dates and time suggest a dark hidden occult meaning behind this plan.
 $4 + 2 + 2 + 3 = 11$
 $11 + 11 = 22$
 11
- *"The number 11 is the Aquarian number since Aquarius is the 11th sign of the zodiac."* Further, the occultist generally reveres the number '11', as W. Wynn Wescott explains: *"... so 11 is the essence of all that is sinful, harmful, and imperfect."* Thus, while 11 is very important, multiples are also important, such as 22, 33, 44, 55, 66, 77, 88, and 99.

Shockingly, reminded of the tragedy at the World Trade Center and at the Pentagon has 11 instances of '11' woven throughout the entire event, making it a most terrible and powerful signature. Let us review these 11 instances in which this attack is carried out according to the number 11:

- The first 11 is formed by the day on which this tragedy occurred, September 11.
- 2. The second 11 is formed by adding the 9th month, September, and the date, [1 plus 1], forming another 11.
- 3. The third 11 is formed by the airplane number that first crashed into the World Trade Tower. That plane was American Airlines Flight #11.
- 4. The fourth 11 is formed by the airplane number that crashed into the Pentagon. That plane was United Airlines Flight #77 [11 x 7].
- 5. The fifth 11 is formed by the North Twin Tower of the World Trade Center was 110 stories tall [11 x 10]

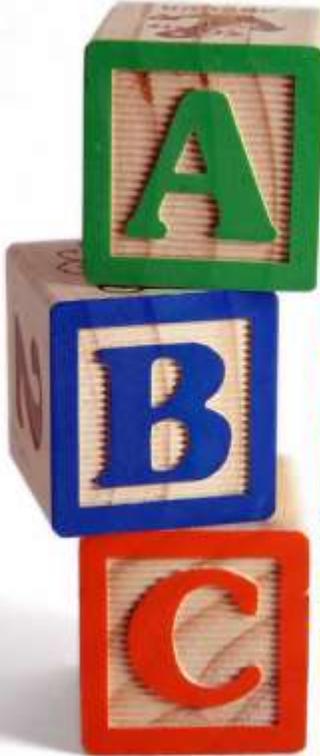

- 6. The sixth 11 is formed by South Twin Tower, the World Trade Center was 110 stories tall [11 x 10]
- 7. The Architecture of the Twin Towers of the World Trade Center -- the Twin Towers formed an '11' before the attack.
- Satanists love to express their beliefs and their goals in architecture. Thus, many of the buildings of Washington, D.C., were created originally with occult symbols on them, and in them. This fact is the reason why the street designs are created in such a way as to form Satanic symbols. The streets north of the White House form an inverted Pentagram, the Goats head of Mendes, while the streets joining the White House to the Capitol form one side of a Masonic Compass, while other streets form the Masonic Square and Rule
- 8. The eighth '11' is formed by one of the doomed flights, where the crew totaled '11'.
- 9. The ninth '11' is formed by the fact that September 11 is the 254th day of the year. When you add 2 + 5 + 4 you get '11'
- 10. The tenth '11' is formed because, after September 11, there are 111 days left in the year.
- 11. The eleventh '11' is formed by the historic fact that New York State was the 11th state to join the Union in preparation to create the 13-state confederation that would declare independence from England.
- Thus, we have at least 11 firm and fundamental instances in which this tragedy was carried out "by the numbers" just as any Illuminist would want, because they believe a good plan can fail unless it is carried out according to the correct numbers sacred to the Satanist. The more numbers, the greater the chance of success. This very strong numeric signature on this attack clearly sends a signal to the rest of the occult world that this event was Illuminist, and that it signaled the beginning of a further series of events that will bring the world to the coveted Third World War that will produce Antichrist.

However, most importantly of all, Bible prophecy assigns the Number '11' to the Antichrist in Daniel 7:8! ***"I considered the (10) horns, and behold, there came up among them another horn, a little one (Antichrist) ..."*** Bible scholars have always called Antichrist the "11th Horn". Thus, this occult and Illuminist preoccupation with the Number 11 as they strive to produce their Antichrist, is dictated by Biblical prophecy concerning Antichrist.

With all of this information I trust the report shared in the previous segment, will occur as revealed by government and military whistleblowers.

Days to September 19th as of 9/13/23 – 6 Days
Days to COP28 November 30th as of 9/13/23 – 78 Days
