Quoting Bible, Netanyahu tells world leaders, ‘You have a choice between a blessing or a curse’ – peace with Saudis, or war with Iran

Israeli Prime Minister Benjamin Netanyahu addresses the 78th Session of the UN General Assembly in New York City, September 22, 2023.

In his first in-person address to the United Nations General Assembly in five years, Israeli Prime Minister Benjamin “Bibi” Netanyahu painted two dramatic visions of the future and urged the leaders of the world to choose.

One vision, Netanyahu said, is a world in which:

Israel and Saudi Arabia make an historic and transformational peace treaty and many Arab and Muslim states follow suit

Iran and the Palestinians choose peace instead of terrorism and nuclear war

The world cooperates to insure that Artificial Intelligence (AI) brings dramatic new blessings of peace and prosperity to all of mankind

The other vision, Netanyahu argued, is a world in which:

Iran and the Palestinians choose war instead of peace

The world does nothing to stop the Iranian regime from acquiring nuclear weapons and a terrible war erupts in the Middle East

Artificial Intelligence replaces humanity with machines, jobs are decimated, tyranny reigns, and AI leads the world into an unimaginable and catastrophic war

Quoting the Bible both at the beginning and end of his speech – specifically passages from Deuteronomy, chapters 27 and 28 – Netanyahu set the stage for his remarks citing the story of Moses telling the Israelites on the east side of the Jordan River that when

they cross to the west side, they must divide themselves and stand on two different mountains and there they should reflect on the truth that the God of Israel was offering them; two starkly different paths.

“Ladies and gentlemen, over three millennia ago, as they were about to enter the Promised Land, Moses spoke to the people of Israel,” Netanyahu began his address. *“He said they would find there two mountains facing one another – Mount Gerizim, the site on which a great blessing would be proclaimed, and Mount Ebal, the site of a great curse.”*

“Moses said that the people's fate would be determined by the choice they made between ‘the blessing and the curse.’”

“That same choice has echoed down the ages – not just for the people of Israel but for all humanity,” Netanyahu told the gathered world leaders and a global audience on live television.

“We face such a choice today,” he said.

“It will determine whether we enjoy the blessings of a historic piece of boundless prosperity and hope, or suffer the curse of a horrific war of terrorism and despair.”

“When I last spoke at this podium five years ago, I warned about the tyrants of Tehran. They've been nothing but a curse – a curse to their own people, to our region, to the entire world.”

“But at that time, I also spoke about a great blessing that I could see on the horizon,” Netanyahu added.

After forging six Arab-Israeli peace treaties in 75 years – including four Abraham Accords agreements just in 2020 – the Israeli leader spoke of the enormous promise of peace with the Kingdom of Saudi Arabia.

“Today, as we tear down the walls of enmity, Israel can become a bridge of peace and prosperity between these continents,” he said. *“Peace between Israel and Saudi Arabia will truly create a new Middle East.”*

“We'll build a new corridor of peace and prosperity that connects Asia through the UAE, Saudi Arabia, Jordan, Israel to Europe,” Netanyahu declared, adding that *“as the circle of peace expands, I believe that a real path towards a genuine peace with our Palestinian neighbors can finally be achieved.”*

“Two days ago, I discussed this vision of peace with President Biden. We share the same optimism for what can be achieved, and I deeply appreciate his commitment to seize this historic opportunity. The United States of America is indispensable in this effort. Just as we achieved the Abraham Accords with the leadership of President

Trump, I believe we can achieve peace with Saudi Arabia, with the leadership of President Biden. Working together with the leadership of Crown Prince Mohammad bin Salman, we can shape a future of great blessings for all our peoples.”

But Netanyahu warned that *“there is a fly in the ointment.”*

“The radical, poisonous, terror regime in Tehran is determined to thwart all this and sow more seeds of destruction in the Middle East”, he said.

“That is why the world must unite to put enormous financial and diplomatic pressure to neutralize the Iranian nuclear threat and terror threat once and for all.”

Netanyahu is under attack from every possible direction.

But this week – and particularly today in this speech – he rose to the occasion.

He spoke calmly and clearly and convincingly to a world that needs to hear the ancient words of the Moses.

- The ancient truths of the Bible.
- We are at a crossroads.
- We face a blessing or a curse.
- May we choose well.
- Because the stakes could not be higher.
- Palestinians must not have a veto.

The timing is ideal in that it will ensure his remarks will be the lead story on the evening TV news programs in Israel, and give newspaper and online reporters and editors just enough time to prepare their reports and analyses before the Sabbath begins at sundown.

It will also give the prime minister and his wife, Sarah, and their senior advisors enough time to finish up their official meetings, board their flight home to Israel, and get back just in time for Yom Kippur — the Day of Atonement, the holiest day on the Jewish calendar — that begins this year on Sunday at sundown.

No work or travel of any kind is permitted for Jews on Yom Kippur.

The speech comes at the end of a successful week for Netanyahu.

Saudi Crown Prince Mohammed bin Salman Al-Saud (MBS) told Fox News that he and Netanyahu are getting [“closer every day”](#) to a historical and game-changing peace treaty and that he can work with any Israeli leader, including Netanyahu.

That was a huge win for the prime minister, confirming what he has been saying publicly for months.

What's more, while MBS said he is committed to helping the Palestinians improve their lives, he noticeably did not insist that Israel agree to the establishment of a sovereign Palestinian state before Riyadh could make peace with Israel.

Meanwhile, the president of the Congo told Bibi that he would move his embassy to Jerusalem soon.

Turkish President Recep Erdogan told Bibi he would like to visit Jerusalem for the first time.

Bibi also had excellent meetings with other world leaders, as well as with Tesla CEO and X (Twitter) owner Elon Musk, arguably the most influential business leader on the planet.

True, Netanyahu was not invited to meet with President Joe Biden at the White House. That was certainly a disappointment for Bibi.

However, [the two leaders did meet in person](#) in a Manhattan hotel for the first time since Bibi came back to power almost 10 months ago.

It's [absolutely shameful](#) that Biden has refused to welcome Netanyahu to the White House all year, especially when there are so many major topics to discuss, from neutralizing the Iran nuclear threat to forging peace with the Saudis.

Biden vaguely mentioned at the top of his meeting with Netanyahu that he hoped to see the prime minister *"by the end of the year,"* but by announcing no firm date Biden simply compounded the serious error that he's making.

That said, they met. That's not good enough but it does represent progress. Now, with his UN address — and armed with the very encouraging MBS interview — Netanyahu has the chance to make a good week great.

The Occult is The Spiritual Foundation of The United Nations. The Stage Is Set For The Coming One World Government Under One World Leader.

"No one will enter the New World Order unless he or she will make a pledge to worship Lucifer." (David Spangler, Director of Planetary Initiative, United Nations)

"The United Nations is the greatest fraud in history. Its purpose is to destroy the United States." (John E. Rankin, a U.S. Congressman)

"The age of nations must end. The governments of nations have decided to order their separate sovereignties into one government to which they will surrender their arms." (U.N. World Constitution)

The first president of the United Nations General Assembly, Paul-Henri Spaak, who was also a prime minister of Belgium and one of the early planners of the European Common Market, as well as secretary-general of NATO, affirmed, *"We do not want another committee, we have too many already. What we want is a man of sufficient stature to hold the allegiance of all the people and to lift us up out of the economic morass into which we are sinking. Send us such a man, and whether he be God or devil, we will receive him."*

THE OCCULT CHARACTER OF THE UNITED NATIONS

April 25, 1945. (4/25/ 4+2+5=11) Delegates from 50 nations met in San Francisco on April 25, 1945, for what was officially known as the United Nations Conference on International Organization. During a two-month period, they completed a charter consisting of 111 articles, based on the draft developed at Dumbarton Oaks.

The charter was approved on June 25 (6/25=6+2+5=13) and signed the next day; it became effective on October 24, 1945, after ratification by a majority of the signatories. The bonds of the wartime alliance undoubtedly hastened the agreement on establishing the new organization. In December 1945 the Congress of the United States invited the UN to establish its headquarters in the United States.

The organization accepted and in August 1946 moved to a temporary location in Lake Success, New York. (New York was the 11th state to endorse the Constitution.) Later that year a site was purchased bordering the East River in New York City, (New York City is exactly 11 letters.) and plans for a permanent headquarters were drawn up.

Number 11:

In systems such as Astrology and basic Numerology, eleven is considered to be a Master Number. Eleven can also represent sin; transgression and peril. Ten being the perfect number, eleven represents the exceeding of both. It is interesting to note that eleven when broken down (1+1=2) comprises the Two of duality. (Lucifer tried/wanted to be equal to God)

Number eleven is a master vibration and as such should not be reduced to a single number. People with this number could be both idealistic and visionary, and they are attracted to the unknown. They can be both unusual, interesting and magnetic personalities. Eleven bring the gift of spiritual inheritance, (system of the Anti-Christ) is gifted as the "Light-Bearer".

Eleven (11) is a sacred number. When eleven is multiplied by the perfect number 3, the number 33 is produced, a number of tremendous occult importance. In 1933, Adolf Hitler and President Franklin Roosevelt came to power. Both these men were committed to the establishment of the New World Order, and their actions impacted humanity greatly. It was also in 1933 that the First Humanist Manifesto was issued. Do

you see how Satan manipulated world history to produce three New World Order events in 1933? Thus, a powerful 333 served as a framework for world events in that year.

Occultists Worship Numbers.

A copy of a top-secret document has been smuggled out of the Executive Office Building in Washington DC. Parts of it are as follows: On transfer of sovereignty to the United Nations, those who do not conform to United Nations authority will be considered Resisters and declared Enemies of The Government. Public statements in support of the old ways and favoring continued United States nationalism will be considered Enemy Doctrine. Are You An 'Enemy of the State?'

The Purpose of the build-up of World Wars was to create a Need for Peace so that United Nations may be needed and then created as a Solution for establishing peace between nations. A World body of Government with a World Court and a World Police to keep nations in place and to concentrate power into a few people's hands. Who's hands?

William Howard Taft, Skull and Bones graduate of 1878, helped found the American Society for the Judicial Settlement of International Disputes in 1920. This soon became the League to Enforce the Peace, then the League of Nations, and then finally The United Nations. If you look at things from a historical perspective, the U.N. today has implemented or is in the process of implementing all the planks of Adam Weishaupt's Manifesto.

When George Bush took us to war in the Persian Gulf, he stated boldly that he didn't need the approval of Congress anymore to declare war because he had a U.N. Mandate. We have sacrificed a large part of our U.S. sovereignty.

The U.N. has passed a Declaration of Children's Rights. It is now a Right for the child to receive vaccinations, which do more harm than good, and a parent doesn't have the right to interfere. Parents who interfere with the rights of a child or abuse a child or are accused of abuse can have their children taken by the state. If you are seen spanking a child more than two or three times, the child abuse police will be unleashed against you. This amounts to nothing more than a giant power transfer, from us to them.

The Vatican and UN working for the same one-world government and religion under a one-world leader

(Adopted from The UN's Occult Purpose Revealed by Their Own Writings by Greg Szymanski)

In years past, Pope Paul VI once read a papal encyclical that boldly called on the nations of the world to ban sovereignty and form a world government.

As reported by William T. James in a book he wrote called *'Foreshocks of the Anti-Christ'*, published in 1997, he noted that Paul VI held a staff with a bent cross, a symbol of Lucifer with emaciated Jesus arms stretched out in a Masonic triangle with pine cones at his feet.

Coincidentally, Pope John Paul II throughout his tenure carried the same staff.

And just like Paul VI, John Paul II called for a "New World Order", dedicating an entire Jan. 1, 2004 speech to this concept while extolling the virtues of unity and sanctioning the work of the United Nations.

In another book entitled *'Broken Cross: Hidden Hand in the Vatican'*, the mention of the staff with the bent cross in the hands of John Paul II comes up again, the writer quoting a Masonic encyclopedia regarding its hidden meaning:

"A broken or bent cross is a symbol used by Satanists, black magicians and sorcerers of the middle ages making use of it to represent the Biblical term the 'Mark of the Beast,'" said the author, reminding us that it is just another blatant symbol of the Anti-Christ.

With the Pope now declared as the moral religious by all government leaders as well as the likes of 33rd degree Freemason, Billy Graham, the tool used by all those in the New World Order camp to bring about their synthesis of change will be the United Nations.

And it is clear when one studies the intent of the UN, its purpose is both political and spiritual.

Let's look at organizations created by the UN as well as quotes from several top UN officials, past and present.

In 1994, in a World Goodwill Newsletter, that publication reported the creation of a UN Interfaith Organization called the Temple of Understanding, the goal being to create a *"spiritual UN."*

Its supporters in fact were not small fries but people like Eleanor Roosevelt and Anwar Sadat, indicating this organization has top-level approval.

Two other facts stand out, verifying the UN's purpose far exceeds just the legal and political realms. We are facing the full brunt of that from decisions made this week at the UN General Assembly Opening Session.

Founded in 1995, the United Religious Organization was founded under the UN's watchful eye, stressing a unification of all religions. According to UN documents, the organization fell into place by 2000 and became fully operational by 2005.

“Do not worry if not all religions will join the United Religious Organization. Many nations did not join the UN at the beginning but later regretted it. It was the same with the European communities and it will be the case with the world's religions because whoever stays out and aloof will sooner or later regret it.”

Do not take Muller's word's lightly as he was one of the biggest UN movers and shakers and through his own admission and theoretical associations is a high-level occultist with a hidden agenda.

Known as the father of global education, Muller's UN credentials include being the author of the World Core Educational curriculum and drawing up the framework for world media coverage.

According to several researchers, what every person has to learn henceforth is inspired by this man. However, this begs the question, who inspired Muller?

In the book, *'The World's Last Dictator'* by Dwight L. Kinman, Muller states:
“We must move as quickly as possible to a one-world government, one-world religion under a one-world leader.”

In other writings, Muller claims to have been deeply influenced by Jesuit priest Teilhard de Chardin, saying *“I myself have been deeply influenced by de Chardin and his global long term thinking.”* Called the father of the New Age Movement, Muller further states that de Chardin always viewed the UN *“as the progressive institutional embodiment of his philosophy”* (Jesuit philosophy). The Jesuits are Satanists at the core and their presence can be found over and over in the geo-political-religious-economic sectors.

De Chardin wrote in 1955: *“Although the form is not yet discernible, mankind will one day awaken to a ‘pan-organized world’”*. Although this should tip off readers to the UN's occult agenda if you know anything about the occult hidden agenda of the Jesuits, Muller further links his ties to Luciferianism with this quote listed in the forward of his World Core Curriculum.

“The underlying philosophy upon which the Robert Muller School is based will be found in the teachings set forth in the books of Alice A. Bailey.”

Bailey, was a high priestess of the New Age with ties to H.P Blavatsky as a former head of Blavatsky's Theosophical Society.

In this startling quote, Bailey tells us of the occult agenda behind the formulation of the UN: *“...the effects of the UN in the formulation of a world plan can be seen in the planning and preparation of the New Age. From the very start of this unfoldment, three*

occult factors have governed the development of these plans,” said Bailey, who wrote 24 books of esoteric philosophy under a company called Lucifer Publishing. The name was changed to Lucis Trust and is

Speaking of Lucifer while supposedly receiving channeled messages from Tibetan Djwal Khul, Bailey added in one of her works entitled *The Reappearance of Christ*:

“The major effect of his appearance will surely be to demonstrate in every lands the effects of inclusiveness...all who see no true or basic difference between religion and religion or between man and man or nation and nation will rally around him; those who embody the spirit of exclusiveness and separateness will stand automatically and equally revealed and all men will know them for what they are.”

It is clear to those Bible readers, Bailey is not talking about Jesus of the Bible, but the counterfeit Lucifer who is worshiped by the few “enlightened men at the UN” controlling world policy through occult teachings.

To further make this clear ask why the UN Prayer room is shaped like a Trapezoid after looking up the significance and purpose of the Order of the Trapezoid as told by occult writers?

Although quotes abound linking the Vatican, the Jesuits, Freemasonry, the leaders of the U.S., and the UN to Luciferianism, we will leave you with only one, leaving the rest for future articles.

Here is a quote by Brock Chisolm, former director of the World Health Organization made in the Christian World Report in March 1991:

“To achieve world government it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas.”

Pope Francis calls for *“One World Government”* To *“Save Humanity”*

Speaking with Ecuador’s “El Universo” newspaper, the Pope said that the United Nations doesn’t have enough power and must be granted full governmental control *“for the good of humanity.”*

Here is more from the Guardian:

Pope Francis will this week call for changes in lifestyles and energy consumption to avert the “unprecedented destruction of the ecosystem” before the end of this century, according to a leaked draft of a papal encyclical. In a document released by an Italian magazine on Monday, the pontiff will warn that failure to act would have *“grave consequences for all of us”*.

Francis also called for a new global political authority tasked with *“tackling ... the reduction of pollution and the development of poor countries and regions”*. His appeal echoed that of his predecessor, Pope Benedict XVI, who proposed a kind of super-UN to deal with the world’s economic problems and injustices in a 2009 encyclical.

Those who do not know Bible Prophecy [History told in Advance] are being blinded and seduced by Lucifer’s demonic spirit through the Antichrist Prince Charles and the False Prophet Pope Francis.

Global events have started to move at a pace that is absolutely breathtaking. Just this week, world leaders at the UN adopted a 7 year agreement which is intended to greatly accelerate the globalist agenda between now and the year 2030. But most people in the general population have no idea that this just happened.

But it isn’t just global events that the general population is clueless about.

Bible prophecy is being fulfilled right in front of our eyes on a daily basis, but most people do not even understand that we are living in the end times.

This is why Jesus said that there is a Blessing for those who read the book of Revelation. ***“Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.”*** –(Revelation 1:3) While it may not be apparent, this is what Jesus was referring to when He told the Apostle John to write, ***“Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;”*** –(Revelation 1:19). The entire KJV Bible is one huge book of prophecy. Over the past couple years things became clear when I began to look at Scripture in a way that God intended it to be I experienced a huge breakthrough in understanding the Bible as revealed in and through History [HisStory].

Prophecy in the Old Testament involved speaking God’s message and was not strictly limited to prediction of the future. But the Greek writer Plutarch defined prophecy as predicting the future that is caused by the present and past; the Jewish Sibyl was said to prophesy the things that were before, were present and would come about (Sibylline Oracles 1:3-4). Jewish apocalyptic writers often divided history into ages as a prelude to their prophecies about the future (though often writing under a pseudonym, ostensibly before the history occurred). O.S. Hawkins wrote a beautiful little book, ‘The Bible Code: *Finding Jesus in Every Book of the Bible*’. The title tells it all. It appears to me that most theological institutions have failed their students through their school of higher criticism.

Revelation 4:1 is the quintessential passage in my exegesis of God’s Holy Word. ***“After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will show thee things which must be hereafter.”*** (The

churches are not mentioned from Revelation chapter 4 to 19. It is incredible to think that they are on earth and not mentioned).

If you follow the events and reports in this series, it should be stressed that all or nearly all will affect people once Bible-believing Christians are called up and reading the last clause of Revelation 4:1 absolutely imply a Pre-Tribulation Rapture. The many mandates, and so-called “Sustainable Development SDG’s”; the CBDC digital dollar; the Net Zero Goal for Carbon; the 15-minute communities; C40 cities; will begin to take effect as the world moves into the final “seven” years of God’s 6,000 year history [again, History has been told in Advance]. Prince Charles occult Satanic world view is predicated upon transforming all of creation with a so-called upgrade of the species from that of Homo Sapiens to Homo Borg Genesis, or Humanity 2.0. He knows well that it is his last hurrah.

Almost 3/4 of Americans Think The Nation is Becoming a Police State.

Almost three-quarters of Americans – 72 percent – admit to being concerned that the United States is becoming a “police state” engaging in mass surveillance, censorship, ideological indoctrination, and the targeting of political opponents, according to a recent survey from Rasmussen Reports. Of those concerned, 46 percent told pollsters that they were “very concerned” that the state is becoming tyrannical, with 26 percent answering “somewhat concerned.” Only 23 percent of Americans said they were not concerned, with less than one in ten Americans answering “not at all concerned.” Rasmussen also asked the 998 likely American voters whether they agreed with the statement: “*The FBI is a danger to the freedom and security of law-abiding Americans?*” Half of the respondents agreed with the statement, with the majority answered “*strongly agree.*” Republicans overwhelmingly agreed, with 45 percent answering “*strongly agree*” and another 23 percent answered “*somewhat agree.*” A total of 45 percent disagreed with the statement, with 26 percent strongly disagreeing. Democrats felt more strongly that the FBI assists freedom and security as 36 percent strongly disagreed, and a further 22 percent somewhat disagreed. Lastly, Rasmussen asked whether those surveyed: “*Which political party is a bigger threat to basic liberties in America: Democrats or Republicans?*” Unsurprisingly, the vast majority of both parties – 76 percent of Republicans and 65 percent of Democrats – told pollsters the opposition party was the greater threat. However, more Democrats believe their party is a bigger threat at 26 percent than Republicans at 20 percent.

Emergency Warning

Attorney, [Todd Callender](#) has been defending U.S. servicemen from being forced to take the Death Shot and he's been having his cases thrown out because our Constitution was suspended on March 13, 2020 under [42 CFR parts 70 and 71](#), which is the enabling statute for the Department of Health and Human Services (HHS) to assume power upon the declaration of a Public Health Emergency.

Todd joins Seth Holehouse from *Man in America* to discuss the next plandemic, with the release of the Marburg pathogen.

Most of us are unaware that Marburg was officially declared a pandemic nearly three years ago, according to [The Federal Register on December 9, 2020](#). This, despite the fact that only 10 people have died from Marburg in 40 years.

Nonetheless, the Marburg "pandemic" was declared in the middle of the COVID "pandemic" and the reason for this, Todd says is because it creates a suspension, not just of our Constitutional rights, but a suspension of our [human rights](#) – which includes the right to not be experimented on.

Todd explains that this is what happened to our Right to Informed Consent during the rollout of the COVID vaxx: it was suspended, which is exactly what these "Public Health Emergency" declarations do.

The way New Mexico Governor Michelle Lujan Grisham was able to circumvent the Constitution when she recently decreed a state-wide gun ban was by declaring a "Public Health Emergency". Two State Representatives are now rightly moving to [impeach her](#).

The PREP Act also has a [Marburg Provision](#), that allows for additional spending, when invoked, which Todd says the HHS did with this Notice of Declaration Under the PREP Act for [Countermeasures Against Marburg Disease](#).

So, for the purposes of the law, the Marburg epidemic has already happened. Those funds have already been used to build and supply quarantine camps throughout the United States. Now, all they need is people with blood coming out of their eyes and lying dead in the streets to claim that it's time for all of us to report to our local FEMA Death Camps.

Military whistleblowers have told Todd that those who received the COVID shots already have in their bodies the dormant Marburg virus encapsulated in lipid nanoparticles, which would be released into their tissues via a specific pattern of pulsed **5G** frequencies.

Marburg is a man-made virus that is similar to Ebola, which is also man-made. It causes bleeding from the eyes, ears and internal hemorrhaging throughout the body.

[Dr. Rashid Buttar](#) made the same claims – and he died under suspicious circumstances in May of 2023.

Last September, [Dr. Buttar told Maria Zeee](#) that lethal pathogens, including Marburg, Ebola and a mutated form of E. coli are in the jabs and they remain inert in the body while they are encapsulated within the hydrogel. They are activated by an [18 GHz signal](#) broadcast for three one-minute pulses, causing the hydrogel aka "lipid nanoparticles" encapsulating the pathogens to expand and release their toxic contents into the bodies of their hosts.

Todd tells Seth that he has seen several patents for this technology and he's also now seeing Help Wanted ads from the DoD seeking "a chemical, biological and radiological and nuclear ... exercise specialist/planner... [to create] realistic planning scenarios. Must have expertise in Ebola."

If we've learned anything from Event 201 and the [SPARS document](#), such declarations and drills can certainly indicate that we will be seeing the rollout of what they're declaring and training for.

Todd adds that according to his associate, Dr. Lee Vliet, it may not even be necessary to have these lipid nanoparticles, as the EMF signals, themselves have the ability to cause or imitate any disease known to man.

Todd tells Seth, *"According to the law, we are in a real pandemic. There isn't a single further thing that they need to do. If they wanted to, at this very moment, to start rounding people up and putting them into quarantine camps, they have that authority, per law, per legality – not the lawfulness. Those are two different things. But all of the preparatory work, where they can go to a sheriff and say, 'Do this, because the law says this and the judge is going to enforce this because the law says this,' has already been done."*

Todd points to the [Bureau of Justice](#), which was created by the DOJ in 2005 after the [WHO's International Health Regulations](#) were codified. When a Public Health Emergency is declared, law enforcement, public health, corrections and the judiciary all become one, under the Bureau of Justice.

This is where [42 CFR parts 70 and 71](#) come in, which enable the HHS to assume power upon the declaration of a Public Health Emergency and, as Todd says:

"They can forcibly detain you, test you, do anything they want with you, including giving you experimental treatments, according this law and it even complements vaccine passports and restrictions of your travel. Shelter-in-place, quarantine regulations, it's all there – it has been there from 2006, with the Bureau of Justice and 2016, in the Code of Federal Regulations."

"This is a plan. That's why I'm saying they already declared the pandemic. You don't have to question whether it's going to happen, you're in it, we're in the middle of it, right now. All we need is what you described, the catalyst. A few people falling over dead in the street, bleeding out of their orifices will work just fine to scare the holy Hell out of people."

*"And to your point, in Wuhan...that was the first **5G** city on the planet, that was Wuhan. They turned on 10,000 **5G** transmitters on, Halloween night 2019. The following week, people started falling over dead from what? Was it COVID? Was it radiation sickness? They used COVID as an excuse."*

*"What was the next city that happened in? Milan had the next breakout of coronavirus. You know what? The second city to adopt **5G**. The third was New York City. Bang, bang, bang. There's a direct correlation between the turning of these **5G** cities and these outbreaks of COVID."*

Todd notes that Marburg can only be transmitted through an exchange of bodily fluids but he suspects that our Dear Leaders will do everything to convince us that it is airborne but that we must not fall for it – especially because, as with COVID, there are therapeutics.

His associate, retired Green Beret and former Special Operations Flight Surgeon, Dr. Peter Chambers says that in the 2018 Green Beret medical handbook, soldiers who encounter Marburg or Ebola in Africa are told they need only take [Albendazole](#) or [Fenbendazole](#) and they'll be good to go. The more recent versions of this handbook have removed those details and state only that a new experimental vaccine has been developed for Marburg and Ebola.

The point Todd's making is that we don't have to fall for their lies again. We need members of law enforcement and the military – those who would be tasked with dragging us off the streets and into the camps – to understand that this is illegal, so that they won't enforce these laws, the same way that the eight Sheriffs in New Mexico recently refused to enforce their governor's Unconstitutional weapons ban.

Todd's website, [Vaxxchoice.com](#) provides legal self-help and contains a full repository of everything that he's talking about and other things; self-help legal documents, that if you sign up, you can get a daily update. In addition, there's [TruthForHealth.org](#), which [Dr. Lee Vliet](#) is in charge of that and where she's posted a Marburg fact sheet.

Phoenix, Arizona has become the first major U.S. city to impose the World Economic Forum's (WEF) total ban on meat, dairy, and private car ownership to fight "global warming."

However, many legal experts are warning the move is unconstitutional.

The Democrat mayor of Phoenix Kate Gallego says she wants to fast-track the WEF's radical agenda so that the city is fully compliant with WEF policies well ahead of the 2030 deadline set for the C40 Cities Climate Leadership Group.

C40 Cities is a group of American cities that signed a WEF treaty that legally compels them to ban meat, dairy, and private car ownership by the year 2030.

Globalist politicians around the world have all agreed to ban members of the public from consuming meat and dairy and banning them from owning cars by 2030.

C40 Cities also placed strict limits on the number of items of clothing people can purchase each year, and severely restricts air travel to once every three years.

The new rules suggest that members of the public should "wear a uniform" to reduce fashion-based clothing needs.

The organization is headed by billionaire globalist Democrat Mike Bloomberg, according to [Slay News](#).

Much of the [funding](#) comes from Bloomberg Philanthropies.

As of August 4, 2023, C40 has a membership with “*mayors of nearly 100 world-leading cities collaborating to confront the climate crisis,*” according to the group’s [website](#).

The organization’s webpage advocates for a “[Global Green New Deal](#)” that “lays out a set of principles to be adopted by cities worldwide and takes a collaborative approach to climate action.”

These include:

Principles of the Global Green New Deal

- 1. We recognize the global climate emergency.***
- 2. We are committed to keeping global heating below the 1.5°C goal of the Paris Agreement by curbing emissions in the sectors that are the most significant contributors to the climate crisis: transportation, buildings, and waste.***
- 3. We are committed to putting inclusive climate action at the centre of all urban decision-making to create thriving and equitable communities for everyone.***
- 4. We invite our partners – political leaders, CEOs, trade unions, investors, and civil society – to join us in recognizing the global climate emergency and help us deliver on science-based action to overcome it.***

Phoenix Mayor Gallego, a member of C40 since [2020](#), now serves as “*Vice Chair of the C40 Steering Committee,*” which “*provides strategic oversight to ensure C40’s mission and mandate are directly driven by and responsive to the needs of C40 cities.*”

Their mission and mandate [include](#) a [Race to Zero](#) global campaign to reach net-zero carbon emissions in 1,000 cities worldwide and “[sustainable food policies](#)” that support “*an overall increase of healthy plant-based food consumption in our cities by shifting away from unsustainable, unhealthy diets,*” A.K.A. carnivorous diets.

This also comes as Arizona’s Democrat Governor Katie Hobbs recently declared a “*heat state of emergency,*” mainly in Phoenix.

Many argue that the move from Hobbs is likely meant to accelerate the implementation of these radical “*climate*” policies.

Jeff Caldwell with [EZAZ.org](#) published more on his research into the City of Phoenix and Mayor Kate Gallego’s agenda “to reduce meat consumption” in Arizona.

Arizona patriots showed up to give public comment at a recent Phoenix City Council meeting and reportedly *“told the mayor they do not support policies banning meat.”*

Later that day, the nervous Phoenix mayor posted a bizarre photo on Twitter/X.

In the post, Gallego claimed she is not working to ban meat or milk.

In the poorly staged propaganda photo, Gallego is seen pouring milk into a bowl and seemingly “enjoying cereal” with a knife.

Second - this post:

Leaders at the UN just made a 7 year agreement to implement a single Global Agenda

Have you heard about the agreement that global leaders adopted at the United Nations during the “2023 SDG Summit” that was held earlier this week? On Monday and Tuesday, officials from all over the world gathered in New York City to commit their nations to fully implement the 2030 Agenda and the Sustainable

Development Goals over the next 7 years. If you are not familiar with the 17 Sustainable Development Goals, you can find them right here. They are essentially a blueprint for how the globalists want the world to be run. Just about every area of human activity is covered by the 17 Sustainable Development Goals, and it would take extreme measures over the next 7 years in order to achieve all of them by the deadline.

But that was what the “2023 SDG Summit” was all about. Leaders from all over the planet got together and pledged to do whatever is necessary to meet those goals on time. They are calling it “*a new phase of accelerated progress*”. The following comes directly from the official UN webpage about this summit...

The 2023 SDG Summit took place on 18-19 September 2023 in New York. It marked the beginning of a new phase of accelerated progress towards the Sustainable Development Goals with high-level political guidance on transformative and accelerated actions leading up to 2030.

Convened by the President of the General Assembly, the Summit marked the half-way point to the deadline set for achieving the 2030 Agenda and the Sustainable Development Goals. It was the centerpiece of the High-level Week of the General Assembly.

It responded to the impact of multiple and interlocking crises facing the world and is expected to reignite a sense of hope, optimism, and enthusiasm for the 2030 Agenda.

The globalists really do intend to implement the 2030 Agenda and the Sustainable Development Goals by the time the UN General Assembly convenes in September 2030. That is just 7 years from now, and so the clock is ticking.

During the “2023 SDG Summit”, global leaders “*adopted a sweeping Political Declaration*” in which they committed themselves to achieving the 17 Sustainable Development Goals within the next 7 years...

Kicking off the second half of the 2030 Agenda for Sustainable Development, world leaders at the SDG Summit 2023 today adopted a sweeping Political Declaration to reaffirm their shared commitment to end poverty and hunger everywhere, combat inequalities within and among countries and build peaceful societies that leave no one behind.

The adoption of the 10-page document, by the Heads of State and Government and high representatives gathering at the United Nations Headquarters in New York, came at a critical juncture as global crises — including armed conflict, adverse climate impacts and the lingering effects of the COVID-19 pandemic — threaten the achievement of the Sustainable Development Goals (SDGs) by 2030.

The “Political Declaration” is 10 pages long, and you can read it for yourself right here. On the fifth page of the document, we are told that there is an *“urgent need to take the actions necessary to reverse declines and accelerate progress to achieve the 2030 Agenda and implement the SDGs.”*

So what will it look like as we *“accelerate progress”* toward those goals? Well, as Paul Joseph Watson has reported, a 20 mph speed limit is being slapped on every single residential road in Wales... How would you feel if every single road in your community had a 20 mph speed limit?

Unfortunately, extreme measures such as this will soon be implemented all over the world. The globalists are absolutely determined to meet their climate goals, and all the rest of us will suffer as a result. On the tenth page of the document that the global leaders at the UN just adopted, *“the Summit of the Future in 2024”* is referenced...

We look forward to the Summit of the Future in 2024 as an important opportunity to, inter alia, and accelerate the implementation of the 2030 Agenda and its SDGs. This exceedingly important meeting will be held just two months before the next presidential election in the United States.

At that gathering, UN member states are scheduled to adopt something called *“a Pact for the Future”*. You can read about “the Summit of the Future” and the *“Pact for the Future”* on the official UN website right here.

On that page the UN openly admits that one of the purposes of “the Summit of the Future” is to *“put in place a stronger international response playbook for complex global shocks, maximizing the use of the Secretary-General’s convening power in the form of an Emergency Platform”*.

👁️ There is an “Emergency Platform” that is being proposed before. Essentially, if there is any sort of a major “global shock” the United Nations will be given authority “to ensure there is a unified, global response to the crisis”. So, what kind of a “global shock” do you think would trigger these emergency powers?

👁️ THE RAPTURE!
