

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #204

Dr. Michael Yeadon Report

By [Dr. Michael Yeadon](#) September 17, 2023

I'm sharing this not because I can corroborate it in any way but because it's just plausible.

Because of the possibility (if not the likelihood) that the perpetrators practice fear-inducing PsyOps, I invite you to consider this as merely a data point but one which might be as it's portrayed but equally might be enemy action.

There are aspects of his story that I no longer believe are possible. Specifically, the gain of function pathogens claim I don't believe.

Note, the perpetrators have complete control of the media. Anything they use the media to tell us is lies.

With the extent of media control they have, the placement of the Wuhan scary GOF viruses notion into the minds of the gullible can only be a deliberate act.

Recall I've long argued that release of a real pathogen would cause the perpetrators to cede control of events to chance from that moment. Consider whether they would do that. I submit that they would not.

A real pathogen would not act predictably. It might fade away without accomplishing their objectives. Or, it might be so devastating that it would collapse the current world order prematurely. Listen to the CIA Agent Confession link just below:

[CIA Agent Confesses on Deathbed: 'Billions Will Die in 2024'](#)

The one thing it would be most unlikely to do is serenely move across the world, imparting just the right amount of population illness to precipitate “emergency responses”.

Far more controllable is what I think they did, which was to tell us that they've released a GOF pathogen, by hanging out Fauci, Baric, Batwoman & Wuhan to dry.

If I had to guess, I think that's the main rationale for this "deathbed confession".

All that said, it's entirely possible that, assuming technologies like Project Skybeam even exists (does anyone have knowledge of this field of projecting?), the broad plot Spencer describes may well be under way.

Most disturbing. But even if something along these lines is planned, potentially for next year, you'll be a lot less frightened, having been forewarned than not.

It has never been more vital to renew your individual attempts to find ways to cause those not yet questioning what's been happening these past almost four to finally realize that their own mental model of events since 2020 simply do not hang together.

Once a person acknowledges that to themselves, even if they have no idea what the truth is, they stop believing what proven liars are telling them. I'm seeing lots of evidence of this uncomfortable shift all around us.

For example, my daughter expected a tradesman the other morning. She's spoken with him before and she found no evidence then that he had any insights into the PsyOp.

He was delayed because of deliberate acts of sabotage to the road network in & around Canterbury. When he called to apologize, my daughter asked him what he thought was going on. Like a flash, he responded "They're trying to get us out of our vehicles".

Other examples have happened when using cash to make a shop purchase, when I always say something along the lines that “Cash is freedom, cash is anonymity”. It’s growing more common that the cashier says, conspiratorially, “I only use cash these days” or “I have a feeling they’re trying to get rid of cash”.

Similarly, I have heard dozens of people say things like “I did get vaccinated but I’m never getting another one”.

Any movement you can help catalyze is a victory. I don’t see other options, so I keep going.

With best wishes,
Mike

\$18,900,000,000 in US Treasuries Dumped by BRICS Members China, Brazil, India and UAE in One Month

Several members of the economic alliance known as BRICS are discarding billions of dollars’ worth of assets backed by the US government.

New numbers from the Treasury Department show China is leading the charge, [reducing](#) its holdings of US treasuries from \$835.4 billion in June to \$821.8 billion in July – a decrease of \$13.6 billion in one month.

Even though the country is still the second-largest foreign holder of US treasuries around the world, China has now unloaded a total of \$117.4 billion worth of US government debt in a 12-month period.

Looking at Brazil, the South American nation pared its stash of US treasuries from \$227.4 billion in June to \$224.7 billion in July, a decline of about \$2.7 billion.

India has also reduced its US treasury holdings to the tune of \$2.3 billion over the same period.

Meanwhile, oil-rich nation the United Arab Emirates saw its US treasury trove drop by \$300 million from \$65.2 billion in June to \$64.9 billion in July.

According to a recent report from Nikkei Asia, China is [trimming](#) its US treasury to defend the yuan against a strong US dollar. This month, the Chinese yuan (CNY) fell to \$0.136 versus the US dollar, a level last seen in January 2008.

When a country sells US treasuries, the billions of dollars collected from the sale may serve as capital for the nation's central bank to accumulate the local currency on the open market in an effort to boost its value.

Billion-Dollar Bank Terminating Cash Transactions in All Branches in Abrupt Shift to Digital-Only Era

A bank with more than \$250 billion in total assets says it will soon terminate cash transactions in all of its branches.

The Australia-based Macquarie Bank [says](#) it will launch a plan to eliminate all cash, check and phone payment services in January, shifting to a digital operation by the end of the 2024.

“Between January 2024 and November 2024, we’ll be phasing out our cash and cheque services across all Macquarie banking and wealth management products, including pension and super accounts.

We’re also switching off our automated telephone banking service used to make payments over the phone. This means from November 2024 we’ll no longer offer cash or cheque services. Instead, you’ll be able to make payments digitally – a safer, quicker, and more convenient way to bank.”

Macquarie customers who currently deposit and withdraw cash at affiliated National Australia Bank branches will also lose that option by November.

Once the changes are rolled out, anyone who banks with Macquarie and wants to withdraw cash will be relegated to the bank's ATMs, which [allow](#) customers to withdraw a maximum of \$2,000 AUD per day.

“Customers can continue to withdraw cash from their transaction account via ATMs across Australia and overseas without fees.

However, cash deposits and branch withdrawals will no longer be available.”

Although ANZ and Commonwealth Bank have also revealed plans to eliminate cash options at a select number of branches, Macquarie Bank is the first to roll out the changes across the board.

A recent [report](#) from Australia's central bank found fewer people are using cash for payments, but concluded that the option is *“still important for some people.”*

The survey from the central bank found cash was used in 27% of in-person transactions in 2021, compared to 23% in 2020.

THE DEFINITIVE PROOF THE BIBLE IS TRUE

A few days ago I posted an article on one of the most puzzling numbers of the Bible, link here: [The Mystery of John's 153 Fish](#) . I have been a Christian some 60 years now, and this passage from the Gospel of John has had people scratching their head about its meaning. Only recently has it been revealed as to why God placed that **#153** in John 21:11: ***“Simon Peter went up, and drew the net to land full of great fishes, an hundred and fifty and three: and for all there were so many, yet was not the net broken.”***

In this segment of the Blessed Hope series, I would encourage folks to read it for themselves and to allow it to register in their minds how incredible is the mind of God. God's signature number is **“seven”** and more than ever God wants His children to recognize Him and seek His Face. Time is racing by and the world is deaf and blind to what is engulfing their existence. This could be a person's last understanding of what is coming at them. We were talking about the late Pastor Dave Wilkerson this morning at the breakfast table.

Dave early on was pastor of a small Assembly of God Church in Turtle Creek, PA. My wife lived in Turtle Creek, PA, and we lived there before returning to central KY in 2012. On the afternoon of April 27, 2011, Wilkerson died when he collided head-on with an 18-wheeler in East Texas. He never knew what hit him as he attempted to pass an 18-wheeler instantly hitting another oncoming 18-wheeler. He was pronounced dead at the scene, less than a month from his 80th birthday. His wife Gwendolyn was seriously injured. Gwendolyn Wilkerson died a year later, on July 5, 2012, from cancer, at the age of 81. Rev. Wilkerson is largely known for his New York Times Square church ministry which was non-denominational.

Older people are sensing something huge is coming, and not everyone is ignoring all the strange events taking place in the world today. There are many examples of God's precise setting of events in the Bible.

The Hebrew Calendar and our modern calendar differ by several thousand years. For example, the most famous year in modern Hebrew History is 1948 when the UN declared Israel a nation in one day, just as the Prophet Isaiah said it would in Isaiah 66:8. Jesus even read from this book when we started His public ministry at age 30 turning water to wine in Cana of the Galilee.

Getting back to the date of 1948, it's the Hebrew year 5708. If we count 5708 verses into the Old Testament of the KJV Bible, we arrive at Deuteronomy 30:5, which so happens to speak about Israel being restored to the Promised Land. Exactly 25% of the way into the Old Testament. Praise the Lord!

Since God is the Perfect Mathematician, and if he can manage to place a verse about the date of the re-birth of Israel in 1948, exactly 5708 verses into our Bible, He can certainly put such a mighty similar sign into the New Testament to warn Christians of the Rapture year in the same manner.

It also happens that in Matthew 24:30 exactly one quarter of the way into the New Testament. It's the first open talk reference about the great catching away.

“Then will appear the sign of the Son of Man in heaven. And then all the peoples of the earth will mourn when they see the Son of Man coming on the clouds of heaven, with power and great glory. ³¹And he will send his angels with a loud trumpet call, and they will gather his elect from the four winds, from one end of the heavens to the other. –(Matthew 24:30-31).

June 5, 1967 - marked the beginning of the Six-Day War (June 5-10). During that time, God fulfilled His ancient promises as recorded in 1 Kings 11:36, where He proclaimed Jerusalem as ***“the city where I have chosen for Myself to put My name.”***

When the war began, however, Jerusalem was a divided city. Under the control of Jordan following the 1948 War of Independence, Israel's holiest sites - the Western Wall and Temple Mount - were off limits to Jews. Israel had won its War of Independence but lost the eastern half of Jerusalem to the Arab League. Today most Christians have little knowledge of that time or long forgot its significance. It was a pivotal point in my life, and I began my dedication to study Bible Prophecy on June 8, 1967.

My church recording secretary shamed my ignorance the day before. I was cutting my grass before the heat of the day became oppressive when Francis Church who lived across the street with her elderly mother hollering, ***“Rev. Reid, Rev. Reid, is this Armageddon”***. Here I am finishing my second year as a college student-pastor and I was unable to answer her question. From that day forward I was determined not to be ignorant about what the Bible was telling us in relation to history.

So to bring others up to speed, I thought it helpful to sort of recap basic essentials for anyone not so educated because of ignorant and inept shepherds in the pulpit today.

WE ARE ON THE CUSP OF A CLIMAX OF HISTORY

Will strange weather patterns begin to happen and increase? Yes.

Will earthquakes, wind storms, and even tidal waves increase? Yes.

Will alternate lifestyles increase and become acceptable? Yes.

Will false prophets arise and deceive many? Yes.

Will there be a one-world system or global economy? Yes.

Will Russia, Iran, and some Arab nations invade Israel, and the USA become involved? Yes.

Will all these things and many more begin happening "after" the rebirth of Israel as a nation? Yes.

Were these things happening 75, or 100 years ago? No.

Jesus said in Luke 12:54–57: ***"When ye see a cloud rise out of the west, straightway ye say, There cometh a shower; and so it is. And when ye see the south wind blow, ye say, There will be heat; and it cometh to pass. Ye hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time? Yea, and why even of yourselves judge ye not what is right?"***

You may see a sign that says - THE BRIDGE IS OUT, and say, *"Oh, someone is just trying to scare us."* The sign was meant to warn people of impending danger. God wants you to know, ***"WHEN YOU SEE (the prophecies from the Bible), COME TO PASS, KNOW YE THAT THE KINGDOM OF GOD IS NIGH AT HAND."*** –(Luke 21:31)

The Sustainable Development Goals Summit at the United Nations proudly proclaimed the manifesto of the New World Order that is Agenda 2030. Last week was such a time of high end-times activity that we would be remiss as a "watchman" if we didn't bring you a recap of all the action that took place last week at the United Nations SDG Summit. In addition to all that, over in Europe, Emmanuel Macron who ditched the UN meeting was holding court with King Charles and Pope Francis. The UK 'Daily Mail' reported that the pope was furious after being made to 'cool his heels' waiting for Macron to arrive. Ah, the balance of power is already shifting, don't you love it?

WHAT IS GOING ON?

People have said the end was near many times before - true. However, no prophecy of the latter days meant anything until Israel became a nation again? God's Word indicates a generation would not pass from Israel's rebirth, until all would be fulfilled (which includes the Rapture, Tribulation, Armageddon, and Christ's Second Coming). A generation can be 70+ years -(Psalms 90:10). Israel was reborn on May 14, 1948. In addition, there would be over 360 prophecies that would come together after Israel's rebirth. By Israel's rebirth and the 360+ signs, we would know that the events of the Rapture, Tribulation, and return of Jesus were close. The expression "close" can imply a lot, not the least that it could be a full generation. I am in my 57th year studying Bible Prophecy [History told in advance!]

Many have been preaching about the latter days (the end times) in churches, on radio, TV, the Internet, books and magazines. Those that love God understand these things. For those living in willful sin, no explanation is possible –(ref Daniel 12:4, 10; Matthew 24:37, 39).

The late Grant Jeffrey wrote in several of his books, *“It has been said that it is impossible for anyone to make 11 straight predictions, 2000 years into the future. There is only one chance in 8 x 10 to the 63rd power, or 80 with 63 zeros after it that such a thing could be done; and if such a set of predictions existed, it would have to be the Word of God.”*

Could you write eleven straight predictions that would take place in the year 3000 A.D.? Include the rebirth of a specific nation. Include countries that would exist, nations that would be allied together, and the exact size of a nation’s army. Include what the people and church would be like and the names of actual cities that would exist. The Bible not only does these eleven times, but hundreds of times. If this is so, even the most skeptical person would have to agree that there is indeed a God and the Bible is His Word. –(2nd Peter 1:20-21) However, believing there is a God and acknowledging the Bible is His Word does not save a person. Let’s prove the Bible is true and we are nearing the end of the last generation before Christ returns. This list that follows is just a portion of the evidence.

1. The Jewish people would be scattered worldwide; yet Israel would become a nation again after a long time and at a time the Bible calls the **“latter days”** –(Isaiah 66:8; Micah 5:3; Ezekiel 38:8). Against what appeared to be impossible odds, this prophecy has been fulfilled. It happened on May 14, 1948 after about 2,500 years. Israel was destroyed in approximately 721 B.C. and Judah about 135 years later. The rebirth of Israel was the key sign, indicating we had entered a time period called the **“latter days”** of the end times. It was the beginning of a countdown leading to the Tribulation and culminating with the Battle of Armageddon and the return of Jesus.

2. Israel shall be brought forth in one day, at once –(Isaiah 66:8). **“Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her children.”** Stop and ponder that for a bit. That was written by Isaiah the prophet 2,500 years before it came to pass. That is definitively “history being told in advance”.

The Jewish “Shrine of the Book” in Israel, has the entire 66 chapters of the book of Isaiah under glass inside. The Shrine of the Book is a wing of the Israel Museum in the Givat Ram neighborhood of Jerusalem that houses the Dead Sea Scrolls. It has the resemblance of a Hershey’s chocolate kiss minus the tab. Even the 66 chapters of Isaiah are a “thematic” outline or overview of the KJV Bible. I miss the days when the late J.R. Church taught his audience the deeper things of the Bible. He made the weeks of waiting filled with hope!

Prophecy fulfilled—May 14, 1948. On Nov. 29, 1947, the General Assembly of the U.N. approved a resolution calling for the establishment of a Jewish state in Palestine. On the morning of May 14, 1948 (the last day of the British mandate), a meeting of the People’s Council took place in Israel to decide on the name and finalize the declaration. At precisely 4 P.M., the proclamation ceremony began at the Tel Aviv museum. The 979 Hebrew words of the Scroll of Independence were read. All stood, and the scroll was adopted. The notorious White Paper, issued by the British in 1930 restricting Jewish immigration, was declared null and void. The People’s Council signed the proclamation. David Ben–Gurion rapped his gavel, declaring, *“The State of Israel is established. This meeting is ended.”* In one day, at once, as predicted—Israel was reborn. President Truman was swift in announcing U.S. recognition of Israel. The following morning, Israel was under attack by the Egyptian, Syrian, Lebanese, Jordanian, and Iraqi forces.

3. Israel would be brought forth (or reborn) *“out of the nations.”* The “United Nations” approved a resolution for a Jewish state in Palestine. Israel’s land had been occupied by many nations. Israel was *“brought forth out of the nations.”*

4. Israel must regain the city of Jerusalem -(Joel 2:32; Isaiah 28:14; Ezekiel 22:19). This happened in 1967. With Israel’s rebirth and a precise line of events that come together, we understand the times. It seems clear that we are in the generation of the Rapture and Tribulation that will come and catch most by surprise, and sadly much of the lukewarm church included.

5. The 7th Dispensation is that of the church age, which is the last one, before the Rapture, would be lukewarm, neither cold nor hot for Jesus. God will spew them out. The Bible tells us —“**you have acquired wealth, but your condition is wretched, miserable, poor, blind, and naked, and you don’t know it.**” -(Revelation 3:14–22) Most preachers use little Scripture and lots of stories. I once had a supervising pastor back in Turtle Creek, PA that preached about baseball every Sunday, ad nauseam. Most people today know more about their preacher than of the Lord Christ Jesus. Few teach from the book of Revelation, or about sin, repentance, obedience, judgment, hell, fearing God, and yet God’s Word tells them to do. The institutional church of modern day is no longer the voice of moral authority by having embraced abortion and the LGBTQ perverse lifestyles. The Bible gives approximately 120 descriptions of what people would be like at the time of the end. These fit the people of today perfectly, but not previous generations.

6. Some would depart from the faith and go into devil worship -(1st Timothy 4:1).

7. People would mock about these days and not believe, just as people mocked about the flood coming -(2nd Peter 3:3; Jude 18). Might you be one of them?

8. People would be lovers of themselves -(2nd Timothy 3:1,2). Are not people self-centered today? The world is full of narcissists, sociopaths, and.....

9. People would be disobeying their parents -(2nd Timothy 3:1,2).

10. People would be grateful for nothing -(2nd Timothy 3:1,2) It is a rare moment to hear someone say “Thank you!” or acknowledge their appreciation.

11. What we call alternative lifestyles would increase and prosper -(Luke 17:28,30; Genesis 19:5; Romans 1:24,26,27).

12. People would be without self-control in sex -(2nd Timothy 3:1,2,6; Revelation 9:21; Luke 17:28,30; Jude 7).

13. People would love pleasure more than God -(2nd Timothy 3:1,2,4. Recreation, sports, amusement parks, or sleep come first. Church? - we can go on Easter and Christmas. Our American motto “*In God we trust*” is a meaningless cliché.

14. People would be taking drugs -(Revelation 9:21). The Greek word for sorceries, in Revelation 9:21, means pharmaceuticals or drugs (prescription and illegal). Fifty years ago, many people didn’t lock their doors. There was little or no profanity on television, radio, or in the movies. Dr. Dave Reagan said gum chewing was a main issue in public schools. Now it’s stealing, murder, weapons, bullies, suicide, drugs, and sex. This is the latter days. It’s been getting worse with what amounts as open borders flooded with illegals, criminals, and the cartels. Most major cities in the U.S. average at least one homicide a day!

15. There would be something that would enable people all over the world to see events as they happen. The cell-phone that many use today, along with television and the Internet fulfill this prophecy –(ref Revelation 11:9,10). How could the Bible be so accurate to have foreseen such things?

16. There would be weapons that could destroy the world -(Mark 13:20; Revelation 6:8; Revelation 9:18; Zechariah 14:8,12). This prophecy was written in the days of swords, spears and arrows. It is estimated that the nuclear arsenals of the USA and Russia (as of 2022) could kill every living thing on earth 6 or 7 times over. Russia has a bomb that can be launched from a submarine underwater and cause a tsunami on either the entire Atlantic or Pacific coast of the U.S.

17. The Gospel must be preached worldwide -(Mark 13:10). This was written when there was no printing press. To our knowledge, the Gospel is published in the primary language of every nation or “among all nations” and portions of the New Testament for indigenous peoples around the world.

18. In the “***latter days,***” when Israel was again a nation, there would be a great military power to its extreme north in the land of Magog (which is modern-day Russia) –(Ezekiel 38:2–4,8,15,16). Incredible! How could the Bible have foretold the location of a nation, facts about its military, and the time period it would happen?

19. There would be a nation to the far east of Israel, to the end of the earth. It would have an army of 200 million. How could the Bible foretell the location of a nation and the size of its army nearly 2000 years ago? China has boasted that it could field an army of this exact figure.

20. A key prophecy. There would be an economic alliance of the nations of the Old Roman Empire. This is a description of the European Union today (the EU). It has adopted a one-currency system for many of its nations. It is written, IN THE DAYS OF THESE KINGS (these nations, which is now) SHALL THE GOD OF HEAVEN SET UP A KINGDOM -(Daniel 2:44). We have covered 11 perfect predictions, with 20, written of thousands of years ago. With God, nothing is impossible. Even the biggest skeptic should see the Bible is true, if they are honest. God exists. We are near the Biblical event we call the rapture.

There is no chance any human being could write these. The Bible is the Word of God, as these prophecies prove. Revelation 19:10 states that ***“And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.”*** The truth be fully understood, the entire KJV Bible is one massive book of prophecy, from Genesis 1:1 to Revelation 22:21. Even Dispensational Theologians have been remiss by simply saying that 28% of the Bible is prophecy. It is 100% if one does their due diligence. As God said, ***“Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure:”*** -(Isaiah 46:10) We

should not overlook a similar statement in the book of Ecclesiastes 3:11: ***“He hath made every thing beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.”***

There are 365 identified prophecies regarding these latter days leading to the coming of the Antichrist and beginning of the tribulation. In Daniel, Matthew, Mark, Luke and some of Paul’s epistles, the Christian is commanded to know or understand the times we are in. Others are standing out when you observe the news worldwide, which were once overlooked or their meaning was obscured.

WHAT’S NEXT? THE RAPTURE AND TRIBULATION

RAPTURE (the biblical term is ***“Harpazo”*** translated as being “caught up” or “translated” by force) is a term used to describe the removal from the earth of all living people that are born-again, as evidenced by their love and obedience to God’s Word. The book of Revelation –(Revelation 4:1) places the raptured saints in heaven - before the throne of God, prior to the Antichrist coming. 1st Corinthians 15:51-52 –(***“We shall not all sleep, but we shall all be changed, in a moment in the twinkling of an eye, at the last trump: for the trumpet shall sound”***); 1st Thessalonians 4:16-17 –(***“and the dead in Christ shall rise first, then we which are alive and remain shall be “caught up” together with them in the clouds.”*** The trumpet sounds. The born-again Christians will be with Jesus. All others will face the dreadful Tribulation.

THE TRIBULATION

THE TRIBULATION will be the worst time in history to be alive since man has existed. Immediately following the Rapture, the man of sin (called the Antichrist)(we know him by his surname as Prince Charles of Wales, the new king of the UK Commonwealth of Nations. Since decades before his Coronation on May 6th, 2023 he has been instrumental in promoting his Sustainable Development SDGs, and has begun to comes forth and assert his titular control of the EU. Prince Charles has lived up to the Biblical predictions as being charismatic and brilliant. He is about to confirm a treaty with Israel written about some 2,500 years ago in the book of Daniel 9:27, which begins the Tribulation.

The Tribulation is a “seven” year period, -(Mark 13:20; Romans 9:28). Every imaginable form of evil will abound. During this time of God’s wrath, Russia, Iran, and others will come against Israel in the first of three wars like this earth has never seen. God destroys 5/6th of the invaders. The USA becomes involved. One-third of the world’s population will die. Many of the dead will be from the U.S. and Russia. One-third of all trees are burned up. All green grass is burned up. One-third of the sea will become blood. One-third of the creatures in the sea will die. One-third of the ships are destroyed. One-third of the waters become wormwood (radioactive). Massive famines, increased earthquakes, more diseases, and huge tidal waves will occur like the birth pangs of a woman. Those left alive will have a chance to receive Jesus through the preaching of 144,000 male, virgin Jews; however, death by decapitation lies ahead for most, unless they renounce their faith. Many false christ’s and false prophets come

forth. A one-world, false religion that God calls **“MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH”** –(Revelation 17:5) will increase. This religion has existed for thousands of years and exists today.

About 3½ years from the end of the Tribulation, the Antichrist is killed with a wound in the head by a weapon, but his deadly wound is healed. He comes back to life. He declares himself to be God and moves into the rebuilt Temple in Jerusalem. A false prophet appears that will do great wonders. The abomination of desolation occurs. An image of the Antichrist will be set on a wing of the Temple. Those that refuse to worship it will be beheaded like during the French Revolution.

The elect born-again Jews now flee for their lives to a place where God will protect them during the last 3½ years. Power is given to the Antichrist by his father Satan, over all kindred's and tongues, and nations. All that dwell on the earth shall worship the Antichrist, whose names are not written in the Lamb's Book of Life. During these last 3½ years (called the Great Tribulation), world conditions will continue to deteriorate. A one-world system will exist. We are witnessing its formation presently with the World Economic Forum known as the “Great Reset”. The Antichrist shall make war against the saints and will overcome them. People must take the mark of the Antichrist or the number of his name (**666**) in or on their forehead or right hand. If they refuse, they cannot buy or sell. From other news in this and previous segments we evidence of this early onslaught of global governance, the CBDC, businesses like Yum brands phasing out cash as an instrument of payment.

Two prophets of God will appear for 1,260 days. One of these is Elijah and the other is Moses. They warn people not to take the mark or worship the image. There is no forgiveness from God for those that do. They will go into the lake of fire. These two witnesses have the power to shut up heaven so it does not rain and power to bring all kinds of plagues on the earth. Many will be tortured and beheaded for the Word of God. Some type of locusts will sting men with a sting like a scorpion. Men will seek death and shall not find it. There will be terrible sores upon men. Men will be scorched with great heat. Earthquakes, great tidal waves, and diseases continue to worsen. Two hundred million troops will march to Israel from the east and cross the dried up Euphrates River in the second great war. The Euphrates River has dried up in certain areas in recent months, a confirmation of the prophecy of Revelation 16:12.

One-third more of the earth's population will be killed. After 1,260 days, the two prophets of God are killed. People will rejoice; but then after 3½ days, they will arise and ascend up to heaven as others watch. Great fear falls on those that see this. Men's hearts will fail, as they consider what is about to happen. Multitudes will hide in the rocks and say, **“Fall on us and hide us from ...Him (Jesus)... for the great day of His wrath is comel and who shall be able to stand?”** –(Revelation 6:16-17).

IMMEDIATELY AFTER THE TRIBULATION of those days, the Battle of Armageddon explodes. It is the last of the 3 great wars and by far the worst. It only lasts one day. The kings and armies of the earth are gathered to make war against Jesus. Christ returns as

the King of kings and Lord of lords with His saints. If He had not returned exactly at that time, there would be no life left on earth. The Antichrist and False Prophet are cast alive into the lake of fire. Satan is chained; a seal is placed on him; and he is cast into the bottomless pit for 1000 years, so he can deceive the nations no longer until the 1000 years are fulfilled, and allowed out for a short time. Every force of nature is likely to be unleashed at once, including tornadoes, hurricanes, tidal waves, lightning encircling the earth, and the biggest earthquake in mankind's history. The cities and mountains of the world crumble. Every island flees away. The mountains are gone. There are great hailstones about the weight of 70 to 100 pounds.

This may all sound like a fairy tale or a Disney movie, but remember from Israel's rebirth to the Tribulation, there are approximately 365 prophecies. Nearly all have now been fulfilled. To the skeptic, we say—regarding the latter days, put the Bible alongside the daily newspaper. Can you understand now that the Bible is really History told in advance.

ARE YOU READY TO MEET JESUS?

We have presented many prophecies that prove the Bible is God's Word to those that are honest. Now many of you are faced with a decision. Will you humble yourself, repent and receive Christ as your only hope of salvation? The Bible says all your righteous deeds ***"are as filthy rags"*** a Hebrew term for feminine menstruation period. —(Isaiah 64:6). You may have been an unbeliever, or you may have been religious, but if you died right now - you would perish in hell. Why? Because you have not been born again—John 3:3. ***"Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God."***

Now, you must choose what to believe - your own wrong thinking, your church hireling pastor, or the Bible? As you read this, there are multitudes in hell being tormented and wishing they had the chance that you have right now -(Luke 16:19–31). To do nothing is to choose eternal separation from God. It is written: ***"Behold, now is the accepted time; behold, now is the day of salvation."*** -(2nd Corinthians 6:2). ***"He that is not with me is against me."*** -(Matthew 12:30). It was George W. Bush who quoted that verse in his criminal activities of his administration. And the False Prophet has stated as much.

Pope Francis is one of the most hated men in the world today. Those who hate him most are not atheists, or Protestants, or Muslims, but Christians and his own followers.

Why do Christians and Catholics hate him so much? Because Pope Francis, who happens to be an Agenda Contributor at the World Economic Forum, is fluent in blasphemy and is actively working to subvert the church and Christianity in general.

This is the pope who informed his flock that ***"relationships with Jesus are dangerous and harmful."*** Breaking with centuries of Christian tradition, Pope Francis sparked fears that he is an illegitimate pope with a sinister agenda when he told a crowd of 33,000

pilgrims in St. Peter's Square in Rome that *"a personal, direct, immediate relationship with Jesus Christ"* must be avoided at all costs.

Pope Francis' inverted version of Christianity is confusing for many; however the picture becomes clear when you understand who the pontiff is really serving. To quote French presidential candidate Marine Le Pen, Pope Francis is a *"globalist bulldog"* who is loyal to the New World Order of Prince Charles.

In 2017, Pope Francis called for a *"one world government"* and *"political authority"*, arguing that the creation of the one world government is needed to combat issues such as *"climate change."* Speaking with Ecuador's El Universo newspaper, the Pope said that the United Nations does not have enough power and must be granted full governmental control *"for the good of humanity."*

Disturbingly, world religious leaders are also beginning to come together as one to preach from the same hymn sheet, instructing their sheep to accept the components of the New World Order's one world government.

Now, Pope Francis is actively defying Biblical Scripture by working to create a *"one world religion."*

YOU MAY ASK, *"WHAT DO I HAVE TO DO TO ESCAPE HELL?"*

Every Blessed Hope segment has the ABCs of salvation on the very last page of each posting.

Globalists have another shock event planned in pursuit of the 'Four Ds': Digitization, Dehumanization, Destruction and Depopulation
2024 will make 2023 look like a walk in the park but we can make it through the storm if we hold onto our humanity and faith in God according to Leo Hohmann.

The convergence of multiple red-alert warnings is staring us in the face, all pointing to a major "event" of some type in the upcoming weeks or months.

Whatever it is, this new catastrophe will hasten the collapse of the old world system, a collapse of economies and political structures that is already underway, paving the way for the Great Reset or, as some call it, the New World Order. I call it the beast system.

Predicting the timing of such an event is impossible but I do believe we are looking at a major shock event happening roughly within the next three to nine months, a year at most.

The reason is simple. The billionaire globalist oligarchs desire to bring about a situation which involves **digitization** (of money and human beings), **dehumanization** (humans replaced by transhuman hybrids), **destruction** (of all cultural norms, male/female genders, the ability to reproduce without technology, etc.) and **depopulation** (of those

deemed “useless eaters”). These are the “**Four Ds**” needed to bring about the total control that globalist technocrats seek to extend over all human behavior in a restructured world run by artificial intelligence and based on the elimination of all fossil fuel usage by the common man (non-oligarchs). If only the oligarchs have access to fossil fuels and only the oligarchs are allowed to reproduce and enjoy freedom of speech, what you end up with is a one-world slave state. And that’s exactly the goal.

So the Four D’s are used to get to the fifth and final D, which is **dystopia**. In the eyes of the globalist predator class, they’re reaching for their utopia, but for the rest of us, it will be a living hell, a dystopia.

These globalist oligarchs were only able to destroy so much of the old world order with Covid and they need another big crisis event to finish the job of achieving all their dystopian goals, which are encompassed in the Agenda 2030 Sustainable Development Goals. They’ve played language games, reminiscent of Orwellian newspeak, to make us think the SDGs will bring about utopia. In reality, the masses will be ushered into the nightmare of dystopia.

If the globalists continue to pressure their minions in national and state capitols to enact their green new deals and “net zero” campaigns, the masses will eventually wake up and come for these globalists. That awakening has already begun, and that is why it is urgent that they escalate a full-blown World War III scenario, which includes famine and shortages, as soon as they possibly can.

The window is closing on the King Charles-initiated “Great Reset” and so it’s time to double down on destruction and depopulation. If they don’t, they will never get to full digitization and dehumanization, the end of human history, as Yuval Harari explains in the video below.

Russia is an obstacle to their plans for a truly one-world system. Not because of Putin being any kind of hero, but because of the Russian people and their will to survive under a purely **Russian** leader. They will not accept a World Economic Forum puppet like the U.S., Canada, Australia, New Zealand and Europe have accepted to rule over them. They don’t mind an authoritarian strong man but it must be a real Russian who is in charge.

Russia and Putin may be on board with digitization, but not with the other three Ds – dehumanization, destruction of all cultural norms, and depopulation, largely due to the strong influence of the Russian Orthodox Church, which remains much more traditional in its thinking than the Roman Catholic Church.

If I’m right and the globalist oligarchs have another shock event planned within the next three to nine months, and that means the window for preparedness is also closing.

Those caught off guard by what is coming will find themselves completely dependent on exactly the wrong people for their survival. They will be at the mercy of the globalist

cartel. Since this is a predator class of psychopaths, you do not want to be dependent on them for anything.

If viewed in a vacuum, the headlines of today would not be sending up red flags of warning. But when you look at them in totality, it becomes clear something big is going down that will forever reshuffle the deck of global power and change our outlook going forward.

The bottom line is that this is no time for normalcy bias.

We are already in the beginning stages of World War III with Russia in Eastern Europe, in Syria, and with Africa and Asia getting ready to explode as well.

I think it's inevitable that World War III continues to escalate into the outbreak of direct day-to-day warfare between the world's two major nuclear powers, roughly divided by East and West, with the U.S./NATO/Australia/Japan/South Korea on one side, and Russia/China/Iran/North Korea on the other side.

The U.S. and Great Britain along with the rest of their NATO vassal states procured this war with Russia by continually expanding the NATO military alliance eastward into Russia's back yard. NATO politicians and commanders have been talking about their "open door policy" for at least 20 years, and this is like pouring salt into an open wound as it relates to Russia and its history of being invaded from the west. In 2008, NATO invited Ukraine into the alliance pending it meeting certain criteria and that was really the last straw. Ever since that overture, it was just a matter of time before Russia sent its forces into Ukraine. It's no different than when Israel periodically sends its forces into Palestinian territories to "clean out" those areas of rockets, weapons and ammunition dumps. You'd be surprised at how many conservatives understand Israel's need to live amongst its Palestinian cousins without those cousins being armed to the teeth, yet they do not understand the same concept applies to Russia and Ukraine.

As the nation's line up and draw the battle lines for World War III, India is the wildcard. This is not the old India. It is the fastest-growing nation, it has a lot of technical expertise, and it can field a huge army. It could make the difference in who wins World War III depending which side it decides to join.

Once World War III ratchets up, we're looking at a nationwide draft in the U.S. heading into an election year, which means the potential outbreak of civil war on U.S. soil at the same time we're involved in world war.

Then you're looking at cyberattacks, possible false-flag attacks, a new and scarier pandemic, a historic famine and supply-chain disruptions exacerbated by war, or some combination of the above, all brought on by an intensifying World War III.

This will not be a time for weak Christians or feeble-minded Westerners used to their entertainment and creature comforts.

The way things are going, I foresee a combination of at least three or four of the above scenarios taking place simultaneously. Think about the impact that would have on everyday society.

Below are some of the data points pointing toward a catastrophic event that will forever change the world. (Note: *These were researched and recently discussed by myself and Brannon Howse on his show, [Brannon Howse Live](#)*).

- CNN: [Nuclear activity highest in years](#) at sites in China, Russia and U.S.
- Smoke seen rising from Idaho national lab which [tests advanced nuclear weaponry](#).
- Pope Francis says world [on brink of nuclear war](#), worst since 1962.
- Increasing reports of U.S. war planes training overhead coming in from all over the country.
- October 4 nationwide emergency alert test.
- U.S. orders \$290 million worth of [anti-radiation sickness tablets](#).
- New York City broadcast public service ads on [how to survive a nuclear attack](#).
- Russia's Defense Minister stated over the weekend that attacks are taking place on Russian territory outside the special operations zone. Russia now sees the U.S. and Great Britain as parties to the current war and will allow itself to attack decision-making centers in the Ukraine. That would presumably include Ukrainian president Zelensky. Imagine if Russia took him out and how the West would exploit that in terms of propaganda messaging.
- King Charles meeting with French President Macron in Paris last Wednesday through Friday. Macron skipped the UN meeting in New York in order to meet with the King. (Charles is the Father of the global sustainable development movement and a major proponent of eugenics and depopulation. I wrote about this on [my Substack](#) last week.)
- Deagel Corp., which has ties to the CIA, predicted in 2014 that the U.S. would [lose 68.5 percent of its population by the end of 2025](#); the U.K. would lose over 75 percent and most Western European nations would also lose 30 to 50 percent.
- Free speech and political dissent are under attack in formerly free nations. These are the nations we once thought were the good guys – the U.S., Canada, E.U., U.K., Australia and New Zealand. All are cracking down in very visible ways on free speech. Pastors and journalists (such as Pastor Artur Powlawski in Canada and journalists [Owen Shroyer](#) and [Stephen Horn](#) in the U.S.) are being jailed for simply expressing ideas that challenge the government-mass media narratives. Jucinda Ardern, the former prime minister of New Zealand, has become the new face of global censorship, and she is being given the biggest platforms to spout her authoritarian ideas, speaking [last week before the U.N. General Assembly on the need to crack down on "disinformation"](#), which of course is all speech that globalists doesn't agree with on climate change, war in Ukraine, Covid and vaccines, etc. She has been rewarded for her evil ideas with not one but two fellowships at Harvard University.

- Poland becomes first NATO member, other than Hungary, to question the open-ended funding of Ukraine's corrupt government in its border dispute with Russia. [Poland wants to 'cool down' Ukraine](#). If the U.S. and Great Britain sense that the coalition of the willing is starting to break up, they will accelerate the attacks on Russian territory in an effort to "strike while the iron is hot."
- VP Kamala Harris becomes Biden's "Gun Czar" as the [War on the Second Amendment throttles into overdrive](#). The Biden administration [announced](#) Thursday that Harris will oversee the first-ever *White House Office of Gun Violence Prevention*. Harris will be in charge of enforcing current laws and collaborating with state and local officials to push anti-gun measures at every level.
- Several big banks including Wells Fargo and Bank of America announced plans to [close 38 bank branches in and around New York City](#) by the end of the year.

Bottom line: War is coming, along with all of its nasty byproducts. This will include growing inflation and de-dollarization, shortages of food, fuel and basic medications, and an intensifying assault on all forms of free of speech, freedom of religion, freedom of movement, assembly, the Second Amendment, etc. We must resist this assault on our freedoms, while knowing that no man or human organization is coming to our rescue. We bear responsibility for the safety and security of our families. Anyone still looking for a quick fix brought on by the voting booth is not paying attention to the signs and signals. We will not get to November 2024 without experiencing another major event, triggered by the globalists and their minions who share the Luciferian hatred of God's crowning achievement — human life created in His image. We must stand strong in our convictions, both political and religious, and refuse to bow to the beast system, while knowing that our Father in heaven holds the ultimate trump card and will bring down this network of evil in His timing and on His schedule.

The World Economic Forum; A Farcical Illusion For Fossil Fuel Profits

HELENA GLASS

SEPTEMBER 25

The International Council For Local Environmental Initiatives (ICLEI) is affectionately nicknamed, Local Governments For Sustainability. They are an initiative of the World Economic Forum Agenda 2030 with a goal of building 15 minute resilient cities. Based out of Bonn, Germany, they have 2,500 city mayors across the globe that have become members, pay membership dues, and vow to uphold the goals. They state that their member cities are stakeholders. Their current President is the mayor of Des Moines Iowa, Frank Cownie.

Conceived by Jeb Brugmann, from Freiberg, Germany, Brugmann received his masters from Harvard in an amazing – one year. ICLEI's earliest slogan was, *'For The Common*

Good'. Partners include Google, Woodwell Climate Research Center, Undisclosed, and the Pennsylvania Department of Environmental Protection. In collaboration with Anthony Blinken, 24 cities across the Americas were chosen to participate in the *Cities Forward Program within the ICLEI*, including; Denver, Philadelphia, Baltimore, Coral Springs, Hawaii County, Dallas, Dubuque, Austin, Evanston, Hoboken, Chattanooga, and Stockton.

The Cities Forward Program board consists of a number of mayors, but one in particular is worth mentioning; Kelly Takaya King, Former Council Member, *Maui County, HI*. As in the now destitute Maui central.

Partnering with *Secretary of State Blinken* in this initiative is **The Institute of Americas**. One particular advisory member to The Institute – is a Director at Pfizer, Dr. Samuel Dychter. AN ODD COUPLE TO BE SURE. Their partners include: Chevron, Exxon, Shell, Sempra Energy, Pan American Energy, Orel Energy, Interenergy, Pluspetrol, and others. *In other words, the fossil fuel industry is partnering to end all fossil fuels? And the Institute is led by Pfizer and hedge funds.*

Orel Energy is a holding company with holdings in just about everything with one very small notation of solar amidst fertility, healthcare, quantum, AI, gaming, crypto, food tech, etc.... Not unlike Blackrock, which owns considerable shares in nastypants – fossil fuels. Pluspetrol is the leading private oil and gas company in Latin America – operating in 7 countries...

You get the gist. The ICLEI is a bait & switch operation that has absolutely nothing to do with sustainability – and everything to do with fossil fuels.

Funding is public, private and government in the form of USAID.

The concept of the 15 minute city is a communist/socialist construct wherein you essentially become a prisoner. Leaving the city will require permission and a mode of transportation. Your work will be determined/dictated by Stakeholder Council members, and your life will become a hodge podge of pre-selected spouses, pre-defined food and caloric intake, and 3 changes of clothing – rented, of course.

The Cities Forward CHOSEN mayors will convene to decide their vision which will take 9 months, and then 2-3 years of collaboration efforts, i.e., evasive distractions wherein nothing will be implemented. Before presenting their paperwork to Stakeholders for review. Implementation is not discussed.

Why? Because implementation is not the end game. The end game is to create an illusion within a sphere of fear. All while building greater profits in fossil fuels –

Before Agenda 2030, there was Agenda 2021. Before Agenda 2021, there was Agenda 2015. Agenda 2015 was established in 2000. NONE of the goals established in these UN programs were achieved. NONE. As we get closer to Agenda 2030, it is

likely the UN will adopt – Agenda 2050. It is all a distraction, an illusion, to benefit the few at the expense of the many. This is why they fly around in polluting jets, degrading our oceans with windmills that kill whales and dolphins in the thousands, and rape the land making lithium batteries while simultaneously mining for all the precious earth minerals and leaving ravaged land behind. There is no conservation sustainable goal! There is only oil and gas, and hedge funds. ***The movement of money from The People to war in Ukraine, to NGO's, to trafficking. These are their GOALS.***

In the end it is about Eugenics and genocide while hoarding assets.

Saudi Arabia's Prince Salman fell for the illusion when he launched *Project NEOM* in 2017 with a scheduled completion by 2025. A 10,200 sq. mile vision, it was to be the ultimate 15-minute city. Now declaring a possible endpoint of 2039, the concept is dry and Bin Salman knows he was conned. In 2017, Bill Gates bought 25,000 acres in Arizona with the DECLARED MEDIA vision to build the first smart city. Six years later, he has not even broken ground. Bezos chugs around on his multiple jets, yachts and litany of gas guzzling cars while taking every available concoction to reverse aging. Via implants and Hitleresque drugs. He could give a fark about sustainability - anything!

The World Economic Forum is more likely to be a club of money coming together at the expense of taxpayers to party, to solicit prostitutes, and drugs, and children for pedophilia entertainment. All while laundering their NGO profits, their oil & gas investments, and having a grand ole time of deception.

The only thing the WEF has accomplished is the abject demolition of countries which disagree, the annihilation of law, and the destruction of major cities across the globe. They are The Pariah!

And civil war IS their game - it is called a Color Revolution. The only means to dissolve this Wonderland of Chaos is to dissolve NGO and Foundation charitable status. Layer a global add-on tax to every Hedge Fund. And eliminate the CIA, NSA, FBI and their allies abroad.

Commentary: Why you should purge Kellogg's from your pantry

OPINION MICHAEL SEIFERT

September 22, 2023

Walk through your local grocery store and you'll find many Kellogg's products: Rice Krispies, Pop-Tarts, Pringles, Cheez-Its, Froot Loops, Frosted Mini-Wheats, Corn Flakes, Frosted Flakes, and Special K.

Some of the boxes will tell you that they are sweet and delicious, while others might claim to be heart-healthy.

What Kellogg's products *should* tell you is that each sale supports open borders, rioting, and radical leftism. This is an indisputable fact, just like the number of calories in a serving.

Each box of Special K that's sold benefits the W.K. Kellogg Foundation. Every conservative knows about George Soros' support of left-wing activists, but few are aware of just how influential the Kellogg Foundation is. The foundation distributes hundreds of millions of dollars' worth of grants every year. Its immense wealth is due to its large ownership stake in the Kellogg company.

The W.K. Kellogg Foundation Trust [owns 16% of Kellogg's](#). That stock is worth \$3.2 billion. The trust uses these assets to fund the foundation. For example, in 2022 the trust funded the Kellogg Foundation with \$387 million, according to [Influence Watch](#).

The foundation also has representation on the board of Kellogg's. Foundation CEO La June Montgomery Tabron has served on the Kellogg Company's [board of directors](#) since 2014.

The Kellogg Foundation has [supported](#) "beyond policing" research that advocates defunding the police. The foundation's [grants](#) helped launch the Black Lives Matter movement, and it has [supported](#) a fund in Philadelphia that [bailed out](#) hundreds of rioters in in 2020.

The foundation also [funded](#) a \$500 monthly income for illegal immigrants, effectively subsidizing law-breaking. It has a long track record of supporting open-borders groups. The foundation gave [nearly \\$900,000](#) to Tides Advocacy, which helped start the [Abolish ICE movement](#).

Finally, like all left-wing organizations, the Kellogg Foundation has [given](#) hundreds of thousands of dollars to Planned Parenthood.

It's not just that corporate America makes no effort to appeal to conservative customers. Companies actively use our money to oppose our interests.

If you just take conservative voters from 2020 and break down how much of the nation's gross domestic product they represent, the cumulative total topped *\$7 trillion*. That would be the third-largest country in the world by GDP, only behind the United States and China. Yet corporate America not only doesn't market toward us, but it spits in our face by using our money to subsidize left-wing radicals.

Frankly, what Kellogg's is funding shouldn't just upset conservatives. What the company is doing is anti-American. Kellogg's is backing movements that the majority of the country opposes. The majority of Americans are [opposed](#) to cutting police funding, just as the majority of Americans are [opposed](#) to abolishing the Immigration and Customs Enforcement agency.

The power of our wallets is immense, and it's about time we realize that. Conservatives simply should not have Pop-Tarts in their pantry. (There are conservative alternatives to Kellogg's products on [PublicSq.](#)) Unless you are buying Soros-branded cereal, just

about any other company is a better choice than Kellogg's. And besides that, Pop-Tarts are loaded with MSG!

Apostasy Knows No Bounds!

An Adventist Pastor was Recently Appointed to Lead an Ecumenical Group Whose Mission is to Achieve the Visible Unity of the Churches

In a recent announcement, the Working Group of Christian Churches in Darmstadt, Germany (AKC Darmstadt) stated that a Seventh-day Adventist pastor has been chosen to serve as the organization's new chairman of the board. According to their website, AKC Darmstadt is an ecumenical organization that promotes the "visible unity of the Christian Churches." [1] Darmstadt is twenty miles south of Frankfurt, Germany. The German news website Echo Online published the following on September 20, 2023:

- "Michael Mainka, pastor of the free church Adventist community 'Leben im Zentrum' in Darmstadt, now heads the committee, which includes eleven churches." [2]

- *“At its general meeting, the Working Group of Christian Churches in Darmstadt (ACK) elected a new board. The new chairman is Michael Mainka, pastor of the free church Adventist community.” [2]*

- *“He will be represented by Evangelos Kyprianidis from the Greek Orthodox Community of St. Nikolaos, Stefan Schäfer from the Catholic Pastoral Area Darmstadt-Mitte and Carin Strobel from the Evangelical Deanery Darmstadt.” [2]*
- *“The new board, together with the delegates from the various churches, would like to continue the proven work of the ACK, promote ecumenical contacts and mutual understanding and be present in the city public through joint activities and church services, it is said.” [2]*
- *“After his election, the new chairman thanked his predecessor for the work she had done over the past two years.” [2]*

What we are seeing here has nothing to do with the mission that God has for us as a people. This actually fulfills the Second Vatican Council’s “Decree on Ecumenism,” which was issued on November 21, 1964, and which begins:

- *“The restoration of unity among all Christians is one of the principal concerns of the Second Vatican Council. Christ the Lord founded one Church and one Church only. However, many Christian communions present themselves to men as the true inheritors of Jesus Christ; all indeed profess to be followers of the Lord but differ in mind and go their different ways, as if Christ Himself were divided. Such division openly contradicts*

the will of Christ, scandalizes the world, and damages the holy cause of preaching the Gospel to every creature.” [3]

- *“All however, though in different ways, long for the one visible Church of God, a Church truly universal and set forth into the world that the world may be converted to the Gospel and so be saved, to the glory of God. The Sacred Council gladly notes all this. It has already declared its teaching on the Church, and now, moved by a desire for the restoration of unity among all the followers of Christ, it wishes to set before all Catholics the ways and means by which they too can respond to this grace and to this divine call.” [3]*

The modern ecumenical movement is actively working to bring all the churches together in a visible unity, and this is exactly what we can observe happening. This is what the Second Vatican Council mandates. What about the solemn message that God gave in Revelation 14:8 and Revelation 18:4? Tragically, God’s message is being replaced with the false teaching of the Second Vatican Council. Pastor Michael Mainka has been played by one of Rome’s ‘Venus Flytrap’ (pun intended). The Roman Catholic Church’s Decree on Ecumenism commands us to **“come in,”** which is completely at odds with God’s “Loud Cry Message” of Revelation 18:4, which says: **“come out.” ~ “And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. ⁵For her sins have reached unto heaven, and God hath remembered her iniquities.”**

Today, there is a Satanic voice that calls on everyone to come together in solidarity. Pope Francis is busy building a human brotherhood. This work is even undermining the Seventh Day Adventist mission and message. Our common banner is the Commandments of God and the faith of Jesus Christ. The real shock here is that even the Seventh Day Adventist pastors are getting on the Ecumenical bandwagon!

God has entrusted us with the work of announcing to the world the everlasting gospel of Revelation 14:6–12. We must stand firm in the preaching of this message. This is what society needs to hear right now. But what is happening is that many are trying to dilute God’s message with all these ecumenical appeals to ignore biblical truth, ignore sin and apostasy, and instead place an emphasis on unity and solidarity.

Most denominations today are trying to accommodate the Biblical message with Rome’s call to universal brotherhood led by Pope Francis, who says that we all must be united by putting unity and solidarity before truth and duty. Keep in mind “oil and water” simply do not mix! You can easily see why Pope Francis opposes Christians having a personal relationship with Christ Jesus. Francis is a Jesuit and their god is in secret Lucifer. It’s been that way for five centuries. This was why Cardinal Carlo Martini persuaded the NIV translating committee to change the word “Lucifer” in the KJV Bible, where it appears in Isaiah 14:12 to be replaced with “O Morning Star” in the NIV.

We are told that in the last days, Satan’s one-world church movement will be at work, attempting to unify the entire world. In this solemn time of earth’s history, one cannot

pretend to represent the Seventh Day Adventist Church while actually serving the agenda of the Beast and his image, whose are planning to implement the Mark of the Beast. The vener image of the SDA church appears to be crumbling. It is in their (SDA) own publications.

“Satan determines to unite them in one body, and thus strengthen his cause by sweeping all into the ranks of Spiritualism ... Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a grand movement for the conversion of the world” -(Great Controversy, pp. 588, 589).
