

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #218

Anyone reading Pastor Bob's posts and series needs to understand the Hamas – Israeli War is not a partisan issue of **“Us against Them”**. The Bible told us in advance of its happening, that it would happen. Most people simply were not listening. Isaiah 46:9-10 states: ***“Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me, ¹⁰Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure:”*** The former events in Israel's history show the Lord alone is God and none are like Him. From the beginning, God has declared the end, the outcome, of his plan. His plan will stand; it will be carried out. He will do all He has purposed to do.

What you need to be asking is *“For why and what purpose did God use Isaiah to deliver this message?”* Consider this analysis as my answer. The Bible, all 66 books, is about Jesus Christ, each book teaches a central theme of God's plan of redemption, each with a different set of players or individuals, same script but with different variations and scenarios.

The Bible is a “love letter” wrapped up into this incredible prophecy format that I call History told in advance. God is doing everything possible to get your attention and warn us of what Satan plans to do in this great last battle coming between the Antichrist and Jesus Christ.

O.S Hawkins wrote a series of small books that helps a person grasp this concept. His little book, *‘The Bible Code: Finding Jesus in Every Book in the Bible’* wonderfully presents the premise of what I have been saying for a very long time, that being the entire Bible is a prophecy. The Bible is a ‘Living Book’ in that every generation since it was codified as the Written Word of God as canon from which the world could draw from its chapters the ‘Living Word’ at any point in time to understand the principle of John 3:16-21. As further proof God put His (Plan) Word in the Mazzaroth (Stars) and also in the Stones (Great Pyramid). As amazing as it is, God was thwarting Lucifer's plan to steal, kill, and destroy; the Fallen Angel that was determined to be above God Himself, that plan is stated in Isaiah 14:12-15 through a series of ***“I will”*** statements.

In a previous Blessed Hope I went into the details how the Satanic Jesuit Cardinal Carlo Martini was successful into tricking the NIV translation committee into changing the only reference to ***“O Lucifer”*** to the term ***“Morning Star”***. That “nugget” packaged in Isaiah 14 did not get much attention by the church when I learned the background of what happened in the late 1970s, Satan’s demons were at work to change the Word of God to something the Satanic Jesuits were trying to do to water down the King James Bible of its “Living Word”. We see the current pope full of the satanic deception in his platitudes of poisonous venom.

God is Omnipotent, Omnipresent, and Omniscient; and these three words that describe the characteristics of a divine or supernatural entity:

- Omnipotent refers to someone who’s all-powerful and can do anything.
- Omnipresence refers to the state of being present in all places.
- Omniscient refers to having complete or unlimited knowledge and awareness of all things, including the past, present, and future.

A person can choose to believe it by faith or dismiss it but you better have a good reason to dismiss, given the evidence that God has provided us hundreds of prophecies in advance so that He could make such spectacular statements as above in Isaiah 46:9-10. In the book of Ezekiel, God tells through Ezekiel why he is going to do what He has stated to Ezekiel. You are witnessing the fulfillment of prophecy every day, because you are living in the days of history being unveiled in real time. This may be a chaotic and turbulent time but it is the culmination of what are the End Times.

Yes, you are the audience and the prize raging between the competing forces of Lucifer and his hordes and the church of Jesus Christ international. There are Christian believers in all of the 194 countries represented in the United Nations, Satan’s court in this world. When we are Raptured out of this world for a “seven” year refuge, millions around the world will accompany us, including Chinese, Korean, Russian, and even many Palestinian Christians. God loves each individual and has gone to incredible creativity and length to preserve drive home His message to humanity. We will be receiving glorified bodies and at the close of the Battle of Armageddon, which by the way, will not last but a few minutes, we will live in a world that will surpass anyone’s dreams, wishes, or expectations for 1,000 years.

Revelation 20 tells us that six times the Millennial Reign of Christ Jesus will be 1,000 years. It means exactly what it says. The price for your salvation is written with His blood and you can’t do anything other than to say thank you and abide in His Grace! While the pope blatantly discourages us from having a relationship with Jesus Christ, you can know with certainty that he is the False Prophet; that is exactly what Jesus seeks in His relationship with Him. In the articles we can see the diversity of thought on what is happening. The tragedy of what is occurring is that it is dividing humanity on nationality. Bible-believing Christians know that our citizenship is in God’s kingdom and that we are sojourners in route to a better world than what exists today.

Any Bible-believing Christian should listen to this speech by Benjamin H. Freedman delivered in 1961. Mr. Freedman is Jewish and calls out Zionism for what it is. Over the years I have listened to this address nearly a dozen times. The link below is to the audio and there is a PDF transcript of his address is linked below that.

Gates Foundation Insider Admits Depopulation Drugs Are Pumped Into Fast Food Meals

Fact checked

October 17, 2023 Baxter Dmitry

The US food supply has been flooded with depopulation drugs with the intention of quietly and deceitfully sterilizing the majority of the human race, according to a Gates Foundation insider who has admitted that Bill Gates' mRNA vaccines, mosquitoes and food production are part of a multi-pronged eugenics attack on the human race.

This evil plan has been in the works for years, and now we are seeing it play out before our very eyes in all its psychopathic detail.

But all is not lost. Forewarned is forearmed and we have the information you need to keep you and your loved ones safe – and the information that will be used to haul the elite before modern-day Nuremberg trials and hold them to account.

Hardcore and fast-acting animal contraceptives have been detected in food samples from America's top 10 most popular fast-food chains, according to a disturbing new laboratory report.

In September, Moms Across America (MAA) submitted food samples from 10 food chains to the Health Research Institute, an Iowa-based nonprofit laboratory that tests food for nutritional value, bio functionality, contaminants and toxins – including hormones and contraceptives.

Fast food meals from McDonald's, Starbucks, Subway, Chick-fil-A, Burger King, Taco Bell, Chipotle, Dunkin', Wendy's, and Dominoes were tested.

Disturbingly, with the exception of Chipotle and Subway, all the food samples [tested positive for hardcore antibiotics and contraceptive drugs](#) including Monensin, Narasin, and Nicarbazin.

The drug concentrations in all of the food samples were below 2 micrograms per kilogram, which is below the Food and Drug Administration's (FDA) acceptable daily intake.

But here's the rub. As John Fagan of the Health Research Institute points out, the FDA's acceptable intake levels are meaningful only for checking acute poisoning, and just because the fast food samples came in just below these levels does not mean they are safe.

In the case of fast food, which many people consume daily, there is a concern of chronic poisoning due to *accumulation* of toxins.

According to Zen Honeycutt, MAA's executive director, *"The impact of millions of Americans, especially children and young adults, consuming a known animal contraceptive daily is concerning. With infertility problems on the rise, the reproductive health of this generation is front and center for us, in light of these results."*

And before anybody says that we would know if we were being chronically poisoned because the side-effects would be obvious – stop and ask yourself, would they really be obvious?

Or would they look remarkably like the situation we are experiencing in the world right now?

The globalist plan to depopulate the world is playing out before our very eyes and the early results could not be more disturbing.

Sperm counts in men from North America, Europe and Australia are declining so quickly that most men in these countries will be infertile by the year 2060, according to disturbing [new research](#) from the Hebrew University of Jerusalem.

Sperm count in men from Western countries plunged by 50-60% between 1973 and 2011, according to the new study, with the trend set to continue until men are completely infertile.

Interestingly, the study, which analyzed data on the sperm counts of more than 40,000 men, found no decline in sperm counts in men from Africa, South America, and Asia — parts of the world less dominated by Big Pharma, GMOs and toxic, commercially processed "food."

Many people are still refusing to see the globalist elite for what they really are. They want to believe Bill Gates is a philanthropist and if he accidentally sterilized half of Western Africa and India, then it must have been an accident. They want to believe the World Economic Forum is committed to improving the state of the world.

But there is plenty of evidence they are murderous psychopaths.

It is no secret that the WHO has been working on an anti-fertility vaccine since the 1970s. [Papers were published](#), and the WHO itself even admitted it. The real issue here is that they have been trying to pump it into young women's veins without their knowledge.

Since Bill Gates declared himself world health czar and became the main funder of the WHO, the organization has been caught *more than once* deliberately deceiving women into thinking they were vaccinated against tetanus, when in fact they were being sterilized.

If you know anyone who still thinks Bill Gates and the World Health Organization wouldn't intentionally sterilize the world with abortion drugs, you should tell them that they have been caught doing it *twice before*.

Doctors in Kenya accused UNICEF, the World Health Organization and the Bill and Melinda Gates Foundation of playing God and sterilizing millions of women in Africa via the tetanus vaccine program.

And they backed up their accusations with proof.

Dr. Stephen K. Karanja, former chairman of the Kenya Catholic Doctors Association, became suspicious of the program when he learned that involuntary sterilization programs posing as tetanus programs had occurred in other parts of the world.

Karanja, who passed away in 2021, convinced one of the largest health care providers in Kenya to test the tetanus vaccine being given, to make sure there was no foul play. But guess what? This anti-hCG-laced tetanus vaccine *perfectly* matched the anti-fertility vaccine the WHO had announced in 1993.

The conjugated vaccine effectively ends and prevents pregnancy as her own immune system will immediately attack and destroy the hCG as soon as it forms. That same year, 1995, the Philippines actually won a court order [halting a UNICEF tetanus program](#) that was using tetanus vaccine laced with hCG. Anti-hCG-laced vaccines had also been found in at least four other countries.

Without explanation, the WHO abandoned the 1995 campaign, but in 2014, they were back with a neonatal tetanus program.

And they were up to their old tricks *again*, this time trying to sterilize women in Asia.

Girls and women, 15 to 49 years of age, were instructed to get vaccinated with a series of five injections, six months apart. Suspiciously, this is the exact schedule required for the anti-fertility vaccine to produce sterility.

Regular tetanus prevention requires only one injection every five to 10 years, and under no circumstance would you need five of them.

The health provider again decided to test the vaccines and collected three sample vials directly from clinics during the 2014 campaign.

The samples were tested by three independent laboratories and, as feared, they contained hCG. Another six vials were then collected and tested. This time, half were found to contain hCG.

So ask yourself, if the globalist elite have been caught sterilizing the masses in Africa and Asia, why should you believe anything they say about the Covid vaccines they pushed on the world in such a deceitful manner?

It's not just sperm counts and fertility. We are being attacked on all fronts.

Military doctors have blown the whistle on the devastating effects of forced COVID-19 vaccinations on American troops.

According to the whistleblowers, [medical billing code data](#) captured by the Defense Medical Epidemiology Database, which is run by the Department of Defense, shows that rates of miscarriage, myocarditis, cancer, Bell's palsy, female infertility, and many more serious health conditions have skyrocketed since vaccines were mandated.

Before Operation Warp Speed, cancer rates in the military averaged about 38,700 per year. In 2021, after Warp Speed was launched, the number of new cancer cases exploded to 116,645.

As ever, the mainstream media would like you to believe it's all a coincidence. But dots are connecting. The people are waking up. The media are not allowed to tell the real story. But here at the People's Voice, we can.

Well, how about this for a series of "coincidences"...

In January 2016, depopulationist Rockefeller agent Bill Gates gave Moderna a \$20 million grant for mRNA. A month later in February 2016, Moderna filed a patent with genetic code from the furin cleavage site of SARS-COV-2. Where were the chances of the Moderna patent just so happening to share the genetic code from Covid, which officially did not even exist yet? 1 in 3 trillion odds. Trillion with a T.

Now, *that's* what I call a coincidence.

Oh, and Gates also funded EcoHealth, the CIA lab that made COVID.

Just another wild coincidence.

The arrogance and blasphemy displayed by the global elite in the last two years has been breathtaking. But the tide is turning against them. Humanity is waking up to their evil plans and investigations are being launched to expose them for what they are.

According to Russian President Vladimir Putin, the [Covid-19 virus is a bioweapon](#) developed by the elite. He says Russia's Defense Ministry is investigating the role of the U.S. Agency for International Development (USAID) in the creation of the Covid virus.

In the U.S., Florida Gov. Ron DeSantis is also [launching an inquiry](#) into the devastating consequences of the vaccine rollout.

The elite's house of cards is falling down. Governments and regulators are now being forced to take this seriously.

This could only happen if the people are waking up to the fact we have all been the subject of experimentation and abuse at the hands of the elite. The great genocide of mankind is still playing out and the death count is still mounting.

But all is not lost. The Mass Formation Psychosis of humanity was not entirely successful. There are enough brave souls who have resisted the coercion and according to Professor Luc Montagnier, the winner of the 2008 Nobel Prize for Medicine, it is the unvaccinated who will save the world.

Here at [The People's Voice](#) we are determined to continue reporting on the crimes of the elite. Hamas Co-Founder Admitted Ultimate Aim of War on Israel to The ultimate aim of the Palestinian war with Israel is to conquer the planet, according to senior Hamas official Mahmoud al-Zahar, who admitted in a recently resurfaced clip that after the successful takeover of the globe, the world would finally be rid of “Zionism” and “treacherous Christianity.”

MOHAMMED ABED

The ultimate aim of the Palestinian war with Israel is to conquer the planet, according to senior Hamas official Mahmoud al-Zahar, who admitted in a recently resurfaced clip that after the successful takeover of the globe, the world would finally be rid of “Zionism” and “treacherous Christianity.”

Speaking on Al Masirah TV, the main television news outlet run by Yemen’s Iran-aligned Houthi movement, Mahmoud al-Zahar, a founder of Hamas and one of its current leaders, made the shocking remarks, as [reported](#) in December by Breitbart News.

“Today, you could say that we reached a phase of deterrence, a phase in which we can defend the occupied land,” he said in reference to Hamas’ perpetual fight against the Jewish State, in remarks translated by the Middle East Media Research Institute (MEMRI) which specializes in covering media in the region.

Al-Zahar, quoting the Hadith (the Islamic oral tradition), admitted that the war being waged against Israel is just one battle in the ultimate goal of conquering the globe:

When we speak about the ‘Army of Jerusalem’ and the ‘Battle of the Promise of the Hereafter,’ we are not talking about liberating our land alone, but we believe in what our Prophet Muhammad said: ‘Allah drew the ends of the world near one another for my sake, and I have seen its eastern and western ends. The dominion of my nation would reach those ends that have been drawn near me.’

According to the Hamas co-founder, under this new Islamic international order neither “Zionism” nor “treacherous Christianity” will be tolerated.

“The entire 510 million square kilometers of planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity, and no killings and crimes, like those being committed against the Palestinians, and against the Arabs in all the Arab countries – in Lebanon, Syria, Iraq, and other countries,” he said.

Hamas’s original charter, which claims that “*peace and quiet*” for Jews and Christians will only be possible “*under the wing of Islam,*” repeatedly [cites](#) the Koran and other mainstream Islamic texts.

The Rothschild globalists have their own evil agenda that is committed to the removal of the Christian world blocking them from achieving world government. They own and control virtually every country with a Rothschild Central Bank. The bankers have made war their profit center for centuries. Zionist Jews are not Biblical Jews by any measure or standard. As the speech by Benjamin Freedman link on page 2 reveals, the globalists have exploited humanity by infiltrating and fomenting conflict and division as a means of “divide and conquer”.

Despite a revamped charter, al-Zahar clarified that his terror group's new political program would not preclude Hamas from seeking to liberate all of historic Palestine, including Israel.

Al-Zahar previously claimed, in reference to the entire State of Israel, that "removing the Jews from the land they occupied in 1948 is an immutable principle because it appears in the Book of Allah."

He also [blamed](#) Jews for having "corrupted" European societies.

In 2017, al-Zahar said the U.S., *"which took an entire continent from the Indians, now wants to give Jerusalem to Israel and falsify history."*

"We say to the Americans, aren't the Palestinians the Indians?"

He also [warned](#) then-President Donald Trump that once Hamas has "liberated Palestine in its entirety... we will shut down your embassy, and deport all the people of your kind." Claiming the United States would "suffer from the future geopolitical circumstances" because Islam would expand beyond all expectations, al-Zahar told Trump: "Right now, you are working for the Jews," arguing that the then-president's "own home is a Jewish home."

Prior to that, he [accused](#) Trump of loving "Jewish money."

"Trump loves the Jews, and not only because he likes the Jewish religion," he said. "I do not rule out the possibility that he is a Jew."

"He loves the Jewish religion, and the most important thing in the Jewish religion is Jewish money," he added.

Al-Zahar, whose group is behind hundreds of deadly terrorist attacks, including the most recent one, also slammed the U.S. for being a "violent" nation, adding that wrestling matches were proof of it.

Calling on viewers to *"see how the crowd reacts to the wrestlers, how it relates to this unnatural violence,"* the terror chief said *"that is their culture, their model for heroism: obscene language, obscene acts, obscene declarations, and obscene attacks on other countries."*

"That is the [American] culture and upbringing," he added. "That is their true religion."

He also said "sexual scandals" are the "belief" and "culture" of every American president and of the American people at large.

In 2010, the Hamas chieftain [insisted](#) that Muslims must construct a mosque near Ground Zero, explaining that Muslims worldwide are united in a common cause.

The resurfaced clip follows the recent brutal attacks that saw hundreds of Hamas terrorists storm Israeli territory and murder scores of civilians while taking dozens hostage, including Americans.

The Palestinian terrorist group launched the unprecedented terror attacks, which included the firing of thousands of rockets into Israel and the infiltration of Israeli territory by land, air, and sea, on Saturday.

As Breitbart News reported, many were young men and women attending the Supernova music festival in southern Israel where Zaka Search and Rescue confirmed its personnel have recovered some 260 bodies.

Since then, dozens of disturbing video clips depicting Israeli civilians — men, women, and children — being abused, kidnapped or executed have flooded social media outlets.

In one harrowing report, Hamas terrorists are claimed to have massacred at least 40 babies at the Kfar Aza kibbutz on Saturday, an IDF commander made public Tuesday.

However, more bodies are expected to be found.

According to the Israeli Embassy in the U.S., the death toll is nearing 1,000, with at least 3,418 injured.

Inside Israel's Secret Program to Back Syrian ISIS Rebels - Fighters armed and paid to keep Iranian-linked forces away from Israel's border - FP - September 2018

Israel backed ISIS in Syria but now calls to arms against Hamas as ISIS. Inside Israel's Secret Program to Back Syrian ISIS Rebels

Fighters were armed and paid to keep Iranian-linked forces away from Israel's border. Israel secretly armed and funded at least 12 rebel groups in southern Syria that helped prevent Iran-backed fighters and militants of the Islamic State from taking up positions near the Israeli border in recent years, according to more than two dozen commanders and rank-and-file members of these groups. The military transfers, which ended in July of this year, included assault rifles, machine guns, mortar launchers and transport vehicles. Israeli security agencies delivered the weapons through three gates connecting the Israeli-occupied Golan Heights to Syria the same crossings Israel used to deliver humanitarian aid to residents of southern Syria suffering from years of civil war. Israel also provided salaries to rebel fighters, paying each one about \$75 a month, and supplied additional money the groups used to buy arms on the Syrian black market, according to the rebels and local journalists. The payments, along with the service Israel was getting in return, created an expectation among the rebels that Israel would intercede if troops loyal to President Bashar al-Assad tried to advance on southern Syria. When regime forces backed by Russian air power did precisely that this past summer, Israel did not intervene, leaving the rebel groups feeling betrayed.

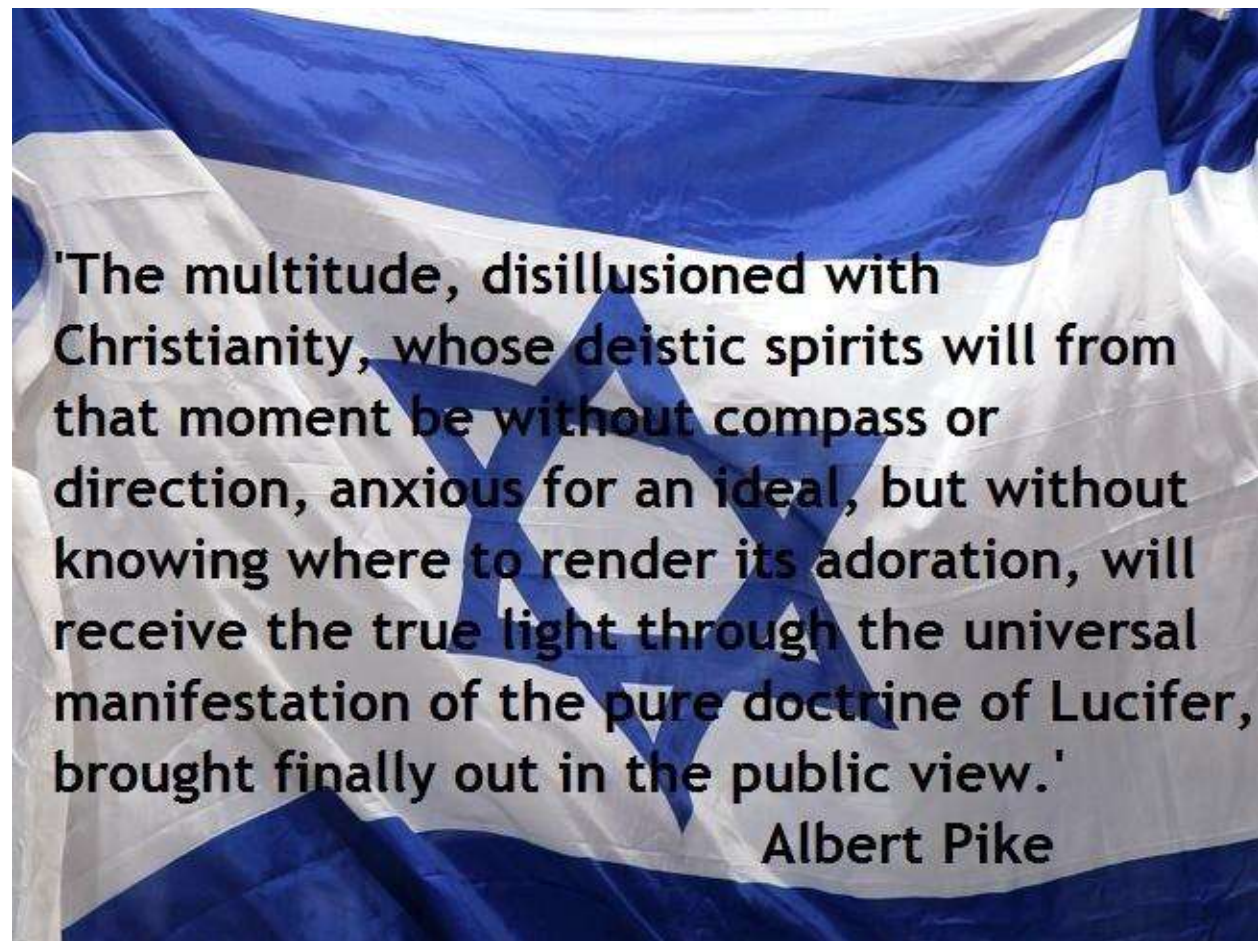

Guiseppe Mazzini <<<<<< 15 Aug 1871 LETTER <<<<<< Albert Pike
Italian Scottish Rite Mason & Mafia founder - US Scottish Rite Grand Master

'The multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view.' *Albert Pike, 1871*

Scottish Rite Freemason Albert Pike's diabolical 1871 plan for three World Wars:
'...the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without

knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view.'

Chilling letter written 150 years ago predicted both world wars and a third battle against Islamic leaders A SCARILY accurate letter that predicted the First and Second World Wars also foresaw a third massive global conflict. A CHILLING letter that predicted the First and Second World Wars also claimed a third global battle will be fought between the West and Islamic war leaders. The prophecy was penned by US army captain Albert Pike, a Freemason, almost 150 years ago and sent to Italian politician Giuseppe Mazzini. However, some have declared the letter a hoax, claiming there are no primary sources to prove the document's authenticity Dated August 15, 1871, the mysterious letter pinpoints how and why the First and Second World Wars raged in the 1900s It then claims a third and final battle against Islamic war leaders will have our nation fighting "to the point of complete physical, moral, spiritual and economical exhaustion". He said Christianity would be "destroyed" and a one world government established. The letter features heavily in former naval officer William Guy Carr's book Satan, Prince of this World. According to the book, Pike's letter suggested World War I would take place to overthrow the Tsars in Russia and make the country a "fortress" of communism.

In all of what I am sharing here is the manifestation of Luciferian Satanic works from behind the scene as the Bible reveals the larger war against God and God's creation/children. The fallen one has been allowed to operate for a limited time, and he has been like a roaring lion roaming about seeking to steal, kill, and destroy. We are the prize and the victim as Dr. Chuck Missler used to say when he was still with us. In a matter of a few weeks Satan will indwell the body of one Prince Charles of Wales to believe that he is the Messiah (all be it a fake one). Prince Charles is the senior Freemason that even tells you that their God is Lucifer in the 19th degree ritual of the Scottish Rite of Free and Accepted Masonry and is fomenting wars and strife to dethrone the God of the Bible.

You may have noted that I never give Prince Charles the honor of calling him a king, as the world does; the term is unbecoming for Prince Charles.

Bombshell Report! Israel Ordered Military to Stand Down During Hamas Assault

[by Jamie White](#)

October 15th 2023, 2:03 pm

"The IDF was given stand down orders - both the army and the Air Force - seven hours to stand down while those attacks took place," says Jewish charity leader.

Maybe Hamas' terror attack really was Israel's 9/11 -- another inside job to justify full-scale war.

Prime Minister Benjamin Netanyahu ordered Israel's military to stand down for 7 hours during Hamas' assault on the Jewish nation last week, according to reports.

Jewish Pro-Life Foundation leader Cecily Routman, citing government sources, claimed Netanyahu ordered the stand down to allow Hamas to launch its attack in order to justify Israeli retaliation against Gaza meant to ultimately wipe the Palestinian enclave off the map.

"Israel as the most sophisticated intelligence in the world. There is no way the government didn't know that that was going to happen," Routman told conservative activist Lauren Witzke in an interview released Saturday.

Routman explained that Rabbi Chananya Weissman, who's connected with top officials in the Israeli government, *"sent out a missive that, indeed, the IDF was given stand down orders – both the army and the air force – seven hours to stand down while those attacks took place."*

“And this allowed the terrorists to come in and begin slaughtering and torturing the citizens,” she said.

“Personally, I think that this situation is akin to a family keeping a rabid dog in their home and then blaming the dog when their baby gets bitten.”

“I look at the government of Israel and they really needed to make sure these people did not proliferate on their borders. And so they are held partially accountable for having to kill God’s creations in order to secure their border. This should never have happened,” Routman added.

Her claims corroborate reports from Oct. 7, in the first hours of Hamas’ attack on Israel, that the Israeli military was largely absent as Hamas invaded the border.

However, ABC News [reported](#) that Israel’s air force began shelling Gaza about 4 hours after Hamas began its assault, and its government activated its reserves about two hours after the attack began.

But that doesn’t adequately explain Israel’s inexplicable intelligence failure that gave Hamas the opportunity to launch its attack in the first place.

Perhaps Hamas’ terror attack really was Israel’s 9/11 — another inside job to justify full-scale war, that is.

We are not being facetious at all when you know the history of the Khazarian False Flag events. I posted what is a partial historical record of Khazarian False Flag events yesterday on my web page, link here: [Add Al-Aqsa Storm to the Long List of Khazarian False Flag Attacks](#) which was posted on the State of the Nation site.

Iran Reportedly Backs Down: Announces Decision Not to Assist Hamas Unless Israel Attacks Iran

By [Jim Hoft](#) Oct. 15, 2023 4:20 pm

Iran reportedly announced that it will not assist Hamas or engage in military action against Israel unless Israel attacks Iran, its interests, or its citizens.

The statement came from Iran’s mission to the United Nations in New York and was reported by [Reuters](#).

“Iran’s armed forces will not engage, provided that the Israeli apartheid does not dare to attack Iran, its interests, and nationals. The resistance front can defend itself,” according to the statement from Iran’s UN mission.

This marks a significant departure from Iran’s previous statement.

This official statement by Iran's UN mission would also indicate that we are still a ways off from the Ezekiel 38/39 War. Israel may likely defeat Hamas, even Hezbollah in Lebanon before the next phase that builds to the Ezekiel 38/39 War.

Syria is a different situation in this entire caldron of violence and carnage. Russia has both contractual relations with Syria as well as a security pact similar to what it has with Iran. Russia has ports at Tartarus and Latakia, Syria for servicing naval assets and delivering of supplies to Russian military personnel based in Syria.

In 2017, Russia and Syria signed an agreement on the deployment of a Russian PMT in Tartus for 49 years. According to the document, up to 11 ships, including those equipped with nuclear power plants, can be based in Tartus. It was also planned to expand the ship repair capabilities of the base.

Russian President Vladimir Putin introduced 13 December 2017 an agreement with Syria on expanding the territory of the logistics center of the Russian Navy in Tartus for 49 years. Information about this is placed in the Duma electronic database. *"This agreement is valid for 49 years and is automatically extended for the subsequent 25-year periods, if neither party notifies in writing, through diplomatic channels, at least one year before the expiry of the next period, of its intention to terminate it"*, the document says.

***"The logistics center enjoys complete immunity from the civil and administrative jurisdiction of the Syrian Arab Republic, and its movable and immovable property enjoys immunity from search, requisition, seizure and enforcement actions,"* the agreement states. It is also noted that the operation of the ITO is carried out by Russian forces and means. *"The Russian side has the right to send to the Syrian Arab Republic and maintain at the expense of the Russian side the necessary personnel of the logistics center,"* the document says.**

The shipyard will be built in Syrian Tartus, now a group of specialists is working on site. This was announced by Deputy Minister of Defense of Russia Timur Ivanov in an interview with the newspaper Kommersant, published on 17 December 2018. *"We have a joint project for the construction of a shipbuilding workshop or a shipbuilding plant together with the Ministry of Industry and Trade directly in Tartus for the possibility of repairing ships of various classes,"* says Ivanov. He also clarified that design was now underway at the site of the future plant, a reconnaissance team has left there. The ministry plans to create the necessary ground infrastructure with a machine park. Ivanov also said that construction is now under way at Hmeimim airbase in Syria. *"These are warehouses, arsenals, shelters for aviation equipment,"* he added.

The Russian Navy will expand and modernize its Soviet-era naval maintenance site near Tartus in Syria to support anti-piracy operations off the Somali coast, a high-ranking navy source said 20 July 2009. About 50 naval personnel and three berthing floats were deployed at the Tartus site, which can accommodate up to a dozen warships. Two tug boats from the Black Sea Fleet will deliver a new berthing float to Tartus. Following modernization, the Russian naval maintenance site in Tartus will become fully-operational. The base in Tartus will provide all necessary support for the Russian warships which will be engaged in protecting commercial shipping around the Horn of Africa.

Russia has changed since the collapse of the former Soviet Union era that ended in 1990 and the breakup of the Soviet Satellite States shifted to a capitalist economy and the new leaders like Vladimir Putin were determine to transform Russia into a modern day capitalist economic system like the U.S. and other European countries. Putin is 70, and as of 2023, Vladimir Putin's net worth is approximately \$75 billion. His net worth has always been a subject of discussion. He has many personal residences in Russia as well as in East, Germany. In 2007, his wealth was approximately \$150,000. He is known to secretly possess a fortune with billions of dollars. We know that he is a man of his word, and by that we know he honors contracts and business ethics. With his business dealings around the world Putin has secured a reputation of personal honor.

When Damascus is destroyed per Isaiah 17:1, it will automatically change everything, and I mean everything. Putin has called Netanyahu out multiple times and chastised him enough to know he cannot trust Netanyahu.

The Global Syndicate has ordered U.S. carrier groups to move closer to the flash point in Gaza. Don't be fooled. This is a cover to move more than 100 ships and subs closer to Russia. These assets would be within striking distance if they are moved into position in the Eastern Mediterranean Sea. Launching over Turkey into the Black Sea region would be simple for refueled super-sonic weapons systems. Pay attention.

In order to make a move like this, the Constitution requires a declaration of war. The War Powers Act only allows temporary moves on a limited basis. President Trump knew these the Global Syndicate was going to retaliate for having their money cut off from Ukraine. We have been telling you since 2014 that Biden was moving hundreds billions of dollars through Ukraine and siphoning off dark money to run the Global Syndicate. I can tell you that this bureaucracy is larger and more powerful than at any time in history. It requires billions a day to operate.

President Trump knew that when the 118th Congress stopped the money in the latest continuing resolution, that an attack would happen. We feared it would be on our soil. Matt Gaetz was asked to vacate the Speaker of the House, which was accomplished on October 3rd. The plans to stage the attack Israel were already

under way. Leadership in Israel, and I will leave that for you to think about, worked with the attackers. They knew about the purchase of the equipment and the training with hundreds of paragliders. They knew about the rocket and launcher upgrades shipped by Iran to Hamas. The concert in Israel was moved from its original location so it could be closer to the border. The Iron Dome was disabled. The border guards were sent home. The surveillance systems were powered down.

Four days after the Speaker of the U.S. House of Representatives was Vacated, Hamas attacked. The results are so well publicized I don't need to repeat any of that. You can turn on any station in any language and get a full list of atrocities in 5 minutes. It plays 24 hours a day.

It was an act of war, which normally requires a response of war. Bibi Netanyahu was a political cripple on October 6th and by the afternoon of October 7th, he was crowned with all glory with a strong coalition government. Within a week, he had 360 thousand trained troops, armor, and planes ready to level Gaza. The only thing missing was a Congressional Act to shift Ukraine funding to Israel. Why? Because Matt Gaetz followed his real commander in chief to stop them before they could dump the oil on that fire.

Today is the 16th, and Hama is doing whatever it can to keep its human shields in place. They blocked the roads. They confiscated the water, food, and have killed many who tried to leave Gaza. They know the IDF is coming for them, but they want all the cameras trained on the innocent civilians they use as a fence between the tanks and their cowardly forces. The world is being asked to come to the fight; Iran, Egypt, Saudi Arabia, the UN, and yes of course the Americans.

The biggest danger for the planet and its passengers is that the Global Syndicate owns the U.S. government right now. The White House is a film studio for them. The rings of the Pentagon are in a full on civil war. Victoria Nuland and Jake Sullivan are leading forces to get money to the Syndicate banks. The few Congressmen patriots are facing legions of assassins who are trying to force the war to happen. Each hour, the Global Syndicate grows weaker and more desperate.

There are millions, and yes I said millions, of Syndicate ground troops inside our cities right now waiting to fall on us like a demon horde. They each know their lives were forfeit when they got on the first raft to reach our Southern border, where Virtual Joe and his gang of criminals waited with flowers and free passage to a city near you. They wait in silence right now. If you don't see them, it is because they have been ordered by command and control centers in every metropolitan city in America to remain hidden but in plain sight.

Generals and admirals in the military are being briefed tonight on the one chance we have to save the world. They will say no. They had to be given this

opportunity to save the world. It is part of the rules. They will lay down their arms at the feet of the Global Syndicate to keep their pensions, and their multi-million dollar careers as lobbyists and CEOs of the military industrial complex. It has been this way since 1871. They are all traitors to America and to the human race.

We are headed into a doom cycle that looks almost certain to unleash devastating global economic devastation that will likely lead to the collapse of the western financial system (and the U.S. dollar).

The spark for this is Israel's ground assault on Gaza, which promises to invoke retaliation from an ever-widening number of militant groups and anti-Israel nations, including Hezbollah and Iran.

There is a very real chance that this escalates into an apocalyptic global war that devastates entire nations and leads to the fall of empires. We pray that Putin is able to maintain a check on what the Global Syndicate is attempting to bring about for as long as possible.

How Iran, the 'Head of the Snake,' Directly Helped Hamas's Assault on Israel

by Khaled Abu Toameh • October 16, 2023 at 5:00 am

- *"We coordinated with Hezbollah and with Iran and the Axis [of Resistance] before, during and after the battle at the highest level."* — Hamas representative Ahmed Abdulhadi, revealing Hamas coordination before and during the massacre, *Newsweek*, October 11, 2023.
- Another Hamas official, Ali Baraka, told Russia's state-run RT outlet that his group had secretly planned the assault for two years and did not inform any other factions or allies, including Iran and Hezbollah, of the *"zero hour."* Baraka confirmed that Iran *"gives us money and weapons."*
- While many in the West chose to disregard Iran's role in arming, training and funding Hamas and Palestinian Islamic Jihad, the same cannot be said about a large number of Arabs who have long been warning of Tehran's expansionist actions in the Middle East. Some of those Arabs have been openly talking about how Iran uses its proxies to wreak havoc not only on Israel, but on some Arab countries. Through its proxies, the Iranian regime now effectively occupies Lebanon, Iraq, Syria and Lebanon, in addition to the Gaza Strip. The Arabs, in short, see clearly what many Westerners apparently want to remain oblivious to.
- *"Hamas is an organization affiliated with the clerical regime in Iran, just like Hezbollah in Lebanon, the Houthis in Yemen, and the Popular Mobilization Forces in Iraq, and it is the same axis that threatens Saudi Arabia and Kuwait day and night. We differentiate between a just cause and a terrorist*

axis." — Mansour al-Malik, Saudi Arabian petroleum engineer, on X, October 8, 2023.

- ***"Iranian Regime Mouthpiece Kayhan : Iran Is The Mind And Hands Behind Hamas; Operation 'Al-Aqsa Flood' [The Invasion of Israel] Was Planned By Qods Force Commander Qassem Soleimani Before he Was Killed; Khamenei Hinted in August 2022 at 'The Complete Conquest of Israel.'"*** — Report by the Middle East Media Research Institute, (MEMRI), October 12, 2023.
- ***"Iranian Website Asr-e Calls On Iranians Not To Speak Out On Iranian Involvement In 'The Hamas-Israel Conflict' – For Fear Of Harming Iranian Interests...."*** — Report by MEMRI, October 13, 2023.
- What will it take for the U.S. and its allies to grasp that the appeasement of the Iranian regime is read by the mullahs and their proxies as weakness? If such appeasement continues, make no mistake: today, the carnage is Israel; tomorrow, it will be the U.S. and Europe.

What will it take for the U.S. and its allies to grasp that the appeasement of the Iranian regime is read by the mullahs and their proxies as weakness? If such appeasement continues, make no mistake: today, the carnage is Israel; tomorrow, it will be the U.S. and Europe.

The Biden administration insists that it does not have any evidence of Iran's "direct" involvement in the October 7th Hamas attack on Israel. The Biden administration has apparently totally dismissed the *Wall Street Journal* report on October 9th, *"Iran Helped Plot Attack on Israel Over Several Weeks,"* as well as the *Washington Post's* *"Hamas received weapons and training from Iran, officials say."*

Hamas leaders have indeed long been boasting of the financial and military aid they receive from Iran to enable them to pursue the Jihad (holy war) to slaughter Jews and extinguish Israel. Based on the statements of these leaders, it is

massively clear that without Iran's support, and reported planning, Hamas could not have carried out the massacre of Israelis near the border with the Gaza Strip.

International lawyer and freedom advocate Reiner Fuellmich seized by German government in Mexico

Leo Hohmann reported this early today, October 16th, 2023

German lawyer Reiner Fuellmich, who had been working on a project known as the “Second Nuremburg” to hold the originators of the Covid bioweapon plot accountable, was seized over the weekend by German authorities in Mexico where he and his wife had been staying. He was promptly flown to Germany and arrested.

Fuellmich had reportedly lost his passport and scheduled a visit to the German embassy in Tijuana, Mexico. When he arrived, German authorities were waiting for him and whisked him onto a plane bound for Munich, Germany, where they then arrested him. The exact charges remain unclear as of this post. But please be in prayer for Reiner and his family.

Reiner Fuellmich is licensed to practice law in Germany and in the U.S. state of California.

‘Technocracy News’ Editor in Chief Patrick Wood, who has worked in the past with Fuellmich in getting out the truth about Covid, stated “They lured him into the German embassy in Mexico, where they kidnapped him. He was not arrested in Mexico because there is no extradition treaty (between Mexico and Germany).”

According to an article in Global Research, protests against the German government’s action are being planned by those who support Fuellmich and his work.

Fuellmich heads up the International Crimes Investigative Committee, which is working to unveil the criminality surrounding the release of Covid and the extraordinarily criminal response that engulfed basically every country in the world — including the mandating of toxic injections marketed as “vaccines.”

Former president of the Asia Institute, Emanuel Pastreich, stated in an article for Global Research:

“What I do want to stress is that we must unite to support not only him, but thousands of people like him who are standing up against the efforts to turn governments into the puppets of corporations, international banks, and the billionaire class, the parasite class, that lurks behind them. We know that if we do not stop this effort to destroy the rule of law, at every level, to create a separate realm that belongs only to the very wealthy and powerful, that we are guaranteed

a global fascistic system which will, if it can, exterminate us in precisely the way that was attempted in Europe in the 1940s."

"I want to also stress that this effort to suppress someone working so hard to enforce the rule of law and to bring the truth to everybody, at precisely the moment that a drive is on to start a world war between Israel and Iran, including the United States, and conceivably many other countries, is no coincidence, but in fact they are parallel."

"One is an effort to force-feed us war as the basis for law, governance, and the economy; and the other is an attempt to destroy all the foundations for the rule of law and for rights for citizens."

He further stated: "If we cannot name the crimes, if we cannot identify the enemy, there is no way that either beautiful words, or rapid action, can have any possible positive outcome. And we know all too well that these invisible powers have already set up for us a baited gambit, giving us false choices, whether it be between Trump and Biden, or Hamas and Israel ...choices which are intended to confuse us and to divide us against each other so that we cannot come together in opposition to this domination of the entire world by the billionaire class."

The arrest of Reiner Fuellmich is further example of global tyranny by the Global Syndicate silencing the truth movement as examples of courageous doctors, scientists, researchers, to expose the Genocidal plans of the Covid vaxxes are being suppressed around the world.

The Holy War Origins of Friday the 13th

by Greg Reese

The origin of Friday the 13th has its roots in the ongoing Holy War. Specifically, Friday the 13th in October. Which is noteworthy seeing as how a worldwide Islamic Jihad has been called for today on Friday the 13th in October.

The Knights Templar gained wealth and power by fighting as mercenaries for the Catholic Church during the Crusades. Their headquarters was in the Al-Aqsa mosque on the Temple Mount in Jerusalem. On Mount Moriah, where Abraham built an altar to sacrifice his son.

King Solomon's Temple is a central component of all three Abrahamic religions and especially in Western occultism. The Templars were officially known as the Poor Fellow-Soldiers of Christ and of the Temple of Solomon... or "Templar" knights. Masonic lodges are based on the Temple of Solomon. Kabbalah teaches that the Temple of Solomon represents the metaphysical world and the descending light of the creator through the Tree of Life. The Templar knights

wore white mantles with a red cross. A symbology that can be found throughout the history of the Catholic Church and its offshoots. The rebuilding of King Solomon's Temple is a crucial goal of many religious groups and secret societies.

The Templars were not only expert warriors, they were also pioneers in an early form of banking, and arguably one of the world's first multinational corporations. They acquired land throughout Europe and the Middle East including the island of Cyprus, they owned and operated several farms and vineyards, they built massive stone cathedrals, and they had their own fleet of ships for war, and for the import/export business.

When Jerusalem was recaptured by Muslim forces in 1187, the Templars were forced to leave the Al-Aqsa mosque on the Temple Mount. But they still managed many businesses, and wielded much power.

King Philip the Fourth was deeply in debt to the Templars and began pressuring the church to take action against them. At dawn on Friday the 13th of October 1307, mass arrests were carried out against the Templars.

Claims were made that Templar recruits were forced to spit on the Cross and deny Christ. They were accused of worshiping Baphomet and a mummified head believed to be that of John the Baptist.

Dozens of Templars were burned at the stake. And the order was officially dissolved.

The Temple Mount remained under control of Muslim forces until the British captured it in the Battle of 1917. Thirty years later, the United Nations gave the land surrounding the Temple Mount to the Zionists. And Israel has been encroaching upon it ever since.

Martin Armstrong: Western leaders – who are actually fascists – funded the terror attacks in Israel to draw Russia into WWII

By Belle Carter // Oct 15, 2023

Financial and geopolitics analyst Martin Armstrong appeared on the recent "Health Ranger Report" to discuss with host Mike Adams how the horrifying Hamas attacks and the ongoing conflict between Israel and Palestine are paving the way for a World War III that would heavily involve Russia.

According to Armstrong, who claimed to have renowned sources, what is currently happening is the next "World Trade Center fiasco." He revealed that troops at the Israel border were pulled away two days in advance and were reassigned. Adams concurred, pointing out that Israel has extraordinarily capable intelligence. "But I noticed in the aftermath of this now, all the gloves are off, and there's no resistance against any decision that the government wants to make, no matter how radical or vengeance-oriented it might be. Where do you think this is going?" Adams asked.

Armstrong answered, *"They needed this war. They knew this was coming and they allowed it to happen. The same thing with 911... They believe that Russia is involved with Syria, Iran, and even Hamas. They're saying some of the most intelligent, sophisticated equipment actually came from Russia."* Per his sources, the number of weapons that President Joe Biden left behind in Afghanistan could fund the entire war. He also linked these (Afghanistan and Israel conflicts) with the ongoing chaos in Ukraine. *"It was the U.S. that instigated Kyiv to attack Donbas back in 2014. The very people, who were caught in Syria gassing Syrians and blame it on their President Bashar al-Assad, have been involved in Ukraine. This has been about creating war,"* he explained.

As Russia was already mentioned, the founder of free-speech platform Brighteon.com segued into asking: *"What about the fact that ex-POTUS Barack Obama laundered billions of dollars and gave it to Iran, which enabled it to relaunch its nuclear weapons development program and funded Hamas and Hezbollah and others? Also, Biden unleashed another \$6 billion just recently, and on top of that, other U.S. Democrat socialists in Congress now celebrating Hamas. Is that accurate?"* (Related: [WSJ says Iran helped Hamas plot attack on Israel "over several weeks;" Israel eager to start BOMBING Iran.](#))

Armstrong confirmed these to be true and expounded, *"You have to understand that under the pretense of liberalism is really fascism."* He said that as a matter of fact, fascism is really when the government is taking control of the private sector, directing what they are going to manufacture, how much it will be, where it's going to go, et cetera. *"This is basically what they're getting involved in. And we've been moving down this direction with canceled culture and all this sort of thing,"* he said and further stated that what makes it worse is that the mainstream media is acting as cheerleaders for an imminent world war.

Both agreed that with the current developments, things could go nuclear pretty quickly. Especially now that Israel already expressed its plans to eradicate all two million Palestinian civilians in Gaza. *"They're cut off their food, water, electricity, and fuel, which is a violation of U.N. war conventions,"* the Health Ranger said.

Israeli Prime Minister Benjamin Netanyahu vowed to *"crush and destroy"* Hamas with the support of a new war cabinet formed on Wednesday that includes a long-time opposition critic. ["Every Hamas member is a dead man,"](#) he said in a televised address.

Left cult's war actions cause imploding economies of Western allies.

Elsewhere in the show, the duo touched on the SWIFT ban against some Russian banks as part of the 2022 sanctions against Russia imposed by the European Union and other Western countries. It aimed at weakening the Eurasian nation's economy to end its invasion of Ukraine by hindering its access to the SWIFT financial transaction processing system. However, it seemed to have worked to Russia's advantage especially since the world is moving against the dollar, thanks to BRICS (Brazil, Russia, India, China, and South Africa) superpower nations.

"When Russia went into Crimea, Obama went to SWIFT to ask Russia to be taken out. SWIFT declined saying, 'You're not going to turn this into a political tool.' And so they replaced its head in 2019. He does whatever he was told and this divided the world economy in half," Armstrong said. They intended the sanctions against Russia to be basically a warning signal to everybody else that anybody who did not want to *"play ball with t the United States"* would be cut out. *"So now China has its system and it's building up its own."*

The geopolitics expert further revealed that China was the largest holder of the U.S. debt. They've been selling billions every month. It would not make sense to go to them and say, *"Can you buy another \$100 million so we can buy some missiles to shoot at you?"* They're not looking whatsoever at economics or what would the economy do. What they are really thinking is what they can bring on from war afterward, he added.

Martin Armstrong to most of you will not ring any bells, but I have followed Martin Armstrong around the time the government arrested him for not selling "Socrates", a econometrics software program that analyzed over 20,000 data points. His computer program provided predictions of economic activity worldwide were so accurate, the CIA tried first to buy his system. When he refused to sell, they had arrested on trumped up charges and incarcerated him for seven or eight years without a trial and without bail. As I recall his problem with the government back in 1997, he had rigged his computer to self-destruct should anyone attempt to try and use it. Martin Armstrong has been a consultant to many countries; he moved his main office from New York to Florida about five

years ago. If you get a chance to listen to his interview with Mike Adams, it is a lesson on the tyranny coming to the U.S. Link here:

After listening to Mr. Armstrong you will realize why the world is in the condition that it is and how close we are to World War III.

Fauci says threats from 'extreme radical right' justify his taxpayer-funded chauffeur and security detail

The "retired" NIAID chief continues to benefit from public assistance, in an arrangement that costs taxpayers millions of dollars, but remains hidden from scrutiny.

Every time Anthony Fauci leaves home, he is driven by a publicly funded chauffeur and escorted by a fully staffed U.S. Marshals taxpayer-funded security detail. Despite claiming that he is retired from government work, the exorbitant costs of his lifestyle are paid for by the American taxpayer, through a secretive arrangement that has yet to be publicized. In a new interview, Fauci said the costs are necessary and justified because of threats he has received from the “extreme radical right.”

In a new interview with Newshub, Anthony Fauci elaborated on the supposed necessity of him receiving these perks, which includes, as The Dossier has reported, a taxpayer-funded, 24/7 chauffeur and a full time U.S. Marshals security detail.

Fauci's taxpayer-funded detail is estimated to cost the American taxpayer around \$1 million dollars per month, according to comparable previous security details. The “retired” National Institute of Allergy and Infectious Diseases (NIAID) chief reportedly remains on staff via a no show job at the NIH, so that he can receive his U.S. Marshals security detail without paying for it himself.

“I am the extreme because I am a big big target of the extreme radical right in this country,” Fauci told Newshub, in justifying his welfare support, despite [being worth 8 figures](#).

“I get so many threats. Some of them are credible threats of violence ... that I have to be walking around with federal marshals protecting me, which is completely crazy,” he added.

“You can have your own opinion about a given fact and how to interpret it,” Fauci elaborated, *“but you're not entitled to your own set of facts.”*

The Trump and Biden Covid response head honcho now spends much of his time traveling around the country for paid speaking events, and events in which he is honored with a plethora of awards. He also has multiple professorships at Georgetown University, but does not have any obligations there, and does not teach any classes.

Concluding the interview, Fauci told Newshub, a Warner Bros. Discovery-owned outlet, that he is worried about the spread of “*disinformation*” on the internet.

"I don't want to make it seem so melodramatic, but it seems to erode the foundations of democracy because if you can't believe the truth," he said.

"If you look back historically on how governments have failed and tyrannies ever have risen, it's when people essentially take control over information, a lot of which is untrue. That's a very scary situation," he added.

Yes, the man who oversaw, encouraged, and even demanded the fastest roll up of power in U.S. history is worried about the rise of tyranny.

Senator Rand Paul has stated numerous times that Dr. Fauci should be behind bars, and we all know that it will not happen. Dr. Fauci is a Jesuit co-adjutor and rewarded by the Vatican's headquarters in the U.S., at its Georgetown University. I am confident that the Lord Jesus Christ will reward him appropriately for his crimes against humanity. He rivals the Nazi Dr. Mengela of World War II fame!

Why The Rapture Occurs Before the Revealing of the Antichrist!

¹“Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, ²That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. ³Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; ⁴Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. ⁵Remember ye not, that, when I was yet with you, I told you these things? ⁶And now ye know what withholdeth that he might be revealed in his time. ⁷For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. ⁸And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: ⁹Even him, whose coming is after the working of Satan with all power and signs and lying wonders, ¹⁰And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. ¹¹And for this cause God shall send them strong delusion, that they should believe a lie: ¹²That they all might be damned who believed not the truth, but had pleasure in unrighteousness.” –(2nd Thessalonians 2:1-12)

The Church is taken out of the way first, and then the Man of Sin, the Antichrist is revealed. We have discussed in length there are two different words, one that deals with the “Departure” (physical) and the other falling away from the faith. For reference you can read Dr. Tommy Ice’s paper on this at the link here below:

THE “DEPARTURE IN 2 THESSALONIANS 2:3 - Pre-Trib Dr. Ice’s paper is everything you need to know that we will be taken out before Daniel 9:27 is fulfilled. It is centered in the dates of COP28 and so we have an approximate date.

Dr. Andy Woods wrote a book on this very topic, *‘The Falling Away: Spiritual Departure or Physical Rapture’* in 2018.

As we get closer and closer in this calendar countdown, many pundits are out pontificating as they were some sort of scholar there debunking the Pre-Tribulation Rapture, but I have long known this would be coming. Actually, it never stopped. Most of these critics have no real Biblical knowledge, take out of context passages, no Biblical language training, they quote old favorites that have been used before claiming the Rapture is a lie! They have their agendas but do not fear. Revelation 3:10 states explicitly that: **“Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.”** You may ask how can you be so sure about God delivering us before judgment? As of this very moment, I have been studying Bible Prophecy [History told in advance] 56 years, 3 months, and 8 days. My quest began on June 8th, 1967, the day following the Israeli 6-Day War. There is no need to go into how my eyes were opened at this point, but I keep track of having my eyes opened to God’s Loving Message!

Beginning in my next Blessed Hope segment, I will bring back some old articles that I posted going back ten, fifteen, or twenty years ago for encouragement. With people beginning to fear events unfolding, those old articles will be comforting and provide encouragement for the unseasoned believer. If you want to read them you can share them pass with others to read.

When you see and hear that Damascus has been “Nuked” you will know that you only have days before the End! When Isaiah 17:1 is fulfilled, Russia will enter the picture that leads to World War III. Russia has defense treaty agreements with Syria. The COP28 meetings are still on schedule and the calendar dates below are baked into the cake. Believers worldwide will be Raptured out of here just before or at least prior to when Prince Charles makes his rare appearance that will usher in the Great Tribulation of Daniel 9:27. Hanukkah, 2023 offers another possible Rapture date in this time frame!
