Satan’s Bankers **The Synagogue of Satan** **Complete List of Rothschild Owned and Controlled Banks**

“GIVE ME CONTROL OVER A NATIONS CURRENCY, AND I CARE NOT WHO MAKES ITS LAWS.” - BARON M.A. ROTHSCHILD

An increasing number of people are waking up to the fact that 99% of the Earth’s population is controlled by an elite .001% – but did you know that one family, the Rothschild’s, rule everything, even that elite 1%?

The name Rothschild is synonymous with mammon, money, cash, currency, coin, bucks, dough, funds, gold, dollar; yet less known is the fact that they are worshippers of Lucifer.

- The Rothschild’s Global Crime Syndicate and How It Works
- Rothschild’s Crime Construct 1
- The Rothschild’s are headquartered in the Babylon-BIS-Tower in Basel
- Debt is their control Mechanism
- Their power goes far beyond the Banking Empire
- War is their most profitable business
- Countries and individuals turned into corporations
- The world is ruled from three independent sovereign states
- Debt must first be created before being able to create debt money
- The Rothschild’s have infiltrated royalty and aristocracy through breeding

The Rothschild’s are the owners of the entire global financial system. The Rothschild’s descend from Mayer Amschel Bauer who changed his name to Rothschild, derived from the Red Shields – Rotes Schild – of his house in Frankfurt/am Main – Germany. He established his international banking business

by deploying his five sons, who set up shop in London, Paris, Frankfurt, Vienna, and Naples. The family was deceitfully elevated to the status of nobility in the Holy Roman Empire and the United Kingdom.

Behind the scenes, the [Rothschild dynasty](#) is unquestionably the most powerful bloodline on Earth and their estimated wealth exceeds \$500 trillion. They own the entire financial system. This mind-blowing scope of control functions as follows; The Rothschild's sit at the top of their pyramid-structured organization, literally running the entire financial world with about eight thousand selected members. Although it is difficult to fully investigate and verify, Rothschild may share his ultimate power with the House of Saud and the Soros family and on lower levels with some other banking families, as will be explained later.

The Rothschild's have set up the world's financial institutions making sure they literally receive 90% of the generated interest paid by the populace at large. These criminals are Luciferians while on the surface, for easier public consumption, they have dubbed their religion Zionism. In truth, they worship Lucifer, which includes satanic ritual abuse, including pedophilia and the sacrifice of children.

**The Rothschild's are headquartered in
the Babylon-BIS-Tower in Basel, Switzerland.**

On the second echelon of the power structure, sits Rothschild's fully owned BIS – Bank of International Settlement established in 1931 in the Netherlands. Headquartered in Basel -Switzerland, and is recognized by all counties as being the top bank of all financial institutions on the world. Every Central Bank is a member of the BIS-bank. They have a civil organization agreement for total immunity, and enjoy immunity from all worldly laws and rules, so no one can attack them. Basel, where the Babylon style BIS-Tower is located was the location where the Nazis, during WW2 met to trade the stolen Jewish gold. The BIS issues instructions to all other financial institutions across the entire globe.

On the third echelon, directly below the BIS are the Rothschild-owned IMF – International Monetary Fund – and World Bank. The IRS and similar tax-collecting agencies in other countries are structured as a foreign, private corporation of the IMF and forms the private “army” of the Federal Reserve – Fed – and all other Central Banks. The main objective is to make sure the people pay their taxes and always remain useful slaves. Their sole devotion is to enslave entire countries and their populaces through their criminal debt money system.

Debt is their control Mechanism

By bailing-out countries after having intentionally manipulated them into debt and subsequently pretending to help them by calculating their maximum levels of debt, they make sure the debt can never be repaid, to keep them slavery bound.

This strengthens their hold/control on these countries as they pay them back through slave labor, while they additionally plunder all of their resources. They

blackmail the heads of these nations through various operations such as child sex trafficking, organ harvesting, and pedophilia, making sure all countries are fully integrated as hopeless slaves to their financial system, from which no escape is possible.

There are two Megabanks that offer loans to all countries around the planet, the World Bank and the IMF. The first one is jointly owned by the world's top banking families, with the Rothschild's at the very top, being the main shareholder, while the second one is privately owned by the Rothschild's alone. These two Megabanks offer loans to "developing countries" and use their almost impossible-to-pay-back interests to get their hands on the real wealth, namely land, mineral resources and precious metals.

The fourth echelon explained below, are almost all the central banks in the world that are similarly owned by the Rothschild family. To name but a few, these are the central Bank of England in the City of London, the Vatican Bank in Rome, and the Federal reserve in Washington DC, and the European Central Bank – the ECB in Frankfurt am/M. While the central bank in London manipulates the gold price every day. The City of London, the Vatican in Rome and Washington DC are recognized as free states, to assure their immunity from literally everyone. Consequently, all employees, of the established banking institutions are immune to prosecution and oversight.

Their power goes far beyond the Banking Empire

The fifth echelon holds the regular banks and the stock markets, these form the executive branch of the debt system with their interest rate manipulation.

The true power of the Rothschild's goes far beyond the Banking Empire, they have also been behind all wars since Napoleon's Waterloo war. That's when Nathan Rothschild, during the Battle of Waterloo in 1815, manipulated the stock market to purchase and pay for England. He discovered also how profitable it is to finance both sides of a war they've been doing that ever since.

Nathan found himself with an increase in wealth of 6,500 times more than what he had previously owned after his engineered stock market crash of 1815. In essence, he robbed Britain blind, and he became, for all accounts and purposes, the owner of most of England. From that point forward his family, with more wealth than they could have ever dreamed of, became an influential player in governments, and they steered policy decisions going forward, by bribing and paying politicians from that time onward. It also bears noting that this scheme by Rothschild was historically important for another reason: It showed how '*fabricating*' a disaster could lead to massive financial gains.

War is their most profitable business

And that also is the reason why the world still finds itself in the intertwined in endless wars, because it is very, very profitable to the Rothschild's and their

parasite bankster bloodlines. *And for as long as their debt money is used, the world will never know peace.*

The Rothschild's and their banking cartel have funded both sides of virtually every war since that date in 1815 – wars initiated by their paid agents in government in cahoots with the military and intelligence agencies, have all been manipulated into existence. This has cost the lives of at least hundreds of millions – 75 million in WW 1 and 2 alone, allowing the cabal to control governments and people through debt payments of the loans provided. When the wars eventually devastate countries, the cabal banking cartel lends more money to rebuild them – the interest payment for these extended loans, ensures they will remain slaves to the cabal. As the cabal also owns the defense companies, they also sell all weaponry, accumulating huge profits, requiring yet more loans to governments. *If the Deep State didn't want wars, there would be none.*

Countries and individuals have been turned into corporations

Beyond these atrocities, it may be shocking for many to find out that each country and each individual has been turned into a corporation that is ruled from abroad. The construction is too complicated to be explained in a few words, but important to note is that the exploitation rights of these deceitfully created corporations are controlled by the British Crown and the Vatican within this organization. On a more practical note: All U.S. Presidents, except for Donald Trump were cabal-appointed CEOs and their business is to make money for the British Crown and the Vatican, who take their share of the profits every year.

The world is ruled from three independent sovereign states

The British Crown covertly rules the world from the 677-acre – 2,7KM², independent sovereign state, known as The City of London. This other Crown is comprised of a committee of 12 banks, headed by the Bank of England, controlled by the Rothschild's!

In 1815 after he had bought and paid for England, Nathan Mayer Rothschild made the following statement:

“I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply.”

The House of Rothschild is really at the top of the pyramid of power. They are behind the push to force onto the people of the world, a New World Order, hereby actively pushing towards complete and utter domination of the entire world. They are behind the European Union, the Euro and the ECB. They also are behind the idea of a North American Union and the 'Amero' currency to become the new currency for the whole of the American continent. They control all of the world's secret services, including CIA, MI-5, MI-6 and Mossad, while their private army is NATO and their private government is the UN.

Debt must first be created before being able to create debt money

All the money in the world is based on debt; first debt must be created in order to make debt money. This is actually a contradiction in terminus, as money is paid to settle debt, which makes real money the opposite of debt. In truth, debt cannot be used as money, except in the world controlled by the Rothschild's

Please read this paragraph again, until you really understand how we the people are being *deceived and robbed* of our hard-earned money, money that is created from our valuable energy that streams into their pockets, because the Rothschild's have equated our energy money to their worthless debt money!

Go to the bank, sign a loan contract, digitally debt is created on your side, out of nowhere. This is how they create all the money in the world that is always based on debt, and so the economy runs on debt.

The charged interest rates for the loan, say 5%, is however not created from your debt/contract that has to come from another loan contract for which similarly no interest money has been created. This, in essence, amounts to stealing from Peter to pay Paul. *This purposely creates a shortage in the debt money supply.*

The interest income goes from the people at the bottom of the pyramid straight to the top of the pyramid; the Rothschild's with their selected wealthy few. These interest payments thief from other contracts which ensures the continuation into eternity of financial shortages. To fix this, they keep piling on debt contracts on top of yet more debt contracts to cover the debt on debt on debt holes they themselves have created. *Worldwide this sucks the real value out of people's money and resources. This is what causes [the global national debt](#) to continue to grow. Meanwhile, the interest rate income is adding capital to the highest top of the pyramid. In addition to the interest rate scam, inflation results, which is yet another *theft* from us the people. And the money keeps moving straight up continuously; again, to the very top of money-scam pyramid. *As a matter of fact, the interest rate charges cause most of our financial troubles.**

The 6th echelon in the pyramid-hierarchy is formed by the multinational corporations. These corporations are responsible to maintain assets and/or operations. But actually, in many cases they exploit resources and employees. The Rothschild's own, directly or indirectly, almost all of these multinational corporations, such as Coca Cola, Monsanto, Shell, Nestlé, DuPont, P&G, Unilever, Philips, etc.

The 7th echelon in the pyramid structure is formed by the [Governments](#). Governments play along by paying the usage taxes, 13% of the tax money brought in, goes directly back to the privately-owned banking system. Which is corruption at its finest.

Finally, on the 8th echelon, at the bottom of the pyramid, are we the people, constantly feeding the Rothschild – elites at the top. We are considered to be bottom-feeders; or useless eaters and we do our part by paying 90% of the interest rate charged that is subsequently divided over the top 10% or the highest top of the pyramid. That's how the Rothschild's have built their wealth in excess of 500 trillion dollars, resulting from the web they have woven around us.

Their plan is to completely take over the planet and in that respect, the Rothschild's have been incredibly successful, by hiding their manipulations behind their puppet-cronies. They control humans like puppets on strings and so they have become the wealthy rulers and dark lords of planet Earth.

The Rothschild's infiltrated royalty and aristocracy through breeding

Sumerian – Babylonian – Khazarian bloodlines, like that of the Rothschild's, have used official marriages and concubines to infiltrate royal and [aristocratic families](#).

DNA science has torn back the curtains of time and revealed the Serpent in these people. The ones today called "Jews," are the very disciples of the evil entity who the Bible describes as, "*that old serpent, the devil.*" – From the early centuries of the first millennia, the Khazars of Eastern Europe were known as the diabolical "[Serpent People](#)," and now, the nation of Israel has admitted that its people are indeed, the Khazars.

Many politicians, Satanists and others throughout the system are mind-controlled to ensure complete control of events. From the outside – the side the public sees – they are quite normal, but when switched, they are very different people. The originator of this mind-control process is the Nazi 'Angel of Death,' Josef Mengele, who was helped to escape to the United States by the Archon bloodline networks that control American Intelligence and the Roman Church. They wanted the 'camp doctor' at Auschwitz, to continue his sickening genetic and mind-control research that he had conducted on Jewish children in the concentration camps. National Borders don't matter to the Archon Crime Cabal – they are one 'global family'.

[Rothschild](#), one of the main agents of the Khazarian – Archon bloodline, discovered the basic principle of *power, influence, and control over people* as applied to economics. That currency or deposit loan accounts had the required façade of power that could be used to induce people into surrendering their *real wealth* in exchange for a *promise* of greater wealth – as opposed to real compensation. People would put up real collateral in exchange for a loan of promissory notes. – On the principle "*when you assume the appearance of power, people soon give it to you.*"

Money – whether it's a tangible piece of paper or a number on a screen – is intrinsically worthless, yet it fuels the modern world. The ultimate control of money rests with the private cartel of central bankers, the Federal Reserve

System, ECB, BoJ, BoE, etc. Because of this, *it is detrimental for citizens and it is extremely important to understand how this shadowy – private – organization works and how its ultimate goal is to forever enslave us in a descending pit of debt* that we will never be able to crawl out of. In order to better understand the importance of *GOLD*, its history, its significance to the crime cabal, its workings, and the massive fraud foisted upon us, it is important to understand Gold's dominant role.

Phillip Eugene de Rothschild, one of the millions of unofficial offspring of the family had a detailed correspondence with David Icke in which he explains the hierarchy of the Crime Cabal:

At the forefront are the royal families of Europe... Prince Philip... is the leading biological descendent of the 'Reptilians' as David Icke calls them. Immediately below him are the males of my family line (Rothschild's) like court of ministers in charge of logistics and operations. The current monarchs of The Netherlands, Spain, Denmark, and some other old Austrian nobility (Habsburgs) are next in line of this occult power conspiracy.

How many more children and human beings need to suffer before humanity grows up and faces the reality and sheer evil of the force that controls them and their reality?

The British royal family, like all the royal bloodlines of Europe, are instituted on Satanism, pedophilia, and the manipulation of occult knowledge for deeply malevolent practices, that ends in league with the 'dark suits' expressions of the bloodlines in politics, banking, corporations and the media. They are all part of or involved in this gigantic web of pedophilia, Satanism, drug-running, and murder. The sick and depraved world of [the Archon bloodlines](#), commonly referred to as Elites.

This [entire mess we are in is the result of power](#), greed and criminality at the highest levels of the Church and the worlds' governments. The Vatican, CIA, and this Criminal Construct has not only taken control of our monetary system since its inception, but they believe they have been granted their power via Satanic worship and rites, during which they rape, torture and murder children, hence the term "*Money Magic*", the creation of money out of thin air. According to their belief system, they are granted the power to create the fraudulent money by their evil masters in exchange for them enslaving humanity and helping to create hell on earth.

[We must figure out how to reject](#) the system they have woven around us, to regain our freedom. An increasing number of people are waking up to the fact that 99% of the Earth's population is controlled by an elite .001% – but did you know that one family, the Rothschild's, rules everything, even the 1% top elites?

In a matter of six weeks or less, the Rothschild's will reveal the Anti-Messiah, or as we refer to as the Antichrist. You know by now whom I am referring to as none other than Prince Charles of Wales. In Craig Bong's COP28 update in Blessed Hope #222, it was stated that Prince Charles of Wales would be "allowed" to speak. The inference suggests that those above him would permit him to speak as the keynote speaker, but he is a "front" voice for the Luciferian Rothschild's. As Scripture reveals, his power comes from the "Dragon".

Behind the scenes the Rothschild dynasty is unquestionably the most powerful bloodline on Earth and their estimated wealth is around \$500 trillion.

- There are now only 5 nations on the world left without a Rothschild controlled central bank: Iran; North Korea; Sudan; Cuba; and Libya.

The Fed and the IRS

Virtually unknown to the general public is the fact that the U.S. Federal Reserve is a privately owned company, sitting on its very own patch of land, immune to the U.S. laws.

This privately owned company (controlled by the Rothschild's, Rockefeller's and Morgan's) prints the money FOR the U.S. Government, which pays them interest for the "favor." This means that if we would reset the nation's debt today and would begin reprinting money, we would be in debt to the FED from the very first dollar loaned to our Government.

Also, most people living in the USA have no clue that the Internal Revenue Service (IRS) is a foreign agency.

To be more accurate, the IRS is a foreign private corporation of the International Monetary Fund (IMF) and is the private "army" of the Federal Reserve (Fed).

Its main goal is to make sure the American people pay their tax and be good little slaves.

In 1835, US President Andrew Jackson declared his disdain for the international bankers:

"You are a den of vipers. I intend to rout you out, and by the Eternal God I will rout you out. If the people only understood the rank injustice of our money and banking system, there would be a revolution before morning."

There followed an (unsuccessful) assassination attempt on President Jackson's life. Jackson had told his vice president, Martin Van Buren:

"The bank, Mr. Van Buren, is trying to kill me."

This was the beginning of a pattern of intrigue that would plague the White House itself over the coming decades. Both Lincoln and JFK have been murdered for trying to rid the country of banksters.

The World's Megabanks

There are two Megabanks that offer loans to all the countries around the planet, the World Bank and the IMF. The first one is jointly owned by the world's top banking families, with the Rothschild's at the very top, while the second one is privately owned by the Rothschild's alone.

These two Megabanks offer loans to "developing countries" and use their almost impossible-to-pay-back interests to get their hands on the real wealth: land and precious metals.

HELLO THERE,

MY NAME IS JACOB ROTHSCHILD.

MY FAMILY IS WORTH
500 TRILLION DOLLARS.

WE OWN NEARLY EVERY
CENTRAL BANK IN THE WORLD.

WE FINANCED BOTH SIDES OF
EVERY WAR SINCE NAPOLEON.

WE OWN YOUR NEWS,
THE MEDIA, YOUR OIL,
AND YOUR GOVERNMENT.

You have probably never heard of me.

But that's not all! An important part of their plan is to also exploit a country's natural resources (like petrol or gas) via their covertly-owned companies, refine them, and sell them back to the same country, making a huge profit.

But in order for these companies to operate optimally, they need a solid infrastructure, which is usually lacking in the so called "developing countries." So before the bankers even offer the almost impossible-to-pay-back loans, they make sure that most of the money will be invested in — you've guessed it — infrastructure.

These "negotiations" are carried out by the so called "Economic Hitmen", who succeed by handsomely rewarding (i.e. bribing) or threatening with death those who are in the position to sell away their country.

For more information on the subject, I suggest reading the '[Confessions of an Economic Hitman](#)'. It is now in its 3rd edition now. I bought the original in hard back edition around 2010.

The one bank that rules them all, the "[Bank for International Settlement](#)," is — obviously — controlled by the Rothschild's and it is nicknamed the "Tower of Basel."

The true power of the Rothschild's goes FAR beyond the Banking Empire. If you are not yet amazed by the power of the Rothschild's, please know that they are also behind all wars since Napoleon. That's when they've discovered just how profitable it is to finance both sides of a war and they've been doing it ever since.

In 1849, Guttie Schnapper, the wife of Mayer Amschel stated:

"If my sons did not want wars, there would be none."

•The Jewish members of the conspiracy have used an organization called The Anti-Defamation League (ADL) as an instrument to try and convince everyone that any mention of the Rothschilds and their allies is an attack on all Jews.

So, the world is still at war because it is very, very profitable to the Rothschild's and their parasite bankster bloodlines. And for as long as we will continue to use money, the world will never know peace.

It is shocking for many to find out that the United States of America is a corporation ruled from abroad. Its original name was the Virginia Company and it was owned by the British Crown (it should not be mistaken for the Queen, which functions largely in a ceremonial capacity only).

The British Crown donated the Virginia Company to the Vatican, which gave the exploitation rights back to the Crown. The U.S. Presidents are appointed CEOs

and their business is to make money for the British Crown and the Vatican, who take their share of the profits every year.

The British Crown covertly rules the world from the 677-acre, independent sovereign state, known as The City of London. This other Crown is comprised of a committee of 12 banks headed by the Bank of England. Guess who is controlling the Bank of England? Yup, the Rothschild's!

In 1815, Nathan Mayer made the following statement:

"I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply."

The House of Rothschild is really at the top of the pyramid of power. They are behind the New World Order and the complete domination of the world agenda. They are behind the European Union and the Euro and they are behind the idea of a North American Union and the Amero. They are controlling all of the world's secret services and their private army is NATO.

Another most important book on the Rothschild's is 'The Synagogue of Satan' by Andrew Carrington Hitchcock. It has been in its 2nd edition for several years. I keep the 2nd edition on my bedside reading area.

From all that I have shared it should not be difficult to see how Lucifer has been working to gain control of the world through the *"money makes the world go around"*. I once worked for an inter-faith community service agency that had a Jewish director. Every morning when the director arrived at work, she was either humming or singing that tune.

The House of Rothschild virtually has a choke hold on the world and in order to increase their odds of maintaining that control they have an elaborate system and plan to reduce the world's population by 7.5-billion people. What we are witness to in the Middle East currently is the building up to bring about the murder of billions through their play book favorite weapon of war!

Using the Hegelian Dialectic and Divide and Conquer tactics Lucifer and his minions are waging a war on humanity.

[NEWS BRIEF: "Leading Italian Parliamentarian: Rome Wants to Return Temple Vessels to Israel"](#), Israel365 News, October 23, 2023

Recently at a large gathering in Jerusalem, a leading Italian parliamentarian said to the Minister of Tradition that Rome has possession of the Jewish Temple's vessels and wants to return them to Israel.

"2000 years have passed and since then and you have undergone a deep change. You have returned to the Land of Israel and, I suppose, you also deserve to return. G-d promised that you would one day return and that time is now."

"But Israel is a miracle. You have succeeded in educating your people. There is marriage, love, trust and family values. The average number of children in Israel is double the average number of children in Europe. This is not just Italy's problem. It's the problem of all of Europe. Your nation has been chosen by G-d to teach the world values."

In the Vatican cellar, priceless, original Temple Vessels lie, collecting dust.

"We have in Rome the implements of the Jewish Temple. The Golden Menorah and many other Temple vessels and tools that we took from Jerusalem 2000 years ago ... if this is what will enable you to fulfill your Divine role, then please, they yours. They are laying in our cellars. We aren't doing anything with them."

This admission comes after over a hundred years of denial by the Vatican that it possessed the Temple implements. In 2013, for example, the Archbishop Giuseppe Lazzarotto of the Apostolic Nunciature in Israel wrote in a reply to an Israeli inquiry that the Vatican did not have the Temple vessels.

Timing is everything, as Israel is getting closer to rebuilding Solomon's Third Temple for the Masonic Christ!

Masonic lore depends upon reinstating the Temple Mount sacrifice! This announcement prefaces the fascinating facts about how fervently Masons feel about the many benefits will flow once the Temple is built. **"FERVENT MASONIC DESIRE TO REBUILD SOLOMON'S TEMPLE IS THE DRIVING FORCE BEHIND THE EVENTS OF THE MID-EAST!"**

"Of all the objects which constitute the Masonic science of symbolism, the most important, the most cherished, by the Mason, and by far the most significant, is the Temple of Jerusalem. The spiritualizing of the Temple is the first, the most prominent and the most pervading, of all symbols of Freemasonry ... Take from Freemasonry its dependence on the Temple; leave out of its ritual all references to that sacred edifice, and to the legends and traditions connected with it, and the system itself would at once decay and die ... " ("Encyclopaedia of Freemasonry", by Albert Mackey, MD, 33° and Charles T. McClenachan, 33°, Revised Edition, by Edward L. Hawkins, 30° and William J. Hughan, 32°, Volume II, M-Z, published by The Masonic History Company, Chicago, New York, London, 1873, A.G. Mackey, 1927, by the Masonic History Company.)

I repeat the most critical understanding that the noted 33° Masonic author, Albert Mackey, has given us:

"Take from Freemasonry its dependence on the Temple; leave out of its ritual all references to that sacred edifice, and to the legends and traditions connected with it, and the system itself would at once decay and die ... "

Therefore, all of Global Freemasonry wants the Third Temple to be rebuilt, so it will be rebuilt at all costs.

Once you understand that Middle Eastern events are being driven by this fervent Masonic desire to rebuild Solomon's Temple on the Temple Mount in Jerusalem, then you will be able to make sense of what is occurring over there today. To finally realize this dream, control of Jerusalem generally, and of the Temple Mount, especially, must pass from Israeli control; but it must not pass to Arab control. Rather, control of Jerusalem must pass to the Illuminized International Community.

God is using this Masonic "preoccupation" with Jerusalem to pull all the nations of the world together against Jerusalem. Literally, out of the smoke, devastation, and terror of the planned World War III, The Christ [Antichrist] shall come striding, just as Peter Lemesurier indicated in his book, *'The Armageddon Script'*.

[Note carefully, that Illuminized Freemasonry derives its entire Satanic religion from the Hebrew type; thus, the Arab is considered an enemy, to be vanquished. All Arabs need to understand they are targeted for extinction, as their strongly monotheistic religion will never allow them to completely accept the claims of The Masonic [Anti]Christ.

The Antichrist shall enact the scenario Lemesurier outlined, where he shall be anointed Messiah, standing *"amidst the rubble of the Dome of the Rock"*. Illuminized Western Freemasonry -- driven by the United Kingdom, the United States, and Israel -- are carefully maneuvering events in the Middle East to so precipitate the war that will not only allow their Christ to arise -(Tim Cohen, *'Antichrist and A Cup of Tea'*), but will destroy the Dome of the Rock by either a deliberately induced earthquake or war (*'The Armageddon Script'*, by Peter Lemesurier).

As Tim Cohen so strongly states, the key leadership in this script is in London, at the House of Windsor. They make the policy, and officials of the United Kingdom, the United States and Israel implement it. We have noted lately the true "Axis of Evil" driving world events -- England, United States, and Israel. While some consider Spain's King Juan Carlos to be a prime candidate for Antichrist, there is not a stronger case for either Prince Charles than Cohen presents in his *'Antichrist and A Cup of Tea'*. We have been able to trace the beginning of this entire modern flow of history all the way back to British Illuminist Francis Bacon and the equally Illuminist Queen Elizabeth I. But, that is the grist for another story to be told at another time! However, the point is that, as the beginning of the Illuminized plan for the New World Order can be traced back to the 1590's to

British leadership, it makes sense that Antichrist shall ultimately come from Great Britain.

"It is known to every reader of the Bible and student of Solomon's days, that an amazingly detailed description of the Temple and its associated structures has been carried down from the mists of antiquity by the Scriptures. Lineal measurements, materials employed, and ornamental detail are so graphically presented that restoration of the Temple, at any time within a score of centuries past, awaited only the coming of a man with the vision to recognize its historic value, and the imagination to undertake the task." -(Foreword, 'The Bible and King Solomon's Temple in Masonry', by John Wesley Kelchner, 1968, A. J. Holman Company)

To Reiterate the Key Point:

"... restoration of the Temple ... awaited only the coming of a man with the vision ..."

With both Prince Charles and Pope Francis scheduled to be present and speaking at COP28 in six weeks we are living in prophesied times without question. For almost six months I have been waiting for this electrifying news to be announced. I was surprised only by the fact that the Vatican chose to announce the return of the Temple vessels and instruments.

Following the Six-Day War of 1967, the Grand Orient Lodge of Freemasonry had placed an order for 60,000 tons of Bedford, Indiana limestone blocks for the future Third Temple in Israel. It was the subject of an article in the August, 1967 issue of *'Christianity Today'*, the flagship publication of Rev. Billy Graham. By late summer of 1969, my three-year-old son and I often found ourselves parked near the west end of the Pennsylvania Railroad's Pitcairn Yard to watch the trains coming and going. On Friday and Saturday mornings, we witnessed gondola cars displaying signs on the sides of each car bearing the words: **"Destination: Kearney, NJ, for Export to Israel"**. The open-top gondolas carried from two to six limestone blocks, each spray painted with neon orange letter/number combinations. The significance of this fact affirms that they were cut to predesigned architect's plans. Those stones are now, without a doubt, not far from the Temple Mount today. However, no one contemplated that Israel would try to secure peace and transfer custodial care to the Jordanian government.

With only six weeks to the COP28 meetings, we are on the threshold of Biblical history and prophecy converging, culminating in a way that most of the world will not be able to come to grips with when millions are removed from the physical realm we know as home. Those left behind will be told that we were taken by ET's for re-education in order to calm folks of what happened at the Rapture. The Antichrist will sell them the idea they can have immortality by following him, worshipping him, taking his Mark.

Deliverance before Judgment / Pre-Tribulation Rapture
Why The Rapture Occurs Before the Revealing of the Antichrist!**

The Great Tribulation was not something brought about by recent thinking and understanding. It is important to acknowledge that the Old Testament prophets wrote incessantly about a future time of trouble. Isaiah's long ministry ranged from about 740 to 680 B.C. -(Isaiah 1:1), and the book of Isaiah no doubt contains prophetic writings written throughout this period. He writes: ***"Behold, the name of Jehovah comes from far, burning with His anger, and uplifting of smoke; His lips are full of fury, and His tongue like a devouring fire. And like an overflowing stream, His breath shall reach to the middle of the neck, to sift the nations with the sieve of vanity. And a bridle will be in the jaws of the people, causing them to go astray. You shall have a song, as in the keeping of a holy feast night; and gladness of heart, as when one goes with a flute to come into the mountain of Jehovah, to the mighty One of Israel. And Jehovah shall cause His glorious voice to be heard, and the bringing down of His arm shall be seen with raging anger and flame of a devouring fire, cloudburst and storm and hailstones. For through the voice of Jehovah, the Assyrian shall be beaten down, who struck with a rod."*** -(Isaiah 30:27-31).

In this prophecy, Isaiah speaks of the Creator's indignation against the Assyrian, of His anger, and with the flame of a devouring fire, with scattering, and tempest, and hailstones. Common reasoning treats the prophets as just men for their time period, without recognizing that prophecies can and often do apply to the future, reaching sometimes all the way to the present time. This rationale is something that overlooks the often dual nature of prophecy. Biblical prophecy can have multiple meanings and fulfillments.

Such language has no kinship with what we understand as tribulation. Rather, the Great Tribulation is the consummate fury of a holy God who has given perfect judicial opportunity for man's redemption. Now, His spurned holiness has become a full cup and He will march through His creation to cleanse it of every defilement. It is indeed a beautiful sight to see the glory of God in holiness as He goes forth to punish and purify His Earth.

Imagine a courtroom scene in which a white-haired judge listens to the cries of a mother, whose daughter's life was snuffed out after having been ravaged by a maniacal man. The mother is absolutely devastated, the innocent life of her beautiful young daughter destroyed needlessly. The mother wonders if there is any justice in this world. Finally, the evidence is completely clear, and the perpetrator is guilty beyond question. Hell has spewed its damaging fire on another home, but the Judge sees the truth in the mounds of evidence that was presented. He finally and emphatically declares his verdict: Guilty! Death by hanging at sunrise the next morning! The grieving mother tearfully rises from her seat and with strong conviction leaves the courtroom. Her entire persona finally relaxes into relief as she realizes justice has won the day. Her daughter

did not die in vain. A serial killer will never kill again. After months of torment, she can finally sleep with a deep abiding sense of peace.

Herein lies the beauty of this day when God executes his vengeance upon a world of ungodly people. Evil has stalked the land like a thousand, million rapists. A night of dark deeds has permeated the world of mankind with deep sorrows. Good people have been subjected to endless attacks because they chose to be different. Sin has no satisfaction except in destruction, but now the Supreme Judge of all creation will foreclose on this beast and put him out of business. It's a beautiful sight indeed to see the Light of the World coming with justice to destroy the darkness and bring the earth back into harmony.

Judgment marches relentlessly forward because humanity has rejected His Son, the Lord Jesus and God's sole Redeemer! This is the "unpardonable sin" spoken of in Scripture. In other words, today the "unpardonable sin" is that of continued unbelief. There can be no pardon for a person who dies in his rejection of Christ. The Holy Spirit is at work in the world, convicting the unsaved of sin, righteousness, and judgment - (John 16:8). If a person resists that conviction and remains unrepentant, then he is choosing hell over heaven. ***"Without faith it is impossible to please God"*** -(Hebrews 11:6), and the object of faith is Jesus -(Acts 16:31). There is no forgiveness for someone who dies without faith in Christ.

This terrible day of Tribulation has an ultimate purpose beyond the earlier description. Our Holy Heavenly Father hates sin. That fact is not debatable. In fact, He hates it so much that He gave His Only Son to save the world from sin and its consequences. Now, most of the world has rejected God's Only Begotten Son and has chosen instead to take a thousand paths other than the one that streams from Calvary. God will judge the world because it has rejected His Son and His ultimate love for His creation. Jesus describes this judgment Himself in Matthew: ***"And Jesus answered and spoke to them again by parables, and said, "The kingdom of Heaven is like a certain king who made a marriage for his son. And he sent out his servants to call those who were invited to the wedding; and they would not come. Again he sent out other servants, saying, Tell those who are invited, Behold, I have prepared my dinner; my oxen and fatlings are killed, and all things are ready. Come to the marriage. But not caring, they went their ways, one to his field, another to his trading. And the rest took his servants and treated them spitefully, and killed them. But when the king heard, he was angry. And he sent out his armies and destroyed those murderers, and burned up their city."*** -(Matthew 22:1-7).

When the portrayal of this event Jesus calls the "Great Tribulation" is understood Biblically, it bears no resemblance to the present tribulation that all believers endure to some degree. The gas chambers of Hitler were hell on Earth and snuffed out millions of lives. Tens of millions have died during the two great wars alone. But this judgment that is coming is not the death of men that will yet be raised in resurrection to face God in judgment. This tribulation is the wrath of God Himself to which **there are no claims to be made for higher appeal.**

What I am about to say next is extremely important for those of you who are Bible-believing 'born again' Christians. **There is no place in Scripture where this day can be identified as affecting the Godly servants of the Lord. Whenever the Old Testament prophets spoke of judgment, they always declared that God provided a haven for the righteous. Isaiah spoke of "a day of indignation". He clearly revealed that provisions of the Lord were made for the saints.** Examples: Isaiah 10:5; 10:25; 13:3; 26:20; 30:27; 30:30; 34:2; and 66:14.

This fact notwithstanding many will tell you that the believer will go through part or all of the Great Tribulation. The people who say such, be they laity or religious leaders, are not being truthful. They either lie or are deceived by ignorance. The situation evolves into nothing more than the blind leading the blind. Unfortunately, the blind become unwittingly used by Satan when they spread and perpetuate the lies that they themselves bought into. These are people, who for various reasons do not understand God's Word, its meaning, its message, or its overall purpose. They may or may not be encouraged to develop strong study skills or read their own Bible regularly. Instead they may be ensured a better understand can be enjoyed by reading Church literature explaining Church interpretations and doctrines on Scripture teachings. They include:

1. Those untrained in the Biblical languages of Greek or Hebrew.
2. People who fit the masochistic demeanor.
3. People who cannot differentiate between the meaning of wrath and grace.
4. People who feel they have to merit God's salvation.
5. People who do not or cannot maintain balance of the grand theme of the Bible.
6. People that have been hammered with the idea that God is a mean or evil taskmaster.
7. People who want to make the idea of salvation something they have to participate in.

This is just a partial picture of the struggle that can be had in the search for truths found in Scripture. Among this list description one will always find either current or former followers of Seventh Day Adventists, Jehovah's Witnesses, Mormons, and Catholics. Some may not fully believe the Bible is an inspired work of God. Former cult members may be among this group. They have been indoctrinated by others who give the appearance of being "super-spiritual"! Many are threatened using a variety of fear tactics suggesting damnation or being led astray if they consider reading literature other than that approved by these organizations.

I could stop right here and say no more; however, in the time we have left until the Rapture, I will continue to provide an exhaustive comprehensive overview of the Word of God on this theme of "Deliverance before Judgment". Let me encourage the reader to participate with me in this endeavor by sharing copies of this series with your friends, be they believers or otherwise.

God revealed to Isaiah, "***Your dead ones shall live, together with my dead body they shall arise. Awake and sing, you who dwell in the dust; for your dew is as the dew of lights, and the earth shall cast out the dead. Come, my people, enter into***

your rooms and shut your doors around you; hide for a little moment, until the fury has passed by. For behold, Jehovah comes out of His place to punish the people of the earth for their iniquity; the earth also shall reveal her blood, and shall no more cover her dead.” -(Isaiah 26:19-21).

Such language leaves no question that our God never includes a judgement of the righteous along with the wicked. Malachi spoke of this care, which the Father provided for His own, ***“Then those fearing Jehovah spoke together, each man to his neighbor. And Jehovah listened and heard. And a book of remembrance was written before Him for those who feared Jehovah, and for those esteeming His name. And they shall be Mine, says Jehovah of Hosts, for the day that I will make up My treasure. And I will pity them as a man has pity on his son who serves him. Then you shall again see the difference between the righteous and the wicked, between him who serves God, and him who does not serve Him.”*** -(Malachi 3:16-18).

The Holy Scriptures are filled with this unmistakable difference describing a God who makes a clear distinction between the holy and the unholy. ***“Noah found grace in the eyes of the Lord”*** -(Genesis 6:8). God would eventually come to vent His wrath on the antediluvian world of a wayward civilization. The ark became his haven above the storm. Lot was told by angels, ***“Hurry and escape there! For I cannot do anything till you have come there.”*** --(Genesis 19:22a). Can you imagine the angels saying, ***“I cannot do anything till you have come there?”*** It is impossible in God’s kingdom of judicial perfection for a righteous person to be treated as an unrighteous individual. The God of the Earth will do it right when he cleanses the world of evil once again and for all time!

The Apostle Paul identifies the Wrath of God in his inspired writings. This wrath is a specific action by the Creator. It is always limited to and directed towards a very specific, narrow concentration of transgressors. The Apostle Paul stated, ***“For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness”***. -(Romans 1:18).

Paul speaks of a specific day – ***“a day of wrath”*** – which was to be manifest at a future time: ***“But according to your hardness and your impenitent heart, do you treasure up wrath for yourself in a day of wrath and revelation of the righteous judgment of God, who will render to each according to his works;”*** -(Romans 2:5-6).

There can be no question, the Biblical record is crystal clear. The “Great Tribulation”, which Jesus Christ spoke of is identical to the same period, which commences and is described in Revelation chapter 6. The Apostle John calls this period the “Day of Wrath”. ***“And they said to the mountains and rocks, Fall on us and hide us from the face of Him sitting on the throne, and from the wrath of the Lamb; for the great day of His wrath has come, and who will be able to stand?”*** (Revelation 6:16-17). The Scriptures is abundantly clear: The Day of Wrath and the Great Tribulation period are one and the same event in God’s economy. [Posted in 2016]

¹“Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, ²That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. ³Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; ⁴Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. ⁵Remember ye not, that, when I was yet with you, I told you these things? ⁶And now ye know what withholdeth that he might be revealed in his time. ⁷For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. ⁸And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: ⁹Even him, whose coming is after the working of Satan with all power and signs and lying wonders, ¹⁰And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. ¹¹And for this cause God shall send them strong delusion, that they should believe a lie: ¹²That they all might be damned who believed not the truth, but had pleasure in unrighteousness.” –(2nd Thessalonians 2:1-12)

When you read and hear that **Damascus has been “**Nuked**” you will know that you only have days before the End! When Isaiah 17:1 is fulfilled, Russia will enter the picture that leads to World War III. We were told in advance it would happen! Russia has defense treaty agreements with Syria. The COP28 meetings are still on schedule and the calendar dates below are baked into the cake.**

Believers worldwide will be Raptured out of here just before or at least prior to when Prince Charles makes his rare appearance at the COP28 that will usher in the Great Tribulation of Daniel 9:27. Hanukkah, 2023 offers another possible Rapture date within this time frame!
